

Inside the VAFA

The Century Season?

Given that Paul Edwards from Therry kicked all seven goals for his side in the opening round, it begs the question: is this the year of the 100-goal kicker?

Perhaps more than ever, there is a glut of goal-kickers in amateur football, which has often been criticised as being too low scoring and geared towards flashy midfielders.

In A Section, two ex AFL ruckmen are leading the way, belying suggestions that injuries had derailed their football careers. Brett O'Farrell (Old Haileybury) and Steven McKee (St Kevin's) have both proved that there's nothing like tall timber in the goal-square.

Of course, Old Scotch's James Gerstman, who had a titanic tussle with Dan

Jordan last year for the sharp-shooting honours, is right in the mix following an eleven goal haul last week against Uni Blues, widely regarded as having the most miserly defence in the competition. Gerstman, very much in the Dunstall mould in terms of how he plays, missed the opening round with a foot injury but should he remain on the park, will give the ton a red-hot nudge this year. Simon Minton Connell kicks 100s as a matter of habit but unfortunately business commitments may impede him this year. Still he's made a tidy start for the NOBS with bags of 5 and 4.

As absurd as it sounds, the smart money is on Old Camberwell's Richard Taylor to take the cake in C Section. The ex Hawk and West Coast Eagle, is relishing the chance to go forward in his twilight years as he lurks ominously at the feet of his taller forwards. Seven goals in the opening round and the benefits of playing in a strong team auger well for Taylor, who was touted as a possible Uni Blues recruit in the off season. Of course, a gentleman by the name of Julian Kirzner

seemingly has a mortgage on the C Grade goal kicking and on the back of a lazy seven last week, he looks the odds on pick again

One name I keep hearing about from the coat tuggers is Kane Maghamez from the

Fitzroy Reds. The gargantuan teenager, who graduated from the Under 19s in the off

season (on the back of two successive 90 goal plus seasons) is on Williamstown's list but represents a scary presence when he lines up for the

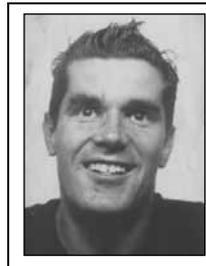

Reds. Two days out this year sees him well ahead on the sharp shooters table.

If you want bags, plonk yourself down in D4. In the last two decades, 11 players have kicked the ton. (Yes, I have no life) with Hawthorn Amateurs' Dan Lauletta the hot tip to bring up the three figures this year.

Whatever the case, amateur history is littered with names capable of giving the goal umpires neck pain. Amazingly however, we haven't had an A Grade centurion since 1980. Messrs Gerstman, McKee and O'Farrell would be good each way bets to buck the trend.

On a totally different track, Whitefriars' Anthony Carbone is not noted for his big bags but caps off one of the more remarkable amateur careers today when he runs out for his 300th game against MHSOB. 6 club B&Fs, numerous times runner up, comp MVPs, state honours and premiership captain. He was at the forefront of the Friars' remarkable push up the grades, despite offers from higher ranked clubs. Well done Cuzza, enjoy your day!

James Hayter pretty much stitched up every full forward in A Grade last year. Look at the front cover of the record from the opening round and it sums up why the Blues won the flag. Indeed such was his dominance over St Bernards' **Dan Jordan** that big DJ vowed "never again!", jumped ship and scooted off to Western Australia with a plane load of assorted hair stylists in hot pursuit. James Gerstman kicked nine on him last year, but eight of those were from often-ridiculous free kicks and it appeared a mere blip on his copy book.

Fast-forward to quarter time on Saturday and Hayter was as white as a ghost. **Gerstman** had kicked seven, Scotch had had applied the blowtorch to the reigning premiers and the fabric of the competition suddenly looked a little different. Gerstman, who finished with eleven, plays him exactly the way everyone else didn't last year; he avoided the body on body contests, relying instead on his uncanny ability to read the play from upfield.

Some numbnuts in the community had the audacity to blame the loss on an article that appeared in the Saturday Age. Those with more of an idea rightly contend that Scotch is a pretty slick team and boast arguably the most lethal forward line in the competition.

Cameron McKenzie-McHarg (how's that for your quintessential Scotch College name!) was dominant in the ruck and **Steven Hume's** kicking to Gerstman was a treat to watch

In the other games....

Dan Rush, Adrian Cox and Ryan Colbert (Leigh's brother) were all amongst it as **Xavs** overcome a tardy start to totally blow away the hapless **Wesley boys**. Ten goals in the final term suggests a newfound potency for the away team.

Nick Daffy fronted up for a rare appearance with **Old Melburnians**, who were competitive until half

time but succumbed to the ferocity of the **St Kevin's** side. At 3/4 time of the Uni game, Steve McKee was probably wondering the point of it all but he has since kicked ten goals and looks an absolute doozy for the SKOBS. Matt Lucas (until injured), youngster from the college Marchesani and Rory McGuire (a reserves player last year) all played vital roles for the home side. Their acid test comes today, but it's not beyond the realms of possibility that they can mix it with the Xavs of this world.

Marcellin just won't go away. On ANZAC day, they were always in control against a young **St Bernard's** side that must have given itself a red-hot chance going into the game. Youngster Cam McLaren has been a real revelation while chunky on ball magnet Brett Dobson must surely be the most consistent player in the competition.

Finally **Haileybury**, who were something of a joke last year but now look very much the benchmark.

How would you like to be an A Grade full back playing on Brett O'Farrell with Corrigan, Siapantis, Barker and co streaming down at a rate of knots? They won the school flag last year with a bunch of ring-ins but their Old Boys side are all home grown and pretty impressive. Could this be the year?

Today

With apologies to Scotch and OMs, Uni Blacks and Blues and Beaumaris and Hampton Rovers, St Kevin's and Old Xaverians would have to be the fiercest rivalry in amateur football. Stretching back to those Year 7A APS battles at Burke Hall and spiced up by the Michael Blood hoo-ha, the thrice yearly punch up at Cheers nightspot and allegations of financial impropriety, it's hard to imagine two sides that love beating one another more. I'll go for Xavs, just.

And...

Nicco will dust off his old side at McKinnon (though O'Farrell will miss with work commitments in Sydney)

The Eagles will swoop on **the Lions** to go 3 zip.

The Students will get their act together against No Ms. Scotch will give a right royal touch up to the struggling Trinity.

St. Kevins OB - Today at Toorak Park against old rival Xavs, **Marcus Dollman** celebrates a significant milestone - **200 games**. Marcus' contribution to SKOB since joining the club as a skinny redhead kid in 1994 has been legendary. Two time Senior Premiership winner, two time VAFA competition B&F winner, Senior Captain 1998-2002, Senior B&F winner and Best Clubman in 2004, Marcus just keeps on giving to the Club that he loves. He's still a redhead kid - perhaps not so skinny - but our hats go off to Marcus for this tremendous achievement. Best of luck today Dolly.

A LEAGUE OF OUR OWN

SP009

B SECTION

by Tom Brain

Caulfield Grammarians showed a return to 2004 season form with a hard relentless attack on the footy but unfortunately failed by the barest of margins to get over the line against **Mazenod OC**. Inaccurate kicking for goal not helping their cause.

Old Essendon were trailing by some 26 points at the 20 minute mark of the third term, then threw caution to the wind kicking long and direct and did a 56 point turnaround in the next 40 minutes of football to come away 30 point winners over **De La Salle**.

For the second week in a row after a tight struggle **Old Brighton** kicked 8 goals in the last term to come away with a convincing win at the **Tigers** lair.

MHSOB took the points at the hoodoo ground against a young and inexperienced **NOBS** side. A five goal to 1 point last quarter gave them a victory in a day where Warren Fall made a comeback to coaching.

Great day at Pine Lodge saw **Old Ivanhoe** firm as the early favourite with a pretty comfortable and convincing win over the taller **Whitefriars** side.

PREVIEW

Whitefriars welcome **MHSOB** to the picturesque Park Orchards. Promises to be a good game between the rapidly improving High School and the experienced Friars, but the fact that it is at home and buoyed by Anthony Carbone's 300th Game (Well Done Cuz -TB) I think that **Whitefriars** will have the necessary inspiration and motivation to get over the line.

The battle for the Merri Creek Cup takes place today out at the Grammar school. Buoyed by their rousing victory last week the **Old Essendon** side should start the match with plenty of confidence. **NOBs** just have not been finishing off their games and will need to play

for the full 4 quarters to be any sort of a chance today. But for me winning form is good form and at home I fully expect the Grammar Boys to be victorious.

Short trek across town finds **Caulfield Grammarians** at South Road ready to tackle the rampaging **Old Brighton** unit. Improved showing last week from the Fields would have them feeling better about themselves but a strong work ethic and belief in themselves has the Tonners playing pretty good footy at the moment. Again home ground advantage sways me to stick with Old Brighton to handle the Fields and keep them at bay.

East Malvern stages an important game between **De La Salle** and **St Bedes** especially the visitors is an absolute necessity today. Both sides are young and play a fast running game so it certainly promises to be a

beauty. De La Salle though do just have that little bit more experience and A Grade toughness that in a close one should see them over the line today but a reversal would not surprise.

Mazenod and **Old Ivanhoe** both who have done nothing wrong clash at Central Reserve today. This is a big test for the home side to see how much improvement has been made since 2004. And who better to test it against the Hoers who have added some depth to their outfit and are in pretty good nick at the moment. Will go against the grain here as in home ground advantage and tip the visitors with their greater experience to record the points.

Long weekend must have thrown a few out with not such a good response this week. Please send a brief Match Report and a couple of Best Players and Player of the Round Nominations to 9553 1561 home phone and fax, the mobile is 0403 433 016 or send me an email to brainco@optusnet.com.au. Thanks.

M I MILESTONES E S

Old Brighton - congratulates resident magician, **Adam Pirrie** on playing his **100th** game in the opening round of the season against the Bombers. Beginning in Reserves after a limited pre-season, Adam bagged six and was immediately reinstated in the Seniors last week against the Tigers at Brindisi Street. Adam turned on a 101st to remember with a brilliant exhibition, booting eight second-half goals, and collecting a bag of ten for the day. Adam is one of the precious few who maintains a perfect technique when shooting for goal, and everyone at The Beach hopes that the Show keeps rolling on for another hundred. Well done Adam! Magnificent!!

After 12 years in existence, **Yarra Valley Old Boys** found themselves finishing 5th in D Grade for the second year in a row. At the Club's Presentation Night, held in late September last year, the Senior Coach demanded a greater commitment from all players in Season 2005, otherwise he felt that the Club would take a backward step in the new season.

They kicked 2.8.20 against **La Trobe University** in their first practice match. This is an edited transcript of a letter written to each player at the Club and presented to them early on the following week.

No football teams win Premierships in March.

We all know and understand this fact. Practice matches are exactly that ... PRACTICE. They are a necessary evil in any footballer's season, to aid with the process of conditioning, building the skill base, teaming together as a group and bonding.

They are planned and scheduled to assist you the player to prepare for the rigours of the season ahead. They are played to remind you of the amount of training you have completed (or not completed), as the case may be, in the period before and after Christmas. They are there to remind you that you still need to improve your foot skills, your hand skills, your marking skills, your endurance, your speed, your agility, your flexibility, your ability to think and act under pressure and your voice out on the ground. They are there to remind you that kick chasing is something that you left behind when playing junior football. You must remain accountable for an opponent, especially when the opposition team has control of the football. You must run to space when we have control of the football in order to create an option for a team mate, which in turn will create the required forward momentum. You still have to do the disciplined things!

When the ball is in dispute and you are in the close proximity you must push yourself to aid your team mate. You must also use your physical presence to your team's advantage, play in front, contest every issue, make crumb gathering a special feature of your game, especially if you are not a designated marking option.

They are there to remind you to jump up off the ground when knocked over, not lay there leaving your team one man short. They are there to help instil team discipline, follow the game plan, abide by the team's rules and set plays. They highlight individual performances on the day, the good, and the not so good.

They teach you to prepare for dealing with umpires again. No matter how good or bad they are without them there is no game.

You have to respect their decisions, get on with the job and just maybe the next time a "Line Ball" call will go your way.

All of this comes a lot easier if you have done the right thing at training. Training is designed to prepare you for matches. At Yarra this year we have identified overall player fitness has fallen away since 2002. Why??? The playing group at this Club is growing older. We no longer have the benefit of an annual influx of U/19's.

Some of us have dropped off the "Yarra Train" for varying reasons. They may return, they may not. You, however, have chosen to stay and play for **THE MIGHTY BUSHRANGERS!!!** You have made a choice to spend those cold winter nights training, you have chosen to spend your Saturdays chasing that elusive piece of leather, getting knocked over, possibly abused, hopefully praised, but most of all, sharing great times with your mates.

In order to achieve all of this you have to be fit and healthy and ready to play the great Australian game. That means preparation time and something in your heart that makes you want to push yourself through thick and thin and times of pain. Sometimes we will need to train long and hard, other times the sessions will be short and sharp. We will be training in blocks, in the hope that we will be able to peak at the right time - September. In the mean time, I ask all of you, stop whingeing about sore calves, shin splints, OP, tight hammys etc. If you are sore, tell the coach who will modify your preparation, if deemed appropriate and see a professional about it. Use your spare time to get into the pool, go for a walk or a bike ride or get a massage. Do something, but don't use it as a crutch for poor performances. Ask yourself these questions.

Am I stretching enough during the day to aid my muscle flexibility?

Have I taken in enough water during the day to ensure that I am sufficiently hydrated to meet the challenges of training and playing?

Did I have a snack at the right time of the day to ensure that my blood sugar levels are in order to meet the rigours of the session?

We don't need excuses anymore, we need solutions. It's up to you boys!

MHS CENTENARY HISTORY NOW AVAILABLE

School historian **Dr Alan Gregory** is delighted with the response to his recently published centenary history of Melbourne High School, 1905-2005. The recent release of **Strong Like its Pillars** also marks the centenary of state secondary education in Victoria. The **Continuation School**, the forerunner of **Melbourne High School** and **MacRobertson Girls' High School** was situated in Spring Street in what is now the site of the **Royal Australasian College of Surgeons**.

mhsoba@mhsoba.asn.au.

The cost of the book is \$70 with an additional \$10.50 for postage and handling within the Melbourne metropolitan area. Slightly more to other locations. The book can be collected during working hours from the MHSOBA Office.

The **MHSOBFBC** is the only state school team still playing in the VAFA, following the merger a

few years ago between UHS and Victoria University.

MHSOBFBC values its position within the VAFA and is keen to continue upholding the traditions of MHS as a football powerhouse in the state education system. Today we cater for many players from other state schools and welcome their input strengthening the club as it plots its future growth. The club was founded in 1907 and joined the VAFA in 1928. Our most recent success was winning

The Melbourne High School boys moved to their South Yarra site in 1927.

The magnificently illustrated volume is a real must for anyone interested in the history of state education through MHS.

Rd. 2 enjoyed some great free wheeling footy with at least 36 goals bagged in three of the games. Paradians found their feet, Rovers showed little mercy and the Wellers won a shootout. The Sharks and the Blacks had important victories to set up a cracker today. Four teams are still waiting to sing their song.

REVIEW

The Wellers are not having any trouble finding the big sticks, slotting another 22 against the Jackas. Mitchell and Clyne regularly began the forward thrusts for Loats who bagged 8. Ajax matched OC for most of the day, but a couple of lapses and the Wellers stung them. Lewski and Berger best for the vanquished.

Banyule were swept away as the Rovers booted their biggest score for half a century. Browne, Greenwood and Tregear were strong in the air whilst Martyn, Burgraaff and Carr found it on the deck. The Bears had no answers, but Morgan and Wise tried hard.

Kempton and Evans kept up their great start to the year enabling Blacks to regain the Cowan Frearson Cup against the Blues. Uni surged early, before a Monash rescue led by Turton and Tinkler, bounced them in front. There would be several lead changes in a tough and skilful clash, but the work of Batten and Groom saw The Blacks home.

A 14 goal to two opening half paved the way for Paradians first win of the campaign. Faroldi and Crotty instigated a Therry revival with seven third term majors, but the home side steadied, before kicking well clear in the last.

A solid turnout was treated to a high quality encounter between the

“Will the real Paradians please stand up?”

Sharks and the Vultures. In a typically hard fought local rivals battle, Parkdale will rue missed opportunities whilst Beauy were able to steady late in the game.

Sharks, Ensor and Spence were rock like in defence, whilst Lynch was a handful.

PREVIEW

All roads should lead to Optus Oval today, as the Blacks and Sharks go head to head. Both teams were stretched by Monash, before prevailing. The game between two evenly matched outfits should be tough, uncompromising and rich in skill. In a bob of the heads, Beauy will have their noses in front when required.

Will the real **Paradians** please stand up? Belted the first week, bruisers the next, what can we expect today? One thing they can be sure of is, the **Blues** will be hungry for a first up win. Last year's preliminary finalists have played well in both games, but have nothing to show for it. I think it'll be third time lucky and Monash to salute.

Ajax journey to Oak Park, where **Therry** awaits them, as both sides look to prevent a hat trick of losses. **Therry** have struggled for goals, whilst the **Jackas** led by a strong running pack have been impressive at times and that should give them the edge.

Banyule probably couldn't have picked a worse side to play against to try and avenge last week's thumping. The **Wellers** are flying. Averaging 24 goals a game and whilst the **Bears** may restrict that number today, **OC** will still manage a winning score.

Successive away matches for the **Vultures**, but again they don't journey far when they venture to **Hampton**. The green and golds were exceptional last week, but the competition will be far tougher this afternoon, with **Parkdale** coach, **Tony Macgeorge** no doubt drumming home the need for players to take their chances in front of goal. It should be another ripping local derby, at **Boss James** and I'll stick with the hosts.

Certificate of Merit profile: Ian Cave (Hampton Rovers)

- 284 game player beginning in 1965
- Reserve Coach for 8 years
- Senior Committee member, including positions of Senior Vice President, Secretary & Delegate

- Best Clubman in 1969
- VAFA Representative Selector for 5 years & also a member of the VAFA Permit Committee
- An inaugural member of the Hampton Rovers Hall of Fame

Ormond congratulates **Tim (Statistics / Stats) Stewart** for playing **350 games** for his club since

1 9 8 5 .
Statistically speaking, a g r a n d performance from the l o n g e s t serving player in Ormond's h i s t o r y .

Reserves Captain for 11 years, 29 Reserves finals including 10 Grand Finals with 5 Reserves Premierships, over 450 goals and Reserves Best and Fairest on 3 occasions. Tim gained the Club's games record of 271(combined Senior and Reserves games) from Mark Gilmore in 2000. He has been as equally as impressive off the field with his work on both the social and general committees. Stats has been rewarded with Clubman of the year 1992 and ultimately Life Membership in 1998. The consummate Club person, everyone at Ormond heartily congratulates Tim Stewart.

Prominent Shark's identity **Mark Fisher** (father of Leigh at St Kilda) had a once in a life time golfing experience. He "aced" a par three at Woodlands.....so as great as that is, its not that unusual, except his playing partner stepped up and banged his tee shot straight into the hole as well. CONSECUTIVE shots. I think the third player of the three picked up his ball and walked back to the Clubrooms in disgust.

As if being the "powerbroker" behind the **Old Xaverians** of recent times isn't enough OXFC CEO Kevin O'Shaughnessy can't stay away from footy. Spotted a couple of weeks back at Trevor Barker Oval, Kev was quizzed why he was in the black, red and white, "simply assisting the **Frankston Dolphins** with some admin work", came the reply. Seems Kev is a footy head, as if you'd have any spare time managing a club with (6) teams – OXFC, then assist a stand alone VFL club administratively and he's also been seen at Boss James Reserve helping **the Rovers** out with some coaching at junior level. Kev you're a marvel. It's people like Kev who keep the game ticking over – keep up the great work.

Read in the BIG paper recently that **Old Ivanhoe Grammarians Senior Coach Gerard Sholly** has been employed by the Lions to co-ordinate recruiting out of Ireland. Gerard manages the two O'hAilpin brothers, as well as a number of Cricket Victoria players, he's Coaching Director at Ivanhoe GS and still manages time to coach OIGFC, who are flying at present. Gerard is also a senior VAFA representative selector and will be going around again assisting in preparing the VAFA Senior side's attempt to win back the Brian Molony Cup from the VCFL at Elsternwick Park on July 17. Stay tuned for more on the Irish link and the VAFA/AAFC, but also the venue for the **Brian Molony Cup** may get the green light to be played at the 'home of the people' – fingers crossed.

Russell Barnes (St. Bedes Mentone Tigers Senior Coach) always plays his cards close to his chest. Middle of last week a bayside Leader newspaper reported that while Assistant Coach **Luke Beveridge** had played in a practice match, he pulled up sore and really had no intention of

OF THE GAME...

playing during the season. Round 2, Luke plays and gets in the best against Old Brighton. Guess you'd never waste a reinstatement on someone who wasn't going to play, hey Barney. Good luck Bevo, Matty Mahoney sends his regards, he's now driving racing cars!

Interesting to note that **Mazenod OCFC** Senior Coach **Mike McArthur-Allen** has not been in town for their first two games and will again miss Round 3. Mike is visiting his daughter overseas with his wife and has left Assistant **Andrew Sutherland** in charge, ably assisted by club legend **Andrew Pickering**. Suther has overseen two wins and lines up at Central Reserve today against Old Ivanhoe who wouldn't have fond memories of the ground from visit last season. Last time Mike was absent was via the tribunal, **Frank Melican** took the reigns at Ormond and guided the side to two wins there also. Speaking of games Mike McArthur-Allen will celebrate a significant coaching milestone in the coming weeks, something about five zero zero! And the MOCFC is looking to acknowledge the achievement in a significant way - stay tuned for more.

CENTENARY YEAR
1906 - 2005

One Hundred seasons and the red and black "out the back" are still flying. **Elsternwick AFC** are celebrating their **100th VFA** season in 2005 and have a number of functions planned.

The play the only schedule night game at Elsternwick Park,

Sportscover Arena this season on Friday May 20 against old rivals Albert Park, with the reserve teams set to play on EP No2 on the Saturday, and then onto International Receptions in Brighton that evening (May 21) for a Reunion Ball of huge proportions, with people coming from all over Australia for the event. If you know of anyone interested in attending or becoming involved call Adam Hankin - 0418 121 404.

Therry Penola saluted on of its greatest sons, **Bob Lyons**, last week when he played his **400th** game for the club against Collegians. Bob who has played 2 Senior games, 292 Reserve games 35 Under 19 games and 71 in the Club 18 celebrated

his milestone in a typically low key way. Bob left his native Ireland at 14 and quickly adapted to playing Aussie Rules firstly as a hard working rover and then as a tough, tenacious back pocket. He is admired by team mates and opponents alike for his never say die attitude with tough tackling, smotherers and hard ball gets a regular part of his game long before they became fashionably known as 'one percenters'. As a younger fellow many Therry committeemen of the time's complexions would turn pallid at any mention of Bob or the 'Baldies' but as time has gone by he has become a pillar of the 'Establishment' with he and wife Julie tackling the pleasures of raising their 3 young boys. Bob's wonky ankle may preclude him from playing many more games [surely it's not gout Bob!?!]. However anyone who has seen Bob coach the Club 18 over the last few years, with his ability to make all his players of varying talent feel important and know exactly what's required on game day and at training, know he has a great coaching future if he goes down that path. People like Bob Lyons make our great amateur competition even greater and we at Therry have been privileged to have had Bob in our midst for the last quarter of a century. All Amateur supporters congratulate you Bob and wish you many more years of involvement.

Seems some clubs are already well underway planning for 2006 and beyond - the **Parkdale Vultures** are seeking an U19 coach for the 2006 season.

by Barry Hickey

There is a long way yet to go, but looking at performances in the first two rounds, our Section is going to live up to its reputation as a torture chamber in the months ahead.

LAST WEEK

Aquinas had **Glen Eira's** measure and won comprehensively. Tim Olarens Shaw(OB) had a great game for the Bloods, Chris Wooden was 'on fire' up forward with 8 goals, and Brendan Helme did some fine things off his HBF.

Prahran was overrun by the classy **Ormond** and had no answer for the Monds extraordinary trio of highly skilled speedsters, Robbins, Leigh Deledio, & Miller! Michael Radywonik rucked well for the Two Blues, with Craig Hall strong across HB.

Yarra Valley overcame **Emmaus St Leo's** in a gripping affair played flat chat all day! Chris Beal at HBF played a model game for the Bushrangers with CHB, Dave Stevenson not far behind, while Tim Hancock was a strong forward. Ballard & Krebs starred for the Animals.

Fitzroy Reds was strong for **Old Mentonians** and in control throughout. Trent Wiltshire & Brendan Russo both impressed in run with roles for the Panthers.

Old Carey concentrated on the one-percenters against **Bulleen-Temp** and rightly left egg all over the scribe's face for predicting a reversed result! Both sides will have a big say in who plays finals football this year. Geoff Trumble had a great day at CHB for the Cs, with Xander Thompson lively in the packs and Al Parton a strong target up forward.

TODAY

Glen Eira and **Prahran** are still settling down, but the Two Blues should win a tight contest by 2-3 goals.

Ormond and **YVOB** at the Buxton Reserve will be a bottler as both sides have speed and skill to burn. The Monds should win by 4 goals but

watch out if the Bushrangers can hold them in Q1.

Emmaus St Leo's and **Fitzroy Reds** is

a key match, with the Animals smarting from their hiccup last week. Reds are looking more settled, but the Animals are rarely beaten at Bennettswood and should take out a classic game by 2 points

Old Mentonians face a stirred up **Bulleen-Templestowe** and the visitors should have too much firepower for Peter Russo's youngsters by a 4 goals margin.

Aquinas and **Old Carey** resume their rivalry with only one Carey side ever winning at the College and that was in 1995! Steve Maus has his squad going well though and the Cs should win a close game by a goal or so.

Reserves winners should be: Prahran, Monds, Reds, Panthers, & Cs.

Correspondents contacts: 9889 1979, & bfhickey6@bigpond.com

CARLTON DRAUGHT

M I MILESTONES E S

Ormond AFC - congratulates **Tim Stewart** on playing his **350th** game today. Stewy has been Captain of Reserves for 11 years, kicked 450+ goals, played in 5 Reserves Premiership sides, is the Club games record holder, and also Club Vice President! Tim is the epitome of the good District amateur footballer!

Yarra Valley O B - congratulates **Ben Seeger & Tim 'Herbie' Hancock** on playing their **50th** games in R2. Herbie began in the U19s in '99, but injury and travel curtailed his appearances on the field. He was a member of the 2002 Flag side, and his size and strength make him an opposition headache either rucking or up forward. Ben started with the 2002 U19s and had a solid season with the Reserves in 2004, but hard work has earned him a Senior place in 2005 and made him a fine example for the younger YV players. YVOB also salutes **James 'Poochie' Keem** on playing his **100th** game last week. James began in the 1999 U19s, but quickly joined the Seniors after starring at CHF. Keema played in the 2002 Flag side and won the Club Seniors goalkicking for 2001-2004 inclusive, plus the U19s in 1999. He also won the D1 Section goalkicking in 2004! Keema is a terrific Clubman and joy to watch.

Old Mentonians - congratulates **Luke Sunter** for playing his **50th** game in R1. 'Wix' is one of the hardest trainers at the Club, and a popular and entertaining Clubman for many years. Congratulations also to **Matty Stroud** playing his **100th** today after joining in 1997. 'Shirl' has been a key contributor to the Reserves success over recent years as well as in the Seniors. Stroudy has beautiful skills on both sides, and it is hoped his bag of 9 goals in R2 is a sign of future success. Well-done Stroudy!

Emmaus St. Leos - congratulate **Tim Batty** on reaching his **100th** game. The "Fat Kid" came through U19's and his courageous, straight ahead play has led to injury problems, which has curtailed his communications career and restricted his training capacity. One of the Animals characters, the "Fat Kid" will be sadly missed in his move north and we all wish him success in his career.

D2 SECTION

by Andrew Wu
& Peter Williamson

Flag favourites **Old Geelong** made its trip down the Nepean Highway to **Peninsula** worthwhile crushing the former D2 giants by 66 points. The Pirates, so dominant two seasons ago, have now lost their first two matches of the season by a combined total of 155 points.

Reigning D3 premiers **Oakleigh** outlasted **Ivanhoe Assumption** by 20 points in a fierce test of wills at The Boulevard. The Hoes lost skipper Paul Harris in the opening minutes but got good service from defenders Travis O'Neil and Colin Brown.

La Trobe's superior fitness saw it pile on eight goals to three in the final quarter for a 51-point victory over a spirited **Swinburne** at St James Park. Razorbacks spearhead Jason Murchie booted five goals while skipper Adrian Fidler worked tirelessly in the midfield.

Rupertswood overcame a tricky assignment at **Williamstown** winning by 45 points to preserve its unbeaten start to the season while **Bentleigh** was too good for **Salesian**, opening its account for 2005 with a 50-point victory.

PREVIEW

An epic journey (possibly the longest in the VAFA) awaits **Peninsula OB** as they travel to Sunbury to take on **Rupertswood**. The Pirates appear to be afflicted by scurvy or something, and by contrast Rupo have been a rampant force thus far. I don't feel these respective trends will change any, at least not this, as the Rupertswood running game will sink the Pirates and leave them stranded towards the bottom. Rupo to win.

Early season favourites **Old Geelong** host **Ivanhoe Assumption** at Como Park in a contest between 2004's D2 third and fourth placed teams. The OGs have certainly lived

up to expectations at this stage, while the Hoes have been somewhat indifferent. Ivanhoe's backline, led by the likes of Colin Brown, Nick Blayney and Peter Lee, will certainly be kept on their toes by the likes of Kimpton and Vickers-Willis. Old Geelong for mine.

Oakleigh take on **Swinburne University** at Scammell Reserve in another contest between two sides whose fortunes have contrasted so far this season. Despite the firepower available to the Razorbacks from the likes of Jason Murchie and Matthew Higgins, I feel the Krushers have too much all round talent, especially if players such as former Springvale man Doug McKenzie rule the roost. Krushers

"The OGs have certainly lived up to expectations at this stage"

to win.

Salesian OC make the trek to Bundoora for their match against **La Trobe University** facing a tricky assignment against the 2-0 Trobers. It will be interesting to see how the likes of Bobetic and Thain go in the vast

expanses of the Main Oval, while the Trobers proved last week that they can also play the small grounds and come away with convincing wins. Tough to call, so I'll soft it and pick the home team. LaTrobe to win.

Fearon Reserve is the venue for the clash between **Williamstown CYMS** and **Bentleigh**. CYs will be disappointed with their second half fade out last time around, and will certainly be keen for retribution. Bentleigh on the other hand were impressive last week and will be looking to take this form over the West Gate Bridge. Despite a surfeit of new faces, the Demons seem to have gelled quickly as a unit, and I fancy them to take the points home today.

Social

ROUND 2 ACTION

St. Mary's v Eltham OC

... Retrospective

by Geoff Reilley

5 YEARS AGO - 2000

After three rounds there were no undefeated teams in A Section, surely the sign of a great season for the top grade. Old Scotch were the early movers to the top of the table, by percentage, and recorded a big win against MHSOB, 19.10 to 7.14. Star Scotch forward, Luke Hawkins, led the way with 10 goals and M Parthenides, Nettleton, Price, O'Brien and Holt gave great support. Pertzel, Fairchild, Thompson, Joseph, Taylor and Cassell were best for "The High".

A high note for MHSOB was the magnificent milestone of club legend, Ron Verma, who recorded the record number of games for his club (345). This 21 year association had seen Ron captain the U19's, coach and play in a senior premiership, coach and played in a reserves premiership and enjoy some more footy for the Club18 as playing coach. MHSOB were very proud of this outstanding achievement.

Ormond gained early status as the only undefeated team in B Section and despite a poor first quarter (3 goals to 7) against Old Haileybury, lifted the standard in the second and went on to a winning score of 20.18 versus 15.12. W Block, Bailey, Beckett (8), D'Astoli, Dale and J Keleher were terrific for Ormond while Dowsing, Seccull, Walton, Armstrong, Forsyth and Carson battled hard for Haileybury.

Beaumaris seemed intent on making a statement early in C Section after being relegated the previous season. They became the only undefeated team by travelling to Como Park, jumping Old Geelong in the first quarter and hanging on to win 17.18 to 11.11. The Sharks' better players were Holt, Teasdale,

Haynes, Kennedy, Martin and Bryce. OGGs' triers were L Wilson, Stinchcombe, Farrar, Higgins (3), Salter and Bird. C Section coaches were - Wayne Harmes (AJAX), Jim Durnan (Beaumaris), Paul Nigro (B/Temp), Paul Beddoe (Glen Eira), Russell Barnes (Hampton Rovers), Doni Valkanis (Ivanhoe/Assumption), Tony Morwood (Old Geelong), Tony Free (Pahran), Peter Geddes (St Bedes/Mentone), John Toohey (Therry Penola).

"Umpires Corner" was being written by Craig O'Donoghue and Graham Thwaites. They took the opportunity to detail the now famous "love break" when umpire Jamie Kvins received some tender loving care at quarter time from a female admirer. They also reminded us that Phil Callil, former Xavs and Caulfield Grammarians' player, was the umps' fitness adviser.

Out of four U19 grades, the Blue Section was the only one not being dominated by the old school teams. In fact, two district clubs were first and second, South Districts and Ormond respectively, both having won their first three games.

Ormond started slowly against AJAX but went into top gear in the second quarter and finished 6 goals up, 14.12 to 9.6. Russell (3), Wiley, Martinov, Purcell, Heffernan, McKenna were very strong for Ormond and Newstadt, Moroki, Butt, Feldman, Goldman and Benedykt were "goers" for the Jackers.

A high note for MHSOB was the magnificent milestone of club legend, Ron Verma.

10 YEARS AGO - 1995

In A Section there were continuing problems for Collegians when their

skipper, James Bennett, broke his wrist. Collegians stayed with North Old Boys until the final term but NOBS, mainly through Paul Booth, Daniel Tonkin and Marc Kurcyski, drew away for a 10.14 to 6.10 victory. Best for Collegians were Adrian Sheedy, Tony Wallace and Chris Pollock.

In E Central Section Old Essendon remained unbeaten when they accounted for La Trobe University on the mammoth Uni oval, 16.9 to 7.9. Old Essendon felt they had a side to take them up through the grades as they had started the season in fine fashion. Panagiotopoulos (7), Capodiferro, Reade and Gulpis were strong for Grammar. Canty, P Edmunds, Brown and Dunin earned their best players status for La Trobe.

In "Personality Pars" St Leos (E East) announced proudly that Ted "Dutchy" van den Akker broke the 270 senior games record. It was a credit to Ted's determination and fitness to reach this milestone.

20 YEARS AGO – 1985

A welcoming announcement by VAFA President John Dillon appeared in the record. The executive had reached agreement with Carlton and United Breweries and "Fosters" would become the VAFA's major sponsor for the season.

In A Section it was a big test for the Collegians Football Club as they faced the reigning premiers De La Salle at the Harry Trott. De La started well in the first term, Collegians rebounded in the second and held a 7 point lead at half time. The lead had narrowed to 4 points by three quarter time and the stage was set for a great battle and the opportunity for Collegians to prove a point. This they did as they ran out winners 16.8 to 13.13. Stuie Hinchin had done a great service to the winners by having the better of Shane Murphy and young Greg Irvine was brilliant for the purple and gold as a ruck rover. Glen Cook had a great battle against De La's young ruckman Dave Nugent on his wing, Wayne McDonnell helped to keep De La's chances

alive but Collegians were not to be denied the victory.

In F Section, Doveton won an entertaining contest against Brunswick, 20.18 to 14.12 and Doveton spearhead Mallon kicked 6 goals as a follow up to his 14 in round 2.

30 YEARS AGO – 1975

In A Section Monash Blues were the only undefeated team after beating Reservoir Old Boys. Reservoir were right up there until half time but then the Blues started to take command in the third and slammed on 9 goals in the last to finish 19.10 to 12.19. Big John Syme was Monash' best accompanied by Feathers, Carlton, P Golding, Hargeaves and Cash. Moore's 5 goals did not even get him in the top six. Reservoir submitted Slater, Jarvie, R Shepherd, Bates, Dowell and T Byrne as their top six.

Old Geelong kicked poorly, 13.22 in D Section but finished 20 points ahead of National Bank 12.8. Best for Geelong; B Spiden, Gilbert, Law, Hope, Anderson and Shaw. Bank's best were Evans, Podger, Perrett, Morris, Strongman and Jacomovic (4).

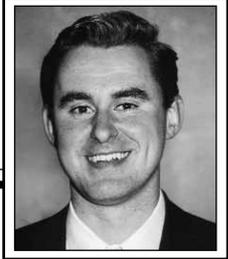

The Melbourne University Football Club congratulated the "Blues" captain, Barry Church, on his 150th game. During his 9 seasons with The Blues Barry had only missed 4 games and had a most impressive football background including Victorian representative and captain, Intervarsity player (twice all-Australian) and also 37 games with Old Camberwell and 30 games with Old Melburnians prior to joining the Blues.

40 YEARS AGO – 1965

Very wintry conditions prevailed with constant rain falling for the whole day and Coburg in A Section gained an early break on Uni Blues. Although only 4 points ahead at the final siren, 5.8 to 4.10, Coburg's 4 goals in the first term was the deciding factor in this key game. Best players were Scanlon (2), Malloy, Merrick, Warfe, Gardiner and Carolan (Coburg) and Fraser, Wilcox, Major, Lay, Cohen and Bray (Blues).

Talk about chocolates to boiled lollies with my tipping with only one winner picked on the weekend.

Review

Kew registered a pleasing home win against the highly fancied **UHS-VU**. A late charge was not enough for the Students as Rose lifted his side. **Werribee** upset **Powerhouse** as they opened up an early lead and were never headed as they blew their hosts out of the water with an awesome second half display. It was a nail biter for **South Melbourne** as they overcame a gallant **Gryphs** team.

Meanwhile in other matches (no reports received!!) the **Warriors** won a fiery encounter with **Syndal** to make it 20 wins on the trot, while **St. Johns** proved they are the outright premierships favourites with a thumping win against the **Westies**.

Preview

West Brunswick v Monash Gryphons

The Westies return to their unbeaten nest where they will be hoping to rebound against a student team that appears to be getting better each week. Touted by many as pre-season favourites, the Westies were bitterly disappointing last week and will be looking to stars such as "Heck" Hamilton to pull them out of the mire. While I expect the Gryphons to be competitive early, I am going to go with the experience of West Brunswick and shrewd tactics of their coach "Hamma" to see them home by 21 points.

South Melb Dist v Syndal Tally Ho

South Melbourne would have been happy to sneak away with the win last weekend, however, there will be no getting under the guard of a Syndal side that is now 0 & 2. In what promises to be a physical encounter, I think the home side who are now beginning to find their feet will be too good for their visitors as they run out comfortable winners by 32 points.

Old Westbourne v Kew

After a fantastic win last week against one of the pre-season fancies, the Browns travel to the dreaded Artic Park for the 2004 D4 Grand Final replay. The Warriors are on a club record-winning streak, and with a number of top line players on the verge of returning from injury, I cannot see the Warrior dominance diminishing today. Some would say holding gun-forward Juck Horsburgh is the key to a Brown victory, but if one looks back to last year's GF, this was done by Kew, but they still did not get close. Therefore, I am sticking with the Warriors to continue their Kew dominance with a 34 point win.

UHS-VU v Werribee

The students are still reeling from their loss last weekend and will be looking for sweet revenge against a confident Werribee outfit. While the Bees were great last week, I see the student outfit lead by D3 guns Langendorf, Rose and Tate as a different prospect, and as such they should be far too good for the visitors as they return to the winners list with a 6 goal win.

St Johns v Power House

Judging from the first two rounds results, this match appears to be one that can only go one way. I was told that the flood used by Power House in Round One was bigger than the one Melbourne copped in February, and one would think it will be no different today against the flag favourites. While this may frustrate St. Johns early, there will be no drowning for the likes of Phaedonos and Co as the only raining will be goals as their side wins by a massive 88 points.

Old Westbourne - salute **Simon Christo** who played his **150th** Club Game in Round 1. A versatile performer at both ends in both grades over many years at Warriortland, Simon joined the club way back in 1992 and has booted over 160 goals for the club and has rebounded from a number of disappointments. A past Committee member and true clubman, he has given his all in the No 16 guernsey. We also congratulate two young guns in **Brad Merryweather** and **Bruno Gerace** on **50 games**. Merryweather registered his milestone in Round 1 in his debut senior game. A member of the Warriors first Under 19 team who has now developed into a good Senior prospect at the club and who was a member of the Reserve Premiership Team in 2004. Meanwhile Gerace, who plays his 50th club game against Kew today has a senior Premiership under his belt, and has taken his footy to a level where he is one of the first selected and known for his in and under work and forward line prowess.

UHS - VU say well done on **50** games this week to ruckman **James Thomas**.

ELSTERNWICK PARK GATES

The **main gate** (Glenhuntly Road) is open **every match day**.

The **rear gate** (off St. Kilda Street) will only be open when there are no matches scheduled for Elsternwick Park No. 2 Oval.

When parking in the area behind the grandstand please park in a manner that would allow cars around you to be able to leave.

Players and officials who do not produce tickets at the gates will be counted and the club invoiced accordingly.

Clubs are issued with an appropriate number of tickets for players and officials.

Squads

With the introduction of four squads for field umpires, it has given the opportunity for umpires to move around within the grades, these squads are named Senior, Development, Rookie and General. In the case of the senior squad that encases the twenty umpires who run each week in both A and B grade, is it is there to remove the long A grade membership which is very similar to the MCC membership - sign on when you are born and wait for someone to pass before going up the list. However we need a better name for the general squad and if any readers have suggestions then let Brian (Benny) Goodman know.

Congrats

For their first A grade games last week field umpires Simon (Iron Lung) Stokes and Peter Liddell, and what a promotion it was for Peter after doing his first B grade game round 1. A grade in round 2, what next for round 3 - the AFL panel? Stokesy and Peter are yet again success stories from the clubs. Stokesy joined us from Old Scotch while Peter joined us from St.Johns. They join a growing list of players who have joined us from clubs over the years. Many years ago footballing legends (?) **Richard Eastwood** (State Bank), **Anthony Damen** (Power House) and **Phil Callil** (Caulfield Grammarians) crossed the floor and eventually umpired A grade football. There's been plenty of others in recent times as well. Give us a reminder and we'll give them a mention. A good incentive for those "old hack" players who might wish to stay involved in the game by becoming "old hack" umpires! (Take note former number 46 at DLS.) Phil even got a mention in Geoff Reilley's

column last weekend. It seems that 20 years ago Old Xaverians (in B grade) had just cleared Phil to Caulfield Grammarians. Phil is still running around helping the younger umpires in the lower grades. To any readers from Old Scotch - will Jon Kerr be the next big thing??

Welcome back

To **Richard Eastwood**,
Leah Gallagher and **Jamie**

Kvins who all made it back into A grade last week.

Back from the Dark Side

Last week we saw the return into field umpiring of **Craig (Darth Vader) Brajtberg** who has jumped between boundary, field, back to boundary and return to field umpiring. Hope he enjoyed his game and we especially hope there were no video cameras around, as Craig gets a bit nervous that he may have missed something the cameras captured. Not that we are reporting something!!

Dressed to the nines

What do you expect a barrister to wear when not working, some name brands like Hugo Boss, Versace or Lacoste? If you are **Mark Gibson** you go all out and wear the finest of white shirts that happen to be samples of material for the new umpires shirts. At least he looked good.

Doing the splits

In a recent game young goal umpire **Chris Doyle** had a pants-splitting incident. Hopefully there was no "fall-out" from this.

Don't forget to contact Leah or Macca with any news, views or milestones. I suppose we've got so many new and young umpires that milestones will be few and far between.

Review

Very much still in sorting out phase although a few facts are becoming quite clear. **Elsternwick** have hit ground running whilst **Bulleen** also appear to be a strong unit. Still a bit more to be revealed from the other teams just yet.

Couple of blow outs and a few close ones this week. **Elsternwick** posted a club record score against **Richmond**. Hunter was on fire up forward with 14 goals whilst **Bedingfield** and **C Mahony** again stamped their authority on the game.

Details are a bit sketchy on the other games, thanks mainly to some IT problems. **Albert Park** managed to scrape home by the barest of margins against **Hawthorn**. Two in a row for the **Falcons**, great start to the year. **St. Marys** registered their first win of the year at the expense of **Eltham**. The closeness of the game suggest that **Eltham** have had a good pre-season and maybe worth keeping an eye on. Finally, **Bulleen** continued their strong start to the season with a big win over **North Brunswick**.

Preview

The lay of the land should become a bit clearer after this week's matches although I think it might take to at least round 6 before too many trends are realised.

Match of the Day and a game that shapes as a potential prelude to further down the track sees **Elsternwick** host **Bulleen**. Hard to fault either teams form line and

both clubs have set themselves for big years. Big contrast in home grounds, with **Elsternwick** having the postage stamp whilst **Bulleen** playing on "an MCG equivalent". This certainly weighs heavily in my own mind and I think that **Elsternwick** will be able to make it three in a row.

Box Hill North host **St. Mary's** after having the bye last week. **St. Mary's** scraped home last week

and whilst a win is a win, they will be looking to ramp up their form this week. **Box Hill** entered the season with high hopes and I have a gut feeling that there might be something to it. Still, I had **St. Mary's** at the top of the tree in my pre-season tips and will stick fat this week. **St. Mary's** for me.

"Box Hill entered the season with high hopes and I have a gut feeling that there might be something to it."

In the third game, **Richmond** travel to **Eltham**, hoping to get their season on track. A whacking from Elsternwick will be hard to swallow for the Richmond boys although there were some positives to come out of the game. Eltham was close but not close enough last week however the closeness of the result certainly raised some eyebrows. The facilities for the Turtles are on their way to being first class and perhaps this is helping in building a solid year? Anyway, Eltham for me.

Finally, **North Brunswick** host **Hawthorn** in another game that will give a clear site to the teams positioning. North started the season with a sold win but came back to earth last week. The Hawks have been in a winning position in both games but haven't been able to get over the line. Home ground advantage to rule? Maybe not this time around, Hawthorn but only just.

F.I.D.A. REPORT

Round 1 Review

Round 1 of F.I.D.A. football was played in perfect conditions at Parkville on April 17.

The first game on Oval 1 was between Moonee Valley Magpies and Maribyrnong 2. The Magpies 7 10 52 started their season with a convincing victory over the newly formed Maribyrnong 2: 1 3 9 . Mazenod Panthers played their first game in the F.I.D.A. competition and put on a very good display against the more experienced Port Colts 2. Port Colts 2: 5 4 34 just getting over the line Mazenod Panthers 3 7 25. Mazenod Panthers look like having a good year.

The next game was between last year's premiers Ballam Park 1 and Broadmeadows 1. Both teams put on a great display of F.I.D.A. football with Ballam Park 1: 8 7 55 just getting over the line in a very close contest with Broadmeadows 1: 8 3 51. Bulleen Templestowe and Port Colts 1 played a hard fort match on oval 2 with Port Colts 1: 6 3 49 finishing full of running over Bulleen Templestowe 4 6 39.

Game three on Oval 1 was between Ovens & Murray Jets 2 and Broadmeadows 2. Ovens & Murray Jets 2 : 10 13 73 were to fast for Broadmeadows 2: 1 6 12.

On Oval 2 Maribyrnong 1 last year's division two premiers played Ballam Park 2.

Maribyrnong 1: 9 5 59 continued their good form defeating Ballam Park 2: 2 1 13.

The final game on Oval 1 was between Mambourin Tigers and Ovens & Murray Jets 1. The Ovens & Murray Jets 1: 10 5 73 were to good on the day for Mambourin Tigers 1 2 8. The final game for the day was between Ballarat and Parkside.

Ballarat kicking the highest score of the day 22 8 140 to Parkside 1 0 6.

Round 2 Preview

We look forward to seeing everyone for Round 2 at Elsternwick Park where we have some interesting games.

Moonee Valley Magpies take on Mazenod Panthers with the more experienced Moonee Valley look like making the Panthers wait another week for their maiden victory.

Broadmeadows 2 play Port Colts 2 and on form Broadmeadows may struggle at this early stage of the season. Maribyrnong 1 are taking on the experienced Broadmeadows 1 take on Maribyrnong 1 in what could be the game of the day. Broadmeadows 1 should win what will be a great game.

Ballam Park 2 play Bulleen Templestowe and going on Round 1 form Ballam Park 2 could struggle against the fast Bullen side.

Parkside is playing Port Colts 1 and will have to put in some hard work on the training track if they want to trouble a confident Port Colts 1.

Ballarat and Ballam Park 1 play what should be a good game with Ballarat possibly getting over the line as they seem to be more advanced after a big pre-season. Mambourin Tigers play Ringwood Blues with Mambourin looking the likely winners. Maribyrnong 2 will play a scratch match and Ovens & Murray 1 and 2 are playing an intraclub game in Albury.

NB: Fixtures for Rd3-10 will be distributed to clubs prior to Round 3 (May 15), ladders will appear in the next report, given the first two rounds were used as grading games.

Section One

Old Brighton recorded their first win of the new season in dramatic fashion last weekend, pinching a 4 point victory against an inaccurate Marcellin. Kicking 5.0 to 0.6 in the opening term, and leading 11.1 to 4.12 at the main break, the Tonners victory came despite recording 11 fewer shots on goal. Other winners: Collegians by 25 over St Bernards, De La Salle by 76 over Old Scotch and Old Xavs by 11 over Uni Blues.

Two rounds gone and still little indication of any side firming as a favourite, with the section one ladder all tied up with six sides sitting at 1-1. This weekend the pick of the action is out at Marcellin College where the home side face reigning premiers De La Salle. Marcellin are extremely unlucky not to be leading the competition this week, having kicked away their chances of victory last week with a disappointing return in front of goal. Expect the home side to have spent a little bit of extra time on the track this week and a tough encounter when the sides clash on Saturday. De La by 3 pts. In other games, Collegians to defeat Old Brighton providing they nullify Salem and Sest up forward, Uni Blues to reclaim a spot in the top half of the ladder with an away win at Old Scotch, while St Kevins should easily account for St Bernards after an extra week on the track.

Section Two

Phew, NOW I'm starting to get a feel for the competition....kinda...

The Bears confounded my suspicions kicking away to a big win over the Friars who are still finding their feet at this level. The Wellers surprised one with a massive 3rd quarter setting up a 9 goal victory over the Fields. The Woodsmen 'pantsed' the Sharks (and me too) with a 26 goal shellacking, with Baddeley (9) unstoppable up front. I witnessed a close tussle at Bulleen where the OMs, led by Mitchell and the 'very-chirpy' Mr Ray had too much class for the home side, despite the efforts of Simmons and young Stockers. Meanwhile, over the road, Old Carey prevailed in a physical encounter, which saw the Bombers fly home with 11 goals in the last term thanks to Phillips, Shaw, Rankin (6) and Caponetto (4).

Predictions:

Wellers to continue their run over the Bears by 6 goals. The Fields will outclass the OTs by 8 goals. Rupo will consolidate on Oval #2 with a 5 goal win against the improving OMs, The Sharks will hope

to put last week's calamity behind them,

"The Unicorns have started superbly this year"

but the Bombers are looking the goods by 4 goals. Finally, the 2004 Section 3 GF re-match will see Old Carey prevail by 42 points.

Section 3

The Unicorns have started superbly this year, and handed a 69 point lesson out to the visiting Students. Not joy for the Hoers as Oakleigh hammered them by 104 points, Cleary was clearly BOG with 10 sausage rolls. The Jackas 3rd quarter comeback was great, but poor conversion

handed the Tigers a 13 point win. Out at Bundoora, I called the correct margin, but the wrong winner here as the Raiders over came a spirited Demon side. The game was dominated by both defences and scoring was made difficult. After a few home truths were delivered to the Raiders at the final break, they broke away to record a 22 point win. Finally, a 107 walloping from the Blacks (8 goals to Battista) had better spark an improved effort from Monash.....

Predictions:

The Jackas should open their account at the Hoers' expense with an 11 point victory. The Raiders are cranking now, and the Tigers need more tinkering, Raiders by 41 points. Likewise, Oakleigh will be 38 point winners over the Trobers. The Demons will get back on track at the Blues' expense by 67 points. I think the Unicorns will find things tougher today against the classy Blacks - visitors by 19 points.

Section Blue

Profuse apologies for the mass confusion last week as I predicted the round 3 results 2 weeks ahead of time!! Should be enough to get me the VAFA Tool of The Week I'd reckon.

It was a supreme shoot-out at Funkytown, where the visiting Scorpions prevailed over the Pirates in a close one. The Rovers recovered from last week's heart-wrenching loss to outlast the Bloods by 15 points. The Nodders led at each change, but De La were only 2 goals shy in the 3rd term before they ran out of gas. Better Nodders were Moran, Stanley and Lewton. The Monders won the toss and racked up a quick-fire double ton against the Clays pop-gun attack. A 12 goal last term proved a huge percentage booster and Robbins was irrepressible.

Predictions:

Q. Should I stick to last week's call?

Nup - more good oil means my second crack at Round 3 is as follows:

Salesian by 3 goals (same)

Bloods by 16 points (different)

The Nodders but 45 points (different)

Ormond by 22 points (different)

Section Red

Aquinas continue to set the pace at the top of the section red ladder, defeating Therry Penola by 122 points last weekend in yet another impressive display from the Ringwood club. Other winners on the Anzac Long Weekend: Kew by 47 over Emmaus St Leos, Rupertswood by 36 over reigning premiers Fitzroy, and Old Scotch by 6 in a thriller against Bulleen-Templestowe.

Ladder leaders Aquinas will be aiming to make it three wins from as many outings this weekend, when they host third place Rupertswood. Out to avenge a disappointing 2004, Aquinas under coach Danny Minogue have impressed in the opening rounds, winning their opening two games

by an average margin of 147 pts. With Raggazoni simply unstoppable up front, and Sheridan & Maaskant providing constant drive from the backline, Aquinas should have little trouble disposing of Rupy this weekend. Aquinas by 21. In the round's other games, Kew to extend their unbeaten streak to three with a win over Old Westbourne, Fitzroy to enter the top half of the ladder win a win over Bulleen-Templestowe, and Emmaus to defeat Old Scotch in an upset at Bennettswood Reserve.

CLUB XVIII SECTION

by Norm Nugent

More surprise results came from this Round, which proved how little I know as my success rate dropped to an embarrassing 43%, which has slid me down the tipster's tally.

Review of Round 2.

Section 1.

With uncanny accuracy St Kevin's proved far too strong for Mazenod, who lost by sixty seven points. Prahran had another day out when they accounted for Mt Lilydale by seventy six points.

A very accurate, Old Melburnians inflicted a rare home defeat on Old Brighton by forty six points.

Old Scotch scored their second win with a victory over De La Salle by fifteen points. The lowest scoring game was that between Old Xaverians and University Blues, which Old Xaverians won by fifteen points.

Section 2.

University Blacks confirmed their early leadership with victory by eighty six points over Marcellin.

Collegians defeated Therry Penola by fifteen points to record their first win for 2005.

Old Essendon Grammarians defeated Box Hill Sharks by thirty two points. The Sharks were well served by ruck man, Daniel Grant.

Fitzroy Reds, who took an early lead over Monash Blues, were never in danger and eventually won by thirty three points. For the Reds; Nick Auden, Matthew Bridges and Adrian Marcon were best. The highlight for Monash was the skyscraping mark hauled down by Simon Brown in the second quarter.

Old Trinity forfeited to Old Xaverians.

Section 3.

Whitefriars took top spot from Old Scotch with a forty point victory at Donvale.

Caulfield Grammarians scored a comfortable eighteen point win over Emmaus - St Leos.

Fitzroy Reds scored over Old Geelong by the minimum margin. A draw and a one point loss in the first two matches cannot be good for Old Geelong supporters' hearts.

North Old Boys showed fine form when they defeated Old Carey by forty points. Paul Mahoney and Seb Caruso did well for North. For Carey; William McConnell, Dale James and Mark Elvins were best while Sam Cooke "twisted the game away"!!!

La Trobe University had the Bye.

Preview of Round 3.

Section 1.

St Kevin's will have to be in top form again if they are to defeat Prahran, whose multi pronged forward line provides

multiple routes to goal. Forwards win matches, so I lean to Prahran to notch victory number 3.

At home, I select Mt Lilydale to defeat Old Brighton, although neither side has any form to recommend it.

De La Salle and Old Melburnians should provide an even contest at Albert Park. I am not sure of the Old Melburnians talent yet, so I will select De La Salle, who have been a powerful combination for many seasons.

University Blues have found winning illusive in this section and today, they meet undefeated Old Scotch, who will prove very tough opposition, especially at Camberwell. Old Scotch are my selection. In the early match, last season's Grand Finalists meet at Central Reserve. Old Xaverians have won twice whereas Mazenod failed last round. I favour Old Xaverians, who are a talented team whose players do enough to win especially when the going is tough.

Section 2.

Marcellin should open their winning account at the expense of Therry Penola, who lack the talent of previous seasons. Collegians should win their second successive match by defeating Old Trinity at Albert Park.

Old Xaverians can expect strong opposition from Box Hill Sharks, although I suspect the greater fitness of the Xaverians will see them prevail at Victoria Park.

Old Essendon Grammarians should make it three wins in succession by defeating Monash Blues, who face a long trip to play and who this season have not started well.

The match of the day could well be that between leaders University Blacks and Fitzroy Reds. Although the Reds will give a good account of themselves, I suspect the overall strength of the Blacks will see them take the points.

Section 3.

Neither Old Scotch nor Emmaus - St Leos have established a power base in the two rounds played. To select the winner is difficult. Two things prompt me to select Old Scotch. They are playing at home and in Simon Illingworth they have a reliable

goal kicker.

How good are Old Geelong? Will the talented Caulfield Grammarians play today? If Caulfield play as they did last week they should win... but consistency is not a hall mark of Caulfield. Old Geelong will be competitive but I select Caulfield Grammarians to win

Fitzroy Reds play Old Carey, who showed glimpses of form last week. I favour the Reds to win because I suspect they will play out the eighty minutes of football better than Old Carey.

Whitefriars should win again at Donvale over La Trobe University, who will be short of match practice.

North Old Boys have the bye.

Team Managers.

I am ready to mention your highlights but I do need to know them. Please contact me by 6 p.m. Monday with your details. Telephone 9467 2857 or e mail nknugent@alphalink.com.au

.....

GRID SQUARE NOMINATED (eg: A5) Week No. 03, 2005.....

THE CHALLENGE: Name the grid square where you think the ball was in the original photo.

PRIZES: Successful entrants who correctly nominate the grid square in which the majority of the ball was, go into a major "Lucky Draw" at the end of the season for a Carlton Crest Hotel Accommodation Package.

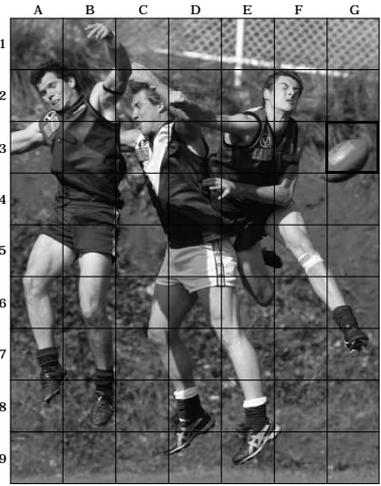

Last week: ball was in G3. No winning entries.

Apologies: Norman Elliott was correct in selecting B7 for Round 2. Norman goes into the draw for the end of year prize.

HOW TO ENTER: One entry per person. Tear off entry section which appears down right hand side of this page, fill in and mail to: VAFA PO Box 359 Elsternwick 3185. No Photocopies or faxed entries.

Entry to be received by noon Tuesday following each round.
