

Inside the VAFA

In his book, *“Football’s Women, The Forgotten Heroes”*, Kevin Sheedy described women as the “lifeblood of any football club and the rock behind every player, from James Hird, to the bloke in the country thirds side”.

As anyone involved in the VAFA could well attest, women are involved in virtually all facets of our vibrant competition. We have female umpires (with Leah Gallagher cementing a regular spot in A Section as well as being Vice President of the umpires’ association), club Presidents (Jenny Koscak at Williamstown CYMS while Monica Lawson was instrumental in the start up of Mt Lilydale OC and the planning and building of the club’s pavilion), VAFA executives (Davina Connors Calhaem, previously President of the all conquering Old Xavs), club secretaries (Fiona Rowbury at Beaumaris and Jenny Voss at Hampton Rovers among others), medical staff, helpers and women involved in everything that makes a football club and a footballer tick.

Then there are the less glamorous roles: the mum washing his son’s wretched footy clothes, the physio dealing with the locker room hoonery and the lady in the canteen dishing out hot dogs. Whatever the case, women are very much part of the rich tapestry of the VAFA.

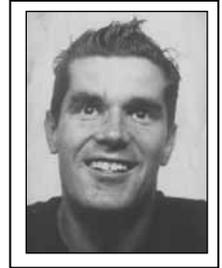

Maureen McGee is President of South Melbourne

“As anyone involved in the VAFA could well attest, women are involved in virtually all facets of our vibrant competition.”

Districts and slotted into the role after performing tasks such as a s timekeeper and team driver for her two sons. “Years ago, football was considered to be a male only domain, but because women now hold executive positions in many organizations, they are being accepted into the football world”, she says.

“From my observations, women are better organised and have more common sense than

their male counterparts!” I think women sometimes don’t receive the recognition they deserve as much of their work is done behind the scenes, keeping things ticking over”.

Davina Connors

Calhaem says, “Clubs are certainly more successful and great places for players to be if there is the involvement of mums, wives and girlfriends. Women are true supporters of Australian Rules, having a good knowledge of the game and are often very passionate about their clubs. I believe their involvement means improved behavior of the males both on and off the field”.

“The VAFA foster the involvement of women in the game by creating a very female friendly environment through things like controlling alcohol in a sensible manner, but in doing so we have not lost the fraternal element that is provided for male players”, she says.

But you don’t have to run a club, fill a water bottle or tend to a torn hamstring in order to have an influence. When I was a kid playing APS and then VAFA football, I don’t reckon my mum missed a single game I played and often dished out advice as constructive as any coach or lurk merchant around the club. Like many mums in local footy, she kept a low profile, yet her support and interest were second to none (forgive me if I break down here).

To all the wives, girlfriends, secret admirers and particularly mums of the VAFA, I hope your team gets up, your boy/man gets a kick and he gets home in one piece.

Have a great VAFA Mothers’ Day weekend!

Snuyg as a Buyg in a Ruyg

Nope, it was never really in doubt at Toorak Park as **Xavs** careered away to a 45 point win. It's the first time I've seen the red and blacks for a while and all the typical Xavs ingredients were there: lots of drive from disciplined and attacking half backs, plenty of solid bodies around the ball and a sustained burst of goals that ultimately sealed the win. They play that way from Year Seven at school and the ten goal third quarter nailed the **SKOBs**.

Travis Ruyg (back from the unbridled hoon fest of the West London Wildcats), Nathan Bingham (who is a lovely kick) and Simon Lethlean (relishing more defensive roles as he gets older) all played well. SKOBs were pretty ordinary to be honest, though Tim Duggan and Tom Simpson battled hard and Steve McKee may be the most laconic player in the comp but he has perfected the move of strolling out from FF, sticking out the big mitts, plucking thee ball out, lighting a smoke, casually ambling in and kicking a goal on the left, before jogging back to his mark with an air of indifference. Interestingly, almost every team that SKOBs play this year are coming off a game against Collegians. No disrespect to the Lions, but the St Kevin's boys would probably want their opponents softened up a little by the Marcellins and Xavs of this world.

Quick Draw McGraw

Every kid dreams about it. Nailing the winning goal with the last kick of the game. **St Bernards'** Troy Legudi had the chance but his shot narrowly missed and **Haileybury** and the Bernies finished on a level pegging. First gamer Andrew Gill was best for the

Bernies while defender/wingman Brett Trollope got the plaudits at Old Haileybury, who were down by seven goals halfway through the final term and went in without key playmaker Paul Corrigan.

In the others, **Marcellin** were far too strong for **Collegians**. Admittedly, the Lions are blooding

a lot of young players who will take a while to adjust to the tempo of A Grade.

OMs pushed the **Blues** hard but the class of the Students saw them over the line with George De Crespigny bagging five.

And, as expected, **Scotch** defeated **Trinity**, though the OTs put up a mighty fight with Andy Cultrera

returning to form with six and Andrew Ramsden dominating the ruck.

“...all the typical Xavs ingredients were there: lots of drive from disciplined and attacking half backs, plenty of solid bodies around the ball and a sustained burst of goals that ultimately sealed the win.”

Efstathi Who?

Well you should know him by now. The biggest man in amateur football, indeed the biggest man in town, Chris Efstathiou, is back firing for Old Haileybury's reserves, with a string of big bags. My most vivid footballing memory is of playing on him one Friday afternoon at Caulfield Grammar, having him pick me up and throw me approximately 90 metres across the turf, rendering me more or less useless for the rest of the year. Although predominantly a twos player, he did play a pivotal role in Haileybury's last crack at an A Grade flag in 1997. Given that they're a red-hot chance this year, could Nicco pull out a smoky and promote the gargantuan one as the winter months approach and the footy gets slower?

While on the magoos, last year's glamour team is 1 from 3. Uni Blues were unstoppable in 2004 but successive losses to OMs and Old Scotch illustrate how, even in reserves footy, there is no such thing as a good thing.

Thoughts on today

Haileybury by squillions, Xavs on the Uni main, Scotch in the oldest battle of all, St Learned's at the house of horrors and Marcellin at headquarters.

University Blues - congratulate **Quinton Gleeson** on **50 games** for the club. Quinton joined the Blues in 2001 where he quickly became a key member to the team. In 2003 he was appointed club captain. He had an immediate impact on the VAFA competition which has been recognised through State representation and winning the Woodrow Medal in 2004. Well Done Boots.

REVIEW

Credit where credit is due and **NOBS** certainly surprised the pundits with a convincing win over the **Grammar Boys** to win the Merri Creek Mud Cup. Led by Simon Minton Connell with 10 the **NOBS** would have gained a lot of confidence from the victory.

A game of two halves saw **Whitefriars** dominate the first to set up their win and although outscored by a gallant **MHSOB** in the second the damage had been done and the leeway could not be retrieved. Thought Cunningham and Wallace were good for the Friars while Rhys Limbrick with 30 possessions and Jayden Pertzelt with 6 were fine for the High.

De La Salle turned on a relentless performance to absolutely demolish the **Tigers** at East Malvern. Damien Rayson with 7 was an ever present danger, first gamers Jon Hirst and Dale Browning also showed promising signs for **DLS**.

Old Brighton had no trouble accounting for **Caulfield** who none the less were encouraged by their performance, especially in the final term. Adam Pirrie another 5, with Brendon Crilly and Anthony Bristow strong in defence.

Old Ivanhoe put in a pretty workmanlike performance to dispose of a **Mazenod** side who never stopped trying and battled hard all day. New recruit Brad Thompson with 5 makes a potent forward line, Simon Fragiacommo played with plenty of dash, Scotty Kent also good. Young gun Steve Stanley was Nodders best well supported by the Chamberlains Ben and 19yo Dave.

PREVIEW

Paul Campbell is the key as he tackles Simon Minton Connell today. He is the man for the job. Gillon has not been a happy hunting ground for the **Friars** in the past and the **NOBS** at home are dangerous. I believe the game will be won in the midfield and this is where the Friars hold all the aces. Friars to break the hoodoo.

Perhaps a defining game of the season for **MHSOB** and **Mazenod** at the school today. Both have been reasonable thus far so it promises a tough battle. **MMA** makes his return to the Coaches box which should help the visitors but **MHSOB** always play better at home and will get over the line

“Paul Campbell is the key as he tackles Simon Minton Connell today.”

Gee do both sides need a win here as the **Tigers** welcome **Old Essendon** to Brindisi Street. The Grammar are not fazed by the small confines at Mentone as shown by their unlucky loss last year, I feel they are just travelling that fraction better at the moment and will inflict the second home loss of the season on the Tigers.

Caulfield Grammar have been gradually improving as they get used to the step up to B and will certainly take the game right up to **De La**. Saw a bit of DLS last week and was most impressed with their running game and team work. While not without a chance I feel the Fields will have to wait another week.

And so to the B section Match of the Season so far between the unbeaten **Old Ivanhoe** and **Old Brighton**. Both have done absolutely nothing wrong and have shown excellent patches of form. By 5pm tonight we will all know who is to be the benchmark of the season. I will stick to Old Ivanhoe because Brannigan, Luxon, Thompson and Cornelius give them more options in attack than just Pirrie and Dawes although the possible return of Perrett will help. So at home the Hoers.

BASIC INSTINCTS

In today's modern world, and with the constant changing of technology, all of us need some training to keep up with how to best use these resources to benefit our lives. Initial training and guidance can lead to a better work rate and often increase production. This in turn, increases our self-esteem and desire to keep performing, because the tangible rewards are not only satisfying to me, but also, to those around me.

"We assume and expect that players can change from one position to another at short notice."

For most of us this basic learning is a necessity for us to work and cope in all facets of our daily lives. Football is no different. As coaches we are always seeking the best outcome for our club and players. We seek perfection in an ideal world where all players play their specific positions, as if they were a natural occurrence. But when we stop and look at our team, how many players are natural defenders, onballers, forwards or talls?

How many times at selection has an under 19 player or reserve player, finally pushed themselves into the senior team, having been an outstanding onballer? However the current senior core on ballers are already entrenched in their positions. Here we have a new player, who has played a particular style and now due to the current structure will need to learn quickly to play backline for example, or find himself out of the team.

We assume and expect that players can change from one position to another at short notice. But how many of these players have had the chance to play there before or have had any training in doing so? At a recent senior schoolboys game, we asked our players to 'touch and feel' their opponent, and keep them on the 'defensive side'. I quickly learnt that 4 out of the 6 defenders did not know what the defensive side was. We often ask our players to follow these same instructions every week, but how many actually understand the concepts.

One of our biggest frustrations is the inability of players to kick goals accurately and consistently from set shots. One week our key forward kicks 7 goals, and the next 7 behinds. Do we give time during the week for players to practice shots from set routines or do we expect them to do this in their own time before and after training?

Put aside time to train specific and often basic skills. Rotate players through all areas of backs, forwards and midfield. Let players experience new challenges and skills so when the time comes, they and you have the confidence that they can handle the expectations of playing a new position. It is also a great opportunity for your experienced players and former club players to pass on their knowledge to the younger players, which they have gained over years of playing.

We don't give our kids a license without lessons and experience, so why not do the same with our players. Train them to play positions, before picking them.

WELCOME TO NEW LIFE MEMBERS

We are delighted to announce that **Jason Bamert** and **George Inkster** have now been installed as Life Members of MHSOBFC.

Jason Bamert is a veteran of well over 200 games and is still one of the outstanding full

Jason and Merrin Bamert

forwards in the VAFA. His spectacular high marks and accurate kicking have caused many headaches to opposition teams. Jason has represented the VAFA in interstate football and, had it not been for recurring injuries, would have totalled a lot more games than his current tally of 222. Jason's wife **Merrin** also helps out with club medical duties whilst watching Jason. Congrats on this most deserved honour Jason.

George Inkster played well over 100 games in the 1950's

and 1960's. He was a dash-ing and fearless defender in the strong MHSOB teams of that era. Since his playing days George has coached the Reserves and served in various capacities at the club. He has continued his long association ever since as a loyal and devoted supporter. George and his wife **Barbara** are regular luncheon attendees and enjoy the company of many others from the same era, viz **Jocka Nelson**,

George Inkster watches the C Grade premiership win in 2004.

Tich Hayman, Geoff Paul, Barrie Macdonald, Keith Marshall, Ben Blair and Chook Howell. Thanks for your years of support George. We hope you will continue to support for many more to come.

It's still early days, but already the heat is rising on those clubs without a win. Therry have broken the ice, the Wellers and Blacks continue to roll and there were impressive showings from the Vultures and Paradians, against good opposition.

REVIEW

Paradians showed their Rd 1 form was an aberration and will be in the mix around finals time, after a come from behind win against **Monash**. The home side led by Turton and Williams stormed out to a flyer, only to have OP reel them in. An inspired third term set up by Boudy, Porteous and Loney paved the way for the victory. Even when the Ashers pressed in the last quarter OP steadied and held firm.

An injury hit **Ajax**, was no match for a committed and desperate **Therry**, who had the game sewn up by 3/4 time. Crotty

provided great fuel for his forwards, including Goodwin, Bannister and Edwards, who bagged another lazy seven. Berger and Lewski battled on for the visitors, who now desperately need a win.

In a low scoring, hard fought clash, **Blacks** maintained their winning streak by accounting for the **Sharks**. Uni's Costello, Batten and Scarlett regularly turned defence into attack and despite Ensor, Collins and Martin working tirelessly for Beauy, the Blacks always had the edge and thoroughly deserved the points.

The **Wellers** made it three from three by eclipsing **Banyule**. Ormsby, Credlin and Gough drove the OC attacks, as well as limiting supply to the Banyule forwards. The Bears kept trying until the end, with Gayfer and the Taylor boys, better players.

Aided by a strong wind, **Parkdale** flew out of the blocks holding the Rovers scoreless in the opening stanza. **Hampton Rovers** drew level at the main

change, but the Vultures' Sullivan, Kight and Meyer helped create a 23 point buffer. Duddy

and Andersen tried to pull it back for the green and golds, however the Vulture had flown.

PREVIEW

In a huge game **Paradians** welcome the undefeated **Blacks**. With a log jam already forming at the top of the table, a Uni win would push them two games clear of their hosts, whilst the home team can draw level on points and really springboard their season. OP will push, pressure and harass, but Uni's winning streak continues to grow and they will extend it again today.

The Wellers and **Vultures** lock horns, as Parkdale attempt to find a way to counter the ladder leaders potent forward strength. OC have taken all before them in '05 and whilst the Bayside club have a good blend of tall and running players, the Wellers use and share the ball so well that they will prevail.

Falling behind early last week, both **Beauy** and

“Monash have threatened each week, but still no cigar.”

CARLTON  **DRAUGHT**

Hampton Rovers will look to bounce back after suffering their first loss. Each team will be hard at the ball, so centre clearances and ball usage will be vital. Shark Park is tough for visiting teams (even local Bayside ones) and that's why I'll go for the hosts.

It's not time to hit the panic buttons yet, but there are some twitchy **Monash** and **Ajax** fingers at the ready! Need a win is an understatement for both teams. Monash have threatened each week, but still no cigar. Ajax have been topsy turvy and injury depleted. Today they have another new home ground, but I'll stick with the Ashers.

Therry will look to carry on last week's fine form as they face off against **Banyule**. Therry have shown they have the firepower to kick winning scores and despite the Bears improved showing against the Wellers, they will fall this afternoon.

M I M I L E S T O N E S

Old Camberwell - congratulations to **Jordan Heffernan**, who will play his **150th game** for the club this week against Parkdale Vultures. Jordan joined the club in '96 through our U19 team. He has been a past Senior B&F, a finalist in '98 and Premiership player in '01. Jordan is a skilled versatile, player who has the ability to excel in many positions. Congratulations Jordan on reaching this mark. Also **Brendan "Skinny" Ryan** who played his **50th game** last weekend. Brendan joined the club in '01 through the U19's. he was part of the U19 premierships in '01 & '02. Brendan returned to the club in '03 after spending time overseas, & has slotted well into our senior teams. He is a kurlflying forward, with an excellent goal sense. Well done Brendan on reaching this mark, may there be many more in the 2 blues.

- 1967 awarded Life Membership

- Continued his service following the merger of the two clubs
- 50 years continuous service in 2002, commemorated by the AFL

Fitzroy Reds congratulates senior coach **Graham Burgen** who coached his **100th game** and 73rd win for the club against Emmaus St Leo's last week, the first Redder to reach this milestone in the club's 50th year. 'Burgs' first coached the Reds in 1991 and took the club to the finals in F Section. The moustache returned with a vengeance in 2001 with an undefeated season and the D3 premiership and then the D2 premiership two years later. His innovative techniques and now legendary uncompromising style was rewarded at the end of that season by being named Coach of the Year for both the VAFA and the AFCA. Graham then led the club to its first D-section final's appearance in 2004. The club has grown from two teams in 2001 to five teams in 2005 under Graham's leadership, including the under 19s and forging strong links with the Fitzroy Junior Football Club. A member of the VAFA Coaches' Association and VAFA Umpire Committees, Burgs has made an outstanding contribution to the VAFA and the Fitzroy Reds. Long may it continue.

FTLOTG believes that new State U23 Coach **Frank Dunell** really put his body on the line in a bet with **Simon Minton Connell** when NOBS and Frank's former club Old Essendon clashed

last weekend. "**Don't Know**", as FD is sometimes referred to, was so confident that the Grammar Boys would win that he made the statement that if NOBS won not only would he shout Simon breakfast in his favourite cafe in Moonee Ponds, but he would also bare a certain part of his anatomy as part of the deal. When quizzed on the validity of the bet Frank replied "...don't know". We can certainly see where the nickname came from!!!!!!

Hawthorn Amateurs wanted to note the great support from the **North Brunswick trainers** in Round 3 when they had a couple of simultaneous injuries. North Brunswick trainers brought the stretcher, assisted with carrying off

the injured player and offered complete assistance. A fabulous effort and duly noted as being in the true

spirit of sportsmanship. Well done!

This message has come in from former **Old Geelong** player **Mark Robson** (98 games 1992-97) who is now the Thailand Manager for one of Australia's leading adventure travel companies: "Many Australians relocated to Asia to work think that their footy careers need to be put on hold. Or terminated. Nothing could be further from the truth. Most major centres in Asia have an Aussie Rules team, including the Bali Gecko's, Jakarta Bintangs, Singapore Wombats, Malaysia Warriors, Thailand Tigers, Hanoi Swans, Saigon Saints, Hong Kong Dragons, Manila Folders and the China Blues, not to mention a number of teams based in Japan. Regularly teams travel to other Asian cities to take on the local sides. And once a year there's the Asia Cup. Last year's was held in Kuala Lumpur and the reigning champs, Hong Kong, hope to repeat the success this year in Manila. So if you find yourself transferred to this region of the world, track down your local club and get

involved. Many of the clubs have websites like www.thailandtigers.com for further information." FTLOTG reckons the AFL Sydney Swans may be able to defeat the Manilla Folders with a good flood!!

Uni. Blacks and **Beaumaris** battled out their Round 3 match at Optus Oval last weekend while the Carlton Social Club was full of patrons enjoying lunch. VAFA Life Members **Dr. Brian Costello** and **Peter O'Donohue** were present, along with **Simon** and **Tony** of the Costello clan famous to all and sundry. **Frank Dunin** and the **Lalich family** were in from Perth, with the luncheon geared towards acknowledging the support of the country parents of the Uni. Blacks players. Beaumaris President **John Collins** and Treasurer **Sid Catlin** were also among the Beaumaris contingent present. **Sean Wellman**, former Essendon star and All-Australian player, spoke to the group about life in the AFL, under **Kevin Sheedy** and quashed any rumours of a comeback with Blacks after admitting withdrawing from a pre-season training run around Princes Park after one lap. It got better though as he broke the gathering into fits of laughter when he told of Sheeds' attire in the Essendon Social Club upon his arrival at Windy Hill (moccasins and a food stained polo shirt) and when he new the writing was on the wall in regards to retirement when **Joe Misiti** "sprinted" past him at training.

Anthony "Cuzza" Carbone (below left with Nephew Andrew Scheer) joined an elite VAFA club last weekend by playing his **300th VAFA game**, no surprise with that you may say, plenty

have done that. Well the VAFA acknowledge all players who've played 300 games and then induct those that have played a combined total of 300 (Senior, U19 & Representative games). Described by **Geoff McClure**

in his BIG Paper column as "a player with tremendous natural football instincts", "Cuzza" is a 6 time B&F winner, club captain, representative and premiership player. His brother **Matthew**, also a handy player for the Friars played 200+ games, nice contribution by the Carbone family, and well done to Anthony.

Seems that some cross town rivalries came to the fore in a higher section game recently. A coach, known for his competitive antics pre-game, went across to shake his opponent's hand. The opposition coach flatly refusing, in response to an incident from 2004 when the **competitive coach**, riled his opposition number with some pre-game antics. Not even a change of club for the competitive coach has quelled the feelings of the offended coach. So what did the competitive coach do, we believe he continued on with his pre-game antics. No love lost between these two, stay tuned for second round meeting report.

Cystic Fibrosis Victoria

have joined forces with the **Southern FL** and the **VAFA** and will host the annual representative match between the two bodies. Formerly known as the St. Kilda Community Cup, in 2005 the match

will be known as the **Cystic Fibrosis Community Cup**. **Robert Harvey (St. Kilda)** is the ambassador for the game and the fundraising venture. The match will take place at Elsternwick Park, Sportscover Arena on Saturday June 11, with a VAFA U19 North/South game being the curtain-raiser. Also on the day the winner of the Bangers & Cash award will be announced. Bangers & Cash being a fundraising venture by both the SFL and VAFA, whereby clubs of both competitions compete against each other, all they have to do is simply raise money from BBQ's held at your club. VAFA club packs were distributed in February with information and entry forms posted on the VAFA website, refer Forms section of the VAFA website www.vafa.com.au, CFV logo and news story.

In case anyone thinks the Bullants are on the skids, they also had a dodgy start in '99, but still earned promotion to C Section, being beaten in the GF by a talent laden AJAX! The Jackers and B-T finished 3rd & 4th respectively that year in a Final 5 (it was a 12 team competition). The hot favourite for the Flag was Monash Blues who finished top and lost the 2nd SF & Prelim!

LAST WEEK

Glen Eira and **Prahran** were close until half time then the Two Blues raced away. Leigh Northway starred at BP for Prahran, & 17 yr old FF, Jack Matherson, brought the house down with his Q1 goal from the boundary! No notes from GE!

Ormond blitzed **YVOB** at the Buxton Reserve in another huge win, though the Monds are dirty it was only a 96 pointer and not 100+! Monds' flyers Wayne Cove, Danny Byra, & Michael Miller stood out in a very, very slick outfit. YVOB Captain, Ash Drew, led by example, new player, Andrew McLeod, did well in defence, with Dave Stevenson & Brad Peake also good.

Emmaus St Leo's were on the same track as Fitzroy Reds, but may not have seen much of them, especially in the last half! I still can't believe the score line! Tim McCann, Daymon Bruce, & Andrew Volpi struggled hard for the Animals on a very ordinary day. From the Reds the golden sound of silence!

Old Mentonians pulled away from **Bulleentemp** after a tight 1st half when the Panthers run and tenacity gave them a solid victory. Panthers' Captain & OB-er Justin Costello had a blinder with 25 kicks & 21 h'balls (initials of 'JC' too, spooky!), while their rotating rucks Elliott & Cochrane dominated. From the

Bullants not so much as a single chemical marker!

Aquinas was overrun by **Old**

Carey's rampaging Q4 after the Bloods had them in strife in Q3! OB-ers, Matthew Hunter & Leigh Toomey had fine games for the Bloods, as did Sean Leonard in defence. The well named Bull bros, Trav & Nick were powerhouses for the Cs, with Tom Zavec strong in the ruck, while Andrew Kent & Tommy Evans went at the ball all day like a pair of seriously aggro Tassie Devils!

TODAY

YVOB will be too accomplished on the Domeney today for **Glen Eira**

and will win by 5+ goals.

Fitzroy Reds and **Ormond** (No idea of the venue for this game!) feature in the clash of the dashers! Who can forget last year's 1st Semi between these sides! Repeat say Reds! Revenge counter Monds! Reds to win a great game by 1 point!

"Aquinas was overrun by Old Carey's rampaging Q4 after the Bloods had them in strife in Q3!"

Bulleen-Temp takes on **Emmaus St Leo's** at the Ted Ajani in a critical match for both. Have a feeling the Bullants are the more desperate of the two, and they will take the points by goal or so.

Old Carey welcomes **Old Mentonians** to the Bulleen Sports Complex for the first time in decades! This match will be a great spectacle between two swift ball-moving units, and the home side should win by 2-4 goals.

Prahran host **Aquinas** and I think the Bloods will squeeze a win by a few points after a very even match.

Reserves winners should be: Bushrangers, Reds, Bullants, Cs, & Two Blues.

Yarra Valley - congratulates **James Parry** on his **50th** game today. James began with the 2000 U19s and was VC of the 2001 U19s. He is a skilful player and looks certain to rejoin the Seniors after a year off. The Bushrangers look forward to many more games from James.

Fitzroy Reds - congratulates **Todd Clarke** on **100 uncompromising games** this week against Ormond, the 26th Redder to reach this milestone. During his six seasons with the club Todd has played with enormous courage and determination and has earned the respect and admiration of his team mates. Notorious for his vicious straight arm tackles and the ability to blanket highly fancied forwards, Todd showed his versatility when he won the best and fairest medal playing in the midfield Todd has played in two premierships and captained the club in 2004. Well done Clarkey - the club salutes you.

D2 SECTION by Andrew Wu & Peter Williamson

REVIEW

After three rounds, there is already a two-game gap between the top four and the rest of the pack and unless the bottom six improve, it could well be another season when the top four in D2 is settled a long way out from September.

In ominous signs of things to come, **Old Geelong** thumped **Ivanhoe Assumption** by a whopping 117 points at Como Park. Trailing by 44 points at half-time the Hoes, who are winless after three rounds, were punished in the second half, conceding 16 goals and losing full-back Peter Lee to a shoulder injury.

Swinburne's inability to win close games cost it again last week, losing to **Oakleigh** by one point. The Razorbacks thought they had found the winner when newcomer Alan Chung baulked and weaved his way to magnificent goal at the 30-minute mark of the final quarter only for the Krushers to regain the lead four minutes later.

Peninsula's trans-Melbourne visit to **Rupertswood** was unsuccessful with the Pirates crashing to a 74-point loss. After an even first quarter, the Woods slammed on 18 goals to three in the next two stanzas to win comfortably.

In other results, **La Trobe** continued its unbeaten start to the season overcoming **Salesian** by 54 points while **Williamstown** opened its account for 2005 with a 57-point win over **Bentleigh**.

PREVIEW

Ivanhoe Assumption host **Rupertswood** at The Boulevard in a clash between second and second last. The Hoes will be looking to chalk up their first notch in the 'W' column this season while Rupo will fancy their chances of maintaining their unbeaten run in their first season at this level. Hard to ignore prior performances, so on current form, it has to be Rupertswood.

Swinburne University face **Old Geelong** at St. James Park in another contest between side with contrasting fortunes. Although Swinny will be competitive, I fancy Old Geelong to continue their winning ways, no matter who gets the goals.

Salesian OC square off against **Oakleigh** in a derby match at Bosco Street, again featuring teams at opposite ends of the ladder. The Krushers will be pleased with their strong start to the year after their pre-season upheavals, while the home side are only out of the relegation zone on percentage. As with the other matches, it's

hard to overlook current trends. **Oakleigh** for mine.

Bentleigh take on

La Trobe University at Arthur Street, with the Trobers looking to stay undefeated and the Demons looking to square the ledger and nudge closer to the four. La Trobe are another combination without an outstanding forward, but rather have several options able to contribute one or two goals a game, while Bentleigh by contrast have the talents of playing coach Justin Paul to bag many a six pointer. However, I tip the Trobers to prevail.

The final match for preview see **Peninsula OB** entertain **Williamstown CYMS** at Harry McDonald Oval. Both sides have been indifferent thus far, with the CYs having the only win of either side so far. The Pirates have found it surprisingly difficult to adjust to life at a lower level for now, but are fortunate there are a few sides sharing their predicament. Willy broke their drought last week and will certainly be inspired. After some serious meditation, I've decided to tip the Pirates to win their first game of the season.

Swinburne University - John-Paul Sheedy, or "Popey" as he is known around the Razorback camp, celebrates his **150th game** this weekend. Only the third player to reach this milestone in Swinburne's 11th season, Popey is an outstanding senior player whose football smarts, class and agility have seen him also been called the "Rolls Royce" around the club. Having also served on the club committee for 6 years in various roles including 5 years as club secretary, he is a true leader of the club and admired by all as "Mr Reliable". Also **Jarrold "Jazz" Roberts** and **Jehangir "Munji" Sandhu** this week also play **100 games** in a big milestone weekend for Swinburne. "Jazz" has been Reserves captain for a number of years now, his dedication to the club both on and off the ground is outstanding. Munji came to the Razorbacks with very little idea about Australian Rules football and it is a testament to him that in his ninth season he has developed into a mainstay of the Razorback reserves defence, having also chalked up a number of senior games in his time.

ROUND 3 ACTION

Old Trinity v Old Scotch

... *Retrospective*

by Geoff Reilley

5 YEARS AGO - 2000

Lots happening in ammo football! A Section scribe, Jason Frenkel, was named as the News Limited Cadet Journalist of the Year from 33 nominated, young journalists. Key VAFA staff member, Sue Anderson had returned from 6 weeks long service leave touring the UK and Europe and Phil Stevens stated that the Channel 31 Sportscover Footy Show had been saved through the support of 3-4 advertisers who bridged the \$20,000 shortfall in costs.

On the footy field, A Section was unusually clear cut as the closest margin out of the six games was 9 goals. Old Scotch stayed on top by handing out a "belting" to Old Melburnians, 23.9 to 5.18.

Old Brighton in B Section travelled "up the road" to McKinnon to take on long time rivals Old Haileybury. Brighton's 7 goal opening quarter set the game up for the final score of 18.12 to 9.11. Best players; Perry, Phelan, Pirrie (4), Bradley (6), Nikas and Lennox for Old Brighton and S Rowlands, B Mitchell, Armstrong, Hassett and Lappage (3) for Haileybury.

Bulleen Templestowe's champion, Dean Matthews, played his 200th game but his team could not reward him with a win after they threw away a 4 goal lead at the final change and went down 10.12 to Old Geelong's 11.14. Best for OGGs; Javgietis, L Wilson, Higgins (4), Paul, Taylor and Salter. For BT; Prior, Chivers, Schneider, Touriganis, W Bone and Tulloch.

D1 Section coaches were; Laurie Aghan (Aquinas), Greg Whitcroft (Banyule), Dean Anderson (Caulfield Grammarians), Andrew Sutherland (La Trobe Uni), Dave Rogers, (Monash Blues), Chris Moore (Oakleigh), Matt Hanson (Old Camberwell), Michael Zemski (AJAX), Gavin Keane (Old Essendon) and Dave Miller (St Leos Emmaus). The experienced Laurie Aghan, former A Grade coach of Old Scotch, Old Melburnians and

Reservoir Old Boys, had Aquinas sitting on top undefeated after the first four rounds.

The Old Xaverians, not unusually, were leading Club 18 (1) and newcomers, Rupertswood, were making a great impression in Club 18 (2), also undefeated. Milestones were recorded for two excellent players. Dave Lappage (Old Haileybury) played his 150th. "Lappa" had been a member of the 1995 Senior Premiership Team and was a renowned goal kicker. At Caulfield Grammarians, Nigel "Mamba" Brohier notched up his 200th . Premiership player, Club Captain, multiple best & fairest and State Rep player were some of the highlights of Mamba's career.

10 YEARS AGO - 1995

B Section scribes, both old Mentonians of note, Drew Solley and David "Dutchy" Holland, stated that Mazenod were the pacesetters in their section and had done it so far in an awesome fashion. Mazenod certainly handed it out to MHSOB with a 28.21 to 7.8 thrashing. Verbeek, Chilcott, Ellin (8), Murray, Buck (5) and Barker were outstanding for the winners while only Kiley, Albergo and Magee cracked it for a mention by the High School match committee. Old Paradians, Old Brighton and Old Haileybury seemed the main challengers and made up the top four.

Peter Lemon was writing the C Section reports and although non committal about who were the pacesetters, provided a glowing report on undefeated AJAX who kicked a mammoth 33.16 to Kew's 16.13. The query - would the AJAX backline be strong enough against the other top sides given Kew's 29 scoring shots? Best players - Wrobel, Kalinski (6), Rozenberg (5), Hartman, Klooger and Rajch (4) for AJAX

and Moses, Morgan, McColl (7), Hope, Cullen and Barnes for Kew.

The VAFA's U18 Representative Team in the Pura Milk Championships was to be led by Paul Campbell (Whitefriars) as Captain and Brad Fricker (Uni Blues) and Cameron Landry (Peninsula OB) as Vice-Captains. Coach was VAFA legend Harry Harisiou supported by Max Lyon. The multi skilled Peter "Agate" Harris was Team Manager.

20 YEARS AGO – 1985

In B Section, Uni Blacks opened their account for the season over the fancied Old Brighton, 17.18 to 16.14. Best players – Garde, Clark, Alexander, O'Halloran, Doyle and Warren (Uni Blacks) and James, McMahon, P Grant, T Grant, Thomas (7) and Welsh (Old Brighton). Brighton held on to their fourth spot but their percentage had fallen below the 100%.

Junior Section 1 appeared somewhat unbalanced as first Thomastown kicked 44.29 against the hapless Old Ivanhoe who probably did well to record 8.7 then Bullen Templestowe completed trumped Thomastown's effort by amassing no less than 56.52 again Old Paradians 1.3. Needless to say the two winners occupied first and second spots, undefeated, and the scheduled contest between the two would be worth watching in the coming weeks!

"The Old Xaverians, not unusually, were leading Club 18 (1) and newcomers, Rupertswood, were making a great impression in Club 18 (2), also undefeated."

Certificate of Merit winners were John Power (Banyule), Rex Doran (St Bernards), Ron Bungey (Old Mentonians), Jim Byrne (Parkside), Brian Lugar (Old Xaverians), John Tudor (Old Paradians), Leigh McGregor (Old Scotch), Mrs Eve McCann (Collegians), S.E. (Joe) Avery (Caulfield Grammarians), Barry Markoff (AJAX),

Bruce Ferguson (Collegians) and Ed (Boomer) Burdekin (Ormond).

Old Haileybury launched their book, "Play Hard and Play the Game" to celebrate their Silver Jubilee. The book contained the club's best ever side over 25 years.

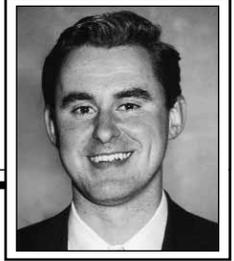

30 YEARS AGO – 1975

Very good competition in Junior Section 1 despite the bye and Ivanhoe jumped into third and boosted their percentage with a huge win over Power House, 39.25 to 10.8. Jones was the star for Ivanhoe with no less than 18 goals and Johnson, Byrne, Veitch, Kilpatrick and Scown were also exceptional players on the day. Power House relied mainly on Fielder, Herrod, M Selbey-Hede, Bredyke, Hickey (4) and Steinfeld.

St Bernard's stalwart Gerard (Gus) Mitchell was appointed State Coach. Gus had been a founding member of St Bernards and had enjoyed considerable success as a premiership player and coach at St Bernards. Following his distinguished amateur playing career, Gus retired for a time due to business commitments before returning to coach the newly formed St Bernard's Under Nineteen term followed by elevation to senior coach.

40 YEARS AGO – 1965

In D Section the Fairfield Amateur Football Club were celebrating their fortieth year of existence. They had a proud history and had only played in C and D Sections and Fairfield Park had always been their home ground. In this round they faced top of the ladder Old Geelong and a win would possibly see them slip into the top four. The day started badly when OGGs reserves kicked 10.16 to Fairfield's 1.6 but at quarter time of the main game the "Fields held a 1 goal lead. Well that was to be the only bright moment as OGGs kicked 10 goals to 1 point in the second term and went on to win 20.9 to 6.8. Best for OGGs were Mitchell, T Brown, Rasmussen (4), Stranger, Richmond and Blazey. For Fairfield it was Jamieson, Frencham (4), Keane, Ventura, O'Dwyer and Swallow.

D3 continues to throw up its fair share of surprises with the Bees now joining the Jocs as flag fancies.

Review

The Gryphons came home with a wet sail at "the house of pain" but a six-goal deficit at the orange break proved too great. A great effort to get within a kick late in the final stanza with the enigmatic Chris "Showstopper" Leeton outstanding, however, the injury-ravaged **Westies** kept their heads to win an important match by 11 points.

South blew **Syndal** away with a rampant second half with Cheevers on fire in front of goal with nine majors.

Kew won a memorable game at Artic Park to avenge last years D4 GF loss. The match seesawed for the most of the day, but ultimately it was the Browns "who wanted it more" as Troy Aitken saved the day in defence.

Werribee proved to all that they are the real deal in 2005 with another stunning win on the road. **UHS-VU** had no answers to the likes of Jimmy Ayling and Matt Keogh in the engine room, and after a slow start into the breeze, ran away with a deserved 55 point win.

Finally a scratchy win in a would best describe **St.John's** 8 point result to **Power House** in a match where the wind played havoc and suited the Power House's tactics.

Preview

Syndal Tally Ho v West Brunswick

The Westies have used a couple of their "get out of jail free" cards in recent weeks, and the trip today to Syndal is a real danger match for the Magpies. I would expect Syndal to once again try to play physically, which may upset some of the younger Westies, but in the end, I think they should have too much class for their opponents as they win by 22 points.

Kew v South Melb Dist

Kew have demonstrated to all that they are not going to be easy beats, but they have their work cut out today against a resurgent South Melbourne. South have kicked some high scores in recent weeks and the Brown's defenders such as Dennis and Cullen will need to be at their best again if they are to prevail.

After seeing Kew last week, I was impressed and now rate them a lot higher than I did preseason, and as such am sticking with them to win at home by 13 points.

Werribee v Old Westbourne

The local derby has the entire city of Wyndham's interest as the Warriors look to make amends for the hiding they copped at the hands of the Bees in their last encounter. The Warriors are nearly at full strength today, and with Werribee shortening in the premiership

betting, today's result will certainly provide an indication where each team is in D3's pecking order.

"...ultimately it was the Browns "who wanted it more"

In what promises to be a free flowing and fast paced game, I am sticking with the home side to continue their unbeaten run as they win a close one by 8 points.

Power House v UHS-VU

Power House have improved each week, while UHS-VU are in the exact opposite position and look to be slipping into the mire. A loss for both sides today could prove doom in the big picture and it will again be Paul Sosic, Simon West and

Matt Taylor who will be looking to break the duck for Power House today. With injuries to key players for the students, this is exactly what I am predicting will occur as the home side throws the cat amongst the pigeons with a 15 point victory.

Monash Gryphons v St Johns

Monash is another side getting better each week as the side gels together and gets used to each other's style of play. Their defence has been impressive, with Wells taking plenty of marks, while fellow backman Watson has also stood out. It will again need to be on top if they are to break the duck, however, the flag favorites will be looking to bounce back hard after a mediocre game last week, and as such I am staying on their bandwagon tipping a Jocs win by 21 points.

Monash Gryphons - Chris Leeton notches up game **150 this week**. Chris, a young veteran at 27 has served the Club admirably in the Ruck or Forward line over many seasons. His passion for the game and club has never wavered since he debuted as a 16 year old in 1994. Mark Paolucci, the gritty backman known to all at East Caulfield Reserve as 'Harpo' plays his 50th game today for the Gryphons today.

St. Johns OC - John Sacco becomes the second player to reach the **200 game milestone** in round two. The "Luvsac" has been with the club since 1992 and has been a solid contributor on-field whilst a sensational contributor to the social scene at the Jocs.

Power House - congratulate Patrick Haseler who plays his **50th game** this week. 'Nobby' has been club Captain for the past 2 seasons and this year, given work commitments he has relinquished the captaincy but is still a wonderful leader around the club.

We should acknowledge the VAFAUA's sponsorship from Personal Mortgage Managers. This business is there to help in all your home loan or re-financing needs for umpires and friends of umpires. Flashback to the 80's

Last week at training it was good to see some umpires from the 80's down at the club. Andrew Smith former A grade umpire (1989) attended training after 16 years on the injury list, Smithy is currently on the supplementary list and helping out in the lower grades. Smithy fitted right back into the swing of things by running with the senior group. Also down for a look was Colin King, now whereas Smithy was the picture of fitness, let's just say Colin was more your Clydesdale in retirement enjoying the fruits of a well fed pasture. In his running days he was known as "The Draught Horse", quite possibly he's been sampling way too much draught!

Flashback to the 90's

Great to hear that former B grade grand final umpire Mark Bushfield recently umpired his 500th career game. Bushy started with the Dandenong juniors and then moved on to the VAFA where he umpired over 200 games. A few years back he moved down the coast to Jan Juc and now spends his Saturdays running around in the Geelong League. 500 games is a great effort and a great commitment to the cause of umpiring, and he tells us that he's got a few more hundred left in those little legs. Well done Bushy, and it's great to see former VAFA umpires who regularly keep in contact with us.

Where's the ball?

Before starting the game all umpires must

check that they have everything on hand. Before a recent A grade game both field umpires were about to cross the boundary line when the question was

"...let's just say Colin was more your Clydesdale in retirement enjoying the fruits of a well fed pasture."

asked "where's the ball"? A quick check of the rooms and another room did not find the Sherrin, with time running out and both teams on the ground the junior umpire ran 200m to the other

ground where the U/19 were about to start, to discover that he had the chosen Sherrin. A grade started on time and we hope that the U/19's got a replacement ball.

Black & White wine

For those who attended our 2004 Annual Dinner you'd remember how pleased our guest speaker Michael Malthouse was when our President (and mad-Saints supporter) Anthony Damen presented him with a bottle of 1992 Grange. 1992 signified the first flag he won whilst coaching the West Coast Eagles. Mick was so pleased with the gift that he stated that he would open it to celebrate his 500th game as a coach early in 2005. We know that the day was soured with a loss to the Saints, but hopefully the tastebuds were a little happier if he uncorked the bottle on Sunday night. If he didn't uncork the bottle and he's waiting for the next Magpies' win, that bottle of Grange could certainly go up in value. For some reason I just couldn't imagine a coach cracking a bottle given to him by umpires straight after his side has lost a big game. Cheers!

Social

Our recent Karaoke night wasn't as well attended as it could have been, but coming up on the 14th May is the trivia night held at the umpires rooms, table lists are up on the board so get your names on, or see Peter James for more details. Always a successful night. Let's try and take the crown off the Napoli "family".

Round 3 Review

The dust continues to settle on the start of the year, although a number of trends are obvious. First up, Elsternwick are on fire. They dealt with potential rival Bulleen comfortably and would appear to go from strength to strength. Also have a feeling that Eltham and Box Hill North have made significant strides over summer and some of the results are heading that way. And finally, St Mary's are certainly having a slow start to the year. Will stick by them though, have no doubt they will improve as the season goes on.

Great win by **Box Hill North**

as they got over **St Mary's** in a high scoring encounter. The Penny boys were the best for the victors.

Eltham had a big win over **Richmond** although it was relatively close until three quarter time, from where the Turtles banged on 10 unanswered goals.

Elsternwick made it three in a row, comfortably accounting for rivals **Bulleen**. The Wicks have now dispensed with two of last year's finalists, a fantastic start to the year. Have ascended to clear premiership favorites. Finally, **Hawthorn** broke through for their first win of the year. Close at the major break, the Hawks rammed on 9 goals as **North Brunswick** struggled to find the answers.

Preview

Richmond host **Box Hill North** and will be looking at this as an opportunity to get on the board. The general feedback is that Richmond has made some improvement from last year. They were competitive for three quarters last week however are they able to keep at it? I like Box Hill though; the club seems to have a strong vibe about it and is on the way up. Box Hill for me.

Bulleen host **Eltham** in what promises to be an interesting clash. The Bulls came back to earth last week whilst Eltham whetted our appetites.

None the less, Bulleen's form has been very strong and it is hard to see why they won't get the points.

A great game in prospect when **Hawthorn** hosts **Elsternwick**. Both sides are well use to small confines therefore the home ground advantage is lessened. Clearly a lot to like about the Wicks with three emphatic victories in a row. The Hawks managed to break through last week however certainly weren't disgraced in the first two

rounds. No doubt the Hawks second half of the year will be better, as new players get merged into the side. Elsternwick for me.

Finally, **Albert Park** host **North Brunswick** in a game that promises to provide some clear indication on where the year is heading. Albert Park has had a great start to the year whilst North Brunswick has come back to earth the last few weeks after a great start. I think that Albert Park is certainly on the improve and should notch up another win this week.

North Brunswick - 50 Games Brad Robertson.

Well done to Brad for reaching 50 games. A tall mobile running player he can be used in various positions on the field. Whether a tall wingman, which we think he prefers, to a key position player in either defence or attack. He has been our most consistent player this season & all at North think he has some honours to look forward to at the end of the season. The life of all social functions he has been a popular & loyal club member.

Box Hill North - congratulate, **Matty Rogers** on achieving **50 games** after 12 years! Always diving into packs, handballing to teammates, Matty is the consummate team player. Failed fashion guru, **Tri Thoi** clocks up **100 games** this week and also is congratulated. Tri, has been one of our best over his career with brilliant roving and invaluable off field help via recruiting and sponsorship. Also well done to **Rohan "Scary Eyes" Doyle** who clocks up **50 games this week**. The first of the emerging young guns to reach this milestone, Ro has improved rapidly and is now a key at CHB in the seniors as well as tribunal advocate and recruiter of several good players.

Elsternwick - congratulate Gary Elvin on his 50th game with the club that was achieved in the first round of 2005. A close checking and rebounding backman, a true gentleman who continues his family tradition of playing with Elsternwick, and we look to seeing many more games in the ensuing years from Gary. On another milestone at Elsternwick, we would like to congratulate Aaron Foster on playing his 100th game against Bulleen this week. He joined the club some years ago after moving to the area and seeing the boys training, and has proven himself to be a hard running goalkicker for the club filling in at centre half forward. A young man at heart with a distinctive hairstyle, we look forward to him playing 200 games for the club.

Section 1

St Kevins maintained their unbeaten start to the season last weekend, comprehensively defeating St Bernards by 79 points. Securing the win with an eight goal to three final term, O'Rourke bagged five for the winners to ensure they remain on top of the Section One table for another week. In other games: Collegians went three-and-zero with a hard-fought 30 point win over Old Brighton, Marcellin thumped reigning premiers De La Salle by 46, and Old Scotch got up by 79 over Uni Blues in the round's biggest upset.

Round Four promises to dish up a few close games with the four favourites playing away from home. The undefeated St Kevins travel to Old Brighton, their 3-0 record however slightly misleading given they've already gained four points from a bye. Old Brighton are unbeaten at home this season, however were lucky to escape with a four point win in round two after their opponents wasted opportunity after opportunity in front of goal. This weekend the ladder leaders should be too strong, St Kevins by 21 pts. In the round's other matches, Marcellin to defeat Uni Blues by 30 points, Old Scotch to edge out Old Xavs in a thriller, and De La to record an upset win over Collegians.

Section 2

The bookies' are starting to frame an accurate market.....

The galloping Bears hosted the Wellers at the Cave and sent them packing by 7 goals. The punters took a pounding!! The stewards' inquiry is pending. Likewise, the Sharks preferred the home track, comfortably accounting for the Bombers. True to form, Rupo defeated OMs by the length of the straight whilst Caulfield took the whip to an improving Trinity outfit. The Fields took advantage of the breeze and a 2 player advantage in the first term, leading by 45 points, with Thomson and Hammond prominent. Clarke bobbed up with some 'junk time' goals and was rather impressed with his own work. For the Ts, Bourke led from the front, and Greene again stood firm down back. The Friars jumped Old Carey early, but fell behind the pack as the front runners shot clear to a 33 point lead. Despite injuries to Torney and Yore, the Friars battled on brilliantly to get within 20 points. The OC steadied, however, and held their ground in the final term.

Easy ones first, Banyule by 6 goals over Trinity. The

"Mark my words, Monash will start winning, and soon."

Bombers back on the winning list by 10 goals. Wellers likewise by 9 goals. In the close ones, I'm favouring The OC over Beauy by 11 points, and Rupo to nudge out the Fields by 5 points.

Section 3

The Hoers are off and running, and the Jackas remain in the stalls after an 8 goal loss. In a physical clash at Mentone, the Raiders suffered early injuries, and were 6 lengths behind at one point. However, after the main change, the Tigers drifted off-track and Parade's intensity lifted

to enable them 15 scoring shots (for an ordinary 5.10) in the last term. The bus trip home saw many young colts in a jovial mood as the re-hydration therapy ensued. Elsewhere, Oakleigh trotted out to Bundoora and easily bagged the feed over the Trobers. Bentleigh lapped the Blues, though the visitors' shooting for goal masked an improved effort. Mark my words, Monash will start winning, and soon. In the tight one, the Unicorns almost stole a game they had no right to win, as the Blacks frittered away countless scoring opportunities to fall over the line by a short half head.

Welcome back to the Round 4 winners circle the following:

The Jackas by 4 goals over La Trobe (each way)

The Raiders by 38 points over the Hoers. (best bet of the day)

Monash over St Bedes by 8 points (best roughie)

Blacks in a photo finish over Bentleigh by 4 points.

The Unicorns narrowly over Oakleigh.

Section Blue

In an entertaining showpiece of Section Blue footy, the Scorpions stung the Rovers, but the vanquished coach Ross said in his post-match "I'm more pleased with the way you played, than I am disappointed with the loss". Rory White's 8 goals in a losing side was a fantastic effort on a very tricky ground. At Central Reserve Mazenod held sway throughout a competitive race against the Oakleigh Clays who showed some good passages of play. Mazenod ran out comfortable winners with good rides from Bogar, Klavins and Ross. The Bloods dominated De La, but eased up to win by 15 points – NB: same number of goals kicked, just 15 more points!!!! Finally, the Pirates must have invited the Monders into the Members bar and shouted the last round as Ormond crossed the line 20 points ahead.

Tips:

Salesian to take out the Chadstone Plate by 25 points over De La

The Bloods to secure The Oaks by 54 points

The North/Wellington Road Stakes to be a 23 point win by Ormond over Mazenod

The Pirates will salute in the Bayside Maiden over Hampton by 14 points

Section Red

Aquinas continue to set the pace at the top of the Section Red ladder, defeating Rupertswood last weekend by 53 points. Sitting at three-and-zero with a healthy percentage, Aquinas continue to look the goods in the early stages of season 2005. In the round's other games: Kew defeated Old Westbourne by 39 points with Lucisano inspirational up forward kicking seven majors; Emmaus St Leos won away at Old Scotch by 61 stitching up the win with a ten goal to one second term; and an inaccurate Fitzroy were lucky to escape with a 16 point win away at Bulleen-Templestowe.

The Ramsden Street Oval hosts the match of the round this weekend, as the reigning premiers Fitzroy host premiers favourites Aquinas. Having enjoyed two wins on the road the Reds will be keen to record their first win on home soil, but face an uphill battle against a side that has kicked 63 goals in three matches of football and conceded just 13. Aquinas by 40 pts. In the round's other games, Kew to stay on par with Aquinas at the top of the table with a win away at Therry Penola, Emmaus St Leos to record a comfortable home win over Bulleen-Templestowe, and Old Westbourne to win at home over Old Scotch.

CLUB XVIII SECTION

by Norm Nugent

Round 3 results were mainly those predicted, although there does seem to be trends emerging which indicate changes to the traditional strength of teams. My success rate was a healthier 85%, which should see me rise higher in the "Tipster's Tally".

Review of Round 3.

Section 1.

Prahran forwards' inaccuracy proved costly against St Kevin's, who persisted after conceding a big lead to Prahran early in the game. Greater accuracy saw St Kevin's home by nine points. They were well served by: Andrew Clark, Ben Liu and Ben Hughes. For Prahran, Darren Blake, Mark Howard and Grant Brown were best. Mt Lilydale did well to easily account for Old Brighton by seventy nine points in the morning match at Brighton Beach.

Old Melburnians further demonstrated their right to be considered a genuine challenger in the Section when they defeated De La Salle by forty three points. According to "our man at headquarters", Adrian Anderson starred for the Old Melburnians.

An inaccurate University Blues paid the penalty by losing to leaders, Old Scotch by thirteen points, despite having more scoring shots.

Mazenod proved no match for reigning premiers, Old Xaverians, who triumphed by seventy five points.

Section 2.

Marcellin scored a welcome victory by defeating Therry Penola by fifty points.

Box Hill Sharks led Old Xaverians at the first change but the Xaverian size, speed and stamina enabled them to wrest control and win decisively by forty two points. For the winners the Brothers Silk displayed their smooth skills. Ruckman, Daniel Grant did well for the Sharks.

Collegians continued their rise to the top through victory by sixty one points over Old Trinity.

Old Essendon Grammarians were largely untroubled to defeat Monash Blues by thirty seven points.

University Blacks consolidated their top position through their thirty seven point defeat of Fitzroy Reds, who are yet to win a big game against a leading side.

Section 3.

At the last change Emmaus - St Leo's led Old Scotch by two points. However they were NOT on the road to victory as, aided by a strong wind, Scotch powered home to win by thirty three points. Jeremy Andrews kept up the

family tradition by doing well for Old Scotch. For the losers: Admin Carey, 'Ex Perry and Scott Murphy were best.

The very accurate Caulfield Grammarians defeated the inaccurate Old Geelong by seventy points. Caulfield are now challenging for a top four berth.

Fitzroy Reds proved far too strong for Old Carey and won by forty two points. Tony Jackson was best for the Reds whilst Andrew Win was best for Old Carey.

Whitefriars maintained the unblemished record of Coach Norman Elliott when they scored a "Heinz" (fifty seven point) victory over La Tribe University on the small Whitefriars College Oval. Greater fitness enabled the home side to control the latter part of the game. Best for Whitefriars included: Peter O'Brien, Chris. Andrews and Michael Singh. North Old Boys had the bye.

"...the Sharks will provide the upset of the round by defeating Collegians on what will be a new ground to them at Elgar Park."

Preview of Round 4

Section 1.

I expect St Kevin's to win again against Old Brighton even though the match is on the Beach Oval. I am on your band wagon this week, Bernie. Mt Lilydale covered themselves with glory last week and today they must have a good chance of defeating the disappointing De La Salle. Because the venue is unknown, Mt Lilydale will lose any home advantage. I will give De La Salle one last opportunity by selecting them to win.

University Blues have always proven competitive but still remain winless. After today, I suspect they will remain winless as I believe Old Melburnians will be too talented.

The two top teams meet at Victoria Park where Old Xaverians meet Old Scotch. The game takes us back ten or so seasons to a time when these two sides dominated the competition. My selection is Old Xaverians simply because their players have proven capable of meeting any challenge.

Providing Prahran have practised their kicking they should be able to avenge last season's Preliminary Final loss by accounting for Mazenod today.

Section 2.

Neighbours, Old Trinity and Marcellin clash at Trinity. Marcellin, who won well last week, should make it two wins in a row by defeating the disappointing Old Trinity.

Collegians face a tough game against the Box Hill Sharks, who showed glimpses of form last week. I have a hunch, the Sharks will provide the upset of the round by defeating Collegians on what will be a new ground to them at Elgar Park.

Old Xaverians should record their fourth victory by defeating Monash Blues. Even though the match is at Clayton, the Blues do not possess sufficient talent or fitness to defeat the Xaverians.

Old Essendon Grammarians can expect a solid effort from Fitzroy Reds. However I suspect the visitors may have the edge in skill and fitness so I select Old Essendon.

University Blacks should take the points easily against Therry Penola, whose players lack the talents displayed by their predecessors.

Section 3.

Old Scotch should appreciate the wide open spaces of Como as they move the ball forward quickly to take advantage of their big forward line. I select them to defeat Old Geelong, whose spirit must have been broken by their unusual early results.

Caulfield Grammarians have an excellent opportunity to consolidate a top four position when they play Old Carey even though the small Victoria Road Oval will prevent them developing much system. Caulfield should win comfortably.

North Old Boys face a solid encounter against La Trobe University, on the gigantic University Oval. La Trobe showed an improvement last week. To win today it must further increase its competitiveness. North Old Boys showed form in the first two weeks and so they should do well today.

Out east another chapter in the on going rivalry between Emmaus - St Leos and Whitefriars. St Leo's withered under pressure last week, while Whitefriars have called "the shots" so far this season. Today, I suspect, Whitefriars will win because they will

prove to be the faster and fitter side,'

Fitzroy Reds has the Bye.

M I MILESTONES E S

Fitzroy Reds - congratulates **Chris "Pluggger" Prior** who played his **100th club game** against Old Geelong at Como Park two weeks ago, the 25th Redder to do so. A man for the big occasion, he kicked the winning goal in that game and also slotted 11 a few years ago in the reserves, upstaging the forward pocket who was playing his 200th game and kicked 10. Plug was also treasurer of the Reds for several years during their growth spurt and worked tirelessly to enhance bar and canteen facilities at the club. He has played seniors, reserves and clubbies without ever venturing too far from the goal square. Hailing from South Australia, he has achieved cult status at the Reds with his awkward kicking style, regular bags of goals and a passion for Dairy Vale Egg Nogs. Well done Plug.
