## Young Cardinal Goes Top of the Pops

The following **Top 40** was compiled with the assistance of several VFA coaches and people in the know. Unlike many on the list, my number 1 has not played league or even VFL footy yet his dominance cannot be questioned. The fact that he kicked seven goals in a quarter on the man listed at number seven is testament to his ability.

Such an exercise is obviously fraught with difficulty and I must stress that many of your tagging types, disciplined backmen and consummate team players have been omitted for more flashy, marquee type players. Similarly, some on the list (Garlick, Loats, McKee) have only been in the comp for five minutes yet they demand a spot through their exploits at the highest level. Disagree with my selections? ### Uni Askews?

“Those Were Our Young Years”, sang the Aussie band Dragon and wouldn’t the **Uni Blues** faithful love Ross Young buzzing about on the Uni Main these days. It’s not to be, with the star rover battling injury and trying to cement a place in the Northern Bullants side. With Hugh Nailon (working for Kerry in Sydney), Cam Roydhouse (playing Club XVIII), Damien Guengerich (overseas), Cam Penny (playing up the bush) and Jackson Brooke (on a winemaking course in NZ of all things) missing from the premiership side, suddenly things look a bit dusty. They were reasonable against SKOBS, god awful against Scotch and from all reports played pretty well against Xavs but a loss to Marcellin would have them at 2-3 and well behind the eight ball. Quinton Gleeson, Andrew Solly and George De Crespigny have started the season well but things will have to pick up. Like a midget at a urinal, this comp keeps you on your toes and sustained success can be elusive.

**Xavs** looked gone going into time-on but kicked the last two goals of the game to pinch the game. Justin Arnold, who was recruited from

*“...life at Toorak Park seems pretty rosy indeed.”*

the Diamond Valley in the off season was best afield and snagged three goals, as did the lumbering but

effective Dan Rush. With most players available (apart from Adrian Cox, who on a whim, decided he’d had enough of this amateur caper and darted off to play up Puffing Billy way) and their resident scribe Mr Chips back from the Danube, life at Toorak Park seems pretty rosy indeed.

### Meanwhile...

Plenty of late changes (though, I hear, very few spectators) at Sportscover Arena with Simon Garlick (radio) and Steve McKee (unknown) missing for **St Kevin’s** and Cam Maclaren and Jarred Frazer (both gastro) pulling the plug on

Saturday morning for **Marcellin**.

Brett Dobson, a chunky on-baller who just dominates every week, Dan Cullinan up forward and youngster Adrian Papaluca (who is a slip of a thing but, in the Rob Bonnici mould, just keeps getting the footy) all starred as the Eagles ran riot. Against all measured opinion, they are 4-0 and a fitting testament to a hard, disciplined and ruthless game plan. Covering Mark Browne in the ruck is a big ask but Lewis O’Flynn is doing a handy job while the return of Dave Waters from distant shores seems to have offset the loss of Bernie Dinneen to Vermont.

In the Lord Melbry Memorial cup, **Scotch** won easily with Gerstman bagging eight and Steve Collins dominating the midfield. The **OM’s** website stated authoritatively last year, “Good players play well against Scotch” but unfortunately no one really did anything and they got hammered.

And **Old Trinity**, who have been chipping away without luck recently, spoiled the party to mark the upgrade of the Snakepit. My spies tell me

Andy Cultrera played a sizzling for Trinity, kicking seven goals for the second successive week.

As was to be expected, **Haileybury** thrashed **Collegians**

### Tips

**Maccellin** over **Uni** though not to the same extent as last year's rout, **Haileyb Oui** at home, **Xavs** easily over Dean Rice's mob, **Trinity** likewise over Collegians and Scotch to pummel the Pitters.

## M I L E S T O N E S

**St Bernards** - Two big milestones last Saturday when **Steve Perrett** captained the Reserves in his **250th game** for the club and **Tait Wilkinson** lined up for the Seniors in his **100th game**. Steve came straight from the school side to play his first senior game in 1990 and then after winning a Reserves best and fairest in 1992 he became a regular in the senior side as an attacking full back. He was runner up for the best & fairest in 1995 and again in 1999 and played in the A grade grand final in 2000. After a move to Sydney with work, where he played in a premiership team and a runners up with North Shore, he returned in 2003 and played in the reserves premiership team of that year. Congratulations Steve on a great career at St Bernard's and maybe the 300th is still a possibility. Tait Wilkinson commenced at the club in 1997 and has been a wonderful asset to our backline at centre half back. Tait's career has been cut short by knee injuries, which saw him miss entire seasons in 2002 & 2004. He represented Victoria in the Under 19 team in 1997 and was the winner of our Most Consistent trophy in 2000 and our Most Determined in 2003. Congratulations Tait and with the form shown over the past two weeks we are looking forward to many great games in the future.

## REVIEW

**Whitefriars** broke the hoodoo with a close victory over the improving **NOBS** at the Gillon Reserve. Lack of information does not allow me to elaborate any further.

**Mazenod** keep plugging away all day at **MHSOB** whose inaccuracy kept the visitors in the game, but the High just a bit strong in the end. Anthony Cassell impassable at Full Back, Limbrick and Campbell good, and Jayden Pertzelt was dangerous again. Dave Chamberlain again best for Mazenod with Tim Bourbon and first year player Sam Reid.

A valiant **St Bedes** went down by 9 points to **Old Essendon** at Brindisi. 15 points in arrears at orange time stretched to 25 early in the last the young Tigers clawed their way back to fall short in the end. Michael Wintle perhaps scored his fourth BOG in a row while ex St Kilda duo Luke Beveridge and Leigh

**"The Ben's Mannix and Corin were terrific for De La along with debutant Simon Conway."**

Capasalis were polished too.

A nail biting affair at Glenhuntly Park saw **DLS** get over the line by 3

points. Some 33 points in front at the last change **DLS** did not count for the desperation of **the Fields** who kicked 6 last quarter goals to just run out of time in the end. The Ben's Mannix and Corin were terrific for De La along with debutant Simon Conway, Chris Knight in his 100th, Josh Wright and Andrew Docker were all strong for Caulfield.

A terrific game out at Chelsworth Park well worthy of the two top sides. Very even first half saw **the Hoers** lead by 4 points at the main break. A terrific 3rd stanza by **the Tonners** where they kept their hosts scoreless set up the victory. A good last quarter as well sealed the Hoers fate. David Dawes was terrific all day, with Scott Ginnivan, Edgely, and Ben Gadsden having good games. For Old Ivanhoe Mark Luxon was forever dangerous, Simon Fragiaco was good as was Anthony Oates.

## PREVIEW

**NOBS** welcome the young and improving **Tigers** outfit to the Gillon. A win is just around the corner for the visitors. But I don't think today will be the

day. So to all the **NOBS** contingent do not throw away your records in disgust as I actually tip you to win today.

**Whitefriars** make the short trek across Springvale Road to tackle **Mazenod**. The Friars are in pretty good touch and will be situated by the open spaces of the Waverley ground. Mazenod as usual will give a good account of themselves but will just find the Friars a bit strong.

**MHSOB** head to the Beach to tackle leaders **Old Brighton**. The High are gradually improving and getting some players back into the line up. But Old Brighton hasn't put a foot wrong and only a mental let down could stop them today. I'm sure Coach Greg McLoughlin is too smart to allow this to happen

**Old Essendon** and **Caulfield** at Sportscover Arena today. The Grammar has been inconsistent, the Fields gradually improving and coming to grips with B Section. A must win for both. Winning form is better OEG for me.

**DLS** and **Old Ivanhoe** at Sportscover tomorrow (Sunday). Should be a beauty this one. One fell in last week and one suffered their first loss. Makes for a great contest with plenty of good match ups. The Hoers will be smarting and this could be just the motivation enough to get them over the line.

## M I MILESTONES NEWS

**Caulfield Grammarians - 200 games Dean Synman**, "Egg" recently notched up this terrific milestone for The Fields. With honours including club B&F winner, 2 p'ships, Dean has been a wonderful player over the years and is a major contributor in our clubs rise to B Grade. **Chris Knight** played his **100th game** last Saturday. "Knights" straight ahead, no nonsense, head over the footy, style of play has been a key ingredient in just about all of his games.

**De La Salle - 100 Games** to De La Salle's **Peter Harrison** and **Matt Ellis**. Matt started in the U19 Blues in 1995 playing his 50th game in Rnd 16 of 1997 and the following week playing his 1st Senior game. Serious injuries and studies meant that Matt missed all of the 4 seasons from 2000. Well done Matt great to have you back and hopefully adding to your Senior tally before too long. Peter started also in the U19 Blues but in 1999 playing his 50th game in Rnd 16 of 2001. Peter played his first Senior game in Rnd 1 of 2000 and has been a regular Senior player from the start of season 2001. He was awarded the Blues Most Consistent in 2000 and the Senior equivalent in 2001. Last season Peter was Club Champion Runner Up. Well done

**Old Ivanhoe** - congratulate **Dale Hawkes** on reaching **100 games** on the 7/4 against Old Brighton. A very creative forward, Dale has the knack of kicking a 'Daicos' goal from all sorts of improbable angles and situations and has regularly topped the reserves goalkickers. Well done Dale, and keep on slotting thru some good ones.

## REPRESENTATIVE FOOTBALL: SUPPORTER OR CRITIC?

As we turn head into May representative football takes a front seat on the VFA Calendar.

The opportunity for players to represent not only their Association, but also their clubs is seen as a key ingredient by the VFA. Being able to wear **the Big V** is in itself a thrill, however the overall experience of training with the best players in the competition at varying levels is seen by the VFA as an important recruiting/development strategy available to our clubs.

This season the Association will provide opportunities to represent the Association at a number of levels, so as to allow for maximum exposure across the competition's Senior and U19 sections.

Our **Senior VFA Representative** side will compete for the bi-annual Brian Molony Cup against the **VCFL**. At present negotiations are underway as to where the game will be played on July 17. This team will be chosen from the best players in the competition from A-D4 sections and will be coached by **Nick Bourke**.

An **A-D4 team** will be chosen to represent us against the **Southern FL** for the Cystic Fibrosis Community Cup, to be held on Saturday June 11 at Sportscover Arena. Formerly the St. Kilda Community Cup, the match was played on the Friday night leading into the Queen's Birthday long weekend. Inclement weather in recent times has seen the match switched to a day game in 2005, with the support of Cystic Fibrosis Victoria. The team will be made up of 22 players, 18 of which will come from sections C-D4, with 2 A & B section players being chosen with a view to bleeding them for future forays into the senior representative team, development players per se. **George Voyage** overseas this team that encompasses all sections with an emphasis on C-D4 football.

Running parallel to this program is our **U23 team**, who will travel to Perth for **AAFC Championship Match 2** (June 12) of the second triennium of matches between the **SA AFL**, the **WA AFL** and the **VFA**. All states agreeing to compete at U23 level from 2005 onwards. This team will be chosen from all sections with a minimum of 4 positions in the final 22 to be filled by C-D4 players who meet the age criteria (players must be born on or after January 1, 1982 to be eligible). Former Essendon and Brisbane Bears (AFL) player and St. Bernards OC and Old Essendon senior coach **Frank Dunell** has the reins in this campaign.

In recent times we have struggled to find an opposition at U19 level given most outside competitions play at U18 level. In 2005 the VFA will pick 2 teams of 23 players representing all of our **U19 sections**, with the 46 U19 teams being split into North and South sections. U19 coaches will nominate

players, who will train together on 3 occasions, prior to the final teams being chosen – the **North/South match** will be played as a curtain-raiser to the Cystic Fibrosis Community Cup on Saturday June 11 at Sportscover Arena. Coaches are yet to be finalised for this program.

There is a **fine balance** with any representative program, from being competitive and selecting your best possible teams, to allowing for representation across all sections of the VFA and balancing the long-term goals of clubs.

While wanting to select the best possible teams at all levels, **every endeavour is made to represent as many players from as many clubs as possible**.

The Executive has determined that players may represent more than (1) representative team in a season although this practice to be exception, rather than the rule.

The decision has also been made to not include any **VFL listed players** in any training squads or final teams, the decision based on wanting our representative teams to be truly representative of VFA registered players, first and foremost.

In conclusion, all coaches (Senior & U19) were urged at the 2005 Coaches' Night to support the above programs, to not only assist the Association to field its best teams, but also allow for quality players at club level to train and play with the best our competition can offer and in doing so develop further as players and people for the good of the Association. Disappointingly, again many club coaches failed to grasp the opportunity to nominate players for both the U23 and A-D4 (Cystic Fibrosis Community Cup) squads, not only robbing the Association of being able to best represent our clubs and in turn the Association, but also stymieing any opportunities quality players at their clubs could have had in developing and challenging themselves further.

The overriding **philosophy of all VFA representative football** programs is simple: **every endeavour is made to return the players to their clubs in a better, mental, physical and psychological state**, afterall without clubs providing the players there would be no representative football, however on the other hand without representative football recruiting players to the Association will become more difficult and the VFA brand will not be as well known and revered in football circles as it is. **It's not too late to nominate and assist in the further development of your players and in turn your club, afterall that's your responsibility, is it not?**

**OUR SPECIAL HEAD TRAINERS**

We are again delighted to have two outstanding young University of Melbourne physiotherapy students as our **co-head trainers**.

Both **Anne Roberts** (right) and **John Collingwood** (lower right) are in their final year of studies and will, more than likely, take up physio positions in country Victoria in 2006. This will be the club's loss as we would very much like them to stay on if they are employed in the Melbourne area.

Anne and John have worked particularly well together and are responsible for all first level injuries with all players. They supervise a total training staff of 6, including **Lisa Maddison** (3rd year), **Nadine Eram** (4th year), **Tahlia Lee** (2nd year) and **Kyle da Fonte**, who has been a trainer at the club with junior teams for many years.

John and Lisa are both products of **St Hilda's College** at the University of Melbourne, whilst Tahlia is still in residence at St Hildas. Anne came through Ormond College. The long tradition of MHSOBF utilising physio students from

the residential colleges, St Hildas in particular, goes back nearly 15 years and we are most grateful the tradition continues.

The trainers have the club physiotherapist **Michael Middleton** as their main reference point, whilst there are several other physiotherapists and specialist medicos who are only too happy to provide assistance, including **Prof John Hart**.

Despite a hat trick of victories, OP cannot force their way into the top four, highlighting the evenness of the competition. The good news for the Jackas and Bears is they are only three games off top spot... unfortunately, they are also three games from fifth place.

### REVIEW

In an entertaining, top class clash, **the Blacks** unbeaten reign was ended by a hard working and committed **OP** lineup. Pratt and Boundy were rock like for the winners and Zivanovich's four-bounce run and goal, revived Phil Manassa like memories. Colonel Sandiford was finger lickin' fantastic for Uni, aided by Geister and Shaw.

**"Therry's Edwards continues to be the man backmen most fear slotting another eight."**

Can he be stopped? **Therry's** Edwards continues to be the man backmen most fear slotting another eight. **Banyule** also had their hands full with Harmes, whilst the Bannister's and Faroldi continued their good form. Better Bears included Gutterson and Green.

**The Vultures** upset **the Weller** applecart and moved to second, setting up the match with a five goal to one second term. The Sullivan's were dynamic and Macgeorge was the focal point. Loats bagged half a dozen for OC, Durling snaffled a host of grabs, whilst Credlin was terrific in defence or around the ground.

In a powerhouse first half performance, **the Sharks** slammed 15 large against **the Rovers** to have the game won at the main interval. Hampton Rovers responded to the half time ear stinging, outscoring Beauy seven goals to three. The large crowd was treated to a great display from the Sharks Duggan, Lynch and Teasdale, whilst the Rovers' Parkinson and Browne kept going.

With both **Ajax** and **Monash** winless, each knew the importance of this game. After skipping clear at the big break, the Jackas led by Routman, Rosen and Bryner must have thought this was their day, but the young Blues side through Merlin, Bains and McKenzie rallied, to earn a final change lead and the Ashers hung on to clinch it. Holloway's 70 metre barrel goal, after the \_ time siren, still has tongues wagging.

### PREVIEW

The Crackerjack C Grade clash is at Shark Park, between '04 B Graders, **OP** and **Beauy**. The Bundoora boys have strung together three in succession and having tamed the Blacks, are certainly good enough to extend their winning run. The Sharks were handsome winners last week, but were disappointed with their second half fade away. They will need to play well in all four quarters today, but on their home track they should have the narrow edge.

**Monash** welcome **the Bears** and will be hoping to forge two games clear by day's end. There

were some promising signs for Banyule, who against Therry, were well in contention at the last change, but the Ashers will start favourites and should prevail.

Having slayed the ladder leaders, **Parkdale** will again have their hands full when they confront a resurgent **Therry**. The Oak Parkers have won their last two and have a genuine forward threat who must be contained. The Vultures have been playing great footy and I think their overall strength across the ground will see them home.

After impressive early showings, **the Rovers** now face the prospect of three successive losses when they journey to **OC**. The Wellers are also looking to bounce back following their first stumble. Hampton Rovers won't want to let OC slip two games clear of them, but in a tight game, I think they will.

**The Blacks** know there was no disgrace in falling to **OP** and in some ways, I am sure the coaching staff are glad the unbeaten string is over. It doesn't mean they don't want to start a new run and whilst Ajax will throw everything at them, the new Uni winning streak will start today.

**Good News from Bad**

In my (David Windlow – Club XVIII Umpire Co-ordinator) long experience when we have a club that has struggled for numbers and drops back to the Club XVIII it is usual that the discipline level of the club also drops.

Your club (Mt. Lilydale OC) showed on Saturday that you appear to have avoided this pitfall. Although your team lost, they were very competitive for a majority of the game, and your players and coaching staff were exemplary in their demeanour and sportsmanship before, during and after the match (which was played in an excellent spirit by both clubs).

Would you please pass on my congratulations to them and thank them for helping me cope with my role as a single umpire.

Let's hope that your stay in the Club XVIII is a brief one and that you are soon on your way up again.

**Losing Streak broken**

A great effort by **Box Hill North Reserves** to snap a 23 game losing streak dating back to July 2003. It was done in style 16 goals to 3 as they achieved the highest D4 Reserves score for the round. A fantastic effort and

reward for perseverance to the team and the always positive coach Jon Pratt who had his first win in 21 starts.

**Winning Streaks broken**

While on the subject of streaks, **University Blacks'** winning streak of 23 games came to an abrupt halt last week against **Old Paradians**. The Blacks were Premiers and Champions in D1 in 2004 and had won all of their first three games after gaining promotion to C Section. Coach Anthony Parkin has the troops well and truly firing, and after coming off a close game against Beaumaris on the BIG Optus Oval not surprising they ran out of steam at Parade College Bundoora. Other winning streaks that came to an end were **Old Ivanhoe (B)**, **Old Camberwell (C)**, **Ormond (D1)** – augers well for their opponents Old Brighton, Parkdale Vultures and Fitzroy Reds' chances for the season.

**A-D4 Representative Team** training squad was announced last week with **George Voyage** again coaching the side, keen to make it four from four against the **Southern FL**. This season the game will be played at Elsternwick Park as a day game, and be known as the **Cystic Fibrosis Community Cup**. A and B section players are yet to be added to the squad. The initial squad is as follows (as at 10.5.05):

<b>Player</b>	<b>Club</b>
Jason Israelsohn	Ajax
Brad Wilmore	Banyule
Michael Matulick	Beaumaris
Mark Boon	Beaumaris
Michael Atkins	Beaumaris
Mark Ensor	Beaumaris
Greg Chivers	Bulleen-Templestowe
Scott Grace	Elsternwick
Tim Davis	Fitzroy Reds

While **John Bourke (Collingwood Reserves)** was in the media last week in relation to his indiscretion in 1985 with umpire Phil Waite at the Lakeside Oval in an Army Reserve Cup match, there is a VAFA connection. Senior VAFA running umpire **Wayne "Chuck" Hinton** was the

other officiating umpire on the day. On reflection "Chuck" recalls he was the second umpire at the time and did report John, although "so did every umpire on the ground" says Hinton. But it all got too much for "Chuck", no not really, he had a planned an overseas trip and took off missing the tribunal and the subsequent civil case. There is no mention of "Chuck's" career being affected by what Bourke did, "Chuck" went onto umpire his first VFL game in Rd21 1986 the match being the first time a debut umpire would travel interstate. Sydney played and belted Melbourne at the SCG, back in the days when the Swans were kicking cricket scores. "Chuck" tells how you were up and back in the one day. Now FTLOTG wonders whether Jeff Crouch when he appointed "Chuck" knew of his passion for the **Swannies** hmmmmmm!

**LAST WEEK**

**YVOB** proved too accomplished for **Glen Eira** and won comfortably. For the Bushrangers Killa praised the efforts of Dave Stevenson, Nick Paesk, and Tim Hancock..

**Fitzroy Reds** buried **Omond** by 56 points in a powerful display at the De Chene Reserve, aptly located for such ceremonies with only the Merri Creek between it and the Coburg Cemetery!

Back in the 1990 Amateur Footballers, Reds Pres, the inimitable Peter Hille, then the Scribe for E (D2) Section, was referring to the De Chene as the Graveyard, and its Home Club (St Andrews) of those days as the Undertakers! Not much has changed in 15 years! Phil Cianci & Jeremy Rawlins all starred for the Reds who jumped the Monds in Q1 and never let go in spite of a revival early in Q4 by the visitors. David Beckett, Matt Martinov, and Ash Russell all had great games for the Monds.

zapped before I could read it during a major dust up twxt me and my desk top!

**Prahran** hosted **Aquinas** and it was the Bloods who were squeezed by the Two Blues' pressure in the 2nd half of a tight match. Michael Radywonik rucked superbly for Prahran, Damien Crommie did well on his wing, plus David Ballard at HFF & elsewhere. Aquinas had good efforts from defenders Trent Harkin & Brendan Helme, with Leigh Toomey again strong Otb.

**TODAY**

**Glen Eira** could trouble **Fitzroy Reds** early at the Packer Reserve but the over all class of the Reds should give them a win by 5-6 goals.

**Ormond**, back on the Buxton Oval should have too much speed for the still settling **Bulleen-Temp**. The Monds are tipped to win a top game by 4 goals!

**"Bulleen-Temp's inaccuracy cost them dearly against Emmaus St Leo's"**

**Bulleen-Temp's** inaccuracy cost them dearly against **Emmaus St Leo's**, taking only a 17-point lead into Q4, when it could have been much more. Led by Cam Phyland, Jason Fennell, & Tim McCann, the Animals finished strongly for a top win

**Old Carey** won a close game over **Old Mentonians** (resplendent in their alternate strip of Sky Blue, with diagonal Black & Gold twists) that was in doubt until the dying minutes. For the Cs Mark Zander and Alexander Thompson were everywhere and Tom Zavec was again a dominant ruckman. My apologies to Wes B. whose report was

**Emmaus St Leo's v Old Mentonians** will be interesting since both have loads of skill, and, in spite of the Bennettswood factor, the visitors could have enough of a pace edge to win by 5 points!

**Aquinas** and **Yarra Valley** resume action in the local version of the 100 Years War! The Bushrangers are travelling better than the Bloods just now and should win by 2-3 goals.

Reserves winners should be: Reds, Monds, O Ment, Bushrangers, & O Carey.

## D2 SECTION by Andrew Wu & Peter Williamson

**Old Geelong** is the standout team in the competition this season. Well, that's the word out of **Swinburne**, after the OGs mauled them by 151 points. The Razorbacks conceded seven goals in the first 10 minutes of the match and despite the hard work of John Sheedy in his 150th game and defender Matthew Pearson, there was to be no way back.

A high scoring physical encounter was fought between **Rupertswood** and **Ivanhoe Assumption** with the Hoes throwing away a 25-point quarter-time lead to lose by 33 points. Remarkably, both sides scored nine goals in a memorable final quarter shootout but the Hoes, despite the efforts of onballer Johnny Isefo and Gerard Boyd, who booted five goals, were unable to snare their first win of the season. For the Woods, the West brothers stamped their authority in the second half.

In other results **Salesian** ended **Oakleigh's** unbeaten start to the season, with Thain's eight-goal haul helping them to a thrilling four-point victory. **La Trobe** remains undefeated after outscoring **Bentleigh** 16 goals to two in the second half, thrashing the Demons by 95 points while **Peninsula** notched its first win of the year, defeating the inconsistent **Williamstown** by 41 points.

be enough to get them over the line, despite the likely return of skipper Adrian Fidler. Rupo to win.

**Old Geelong** welcome **Salesian OC** to Como Park, the OGs looking to maintain their supremacy at the top of the table, while Salesian will be looking to stay within touching distance of the four. On paper, it seems a foregone conclusion that the OGs will win, although the Gryphons will have their tails up after a hard-fought win over the high-flying Oakleigh. Despite this, Old Geelong's claims are hard to ignore. Old Geelong for me.

**La Trobe University** travel to Scammell Reserve for their match against **Oakleigh**, with both teams looking to entrench themselves in the four. Tough to call, as both team have shown they can be the top dog in this competition on their day, but I'm tipping Bromley's Boys to bounce back this week. Oakleigh.

**Williamstown CYMS** take on **Ivanhoe Assumption** at Fearon Reserve. The visitors

**"Rupo are usually a show to beat anyone in a shootout"**

### PREVIEW

**Rupertswood** host **Swinburne University** at Sunbury and the home side will be obvious favourites. Rupo are usually a show to beat anyone in a shootout, and as a result their freewheeling brand of football may allow the like of Swinburne's Murchie and Higgins to pad their goalkicking figures, but it may not

will miss Brown and O'Dwyer, members of their official on-field leadership group, so will look to other, perhaps less obvious sources for inspiration. If the Hoes can keep it tidy down back, they will be a big show. I'm going to go out on a limb and take Ivanhoe.

Peninsula OB make the trek to Arthur Street for their contest against Benteleigh in a battle between two early season strugglers. Difficult to pick, but home ground and a couple of milestones might be enough to swing it Benteleigh's way.....so Benteleigh.

### **Congratulations**

Finally, congratulations to those **D2 players** selected in the **A-D4 training squad** for the upcoming match versus the Southern FL. It's a fantastic honour and a real opportunity to show people that their is plenty of talent in the lower grades of the VAFA, and that they can match it with the big boys of other competitions. So good luck, and hopefully things go your way.

<p><b>Salesian OC</b> - Congratulations to <b>Sean Logan</b> on reaching <b>100 games</b> played this week. The clubs Vice Captain is noted for his impressive skills on both sides of the body, his agility and strong marking for the short 'tall' that he is. He can hold down any one of numerous positions around the ground but he loves a goal so he tends to be spotted most of the time roaming the forward line where he is a regular contributor to the scoreboard. Well done Loges.</p>

## 5 YEARS AGO - 2000

St Bernards were a game clear on top of the A Section ladder following their sound performance over Uni Blues, 11.10 to 10.6, although they came from behind a three quarter time. Ben Jordan, Steve McKeon (3) and Nick Mitchell were great for the 'Bernies and Caloupos, De Crespigny (4), Coleman and Lennan were best for the Blues.

Ormond's unbeaten run came to an end in B Section when De La Salle visited the E E Gunn but took the honours, 16.11 to 7.9. Wood, Prezens and D Hyland were excellent for the D's and Ormond's McConvill, Bailey and Block worked hard for the losers.

An early taste of wintry conditions did not make life too difficult and AJAX burst Beaumaris' bubble at Albert Park in C Section and led all day to finish 13.13 to 10.8. Kirzner (5), Freund (3) and Davis were outstanding up forward for AJAX. Haynes, Phillpot and Martin were best for the Sharks.

D Section scribe, Barry Hickey, acknowledged the selection of the D Section representatives in the C-D State Squad – Julian Smith, Dave Rogers, Sammy McGee and Liam Holloway (Monash blues); Cam Colliver, Andy Cultrera and Daniel Den Braber (Aquinas); Brendan Vaughan and Steve Buckle (St Leos) and Simon Widjaja (Caulfield Grammarians). Aquinas had jumped to the lead of the "Blades" Club Championship ahead of Old Essendon, Beaumaris and University Blacks.

Craig O'Donoghue and Graham Thwaites, joint scribes of "Umpires Corner", congratulated Mark Gibson and Steve McCarthy for their appointments as state game umpires. An article by former amateur coach and founding member of AFCA VAFA, Ken Bremner, was reproduced in "Coaches Clipboard" title, "The other side of coaching

– Administration'. The expose gave a detailed view of the amount of work undertaken by Ken in preparing to coach the VAFA C-F grade squad back in 1992.

Players of the round in the "All Star Australia" award were; A Section – Mark Browne (Marcellin), B Section – Simon Vincent (Old Paradians), C Section – Tim Beasley (St Bedes Mentone Tigers), D1 Section – Dave Williams (Banyule), D2 Section – Ivan Bobetic (Salesian OC), D3 Section – Peter Khalil (St Johns), D4 Section – Chris Sharp (Bentleigh). Player of the Month was Luke Hawkins (Old Scotch).

## 10 YEARS AGO – 1995

In his Editorial Phil Stevens printed an article written by Dr George Janko, Medical Director of the McKinnon sports Medicine Clinic which pointed out some of the frustrations of bleeding injuries in sport and of the new blood rule causing significant delays in the flow of the game. Clearly fears of the spread of Hepatitis B and the AIDS virus were having a marked effect on our game.

In A Section De La Salle drew level with Ormond after wining 14.9 to 12.10 with former coaching allies, Mike McArthur-Allen and Geoff Reilley now opposing coaches. McArthur-Allen's team were more disciplined on the day and Jess (5), Baud, Knuppel, P Mannix, Toohey and Mackintosh were best players for De La. James, David McDonald, Connell, Grace, Orr and Fraser were more than solid for the "Monds". A Section umpires were R Bell, J Toohey, P Gersch, G Curran, G Fallet, R Eastwood, M Gibson, W Hinton, A Damen and M Jackson.

The closest game in Junior Section 1 was Old Xaverians' win over Old Paradians, due mainly to the Xavs poor kicking for goal, 17.23 to 12.6. Woodruff, Perry (3), Coghlan, Burke, Stones and Belli were the Xavs best and Flynn, Dallas, Geary, Oakey, King and Lynch were notable for Paradians.

Marcellin and Old Carey played a thriller in U19 Section 2 Central as befits two top sides. It was Carey who won out 15.14 to 15.9. Leading goal kicker Spencer with goals 10 for Old Carey was great and was supported by Arnup, Sali, Bedford, Detarczynski and Abbott. Marcellin relied mainly on Rowe, Cronin (5), Frisina, Badanjek (7), Stokes and Greig.

### 20 YEARS AGO – 1985

A Section scribe Ross Booth highlighted the way the season was turning out to be fascinating and how hard it was to pick the winners each week. This round however went according to plan with the possible exception of the Uni Blues versus Ormond game where the Blues recovered from a poor first quarter deficit of 5 goals to win by 5 points. Tyquin with 8 goals was a thorn in the Mond's side and Grutzner, Douglas, Polkinghorne, Salinger and Macaulay ran so well on the University Oval. The two McDonalds, Mehrten, Ritchie, Naylor and Boyanton deserved their acknowledgment as Ormond's best.

Umpires Corner revealed their office bearers for the season – Mike Murray (President), Michael Woodruff (Vice-President), Peter Wiseman (Secretary), Colin King (Assistant Secretary), Foster Rossetto (Treasurer), Brian Goodman and Peter King (Executive).

### 30 YEARS AGO – 1975

Coburg easily accounted for Geelong in A Section 20.16 to 10.11 and kept their hopes alive of a place in the top four. Best for Coburg were A Handley (7), M O'Brien, King, Walker, Beattie and Cunningham. Geelong's

triers were Paulke, Neilson, Durnan, Lowcock (3), Herd and Ross.

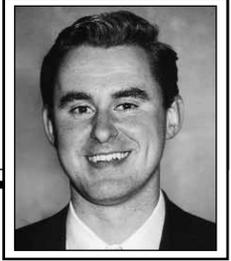

The ANZ Bank's accuracy was important in E Section when they won 12.12 to La Trobe's 7.22. Bank's best were Baker, Gale, Minniti, Pinder, Towan and Vigus and for La Trobe, Forbes, Cordner, Steer, Rumph, Macgregor and Sheehan.

Three century makers were applauded in this round. Bill Taylor (UHSOB) achieved his milestone from a career including the Assistant Coach role, Reserves' Captain and Assistant Secretary. Star Ormond full back and State representative, Peter Murphy, brought up his ton and was known for his brilliant runs out of defence and long kicking. Murph had also been a key player in the great Ormond premierships of the early 70's. Gerard Mahoney, former premiership captain of St Bernard's junior team, had commenced playing with his club while still at School. Despite a number of injuries Gerard remained a fearless player.

### 40 YEARS AGO – 1965

No undefeated teams in either A or B Sections. Looked like being a bumper season in the two top grades with only a game separating first and sixth in A Grade and first and seventh in B Grade.

The interstate games had been played with Victoria winning both its games decisively. The Vics won by 56 points in each contest and South Australia and Tasmania had been spirited but simply not good enough. Following these games the Australian Amateur team had been selected to play New South Wales in the ANFC Section 2 championships in a week's time. Victorian representatives were Mike Blood (St Kevins), Ed Burston (Uni Blacks), Alan Chaffey (Caulfield Grammarians), David Hughes (Old Scotch), Terry Lillis (UHS Old Boys), Neil McColl (Geelong), Des Meagher and Peter Slattery (Old Xaverians), Julian Nance (De La Salle), Bernie O'Brien (Old Paradians), Peter Stokes (Brunswick) and David Walduck (Collegians).

Back to some form with the tipping, getting five out of five.

### Review

**Syndal** are now looking at the depths of oblivion as the **Westies** overcame them in a dour struggle at the Ho-town. A great effort by Steve Pietsch ensured a comfortable 17-point win for the visitors.

While it did not go all the way of the **Browns** who had to play catch up, it was David Mainsbridge who formed a valuable combination with Nick Dahlstrom and Justin Rakusz in the middle as they overran a determined **Swans** outfit by four goals.

I was at the local derby between **the Tigers** and **the Warriors** and was extremely impressed by what was presented by the resurgent Werribee outfit. Led by Daniel Lee and David Czajkowski up front and total dominance at the stoppages, the Bees overran a disappointing Warrior side after quarter time to dish out a percentage boosting 11 goal thumping.

**Powerhouse** got off the duck with a well deserved 50-point win against **UHS-VU**. After a good start by the students with Hams and Creek in the backline playing well, it was all the House as they produced three quality quarters to bring home the bacon.

No report from the other match, but it was Phaedonos who proved the difference with seven goals for the **Jocs** in their eight goal win over the **Gryphons**.

### Preview

#### West Brunswick v Kew

The Browns make the trek to the "house of pain" against a Magpie outfit that has not lost at home. Picking a winner is tough, Kew looks the real deal to me and as such I am jumping on their wagon with a 3 goal win.

#### South Melb Dist v Werribee

South would be spitting chips over their lacklustre start to the year, and unfortunately for their fans, I can see no reprieve for them today as they

meet the new flag equal favorites in Werribee. I am predicting another big win for the Bees today by 38 points.

#### Old Westbourne v UHS-VU

I cannot see the Warriors losing three in a row and a resurgence of some of the senior players see them home by 28 points.

#### St Johns v Syndal Tally Ho

While Syndal has been competitive in most of their matches, they have not been able put four quarters together and their fitness has been called into question compared to the younger running sides doing well in D3. It will be much of the same as the Jocs maintain their unbeaten record with a 45-point win.

**"Many are saying that the loser today may begin the fall down the slippery slope to D4."**

#### Power House v Monash Gryph

Many are saying that the loser today may begin the fall down the slippery slope to D4. A win today (or tonight) may give the momentum both are looking for and in what will be a tight, pressure

## M I L E S T O N E S

**Old Westbourne** - Justin Braham plays his **50th** match today having graduated from the U/19's. JB has played many senior games since arriving from the local area and was a member of the D4 Reserve Premiership.

**UHS-VU** - congratulates **Luke Maguire** on **50 games**. One of the fittest in the club he is enjoying time in the seniors this year.

**Power House** - congratulate **Craig Richardson** who will celebrate **200 magnificent games** this week for the club. Richo's dedication towards the Club is second to none. A key onballer through the 90s, Richo still provides great value around the centre and near the big sticks, despite his aging years. After dedicating time as a reserves coach and committee member, Richo was appointed as Club President for 2005 and has been a key player in improving the Power House off-field success. Congratulations to **Alan 'Tuffers' Contreras** who will play his **50th** match this week is renowned for his in and under style and has played many fine games for Power House over several seasons.

**Monash Gryphons** - congratulate Andrew 'Nostradamus' Clarke who plays his **100th game** today. A versatile utility Clarkey always gets the best out of his ability. Also, rugged utility, Jason Harrak brings up 50 games whose attack at the footy is unrelenting.

**Kew** - congratulate Reserve DVC and elusive HFF **Andrew "Chooka" Makris** on playing his **50th** today. Also belated congratulations to Reserve centreman **Aaron "Bucks" Carman** on playing his **50th** game in last year's GF. Bucks' good form has now seen him selected in the ones.

## ELSTERNWICK PARK GATES

The **main gate** (Glenhuntly Road) is open **every match day**.

The **rear gate** (off St. Kilda Street) will only be open when there are no matches scheduled for Elsternwick Park No. 2 Oval.

When parking in the area behind the grandstand please park in a manner that would allow cars around you to be able to leave.

Players and officials who do not produce tickets at the gates will be counted and the club invoiced accordingly.

Clubs are issued with an appropriate number of tickets for players and officials.

## Rotation (It's Back!!!)

Over the last two weeks our friend "The Rotation" has occurred. It's where the opportunity arises for all umpires to have a taste of things to come. So congratulations to Jeremy Heffernan and Kenny McNiece who have shown improvement in the development squad to progress to the senior squad. From the senior squad for their first taste of A grade last week were Dave Phillips and Grant Joyner.

On the boundary last week for his first A grade game was Dean Herskope and he continued the tradition of all 16 year olds and didn't by his fellow teammates a drink after the game, that's okay Dean we will all be waiting after training at the bar (Crownies please).

## Valuables?

Boundary umpire Will Stokes is not quite sure what is considered a valuable item. When prompted "do you have any valuables for the bag" the reply was an emphatic "No, but I do have a wallet and mobile phone". Just what is valuable?

## Duelling ball-boys

Last week in this column we had a little "Back to the 80s" section. Well last Saturday in the A Section game at the newly-refurbished Snake Pit there were an unusually high amount of free kicks paid for centre square infringements. It was like the good old days of the **Ormond/North Old Boys** games in the 80s with the club boundary umpires of the time, **Matt and Harry** blowing the whistle at almost every second centre bounce. As "clubbies" they were very dedicated to their roles and wouldn't let any player step over that white line. Seems like these two young guys may need the assistance from the Cyclops machine from the Australian Tennis Open.

## Snake Pit

The new pavilion at the **St. Bernards** will be sensational when complete in the next couple of months. The players' and umpires' facilities are ready for use but the all important social rooms are not quite there. The temporary social rooms

---

***"...the trip out to the "Pit" may not be as uncomfortable as in the past."***

appropriately christened "The Kennel" does the job at the minute. Visiting clubs will be pleased to know that the visitors rooms are amongst the best available in the VAFA and the trip out to the "Pit" may not be as uncomfortable as in the past. They even have hot water now!

## Are you ready?

**Mark Gibson** is ready for a game, totally changed with tracksuit on 30 min before the start - but is that enough? After walking around for 15 minutes he doesn't like the feel of his socks, so a quick change to another pair that are softer on his delicate toes. Just to top it off on getting halfway from the change rooms to the ground to start the game he notices he is not wearing the right runners so back into the rooms to change. The difference between the runners: same brand, same style just one pair was slightly wet. Well done Gibbo, always the perfectionist in everything he does.

## Social News

Don't forget that tonight the trivia night at the rooms starts 7:30 pm. Hope it's a great night - keep supporting the social committee for the remaining functions in 2005.

## Review

After a few weeks of trying to work it all out, I think the results in round have helped unravel the mystery in D4.

The top two would seem to be Elsternwick and Bulleen. As for the next 6, it would seem to be pretty even and open for plenty of opportunities for any of the 6 with any sort of luck. Richmond would seem to have the task ahead of them although it seems they have made some progress for last year. And one word of warning, watch for the Turtles, now officially dubbed as this year's smokies!

High class game as **Elsternwick** was able to draw away from **Hawthorn** but not before a hard fought tussle. Grand ruckman Jack Neil starred for the winners whilst Lauletta was in everything for the Hawks.

*"The youthful exuberance of the Turtles against the experienced old hands of Bulleen made for a great contrast."*

Managed to sneak a peek at the first half of **Bulleen** and **Eltham**. Most impressed with both sides in what was a high standard game. The youthful exuberance of the Turtles against the experienced old hands of Bulleen made for a great contrast. In the end, the key forwards of the home side prevailed although McLaren with 6 goals was a start for Eltham.

**Box Hill North** made it back to back wins, this time at the expense of **Richmond**. A

great day for Box Hill with their two's breaking a 23 game losing streak in fine style!

Finally, **North Brunswick** had a great win, this time at the expense of Albert Park. Mixed form for both sides although Albert Park may rue this as the one that got away. A two point loss is always difficult to stomach, particularly at home and when it was a come from behind win. Orr was the stand out for the winners.

## Preview

A bit early for crunch games but **Eltham** and **Hawthorn** shapes as a great battle. I have already declared my thoughts on Eltham but suspect Hawthorn might be a little better than average. They will certainly get better as the season rolls on but some points are required. Tough one, maybe the Hawks with Lauletta returning to the scene of a record haul of a few years ago.

Local derby sees **Box Hill North** host **Bulleen**. Box Hill would be rapt with their start to the year. They have built some momentum up and would just about be thinking about the Finals? None the less, Bulleen have only put a foot wrong once this year and with Badanjek always a threat up forward, expect them to win in a hard fought tussle.

**Elsternwick** welcome **North Brunswick** with five in a row the aim. Great win last week by the Brunswick boys however hard to see them do it again this week. The Wicks still have a few stars to come back, with the great Lee Murphy amongst them. Hard to go against them this week.

Finally, **Albert Park** play host to **St.Mary's**. Another interesting game and once again whilst not quite crunch time, heading that way. I was on the Saints bandwagon from day 1, not jumping of now, the visitors for mine.

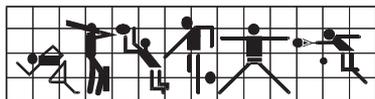

**Richmond** have the week off.

Don't forget the after match challenge. Fair to say that **Elsternwick** are performing well off the ground as well!

# F.I.D.A. REPORT

## Round 2

Round Two was played at VAFA headquarters in what were perfect conditions.

The first game was between Moonee Valley Magpies and the new Mazenod Panthers. The **Panthers** 3.1(19) showed good form but were unable to outscore an impressive **Moonee Valley** 4.11(35).

**Broadmeadows 2** 8.13(61) were far too good for **Port Colts 2** 1.1(7) with Port Colts 2 playing well but not being able to convert their good play into goals.

**Maribyrnong 1** 10.4(62) defeated **Broadmeadows 1** 7.5(47) in a very close game with Maribyrnong just kicking away in the last quarter.

**Ballam Park 2** 6.9(45) kept **Bulleen Templestowe** to 1.8(14) with Bulleen having to do some goal kicking practice this week at training.

**Parkside** 1.1(7) found it hard to score against an inform **Port Colts 1** 12.7(79).

**Ballarat** and **Ballam Park 1** once again put on a great contest with Ballarat showing that they have found the form they lost in 2004 kicking 6.10(46) to Ballam Park 6.4(40).

**Mambourin Tigers** 1.2(8) found it hard going against a revitalised **Ringwood Blues** 4.8(32). Ringwood Blues may still be celebrating as it was their first win since season 2003.

Ovens & Murray Jets played each other at home with **Ovens & Murray Jets 1** kicking 8.5(53) to **Ovens & Murray Jets 2** 6.5(41).

## Round 3

The grading games are over and now the real stuff begins. Round 3 is about to start with 18 teams raring to go.

We have 3 big games being played at **Parkville** the first: **Ballarat Vs Broadmeadows 1**, in a close one the Knights by a goal with good lead up form.

**Broadmeadows 2** play **Ovens & Murray Jets 2** and on good form Broady are going to be too strong. **Bulleen Templestowe Vs Ovens & Murray 1** will be a tough battle seeing the Jets over the line by 15 points.

3 more exciting games being played at **Port Melbourne** this week with the 2 new Mazenod teams ready to show FIDA that there here to stay. Game one shows to be an exciting encounter between **Port Colts 2** and **Ringwood Blues** but on recent form Port Colts are going to find it a bit tough to overcome the Blues.

**Mambourin Tigers** will get over the line against **Mazenod 2** purely based on experience.

The Final game will be a cracker with the new **Mazenod 1** team joining the competition with big expectations and they will overcome a pumped up **Port Colts 1**.

**Moonee Valley** is hosting 3 exciting games this week with all teams in good pre season form.

**Maribyrnong 2** is playing the host team first up (**Magpies**) and should get over the line by 3 goals.

**Maribyrnong 1** and the new named **Kananook Tigers 1** have had good tough games in the past but the overall might of Kananook will see them victors by 6 goals.

Last but surely not least **Parkside Vs Kananook 2** will have a close first half battle, until the experience of Kananook kicks in. Kananook by 7 big ones.

**Section One**

St Kevins and Collegians continue to set the pace at the top of the Section One ladder, with both sides extending their unbeaten streaks last weekend. An inaccurate Collegians side did their best to kick away victory in the dying stages of their away fixture at De La, sneaking home by 4 pts despite having nine more chances in front of goal. St Kevins did it a lot easier away at Old Brighton, a six goal to none opening term setting up a comfortable 52 point win. Other winners, Uni Blues by 26 over Marcellin, and Old Scotch by 25 over Old Xavs.

Continuing to firm as premiership favourites, St Kevins will aim to make if five wins from as many starts this weekend when they host De La at Righetti Oval. With Tom White continuing to dominate at full back and Julian Charles tearing up the midfield, De La will struggle to combat coach Hourigan's side who at the moment are playing a flawless brand of football. Expect crowd numbers to be up, St Kevins by 26 pts. In other games, Collegians to do it tough but stay on par with the ladder-leaders with a hard-fought win over Uni Blues, Old Scotch to move to 4-1 with a win away at Marcellin, and Old Xavs to hammer another nail in the coffin with a home win over St Bernards.

**Section Two**

An even first term, then Banyule really turned the screws, resulting in a 20 goal victory. Tsingaris nailed another bag of 8, and Swift (6) had a great game too. A sluggish start from Rupo, saw the Fields in touch at the final change. However, Bradley & Baddeley (4 goals) had other ideas, and the home side surged to an important 13 point win. An understandably fired up OMs registered the upset of the round, brilliantly flying out to a 6 goal qtr time lead and keeping the Bombers grounded. In the other games, The OC nudged out the Sharks, and Tolson took home 7 majors in The Other OC's 10 goal win over the Friars.

**Predictions:**

It'll be a real 'ball-tearer' as Rupo leave the Wood and hunt for Bears. Rupertswood by 3 goals. The Fields should despatch the Bombers by 22 points, whilst the double-episode of The OC should have a thrilling finale - Old Carey by 9 points. OMs will be chock full of confidence, but Beauy should

survive by 17 points. Finally, the Friars host Trinity and the winner will (finally) get their season started. Head over heart here - Friars by 22.

**Section 3**

The Jackas started very well, but La Trobe reeled them in and the efforts of Clough and McGough were obviously enough. The Raiders played a dogged and determined Hoers outfit that never gave up the chase, ensuring the Raiders had a contest all day. Apparently, it was simply a "workmanlike" 24 goal win. So near for the Ashers, the gallant vanquished at Clayton. For Monash, Collins kicked 10, but full credit to the

Tigers who held off the late assault, especially Bodinar and Hunter. Elsewhere, the Blacks played true to form, holding out the Demons by 21 points. However, the big fillip saw a revived Oakleigh unit hand out a huge hiding to the visiting Unicorns. A 5 goal deficit at the main break turned into a 20 goal shellacking!

#### **Predictions:**

The North-East Showdown should see the Raiders prevail over La Trobe by 7 goals. The Blues will nail the Hoers by 4 large, and Bentleigh will be back on the winners' list at the Tigers' expense. I think the Unicorns are ripe for the picking and the Jackas will win by 28 points. Finally, the inconsistent Oakleigh should just fall short of the Blacks by 18 points.

#### **Section Blue**

The Scorpions put in their first true "team effort" over 4 quarters to belt De la Salle. Supercoach Hazell praised his team saying "You did everything that was asked of you today". In particular, up front Jordan matched Harmit Singh with 7 goals apiece (a let-down of sorts after Singh's 13 goal 'clinic' last week). Elsewhere first-gamer Togia impressed and Wilson was simply outstanding. The top 2 sides enjoyed a great tussle. At the final change, it appeared Ormond had the momentum but, led by Bailey, Bogar and Deegan, Mazenod took the lead at the 10 minute mark and held on by 5 points. None better for Ormond than Dwain Bailey with 7 goals. Hampton Rovers scored their first goal within twenty seconds of the opening bounce, and that was the start of an amazing procession, led by Semmell, Zampaglione and Smith. The Pirates couldn't find a winner anywhere, and were trounced by 31 goals. Finally, the Oakleigh Clays skipped away from the Bloods to record a 38 point win.

#### **Predictions:**

Mick Hazell's Scorpions will stitch up The O'Clays by 8 goals. The Nodders by 33 points over the Bloods. The Monders to stop the Rovers' Express by 2 goals, and De La over the Pirates by 27 points.

#### **Section Red**

Reigning premiers Fitzroy have shown they are not just making up the numbers in Section Red this season, following a thrilling 4 point loss to ladder-leaders Aquinas. Leading at the first two breaks and kicking four goals to two in the last, the Reds came nail-bitingly close to inflicting Aquinas first defeat of the season. In other games, Old Westbourne thrashed Old Scotch by 79. Kew kicked 16.28 in a 58 point win over Thery Penola, while Emmaus St Leos recorded forty-seven scoring shots in an 80 point win over Bulleen-Templestowe.

With Aquinas automatically receiving four points this weekend courtesy of the bye, newcomers Kew will be out to stay on par with the ladder-leaders when they host Rupertswood at JJ Higgins Reserve. Impressing in their first season back in U19s competition, Kew will undoubtedly have spent a little bit of extra time in front of the goals at training after kicking 28 behinds last week. With Williams, Wang and Fulhelm all in form, Kew should be too strong, Kew by 31 pts. In the round's other games, Old Westbourne to cruise to victory over Bulleen-Templestowe, Thery Penola to recover from last weekend's ten-goal loss and win away at Old Scotch, and Fitzroy to continue their good form from last weekend with a win at home to Emmaus St Leos.

# CLUB XVIII SECTION

## by Norm Nugent

Round 4 results reflected the pundits' expectations and yielded me an 87% success rate.

Thank you to my avid readers, Dr Ross from Clayton and Bob from Williamstown, who pointed to my less than perfect prose regarding University Blues lack of success.

Review of Round 4.

### Section 1.

St Kevin's clung to fourth place through an eighty eight point win over Old Brighton.

Mt Lilydale started well against De La Salle but a late appearance off the pine by Coach Ben Buick, steered De La Salle to victory by thirty five points. Best for the winners were: Tim Nicholas, Andrew Dimble and Brendan Rossiter. Phil Hayes, Travis Flanagan and Dan Johnson were best for Mt Lilydale.

In probably the most publicised match in Club XVIII history, Old Melburnians had the better of University Blues for most of the game although a late Blue's resurgence saw them nearly snatch victory before an Adrian Anderson goal saw O.M.s home by six points. Old Xaverians defeated Old Scotch by the minimum margin, which is the best Scotch result against the "Crocodiles" since their 1995 premiership victory.

Prahran through straighter kicking easily defeated Mazenod by fifty four points.

### Section 2.

At half time Marcellin led Old Trinity by twelve points. The second half saw Marcellin in control of the game that they won by forty six points. The "Eagle's" best were; Nathan and Simon Matthews as well as David Liardi. Trinity's best were; Craig Heaven, Jon Cave and Lucas Welsh.

Box Hill Sharks pushed Collegians down to seventh place through their seventy point victory. The Shark's on ball players; led by David Payne, Daniel Grant and debutante Sam Thomas paved the way for the win.

Old Xaverians doubled the Monash Blues score and won by fifty two points.

Fitzroy Reds proved me wrong with a sixteen point victory after an even contest with Old Essendon Grammarians.

University Blacks regained section leadership with a r e s o u n d i n g seventy nine point win over Therry Penola.

### Section 3.

Old Geelong jumped to sixth place through their big victory over Old Scotch by forty seven points.

Caulfield Grammarians gave further notice of their improvement when they dominated against Old Carey, en route to winning by ninety two points.

Inaccurate kicking throughout the game marred North Old Boys performance against La Trobe University whose players did show flashes of form. North won comfortably by thirty nine points.

Whitefriars maintained their unbeaten record with their first ever victory over neighbours, Emmaus St Leos by twenty two points. A wide awake, van Winckel (5 goals), Vey and Westmore were best for Whitefriars.

Fitzroy Reds had the bye.

## Preview of Round 5.

### Section 1.

Traditional rivals St Kevin's and De La Salle meet on the Righetti Oval. Based on this season's performances, this game will be won by St Kevin's.

Neither Mt Lilydale nor University Blues is enjoying success this season so selecting the winner is difficult especially as the venue is also an unknown factor. The Blues and Mt Lilydale have shown some form without being able to sustain the standard. I select University Blues without any great optimism.

Football's oldest rivalry will be renewed when Old Melburnians meet Old Scotch. Each team is playing well and each could prove finalists. Given that Scotch pushed Old Xaverians to one point last week I select them to win again.

Mazenod should notch victory over Old Brighton, who have yet to win.

Prahran face a dangerous Old Xaverians, still smarting from their close call last week. Football fitness and depth of talent will be the two vital factors in the Old Xaverians winning this match.

---

***“Did Old Essendon falter against a strong opponent last week or was their form an aberration?”***

### Section 2.

Although Marcellin and Box Hill each have two wins, from my observations over the past two weeks, I believe that the Sharks will win this game through their more direct play and the ruck supremacy of, in form, Daniel Grant.

Collegians and Monash Blues have developed a great rivalry over many seasons. Today however, Collegians have an excellent opportunity to recover from last week's slump as well as from an administrative blunder as Monash have not yet been in a winning position. Collegians are my selection.

Second place is at stake at Victoria Park where Old Essendon Grammarians visit Old Xaverians. Did Old Essendon falter against a strong opponent last week or was their form an aberration? We will know today! Old Xaverians are a fit, fast and determined team who will test Old Essendon. My doubts about Old Essendon lead me to select Old Xaverians.

University Blacks should have a percentage building win over Old Trinity.

Fitzroy Reds should consolidate their position in the top four by accounting for Therry Penola, are only a shadow of their teams of the past.

### Section 3.

Old Scotch should return to the winning list by defeating Old Carey.

Fitzroy Reds and North Old Boys should provide a good standard game at Ramsden Street. High marking is a hallmark of North, while determination and close checking are Fitzroy characteristics. I select North as I believe they will be too swift for Fitzroy and their team leaders, will have the superior skills. Old Geelong travel to Donvale to meet undefeated leaders, Whitefriars. Home ground advantage and more depth of playing talent will enable Whitefriars to win.

Neither La Trobe University nor Emmaus- St Leo's have much form to recommend them. La Trobe did show some form last week whereas Emmaus - St Leo's lacked stamina and numbers against Old Scotch two weeks ago on a much smaller ground. I select La Trobe to win this match.

Caulfield Grammarians have the bye.
