## Men For All Seasons

Here's a few for you...Can you name the **former Australian high jump champion** (best remembered for berating a recalcitrant official at the World Athletics Championships and sporting a minitruckmullet) who lined up as a high flying forward for De La Salle a few years ago?

How about the **ex national 800m champion** who is running around (and covering plenty of ground) for St Kevin's Old boys in 2005?

Or the **World Championship rower**, an eleventh hour omission from the Men's Eight at the Athens Olympics, who is now one of the early favourites for the Woodrow Medal such is his form in the ruck for Old Scotch?

If you answered **Tim Forsyth**, **Paul Byrne** and **Cameron McKenzie-McHarg**, take a bow. If there's one thing you can count on in the amateurs, it's footballers who are talented in a wide range of sports.

***"If there's one thing you can count on in the amateurs, it's footballers who are talented in a wide range of sports."***

When Caulfield Grammarians' hard man and ex Sandringham premiership player **Mark Frater** completed the Canberra Marathon last month (in a tick over 3 hours) he joined a long list of VAFA players who have tackled the ultimate challenge. Famously, a top flight amateur club in the 90s was faced with a 13 man omission list owing to commitments in the London marathon (one of whom ran the distance in a chicken suit). More recently, former Uni Blacks captain **Rob Mackie** recorded a 3.18 in the Paris marathon, together

with team-mates **Mick Staunton** and **Andrew Clement**.

Of course, cricket is the most logical sporting crossover and from **Lindsay Hassett** (Woodrow medallist in 1935/36) down, the link between VAFA and Victorian cricket has always been strong. In recent times **Steve McCooke** (multiple premiership star with Ormond and over 300 VCA games), **Michael Sholly** (Old Xavs), **Geoff Allardice** (Uni Blues) and **Matt Galbraith** (Woodrow Medallist & dual flag winner at Collegians) have excelled at both capers. Of the current crop, **Clint Hillas** (Old Trinity vice captain and North Melbourne cricket club mainstay) and **Andrew Kent** (a star with Old Carey in the ammos and an even brighter talent in the summer for the Melbourne Cricket Club and Bushrangers) are the two most notable players to double up.

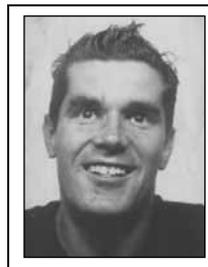

Not surprisingly, some of the power forwards of the amateurs were all talented at other sports. Marcellin big man **Daniel Cullinan** (Basketball), Scotch spearhead **James Gerstman** (rowing) and Haileybury's **Brett O'Farrell** (high jump) all had to toss up between their respective sports and football. So too, did the monolith of the amateurs, **Chris Efstathiou**, who was a national shot put and discus champion before he took to terrorising reserve grade full backs.

Then there are those amateur players whose alternate activities verge on the ridiculous. Former Uni Blues star **Hamish Worsley** was a noted flamenco (and opposed to flamingo) dancer while I am led to believe that Monash Gryphons' resident funny-man and recent 150 gamer **Chris Leeton** is a talented circus acrobat.

I'm sure there are dozens more examples so if you can think of any, jump on the email and let me know – jonathan\_g\_horn@yahoo.co.uk. (bonus points if you can come up with any boxers or triathletes).

In terms of last week's list, the following names were bandied about as **unlucky not make the top 40**...Al Parton, Glenn Cox, Nigel Credlin (repeatedly), Brent Walsh, Cameron Purss, Andrew Lowcock, James Hope, Brett Trollope, Judd Lalich and Matt Power. All very reasonable: Credlin was a big miss, Purss gets better by the week while Cox and Hope would have walked in if not for injuries.

### Too True Senior Skase

Caulfield Grammar's finest economics student threw away the oxygen mask and was heard to mutter, "I can't be right all the time, get off my case". Always an avid Vafa man, his sentiments would ring true in regards to last week's mind-boggling A Section results.

Let's start with **OMs**, who I have taken the Patrick Deliss out of for the past 18 months, up against **Xavs**, at home, brimming with confidence. Plenty to like about Cam Purss in the ruck (copped a bit of abuse for not having him in my top 40, did I) and debutant Damien Lynch (6 goals) but OMs just kept coming and won with a kick after the siren, that wobbled through (though, it must be said, plenty of conjecture about the merits of the free kick/mark). Tough nuts Ed Wilson and Jacob Berry both played well for Melburnians while Matt Hicks is as frail as a fritter but played a cracking game up forward.

More head shaking as **Collegians** pulled one out against the fancied **Trinity** with Shura Taft on song in attack, together with first gamer Tom Bull. Brent Walsh kicked five for Trinity, after his nutcase mates spent the entire Friday afternoon sending me abusive emails regarding his omission from the top 40.

And then there was **Uni**, who faced a massive task against the undefeated hosts **Marcellin**, but ended up doing it in a canter. Five to on-baller Gleeson suggests a fairly handy game while Mick Kordick and Liam Ryan were other solid contributors. For the Eagles, Dallas Jarred and Brad Carmody turned in solid games.

And how about **St Bernards?** I mean, you've gotta be kidding me. Like most teams brimming with youngsters, they're hard to catch in terms of tipping, but on their day, they can beat anyone. 5 goals down at \_ time, Chris Mitchell (16 marks and another player that probably deserves more kudos), Nick Mitchell (still playing) and Luke Spinner (3 goals in the last)

helped roll a **Scotch** team that may well have gone home at the orange break.

McKee and Garlick in and Garvey and Lucas out for **SKOBS** as they started well but were blown away by a thirteen

***"SKOBS, were lamentable I hear and the importance of today's game against Trinity cannot be overstated."***

goal to zip avalanche as the undefeated and very impressive Haileybury assumed top position at Reno Raines' Badlands. Throw Mark Corrigan onto a wing and I will hand Nicholson and Corrigan the L.A Adamson Cup personally. Michael Barker, not a noted goal-kicker but fleet of foot and very classy, booted six goals for **the Bloods**. SKOBS, were lamentable I hear and the importance of today's game against Trinity cannot be overstated.

lads going hammer and tong in the early game before their older rivals both look to turn around bitterly disappointing weeks in a crunch game at 2pm. **Scotch** will probably get Gerstman back but do you seriously think I'd tip against **Xavs** at Barker's Road, the original and unsurpassed house of horrors? The home side by 20.

A bit less hoo-ha, and a few less red blazers but arguably an even better game on offer at the **Uni** as the premiers take on the team many consider to be the heir apparent. **Haileybury** are kicking cricket scores and the Blues have stagnated a little you say. Haileybury by plenty? No dice, I'm tipping the Blues.

In the others, **Marcellin** at the Junction, **St Bernard's** at the Trott and **St Kevins** at Righetti. **Correspondents:** Jonathan Horn - jonathan\_g\_horn@yahoo.com

**Old Xaverians** - congratulate **Michael Callinan** who today plays his **100th game** for the club against Old Scotch at Xavier College. Michael came straight from school in 1999 after playing in the 1st XVIII APS premiership - he then played in the 1999 U/19 premiership and the reserve premierships in 2000 01 and 02 - he won the best player in the finals award in 2001 and is following a family tradition his father Chris played 166 games for the club in the sixties and seventies well done Michael .

**Old Scotch** - congratulates **Mark Gnatt** and **Tim Aurel-Smith** for reaching their **50 game** milestones recently. Gnatty has overcome serious injury to achieve this milestone and is playing his best footy for the club this year. Tim has played the majority of his games in the firsts and has been rewarding by being selected in the VAFA U23 squad this season. Well done to both players and may there be many more to come.

## REVIEW

**NOBS** with Simon Minton-Connell on top in the goal square proved much too strong for the young **Tigers** out at Gillon Reserve.

After the first half where the momentum swung like a pendulum **Whitefriars** came out in the third to dominate, a domination they continued through a shocker for **Mazenod**. Best players for the Noddors were Jayaweera lone hand up forward, Dom Dunne and The House of Paine.

**The Fields** started well and had a handy 23 point lead at the half. **OEG** started to claw their way back in during the third but the Fields were still in control going into the last. Hard fought contest to the finish but pure persistence and self belief got Caulfield over the line. Brett Sinclair with 9 was BOG, backed up by Simon Widjaja and Chris Knight.

**MHSOB** really served it up to the comp leaders for 3 terms and still led at orange time. But in the end **the Tonners** shook of the shackles kicked 9 to 2 in the last and won comfortably. Andrew Paroissien did a great job all day with Pirrie, Kent and Hendra good in the third. Luke Campbell, Ash Hogan and Rhys Limbrick yet again good for High.

The relative ineffectiveness of the **DLS** forwards combined with **the Hoers** domination of the centre clearances were major factors in Old Ivanhoe getting back on the winner's list. Darren Oates and Sjourke Price were terrific, Brannigan and Luxon dangerous forwards. Tim Silvers and Ryan Sherman good for DLS and a great game from Will Jolley.

## PREVIEW

**MHSOB** welcome **DLS** to the School Oval.

Pretty good for 3 quarters last week while their visitors were not disgraced. Injuries are testing the Unicorns depth while the young De La are going along well. Home ground tempts me to tip the High but I can't. DLS for me.

MMA will be looking for a big improvement from his troops as they tackle NOBS at Central. **NOBS** have been playing some good football and will certainly make this an interesting contest. The advantage of home ground is nullified by the presence of a key forward, so for some sort of record I will tip for the second week in a row NOBS.

A well deserved victory last week will put self belief and confidence into the young **Fields**. They have got better as the weeks go on as they adapt to life at the higher stage. At home, against the young **Tigers** who are still in the learning process, I will

stick with the Grammar Boys to take the points.

**Old Essendon** have become the enigma the inconsistent side of the Section. They face a tough ask out at Chelsworth against **Old Ivanhoe** who bounced back very well last week. Will be competitive for most of the day, but to consistently shut down the supply to the Hoers forwards will be too tough an ask. So OI to win.

**“Couple of hard games in the last fortnight could be taking it's toll on the Tonners so the Friars will get over the line in a close one.**

Match of the Round out at **Donvale** as **Whitefriars** await the unbeaten Old Brighton. No matter what the form the Friars are tough to beat at home, and today will be no different. For no rhyme or reason I'm going to go against the flow and tip against the top side. Couple of hard games in the last fortnight could be taking it's toll on the Tonners so the Friars will get over the line in a close one.

## WHERE DO ALL THE GOALKICKERS GO IN SEPTEMBER?

The VAFA is notorious for producing pretty football sides. Teams full of speedy talented front running one dimensional squibs. Gimme, Gimme, Gimme . He'll stand 10m forward, accept a handball, have a bounce, look sensational and kick a long goal. High five his mates on the way back to the centre and drive home after another 25 goal to 10 win talking about how good he was , how well he played and how his side is going to win the flag this year..... sometimes it actually happens but most times it doesn't. **The reason for this is that the goals dry up in the heat of battle in September action and if you haven't taken the time to build the backline during the year you are going to be in a world of trouble come final's time.**

Any coach who thinks his attack is more important than his defence should go and do his homework. Kicking goals is exciting but defence wins flags.

It took awhile for Malcolm Blight to work it out; he had the best attack in the VFL/AFL at Geelong but couldn't win a flag. In fact in 1989 he had 10 players in his side that kicked over 20 goals, that is an awesome sign of goal kicking power especially when you throw in Gary Ablett standing in the goal square... but no, couldn't win a flag. The Crows were a different story, fell into the finals twice in consecutive years, had the 7th best attack in the competition but went back to back. Lucky you say, not much opposition around those couple of years? Really it comes down to defence. In both the back to back years of the Adelaide Crows they had the best and second best defence in the AFL. Malcom had stopped coaching like he played . Look at a more recent example of building the backline. Brisbane won 3 flags and look at their backline Michael, Leppitch, Johnson

Ashcroft and the Scott brothers over 1200 games of experience and great body players, one on one, very hard to beat in a contest.

---

***"Any coach who thinks his attack is more important than his defence should go and do his homework. Kicking goals is exciting but defence wins flags."***

Your back half has to stand up under pressure, each defender has to be a good body on body player, has to be able to win the contested ball and has to look to be attacking and zone off when required. Flooding is not the answer, stopping the opposition forwards by out numbering them does not teach your defenders the one on one defensive skills required to win on the last day in September. Flooding can be an effective tool in the short term but there is no long term gain for your club in employing this tactic week in week out.

In September your 6 defenders need to be able to beat 8 or 9 opposition players when the situation demands it and the only way this can happen is if you choose them wisely and train it over and over again.

So to all the clubs out there traveling along beautifully in May looking ahead to September action thinking of what might eventuate my advice is take your eye off your own score and worry about the oppositions. You have only 12 more weeks to get your backline in order .

Riding high in April (3 big wins), shot down in May (2 big losses) that's life, for Old Camberwell, as they fall from first to fourth. The C Grade goal blitz continued as all but one game produced 30 plus majors in the perfect conditions.

**REVIEW**

With a top three place in the offing, both **Beauy** and **OP** were keen to assert themselves and it was the Sharks through Haynes and Boon who took the ascendancy. Graham and Cote were valuable targets and whilst OP's Boundy was a strong option, the Sharks running game held sway. A highlight of the clash was the courage of OP's Marcus Gale, who was badly shaken when marking in heavy traffic.

Kight was flying and so was Macgeorge as the **Vultures** outlasted **Therry** to snare top place on

belie their lowly status. Israelsohn and Routman battled, but Uni's combination of experience and seven first year players always held the advantage.

**PREVIEW**

Last Saturday there were question marks hanging over Hampton Rovers and whether they were the real deal, the answer was emphatic. Today those same questions will be asked of the Wellers as we end the first third of the season... where has it gone?

**Beauy** have hardly put a foot wrong this year and they'll be looking to sure up their top three spot when they venture to **Old Camberwell**. After a few home truths OC will be breathing fire and expect a fierce attack on the ball. Despite this, I think the Sharks will be ready and continue the Wellers miserable May.

**The Vultures** host **Monash** in a replay of last season's first semi final. That day the Ashers overran a tired Parkdale at the end of a long season. This year the Vultures have a fit playing coach and a fired up team that will reverse that August loss.

**Ajax** have been thereabouts all season and if they took their opportunities their record would be

**"The proud club needed to hit back after successive stumbles and hit back they did"**

the table. Crotty and Russell worked hard for the home team to give them a first quarter lead, but with Paul Sullivan finding plenty of the ball and Stephens enjoying his forward foray, Parkdale edged clear.

One writes off the Rovers at their peril. The proud club needed to hit back after successive stumbles and hit back they did, humbling OC to the tune of 55 points. Tregear and Lawrence were dominant withstanding two very even quarters from the ladder leaders and then surged in the other two stanzas. Wellers Taylor, Lowrie & Loats were great tryers, but the green and golds were hungrier and deserved the win.

The youthful **Monash** side made it two in a row when they proved too strong for the **Bears**. Craven and Bains both jammed half a dozen, as McKenzie and Davidson ensured there was ample Asher supply.

10 goal kickers kept **the Blackers** season rolling, whilst **the Jackers** are still winless. Matt Kempton booted five for the victors and the Colonel was again outstanding. Ajax did have their moments and their performances this year

much better than the current 0-5. **OP** don't want to let the top teams escape from their grasp and despite a second successive road trip will claim the points.

**Hampton Rovers** will be keen to keep their foot on the metal when they welcome **Therry**. The Rovers were terrific last week and the battle for them will be to maintain the rage. Therry never stop trying and a win keeps them in touch of the leading pack, but at Boss James, it's the green and golds.

**Banyule's** task of securing that elusive first win doesn't get any easier when they clash with the **Blacks**. As game and gallant as the young Bears will be, Uni will be in no mood to be their first victim and the first victory is at least another week away.

## M I M I L E S T O N E S

**Beaumaris** - Congratulations to **Ash "Dooper" O'Brian** on playing his **100th** for Sharks last Saturday. Popular clubman came to Sharks in 1999 and won Reserves B&F in first year with the Club and also runner up in other years. Who will ever forget his acceptance speech on winning the B&F only surpassed by the Gettysburg Address and the Declaration of Independence. Dooper wants a Flag to crown a memorable year.

- Playing career 1980-82
- Club XVIII, Reserve & Assistant Coach
- President 2000-4, Life Membership 2004
- Improved financial standing of the club to the extent that the Club

now has facilities (gym, lights, interchange benches) that would rival many VFL clubs

- Junior development has been strengthened
- Pastoral role he has played cannot be downplayed

**Learn from your hero**

A young Shark, who supports the Hawks and who wore **Daniel Harford's** (now Old Paradians) number as a boy, put his hand up to play on his Hawk hero recently in their C section match. The coach jumped at his willingness to run with and learn from Harford. Our reporter can remember as a raw young half forward playing at Port when lining up on the great **Don Williams**. He was instructed to lead him down the ground and take away from the play.....the reporter could have lead him out onto Williamstown Road and he still would have got a kick. Williams was about 35 then and at the end of his career BUT what a champion and what a great experience for me as young player. So to all those young lads running around in the Ammos with influx of ex AFL/VFL players take the opportunity to learn from them.

**1985 Reunion – The Fawknor Story**

On Friday night the 6th May 2005 former amateur football club Fawknor held a reunion to celebrate being premiers & champions in 1985 playing in “C” section.

In 1985 Fawknor coached by **Kevin Morrison**, was undefeated coming into the Grand Final and the pressure was on against a very determined **Therry** coached by veteran **Bernie Dunn** and it was a game of skill & tactics with Fawknor running out winners 19.15.129 to 12.15.87.

What a great night, seeing grown men who had travelled from all over the country & had not seen each for quite a while, hug each other, have a chat about the “good old days” and tell stories that have stretched over the years. People such as: **Young, O’Leary** and **Rhodes** talking in amazement that **Majerczak** had kicked 7 goals in one of the club’s best wins.

The night had everything, a good MC, a very funny comedian and a great clubman in **Michael “Jacko” Barrett** telling all in attendance how 1985 was one of the best years in the club’s history.

To see the premiershhip flags, trophies and photos of a proud and passionate club was awe-inspiring and no doubt by the end of the evening the stories would be even greater, the stuff legends are built on.

Fawknor who are currently playing in the Diamond Valley competition will be remembered by many for various reasons but one thing is for sure, there passion and commitment to there club is second to none.

**Well done Fawknor and may the club continue to prosper for many years into the future.**

**VF/AFL Captains – former VFA players**

**Norm Nugent** (Club XVIII Guru and VFA Life Member) loves a historical search. On the back of former University Blues player **Richie Vandenberg** being named Hawthorn FC captain, Norm took it upon himself to research other AFL/VFL Captains of VFA origins. Following are the fruits of his research: **Clarrie Vontom** (St. Kilda – Collegians), **Carl Willis** (University – University/South Melbourne), **Edgar Keen** (University – University), **George Elliott** – University), **Tom Fogarty** (University – South Melbourne), **Bill Morris** (Richmond – Old Scotch), **Ivor Warne-Smith** (Melbourne – Collegians), **H. ## VAFA Blood Challenge - kicks off

Today's Amateur Footballer has the table of results for the first 6 weeks of the VAFA/Blood Services Challenge. At the same time last season we have 167 donations and the new donor rate was 6%, this year we're a couple of donations above last year but more importantly the new donor rate is 8.3%.

With winter bound to hit us soon we encourage all players, supporters and officials to donate blood and add to their clubs' chances of taking off the major prize of (1) set of Hugh Lyon training jumpers, with every six weeks the leading club and the club with greatest % increase form the previous period receives (2) Sherrin match balls. The VAFA would like to thank **Hugh Lyon Knitwear, Russell Athletic - Sherrin and Melissa Anderson from Blood Services** for their support to date and for the ensuing season, so go on donate and Give Blood for Your Club!

**Swinburne University** get into the spirit and join the VAFA/Blood Services Challenge, pictured left

to right - Robert Goode, Justin Kane, Steven MacKenzie, Paul James.

To register your club go to the VAFA website ([www.vafa.com.au/forms](http://www.vafa.com.au/forms)) Forms Section and download your form, only registered clubs can win the prizes.

## Cystic Fibrosis Challenge draws to a close

Disappointing to note that as the VAFA/SFL/CFV Bangers & cash promotion draws to a close that only **Parkdale Vultures** and **Therry Penola** have registered.

It's simple, register on line ([www.vafa.com.au/forms](http://www.vafa.com.au/forms)), run a couple of BBQ's at your club in the next two weeks, collect a gold coin donation, tall your donations and you could be in with a chance to win a **(4) burner BBQ from BBQ's Galore** and a **travel and accommodation package**.

But remember it's VAFA club v SFL club and at present it's the SFL clubs tat are whipping our backsides, c'mon, let's get behind this fundraising effort to assist young children and adolescents with cystic fibrosis.

Last week my IT woes resulted in the preview for the Old Carey Prahran game being zapped from the transmitted copy. I picked Prahran to win because I thought the Cs injury list made victory for it out of the question! My real tips score for R5 was 4/5, not 4/4 as per the text!

#### LAST WEEK

**Glen Eira** battled hard but couldn't stop **Fitzroy Reds** from winning massively! Phil Cianci FF again kicked a swag for Reds, with those consummate dashers, Vinnie Cahill & Ben Atherton, also prominent. Alex Tsirogiannis RR, was super for GE, as was Luke Pride in defence and Chris Massis roving.

**Ormond** again flew out of the blocks in Q1 at the Buxton Oval, forcing **Bulleen-Temp** into 'catch up' mode in a 'physical' contest. Simon Keleher continued his stellar year in defence for the MonDs, with Leigh Deledio & Andy Cook busy round the packs. Greg Chivers was again great for the Bullants, as were Billy Touriganis in defence, and Dean Tulloch OtB.

**Emmaus St Leo's** slack shooting in Q1 against **Old Mentonians** caused problems, especially since OMs themselves were so effective inside 50! ESLs best were all backs, Jack Pascoe, Mick D'Amelio, & Tim Tribe. 150 game man, Matty Elliott, starred in the Ruck for OMs, Wiltshire was strong through the middle and Justin Costello was his proficient self OtB.

**Aquinas** lost concentration for 15 minutes in Q3, and **YVOB** made the most of it was the story at Ringwood. Mike Rockicki, Nick Pask, and Simon Yeo were in fine form for YV. The Bloods tops were U19 HB, Paul Masskant, Sean Leonard FB & Ruck, & Ben Volumbello at CHB

**Old Carey** trailed **Prahran** all day but the youngsters persisted and finally overtook them in the last minutes. Eamon Hallidieu contributed hugely to an even Cs outfit in a 'run-with' role, with Evans & Kent, plus the Bull Bros, again prominent. Michael Radywonik continued his great year in the ruck for Prahran, well supported by defenders Willy Walford & 'Ziggy' Scicluna.

#### TODAY

**Bulleen-Temp** meets **Glen Eira** and should win by 5-6 goals.

**Old Mentonians** host **Ormond** and its inside 50 ability will seriously test the MonDs, but the latter

should still win a good match by a few points.

**Emmaus St Leo's** play the injury ravaged **Old Carey**

and I doubt the young Cs can repeat last week's miracle, so I'll go for the Animals by 1-2 goals.

**Fitzroy Reds** play **Aquinas** at Punt Rd and should take the four points comfortably.

**YVOB** take on the improving **Prahran** and the Bushrangers' pace plus the Dorney factor will give them a 12 points win after a great game.

**Reserves winners should be:** Bullants, MonDs, Cs, Reds, & Two Blues.

**Correspondents contacts:** 9889 1979, & bfhickey6@bigpond.com

**Social** - A night of frivolity and fun is always assured at the annual **Old Carey Trivia night** which is to be held on Saturday night May 28th at the Carey Quad. This is the first fund-raiser for the club this year and we are hoping to fill the place with as many people as possible. The night will kick off at 7pm (for a 7:30pm start to proceedings) and tables of up to ten can be booked through Nick Bull nbull@pitcher.com.au, or 0418 572 764.'

# M I I MILESTONES I E S

**Old Mentonians** - congratulates **Brent Fairbanks** on playing his **50th game** in R4. Brent was an outstanding School footballer and quickly settled into the Senior Side. Equally competent at FF or FB, he added another dimension to the Panther backline and all at OMs look forward to further development in the years ahead. **Matty Elliott** played his **150th match** for the Panthers against Emmaus SL in R5. A former U19 B & F winner, Matty has combined demanding work commitments with an excellent football career. Known for his tree trunk calves, he is a late bloomer in the Ruck and is a much-loved Clubman. Well-done Matty! **Kym Regan** plays his **50th** today against Ormond. Kym has been a terrific asset to the Club with strong years in the Reserves. He has improved his football dramatically in the past two years, which all OMs hope will continue into the future. **Jamie Windruss** coaches his **100th Reserve game** also today. Jamie is the quintessential Clubman, always willing to do whatever is required as a player and now as a Coach. He has seen winless years and Grand Final years, and everyone at OMs thanks him for his massive contribution and wishes Jamie all the best for the future!

**Prahran - Shaun Campbell** who joined us in 1998 now plays his **50th senior game**. This took a while because he spent season 2002 in Canberra on work commitments and on his return spent the last couple of years in the Reserves. A fitness program has seen him regain his senior slot. He has also taken up the reserves coaching duties as well. Well done "Nipples" on a good job.

**Old Carey** - congratulates **Tim Rossignuolo** on for playing his **50th game** for Old Carey last weekend against Prahran. Tom has come through our strong U19 program and has quickly made a name for himself as an integral part of the club on and off the field. He was a member of last year's grand final side and his effort to make it onto the footy trip last year will become legend. On the ground his leg speed, flowing locks and the number 44 have recently earned him a new nickname "The Rat".

## D2 SECTION by Andrew Wu & Peter Williamson

Old Geelong and Rupertswood are the two remaining unbeaten teams after five rounds while the top four has already opened up a two-game buffer from the rest of the competition.

### Review

**The Woods** thrashed the injury depleted **Swinburne**, who were without quality players such as Murchie, Dell'Olio, Higgins and Jones and lost James Gordon, John Sheedy and Matthew George by the final term. With only one on the bench, the Razorbacks still fought on in the final quarter but were outscored six goals to three for a 68-point loss.

Finalists last season, **Ivanhoe Assumption** squandered a 33-point lead the first change to lose to Williamstown by 22 points. The Hoes trailed at three quarter time by 18 points but goals to Ben Galloway and Travis O'Neil cut the deficit to five before the Seagulls booted the final three goals of the game to seal their second win of the year. Gerard Boyd, with seven goals, was amongst the best for the Hoes while brother Aiden and Galloway were also prominent.

Elsewhere, the **OGGs** continued their winning run, piling on six goals to two in the final quarter to defeat **Salesian** by 44 points. **Oakleigh** booted seven first quarter goals while holding **La Trobe** goalless to set up a 47-point victory while **Peninsula** notched up its second win of the season, knocking off **Bentleigh** by 43 points.

### PREVIEW

**Salesian OC** host their "twins" **Rupertswood** at Chadstone with the home side looking to get one over their high-flying upstart rivals

from **Sunbury**.

The hosts are part of a chasing pack

on two wins and three losses trying desperately to keep in touch with a four that may already be racing out of sight, while **Rupo** continue to thrive early. Unfortunately for **Salesian**, this is the second week in a row they face a top two team, and I feel that the results will be similar. They may be able to stop one or two of their guns, but another couple of lesser lights are capable of filling their boots. **Rupo** to win.

**La Trobe University** welcome **Old Geelong** to Bundoora in a clash between two of the early season juggernauts. If this was at Como Park I'd have no qualms about backing the **OGGs** but it's not, so I will need to ponder the issue a bit more. After meditating on this issue for some time, I feel obliged to give the Trobers plenty of respect, but Old Geelong's form thus far has been too good to ignore, and I cannot overlook them on this occasion either. **Old Geelong** for mine.

**Oakleigh** indulge in their second derby of recent weeks as **Bentleigh** make the short trip to Scammell Reserve. The Krushers' momentum from last season is still going

strong and is showing little sign of stopping. The Demons, on the other hand, have a clutch of class players but lack the depth of their hosts, as reflected in their respective standings on the ladder. The duel between the spearheads (Oakleigh) and Paul (Bentleigh) will definitely be worth watching, but I feel Paul's heroics won't be enough. Oakleigh to win.

**Williamstown CYMS** travel to **St. James Park** for their match against Swinburne University. The Razorbacks are still looking to break their duck and may fancy their chances against the CYs, especially with the return of Murchie. However Willy are counting on the return of several players from injury to provide added impetus in their drive for the four. A repeat of the Thomson/Lee double act from last week will go a long way towards this. Willy for mine.

**Ivanhoe Assumption** take on **Peninsula OB** at The Boulevard in the final match up for preview. The Hoes showed glimpses of their goalkicking potential last week, especially through Gerard and Aiden Boyd, but the "bruddas" must get support from the rest of their teammates at both ends of the ground to give them the best chance of a win. The Pirates though are on a crest of a wave with a couple of wins in a row, and I'm sure will be keen to square the ledger. Peninsula to take the points.

## 5 YEARS AGO - 2000

CEO Phil Stevens' editorial announced "Both Representative Teams - Too Strong, Very Committed". At the Norwood Oval in South Australia the VAFA's combined C-D4 played the curtain raiser to the main game and started the day well for the Vics with a 10.9 to 6.11 victory. Best for the VAFA - Daniel Den Braber, Sam McGee, Dave Rogers, David Teasdale, Lucas Wilson and Julian Smith. Brendan Vaughan was the chief goal kicker (3).

In the main game Victoria got away to a strong start and held a 5 goal lead at half time. SA fought back in the third term but Victoria ran right away in the final term, 18.13 to 8.7. Best were Adam Merrington, Luke Mahoney, Simon Lennox, Adam Douglas, Matthew Jackson (4), Matthew Dennis and Simon Lethlean.

Inaccuracy was costly for Marcellin in A Section and they remained on the bottom of the ladder as Old Melburnians 15.8 won the contest to the Eagles' 10.16. Best - Wiseman, Burgess and S Theodore (OM's) and Gleeson, Cox and Sampinom (Marcellin). Stuart "Stag" Rose played his 200th game for Old Melburnians and among other valuable contributions such as an integral member of the club's social activities, Stag had proved to be a very valuable member on field.

NOBS easily accounted for Collegians in B Section 16.15 to 8.8 and Collegians had some work ahead in second last position. Skene, Barker and Saad were good players for NOBS and Hovey, Mollard and D Phillips for Collegians.

In D1 Section La Trobe and Oakleigh fought out a thrilling draw, 14.17 apiece, after Oakleigh surrendered a 38 point lead going into the last quarter. Shane and Ashley Kitts and Doug McKenzie (5) were excellent players for Oakleigh and Dean Sheldrick played another great game in the middle for La Trobe along with winger Shaun White.

In D2 Section hard running and tackling through Matthews, Wise and co enabled Parkside to overcome

Thomastown who had relied on Holmes, Luke Smith and Meade to make a game of it. Parkside's 16.10 proved too much for Thomastown's 11.15. Mentone Amateurs' Mick O'Brien made his debut in 1980 and in his 21st season would play his 300th game. Mick was a dual premiership player and reserves B&F and a model clubman.

U19 Section 1 saw some very one sided games - St Kevins 26.16 defeated Collegians 1.11, De La Salle 25.22 defeated Mazenod 8.10 and Old Xaverians 30.17 swamped Old Paradians 2.1. Hopefully the top section would become more even as the weeks rolled by.

## 10 YEARS AGO - 1995

There were now clear leaders in each of the three E Sections and all were undefeated after 6 rounds. St Leos led the way in E East with a percentage of 247, North Brunswick in E Central 216 and Beaumaris in E South 240. Coaches in "E East" were Brett Davidson (Aquinas), Andrew Hudson (Balwyn Combined), E Michael (Bulleen United), Peter Wigney (Canterbury Nth Balwyn), Mick Carusi (Chirnside Park), John Wise (Old Carey), Robert Osborn (Richmond Central), Mark Flack (St Leos Wattle Park), Peter Lowe (St Marys), David McCormack (Yarra Valley OB). Phil Stevens had gone to great length in his Editorial to report on the reasons behind the geographical placement of the three E Sections. There had been quite a lot of criticism pre-season toward the executive's decision. Many clubs felt outraged that after years of "slogging it out" to climb up the

sections, that in one sweeping change a club by enjoying one very good season could "leapfrog" other clubs into D Section leaving other clubs languishing in the lower sections. Phil went on to provide the for and againsts and then reported that the feedback at this stage of the season from clubs was nothing but positive. Clubs reported increased attendances at matches when playing away and certainly increased numbers by visiting clubs. There were also positive comments from supporters and sponsors due to the closer geographical nature of each section. There followed three graphs showing with some clear justification that the change had been successful.

### 20 YEARS AGO - 1985

Ivanhoe continued to make an impression on the A Section final four as they easily accounted for St Bernards at the College in North Essendon. Although St Bernards started strongly, the 'Hoes powered away as the game went on and Boccabella led the way with 7 goals. He was supported by Freeman, Sharp, Taylor, Course and Dulevskis. St Bernards could thank Cervetto, McWilliams, Wood, Lane (3), Harnden and McAllister for their efforts.

B Section was developing into a great competition with no one able to break away. St Kilda CBC took top spot on percentage after they held off a spirited Uni Blacks team 24.12 to 16.15. Best players for St Kilda were White, Jones Capiron (4), Riddell (5), Buzza and Avitabile. Lopes could not make the best six despite his 7 goals. For the Blacks; Wines, Garde, Keilor (4), Peters, Dempsey (6) and Alexander. St Kilda's reserves were also equal top on points and were providing great support for the senior team.

The VAFA Umpires Association recorded their office bearers for the season; President - Mike Murray, Vice President - Michael Woodruff, Secretary - Peter Wiseman, Assistant Secretary - Colin King, Treasurer - Foster Rosetto and executive members - Brian Goodman and Peter King.

### 30 YEARS AGO - 1975

Beverly Hills had a strong win at Glenroy's expense in F Section and led by Mark Browning, later to become a top AFL player, kicked 22.17 to 12.13. Browning was joined by the Hills' Gibson, C McCrory, O'Laughlin, R Post (8) and Walters. Glenroy's best were Buhagair, Westgarth, McKinley, Ross, A White and Lynch. This win meant Beverly Hills were now in the top four.

Old Carey were far too strong for West Brunswick in Junior 2 with 17.11 to 8.9. Harris, Grigg, Lowther, Ratenbury, Gorrie and Tatnell for great for Old Carey and T Fyffe, N Caligari, Dell, Dymond, Brockwell and Bartley were the Westies' best.

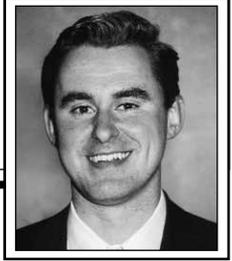

---

***"Many clubs felt outraged that after years of "slogging it out" to climb up the sections, that in one sweeping change a club by enjoying one very good season could "leapfrog" other clubs into D Section leaving other clubs languishing in the lower sections."***

### 40 YEARS AGO - 1965

In A Section Old Paradians staged a great comeback in the second half to defeat Old Xavs. Paradians (third) kicked a game clear of Xavs (fourth) as a result of their 17.13 to 12.9 victory. Best for Paradians P Booth, Parker, Proctor, P Mount, Tudor (5) and Weyman and for Xavs Stoney, Gilbert, Higgins, Quinn, Meagher (4) and Mulcahy.

In E Section ES&A Bank continued on their winning way at Old Trinity's expense, 16.14 to 11.8. The Bank's best were Judd, Virgona, Ryan, Varlamos, Robertson, and Colan. Trinity acknowledged C Martin, Ingpen, Cox (6), Mc Lean, P Leaper and Batrouney. ES&A Bank were to combine with ANZ in later years as the two financial institutions merged.

Given recent results, three distinct packs have formed in D3. We have those who have virtually assured a final's spot (Bees & Jocs), those vying for the remaining two places (Westies, Warriors, Browns & Swans) and those trying to stave off relegation (Gryphons, Hoers, PH & UHS-VU). It all makes for an interesting few rounds coming up!

### Review

**The Westies** kept their unbeaten record at the "House of Pain" in tact with a fantastic win against the more highly fancied **Kew**. The Browns looked out of touch with only David Mainsbridge showing good form as the Pies kept in touch with the top two winning by 23 points.

**The Swans** put in a good effort against the visiting **Werribee** side, however, let their opponents get the jump on them and it was catch up for the rest of the day.

**Westbourne** avenged many of their past season heartbreaks at the Zoo accounting for **the students**, but after having to fight hard for three quarters. With Chris Hudson at CHF as the Warriors ran out 47 point winners.

**No reports from the other matches** (come on guys!!), but it was the **Jocs** who predictably accounted for **Syndal** while the **Gryphons'** Leeton kicked a bag as his side ran away with the match in the last quarter against **Power House**.

### Preview

The unbeaten **Werribee** host **West Brunswick** in what should be an intriguing match. While I expect the Maggies to go with the Tigers early, I am expecting the run of Werribee to prove too much in the latter stages of the match and with the home crowd advantage (especially the truck on the wing!) should win by 22 points.

**Student's** coach Shane Mottram has more problems than Micky Malthouse in selecting his side given the injuries down at the Zoo

and unfortunately for the Vultures, he will have no respite today against a **South Melbourne** outfit keen to stay in touch with the top four. I expect UHS-VU to be competitive early, however, the Swans just have too much firepower up front to be kept down for long and should win comfortably by 38 points.

**The Warriors** are back on the winner's trail and with a full strength side to pick from they will go in supremely confident of opening up a gap between them and the bottom half of the ladder. **Power House** on the other hand will be well aware that percentage may be very important come season end in the relegation battle, and will be hoping they do not concede too great a margin, and therefore we may see the return of the flood. As such, I am predicting a Warrior win, but not by as many as some may predict. Warriors by 19 points.

**Kew** is another side that have surprised many with their rise up the D3 ladder and will want to prove that the loss last week is a minor setback to their final's aspirations.

**"I believe that the Gryphons are a lot better than their win/loss ratio indicates, and they have a chance to prove this today against fellow single-win side in Syndal."**

The Jocs on the other hand, while maintaining their Premiership favouritism, will be tested today by the tight Browns checking. In what I believe will be a very close match, I am sticking with the Jocs, just, by 4 points.

I believe that the **Gryphons** are a lot better than their win/loss ratio indicates, and they have a chance to prove this today against fellow single-win side in **Syndal**. The Hoers play a tough brand of football, and this may have an impact on the young Monash outfit, however, ultimately the Gryphons' pace and fitness will win through as they run away with the match in the second half to win by 32 points.

## ELSTERNWICK PARK GATES

The **main gate** (Glenhuntly Road) is open **every match day**.

The **rear gate** (off St. Kilda Street) will only be open when there are no matches scheduled for Elsternwick Park No. 2 Oval.

When parking in the area behind the grandstand please park in a manner that would allow cars around you to be able to leave.

Players and officials who do not produce tickets at the gates will be counted and the club invoiced accordingly.

Clubs are issued with an appropriate number of tickets for players and officials.

## 100 years young

All the umpires wish our neighbours the Elsternwick AFC all the best as they celebrate their centenary year and we are sure that the Centenary Ball will go off with a bang. This is a great achievement for a district club, who by the way are off to a flying start this year, kicking cricket scores most weeks. Maybe the "Backyard Boys" (thanks, Peter Hille) could have the ultimate centenary celebration – a premiership. But as the Prez Adam Hankin was saying last week, "We'll just keep a lid on it at the moment". Could this newly-found form have something to do with the 400+m sprint that all players compete in around the main oval to finish off their training nights? The good thing about the run is it is very similar to the way us umpires finish our training nights. When the first guy is home the last guy is still on the other side of the oval. Maybe a Darren Lehmann challenge with the umps should be on order? We can just imagine Hank sprinting down the wing at EP chasing Kenny McNeice hurdling empty stubbies!

Have a great weekend Wickers as you battle Albert Park for the Tom Brain Cup.

## Pre game uniform

Luke Holmes has made it a habit of looking professional before a game by rocking up in a suit and tie. This gives a positive and confident approach by Luke to show that his mind is tuned into the game ahead. The real reason is he is

covering up is the massive mark (love bites) on his neck put there by the other half, however the umpires shirt doesn't cover this up and poor Luke had to don the James Dean look with his collar up.

## Pay the bill

How we wish for early nights off the track when it gets cold and dewy. Halfway through training, AD who was told to have an early night and left the track smirking at the group he left behind. The majority of the group followed 10 minutes later when the lights went off on the main oval having us ponder if the VAFA had paid the bill. Poor AD had to share the showers. Luckily the hot water was still OK.

## Becoming a field umpire

Amongst the umps we're all trying to get boundary umpires to become field umps or goalies, but one boundary tried out the option by giving an "all clear" after a goal when it was required. Maybe a future is there? Or was he just cleaning up the mess of the fieldy who forget to communicate with the goalie? Did anyone get a photo of that?

## Pick up lines

Reigning A section grand final umpire Albie Firley has always fancied himself as a bit of a "ladies-man". Obviously Albie doesn't have success with **all** the ladies. Recently, whilst umpiring a ladies game he lost a bit of control and had to send a few from the field. We wondered if they were actually reported or if they were just being entered into his little black book.

## Trivia night

The annual trivia night was held last Saturday night. Details to follow next week.

A bit short on information this week as a few scribes were on holiday. Hopefully the information flows in this week!

Great round of footy with a few sides jumping out of the pack. Eltham were exposed last week as being a side with some serious potential and they confirmed with a great win. Box Hill North are another side making people sit up and take notice whilst do we see a scent of St. Mary's returning to some form?

### Round 5 Reviews

Great win to **Box Hill North** over **Bulleen** as they make it three in a row. Penney was the star up forward with six goals whilst Badanjek was again good for Bulleen with 7. Not quite put them into contender category just yet but well on the way to it!

**Eltham** had a hard fought win over **Hawthorn**. Mann and McLaren did all the damage up forward for the Turtles who now slip into the top four. The Hawks continue to hang in there but will need to get some points on the board fairly shortly. Youngsters Rice and Tongue were their best.

**St. Mary's** produced their best game of the season as they accounted for Albert Park by 8 goals. Perelberg was great for the winners whilst Bull was on fire, slotting a bag of seven. For **Albert Park**, Collins continued his fine season with 7 goals.

Finally. **Elsternwick** kept on keeping on, this time accounting for **North Brunswick**. A typical cricket score for the Wicks who have kicked more than 24 goals each game this year. 'Bruce' Mahony was once again rampant as the bookies tweaked his odds in on the league B+F.

Orr was the best for North.

### Round 6

#### Previews

Almost a third the way through the season and given that most clubs started in January, half the years training runs are behind the players! The next 4 weeks will determine how many clubs fall off the pace and start going through the motions or perhaps create the self belief they can make finals.

***“Whilst the Wicks might feel out of place on the large confines of Elsternwick Park, they should too much fire power and make it six on end.”***

No absolute stand out this week so have gone for **Elsternwick** hosting **Albert Park** as match of the round. Great night for the Wicks as they celebrate their Centenary, a fabulous effort. The Falcons will be keen to rain on the

parade but after a promising start, they have got the hiccups in the past few weeks. Whilst the Wicks might feel out of place on the large confines of Elsternwick Park, they should too much fire power and make it six on end.

**Hawthorn** host **Box Hill** in an absolute crunch game for the young Hawks. Honorable losses can only carry so far and with a touch of favoritism setting in, fancy the Hawks with old Man Avery holding sway, to win. Not suggesting it will be easy though. The Hillmen have got better every week and seem to have developed a wonderful enthusiasm around the place. Still one's to watch.

**North Brunswick** host **Eltham**. North have been fairly competitive most of the year without quite grabbing games by the scruff of the neck. Conversely, I have been impressed by the Turtles, a youthful enthusiasm may carry them a long way this year. Looking forward to a quiet Saturday night and hence might take the Turtles in this one!

Finally, **Richmond** play host to **St. Mary's**. Richmond would have enjoyed the week off, no doubt taking the opportunity to regroup for the next set of games. On the other hand, the Saints returned to some fine form last week and can't go past them this time.

**Bulleen** have the week off.

# F.I.D.A. REPORT

## Round 3

What a big week in FIDA football, and boy did we have some ripper results.

The first game was between **Ballarat** 10.5(65) who were in the end just to strong for the **Broadmeadows 1** 3.6(24)

The second game played was on Oval 1 were a one sided battle was shown seeing **Broadmeadows 2** 11.5(71) demolish a travel sick **Ovens & Murray 2** 1.1(7).

The other game being played at Parkville was on Oval 2, where we saw a close encounter **Bulleen Templestowe** 5.3(33) nudging out **Ovens & Murray 1** 3.6(24).

We had some of the closes margins recorded at Port Melbourne with 3 exciting games being played.

**Port Colts 2** 4.2(26) vs **Ringwood Blues** 3.7(25) was the first game to be played and it was neck and neck all game and Port colts were just able to hang on.

The next game played was also decided by a point, where **Mambourin Tigers** 5.1(31) were able to hold off a hard fighting **Mazenod 2** 4.6(30).

The last game to be played was between the new **Mazenod Panthers 1** 12.9(81) and **Port Colts 1** 3.1(19). Showing Mazenod had far more skill on the day.

The last set of matches were being hosted by Moonee Valley and all were very one sided games. The first between **Maribyrnong 2** 7.13(55) comfortably over the host team **Moonee Valley** 3.7(25).

The next game could not be completed, but the score at that point was **Kananook1** 14.7(91) easily beating **Maribyrnong 1** 2.3(15).

The Final game of the round was easily won by the overall might of **Kananook 2** 8.15(63) defeating **Parkside** 2.6(18).

## Round 4

Here we go another exciting week of FIDA football games to come.

There are 2 games to be played this week Elsternwick: Oval 1 sees Mazenod Panthers 1 vs Ovens & Murray Jets 1, this will be a close encounter until half time until the fitness and overall skill of Mazenod comes out to blitz the second half.

Oval 2 will host a close encounter between Maribyrnong 2 and Ovens & Murray 2 but Maribyrnong 2 by 10 points.

Ringwood Blues will be hosting Mambourin Tigers this week and I think at their home ground they are bound to get the 4 points.

Port Colts 1 are to host Parkside this week and should win comfortably by 5 goals.

Port Colts 2 are playing Mazenod 2 in the following game and boy it's gonna be close. Port Colts by a goal based on the home ground advantage.

Ballarat are at home this week and after a strong win last week I can't see them losing to Maribyrnong 1. The Knights by 7 big ones.

We now come to the last 3 exciting matches of the round and what games they are building up to be. Kananook 1 Vs Broadmeadows 1 in the first match at Frankston, where the mighty Kananook Tigers' strength will prevail. Kananook by 5 goals. The next show case is Kananook 2 to play a confident Bulleen Templestowe, but at home Kananook by 16 points.

To finish off the rounds preview of games we see Broadmeadows 2 take on Moonee Valley and Broady to continue a great start to the season. Broady by 36 points.

**Section One**

St Kevins remain the sole undefeated side in Section One, after an unconvincing win over reigning premiers De La Salle. Running out ten point winners despite having five less shots on goal, St Kevins were lucky to escape with victory as De La charged home in the final term. Extracting some revenge for their grand final loss last year, St Kevins now sit clear at the top of the section one ladder but have shown that they are not as infallible as first thought. In the round's other big match Collegians slumped to their first defeat of the new season, losing by the smallest of margins to the fast

**"Aiming to knock off the section's two undefeated sides in consecutive weeks, the Blues host ladder-leaders St Kevins in undoubtedly the match of the round."**

finishing Uni Blues. Trailing all day the Uni Blues got over the line in a thriller, home by 1 point after a four-goal-to-two final term.

All eyes will be on the game at

Crawford Oval this weekend, as the Uni Blues return home after a successful win on the road last week. Aiming to knock off the section's two undefeated sides in consecutive weeks, the Blues host ladder-leaders St Kevins in undoubtedly the match of the round. At home and in form the Blues should take the game to St Kevins who will have to be at their very best to keep their unbeaten record intact. St Kevins by 5 pts. In the round's other games, Collegians to return to the winners list away at Old Scotch, Old Brighton to win at home against St Bernards, and Marcellin to be too strong on home turf against Old Xavs.

**Section Two**

The fields certainly brought their a game on Saturday, running madly over the Bombers with Hammond and Hepworth heavily havoc-focused. The OMs kept good pace with the Sharks to the main change, but fell away dramatically, leaking 13 goals to 2 in the second half. Voracious Sharks included Hill and Cupples who shone brightly. The Rupo boys withstood a firm Bears challenge in the 3rd term and ran away with the bikkies in the final term. In the OC showdown, there was the barest margin separating the two sides, with Carey prevailing courtesy of McQueen and Tiras. Finally, some good signs at Donvale where I witnessed a very entertaining shootout (albeit bereft of any defensive skills). The Friars won easily after a big first half, hitting big Ben Torney and Adam Gamble

up front with monotonous regularity, courtesy of some clean running and the sure boots of Luke Kaldor and Ryan Carruthers. For the vanquished, Smithy was sublime, Willo very impressive and there were plenty of snags from big Ferg and Tim Howell.

**Predictions**

Some big margins here, and i make no apology..... Bears by 7 goals, the Fields by 8 points, Old Carey by 11 goals, Rupo by 28 points and (sigh) the Wellers by plenty.

**Section 3**

On an un-seasonally soft surface at La Trobe, the home side forced the Raiders to play accountable footy as both sides' defences held sway. Once

parade adjusted to the open spaces, Clayton & Bugeja found plenty of the pill and the visitors drew away slowly to win by 40 points. Good to see the Ashers break through for a win on the back of some heartening performances in recent weeks. Meanwhile, the Tigers upset the Demons' appercart with a tense and willing 5-point win. The Unicorns, who were well led by :Lim and Bartholemew, recorded an even narrower win. The Jackas had enough of the pill, just couldn't convert!! Finally that Blacks man Battista proves to be a thorn in most sides, producing another 6 goals against Oakleigh. 'Jimmy' Jess and 'Ray' shaw, who would've enjoyed the 8 goal final term, ably assisted him.

### **Predictions**

School's in at Frearson, at it'll be Monash by 3 goals. The Demons to recover over the Hoes by 7 goals. The Tigers will make little impression on the blacks - Uni by 44 points. The raiders to continue on their merry way by 14 goals. Oakleigh likewise by 57 points.

### **Section Blue**

With the top 3 sides well clear of the pack, I'm going to make a ridiculously early call and state that the remaining 6 sides are simply playing for 4th spot!! Salesian touched up the O'Clays in a match chock full of intensity and aggression. The Clays jumped out to an early lead, but the Scorpions gelled early in the 2nd quarter and from there never looked back. Of note in recent weeks, the improvement in the Scorpions defence, with Fahrner, Francis and Butterfield rock solid. Elsewhere, Mazenod had another strong win over the Bloods. Although the Noddors won by over 10 goals the game was much closer than the scoreboard indicated, but Mazenod's overall strength around the ground proved to be the difference in the end. The Monders continue to hammer opposition sides, and last week the rovers stepped up to the block, and failed to fire off a shot in the first term - game over. Ormond's rotational policy kicked in thereafter.... Finally, the pirates upset my tipping by running away from De La at Mt Eliza. Smith & Byrt were back in goal-kicking form, and the visitors couldn't match them.

### **Predictions**

Massive game at Waverley, and (sorry Shane) I'm thinking the scorpions narrowly here by 14 points. Ormond will humble the Bloods by 62 points. Peninsula should oust the O'Clays by 33 points and Hampton Rovers will persist to then end for a 21 point win over De La.

### **Section Red**

Just seven days after coming within four points of ladder-leaders Aquinas, reigning premiers Fitzroy slumped to their third defeat of the season at the hands of Emmaus St Leos. Struggling at home against a proven Emmaus outfit, Fitzroy kicked just 3.2 in a 191 point thrashing. Croughan was sensational up front for the winners kicking ten majors, with D'Amico, Barry and Hickey amongst the best. In the round's other games, Kew kicked

32.18 in their 165 point belting of Rupertswood, Bulleen-Templestowe responded to their 80 point thrashing the week before to defeat Old Westbourne by 60, and Therry Penola ran out 27 point winners after a six-goal-to-two final term against Old Scotch. The match-of-the-round is undoubtedly out at Aquinas College this weekend, as the ladder-leaders host second placed Kew. With the winner to go four points clear at the top of the table and firm as premiership favourites, both sides have more than enough to play for. So far this season Kew have been in sensational form, kicking 111 goals in just five weeks of football. On the other hand, Aquinas has conceded an average of just six goals per match this season, and will be fresh after an extra week on the track. Aquinas by 5 pts. In the round's other matches, Emmaus to record another four points away at Old Westbourne, Old Scotch to win away at Rupertswood, and Therry to be too strong on home turf against Bulleen-Templestowe.

# CLUB XVIII SECTION

by Norm Nugent

Could we be seeing a transfer of power in Section.1? The defeat of Old Xaverians was just one of several surprising results in Round 5 which gave me a 64% success rating.

## Review of Round 5.

### Section 1.

De La Salle made a welcome return to form with a forty four point win over their traditional rival, St Kevin's. There will be no jokes this week about your leadership, Nick.

University Blues won for the first time in this section by defeating the nomadic Mt Lilydale by thirteen points after an evenly contested match.

Mazenod easily outpointed Old Brighton by seventy six points.

On the Junction Oval, Old Scotch scored a thirty eight point win over fellow pioneer, Old Melburnians.

Last week Old Xaverians fell in by a point. This week, they suffered their first loss in a year as well as incurring several serious injuries when they went down to Prahran by the comfortable margin of thirty seven points. Best for Prahran included; Paul Limoli, Darren Blake and Lucas Kitchen. For the Xaverians; Bart Calman, Nicholas Hart and Patrick Hall were best.

### Section 2.

Marcellin, who edged ahead of Box Hill Sharks during the first half, led by six points at half time. The Sharks through greater skill and quicker ball movements, took over control in the second half. At the final siren, Box Hill Sharks led by twenty points. Best for the Sharks were; ruck man, Daniel Grant and key forward, David Viola. For Marcellin: Damian Coutts and Nick Gribble were best.

Monash Blues scored their first win when they defeated traditional rivals, Collegians by fifty five points. The Students set up their victory with a high scoring first quarter and they finished as they had started with a high scoring last quarter. Best for Monash were; Coughlin, Butler and Johnstone.

Old Essendon's form last week must have been an aberration because this round they pushed Old Xaverians to two points at Victoria Park.

Leaders, University Blacks had another percentage building win

when they defeated Old Trinity by seventy nine points.

At Punt Road, Oval Fitzroy Reds, despite inaccuracy, defeated Therry Penola by fifty points.

### Section 3.

Old Scotch kept their finals' hopes alive with a seventy point win over Old Carey.

Fitzroy Reds surprised me (and North Old Boys) with a convincing victory by forty eight points over the second placed side.

On the neutral terrain of Koonung Park, leaders, Whitefriars had a tough tussle before securing an eight point win over Old Geelong.

Emmaus - St Leo' set up their win over La Trobe University with a six goal haul in the second quarter. La Trobe rallied in the final stages but went down by eighteen points.

Caulfield Grammarians had the bye.

***Two successive weeks on a big ground will take toll on the Emmaus players' legs and so I select Old Geelong to win.***

#### **Preview of Round 6.**

##### **Section 1.**

St Kevin's cannot take University Blues lightly as the Blues have proven competitive, without being able to win until Round 5. I select St Kevin's as they have the more consistent form. Old Scotch will possess too much talent for the determined Mt Lilydale side.

The clash of the round will be that between Old Melburnians and Old Xaverians. Although I expect the Melburnians to seriously challenge the Xaverians, I do not believe their talent will enable them to win the match as the Xaverians will rise to the challenge.

De La Salle, with confidence restored should be able to defeat Mazenod, whose 2005 form is not up to their own standard of Season 2004. Prahran should defeat Old Brighton with comparative ease even at Brighton Beach. Providing Prahran players concentrate, chase and not become complacent they should consolidate top position.

##### **Section 2.**

Monash Blues, with their newly found form should defeat Marcellin at Monash.

Old Essendon, should score a comfortable win at Keilor over Collegians, whose form has regressed since the early Rounds.

The Old Xaverians versus Fitzroy Reds match should prove a good guide to the actual strength of each club. The Xaverians have won under pressure and with ease. The Reds are determined competitors, who never shirk an issue and who through great endeavour support each other constantly. I reckon on a close contest, which will be won by Old Xaverians through their greater fitness and pace.

University Blacks face a danger game against the Box Hill Sharks, who will give all to cause an upset. I suspect the greater depth of the Blacks talent will enable them to overcome a serious Shark challenge and so remain undefeated.

One team must record its first win when Therry Penola visit Old Trinity. I select Old Trinity to win at home through possessing the greater fitness needed on the big ground.

#### **Section 3.**

North Old Boys, who have yet to produce the consistent play required by a top side, play Caulfield Grammarians, who are coming off a bye and who may be short of a run. I will give North the benefit of my doubt and select them to win this likely final preview.

Fitzroy Reds will defeat La Trobe University in their match at Ramsden Street.

Leaders, Whitefriars should have another good win at the expense of Old Carey.

The Old Geelong versus Emmaus – St Leo's match should provide a competitive encounter. Emmaus looked good for the first half last week but then their advantage was whittled down. Two successive weeks on a big ground will take toll on the Emmaus players' legs and so I select Old Geelong to win.

Old Scotch has the bye.
