

Inside the VAFA

Amateur Football On The Internet

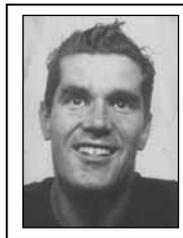

When Marcellin Football Club finally constructed its website recently, (Marcellinocfc.com.au) it meant that every A Section club is now officially online. Indeed, of the 73 Amateur clubs, only six do not have a website. Given that club secrets were once fiercely guarded (the scourge of the scribes!) and information on the week- to- week fortunes of the team were the domain of the Thursday night get-together and the club newsletter, this is a massive step forward.

“On the Monday before last week’s representative games, over 4,500 hits were recorded, while this season the site has averaged almost 20,000 visitors weekly.”

Of course, the competition website, vafa.com.au, provides links to all the club sites and continues to grow markedly. On the Monday before last week’s representative games, over 4,500 hits were recorded, while this season the site has averaged almost 20,000 visitors weekly. Significantly, only two years ago, the weekly average was less than a third of this. This is perhaps attributable to a greater emphasis on web polls (the latest of which saw the Junction Oval voted the best ground in the VAFA, ahead of Melbourne Uni, Elsternwick Park, Toorak Park and the recently upgraded Snakepit), more news articles and a higher percentage of overseas visitors. The recent initiative of making The Amateur Footballer downloadable has also been a massive success. A quick scan of some of our local and country rivals’ sites (many of which are either non-existent or incomprehensible) reveals just how far ahead we are. Amateur Football even has its own live forum (bigfooty.com.au) which at last count had more than 650 posts and 15,000 views.

At the club level, OldXavs.com is perhaps the busiest individual website, garnering more than

200 visitors a day from Monday to Friday and attracting over 2000 different visitors each month. Their site is a good example of blending match reports, a detailed history dating back to 1923, links to all their sponsors and the offbeat ramblings of the increasingly senile Mr Chips and the intriguingly elusive “Sheik”. When they plucked the 2003 flag out of nowhere, VAFA fans in London, New York and Northern Timbuktu could read about it almost immediately, complete with scores of high quality colour photographs.

In terms of accessibility, information, photographs, history, use of sponsors and good old fashioned humour, some other club sites currently setting the pace include....

1. FitzroyReds.com.au
2. Beaumarisfc.com.au
3. Hamptonrovers.com.au
4. Uniblacks.org.au
5. OldGeelong.com.au
6. DeLaFootball.com.au
7. PrahranFootball.org.au
8. StBedesMentoneTigers.com.au
9. RupertswoodFC.org.au
10. UniBlues.com

Clubs such as Hampton Rovers, St Bedes Mentone, Ormond and Beaumaris place a strong emphasis on incorporating the juniors on their sites, which can only help with ensuring the youngsters filter through to senior level.

Whatever the case, as fans become increasingly IT savvy and clubs latch on to the financial and logistical benefits of promoting themselves on the internet, amateur football will continue to be second only to the AFL in terms of our exposure on the World Wide Web.

Uh Oh Righetti!

St Kevins haven't lost at Righetti for donkies' years, yet were really under the pump with their two key defenders going down in the first five minutes to further exacerbate the loss of Nick Dowling who is out suspended. On cue, **Collegians'** James Jorgensen, who was only a last minute inclusion, stepped up and tore the game apart with seven goals. Corey Weeks in the middle, Andrew Baxter off a back flank and Grant Dowson all over the place played stellar games for the Lions. St Kevin's meanwhile, are in all sorts, though the break should treat them kindly in terms of injuries.

"They're still up there but really need Glenn Cox back, one of the best amateur footballers of recent times"

Big win for **Marcellin**, who were pretty average against Xavs, but turned it around against a **Scotch** team that must really have coach Dale Tapping booking a ticket on the rubber bus. Vaughan Cleary blooded another first gamer, Daniel Fraser, who promptly bagged two in the first ten minutes of the game while Matt Leffanue rucked well all day. They're still up there but really need Glenn Cox back, one of the best amateur footballers of recent times, if they're to be a genuine premierships chance.

I reckon if it wasn't for **Old Melburnians**, I would be on top of the tipping ladder and my life would have a semblance of credibility. What a strange bunch they are; knocking off the world beating Xavs one minute, playing like a pack of Haselhoffs the next. Credit

where it's due however, **Trinity's** stocks have really picked up with Damien Buttler having a cracking season at CHB and Linc "just call me The Champ" Reynolds providing a target up forward. They lost Al Neville, Abe Williams, Lachlan Kennedy and others over Christmas and finally the rebuilding process in taking shape. Brent Walsh has had bad hamstrings all year so the two-week break should also sharpen him up.

The ever humble Jesuits like to refer to Elsternwick Park as "Premiership Park" and they certainly do have a point. I only saw a half of what was a high standard game and it was enough. Mike Beardsley (another adopted **Xav** with a Ballarat connection) would almost be leading their B&F, Damien Lynch seems to be a specialist third quarter player, Cadyn Beetham seems to shift into

top gear on a whim, usually when they're playing a big game and Adam Chatfield seems to never have an opponent.

Be assured, the Bloods are pretty handy themselves. Paul Corrigan, like he has for years, played a fearless brand of football and is almost untaggable while Mark "Disco" Seccull, who may well have been a member of the founding **Haileybury** team in 1961, looked a class above everyone else up forward. Put Brett O'Farrell back into that side and get Carl Steinfort fit and they will be the real deal.

And let's not forget those **Blues**, who are going about things with a minimum of fuss. While the rest of us were babbling on about the Scotch result for six weeks, they unobtrusively assumed equal top position. Liam Ryan had really added something after his year off while Rob Wilkie (who does some strange things and is, from all reports, one for the white lab-coat brigade) has given them some much needed mobility in the ruck. **Bernards** couldn't get near it but did celebrate the refurbishment of the 'Pit that evening.

REVIEW

Old Essendon continued their reputation as the enigma of the competition with a convincing win over I guess a disappointing **Whitefriars**.

MHSOB took a long time to shake off the persistent young **Tigers** at Sportscover. Close encounter until half way through the third, where the greater experience of the High came to the fore allowing them to come away comfortably in the end. Ewan Thompson, Rhys Limbrick and young Smith good contributors all day while Luke Terrell with 5 a standout for the Tigers.

Old Ivanhoe certainly did not have it all their own way against the uncompromising **Caulfield Grammarians** and in fact looked a bit shaky at orange time. But the Hoers were able to kick 6 in the last to happily take the win. Mark Luxon was an ever present danger with Darren Payne and Travis Beinke also good. Mark Frater in good touch for Caulfield.

Good strong win for **the Tonners** considering the absence of a few stars. Their ability to find something under pressure to kick 5 goals in eight minutes in the last to draw away from their dogged opponents outstanding. Leigh Hendra and Anthony Bristow again had good ones, Kent and March fine avenues of attack. SMC with 7 continues to impress all and sundry.

Injury depleted **Mazenod** copped a **DLS** unit in top form. The DLS unit played out the full 4 quarters while the Nodders only played well for short periods. Chris Puntun and Luke Seager withstood all Nods thrusts while Matt Moore, Benny Mannix and Damien Rayson dangerous in front. The Chamberlain Twins again the best, along with first gamer Nick Lewton.

PREVIEW

The playing fields of **Essendon Grammar** await **Mazenod** today. Both sides refreshed by the break one coming off a win and one off a loss. It is a dangerous game to tip OEG two weeks in a row based on past performances but today I will, butt gee if Mazenod wins one would not be surprised. Grand Final replay from 2004 at Glenhuntly this week. Fortunes of both sides have varied since that day. **The Grammarians** seem to think I never

give them a chance which could not be further from the truth. I give them a chance today but they will have to play out the full 4 quarters against the High who should welcome a few back. **MHSOB** for me.

Hoodoo ground at Brindisi Street for the Friars. Both sides not travelling at the top of their form at the moment. Have tipped **the Tigers** to beat **Whitefriars** at Mentone in the past but try as I might and knowing how hard they will try, still have to stick with the visitors.

Third placed **Old Ivanhoe** make the short trek to the Gillon. In good touch the Hoers while **NOBS** have been thereabouts but not quite getting over the line. Hoes have multiple avenues to goal while **NOBS** rely on SMC, so based on this as you need to kick many goals to win a game will stick with Old Ivanhoe.

DLS versus **Old Brighton** at Malvern a blockbuster game. Hopefully both sides are at full strength so we see a blockbuster game. Both terrific sides and in good touch. Both plenty of runners, both have dangerous forward lines, OB may have just a bit more height. Tough one to select will remain consistent and go with the home side.

M I MILESTONES E S

North Old Boys - congratulates current senior captain **Daniel Tonkin** on his **150th game** with the club (135S, 4R, 11U). Since arriving in 1993, Daniel's sublime skills, explosive pace and love of a goal have been the staple of a Saturday afternoon at the Gillion oval. Along the journey Daniel has achieved state selection, countless top 5 b'n'f finishes and numerous best clubman awards. Purple is and always will be in his blood. Congratulations Daniel. Also current senior vice-captain **Scott Sleep** on his **150th game** with the club (124S, 26R). Hailing from Mildura, Scott arrived at the club in 1996 and has not missed a season since. His ferocious attack on the ball and long kicking has always been a feature of his play. A fantastic club-man off and on the field, age seems not to weary Scott and the NOB's faithful have seen some of his best football in recent years. Congratulations Scott. **Dan Tehan** plays his **50th game** for the club against Old Brighton. In his first year in 2002 he was all class and finished 3rd in the seniors b&f. Injuries in the past two years have unfortunately seen him miss a few games, but the ferocious attack on the ball and silky skills remain. A great bloke off the field, but sadly NOBs are farewelling Dan as he's accepted a job in Dubai and today will be his last game for a few years. Good luck Dan!

De La Salle - Mark Piccone, who played his **100th game** for the Club last Saturday in the Club 18 match against Old Brighton, started with the Under 19 Blues in 1999 after moving through the Junior club ranks. Having played 24 games in the Seniors during his Under 19 period Mark showed outstanding potential winning the U19 Blues "Best in Finals" in his 1st season. Injury and a lack of opportunity has confined "Pickles" appearances in the ensuing seasons to mainly Reserves games where he was Best & Fairest in 2002. Congratulations & well done Mark!

The Jackas completed a hat trick of wins, the Wellers clambered back into the four at the Rovers expense and it was smooth sailing for the top three sides, who were all comfortable victors. The lowlight of the round being the serious leg injury to competition leading spearhead, Paul Edwards.

REVIEW

In an error-marred contest the **Blacks** finished stronger in their clash with **Hampton Rovers**. With both sides missing key personnel there was little separating the teams at the final change, but the performances of Uni's Groom, together with a lively Green up forward and midfielders Smith and Sheldon were telling. The tiring Rovers were well served by Burggraaff and Zampaglione.

The Wellers flew out to a four goal cushion against **the Ashers** and maintained that margin for most of the game, before the home side finished with a flurry, booting six large to one in the last. Credlin and Taylor were great for the winners, as were Batzloff and Durling. Pay and Adamson amongst the Students better players.

Therry lost Edwards early and **the Sharks** piled on eight in the second to split the game open. Matulick and Lee gobbled everything for Beauty and Duggan and Teasdale helped ensure the Sharks did not leave Oak Park empty handed. Faroldi and Fenton tried hard for the vanquished. Kirzner dopped six and **the Jackas** Blashki, Berger and Lewski continued their good form when they chalked up their third on the trot, against **the Bears**. Banyule continue to fight the game right out, but lapses in concentration are hurting. A terrific first up showing from Stavropolis, Christian was again prominent and O'Connell was handy in front of the sticks.

Paradians thumped into a **Vulture** wrecking ball as Parkdale looked to make amends for last week's showing. Macgeorge either up forward, or in the middle was dominant and he was well assisted by the Sullivans, Rochford and Kelly. Boundy and Curren battled on for OP.

PREVIEW

The Blacks and **Wellers** square off in the cracker of the week. The home

side will be hoping to end the first half of the season with just the one blemish, whilst the Wellers want a win to keep the pack of clubs outside the four at least a game behind. OC seem to be back on track, but Uni have deserved to be where they are and will prevail.

OP host **Hampton Rovers** and this will be a question of which team comes to play. Both have had some excellent results but have struggled to put a consistent run of victories together. Each team needs a win to keep the pressure on the top four and whilst OP's form has been quite unpredictable, the Rovers have been a little more steady and I think they will salute.

A resurgent **Jacka** unit welcomes **the Vultures** to their "home ground" at Trevor Barker. Ajax has settled into an excellent groove in recent weeks, a miserly defence, a prolific midfield and potent forwards paving their way to success. Parkdale were at their destructive best last game and their blend of midfielders and attacking forwards will curb Ajax's winning streak.

CARLTON  **DRAUGHT**

Parkdale were at their destructive best last game and their blend of midfielders and attacking forwards will curb Ajax's winning streak."

The term "must win" is often bandied around and I will use it to preface the clash between **Monash & Therry**. A loss for the Oak Parkers will put them two games behind the Students, but if Monash fall they will find themselves in a relegation dogfight. There is still half the season to play, but whatever team wins will feel a lot less strained around the collar and I think the Ashers will sneak home.

The Bears are hungry for their first win and whilst their form has been good in patches they know they must put it together for a whole match to record victory. Unfortunately for them, there are easier venues than Shark Park to try and win at. **Beauy** are eyeing a top two finish and they will not allow themselves to falter this afternoon.

Monash Blues - 2005 senior vice captain, popular clubman and super athlete **George Smyth** joins the **100 game** club this Saturday at the Frearson Oval. George has an abundance of speed, balance and courage which have seen him develop from a raw red-head Under 19 to become an elite player with many highlights including the 2003 Premiership and "goal of the century" at the MCG. George and his parents have contributed significantly to the Club in many ways as well as to the rebirth of croquet as a serious sport. Congratulations Smythey on this great achievement from all at Monash.

FOR THE LOVE OF THE GAME...

WHAT A WEEKEND OF REPRESENTATIVE FOOTBALL

It started with an **Under 19 North versus Under 19 South** game at Sportscover Arena early Saturday Morning. The weather was not too good but a good crowd witnessed an interesting encounter between the cream of the VFA's Under 19 players.

The North set up their victory by adapting to the conditions better and used the wind to their advantage to have a handy 5 goal buffer at the first break. Despite the best efforts of Nic Harrison from Old Haileybury in the ruck the smaller players of the North side sharked hit outs to continuously put their side into attack where Tsingarlis was dangerous.

The next three quarters were pretty evenly matched as the boys from the South competed very hard to try and rein in the lead they had surrendered early but the North side were just too strong on the day. Plenty of good players on both sides including Dean Clayton from Paradians who was a stand out. Smith, Jake Spinella, Augustin and Morley for the

Under 19 North v South action.

North. South were well served by Julian Charles who showed some slippery skills, Harrison, Nick Stewart whether in defence or attack and Ryan Semmell.

Well done to Chris Bye and Adrian Connolly and their respective assistants for putting on such a good show at short notice.

The weather had improved immensely by the time the inaugural **Cystic Fibrosis Cup** between the **A-D4 and the Southern FL** commenced at 1.30pm. An unfortunate injury to Beaumaris' Mark Boon seemed to inspire the VFA as in the next 15-20 minutes they displayed some of the best football seen at the Park for years to kick 7 goals in a brilliant display of team orientated football to have the Southern side totally shell shocked something from which they were never able to recover.

It all started from the ruck where Kane Batzloff and Michael Matulick set it all up for Mark Paterson, Peter Harrison and Bryce Shaw. SFL'S nemises Steve Buckle and Andy Cultrera were causing them plenty of grief while Brad Willmore led a strong and committed defence.

Steve Buckle in full flight.

A sickening collision saw the VFA lose Captain Mark Liddell and Gerard Bevan for the remainder of the game so a handy lead at half time was offset by the fact we were down to 19 fit men. But this did not worry the guys as the dominance continued throughout the third and so the game was beyond doubt at the final change. A few consolation goals during the last closed the gap but it was all to no avail as the Cup was already in the Boardroom.

Again full congratulations to George Voyage and his team who ran a successful campaign and also unveiled John Isreaelson and Trevor Bromley two Rep footballers of the future.

Totally unseasonal conditions greeted the VFA's **Under 23** side as they tackled WA on the huge Leederville Oval.

Considering the conditions it was a pretty good game of football. We led at every change but had to withstand quite a few strong challenges from the WA lads to ensure victory. WA looked especially dangerous during the second but for a few squandered opportunities could have been a bit closer. One of the strengths of this young Victorian side was it's ability to produce when the pressure was on, and 2 terrific goals to Shura Taft and Daniel Cullinan right on siren time quelled the confidence of the WA side.

With Chris Keunan and Cameron Purss getting on top in the ruck, Ari Lewski who played as if it was a dry day, Joel Rice, Damien Ryason, Hugh Lacey and James Scambler capitalised on continually drove the ball forward as the side banged on 4 match winning goals. David Boundy, Ben Waite and especially Captain Michael Barker were running the ball out of defence and kicking to position in a well controlled game plan.

A real slog in the last quarter as the rain got heavier and the ground got bigger but it was a tired and contented bench that jubilantly left the field to the applause of parents, supporters and VFA officials.

First time Representative Coach Frank Dunell and his team did a tremendous job in assembling together such a fine group of young men who represented their State proudly.

Military Physical Training Instructors round the globe generally admit defeat in attempts to discipline two particular muscle sets in human male recruits, the "love", & the "mouth"! Leaving aside the former, as Old Carey's Fitness Coach in the mid 90s I attempted to do something about the latter. The training squad was stood to attention and forbidden to utter a sound for one minute, with 100 push-ups as the full squad penalty for any non-compliance. The first silence that evening lasted 3 seconds! We did improve, but the full 60" was a serious struggle! Bringing me to the issue of players mouthing off about umpires' decisions, which now seems the option of first preference instead of just getting on with the game. Being fair, today's umpires are themselves more vocal than in times past, but that is no excuse for the player yap now prevalent. Most of the physical nonsense formerly blighting our game has been eliminated, it's time the oral ugliness went the same way!! Remember "respect"?

LAST WEEK

Emmaus St Leo's accounted for **Glen Eira** comfortably. Phil Carse, Anthony Ballard & Adam Krebs were the top mentions for the Animals. Mark Chandler, Liam Shelford & Alex Tsirogiannis were all great GE contributors. The only thing classic about the **Ormond & Old Carey** match was the football lesson the Monds gave the Cs, who had a very down

day. I hope the lesson will be well **h e e d e d**. Speedsters David Robbins, Wayne

Cove & Mick Miller did more or less as they pleased for Monds, who, in general, were too disciplined for the ragged Cs.

Old Mentonians was always in command against **Aquinas** for a regulation win. Trent Wiltshire ruled the middle for OMs, Michael Basile starred up forward, & Brent Fairbanks was strong in defence. Winger, Justin Box (2004 playing weight = 140 kg, 2005 = 85!!) used his newfound mobility to effect for the Bloods, Trent Harkin was a busy OtBer, while Hans Tyssen was a lively forward.

The **Bulleen-Temp, Prahran** game went in intensive bursts with the Two Blues always just that bit ahead! Adam Sleight starred at CHF for the Two Blues, 'Focca' Fox (Yes, team-mates have been Yellow Carded for calling to him!) was a lively HF, and Matt Mulqueeny did well OtB.

Fitzroy Reds disposal of **Yarra Valley** was consummately definitive! Little more to say!

DRAUGHT

Milos Zika burnt on his wing for Reds and Steve Drury returned to his best at HB. For Yarra, Nick Pask defended well, Mike Rockicki was strong OtB, and Cam Britt showed out at CHF.

TODAY

Glen Eira will give it their best shot as always but **Ormond** is a class apart and will win easily.

Aquinas and **Emmaus St Leo's** will be desperate affair as each strives to distance themselves from the dreaded R-zone. The Animals are doing better right now and will take a 5 goals win.

Prahran v Old Mentonians will be a very good game. Nothing between them, but at home the Two Blues should salute by 2 goals.

Yarra Valley and **Bulleen-Temp** is another critical pecking order tussle and I'm relying on the Domeney factor to bring the Bushrangers home by a few points!

Old Carey face up to **Fitzroy Reds** with the benefit of an extra week to erase memories of its R8 performance. The Cs will surely push the Reds, but the latter will win today by 6-7 goals.

Reserves winners should be: Monds, Animals, Two Blues, Bushrangers, & Cs.

Yarra Valley O B - congratulates **Ash Drew** on playing his **150th game** today. Ash became the Senior Captain for the 2nd time in his career this year and he has lead by example on and off the field. He is a dual Senior B&F winner and was runner up in 1997 as well as being a key member of the 1997 & 2002 Flag teams. Ash has fantastic skill and pace enabling him to break open games with his goal kicking from the middle and up forward. Well-done Ash!

D2 SECTION by Andrew Wu & Peter Williamson

Williamstown's recent revival and La Trobe's run of outs have ensured that up to six clubs are vying for a place in the top four. The Seagulls have won four on the trot to be just out of the four on percentage, while the Trobers, after winning their first four games, have dropped their past four to be a game away from fourth position. Despite playing on arguably the largest ground in the competition, **the Seagulls** proved they are a much fitter team this year than in recent years, defeating **the Trobers** by 19 points. With Tim Wheeler and Simon Phemister firing, the Seagulls are showing the benefits of having their best players on the park.

At the top of the ladder **Rupertswood** avenged its loss in the 2004 D3 Grand Final to **Oakleigh**, kicking the final four goals of the game to come back from a 21-point deficit during the final quarter and win by two points. Bromley was on fire for the reigning D3 premier booting nine goals while Brennan snagged seven to take best-on-ground honours.

Old Geelong continued on its merry way, playing four quarters of powerful football to crush **Bentleigh** by 140 points and keep its unbeaten record intact.

Ivanhoe Assumption broke through for its first win in 2005, defeating the hapless **Swinburne** by 20 points in a tight encounter at St James Park. With Jason Murchie well held by Peter Lee, and Colin Brown, Travis O'Neill and Dick Peoples all playing solid games in the backline, the Razorbacks were unable to break through the Hoes' defence, booting just seven goals for the day. The Razorbacks, with Luke Morrison and Adrian Fidler playing well, trailed by just 11 points at the last change but were unable to steal the points from the Hoes, whose best player was Paul Harris.

Peninsula continued its recent good form, coming back from a 22-point half-time deficit to account for **Salesian** by 40 points. After a slow start to the season, the Pirates are starting to show glimpses of the form that made them so dominant in 2003, when they went through the home and away season unbeaten.

PREVIEW

The match D2 observers have been awaiting for all season finally comes upon us - the blockbuster between **Old Geelong** and **Rupertswood** at Como Park. Both teams are undefeated and have a healthy three game break on third place, but after today, one will have their first notch in the 'L' column (unless

there's a draw, of course). Both teams have a lot going for them, but I feel the

OGs have been more convincing in the manner of how they've dealt with their opponents thus far, and that is enough to persuade me to pick the home side today. Old Geelong for me.

Oakleigh travel over the West Gate Bridge for a tough contest at Fearon Reserve against **Williamstown CYMS**. Both teams are in the aforementioned 5-3 peleton, and looking to reduce the gap to two games for a double chance spot. Bromley continues to dominate for the Krushers, and will need his fellow forwards to make a man-size contribution against the third ranked CYs defence. Tricky one to call here, so I'll make a gut feeling call and tip the CYs today.

Down at Harry MacDonald Oval, **Peninsula** host **LaTrobe University** in a game where although both sides are at a similar standing on the ladder, the direction of their momentum could not be of greater contrast. The Pirates have been as hot as any side in the comp in the last month or so, whereas the Trobers have hit a rough patch after a great start. I don't see any reason for this trend to change at the moment, and so it is that I pick the Pirates to make it a half dozen wins on the trot.

An intriguing contest at The Boulevard between **Ivanhoe Assumption** and **Salesian OC**. The home side will be buoyant after breaking their duck last time out, and will look to continue the good vibes with veteran Peter Rawley playing his 300th game. The fact they are facing fellow relegation contender

Salesian also promises much. The Griffins though will need to play four quarters, and not a half like last time out, to get the desired results. Tough call, but given the big occasions usually bring out the best in teams, I'll back the Hoes (which I've not done in a while) to take the points today.

Another match between strugglers sees **Swinburne University** take on **Bentleigh** at Arthur Street. The Razorbacks still hold hopes of avoiding relegation, and with two games plus percentage to make up, it's not impossible. Meanwhile, the Demons continue to rely on too few people to do too much work, but have more quality than their position on the ladder indicates. I think this quality should come to the fore today, and perhaps stand them in better stead for the second half of the season. Bentleigh to win.

Ivanhoe Assumption - congratulates **Peter Rawley** on reaching his **300th game** today. "Rawls" is the quintessential club man and has stuck by the Hoes through thick and thin. A speedy flanker with great anticipation, a big heart and loads of yap, Rawls has played in an under-19s premiership, the 1995 C-Grade Grand Final and a handful of other finals. He's previously captained the club (in B-Grade) and continues to serve on the committee. To underline how consistent and dedicated Rawls has been, just about every one of those 300 games has been in the seniors. He is one of 'Hoe Park's hardest workers and finest ambassadors. (Best of luck Rawls - Bear)

Rupertswood - congratulates **Brett Sinnett** who plays his **100th game** today against Old Geelong. Brett is the first Rupertswood player to reach this milestone. Brett was the also the first captain of the club at senior level leading us to premierships in our first year and again in 2002. He has also coached at junior level and is seen as a great role model around our club.

... Retrospective

by Geoff Reilley

5 YEARS AGO - 2000

CEO, Phil Stevens, announced in his editorial details of the Recognition Award – Community Club of the Year. Football Victoria had made available the substantial amount of \$2,500 to recognise one community football club for its contribution to the local community. Phil hastened to state that clubs were not being asked to implement new programmes, rather to document their present activities that demonstrate a responsible attitude to the local community.

In A Section Old Ivanhoe and Marcellin filled the two “relegation positions” but the Old Melburnians were only four points clear of the area now with three wins. Their hiding at home at the hands of St Bernards did nothing to suggest to their supporters that their positioning was unwarranted. St Bernards cleared away in the second half to win 16.15 to 4.10 and the OM’s coach, Neil Ross, had some work to do. In the A Grade sharpshooters list, Old Xavs spearhead, Dan Richardson (4) joined Old Scotch’s Luke Hawkins (2) at the top, both on 40 for the season to date.

In B Section Ormond hosted Whitefriars to determine who was the most likely to challenge for a place in the top four. Whitefriars’ 5 goals straight in the first term to Ormond’s 3.2 gave them the early advantage. They held their lead 8.3 to 6.4 at half time before the Monds’ 6 goal third quarter saw the home side take the lead by 2 goals. Ormond were too strong in the final term and held on to record a great 14.8 to 11.8 victory and were now definite challengers. Best – McConvill, Miller, Presser and James (Ormond); A Pawlik, Hughes, A Carbone and Cunningham (Whitefriars). Michael Shepherd also recorded his 100th game for Ormond despite many injuries that had delayed the milestone.

In C Section Old Geelong and St Bedes Mentone were only one game apart but at the spacious Como ground the visitors made it a true “walk in the park” and finished 27.9 to 10.12 against the OGGs. Best – MacGeorge (10), Beasley, L Wintle (3), P Wintle, Kingwell and Kidd (St Bedes); J Paul, Stevens, L Wilson, Farrer, Taylor and Vickers-Willis (OGGS). It looked at the half way mark that the Tigers may be ready to pounce!

In Section D2 it proved how relegation can ensure some great games. Mentone (8th) and Fitzroy Reds (9th) played for the inaugural Norm Johnstone Cup. With only 9 points separating the teams at the last change, favouring the Reds, Tony White’s goal late in the last sealed it for the “Baysiders” who won 14.15 to 14.13. Best – C Sullivan, Perrin (7), Gallagher (Mentone); Drury (4), T Mitchell (4) and Campbell (Fitzroy Reds). D2 coaches were – Grant Hammond (Fitzroy Reds), Serge D’Angelo (Kew), Ken Wood (Mentone), Laurie Zarafa (Parkside), Brett McIlwraith (Peninsula), Matt Sexton (Salesian), Gordon Burrows (Thomastown), Kane Bowden (Uni Blacks), Tim Pontrefact (West Brunswick), and Brett Davidson (Yarra Valley).

10 YEARS AGO – 1995

In ordinary conditions there were many low scores and in A Section Uni Blues’ 6.6 was easily good enough against North Old Boys who could manage on 3.5. The game was played at headquarters and Uni’s 3 early goals on the big ground made the difference. Best players; McIntyre, Meade, Cavalier, Furphy, Polkinghorne and Hutchins were terrific for the Blues. The two Lukes, Boyle and Mahoney were great for NOBS supported by Klvac, McIlroy, Tonkin and Kearney.

Important game in Junior 1 Section between Xavs and De La Salle in the fight for the “double chance” positions. Xavs had the game well under control at three quarter time, 5.13 to 2.8, De La stormed home but went down by 7 points. Best – Belli, Hede, Clarke, Woodruff, Jones (2) and Stoney (Old Xavs) and Abrahams, Hall, Itter, Dabbs, Ellis and Butler (De La Salle).

The tribunal and the investigation had been very busy during the week and “plenty of weeks” were dished out by the tribunal and the investigation panel.

“Wayne also typified the “ammo” after game tradition and always joined players and fellow umps for a drink after the game.”

Umpires Corner featuring the views of Steve McCarthy and Anthony Damen, spoke of Wayne (Chuck) Hinton achieving 200 games as a field umpire. Wayne was following in the footsteps of his father, John, who had also been a top VAFA umpire. Wayne had also officiated in the VFL for 173 games including 5 senior games and his fitness was still first class. Wayne also typified the “ammo” after game tradition and always joined players and fellow umps for a drink after the game. (Wayne is still a top umpire in 2005 – GR).

20 YEARS AGO – 1985

A Section scribe, Ross Booth, was understandably finding it very difficult to predict the best team in A Section. Ross felt that De La Salle may be losing touch and was correct when the replay of the 1984 season between De La and Ormond saw Ormond reverse the result to win by 41 points. Mark McDonald at centre half forward had the better of Mike Deveson and finished with 4 goals. Geoff Singleton at FF got 6 and other good players were Boyanton, Beard, Russell and Ritchie. For De La, Greene, McDonnell, Murphy, Cooke, Auber and Hill were very good.

The VAFA U18 combined team, coached by

Trevor Read, went down to the VFA 15.9 to 10.10. Best players for the VAFA were Gary Kennedy, Vaughan Carlin, Adrian Williams, Mark Mahady, Paul Matton and Paul Carafa.

30 YEARS AGO – 1975

St Kilda CBC remained the only undefeated team in C Section with a solid if unspectacular victory over UHS Old Boys. The result may never have been in doubt but the doggedness of the UHS lads kept the Saints honest. Sherman, Hinrichs, Drinan, Carroll, Calleja (5) and White were reliable and committed for St Kilda. Flavel (3), Hume, Johnston, Taylor, Blampied and Nolte did their best for UHS. St Kilda’s reserves were also equal top and Vic (Rome) Calleja, the Saints fantastic full forward, played his 150th. Rome had already won a number of leading goal kicker awards in the VAFA and was acknowledged as one of the “unselfish” full forwards.

Bulleen United in F Section won the local derby against Bulleen Templestowe and their best player was none other than Mike McArthur-Allen, later legendary amateur coach, who also kicked 5 goals in the big win.

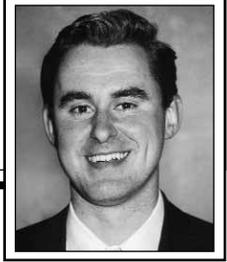

40 YEARS AGO – 1965

In D Section the awaited clash between undefeated North CBC and Old Geelong was a bolover when North won by over 11 goals, 16.14 to 6.6. North has many good players but named Garland, Sweeney, Kelsey, J Adams (6), Spurling and Murray. The disappointed Geelong officials gave only 4 names; Ainsworth, Blazey, Caboldstone and Healey.

Old Paradians defender Terry Booth celebrated his 100th game against the Blacks by playing one of his “best ever” games. Terry was the fourth member of the “famous” Booth family to represent Paradians, his father Bill was a player in the early years of the club. Terry and his older bothers John and Peter had by now played 370 games between them with more to come.

A return to form with my tipping, picking the lot with a big five out of five.

Review

West Brunswick had a good win on the road against **Westbourne** and now has a sizable gap between them and fifth spot. Leading for most of the day, the Pies could not break the shackles, as the Warrior backline, lead by the "Smiling Assassin" Benn held firm. Though the result was never really in doubt with Benjamin leading the charge for the Pies who got up by 11 points.

As expected, **St. Johns** easily accounted for **UHS-VU** and only inaccurate kicking by the Saints saved the students from an absolute shellacking. Pickering, Dasha and Arnold set up the day for the Saints, while Hams, Clarke and Cracknell tried hard for the losers.

It was the walking wounded at the Tigers Den where the depleted **Werribee** pumped the even more depleted **Monash**. An awesome second half set up the win for the Bees as the Lee boys ran amok up forward kicking 17 between them.

Kew had to overcome a late charge from **Syndal** to move into the top four. With a 42-point lead at three quarter time, many were thinking how far the Browns, however, the Synners got within 3 kicks before Tom Moore steadied the ship for Kew.

Meanwhile, **South Melbourne** destroyed **Power House** to remain in final's calculations.

Preview

The Swans travel to the "House of Pain" to meet a **West Brunswick** team that can set up a sizable buffer with a win today, and that has not lost at home this year. A loss today for the Swans could see them lose touch with the top four, a fact that will not be lost on coach Earl Henderson and therefore it is a must-win for the side. However, I am officially jumping onto the Pies bandwagon today, with the return of several of their stars likely to boost coach "Hammers" swelling stocks. My selection, Westies by 35 points.

Westbourne have been competitive in all their

matches since coming up from D3, however, are yet to beat a team

outside of the bottom four, and will be outclassed today by a rampant **St. Johns** line up. The Jocs have taken all in their stride thus far, and as such I am staying on them to win by a comfortable 38 points.

It is crunch time for both **Monash** and **UHS-VU** today, with both clubs experiencing seasons they would rather forget as injuries and form

"A loss today for the Swans could see them lose touch with the top four, a fact that will not be lost on coach Earl Henderson and therefore it is a must-win for the side."

have taken their toll. With both teams languishing perilously close to the dreaded bottom two, a win today is imperative to give them some breathing space. The Gryphons are tough to beat on their home soil and have shown they have the ability and will therefore go into today's match as favorites. However, given the likelihood of a return of some UHS-VU stars, I am picking an upset as the visitors get up by 14 points.

The **Synners** continue to get close to breaking their duck, and yet cannot seem to string four quarters together, which must be frustrating for coach Tony Rowe. Today, they meet a **Werribee** outfit that will undoubtedly exploit any lapses in concentration with experienced heads like Andrew Tedesco ready to pounce. While I again believe Syndal will be competitive, they will not have the class to match the likes of Ben Stornebrink, Gavin Hilton or Andrew Borg as the Bees virtually assure themselves a finals berth with a 28 point win.

Finally, I think that **Kew** will prove far too good for **Power House** today. With Marcus Gridley showing plenty of dash on the wing and Brian Cullen continuing his great season on the half back flank, the Browns should win easily by 31 points.

M I MILESTONES E S

St.Johns - Adam Rudd played his **100th game** in round 8. 'Ruddy' has been with the club since 2000 and is a reserves premiership player. A tall that can play either in the ruck or in a key position. Peter Walker plays his 100th game this week. 'Puff Puff' came to St John's in 2000 and has won three Senior B&F's playing on the ball and now playing in the backline he's having another fine year. A fantastic clubman, player and bloke he's a role model for all at the club.

Monash - All at the Gryphons congratulate George "Sampras" Harrak for finally notching up his **100th game** a couple of weeks back. George has been a pertinent part of the Monash forward structure for over 10 years now and would've brought up 100 games long ago had it not been for family and work commitments.

Kew - congratulate high marking key defender Cameron Stephenson on playing his **50th game** today against Power House.

**The Only Ball VAFA
Players Fly For.**

Congratulations

Well done to our representative umpires last week. While most umpires were enjoying the welcome break from running, these guys continued to run around for the VAFA.

Who’s who

Just to make the umpires feel welcome at an Oakleigh home game, there is an announcement on the public address of the umpires name and coloured number, to help spectators who do not have records available so that they know which one to yell at. This works well because you always want your name right when something happens. Thanks for the recognition Krushers.

Training

What is worse than 40 players thinking they know the rules? 20 umpires knowing the rules, playing touch football. These fun games turn into a laugh fest or a bloody war once the teams are picked. During the games people leave the track so as not to be hurt as slaps in the face are common practice or you have the dead-set goers who barrel in with no fear of their well being (Watch out for Bushfield) or others. Cheating is common with the goal posts being pushed together to stop scoring or the fact that the players call a free kick every 5 seconds. We love this game to break up training. Maybe we could pick our best side and challenge our neighbours, the Wickers. With the way they’re playing at the moment there’s no doubt we’d get blown off the park.

“It was a great enough effort to be selected as a representative umpire for Albie Firley, but last weekend whilst representing the VAFA in Perth he umpired his 300th VAFA game.”

Milestone in the West

It was a great enough effort to be selected as a representative umpire for Albie Firley, but last weekend whilst representing the VAFA in Perth he umpired his 300th VAFA game. A sensational effort for Albie who’s road to the top has been a little rocky in the past. Albie has well and truly established himself in the top bracket of umpires which of course culminated in him being appointed to his first A Section Grand Final last year. His other big highlight was his selection for the SFL game at Moorabbin a couple of years ago. We’re sure that we can all catch up with Albie for a few quite ones on his return east.

Lazarus

Was that really our esteemed Director of Umpiring “running” around in a recent MSJFL game? Come on Benny, if you’re fit enough to do that, we could really do with your help to boost the numbers on a Saturday. Apparently he was helping a suspended player with his punishment by making the player umpire. Maybe the VAFA should try that. We might pick up some handy recruits.

D4 SECTION

by Ed Sill

Experienced football watchers are all scratching their heads and trying to remember such an even grade as D4 is turning out to be! One game separates second from second last with huge shifts in ladder positions likely to occur each week. It makes for a great second half to the season!

Round 8 Reviews

Hawthorn returned to some form with a solid win over **St Mary's**. The Hawks have been waiting on some of the youngsters to fire and they did with Dixon slamming on 7 goals and Rice in everything. Crilly and Wright were the best for the Saints.

Eltham went in as warm favorites against **Albert Park** however no one could have expected the ultimate margin. McLaren continued his fine form up forward with 7 goals whilst Turner was impressive on his senior debut. The Falcons were disappointed with their efforts whilst praising the performance of Julian Storey who rucked valiantly all day.

Elsternwick made it 8 straight as they accounted for **Box Hill North**. Byrne was the major instigator, slotting through a bag of ten goals whilst Missaglia was also good. Garrett was the best for Box Hill.

Finally, **Bulleen** jumped out of the box with a 12 goal first quarter against **Richmond**. Richie Badanjek was in everything with 12 goals and he was well supported by Cookson and Fradkin who each slotted 4.

North Brunswick had the week off.

Round 9 Previews

With the evenness of the grade evident, a win can propel and a loss spiral! Either way, by my math's who ever is second last come Saturday night will still be only four points out of the four.

Major crunch game for **Box Hill North** as

they welcome

Eltham on what is a relatively short trip for the Turtles. It hasn't

been a great few weeks for the men from Box Hill and they will desperately need some points to get back on track. The Turtles will be keen to prove they aren't one trick ponies and start winning games away from home. Fancy they might be able to do so this week, Eltham for mine.

"It hasn't been a great few weeks for the men from Box Hill and they will desperately need some points to get back on track."

St Mary's host **North Brunswick** and will be aiming to get back on track after a loss to the Hawks. Put it down to one of those days for them as nothing quite clicked. They do remain a serious contender this year. North Brunswick has been the quiet achievers this

year. Sitting comfortably in the four, a win here might get the opposition coaches to do a bit more homework. Hard to see them beating St. Mary's on the rebound though, Saints for me.

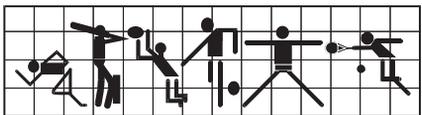

Another cracker of a game as **Albert Park** host **Bulleen**. The Falcons would have been devastated at the size of the loss however quick atonement is at hand. The Cobras comfortably defeated Richmond and are another side that would like to build some momentum as the second half of the year approaches. Toss of the coin on this one. I still fancy Bulleen as being a contender so will stick with them again this week.

Finally, **Richmond** host **Hawthorn**. Obviously a tough year for the Centrals although they would have been heartened by the form of Coach Dukic who was dangerous up forward. The Hawks had their best win for the year and with the return of a few notables from injury should win and continue their climb up the ladder.

Pacesetters Elsternwick have a well earned rest!

F.I.D.A. REPORT

Round 5

The first game played at Elsternwick was between Mazenod 1 22.8(140) and a very poor Parkside losing 0.1(1). It was one sided from the very first bounce.

The second game played was an absolute cracker were Ballarat 7.4(46) were just able to hang on from a late surge from Kananook 1 6.7(43).

Port Melbourne hosted 2 games and both were convincing wins.

Port Colts 1 9.9(63) were just too good at home beating Bulleen Templestowe 4.1(25). The other game played was a little closer but the home team once again too strong, Port Colts 2 6.7(43) defeating an improving Mambourin 4.3(27).

Maribyrnong have finally found their feet winning convincingly at home, Maribyrnong 1 7.9(51) beating a desperate Broadmeadows 1 2.7(19).

The other game played was a good battle all day but in the end Maribyrnong 2 too strong for Broadmeadows 2 . Maribyrnong 2 7.7(49) - Broadmeadows 2 5.2(32).

Off to Albury and some good games were showcased.

We saw a good tough game all day were the Kananook 2 7.4(46) snuck over the line against an improving Ovens & Murray 1 6.4(40).

The other game played was a close game but O & M 2 were just too good at home for Mazenod 2 . The end result - Ovens & Murray 2 5.8(38) beating Mazenod 2 3.5(23)

The last game of the round was an absolute thriller were the home side (Moonee Valley) 3.8(24) crawled over the line against a hard fighting Ringwood 3.5(21).

Round 6

This week Parkville is hosting 4 great games and is set to bring some great results.

The first game to be played will be a close game for a half, but Kananook 1 will show Maribyrnong 1 how to play a second half. Kananook by 6 goals.

The second game to be played is between Maribyrnong 2 and Port Colts 2 but I think the Bulldogs by 4 goals based on good form.

The next game will be an absolute show case in a

very close game I think Moonee Valley will win by a point against an in form Ovens & Murray 2.

Port Colts 1 should Beat Ovens & Murray 1 by 23 points.

Bulleen Templestowe will be hosting Parkside and should win well. Bulleen by 12 goals in a one sided affair.

Mazenod 1 are in great form and are the team to beat in Section 2 so I think their going to show an experienced Kananook 2 how to play 2005 FIDA football. The Panthers by 7 goals.

The second game to be played at Mazenod is between Mazenod 2 and Ringwood Blues. In a good close battle the Blues will scrape in by 8 points.

The last games of FIDA round 6 are to be played at Werribee where we will see Mambourin Tigers take on Broadmeadows 2 . Broadmeadows by 3 goals.

The last game is between Broadmeadows 1 and Ballarat . The best is going to win on the day but at the moment I cant see any one beating the mighty Knights. Ballarat by 9 goals.

The raps up another round of FIDA football.

U19 SECTION
by Fraser Cameron (U19 2, 3 & Blue)
& Cam Nation (U19 1 & Red)

Section One

St Bernards pulled off one of the biggest wins of the new campaign last round, coming back from a 37 point quarter-time deficit to defeat heavyweights Uni Blues. Playing away from home against a side that had knocked off the undefeated Collegians and St Kevins in the past two rounds, the result looked all but confirmed just twenty minutes into the first-term as the Blues lead blew out to forty points. However St Bernards continued to persevere through three tough quarters, before a seven-goal-to-two last stanza drew the 2003 premiers level with just seconds on the clock. After starring on the ball all day, James Stapleton clinched the historic win with a goal after the siren, with skipper Damien Iannazzo at centre half back and Mark Salvatore on-the-ball clearly best-on-ground. In the round's other games, Marcellin defeated ladder-leaders St Kevins by 17 points to move into top spot, an inaccurate Collegians had eleven more scoring shots to sneak home against Old Xavs by 6 points, while De La thumped Old Brighton by 102.

The 2005 premiership race has been thrown wide open, with seven of the nine section one sides proving to be genuine contenders. St Kevins host Collegians this weekend in a must-win game for both sides. Having slumped to three defeats in their past four outings, Collegians will be desperate to return to the winner's list and forget about a last month that has seen the side gradually slip from the top of the table. St Kevins by 11pts. In the round's other games, Uni Blues to return to the winners list away at Old Brighton, St Bernards to make it two wins from as many games at home against Old Scotch, and Old Xavs to record win number six of the season against reigning premiers De La.

Section Two

All results went to plan as the wheat sorts itself out from the chaff, and only Beaumaris appear capable of pushing any of the top five sides. So it came as no surprise that Banyule won each of the first 3 qtrs comfortably on Oval #1 against OMs. The OC had far too many options against Caulfield, who need to improve if they're to do damage beyond August. Laidlaw and Tiras were key OC stars again. Whitefriars started well, winning the ball out of the middle and led by 3 goals at the main break. However, the Sharks took full advantage of a lacklustre 3rd term from

the Friars and rammed home 8 goals to 1. From there onwards,

it was a matter of holding the Friars at bay. Gamble stepped up with 6 goals in Torney's absence, and Carruthers also had a great game. The Wellers had a week off and Rupo surged after quarter time to run all over Trinity.

Tips

A couple of good ones here as the Bears host the Fields, and should win by 4 goals. Likewise the OC over Rupo, and the Friars over OMs. The Wellers will be well rested and should net the Sharks by 32 points. If Essendon can amass a side, the T's should still win by 6 goals.

Section Three

The Tigers have shown recently that they're a genuine threat, and the brutal manner of their disposal of La Trobe certainly raised some

eyebrows. The Blacks credentials can't be questioned, and with Battista firing again up forward, they drew away well from the Hoers. Bentleigh look like the only side capable of pushing into the top 4, and they went about it the right way, nailing the Unicorns by 10 large. Oakleigh were just far too strong up front for Monash, as Edwards ran riot. The Jackas jumped out of the blocks full of running and played a great running style of football in the first half against the Raiders. After half time the Raiders kicked into overdrive and went onto record a solid win.

Tips

Easy ones out early – St Bedes over the High by 37 points, and Oakleigh by 6 goals over Bentleigh. Bit closer with Monash 11 points ahead of Ajax, and La Trobe by 15 over the Hoers. Finally, the Big One at Crawford Oval sees the two undefeated sides face-off. I'm leaning towards Parade as their defence this year has been frugal, and really can't be faulted. In what should be a ripping game, Parade by 5 points.

Section Blue

The Friday night belter at HQ was not quite the shoot-out I predicted, but footy really was the winner as the Scorpions and Ormond served up champagne football to a sizeable crowd. Relentless attack was repelled with equal desperation to keep the score-line in check, Salesian holding a two points lead at the final break. The first goal in the final term went the Scorpions way, from which point they ran out the game stronger and finished victors by 37. Elsewhere, defence wasn't a real priority at Peninsula where the home side slid through a lazy 31 goals to the Bloods' 15. The Rovers upset the shaky Nodders' applectart, with both Bogar and Gleeson kicking (legs) 11 each for their sides. Finally, De La rallied well after halftime, but the O'Clays played good solid footy all day to prevail by 2 goals.

Tips

Danger game here for Salesian, as the Pirates are back in form, but the Scorpions should win by 5 goals. Lappa's Bloods aren't quite performing at present, so it's the improving Rovers by 7 goals. Mazenod need to rally, and De La should feel the full force by 26 points. Oakleigh will take it up to Ormond, but an angry visiting side should win by 38 points.

Section Red

Fitzroy Reds have rebounded in the best possible fashion by knocking off top-of-the-table side Kew in a thriller at JJ Higgins Reserve. Trailing for the best part of four quarters, a six-goal final term from Fitzroy clinched a historic 3 point win for the Reds, who now move to four-and-four after eight rounds of football. In the round's

other games, Emmaus St Leos comprehensively defeated Rupertswood by 106 points, Therry snuck home by 6 points in a thriller against Old Westbourne, while Aquinas did is surprisingly tough in their 34 point win over Bulleen. The competition's two top sides meet for the first time this season, as Emmaus St Leos host Aquinas at Bennettswood Sports Ground. While Aquinas have been the form side of the competition, sitting atop the section's ladder for eight rounds of football, last week's performance against the winless Bulleen was less than impressive given the difference in quality between the sides. In contrast despite dropping a game earlier this season, Emmaus have shown a different tenacity in the past few weeks, comprehensively destroying sides by 100+ point margins. In a tight contest, Emmaus by 21pts. In the round's other games, Kew to return to the winners list away at Old Scotch, Old Westbourne to move into the top half of the table at home to Rupertswood, and Therry Penola to end Fitzroy's winning streak at one, with an impressive away win.

CLUB XVIII SECTION

by Norm Nugent

The half way point of the season is now past and each of the three Sections is providing a close contest as teams jockey for a final four position. Round 8 results went according to my predictions as I scored my first 100% success rate for the season.

Review of Round 8.

Section 1.

St Kevin's consolidated their top four status with a forty three point win over Old Melburnians.

Old Xaverians easily defeated Mt Lilydale by seventy six points. Although Mt Lilydale players tried hard, the class of the Xaverians shone through.

The closest contest of the Section was that in which Old Scotch defeated Mazenod by nine points.

Leaders, Prahran scored a thirty two point win over University Blues.

De La Salle defeated a very accurate Old Brighton by sixty three points.

Section 2.

After a lack lustre and inaccurate first half, Old Xaverians led Marcellin by thirty seven points. The second half was dominated by the Old Xaverians, who held Marcellin to a solitary behind while their own forwards had a day out en route to recording a victory by one hundred and thirty seven points.

Fitzroy Reds outplayed Collegians and won by thirty five points.

Former leader, University Blacks failed by twenty one points to defeat Old Essendon Grammarians, who are proving a force.

Monash Blues recorded a ninety nine point win over Therry Penola.

The Eley Park Sharks, won well over the hapless Old Trinity by eighty two points. Trinity started well and the Sharks had to lift in the second half to build their victory margin. Better players for the Sharks included; Gerry O'Brien (ruck), defender, Hiep Ly and centre David Payne.

Section 3.

A very inaccurate Fitzroy Reds easily accounted for Old Scotch by forty eight points.

La Trobe University gave a good account of themselves as they went down to second placed Caulfield Grammarians by twenty points.

North Old Boys and Whitefriars produced a sterling contest from which the winning margin of thirty eight points to Whitefriars belied the

closeness of the contest. Perhaps it was the vituperative address by Whitefriars Coach,

Norman Elliott that stirred his charges to play better in the second half. Their best included: Johnson, Andrews, Hennessy, Rawley and Atkinson. North had good players in; Blandford, Kearney and O'Sullivan.

Old Geelong rose up the ladder through their thirty three point win over Old Carey, who certainly were competitive.

Emmaus - St Leo's had the bye.

"The Prahran versus Old Scotch game will give us a more accurate idea of the respective strength of the two top four sides."

Preview of Round 9

Section 1.

St Kevin's should continue on their winning way against Mt Lilydale, whose players are the unquestioned travel premiers.

Mazenod will start favourites to defeat Old Melburnians, whose form has tapered off. At home Mazenod are my selection.

The Prahran versus Old Scotch game will give us a more accurate idea of the respective strength of

the two top four sides. I select Prahran, whose overall talent should see them through against tough opposition.

To select the winner of the Old Brighton versus University Blues match is a difficult task as neither side has any form to recommend it. Vacation, exams and travel will mean the Blues will be short of player talent going into this match. This match presents the best opportunity for Old Brighton to win this season. At home I am prepared to punt and so I select them to win.

Old Xaverians should continue on their winning way by defeating De La Salle for whom defeat will mean a virtually impossible task to qualify for the finals. Old Xaverians will win!!

Section 2.

The unanswerable question for me is, will Marcellin strengthen their side with Under 19 players against Collegians? Marcellin to date have been unable to play out the full four quarters and their lack of full player complement prevents rotation of tired mid field players. On Club XVIII form, I must select Collegians.

A few weeks back the University Blacks versus Old Xaverians game would have appeared as a Grand Final preview. However the Black's form has fallen away and it seems to me that the Old Xaverians will win this contest today.

Old Essendon Grammarians are playing like certain finalists and today they will continue on their winning way against the small but determined Therry Penola.

Monash Blues will have enough talent to defeat Old Trinity even on the wide expanses of the Hudson Oval.

Another final rehearsal will be the Fitzroy Reds versus Eley Park Sharks match at Ramsden Street. The Sharks are carrying all before them with Viola a focal point up forward and Grant winning the ball in the air. The Reds will play a close tagging game with man on man duels. Despite my admiration for the Reds, I select the Sharks as I think they will be faster and more certain in attack.

Section 3.

Second placed Caulfield Grammarians should be able to defeat Old Scotch, whose recent form has not been up to expectations.

Whitefriars should appreciate their return to Donvale where they play Fitzroy Reds, who must kick straighter to have any show of winning. I select Whitefriars whom I believe will be too talented.

Despite their three week's break, I suspect Emmaus - St Leo's will have enough skill to defeat North Old Boys, after a competitive match.

Neither La Trobe University nor Old Carey has won a match this season. Therefore selecting today's winner is difficult. Carey did well in Round

8 as did La Trobe so there may be new hope for each team. I select La Trobe to win purely because the game will be played on the big University Oval. Old Geelong have the bye (and the skiing season opened last week). I could not resist this hoary chestnut!!

Team Managers.

Calling all ex and present **Eley Park Sharks**. The 1995 Premiership Reunion is on tonight at the Box Hill Town Hall. Details today at Ramsden Street against the Fitzroy Reds.

M I M I L E S T O N E S

Fitzroy Reds - congratulates **Andrew 'Bright Eyes' George** who became the ninth Fitzroy Reds player to have played **150 games** in Round 7. With startled eyes and emphatic style, Bright Eyes joined University Reds in 1994 as an 18 year old and was a member of a Reserves premiership side in the same year. Bright Eyes has been a universal contributor to the Reds both on and off the field. This year he is coaching our Club 18 (1) team (the 'Aspirationals') and hopefully he can lead them to his second ever premiership. Good luck this year Bright Eyes and congratulations from all at the Reds.
