

# Inside the VAFA

## Men in White

Think Amateur football in September and several things come to mind. The smell of the grass, the jumping castles at Sportscover Arena, the inevitable sight of an Old Xaverian on the victory dais. Often overlooked is the role that umpires play in finals and how important September action is to our umpiring fraternity. As four-time A Section Grand Final umpire Mark Gibson noted last year: "Like the footballers participating, it requires dedication and commitment, an unflinching self belief, an enduring passion and a sustained fire in the belly".

In a year in which umpiring legend Brian Goodman was appointed Umpire Operations Manager, it has been quite a season for the VAFA umps. A year not without some controversy. A year which saw three former VAFA umpires in Chris Donlon, Corin Rowe and Matthew Head officiating in an AFL game at the Gabba. Current umpire Robert O'Gorman officiated in the Grand Final of the International Cup held last week while Steve McCarthy, Peter James, Ken McNiece and Brendan Corcoran also scored gigs in the lead up games.

Another pleasing trend is the crossover factor from playing ranks to the whistle blowers. Simon Stokes (Old Scotch), Peter Liddell (St John's) and Paul Matton (a former A Section B&F winner at Therry) join Anthony Damen (Powerhouse), Richard Eastwood (State Bank) and Phil Callil (Caulfield Grammarians) as examples of umps who have made the successful transition from playing to officiating.

Several VAFA umpires have also distinguished themselves in other sporting fields. A Section ump Dirk Kramer had a respectable finish in last year's Boston Marathon and young boundary umpire Michael Saunders is considered a realistic chance to make the Commonwealth Games as an 800m runner. Most impressive of all is Adam Conquest, a professional triathlete who has competed in the Hawaiian IronMan and continues his dominance in the World PowerMan (duathlon) competition.

However, it is the social factor which seems to set our umpires apart from other competitions, whose

umps often feel the brunt of boozed up spectators.

Peter Simpson, a former A Section umpire with more than 300 games experience, retired last year but still has fond memories of the social aspect that the VAFAUA brings. "Never on any occasion have I been made to feel uncomfortable about

going to a VAFA after match for the traditional drink and chat", he says. "The VAFAUA is a strong and active organisation which represents over 250 running and life members and has an excellent working relationship with headquarters. Also, the pay and conditions in the VAFA are second to none in metropolitan football". The social aspect always comes to the fore in milestone games, where fellow umps flock from all corners of Melbourne to help their comrades celebrate. Mark Gilday (400) Leah Gallagher (350), Vin Vescovi (300), Albie Firley (300), Dominic Napoli (250) and President Rob Mayston (250) are several to have celebrated significant milestones in 2005.

***"The VAFAUA is a strong and active organisation which represents over 250 running and life members and has an excellent working relationship with headquarters."***

Now all eyes turn to finals action. Vent your frustration at the umps if you must but never underestimate how much work they put in to officiate in our marquee games, nor how integral they are to the fabric of VAFA football. Come September, the players won't be the only ones nervous as they run out onto Sportscover Arena or the many other affiliate grounds. As Mark Gibson says: "enjoy the experience, look up into the sky and thank that lucky star because you never know when or if it will shine on you again".

## The Gathering Storm

Several months ago, a guy sidled up to me like some sort of Peter Lorre character,

tapped me on the shoulder and informed me that Old Scotch were certainties for the 2005 premiership. "Pull your head in you donut", I replied, all too aware of their terrible form, wretched injury list and inability to put sides like St Bernard's away.

Fast forward two months and this windswept gent is starting to look like a soothsayer.

**Scotch** demolished **Marcellin** on Saturday, their full forward kicked eight with one hand tied behind his back and they looked every inch a finals team. Players to stand out included Andrew Pugsley, one of the finest defenders in the caper and Mark Knatt, who helped shut down the much vaunted Eagle midfield. Scott Cations and Tom Wigney seem to have added some bite to their forward line as well.

### But...

If they're to win the thing however, they'll have to beat either Haileybury or Old Xavs in a final at Elsternwick. **Xavs** had little form to speak of going into their clash at the Badlands but managed to shut down the Bloods, who were, to coin a tired phrase, a little off the boil. Cadyn Beetham is enjoying his best season in the amateurs and was again named best, Damien Lynch (8) is hitting form at the right time of the year and Mike Beardsley played another blinder. Still not sure about their backline but Xavs at Sportscover in September is like Tyson Beckford at the Marquee Club on NYE so they are obviously a team to fear.

Didn't see the game but I'm told that **Haileybury** squandered a lot of opportunities, played badly and had little input from their guns. A good sign therefore that they went down by just two points to one of their fiercest premiership rivals.

Whilst on the subject of premierships, **Uni**

are slipping under the radar like that bloke Trev in last year's Big Brother, the guy who kept leaping out from behind the couch to cries of "he's the funniest man since Cleese". A 15 goal win at the 'Pit, Matt Torney back from Geelong, a fit Hayter and Ed Clarke finally returning to form (after his best on ground in the GF last year, Ed has had a very quiet 2005) are all good signs and don't let anyone tell you they can't win it this year. The fact that Rob Wilkie (ruckman) was best in the reserves is also very significant. If you were to form a market they'd be fourth in the line of betting but I'd be jumping on.

**"Scotch....look every inch a finals team."**

### Speaking of which...

If you were forming a market on whether **Collegians** or **Trinity** would go down, I reckon it'd be an even \$1.85 spread. And despite being on the end of some slanderous Collegian sledging in my days

as a player and the fact that the Wesley kids on the tram have given me untold grief since I was 12, I'm gunning for the Lions to roar into A Grade in 2006. Whilst Trinity were upset by those pesky **OMs** (when it comes to winning a finals spot or avoiding relegation, is there any more dangerous sleeper than **OMs**?) Collegians continued their remarkable rise from C Section with a clinical and highly impressive win over **St Kevin's**, the side that humbled them in two finals last year. James Jorgenson and Jono Dixon continue to be tricky match ups while Cam Unsworth and Nick Harrison and Chris Blumfield just keep keeping on. Often, blokes who were heroes in B Grade can't get near it when they get promoted but the Collegians players have really stepped up a gear.

### Tips

Old Xavs to send Trinity one step closer to B Section

Haileybury to deny Marcellin a finals berth  
OMs to beat Bernard's in a game that means diddly squat

Uni to see off the dangerous Lions

And Scotch to demolish St Kevin's

## M I L E S T O N E S

**Old Haileyburians** - congratulate **Michael Barker** who plays his **50th game** for the club today. Runner-up senior Best and Fairest in 2003, State Under 23 representative 2004/05 (Captain 2005), Selected to Captain the Inaugural A AFC touring Side to Ireland later this year. This dashing half-back flanker has kicked goals in all but four of his games this year (including a bag of 6) from this position, and is one of the most exciting players to watch in VAFA football. Well done 'Barks'.

### REVIEW

**Old Essendon** proved this pundit wrong with a comprehensive victory over the visiting **Whitefriars** to keep the finals chances alive. **St Bedes Mentone-Tigers** kept their fire burning with a morale boosting victory over the disappointing **MHSOB** at Brindisi Street. A 10 goal buffer at the last break just showed how dominant the young **Tigers** had been through the first three quarters. Their visitors added some respectability in the last but to no avail.

**Old Brighton** didn't give **NOB's** a sniff as they warmed up for their crack at **De La** this week. Ewart, Perret, Hendra and Edge controlled the midfield, Rob Kent played great footy at CHF, Josh Dickerson slotted a rare couple and Gadsden and Leaf impressed up back.

**De La** started the game in scintillating touch opening with a 7 goal term in which **Damien Rayson** was unstoppable with 6 of them. This continued in the second and at the half it was not looking too good from **Mazenod**. Some harsh words from MMA and a new game plan saw a much better effort from **Mazenod** after half time as they minimised the damage and won the second half.

Another all round dominating win from **Old Ivanhoe**, who now have a firm grasp on top spot with only 2 Rounds remaining. As has been their pattern consistently of late the Hoers bounced out of the blocks and had things sewn up very early in the piece. Good last term by **the Fields** but a 75 point loss all the same. Sam Geilings and Luke Lochran dominate all day, while Luke Bolzon and

Scott Curotolo set it up in the middle.

### PREVIEW.

Chelsworth Park a daunting task at any time and today will be no exception for the hapless **NOBS** as they tackle **Old Ivanhoe** hell bent on keeping their winning run intact prior to the finals. And this is exactly what they will do. **Mazenod's** season and tenure is on the line today as they tackle **Old Essendon** at home. Unfortunately for them OEG have just as much incentive as a finals spot still beckons for them. So this make it tough to tip, but today relegation may prevail over finals.

**"Last roll of the dice for Caulfield Grammarians today as they visit MHSOB at the Postage Stamp."**

Likewise at Sportscover the **Tigers** play for their lives against **Whitefriars** who mathematically are still in the relegation zone. So this promises to be another beauty. The **Tigers** appear to have the wood over the

Friars in home and away games recently so they feel they have their opponents measure and this will prove the crucial factor in their win today.

Last roll of the dice for **Caulfield Grammarians** today as they visit **MHSOB** at the Postage Stamp. Both disappointed last week and will be looking to make amends today. The Unicorns are so much better on their own turf in front of what is sure to be a large crowd, and I will give them one last chance to greet the judge and sew up 4th position.

Put purely and simply the winner today will sew up second position and earn the double chance in the finals, as **De La** make the short trek across town to the South Road Oval. Terrific contest between these sides first time around and today should be no different. Prevailing conditions on the beach just have me slightly leaning towards the **Tonnners**, but only just in a beauty.

## TEAM RULES? WHO NEEDS 'EM?

Imagine the looks on your players' faces when you tell them "we have no team rules." I must admit, I always get a kick out of their reaction when I say it to the new players in the Under 19s each year. I'm willing to bet it's probably the first time any coach has told them that.

They would have been told all through their junior days, as many of us have, that "we have ten golden team rules that can't be broken." No "u-turns" is a common one, as is "always punch from behind," so let's consider those two for a minute.

What happens to your back pocket when he finds himself 30 metres from the opposition goal, facing the wrong way and in possession of the ball with no team-mate running behind to receive? Does he think to himself, "I mustn't break golden rule number 3," and proceed to kick the ball 30 metres backwards through the other team's goal? If he follows the "golden rules," he has no other choice but to do so. Example two, you are 4 points down with seconds to play, the ball is kicked into your goal square, where your 6 foot 6 resting ruckman has the sit on the opposition's 5 foot 6 back pocket. Does he reach over the top and pluck the mark, or does he obey the "team rules" and punch from behind? I'm sure his team-mates would understand, "that's okay, we lost the game, but at least you obeyed the "golden rules."

Imagine if, instead of team rules, you had "team guidelines" to guide your players.

Example one might see the player back his pace and take on the opposition, run around him and set up an attacking thrust. Example two would see the ruckman use his obvious

height advantage to easily take the mark and go back to kick the winning goal. In both examples, the player has the flexibility to make a decision that will benefit him best, a guideline gives that flexibility, a rule does not, by definition it is too rigid to allow it. Yes, we want to eliminate u-turns as much as possible, yes we want to punch from behind if possible, but if the player has no other choice, let him bend that guideline to suit.

***"Imagine if, instead of team rules, you had "team guidelines" to guide your players."***

Bear in mind, we are talking about "on the ground" guidelines here, there is still scope to have some non-negotiable rules in place, "Club rules," which would cover things like, always contact the coach if you can't train, don't go out late on Friday night, etc.

At the end of the day, are we not, as coaches, always asking our players to think for themselves and make good decisions? Why then, do we impose on them rigid rules during the game that takes that decision making out of their hands?

Lose the rules and implement a set of guidelines, it will not only free up your team, it will also give them a sense of "ownership" over how they are allowed to play.

**IMPORTANT PLAYER MILESTONES**

Last week against St Bedes Mentone **Anthony Svirskis**, our tall front-line ruckman, played his 100th game for the club. Over the past couple of seasons Anthony has really come of age and now dominates the packs around the ground. His aerial strength provides a real asset for the club.

**Jamie Anderson**, played his 50th game against St Bedes. His inability to train on a regular basis has restricted his appearances in the seniors this year but he has been playing excellent football in the twos.

This week against Caulfield Grammarians **Adam Lust** (3rd from top) plays his 50th game for the club. Adam is the captain of the Reserves and has his side playing very good football at the right end of the season.

Adam is also the current club secretary. Prior to coming back to MHSOBF Adam played for AJAX.

Former Under 19s captain **Jimmy Walker** (bottom pic) plays his 100th game for the club today. He has been building some good form on the ball in recent games in the seniors and provides numerous options to goal around the ground. An excellent goal scorer bursting through the centre.

From a club perspective it is really pleasing to see the calibre of players like these lads reach important personal milestones. May there be many more in the years ahead for you all.

by Glen Harrison

OP launched themselves into pole position for one of the remaining finals places as the Wellers and Jackas joined the Vultures on ten wins. None of the four can afford to lose this afternoon, but at day's end, two clubs will join the other bottom four in Mad Monday commiserations. It has come to this!

**REVIEW**

**Parkdale** started well, but once **Paradians** kicked into gear they left the Vultures in their wake and showed they were hungry for finals football. Boundy, Hughes and Harford proved a handful and whilst Ryan and Kelly were the visitors best players, it was a somber trip back to Gerry Green.

The **Wellers** looked to have set up a match winning lead only for an indiscretion upon half time to pave the way for a **Monash** revival. OC's tall's led by Durling and Horgan found the answers and Howard hit the packs hard to put the two blues back into the four. Hickey burned for the Ashers and Craven was the day's leading goalscorer.

Rapaport had seven to half time and the **Jackas** pushed out to a handy main change advantage, after the **Bears** had been in front early in the second term. O'Connell was great for Banyule in the ruck feeding the Taylors, but with Lewski and Segal providing the drive, Ajax had the edge in the entertaining clash.

**Hampton** took the clash right up to the **Blacks** enjoying an eight point final term buffer, before Uni who were well served by Paul Kempton and the Colonel lifted and a five goal to one final term earned the top team win number 15.

After an even opening the **Sharks** were able to pull away from **Therry** and record a handsome win. Coote, Wonnacott and Catlin were impressive for the victors, whilst Callegari, Fenton and many of the Therry youngsters continued to fight the game out.

**PREVIEW**

The real elimination final is still a week away, but try telling that to Ajax, OC, and Parkdale where a loss will curtail their seasons. Paradians can still advance if they fail to salute,

but they'll not want to rely on other results. Uni and Beauy will want to maintain winning ways, whilst Monash farewells the big Hover, after a stellar career. Four into two doesn't go, this IS the last roll of the dice!

***"The real elimination final is still a week away, but try telling that to Ajax, OC, and Parkdale where a loss will curtail their seasons."***

**Knockout Game 1. Parkdale at home to Ajax.**

The Vultures have been in the four all season & have chosen the worst time to fall out of the top bracket. Last week, I thought they would secure their spot, but failed to fire and today have it all to do. Ten wins from the last 12 have given the Jackas the springboard to reach the playoffs and whilst they will need OC to fall to advance, Ajax will push past their hosts.

**Knockout Game 2.** A loss for the **Wellers** when they head to **Uni** will end a season that started so grandly. After booting 63 majors in the opening three games, the goals and confidence dried up, but they are back to winning ways

and the destiny is in their own hands. A place in the finals is what they have to lose, but despite their best endeavours, Blacks won't do them any favours and will prevail.

**Possible Knockout Game 3.** The **Rovers** would love to burst a finals aspirant's bubble and they get the chance squaring off against **OP**. The visitors can lose and still make it if the Wellers get rolled. I don't think it will come to that and OP will win.

**Beauy** will be pressed against the **Bears** but will have too many answers and in a last hurrah for both sides. **Monash** will end '05 with a victory against **Therry**.

## M I L E S T O N E S

**University Blacks** - congratulations to **Robert Keith "Nugget" Hamilton** who plays game **100** for the club this weekend. Nugget as he is commonly known is one of very few Blackers to have ever played 100 club games. Former reserves B& F, U19 player and occasional senior rover, Hamilton is a club legend. The current treasurer of Blacks, Nugget is adored by all at the club. Congratulations Nugget, you really have deserved this milestone and the respect you receive within the club.

# FOR THE LOVE OF THE GAME...

### History repeats

1955 - In C Section, where a thrilling contest to decide the final four make-up was played, **Elsternwick** held on to defeat **Teachers College** and take their place in the final four. Elsternwick went on and celebrated a jubilee premiership in the coming weeks. Fifty years on and the Wicks are sitting on top in D4 section, will history repeat itself, fifty years on?

### International Rules Umpire - impressed

An interested spectator at last Sunday's Club XVIII finals was Geoff Pearson, who was the American umpire during the International Cup. Geoff, an accredited Level 2 umpire with the A.F.L., was integrated into the competition and umpired the final on the M.C.G. along with Robbie O'Gorman last Saturday evening. Geoff, from Nashville was impressed by the intensity of the games and was appreciative of the standard of play.

**U19 PLAYERS REQUIRED FOR 2006**

**Please contact**

### Scorpions thank Rovers

A young Scorpion was injured in last week's U19 Blue match and required urgent medical attention. Full credit to Hampton Rovers trainers who attended to the player immediately and kept him comfortable while an ambulance arrived. Good news is the injury is not as serious as first thought, but the quick thinking and "amateur spirited" Rovers trainers are to be congratulated.

### Albert Park Users - we all need to act NOW!

Parks Victoria has decided to install parking meters in and around the sports fields in Albert Park, a decision that will affect all users whether they are residents or visitors. They will operate from 6am to 10pm seven days a week.

The cost will be **\$50 for 6 months or \$100 for 12 months**. On a casual basis it will be **\$6.60 for 3 hours on weekdays, but on weekends there will be no time limit**.

**YOU ARE URGED TO CONTACT BOTH THE MINISTER - JOHN THWAITES AND PARKS VICTORIA TO EXPRESS YOUR OPINION.**

You are also urged to write letters to the newspapers, both local and metropolitan and contact talk back radio. It is only through a groundswell of community action that this matter will be addressed. Apathy will result in a fait accompli.

**This is URGENT - please act now!**

### Subbies seek Umps for 2005/6 season

The Victorian Sub-District Cricket Association is looking for new umpires for the 2005/2006 season. Further details may be obtained by contacting: Jim Earle (VSDCA Assistant Secretary) Ph: 9311 8245 or Email: [jimearle@bigpond.com](mailto:jimearle@bigpond.com) or Geoff Hart VSDCA Executive Committee Member Ph: 9369 3432 (B) or [drghart@ozemail.com.au](mailto:drghart@ozemail.com.au).

A great way to stay involved in cricket and a very strong Association too boot.

### Coaching Addict

Now while most coaches would spend Saturday morning fine tuning their plans for a Saturday's game, not **Elsternwick AFC Senior Coach Dennis Grace**, you see he's also in charge of Oakleigh Cricket Club (winners of the VSDCA South East group and eventual runners-up to Malvern CC in the Championship Final), and last week was spotted overseeing a time trial of sorts at the Duncan McKinnon sports precinct on Saturday morning - no rest for the wicked and always super prepared. Also spotted was **St. Bedes Mentone Tigers Senior Coach Russell Barnes** heading off for a morning jog with wife Judy. No doubt just easing the

stress of a big Saturday. Busy little area Duncan McKinnon Reserve in North Road, Murrumbeena. The habit obviously works as both Dennis and Russell lead their teams to important victories last Saturday.

### Come Out & Play - Sport and Sexual Diversity workshop

The Department of Victorian Communities, Equal Opportunity Commission of Victoria and Victoria University are running a free workshop to assist community sporting clubs and associations ensure their activities are welcome and inclusive and therefore fair, safe and fun for all. The workshop will be practical and experience-based; exploring community attitudes, best practice strategies and useful resources. The night will be held at the **Victoria University Melbourne, Tuesday September 13, 6-9pm**. For more details contact: [peter.gourlay@eocv.vic.gov](mailto:peter.gourlay@eocv.vic.gov)

## D1 SECTION

### by Barry Hickey

The historic unpredictability of D1 returned with a vengeance last week with the Saints boosting their own spirits by knocking off the Animals & thereby handed the Cs a finals berth. Then the Bloods brought the Panthers undone in another head scratching form reversal. What hasn't changed, is that the Reds and Ormond are streets ahead of the 1st Semi Finalists, just check the percentages! To the finalists, well done, and to the Clubs not continuing after today, thank you for making our first genuine wintry season since 1996 so bearable!

To the players, committees, & supporters of Aquinas & Glen Eira thank you for the way you have presented all season. Relegation is gut wrenching, but the spirit you displayed all year is a credit to you both & indicates a quick reversal of fortune is on the cards. A huge thank you to the people without whose ticks this column couldn't tock: Glen Whitehead & Craig Glennie (Aquinas), Stewie Smith & Dean Matthews (Bulleen-Temp.), Andrew McCormack (Emmaus St Leo's), Graham Burgen (Fitzroy Reds), Mick Lawson & Matt D'Zilva (Glen Eira), Duncan Palmer (Old Carey), David Holland (Old Mentonians), Sam Teague & Wayne Holdsworth (Ormond), Basil Cleary (Pahran), & Tim Killworth (Yarra Valley)!!!

**“What hasn't changed, is that the Reds and Ormond are streets ahead of the 1st Semi Finalists, ...”**

#### LAST WEEK

The **Saints** grabbed an early lead from the in form **Animals** & caused the boil-over of the season by never yielding it! Caruana was sensational up forward, as were Clements and Sheedy for GE. Rhino McCann & Steve Buckle worked hard in defence for ESL, Adam Krebs was good up forward & Anthony Ballard again did well in the Ruck.

The **Cs** were outclassed in the 1st Half by the skilful **Monds**, but regrouped in the 2nd to make the visitors work for their win. Simon Keleher was outstanding across HB for Monds, Danny Byra & Metz weren't far behind! Cs best were runners Kent, Remmers, & Evans.

**Bloods** upset the **Panthers** in a nip & tuck tussle that gave the Home side & supporters a big lift near the end of a very down season for them. Aquinas defenders Hans Tyssen & David Boland put in top games, as did winger John Jess (who has make a great recovery from a serious leg injury!). Brendan

Russo, Emerson & Mitvalsky were the best of the disappointed Panthers.

**Pahran** kept just ahead of the **Bullants** in a high scoring affair that was also a kick for kick event. Pahran's best were all forwards, Cuddles McCubbin (becoming a big presence at FF lately!), Hus Pitts, & Focca Fox. B-T had great games from forward Greg Chivers, Matty Stella in the middle, & Norbury in defence.

**YVOB** couldn't hold the **Reds** in Q4 but did themselves proud against D1's top outfit, especially in Q3! Mick Rockicki starred for Yarra at FB, Ben Nicholas did well in a run-with task, while Mick Wines was also effective in a bi-locational role! Todd Clarke played a blinder in the centre for Reds, Vinny Cahill multi-tasked brilliantly as usual & Milos Tika again dominated his wing.

#### TODAY

**Ormond** won't be taking any chances against **Glen Eira** today, and on the Buxton will have enough of an experience advantage to win by 4 goals.

The **Animals** will be trying to forget last week, & today against the **Bloods** should finish the year with a 5 goals win.

**Old Mentonians** will make sure **Pahran** don't have things too easy but the Two Blues should take the points by 3-4 goals.

**Bulleen-Templestowe** and **Yarra Valley** will be a great game of footy and the Bullants would love to snaffle 7th spot from the Bushrangers. The home side should win by a goal.

## M I M I L E S T O N E S

**Yarra Valley OB** congratulates **Michael Wines** who plays his **100th** today. Michael started in 1998 as a member of the U19 Premiership side that year. Travel & injuries have limited his games tally but he has been an important part of the Senior team recently in the Ruck & up Forward. Winesy is skilled on both sides and very hard at the ball. All Bushrangers wish him the best for today & into the future!

**Old Carey** - Both **Nick Bull** & **Phil Konstantinidis** have recently reached the **100 game** milestone. Nick is the first of the Bull herd to reach this milestone, and has transformed himself into a senior ruckman after years after several years as a utility player. He has been heavily involved in club life both on and off the field, including end of season festivities. Fabulous Philthy has been a renowned goalkicker over the years, using his elusiveness, high skill level, and low to the ground stature to bamboozle many an opponent. Our current reserves VC has won several goal kicking awards, including winning a comp reserves goalkicking title a couple of years back. **Damian Joyce** has recently reached the **50 game** milestone. Joyce Dog was a late arriver to the club, with this Pro 30 member a solid and reliable backman who must be near the oldest 50 game milestone the club has had!

**Emmaus St Leos** - congratulate **Andrew Prosser** on reaching **200 games** in round 16. Pross started with the Under 19s in 1993 and is a hard working, dashing defender who gives great service both on the field and off, and the grey hair adds maturity to the team. Great effort Pross. **Anthony Ballard** with **100 games** in round 17, started with 4 years in the Under 19s including the 2000 flag and the captaincy. Bally was a ready made senior footballer, athletic, high leaping ruckman who runs all day and is very hard to match up. Best wishes for a long and successful stay with the Animals.

**Glen Eira Saints** - congratulate **Josh Halliwell** and **Alex Caruana** on reaching their **100 games** and **Adam Diamond** for achieving **200 games**. Well done boys!

## REVIEW

The **Seagulls** punished the **Trobers** with big guns Brendan Cocks, Tim Wheeler and Dave Lee all playing big roles in the 105-point demolition. The win was set up in the second quarter and the percentage given a massive boost in the final half as the Trobers surrendered meekly. Coach Glenn Taylor will be left pondering where it all went wrong for his students.

The **OGs** flogged **Bentleigh** by 76 points but the margin could have been greater with the flag favourite having more than double the number of scoring shots than the Demons. How well they must be traveling at Como Park that they can play big Vickers-Willis away from the goal square and still have a forward bobbing up with a big bag a week.

**Salesian** restricted Payze to just three goals and as a result beat **Peninsula** by three goals. The Pirates' ability to kick a winning score was restricted as they, managed just four goals to 10 after half-time in a worrying second-half fadeout.

A flat and uninspiring **Swinburne** put in a shoddy performance against the Hoes, leaving Manny Debono still trying to break his duck at St James Park. The **Hoes** will now be hoping the Razorbacks can defeat the Demons next week to keep them in D2 for 2006.

Out at Sunbury, **Rupertswood** ended the **Oakleigh's** 2005 campaign when it overcame a 23-point deficit at the first change to overrun the Krushers by 49 points..

**“Coach Glenn Taylor will be left pondering where it all went wrong for his students.”**

## PREVIEW

First game up for preview is in fact the first of back to back contests between **Old Geelong** and **Rupertswood** (who'll face off again next week in the second semi final) at Como Park. It should be an example of D2 footy at its best. I'll pick

Old Geelong to win, and gain first blood in their psychological war.

**Oakleigh** host **Williamstown CYMS** at Scammell Reserve in a game of little more than academic interest after the CYs wrapped up fourth spot following their emphatic win over LaTrobe. Willy to win.

**Peninsula OB** make the trek to Bundoora for their contest against **LaTrobe University**. For all the talk about Old Geelong and Rupertswood, Peninsula have also shown during the year that on their day, they can be a legitimate threat for the flag. They should show these credentials again today. Pirates to win.

**Salesian OC** take on **Ivanhoe Assumption** at Bosco Street, both teams buoyed by significant wins last week. Although other results last week went against them, the Gryphons were fantastic, especially after quarter time. Salesian to win.

Finally, **Swinburne University** have one last opportunity to break their duck in their game at St. James' Park against **Bentleigh**. The visitors however will see this as an opportunity to notch up the big win they need in their quest to avoid relegation. However, I think Bentleigh have greater things at stake, and as such will have the greater motivation, which should spur them on to a comfortable win.

## M I M I L E S T O N E S

**Ivanhoe Assumption** congratulates **Eilan "Dex" Healy** and **Joe "Iron Fist" Mazocca** on playing **100 games**. Anyone who has ever played against "Dex" knows that he always gives 100 per cent. His courage and hardness at the ball are exemplary, and he's never been one to take a backward step. The Hoes' vice-captain and former under 19s captain is also one of the finest marks around and usually lines up at centre half forward. **"Iron Fist" Mazocca** is a backbone of the Hoes' reserves, always prominent in defence and blessed with speed, agility and a big leap. His spoils have saved countless goals and frustrated numerous opponents over the years. He was also best clubman last season for his regular help with match-day duties in the seniors. The Hoes also congratulate **Phil "Porno" Cameron** on notching his **50th** game last weekend. "Porno" was one of the first Assumption old boys to join the Hoes after the combine formed in 1999. A hard-working utility who has had a lengthy apprenticeship in the ressiees, "Porno" stripped fit over summer to become a seniors regular this season.

# ... Retrospective

by Geoff Reilley

## 5 YEARS AGO - 2000

In A Section it was a big game between **MHSOB** and **Old Ivanhoe** at the High School ground. In a see-sawing game MHSOB looked to be in trouble at the final break trailing by two and a half goals. With relegation for both teams at stake, the home side drew away to win 12.9 to 10.11 and secured their place in the top grade for the 2001 season. Sherry, Pertz, Fairchild, Limbrick, Krios and Bamert (4) were really good players. Ross, Tully, J Weddle, Tieman, Hope and Corcoran gave it their all for Old Ivanhoe.

A Vale notice appeared paying tribute to **Uni Blues'** former player, Randolph Creswell. This sterling ruckman played in the victorious VAFA Carnival in 1956. Randolph subsequently transferred interstate for his engineering career and took to rugby union, continuing to play that code upon his return to Melbourne and representing the cream of Victorian rugby. Truly a unique record for this fine gentleman.

In C Section **AJAX** grabbed their chance and took second spot from **Therry Penola**. Therry fell to top team Beaumaris, 16.13 to 12.4 while AJAX won at St Bedes' expense, 15.8 to 12.9. Best for AJAX were M Segal, Dukes, Blashski, J Segal, Kalinski (6) and Weisler. St Bedes' best were McGraw, M Wintle, B Tomlinson, T Beasley, Giaquinta and Bell. AJAX forward Kalinski held a mortgage on the C Section goal kicking ladder with 71, his nearest rivals being Bocter (Beaumaris) with 49 and Hecker (St Bedes) on 47.

In D2 Section **Thomastown** made a valiant attempt to hold on to their fourth place but failed by one straight kick against the top team, **Uni Blacks**, 14.18 to 16.11. Thomastown had kicked 6.6 to the Blacks' 4 goals straight in the final term. Best for the Blacks were Beaton, Trevaskis, Bowles, Caccaviello (7), Moody and O'Beirne and for the unlucky Thomastown, Arcoraci, Gorski (6), L Smith, Lentini, A Smith and Scott.

**Parkside's** big win over **Fitzroy Reds**, 18.7 to 2.6, propelled them into the top four to take Thomas-town's place.

A change in the D3 Section top four occurred as **Williamstown CYMS** moved from third to swap places with **Richmond Central** (second). **Williamstown** did not have it all their own way against **Hawthorn Amateurs**, were down by almost 5 goals at half time before drawing level at three quarter time and then dominating the final term. Final Scores; 21.15 to 19.6. Best were Williams (8), Cocks, Sadler, Imms (4), McLeod, Manning (Williamstown) and Garlick, S Avery (7), P Avery, Ryan, Nunn and Zavarella (Hawthorn). Williams, leading goal kicker for the section, now looked set to "break the ton" and was on 96.

## 10 YEARS AGO - 1995

**Old Scotch** and **Ormond** both won their respective A Section games. Scotch defeated one of the teams to be relegated, Old Trinity, very easily 20.14 to 9.12. Ormond however had to defeat fourth placed Uni Blues and it was a much closer tussle, 14.15 to 11.12. Uni had the better of the first term but Ormond held sway at the remaining breaks and had a good last quarter to keep the result beyond doubt, 14.15 to 11.12. Connell (3), McConvill, Gilmore, Sebo, Wood and Orr were very good players for Ormond. Uni's best were Furphy, Wilson, Vandenberg, Herrald, Hutchins and McIntyre. It was all set up for the following round when the Ormond versus Scotch game would decide the double chance.

In B Section **Old Haileybury** could not lose top spot but, at the Keysborough campus of Haileybury College, they were not overly impressive against 9th placed MHSOB. Almost 8 goals up at half time,

Haileybury had every reason to think they could coast to a big victory but MHSOB, driven by the opportunity to still avoid relegation, outscored the ladder leaders in the second half before succumbing 9.12 to 15.22. The Bloods' best were Constable, Byrns, Morey (5), Bingham (3), Phillips and Walden. For **MHSOB**, Newton, Skinner, Dixon, Pamos, Archdall and Young were consistent performers.

In C Section, **Marcellin** held on to fourth place with a great win over ladder leaders **Ivanhoe** and therefore deprived **AJAX** of finals participation. It was an impressive display by Marcellin as the final score showed, 17.12 to 11.16, but it had been the Eagles' first quarter with the wind that set it up (8.3 to 1.5). Seabury, Theisz, Getson, Moran, Caffry (3) and Cooper were terrific for Marcellin and Lynch, Tucker, Buulen, Armstrong, Lee and La Rosa were Ivanhoe's best.

Two favourites at **Whitefriars**, Paul Coghlan and Noel Jenkins, both reached their 150th. Two very versatile and talented players, they had given great service to their club.

## 20 YEARS AGO – 1985

In A section the top four altered when **De La Salle** defeated **Old Scotch** in a very tight game. It was simply a hard slog and Scotch were kept in it until half time by Jim Marx with 2 great goals. De La's Shane Murphy kicked two critical goals in the third term and then their defence, led by Deveson, Leonard and Bourke, really tightened up. Andy Smith was in everything for Scotch but De La held on to take the prize 8.10 to 7.7.

## 30 YEARS AGO – 1975

In A Section **North Old Boys** were trying to wrest the double chance from **Reservoir Old Boys**. North were playing the competitive **Coburg** unit who could put themselves in contention for finals with a win. North got away to a terrific start with 7 goals in the first quarter to Coburg's 3 but Coburg kicked 6 to 1 in the second term to lead by 6 points at the main break. North with the wind in the third kicked 4.13 and could well have 'blown' it but managed to hold off the fast

finishing Coburg 12.24 to 13.12. As it turned out, Reservoir defeated **Old Paradians** and the four did not change.

**"Peter O'Donohue still supports amateur football and is one of the true gentlemen of our code."**

Important announcement in '**The Amateur Footballer**' regarding the Carnival coaching appointment for the following season. **Peter O'Donohue**, former Hawthorn VFL coach and wonderful coaching contributor to amateur ranks would be in charge of the Victorian team in Adelaide in 1976. Peter had been Assistant Coach to Gus Mitchell earlier in the season and then had coached the VAFA team against Tasmania. Peter O'Donohue still supports amateur football and is one of the true gentlemen of our code.

## 50 YEARS AGO – 1955

No change in the top four in either A or B Sections but in C Section, where a thrilling contest to decide the final four make-up was played, **Elsternwick** held on to defeat **Teachers College** and take their place in the final four. The teachers started well and held a 3 goal lead at the first break but the Wicks fought back to hold the upper hand at half time. Teachers College had most of the play in the third term but kicked poorly (3.9) and Elsternwick finally took the points, 9.15 to 8.17, and celebrated the opportunity to take out a jubilee premiership in the coming weeks.

## Review

**Westbourne** booked a ticket to the D3 finals with a resounding six goal win on the road to **West Brunswick**. With an inspired performance from skipper "Platters" Fairfield in the back line, the Warriors powered ahead early and were never threatened in a morale-boosting win.

**Power House** got the jump on **South Melbourne** and looked as though they were going to run away with it early on, however, the Swans fought back late in the match to steal the points. The win however was not enough to keep their finals hopes alive with the Westbourne victory ending their chances, while the loss for Power House means they will be down in D4 next year.

**St. Johns** bounced back to have an easy win and secure the double chance. After **UHS-VU** kicked their first (and only) goal of the match it was all one-way traffic.

**Monash Gryphons** played a spirited brand of football but were outclassed by a well-oiled Werribee machine who appear to be hitting peak form at the right time of the season. The 45-point win sees the Bees stay on top a game and percentage clear.

**The Synners** lead from start to finish to win by six goals and keep the season alive against a disappointing **Kew**. The Synners had all the answers to set up an intriguing final round for the club in their late charge to remain in D3.

## Preview

In a match that matters only for pride, **South Melbourne** host **West Brunswick** in a battle of the birds. For my pick, I am going for the home side to finish on a high with a 15 point win and perhaps relegate the Maggies to the away rooms next week should the Warriors get up.

Another match that matters little in the scheme of things and as such is a difficult match to analyse is the Westbourne v St. Johns game. The Warriors have been fantastic in the big matches this year, but have struggled in the "lesser matches" and as such, I think the Jocs will get up today by 22 points.

In a battle of the students, **UHS-VU** host Monash today in a match that has great significance for the club. The Vultures have a great deal to play for as their D3 fate rests on the result, however, they meet a Gryphon side that has been getting

**"The Vultures have a great deal to play for as their D3 fate rests on the result."**

better each week. Gryphons by 28 points. Given the result in the UHS-VU v Monash match, a win today for **Syndal** over **Werribee** will see them pull off a miracle and stay in D3 for 2006. On the flip side, the Bees have little to play for though they would still like to have the psychological advantage of finishing on top of the ladder going into next week. If the Richardson boys can get on top up forward, I think the Synners will stay with us next year with a huge win for the club. Synners by 11 points.

The **Kew** versus **Power House** match is being played for nothing else but pride. Given the form slump of both sides, picking a winner is difficult, but I cannot go past the Browns at home. Kew by 24 points.

**St John's** - congratulate **Kane Arnold, Darryn O'Connor, Liam Mara and Michael Kosmala** on reaching **50 games** this weekend. All joined the club in 2003 with Kano, Dasha and Kossie coming through the Under 19's and Mara straight into the seniors. All are have been in fine form this year and will play an important part for the club in the finals and in the years to come.

**UHS - VU - 50 games to Dean Forbes.** Forward Pocket goal sneak who is a great converter. for Congratulations from all at UHS & although in the twilight of his career we all believe that there are a few more goals left for Deano!

**Kew** - congratulate **Robbie Bruno and Dean Wood** on each playing their **200th game** today against Power House. Robbie joined us back in 1988 and bar for a serious knee injury would have played more games especially at senior level. Restricted by his knee, Robbie became a key reserves player, being a triple B&F, Reserve VC and a member of 1988 and 1998 Premiership Teams. A terrific clubman, Rob's work as club Vice President earned him the coveted Best Clubperson trophy (2002). Dean joined us in 1991 from Parkside and immediately stamped his mark as a rover/centre. Over the years Deano has been a triple Senior B&F winner, Vice Captain and booted 121 goals. A tremendous effort from two great Kew players. All at Kew wish both well in their future aspirations at KFC.

## Milestone

Last week field umpire Max Wittman ran his 150th VAFA game in the big match between Williamstown CYMS and La Trobe Uni. Max has over the years helped young umpires with advice and shown the way by the standards he sets, when partnered with them. Unfortunately his partner last Saturday (AD) was not young. Well done Max and hope there are more games for you. Thanks also to Williamstown CYMS for the hospitality given to Max on the day.

***“Max has over the years helped young umpires with advice and shown the way by the standards he sets, when partnered with them.”***

## Trainers

Just a little thank you to the club trainers and the work they do. Last Saturday a Salesians Scorpions U/19 player came under some friendly fire and required some medical attention. Trainers from the opposition club (Hampton Rovers) got to him first and kept him calm while an ambulance was called. Great effort from these people, who are volunteers. Once again the true VAFA spirit was shown.

## Push-ups

An absolute crowd pleaser at Camberwell last Saturday when the enigmatic goal umpire Bernie Hoare landed flat on his face when about to signal a goal. He laid there for what seemed an eternity. As you could imagine the sympathy was flowing....not. A few players informed him of the score with

big smiles on their faces, and his supposed mate the field umpire suggested that he “give us ten” while he was down there. Bern, save those theatrics for the big stage of finals at Elsternwick in September. (Lentils would have loved the “panto”.)

## Retirees!

Yes, we know the season’s been long and the body is starting to grind to a halt, but don’t give it away just yet. There’s always one more season left in the body. Your involvement helps VAFA footy survive. Come back for the pre-season in 2006 and have another crack. If you’ve got any mates out there who are interested in umpiring or even any current umpires who may be interested in changing football competitions – join the VAFAUA. For more details on what to do and who to see, contact the VAFA Umpire Operations Manager, Brian Goodman on 9531 8333 or email [brian@vafa.com.au](mailto:brian@vafa.com.au) and we’ll have you on board.

## Social

Don’t forget our next big social function is the Pre-finals Dinner to be held at the Victoria Club this coming Monday August 22nd. This is a compulsory function so if you are unable to attend please contact John Robinson as soon as possible. Our guest speaker this year is “the voice of the AFL – Craig Willis”. A big night with a big after-party!!

And to drain out what we’ve put in the night before, our next “Blood Drive” is the night after on Tuesday August 23rd. See Brendan Corcoran for details.

**RESPECT THE GAME – RESPECT THE UMPIRE!**

Round 17 had a bit of everything with close games, come from behind wins and big margins, with the race for 2nd place being kept alive.

### Round 17 Review

**Elsternwick** travelled to **Box Hill North** with the aim of keeping momentum going in their last hit-out before their finals campaign. And all went to plan, despite some very ordinary kicking for goal that kept the game close to half time, the Wicks running out 114 point victors.

**Albert Park** started strongly, but wayward kicking meant they failed to take full advantage and kept **Eltham** in the game. This would come back to haunt them as the Turtles finished strongly on the back of a strong breeze, coming from 10 points down at the final change to run out 15 point winners. Luttick was the key to the comeback.

**Hawthorn** visited Ferndale Park hoping to secure the double chance and jumped out to a great start, leading by as much as 45 points in the second quarter. But in a true testament to their never say die attitude, **St Mary's** hung in and with D'Astoli racking up possessions, by the final siren the Saints took the vital four points by a margin of 9.

**Richmond** hosted **Bulleen** with the Cobras chasing percentage to take advantage of a Hawthorn loss. And they delivered in spades. Badanjek and Cookson kicked 27 goals between them as they moved into second position and took favouritism to finish there after 18 rounds, victors by 202 points.

**"Hawthorn visited Ferndale Park hoping to secure the double chance and jumped out to a great start,"**

### Round 18 Preview

So with only four games left to play in the regular season, it comes down to a shoot out of percentage, with Bulleen, St Mary's and Hawthorn all on 48 points and all playing

sides in the bottom half of the ladder. Nigh on impossible for St Mary's to get there, and the Hawks would need to win by roughly 100 points more than Bulleen. I know which pair of footy boots I'd rather be in.

**Eltham** will host **Box Hill North** at the wide open expanses of Eltham College hoping to finish the year on a high despite the disappointment of finishing outside of finals. The Bock's have given good accounts for part of games in the last few weeks, but it's hard to see them troubling the home side for 4 quarters.

**St Mary's** travel to **North Brunswick** and may well be thinking conservation rather than attack, not wanting to pick up any injuries heading into the first week of finals. Allard Park isn't the most welcoming of grounds, but the Saints should have enough to win.

**Hawthorn** welcome **Richmond** to Rathmines reserve and will be hoping the Tigers don't bring their backline along. It's been a long season for the boys in the black and gold and they'll be happy to see the end of it. The Hawks will win, but not by enough to avoid an elimination final against their Round 17 nemesis.

In the final match, **Albert Park** will travel across town to face a **Bulleen** side in awesome form. The Falcon's have played some good footy in the last few weeks, but a rampant Cobras outfit should secure their appointment with Elsternwick next weekend.

# M I MILESTONES E S

**Elsternwick - Matt Surman** recently played his **150th** game for the Wicks. Moving from Gippsland, he has been a durable utility, playing on the ball and recently in defence. Despite his recent engagement, it's hoped he'll reach his 200th in a few years time. **Jon "Pockets" Yem** celebrated his **100th** game in Round 15. A dashing and courageous backman with a raking left boot and a future leader of the club.

**St Mary's - Congratulations to George "Doc" Koumantatakis** on playing his **100th game** last week. George has been a great servant of the club as a player, Reserves coach and President and showed great spirit coming back from a broken leg in 2003. **Justin Hendy** plays his **100th game** this week. A very fit experienced player who has comeback from a broken back in a triathlon mishap. Justin is very versatile and uses his guile and courage to help the younger players. **Tim "Ray Martin" Cummins** plays his **50th** game this week, which has included several senior games this year. In his 3rd season at the club he has developed into a very handy utility who gives his all and is part of the reserves leadership group. **Luke "Wiz" Anthony** is due to play his **50th** game after battling many injuries. On his day the enigmatic forward makes many defenders nervous, with his courage and marking a sheer delight. This milestone has been a long time coming...Well done Wizzie!

**Hawthorn - Shane "Viper" Parker** played his **150th** game in Round 14. A member of the 1998 premiership side, the Viper is skipper of the seconds and leads by example with his hardness and ferocity at the ball, despite rarely training and having not yet paid his full subs.

# U19 SECTION

by Fraser Cameron (U19 2, 3 & Blue)  
& Cam Nation (U19 1 & Red)

## Section One

Collegians time on top of the section one ladder came to a sudden halt last weekend, thrashed by a strong Old Xaverians side by 40 points. Kicking eight goals to two in the opening term of football, Xavs looked far too good for their ladder-leading opposition who will be lamenting their missed opportunity to finish the season as minor premiers. In the round's other games, Marcellin continued St Kevin's downwards spiral with a hard-fought 10 point win at home, St Bernards managed fifteen goals but still dropped 66 points short against Uni Blues, while De La were far too good for Old Brighton in their 77 point win.

The final weekend of home-and-away football for the season, and while the majority of sides will be out celebrating 'Mad Monday' next week four will remain in the hunt for finals glory. Marcellin have already been crowned minor premiers regardless of what happens on the weekend, and will be joined by Collegians, De La, and most likely Uni Blues in the finals series. Uni Blues need to win this weekend against Old Brighton to secure their spot in the four, but a loss would still result in qualification unless Old Xavs were to beat De La away. Collegians will be fighting to retain the second chance when they host St Kevins at Harry Trott, while plenty of pride will be on the line when Old Scotch host St Bernards. Tips: Collegians, Scotch, Uni Blues, De La.

## Section Two

Two teams have already hung up the boots this season, and it's time for 4 more to join them after the completion of Round 18. It's all academic in Section 2, where the only question is - will Banyule hold on to the double chance? The manner with which they disposed of OMs suggests yes, as they won each quarter comfortably and prevailed by over 20 goals. Their opponents, Caulfield, put up a very stern fight against the league leaders, who started appallingly with 7 straight points. Both Goolds were good for the Fields, whilst Carey had quiet day, despite getting the 4 points in the end. A woefully inaccurate, and undermanned Friars dominated early and led by 45 points at the main break, through Keogh, Harris and D'Alonso. However, the Sharks caught them napping with greater intensity around the packs, and motored

home on the backs of Imlach and Bliesner for a shock 4 point win!! The Wellers had a rest whilst Rupo kicked 11 first quarter goals, before withstanding a challenge from Trinity which saw the margin reduced to 4 goals just before lemon time. In the final term, Rupo ran amok as Allport, Dean & Harrison did as they pleased. "Bones" and "Mars" were tireless workers for the T's. Tips: Trinity, Rupo, Banyule, Camberwell and OMs

## Section 3

Casting aside pre-match concerns regarding the suitability of the surface, the undermanned Raiders and the Jackas played competitive spirited football from the 'get-go'. It was only in the last quarter that the top side broke clear to overcome a very determined and spirited Jacka outfit. AJAX were pleased with the direction of Spilberg whilst Solomon was strong for Parade. Elsewhere, the Tigers played great 1st and 3rd quarters against La Trobe to shore up 4th spot, leaving MHSOB with the task of unseating them. Uni Blacks are well and truly back, comfortably accounting for Old Ivanhoe in a consistent and

***"It's all academic in Section 2, where the only question is - will Banyule hold on to the double chance?"***

solid effort. Kudos go to Rusenlis and Pagewood for Ivanhoe, as well as Legoe and LeMatire (oui, oui!!) for Le Blacks. Despite a big win over Bentleigh, MHSOB's must defeat St Bedes Mentone Tigers to replace them in 4th. Fraczek and Bailey played rippers for the Unicorns, who finished with a bang. Finally, in the battle of North Road, it was the boys from Scammel who prevailed easily over Monash. Chapple and Schenker had days out for Oakleigh, whilst Shopov and Barton were shining lights for the Varsity.

**Tips:** St Bedes MT, Bentleigh, Oakleigh, AJAX & Uni Blacks

### Section Blue

Salesian and Hampton fought out a four quarter arm wrestle, with both defences dominant. The Scorpions backline of Crowley, Silk, and Dunne were outstanding all day, repeatedly providing the attacking drive out of defence. The Scorp's "best-on" honours, went to Togia whose marking and ruck tap-outs all day were superb. Salesian finished 9 points clear at full time. The Bloods registered a pleasing win over De La (2) with Johnson going on a rampage in front of goals with 8 biscuits. Fankhauser starred for Haileybury whilst Morwood and Marino were solid contributors for the vanquished. The blustery conditions and Mazenod's inaccuracy in front of goals made for a close game at Central Reserve last Saturday. Mazenod squandered many opportunities whilst Oakleigh Clayton were far more direct and accurate leading to and in front of goals. Bogar again saluted the scorers with almost half his side's goal tally, whilst the O'Clays were well served by Nyguen and "Happy" Gilmore. Yet another Ormond shoot-out ensued as they tackled the Pirates, who needed to win to stay in the race. Peninsula kicked the first 5 goals, and were still in the hunt at half time, but fell away in the premiership quarter. Good to see Nick Ryde back for Ormond after missing half the season (good timing Nick!).

**Tips:** Salesian, Old Haileybury, Ormond, and Hampton.

### Section Red

Emmaus St Leos continued their charge towards the Section Red flag last weekend, destroying Rupertswood by 200 points in their biggest win of the season to date. Slamming home 36.23 to 6.3 for the afternoon, Emmaus sent a strong message to all their finals rivals, and look near unbackable favourites going into September. Croughan kicked ten for the winners, and Hickey, Lator and Quirk all five, with their 15-goal-to-1 first term having statisticians reaching for the record books. In the round's other games, Bulleen Templestowe upset Aquinas by 39 points, Fitzroy's hopes of playing finals were shattered with a narrow 13 point loss to Kew, while Old Westbourne booked the final spot in the four with a thrilling 4 point win over Therry Penola.

Aquinas host Emmaus St Leos in the final round of the home-and-away season, with the two top-of-the-table sides tipped to meet again in three weeks time. This weekend's match will determine just how far ahead of the rest of the competition Emmaus St Leos really are. Aquinas are fighting for the second chance, but Emmaus just look far too good on paper, Emmaus by 29 pts. In the round's other games, Kew should move to second on the ladder with an easy win over Old Scotch, Rupy will try to salvage some pride when they host finals-bound Old Westbourne, while Fitzroy and Therry will aim to finish the season off on a high in a game that a month ago was expected to be a battle for a spot in the four.

**Tips:** Emmaus, Kew, Westbourne, Therry.

# CLUB XVIII SECTION

by Norm Nugent

The Darwinian theory, "survival of the fittest", certainly was borne out at Sportscover Arena last Sunday when all Club XVIII players and spectators were subjected to Antarctic like cold and a howling northerly wind which markedly favoured the southern end throughout the three games.

Until the final five minutes of the Section 1 match, I thought I had tipped the card. However in the end I had to be content with two successful tips.

## Review of Preliminary Finals.

### Section 1

If ever defeat was snatched from the jaws of victory, this result was the time.

**Prahran** set the pace from the outset and with Butterworth doing well up forward, Macpherson dominating on a wing and the defenders clearing **St Kevin's** forward thrusts with regularity, Prahran looked to be on their way to the Grand Final. Prahran led at each of the changes and with a lead of twenty seven points going into the last quarter, the "Two Blues" seemed Grand Final bound.

During the third some sagacious spectators had an inkling that the tempo was changing as Prahran were slowing down. In the final analysis, a goal into the gale by St Kevin's proved a match winning effort.

Prahran moved players around and so much of their earlier drive was lost as Butterworth and Macpherson disappeared from the contest. Aided by two lifting goals from big forward O'Brien, St Kevin's constantly surged forward and by the seventeen minute mark, they had drawn level. Scores remained deadlocked for the next four minutes until another St Kevin's goal broke the nexus and the Prahran spirit. Prahran midfielders strove hard but they were unable to break through for an equalizing goal. It was a remarkable turnaround and certainly St Kevin's showed a game is not over until the final siren.

### Section 2

**Old Xaverians** started well with the gale and led by twenty one points at quarter time. Their second quarter effort to kick three goals into the gale, while restricting **Fitzroy Reds** to five goals with it, enabled the Xaverians to lead by twelve points at half time. They built their lead in a hard fought third quarter and went into the last change leading by twenty nine points.

The last quarter passed quietly with each team kicking only one goal. The Reds were unable to

bridge the gap with the wind and could not take advantage of a loose man for a most of the last quarter. At the final siren, Old Xaverians were in front by thirty two points. They were well served by Michael Meehan, their unobtrusive forward with three goals. Others to do well included Jake Richards, whose sparkle around the flanks rivaled his poise on the club circuit. Fitzroy Reds had good players in: Rowan Enright, Paul Crowe and Adrian Marcon.

### Section 3

After a low scoring opening quarter, **Caulfield Grammarians** broke away from an inaccurate **Fitzroy Reds** to lead by twenty seven points at half time. Although the Reds were able to post three goals in the third term with the gale, their earlier inaccuracy meant they still trailed by eight points at the last change. Caulfield Grammarians controlled the final quarter, despite inaccuracy and ran out comfortable winners by thirty points. The winners were well served by: Travis Backman (four goals), Ben Jenkinson and Rowan Saunders. For Fitzroy Reds, Clark, O'Reilly and Maggs were best.

## Preview of Grand Finals.

### Section 1

**Old Xaverians** and **St Kevin's** meet for the fourth time this season. The Xaverians seek their tenth successive premiership and their thirteenth in the past fourteen seasons. St Kevin's are in their first grand Final since 1988 when Old Xaverians defeated them in H Section. In their three previous meetings this season, Old Xaverians have won each time. Two weeks ago the margin was twenty points in a fairly low scoring match.

It is difficult to see St Kevin's winning because of the all round depth of talent of the Xavier combination. They have a reliable forward in Patrick Hall, other goalsneaks like the Hardwicks and veteran David King, whose cameo performances are valuable to his side. Tony Landrigan still wins his share of the ball while Bart Calman had a good day in the Semi Final.

St Kevin's showed great determination last Sunday to rise up and win against the odds. Their forwards led by O'Brien and Horrocks can be relied upon to play well Dominic Dunn, the Dillons and Kearns must again do well to keep St Kevin's in the contest.

Old Xaverians deserve favouritism and are my selection despite the determination, St Kevin's will bring to their task.

***It is difficult to see St Kevin's winning because of the all round depth of talent of the Xavier combination.***

### Section 2

**Old Essendon** and **Old Xaverians** meet for the fourth time this season. Old Essendon peaked two weeks ago when in a powerful exhibition they virtually won the game through a six goal burst in the second quarter. Their twenty six point margin was by far the greatest margin between the teams this season.

Old Xaverians survived a hectic clash last week and they may be sore today. Old Essendon will not give way easily and they will be the bigger of the sides. Old Essendon will apply vigour although the younger and lighter Xaverians stood up to physical pressure last Sunday. Can they do so again? Old Xaverians surely will be ready for Old Essendon's greater use of man on man and contested marks, which will slow the play. I am reliably informed that the Old Xaverians are rocket powered and ready to take off their first Section 2 pennant.

I select Old Xaverians on the basis of their record this season and on the speed of their younger players, who can outrun their opponents.

### Section 3.

**Whitefriars** will start favourites to defeat **Caulfield Grammarians** for the fourth time this season. They were comfortable winners two weeks ago when Caulfield went down by forty seven points. Their unfortunate draw, coupled with the tiredness of their legs prompt me to select Whitefriars to win their first Club XVIII premiership. Through, Coach, Norm Elliott and veteran, Peter O'Brien, Whitefriars have two reliable goal kickers who should post enough goals to ensure victory. The match last week in trying conditions may take its toll today on Caulfield Grammarians, whose draw has prevented a lot of vital game time, which has prevented match fitness for many of their players. Whitefriars are entitled to favouritism and they should justify it by winning the pennant.
