

Inside the VAFA

The New Coach Factor

If recent history is any sort of guide, Old Melburnians look primed to win the A Section flag this year. Before you reach for your spectacles and/or a cyanide pill, here is the reasoning....

A remarkable trend has emerged in amateur football recently, which has seen clubs that opt for a new coach rewarded with an immediate premiership. Whether it be the transient nature of amateur teams or the simple fact that young footballers constantly need new challenges and mentors, the old phrase "whatever is new is good" is particularly applicable to the amateurs.

The current man in the mahogany chair, Michael Sholly, achieved the feat in 2003 with an Old Xaverian team that many believed was past its prime.

"New coaches bring new ideas, new drills and most importantly, new players," he said last week. "It happens in all the Grades, a guy will come in and provide a new energy, get the place moving again".

Simon Dalrymple (2001) started the trend after inheriting the top job at Marcellin, who had avoided relegation by a bee's backbone the year before. Peter Nicholson duly followed suit at St Bernard's, utilising his experience at Springvale and his reputation as something of a maverick to bring the pennant back to the Snakepit.

Like Sholly, John Kanis had no senior coaching experience, though he had cut his teeth as Hawthorn's runner and opposition analyst. Almost overnight, he transformed the underachieving Uni Blues into the glamour club of the competition. "We didn't make any wholesale changes, a few players walked in off the street and everything just

seemed to click" he says.

In B Section, the story is similar. Dave Murray crossed from Mazenod to coach St Kevins last year and immediately delivered a premiership and promotion. The previous year, debutant Tony Miller guided De La Salle to an unlikely premiership from fourth position. In keeping with the vagaries of local football, he was then given the flick!

A recurring theme is the fresh players that a new coach can bring to the club. Simon Madden has already set the wheels in motion at St Bernard's, luring Sam Crouch (Assumption College & Coburg Tigers), Jay Cheep (a state Under 18s player, via Geelong), Danny Roach (ex Collingwood) as well as his son Josh (Bendigo Bombers) to help offset a big summer exodus.

Likewise, Dean Rice has joined Old Melburnians after coaching Wonthaggi to successive finals' appearances. My inbox is on the point of meltdown with e-mails pertaining to the intriguingly named Emile Studham, a fellow Wonthaggi player who made an auspicious debut for OMs last weekend. With a side act as the team's fitness adviser, the boom recruit has been described as "the best player to play at the club for a decade" and "the fittest player in the amateurs". Whatever the case, players like Studham invariably spice up the competition.

So will it be Dean Rice at OMs, Nicco at Old Haileybury or Simon Madden at the Snakepit? In B Section, can Tony Egan at NOBS, Steven Wright at Caulfield or David Calthorpe conjure up a premiership miracle?

After my recent disasters on the tipping front, I'm staying well and truly quiet.

Mortgage the Scribe

Well, didn't that go well? OK, let's get this over and done with. "Mortgage the house", I beamed last week in regards to Old Xavs and if you were dingbat enough to listen to me, we'd have a crisis of Pyramid proportions. With very little pre-season hoo-ha, **St Bernard's** blooded a new look side, with seven debutants and eleven players who missed last year's Grand Final and did it on their ear. Josh Madden (Bendigo Bombers), Darren Ballarin (EDFL), Danny Roach (ex Collingwood) and Callan Potter (Rupertswood) are the new breed of Pitters.

And **Xavs**? Well, let's just say that the marathon is rarely won by the bloke from Greenland waving to the cameras as he is first out of the stadium. Long term, as players filter back, they should be fine though the same old problem persists at Toorak Park: Who's going to kick all the goals?

Marcellin won the Bulleen derby, minus Bernie Dinneen (Vermont) and Mark Browne (Montmorency), which was an upset of sorts given that a lot of people around the traps were prophesising doom and gloom at the Eagle's Lair. Must have been ball tearingly boring in the first half with only a goal apiece but Marcellin hung on to win by eight points over their long time rivals.

Likewise **Haileybury**, with the rare luxury of a full list, upset **Scotch** by a point after a long Michael Barker behind in the dying seconds nailed the Cardinals (who were 6 zip halfway through the first term). Have a look at the list of Haileybury's best. All guns and with Nicco's scheming, out of left field moves in full swing, the Bloods look set for a big year.

The two teams I really sank the slipper into, **OMs** and **Collegians**, went hammer and tong early before the home side cruised home to a nine-goal victory. It irks me to say it, but I reckon I may have been a bit harsh on OMs; they have a full list, new ("cough") fitness coach Emile Studham is by all reports a pretty intimidating sort of player

and Hugh O'Brien back from travel will add some much needed grunt to the backline. Speedster

Huw Lacey, formerly of the Murray Bushrangers, was adjudged best on ground.

And finally to **Uni Blues** v **St Kevins**. All the ingredients were there at Melbourne Uni. A sunny autumn day, the unfurling of two premierships flags, a celebratory lunch, chicks running round in hockey outfits, a starter's gun scaring the beejeesus out of me every time it went off, the best Peter Brock look-alike in the amateurs umpiring and two hard at it, entertaining teams on the turf.

Uni looked a little rusty to be honest but showed patches, particularly in the second quarter, when it looked as though it could turn the game into a rout. Mark Paterson was clearly best on ground but some of the blokes from the reserves flag, Mark Rigby and Josh Tanner, looked right at home in senior ranks. Luke North and Tim McIntyre are two of the best backmen going around and cleared the ball repeatedly while Rob Wilkie back from the WAFL adds some much needed height.

For SKOBS, who went in minus Simon Garlick,

they'd come away pretty content though they did miss some absolute duffers in front of goal. McKee looked particularly underdone though he did turn it on in the final term (with Matt Lucas, who looks every inch a game breaker, lurking ominously at his feet). Lucas aside, there's no real stars there but SKOBS look honest, relentless and very much capable of unsettling the status quo.

Selections.

Well this should be good. All right then, let's go Trinity, Old Xaverians, St Kevin's, St Bernards and Uni Blues.

University Blues - congratulate **Tom Wilcox** on playing his **100th** game in Round1. "Steggles" joined the club in 1996 and played in the U19's where he earned selection in the VAFA U19 representative side. In addition to being an enthusiastic and entertaining Clubman, the likeable red-head has contributed strongly on the field with Blues in his role as co-captain (1999) and premiership player (2004). Tommy's contribution to the atmosphere and performance of the club is second to none and we hope he can continue to get up to his old tricks for many seasons to come. Well done Tommy.

Old Haileyburians' - congratulate **Andrew Kight** on playing his **50th** game for the Bloods this week. Andrew began his career in the Under 19's in 2002, and has impressed all at the club with the courage shown on the field by a player of his slight build. Very quiet and unassuming around the club but one of the most popular players at McKinnon. Well done 'Kighty'.

REVIEW

Old Ivanhoe and **MHSOB** played a terrific tussle until half way through the third where the extra strength and fitness of the Hoers took over and they came away with a pretty good win..

Best weather at the **Beach Road Oval** for many years. Can you believe it "No Wind"? It was an entertaining game played at breakneck speed especially early. Bad kicking by both sides had the match in the balance at orange time but the home side in front of their home crowd finished the stronger to run out 25 point winners. A rude introduction for **Caulfield Grammarians** out at the picturesque Park Orchards. **The Friars** took control of the game early doors and from then on never looked back causing the Fields to continually chase tail in a disappointing start to their tenure in B Section.

De La Salle used their home ground and fast running game to their advantage to record a convincing win over **North Old Boys** down at East Malvern. Good for the confidence to start the season with a win. Central Reserve saw a close tussle up until half time. But a 6 goal third quarter set it up for **Mazenod** and although the **Tigers** fought back and won the last the damage was done.

PREVIEW

Some very interesting games in Round 2 with every one of them a chance of going either way. A tipster's nightmare.

De La Salle travel out the Freeway to tackle **Old Essendon** at the school Oval. De La's confidence will be high after a good win but the boys from the Grammar were not disgraced last week and on their home ground will walk a bit taller. In the first of some strange selections I will tip the home side to win.

No matter what **St Bedes Mentone-Tigers** are always hard to beat at

Brindisi Street. Some notable inclusions will make them a better balanced side this week and will help their cause. But having said that **Old Brighton** are a very good side and are not to be underestimated this year. I rarely am game to tip against the Tigers at home but feel it will take a few weeks yet till they click properly so will stick with the Tonners.

Caulfield Grammarians welcome **Mazenod** to Glenhuntly. Promises to be a great tussle between two young and evenly matched sides, making it very hard to tip a winner. I think that Caulfield at home will be a better unit but winning form is good form and I have to stick with Mazenod.

NOBS play their first game of the season at the Gillon against an **MHSOB** side who were far from disgraced last week. A couple of injuries do not help their cause and if the defence can keep Simon Minton-Connell quiet then the High have

more than enough ability to win the game. Match of the Round takes place out at Pine Lodge where **Old Ivanhoe** welcomes **Whitefriars**. Should be a beauty this plenty of A Grade experience on both sides both have excellent defences, terrific midfielders and some good key forwards. The thing that sways me is the summer mail was strong for the Hoers and that combined with their home ground advantage has me tipping the Brown and Whites today.

Caulfield Grammarians - congratulate **Mark Liddell** as he notches up his **150th** game against Mazenod this week. Mark's accolades include 2 Premierships and 4 VFA representative jumpers and since Delly joined "The Fields" in 1995 straight from the school, he has made an instant impact with his sure hands, dancing feet and precision use of the ball by foot.

Steve Kendall played his **100th** game for Caulfield Grammarians against Whitefriars last week. "Stinga" has carried on a proud family tradition at the club in wearing the Number 5 jumper with pride. Reserves B&F winner and 2002 Premiership player, Steve has cemented a spot in the ones with silky smooth skills, hard running and relentless attack on the footy.

Well done "Delly & Stinga" from all your mates at The Fields.

VAFA UMPIRING

Umpiring in season 2005 is full of expectations, learning, participation, developing, and above all enjoying the game we love.

A major part of umpiring is to **understand the rules and interpretations** so that we can adjudicate in every match to the best of our ability in a fair and just manner.

So how do umpires **improve** their umpiring performance from one week to another?

- Attend training and get as fit as possible.
- Attend coaching sessions on a regular basis.
- Read up on new rules & laws of the game.
- Umpire within the "Spirit of the Laws"
- Being consistent with our interpretations

All of the above is paramount to becoming a good consistent umpire but **there is more**, a whole lot more, such as:

- Meeting the coach's & captains before the start of each match.
- Attending the aftermatch activities and being prepared to discuss the game with coaches and players. (It is discouraged to discuss isolated incidents as that puts every umpire in a precarious position)
- Having a chat with officials & supporters and understanding their frustrations.

To **improve the rapport and relationship between umpires, players and coaches** I believe we should be engaging in a lot more interaction and providing a service to the clubs.

I also would like to see umpires have the respect of players, coaches and clubs but we must recognise how important the umpires' role is.

How do umpires gain this respect?

- By showing that they understand players frustration and umpiring with some empathy.
- By being enthusiastic and demonstrating how important the role of an umpire really is.
- Umpires attending clubs training nights to participate in training and skill drills, that way all parties can gain an understanding of each other's situation. Umpires can also explain any clarification of rules or interpretations.
- Giving constructive feedback to the Umpires Adviser on a regular basis and even providing a video of the game, as this will assist with coaching umpires.

Clubs that have already participated in having umpires at training during 2005 are:

Fitzroy Reds	Old Ivanhoe
Old Scotch	Old Camberwell
St Kevins	Mazenod

Clubs that will be joined by umpires during the season soon are: Old Trinity & StBernards.

If any coach would like to have umpires attend training for any reason please contact: Brian Goodman on 9531 8333 or e-mail on brian@vafa.com.au

OUR ON-FIELD LEADERS

Congratulations to **Stuart McCully** (Captain) and **Matty White** (Vice Captain), the recently appointed on-field leaders of the senior team for 2005. They will be supported by **Ewan Thompson** and **Rhys Limbrick** as DVCs. Stuart is in his third year as Captain whilst the other three players all had the VAFA rep siders in 2004. Their experience will be instrumental to the whole club this year as we step up to the demands of B Grade.

The Captain of the Reserves is **Adam Lust**, with **Paul Rujevic** as his Vice Captain. **Tom Fraczek** and **Stuart Moore** are the DVCs.

Brad James, the coach of the Under 19s, was eager to

announce at the Jumper Presentation Night that **Will Taft** would be captain of the Under 19s this season. Will will prove to be a most inspirational captain to all players at this level.

Anthony Cassell, who has been VC and DVC of the senior team for the past couple of years, stood down to allow for a group of younger players to have their turn on the leadership group.

Jayden Pertzel and **Drew Fairchild**, both former senior captains, also add great experience on the field in the senior team.

We wish all leaders the very best for 2005 with their respective teams.

Captain: Stuart McCully

Vice Capt: Matthew White

The Wellers and Vultures are the talk of the competition following their emphatic first up showings. The Blacks continue their winning ways, as the Sharks find the pizzazz when needed and the Rovers had their noses in front when it mattered most. To the vanquished, there are four other sides also winless and today you can even the ledger.

REVIEW

A rampaging **Wellers** unit gave **Paradians** a rude wake up call into C Grade. 36 scoring shots to eight at the final change outlined the home side's dominance. Amongst a host of goal scorers, former AFL player Taylor snagged seven, whilst Mitchell and Clyne, regularly turned defence into attack.

After an even first term, the **Vultures** split the **Bears** apart in the next two stanzas slotting 16 large to three. Hecker and Kight shared 11 majors and the Sullivan's were busy. Gayfer tried hard for Banyule.

Haynes and Woods' four-quarter efforts helped earn **Blacks** their first win. **Therry** battled all day and Edwards was outstanding kicking all seven home side goals, but with Evans back in the fray and the Kemptons flying, Uni were always in command.

In ideal conditions, little separated the **Sharks** and the **Blues** and the game was only broken up when Beauy kicked clear in a 20 minute third quarter burst. Catlin & Matulick were impressive for the victors, whilst Holloway was lively for Monash.

Ajax and **Hampton Rovers** played out the only Rd. 1 thrilling clash and it was one that ebbed and flowed all day. With Duddy and Fletcher influential, the home side survived, but Heinz, Sutton and Routman nearly got the visitors the four points.

PREVIEW

Beauy hosts the **Vultures** in the match of the round. Local derbies are always fierce

contests and there will be more than just bragging rights at stake, as the clubs aim for a 2-0 start. When required last week, the Sharks found the extra winning gear and their recent B Grade hardiness, will get them across the line.

Monash will witness the unfurling of **Blacks** 2004 pennant and then attempt to stem the home side's run of victories. The Ashers took it right up to the Sharks and the game was closer than scores suggest, whilst the Blacks were solid in their return to C section. The intensity will be high for the full four quarters, but winning is a hard habit to break and last year's premiers will prevail.

It's been over 50 years since **Paradians** were in C Grade and it's probably been a lot longer than that, since they copped a C Grade shellacking like last week. A proud club, they will be keen to atone, but **Therry** will be just as eager to notch their first win. OP coach Dale McCann, would have pointed out Rd. 1 is gone and for the boys to focus on Rd. 2 and that's why they will win.

Another team to endure a torrid opening week was the youthful **Bears** and they will be hoping that their fortunes can also be revived. The **Rovers** journey to Heidelberg and buoyed by a first up win, they will only get better and will be undefeated at day's end.

Can the **Wellers** back up last week's white-hot performance? Having scrapped so hard in just falling to the Rovers, **Ajax** will be hoping they can't. The Jackas will need all guns blazing to stop the ladder leaders, but OC having sent a warning of their 05 intentions, will back it up, with victory this afternoon.

Glen Eira - congratulations to club stalwarts **Alex Tsirogiannis** [club captain] and **Luke Pryde** on reaching their **100th** game, from all at the Glen Eira Saints.

Old Camberwell - congratulations to **David Mitchell** who will play his **100th** game for the club this weekend against **AJAX**. Ditch joined the club in '99 through our U19's. He was an important part of the premiership team that year and also the following year. With his height advantage, Ditch has developed into a skilled defender who has the ability to push up the ground creating a potent forward option. All at the club congratulate David on reaching this milestone & wish him many more great games to come.

- Ormond AFC player 1948-50
- VAFA Umpire 1953-1960
- Boundary Umpire Olympic Exhibition Match - 1956

- VAFA Tribunal Member 1980-

David Calthorpe had a busy day on Saturday. Firstly he had to trek across town to coach Old Essendon in their Round 1 clash against Old Brighton at the Beach Oval. Then he quickly had to get on his bike and head to Telstra Dome for the Essendon v Geelong clash where he is Kevin Sheedy's runner. If that wasn't hard enough he had to fill both runners shoes as John Barnes was suspended by the AFL for coaching. There is some respite for David as the Bombers don't play until Anzac Day.

FTLOTG's curse continues this season. We gave **Cameron Bruce** a wrap last week and first tackle of the game against St Kilda saw him dislocate his AC joint that will keep him on the sidelines for up to 6 weeks. He might be able to see a few more MHSOB games while he recovers.

VAFA Executive **Tom Brain** had an enjoyable luncheon at Old Camberwell followed by the after match Mazenod celebrating Leah Gallagher's 350th game as an umpire. Driving home he got pulled over by a booze bus. Nervously he blew into the breathalyzer and waited anxiously as the constable looked at the results. "You're free to go Mr Brain." What was Tom doing with those Crown Lagers - feeding the plants?

The **Westbourne Warriors** were privileged enough to have **Ron Barassi** speak to the club for well over an hour after their final training session of the pre-season. The VFL/AFL legend spoke very favourably about the virtues of Amateur football as well as how he saw the club's progression in the future in one of Melbourne's fastest growing suburbs. An interesting comment made by the great man was in reference what he believed was the greatest team he had ever seen, to which he responded the current Brisbane Lions squad. Not sure if he would like to reconsider after last weekend's AFL results?

OF THE GAME...

Congratulations to **Drew Fairchild (MHSOB)** on his recent wedding to Danielle. In true VAFA spirit, Drew didn't wish to miss the Round 1 clash against Old Ivanhoe so they have decided to honeymoon on the bye weekend. Who knows what will happen if Drew makes one of the r e s p e c t i v e Representative Teams across the Queen's Birthday weekend.

Football Victoria hold annually an awards dinner to recognise achievements in community football. In February of this year both the **Marcellin OC** and **University Blacks** clubs were honoured. Marcellin OC winning the inaugural **FV Most Disciplined**

Club Award, while the University Blacks were honoured for their achievement of being **Premiers and Champions** at Senior community football level. Pictured are Marcellin OC President Peter Gartner and University Blacks President Ray Wilson receiving their respective awards.

Norm Nugent VAFA Life Member and esteemed Club XVIII guru recently had a minor heart scare. Great to report that after a minor "tune-up" Norm is back to his fighting best, well done Norm – you can't keep a good man down.

Imagine the look of despair from the **Glen Eira** President **Matt D'Zilva** when he arrived at 8.30am last Saturday to ensure everything was in readiness for the season opener. The rooms had been vandalised and a point post removed. But thanks to some hard work and assistance Matt had everything up and running by the start of the reserves, now that's **FOR THE LOVE OF THE GAME!**

Preparing for the 1st fixture match of the year is hard enough, but having your rooms vandalised and posts uprooted during the night before that game, is Club's nightmare! Full marks to Glen Eira President Matt D'Zilva and his helpers for starting on time regardless!

LAST WEEK

Glen Eira went into their game against **Old Carey** with 17 players unavailable and, after an even Q1, the Carey youngsters took control and won comfortably. Carey's Chris Battle was a rock in defence, Nick Bull rucked strongly, and Al Parton was a busy forward. GE had sterling service from Tsirogiannis, Zagame & Massis.

Ormond blitzed **Aquinas** at the Buxton Oval with a 9 goals to 1 Q1, then built on that to make a very auspicious season start. Dave Becket starred up forward as did the returning Liam Murphy, while Matty Martininov's screamer in Q2 set the Monds' fans ablaze. The Bloods' Lee Toomey did well in the middle in his first game since breaking a leg in 2004, 1st gamer Sullivan showed skill on his wing, and 'Soccer' Con Tzoumenakis looked good on the other wing.

Emmaus St Leo's demolished **Prahran** in the 2nd half but weren't happy with their accuracy in Q4. Prahran's Basil Cleary tells me the Animals were 'bloody quick', so they'll have a big impact in games ahead. D'Amelio & Buckle led a tight Animals' defence, with Don Dini & Ellis equally good the other end. Prahran liked the games from Matthew Harrison HBF, Mick Radownik R, and Damien Cromie, a flanker in his 1st game.

Old Mentonians succumbed to a very switched on **Yarra Valley** unit with the

latter's experience telling in the end! Killa was pleased with centre, Andy Stone's effort, plus Dan Lecordier and Ash Drew up the sharp end. The Panthers had top games from Elliott who marked very strongly, Michael Basile F, and Trent Wiltshire also impressed in his 1st match.

Bulleen Templestowe & Fitzroy Reds turned on a fantastic game where both teams played in surges and Reds happened to be one point up when the Q4 siren sounded. Reds' forward, Jackson, was plain brilliant, with HBF, Bennie, & OB-er, Vinnie Cahill, also in great form. Wins to visitors at the Ted Ajani aren't all that common so the Reds should be pleased with their effort! The Bullants' Tehan, Chivers & Stella seemed to be everywhere all day, and for a bloke with

supposedly only one leg, Kenyan still kicks mighty fine goals!

TODAY

Aquinas v Glen Eira will be close but I expect the Bloods, at the College, to win by 2 goals.

Prahran v Ormond should see the speedier MonDs on top by 4 goals.

Yarra Valley v Emmaus St Leo's is a tester for both sides, but I think the Animals 'old heads' should give them a win by 2-3 goals.

Fitzroy Reds v Old Mentonians should go the Reds' way by 6-7 goals, they've hit the ground running this year and look good.

Old Carey v Bulleen-Temp should go to the far more experienced visitors by about 5 goals.

Review

It might be early in the season but newly promoted **Oakleigh** has shown it will be force to reckon with in 2005, crushing **Peninsula** by 89 points at Scammell Reserve. Two years ago it was the Krushers who were on the receiving end of such hidings and the Pirates who were dishing them out.

Flag favourites **Old Geelong** won like a top side should, trouncing **Williamstown** by 59 points at Como Park, while newly promoted **Rupertswood** showed that it cannot be underestimated this season, walloping D2 mainstays **Bentleigh** by 71 points.

La Trobe continued its improvement under the tutelage of Glenn Taylor, defeating **Ivanhoe Assumption**, a finalist from last year, by 51 points.

Salesian put its horror 2004 behind them, overcoming a 14-point first-quarter deficit to outlast **Swinburne** by 21 points. The Collegians were far more desperate at the ball, their pressure forcing errors from the Razorbacks. But there were positives for Razorbacks coach Manny Debono with three-time club champion Mel Dell'Olio picking up from where he left off after a six-year stint in the Diamond Valley and defenders John Sheedy and Matthew Flack repelling many forward thrusts at half-back.

PREVIEW

Williamstown CYMS host **Rupertswood** at Fearon Reserve. Rupo should have no problem with the skill and pace of D2 football, as they showed against Bentleigh, but may be susceptible to the more intense physical pressure over an 18 week season. CYs will hope to save face after being comfortably dealt with by Old Geelong, but I have the feeling it won't be forthcoming this week. Rupertswood to win.

Peninsula OB welcome **Old Geelong** to Harry McDonald Oval. The OGs showed they weren't a one man band in front of goal, with 10 players registering a major, so it would be folly for the Pirates to put all their efforts solely into stopping Mark Vickers-Willis. In the end however I think Old Geelong will make it two in a row.

Oakleigh make the journey to The Boulevard to take on **Ivanhoe Assumption** with the home

side keen on redemption after their loss on the wide open spaces of LaTrobe University. Signs bode well for the Krushers at this stage. By contrast, the Hoes will have some work to do if they wish to emulate their feat of reaching finals last year. Krushers for mine.

The varsity battle between **Swinburne** and **LaTrobe** takes place at St. James Park. It will be a difficult adjustment for the Trobers to make, from the vast plains of their own ground to the tight squeeze that is St. James Park. Despite losing last week, the Razorbacks can take something positive from their encounter against Salesian, and that should stand them in good stead this week. Swinburne to win.

Finally, **Bentleigh** and **Salesian OC** clash at Arthur Street. Chris Sharp and James Robertson continue to be prominent for the Demons and will need to be at the top of their game to give Bentleigh the best possible chance of victory. Salesian were involved in a scrappy contest last week and will hope for a more polished performance this time around. Hard to get a handle on, but I'll plump for Salesian in a thriller.

Correspondents

Only one report received from round one (thanks to Shane Lee at Swinburne), making it very difficult to give your supporters an outline of what happened the week before. Could each club please forward a brief report of the weekend's action and news of any upcoming milestones and social events to me at wuey43@hotmail.com by 5pm Monday afternoon?

M I M I L E S T O N E S

Salesian - congratulations to **Mark Canavan** on reaching **250 games** played this week. Mark has been at the club since it's inception in 1989. Mark along with his family Peter, Margot, Christina and Barb have been tremendous contributors during the embryonic stages of the club. Mark has won 2 Senior B& F's in 1990 and 2000 and has captained the Seniors for 3 years during his playing career at Salesian. One enduring point about Mark's football is that he has played all 250 games in the Seniors. Noted for his strong marking ability and speed around the ground has seen Mark play most of his football between the Half Back and Half Forward lines. Mark is also handy around the goals making him a Coaches delight in regards versatility and endurance. Mark has the upmost respect of all players and officials at the club and we wish him all the best today. Well done Canna.

Ivanhoe-Assumption - Like everything else that comes from King Island, **Sebastian 'Baz' Conley** in all quality. The club congratulates Baz on playing his **100th game** last weekend. Baz was the first Assumption old boy to join the Hoes when the combine was formed in 1999. As such, he has been the proud wearer of the No.1 guernsey. Baz has played mainly ressie's footy, but has also enjoyed a few dozen stints in the seniors as a hard-working backman. His work ethic and devotion to the club have been a great example to all. Baz was named ressie's captain for the day on Saturday and lined up on the wing. Like a good King Island cheese, Baz just gets better with age.

A Word from the President...

We are pleased to welcome all our sponsors to our first function for the 2005 season.

The CY's will be playing home games this year at Bryan Martin Oval in Newport, due to the renovations planned at Fearon Reserve, which has been our home for 119 years.

We are also pleased to welcome Renee Caruana, Mayor of Hobson Bay, Peter Hemphill and Angela Altair, Councilors of Hobson Bay, Life members of the Williamstown CYMS and our guest speaker Mil Hanna, Carlton premiership player.

A fantastic effort by Peter Sadler and Scott Wuchatsch to secure several new sponsors including our new premier sponsor in Kennedy Plumbing Services, as well as Peter Sadler Transport, American Express Travel, Anteo Tail Lifts and Wayne Sweeney Real Estate who along with last year's major sponsor, The Stag's Head Hotel have formed our major sponsors group.

Our list of club 30 sponsors, many of which are new to the CY's, are listed below. We look forward to a long and successful relationship and we encourage all players, supporters and sponsors to look to our sponsor list when searching for specialist services in the Williamstown area.

Our on field stocks are high as are our hopes for the 2005 season. Dene Macleod and his band of assistants have worked tirelessly though the pre-season and we look forward to seeing the fruits of their labour today. We are now in our third year of alliance with the Williamstown junior football club running an Under 18 side in the WRFL. We are proud that the hard work of Tony Ryan, Nick Grant and Greg Critchley from the juniors is now paying dividends. There are five former junior players in the senior team today. This is the feeder the club has yearned for over the past decade.

The committee has worked hard over the pre season to ensure our club with its proud traditions thrive, not only for this season but in future years as well.

Enjoy today and go CY's!

Jenny Koscak, President.

MHSOB v Old Ivanhoe

ROUND 1 ACTION

**Old Geelong v
Williamstown CYMS**

... Retrospective

by Geoff Reilley

5 YEARS AGO - 2000

Round 2 was heralded by Phil Stevens' announcement that there was an umpiring crises with drastically low numbers of umpires available for appointment. Former top VAFA umpire, Richard Simon, was appointed to promote the recruitment and development of VAFA umpiring. An important aspect of his role was to retain umpires as well as recruit them.

Only one close game in A Section as St Kevins recovered from a poor third term to hold off St Bernards and win by a solitary point, 17.11 to 16.16. Robin Bowles, back from a knee reconstruction, booted 5 goals and was SKOBS' best. He was supported by Richardson, O'Keefe, Kavanagh, Fraser and Sadler. St Bernards' best were McKeown (7), Merrington, D Byrne, Perrett, Jordon and Joe Mount.

In B Section North Old Boys were far too good for Old Haileybury, 26.13 to 9.14, with Nulty, Connoly, Saad, Collison, Boyd and Barker (6) their best. Forsythe, Hassett, Ash, Hilton, Lappage (3), Jenke and Carson battled hard for Haileybury. B Section coaches were - Tim Hart (Collegians), Paul Cooper (De La Salle), David Murray (Mazenod), Frank Dunell (NOBS), Dale Tapping (Old Brighton), Mick Dwyer (Old Haileybury), Sven Samild (Old Mentonians), Peter Bedford (Old Parade), Steve Grace (Ormond) and Des Meagher (Whitefriars).

A really good "district" contest at Ivanhoe Park in C Section when Ivanhoe/Assumption hosted Bulleen Templestowe. BT held the advantage all day, despite the efforts of the Ivanhoe boys and although only 9 points up at the last change, had enough of the ball in the last to run out winners, 19.21 to 17.15. Best players: Young, C Parris (4), Tulloch (3),

Glover, Jones (3), Matthews (Bulleen/Temp) and J Pace (5), Rawley (3), A Pace, Sartori, B Finlayson, Doherty (Ivanhoe/Assumption). Closest game in D Section was the win to Old Essendon over Caulfield Grammarians, 15.11 to 14.12. Essendon's third quarter was the telling period and their best were Fleming, Di Blasi, Leask, McPherson, Salib and Jason Fincher (6). For Caulfield Royals, Brohier, Harrison, Will, Synman and Widjaja were the better performers.

Elsternwick were in second place in D3 Section after convincingly defeating Monash Gryphons, 19.21 to 14.6, on the "tray bit" at the back of headquarters. The Wicks overcame a first half deficit and their better players were B Mahoney, Whelan, Bravington, Mussared (6), Wigmore and Missaglia. The Gryphons' best were Gross, Blandford, R Coxhead, B Coxhead, Watson and Leeton.

In Section D4 Syndal Tally Ho hosted Bulleen Cobras and the visitors won by only 2 points, 12.13 to 12.11. The Cobras best; D Trinchi, Cook, Gencarelli (4), M D'Angelo, Orwin, P Dall'Oglio. S/TH named Kennedy, G Kemper, Dix, Murray, S MacFarlane (3), Bingham

10 YEARS AGO - 1995

Uni Blues were very happy with their 5 point win over De La Salle but the scribe recorded "it would have been highway robbery" if the De's had snatched a victory. The Blues had been the better side all day and Adam Lennen's 4 goals were critical to the victory in a low scoring game (8.15 to 8.10). With De La always in with a chance it was Aaron Davis and Richard Furphy

who continually stepped it up for Uni; they were great on the day. Tim Jess and the ever reliable Pat Mannix were strong for De La.

In D Section Hampton Rovers made it two out of two and gained an early advantage with their percentage. In this round they easily accounted for Uni Blacks, 12.15 to 3.12 and the prevailing weather conditions meant the game, if played in the Uni swimming pool, could not have been much worse. Chris Scarlett dominated the ruck for the Rovers and Luxmore, McKellar and Le Grand supported him at ground level. Uni's best were Quilty, Beaton, Darrach and Ramsdale.

20 YEARS AGO – 1985

In A Section Old Scotch stormed home against North Old Boys to win by 69 points 27.14 to 15.17. Scotch had slammed on 11 goals to 3 in the second half and their best were Fewster, Sherwan and Thompson, all with 4 goals and Dave Bedford's return from overseas was welcomed. John Moir in the ruck and Andy Smith also performed very robustly. Paul Considine was best for NOBS but was supported in the main by John Dore and Jerome Griffin.

The closest result in B Section was the 8 point win by Parkside over Uni Blacks, 12.18 to 12.10. Never much more than a goal the difference throughout the game but the "Red Devils" were very pleased to be sitting on top at this early stage of the season. Best players were Coleman, G Shaw, Whitfield, Ware, Rowe and King (Parkside) and Wines, Garde, Alexander, Gibney, Keilor and Doyle (Uni Blacks). Old Xaverian supporters were interested to note that three of their "flock" would be key figures in B Section; their last year's coach Gerard Sholly was coaching Old Paradians, Phil Callil had been cleared to Caulfield Grammarians and Andy Quinn was President at Old Brighton.

In C Section Fawkner had no problem dealing with Old Camberwell at Fawkner. G Buust, Korp (9), Young, Burke, Tymms

and M Majerczak were best in the talented Fawkner line-up. For the 'Wells Trist, Kerkvliet, Hobson, Schwab, Beal and Lane all gave a good account of themselves but the final score of 22.20 to 10.10 declared that Fawkner could be the early favourites.

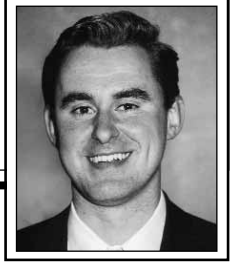

30 YEARS AGO – 1975

In C Section Old Brighton's good start to the season in round one was overshadowed by their second round defeat at the hands of Old Melburnians 22.10 to 13.18. The OM's kicked accurately and scored 12 goals to 3 in the second half. Urquhart (9), K Thomas, K McMullen, Topp, Rogers and Mumme were best for OM's and for Old Brighton Holmes, Rosengarten, Currie, Levvey, Hamilton (3) and Jones.

B Section coaches, seniors and (reserves), were – Caulfield Grammarians; Frank Goode (John Wilson), Collegians; Ross Oakley (Bruce Ferguson); De La Salle; Bernie Sheehy (Leo Manning), Ivanhoe; Bill McWhinnie (Bob Edmonds), Kew; John Fisher (Ken Blay), Marcellin; Ray Walsh (Gavin White), Old Carey; John Dunshea (Morrie Hedger), Old Haileyburians; John Masters (John Augustine), Old Scotch; Bryan Steele (Peter Clarke), University Blues; Alan Salter (Bruno Scarcella). Some eminent names in the reserves list, no less than 3 who had been or went on to become A Section senior premierships coaches!

40 YEARS AGO – 1965

In A Section Old Paradians were down by 2 goals against Commonwealth Bank at the main break but in the second half turned on a powerful display and finished 13.12 to the Bank's 8.7. It was a devastating third term by Parade with 7 goals in 16 minutes and P Mount and Weyman each finished with 5 goals for the victors. Jones, Pivetta, P Booth and Parker were also strong in the winning team. Tony Borrack was his usual determined self for Bank and was aided mainly by Radford, Dick, McQueen, Cleary and Rowley.

Review

Kew were 12 men down from their 2004 Grand Final side, but they really took it up to a solid Werribee side. Kew kept up with their hosts early, however, **the Bees** kicked away to a deserving 41 point win.

It was a closely fought tussle between **the students** and **Syndal** and the match could have gone either way late in the match with the lead changing several times. While Bingham ran hard to the end for Syndal, it was UHS's experienced players who shone with Gorringe, and Wozza Smith seeing their side home by 11 points.

The Warriors kept their 19 match winning streak in tact getting the jump on the **Gryphons** early in the match thanks to some great work from their skipper "Platters". The Gryphons did fight back though, kicking the first six goals of the second half to give the Warriors a scare.

The Westies had to overcome a defensive **Power House** side to christen their new nest with a win. Their returning players such as Rudd starred and combined with newcomer Irving to outclass their opponents and win by 57 points.

The shock of the round happened at Sportscover Arena where the **Swans** were pulverised by a rampant **St.Johns**. With seven first gamers and only three players over the age of thirty, the JOCS helped themselves to 42 shots at goal to destroy their hosts.

Preview

St Johns v West Brunswick

This has already being dubbed the match of the season as the two premiership favorite's fight it out for early season bragging rights. With a crushing win last week, it is undoubtedly the young St. Johns side that will go in as favorites. In what I believe will be a tough and physical encounter, I am going with St. Johns to stay on top of the table with a 21 point win.

Monash Gryphons v South Melb Dist

Monash took a little while to find their feet last week and will be hoping for a better start today. The Swans on the other hand, will be hoping that last weekend was an aberration, and today's match will let us all see whether it was. For my tip, I expect Malone to carry on with his blistering form from last week as the Gryphons register their first win for the year by 20 points.

Syndal Tally Ho v Old Westbourne

The Warriors travel to rekindle an old rivalry at Syndal Tally Ho where the last meeting was a 20 goal drubbing for the visitors. However, it is a different Westbourne side taking the field these days, and a win today will continue the club record 20 game winning streak rolling. With the Hudson boys running amok, this is a chance. Today however I am expecting the Tally Ho lads through Richardson and Mackenzie to put an end to the injury ravaged Warriors run by 9 points.

Kew v UHS-VU

The new look Browns have their work cut out today facing off against a young student team full of run. I would not expect UHS star forward Tate's wayward kicking to continue today, and therefore it could be a long day for the Kew defence. For my pick, I think it will be two from two for UHS as they get a valuable away win by 27 points.

Power House v Werribee

This match promises to be one of the most closely fought matches of the round. The travelling ability of Werribee has been questioned by some D3 pundits and today will be a good indicator of this theory. The Power House play a defensive brand of football, and while it is not pretty, I believe will be effective against the young Werribee side as they open their account with a 5 point win.

Social

Syndal is holding their our Past Players Day this Saturday which will be followed by the Clubs Player Auction commencing at 7pm at the clubrooms.

ELSTERNWICK PARK GATES

The **main gate** (Glenhuntly Road) is open **every match day**.

The **rear gate** (off St. Kilda Street) will only be open when there are no matches scheduled for Elsternwick Park No. 2 Oval.

When parking in the area behind the grandstand please park in a manner that would allow cars around you to be able to leave.

Players and officials who do not produce tickets at the gates will be counted and the club invoiced accordingly.

Clubs are issued with an appropriate number of tickets for players and officials.

**350 big ones**

A big congratulations to my co-scribe Leah (Spider) Gallagher who umpired her 350th VAFA game last Saturday. After a successful career as a boundary umpire (including an A section grand final) she moved to the centre circle and was rewarded by being named as Most Improved Umpire in 2001. Leah's umpired a few A section games and is now looking to cement her spot up there. Well done partner. I know the Mazenod and StBedes/Mentone Tigers helped you enjoy the day. - Macca

Numbers

For last week's opening round we had two field umpires appointed in every game on selection night, a first for many years. However by Saturday we know of only one game that had one field umpire, so unfortunately we just missed out on reaching our goal. What is interesting, is that for the first round there were fifteen umpires who were unavailable. If these guys could run would the left-overs have filled A reserve games? Food for thought.

Road trips

A big round trip to Anthony Simpson who had to travel from Boronia to Rupertwood last week. I gather his pay went into petrol money or lunch and tea on the way. I'm sure he would have found the time and space for a couple of "travellers". However not to be undone the dedication of Andrew Rechtman (The Doc) who's round-the-country road trip saw him travel from Wodonga to De La Salle, at least he left on Friday night to get to his game. Great to hear that The Doc will be making the trek down the Hume each week. Go on Bobby, give him a game at Peninsula to test his dedication.

Uniform

Richard Eastwood didn't run out in his usual 25 green uniform last week but took to wearing 12 blue in memory of his mate, former umpire Mark Morrison (no, Morro is still alive – just retired). We wish that was true, unfortunately on washing his gear before the season opener his wife left a stick of lipstick in the washing and his white uniform came out more tie-dyed brown that was better suited to the flower power days of the sixties.

Drop-off points

Umpires are reminded of various drop-off points for match day paper work if they cannot get to Elsternwick. The VAFA have tried to make it easier for us with these locations but the one they forgot to list was the pants pocket of one Tom Brain. Poor Tommy turned up to the after match at Mazenod as well as over a dozen umpires who all gave him their envelopes, his poor pockets were bulging. Probably the last aftermatch Tommy will be at for a while, considering he starts his new radio gig tonight.

Social note

Don't forget the 70s/Kareoke night at the Umpires Rooms tonight. Hope someone brings a camera!

Thank you

I (Leah) personally would like to thank the Mazenod club, players and officials for their hospitality on my milestone game it was very much appreciated and as always in the great amateur spirit. I hope that the bar takings were improved with the number of umpires who came back.

Don't forget to remind us of any upcoming milestones or other special events. – Leah & Macca.

D4 SECTION

by Ed Sill

The After Match Challenge is on again, with a gorilla jumping into the pocket of the club nominated by opposition presidents as the best performed after gamers. With only 8 home games to generate income, it is even more important that all D4 clubs support each other.

Round 1 Review

Did the Wicks get under my guard? Is North Brunswick on the cusp of a great year? And what about the shoot out at the OK Coral?

All over at half time in the Match of the Day as **Elsternwick** sent an ominous message through the grade. Beddingfield was great on debut for the winners whilst Craig Mahony played a typically sparkling game.

Albert Park opened up a lead early against **Box Hill North** and ultimately this gap couldn't be closed. Collins and Storey were focal points for the Falcons whilst the Penny boys starred for the Hillmen.

North Brunswick got off to a great start against **Richmond**, with an 8 goal third quarter proving pivotal. Lee Greening starred on debut whilst the ever reliable Joe Boudoloh contributed 6 majors.

Finally, **Bulleen** showed they had retained most of last year's list with a great win against **Hawthorn** in what was a high class game of football. Badanjek contributed 7 for the winners whilst Lauletta showed he would be a handful for D4 fullbacks as he slotted home 12 majors.

Round 2 Previews

St. Mary's travel back home to take on **Etham** in what will be the first hit out for the Turtles in 2005. The Saints would have been disappointed with their opening game and extremely keen to atone. The Turtles failed to fire in 2004 and it will take some

strong early season performances before they are regularly in the frame. St.Mary's for me.

Elsternwick travel to **Richmond** full of confidence after a great first up win. The return of star ruckman Jack Neil will be a great fillip for the club as he has been a star over the years. Added to that the inclusion of a number of stars and the imminent return of Leigh Murphy and it is not hard to see how a good news story could be painted around the Wicks. Richmond were competitive early before their fitness gave in a little bit. Hard to see Elsternwick getting rolled here.

First round winners **Bulleen** and **North Brunswick** meet out at Bulleen. This game will give some early insight to any changing of the guard that has occurred in D4 over summer. There is no doubt that Bulleen are a serious contender, what may be clarified this week is how much improvement has North made? Have to take Bulleen at home

however a competitive hit out from North will see their stocks rise even further.

Finally, **Albert Park** host **Hawthorn** at Elsternwick Park. The Falcons were another side buoyed by a first up win whilst the Hawks were disappointed in defeat however confident they could match it with the very best in D4 this year. Assuming Allan is promoted from the twos (11 goals doesn't hurt the chances), we might get a glimpse of the battle for the goal kicking as he and Lauletta strut their stuff. Hawks for me but not by much.

TRAINERS' CORNER

The VAFA Trainers' Association welcomes all trainers for the 2005 season both old hands and those of you that are doing it for the first time this year.

This is our first contact with you this year so I would ask that if there are any trainers out there who would like to join our Executive please contact me on the email address below.

We are looking for ways to get more information to you all so please contact me with any ideas you would like us to follow up on. Please rank in order of 1 (being the highest) and 4 (being the lowest) the following ideas and email me your thoughts so we can arrange further professional development for all of you:

- 1) Trainers Night with Guest Speakers at Elsternwick Park
- 2) A get to know you night
- 3) Product Information Nights with samples etc
- 4) Peoples Choice Night (one which most trainers request)
- 5)
- 6)

New Uniform

Don't forget that the uniform this year is the Orange and Royal Blue tops only with Black or Dark Blue tracksuit pants or shorts. While VAFA Properties have been inundated with requests and initially were unable to meet the demand a full range of new stock and sizes is now available.

Playing Away?

As club officials we should attempt to introduce ourselves to our fellow trainers whether we are playing at home or away. When playing away check with the home team trainers as to where the closest Medical Centre and Hospital is in case of emergency.

Representative Football

Interested in becoming a trainer for one of the VAFA representative sides (Senior v VCFL – July 17 Elsternwick Park; U23 v WAAFL – June 12 Perth; A-D4 v SFL June 11 Elsternwick Park & our U19 North v South match – June 11 Elsternwick Park) then email VAFA General Manager-Football Operations Brett Connell (brett@vafa.com.au) to register your interest.

Future

The next column will set out our agenda for the year for example Trainer of the Month and Trainer of the Year.

Section 1

The University Blues struck the first upset of season 2005 last weekend, downing reigning premiers De La Salle in a thrilling comeback victory. Down by four goals with just ten minutes to play in the final term, the Blues kicked the last five majors of the afternoon to run out 9 point winners. Other winners in round one; St Kevins by 17 pts over an inaccurate Old Xaverians, Old Scotch by 31 pts at home to Old Brighton, and Marcellin by 91 pts over an under-strength St Bernards side.

With the shock withdrawal of Werribee, Section One is down to nine teams, with only four fixtures now scheduled for the coming round of football. University Blues will be out to make it two wins from as many games, when then play Old Xavs at McHale Stadium. New Blues coach Steven Carroll will bring a wealth of experience to the Uni side this year, having coached the club's U19 side to five finals series in six years during the mid-nineties. This afternoon his coaching expertise should be enough to guide the Blues to their first away win of 2005, Uni Blues by 31 pts.

In other games, ladder-leaders Marcellin to record win number two of the season away at Old Brighton, De La Salle to earn their first points of the new campaign with a win at home over Old Scotch, while Collegians should defeat St Bernards in their first competitive hit-out for 2005.

Section 2

Ladies and gentlemen, let the lop-sided results begin! And what a shocker it was for tipping in Section 2, here's how it panned out.

The Fields handed out a football lesson, with cleaner and smarter use of the ball from the outset. The Friars stepped it up in the second quarter but fell away in patches during the second half as Caulfield ran rampant. It was all one-way traffic at both Albert & Shark Parks as massive spankings were dealt to OMs and Trinity. Out west an elated Bomber coach Evans said "when Rupertswood came at us, our team leaders stood up" as the Bombers, led by Shaw, Capponetto (5 snags) and Phillips bagged the chocolates by 20 points. Finally, despite 9 big ones from Tsingarlis, the Bears went down swinging to The OC.

Onwards we travel:

Trinity versus OMs is critical. Both sides got belted and the loser of this one will need more trauma counselling - Trinity by 2 goals at home. Elsewhere, The OC will make it 2 from 2 against the Bombers, Rupo will push the Sharks hard, but Beauy will be stronger by 16 points, the Friars

play their home dung heap well, and will beat the Bears by 4

goals. Finally, the Wellers are flag favorites, and will show the Fields why by 7 points

Section 3

A high standard students' shootout saw the visiting Blacks prevail over the Trobers. The Unicorns made a mockery of my prediction, running away from the Hoers on the back of 6 goals from Bartho. Likewise the Krushers, who tamed the Tigers and ran away convincingly by 12 large ones.

The Jackas jumped the Demons to lead at the first change but Coles, Hunt and Dewar started

pinging them through from everywhere, and the Bentleigh boys were home in a canter. Finally, after a reasonably tight first half, the Raiders were "N Sync" and went onto record a workmanlike win against the Ashers, who were commended by the opposition for having a dip to the final bell.

This week, in the words of (Mr Demtel) Tim Shaw, "it's so, so easy...." Try these ones on sir.....

The Unicorns on the Miller-Woodful will be tough in '05, 5 goal winners today over La Trobe. Oakleigh will keep the vibe of the show running, over the Hoers by 33 points. If the Jackas can't beat the Tigers, I'll have to start calling them Basement Jackas (get it? - c'mon, where's your head at?), home side by 3 goals. The premiersip Showdown is on at Bundoora, but I think Spinner's boys will succumb to the Demons by 22 points. Lucky last is the Blacks, who should easily open their account against the Blues by 8 goals.

Section Blue

Led by 6 majors from BOG Brendan Robbins, the MonDs started this season well against an impressive Salesian unit, who trailed all day but were far from disgraced.

The Pirates proved me wrong with a very strong away win against the Bloods, straighter kicking would've made it even uglier. The Noddors turned it on in the 2nd quarter kicking 11 goals to lead by 30 points. However, the Rovers were undeterred, and a great 3rd quarter saw an 11 point margin at _ time. Mazenod kicked poorly in the last, but held on in a nailbiter!! Bonner, Moran, and Stanley stood up for the Noddors. Finally, De La made the Clays go La La (Ashley Simpson style) kicking 11 goals to 1 in the second half. With Crowe & Silvers prominent I'm questioning whether there are forged birth certificates going around!?!

Salesian will find things a little easier today, prevailing over Hampton by 18 points. De La will make it 2 in a row at the Bloods' expense. The Noddors have already won a thriller, but against Oakleigh should win comfortably by 7 goals. Finally, the Monders pack their rucksacks and hike down past Funkytown where the Pirate will pillage by 23 points.

Section Red

Aquinas have firmed as early favourites for the Section Red title after an impressive round one display, thrashing Old Westbourne by 172 pts. Kicking 29 majors at home against an under-strength Westbourne side, Raggazoni was prolific up forward with six goals. Other winners from the opening round of football; Kew by 92 pts over Bulleen-Templestowe, Therry Penola by 16 pts away at Rupertswood, and reigning premiers Fitzroy by 9 points in a thriller against Old Scotch. Reigning Section Red premiers Fitzroy will aim to make it two wins from as many starts this weekend, when they host Rupertswood at Ramsden Street. Still forced to play away from the Brunswick Street Oval, due to ongoing ground renovations, the Reds impressed last weekend despite a major exodus in the off-season which

saw their star forward Kane Maghamez defect to Williamstown. Clearly not favourites to go back-to-back but still expected to challenge for a spot in the finals, Fitzroy should extend their impressive winning streak this weekend, Reds by 14 pts.

In the round's other fixtures, Aquinas should retain top spot on the table with a win away at Therry Penola, Kew to remain undefeated when they travel to Emmaus St Leos, and Old Scotch to return to the winners list with a win away at Bulleen-Templestowe.

CLUB XVIII SECTION

by Norm Nugent

Despite some really inaccurate predictions, I managed to open my scoring with a 78% success rate. Today we await results with interest to see how many correlate with those from Round 1.

Review of Round 1.

Section 1.

Only greater accuracy enabled Mazenod to defeat Mt Lilydale by thirteen points.

Prahran opened their season with an eight goal win over Old Melburnians.

Old Scotch were never troubled by Old Brighton, whose skill level was down in slippery conditions. Only inaccurate goal kicking prevented Old Scotch winning by more than one hundred and four points. For the losers, Oakley tried hard, whilst for Old Scotch; Chris. Stevens, Eamon Best and Geoff Jankeer were best.

De La Salle, under the charismatic leadership of Nick Brasher, inflicted University Blue's first Club XVIII defeat by fifteen points. The game provided an even contest and well into the last quarter, the Blues seemed likely to win. However De La Salle stormed home to take the points. Mick Picone and Adam Thornton did well for "De La" and James Westmore and Tim Giles battled hard for the Blues.

Old Xaverians started their title defence with a twenty point victory over St Kevins.

Section 2.

Fitzroy Reds won their afternoon encounter with Marcellin, at Punt Road by eleven points.

University Blacks started their season with a resounding victory over Collegians by sixty two points. Could the Blacks prove the Sectional "dark horse?"

In an unusual occurrence Old Xaverians held Therry Penola scoreless in well nigh perfect conditions at Victoria Park, Abbotsford. Old Xaverians dominated play in the second half to win by one hundred and seven points. Among their best were; Matt Roach, Matt Green, Jake Richards and Fred Chamberlain. For the losers; Captain, Ben Toohey and Steph Freze tried hard throughout the game.

Old Essendon Grammarians, at home, scored a big victory by sixty four points over a disappointing Old Trinity Grammarians.

Box Hill Sharks lived up to their expectations and scored a twenty one point win over Monash Blues.

Section 3.

La Trobe University, who lost to Old Scotch by fifty three points, did not help their cause by inaccurate kicking for goal.

Whitefriars opened their season with a convincing victory by fifty four points over Caulfield Grammarians.

Newly formed Fitzroy Reds, were not disgraced by losing to St Leo's, Emmaus by four points at Punt Road.

Tied games are a rarity in Club XVIII, so the tie between North Old Boys and Old Geelong was an unexpected result.

Old Carey had the Bye.

Preview of Round 2.

Section 1.

St Kevin's journey to Central Reserve to play Mazenod. A titanic struggle should ensue as I suspect there is little difference in talent between these two sides. At home Mazenod should win narrowly.

Mt Lilydale will find Prahran a tough opponent at Darling Park. I favour Prahran to record another convincing victory.

Old Brighton did not impress last week but neither did Old Melburnians, so at least through lack of impression this should be a fairly even contest. I am prepared to give Old Brighton another chance, especially at home and so I select them.

Two of the potentially strong sides, De La Salle and Old Scotch meet at Waverley Park, where the familiar surroundings will favour De La Salle. It is difficult to gauge the strength of Old Scotch because they won as they liked last Saturday, whereas De La Salle had to fight to shake off University Blues. Ben and Nick, I am back on the De La bandwagon because I reckon, you will win today.

Last season's two best teams Old Xaverians and University Blues meet at Victoria Park. The Blues had a taste of Section 1 strength last week and were found wanting. Old Xaverians will be keen to vanquish yet another challenger and really they are well equipped to do so because of their immense depth of talent. Old Xaverians are my selection.

Section 2.

University Blacks should continue on their winning way with victory over Marcellin.

Lyon's "Lions" were short of fitness and height last week but Collegians went down by a wide margin and these "Lions" will be apprehensive of meeting "Bob's Boys" beside the Moonee Ponds Creek. At home I select Therry Penola, but their performance must lift.

Old Xaverians will appreciate the wide spaces of the Hudson Oval, where they should comfortably defeat Old Trinity.

At home I fancy the Box Hill Sharks will prove too strong for the visiting Old Essendon Grammarians.

Fitzroy Reds will appreciate their return to Ramsden Street, where they will take the points against Monash Blues.

Section 3.

Whitefriars versus Old Scotch should provide a contrast between experience and the exuberance of youth. Whitefriars will be difficult to defeat at home but I suspect Old Scotch through superior fitness will overcome this difficulty and will win.

Old Geelong, especially on Como, should defeat the newly formed Fitzroy Reds, who will be playing in strange surroundings.

It is difficult to select a winner in the Old Carey versus North Old Boys match especially as Carey are playing their first game. Given the home ground advantage and their depth of personnel, I favour Old Carey. Emmaus, St Leo's will prove too talented for Caulfield Grammarians, who have yet to adjust to the tempo of the competition.

La Trobe University have the Bye.
