## What a fascinating year!

A few weeks ago most of us had penned in Collegians for the B Section flag and St.Bedes/Mentone Tigers for C Section. Both teams are certain to feature deep in the spring but the challengers are coming to make certain this year's flag races are not all about one horse. In B Section, Old Essendon has won its past five games and you have to go back to round five when it met Collegians to find their last defeat. Although the Bombers lost that day by 44 points, it was at the Harry Trott Oval, they kept things pretty tight and they were far from disgraced. Last week the Bombers belted Beaumaris by 67 points in what was truly an impressive away win and now the competition is eagerly awaiting round 13 when the Lions travel to Essendon Grammar.

There is a similar tale unfolding in C Section. Ajax has also won its past five games and soared into second spot. Ajax started the year sluggishly and last weekend showed how much it has improved. In round one, Ajax was touched up by Parkdale Vultures to the tune of 33 points and could only manage three goals for the afternoon. Last week at Sportscover Arena, Ajax booted 20 goals and smashed the Vultures by 51 points. Those numbers speak for themselves. When Ajax last played the Tigers it was round three and the ladder leader won by 40 points but expect a completely different story when these teams meet in round 12.

That game will be at Sportscover Arena and is on a Sunday so I recommend all of us flock down to Elsternwick and watch some quality teams play out a cracker.

Like Collegians, St.Bedes/Mentone Tigers are undefeated and are a class outfit but Ajax was pretty comfortable at the park last week and anything can happen in football....just ask Old Haileybury. The Bloods unveiled St.Kilda great Stewart Loewe for the first time this season and were seemingly home at three-quarter time but the De La Salle train expressed right by and hit the line ahead.

A Section is completely open and, like Old Xaverians last season, it won't be a surprise to see a team slip into fourth and steal the cup.

D1 is also an enthralling competition this year with the top four consisting of two teams on eight wins and two teams on seven wins.

Last week, ladder leader Old Geelong conceded top spot when it was belted by Bulleen Templestowe by 50 points.

The win elevated Old Carey to top and Bulleen Temp to second, while Old Geelong and Rupertswood are in third and fourth.

But there are plenty of chapters left in this competition and it doesn't seem that long ago when Rupertswood belted Old Carey by 59 points.

In D2, Peninsula Old Boys are looking pretty comfortable on top and their last loss, which was their only loss, was in round three.

But they have survived some tight contests, including a nine point win against Aquinas two weeks ago and, oddly, a seven-point win against bottom-team Williamstown.

Second team Oakleigh lost its round eight battle with the ladder leaders but it will feel it's not out of its class, losing by 29 points that day after scores were locked at half-time.

In D3, South Melbourne Districts is flying but we will know more about South this weekend when it meets second team Bentleigh at Bentleigh.

In D4, Eltham is unbeaten and clearly the flag favourite with Power House nipping at its heels.

I also write about country football for **The Sunday Age** and every year there is a story about how a team lost its only game for the season on grand final day. Seriously, every year, so flag favourites- beware!

## De La Salle tame the Badlands

I'll put my hand up, I thought De La were ripe for a Badlands Bollocking after their performance against Xavs. But this isn't suburban footy, where the same teams win every week, this is the VAFA A Section and there are no givens.

It was quite a day at McKinnon. A howling gale, absolute pandemonium in the reserves game (Holy Moly) and Stewart Loewe fronting up for his first game in years. The Bloods skipped away early and looked a million bucks but De La kept buzzing about and with conditions to suit (the wind definitely nullified the glut of Haileybury talls) De La's little guys ran amok to pull off a result that could only bob up in amateur footy. Michael Duggan, Aaron Shields and Jeremy La Ragy all impressed while ten-time Wheel of Fortune winner Luke Seager claimed another big scalp in Loewe.

Ivanhoe's Brad Thomson and Luke Lochran again dominated as Ivanhoe overturned their disappointing first round result against the 'Pitters to further cement their credentials as a serious premiership contender. A couple of big things to emerge include a suspected fractured jaw to their lynchpin James Hope and the fact that a 17 year school-kid, Jake McKeon was best afield.

From all reports, a cracking game at Toorak Park as Uni quashed any relegation talk with a hard fought, much needed and much deserved nine point win. Marquee players Paterson, Lowcock and Gleeson were all prominent as the students withstood some Ockleshaw magic and a typical Xavs fight-back to just hang on.

Travis Ruyg, who was unlucky not to snare a berth in the A Section team of the year, broke his jaw and probably won't be seen again this year while Damien Lynch (over in WA) Sam Johnston (sick) and Matt Handley (injured) all missed. Scott Mollard returned from suspension, Peter Ryan came up from the twos and Tim Fleming played his first amateur game since the 2000 GF. Xavs are still a major factor but then again so is every team from 1 to 8.

One team that is no longer a factor is Marcellin. Natural attrition has gutted the Eagles, who had everything to play for with Richard Frisina's 200th but just fell short after manufacturing an unlikely

comeback. Once again, it was Trinity's Andrew Cultrera who was the ice-man, snapping a last minute goal to get his side over the line. Damien Buttler (another moral to miss out on the side) and Damien Zammit were good Ts while Simon Abrahams and 200 gamer Frisina got the plaudits for Marcellin.

Finally, Scotch ran away from OMs, who showed a bit of cheek but succumbed to the hard working Cardinals, who assumed top spot after the Badlands turn-up. It was Scotch's unobtrusive players who again stood up: Will Lewis, Mark Knatt and Rob Josephs.

## He's Back!

In fact, Ben Mannix was never really gone. Contrary to last week's report, he has not retired and will a more than handy smoky later in the year as De La push for their first A Grade finals finish in 13 years. Sorry Ben.

were suspect. Flashy, packed with stars, but susceptible to a bit of brute force. Thing is, their 2006 Old Boys side bears little resemblance to the stereotype. Barry Price's team is low-key, very even and hard at it. Will a team that plays a "close in" brand of footy be suited to the expanses of Sportscover Arena against a bunch of fleet footed running machines? Didn't seem to bother Xavs in last year's GF, Scotch by four goals.

Uni were smacked around by Haileybury in Round 2 and will be desperate to extract some sort of revenge. Bank on them to continue to gather momentum and to send Haileybury coach Nicho into further apoplectic rage!

The Junction Oval is in amazingly good nick and could be the setting for a massive upset, if 10th beating 9th qualifies as that....OMS by 2 points.

I'll tip the third upset of the day and select St Bernards to beat Xavs, who actually have a very good record at the 'Pit but are terribly undermanned.

And let's make that four, because I'll tip Trinity to beat Ivanhoe and (incredibly) move into finals calculations.

## REVIEW

Despite the low scores, a terrific game at the Uni Oval saw the Blacks take the points against a St Kevins side whose ladder position belies their real ability. The Blacks, with the return of a few players have certainly found some form of late and are keeping the pressure on the Fields. Young Under 19 Sam Jess played well, as did Watson and Yeomans.

Mazenod were certainly not disgraced in their game against Collegians at Central Reserve, and in a physical game played in very windy conditions, the Lions were very happy to come away with the points. Rovers Cam Unsworth and Grant Rowston were strong around the packs all day and they were well pleased with the 3 twins kicked by Matthew Roberson.

Caulfield Grammarians, although still not at the top of their form, had too much firepower up forward for the young Whitefriars side. Sinclair and Amiet now form a very dangerous forward line while Ben Carboni continues to play well. Aaron Brosolo tried very hard for the Friars.

Old Brighton took a much better attitude and a more positive attack on the ball in the game against MHSOB at the wind swept South Road. A new balcony was in place after months of red tape and with Health and Safety in place, Andy and Orch had to timekeep through the bars. Back to the football, it was the Tonners' ability to score into the wind that got the points from the Unicorns who fielded a side containing 9 Under 19s. Pat Phelan, Matt Gadsden and Cal Buckley were terrific, with big Toby Ewert in career best form. Cal McGrath, Steve Villani and Matty White ran all day for MHSOB.

Unfortunately in B Grade you cannot afford to make mistakes and turn the ball over on a regular basis. This trait cost the Sharks dearly on Saturday as the Bombers who had certainly come to play, fed off these errors to score an emphatic 68 point victory, that with some steadiness and accuracy in front of goals could have been much more. Best players for the current No 1 contenders were Dermie Kavanagh, Roscoe Tanner, Medals McPherson and Faisal Flaherty with 5 goals. For Beauy, Adam Catlin, Sean Coote, Dougie Ensor, and Justin Heath all tried hard.

## PREVIEW

Beaumaris, although beaten badly last week, would have

done a bit of a stocktake and some regrouping ready for today's clash with top of the table Collegians at the Trott.

Very competitive last time against the Lions and travelling a bit better some 10 weeks later. Can the Sharks cause the upset of the season and topple the Lions? I would like to say yes, but in a word, NO.

Foundation Day at St Kevins College in front of a huge crowd always brings out the best in the SKOBS players. And they will need to be at their absolute best today to unseat Caulfield Grammarians, who although not at the top of their form are a dangerous foe. The Markologist in his 100th (Well done Ryan-TB) and Lynch up forward for SKOB against Sinclair and Amiet at the other end promises plenty, and will ultimately decide the outcome. In a tough call it's the visitors - just.

Friar Park no longer holds the fear it used to for opposing sides, as the Friars are struggling to win there. This is a vital game and an absolute must win for both sides in the scheme of things. I think that the form of Mazenod has just been that little bit better in the past weeks and should be enough to get them over the line.

University Blacks make the short trek across the city to tackle MHSOB at the school Oval. Mindful of the fact that the Fields could drop a game and open the door for

them, the Blacks will come ready to play. MHSOB, although not winning have been thereabouts and are full of enthusiasm, and tough to beat at home but I feel this will change today as the Blacks continue their improvement and win again.

Leura Road welcomes Old Brighton in the Match of the Round. Was impressed with what I saw of the Bombers last week, they were awesome and looked in good touch. And at home they play even better which in all reality is not encouraging for the Tonners. Still below top strength, will make it harder for the visitors and while having faith in their ability it's my preference for the home side that sees me tipping Old Essendon today.

**St. Kevin's Old Boys** congratulate **Ryan Chard** on his **100th** game today. "The Markologist" has been an outstanding player for the club since joining in 2001 as an U/19. Chardy was an integral part of the 2004 B Section Senior Premiership, was a runner-up best and fairest for SKOB's last year and has stamped himself as one of the most dominant forwards in the competition with senior representation for the VAFA Victorian Squad the last three years. All at SKOB wish Chardy all the best this week and look forward to watching his next outstanding 100 games.

**AN INTERVIEW CONDUCTED BY AFCA VAFA EXECUTIVE MEMBER, GEOFF REILLEY, WITH ST BERNARDS' SENIOR COACH, SIMON MADDEN - PART 2**

An interview conducted by AFCA VAFA executive member, Geoff Reilley, with St Bernards' Senior Coach, Simon Madden - **PART 2**

**GR: What are the aspects of the VAFA that you are impressed by?**

*SM:* The quality of the people involved, the standard of the football and the nature of the competition.

**GR: Are there any aspects of the VAFA' operations that you would consider worthy of revising?**

*SM:* I'll openly say I'm on my soap box here. I am a great advocate for representative football. I have been involved directly in Victorian teams and believe it makes you a better footballer for your involvement. But I find it amazing that in 2006 the VAFA chose to have a representative game against WAAFL and a normal home and away round on the same weekend. This restricted 22 players from playing for the clubs. To me, taking your best 22 players out of the competition for that round denigrates the competition. I don't agree with the administrative reasons I've been given for the choice. To me if your competition is important enough, you will be able to find a solution that does not pit the internal competition against an external competition. At League level I've seen such a conflict pressure clubs and coaches into discouraging their players from being involved in representative football which I strongly disagree with and would not want to see in the VAFA.

**GR: What are greatest challenges you find each week as a senior VAFA coach?**

*SM:* Probably the same as any coach at any level: player

availability, player motivation, evaluation of opposition strengths & weakness and countering opposition plays & tactics while developing your own. It's a great challenge.

**GR: What are your thoughts about A Section this season and would you care to name your greatest threats as final's aspirants?**

*SM:* I think it is a very even competition this year, more so than last season. Obviously the teams up the top have a better chance of success at the end of the year but I believe any team can beat any other team on any given day.

**GR: Are there any players in particular, from your club or opposition clubs, that impress you as having the ability to go to the next level?**

*SM:* I've seen a number of players that have the ability to play at a higher level but ability alone will not get you there. Passion, persistence and drive on top of the talent are what separate the stand out players from the rest. Those are the things that are hard to measure and which you don't see unless you are closely involved with a player.

**GR: Can you give us your basic coaching philosophy and do you have any thoughts of coaching at a higher level?**

*SM:* Enjoyment, Development and Competition are the three underlying foundations of my philosophy. You have to enjoy your football first, if you are not doing that why are you involved? That's not a simple "let's have some fun" attitude but the enjoyment that comes from taking on a challenge and giving it your best effort. Then on top of that you have to look for continual development and consistently being competitive in all phases of the game.

**GR: Simon, thank you for your time, your views and for your contribution to the VAFA.**

Now we all love a bit of niggles, whether on or off-field, as long as it stays within the bounds of decency. Apparently there was plenty of it at David Street where the Kiss of Death failed the Rovers badly (sorry guys!!). Whilst a 7 goal blitz in the final 10 minutes saw the margin blow out, the Tigers were in control for most of the afternoon. The Tigers kicked into the breeze and somehow managed to generate 13 scoring shots, through the midfield dominance of Sam Anstey (38 touches) and Tim McColl. With the breeze at their backs, STBMT were always a chance of banging on plenty, but had managed to register a staggering 18 behinds, despite the work of Jon Kane up front and Steve Kidd down back. To their credit, Hampton drew within 4 goals nearing the final break, but the injection of Aaron Sawers provided a renewed spark for the Tigers who flew home on the back of a 5 goal last quarter by Luke Terrill. Gary Carr was best for the Rovers with good efforts by Paul Adams and Nick Henry.

A classic North Balwyn northerly provided a 4 to 5 goal advantage to the pavilion end of the GBO, but Monash failed to make full use of this in the first term, with only a 13 point buffer the result. The OC defence were to be commended for their close checking, but the midfield also matched up tight to deny the Monash boys room to create. With the hint of a zephyr at their backs, the home side proceeded to pile on 7 goals to 3 to hit the sheds with a 2 goal break. They were winning the stoppages and rebounding quickly from defence to find a handy forward target in young Mr Loats. Let's face it, 12 goals is a day out in anyone's language, but when it represents 80% of your team's goals, you can forgive the opposition coach for stating it was the most dominant performance in his 20-odd years of VAFA experience. Still, someone had to get it to him and the likes of David Gough on his wing, Dan Pike and young Wil Austenberry were fantastic for the Wellers. Christian Gregory (somewhat prophetically) celebrated his selection in the C section Team of the Half Year with another BOG performance for Monash but, with only a 1 point lead at the final term, the visitors were always up against it and fell away by 39 points.

The Jackas avenged their first round defeat with a magnificent first half which put Parkdale out of contention by halftime. AJAX were able to use the breeze well in the first term, but their 5 goals into the teeth of the gale really nailed it. Whilst AJAX had winners all over the park, it was Jason Israelsohn's hard running hard from defence which set up many forward attacks. The mercurial Anthony Rosen is starting to find great touch, and his 6 goals bodes well for the second

half of the season. With Bloom and Rappaport still finding the big sticks, the Jackas are firming as the Real Deal for 2006. For Parkdale, things are looking less

rosy, but the Sullivan Brothers continue to put their hands up and Sam Hecker is starting to hit his straps too. There's time enough, if they're good enough!!!

Ormond continued their improved form when they defeated North Old Boys/St Pats at Ormond on Saturday. After winning the all important toss Ormond kicked with a strong breeze and immediately had the opposition under pressure with the strong play of Michael Miller, who kicked 3 goals for the term, and a miserly defence giving Ormond a 56 point lead at the first change. It was pretty much all over at this stage, but the Combine managed to bang on 4 quick ones to get back into the match (well, kinda). Ormond held sway thereafter to lead comfortably at the main change. Ryan Martin, Simon Keleher and Leigh Deledio dominated the midfield in the third term and built a match-winning lead, which NOBSPC simply couldn't trim.

In the final game, the Reds edged out Parade at Bundoora. Marcus Matko bobbed up for the home side with 4 majors, but Tim Davis and the wily old skipper Vinnie Cahill managed to lead their team to a crucial win. That's about the most I can make out of the feedback I received!!!

## Tips

The OC's match against Parkdale will be tighter than the most important hamstringing in C section. Word is the big fella is out, and this tips the scales in Parkdale's favor. Vultures by 3 goals.

Massive stakes in play at Le Gillon where the Combine face off against Hampton Rovers. Both sides came off important wins last week, and were 'touched up' by Ormond and St Bedes MT respectively - who will hit back? I'm on the Purple People bandwagon, NOBSPC by 22 points.

Parade will fight hard throughout, but will find too much class at Brindisi Street where the Tigers will salute by 44 points.

Monash must regroup quickly and hosting the Monders is not the easiest way to do so. I think the trip up North Rd will be worth it as Ormond salute by 5 goals.

Finally, the Reds host the in form AJAX in the Match of the Day. I reckon an upset is brewing here, and Fitzroy may be belting out their song after a 5 point win.

## McGoos

Wellers, NOBSPC, STBMT, Ormond, and Fitzroy.

**Old Paradians** congratulate **Blake Holden** and **Glenn Vincent** on their **50th** VAFA games. Blake commenced with the Under 19's in 2004 coming from Parade College and one of our junior affiliate clubs, St.Damians JFC. We look forward to many more games from the stylish left footer who was a duel premiership player in the Under 19s.

Glenn commenced with the Under 19's in 2003 coming from Parade College. We look forward to many more games from the big mobile ruckman who was a premiership player in the Under 19s.

**Old Camberwell** congratulate **Ben Craven**, who played his **100th** Game for the club against Monash Blues in Round 10. Benny first joined the club in 2001 through our Under 19s Team. He proved to be an integral part of their Premiership Team that season, grabbing plenty of marks at Centre Half Forward. Playing senior football from 2002, Benny has worked hard to cement a place in the club's first XVIII, becoming a more permanent member this season as a straight running defender. Well done Ben on reaching this Mark.

## ROUND 10 REVIEW

Emmaus St. Leo's and Old Mentonians played out the first draw of the season at the BSG. In windy conditions, the Panthers started off brilliantly, before the Animals clawed their way back. Indeed, they were two goals up with 10 minutes to go before Michael Basile kicked three goals in five minutes to regain the lead for the visitors, before the home side goaled via Tony McKenzie with seconds left to tie the game. Blake Carroll continues his rich vein of form for Old Mentonians, while Jack Pascoe down back, ruckman Stephen Ronchi and forward Scott LeClerc stood down for the Animals.

Old Carey won comfortably by 42 points over Yarra Valley OB at Dunshea Oval. The performances of first-gamers Barton, Casey Ratcliffe and Luke Maslin were especially encouraging, given the Panthers' recent injury woes. The Bushrangers have also had their share of injury problems lately, and the loss of big Stevenson is foreboding if they wish to grab fourth spot. Fantastic news for the Two Blues, breaking through for their first win of the season, overcoming Therry Penola by 28 points at John Pascoe Fawkner Reserve. Dan James' play on Prahran's half back line set up many attacking opportunities, particularly in the second half.

A disappointing performance by Old Geelong at Como Park saw Bulleen Templestowe bring home the bacon by 50 points. The pressure exerted by the Bullants in the midfield was the key factor in setting up the win, as sound as their defence was also. Al Munro and Jonno Malpas were amongst the Oggers' better performers.

Finally, Rupertswood arrested their mini-slump by defeating Banyule by 10 points at Sunbury.

## ROUND 11 PREVIEW

First game up for review is Yarra Valley OB versus Rupertswood at Domeney Reserve. The Bushrangers will hopefully have a number of their topline players available for selection (something like eight were absent last week, plus some more casualties during the course of the game), and will look to the Drew brothers to provide inspiration. West, Spinner and Brennan will not make things easy for the home side however. I have a gut feeling that the home side may prevail today, and I'm going to go with that feeling. Bushrangers to win, and to maintain the pressure on the sides above them.

Two teams of a similar calibre meet at the Playing Fields as Old Mentonians play host to Therry Penola. With both teams facing an uphill battle to make the finals, a cynic may suggest that this match between the Panthers and the Lions is more like a battle of the pussycats. They may also suggest that this is a feeble attempt at wit (and they'd be right. I'm disgusted with myself.) Seriously though, it should be a good game, with some terrific players on display for both sides. A win to either side today, and other results being favourable, may put the

victors back in contention for a finals spot (You may not believe me, but I gotta keep the race for the four interesting, OK?) At home, I'll take the Panthers.

Banyule welcome Old Geelong to R J Brockwell Reserve, looking to keep themselves out of the relegation zone. The Oggers on the rebound aren't the best opponents if you're in that kind of predicament. The Bears will need a huge game from the likes of Kyle Sheppard-Mueller, Leighton O'Donnell and James Tsigaras to give themselves the best chance against an Old Geelong outfit boasting players of the ilk of Nic Casboul, Ed Bayles and Henry McCarthy. I think the performances in midfield, and the ruck contests, will be hugely decisive in the outcome of today's match. Having said that, these teams are at their respective positions of the ladder for a reason, and whilst there is the opportunity for Banyule to cause an upset, all signs point to the Hoops. Old Geelong to win.

Bulleen Templestowe and Emmaus St Leos square off at The Ted, both looking to enhance their currently contrasting positions. The Bullants are now in the top two, whilst the Animals are half a game plus %age from the safety of eighth place. Look for Steve Buckle to create chances for the Animals, and Anthony Ballard to make things happen, either in the ruck or up forward. Matt Bain and Kain Burridge starred last week and have been good players in a good team all year, while everyone knows the talents of Greg Chivers and Trent Waters. All things considered however, I think the Bullants look to be too accomplished. Bullants for mine.

A buoyant Prahran take on Old Carey at Toorak Park. A dilemma of a positive nature at the Carey selectors' table, with the possible return of Collins, Zander and Travis Bull to supplement their recently arrived personnel means plenty of competition for spots in the Panthers senior side leading up to the finals. I'm sure they're not complaining. Meanwhile, the Two Blues will look to be making it two in a row if they can get past the current ladder leader. John Thwaites and Hamish Hodgson continued their recent good form, while Michael Radywonik will have an entertaining contest with whoever is handling the ruck duties for the Panthers this time out (Unkles? Basell? Hmmm...) Also look for Prahran's Andre Pitts to match up on Carey skipper Al Parton if "Dolly" is played as a forward for the greater part of the day. At the end of the day there can only be one winner (or none!), and it's hard to go past Old Carey. Old Carey it is, then.

## M I L E S T O N E S

**Old Carey** wish to congratulate **Peter "Munter" Unkles** on playing his **100th** game last week against Yarra Valley. Munter has been a mainstay of the ruck division for several years, and has had multiple placing in the Club Champion Award. Something of a cult figure, he has achieved this status through both his on- and off-field efforts, not least his "Ahno!d"/McBain impersonations. Well done Munter, from everyone at Old Carey.

**Prahran's Jarrod Belcher** plays his **100th** game for the Two Blues this week. "Belch" has been a quiet achiever since joining the club in 1999, and is also a great stalwart of the club's social scene. Congratulations Belch from all at Prahran.

**Ben Symons** of **Old Geelong** played his **50th** game last week. "Symo" was a strong performer at centre half forward for the reserves last season, co-captaining them to the premiership and finishing second in their best and fairest. Work commitments have limited his appearances to the Club XVIII side, but hopefully the big man can return to a higher level soon. Well done Symo from everyone at Old Geelong.

## SUPPORTS THE VAFA AFCA/VAFA COACH OF THE YEAR

### Senior Coach of the Month - June

### **Kevin Barnes (Yarra Valley OB)**

Kevin took over the Yarra Valley side after being Assistant Coach in 2005 and after a dreadful start to the year (losing 4 of their first 5 games), resurrected their year with 4 straight wins in June. Kevin played all of his footy for Forest Hill in the Eastern Football League before coaching Powerhouse to a premiership in 2000. He returned to his former club to Captain Coach in 2001 before sitting out of football for 3 years. Kevin was appointed Assistant Coach of Yarra Valley Old Boys in 2005 before taking the reins this year. He is well respected and held in high regard by all at the club and a deserved Coates Coach of the Month for June.

## CLUB WAREHOUSE RISING STAR NOMINATION ROUND 10

### **CHRISTIAN TRAEGER (IVANHOE ASSUMPTION)**

**Ivanhoe Assumption** centre half back Christian Traeger is the nominee for the **Club Warehouse Rising Star Nomination for Round 10** after his best on ground performance against Aquinas last Saturday. Christian has great natural ability and is a very strong mark in any conditions. He has worked harder on his aerobic capacity this year and his increased fitness is starting to pay dividends as he has been in Ivanhoe's best players in the past 4 weeks. Last weeks game against top 4 side Aquinas was a crunch game for the club and Christian did not let his team mates down. Taking on the role of CHB (with two key tall defenders unavailable), Christian held his own early and then went on to be the most dominant player on the ground. With great run from the backline and well over 15 marks for the day, Christian was the catalyst for the big upset at Ringwood. Christian began as a 19 year old from the country and in his first year was the victim of being placed in several different positions and not being allowed to settle – difficult for a young developing player in his first few games of senior football. Finding a place in the backline or even as a tall wingman this season has seen him develop more quickly than many had anticipated. With a continued high work ethic, development of his foot skills and his great natural talent, Ivanhoe would think that over the next few years he will become a man that other clubs will have to watch each week as they plan their Saturday match ups. Congratulations to Christian and we wish him and Ivanhoe Assumption well in the second half of the year as they endeavour to stave off relegation.

# D2 SECTION

by Jono Healy

It's hotting up in D2 with seemingly four teams battling it out for three spots in the finals. Peninsula look safe, even this far out, whilst down the bottom end of the ladder Williamstown's recent form has made the relegation battle between five clubs. Still plenty to play for in all matches.

## Ivanhoe Assumption AFC \$2.70 v Peninsula OB \$1.40

Both clubs had great wins last week. The Hoes knocked off Aquinas at Aquinas, whilst Peninsula had a solid win over Glen Eira at home. Chris Traeger had a great match for Ivanhoe and it was great to see the experienced Colin Brown back in the senior side after a handful of games in the reserves. Peninsula were given a scare by Glen Eira but a best on ground performance by speedy on-baller Andrew Murphy and five majors from Shaun Payze got them the four points. Danger game today for Peninsula. The Hoes will be full of confidence, and if Chris Hunter can give his on-ballers first use of the ball then don't be surprised to see Ivanhoe cause an upset. However, I feel the Pirates have too much depth and think they will salute by 14 points.

## Glen Eira AFC \$2.10 v Werribee AFC \$1.65

Glen Eira were more than competitive against Peninsula, trailing by only 14 points at the last change, before running out of gas. Steve Vamvakas continued his good form on the forward line and Scott Diamond won plenty of the ball. Werribee were held scoreless in the second quarter, which led to them going down to Oakleigh by 25 points. Defenders Aaron Taylor and Pat Keogh were amongst the better players for Werribee and Ben Stornebrink added four goals up forward. Big game today for both clubs. Glen Eira need a win so they don't get dragged into the relegation struggle, and Werribee need the four points to continue their assault on the finals. Tough match to pick. Glen Eira were victorious earlier in the season by one point, but this time I am going to select Werribee by one point.

## Salesian AFC \$1.65 v Aquinas OC \$2.10

Match of the round heads to Bosco Street today with a crucial match which will go along way to decide the makeup of the top four. Salesian had a morale boosting win at La Trobe last Saturday with Simon Greely one of the stars with five goals up forward whilst consistent youngsters Ivan Bobetic and Harmit Singh continued their good form. Aquinas were well beaten in an upset at home against Ivanhoe Assumption trailing all day, and

were never a realistic winning chance. Glen Whitehead had a good game down back and Sean Leonard had a good battle in the ruck but Aquinas were outplayed. Expect them to come out with a different attitude today, and be fired up for a more competitive performance. Aquinas were easy winners at home earlier in the year, but I expect that result to be reversed today. Salesian by 21 points.

## St John's OC \$1.60 v La Trobe Uni \$2.20

Have St John's fallen into a hole? That is the question being asked down Doveton way after seven straight losses. An 82 point drubbing to bottom side Williamstown last week may certainly suggest so. However, the one thing I know about St John's is that they are always up for a fight, and with this game being played at Thomas Carroll Reserve expect to see a different St John's side on the field today. La Trobe need a win too, going down to Salesian by 38 points at home last Saturday. Terry Ludeman had a quiet game for La Trobe against Salesian, and he is certainly the key man for La Trobe. A cold, wet Doveton day is exactly the conditions that the Joc's love playing in. I expect to see Kane Arnold have a big match today, and for the Joc's to get their first win since Round 3 by 4 points.

## Oakleigh AFC \$1.33 v Williamstown CYMS \$3.10

Great win last week by the Krushers to knock off Werribee at Werribee by 25 points. Peter Holden was on fire and Danny Zula had another great game in the ruck. Willy will be buoyant from their 82 point win over St John's at home, but the trip out to the South Eastern suburbs today will really tell the story as to how their season will pan out. Can the Willy boys stay in D2? Well their percentage is good enough, but they will need to beat one of the top teams if they are to stay up. I expect to see Trevor Bromley back in the Krushers jumper for this match, and his presence alone does lift his team mates. The onball battle between Jon Rutter and Brendan Cocks will be well worth the admission ticket alone to Scammell Reserve today, but it could be the likes of McGuinness and Barlow that the Krushers will need to keep an eye on. Oakleigh is this week's colonial tramcar special. Krushers by 43 points.

Please keep the match reports, milestones, social events, news, ground reports, horse racing tips, etc coming into me at jonathan.healy@hotmail.com by 5:00pm Monday's.

## M I L E S T O N E S

The **Peninsula Old Boys Football Club** would like to congratulate **Steve "IC" Parsons** on playing his **200th** senior game this weekend. Stepar becomes only the 5th Pirate to achieve this milestone. He joined the club in 1994 and after spending a few seasons earning his stripes he cemented his spot in the seniors and has played senior footy ever since. Renowned for his attack on the football and fierce tackling, just ask the boys from Uni Blacks, he has been the one of most consistent and popular Pirates of all time. He is also a consummate clubman who is always willing to help out off the field as well. We wish him all the best today and look forward to many more senior games to come. The Pirates also wish **Stephen White** all the best on his **100th** senior game. He joined the club in 1999 and after a few years in the reserves and some specialist coaching from Danny Frawley, has developed into one of best key position backmen in the comp who is rarely beaten. While off it he is often seen buying his opponents beers after the game.

# TO ALL RESERVE CLUB UMPIRES – 4/7/06

The following points are based on trends in matches that have occurred this season to date and I would like to impress upon all reserve club umpires that the role you play as an umpire, is a vital one for the benefit of the VAFA and your clubs.

The best umpires are those who go about their task with minimum attention being focused on themselves, yet maintaining control, allowing the game to flow and **paying all obvious** free kicks.

**Control of the game.** The way you present yourself and communicate is vital in your ability to control the game and players.

A strong whistle and good verbal communication, explaining free kicks contribute to maintaining control. In communicating to the player, it is also critical to communicate to the officials and spectators why the free kick was awarded. A positive signal and strong whistle with a call “too high” informs everyone what the free kick is for.

Players at times get frustrated due to many factors - being tagged, not handling the ball or the conditions well, etc.

Understand their frustration but remain calm and remember to always ‘**be firm but fair**’.

- **Paying free kicks is the first form of control, this sends a message to players that you will award free kicks to the player going the ball.**
- **Addressing players who swear or continually question decisions is an important element of umpiring, understand their complaint and re-act appropriately in a fair manner.**
- **As an umpire you must always act in an impartial manner and award all free kicks within your area of control. (If you have any queries about this area, please contact me)**

**I encourage you strongly never to argue or enter into a slanging match with players.**

## **Umpire system/position.**

Your position should always be inside the play. Maintain a position of 20-25 meters side on to play. New umpires tend to be drawn into the play. After chasing a football for 2 hours and listening to advice you will start to develop skills to position yourself correctly.

The umpire in control of play should make all the decisions in relation to free-kicks with the No2 umpire being alert to behind play and watching for players illegally dealt with after disposing of the football. **No2 Umpire should NOT award any free-kick that the Umpire has control of unless it is in the following circumstances:**

- **A blatant head high tackle**
- **A reportable offence**

This document is written to assist you with your umpiring in the best interests of the players and the VAFA competition.

Most important of all **enjoy yourself** and be part of the game.

Always check the VAFA website [www.vafa.com.au](http://www.vafa.com.au) to keep up with all the umpiring coaching sessions and information that may assist you.

If I can be of any further assistance please contact me on 9531 8333, 0408 338 098 or [brian@vafa.com.au](mailto:brian@vafa.com.au)

Dosostias is a Spanish cabaret performance opening at Chapel off Chapel this week as part of the Melbourne Cabaret Festival. It coincides with the Chapels first victory in D1 last week – the translation for dosostias is “two whacks in the head”. Meanwhile, the struggling Rip Van Winkles may be heartened by Japanese inventor Koza Sanizo who has come with a nap alarm that is triggered by the head nodding forward. Heads nod forward worldwide with the incredibly boring tennis commentary from Strawberry Fields forever – I agree with Helen Caldicott – No More Newks. Closer to home Mr Ed has Triple JJJ problems with Jana , Jessica and Big Jimmy whilst a media and political frenzy is generated by a dosshouse struggling for ratings. Socialist nightowls are wary of Stationmaster sponsor Paul Mees wanting to shut down late offerings in Bohemia where Welsh Nasal Drawl gets her curls factionalised.

Great to see wins by the Chapels and Understandables last round as it will inspire hope that the run home may stave off relegation. Closer to the top echelons, the Blue Smarties and Clydesdales proved that there is plenty of scope for the Phoenix in September although Single Malts and Purple Hearts will be hard to stop. The Threesomes are also putting together some reasonable A form and the Hestias are looking more comfortable in the B-Cup. No stopping the Triads, Sailors and Artists as the season hots up despite the chill winds of July

## • Elsternwick AFC wins \$1000 Sportscover Grant

The VFA are proud to announce Elsternwick AFC as the June winner of the Sportscover /VFA Development Grants for 2006. Elsternwick's submission was based on the repair of lighting on their oval (behind Elsternwick Park) which has been in poor condition for years. The repair of these lights will not only improve the training facilities for Elsternwick AFC but also for Ajax Under 19's, who are sharing the ground for training purposes.

## • VFA "Teams of the Half-Year"

You may or may not have seen on the VFA website the publishing of the "Teams of the Half Year" for all sections. At the time of print, the A, B, C and D2 section teams had been posted, with all remaining sections to be hopefully posted on the website by the end of the week. The teams have been picked by our scribes on form and are sure to create some interesting debate among VFA followers. The "Teams of the Year" for each section will be named at the end of the season.

## • Thommo's Hat-Trick

The three sons of 1972 Brownlow Medallist, Len Thompson, all played in the same team for the first time when they took the field for Old Scotch's seniors against Old Melburnians last Saturday. Sam, Nic and Lachlan all played an important part in their 44 point win over their traditional rivals and Old Scotch supporters are hoping the boys and the team

continue their recent good form for the rest of the season. Barry Price, Old Scotch's Senior Coach, was one of Len's former team-mates at Collingwood and Len couldn't be prouder to have his sons playing under Barry's tutelage.

## • The Ammo Show

A new web-cast program will be launched this week giving previews and reviews of VFA matches. The Show will be headed by VFA Executive Member Tom Brain (pictured) and Radio Personality and VFA Media Award recipient Glenn Scarborough. The show will be able to be viewed on the VFA website every Friday. As well as inform-ative chat centred around weekend matches, there will be competitions with excellent prizes, highlights of games and Scatters' Soapbox, where Glenn will open up on his gripe of the week. Clubs will also be encouraged to send in footage from weekend games featuring goals and marks of the week. The show will be able to be accessed from 12pm on Fridays by going to [www.vafa.com.au](http://www.vafa.com.au) and clicking on "The Ammo Show" Banner.

## • Sarah Bone Fundraiser & Auction Dinner

It goes without saying that the surname 'Bone' is synonymous with the Bulleen Templestowe Amateur Football Club. Many at the club are fondly able to recall the football prowess of the boys on field and have enjoyed the famous Bone wit and charm off it. Their proud association spans over three decades with all four brothers having played. This unwavering commitment has greatly contributed to the success of the club and is a testament to the entire Bone family.

In November 2005, Sarah Bone, the boys youngest sister (aged 30), was diagnosed with a malignant brain tumour – an astrocytoma. Unfortunately, Sarah passed away on June 7 this year.

In an effort to support Sarah's husband and two young children and express our appreciation and support to the Bone family generally, a fundraising Auction dinner has been arranged for Saturday July 8.

Further proof of the esteem the Bone family is held in the community, the dinner for 650 people is a sell out, however donations are still being accepted by those wishing to

support not only an outstanding family of Bulleen Templestowe Amateur Football Club, but Amateur football in general.

Donations can be made at any National Australia Bank by depositing money into the "Sarah Bone Fundraiser Account."

## • Rep Side Raring to Go

VFA U23 Coach Frank Dunell is deep into preparations for the next AAFC match against South Australia on July 15th at Sportscover Arena. The team has been training down at Arden St and also heads off to Jan Juc for a camp this Saturday Night. The boys are very keen to atone for their disappointing display against Western Australia a month ago, and need to win this game to have any chance of taking out the Tri-Series. Speaking to the boys this week will be former VFA Champion John Toomey and current player and former State Captain Mark Secull.

## • OH legend returns

Old Haileybury's 300-gamer Matthew Armstrong makes his return to their senior side this weekend after a knee injury threaten to end his career. The former Captain has been a regular in OH's Senior side since 1989 and is not yet

prepared to sign off on his stellar career. Last week Matthew played his second career reserve grade game, his first being in 1989, and was named as one of OH's best. A multiple state and premiership player, we hope we continue to see him ply his trade for a few years yet.

## • Valuable Warning

At a recent U19 game, the valuables collected from the players of one team were stored in the car of one of their officials. Unfortunately that car was broken into, enabling the thieves to have access to all the other cars in the car park as well. This may serve as a warning to all clubs not to store valuables in cars. Home clubs may be able to provide safe storage options or team managers wear coats with very deep pockets.

## • Joke of the Week

A bloke went to his mate's fancy dress party with nothing but a young woman on his back.

"So what the hell are you supposed to be?" the host asked.

"I'm a snail," he replied

"What?!" the host spat. "How can you be a snail when all you've got is that woman on your back?"

"Mate," the bloke replied. "That's Michelle."

## 5 YEARS AGO - 2001

In **A Section** the ladder offered plenty of opportunities for further amendment. Although **Marcellin** were sitting a game clear on top there were plenty of challengers. The main game of the round was between **St Kevins** and **St Bernards** and respective coaches, **Mike McArthur-Allen** and **Gary Foulds**, would have their charges 'revved up' for this important game. McArthur-Allen would not have been pleased with his team's failure to score a goal in the first term but the 9 behinds they kicked indicated sufficient inside 50's (or were they inside 45's) to know they only needed some adjustment. By half time the score read 3.11 to 3.7 in SKOBS' favour and it was a real tough affair. SKOBS kicked further ahead in the third and held a 12 point advantage going into the final term. They finally proved too strong for the St Bernard's boys and ran out winners 10.17 to 7.16. **Sadler, Byrne, O'Shea, Finch, Lucas** and **Gross** were the better performers for SKOBS. **Broadbent, Mastropasqua, Podstadley, Byrne, McLaughlin** and **Jordan** played defiantly for St Bernards.

**Old Ivanhoe** was the team to beat in **B Section** but the challengers could come from any of six other teams, such as the closeness of the grade. **De La Salle** (second) made a significant statement at the big Elsternwick Park ground against **Old Paradians** (fourth). After an even first term the D's drew away from OP's in each of the remaining three quarters and won comfortably 20.13 to 10.11, the result costing OP's their spot in the top four. **Harrison, Mackintosh, Duggan, Hall, Elliott** and **Bonnici** were great for the winning team. **Heffernan, Ball, Hart, Holmes, Sinclair** and **O'Loughlin** were best in the losing team. **Brad Beitzel**, in his entertaining column "For the Love of the Game", detailed the historic occasion when **Adam Acreman**, Old Mentonians' great forward, kicked goal number one thousand for the Panthers in exciting circumstances. Of the 1000 only 10 had been scored in reserves' football. Brad's description of the drama filled match included a player count instigated by opponents, **St Bedes Mentone Tigers** during the second quarter that subsequently resulted in a VFA investigation. If the VFA ruled

against **Old Mentonians**, would the three goals kicked by Big Ads in the first half be removed from his tally? The 1000th goal late in the game secured victory for Old Mentone and was also controversially awarded by the home club goalie, according to the opposition. What a day but more importantly what an effort by the burly forward!

## 10 YEARS AGO - 1996

Important encounter at **Marcellin** in **C Section** as the home side (third) welcomed **AJAX** (second). In the heavy conditions AJAX started very strongly but Marcellin pegged them back and forged ahead to hold a 4 goal lead by half time. The even second half was a bit of a slog but Marcellin were never really troubled and won 15.13 to 12.5. Best players - **Sampimon, Ryder, Phillips (5), Day, Purcell, Cooper** (Marcellin) and **Pat, Goldberg, Kalinski (5), Gunn, Cohen, Sheezel** (AJAX).

**Monash Blues** (third) were hosting **Beaumaris** (fourth) in **D Section**. Although Monash won the game 11.6 to 7.11, Beauy had fought back well in the final term and proved they were worthy of a place in the top four. Best players - **Hipwell, Caldwell, Donnelly, Logan, Ford (4), Smith** (Monash Blues) and **Easton, Hanrahan, Wright, Taylor, Thomas, Groves** (Beaumaris).

**D Section** coaches were **Garry Nicholson** (Beaumaris), **George Voyage** (Caulfield Grammarians), **Robert Bayley** (Kew), **David Rogers** (Monash Blues), **Martin Legge** (Old Camberwell), **Laurie Zerafa** (Parkside), **Derek Hine** (Southbank), **Steve Mooney** (St Johns), **Mark Flack** (St Leos Emmaus) and **Michael Farrell** (Uni Reds).

## 20 YEARS AGO - 1986

The fight for a place in the top four in **A Section** was a real test. **Collegians** and **Bulleen Templestowe** were 1st and 2nd respectively and a game clear of four other

teams, **North Old Boys, Ormond, Uni Blues** and **De La Salle**, in that order. With four of the top six playing one another, it was obvious that opportunities needed to be taken. **Bulleen Templestowe** met **Uni Blues** at **Bulleen** and the Blues started really well on foreign soil. At quarter time Uni had the game by the throat, 5.1 to 0.4 and the combine appeared to have missed their chance with wayward shots for goal. Two goals apiece and **Uni Blues** were well satisfied with their lead at half time 7.1 to 2.5. **Bulleen Temp** narrowed the margin in the third quarter but only narrowly and had again missed easy scoring opportunities. The Blues were still holding sway with a 20 point lead. The importance of the win was obvious to all as both teams stepped it up in the last term and commenced to trade goal for goal. This fantastic game of ammo footy finally finished with **Bulleen Temp** in front by the narrowest of margins, 10.15 to 11.8 and had almost kicked themselves out of the game. There were some excellent performances from players in both teams but the winners announced their best as **Kazuro, Asdagi, Oldfield, Krygger, Smythe** and **Farley**. The disappointed Blues acknowledged the efforts of **Simon** and **Nick Macauley, Boal, Karanoshos, Angel** and **Polkinghorne**.

**A Section** coaches were **Laurie Aghan** (Old Scotch), **Greg Tootell** (Caulfield Grammarians), **Bruce Ferguson** (Collegians), **John Pollard** (De La Salle), **Alan Salter** (Ivanhoe), **Neil Le Lievre** (Marcellin), **Mark Hannabery** (North Old Boys), **Mike McArthur-Allen** (Ormond), **Barry Price** (Old Scotch) and **Robert Lamb** (Uni Blues). If I am not mistaken at least half of these gentlemen coached other **A Section** clubs during their career and of course **Barry Price** is in his second stint at present as Senior Coach at Old Scotch. Anyone caring to email me [geoff\\_reilley@godfreypembroke.com.au](mailto:geoff_reilley@godfreypembroke.com.au) the names of the five coaches and the other **A Section** clubs they have coached will be eligible to win a couple of bottles of wine, courtesy of the VFA!

## 30 YEARS AGO - 1976

The **A Section** top four saw **North Old Boys** leading, one game clear of both **St Bernards** and **De La Salle**. These three teams looked to have the form to stay in contention for finals but the fourth spot was clearly up for grabs. **Uni Blues** were the present occupants and were two games behind second and third and only one game clear of three other teams, **Coburg, Ormond**

and **Old Trinity**. The **Blacks, Monash Blues** and **Reservoir Old Boys** seemed well out of contention. **Coburg** helped their cause with a good win over **Monash Blues**, 15.23 to 10.8 with their best **Lewis (4), Zanon, Royal, Egan, Leckie** and **Handley**. **Tellefson, Curtin, Olds, O'Dwyer, Moore** and **Bickford** did their best for **Monash**.

**Peter Hutchinson** played his 350th game for **Powerhouse** and was only a few games short of his club's record held by another **Powerhouse** great, **Les Gordon**. "Hutchy" accumulated an incredible record during some 20 years of amateur football including 7 club Best & Fairests, three premierships, Victorian representation and club captain. In 1972 he was awarded the honour of 'Amateur Footballer of the Year' at **St Bernards'** Grand Final breakfast. In 1976 "Hutchy" was Captain Coach of the reserves as well as playing in the ruck and forward pocket for the seniors. He said to never turn in a bad game. In later years and until recently, **Hutchy** served with distinction on the VFA Executive and as a State Selector. One of the Ammos' greatest personalities and a real gentleman who epitomized the importance of conviviality, at all times, with friend and foe alike once the game was over!

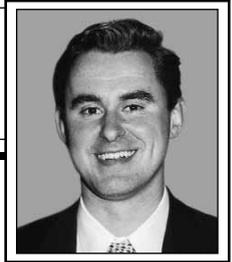

## 40 YEARS AGO - 1966

In **A Section**, **Coburg** broke away from **Uni Blacks** late in the second term to establish a 22 point lead and held on to win by 21 points in an entertaining game. There were flashes of fast open play mingled with scrambly patches. **Coburg** had now established a firm grip on second place. Best players - **Gardiner, Dumayne, Callahan, N Beattie, Parkes, McLoughlin** (Coburg) and **McLeod, Hill, Shackleton, Saunders, Carnie, Tuck** (Uni Blacks)

## 50 YEARS AGO - 1956

The **ISCA** (Insurance Social Clubs' Association) were on the verge of making the top four in **E Section** after defeating **ANZ** by a point. **ISCA** had been admitted in 1954 and withdrew in 1957.

**Bellfield's** huge win over **St Kevins**, 20.13 to 8.6, propelled them into equal third and gave them a much needed percentage boost. This was **Bellfield's** highest score in their 7 years in the VFA. Best players; **G Annand (3), H Marston, E Getson** and **D Pollock** (Bellfield) and **O'Brien, McCormick, McMahon, Shiels** and **Donohue** (St Kevins).

It was a tipster's nightmare last round, only tipping two winners. Results have meant that the logjam at the top will be decided by those who can get wins over their other top five aspirants on the road, while ensuring they win the tough ones against Swinburne and Monash.

### Review

Bentleigh moved to second on the ladder after an impressive win over West Brunswick to further strengthen their premiership credentials. However, it was the Magpies who got away to an early lead before the Demons pegged them back with the breeze in the second term to go into the main break with a lead and never looked back. Without many of their big name stars, Bentleigh's second tier players stepped up with Brad Meehan played his best game for the season, while "Super" Maan Soufan won almost every contest he threw himself into.

The Warriors moved back into the four with a resounding win at home to Kew. The Browns looked a shadow of their former selves as the Warriors got an early lead, before getting bogged down by a flooded forward line, which at times saw 17 of the 18 West players inside the Warrior half forward line. However, Westbourne's persistence paid off, and in a sterling tribute to "Platter's" 200th match, his teammates in Jucka, Pavez and Smith starred in a game to remember for the great man.

Monash broke their travel bug racking up a good win on the road to UHS. With it pretty tight at half time, the Rutherford brothers (particularly John and Nick) along with Leigh Dooley set it up and sent the message that they will certainly have a big say in the make up of the final four.

I predicted a close one between the Wickers and Swinburne, and also said that if Higgins played, Swinburne would win. Both predictions proved correct, and the loss now puts Elsternwick in a precarious position, especially when one considers their massive injury count. This is taking nothing away from the Razorbacks however, who answered every challenge that was presented to them especially when they fell behind by 5 points with 3 minutes remaining.

Swans coach Gerard Harrington warned his team not to be complacent against a winless St Marys and his request was answered as his side piled on the goals taking a 45-point lead into the first break. The rout continued for the remainder of the match as Nils, Triple B and Doss went to town setting up a huge match against Bentleigh next week.

### Preview

In what many D3 pundits are predicting to be the Grand Final preview, the two standout teams of the season thus far go head to head in a bid to get a physiological advantage over their rival. The first time the Swans met the Demons, it was the Swans who took the honors, but since then, Bentleigh has

gone from strength to strength. Picking a winner is a tough call, however, I will stick with my preseason favorite in Bentleigh due to both the home ground advantage and the goal-kicking prowess of Sharp.

It is a season defining match for both clubs today as Westbourne make the trek to Monash. The Gryphons have not been in better form for the past two seasons and given the Warriors abysmal record on the road in recent years, Monash go into today's match as slight favorites. A win for the Gryphons will mean their faint finals chances remain alive, while a win for the Warriors will consolidate their top four claims. Picking a winner is a toss of a coin, but I will go with my heart here (usually a bad move!!) and pick Westbourne in a nail biter.

The Saints cannot take a trick this season, and it is not going to get better today as they host a Swinburne side with their tales up. Buoyed by their upset win against Elsternwick last week, the Razorbacks will be hoping to consolidate their position and keep breathing down the necks of the "Big Five" by racking up some valuable percentage points. My prediction is a bag for Higgins and plenty of smiles to Swinburne as they keep that glimmer of hope alive with a big win.

Kew is officially struggling, and today host a West Brunswick side on the rebound, which does not read well for the club. West Brunswick were far from disgraced against the premiership favorites and will bounce back hard today against the hapless Browns. With "Stunning" Steve Smythe back to

his brilliant best, and "Busting" Bill Irving firing up the lads, the Maggies will keep it interesting with a good win.

Finally, Elsternwick host UHS in a match that will be a lot closer than most would be lead to believe. With the massive amount of injuries at Elsternwick, the students will go into today's match a genuine contender, and given the opportunity to pressure Kew for the other relegation position, the motivation to do well should be there as well. However, in picking my winner, I cannot go past the Wickers, one, because they still have a more talented list despite the injuries and two, UHS let me down last week with the tipping, and once bitten, twice shy!

This Saturday is the Red & Blue ball at the South Oakleigh Club, this is a great night that includes the Benteigh Juniors and the Cricket club, see Willo for tickets to this wonderful function.

## M I M I L E S T O N E S

**Benteigh FC** congratulates **Chris Sharp** on **200** games. Shooter is a Benteigh great, 2006 sees him back at full forward kicking bags of goals week in week out. A loyal clubman and freakish player Shooter leaves opponents, team mates and supporters wonder how he kicked that goal. Chris joins an exclusive club and team mates look forward to enjoying his presence for many more games, well done on this wonderful achievement.

**The Warriors** pass on their congratulations to **Troy 'Panda' Edwards** on achieving his **50** game milestone last week v Kew. Panda is a damaging ruckman and was instrumental in the Resbies flag victory two seasons ago. We hope to see him provide a multitude of laughs for years to come and a few more "What about me" renditions.

**Kew** congratulates **Brian Cullen** on **250** games. "Bongo" arrived at Kew in 1990 as a skinny kid from the bush who collected stamps and shiny coins. After a season in the Under 19s he established himself as a fast and stylish wingman in the seniors. Bongo has been a magnificent achiever- current President, Life Member, Best Clubman, former secretary, club captain for 5 seasons. Brian is held in the highest regard at Kew and we wish him all the best today. Well done Bongo.

Kew also congratulates **Rick McKerrow** on his **50th** game against West Brunswick today. Rick has played most of his footy in the seniors in key positions. All at Kew wish him well.

## ELSTERNWICK PARK GATES

The **main gate** (Glenhuntly Road) is open **every match day**.

The **rear gate** (off St. Kilda Street) will only be open when there are no matches scheduled for Elsternwick Park No. 2 Oval.

When parking in the area behind the grandstand please park in a manner that would allow cars around you to be able to leave.

Players and officials who do not produce tickets at the gates will be counted and the club invoiced accordingly.

Clubs are issued with an appropriate number of tickets for players and officials.

## Thanks

A big thank you to the **North Brunswick Amateur Football Club** from **David (Ball Tearer) D'Altera** who helped him have a memorable **400th** VAFA game last Saturday. "Tearer" was presented with an engraved hip flask (is that something he will really use?) at the after-match – a fantastic gesture. Thanks also to Albert Park and the small group of umpires who celebrated with a beer and a pasta with Tearer late into the night.

## Turning Japanese

For the second year in a row umpire **Peter (Tugger) Pullen** has travelled overseas to Japan during the Queen's Birthday break to umpire the 6 team Narita Cup in Tokyo along with Box Hill North. Out of the possible 18 games that were played, Tugger umpired 15 of them; he also helped with a football clinic and had 53 people turn up for an umpiring clinic, (which is more than we have for most of our skills nights). Well done to Peter who paid his own way to do something that he enjoys. A brief description was written up in "For the Love of the Game" just recently. And for those out there who like to be a little cryptic, is there any link between the famous 80's song by The Vapours and Peter's nickname?

## Get well

**Peter Angelis** had a training mishap last week, which resulted in about 6 stitches in his ankle and the cause of it will have all of us thinking twice about keeping our whistles in our socks. Many thanks to those who helped out, in particular **Brendan Corcoran** and of course **Luke Holmes** who acted as driver to the medical centre.

## Twinkle toes

Young up and coming goal umpires may have heard some of the older experienced goalies referring to "panto". A term phrased by former goalie **Michael Lentini** who took great pleasure in putting on a show for the crowd. Well, young goalie **Michael O'Donnell** thought he'd get the crowd excited out at Marcellin last weekend. In an effort to make it into the right position (and also look good) he managed to get

bowled over by a couple of players who sent him flying and landing on his backside. Bloody and battered with some pretty deep stop marks on his leg he was able to get to his feet and signal the goal. Obviously in a bit of pain he was able to soldier on and get through the game. Good tough stuff Michael, great to see a young bloke willing to put his body on the line.

## Breathe in...

Whilst mentioning tough umpires, **Simon Stokes** (now stop laughing!) toughed it out umpiring a D4 game last weekend after being cut down with a pretty heavy flu that forced him out of action for two rounds. Stokesy crawled out of his sickbed but obviously needed a little help with his breathing due to his clogged head. After applying ample amounts of Vicks Vaporub to his chest before the game he remarked to his umpiring partner (former un-named President) that it really didn't seem to be helping. Maybe the flu has affected his eyesight – he'd actually rubbed Vaseline onto his chest!

## Life Membership & 10 year service

Nominations for life membership are required in the next three weeks before being voted on at the next general meeting. Nominations must meet two of the three criteria.

- Completed 10 years service of umpiring with VAFA
  - Be a representative on either the VAFAUA executive or social committee for 3 years.
  - Have rendered conspicuous service.
- Letters that acknowledge 10 years service must be submitted to the Secretary, **Simon Stokes**.

## Pre-Dinner training

The countdown to the night of nights for the umpiring clan is on at the **Victoria Club** on **August 28th**, training starts now. Firstly you must submit an annual leave day for the 29th, secondly start to stay up a little bit later each night and finally get used to having a drink in your hand for a good 12 hours. Follow this simple training regime and you will survive the night.

## RESPECT THE UMPIRE – RESPECT THE GAME!!

# D4 SECTION

by Ed Sill

A few sides dropping off the finals pace, however the battle for fourth spot looks likely go down to the wire. Fancy the key result of the week was Albert Park's victory away from home. With a big tranche of home games to come, the Falcons might be starting to swoop!

## Review

As noted earlier, great win for Albert Park. They got out of the blocks quickly and cruised to a comfortable win over a disappointing North Brunswick. Fehring continued his fine season for the winners who also had Bennet strarring. NB's best was McLachlan.

Memo for myself, don't tip against Power House! With a few key inclusions, the House were able to hold sway over a persistent Syndal. Taylor and Moresi were the House's best whilst Fleming and Fox were the Sinner's best.

Bulleen recorded a solid win over Richmond which saw them replace Box Hill North in the four. Some usual suspects in Fradkin (7 goals), Daley and Cookson were the best for Bulleen. The trends are again good for Richmond, with goal scoring becoming easier each week. Nuske with 6 was their best.

Hawthorn took on an injury depleted Box Hill North. After an early struggle, the Hawks were able to pull away in the last half to record a solid win. Mundy was unstoppable down back for the Hawks whilst the mercurial one, Dave Pritchard, starred up forward. Plunkett and Currie were the best for BHN.

Finally, ten on end was the reality for Eltham as they comfortably defeated a resource starved Eley Park. Good solid win for the Turtles as they get closer to locking down a top two finish. Runco and Foo (same pack drill each week from this two) were excellent whilst Turner managed another 5 up forward. Hard day at the office for the Sharks, however Nelson and Payne were their best.

## Preview

Match of the day status goes to the Power House and Hawthorn clash at Glenferrie Oval. The two teams put on a great display of Ammo footy earlier on the year and it is hard to see how this will be any different. Of course, the containing of 'Ed Woods' will be tough, expect an Avery brother to get the job. Really close but learnt my lesson on the House last week, the visitors for mine.

Eley Park will be licking their wounds after last week, however an opportunity to atone presents as they take

on Richmond. The Sharks should be good enough to get the points but buyer beware, this will be close! Sharks, but just.

Box Hill returns home to face North Brunswick. The injury toll at Box Hill North is high, with their star forwards most impacted. Not crisis levels but this game is simply a must win. I had fancied that North Brunswick might make a late run however last week put paid to that. BHN for me to get their finals aspirations back on track.

Another crunch game as Bulleen host Syndal. Four points and a little bit of percentage separates the two at this stage and a loss to Syndal will almost be terminal. Couple of key outs for Bulleen might make it close however home ground advantage plus the motivation of cementing a spot in the four should be enough for Bulleen.

Finally, Albert Park welcomes Eltham in YET another crunch game. A loss would probably leave them little finals chance however they couldn't have picked a worst game to try to build some momentum. The Turtles just keep on rolling, picket fences this week with 11 in a row!

**Albert Park** Past Players' Day Saturday 8th July will feature a presentation to **Paul Shoppee** on his **300th** milestone. Paul has represented Club as player and coach taking the Resgies to a Premiership in 2002 Life member and still playing/coaching.

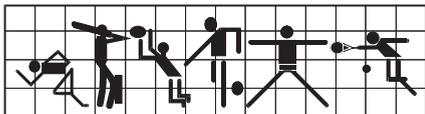

**Bulleen Cobras** - A few milestones racked up at Bulleen Cobras this week:

**Tony Mazzarella** played his **150th** game for the club. He is a hard working midfielder, and is captain of the reserves side. He is a fantastic leader - with plenty to say - and he backs it up week in week out giving 110% every week.

**Mark Unwin** - **50 games** - another very skilful player whose courage and ability is unquestioned. Mark is a great guy to have around the club and is another who lets his actions speak louder than his words.

**Trent Pearson** - **50 Games** - Ranga has been a great player over his 50 games at the club, constantly driving the ball forward his run has led to a lot of the Cobras success over the last two years.

**Tim Conn** - **50 Games** - A true utility and go-to player of the Cobras side. A great player, fearless, and has a never say die attitude. Tim has silky skills, and is as hard a footballer as going around. A great effort by all these guys, congratulations and a hearty pat on the back from all at the Cobras.

# F.I.D.A. REPORT

Three weeks away from finals ladies and gentlemen.... You can already see the look in players eyes, as they start to acknowledge that the end is coming, and that it is almost solely up to them to ensure that they get there, in order to play for that glory and everything else that comes with winning a grand final.

Again at home down in Elsternwick we have 3 games being played, one first division clash and two third division games. Oval 1 will host 3rd placed Bulleen Templestowe in second division playing against 4th placed Kananook 2 which should be a tough encounter since both teams will be eager to knock each other off their positions, for Bulleen a win would place them three games clear of 4th spot and almost ensure them a spot in the finals. And on that thought, Bulleen should prove too strong on the day.

Oval 2 will hold only one game this weekend, and that will be played between Parkside and Mazenod 2. Both teams are sitting middle of the tally so this match could easily go either way, a win here can give either side the momentum they might need to play finals. This game will be a very hard one to judge although I have a feeling that Parkside maybe the ones to walk away the victors against what appears a very young and small Mazenod side.

The main event for this weekend will have to be the first division clash between Mazenod 1 and Kananook 1. Both teams are in fine form and will throw everything they have at one another to ensure that either Kananook remain on top spot, or that Mazenod, can get up there and show the bigger boys that they have what it takes. I might go the underdog, I feel Mazenod have the pace to get round the much sturdier Kananook side

#### **At Home:**

**Ballarat:** Ballarat plays host to Lara which should see last year's 1st division premiers Ballarat come out on top.

**Port Melbourne:** Port Colts 1 take on Broady 1 which should also prove to be a very tough game as both sides go out to take the points and go for final glory in the next coming weeks. The Colts should be too strong for the Kangaroos this weekend and put them at 8 for 0 in second division.

**Albury/ Wodonga:** Both Ovens and Murray sides are at home this week and are taking on two teams near the bottom of the ladder and both should walk away with convincing wins and confirm their places in second and third spot of third division.

Maribyrnong and Pt Colts 2 have got the break this week and will happily to rest them selves with the tough weeks to come.

Round ten down and out quicker than Wayne Rooney's foot was planted into the nether regions of a poor unfortunate Portugal soccer player. C'mon Wayne. The rain held off and a beautifully cold winters' day ensured a magnificent round of under nineteen football.

### Review

No real close ones this week so I'll start from the top. St Bernard's flexed considerable muscle, bullying Collegians by over 100 large. Josh Ryan and James Viney on fire for the winners with four apiece. Fair win which keeps the lads right in touch of the "F" word. Uni comfortably accounted for Marcellin away. Great win considering its holidays over at the main. Tom Bronts was unstoppable for the winners who proved too big and strong all over the ground. De La gave Rupo a touch up / reality check, with a thirty point win considered to be one of their best for the year. Josh Oakley snagged five, while James Lamb was voted BOG. In other games Xavs continued their strong form line with an obliteration of BV. St Kevins also put in one of their finest performances to date beating Old Scotch by 7 goals. Ben Liu was a standout for SKOB.

### Preview

Match of the round and possibly Grand Final preview, Xavs host De La. Should be a tight encounter with both forward lines tough to break. The winning team may just have the tighter defence, so I'm going to say Xavs.

Rupertswood could make amends against Collegians this week. Good teams need to smash the less fancied opponents, so I'm putting this down as a test for Rupo who will win. Quoting the great Patches O'Houlihan, "If you can dodge a wrench, you can dodge a ball". In other games, Uni will look to find more percentage against BV, Marcellin will try to salvage the season against Old Scotch, and St Bernards will comfortably account for SKOBs who are on the improve. The lock worked last week and anyone who followed me into Portugal would be extremely happy. This week I will stick with familiar territory and back the Swans straight out over Adelaide. Any feedback to beatonc@tabcorp.com.au (first bit of feedback on Monday gets a personal mention in next week's edition). Happy punting!

## UNDER 19 (2)

The Blacks and Sharks have "taken their marks" for the race to the 4. The year's first draw saw Uni and Beauy fight it out in a nail-biter. The two points to either side will be a help or hindrance come finals. Pritchard and Gregory kicked 3 each for Beauy. Whitefriars caused the upset of the round knocking off Camberwell in a 9 point thriller. Big men Torney (4) and Mirrabella led the Friars home. Unfortunately for the Wellers, they have opened the door to the four and will find it difficult in the coming weeks. Although the Raiders held only a one point advantage at the main break, the Fielders couldn't prevent Parade from running home by 27, with the victors still having strong players to return. A percentage booster for the Panthers in their 241 point abolition of cross-road rivals, Trinity. Typically hard and fast defender Glen Parker, was moved to CHF and dominated, kicking 10, while MacReady-Brown and Wagner were dominant. Leading goal-kicker for the Panthers, Marshall Bull is out for 3 weeks with a fractured jaw. Melburnians continued their reign in a 6 goal win over the Tonners. This week the Sharks host the rampaging Panthers. The loss of Bull will hurt Carey but the visitors will scrape in by a couple. The Tonners play

the Blacks who will be looking to go two points better than last week, in a close contest. The Fielders take on the OM's but won't have nearly enough to stop the likes of O'Shaughnessy and Lawler, OM's likely to chew the Fielders up and spit them out. The T's host the Friars who will be brimming with confidence and will stretch their winning streak another week. Match of the Round is the Camberwell, Parade shootout. The Wellers are a tough ask at home and will be looking for redemption, but the Raiders will have the goods in a close one.

rest. La Trobe Uni showed they will be pushing hard for that fourth spot after a win over MHSOB away. A 9 goal to 2 second half by La Trobe put paid to the opposition with O'Halloran kicking 4 goals in a best afield performance. Second took on third with St. Bede's Mentone having little trouble with Old Ivanhoe in a surprisingly easy win for the home team. Andrews was best for SBMT, as was the ever-reliable pair in Swain and Neville. Oakleigh demolished Emmaus St. Leo's with Costigan bagging 9 and my man to watch Barrard not letting me down by kicking 8. Bentleigh got out of jail against a determined Old Essendon, with the home team being 19 points down at the last break, before coming home with a wet sail and winning by 16. In a cracking affair at Elsternwick Park, Ajax nearly took the points against Ormond with very little between the two teams all day, however, Ajax relinquished their half time lead to a relieved Ormond.

#### Preview

An intriguing Round 11 awaits us all and it will take some tipping brilliance for me to get the 5 in a weekend that sees every team having a realistic chance of winning. In the battle of the cellar dwellers, Emmaus St. Leo's host Ajax in the return bout from round 2. Ajax had the wood on Emmaus that day, but hasn't won since, yet unfortunately for Emmaus I can see Ajax chalking up their second victory for the season. Ormond at home should beat Bentleigh who have been a tad disappointing lately, while Oakleigh should remain undefeated with a win over Old Ivanhoe. SBMT should have too much class for a rejuvenated La Trobe, however, the Tigers will have to work hard to beat the determined Uni boys who have gelled well of late under Coach De Bono. In a toss of the coin affair, Old Essendon play host to MHSOB in a game which Old Essendon should be confident to take out. MHSOB were challengers a couple of rounds ago but have dropped off, and I think Old Essendon might take it up to them and get their third victory of the season.

##### Review

A couple of upsets in this section may make for interesting reading, but have not made too much of a difference to the shape of the top four. Parkdale Vultures had a surprisingly easy victory over Oakleigh Clayton at home with Horler and Hunter very impressive for the victors. Old Mentonians, who were relaxing with the weekend off, would be delighted with this result for they are now a game and a half clear of Oakleigh. Hampton again played havoc with my tips, however, are starting to show what they are capable of with a good win against De La Salle. Both of these teams have suffered at the hands of senior teams with many stars being pushed up to the higher grade, however, De La have had a couple of hiccups of late and while their supporters keep harping on about how they are the real deal, I have a few concerns. Old Haileyburians increased their already massive percentage with a big win over Powerhouse/Sth Mornington, while Mazenod had little trouble disposing of Monash.

#### Preview

With the likes of Dolman, Johnson, Smitsdorff and Mason all playing good footy for Old Haileyburians, this team will continue on their merry way with a good win over Monash Blues, who seem to struggle against the powerhouse teams of this section. Old Mentonians will have enjoyed the week off and they should be too strong for Parkdale at home, while De La travels to Oakleigh Clayton in a game they should be certainties for, but for some reason my confidence isn't overflowing for the boys in blue and gold. Tom Kovarik has been a shining light for De La, as have the consistent performances from Breda and Semmel, but they can't do it alone and only a good team effort will see De La take the points, and they should do so at least for this weekend. The rejuvenated Hampton host the rampaging Mazenod, and while Hampton have put two good wins together against very good opposition, Mazenod is a different kettle of fish,

and as a result Mazenod will burst the boy's from the bayside's bubble. Please send match info to al\_vafa@hotmail.com by 5pm Monday.

#### UNDER 19 RED

The Dominators get a taste of their own medicine. The top side has suffered its second loss of the year to Aquinas AGAIN. The Aquinians have worked out the Fitzroy Formula, not letting them in until the last quarter when it was too late. Sweeney (3) and Adam Raugauskas were influential for Aquinas in the 11 point win. In the second upset, the Lions knocked off the Xavs by a goal. Jumping the Xavs at the start, Thery held the reigns until early in the last (similar to Aquinas). Costello (5) and Brennan (3) brought it home while 'MC' Lee kicked 5 for the home side. These two results have burst open possible final four possibilities, for sides like the Bullants who continued their winning ways with a 52 pointer over bottom side Rupo. Tonelli and Marc Carfi booted 4 each, with young Dave Voglis blitzing in the middle. After a week off, Kew got that winning feeling back against lowly Westbourne, but will need more to get back into contention against higher sides.

This week sees 3rd vs 4th and both will again fight out a nail biter, but unlike round 2, the inform Aquinians should square the ledger against the Bullants who haven't been tested for a while. Thery will be running strong, but the Reds will be bitter, taking the win and a few heads, to boot.

Despair for the loser of this next one. The Woodsman are facing the Spoon, while a Kew loss would make it very difficult for a finals birth. Kew has more to play for and will take the points away. Old Saints should drive home happy against the Westies in a tight clash over the West Gate. Xavs sleep in.

# CLUB XVIII SECTION

by Norm Nugent

The unpredictable is now the predictable. We can expect an upset each Round. With five rounds to play, no Section has a settled leading group and with upsets each week, predicting what will happen is fraught with danger. With an 80% success rate in Round 10, I am well satisfied.

## REVIEW

### Section 1

Old Melburnians had more scoring shots than Old Xaverians but were let down by inaccuracy up forward and so failed by seven points to record victory.

Prahran made a mockery of my prediction when they defeated top side, De La Salle by eleven points. Each of these sides should be part of the finals scene.

Reigning premiers St Kevin's failed by 58 points against Old Scotch, who now are a game clear in fourth place.

Old Xaverians 2 justified my faith, inflicting a 21 point defeat on University Blues. The Blues led by some 18 points at half time but all was not lost for the Xaverians. Veteran Rod. Calhaem, shed his years and in a cameo performance kicked three goals to inspire his younger team mates, whose second half form carried them to victory.

Mazenod returned to the wining list with a 37 point victory over St Bede's/ Mentone Tigers. Mazenod set up their win in the opening quarter and although tiring late in the game were never seriously in danger of defeat. Best for St Bede's/ Mentone Tigers were McCraw, Lomagno, Hecker and Foster.

### Section. 2

Fitzroy Reds outplayed Old Brighton Grammarians after quarter time, when the home side pulled away to go on to win by 102 points. The Reds were well served by Gerard Ziemer, Adrian Marcon and Captain Damian Hannam. For Old Brighton, the veterans Gil Norwood and Stuart Cochrane were solid contributors as usual.

An undermanned University Blacks proved no match for Mt Lilydale, whose 70 point victory sent the Blacks from fourth to seventh. Best for Mt Lilydale were Hadyn Moyes, Justin Roberts and Daniel Cerra. For the Blacks, Craig Brook, Brett Murphy and Paul Otsuka did well.

St Bernard's opened an early lead over Collegians, who were never quite able to assert authority on the play to wrest control back from St Bernard's who won by 12 points to move to fourth place. They were well served by Deluca, Cox, Cookson (3 goals) and McGlade.

Whitefriars set up another challenge for a finals berth

through their 42 point win over Therry Penola.

The game, played in blustery conditions was

hotly contested throughout. Whitefriars were best served by Ben Atkinson in defence, forward, Peter O'Brien and Andrew Spiteri. For Therry Penola, defenders, Toner, Brennan and Serong were best.

Monash Blues found undermanned Marcellin competitive before the Monash depth of talent, overran "The Eagles" to kick eleven goals to nil in the final quarter. This rampage enabled Monash to win by 121 points. Their best included Richard Davies, James Sheldon, Paul Coughlin and Joe O'Dwyer.

### Section 3

Fitzroy Reds went further ahead of Old Geelong each quarter as the Reds built their 48 point winning margin. The Reds had good contributors in veterans Tony Jackson, Nick Auden (who picked up kicks at both ends of the ground) and Daniel Barr.

“-” results weren't received. Any discrepancies may be due to non-submission of results by clubs.

In the Friday night game, Beaumaris defeated La Trobe University by 11 points.

A very inaccurate Old Essendon still managed to defeat Old Trinity by 14 points. Trinity led at half time before Old Essendon steadied following another Rush oration. Their inaccuracy kept Trinity in the game before Old Essendon fitness prevailed and brought victory. Best for Old Essendon were Evans, Hughes, Overman and Rush (orator of the week award).

Emmaus/ St Leo's put themselves right back into finals contention when they defeated North Old Boys/ St Patrick's by 27 points.

Caulfield Grammarians were largely untroubled to defeat Old Scotch by 62 points.

## PREVIEW

### Section 1

Old Xaverians should consolidate top position with a big win over St Bede's/ Mentone Tigers. Likewise, Old Scotch should consolidate fourth place with victory over Old Xaverians 2. I expect Prahran to defeat St Kevin's on the field (unlike Round 2). St Kevin's appear unlikely to recover sufficient ground to atone for their April administrative oversights and so qualify to defend their 2005 premiership victory. I expect De La Salle to bounce back with a win over the improving Mazenod. Old Melburnians should continue their recent good form with a win over University Blues, who have lost their way over recent weeks.

### Section 2

A St Bernard's win over Whitefriars would give them a stranglehold on fourth place with four games to play. Victory to Whitefriars could see them in the four with four to play. Despite their unpredictability I select St Bernard's to win at home. Mt Lilydale, who is playing consistently, should be able to win again at the expense of Collegians, who face a long eastern trip for the game. Old Brighton must be given a good chance of victory over University Blacks, given the semester break as well as the home ground advantage. Both were big losers last week so selection is a toss up. At home I select Old Brighton. Fitzroy Reds should continue on their winning way by defeating Marcellin, who are competitive but short of playing options. Monish Blues face their "Long March" north west to Oak Park to meet Therry Penola, who will not have the depth of talent necessary to inflict the first defeat of 2006 on Monash Blues.

### Section 3

Emmaus/ St Leo's should remain well in the race for the four by defeating bottom side Old Scotch at Bennettswood. Old Trinity should again take the points over North Old Boys/ St Patrick's, especially on the big Hudson Oval. Old Essendon Grammarians should record another victory by defeating La Trobe University. Victory on a big ground is vital to the Old Essendon psyche as they were overawed at McHale Stadium earlier in the season. Old Geelong, who

are an enigmatic side, are at home to Beaumaris who need victory to stay in the final's contest. Old Geelong, who were undermanned last week, still showed snippets of fine football. Overall, I favour Beaumaris, despite the ground size. In a battle for second place, Fitzroy Reds visit Caulfield Grammarians. In Round 2, Caulfield won by sixteen points, but since then the Reds have improved greatly. Caulfield stamina is in question rather than their skill level. The Reds play determined football and with Matthew Kelly and Daniel Barr up forward they could kick a winning score. Travis Brockman for Caulfield is capable of kicking a lot of goals if allowed latitude. I predict a close encounter from which Fitzroy Reds will emerge victorious.
