

# UMPIRING

by Michael Sholly

One of the first surprises I had when working out of Elsternwick Park was to view umpires training first hand. Previously I had always been involved in club sport and concentrated on the task of organising football or cricket training at my club. Whilst I always tried to have a relationship with umpires on match day, I generally didn't give them another thought until the following Saturday when I would meet the new set again.

I was amazed and delighted to see up to one hundred and fifty umpires training on the Thursday night before each Saturday's match. There were always plenty of activities with a number of different skills and drills to educate our umpires.

The goal umpires would split into a couple of groups behind portable goals and simulate match situations where they would adjudicate on whether the full ball crossed the line or whether it was touched. Then they would practice their signals and the all important flag wave. I haven't yet seen them recording the score but they do have a familiar pose.

Around the extremities, the boundaries would be going through their paces generally working on their fitness but also on the skill of throwing the ball ten metres up and ten metres in. They also like to assemble at the top of the goal square and practise throwing the ball to each other to get their transitions correct.

The biggest pack which would always have to be split up into at least four groups was the fieldies. They would have to work on so many issues weekly. Not only would they have to work hard on their fitness, but the learning of new rules and interpretations, the positions you stand at the boundary throw ins, the angles you run when the ball gets transferred down the ground quickly. Mostly though they would all love to grab a footy and pump the ball into the ground and see how high they could bounce it. Generally there would be a contest going on somewhere on the oval.

Looking at this mass of activity also showed me how much enjoyment people were getting from these sessions.

Whilst all this was going on the selectors would be in the stands picking the teams for Saturday, the BBQ was fired up and the ever present sausage

smell pervaded the atmosphere. After training, most went to the bar in the umpires' social club, received their appointments for the weekend and continued their night with a few games of cards and generally having a sociable time.

I am sure this scene is familiar to us all.

On match day, instead of going to the players' huddle at quarter and three quarter time, I go to see the umpires. They are experiencing very similar sensations to that of the players. They analyse their performance, discuss the conditions with their fellow umpires and occasionally will have an umpires' adviser to consult with. They get involved with the match and are able to give a good analysis of the strategies each team is using.

I have had the opportunity to witness the umpires over the past two years and would recommend to anybody to come down to Elsternwick Park, view the activities and get involved as an umpire. Whilst you may not be competing for premierships points, you are putting your skills and your performance on the line each week which is what all sportspeople enjoy doing.

## No Faults Cults but Ts A'Chasin' A'Rayson as Scribe goes Ping Ponging

Absolutely kicking myself that I opted for a table tennis tournament rather than catching the De La Trinity game. Lord help us all. De La went gangbusters in the first term, booting ten to zip before the Cultrera led Ts mounted a very impressive fight-back. Six majors to the relatively unheralded Michael Brown from De La and (yet another) five to the explosive Damien Rayson. He has plenty to say and cuts a pretty confident figure out on the field but boy can he back it up. As for Andy Cultrera, he must be a serious Woodrow Medal chance, having won a comp B&F in the lower grades (Aquinas) several years ago. Trinity lost no admirers, particularly given the absence of their captain Ramsden.

There aren't many certainties in Amateur footy any more, but you can pretty safely say that Scotch will be playing at Sportscover Arena in the first week of the finals. And hats off to them; they never demolish sides, just know how to scrap and how to win. To knock off Ivanhoe at home is some effort, particularly after a pasting the week before. As always, an even Cardinals effort with particularly good games to Gerstman and Wigney. Ivanhoe have gone down twice to Scotch this year and had a day they'd rather forget. James Hope's return in the subject of some conjecture but my mail is 2-3 weeks.

If Scotch are to get that flag, they'll almost certainly have to beat Xavs in a final, something they haven't done since 1959. Xavs are circling ominously and seem to have shaken off a/ their injury curse b/ their tribunal problems and c/ their home ground horrors. Judging by their run home, Marcellin are pretty much gone. They'll have to pinch a surprise win against one of the top teams and beat St Bernards at the "Pit in Round 17 in order to stay up.

Beating Bernards will be some task, given their fighting qualities over the last two weeks. If they had have knocked off Uni, it would have thrown the comp into a tailspin but the class of the students prevailed. Mark Paterson (again) was best for the Blues while Michael Kavangah was the premier Pitter on the Varsity Oval. Very, very reminiscent of their 2005 season this for the Bernies. And Uni? Well, it's almost impossible to gauge where they're at from week to week but when they're on, they're frightfully good. Still not guaranteed a finals spot by any means.

At the Badlands, Haileybury easily saw off OMs. No dramas there. Darren Lay played his best game of 2006 to date, along with Daniel Brown. David Oman was best for the Grammar.

## Today

Lots of clubs out there (not mentioning any names Uni Blues, Ivanhoe & Scotch) begging me not to tip them, lest they be

cursed by the kiss of death! Indeed, having slipped below Fraser Cameron in the tipping poll and blown off the park by Ed Sill in the most popular scribe poll, my confidence is at its lowest ebb. With that in mind, let's tip Uni to beat Trinity (despite a very patchy record in Bulleen), Ivanhoe over Xavs, Scotch over St Bernards, Haileybury over Marcellin and De La to absolutely Roger OMs.

## Trivia

Congratulations to resident Badland hard-man Patty O'Donnell who correctly nominated team-mate Matt Armstrong as the current A Section player with the most Woodrow Medal votes. Paddy, give Michael Sholly a call and he'll fix you up with your prize. It was close though, with Armstrong just shading Ramsden from Trinity, Ockleshaw and Lethlean from Xavs and Nick Mitchell from the "Pit. Which A Section club has the lowest and highest average playing age (of senior players this year)? Might need a week off work to figure it out but feel free to email jonathan\_g\_horn@yahoo.co.uk.

# M I MILESTONES E S

**St. Bernards** congratulate **Simon Chatfield** on **100 games** (53 sen, 7 res, 40 U19). A long journey, with this being his first year at the club in 8 years. Known for toughness and ability to find the pill, we hope there are more to come. Well Done "CHATTY".

**Old Ivanhoe** congratulate **John Stevens** on **150 games** this week. The most flamboyant player seen at OIG, John has also had a most distinguished career. Three premierships in 94-95, 2005 in D.C and B, B & F in 2003, member of the Team of the century, VAFA representative, and 79 games for the Sydney Swans. Now approaching an amazing near two decades of senior football, John is still a most dangerous forward who can kick match winning goals. Well done John. **Old Xaverians** congratulate **Anthony Fox** who today plays his 100th game for the club. From the college in 2001, he played in the U19 2001 premiership side. Well done Foxy from all at the club.

**Old Haileyburians'** congratulate **Brett Carson** on **200 games** for the Bloods. Senior Vice-Captain 2002-04, Brett richly deserves his Life Membership at the Bloods and we all look forward to many more games from him. Well done "Fluff".

Congratulations also to Vice-Captain, **Kynan Ford** on **50 games** for Old Haileybury recently. Recruited in 2003 from Central Districts, Kynan has thrilled all with his strong marking and long accurate kicking. Congratulations "Fordy". The Bloods also congratulate senior runner **Alex Shepherd** on **50 games** for the club last week. A long time coming, due to a badly broken leg, Alex helps out when numbers are short in the Magoos. Apart from his football achievements Sheppa's performances at the player's revues are legendary. Well done "Sheppa".

**De La Salle** congratulate **Matty O'Donnell** on **150 games**. "Ding" started in 1997 with the U19 Blues and played his 1st Senior game in Rnd 14. His playing record comprises 15 Senior (9 "A" & 6 "B"), 107 Reserves, and 28 Blues games. Captaining the Ressies this season, Matty has achieved many other Club honours: Runner Up B&F Blues 1997, Ressies 2000 and B&F Ressies 2003 & 2005. Matty has overcome several serious injuries to achieve his 150th inspirational game last Saturday. Well done Matty.

The **Old Scotch Football Club** salutes **Rob Josephs** on **100 games** for the club last Saturday. Rob has been worked hard to secure a senior berth and plays with great commitment and determination. James Gertsman played his 50th game for the club last Saturday and is a great leader for our club both on and off the field. James Porter will play his 50th game for the club today. Ports is a fitness machine and is also a fine clubman.

## REVIEW

Tough one for Mazenod who after leading all day and playing the better football were just pipped on the line by the Uni Blacks who obviously kept persisting. A wasteful third quarter where the Noddgers kicked 1-6 kept the door ajar for the visitors, and as by a quirk of fate as the wind picked up in the last with 3 minutes to go the Blacks took the lead and never surrendered it to a devastated Mazenod unit. Best players for the Noddgers were U19 Luke Castledine and Nick Meehan.

In what has been a trying year for MHSOB with so many of their players away overseas, they had the win they had to have to keep the wolves from the door and give themselves some breathing space. After an even battle in the first half, the Unicorns then took total control, kicking 9 goals to 2 in the second half to put the hapless Whitefriars totally out of the game and into the danger zone. Tim Dunne with 6 goals had a major influence, Matty White was back to his inspiring best, kicking goals at will and young Simon Anderson and seasoned veterans Rhys Limbrick and Drew Fairchild also played well.

I suppose Collegians were due to drop one after being so dominant, but the Bombers certainly dispensed the first defeat with a sledge hammer. Set up by a terrific first quarter into the wind, OEG's fierce attack at the footy was able to shutdown the Lions' natural free flowing game and forced plenty of turnovers. Best for the giant killers were Blanket Ward, Dermie Kavanagh, the complete package Jordan Leask, and it was good to see war horse Droof Fletcher back in action for his first game since 99. Collegians didn't have many winners but were pleased with Nick Stone, Clint Harris, and Tom Bull who tried hard all day.

An excellent effort by Old Brighton with four aggressive quarters of football that completely shut St Kevins out of the game, especially in the third when they kicked an amazing 7 goals to one into the South Road wind. Toby Ewart set it all up for them in the Ruck, enabling the likes of Hendra, Buckley, Mason, Dubyna, Jakobi, and Oliver to have a field day. With Tom Mentiplay a big target at CHF and Adam Pirrie kicking 5 despite the best efforts of an impressive James Keogh, the Tonners continued honing up their game as they head towards September action.

Who would have thought, after Caulfield Grammarians kicked the first 4 goals of the game that the Sharks would go into recovery mode and win by 55 points? Well that's exactly what they did with a terrific brand of fast

running high pressure football that found the Fields with absolutely no answer. It was set up in the midfield where

Luke McNicholas and Lee Wonnacott held sway, seating up young guns Ryan Heywood and Tom Dean plenty of chances to kick goals. While down back Mark Ensor and Chris Graham did a demolition job on the Sinclair's. Terrific win for Beamaris in a game well officiated by the men in white who allowed the players to play.

## PREVIEW

Mazenod have had a week to get over the disappointment of last round and have to front up again today at home in another "must win" game for them. Not too sure that they can do it even at Central Reserve as the Sharks full of confidence from last week will consolidate their sport and continue a late run at the Top 4.

Gez what a follow up for Caulfield Grammarians as they welcome the in form Old Brighton to Glenhuntly Park! Andy has told me to stick with the Tonners now as he reckons they can play a bit. So based on that, it's OB for me.

"-" results weren't received. Any discrepancies may be due to non-submission of results by clubs.

Normally coming off a big win one would have suspicions about OEG backing up but the 2006 version is a lot different and a lot mentally tougher and today with still a sniff of sneaking the double chance will be too tough for Whitefriars even at Friar Park.

Heaven help the Uni Blacks as they welcome what is sure to be a pumped up Collegians after the ignominy of defeat one in 2006. Don't read too much into it as it was the loss they had to have and the wake up call they needed. Blacks will be up too, as a chance to be sitting fourth awaits them tonight, but I feel they will just fall short.

And so to Sportscover where an important clash between SKOB and MHSOB takes place. For the victor come some breathing space and the loser a bit of added pressure over the last 4 weeks. Both young and learning but it could be the experience of Paul Greenham, Paul O'Keefe and Luke Mahoney that has Skevies greeting the judge.

## M I MILESTONES NEWS

**Old Brighton's** champion, **Leigh Hendra**, recently returned to the action in brilliant fashion with a best on ground performance at Whitefriars in his **100th** game, and continued his inspirational example last week by leading the demolition of St. Kevins. Leigh's superb skills are matched with an unrelenting work rate, and he reaches his ton having established himself as a VAFA State representative and one of our Club's greatest ever players. A scrupulously fair player, Leigh is a fierce tackler and ruthless competitor who is respected by all opposition players, and idolised by his teammates. Although mid-season injury may cost him the chance of a third B&F in a row, Leigh is determined to charge towards the finals in top form, and the balcony at the beach is salivating at the prospect of watching another hundred from their awesome champ. Well played Lethal!

## COACHING THE COACHES BY STEVE WRIGHT

**As a head coach or senior coach of a football club what is your role? Is it to win games of football only?** I don't think it is. Winning games of football should be looked upon as a bonus. As the head coach or senior coach, your role should also include the development of not only the playing group but also your fellow coaches, medical staff and administration staff.

At Caulfield Grammarians we train the seniors, reserves, under 19's and Club 18 together on a regular basis. All teams dine together on the Thursday night before the teams are announced for the weekend's games. This creates a great atmosphere and helps with players moving between grades as all teams are trained to the same game plan.

As a way of developing future coaches at Caulfield Grammarians FC, both the senior coach and reserves coach will hand over the reins to other personnel. In the senior game versus Whitefriars in round 10, Duncan Kellaway coached the senior team. Duncan's responsibility included setting training for the week, conducting all training and team meetings, chairing the selection committee meeting, coaching during the game and the most difficult job of them all, telling players they had been dropped from the senior team. My role for that match day included talking to players individually, working the team board and supporting Duncan if needed.

The result, a ten goal win after coming off two eight goal defeats. In the following weeks, other players had the opportunity to get involved in the coaching structure by conducting training, writing match reports, speaking to the playing group before and

during games and setting game plans for the coming week.

**What are the advantages of handing over the coaching duties to a novice coach?**

It can be a way of refreshing the playing group by having a new voice giving them instructions. The regular coach can also learn from the player, especially if that player has played at a higher standard of football. It can give the head coach the opportunity to sit back and see the playing group from a different angle. The playing group can sometimes lift as they don't want to let their mate down.

Other important advantages relate to showing players is how much work goes into preparing a football team to play at their best and it is also hoped that players will become better performers as they have seen the other side of the game were they must think of others and not just themselves.

**Are there any disadvantages?** - Personally I can't see any as it is giving players the chance to express themselves and it is building coaches of the future and that is good for the game. Others may disagree!

**Steve Wright - Head Coach - Caulfield Grammarians**

Steve played 246 games with South Melbourne/Sydney Swans winning their best and fairest and named as a member of their Team of the Century. Steve has previously coached Clarence (Tasmania), Central Districts (SANFL), NSW/ACT Rams (TAC Cup), Queanbeyan Tigers & Western Creek (AFL Canberra) and North Ballarat (VFL).

**Significant Milestones at MHSOBFC**

Last Saturday against Whitefriars **Stuart McCully** (top) played his **150th game** for the club. In 2003-2005 Stuart was the senior club captain, stepping down from the job this year to concentrate on his football. In the last few games Stuart has been playing with his old characteristic flair from the half back line creating many opportunities in the forward zone. His ability to tag opponents then create space to run into is a highlight of his game. All at MHSOBFC wish Stuart well for the remainder of the season and look forward to his next 50 in the seasons ahead.

**Matthew White** (bottom) has made a very welcome return to our senior team after spending the first part of the season in Sydney with work commitments. Today Matty plays his **100th game** for the club.

The Matty White of old appeared in the third quarter against Whitefriars, a must win game for MHSOBFC,

when he grabbed hold of the game and kicked three outstanding goals himself. His flair and run on the wing was an inspiration to the team.

We are all very proud of the efforts of Stuart and Matthew.

**Drew Fairchild's 200th game is fast approaching!**

Thanks to **John Dodd** and his company for again sponsoring the Unicorns in 2006.

It's good to know that, finally, after 14 weeks, this competition decides to do away with the nailbiters and deliver some old-fashioned "larrapings" as 5 sides flexed their muscles and gain some valuable percentage points. With the grounds drying up pretty much all over Melbourne, and injuries exacting a heavy toll at some clubs, I expect more lop-sided scorelines as we run through to the final round.

### Review

The Wellers tripped down to David Street and had a picnic at the Boss with Hampton Rovers rolling out the tartan rug and serving them jam and scones all afternoon. Whilst the precarious position of both sides should've provided a nip-n-tuck game, the visitors adjusted to the cross breeze well and committed fewer errors than the Rovers to lead at the first change by 2 goals. However, their second term was a fantastic display of pressure footy as Old Camberwell denied the Rovers any room to create, and pounced on turnovers in the forward 50 to kick out to a 39 point lead. From there on, it was plain sailing as the Two Dans (Pike and de Sanctis) controlled things down back whilst Paul Byrne carried the ball 487 metres off his wing. The only downer? Loats' damn hammy twanged again !!!

The Tigers took out the sewing kit against the Reds and not only stitched them up, but also the minor premiership in the process – and what a procession it was!!! Luke Beveridge had the luxury of experimenting from an early juncture, introducing Luke McMurray into the line-up and giving Andrew McMahon a good run at half back. Elsewhere, Anstey racked up a lazy 36 stats, only bettered by Steve Kidd's 38 off half back. Tigers have firmed to \$1.01 for the flag now.....

The Jackas took little time at all to get on top of Monash on Sunday, making up for last week's ordinary effort in true style. The return of several quality players did the trick but both Sam Bruce and Ben Klein really shone in the windy conditions. Mr Manpower followed up his BOG last week with a true cabaret performance for his adoring fans, but managed to keep the kit on for a change and will certainly add more bite to the midfield when September rolls around. The Ashes, meanwhile, could only look to Az Williams as their real standout in a disappointing effort.

The remaining games saw runaway victories to Ormond over Paradians and Parkdale over NOBSPC. For Ormond, Ash Russell and Wayne Cove provided half their score, whilst the Paradians are looking down the barrel now with a massive turnaround required to stave off relegation. At Parkdale, I was expecting Lorraine Bailey and Paul Cronin to shout the bar as The Sullivans (all four of them)

contributed handsomely to the big win.

### Preview

With some crucial games to look forward to this week, it's time to extend the previews a touch so here goes:

The RedNOB Cup is up for grabs again when the Brunswick St boys shoot up Albion Street to the Alec Gillon Oval as 8th host 7th. The Reds' form is ordinary to say the least, but the whispers are some big guns are back to help them stay out of the bottom two slots. The winner of this can breathe a little easier, whilst the loser will be sweating bullets. Should be a cracker, and the Combine will salute by 9 points.

Some might say the loser of the face-off at Boss Reserve can almost bid farewell to C section until at least 2008. I'm not so sure about that as, barring a Reds/NOBSPC draw, they'll still only be a game and % behind 8th. Anyhow, enough of the stats, the result is all important, and it'll be the Rovers by 16 points.

The Wellers are now at the head of the pack in the battle for 4th, but face the Tigers and can't reasonably expect to hold onto that spot unless someone boobytraps the STMBT bus and it fails to get to the GBO at all. Tigers by 7 goals.

"..." results weren't received. Any discrepancies may be due to non-submission of results by clubs.

With the OC's likely demise, the prize for the winner of Parkdale -v- Monash will be 4th spot (well for a week at least). The Ashes were awful last week whilst the reverse was the case for the Vultures. Who would tip against their winning form? Little Old Me - Monash by 3 goals.

Finally Ormond could steal the double chance off AJAX with a win at Buxton Oval. Both sides coming off great wins means only one thing - a belter of a game with AJAX victorious by 15 points

## M I MILESTONES U B S

**Monash Blues'** flamboyant Tasmanian import **James Hawkins** has finally and belatedly clocked over **150** games in the Monash colours. Always a favourite with the opposition clubs due to his unique and friendly approach, Hawk is a skillful and elusive forward who can be relied upon to produce a miracle goal or a ridiculous comment! Now a paid up member of the Corporate Club, Hawk has many fine performances left in him. Well done on this terrific achievement from all of your mates at Monash.

**Ormond** congratulates **David (Robbo) Robbins** for playing **150** games for his club. Say David Robbins and this is synonymous with his parents Ron and Jan plus brothers Brendan and Matthew. A tight knit family that Ormond are proud of. David began with the Murrumbeena Under age side before moving to Ormond Under 12's in 1990. His Senior career began in 1997, the same year he played in the Ormond Under 19 (losing) Grand Final. He is now considered one of the best Ormond players of this era. A popular personality around the Club, all at Ormond wish David a great game on a memorable milestone.

**Old Paradians** congratulations to **Adam Paglia** on playing his **100th** VAFA game. Adam commenced with the club in 2001 coming from Parade College. 'Pags' has played in our seniors most of this season providing much needed support in the ruck and backline. We look forward to many more senior games in the future from the big man.

**REVIEW**

A demolition at Dunshea Oval, Old Carey pounding St. Leo's Emmaus by 85 points. Again, the results of the ruck contests were influential with Unkles and Basell dominating for the Panthers. Baranello was the only standout for the Animals. Prahran pushed the high-flying Bulleen Templestowe all the way, leading by three goals at half-time in their match at Ted Ajani Reserve, before the class of the home side prevailed, the Bullants eventually winning by 12 points. After being 10 points down at half-time, Old Geelong turned it on, crushing Old Mentonians by 124 points at Como Park. Kris Daff starred in the ruck for the Oggers, while Colby O'Brien and Will Paul split 10 goals between them. Therry Penola scored a much need win, upsetting Rupertswood by 13 points at Salesian College Sunbury. Yarra Valley OB recorded a comfortable 50 point win over Banyule at R J Brockwell Reserve. Valley's Tim Hancock starred after rucking most of the day unchanged, while Cam Britt's courage was particularly admirable.

**PREVIEW**

Old Mentonians play host to Bulleen Templestowe at the Playing Fields. The Panthers' finals dreams have turned to dust, and will now just be looking to record the best finish they can. The Bullants were severely tested by the bottom side last week and the subsequent reality check should shake off any complacency that may have been lingering. Both teams have players that are capable of kicking a bag of goals (Basile and Twentyman for the Panthers, Matthews, Williams and Bain for the Bullants), but around the ground, the Bullants have the better balanced side and that extra bit of polish. Bulleen Templestowe to win. Banyule travel to Toorak Park for their relegation dogfight with Prahran. Banyule are the better placed of the two, but their recent form (eight consecutive losses) hasn't inspired much confidence. Prahran have been respectable since season's turn, but will be rueing many of those earlier defeats. The potential duel between Banyule key defender David Gayfer and Prahran tall forward Paul Scanlon may well be a barometer of the overall contest today, so keep an eye out for this particular contest. I'll gonna pick the Two Blues for this one. Emmaus St. Leos take on Yarra Valley OB at Bennettswood Sports Ground. Many eyes will be on Valley ruckman Tim "Herbie" Hancock after his admirable effort last week, while the likes of D'Amico and McKenzie will need to have big game for the Animals to lift their side onto greater things. St. Leos have been drawn back to the relegation mire somewhat, and a win here will ease those fears, but this is also a great opportunity for the Bushrangers to burst into the four, right at the business end of the season. Look for Valley's Rob and Ash Drew and Phil Valoppi to have an influence today also. Bushies for mine. Old Geelong make the journey to John Pascoe Fawcner Reserve for their match against Therry Penola. The Lions gained some much needed breathing space from the drop zone after their terrific win over Rupertswood last week, which

will certainly buoy their hopes for today. Jarrod Bannister has been valiant up forward in recent weeks for the Lions, but can expect stiff competition from the likes of Sandy Makin and Marty White. Up the other end of the ground, the Hoops have a surfeit of goalkicking options (O'Brien, Casboul, Kimpton, etc.), which will keep the Lions' defence on their toes. The Oggers, despite last week's massive win, would be foolish to take Therry lightly, especially in light of the Lions' result against Rupo. I'll take Old Geelong in what should be a reasonable close contest.

A big game at Dunshea Oval sees Old Carey square off against Rupertswood. I gave Rupo some "big ups" last week only for them to lose, and another defeat may well see them tumble out of the four (depending on the result at the BSG). Their indifferent run of late has been baffling, especially considering the quality of talent at their disposal. It may well be that the climate at this time of year does not suit the Rupo running game, so look for an improvement in later rounds. I feel it won't happen today though, as the Panthers continue to play their football with aplomb. And with the likes of Mullins, Chris Angus and Travis Bull due back, it will be tough for the selectors to decide who to leave out. Not a bad dilemma to have. Hard to go past Old Carey, so Old Carey it is.

# M I MILESTONES E S

Three players at **Prahran** this week are scheduled to reach the **50** game milestone. Depending on fitness, **Matthew Harrison** will play his 50th senior game. Joining the club in 2004, he plays most of his football in the centre. **Daniel James** also reaches his 50 games after having joined the Two Blues in 2002, and has been influential in defence. **Nathan Gill** completes the hat-trick of milestones. Initially joining the club in 2000, he missed three seasons, and although more a reserves player, he has made several senior appearances this season, mainly in defence. Congratulations to you all from everyone at Prahran.

**Old Carey** would like to congratulate **Ian "Ocka" England** who this Saturday will make his **600th appearance** as a player/umpire (Writer's Note: not at the same time, as far as I know). Ocka is a true club legend, first appearing for the club in 1969 while still at school, and going on to play a club record 325 games, win five Reserves Best and Fairests, play in the 1970 Reserves Premiership, coach the Reserves, serve on the committee in various roles, and be awarded a VAFA Certificate of Merit. This Saturday will be Ian's 275th as an umpire, also a remarkable achievement. Old Carey would like to congratulate and thank Ocka for a lifetime of service and wish him all the best for this Saturday and the future.

More multiple milestones, this time at **Old Mentonians**, where the duo of **Blake Carroll** and **Bernie Coghlan** both reach the **50** game mark this week. Both Blake and Bernie have been great contributors to the club, with Blake having developed into a pivotal member of the senior side, and Bernie using his senior experience to be an integral part of the Reserves' push towards the finals. Congratulations to you both and the club looks forward to many more fine games from Bernie and Blake.

A milestone of a different kind at **Yarra Valley OB**, where six-time club leading goalkicker **James "Bargie" Keem** became the club's all time leading goalkicker with **280 goals**, courtesy of the last of his seven goals in last week's game against Bulleen Templestowe. This saw him overtake the previous mark of 279 set by Paul Telford. Well done Bargie from everyone at Yarra Valley Old Boys.

## **CLUB WAREHOUSE RISING STAR NOMINATION ROUND 14**

### **CALLAN BUCKLEY (OLD BRIGHTON)**

**Old Brighton** on baller Callan Buckley is the nominee for the **Club Warehouse Rising Star Nomination** for Round 14 after his best on ground performance against St Kevin's last Saturday.

Callan has been a tremendous addition to Old Brighton in his first season with the club. This follows a couple of seasons at VFL level at Sandringham, including 7 senior games in 2005.

He has been an outstanding clubman with his input and work ethic at training and on match days. His on-field performances have continued to improve during the season as he leads by example. Cal is strong around the packs - whether he wins the football himself or looks after his team mates with efficient blocking or tackling. He is a great runner and contestant and can be relied upon for a 100% effort.

Callan has been a marvellous acquisition to Old Brighton and we look forward to on-going success and contribution from this talented player as the club looks to the B Section finals this year.

by Jono Healy

Glen Eira are making a late charge for the finals and are now equal on points with Aquinas and Werribee. Down the bottom end of the ladder, the relegation story is still unclear with Ivanhoe Assumption and Williamstown holding the bottom two spots at the moment, but La Trobe and St John's are not yet safe. We may have a clearer picture after today's matches.

## Williamstown CYMS \$1.70 v La Trobe Uni \$2.05

This is Willy's chance to get out of the relegation zone. They were outclassed by Peninsula last Saturday with only John Gallivan and Daniel Jory able to hold their head high. La Trobe were somewhat unlucky going down to Werribee by a solitary point after leading by 21 points at the last break. Stephen Pruscino continued his great form, and is now a short priced favourite for the B&F out at Bundoora. I think Willy will get the points today, but am not overly confident. They have let me down too many times this year. Williamstown by 9 points.

## Glen Eira AFC \$1.40 v Ivanhoe Assumption AFC \$2.70

Glen Eira continued their late run at the finals with a 9 point win over Aquinas in a fiery encounter. Scott Diamond and Chris Massis were unstoppable, as they came from 9 points behind at the last change. The Hoe's were competitive for the first three quarters against Oakleigh but again ran out of legs in the last stanza going down by 16 points. Coach John Garrard impressed, taking what many at the ground described to me as the best mark they have seen at Ivanhoe Park for years, whilst Dave Neilson and Travis O'Neill were amongst the better players. Big danger game today for the Saints. If the Hoe's can play four quarters then they are a huge chance, but with too much to play for I think Glen Eira will get the four points by 22 points.

## Peninsula OB \$1.08 v St John's OC \$6.50

The premierships favourites won their eleventh straight match with a 53 point victory over Williamstown. Josh Davis and Reed Powney were impressive for the Pirates, whilst Sam Murray was impressive in front of goals with four majors. St

John's tried hard and trailed by only 11 points at the last change but ran out of legs in the last going down by 54 points to Salesian. Veterans Dean Rydquist and Kane Arnold battled hard, and John Ryan managed three goals. It was a 132 point drubbing last time these two met in the Pirates favour, and today I think Peninsula will win by 129 points.

## Werribee AFC \$1.80 v Aquinas OC \$1.90

Werribee escaped with a 1 point victory over La Trobe, after trailing for the whole day. Cameron Lee was unstoppable on the half back line, and Andrew Tedesco and Nathan Addamo found plenty of the ball. Aquinas led for most of the day, but were overrun late by a desperate Glen Eira side by 9 points. Glen Whitehead was good for Aquinas as was Trent Harkin and Michael Glassborow. Huge game today, with the winner to take fourth spot on the ladder, and to hold the upper hand in the race for the finals. Dean Whitten is the key for Werribee, and Daniel Den Braber crucial

for Aquinas. Neither team has been playing great football, but at home I think Werribee will get the win by 2 points.

### Oakleigh AFC \$1.60 v Salesian AFC \$2.20

The Krushers sit nicely in second spot on the ladder, after disposing of Ivanhoe Assumption by 16 points. Trevor Bromley and Ben Gately were impressive, and John Rutter found plenty of the ball in the middle. Salesian were made to work hard to get the points against St John's, but ultimately proved too classy running away to win by 54 points. Andy Thain was back to his best with six goals, and Ash Ross marshaled the defence superbly all day. This local derby should probably decide who gets the double chance and first shot at Peninsula in the finals. Should be some good on-ball battles between Salesian's Bonnici, Oldfield and Rose against Oakleigh's Bromley, Rutter and Hogan. I have a funny feeling Salesian might cause an upset here. Oakleigh got the points by 25 points earlier in the year, but today it might be the other way around. Salesian to win by 22 points.

### Ressies Report:

With Matty Loughnan in great form, Salesian are slight favourites for the reserves premiership. Aquinas are making a late run for the flag with Michael Visser in fine form, whilst Peninsula have been impressive all year. Toss of the coin for fourth spot on the ladder with Werribee and La Trobe fighting it out. Tough matches for both clubs today. If Werribee can get the points today over Aquinas then they will probably hold on to fourth spot. No doubt that veteran Johnny Marinis holds the key today for Werribee.

**Tips:** Willy, Ivanhoe Assumption, Peninsula, Werribee, Salesian.

## Windfarmers Energised & Blow Hearts Apart

Ventured out to the **Windfarm** last Saturday and caught the middle stanzas of the clash with the previously undefeated **Purple Hearts** – a most impressive performance. Elsewhere in B-Cup, the **Clockers** & **Clydedales** battle for the final spot. In D1 the **Winos** are putting pressure on the **Angelas** whilst the **Brewers** & **TurnOffs** are standouts. Still six in the hunt in D2 but the Ides of August are south bound. In D3 the **Emeralds** have asserted their superiority whilst the **Bells** are ringing hope from earlier travails. In D4 the **Protesters** have the % to crack the finals if they maintain their form. C still has 6 in the hunt and a fierce rello battle as well. The **Barrells** have been the A List disappointment whilst 6 sides are seeking to join the **Single Malts** in September - still reckon **Threesomes** can get there with **Skies**.

## 7 Slabs Finally Won as C Section Names are revealed

Two previous winners in Socialist **Tim Maddern** and Backyard Boy **Paul Mahoney** take off 3 slabs each by correctly identifying : **Triads** (St Bedes Mentone) **Foamers** (AJAX) **Philanthropists** (**Ormond**) **Ednas** (**Old Camberwell**) **Freeways** (Monash Blues) **Circle Workers** (Parkdale Vultures) **Socialists** (Fitzroy Reds) **Blenders** (NOBS/St Pats) **Badens** (Hampton Rovers) & **Stan Rofes** (Old Paradians). The other slab I've awarded to a guy named Gary Arnold who started out submitting names like Hill, Hillier and Hilton with their clubs and jumper numbers and this week submitted a list inclusive of **Paddy's Pensioners** (Blends) **Moombas** (Stan Rofes) **Dry Areas** (Ednas), etc. In other competitions, **Flawed Landis** continued the great American tradition in the Tour d Pharmacy whilst **Shane Worn** looked like becoming the first to reach 1000 women and 1000 wickets. Consternation at the Big E with the flash that **Pammy Anderson's** marriage was on the rocks but all was revealed and all was well. VAFA Exec also chuffed with the announcement by **Thrill Buttock** that VAFA Tribunal will hear the David Hicks case to ease backlog.

## • Bangers and Cash Monies Tallied

The VFA and Cystic Fibrosis would like to thank all members of the VFA community who participated in the "Bangers and Cash" promotion in the lead-up to the Cystic Fibrosis Community Cup Match between the VFA and the SFL. All clubs were sent collection tins and asked to conduct a BBQ between 18th – 20th May to raise money for this very deserving charity. Of the 71 tins distributed, 39 clubs returned them with funds raised which we are very thankful for. Cystic Fibrosis will be sending letters to each of these clubs thanking them for their efforts personally. We ask the clubs that didn't raise any funds that they give it a go next year.

## • Therry Penola Tops VFA Tally

An astounding effort by the members of Therry Penola AFC saw them top the funds tally for VFA clubs. In actual fact, the \$2000 raised by the club was more than every other VFA club combined which is just an amazing effort. The amounts raised by each club are as follows -

Club	\$ Tally	Club	\$ Tally
Ajax	109.70	Old Scotch	109.10
Albert Park	2	Old Trinity	86.80
Beaumaris	38.50	Old Westbourne	40.25
Box Hill Nth	11.25	Ormond	5.80
Caulfield Grammarians	85.70	Parkdale Vultures	1.25

Old Brighton	48.10	Whitefriars	25
Old Essendon	53.40	Victorian Umpire's Association	13.55
Old Geelong	44.30		
Old Ivanhoe	50		

The club with the highest tally from the VFA and the SFL wins a \$1000 BBQ from Barbeques Galore. Therry Penola will have to wait until all the funds from the SFL are tallied, but with the figure they have reached, it is sure to be hard to top.

## • "Ocka" Notches Up 600

The Old Carey Football Club and the VFA would like to congratulate Ian 'Ocka' England who this Saturday will represent his club for an amazing 600th time as player / umpire. Ocka truly is a club legend having played his first game for Old Carey back in 1969 whilst still at school. Over the course of the next

37 years Ocka has played 325 games (a club record) including being a member of the 1970 Reserve Premiership side, won the Reserves Best and Fairest on 5 occasions, coached the Reserves and stood on the Committee in numerous roles. This Saturday against Rupertswood he will umpire his 275th game for the club, truly a remarkable achievement. Ocka has also been awarded a Certificate of Merit by the VFA. Old Carey would like to congratulate and thank Ocka for a lifetime of service and wish him every success for this Saturday and the future.

## • Primary Edge Match Football Prize

The winners of match footballs in the Primary Edge apparel competition resulting from apparel orders placed during early season have been decided with the following clubs being the lucky recipients:

- Old Scotch 4 footballs
- Emmaus St Leo's 1 football
- Swinburne University 1 football

Congratulations to the above clubs who may collect their footballs from Primary Edge, and particularly for supporting a VFA Sponsor.

In recent news, Primary Edge has been appointed as the exclusive supplier of all training and walk out apparel for the SACA. This compliments their existing supply contracts with the Victorian Bushrangers, the Tasmanian Tigers and their various Pathway squads. The company is forging ahead in the provision of sporting apparel to associations and clubs alike with the SACA appointment further evidence of its position in the industry.

## • Message of Thanks

- 1) Parkdale Vultures would like to thank St Bedes / Mentone Tigers for their assistance when one of their players was seriously injured in a head clash with an opponent. Tim Kight from Parkdale remains in hospital after the clash on 22nd July which resulted in him receiving a fractured skull. Unfortunately, whilst in hospital, Tim contracted Meningitis, which has affected his hearing and balance. Doctors have informed him that he may not play football again, which would be a tragedy for a young man (21) that enjoys his football so much. The VFA would like to wish Tim a speedy and full recovery.
- 2) Old Paradians would like to send a message of thanks to all involved with Old Brighton U19 on Saturday. Old Paradian player Anthony Sheehy was severely concussed in an accidental clash in the 1st quarter of the match. Fortunately, Old Brighton's Boundary Umpire Andrew Miller, who is a Doctor, was able to provide assistance and guidance to the Old Paradians Trainer Annette Lakeland in the treatment of Anthony. Happily, he is recovering well and is grateful for the assistance rendered.

## • Tim O'Shaughnessy Joins Athletics Australia

Ajax Senior Coach Tim O'Shaughnessy has accepted the role of National Distance Running Co-Coordinator for Athletics Australia, assuming the role at the conclusion of the VFA season. Based at the Victorian Institute of Sport, Tim will oversee AA's high-performance distance athletes and associated programs. Tim is off to the World Junior Championships in a couple of weeks, tracking the performance of his future charges but will not miss a game for Ajax. Tim has spent the last couple of years coaching distance runners alongside his football commitments and his coaching abilities are obviously held in high regard in both sports. The VFA would like to wish Tim all the best with this new challenge and all the best as he heads toward September action with the "Jacka's".

## • VFA Strategic Planning Day

The VFA are conducting a Strategic Planning Day at Elsternwick Park on Sunday 20th August 2006. The day is designed to begin formulating a plan for the Association for the next five years to ensure we remain the premier football association in Australia. All VFA Stakeholders including representatives of the VFA

Executive, Club Officials, Football Victoria, Life Members, Players, Coaches, Umpires and Administration Staff are invited to attend and to contribute.

## • Benny Spreads the Umpiring Gospel

VFA Director of Umpiring Brian Goodman has been out and about in schools around Melbourne, running umpiring clinics for a next generation of "men in white". Brian (alias Benny) has recently run classes at St.Pauls College (pictured), Haileybury College, Therry Penola College, St Bedes College and Whitefriars College, teaching them the basics in boundary, central and goal umpiring. The course runs for 8 weeks with each participant receiving a Certificate in Attainment upon successful completion. The VFAUA has managed to directly recruit ten umpires this year from the program so far and they are definitely looking to increase these numbers in the near future. Brian and the VFAUA understand that youth are essential to ensure that our depth in umpires continually increases and is sustainable long term.

## • Joke of the Week

A woman and a baby were in the doctor's examining room, waiting for the doctor to come in for the baby's first exam. The doctor arrived, and examined the baby, checked his weight, and being a little concerned, asked if the baby was breast-fed or bottle-fed?

"Breast-fed," she replied.

"Well, strip down to your waist," the doctor ordered.

She did. He pinched her nipples, pressed, kneaded, and rubbed both breasts for a

while in a very professional and detailed examination.

Motioning to her to get dressed The doctor said, "No wonder this baby is underweight. You don't have any milk."

"I know," she said, "I'm his Grandma."

## 5 YEARS AGO - 2001

**St Kevins** were primed to seek revenge on **Old Xavs** for their round 5 loss earlier in the season and burst out of the blocks at **Toorak Park** to lead the home by nearly 5 goals at quarter time. **Ryan Grinter** was the key player early for **SKOBS** and Xavs' coach **Tim O'Shaughnessy** was forced to make some significant changes to his line-up in an effort to control Grinter's impact on the game. Although the Xavs kicked 6 goals in a more concerted second quarter effort **SKOBS** responded later in the term and bagged 5 goals themselves with **Steve O'Connor** dominating the centre. **McCarthy** and **Donati** helped Xavs to narrow the gap by three quarter time but in the last, **SKOBS** kicked away again and were delighted with their final victory, 19.16 to 16.8. Best players – **Fraser (4), Grinter, Callery, Lynch, Sadler, Byrne (SKOBS)** and **McCarthy, Donati, Gowers, A McDonald, Sassi, Brushfield (Xavs)**.

At the **Junction Oval**, the home side, **Old Melburnians**, had to come from behind against a valiant **Therry** team. At half time OM's were 25 points down with their challenge for a top four spot looking forlorn. Led by **Treloar, Berry** and **Thompson**, the Grammar boys lifted their work rate in the third term and snuck their noses in front by the final siren despite the special efforts of Therry's **Appleford, Evans** and **Crotty**. Other better players in the match were **Theodore, Smith** and **Guest (OM's)** and **Finnigan, Boyle** and **Seratore (Therry)**.

**Umpires' Corner** column congratulated the following umpires on being promoted to higher grades – **Dash Pieris, Mat Taylor, Paul Withington** to **B Section** and **Troy Brooks, Andrew Chapman, Nick Evans, Simon Payton** to **C Section**.

**Brad Beitzel**, in his column, **For The Love Of The Game**, related an inspiring story of a young **Mazenod** player, **Dale Grant**, on his first **A Section** senior game. Dale had been born with half a right arm. Senior **Mazenod** coach, **David Murray**, certainly provided a great challenge for Dale in his debut game when he brought his young charge on in the second term to cover no less than **Marcellin's Woodrow Medalist**.

**Dave Waters**. (Last week I had the pleasure of coaching against a **Mazenod** team containing **Dale Grant** and he remains a very fine player – GR)

## 10 YEARS AGO – 1996

**Old Trinity** lost their second game in three weeks and the consistency of **Old Parade**, plus their strong win against **Old Ivanhoe**, 11.11 to 4.5, took **Paradians** to top of the **B Section** ladder. It was heavy going and the game had been scheduled as a home fixture for the old boys of **Ivanhoe Grammar** but due to **Chelsworth Park** being under water, the game was moved to **Ivanhoe Park**. For **Parade** to kick 11 goals in the heavy going was a great effort and they were never challenged from early in the second term. **Zappa, Vincent, Ciavola** all got plenty of the ball for the winners and **Paul Joyce**, a late call up from the reserves, did his bit by rucking tirelessly all day. **Donaldson, Veal** and **Vaughan** were best for **Old Ivanhoe**.

One of the colorful characters of amateur football, **MHSOB's Ron Verma**, played his 300th game. Ron had been playing since 1979 and was a former captain and coach of the club. Perhaps Ron's favourite memory was the **1991 D Section flag** when he was coach! All at **MHSOB** offered their congratulations to a club legend. **B Section** coaches were **Rick Brockwell (Banyule), Phil Maylin (Bulleen Templestowe), Doug Gott (Ivanhoe), Peter O'Dea (MHSOB), Peter O'Connor (NOBS), Shane Young (Old Brighton), Kevin McLean (Old Ivanhoe), Dale McCann (Old Paradians), Simon Dalrymple (Old Trinity), Des English (Therry)**. No shortage of former **VFL** players among this lot!

## 20 YEARS AGO – 1986

**C Section** was proving to be an even competition, apart from relegation where it seemed **St Kevins** and **Old Camberwell** were headed to **D Section** in 1987. Three teams had been jockeying for the top two places and only percentage altered the top four after this round.

**Thomastown** went to the top with their victory over fourth placed **Kew**. Gaining the ascendancy early, **Thomastown** kept **Kew** goalless until the third quarter. Although **Kew** got within a few points late in the final term, **Thomastown** went on to win 7.6 to 4.10. Best players – **Pavera, Bell, Sinni, Finn, Cope, Pearson (Thomastown)** and **Schrober, O'Farrell, Portelli, Busittil, James, McEwan (Kew)**. **Thomastown's** reserves were also in the top four and if they could hold their position, the club's chance of a premiership would be stronger.

The **D Section** top four would not change unless something untoward happened and it would be left to each team to prepare for the next three rounds before finals' times. Top team **Monash Blues** had the most resounding win when they smacked **Power House** 20.14 to 11.7. **Sturgess (4), Barker, Quinn, Baring, P Forbes** and **McGregor (4)** all showed great form for the Blues. **Desler, Flaherty, Harris, Corbett (5), Trist** and **Miller** were good players for **Power House**.

**Bulleen United** captain, **Richard Morley**, attained his double century against **Clayton**. A multiple winner of his club's best and fairest award (7 times) and winner of the **E Section best and fairest** for the last three years, "Dick" **Morley** was an outstanding contributor and regarded as the Bull's best ever player. Everyone at the Bulls hoped there would be many more games than 200 for their champion.

**D Section** coaches were **Jeff Rosewarne (Balaclava), John Taylor (Coburg), Brian Bond (Heatherton), Brian Ford (Monash Blues), Michael Taylor (North Brunswick), Richard Sykes (Power house), John Meese (Preston), L Stretton (Old Ivanhoe), Bert Calvert (Old Mentonians)** and **G Wetherall (West Brunswick)**.

## 30 YEARS AGO – 1976

**Ormond** had not given up hope of competing in the **A Section finals'** series and were only a game out of fourth place and with a good percentage. At home to **Coburg**, The Monds were great in the second quarter with **Roger Wood** and **Bruce Bourne** dangerous up forward. The damage had been done to **Coburg** in the first half and the final score revealed a fairly easy **Ormond** victory, 16.14 to 12.7. Best for **Ormond** were **Roger Wood (7), Bruce Bourne (5), Corben, Jenkins, Morris** and **Murphy**. **Coburg** hailed **Mann, Cunningham, Egan, Tolley, Leckie, McAuliffe**. **Doug Cuttris** played his 200th game for **Ivanhoe**. Most games had been on the half back flank and

occasionally on the wing or as ruck-rover. Interestingly **Doug's** first 13 games were on the bench! In the **1973 Grand final** he was voted best on ground.

**St Bernard's** were advertising their famous **Grand Final Breakfast** to be held at the **Chevron Hotel**. A favourite watering hole for many amateur footballers over the years both after games and during the week!

## 40 YEARS AGO – 1966

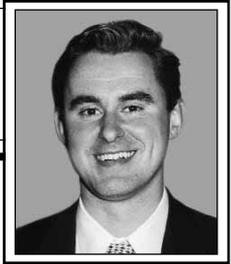

In **C Section**, the two top teams, **North Melbourne CBC Old Boys** and **St Bernards Old Collegians**, met in what may be a preview of the Grand Final in some 6 weeks time. Conditions were not great but the footy was first class. **North** failed to take advantage of their scoring shots in the first quarter but held a 1 point lead, 1.7 to 2.0. **St Bernards** made better work of their chance with the wind in the second quarter and were 3 goals up at half time. **North** had a great third quarter and wrested back the lead with 8 goals for the term. **St Bernards** answered the challenge, restricted the opposition goal scorers and only failed by 9 points as **North** ran out winners, 12.15 to 12.6. Best players were not received from **North**; maybe they celebrated immediately after the game. **St Bernards** submitted **Overman, Collins, Coughlan, Sharkey (5), Considine** and **Amott**.

The **VFA** both published an open letter in **The Amateur Footballer** and sent a copy to all club secretaries outlining the new approach taken by the **VFA Executive** to combat the unprecedented surge of violence on and off the field so far this season. The edict identified that the **Vice Presidents** of the Association would use the power given to them under the constitution to report players as they saw fit. This extreme measure was considered necessary as to date there had been 15 cases of hospitalization due to 'thuggery' on the field.

## 50 YEARS AGO – 1956

No change in the top four positions in **A Section** but when third (**Coburg**) played fourth (**Old Melburnians**) the **Coburg** club proved their higher rating with a 10.12 to 8.12 victory. **I Merrick** was outstanding in the centre for the winners backed up by **Roehow** and **Mitchell**.

In the **Junior Section**, **Ormond** (second) held off a fast finishing **Hampton Scouts** (third) to win 14.9 to 12.13. **Ormond** were a bit anxious for the coming weeks however as three of their players were to head off for **National Service**.

**Review**

Old Westbourne gave their finals chances a significant boost by belting Swinburne and gaining some much-needed percentage. With Justin Horsburgh on fire across half forward and Troy and Trav Edwards continuing their great form, the result was never in doubt and it is now back to the drawing board for the hapless Razorbacks.

It was another match of percentage significance as Benteleigh flogged Kew. It was described as a terrible match by the Kew faithful, with only Steve Ridd, Ben Woodhouse and Glen Evans able to hold their head high. Meanwhile for the Demons, they continue to produce quality players. This time it was debutant Jason West who demonstrated poise and confidence beyond his years. Scott Sice, Frank Dimattina and Brad Meehan were also good for Benteleigh.

Murphy's law reared its head when I made the call that the relegation battle was over, however, the Saints were going to hear nothing of that producing one of the upsets of the year. With Jason Hill a rock at centre half back, Benny G good in the ruck and Skipper Garret Schembri getting his big "dukes" working, it was a day to savour for the club, and have kept a faint glimmer of hope to stay in D3.

The match of the day between Elsternwick and South Melbourne was a little anti-climatic, as the Swans laid down the law and established themselves as the clear leader of D3. Wicker coach Dennis Grace said, "some players were complacent. We had beaten two final contenders in successive weeks and thought that it would just happen again. We also blew it because some players were not committed hard enough at the ball when the going was tough." Stern words indeed, and something that will need to be addressed if the club is to capitalise on what has been a brilliant transition to D3 this season.

Unfortunately, there were no report from the West Brunswick/UHS derby, but with the result as expected, it has set up a crunch game for the Magpies this week.

**Preview**

With top spot secured, one gets the impression that the South Melbourne/UHS-VU match could lack a little spark with little incentive for both sides. However, the Swans will not be dropping this one to the Vultures and it will be a big win for the visitors.

After last week's belting by St.Marys, the spotlight will be focused squarely on the Monash leadership group as many in D3 question their commitment to the cause.

Benteleigh on the other hand continue to be rated as highly as the Swans. While the result will be a formality for Benteleigh, the focus may shift today to Chris Sharp as he draws ever closer to the magical 100 goals.

Before last week, Elsternwick would have been eyeing off today's match against St.Marys as a chance to build some much-needed percentage points, however, given the turn of events in the previous round, just getting the win will be foremost in the club's mind. You can do nothing but admire the Saint's spirit to strive to stay in D3 and on the confines of "Candlestick Park" they may surprise. However, despite how much I would love follow my heart and pick the upset, I will stick with the head and pick the Wicks, but not by much.

Given the form of both club's last week, you could be forgiven for thinking that today's match between Swinburne and Kew would be a nil all draw, however, given Kew's precarious position at present, a win today is vital for the club. At home though, the Razorbacks are a formidable foe, and given last week's result, I would be very surprised if they did not come out with all guns blazing. Picking a winner is a tough ask, however, given there is more on the line for the Browns, I am inclined to go with them in an upset.

Who said the finals are in four weeks time? The battle of the Westies at "Arctic Park II" is as close as you will get to a final and you could not get two sides more evenly

matched. Over the years, I have witnessed some epic battles between the Magpies and the Warriors, and I am expecting today's game to be one of the best. West Brunswick won their previous encounter due to dominating the Warriors half forward line, a task that will need to be repeated today if they are to salute. However, I am inclined to think that the windy flanks at Westbourne will trouble the Magpies and it will be the Warriors today turn by under ten points.

## 450 up!!

A huge “congratulations” is extended to evergreen field umpire **Michael Forde** who clocks up his **450th VAFU game** today. Mick will be controlling the big clash way out west at Truganina between **Old Westbourne** and **West Brunswick** with his old mate **Mick Gilday**.

Mick, who has umpired at the highest level in the VAFU, now enjoys running around the lower grades and Under 19s, putting a bit more back into the game. As a tribute to the effort he puts in year after year in the lower grades, Mick was honoured by receiving the **Andy Carrick Award** last year. Obviously a very popular and worthy choice! Mick's always been superfit and in most cases he still rides his pushbike to and from his game. Mick, with that commitment, attitude and fitness there is no doubt that **500** is well within reach. A sincere congratulations from all at the VAFUAU to one of the true foot-soldiers who in his own way supports those guys in the top sections. Well done Fordey, and keep running!!!

All members are expected to attend this most important event. Those members who cannot attend must notify, in writing, **Anthony Damen** on [anthony@personalmortgage.com.au](mailto:anthony@personalmortgage.com.au) or **Simon Stokes** on [simonstokes@hotmail.com](mailto:simonstokes@hotmail.com) or VAFUAU PO Box 227 Elsternwick VIC 3185 before 5pm on Tuesday August

8th to avoid the deduction being taken from your pay. There will be no refunds, as we have to pay in advance.

## Heads or Tails?

**David Phillips** and **Jamie Kvins** made an easy task look hard when prior to their recent game the toss of the coin turned into a debate. It seems the coin used was not of Australian currency and with no head on either side the call of “tails” was a clear winner.

## Volunteers

**Ormond** U/19 team have picked up a bonus with a new volunteer goal umpire at their home games. **Lawrence** (sorry, forgot your surname) earlier in the year just walked off the street and asked to help out, Lawrence takes his role seriously being decked out in the gear and what he brought back to the game is the Michael Lentini flag waving – panto-style. Congrats to Lawrence and to all other volunteers who each week help out their clubs by running the boundary or standing in between the big sticks.

## Hold the Phone

Does the VAFU have a mobile phone policy? Yes, we know we are not allowed to drive whilst on the phone, but what about during a game? Last week we noticed a club goal umpire in an under 19s game and a water carrier in a senior game having a chat whilst play was continuing. Whilst we all appreciate the assistance from these volunteers, surely those calls could wait till the final siren? Is it, or should it be a reportable offence?

## Lemon rinse

Which former occupant of the VAFU's Oval Office was recently spotted getting a “touch-up” to those “naturally” blond locks? Obviously his time spent playing with the Saints had a long-lasting effect.

## Are you serious??

A change to our usual warm down the other week saw the footballs come out for some circle work around the ground, so why did **Jeremy Heffernan** leave the ground? Jeremy ran off so he could change into his football boots. Get serious Bud, it was just a warm down, unless you were looking to take a few of the senior umpires down. Is this the only way he can get a game at a higher level? At least he trains these days!!

What a difference a few weeks make. Eltham slip to third after a third loss in a row, whilst the Hawks make it 9 straight. The House continue to get the job done whilst the battle for fourth really hots up!

## Review

Absolute cracker of a game down at Glenferrie Oval with an inaccurate Eltham falling just short against Hawthorn. The pace in the first half was frenetic, great skills on show, played in great spirit, well umpired etc!! The Avery brothers were great for the Hawks who were also well served by Dawson in the ruck. Runco was once again great for Eltham who also had a winner in midfielder Turner.

Great result for Bulleen as they moved into the four at the expense of Box Hill North. I hadn't quite written Bulleen off but was preparing the eulogy! Fradkin was unstoppable, slotting a lazy 10 goals whilst Moore also starred for the victors. Riscalla and Irvine played well for the disappointed BHN.

Richmond proved to be no pushover as they made sure Power House earned their four points. Driessen was best for the House, whilst Edwards helped himself to another bag, this time kicking 10. Green and Speakman were Richmond's best.

Great win for Syndal as they easily accounted for North Brunswick. The home side got off to a great start but were slowly worn down by the Sinners who had Hannemann starring and Cachia kicking 7. Robertson continued his fine season for North Brunswick.

Finally, the D4 smokies Albert Park kept on keeping on as they comfortably accounted for Eley Park. It was tight early before the Falcons started to draw away and then finally bolted with a 12 goal last quarter. Venables kicked 5 for the winners who also had Brown starring. Payne and Doubtfire were the best for the Sharks.

## Preview

The big three don't face off against each other again during the home and away and thus an upset is required to cause a big change. The House have a few tricky ones but face a simple rule, keep winning and the double chance is theirs. Hawthorn and Eltham need to do the same of course but percentage can still play a part. Fourth spot is now wide open. The present incumbents, Bulleen, have the toughest run home, playing off against all of the big three. Box Hill North has an easier time, only playing one of the big three. Albert Park is in the middle, playing two of them! So what does all that mean? Bulleen probably needs to beat two of the big

three, a tall order. Box Hill North need to get the job done against Eley Park and Syndal and pinch a win against Albert Park. The Falcons have to win their next two (including a win against Box Hill North) and then beat either the House or the Hawks. Not out of the question that all sides finish on 40 points but still hard to go past Box Hill North. A quick round up of this week's games.

Power House and Bulleen clash in a game that will no doubt be a hard fought affair. Bulleen were great last week but get no rest this time round. Learnt my lesson a few weeks ago, House for mine.

A big test for Albert Park as they travel out to the House of Syn to take on Syndal. No excuses for the Falcons as they have too much at stake and should win.

Box Hill North was disappointed with their form last week as a win would just about have sewn up a finals berth. They will welcome Eley Park in the City of Whitehorse Cup. Like the Falcons, no excuses for BHN this week as this is a must win. Good sides normally win these ones and I fancy that BHN is and will!

Hawthorn is starting to feel a little stir crazy, not being allowed out of home for seven weeks in a row now. Richmond have been on the improve all year but the Hawks have a bit to much to play for and will win. Finally, Eltham wander down to North Brunswick and will be keen to return to the winners list after a form slump in recent weeks. Whilst it would have been disappointing for the Turtles, the reality is that they are the real deal and very much a big chance still. Eltham comfortably.

# F.I.D.A. REPORT

Last round and the final places are pretty much set in stone.

This Sunday games will prove for many teams to be their last for the season 2006 and although they have not made it to finals, they should congratulate themselves on their performances so far and not be disheartened, as this can be used as a learning point for seasons to come.

At home in Parkville there are 5 games being played; one is between 1st and 2nd and two between 3rd and 4th and this can only mean one thing- "Blockbusters!" It's not very often you will get this line up on the same day let alone at the same ground. This week will prove for many to be the hardest for the season as pre-final jitters begin to set in and teams see the end to their season.

On Oval 1 we have an early start with Port Colts 2, currently sitting in 3rd spot take on 4th spot Mambourin in third division. This game will start off the day with a great display of hard footy, where both teams will most likely be facing each other in the weeks to come during finals.

Oval 2 will play host Ringwood and Broady 2 who are both out of the four but should not be deterred in thinking that this game is not worth winning, because this writer does not know anyone who would want to finish the season on a low when the ultimate objective is to get out there, enjoy and hopefully have a win; good work on a tough season, boys.

The next two games up are: Bulleen vs. Pt Colts 1 a game that could potentially go either way but Pt Colts should be too strong for the undermanned Bulleen team and tighten their 'vice-like-grip' on second division and are seen as being clear favourites to take the flag.

Broadmeadows 1 take on the Bulldoggers, in what should give the boys from the north a boost of confidence for the weeks to come as they overpower and overrun the undermanned Maribyrnong boys. Unfortunately Maribyrnong have found it hard this season as their numbers have been low, but still have that fire burning bright in their bellies and won't go down without a fight until the final whistle has blown.

And finally down at Parkville we have our showcase game between 1st Kananook and 2nd Ballarat, both teams have beaten each other this season and this will most likely be blow for blow until the final siren has sound. Ballarat will be hoping to make this back to back premierships and will defiantly be the team to beat regardless of ladder standing.

## HOME GAMES:

### Albury/ Wodonga:

Ovens & Murray 1 take on their counterpart O & M's 2 this game is between the two heavyweights in division 3 they have controlled much of the season and now it is time for them to once again face off. This match up will most likely turn out to be an early grand final as both teams are sitting comfortably in 1st and 2nd spots. This game could go either way as both teams play very much the same game and will most likely turn out to be each other's hardest opponent.

Kananook 2 gets the bye and will progress into finals. Parkside's future is not so clear they will be relying on some losses in a hope to get into the top four.

Some interesting results and a brilliant winters' day to round out week fourteen. What a sport it is that we play – don't you just love it!

#### Review

Old Scotch moved an inch closer to the finals with a hard fought victory over St Bernard's. Three goals down at quarter time, the fellas edged back in front during the third quarter. An impressive victory, men!

Uni Blues have nailed third spot and gained another win over a gallant Rupo. Matt Maltman was brilliant all day and was helped out by Scotty Houghton who bagged five rolls.

Old Xavs put more percentage on the pie, accounting for one time premierships favourite Marcellin by eleven goals. Richie Benson jagged five more, with his mate James Glenn being awarded the prize for best on.

De La, very much in the fashion of the Xavs, snuffed St Kevins quite easily. Gab Rae was welcomed back into the fray with five while Ryan Semmel was also noted as being handy.

In other games, Collegians wrestled BV to the ground, taking home the points at Harry Trot.

#### Preview

A few good games this week, none more than Old Xavs v the Blues. A real tester for the Uni who have improved in leaps and bounds of late. I'll go with the Xavs to keep holding and clinch that all important double chance.

Old Scotch must win to make the finals today against an equally desperate Rupo. The form of the lads from Scotch has been enough to make a wolverine purr. I'll go Scotch.

De La front up to an embattled Marcellin, who seem to be in more trouble than the early settlers. De La have a few back this week. Watch out others. De La.

In other games, St Kevin's will takeover Collegians and St Bernard's to beat BV.

Two "locks" in a row. Hence after picking Freo against the Dees and then the Dons against the Lions I'll keep things a rollin'. Hawks to beat Carlton by under 15.5. Any feedback to beatonc@tabcorp.com.au. Happy punting!

Panthers reign supreme as OM's look to lose double chance.

Butch's boys confirmed that they are the best side in the comp, knocking off the Melburnians by 16. A mammoth first half made it impossible for the OM's, only coming back in junk time. Full back Alex Pattison starred, continuing to negate much taller forwards. Adam and Hodges were standouts, while Bull returned with 2. The Raiders won over the Tonners, as hurricane winds produced an old fashioned scoring end. That end produce 19 of the 25 goals kicked. The 26 point final deficit, however, was not indicative of the defiant Tonners outfit that came to play. Curcio kicked 5 while Donald and Cunningham were solid in defense for the Raiders. The Fielders proved me wrong taking control against Beauy, running home 27 point winners with Price kicking 2. The Wellers belted the T's by 135. Hillier kicked another 7, while the Friars yanked the Blacks out of the 4 in a big way with a 97 point pantsing. The Blacks are in all sorts, now sitting half a game out.

OM host the T's at the home of Ammos footy (Sportscover Arena), on Friday night. The Melburnians need to and will get back on track beating Trinity by a chunky margin. The Sharks host the Wellers who are looking

to own 4th spot. Wellers by a fair bit. The Tonners showed how well they can run the lines against the Raiders and should have Caulfield's measure this week at Beach Oval. The disarrayed Blacks will host a big loss this week, as the Raiders - Carey's only threat for the throne – take control. The Friars have risen from their mid-season slump but it seems too little, too late as they will struggle against trend-setters Carey. The Panthers by 5 goals. Essendon's win against Ajax. This was not an upset by any stretch, with Old Essendon charging home with an 8 goal to 2 second half to put the game beyond doubt. Skipper Damien Cerantonio and David Benson both put in stellar performances and helped themselves to three goals each while Adam Dudderidge also provided plenty of drive. Old Ivanhoe kept above Ormond on the ladder with an easy win over Emmaus St. Leo's while Ormond stayed in touch with a 50 point win against La Trobe, thanks to a six goal haul from Orry Lack. SBMT thrashed a disappointing Bentleigh with the big man Mitch Bodinnar helping himself to 12 goals, giving him a nearly unassailable lead for the Sharpshooter trophy. Oakleigh smashed MHSOB with Lee Barrand brilliant and Daniel Costigan bagging 6, keeping them on top of the table with a better percentage than SBMT.

#### Preview

Saturday August 5 presents us with potentially the Grand Final preview for 2006. This round sees the two standout performers of this season, St. Bede's Mentone and Oakleigh, do battle at Mentone Reserve. With the top four settled, it comes down to ladder positions, so whether coaches start resting stars or players rest niggling injuries, only they would know. Both teams will probably hold things back and not show all their cards at once, however, a win in this game could be a massive psychological advantage. Oakleigh won the first bout by 41 points but SBMT are a tougher unit at the moment and are playing this game in familiar surrounds. This clash will be one for the "name a game" video file and in a toss of the coin affair I am backing SBMT but only because it is at their home ground. In other games, Old Ivanhoe will beat Bentleigh, Ormond should be too good against Old Essendon, MHSOB just over Ajax and La Trobe at home against Emmaus.

##### Review

It was a see-sawing affair as many pundits predicted out at McKinnon Reserve as first placed Old Haileyburians and third placed Old Mentonians did battle in a thrilling game. Four points separated the two teams heading into the last quarter but the might of Old Haileyburians held on for an 8 point victory. Old Mentonians kicked poorly to register 7.20, however the pressure applied by Old Haileyburians didn't allow for too many easy shots on goal. Bradley Dolman was prominent as usual, while Stefan Martin was super impressive in his performance. Matthew Wilton was best for Old Mentonians, a team that put in a great effort away from home and a team that I think will be a contender come the finals. Jayden Gilmour was everywhere in Oakleigh Clayton's 20 point win over Powerhouse/Sth Mornington, while Hampton held on to beat Monash Blues with Nick Lyall continuing on with his stellar season. It was the Nicholas Bogar show at Central Reserve as the power forward kicked 11 goals to help Mazenod demolish Parkdale Vultures. Bogar can start writing his acceptance speech for the Sharpshooter award for they won't catch him from here. De La had the bye

##### Preview

A top four clash presents itself this weekend with the red hot Mazenod taking on the well rested De La in the beautiful surrounds of Darling Park. Mazenod, thanks to the efforts of Bogar, kicked a massive 29 goals last weekend and will be extremely confident of taking this game away from home. De La have been travelling okay of late and the week's rest will either have given them some time to regroup or it may have further deflated them. The might of Mazenod should prove too strong for De La but it should be a tight game all day. It doesn't get any easier for Parkdale as they host ladder leaders Old Haileyburians who are coming off a hotly contested game last weekend. Old Haileyburians will win easily. Old Mentonians will get back on track after their minor hiccup last round with an easy win over Powerhouse/Sth Mornington, while Oakleigh Clayton should be too strong at home against Monash Blues. Hampton has a week off.

Four weeks to go and every kick, mark and handball count for that run for glory.

Kew jumped out of the blocks against the Reds, but by half time the visitors had taken control. By \_ time the 27 point result was a forgone conclusion. Monaco (5) and Wang were good for Kew while Halliwell (4) and an inaccurate Minnis (4.5) kicked the goals in the absence of Chris Ligris. Rupo staged a stunning 10 point victory, away, topping Therry from behind and edging the Lions further from the 4. Rupo slotted goals when they mattered with Beau Lovett and Joseph Cariss kicking three each. Aquinas took care of Xavs by 29 at the mud pit. The Bullants finally took the points away in a spiteful encounter against the Old Saints. The triumphant Bullants took a while to use the gale-forced winds to their advantage (7.8 in the first). After early scuffles, the Bullants pushed hard running home 15 goal winners. Kyle Adams (3) was a shining light for NOBSPC. Marc Mignone dominated in the ruck while in-form midfielder Marc Carfi moved forward to kick 7 for the Bullants.

This week the Aquinians will have the Lions measure, edging closer to Fitzroy at the top of the table. Kew won't make finals but showed some fight against the Reds last week, showing they have enough to beat the Old Saints. 3rd and 4th play off as the Bullants host the Xavs in a rip-snorter, with both sides sporting even line-ups I'll say Xavs by a couple. The Reds host the inform Westbourne fresh from a week off. This game will be a true indicator of the Westies chances to play finals, but I'm positive of a Fitzroy victory. The Woodsmen will hang with the geese for a week and are likely to get off the bottom.

# CLUB XVIII SECTION

by Norm Nugent

Although it is a well known fact that unexpected results occur at this time each season, nothing prepared me or my readers for the number of upheavals in Round 14 of these three competitions.

With a success rate of a mere 37%, I reckon I know how the South African bowlers must have felt in Colombo!!!

## Review Section 1

Old Xaverians 2 never gave up against their taller and more experienced Old Xaverian 1 opponents. Their last quarter efforts were admirable as they outscored their more erratic kicking opposition to go down by 21 points. Captain Nick Rathgaber did well for the "Crocs" whilst Matt Higgins (5 goals) and Francis Indivino were best for the "Ménages". St Kevin's recorded a 50 point victory over St Bede's / Mentone Tigers. It was not all easy going for St Kevin's who trailed well into the third quarter. Best for the improving St Bede's / Mentone Tigers were Lynch, McNeill, O'Gorman and the consistent McGraw. Once again straight kicking carried the day for Old Scotch who, though depleted, cemented fourth place with a 15 point victory over inaccurate leaders Prahran. This high standard match was a close contest throughout. Scotch had good contributors in Dustin Addeley, Andrew Wilkinson and Wilson - Humphries. For Prahran: Paul Limoli, Mark Howard and Luke Farrell were best. Mazenod continued their improvement under the tutelage of Simon Fisher with a 22 point win over the enigmatic University Blues. Best for Mazenod included Mick Fothergill (8 goals) and mid fielder Jon. Byrt. By losing to De La Salle by 41 points, Old Melburnians lost all chance of gaining fourth place. De La Salle set up their win with a dominant first quarter which left O.M.s to try to play "catch up football". For De La Salle; Aaron Powell and Scott Howe stood out.

## Section 2

Monash Blues won on forfeit from Old Brighton Grammarians, who fell short of the necessary complement. Mt Lilydale firmed in the premiership betting when they grabbed second place with a 138 point demolition of Marcellin. St Bernard's kept their final four hopes alive with a percentage building 114 point win over Therry Penola. Despite the discrepancy in the scores, Therry Penola never gave up and St Bernard's had to fight for each possession. Best for St Bernard's were Sumner, Salemm, Cookson and Catterall. For Therry Penola; Freze, Boden, Watson and Captain Toohey were best. The inaccurate Whitefriars slipped to seventh when they went down to the University Blacks who won by 24 points. Illness and a birth robbed Whitefriars of two of their stalwart forwards and so the side was not at top strength. Their best were: Spiteri, Atkinson

and Singh. With a 50 point win over Fitzroy Reds, Collegians grabbed fourth place with one game to play. The Reds, who have been in second place all season now look like finishing third (again)

## Section 3

Old Geelong had one of their better days when they outplayed tenth placed Old Scotch to win by 28 points. Caulfield Grammarians insured they will finish in fourth place by defeating La Trobe University by 127 points. In a high scoring game, Old Trinity insured a semi final appearance, with a comfortable win by 59 points over Emmaus/St Leos. In the closest contest of the round, North Old Boys/St Patrick's were

able to defeat Beaumaris by 3 points. For the second time this season, Fitzroy Reds defeated leaders Old Essendon largely through gaining the early ascendancy. The Reds, who led by 26 points at the first change were only 7 points up at the final siren. Old Essendon's best were Turner, Greco, Coach John Rush and Podger (3 goals).

## Preview

### Section 1

Old Melburnians could reshape the final four if they defeat Prahran. However judging from what I saw last week and the need for Prahran to enter the final's on a winning note, I believe the "Two Blues" will defeat the "Dark Blues". Mazenod are confident of ending their season with a victory over Old Scotch. I doubt this will happen as a weakened Old Scotch defeated the leaders last Saturday. Old Scotch will win this and enter the First Semi Final brimming with confidence. Old Xaverians, although not running out the whole game last week, still showed the class which has brought them so much success. University Blues, will show endeavour, but will not be able to sustain the necessary pressure to defeat the Old Xaverians. St Bede's / Mentone Tigers hope to end their debutant season with a victory over Old Xaverians 2. With the addition of another species of Tiger, the Mentone based side hope to field their strongest side. They will need to be in form as the Old Xaverian forwards led by Higgins ended last week in fine fettle. On the small Brindisi Street ground I select St Bede's / Mentone Tigers to win. The De La Salle versus St Kevin's match will be an anticlimax as it was expected to be a preview of a final. St Kevin's, who have experienced a disappointing season, will be anxious to end with victory. I don't see it happening as the big De La Salle team impressed last week and I believe they will win again.

### Section 2

The final round in this Section is the promoter's dream as the outcome of three matches will determine who plays in next week's First Semi Final. Fitzroy Reds want to regain the double chance whereas St Bernard's must win and hope their desires are answered by two other teams. The Reds may be in a slump at the wrong time and St Bernard's impressed last week with a disciplined team effort. Their defence is strong and Luke Gallant is a focal point up forward. Despite the game being at Collingwood, I will take the punt and select St Bernard's. (They usually lose when I pick them!) Two of the season's less successful sides Old Brighton and Marcellin meet at Brighton Beach. Because they are at home, I select Old Brighton. Collegians hold fourth place, which Whitefriars could take if they defeat Collegians by at least thirty seven points and the other results go their way. Collegians, although not playing consistently each week, still have the advantage of playing at home and a healthy percentage break. Whitefriars, too are enigmatic and prone to errant kicking. I select Collegians to win. In the academic match, University Blacks must defeat the leaders, Monash Blues and hope other matches end in their favour. The Blacks form is not consistent and the Blues faltered two weeks ago and had a practice game last Saturday. Despite the strangeness of the Crawford Oval, Monash Blues surely are the more talented side when judged over the season

and I select them to win. Mt Lilydale should consolidate second place with a comfortable win over Therry Penola, whose efforts are not matched by depth of talent.

### Section 3

In a final rehearsal, Old Trinity visit Fitzroy Reds. The Reds showed great form last week and are entitled to start favourites. However Trinity are used to a big ground and will certainly be in the contest. I expect a titanic struggle and select the Reds purely for the fact they persist all the time and they are playing at home. Emmaus/St Leo's should be able to end with a victory at the expense of La Trobe University even at the University. Caulfield Grammarians should defeat Old Geelong on Como Park, despite the Caulfield aversion to a big ground. Beaumaris, should complete their inaugural season with a win over Old Scotch. Old Essendon should atone for last week's glitch with a comfortable win over North Old Boy's / St Patrick's.

### Team Managers

Please keep your reports coming this week. Thank you to those who do. This week I received a report on each Section 1 game. A first!! Please telephone 9467 2857 or e mail [nknugent@bigpond.com](mailto:nknugent@bigpond.com) by 1.00p.m. Monday. Commiserations to Old Scotch ruckman, Matt Love who, dislocated his reconstructed shoulder last week against Prahran. The injury may have brought Matt's career to a premature end. All your Club XV111 friends wish you a speedy and complete recovery Matt. and hope your association with Old Scotch will continue.
