

On the Record

by Cameron Noakes

The first VAFA final under lights was celebrated at headquarters last week in a Friday night Club XVIII game between the Fitzroy Reds and Old Essendon.

In the next few weeks will we see more night finals, with the U19 Blue section also set to play its finals under lights.

Finals are exciting times and I think we all enjoy the atmosphere, the conditions and the intrigue that spring football brings.

In my opinion, football is at its best this time of year on the slightly firmer grounds and with the drier ball.

The game is faster, the marks stick, the skills improve and you can almost smell the intensity in the spring air. I also enjoy watching great teams time their run for finals action.

Isn't amazing that on the cusp of the finals the Old Xaverians have clawed their way to the top to set themselves up for another spring campaign?

Maybe it's not amazing. Maybe it's just the way a great football club operates and hence all its silverware. Xavs expect to win cups and success is their culture.

Love them or hate them, all clubs should take a leaf out of their book.

In B-section, Collegians have and that is why the Lions, under the guidance of former Xavs U19 coach Pat Hawkins, are lining up for another tilt at A-section.

Incredibly, despite Hawkins taking the Lions from C Section to A Section, they are yet to win a grand final so one expects they will be hungrier than ever.

Relegation battles are on everywhere but it is pleasing to see most of the promoted teams this year not featuring in those battles.

The real strength of 2006 has been the impression the promoted clubs have made in their new sections.

In A Section, Old Ivanhoe and De La Salle have played a big part in shaping this year's final four with the Hoers spending a large chunk of the season in the top group and De La proving to be one of the trickiest opponents in the competition.

In B Section, the University Blacks are set to play in finals and Beaumaris has also had a memorable year, including a draw with Old Brighton that has prevented the latter from claiming top spot.

In C Section, Ormond is third and the Fitzroy Reds are knocking on the door, keeping their hopes alive with a win against the Monash Blues last week.

And in D1 Section, Old Geelong and Rupertswood have also had splendid years, with Old Geelong likely to play finals and Rupertswood just outside on percentage and an outside chance.

In D3, Elsternwick should also play its part in the spring, climbing its way to third after a big win last week against second-placed Bentleigh.

So there is plenty to cheer about with the current state of play of the VAFA and - unlike certain football callers from other leagues - our scribes and commentators seem to love the game they follow and love the VAFA brand.

I recommend to everyone to have a listen to the boys from 96.5 Inner FM on game day and their call of A Section football.

It is brilliant stuff, better than most of the professional stations with guys who are passionate about the football they are watching.

They are certainly more informative and enthusiastic than the bunch of washed-up footballers currently calling AFL who are seemingly more interested in themselves than the game.

Can I Borrow A Feeling?

Why, of course you can Kirk Van Houten. Feeling around town is that we're headed for the salivating prospect of a Grand Final replay. Barry Richardson will hate me saying it, but Xavs surely couldn't miss after wiping Scotch off the map at Toorak Park on Saturday. Sam Johnston, having his best ever year as an amateur footballer, was again dominant and Justin Arnold and Scott Mollard returned to form in style.

For Scotch, Adam Routledge did a handy job on Matt Handley, whose five goals all came in the 2nd half. Scotch are not cactus yet; their run home is pretty cosy and they always seem to pinch the close ones. But the Xaverians just find another leg when the red jumpers come out to play....

As awesome as that Xavier midfield looks, the Uni Blues boast a contingent that isn't far behind. The Grammar showed a bit of spunk early but fizzled out in the last quarter with Paterson running riot (again) and Heinz (still can't think of that look-alike) plugging holes nicely. Jason Cordy, who kicked six, has only played seven games this year and will be a real wildcard comes finals time. Will Harvey was the best OM.

While I babble on and on about Grand Final replays, there lurks a side who have gone about things with a minimum of fuss thus far. A team that was smarting just as much as the Blues over the events of last September. Haileybury. The Bloods have lost O'Farrell to injury, Bourke to headquarters and Waite and Barker to other leagues ("thanks for the trip to Ireland gents, we're off to the MPFL!") but Hopwood, Brewer and some very handy kids out of school footy have offset the losses nicely. On Saturday, they doggedly saw off Ivanhoe, with Paul Corrigan and Kynan Ford back to their best.

Speaking of explosive midfielders, could Damien Rayson be the best of the bunch? In Saturday's 45-goal shootout against Marcellin, the former Hampton Rovers player kicked an even five for the fifth time this season. He's an in-your-face type player who loves to stamp himself on a game and with De La still a red-hot chance for finals, Rayson is the one they'll be looking to. Matt Bortolotto kicked seven for the Eagles, who lost no admirers with their all out attack.

In the final game on Sunday, Bernards always had the Ts under control, after a five goal to zip first stanza. Mick Kavanagh did an admirable job on the lethal Cultrera and Tait Wilkinson had his best game of the year to date. While both sides are stuck in no man's land, they're still deadly on their day and could well shape the four come Round 18 (Trinity play Xavs, who they always seem to

rise for and Bernards play Haileybury)

Today

Like all great sporting sides, when they are seemingly at their peak, the Xavs can often inexplicably go to sleep and drop a few games. Haileybury have everything to play for, are pretty well treated injury-wise and snuffed out their opponents at the Badlands earlier in the year. But sorry Nicho, this looks like it could be one of the great Xavier sides. Home side by 25 points. Don't get me started on Ivanhoe's ground. Maybe the recent fine weather will have smartened things up a little. Maybe someone might even find my shoe, which got stuck in the mud several weeks ago, forcing me to walk around town like a one-shoe hobo. Whatever the case, sending a De La side to Ivanhoe is a bit like sending the Light Horse into Passchendale. Ivanhoe are proud, play their ground well and have a great record against De La in big games. But they're running out of stars and De La are smoking. Visitors by a goal. In the others, Scotch to beat Trinity, Bernards to beat Melburnians and Uni Blues to run all over Marcellin.

Old Trinity congratulate **Sam "The Prez" Kennedy** on notching up his **150th** game against University Blues recently. Sam ran through his banner carrying one of the newest additions to the Trinity family, young Pat. After a stint with Hawthorn in the mid 90's, Sam has been a dual premiership player ('96 and '99) club Vice-Captain and one of the most courageous and reliable key defenders to ever pull on the green and gold. Here's hoping Sam pushes onto the magical 200 in the coming years!! Well Done Sam!!

OLD XAVERIANS congratulate **LUKE HOWARD** today plays his **100th** game for the club - Luke has played in 2 Premiership sides and has picked up a BEST AND FAIREST in both the Under 19's and Reserve XVIII Teams - Well done Luke from all at the Club may there be many more

B SECTION

by Tom Brain

May I be bold enough to suggest that even with 3 games to go, the finals are all but sorted?

Collegians and Old Brighton get the double chance. OEG and the Blacks in the cut throat first semi, while Mazenod and Whitefriars will go to C Section. But I have been wrong before!!!!

REVIEW

A big surprise and perhaps the major upset of 2006 saw St Kevins convincingly beat Old Essendon at the Grammar. A big week of Team Meetings and bonding sessions obviously had the desired effect as the boys obviously came to play and with their hard running and enthusiasm would have smashed most B Grade sides. Paul Greenham yet again proved what a fine acquisition he has been on his return. Young Moussi with 5 also good. Absolute stand out for OEG was a rejuvenated Box Forrest who booted 9 of the 13, others who were OK were Baddeley the Brave and Skurrie the Merciless.

Collegians were happy to get back on the winners list after the tough last fortnight and although it took them a while to shake off the plucky Whitefriars they did show some glimpses of their early season form. James Fry across the wing, half forward line played his best game of the year, Mark Parrent was good across half back and Matt Roberson continued his excellent year.

Mazenod aided by a couple of injuries and unavailability to a couple of the Tonners put up a pretty good fight for most of the day until the class of Brighton came through as they ran away to a 50 point win, making it hard for the Noddors to survive now. Young Chris Dawes was impressive, but it was his big brother David who did most of the damage hauling down a dozen plus marks and kicking 3 goals. Blair Mason was good all day in his 50th and Andrew Edge played his years best. Jeremy Diaz back in for Mazenod kicked 4, young Shaun Moran and Dave Hansen also played well.

MHSOB were very pleased with themselves after a hard fought and at most times exciting victory over Caulfield Grammarians who really must be rueing their lost opportunities. Nonetheless, the Unicorns have done very well to secure their tenure for B in 2007. Matthew Hamilton-Ho with 4 goals including the winner was good all day, Ewan Thompson had leather poisoning, Roger McIntyre set it up in the Ruck and Russell Clowes made a welcome return to form. Nick Tassel and Brett Sinclair best for the Fields.

Beaumaris should have put the Blacks totally out of the game early but inexplicably as has been their want this year let them back in. Never give a mug an even break as they say, because the Uni Boys capitalised on the chance given to them to totally dominate the second half and virtually shore up a finals spot. Disappointing day at the office for the Sharks. Luke O'Connell in the absence of a couple of the bigger blokes did a lot of hard

work. The T-Bar Tristan Brumby-Rendell, Dan Costello and his fellow defenders all fine contributors. For Beauy

Michael Duggan, Andrew Spence and Brayden Haynes all tried their utmost to keep their side in the game.

PREVIEW

A draw at South Road earlier in the year makes for an interesting game today. Old Brighton would be well advised not to take Beaumaris lightly especially at Shark Park and although finals are no longer a possibility for Beauy, Russell Barnes will make sure they play with plenty of pride. But the Tonners with the incentive of holding OEG at bay will win.

Mark Murray returns to Central Reserve in completely different circumstances looking for another win for his Unicorns to continue the improvement shown over the last few weeks. Mazenod have been competitive and unlucky and I think that will stay with them today as MHSOB will give Mark his required result.

The big University Oval will really test the Friars, as the Blacks are in as good form as anyone at the moment and try as they might in a last roll of the dice I just cannot see the visitors winning at the University.

The enigma sides of the Section clash at Glenhuntly Park. Both desperate for a win to keep the pressure on those above them.

“.” results weren't received. Any discrepancies may be due to non-submission of results by clubs.

OEG disappointing last week while the Fields have been off the boil for a while now. Caulfield play better at home and will give a good account of themselves but it is Smooth's Boys for me just in a close one.

Friendly rivals St Kevins and Collegians clash at Sportcover in an interesting encounter. Coming back to form last week both sides sets the scene for a ripper clash and if the weather holds should be a great contest. Are St Kevins safe now or will they be up again for another week. The return of a few of the Lions guns sees me tipping them.

M I MILESTONES E S

Beaumaris F.C. Last week one of the club stalwarts, **Mick O'Brien** - played his **150th** VAFA game and we all congratulate O'Bie for his dedication and contribution to the club over the last 12 seasons. Mick was a member of our first ever U/19 side which won the flag in 1995 and since then he has played a mixture of Seniors and Reserves football with great passion and tenacity, certainly never taking a backwards step and after some near misses he was rewarded with a much deserved Reserves Premiership Medallion last year. As a long term member of the Beaumaris family we hope to see Mick continue his involvement with us for some time yet.

This week one of the longest serving and most prominent members of this family will become an official Beaumaris Legend when he plays his **300th club game** with the Sharks. Our current reserves coach, **Jono Holt**, began his career at Beaumaris in the juniors and quickly distinguished himself with Competition B & Fs at U/14 and U/15 level. He was 16 when selected for his first senior game in 1990 and since then has played over 200 games in the ones. Toughness, determination and courage have epitomised those games and led to him being appointed senior captain from 1999 - 2002, winning the Club Championship in 2001 and playing in the 1995 and 2003 senior premierships sides. A knee injury at the end of the 2004 season has delayed this achievement but last year Jono filled in the season well by coaching the reserves to their first VAFA premiership. Well done Jono for a great career that is far from over and to all of the Holt family for your terrific support of the club.

WHO WILL LEAD?

Many years ago football purists questioned the method Grant Thomas introduced to the St Kilda Football Club in regards to its leadership. I for one was not sold on the idea. Great football teams have always had great leaders, at all levels of the game. Amateur Football has been no different.

I was lucky enough to witness up close the leadership qualities of Russell Barnes. Russell was not only a fearless and courageous captain on the field, who led by his actions and voice, but also an organiser and motivator at training and planning. Russell expected and got the best effort from every player due to the respect he had from all. Russell was as much a leader on the ground as he was off.

Fuller, Conti, Lowe are but a few of the past great captains of amateur football clubs. As was the case at Ormond in the late 80's, there were another 8 players who could have led just as well or as effectively as Russell. The same could be said for all other successful clubs.

Leadership is and has been, a traditional institution in all forms of life. We start with the President, then the Coach, the Captain, the Committee and the players. Each club has its own unique manner of organisation. So where does Leadership go from here?

Time, work and family are all increasing demands on all people involved in a football club. So doesn't it make sense to share the responsibility?

A leader today is someone who represents the core values of the team. Not necessarily the best player. Leadership then can encompass all your players. So what many clubs have done is organise a leadership group. This involves as many players as needed, and they on behalf of the players, represent the values of the club both on and off field. This group is not only helping lead by example on the field, but also organises social events, be part of the committee and organise player end of season trips to name a few.

But could they do more, or could they be more effective and powerful?

A leadership group will be as good as you let it. The more say and power you give them in consultation with the coach and president, the more effective they can be. The reality is the

leaders are the mates of the "majority group" in all football clubs, the players. Peer pressure is one of the biggest influences on all young lives. The more positive the peer pressure, the better the outcome.

Therefore, if we were to give the players more opportunity to express their ideas in regards to the behaviours they would expect, then they can introduce and support them with their actions. If the players have ownership of the team values, then they should also implement and assess their effectiveness in terms of the team. This can mean individual feedback to players in regards to the strengths and weakness they offer the team from the team. A player can often say a conflict of personality with a coach is the reason for being dropped or given a lack of opportunities. However, when the playing group can say honestly that a player needs to improve in this area, it can have more of an impact, rather than a player searching for an excuse.

Inevitably we are developing many leaders in a club, who have a vested interest in what the club portrays on and off the field. This leadership filters down the entire group so that at any given time you can rely on a number of players to put their hand up and be counted. This requires an enormous amount of courage and direction by the Coach and Match committee. Instead of leading, the coach now directs in consultation with his players. Consultation can be to do with anything he wishes. Training, planning and game style can all have honest input from the players. They can also give you honest feedback on its implementation. Players can also have input into selection.

In the end hopefully, if your whole list has some ownership over the values and direction of your club and team, then we have in fact have 22 leaders on the field who will all provide some leadership in a number of different forms.

So like Grant Thomas, I now am starting to see the value of having a team of leaders rather than just one.

50 Games to Will Taft

Congrats to **Will Taft**, former U19 captain, who plays his 50th game for the club this week against Mazenod. Will's courage and unique ball skills have been well evidenced this year. Here's to the next 50!

Congrats to Danee & Thommo

We were thrilled to hear of club captain **Ewan Thompson** becoming the proud father of **Liam McDonald Thompson** on Friday 11 August. Both **Danee** and baby are well. Dad was so proud that he played one of his very best games in leading MHSOBF to a thrilling victory over Caulfield Grammarians.

Former Players at MHS Luncheon

We were delighted to welcome back to the club many of our great players from the 60s, 70s and 80s last Saturday when we hosted **Caulfield Grammarians** at our home game luncheon.

John Cooper, club captain in 1970 and 1982, hosted a couple of tables which included **Ian Goldsmith**, **Ross Wood** (club captain 1977-78), **Norm Peatling** (club captain and coach 1974), **Graeme Bryce**, **Ian Evans**, **Howard Mortley** and **Steve Grahame**.

Also present were club captain and coach **Geoff Paul** (1957-1964) and **John 'Jocka' Nelson** (club captain 1965-66).

There were also a couple of former club presidents in attendance with **Alf Keam** (1964-67) and **Tim Gallop** (1989-92) joining current president **Colin Green** (1997-2006).

At this luncheon the

president of MHS Council, **Mark Taft**, addressed the luncheon with strong words in favour of the reaffirmation of competitive secondary school team sports, saying that there had been a considerable decline in this arena over the past 20 years. Whilst there are many competing demands on time in the school curriculum it was important for Australian youth to experience the values of competitive teams sports. Mark encouraged those present to support this stance whenever they could.

There are a further two home game luncheons for MHSOBF this season, when we host **Beamaris** on 26 August and the following week, 2 September, for the final round against **Old Essendon**. All sponsors, members and supporters are most welcome to attend.

By the time you all read this little column, there will be somewhere between 7 and 9 sleeps until the end of round 18. The way things are shaping up, mobile phones and calculators will be at the ready as the race for 4th and 8th spots continues to the very end. Believe me, there's plenty of footy left in this ripping season of C section.....

Review

The "Dr Jekyll" version of Fitzroy Reds turned up at the weekend, as Jeremy Rawlins led from the front in a big win for the Redders. Jason Bennie was a standout for the seniors, whilst Kane Maghamez proved a handful with 6 goals. Monash were pleased with the efforts of Julian Smith, Tom Craven and George Smyth, but the Reds were too quick and strong. Still, the loss of Christian Gregory and Tim Blackley during the game certainly didn't help!. Nevertheless, the Reds were well and truly on their game, quelling a 3rd quarter Ashes rally to register a 6 goal win which shores up their spot for next year.

The Wellers' runners were able to run and carry the ball on a fine day at the Garvey, finding David Loats with monotonous regularity. He started with 5 for the first term, and another 6 goals later, he'd booted his side to a 68 point victory. The OC were conscious of not dropping off after establishing a break, given they'd been overrun by Parade last time. Fortunately, they managed to increase their intensity with Ben Atkinson doing a great 'spare parts' job and Paul Byrne running tirelessly on his wing. Marcus Matko and Adam Paglia were good contributors for the Raiders, who are reliant on upsets to stay up in C section. But hey, this is the grade where upsets are made!!!!

The Tigers stuck to the script, comprehensively defeating a disappointing NOBSPC by 88 points. Brendan Neville would be favourite for the U19s B&F and stepped up to senior footy without missing a beat - well done Brendan!! He certainly had some good role models in the Scafidio brothers who dominated at both ends. At Gerry Green Reserve, the Monders maintained their hold on third spot with a 9 goal win over the Vultures. They set it up in the first half with Ash Russell (6 goals) feeding off Ryan Martin and the Deledios. Bryce Deledio got into the scoring action with 4 large ones as well. For Parkdale, it was a critical game and they need to bounce back to have any chance of September action.

Finally, The Jackas took a long time to get going against Hampton Rovers who dictated play in the first half with Anthony Browne on song up forward and Ben Kezlias continuing his great form. The Jackas only clicked into gear halfway through the third term when Darren Sutton took over on the ball, David Gelbart and Marcus Jankie started to glue up the backline and Yaron Rappaport come into his own with 6 second half goals to finish with 8 for the game. This was a game Hampton Rovers could've, and should've stitched up. As it stands, things are still looking rather shaky!!

Preview

The Monders look set for a 1st semi final now, but up to 4 sides can still make it if things fall. Starting with the incumbents, Old

Camberwell, who recovered from the mauling by STBMT with a solid win at Bundoora. They now host a desperate NOBSPC at the Barn Yard where Barker at one end and Loats at the

other will be hoping to boot their respective sides to a critical win. I feel the OC midfield is traveling better, and should get them over the line by 4 goals.

Next in line is Monash, who might as well not turn up after the injuries they suffered and the fact they have to host STBMT. I know I said they'd be tough to toss at Clayton, but the Tigers have taken everything before them thus far, and will salute by 7 goals.

Parkdale travel to David Street for a massive game against Hampton Rovers. I have a funny feeling about this one, somehow Hampton should be able to rip out the win they really need, with the home crowd getting behind them and the Vultures looking a little shaky. Rovers in an upset by 11 points.

The last potential finalist to play is Fitzroy Reds who are still only a game out. The Redders feel they have the upper hand over Ormond, and past results support that theory. With the Reds brimming towards full strength, they have the firepower to trouble Ormond again, and I'm tipping the trend will continue, Reds to fly home by 3 goals.

The last match of the round sees the Jackas trek out to Bundoora. Parade might be bouyed by the ordinary first half effort of the visitors against Hampton Rovers, and will need to

Monash Blues congratulates resident restaurant manager **James Rosengarten** on **100** games this week. In his spare time away from the corporate world and supervising our world famous Thursday night dinners, Rosie has put together a fine career and loves putting his head over the ball and wrapping his opponents up in a crunching tackle. Well done Rosie on reaching this great milestone from all at the Club.

Old Paradians congratulate to **Anthony Di Fabio** on **50** games. Anthony commenced in 2003 and occasionally gets mistaken for Eric Bana as he drives his Mercedes around Bundoora. We look forward to Anthony making an even more 'incredible' impact in future years.

Old Paradians also congratulate **Joseph Seneca** on **50** games. Joey commenced in 2004 from Parade College and St. Maris JFC. Joey is a dual U19 premierships player and we look forward to more great games in the future.

Fitzroy Reds congratulates captain **Vinnie Cahill** on **100** senior games last week. Uncannily resembling Fitzroy legend Garry Wilson, complete with helmet, number 29 and courage, Vinnie is the epitome of the Reds and is an outstanding leader. Arriving as a cheeky 19yo in 2001, Vinnie still gives plenty of lip, but has backed it up with three senior premierships medals and a B&F. The youngest of the "super six" who have won three senior flags, the club looks forward to Vinnie leading us to more glory in the years to come.

Ormond congratulates **Troy (Harvs) Harvey** on **100** games. Rarely missing a match during his career, this reliable onballer also works hard on the Social side for the Club. Troy is an Ambulance Paramedic and all at Ormond are very pleased to see him achieve this milestone.

Ormond congratulates **Garrin "Guru" Bailey** on **150** games. Garrin played senior football for Echuca at age 16 in 1993. Beginning at Ormond in 1995, he took 2002/03 off to travel overseas, and is enjoying good form this year. Guru is always supported at games by his parents, wife and baby Keira. Well done Garrin from everyone at Ormond.

REVIEW

Despite being 'out-goaled', Rupertswood narrowly prevailed by five points over St. Leo's Emmaus.

Yarra Valley continued their winning run, defeating Prahran by 39 points, all but condemning the Two Blues to D2 football in 2007 while keeping themselves in finals contention.

The clash between Old Geelong and Old Carey was also decided by 39 points, with the Oggers coming out on top. Old Geelong were switched on from the start and could have won by more if not for poor finishing up forward in the first half. Nic Casboul and Jon Malpas were particularly impressive for the winners.

Old Mentonians held out a determined Banyule to win by 11 points. The Panthers had got off to a flyer early, leading by five goals halfway through the first quarter, before the Bears fought back to the point where they were leading by eight points with five minute to go.

Therry Penola rediscovered their early season form, upsetting Bulleen Templestowe by 15 points. Corey Bannister returned to his best with nine goals, while Matt McWhinney and Justin Crotty also stood out for the Lions.

PREVIEW

Old Mentonians host Yarra Valley at the Playing Fields. The Panthers have scored a couple of useful wins in recent weeks against some good opposition, while the Bushrangers have been one of the form teams in the second half of the season. James Keem will need to have his radar on early to give the Bushies the big start they want, while Chris Beal will look to claim another big scalp in either Michael Basile or Chad Twentyman. Spectators can also look forward to some flamboyance from the likes of Dan LeCordier (Valley) and Blake Carroll (OM). Tough to call, but with the bigger prize at stake, I'll take the Bushrangers to win today.

St. Leo's Emmaus welcome Prahran to the Bennetwood Sports Ground. The Animals are still a mathematical chance for relegation, and this is an opportunity to put that to bed. I'm sure that while the Two Blues won't put the cue in the rack while they still have the opportunity to escape the drop zone, they may well have one eye on 2007 and thus continue to blood more youngsters. The end result may well hinge on Prahran's paradigm for this game, but if recent form is taken into account, then St. Leo's have been the better team. The Animals to win.

Banyule make the journey to John Pascoe Fawknor Reserve for their game against Therry Penola. The Lions scored a terrific result last week, with several of their stars returning to top form. On the other side of the coin, Banyule are the other team that is all but mathematically assured of relegation, and quite often it is these teams that are banana skins for other sides. However, it's been some time this the Bears got to sing

their theme song, and they may have to wait at least another week, especially given Therry's recent mini-revival. Therry to win.

It's a top of the table clash at Dunshea Oval for the Bulleen derby between Old Carey and Bulleen Templestowe. Both teams are coming off disappointing losses, and are still not ironclad guarantees for the top two just yet. The Panthers were undermanned last week, and may again go into this game with an understrength line-up. I feel any players coming back will make more of a difference than those who are unavailable. Look to the Bullants' forward half for the potential of some intriguing one-on-one contests. Will OC's Chris Battle man up on 'Waxy' Williams or Dean Matthews, and will a youngster like Christian Barton be responsible for the other player? It could well be a battle of attrition, and, just a gut feeling (and there's quite a bit of gut...), Old Carey at home may just be able to edge it.

That game I'm sure will be followed with great interest by Old Geelong, but in the meantime, they travel to Sunbury to take on Rupertswood. Depending on results elsewhere, Old Geelong can claim a place in the top two, or Rupertswood can return to the top four. Old Geelong's defence were impressive last week, with Al Munro, Steve Lansdell and Jon Malpas particularly influential. They'll have to be in top form again today however, as the Rupo forward line is pretty deep as far

as goalkicking option go, and are well served by their quick and skilful midfield combination. Another tough call to make, especially with the game in Sunbury. However, I feel that the Ogdgers have been the more convincing outfit in recent weeks. Old Geelong for mine.

M I MILESTONES S

Prahran's Dan Ballard this week reaches the **100** game milestone. Dan joined the club in 2001 and is known for launching attacking thrusts, whether from midfield or forward positions. Ryan Marriott also reaches the 50 game mark. Initially joining the club in the 2000 season, Ryan is mainly seen up forward. Congratulations to you both from everyone at the Two Blues.

Henry Legoe saddles up for his **100th** game for **Old Geelong** today. "Fox" has been the main ruckman with the Hoops for several seasons, and has been exceptional in this role, despite often giving away a height advantage. A trademark feature of Fox's game is his baulk, which he is still somehow getting away with after all these years. Fox was also a significant part of the 2005 D2 Premiership and is the only player to be awarded the "Most Improved" trophy twice in three years!* Well done Henry from all at the Ogdgers.

**A teammate from my Monash Gryphons days, Matthew Healy (brother of D2 scribe Jonathan) also achieved this feat. I'm sure "Heal" be reading this, and be amused that it has been matched elsewhere.*

CLUB WAREHOUSE RISING STAR NOMINATION ROUND 16

DIRK HEINZ (UNIVERSITY BLUES)

University Blues key position player Dirk Heinz is the nominee for the **Club Warehouse Rising Star Nomination** for Round 16 after his best on ground performance against Old Melburnians last Saturday.

Dirk came to University from Shepparton and played in the under 19's. Last season he developed into a key player in the firsts. His height, 6'5", allows him to play in the key positions at both ends of the ground.

A few weeks ago, Dirk kicked 5 goals and last week he played at centre half back and was instrumental in the club's big win over Melburnians. If Uni are to go all the way this year then they will rely on the ability of players like Dirk to fill the key central positions at Elsternwick Park.

D2 SECTION

by Jono Healy

Aquinas look to have a firm hold of fourth spot on the ladder requiring only one more win to play in the first semi final. Down the other end of the ladder, nothing is assured. Two clubs out of St John's, Williamstown, La Trobe and Ivanhoe Assumption will remain in D2 next season whilst two clubs will be relegated to D3. St John's are one win ahead of the other three clubs, but a poor percentage could be their downfall.

Williamstown CYMS \$1.70 v Ivanhoe Assumption AFC \$2.05

A loss here for Ivanhoe Assumption will almost certainly see them be relegated to D3 next season. Williamstown are in a similar predicament but thanks to a superior percentage than its close rivals they will probably only need one win to stay in D2 next season. Williamstown were outclassed by Aquinas, going down by 99 points. Their cause was not helped when inspirational skipper Tim Wheeler was injured with suspected broken ribs just five minutes into the match. The Hoe's had a welcome return to form with a 32 point win over Werribee. Chris Hunter was dominant in the ruck and Damon Wood and Colin Brown found plenty of the ball. Coach John Garrard managed two majors for the Hoe's although he seemed to me to be clearly hampered by injury. Hard to pick a winner for today's game with selection queries at both clubs. Will Garrard play for the Hoe's? Will Wheeler recover in time for Willy??? How will Willy's speedy on-baller Shaun McGuinness cope with his first trip to the tribunal??? Too many question marks for me surrounding this game. I have to try and pick a winner though. Willy by 12 points.

La Trobe Uni \$2.40 v Aquinas OC \$1.50

This should turn out to be a good clash as both clubs have plenty to play for. La Trobe need to win at least one of their last two games to stay in D2 next season, and Aquinas need one win to wrap up fourth spot on the ladder. La Trobe were competitive against Peninsula last Saturday with Stephen Pruscino in sensation form gathering close to 40 possessions. Aquinas belted Williamstown by 99 points in a dominant display which will give them plenty of confidence for the coming weeks. Cliff Lyng racked up 30 possessions on the ball whilst Paul Maaskant was superb on a half back flank rebounding many Williamstown forward forays. Rob Moran and Michael Leigh were marking everything up forward and Aquinas certainly have some good players getting into some good form at the right time of year. If Aquinas can shut down Pruscino then they should get the points. Maybe veteran Glen Whitehead will get the tagging job. Aquinas will be too classy and win by 34 points.

Glen Eira AFC \$1.33 v St John's OC \$3.10

Glen Eira's late run at the finals took a backward step with a 49 point loss to Salesian. The experienced trio of Tsirogiannis, Massis and Dyason all tried hard but they did not have enough helpers. St John's were more competitive than recent weeks

going down to Oakleigh by 36 points but ran out of legs in the second half after trailing by only two straight kicks at the long break.

Peter Walker and Callum Pattie worked hard all day for the Joc's, but Oakleigh were too good. Glen Eira can still sneak into fourth spot on the ladder but would need two wins in the remaining games to do so. They should be ready and firing today but I expect St John's to put up a good fight as they will know that they will most probably need at least one win to stay in D2 next season. John Ryan is the key for the Joc's. If he has his kicking boots on then they are a chance. If not, then the experienced Glen Eira on ball division should get the Saints over the line. Glen Eira by 8 points.

Peninsula OB \$1.60 v Oakleigh AFC \$2.20

The top two teams on the ladder face off in Mt Eliza, knowing that they will be playing each other in two weeks time in the second semi final. Peninsula did what they needed to, disposing of La Trobe by 26 points with Cade Bannister continuing his sparkling form and skipper Shaun Payze registering four majors. Oakleigh won by 36 points over St John's at Doveton with Trevor Bromley in form in front of goals with five, and the regular names of Kitts, Holden and Briggs all amongst the better players. The winner today will have a huge psychological advantage for the second semi

final, so I expect both teams to hold nothing back. Bromley and McKenzie up forward for the Krushers, and Payze and Coghlan for the Pirates may hold the keys to both clubs fortunes. It was the Pirates by 29 points earlier in the season, and I think today they will show the rest of the competition that they are the premiership favourites. Peninsula by 22 points.

Werribee AFC \$2.30 v Salesian AFC \$1.55

It has been a disappointing season for Werribee losing six of their last seven matches after making such a promising start to the season. They started their match well against Ivanhoe Assumption leading by 21 points half way through the second quarter but after that they went to sleep finally losing by 31 points. The consistent Frank Dimasi and Nathan Addamo tried hard all day for Werribee but other winners were hard to find. Salesian cemented their spot in the finals with a resounding 49 point victory over Glen Eira. Although Simon Greely, Harmit Singh and Ivan Bobetic were named in the best players the star of the day had to be Matt Loughnan, who snagged five goals from the forward pocket in his first senior game of the year. His chances of the competition reserves leading goalkicker award diminished but it certainly gives Coach Hazell another option in front of goal throughout the finals. Although Werribee have been in poor form, I think they are a good chance of an upset today. A trip to Werribee at any time of year for the boys from Chadstone is not ideal and especially two weeks before the finals. Werribee in an upset to win by 3 points.

SENIOR COACHING SPOT @ FITZROY REDS

The Fitzroy Reds are seeking expressions of interest from suitably qualified and motivated applicants for the Senior Coaching role following the decision of Graham Burgen to finish at the end of the 2006 season due to business commitments. Graham has done a marvellous job over 6 years and the new coach will have the opportunity to complete the Reds journey to sustained success in A Grade. A 3 year contract is anticipated. Expressions of interest can be sent to phille@iprimus.com.au by August 25.

ME Ceasefire a Hint for Ammo Leadership Across & Beyond the Board

Blue Smartie everblue **Bobby G** ran a Pres forum last week which gave club leaders the chance to impact VAFA Exec decision-making – makes sense since the clubs are key stakeholders in the comp and a partnership is what we need rather than a “them & us” approach. A continuous improvement model needs to be put in place without losing the special characteristics that make Ammo footy different – otherwise we may as well all join the East Diamond South West Essendon League. In other news : Head Brewer **Dolly Parton** was miffed at missing the cut in the hunt for Africa’s Supermodel due to a hip measure well outside the accepted range. **Burgs & His Donkey** is to be made into a telemovie with **Dipper** playing the part of both. Dean Jones might have been foolish but calling someone a terrorist is not proof of racism; promoting Abby Cadabby is not sexism and the Chinese moving the Simpsons from prime time is not Homerphobia. In Brazil a dental campaign is underway since 20% of the citizenry are toothless. I recall asking a **State Bank** opponent why he was called Fives – he opened his mouth and counted the handful remaining.

• The Young and the Restless

In a snapshot of the Associations average age taken from Round 7, A Section had the youngest average age of all the sections and D4 has the oldest. Whilst A section has many players pushing well into their 30's, it surprisingly still topped the list as the youngest section.

In A Section, Marcellin have the youngest average age of players in 2006 with 20.8. Old Xavs have the oldest average age at 25.8. The others in A section are as follows -

Old Scotch: 23.8, Old Trinity: 23.1, De La Salle: 22.5, Old Melburnians: 23, Old Xaverians: 25.4, Marcellin: 20.8, St Bernards: 23.2, Uni Blues: 22.7, Old Haileybury: 24.7, Old Ivanhoe: 24.8

• Record Score for Clubbies

Speaking of Club XVIII finals, Old Trinity's score (35.16.(226)) in last Saturday's Club XVIII (3) 1st Semi-Final against Caulfield Grammarians, created a record for the highest score in a Club XVIII final. The previous record was 19.13.(127) by Old Xaverians in 2003 which Old Trinity had almost surpassed by half time. Old Trinity were simply awesome, kicking 8, 7, 10 and 10 goals in their respective quarters to run out victors by 157 points. Interesting to note that Caulfield's losing score of 11.3.(69) was more than any side scored (winning or losing) in the section 2 finals. Highlight of the game was young Romeo Ullangara's acrobatics after kicking one of his six goals. Romeo is one of Old Trinity's Aboriginal recruits from Darwin and his speed, skills and acrobatics thrilled the crowd in an otherwise one sided contest.

• "Sharp" Shooter Reaches 100

Bentleigh AFC veteran Chris Sharp has become the first VAFA player to kick 100 goals for the 2006 season, achieving the feat with his 3 goals on Saturday. Chris previously achieved this feat in 2000 when he kicked 116 goals for Bentleigh, topping the goal-kicking list in D4. He also topped the goal-kicking table in 2002 with 79 in D2 section. Congratulations Chris.

The only other player with a realistic chance of reaching 100 in the VAFA is Powerhouse forward Paul Edwards. Paul currently sits on 91 goals with 2 games remaining. Paul has not previously reached the ton in the VAFA and interestingly played at fullback for the VAFA in this year's Representative Match against the Southern League. Paul is 10 goals clear of Hawthorn's Dan Lauletta in the race for the D4 Sharpshooters Award.

Club XVIII Sharpshooter Winners were -

Section 1 - Daniel Rush (Old Xavs) - 57 goals
Section 2 - Patrick Carolan (Mt Lilydale) - 72 goals
Section 3 - Travis Bockman (Caulfield Gr) - 37 goals

• Umpire Testimonial - Part II

Michael Hegan

Your playing days are over or about to conclude at this season end? Not enough time to coach, but want to stay involved in the game you love? Give umpiring a crack. I'm enjoying it, love it in fact. I go out there and treat it like I did when playing, serious preparation, training and eating plenty of pies again because I can! I am back running every week and my fitness is improving. One gets to continue learning what life is all about and the after match functions are always great to catch up with people and clubs you played against or heard much about while they were in other grades.

There are legends at every club, off field and on, past and present and every club has their own unique way of doing things.

Give something back to the game through umpiring. Experienced players can offer so much in this area of our game, especially in the Ammo's where so much is done for you.

• Dirk Kramer Voted No 1 Umpire

Dirk "Diggler" Kramer has been voted as the Best VAFA Umpire in the latest poll conducted on the VAFA website. Dirk out-voted more fancied umpires in the poll claiming 30% of the vote. Not sure if Dirk has achieved much at work this week with all the voting he has been doing!!

• Top of the Table Clash - Again

For the third week out of the last four rounds there is a top of the table clash in A Section. In Round 13, Old Scotch (1st) did battle with Old Ivanhoe (2nd). In Round 15, Old Scotch (1st) then took on Old Xaverians (2nd) and now in Round 16 Old Xaverians (1st) take on Old Haileybury (2nd). There certainly has been no shortage of "Match of the Day" games over the past month. Reports from the Old Scotch v Old Xaverians game suggest the crowd may have been the biggest for a home and away match for quite some time.

• Useless Stat No 1

St Bedes / Mentone Tigers Reserve Grade side has the highest percentage in the competition with 360.14%. They are closely followed by Old Xaverians in U19 (1) section with a percentage of 326.29%.

• Useless Stat No 2

The team with the lowest percentage is Parkdale Vultures Reserve Grade side with 13.75%. They are currently edging out Richmond Central Reserves who are sitting on 22.61%

• Long Time Between Drinks

Old Scotch player Jason Keays made his debut for the club against Marcellin in 1991. He has not played VAFA football since that year but returned to Old Scotch this season. Jason returned to the Senior Side in Round 13 meaning 15 years had past between A section matches. We think this is a record, but if you know of anybody else let us know.

• Executive Ready for Mediation

VAFA Executive members Richard Evans and Tim Merrett have been attending sessions to gain accreditation to conduct mediation meetings. The VAFA are indeed fortunate to have members give up their valuable time to ensure the competition not only continues to be held in the highest regard, but also resolves issues professionally and thoroughly.

• Club XVIII Finals at Sportscover Arena this Weekend

A reminder to the VAFA community that Club XVIII Preliminary Finals are being held at Sportscover Arena this weekend. On Friday Night commencing at 7pm, Fitzroy Reds do battle with record breakers Old Trinity in Club XVIII (3). On Sunday commencing at 11.20am, Monash Blues meet Collegians in Club XVIII (2) and at 2pm, it's the battle of the old foes when Old Xaverians play Old Scotch in Club XVIII (1). I had the pleasure of watching most games last weekend and the standard of football played was fantastic and played in a great spirit. Looking forward to this weeks games and may the best team win.

• Joke of the Week

An old man was sitting at the bus stop waiting for the bus when a young punk walked up and sat next to him. The punk had spiked hair coloured in a range of colours - red, green, yellow, blue and orange. The old man just stared at him.

"What's the matter old timer, never done anything wild in your life?" said the young punk sarcastically. Without batting an eyelid, the old man replied "Got drunk once, slept with a parrot. I was just wondering if you were my son!"

MELEES - BEWARE

A MELEE IS

"Where an incident takes place involving players pushing, scragging, jumping into packs, throwing each other to the ground or other or other similar such conduct"

... Retrospective

by Geoff Reilly

5 YEARS AGO - 2001

It was preliminary finals' time for the **Club Eighteens**. In the top Section **De La Salle** earned the right to play **Old Xaverians** in the **Grand Final** when they disposed of **Old Melburnians** by only 4 points, 10.4 to 9.6. Best players – **Fiume, Bolt, R Ford, P Brasher, K Mannix, Rudd** (De La Salle) and **Burden, Rutherford, Rigg, Cooper, Bains, Atkinson** (Old Melburnians).

The **Old Xaverians** were having a great season 'across the board'. All five teams were in the finals' race and their main **U19 team** was clear on top and smashed 5th placed **De La Salle** 15.19 to 3.6. With a top five in this Section, due to the twelve team competition, De La were still in the mix but seemed light years away from the premiership favourites. Best players – **James, Smith, Dixon, Lopresti, Green, Monohan** (Xavs) and **Bonnici, Brown, Moran, Molan, Taylor, Sims-Lucas** (DLS).

In **Junior Section 2**, third placed **Caulfield Grammarians** jumped **Old Haileyburians** early and held their 4 goal lead throughout the game. Best players – **Napier, Fallu, Jess, Foster, Sinclair, Hooper** (Caulfield) and **Brooks, Clarke, Capron, Hanlon, Shaw, Wright** (Haileybury).

Junior Section 1 coaches were **Mick Deaton** (Beumaris), **Marty Huck** (Collegians), **Brian Brown** (De La Salle), **Denet Merton** (Marcellin), **Andrew Pickering** (Mazenod), **Brad Berry** (Old Brighton), **Rob Walker** (Old Melburnians), **Mark Donovan** (Old Scotch), **Manny Nicolosi** (Old Xavs), **Larry Davis** (St Bernards), **Paul O'Shannassy** (St Kevins) and **Steve King** (Uni Blues).

"Milestones" recorded the 150th game for Mark 'Big Bird' Cannon at Williamstown. Mark was a three times club best and fairest as well as being a former competition best and fairest. This former captain coach of his club had returned to football this year at the age of 36 and was still showing the young guys a thing or two.

10 YEARS AGO - 1996

Top side in **A Section**, **Collegians**, comfortably defeated **Old Scotch** 12.15 to 5.12 and helped to even up the section. **Collegians** remained 3 games clear but there were no less than 5 teams on 9 wins, **Uni Blues, Xavs, Haileybury, Scotch** and

Melburnians with **De La Salle** on 8 wins. **Collegians** controlled the game after an even first quarter. Best players – **Galbraith, Phillips, Jefferson, Milat, Parkin, Sheedy** (Collegians) and **Laird, Heath, Nettleton, Grigg, Holt, Jonas** (Scotch).

A Section umpires were **Steve McCarthy, Richard Simon, Peter Gersch, Rob Bell, Wayne Hinton, Anthony Damen, Matt Jackson, Mark Gibson, Justin Toohey** and **Chris Donlon**.

B Section was a little clearer with **Old Paradians** two games clear on top after they disposed of bottom placed **Bulleen Templestowe**, 14.10 to 3.7. **Old Trinity, Therry** and **Old Brighton** made up the four and Brighton had a two game break and percentage over fifth placed **Ivanhoe**. **Paradians'** best were **Vincent, Ciavola, Pannam, Bellis, Brabender** and **Zappa** and **Harrison** kicked 4 goals. **Bulleen Temp's** better players were **Prior, Field, Alexander, Glover, A Parris** and **Lambropoulos**.

In **C Section**, **Thomastown**, climbed one rung on the ladder to slot into fifth place and were only one game out of the four when they met fourth placed **AJAX**. In a great first term, **Thomastown** jumped **AJAX** with 6.3 to 2.2 and **Vin Capeci** led the way in front of the sticks. **AJAX** caught **Thomastown** at half time but failed again in the third term and the leeway was too much to make up in the last with **Thomastown** running out comfortable winners, 14.12 to 10.6. **Vin Capeci** finished with 5 goals and other good players were **Grech, Fellows, Plant, Alberti** and **Reid**. **AJAX** thanked the **Goldbergs, Wrobe, Kirzner** (4), **Bloom** and **Halphen**.

20 YEARS AGO - 1986

In **A Section**, **Bulleen Templestowe** stumbled when they met top team **Collegians**. It was a critical game for **Bulleen Temp** and they 'coughed up' fourth spot to **Ormond** who managed to get over the line against **Uni Blues**. **Bulleen Temp** started well but by half time **Collegians** had taken a firm hold with 6 goals 'in the bag'. The final score of 23.10 to 11.6 may have proved that the **Bulleen** boys were not quite ready for an **A Grade** assault! **Collegians'** best were **Pollack, Laussen,**

Kahn, Baum (5), **Lemon** and **K Parsons**. Best for **Bulleen Temp** were **Smythe, Asdagi, Wotherspoon, Demarte, Tsiotinas** and **Gilmore**. The **Ormond/Uni** game was a willing contest and the lead changed a number of times before **Ormond** asserted their ascendancy 16.17 to 13.17. Best players – **Andrew Mehrten, Clark, Crampton, Kingston, Naylor, Crottie** (Ormond) and **Angel, Tyquin, Mitchell, Macinnes** (4), **Gust, Allen** (Uni Blues).

B Section evened out noticeably when **Old Melburnians** comfortably defeated third placed **Fawkner** in the turn up of the season, given that **OM's** were on the bottom of the ladder! This amazing turn around meant that **OM's** now had a chance to avoid relegation in the coming weeks. **Melburnians** had many good players but chose **Watson** (7), **Walker** (6), **Bungey, Bradshaw, Johnstone** and **Cameron** as their best six. **Fawkner** acknowledged the efforts of **C Busst, Hills, Buckley, Rhodes, Roach** and **Brown**. **Stephen Allen** and **David Gregor** both posted their 100th game for **Caulfield Grammarians** and **John Brassil** recorded his 150th game for **Kew**.

30 YEARS AGO - 1976

In **C Section**, **Old Ivanhoe** created a problem for **Parkside** when they jumped the 'Red Devils' in the first quarter and did not relinquish the lead throughout the remainder of the game. **Parkside** certainly rallied but their kicking for goal let them down in the last term. The final score was 18.9 to 14.16 and **Parkside** remained in second place but **Old Melburnians, Fawkner** and **Hampton Rovers** drew level with them on points. **Gee** (6), **T Stevens, Purcell, G Stevens, J Constantinou** (6) were best for **Old Ivanhoe**. **L Datson, Keogh, P Harvey** (5), **Green, K Clarke** and **Gary Dryden** were **Parkside's** best.

Was this result, **Old Xaverians** 15.17 to **AJAX** 7.9, a sign of things to come in the **D Section** finals? **AJAX** were still on top of the ladder but the **Xavs**, second only on percentage, must have absorbed a huge psychological advantage. The result on the game was never in doubt at quarter time as **Xavs** had 13 scoring shots to 3. Best players – **M Rush, Peppard, Curtain** (5), **Sholly, Cooksley, Nankervis** (Xavs) and **Gross, Freeman, Lemish, Ritterman, Marks, Rozen** (**AJAX**). Multi club trophy winner at **Hampton Rovers, Peter Wolfe**, played his 200th game at **Roverland**. **Peter** started his career with the **Rovers** in 1964 in the Juniors and in addition to captaining his club, he achieved the distinction of receiving the **Best & Fairest, Most Consistent, Most Determined,** and

Best Clubman trophies. **Peter** was a very popular member of the **Rovers'** fraternity and served on both general and social committees. One of the finest umpires in amateur ranks, **Ken Jorgenson**, was highlighted in **Kevin McKay's** 'Umpires Corner' column. **Ken** was the current President of the **Umpires' Association** after serving as **Secretary** (3 years), **Treasurer** (3 years) and **Vice-President** the previous season. Uniquely, **Ken** had played 5 seasons with **Commonwealth Bank** prior to taking up the whistle and had been selected in the **Victorian Amateur team** in his first season. Clearly an accomplished player, **Ken** went on to represent his **State** on 4 occasions. To top off **Ken's** unique contribution to the **V.A.F.A.**, he was one of the field umpires in the **1973 Carnival**.

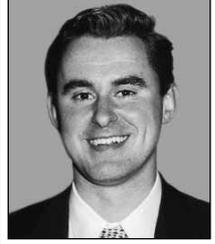

40 YEARS AGO - 1966

In **A Section**, **Old Xaverians** went a step closer to avoiding relegation when they recorded a great win over third placed **Old Paradians**, 7.14 to 7.13. **Xavs** had led all day and seemed to deserve their win. Best players were **J Gibson, Mulcahy, Millen, Fraser, McKenzie, Goodale** (Old Xavs) and **Mansfield, Williams, Proctor, Danaher, O'Brien, Gordon** (Old Paradians).

In **B Section**, **Old Melburnians** (fourth) secured an important win over **Ormond** (third) and gave themselves some breathing space. **De La Salle** (fifth) were a game away plus a large percentage differential. It had been a thriller all day but with **Ormond** narrowly leading at each change. **Old Melburnians** stage a great 5 goal final term and although **Ormond** met most of the challenges, the **OM's** proved strong enough at the finish. The better **OM's** players were **Brown, Beer, R Knott, Payne, McArthur** and **D Wilson**. **James** kicked 4 goals for **Ormond** and the other better players were **Morrow, Freeman, Blight, Dixon, Finlayson** and the classy **Alan Graham**.

50 YEARS AGO - 1956

In **B Section**, **Alphington** (fourth) defeated **Power House Green**, 10.16 to 3.6 and kept **Geelong** (fifth) at bay although the boys from **Corio** easily defeated **Brunswick**. **Alphington** swamped **Power House Green** in the first quarter to set up their win. **Alphington** showed just how to play in the mud and their half forward line of **Gaudion, Lennox** and **Feldt** were brilliant. The **Club** also congratulated their defence, led by **Murray**. **Power House's** report all pointed toward a game they wanted to forget as the upcoming finals' campaign had taken a severe blow. Their performance resulted in a complete rest from training the following Tuesday!

Congratulations to Elsternwick who sewed up a finals berth on the weekend. The battle continues for Old Westbourne and West Brunswick who have two critical matches in the final rounds.

Review

The Elsternwick versus Benteleigh match had all the makings of an epic final, and it was Benteleigh who jumped to an early lead thanks to the great work of Scott Lawry and Paul Dimmatina. However, the Wicks hung in there with a couple of late goals before the break. Elsternwick then swung the momentum their way thanks to some solid work by Jon Yemm on the wing and the evergreen Jack Neill in the ruck.

It was the third quarter though where the result was decided as coach Dennis Grace showed why he was the D3 Coach of the Half Year with the brilliant move to isolate Scott Grace one out at full-forward. Paying almost immediate dividends, the Wicks piled on 8 goals to 4 and wrestle the match from the Demons. With the match in their grasp, Elsternwick held on in the final quarter to leave some serious question marks over Benteleigh's ability to win the big games.

Old Westbourne's claim of best defence in the league was put under serious scrutiny as they were handed a football lesson by a South Melbourne side that is now a clear favorite to take out the big one. Though the Warriors would have claims they were off the boil after their grueling encounter with West Brunswick last week, there can be no denying South's brilliance. The reward for the Swans? Two weeks to rest some tired legs and perhaps try a thing or two before the big dance.

With the flogging handed out up the road, it was an opportunity for West Brunswick to make some headway into Westbourne's superior percentage, however Swinburne had other ideas. Although weary after last week's bruising encounter, West Brunswick did enough to win and will now be hoping to pull off a surprise next week to take percentage out of the equation.

It was a battle for pride as D3's two "releagees" fought it out for bragging rights, and predictably, it was the Saints who ended up victorious. While UHS's Josh Murphy made an impressive debut and Shane Cracknell had as many marks as most of his teammates put together, it was not to be for the students. The big "Dukes" Schembri kicked four good goals and star Lachie Armstrong showed plenty in a win that will give the lads plenty of momentum in 2007.

Preview

Season on the line today for the Magpies as South Melbourne make the short trip to the "House of Pain".

With a current percentage deficit of some 85 points on the Warriors, only a win today will assure the Magpies a place in the final four (presuming the Warriors go down to Benteleigh in the final round). South on the other hand, will be certain to rest some weary legs and also try positional experimentation given their stranglehold on top spot. Therefore, picking a winner is a tough ask. If the Magpies turn up to play, they should get the win, however, their form has been patchy of late. As such, I will stick with the Swans to put an end to the Magpies charge to the finals.

While the West Brunswick/South match will take most of the interest in D3 today, the match between Westbourne and St.Marys should not be neglected. Should the Warriors lose today it will be season over for the lads, and the Saints have inflicted pain on the Warriors in the past. With the class of Saints tap ruckman Sean Crilly and the big, bustling Pat Murphy around the ground, they will go in with some confidence. However, with Troy Edwards looking more dominant each week and the speedy Micky Baulch likely

to have the ball on the string, I am picking the Warriors to see the finals race go down to the wire.

Do not let ladder positions fool you when analysing the Elsternwick versus Kew match today, as I am inclined to think this could be a lot closer than most expect. Kew have hit their straps since exorcising the relegation demon, and are now fixated on finishing sixth to set up their 2007 season. Elsternwick may also be off the boil after their stirring win last week. In selecting my winner however, I cannot go past the Wicks. They really have answered all preseason criticism and have impressed when the challenge has presented. And with a double chance on the line today, they will do so again and record a solid win.

Given my predicted loss to Kew, today's Swinburne/Monash match will be a battle for sixth spot. Under normal circumstances, I would tend to lean towards Monash to win this game, however, it would appear the senior side has lost focus in the season's latter stages. As such, Swinburne deserves to start favorite and particularly at home I select them to win by a comfortable margin.

Finally, the Bentleigh versus UHS match could be very ugly. On the rebound, the Demons will be looking for a big win to put their charge for second spot back on the rails, while the students will already be thinking about the beer after the game. As the result is a formality, I will try and pick the margin. I am going with 98 points to Bentleigh.

<p>Monash Gryphons - All congratulate Brett Coxhead and Gareth Kent for reaching their 150 games milestones last week. Remarkably these two players played their 100th on the same day as well! Very differing careers with Brett's 150 constituting 13 seasons and Gareth reaching the mark in only 9. Both are valued members of the Monash Gryphons community and should be commended for their excellent contributions to the club.</p>

FINALS ELIGIBILITY

Finals eligibility rules are found under Rules 51-55 of the Association.
Below is a brief summary.

Senior - (1st XVIII teams) Any registered player with a permit can play finals (except AFL/VFL players with a permit – see below).

Reserve - (2nd XVIII teams) Players must be registered and must have played at least four (4) reserve grade matches and not more than ten (10) senior matches in the home and away games (first round).

Where both first and second XVIII's are playing on the same day the reserve grade player must only have played two (2) games in either the seniors or reserves to qualify.

For clubs with teams drawn in semi finals on different days of the same weekend (ie. 1st semi Saturday, 2nd semi Sunday – read as above teams playing on the same day).

Under-19 teams - Players must be registered and hold a permit. If a player has played an aggregate of more than 5 senior and reserve matches he must have played more than 5 Under-19 matches during the season.

If a player is ineligible due to having played more than 5 senior and reserve matches and does not gain selection in his club's senior team in the first second round match, he is then eligible to play in any subsequent Under 19 final.

Where a team has (2) U19 teams or is involved in hybrid arrangement, the following shall apply.

Where a club has two U19 teams a player must have not played more than 10 matches with the U19 1 side to play in the (2) team.

To represent the hybrid team in the finals the player must have represented the hybrid team in (5) first round matches – not including finals.

Club XVIII teams - Players must be registered and have played

in at least four (4) Club XVIII matches (for the team they wish to represent) and not have played in more than a total of eight (8) senior and reserve matches during the first round.

Where a club has two or more Club XVIII teams a player must have not played more than 8 matches with (either of) the higher placed side(s) to play in the lower team's finals - if teams are in different sections.

Where both Club XVIII teams are in the same section the following to apply:

(i) A player cannot alternate between teams after June 30. Once he plays with a team after June 30 he can only represent that team for the rest of the season. (ii) the player is only allowed to play finals for the team they represent after June 30, (iii) to be eligible for finals with either side, a player must have played a minimum of 4 matches with the side they wish to represent and (iv) the player must have played more games for the side they wish to represent than the other club side in the same section. All Club XVIII teams will be limited to 22 during finals.

An **AFL or VFL listed player** will be eligible to play in the finals for his VAFA club as long as he has played a minimum of five (5) VAFA matches for the team he wishes to represent in the finals. At least two (2) of these matches must have been played after June 30th. If the player wishes to play finals in the U19, these 5 matches can be played in the Seniors or U19 with Reserve Grade matches not counting. This applies for TAC Cup players as well.

A **TAC Under 18 player** must have played five (5) VAFA matches for the VAFA team he wishes to represent in the finals. For TAC players there is no requirement to play a certain number of matches after June 30th.

300 up for Big Bernie

It's been a long, long time coming, but the genial giant **Bernie Jephson** will be waving the flags for the **300th** time when he steps out at his "old home" Marcellin today. After a fairly long break in his career, he made the right decision to return to us a few years back and has been rewarded with some plum appointments including **A** section grand finals. A very popular figure in not only the umpiring ranks, but the VAFA itself, Bernie will be deserving of all the accolades thrown his way this weekend. His commitment to the cause is unquestionable as he has continued to travel to and from training and his games from his home in Kilmore. A sensational effort Bernie, and hopefully quite a few of his colleagues can call into the ever-hospitable Marcellin after-match tonight.

Strange SMS

Rob Sneddon as training advisor also appoints umpires to the APS and University games; last weekend he received this strange SMS informing him of an umpire's unavailability:

Caller: I cannot ump 2morrow I'm feeling sore from umpiring 2day

Rob (texts back): from?

Caller: From the fact I cannot walk my left ankle its very sore.

Rob: from????

Caller: The turf at Camberwell.

At this point **Rob** (after screaming and pulling his hair out) rings the number and asks "**from whom**"? Well, well, **Ken McNiece**, you must leave your name at the end of a text message.

Top Picks

It's around about this time that our resident Mike Sheahan, **Jeremy Heffernan** starts to rank the umpires to try and second-guess **Brian Goodman** with the umpires' finals rankings. This week we will try to beat all of them by naming our list (see if you can match the umpire with the aliases we've provided – you may even see yourself in there):

1. **Superman** – he's bullet-proof and stays out of trouble. Will save the day when things get out of control.
2. **The Border Collie** – everyone likes him and he can run all day. Just pat him on the head and he'll be happy.

3. **The Bridesmaid** – just misses out on being in the spotlight on the big day, but always handy at the after-match.
4. **The Phantom** – The umpire you don't see until finals. Ghost who walks. Where did he come from?
5. **Pavarotti** – always performs on the big stage, but in latter years has issues with his waistline.
6. **The Kid** – some young upstart who's legs are quicker than the others, but unfortunately his brains are slower.
7. **Bundy Bear** – larger than life and great at the after match. The cleanest whites in the VAFA. It's not how you play the game, it's how good you look doing it!
8. **Nike** – just do it. An absolute minimum of fuss. Totally unnoticed.
9. **BP** – The quiet achiever. Similar to Nike, but a surprise packet in September.
10. **The Grim Reaper** – if looks could kill (because he rated himself a lot higher). Don't get in his way on the training track or he'll hack his way through you.
11. **Rusty Gun** – Won't fire when needed. Possibly due to lack of trigger points.
12. **Dr. Christian Barnard** – usually looking for a heart transplant. Usually seen to be cutting corners. Sometimes referred to as "Royce".
13. **Frosty the Snowman** – the slightest niggler will see him reaching for the ice (followed by the phone in order to withdraw from his game). Will be well thawed out by the time we reach the business end of the year.

Thank you

To **Paul O'Brien (Old Melburnians)** and **Allison (University Blues)** a big thank you from **Leah** for your help and assistance to her injury last week. To **Grant Joyner** a top effort to run the majority of the A grade game at the Melbourne University Oval.

Tommy's Back!!

We've heard that Elsternwick Park (Sportscover Arena) is due for some major upgrades and building works in the near future. It's got nothing to do with the fact that Executive Member **Tommy Brain** (and his not so slight frame) umpired a ressie match there last weekend. Most of the pot-holes will be filled in by this weekend. Seriously, well done Tommy, thanks for helping the Rovers and Jackas out.

RESPECT THE UMPIRE – RESPECT THE GAME!!

D4 SECTION

by Ed Sill

This week it is Albert Park's turn to surge, breaking into the top four for the first time since round three after a great win at the expense of fellow finals aspirant Box Hill North. Hawthorn did a favour for those two as they accounted for Bulleen whilst Power House and Eltham had big wins. Finally, after a run of outs, North Brunswick was able to salute with a win over Richmond!

Review

A great game was served up as Albert Park hosted finalist rival Box Hill North. The Falcons were well on top early but BHN hit back in the third quarter and held the smallest of margins at the last break. The Falcons were done with as they stormed home for a great win. Bennett, Morgan and McIndoe were the stars for Albert Park whilst Hood and Plunkett helped keep BHN in the game.

The other finals shaper was played out at Bulleen, as the home side welcomed Hawthorn. The Hawks hit the ground running and got out to a three goal lead early, before Bulleen, led by the damaging Conn, hit back. The Hawks steadied however, as the Twin Towers of Lauletta and Tyson again held sway. McGlenchy was good again for the Hawks whilst Trinchi battled hard in the midfield.

Power House returned to the winners list as they easily accounted for Eley Park. The House were out of the blocks early and apart from a little period in the third quarter, controlled the game. Edwards was the star, all but wrapping up the goal kicking with 15 majors. Copper and Hill were also good for the winners whilst the Payne boys were the best for the Sharks.

Eltham also stoked up the engine as they had a big win over Syndal Tally Ho. It was the damaging forward line of McLaren (6) and Blagrove (4) that hurt whilst Tuner in the midfield was also dominant. Sanders and Cachia (4) were the best for the Sinners.

Finally, North Brunswick was able to enjoy victory as they accounted for Richmond. The game was over at quarter time as the visitors piled on the goals. Full credit to Richmond however as they outscored North for the rest of the game. Robertson was the star for North who also saw the mercurial Newton slot 4 goals. Speakman and Pizzari were Richmond's best.

Preview

No upsets for the big three last week and the same fact holds. It's all about winning with percentage highly unlikely to play any part in deciding the final spots. Simple formula for the Hawks and Eltham, just keep winning to seal the double chance.

Certainly not the case for the battle for fourth spot. A spread of only 50 points covers all three combatants and with small

grounds and fine weather, a season defining quarter may be only 30 minutes away! The other good news is that whichever club makes fourth will probably have had to defeat one of the big three and thereby earn their spot! Look out Super Saturday and keep those calculators ready!

The Lakeside rivals is the biggest game of the week as Albert Park wander over to Power House in a game that is almost do or die. Probably the smallest home ground advantage in this clash however the stakes are high. A loss to either side which just about do away with their respective wish lists. Have been watching the Falcons rise for a while now however learnt my lesson by going against the House at home once before. Power House but in a thriller.

Syndal Tally Ho welcomes Box Hill North to the House of Sin in a real danger game for BHN. The Sinners has been mixing form all year however one thing is for sure, they are a far harder proposition at home than away. Not much to play for though other than pride whilst a loss for the visitors will make it incredibly tough. Not sure but a finals berth might be enough ammunition to get Box Hill North home.

Bulleen make the drive to North Brunswick knowing only a win will do. They would have been disappointed with their loss last

week however will regroup quickly and according to my tipping, get back into the four by 5pm Saturday!
 The last two games see the top two sides welcome clubs already planning for next year. Eltham host Richmond and won't let this slip whilst Hawthorn will bid farewell to Glenferrie Oval, aiming to make it a clean sweep at the historic ground and should account for Eley Park.

M I MILESTONES E S

Hawthorn Amateurs congratulate **Michael Tyson** on becoming the quickest Hawk to notch up **150** games. Son of Barrell has quickly forged his own reputation and has firmly entrenched himself in the senior side. Well done and sites on 300!

Power House congratulates **Roderick 'Rocket' Marshall** on his **150th**. Rocket is a much loved character around the club having captained and coached the Reserves and played a number of senior games. Rocket, from all at the House, good luck & we are all confident there are still many games left!

North Brunswick congratulate **David Pizzari** on **100** games. Rewarded by being named Co Captain, his stylish play out of the centre has been an inspiration to his team mates. Also a member of the committee this season, David is seen as a new breed of footballer covers all aspects of life at a football club.

North Brunswick congratulate **Hus Hassan** on **50** games. Generally playing in the backline with the occasional run in the ruck, his attack on the ball is as hard as anyone at North. Well done Hus & hope there are many more games to come in the future.

Bullen Cobras congratulate **Andrew Cook** on **200** games. Cookie is a past president, long time committee member, and part time reserve umpire. His time at the club has been interrupted with a couple of years spent in Sydney with work commitments, but has since been a quiet achiever as he has progressed to this milestone.

Bullen Cobras congratulate **Travis Moore** on **50** games. Travis has developed into a very reliable wingman and this milestone is credit to the development the club has undertaken over the last 3 seasons.

All at the club would like to congratulate these two players on their outstanding contribution to the club.

With just two rounds to go, the finals are sewn up for mine. The first week of the finals will be Xavs and De La, while Blues will play St Bernard's unless Rupo can pull off a miracle in Round 18.

Review

De La Salle held a previously strong Blues to just two majors in a fine performance away from home. Josh Oakley and James Crowe were best for the victors. BV bobbed up for win number three, downing St Kev's. With the wooden spoon now firmly out of reach, BV can concentrate on rebuilding and have made a solid start to life in Division 1. Josh Iezzi snagged five and was best afield for BV. Game of the round, battle for that prized fourth spot saw St Bernard's creep over the line against Rupo. Super win for the lads who were well served by James Viney with six and David Mitchell who was consistent all day. In other games Old Xavs stamped premiership favouritism all over their forehead by smashing Old Scotch and Marcellin gathered their best win for the year against Collegians. As a famous coach once said, "a meek and insipid performance"!

Preview

Match of the round across at TH King sees first (Old Xavs) play fourth (St Bernards). Should be a game not unlike a final, with Old Xavs likely to run rampant and assert yet more authority on a luckless opposition. Over at Waverly, De La will be hoping to claw back the 70 percentage points they trail Xavs, by smashing Old Scotch. Expect to see a fight by the Scotchies, but it's the home team for me. Uni Blues will be up for a confidence boost against "wooden spooners to be" Collegians, at Harry Trott. Should be a blood bath, one that Blues really need to smash. In other games Marcellin will thump St Kevin's and Rupo to draw equal with St Bernards with a win against BV. The lock - Lock of the week Freo to beat St Kilda under 39.5. Good to see plenty of nice ponies back in action this weekend. Lets boot Lad of the Manor home to take a clean sweep of the majors this coming spring. Happy punting!

Carey disposed of its only threat by 33, ending Parade's 6 game winning streak in a highly spirited contest. Both sides showed great skill, holding strong marks at either end. But the Panthers ran harder, ensuring Bull (5) and Smithwick (5) first use. Joel Newnham (3) in the guts and Parker down back were solid, while Barry and Khoury were strong for the home side. The Blacks have officially dropped off the map, going down to the Fielders by 51, obliterating any finals hopes. The win was essential for Caulfield as it has edged the Fielders one step further from relegation. The T's came close against the Sharks going down by 9, with Beaumaris also fighting to stay in Section 2. The OM's move back into 2nd with a 25 point win over the Friars, but will need a bit more in 3 weeks time. Finally the Wellers have written their name next to 4th spot. Belting 5th placed Brighton by 48, Camberwell's percentage keeps them safe, even if they do lose the last two. Hillier kicked another 4 (a quiet day by his standards) while Poynton (2) was best. This week Brighton need to belt Trinity by a chunky margin to have any hope, but must rely on the Wellers losing. Tonners by 45. The Students host the Wellers and going on form, Camberwell would surely change Uni's hopes of finals to fears of relegation. OM would have eagerly been awaiting their re-match with the Sharks after Round 8. Melburnians will square the ledger, winning by 5 goals. The Panthers will have no trouble against the Fielders, with Marshall Bull back in form. While the Friars will gallantly

go down to a Raiders side wanting to make amends for last week. Paradians by 6 goals out in the Sticks. bernechich@netspace.net.au

Review

It was party time at the Bennettswood Sports Ground as Emmaus St. Leo's recorded their first and only win by one point. Wild scenes of jubilation followed as Emmaus held off Old Essendon in a tense finish, a game that was all about pride for both teams. Old Essendon looked in control with a nine point lead at the last break, however, the likes of Mark Needham with 5 goals and Anthony McCann with 3 got Emmaus home for that satisfying first win. Daniel McGorry with 4 majors was best for the gallant Old Essendon. All of the other games went as predicted as Old Ivanhoe defeated La Trobe with Michael Costanzo best

and Adam Baldwin booting home 5. Ormond thrashed a disappointing MHSOB with Orry Lack continuing his good form in front of goal and Simon Te Hennepe again best afield, while Dean Francis helped SBMT to an easy win over Ajax with a 9 goal haul. Oakleigh kept second spot on the ladder with an easy 80 point win over Benteleigh.

Preview

A finals atmosphere will greet all and sundry at Mentone Reserve this Saturday as the mighty St. Bede's Mentone take on fourth placed Ormond. Last time they met, SBMT held on to a thrilling two point win and they have been nearly unstoppable since. SBMT have added Francis to their already formidable forward line and Ormond will be up against it away from home this weekend. SBMT should take the points but both teams will be playing off in the finals so final ladder positions is what is at stake. Old Ivanhoe travel to Old Essendon and should have little trouble leaving with the points while Oakleigh will defeat Ajax without too much trouble. Tough match to pick a winner with Benteleigh hosting La Trobe, with both clubs struggling mid-table for most of the season. La Trobe are probably travelling better, but I am tipping Benteleigh because they are playing at home. Emmaus will be on a high after winning last week and are some chance against MHSOB, but surely MHSOB won't drop this game at home. All reports to al_vafa@hotmail.com by 5pm Monday.

Review

De La took on the might of Old Haileyburians on the weekend, however, a tough assignment got tougher on Saturday morning when two players were late withdrawals as well as their ruckman going down injured in the first quarter. The two teams went blow for blow for much of the game and for De La to be in touch at...time was a fantastic effort. Adam McKenna continued his great form for De La and the usual suspects of Daniel Reid and Tom Kovarik also had big games. A big effort from Simon Edwards who took his demotion from the Blues very well and worked hard all game. The 31-point victory to Old Haileyburians was hard fought with Nicolas Criticos in everything and Nicolas Bourke kicking 5 goals. In other games, Old Mentonians nearly kicked themselves out of a win by booting twenty behinds from twenty-six shots on goal, falling over the line by only 9 points against mid-table Monash Blues. John Thompson was best for Old Mentonians, however, they will be happy to just take the four points and start thinking about next week's game. Luke Jackson's six goals helped Powerhouse/Sth Mornington haul itself off the bottom of the ladder with a big win over Parkdale, while Oakleigh Clayton forfeited against Hampton. Mazenod had the bye.

Preview

It is possibly the 'Grand Final Preview' this Saturday at Central Reserve as a refreshed Mazenod take on Old Haileyburians. Mazenod struggled last time against the powerful Old Haileyburians outfit, a team that hasn't dropped a game all season despite some tough affairs. De La pushed them last week but this is a team that does enough to win when it has to and I believe they will beat Mazenod in a classic clash away from home. Bring on the Finals!! Old Mentonians were due for a lacklustre performance after such a red-hot season, however, they did enough to win last week which shows they are a quality unit. While they will have to have plenty of goal kicking practice at training, they should be too good for Hampton at home. De La host a rejuvenated Powerhouse/Sth Mornington at Waverley Park at 11.00am and a win this week will guarantee a finals spot. With a number of players to return, confidence is high at De La and they should win this game without too much trouble. Monash Blues should have another win against Parkdale this Saturday in their 'dew-kicking' 9.15am start at Monash on Saturday. All reports to al_vafa@hotmail.com by 5pm Monday.

UNDER 19 (RED)

The inaccurate Lions (19 behinds, 10 more scoring shots) quatered a 9 goal to 3 last quarter to draw with Bulleen Temp. The middle quarters saw the Bullants control the contest, kicking 13 to 3 goals, Pete Voglis dominated, finishing with 9. By 3/4 time the game looked to belong to Bulleen Temp, 39 points up. Perhaps it was complacency or end of season jitters that allowed the Lions to come home with wettest sail ever seen. Matt Costello (6) and Robertson were pivotal in the comeback. The post game felt more like a Therry win as the home side sang the song, the Bullants drove home disappointed. The two points to Bulleen Temp put the Westies out of contention, even after their narrow 10 point win in Sunbury. It was a game of 2 halves with Westbourne dominating the 1st and Rupo the 2nd. Plecher (7) and Whyte (6) delivered the visitors the 4 points, while Lovett kicked 7 for Rupo. The Xavs won, but must have been aiming at the behinds, kicking 13-24 against Kew. Goal-kicking practice Thursday night, boys. While the Reds took care of the Old Saints by 8 goals. Beech (6), Ligris (4) and Olarenshaw were best on the day. Special thanks to Fab.

With two games to go, I can't see much changing. Likely Wooden Spooners, NOBSPC host Xavs at Alec Gillon. Visitors should take it, because if they don't they lose 3rd. The Aquinians who haven't lost since Round 5 host Westbourne and I can't see the streak ending this week. Aquinians by lots. Therry will be wanting to continue last week's final quarter into the clash with Kew and should account for the lack-lustre home side. After not leaving Sunbury for a couple of weeks, the Woodsman will travel to W. T. Peterson Oval and be met by onslaught of Red. Fitzroy by 46 points. Bulleen Temp put their feet up before finals. berneckich@netspace.net.au

CLUB XVIII SECTION

by Norm Nugent

The Semi Finals produced the usual upset victories including nail biting finishes and probably the highest Club XV111 Final score in the history of the competition. My success rate was a meagre 50%.

Review

Section 1

First Semi Final

De La Salle failed to capitalise on many opportunities during the first quarter against Old Scotch, who made the most of their fewer scoring shots. The second quarter saw De La Salle regain accuracy but they were unable to wrest the lead from Old Scotch, who were 11 points ahead at half time. The last half provided a fairly even contest as De La were unable to ever take the lead. Whenever threatened, Old Scotch were equal to the task and they maintained their comfortable 17 point lead to the final siren. Coach Andrew Millar (5 goals) led from the front. He was ably assisted by: Logan, Goodfellow and Fraser. De la Salle were well served by: Andrew Coffey (5 goals), Laska, Clinch and Hesse.

Second Semi Final

Prahran outplayed Old Xaverians for three quarters by doing all the things I believed they could not achieve. Old Xaverians opened brightly and with an early lead seemed certain to have a good day. Prahran hit back well and with superior pace and position play, the "Two Blues" gained the upper hand. A 60 metre goal by star forward Brett Cartlidge was a first quarter highlight. Prahran led by 6 points at quarter time. The second quarter belonged to Prahran. The Xaverians, who were out run and who did not play "man on man", managed a solitary behind while Prahran added four unanswered goals. As if their 29 point lead at half time was not enough, Prahran stepped up the pressure in the third quarter, when inspired by two running goals by star on ball player, Jason Storer, they built a seemingly unassailable three quarter time lead of 56 points. As we have seen in previous finals, Prahran found scoring difficult in the last quarter, as they could only add one behind while Old Xaverians regained respect and momentum with five unanswered goals to fail by 22 points. For Prahran, Jason Storer was outstanding around the ground, while Brett Cartlidge performed admirably at both ends of the ground. For Old Xaverians, Michael Jones, Nick Rathgaber and Dan. Rush tried hard.

Section 2

After the intense battle for fourth place, the two games in this Section were really tense affairs with each result in doubt until the final siren.

First Semi Final

Collegians, after their epic endeavours to stay in the four, proved good enough to defeat Fitzroy Reds by a solitary point. The Reds, who had enjoyed more home and away success, did not surrender easily and were in attack as the final siren sounded to end their season.

Second Semi Final

After two very one sided games during the season, Monash Blues and Mt Lilydale produced a very exciting game, where the result remained in doubt until the final siren signalled victory to Mt Lilydale by 6 points. It was the twelfth successive victory for the easternmost team who now have only one game to go to be premiers after their unsettled season in 2005.

Section 3

First Semi Final

Old Trinity turned this match into a goal “fest” as they ran right away from Caulfield Grammarians to record victory by 157 points. The Trinity score of 35 goals must rank as the highest ever recorded in a Semi Final of the Competition. Christiano with 10 goals was rated the best Trinity player. He was followed by Romeo Ullangara (6 goals), Jay Arrowsmith (6 goals) and Christopherson. The veteran Sam Stevenson was best for Caulfield. Also Shaun Cossant – Walsh, John Margerison and Nick Craven did well.

Second Semi Final

In a first for the V.A.F.A., this game was played under lights at Sportscover Arena. For the first time in three meetings, Old Essendon started well against Fitzroy Reds and jumped to an early lead, which they never surrendered. The Reds never stopped trying but their efforts were often turned aside by the strong Old Essendon defenders. The Reds’ best quarter was the third, when they outscored Old Essendon to only trail by 20 points at the last change. In the final quarter, Old Essendon steadied and held on to win by 33 points. Their best included: Brett Turner, Craig Morgan (6 goals), Blair Cariss and defender, Paul Barry. For the Reds; D. Bahr, Madden, Schofield and Kelly were best.

Preview

Section 1

Old Scotch go into this game confident they can again defeat Old Xaverians as they did in Round 7 when the “Cardinals” triumphed by 9 points. That day, coach Andrew Millar starred for Scotch with 7 goals. Do the Xaverians have a defender to quieten him? Dashing midfielder Tom Collie was to the fore again last week. Should he line up on Michael Jones, the outcome will prove vital to the result.

Scotch have been impressive this season, while many feel the “Crocodiles” are not the power of season’s past. Results tend to support this argument.

Last week I relied on my sighting of Scotch (at their worst in the rain) rather than on the advice of many who stated how impressive Old Scotch have been. I have seen the “Crocodiles” thrice and certainly last week’s early form can only be thought an aberration. I know that Old Scotch teams have gone a decade without success against Old Xaverians...until 2006. I believe the younger Old Scotch players will triumph again today

Section 2

In Round 7, Collegians ran Monash Blues to 8 points. Can they do so again today? History could be on their side as Monash do not have an enviable finals record. However they do now have a very even side, most of who can be relied upon to lift the side. Half forward Sheldon did well last week and he proved dangerous to collegians defenders with 3 Round 7 goals. Last week’s stars Ross Fullerton and Nick Costello were to the fore against Collegians in Round 7. Conversely Monash players were troubled by Day (3 goals) Perkov and Hains in Round 7.

Collegians should give a good account of themselves but I select Monash Blues, who have led the competition throughout.

Section 3

Old Trinity come into this game against Fitzroy Reds, on the crest of a wave following their record setting last week. They are also secure in the fact they have twice defeated Fitzroy reds this season...by 90 points in Round 6 and by 39 points two weeks ago. Interestingly Romeo Ullangara starred in each of these games. He did so last week too!! Di Pasquale and Christopherson, two of the Semi Final heroes have also done well against the Reds, whose best players have been widespread. Also the Reds go into Sunday’s match with successive losses to their two remaining opponents.

On form, I must select Old Trinity who should again win well.
