

On the Record

by Cameron Noakes

The other day I was watching a VAFMA reserves game and the ruckman palmed the ball to the chest of his rover who slotted a nice pass to the key forward who kicked the goal. It was quick, simple, clean football and it was in D3 Reserve. I was watching an AFL game on the weekend and the same thing happened, quick and clean and a goal resulted.

The commentators said, as they often do, "it's a simple game, football."

Well it can be and clean clearances are great but they're rare, even if your ruckman is dominating.

But let's say football is a simple game and it is the time of year that goal kickers around the state are banging through their 100th - including several former VAFMA stars in various leagues - I started wondering why, once again, there are surprisingly few centurion goals scorers in the amateurs and none in A Section.

In A Section in particular, it has been more than 20 years since a forward broke the ton.

As the season concludes, only Christopher Sharp from Bentleigh in D3 has cracked the ton in senior football, and with just one game to go (two in A and B), only Paul Edwards from Powerhouse in D4 is a chance of reaching the milestone.

After bagging 15 goals a fortnight ago, Edwards managed four last week and sits on 95 for the year. The fact of the matter is, he's had a terrific season and it doesn't really matter if he brings up three figures or not but there is something magical about the ton so let's hope his teammates can find him this weekend.

Daniel Lauletta from Hawthorn AFC also deserves a mention from that section, sitting on 88. But back to Sharp, he cracked the ton a fortnight ago and has 108 for the year with an average of six a game, helping his team climb to second on the ladder.

In D2, Peninsula Old Boys' Shaun Payze leads the goal kicking with 73 so far and in D1 no player has more than 60 with Old Carey's Al Parton the best on 57 goals.

In C Section, former Hawthorn and Geelong ruckman David Loats tops the list with 78 goals for Old Camberwell, in B Section Caulfield Grammarians' Brett Sinclair leads with 55, and in A Old Trinity's goal sneak Andy Cultrera has been in scintillating form with 58.

Old Xaverians' Matthew Handley should also be applauded

with 50 for the season but with another 20 for Xavs' reserve team.

But once again there is a surprisingly low return from the forwards in A Section, so I asked A Section scribe Jonathan Horn his thoughts on the matter.

Horn and I have seen some standout forwards in the VAFMA over the years but even their return has been serviceable without being stunning.

Horn explained one of the reasons our goal kickers rarely broke tons was quite simply they did not play enough games.

He said the VAFMA often lost its stars to VFL during the season and due to the nature of the competition it was quite common for players to miss through injury or other commitments.

But there were other intangibles as well, he said, such as the size of the grounds we used, compared to smaller grounds used in many country and metropolitan leagues that produced high scores.

And the other factor was many of the great forwards in the amateurs in recent times had simply been poached, he said.

Finally, and maybe Horn's chief reason was that there was an abundance of very high quality defenders in the competition which just made it tough to score against each week.

Whatever the reason, well done to all the section's leading goal scorers for great seasons and providing us, the spectator, with plenty to talk about.

And Then There Were Five

Peter Nicholson must have been dumbfounded at quarter-time. Xavs were awesome, could have been about eight or nine goals up and Haileybury looked decidedly second rate. Click of the fingers and the Bloods started to man up, started to chase and moved the ball with purpose. Twelve goals to two later, the Bloods had virtually secured the double chance and the Xavs were staring at the possibility of a road trip to De La and a game against their bogey side Trinity in order to sneak into the four. Haileybury players to impress me included Paddy O'Donnell, who played well on Handley, Tom Chisholm, whose fierce tackling constantly thwarted the Xavs' run and David McKenzie, who never seemed to have an opponent. I just can't tip Xavs to save themselves; if it wasn't for them I'd be challenging Ed Sill and the Under 19 punks, rather than cellar dwelling with the Fraser Camerons of this world!

As Ivanhoe scribe Donald Dowell pointed out, the Hoers/De La clash was more World War 2 than World War 1, with lots of quick movement, twists and turns and individuals stamping themselves on the outcome. Ivanhoe threw everything at De La, bringing back Hope, Toovey, Keane, Low, McKeon and Buttler, most of whom were injured in the frightfully rugged Scotch game last month. And at various stages, with most of De La's midfield stars shut down, it looked as though the mass inclusions would pay off. But De La fought admirably and when Benny Mannix sealed the game with minutes to go, De La had finally shaken the Chelmsworth Park hoodoo and the 'Hoes were left to rue what might have been if not for injuries. David Spithill dominated the ruck, Ben Corin did a solid job on James Hope, Jeff Morel played a cracking 150th and Mick Hegan cracked the 1000 VAFA related text messages/emails combo in one week. Lord knows who's paying that man's phone bills.

Have to wrap up the others quickly. Scotch saw off a Trinity side, which kicked themselves out of contention with 20 behinds. Yet another Dick (George) did well for the Cardinals in his first senior game. Uni always seem to find trouble against Marcellin, but did the business anyway, coming up trumps by just over three goals. Question marks over an ankle injury to Quinton Gleeson however. And Bernards routed OMs at the Junction, with Josh Madden again proving why he might be another Woodrow smoky. Lighting Strikes, Maybe Once, Maybe Twice, Maybe Twelve Times...

First, here's five reasons why De La can knock off Old Xavs today....

1. De La are in awesome form. They haven't lost a game since being nudged out by Scotch and confidence is sky high.
2. It's dry. Being a team of runners, De La often get bogged

down on muddy grounds but the spate of good weather is right up their ally.

3. Damien Rayson. The explosive Rayson is one player Xavs rate very highly (Sam Johnston ran with him last time and they really knocked him around). He's someone who seems to run hot, cold, hot, cold and after a quiet game last week, is due to turn one on. Another five would do nicely.

4. Ben Mannix is hitting his straps. Last week, he turned in a belter, kicked the winning goal and has regained his touch after his recent lay off. Ben was born for games like this.

5. The Xavs will almost certainly lose CHF Bowen and possibly CHB Graham (Come on, I write this on a Monday!) and may have to plug holes as a result.

And five reasons they can't

1. The last time De La beat Xavs ('96) Mark Morrison's Return of The Mack was top of the charts ("You lied to me, but I do, but I do, do, do,"), Redheads Nightclub was the place to be on a Friday night and smooth man David Oldfield was a touted as a future PM. Eleven straight wins for Xavs over De La since.

2. Xavs always play well against young, pacy sides. They do their homework, shut 'em down, rough 'em up and verbally intimidate them.

3. It's hard to conjure with the thought of Xavs throwing away the double chance and indeed a finals spot. This is a mini final for them and you know what they say about Xavs and finals... That's good enough for me...Xavs by two goals but I hope De La get up.

Well after reading that, you could be forgiven for thinking that all the other games are duds! Not so, as we face the fourth top of the table clash in as many weeks. Haileybury and Scotch shared the APS Premiership this year (along with Geelong College) and today their senior sides go hammer and tong for the double chance. Hard to believe that a team with such a rotten percentage is right in the mix, but in many ways that's a testament to Scotch's fighting ability in the close ones. But they'll be no close one here, not at the Badlands as the Bloods edge closer to yet another minor Premiership.

Ivanhoe have returned to full strength a smidgen too late. They were gallant, though a little underdone against De La, whilst the Blues were less than emphatic winners out at Marcellin. In a result to throw the competition into all sorts of confusion, I'm tipping the Hoers in a bollover at Melbourne Uni. The Trinity/OMs & Marcellin/St Bernards match ups are the ultimate Pensky File games – Trinity by a lot and Bernards by a whisker.

M I MILESTONES E S

Old Ivanhoe congratulate **Sam Pearce** and Iza Dawkins on **50** games this week. Sammy plays on ball in the twos and is in his 3rd year at the club. Sammy is a tough on baller who likes to sneak forward and kick a long goal.

Iza Dawkins - who has cemented his firsts position this year after years of injury trouble, is a versatile running on baller who can go back and forward when required and can be dangerous near the goals.

De la Salle congratulates **Jeff Morel** on **150** games. Joffa who started in 1998 with the Reserves and who played his 1st Senior game in Rnd 13 of that season, brought up his 150th game for DLS with a fine display against Old Ivanhoe Grammarians last Saturday. With all but 18 games played with the Seniors (57 / 75 "A" / "B" Grade), Jeff has been a regular contributor in many fine games. Noted for his pace, skill and composure, Jeff won the Seniors Ralph McHenry Most Consistent Award in 2003. Well done Jeff. All at De La look forward to your next 50 games.

Old Brighton sew up the double chance as OEG blow it, while mathematically at least, the Fields keep the pressure on the Blacks, while the relegation battle remains slightly ajar.

REVIEW

Old Brighton without a doubt put in their best performance for the year in terms of running and disposal. It was a sensational team effort for 4 quarters, not giving their opponents the slightest chance. And I didn't think the Sharks were too bad. The usual suspects Pirrie, Perret, Phelan the Edge's Buckley and Gadsden etc etc all good for the Tonners while Beauy could certainly be pleased with Luke McNicholas yet again, along with Luke Atkins.

Old Essendon out of sorts?? Or the Fields back to their early season form? This is the burning question coming out of Saturday's result. A 9 goal second term set Caulfield up and made the difference. OEG won the second half after a bake from Handles but alas, the damage had been done and with it went their double chance while the Fields remain alive. Best for the Beige Bombers were Captain Leask (possibly a third Moore Medal heading OEG way), Scottie McPherson and Bustling Billy Wilson.

Collegians had a good fast running game against the young and exciting St Kevins outfit that ran hard and moved the footy well. But the Lions played quite well and are regaining momentum at the right time as they head into the unknown of September. Cam Unsworth led by example in and under packs all day, Nick Roach on Paul Greenham, and the veteran Brock Mooney on Chardy both did terrific jobs for their side. SKOB???? Still out of town Foges????

MHSOB have certainly improved in the past few weeks and fully deserved their victory. They led all day and gradually wore Mazenod down who would be ruing a scratchy first half and can now but hope for a miracle to survive. Drew Fairchild made an inspirational sight at the ground for his team mates and was a source of inspiration for the likes of Ray Ternes, Ewan Thompson Cal McGrath and Russell Clowes. Best for Mazenod by the width of Elsternwick Park was Steve Stanley. Other good players were Captain Ben Chamberlain, and U19 Kieran Seenan.

Whitefriars took the game right up to the Blacks in the first half, they were big and strong and attacked the pill with gusto. But as usual, it was the Premiership quarter that mattered and it was the Uni Boys steadiness when it mattered that made the difference. Youngsters Sean Miller and Tom Napier impressed the Coach, Luke O'Connell maintained his excellent form, whilst Anthony Evans and James Green were also good contributors.

PREVIEW

Old Essendon welcome Mazenod out to PEGS. Will be looking for both the return of a few players and some form in this must win home game. Would be well advised not to take Mazenod lightly as a side playing for its future is a dangerous beast. But at Essendon one just cannot go past the Bombers.

The improved MHSOB welcome Beaumaris to the Uni Oval. The High have been impressive of late while the Sharks having stayed in the grade, have gone off the boil

a bit and will be looking for today to restore some respectability into their game. It will be a close one with nothing given so will go on a hunch and tip the Unicorns, just.

Friar Park hosts the last bastion for staying in the Section. A win for SKOB ensures it a win for the Friars opens it all up again. Whitefriars have certainly been giving a good account of themselves in the past few weeks while SKOB have not been lax either with a couple of good scalps under their belts. Hate to have to put the neck on the line and tip a winner here but I think that St Kevins will just be able to get the job done.

University Blacks venture down to South Road in an important clash. Both sides are in fantastic form at the right time of the season. The Tonners enjoyed the expanses of Shark Park and are certainly looking for the space that Sportscoper throws at them and hence may struggle a bit at home today a ground that may suit the stronger Blacks. But was impressed with the way OB went about things last week which sways me to stick with them today

Well it will all be happening at the Trott between 2 and 4.30 as the Caulfield Grammarians do everything in their power to ensure a possible shot at finals next week. I think that Collegians will spoil their party as with the return of another couple will see them close to full strength and honing their skills and game for the important weeks ahead. It will leave the Fields bemused by a horrid 6 week patch mid season.

2006 COACH OF THE YEAR AWARDS

The VAFA, in conjunction with the Australian Football Coaches Association (AFCA), conduct Coach of the Year Awards in the Senior and Under 19 categories at the end of each season. The winners of these prestigious awards are invited to the AFCA Annual Dinner and are nominated for the Coach of the Year Awards, in their respective categories, which are presented on that night. This year's awards night is to be held at the MCG in early November, usually on the first Friday of that month.

Clubs participating at Senior and Under 19 level will be asked by the AFCA/VAFA to nominate their coach, or coaches for these highly regarded awards. Each year toward the end of the season, Jeremy Bourke, the VAFA's Operations Manager will forward to each club a nomination form. In it, your Club, will be asked to provide a nomination commenting on key areas relating to your Club Coach's coaching style, knowledge of the game, interpersonal relationship skills, past achievements etc. There are a number of quality coaches coaching in the Amateur Football ranks at present who should be nominated. Whilst the results of Grand Finals will not be known until mid to late September, club's are encouraged to start the process now to ensure that the nomination is well planned, researched and presented in such a manner so as to give the Club's Coach every possible chance of winning the award. There is no doubt that winning a Premiership is the ultimate measure of a coach's effectiveness, however not all good coaches will coach a team to a flag. If they have worked hard for the team and the club, been innovative, motivational, reliable, and prepared, they DESERVE to be nominated.

The nomination forms come to the club in an email format and can be submitted electronically, or in writing. To give each club an indication as to the information required, here are some of the key areas to be covered:-

- 1. Coaching knowledge and aptitude for the role;**
Relates to both at training and on game day - discussion focuses on the coach's knowledge of the game and their ability to use that knowledge in coaching, techniques, dealing with a variety of skill levels.
- 2. Types of learning and communication skills used;**
(Discussion focuses on the coach's ability to communicate with players, officials and support staff and how they get their message across. Are they prepared to stay in touch with the latest coaching techniques?)

- 3. Approach to skill development;**
Does your coach have the ability to effectively teach the players the skills and fundamentals of the game?
- 4. Demonstrated team style development;**
Does your coach have a basic style of play that they want their team to play most of the time? Do they train in a manner that is relevant to that style of play? Are there team rules and guidelines put in place?
- 5. Tactical knowledge/ management style;**
Does your coach possess the ability to develop strategies to cope with opposition strengths and weaknesses and game significance? Are they capable of adjusting their management style dependant upon situations and groups?
- 6. Respect for players and officials;**
How do they conduct themselves when dealing with people in a group scenario invariably in a "pressure cooker" scenario on game day?
- 7. Organisational skills;**
Does your coach engage in pre-planning? Do they believe in goal setting and following them through to their conclusion?
- 8. Preparation/ Planning;**
Does your coach plan well for training, game day? Does he use and analyse statistics? Do they encourage their players to set personal goals for each season?
- 9. Coaching achievements;**
Detail past achievements

The winning coaches receive a plaque from the AFCA/ VAFA, presented early into the following season at a nominated VAFA function. Previous VAFA nominated winners of the AFCA Coach of the Year Award, having previously coached, or are currently coaching in Amateur ranks at Senior level are Mike MacArthur-Allen, in 1989, Tim O'Shaughnessy (Ajax) in 2000, Graham Burgen (Fitzroy Reds) in 2003. Paul O'Shannassy (Old Camberwell) won the Under 19 award in 2000 as well. The selection committee looks forward to a many quality submissions from Club's thereby ensuring that these awards will be a hard fought contest. May the best Coach win!

Is a Membership Draw the Answer?

Whilst AFL clubs talk of their need to increase their financial membership base to over 30,000 people, the membership lot of the VAFA club is generally very poor.

In 2007 MHSOBFBC will be trying to entice new financial members, especially through their past player lists, by offering a jackpot draw of a lucky member each home game at 5.30pm. The initial cash amount might start at \$100, but the person has to be in attendance to win the draw. It will jackpot through a new draw each week by \$50 until a winner is present. Only financial members of the club will be eligible for the draw.

The MHSOBFBC always struggles with member-

ship. Many come to watch the games but only a few are prepared to "dig into their pockets to join up". Ultimately, more pressure will be placed on sponsorship and other fundraising efforts to meet the ever increasing financial obligations.

If any other VAFA clubs facing similar issues with their membership I would be grateful of contact. Maybe we don't need to reinvent the wheel for each club each season.

To the clubs in the forthcoming finals series in all sections this club wishes you well. May your endeavours through the year be amply rewarded.

Welcome to the final pit-stop on this Amazing Race that is C section for 2006. We've laughed, cried, puffed out our chests, been knocked back into place, and made to eat humble pie. Yet there's life in the old duck yet, and this weekend looms with 4 sides still having something to play for. Luckily, only one game (Tigers -v- Ormond) has no bearing over the battles to make the finals and to avoid relegation. So...in the interest of looking forward, let's rip through last week and focus on the forthcoming nailbiters. Grab your abacus, slide rule or carrier pigeon, 'coz nothing will be certain until 4.45pm tonight.

Review

Old Camberwell have been playing 'mini-finals' for the best part of August, and the NOBSPC challenge was another opportunity which couldn't go to waste. The visitors had everything to play for but let in a couple of goals before the first change to trail by 15 points Ben McGowan joined the usual suspects in delivering for NOBSPC, but they had few answers for the OC midfield and forwards after half time. Ryan Whitehead celebrated his 200th game with a great performance for the Wellers, with Austenbury giving good support up forward and Chris Munro returning to the ruck division in style.

In Clayton, the Tigers had the game in their safe-keeping before the main break, despite a promising beginning by the Students. Luke Beveridge triggered their revival after a sluggish start, finishing with 3 goals. Missing some key players, the Tigers sent Steve Zakic forward and had Tyquin, Michael Wintle and Aaron Savers prominent in the midfield. The Scafidis boys relished the dry conditions and were able to control their opponents. Monash remain marooned in C Grade for 2007, which is not such a bad effort considering the competition's evenness. It was great to see Kerry Mudge and Tom Craven bobbing up and showing plenty of hope for the future.

AJAX slipped behind the 8-ball for the second week in a row, this time at Parade where the home side were literally playing for C Grade existence. The Raiders were ahead at the main break, and still 7 points up at the final change, primarily due to the brilliant work of Brett McAllister and Daniel Spitty. However, the class of AJAX had to emerge at some point, and the final term seemed as timely as ever. With Yaron Rappaport again unstoppable, the fitness of the Jackas runners finally saw them overhaul and surpass a gallant Paradians outfit.

Elsewhere, the Monders exorcised their demons with a victory over their prior nemesis Fitzroy Reds. Brad Cromack chose a good time to join the likes of Ryan Martin, Wayne Cove and (my tip for the Zachariah Medal) Simon Keleher in delivering when it counted. The visitors weren't disgraced by any measure, and should be proud that they've managed to consolidate their spot, and can build on this next year.

The Vultures darted up to Boss Reserve which shall this week be re-named the Shane Rowley Field after their key forward bagged a bakers' dozen and singlehandedly outscored the entire opposition. He had to get service from somewhere, and

Bryn Richards and a couple of Sullivans were the perfect providers. The Rovers are now in a cut-throat situation, hoping to win this week and praying the Students do the right thing by giving NOBSPC a real fight.

Relegation Rumble

If we rewind back to round 1, this column predicted a return to B section for the boys from Brunswick West. Sadly, that hasn't materialised, but they can salvage their season with a good win against Monash at the Gillon Oval. I've copped a pasting from some NOBSPC followers, and perhaps it's time to right some wrongs. Monash have Spider's farewell game as an incentive, but pretty much nothing else. With the Freak gone for the year, I have a sneaking suspicion they may already be thinking of Mad Monday. So, I've well and truly got my money on the Purple People today, and they should save their bacon by 23 points.

A NOBSPC win will make things tough for Rovers. Fortunately, they also face an opponent with little to play for as the Reds are in exactly the same position as Monash - can't go up, can't go down. It's an ordinary position to be in frankly, as motivation may be difficult to manufacture. That said, the Reds are a proud club and perhaps the loss to Ormond last week will provide a spur. If the Rovers look like causing an upset at WT Peterson, don't be surprised if a couple of Rovers' officials shoot up Albion Street to see how Monash are travelling!!! Reds by 3 goals for mine.

NB - if both sides win or lose, then the points differential is roughly 7 to 8 goals, depending on how you calculate it.

Who Gives a Rats?

The brains trust at St Bedes Mentone Tigers and Ormond could be forgiven for agreeing to call this game off and save the possibility of injury. Forget any psychological advantage,

both have dates booked for next week, which must take precedence. The only vested interest in this game lies in my tip, and it'll be a clean sheet for the Tigers as they salute by 5 goals.

Finals Frenzy

The Parkdale boys simply must win, unless they draw (highly unlikely) and the Wellers lose heavily. So the Vultures must go all out to knock off Parade. Given it's down at Gerry Green, I can't see the visitors causing an upset, so Parkdale take care of their backyard and then sit tight for the results to come through from Sportscover. Parkdale by 6 goals.

The Vultures may well sent a few slabs to AJAX if they can take care of The OC. In the past couple of weeks, AJAX have slept through the first half and decided to play footy once the game was slipping away. A third week in a row wouldn't be out of the question, but I feel Tim O'Shaughnessy would prefer a solid victory as a tune-up for next week. Old Camberwell will have plenty of say in the matter, but the Jackas should get over the line by 2 goals.

REVIEW

Old Geelong held a four goal lead at three quarter time, only to be blown away by Rupertswood in the final term in a key match for both sides at Sunbury.

Yarra Valley OB continued their good run, defeating Old Mentonians by 23 points at The Playing Fields. The duel between James Keem (Valley) and Anthony Palmer (OM) was a highlight, while Chris Beal was also inspirational for the Bushrangers.

At the BSG, Prahran kept their season alive with a thrilling three point win over fellow strugglers St. Leo's Emmaus. The Animals actually fought back from a 22 point three quarter time deficit to take the lead before the Two Blues snatched it back and managed to hold it until the final siren.

After a slow start, Therry Penola confirmed Banyule's relegation to D2 after they defeated the Bears by 36 points at John Pascoe Fawkner Reserve. Ricky Skiathitis was particularly influential for the Lions with his drive out of the middle.

In the Bulleen derby at Dunshea Oval, it was Bulleen Templestowe who started quickly with Tsouragianis and Illingworth looking dangerous, before Old Carey's "Killer B's" (Battle, Barton, Basell) took control of the game, ensuring the Panthers ran out convincing 42 point winners.

PREVIEW

Prahran host Old Mentonians at Toorak Park. The Panthers have shown reasonable form over the last few weeks, unfortunately too late to influence their finals ambitions. On the other hand, the Two Blues have had a revival in fortunes in the second half of the season, and are still a chance to avoid the drop. The duel between Daniel James (Prahran) and Michael Basile (Old Mentonians) could very well be the barometer of the outcome of today's match. Considering neither team are a show for the finals, I still expect this game to be an entertaining spectacle. I'm going to go out on a limb there and pick the Two Blues to win, reviving memories of a well-known Steve McQueen movie.

Therry Penola make the crosstown trek to Domeney Reserve for their match against Yarra Valley OB. The Lions have had a good run lately, dragging themselves from the relegation whirlpool and playing a role in shaping the final four. The Bushrangers are part of a four way logjam to fill three finals spots, and depending on results here and elsewhere, could finish anywhere between second and fifth. Justin Crotty and Phil Valoppi should provide plenty of grunt and drive for their respective sides, while a goalfest looms when you have a couple of superboots like Corey Bannister and James Keem. It promises to be a cracking contest with plenty of class on both sides, but at the end of the day, I can only pick one winner. Yarra Valley for mine.

Old Geelong welcome Emmaus St. Leos OC to Como Park in a key match for both sides. This is another match with big stakes for both teams, with the Oggers still battling for a top four spot, while the Animals are still looking to ensure D1 football at the BSG in 2007. Ballard and Legoe competing in

the ruck should be a great contest. Nathan Baranello won't have it easy in the Animals' backline, but will certainly provide stiff competition for whomever he lines up on. At home, I'll take the Oggers.

Another derby match (of sorts) for Old Carey, who travel to R.J. Brockwell Reserve to take on Banyule. Both teams will have nothing but pride to play for, with the Panthers confirmed as minor premiers, while the Bears' fate was also sealed last week. Given these circumstances, it will be interesting to see what mood dictates the selection table, particularly at Old Carey. Will they rest some players, or will they look to get their best team on the park and look to increase their momentum going into the finals? Regardless of what policy takes hold, I think that the Panthers will be too strong today. Old Carey to win.

Bulleen Templestowe entertain Rupertswood at Ted Ajani Reserve. Both teams are part of that four way battle for three spots in the four. Both teams have also experienced indifferent form in the last few weeks. The likes of Pietryk, Chivers and Matthews for the home side will need to be at the peak of their powers to counteract the influence of Rupo's West, Brennan and Collins. Like pretty much all the contests today, entertainment promises to abound. I'll pick the Bullants to win, thus entrenching their spot in the finals, and exiling Rupo from the four in the process.

M I MILESTONES S

Old Carey wish to congratulate **Cam Campbell** on reaching the **200** game milestone this week. "CC" joined the club in 1992, starting a stellar journey that has seen him finish in the top five of the Best and Fairest an incredible 10 times, with one Best and Fairest and three runner-up finishes. CC is also a premiership player, co-captain and most prestigiously, Team of the Century member. Rounding out his achievements, he was also a long-time committee member, and current (if not all-time) leader in footy trips attended. Well done CC from all at Old Carey.

Old Geelong president **Mark Avery** played his **150th** game for the club last week against Rupertswood. Mark commenced his Oggers career in the U19s while still at school and is currently in his 10th season. Although known mainly as an on-baller, he has also had success as a leading forward. "Aves" has always been known for his consistency, which has seen him gain regular promotion to the seniors. Mark took on the presidency in 2006 and has been a tremendous success at this position. Well done Aves from everyone at the Oggers.

Old Mentonians' Anthony Palmer runs out for the **150th** time this week against Prahran. Starting in the U19s, "Chicken" quickly graduated to the seniors and has remained a constant presence. An outstanding player possessed with great skill, his versatility is also a hallmark, having played with success as both a midfielder and half-forward. A previous winner of the club champion award, he has maintained that form this season, playing mainly at centre half back. Chicken has shown himself to be a great clubman, serving with distinction on and off the field, and we look forward to many more games from him. Congratulations from everyone at Old Mentonians.

U19 COACH OF THE MONTH - JULY

Owen Lalor – St Bede's / Mentone Tigers

Owen began U19 Coach at St Bede's/Mentone in 2005 and currently has the side firing on top of the ladder in U19 (3). Owen played senior football for St Bede's/Mentone for 8 years playing around 80 games (he told me he missed more games than he played!). Owen played in their Reserve Grade premiership in 1998. Owen commenced his coaching career at Old Melburnians in 2002, coaching their U19 side to a Grand Final in 2003. Owen has a Level 2 AFL coaching accreditation and has always been keen to improve his coaching skills by attending workshops and conferences. We wish him well for the upcoming finals and one thing is for sure, the St Bede's/Mentone U19 side will be well prepared.

CLUB WAREHOUSE RISING STAR NOMINATION ROUND 17 TOM CHISOLM (OLD HAILEYBURY)

Old Haileybury wingman/forward Tom Chisolm is the nominee for the **Club Warehouse Rising Star Nomination** for Round 17 after his best on ground performance against Old Xaverians last Saturday.

Tom joined the OHAFc in 2005 after playing an integral role in the Haileybury College APS Premiership in 2004. His potential was immediately recognisable and his Senior appearances in 2005 gave every indication of his talent.

His outstanding 2006 form has been rewarded with representation in both the U/19 and U/23 VAFA rep sides. Multi-talented, "Chis" missed 3 weeks in the second half of the season when he travelled to Spain to compete in the world sailing championships.

Playing mainly on the forward line, Tom's best attributes are his pace, goalkicking ability and aggressive defensive skills. His trademark mop of hair and enthusiasm for the game brings immediate comparisons with Collingwood's Dale Thomas. Tom is expected to play a key role in shaping the Blood's September fortunes.

D2 SECTION

by Jono Healy

We now know that Peninsula will be taking on Oakleigh in the second semi final next week, and that Salesian will be facing Aquinas in the first semi final. However the relegation battle is far from decided. Williamstown have assured themselves that they will be in D2 next season but two clubs out of St John's, La Trobe Uni and Ivanhoe Assumption will be relegated.

Aquinas OC \$2.20 v Peninsula OB \$1.60

Aquinas were untroubled in a 48 point victory over La Trobe, ensuring their spot in the final four. Full Back Greg Evans kept La Trobe's Adam Coulter goalless in a dominant display and must be rated as the in form full back in the league. Michael Glassbarrow was excellent at half forward with six goals, and Hans Tyssen showed terrific dash off half back. Peninsula showed why they are the premiership favourites with a 26 point victory over Oakleigh in Mt Eliza. Shaun Payze showed his class with seven majors, and Alex Wood and Reed Powney found plenty of the ball. The Pirates had to come from behind against Oakleigh though, so the Krushers will fancy their chances next Saturday on a neutral venue. Today's match up of Evans on Payze will be worth the price of admission alone, and I see that duel going a long way in deciding the winner of this game. I have a hunch that this will be a close match but I can't go past Peninsula. Pirates to win by 3 points.

Ivanhoe Assumption AFC \$1.80 v La Trobe Uni \$1.90

Simple mathematics here. The loser of this game will certainly be in D3 next season, whilst the winner may be a chance of staying up depending on the result between St John's and Werribee. The Hoe's need to win, and win pretty well if they are to stay up, and if Coach John Garrard can be amongst the goals, then they are a good chance of this. Garrard was superb in his club's 40 point loss to Williamstown with five goals, along with Matt Wilson at Centre Half Back and Karim Moussa on the ball. Garrard was continually double teamed by his Williamstown opponents and often held in the contest so it was full credit to him that he managed five goals. La Trobe's season has been poor but a win here and a loss by St John's and it will all be forgiven. The students went down to Aquinas by 48 points with only really Stephen Pruscino able to leave the field with their head held high. Today's match will be a true dog fight and it's a flip of the coin job to decide who will come out on top. Hoe's to win by 1 point, but both clubs to be relegated.

Salesian AFC \$1.40 v Williamstown CYMS \$2.70

Salesian would rather forget their journey to Werribee in Round 17 going down by 41 points after being behind all day. Mick Hazell managed four majors and Harmit Singh tried valiantly but Werribee at home were too good. Williamstown had a 40 point victory over Ivanhoe Assumption to keep themselves away from the dreaded drop to D3. It was a seven goal to one first quarter that did the damage and Craig Taylor

again showed why he is one of the favourites for the competition B&F award with a fine match. Taylor along with McGuiness, Gallivan and Jory proved the difference and they showed that they can win without their skipper Tim Wheeler. Salesian will prove too strong today though I feel. Salesian by 42 points.

St John's OC \$1.85 v Werribee AFC \$1.85

St John's will most probably need a win here to stay in D2 next season. They tried hard but were no match for Glen Eira going down by 45 points last week. Liam Mara found plenty of the ball, and Dean Rydqvist continued his good end to the season but St John's were not quite good enough. Werribee displayed their Jekyll and Hyde appearance with a 41 point victory over third placed Salesian. Unfortunately for the boys from the Western Suburbs, their best has been good enough for anyone in the competition, but their worst has been terrible. Ben Stornebrink was outstanding for Werribee with eight goals, and Martin Walsh and Andrew Taylor found plenty of the ball. I doubt that Werribee will be looking forward to the trip to Doveton today. I reckon they will want to be heading back over the Westgate as soon as possible. That's why I am selecting the Joc's to win and to stay up in D2 for 2007. Joc's by 18 points.

Oakleigh AFC \$1.33 v Glen Eira AFC \$3.10

Oakleigh were more than competitive against Peninsula and will be looking forward to matching up against them in one weeks time. The match could have gone either way really, and if Bromley, Rutter, Holden and Kitts can fire in the finals then the Krushers are a strong chance for the premiership. Glen Eira have had a great season, make no mistake about that. They started the year slowly but have really come home in a rush, as shown in last Saturday's 45 point victory over St John's. Scott Diamond had his best game for seven years for the Saints, and he along with the usual suspects of Tsirogiannis, Dyason and Massis worked hard and got Glen Eira the four points. Certainly a lot to look forward to for 2007 at Packer Park. Neither club has a lot to play for in today's match but I am sure both clubs will still want to register the W. Oakleigh at Scammell Reserve are always hard to toss and I think they will win by 23 points. McKenzie could be due for a bag of goals too.

A big thanks to the regular contributors throughout the year in helping me write this column. For the clubs participating in the finals, please continue to email me at jonathan.healy@hotmail.com by 5:00 pm on Monday's with match reports, milestones, etc.

<h2 style="margin: 0;">M I MILESTONES S</h2>
<p>Ben Hynes, known around the league as a die hard full back who enjoys a tough one-on-one contest with big full forwards and then a warm handshake after the game has clocked up 150 games in the blue and gold. Around the club Ben is respected for his on and off field leadership and known to all for his colourful training attire and a life long dedication to rock and roll and football. From the all conquering Hynes Empire of Williamstown CYMS, Ben is staking his claim as the 'Good Hynes' thanks to his fantastic 150 games and generous nature. Ben encapsulates the spirit of the CYMS and we thank Ben and his family for their ongoing commitment.</p> <p>James McCutcheon, 2004 club best and fairest winner has achieved a 100 game milestone in the face of a range of setbacks, including serious injury. James is a player renowned for his silky skills and ability to extricate a ball for a tight contest. James' 2004 best and fairest capped off a return to football in that year that promoted the utility to the upper echelon of Williamstown CYMS players over the last decade. Congratulations and thank you James.</p>

• Big Night for OH Legend

A surprise testimonial dinner for Old Haileybury 300 gamer Matthew Armstrong was held on Saturday Night at Milano's in Brighton. With around 200 people attending, Matthew had no idea the event was taking place until he walked through the door (to the sounds of his favourite song "achy breaky heart"!!). Guest speakers on the night included previous coaches Simon Meahan, Neville Taylor, Mick Dwyer and Peter Nicholson, who is now classed as a previous coach due to Matthew's retirement announcement during the night. Wayne Hinton, Anthony Damon and Leah Gallagher from the VAFUA gave the crowd an insight into Matthew from an umpire's point of view, and after their speech the crowd had an understanding of why he received so many votes throughout his career. There was also a video presentation with messages from Chris Grant, Stephen Quartermain, the Channel Ten News Team and numerous former team mates who were unable to attend. Matthew was also inducted into the Vafa 300 club becoming the 14th player in Vafa history to receive the honour. His 282

senior matches, 18 U19 and 6 Representative Matches qualified him for membership with a total of 306 games. The room was decorated with Amateur Footballer covers (pictured left) featuring pictures of Matthew during his career and guests even had the pleasure of eating off Matthew Armstrong placemats. A wonderful night was had by all and well done to Andrew Bonwick and Roger Gerny on their organising efforts. Congratulations to Matthew from all at the Vafa on a fantastic career and good luck for your future endeavours.

• "Mark of the Week" a Ripper

Last week's Mark of the Week on the online "For the Love of the Game" edition by Callum Potter from St Bernard's is the "club-house" leader for Mark of the Year. We are asking all clubs to send in their Marks and Goals they think are candidates for the Mark and Goal of the Year whether they be from last week or from the beginning of the year. Marks, Goals and anything else of interest will be shown on the show and will go into the running to win fantastic prizes (\$500 for each category) at the end of the season. As you know, there is not long to go, so get your videos into Jeremy Bourke at Vafa headquarters as soon as you can. If possible, please send them in a Windows Media file.

• The Chosen Few

In 2006, 10,015 players registered to play in the Vafa. As of 5pm, 24th September 2006, 496 of those 10,015 players will be in possession of a Vafa premiership medallion. That's just under 5% of all those registered who will achieve the ultimate success this season.

• Club XVIII Grand Finals this Weekend

Prahran Clubbies have a huge incentive in this weekend's Club XVIII (1) Grand Final against Old Xaverians. Its incentive is to shake the tag "always the Bridesmaid, never the Bride". Prahran has been close over the last 4 years, finishing 3rd in 2002, 2004 and 2005 and 2nd in 2003. They did win a Club XVIII (2) premiership in 1999, but as for Club XVIII (1) it has been a case of "missed it by that much". It should be a cracker of a game between the Two Blues and the Crocs (Old Xavs), who's Club XVIII record is legendary, contesting all of the last 13 deciders and winning 11 of them. This match commences at 2pm

on Sunday 27th August at Sportscover Arena. Section 2 should go right down to the wire when Mt Lilydale meets Monash Blues. Mt Lilydale kicked a goal with 30 seconds remaining to win by that margin when these teams met in the Semi-Final. The Grand Final is to get underway at 11.20am on Sunday 27th August at Sportscover Arena.

Section 3 will see the first ever night Grand Final in the Vafa when Old Essendon do battle with Fitzroy Reds on Friday Night at Sportscover Arena. The match will get underway at 7pm and these evenly matched sides should provide a great spectacle under lights at headquarters.

• Strategic Planning Day

Last Sunday at Sportscover Arena about thirty people from various sections of the Vafa community assembled to begin writing the Strategic Plan for 2007 -2010. Members of the Executive along with Life Members, AFCA/Vafa, VAFUA and club administrators were led through some challenging sessions by Bruno Conti. Attendees were able to complete the Vafa's aims and objectives and this will be worked upon throughout the off season ready for distribution at the commencement of the 2007 season.

• Old Paradian's Celebrate Three Flags in 1986

Old Paradian's returned to A section in 1987 on the back of premierships in the Seniors, Reserves and Under 19's. Last Saturday at Garvey Oval, the players returned to swap stories of their recollections of events. Senior coach Gerard Sholly, current coach of Old Ivanhoe, was unable to be present at the lunch sent his message via an interview with "Shags Rag" editor Tony "The Beast" De Bolfo. Gerard stated that it was the most enjoyable time of his life and whilst he had gone onto work at Collingwood FC, it is the time at Old Paradian's that has his fondest memories. Only one player from the seniors was unable to attend which shows that the spirit is still alive amongst the club members of '86.

• Big Weekend of Matches

With this round of matches being the last of the Home and Away season for all sections other than A and B, there are some big games across all sections. Some of the highlights include the battle for 4th spot in C section between Old Camberwell, Parkdale and

the battle for finals places in D1 between Bulleen-Templestowe, Old Geelong, Yarra Valley OB and Rupertswood. One of these teams will miss out after this weekend which will be a hard pill to swallow as they all have had fantastic seasons. In D2, the final four has been decided but in D3, either Old Westbourne or West Brunswick will miss in a closely contested section. D4 provides some of the most interesting matches with three teams vying for one spot. Box Hill North, Bulleen Cobras and Albert Park are all trying to win 4th spot with all three teams playing sides sitting in the top three. Whichever side can cause the upset will be rewarded with finals action. I'm sure plenty of spies around the grounds will have their mobiles running hot around 4pm on Saturday. Good luck to all teams and may the best team win.

• Finding Out Scores

Whilst we understand that a lot of games this weekend have major importance to clubs, please do not call Vafa offices to find out scores from other games. Staff at the Vafa will be busy taking scores and compiling them for the media and website and phone calls to the office clog up the system. Scores will be available on the Vafa Info Line (9644 2828) from 5.30pm on Saturday night. This is a recorded service so it doesn't tie up staff trying to obtain and collate information. Scores can also be obtained from the Vafa website by 6pm and will be broadcast on SEN 1116 at 5.45pm.

• Last Weeks for Blood Bank Challenge

With season rapidly coming to its conclusion, it's the last chance to register with the Blood Bank to be included in this year's challenge. We currently need another 10 new donors to reach our target of 100 new donors for 2006. So make sure you make the effort to get down to the Blood bank before the end of the season, register your Vafa club and help win fantastic prizes for your club (and save a life).

• Teams of the Year

Clubs are invited to write to their respective section scribes and nominate players for the Teams of the Year. All submissions will be considered, and each section's scribe will put together their teams for printing in the Amateur Footballer Grand Final editions.

... Retrospective

by Geoff Reilley

5 YEARS AGO - 2001

St Bernards leapt from fourth to second with a huge win over **Old Xaverians** in **A Section**. The Bernies 'came to play' early and but for inaccurate kicking in the first quarter (4.7 to 2.1) could have been very hard to catch. It made no difference however for by half time they had increased their lead to more than 7 goals and cruised through the second half with a commanding lead at the final siren, 17.19 to 9.6. **Jordon (4), Mastropasqua, Loughlin, McLaughlin, Broadbent and Thomas** were outstanding for the winners. **Coughlan (4), Andrew Dillon, Landrigan, Donati, Hawkins and Brushfield** were Xavs' best. Xavs were now precariously placed in fourth position and would be playing fifth placed **MHSOB** for finals' spot in the final round.

It was a heart stopper at McKinnon in **B Section** when the unbackable flag favourites, **Old Ivanhoe**, came from behind at three quarter time to defeat **Old Haileybury** by a solitary point. The loss for Haileybury meant they would be fighting to hold their fourth spot the following week in the final round. The three T's, **Tieman, Tully and Toovey** were great for Old Ivanhoe. **Haros, Young and Corcoran** were also very good for the 'Hoes. **Fletcher, B Mitchell, Sam Langford-Jones, Harrop, Carson and White** 'got the nod' for Haileybury.

The final four was settled in **C Section** but **Collegians** (third) were very disappointing in their final game before the finals when they were thrashed by **Caulfield Grammarians** who seemed determined to finish on a high note as a farewell to their longest serving Captain, **Nigel Brohier**, who was to retire following a great career including some fine representative performances. After half time the Grammarians ran away from Collegians with the final score, 17.16 to 9.9, causing some concern for Collegians with a semi-final coming up the following week. Best players – **Will, Baxter, Glen Harrison, O'Neill, Widjaja, Synman** (Caulfield) and **Harris, Hosking, Pollack, Cotton, Harrison, Shinkfield** (Collegians)

Simon Fisher played his 200th game for **Mazenod** and was a great leader on and off the field. **Zani Useinov** also played his 200th game for **Old Melburnians**.

10 YEARS AGO - 1996

The redoubtable **D Section** scribe, **Ken Bremner**, had suggested the previous week that the script for this

round was direct from Hollywood, and he was right. **St Leo's** replaced **Old Camberwell** in the top four and booked a semi-final berth against **Beumaris** who slipped from second to third. **Old Camberwell** did not handle it very well out at **Parkside** as the home team made the most of the wind in the first quarter (4.3 to 0.0) and then kicked three into the wind to hold a three goal lead at half time. The experience of Parkside was evident in the second half as the game ebbed and flowed but they went on to record a terrific victory, 12.5 to 7.8. **McNamara, Drinnan, Tessari, Pino, Sherlock and Campbell** were excellent for the winners. Best for Old Camberwell; **McKenzie, Walker, Gladman, Scott, O'Mara, Spurrirt.**

The **E East Section** final four was 'done and dusted' and it was a matter of only 1 round to go the following week with a good final series anticipated. **Aquinas** gave further proof of their favoritism with a strong performance over **Eltham OC**. **Aquinas** cut loose in the first term with the wind to register 8 goals to 2 and maintained the pressure throughout the game. Best players – **Doherty, Jones, Whitehead, Quinn (4), Hacking, Colliver** (Aquinas) and **Hampshire, Clarke, Stanley, Lettick, Gray, Keane** (Eltham).

In **E Central**, top team **Williamstown CYMS** were still with only one loss for the season but certainly did not want the forfeit they received from **Thornbury Cougars**. **Uni Blacks** swamped **Newlands Coburg**, 25.18 to 4.6 and enjoyed the opportunity to 'try a few creative things' with a semi-final coming up in two weeks. Their 9.4 in the first term was great footy and the final score of 25.18 to 4.6 was comfortable indeed. Best players – **Hallam, Livingstone, Caccaviello (6), Cunningham (4), Darrach** (Uni Blacks) and **Warren, Fennessy, Grillinis, Baker, Martinez and Hayes** (Newlands Coburg).

Damien Batey was writing the **E South Section** column and promised a very exciting and well matched final series after an uneventful round. Second placed **Powerhouse** met a revitalized **Monash Gryphon** outfit and the Gryphs were right in it at half time. **Powerhouse** 'stepped on the pedal' in the second half and cruised home 24.17 to 16.7 but the Gryphons were far from

disgraced. **Phelan (6), Wright, Friend, Hall, Missaglia and Birch** were the **Powerhouse's** best. **Wells, Roach, Grady, Toghil, Healy, Kitchin** were prominent for the Gryphons.

20 YEARS AGO - 1986

In **C Section**, **Hampton Rovers** made absolutely certain of avoiding relegation as they demolished **MHSOB**, 26.29 to 8.14. As **Melbourne High** were never in danger of dropping down a grade perhaps this was a perfect example of the power of the threat of relegation because the Rovers would definitely had gone to **D Section** had they not won this match! Best players – **Nugent, McConville, Austin (5), K Kennedy (5), G Kelly (5), Andrews** (Hampton Rovers) and **Short, Muller, Kotz, Legovich, Bahen, Maidment** (MHSOB).

In **D Section**, the battle of the **Brunswick's** occurred in the final round. The **North** boys started better and finished better with a final score of 18.16 to the **West's** 13.11. **West Brunswick** would be relegated to **E Section** for the ensuing season.

The leading goal kickers in the senior and Junior Sections were – **A Section Ian Roberts** (Collegians) 82, **B Section John Mitchell** (Old Melburnians) 48, **C Section David O'Shaughnessy** (Old trinity) 85, **D Section Daryl Paterson** (Heatherton) 57, **E Section David Jenkins** (State Bank) 74, **F Section Terrence Wilson** (St Andrews) 88, **G Section Richard Hearn** (Old Carey) 58, **Junior 1 Glenn Johnson** (Ormond) 90, **Section 2 Nick Schmidt** (Collegians) 101, **Section 3 Paul Mann** (St Kilda CBC) 67.

30 YEARS AGO - 1976

Although the final four was settled in **D Section**, two of the contenders, second placed **Old Xaverians** and third placed **Assumption OC**, played out a terrific game with only 1 point differential at the final bell. Nothing in it at quarter time, Xavs had 4.3 on the board to Assumptions' 4 straight. Xavs increased the break slightly at half time 8.8 to 7.6 and looked to have the game at three quarter time holding a 3 goal lead. A further goal to Xavs looked to put it beyond doubt but **Assumption** dug deep and gradually whittled away the lead. Within the dying moments of the game the boys from the **Kilmore College** hit the lead and hung on, 13.14 to 13.13. Best players – **McKee, Barlow, Serafini, A O'Donnell (6), M O'Donnell** (Assumption) and **Adjemis, Noonan, Smarrelli, Fitzpatrick, P Naughton and M Rush**

(Old Xaverians). **Warming** kicked 7 goals for the Xavs and was stiff not to get a mention in the best!

E Section was a classic VFA situation and the make up of that sections top four changed with the final home and way results. Firstly, **ANZ's** huge win over **AMP Society**, 29.21 to 11.10, allowed them to take **Heatherton's** fourth place, despite **Heatherton's** win over **Monash Whites**, 11.19 to 8.12! In addition, **St Kevins** 12.17 defeated **Old Mentonians** 6.9 and as a result, **St Kevins** swapped places with **Mentonians** who would now face the in form **ANZ** in the first semi-final. If there had been mobile phones in those times they sure would have been running hot! **Trevor Dancer's** 16 goals for **ANZ** against **AMP** also took him to the top of the 'sharpshooters' in his section over the consistent **Shannon** of **St Pats Monivae**.

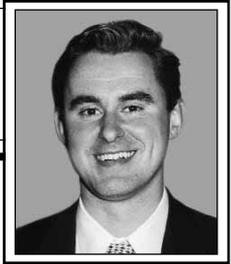

40 YEARS AGO - 1966

In **C Section**, **Power House** hung on to defeat **St Bernards** by 2 points in a thrilling game where the lead changed a number of times. By winning, the 'House' also hung on to fourth place ahead of **Old Brighton**. Best players – **Gordon, Hutchinson, Cole (3), Hammett, Hutchins, Evans** (Power House) and **Tobin, B Mahoney, P Collins, Reidy, M Perrett, Coughlan** (St Bernards).

State Savings Bank had a terrible day against the might of **Old Carey** but just managed to stay clear of relegation. **Old Carey** performed strongly from the opening bounce and finished 18.17 to the bank's meager 1.9. **Carey** named **Duerdoth, Ustick, Steele, J Elliott, Jones and Thomas** as their best. Despite the miserable score, **State Bank** put up the names of **McMahon, Burns, Phillips, Smith, Lewis and McTavish**.

50 YEARS AGO - 1956

In the final round in **C Section**, **South Melbourne City** were clearly the team to beat as they disposed of **Hampton Rovers** to remain on top by 3 games. The Rovers were in it at quarter time but fell away after that. The final score of 17.10 to 10.11 was a telling differential. Best players for the winners were **N White, Robbins, B White, Tanner, Deer and Powell** with others unlucky to miss being acknowledged. **South** also congratulated their two outstanding match officials, **John Batchelor** (Boundary Umpire) and **George Hodge** (Goal Umpire) for their commitment and professionalism throughout the season. **South** also had the two leading goal kickers in the section, **McKillop** (55) and **Reeves** (45).

The bean counters were excited at finally being the centre of attention this weekend with percentage being of utmost importance for finals prospects, but West Brunswick rained on their parade with their win against South Melbourne, making it a simple equation.

If Westbourne beats Bentleigh, they will make the finals (and likely to meet the Demons again the following week) and if they lose, barring some miracle at the "Postage Stamp" it will be West Brunswick in the four. The battle for the double chance also hinges on the Warrior/Demon match. Should Bentleigh win, they will play South in the 2nd Semi, otherwise, it should be the Wickers to take their place.

Review

West Brunswick kept their season alive with a win at home to South Melbourne. It was all there to play for at three quarter time, however, it was the Magpies with more on the line who answered the challenge. With Ken Hilton cutting down the dangerous Magee, Peachy reborn in the guts and Shannon "Knoll" again playing well, the home side ran away with a deserved 5 goal win. Old Westbourne had a thumping win at home against St.Marys in a lack lustre match. With little to play for, the Saints battled hard but were no match for the likes of "Fish" Whiting and "Funky" Miller who starred in the big win. UHS-VU put in a better effort against Bentleigh who were buoyed by the return of club legend and superstar David Martin. Although Josh Hall and Chris Witty played well for the students, Bentleigh were a class above in a clinical win. In the knowledge that a win would set up second spot, the Wickers easily accounted for a disappointing Kew. It was not easy going early, however, the class of Craig and Brian Mahony kept the Wickers in front and eventually saw them steamroll the Browns who missed a chance to climb a few rungs on the ladder. In the final match, the Razorbacks accounted for the undermanned Monash Gryphons to put strong claims on the sixth spot as Prior and Walsh stood out for the club.

Preview

As mentioned, the Bentleigh/Westbourne match is a virtual Qualifying final as a win for the Demons will get them the double chance, while a win for the Warriors will keep their finals dream alive. The last time these sides met, Bentleigh easily accounted for the Warriors, and at home the task for the visitors is even more ominous. Injuries to both sides almost negate each other and therefore there will be no excuses come the final siren. For Westbourne to win today, they will need to have the likes of Balloch, Christo and Pavez at their very best, while it will be the ever-dangerous Sharp and Banks who will be looking to snuff the Warriors out early. Picking a winner is pretty tough, however, you really cannot go past Bentleigh at home, especially with a double chance on the line. The clash

of traditional rivals at East Caulfield should see a good crowd in attendance as the Wickers make the play for a double chance. For Monash

however, there is plenty of pride on the line given they will have a large contingent on hand with the past players cheering the lads on. However, for my selection I cannot go past Elsternwick who continue to impress as they attempt to go back-to-back with the likes of Nathan Hodskiss fitting in brilliantly. All they need is for Westbourne to give them a chop out by knocking off the Demons to give the Wickers the double-chance. Meanwhile, West Brunswick should win at St.Marys even though the Saints are statistically a 100% better side at home. The Magpies will be looking to snuff out the Saints early so they can get on their mobiles to the spies at the Demons/Warriors match. My prediction is the Magpies easily. In the other two matches that have no bearing on the final four, Kew will easily account for UHS-VU while South Melbourne will return to the winners list with a win at home to Swinburne, though the Razorbacks will be keeping the margin to a minimum to retain a well deserved sixth spot on the final ladder.

Team of the Year

It's that time of year with team of the year nominations needed from all clubs. I copped a fair bit of stick about the half-year team, so if you want to have your say, be you supporter, official or otherwise, email me with your selections (and their positions) to gavanflower@hotmail.com. The team will be published in the GF edition.

M I M I L E S T O N E S

UHS-VU - During the season, 5 players have reached the **50** game mark. Congratulations **Josh Hall, Chris Thomas, Emilio Ricciuti, Michael Turvey** and **Glenn Ternes**. The committee/supporters and fellow players look forward to the next 50 in the coming seasons.

St. Marys congratulate **Jason "JB" Bernardi** on **150** games. A proven goalkicker with pace to burn, he has proved a nightmare match up for opposition coaches. The dangerous one has won club goalkicking awards in seniors and reserves, captained the Reserves and been a great contributor around the place for many years. A new dad this week, the boys are keen for an almighty send of this fantastic clubman.

St Marys also congratulates **Jason "Felix Stunt Double" Hill** on **100** games after reconstructive knee surgery which threatened to end a blossoming career. A noted aerialist in the forward line for many seasons and B&F winner, club sponsor, has now reinvented himself in defence thwarting opposition forward entries. Well done Jason.

Bentleigh congratulates to **Shaun Adaway** on **100** games, Kingie returned this season after a year off with a knee injury, his ruckwork has become invaluable this year and when drifting up forward his safe hands and accurate kicking assist in giving the team options, well done and good luck.

Old Westbourne congratulates **Troy Whiting** on **50** club games. A product of our recent Under 19's 'Fish' has relied on strength marking and considerable long-kicking to have slotted 124 career goals to date. Fish will be relied upon well into the future as a key forward at the Warriors.

All at **Kew** congratulate Reserves full back **Claude Giansante** on playing his **200th** game today against UHS/VU. Crowy has been Reserves Captain, including the 1998 Premiership team, won several most determined and third B&F trophies, served on the committee and been a darn good bloke. Crowy, you have worn the brown and gold with honour and the club, your team-mates and supporters salute you on today's achievement. Good luck today Crowy, and in the future, from all at Kew.

FINALS ELIGIBILITY

Finals eligibility rules are found under Rules 51-55 of the Association.
Below is a brief summary.

Senior - (1st XVIII teams) Any registered player with a permit can play finals (except AFL/VFL players with a permit – see below).

Reserve - (2nd XVIII teams) Players must be registered and must have played at least four (4) reserve grade matches and not more than ten (10) senior matches in the home and away games (first round).

Where both first and second XVIII's are playing on the same day the reserve grade player must only have played two (2) games in either the seniors or reserves to qualify.

For clubs with teams drawn in semi finals on different days of the same weekend (ie. 1st semi Saturday, 2nd semi Sunday – read as above teams playing on the same day).

Under-19 teams - Players must be registered and hold a permit. If a player has played an aggregate of more than 5 senior and reserve matches he must have played more than 5 Under-19 matches during the season.

If a player is ineligible due to having played more than 5 senior and reserve matches and does not gain selection in his club's senior team in the first second round match, he is then eligible to play in any subsequent Under 19 final.

Where a team has (2) U19 teams or is involved in hybrid arrangement, the following shall apply.

Where a club has two U19 teams a player must have not played more than 10 matches with the U19 1 side to play in the (2) team.

To represent the hybrid team in the finals the player must have represented the hybrid team in (5) first round matches – not including finals.

Club XVIII teams - Players must be registered and have played

in at least four (4) Club XVIII matches (for the team they wish to represent) and not have played in more than a total of eight (8) senior and reserve matches during the first round.

Where a club has two or more Club XVIII teams a player must have not played more than 8 matches with (either of) the higher placed side(s) to play in the lower team's finals - if teams are in different sections.

Where both Club XVIII teams are in the same section the following to apply:

(i) A player cannot alternate between teams after June 30. Once he plays with a team after June 30 he can only represent that team for the rest of the season. (ii) the player is only allowed to play finals for the team they represent after June 30, (iii) to be eligible for finals with either side, a player must have played a minimum of 4 matches with the side they wish to represent and (iv) the player must have played more games for the side they wish to represent than the other club side in the same section. All Club XVIII teams will be limited to 22 during finals.

An **AFL or VFL listed player** will be eligible to play in the finals for his VAFA club as long as he has played a minimum of five (5) VAFA matches for the team he wishes to represent in the finals. At least two (2) of these matches must have been played after June 30th. If the player wishes to play finals in the U19, these 5 matches can be played in the Seniors or U19 with Reserve Grade matches not counting. This applies for TAC Cup players as well.

A **TAC Under 18 player** must have played five (5) VAFA matches for the VAFA team he wishes to represent in the finals. For TAC players there is no requirement to play a certain number of matches after June 30th.

Thank you from BJ

Bernie Jephson would like to thank all at **Marcellin OCFC** in helping him celebrate his **300th** VAFA game as a goal umpire last weekend. A fantastic basket of goodies (complete with a couple of little white flags) accompanied by some pretty kind words, was presented to Bernie at the after-match. A good number of umpires were there to keep the night jovial, as well as Haley (Tim Sutcliffe's better half) who was introduced to the umpiring fraternity. Not forgetting Jane (soon to be Mrs Chillli) who even assisted with the preparation of the social rooms for the after-match. The hospitality shown to not only Bernie, but the large contingent of umpires who ventured out to Bulleen was outstanding. Hopefully The Eagles won't spend too long in B section. From Bernie's "team" on the day – Sutty, Macca, Chris, Ryan and course BJ's little partner Chillli, we'd like to thank him for allowing us to share such a special day with him.

The Top Picks List

Well, well. Didn't we have some feedback and interest in relation our list of Top Picks for finals appointments that was published in this column last week? Umpires spent most of the weekend trying to guess which was which. We didn't realise how "touchy" some people can get. Didn't think it would be that easy to create a little bit of controversy. It's up to you – the reader, to decide who you feel those nicknames belong to. We may attach some names to the titles later in the year, just in case you need some clues, but hey – what would we know?

Congratulations to a VAFA Legend

Former Old Haileybury captain **Matthew "Whoppy" Armstrong** has recently announced his retirement after **302** games. Whoppy was honoured by his club in a surprise tribute dinner last Saturday night which was attended by people from all sections of amateur football (including a few umpires). A fantastic night was had by all, especially the man himself who certainly deserved all the accolades that came his way. Time to rest that battered body.

Textual feelings

Our Director of Umpiring Operations **Benny Goodman** has recently advised us that due to the high quality of umpiring in the senior list this year it is going to be a very difficult task for him and the other selectors to do the finals appointments, let alone the grand finals. Well, after **Dirk Kramer's** recent win in a VAFA website poll as the best

umpire, maybe we should turn to new technology. (Word is that Dirk's employer is actually transferring him to Sydney after seeing that his monthly internet usage had increased significantly).

In the spirit of all those "wonderfully entertaining" reality TV shows we should invite coaches, players, supporters and of course the umpires themselves the opportunity to SMS their choices through to the VAFA. Maybe they can choose to "Appoint" or "Drop". Would certainly make life a bit easier for the selection panel. Might even result in **Kenny McNiece** umpiring the A Section grand final!!

Do or Die

This week is the last round for C-section down and we wish all clubs the best in the fight to make the four or avoid dreaded relegation. And once again there's sure to be a jamming of the mobile phone networks at about 4:15 on Saturday afternoon. Good luck to all of you, and roll on September (or pre-season).

Are you good enough?

At the Snake Pit goal umpire **Shane Herbert** was told in no uncertain terms where his skills as a goal umpire lie. A St. Bernards water boy remarked that "you're good but you are not **Kevin Segota**". Good one Benny.

Reminder for Monday Night

Don't forget our big **Pre-finals Dinner** at the Victorian Club in the Rialto building. Plenty of awards are to be handed out and we're sure it will be a great night as usual. The awards to be presented on the night are Life Membership, 10 Year Service, Bob Dunstan Award, Andy Carrick Award, Best First Year Umpire, Most Improved Field, Boundary and Goal Umpires, and Golden Whistle. Our guest speaker this year will be Melbourne Storm CEO **Brian Waldron** (former De La Salle boy- thanks, Hages.) 6:30 pre-dinner drinks for a 7:00 start. Drinks at bar prices.

Website

For those newer umpires who want to keep in touch with all happenings within the umpiring world, check our website at www.vafaua.asn.au which is very well-maintained by our resident webmaster **Tim Sutcliffe**. Also if there is anything newsworthy out there you'd like to share, contact **Leah Gallagher** on sue_leah@dodo.com.au or **Steve McCarthy** on Steve.McCarthy@infotech.monash.edu.au

RESPECT THE UMPIRE – RESPECT THE GAME!!

D4 SECTION

by Ed Sill

All aboard for Super Saturday as results of three games will have a defining impact on both the double chance and the final spot in the four!

First up thanks to the regular contributors in Graham Leys, Bryan Bennet and Craig Richardson (that's another \$5 Richo) who made the job in compiling the report each week easier. No brickbats for the other clubs as I am well aware of the time constraints faced by the various club volunteers!

Review

Almost a huge upset as Albert Park build up a big lead at the main break before being mown down by Power House. Titanic struggle in the last quarter before the House prevailed by just four points! Brown at Centre Half Back was great for the Falcons whilst Bennett continued his fine form in the midfield. Hill and Boland best for the House.

The other big result was Box Hill North's big win over Syndal. The game had a look of an upset about it yet BHN not only secured the four points but also added significantly to their percentage with a great win. Have the felling that this might be the most important result come 5pm this Saturday.

Bulleen had a win over North Brunswick but not by as much as they probably had hoped. B+F co-favourite in Cookson again starred whilst Badanjek slotted 8 goals. The Moose Boudoloh was in fine form for North with 9 goals! A win at NB is always hard fought however Bulleen will have come away feeling they have danced with their sister, not quite getting what they were looking for!

The top sides got the job done as Eltham and Hawthorn accounted for Richmond and Eley Park respectively. The usual suspects in Turner, McLaren and Blagrove starred in front of goals with 8 each whilst Dillon continues his fine form at Centre Half Forward for the Turtles. Richmond had better players in Hibbins and Liuzzi. The Hawks Twin Towers of Tyson (10) and Lauletta (7) did the damage as Hawthorn accounted for Eley Park. The Sharks best included Voila and Creswell.

Preview

Where to start this week?

Same principle holds this week for the top two in Eltham and Hawthorn. A win secures the double chance. Power House have to both win and rely on one of them losing.

Not completely out of the question as they all play sides vying for fourth spot and all play away from home!

Permutations not quite as clear for fourth spot however. Assuming we work on the principle that all three will start as underdogs, percentage will become the key. BHN are now incumbent in the four and Bulleen will need to have a 70ish point swing in terms of points to displace them. Albert Park face a huge task, now being four points behind and also around 70 points behind on percentage.

So what do we make of all that? Just concentrate on winning, no slacking off in the last quarter but the rest is out of everybody's control!

Box Hill North welcome Power House with a win going a long way to ensuring both sides meet again next week. Great win by BHN last week whilst the House are mixing form a little bit as they prepare for finals action. The House will be used to the smaller confines that Elgar Park presents and fancy them to get over the line!

Bulleen welcome Eltham in another game where home ground advantage is minimised. The Turtles love the wider expanses to enable their running machine to get going and Bulleen's ground will suit them to a tee. Turtles for mine.

Albert Park host Hawthorn, needing a miracle to get through. The Hawks good form continues and hard to see why they should fall over now. Hawks by a couple. Only pride on the line as Richmond play Syndal Tally Ho. Richmond has made some solid strides this year and another improving year in 2007 will see them move up the ranks. A disappointing year for the Sinners as they would have hoped to bounce back from the relegation year of 2005. Still, Syndal should be too good here.

Finally, Eley Park and North Brunswick clash to round out the 2006 season. The Sharks have remained competitive all year and should reflect on a job well done in doing so. North probably underachieved given their list however injuries provided a cruel blow all year. Tough but maybe Eley Park.

Bulleen Cobras congratulate Andrew 'Pluggger' Foscett 100 games. Plug has scared years off lives when he charges for the ball. He is always giving his best, mainly from full forward; but with the occasional VERY brief run in the ruck. He has been heavily involved at committee level since he arrived at the club. He is one of those few who truly embrace the club and realise there is a lot more to it than kicking a footy on a Saturday afternoon. Good luck for the next 100!!

What a day it was for footy. Sun was bright and the business end of the season closer by the second. One round to go and it all becomes clearer, the finals now set in stone, at least down to third.

Review

In one of the biggest wins you are likely to see, De La smashed Old Scotch by a margin just larger than 30 goals. Yikes! Smashing everything all day, Adam Korivak booted eleven majors, while Lach Bull was a sensation around the ground all day.

University Blues ensured third spot, beating a hapless Collegians by six goals. I would have expected a bigger margin. Edward Hamer was best, while the reliable Zane Coventry was also dependable on the day. Coach Steve Carroll will be expecting big things over the next month. Prove me wrong lads, but I can't see you in the last week.

Ladder leaders and premiership likely minor premiers Old Xavs, gave fellow finals contenders St Bernard's a ten goal lesson. Not the confidence St Bernard's needed, but hey, whatever.

In other games, the disappointing Marcellin defeated St Kevin's, while Rupo conquered fellow first year team BV and kept their finals hopes alive

Preview

Match of the rounds for mine will see Rupo take on Old Xavs. Rupo need to win and have St Bernard's lose to make the finals. C'mon Rupo, give it your best shot. Unfortunately that won't be enough. Go and see the best in action.

St Bernards have another tough one against De La. They will get walloped and be left with little confidence come next week against the Blues.

In other games that seem academic, Uni will take over St Kevin's, Old Scotch will get over the line against Collegians and Marcellin will finish on a high against BV.

Lock of the week Freo to beat their home-town rivals straight out. They are on fire. Looking forward to the finals. Happy punting!

Brighton's 164 point triumph will still leave them short of September stardom.

The Tonners kicked Trinity through the Section 3 door on Saturday, kicking 32-17, but the Camberwell win confirms Brighton fall short of the four. David Jennings bagged 12 goals, while James Sest was outstanding for the Tonners.

The Raiders scraped through by 4 goals against the Friars. Big man O'Meara and Simon Allemmand kicked four each for Whitefriars while Cox down back and Daniel Mikhail in the middle were the matchwinners for Parade.

The Wellers secured 4th and showed they can win away from home, knocking off the Students by 22. The Blacks had a 3 point lead at the final break, but the Wellers came home strong. Hugh Dickson was best while Poynton backed up last week's effort, kicking 3. The Panthers belted the Fielders by 97. 'Pecs' Hodges starred while Bull and Rossidis kicked 4 each. The OM's squared the ledger against the first team to beat them this year, Beay, by 46.

With the four decided, Caulfield and Beay fight for survival. The Sharks host the Tonners who will be brimming after their mammoth win last

week. This result will be closer, but the Tonners should take the points. The Fielders, half a game in front, but 1% behind, host the Friars. I'm picking the visitors who showed some mongrel against the Raiders last week, meaning the Sharks will join the T's in Section 3 next year. The Wellers will upset Carey at Barnard Reserve and the T's will go down to the Blacks at Bulleen. The Raiders and OM's revisit the carnage that occurred in Round 9. Many grudges will come to Naughtin Oval and revenge will be on the Raider's mind. Parade by 5 goals, because I couldn't pick Melburnians on current form. bernecich@netspace.net.au

Ormond have well and truly thrown their hat in the premiership ring, with a win against the highly fancied St. Bede's Mentone. A six goal to two second quarter saw Ormond hold a 31-point half time lead, but this was reduced to 12-points heading into the last quarter. While Sam L'Huillier tried hard for SBMT with 4 goals, Ormond held on for a nail-biting 7-point victory, knocking SBMT off the top of the ladder in the process. Aaron Holman was judged best afield for Ormond, while the

ever reliable Simon Te Hennepe was again in the thick of things. A nine goal haul from Rhys Bennett helped La Trobe defeat a disappointing Bentleigh, with Adam Jesser and Dominic Conheady providing much of La Trobe's drive. Oakleigh thrashed Ajax to sit on top once again while Old Ivanhoe and no trouble against Old Essendon. Remarkably, Emmaus St. Leo's had not won a game two weeks ago and now they have strung two together after beating MHSOB by 25 points. Patrick Mahon was instrumental with his three goals and best afield performance.

Preview

Another finals preview awaits at when top of the table Oakleigh take on the sleeping giant killer Ormond in a bruising affair before the finals action in September. The result in this game will shape the first week of the finals, however, while Ormond cannot move any higher despite their heroic efforts last week, Oakleigh can still relinquish top spot and therefore should do enough to win this cracking game. Late season flyer La Trobe will win easily over Old Essendon, while Bentleigh should finish the season on a high with a win over Ajax. Old Ivanhoe should take care of MHSOB, with Melbourne High Old Boys experiencing a disappointing season with many star players being required in the senior team. Andrew Lim has been one shining light in an otherwise dark year by their standards. Red-hot Emmaus will be doing everything in their power to get three wins in a row and haul themselves off the bottom of the ladder, but unfortunately they take on SBMT on the rebound and will suffer accordingly. Review

It was described as a 'Grand Final Preview' and potentially a 'classic' clash and boy did these two teams not let me down. Only a single point separated Old Haileyburians and Mazenod after four fast and furious quarters of football, however, it was Old Haileyburians who held on to keep their undefeated record intact. The lead swung between the two teams with Mazenod kicking six goals to two in the second quarter after a lacklustre start, while Old Haileyburians hit back to hold a 2-point lead at the last break. They held on in the end, but only just. Anthony Wright kicked 5 for the winners while Christopher Brown was awesome for Mazenod. A historic day for De La Golds as they wrapped up a finals berth for the first time in their history with a win over Powerhouse/ Sth Mornington. While they got away to a slow start and were lucky to be in front at quarter time, the second quarter saw Harkins go on to the ball and big Kovarik to full forward and the Gold Machine was away. Cust, Edwards, McKenna, Phillips, Monaghan and Semmel dominated the midfield and eight goals to two later De La had a match winning lead. Monash had a good win over Parkdale Vultures with Matt Sutherland booting 4 while Old Mentonians dealt with Hampton.

Preview

Old Haileyburians have gone through the home and away season undefeated and as luck would have it, now get to enjoy a week of R&R before their assault on the finals. Their other major contender in Mazenod will enjoy the surrounds of Citation Oval against Powerhouse/Sth Mornington as they look to get all star players through without injury. They should win this game easily. De La are cranking up their season at the right time and should deal with Monash without too much trouble while Hampton will be looking to end their disappointing season on a high with a win against Parkdale. The form of Nicholas Lyall and Kyle Pinto have been definite highlights for Hampton as they push for regular senior selection next year. Old Mentonians will remain in third spot despite this weekend's result, however, they will be pleased to see Tim Bail and Matthew Jenkins retain the good late season form when they take on Oakleigh Clayton away from home. Old Mentonians will win and will ready themselves for some intense finals action in the coming weeks. All reports to al_vafa@hotmail.com by 5pm Monday.

1 and 2 seem miles a head, shaping up for a killer semi final. The Reds ripped the Woodsmen apart, sporting 13 different goalkickers and scoring 33. 15 (21.7 second half). The 187 point annihilation was over at quarter time with the Reds up 45-0. Warner, Dawson-Smith and Halliwell kicked 4 each, while Kiel Donato (3) was unstoppable. The Aquinians were boosted with an influx of talent in their 76 point victory over the Westies. But the lads are keeping a lid on things. The Old Saints kept Xavs down all day, actually leading at the main and final breaks, only to watch the visitors come back to win by 4 goals. But this has to be disconcerting for the 3rd placed Xavarians, tested by the potential wooden spooners. The Xavs haven't looked a contender for weeks and need to get their act together or will struggle against the Bullants in 2 weeks. A real nothing game as Kew toppled a depleted Therry list by 35 points. The Therry seniors scored a few 19's and were consequently left exposed. More so, an inaccurate Kew had many chances to blow out the margin, kicking 16.27. Wyley, (3) Loothram (3) and Wang (1) were standouts for Kew.

The last week of footy for 5 teams, leaving 4 to get down to business. 1st vs 3rd at Magpie Heartland and I really can't see the Xavs getting close to the Reds. Hard to believe there is that much of a difference between the pace-setters and the 3rd spot. The refreshed Bullants travel to Westbourne to start that winning feeling a week early. But it won't come easy as these two rivals always lock horns. Bullants should take it. The Old Saints are playing to avoid the Wooden Kitchen Utensil. So for that I'm gonna pick them to upset the Lions. However the Woodsmen will not be so successful in avoiding the Spoon as the Aquinians get a cracky in before facing the Reds. It's all over for Kew, as the cricketing whites come out a week early. bernechic@netspace.net.au

Review

These results proved yet again that a week is a long time in football, when in at least two games; last week's form was completely overturned. These reversals limited me to one correct prediction.

Section 1

Only inaccurate kicking, with the wind by Old Xaverians prevented them from holding the lead at quarter time against Old Scotch. In the second quarter Old Xaverians reversed the trends of the day by building a substantial lead while kicking into the wind at the Glenhuntly Road end of the Arena. At half time the "Crocodiles" led by 15 points. The third quarter saw the Old Xaverians dominate, when aided by the wind they built an unassailable lead of 56 points. Old Scotch made no advancement in the final quarter as Old Xaverians went on to a 59 point victory.

Section 2

Monash Blues took advantage of the strong wind in the first quarter to achieve two aims: they held Collegians scoreless and they built a 31 point lead. Strong Monash defence limited Collegian's opportunities up forward in the second quarter. Inaccuracy restricted Monash to a 28 point lead at half time. The pattern continued into the third quarter when Collegians again failed to score and Monash with dominant "on ballers" feeding their forwards, held a "Heinz" lead of 57 points at the last change. Led by Greg Oakley, the Collegians forwards restored some respectability to the scoreboard by trebling the Monash last quarter score. However Monash clearly deserved their 46 point victory. Rover Paul Coghlin was the Monash star. He was ably assisted by Ben Moncrieff, Keith Perry, and Mat Riddle.

Section 3

When last week's record breakers Old Trinity led Fitzroy Reds at half time, it appeared they were well on their way to their third victory over "The Perspirationals" in as many encounters. Trinity opened the third quarter in the same vein, before the Reds started their rear guard action. Trinity led narrowly at the last change before being overrun by a resurgent Fitzroy Reds, whose persistence was rewarded with a 14 point win. No one personified the Red's persistence better than veteran Tony Jackson.

Section 1

Old Xaverians today contest their fifteenth successive Grand Final whilst the minor premiers, Prahran will play in their second Grand Final (Old Xaverians beat them by 68 points in 2003.). For three quarters of the Second Semi Final, Prahran gave Old Xaverians a football lesson, from which the "Crocodiles" showed they have learned quickly. Prahran ran hard; "lost" opponents and kicked long to the goal square. Can they do it again? The Xaverians will be better prepared today and will, I suspect, field a more balanced side. Man on man duels will be in order until the Xaverians win possession, then we should see their

on ball players carry the ball forward to Dan Rush and the returned Patrick Hall.

Although Prahran should be the better side in aerial duels, the ball will be on the ground more and I suspect over four quarters; the Old Xaverians will prove the fitter running side. Prahran fade outs in finals will have been noted by Matthew Hall and his assistants, who could encourage a lot of early running by the Xaverians to tire those Prahran veterans, whose four quarter efforts have been scarce on Sports Cover Arena.

As much as I admire the skills of Prahran players such as Brett Cartledge, Dave Butterworth and Jason Storer, any one of whom could prove the match winner, I do select Old Xaverians, as I believe they will run out the complete match better than will their Prahran opponents.

Section 2

To select the winner of the Mount Lilydale versus Monash Blues game is no easy task as their close Semi Final encounter was preceded by two one sided games , in which each side won one easily. Although Monash Blues only lost one home and away game against three Mt Lilydale losses, their Semi Final win entitles Mt Lilydale to flag favouritism as they strive for their fourteenth successive victory. The outcome of this game could well have been determined at Tuesday's tribunal hearing where Monash ruckman Hugh Batrouney answered a charge. His palming to players like Paul Coghlin has been a strength of the Monash game plan. Batrouney's absence would make the task of Lilydale small men Pat Carolan, a major goalsneak and Chris. Gibson so much easier.

The Monash defence must nullify the skills of Haydn Moyes and Michael Rhodes, who have constantly been among Mt Lilydale's star players.

Mt Lilydale may suffer big game nerves as their success this season has been prolonged and in contrast to their results in 2005, where they persevered against immense odds. Monash will be out to show their consistency deserves reward in the form of a premiership. I reckon this will be another close encounter and I suspect Monash will win narrowly. Maybe a tie would justify my "fence sitting"

Section 3

Can Old Essendon again hold Fitzroy Reds in the first quarter? They did in the Semi Final and won. They did not in Rounds 5 and 14 and lost. The Reds are a very even side, who persist and refuse to surrender as instanced last week. Veterans Nick Auden and Tony Jackson give the reds constant drive. Against Old Essendon, D.Bahr, Schofield, Clarke and Madden have done well in at least two games. For Old Essendon, the stars have been more numerous. Chris Morgan (6

goals) starred in the Semi Final. Sam Evans and Dean Podger each kicked multiple goals in Round 5 and as well they did well in the Semi. Add to their contributions those of wing man, Jeffrey Walker, Brett Turner, defender Angelo Greco and coach, John Rush in the ruck and Old Essendon's all round talent emerges. I suspect they will start better than during the season and will be able to withstand the Fitzroy Reds advances before clinching the Premiership by finishing better than a tiring Fitzroy Reds.

Team Managers.

This week, I received my usual report from Monash Blues stalwarts, Jan. and Leon Collier, whose report I failed to acknowledge last week. I am truly penitent and publicly tender my apology to Jan. and Leon. A pennant today may alleviate their anger! Please supply Grand Final details by 1.00 p.m. on Monday. nknugent@bigpond.com

M I MILESTONES N E S	
Old Essendon congratulate Derek Poulton on 200 games. A dashing backman, Premiership player and Life Member at the club. We hope Derek continues next year, if not on the field, his experience would be invaluable on the committee. Congratulations Derek.	
Congratulations to Dean Podger on 150 games. A strong mark and penetrating kick, he has that ability to turn a game with a freakish mark and goal. Well done Dean, good luck to you both in this weekend's Grand Final.
