by **Cameron Noakes**

Footy is a tough game. We all know it but sometimes we need to be reminded how bruising it can be and the news of 22-year-old Geelong footballer Tom Lonergan losing his kidney during the week certainly does that.

The sickening accident is on the back of a discussion about how physically demanding the game is for 17 and 18-year-olds who are involved in their first AFL or VFL season.

Basically, in their first year out from the TAC cup, under 18 boys are pitted against men and find themselves up against guys who have been in the AFL system for years, 100-plus gamers, professional athletes, who are big balls of muscle.

It is a dangerous combination and former Adelaide premiership captain Mark Bickley recently said the situation was alarming and needed to be changed.

There will always be some young talent that can step up to AFL pace immediately and star in their first season but these players are the exception.

Bickley pointed out that several of this year's brightest lights had not been able to complete the season because of injury.

The rest of the players are thrown into the VFL but again they find themselves against AFL reserve players, ex-AFL players and seasoned footballers.

It is still not an ideal situation.

There was a mental side to the equation as well, Bickley said, and AFL clubs were daunting places for youngsters no matter how talented they were.

The VAFA believes it can provide a sensible bridge for these young guns from the TAC Cup to walk across into AFL, following the footsteps of Melbourne star James McDonald and St. Kilda veteran Andrew Thompson.

This is the smart road.

Our competition provides a mix of different age groups, ex-AFL players and some of the best amateur footballers in the land.

And because it is such a big competition, young Victorian players will be able to find a local club which is convenient, an important consideration for the player if he is studying or doesn't drive.

VAFA CEO Michael Sholly said the amateurs intended to contact all the TAC Cup clubs in a plan that would

hopefully net some of the best young stars to the competition.

The aim is to provide a safe, alternate path for these young players to travel down, allowing them to age and develop rather than been cast to the wolves.

He said the VAFA also provided great experiences for young players and they could play U19 representative games, interstate games and even a youth tour of Ireland.

The idea is simply to let the youngsters mature physically and mentally and provide them with some life experiences before they are released to the AFL.

Sholly said the other exciting news for the VAFA was crowd attendances in recent weeks.

He said the numbers that had been reported to headquarters were incredible, not only due to the early conclusion of Club XVIII and school competition, but perhaps a potential disenchantment with the AFL brand. AFL has certainly had its problems in recent weeks, from its fixture, to broadcasting, injuries and the football itself, but as the amateurs head into the finals it is certainly all systems go.

It should be a fascinating few weeks ahead. Congratulations to the Club XVIII premiers and good luck to all the teams playing finals football this weekend. As for A and B-sections, what an incredible year and that top of the table clash between Collegians and Old Brighton today should be a beauty.

## And then there were, well, three

You know, sometimes you can catch Old Xavs on an off day. But when the stakes are high, the sun is shining and the crowd is out, it's time to say your prayers. You can add "and when the opposition is De La" to that equation as well. The minute they ran out on Saturday, you could tell the visitors were primed. The game pretty much followed suit, with Xavs always keeping De La at an arm's length, despite a plucky performance from the home side, who snuck within a couple of goals at one stage. A lethal Tim Ockleshaw didn't help De La's cause, nor did the move of Damien Lynch (6) up forward. I really liked the game of Chris Santalucia as well.

De La had everything to play for and reflected this at the selection table, bringing back Jeremy La Ragy from injury and Luke Seager from a broken leg, which most people had assumed would sideline him until season '07. Players to impress included Aaron Shields, who is really hard at it, David Spithill, the best ruckman De La have had for years and Jeff Morel, who always seems to bob up in crunch games. Maybe add a key forward and a hard-nosed midfielder into next year's line up and they will be one hell of a side. But full credit to Xavs, who looked very polished.

Speaking of the need for key forwards, Haileybury have acquired a pretty handy one in the form of Stewart Loewe, a more than adequate replacement for the bung hipped Brett O'Farrell. Three goals and a stack of marks was a pretty handy return for a bloke his age as the Badlanders had the Cardinals on toast. Some equally impressive names in Heath Hopwood, Carl Steinfort and Kynan Ford were all prominent (and the Bloods went in without Paul Corrigan, who missed with work commitments). It really is hard to know what to make of Scotch but they look right off the pace when stacked up alongside the other three likely finalists. Sam Troon was their best.

The other games were a bit less significant in the scheme of things but heralded some great individual performances. Callan Potter slotted a cool seven against Marcellin (who, once again, were competitive but lost concentration after half time). Another ripping game by Gary McIntyre down back for the 'Pitters. Andy Cultrera's stellar season continued as he mauled the hapless OMs out at Bulleen. You'd have to say he is the competition's premier player in '06 but maybe his tendency to give a bit of lip may cost him a much-deserved Woodrow. And Uni made mincemeat of my upset selection, easily seeing off Ivanhoe at Parkville. Ivanhoe's rotten luck with injury continued with State players James Hope and Stewed Low both sitting out. Marcus Toovey bobbed up with a very classy seven but George De Crespigny was in similarly hot form at the other end for Uni and their midfield ran riot.

## The Scenario

I didn't pass a maths test after Grade 4 at school so really struggle with this sort of stuff but this is pretty much the situation.....

If De La are to sneak into fourth, they need to beat Uni Blues and hope Marcellin roll Scotch. They'll also sneak in if they beat Uni by 227 goals, a tad unlikely Haileybury will get the double chance. So should Uni. If things according to the script (as if, it's the Amateurs!) we'll have the exact same finals line-up as last year  
Well wasn't that a learned summation of things? Sorry, my brain just doesn't function this way.

## But Watch Out...

You see, it isn't as simple as it looks. Fact is that Trinity have probably the best record of any A Section side against Old Xavs. They always beat them in the ruck and Xavs have difficulty matching up on Cultrera.

The Badlanders are no certainties against Bernards, who are steaming home, have nothing to lose and also have a very good record against the Bloods. No surprise at all to see them get up.

Marcellin aren't that bad! And for a team in fourth spot, Scotch are in abysmal form. You just never know....

De La are a pretty handy team themselves and despite a dismal record against the Blues, showed enough last week to suggest it's not out of their grasp.

### The Cop Out

But I'm a wuss, mainly because I can't bear the fact of another year on the bottom of the tipping ladder. So let's tip Uni over De La, Xavs over Trinity (if it wasn't at Sportscover I would be less emphatic) Haileybury over Bernards & Ivanhoe in the dead rubber against OMs. And in the only upset, let's go for Marcellin over Scotch at Camberwell.

## M I MILESTONES B S

**OLD XAVERIANS** congratulate **TRAVIS RUYG** on 50 games 2005 saw an A Grade Premiership and selection the Victorian State Team - Well done Travis from all at the club. **St. Bernrads** congratulate both **Gary McIntyre** and **Josh Madden** on 50 games last week. Gary is having a great year playing mostly in defence whilst Josh is already an U/19 premiership player, state rep and Senior B&F winner in 05. Well Done G-LOVE and JOSH.

The exuberant and exhilarating **Michael Duggan** plays his 150th game for **DLS** against Uni Blues this week.

With superb application Michael has managed to improve his game every season as evidenced by his equal 3rd Club Champion in 2004, exceeded by his 3 way tie for Club Champion in 2005. He is also in his 2nd year at Club VC. Noted for his "understated" reaction to kicking a goal, Michael's play is inspirational. Well done Duggo

**University Blues** congratulate **Michael Kordick** and **Andrey Solly** on 100 Senior games. Michael has developed into one of the toughest midfielders in the competition. His ability to keep his feet and provide others with first use is a key to the success of Blues teams over the past years. Andrew is in some of the best form of his career. Super quick, super skillfull and very evasive. Can play wing, down back as a stopper and up forward as a very dangerous option. Both are integral members of the club on and off the field, Well done 'Special K' and 'Sol Brother'.

**OLD HAILEYBURIANS'** congratulate popular Reserves Vice Captain **Luke Pitcher** on his 100th game for the club today against St Bernards. Under 19 V-C 2001, Resgies 2005/06 and, during a prolonged injury earlier this year, filled in with off-field jobs is testimony to Luke's commitment to the Bloods. Well done 'Pitch'.

by Tom Brain

Even the best laid plans can go awry. And so we come to Round 18 with a couple of live games to decide the finalists and the demotes what a way to finish a season.

## REVIEW

Old Brighton just had that touch of class when it mattered most that kept them in front all day against a brave and competitive Blacks side who would be ruing a couple of easy goals given away from point kick ins. Josh Dickerson played a great game to keep Savage quiet. Pat Phelan was terrific, the Edge's were splendid, Mr Magic was irresistible and Nick Perry did some pretty handy inconspicuous work. Blacks defenders Dan Costello, Hugh Whitehead and Tom Purcell all played really well while Like O'Connell was his gallant self.

Beaumaris continue to disappoint their supporters against an MHSOB side who ran all day and won the hard ball to score their 5th straight win to really finish their season in style. Stu McCully was best for the High receiving good support from Simon Anderson, Andrew Villani, Josh Richmond, Matthew Hamilton-Ho and Nick Orchard. The Sharks who might have finished closer but for some poor kicking were well served by Sean Coote and Dougie Ensor down back with Luke McNicholas and Brayden Haynes battling hard on the ball.

OEG are the classic Jekyll and Hyde sort of outfit capable of beating and losing to anyone, hence it took them well into the last quarter to shake off a Mazenod side who really gave it their all in their last chance for survival. The Glimmer Twins Flaherty and Forrest were very dangerous up forward for the Bombers, while Whopper Teal and the studious McPherson also were good. Byron Bonner, David Nisbet and Mark Appolonina with 5 goals all helped the Noddies cause.

To use that old football parlance we are just taking it one week at a time and that is what Stevie Wright told me last Saturday Night as he started his preparation for the big game against Collegians. The situation a win would keep them alive a loss and they were doomed. A 4 goal to zip second quarter set the ball rolling for the Fields as they took control of the game and just did not allow the Lions to get a look in. Simon Widjaja in and under was an inspiration to his side, while Mark Liddell and Nick Tassell also contributed greatly to the cause. Collegians were pleased with their rucks of Marty Williams and James Jorgensen, with Nick Harrison and Grant Rowston finding plenty of the ball.

SKOB were disappointing against a desperate Whitefriars who were on their last chance and took it. The visitors did all the hard running early but couldn't put the Friars away, and given a sniff the home side took it and ran with it. Bad kicking in the third quarter where they sprayed it like cheap fertiliser also not helping SKOB's cause.

Lenny Mulgrew found his niche on the wing and played a great

game as did BOS Maguire down back.

## PREVIEW

The first of three possible test matches takes place at South Road today as Old Brighton welcome Collegians to their humble abode. What do the Coaches do??? – play ducks and drakes and rest a few who are carrying little niggles or play them all and go out and try and gain the ascendancy over their opponent. Bragging rights and top spot on the ladder also at the end of the line at 4.30. Collegians need to find some form while the Tonners are in good form and will win.

Melbourne High would want to finish their season off at home with a win and will certainly be in the game for a long period of time but in all reality the Bombers must win so they tackle next week with their confidence in tact and I'm pretty sure that that is what will happen.

Righetti Oval makes a comeback to B Section this week as St Kevins welcome Mazenod in this absolute crunch game. Quite ironic that Dave Murray's last game as Coach of St Kevin's is against his old club. Well done Dave you have given SKOBS a great 3 years and I'm sure the importance of today will not be lost on anyone at the club. Perhaps with a touch of Garlick to spice up the recipe I feel the SKOBBERS will get the job done and remain in B Section.

I also think that Whitefriars can and will beat Beaumaris at Shark Park but it will be to no avail as the result some 15 kilometres away will unfortunately consign them to hopefully only a year in C Section. My tipping the Friars is based purely and simply on the fact that they must win.

And so to the University where a simple equation "win" and you are "in" confronts both sides. The Fields have collected a

couple of good scalps in the past fortnight and need to collect another one today in this mini final that all our Senior Umpires would love to get. The Blacks ran OB pretty close last week and with a bit of steadiness could have got over the line. I could take the easy way out and tip a draw but that would be woosy so will go with the old home ground advantage bit and tip the Blacks just in what promises to be a ripper.

## M I MILESTONES E S

**Beaumaris FC** congratulate **Sean Coote** on **100** VAFA games this week. Sean played over 100 MSJFL games before graduating to the Under 19s in the 2000 season and has developed into an outstanding key position player for the club. In 2005 he was part of the U/23 VAFA team and he is now recognised as one of the leading players in B grade. The highlight of his career has been the senior premiership medallion he earned as CHF in 2003 and now he can finally join his father Tony on the 100 game honour board. Hopefully twin brother Adam will not be far away and we thank the whole Coote family for their contribution to the club over the years.

**Old Brighton Grammarians'** congratulate the brothers **Edge** on **50** games. **Andrew's** calm organising of the Tonners' defence has been invaluable, and **Jonny's** exciting dashes are instrumental in launching attacks down the ground. **Nick Edwards'** speed and **Blair Mason's** superb, raking delivery have also excited supporters as both boys pass the 50 game mark. Unfortunately, courageous **Trevor Gibson's** 50th was followed by a nasty injury and he will miss his finals chances this year. Congratulations to all boys from the Old Brighton faithful, on reaching their early milestones.

**Caulfield Grammarians** congratulate **Andrew Docker** on **100** games. It has taken 8 years for "Docks" to achieve this milestone, as he has had his share of obscure injuries, but it has been well worth the wait. We also congratulate **Richard Foote** on his **100th** game. "Footie" immediately made an impact with his strong overhead skills. Playing mainly as a forward, Richard has also had to fill in roles admirably down back as required. Well done guys, from all of your mates at The Fields.

## RULES REVIEW

The Australian Football Coaches Association (AFCA/VAFA) exists to provide an active service to all coaches operating in the VAFA. The main activities of this body include Coach Education, Coach Recognition and Coach Support. As part of the support function, it is actively involved in the VAFA Rules Review process. This involvement provides all coaches with the opportunity to present recommendations relating to existing rules of the game, and its playing conditions, as well as recommending modifications and additions to the playing rules.

This year the AFCA/VAFA Rules Review Sub-Committee will meet on **Wednesday September 6th** to commence preparation of submissions to the League's Rules Review committee which meets post season to review existing rules and to receive submissions from interested parties.

This meeting will discuss all recommendations from all participants involved in the VAFA, i.e. coaches, umpires, club representatives and supporters. Submissions can be submitted in either email or written format.

There are a number of rules in our competition that differ from those that exist under competitions run by our parent body, Football Victoria.

Current examples of VAFA rules that differ/vary from the Laws of Australian Football include:-

1. No line marked across the centre circle, allowing Ruckman to approach the ball from the same direction
2. A player from each team does not have to be nominated to take the centre bounce or throw up

3. No outer centre circle to prevent on-ballers from encroaching at the ball up at centre bounces
4. Bringing the ball back into play as soon as a point is scored, before the Goal Umpires have completed waving the flags signalling the score
5. Mark not allowed when kicking the ball backwards to a team mate outside the Forward 45 arc
6. Use of only 1 Runner during match day
7. Water carriers only allowed to deliver water to players after a goal is scored. Is this ideal in a low scoring match played in hot conditions?
8. Use of gloves by players, without having to provide proof of a medical condition
9. Is the 25 metre penalty appropriate for any infringement deemed serious enough to warrant its application by the Umpire?
10. Are umpires interpreting and applying the Advantage Rule well?

Does this part of our game require tightening up?

We encourage your input and ask that submissions be forwarded to either Jeremy Bourke at VAFA ... [jeremy@vafa.com.au](mailto:jeremy@vafa.com.au) or Harry Harisiou at AFCA/VAFA ... [hharisiou@smorgansteel.com.au](mailto:hharisiou@smorgansteel.com.au) as soon as possible to ensure that they receive consideration by members of the rules review sub committee at their next meeting.

**Sponsorship Thanks**

I would like to place on record our sincere thanks to all our great sponsors for an excellent contribution during season 2006.

Whilst it is important for the club to perform well on the field, and in this area we were a little below par for many games at all levels, it is very important to maintain an excellent relationship with all sponsors off the field.

The club has worked hard to ensure sponsors are "getting value for their dollar". The new audio-visual program displayed at all home game luncheons considerably enhances other visual displays through ground signage, this page of The Amateur Footballer each week and various publications.

Sponsors should never be taken for granted. I

am thrilled that we have maintained our sponsor list, with little variation, for some time. I am most grateful for this.

As we prepare for 2007 we will again be seeking continuing and additional sponsorship. It is taken the best part of ten years to turn the club around financially but this has now been achieved. We must not allow for complacency or the situation may well repeat itself.

I would encourage all sponsors to come along to the **Club Presentation Night at Northcote RSL on Saturday 7th October at 6.30pm for 7pm.** Watch the vote count on the big screen, enjoy a great meal and just be part of the festivities.

Not surprisingly, the lads from Hampton Rovers were crestfallen after they fell to Fitzroy Reds on the weekend in bright sunny conditions. Meanwhile, down the road at Alec Gillon Oval, the Combine were all smiles as they took care of Monash and arrested their slide to secure a ticket for C section in 2007. It is always a difficult round when teams futures lie in the balance until the last few minutes, but supporters and players alike are to be commended for the manner in which they handled themselves.

No quarter has been given, and none expected in this extremely tight year of footy. For Old Paradians and Hampton Rovers, we must bid a fond farewell but hope that they return again as soon as possible. Both sides have proud histories, with good junior programs so there's little doubt they will be determined to make this an aberration only. For the NOBSPC crew, it was bound to be a Mad Monday as they had occupied one the bottom two slots for 10 of the 17 previous weeks!! Still they pulled out the win when it counted, and capitalised on Monash's form tailing off when finals were out of the question.

In the battle for the finals, Parkdale Vultures took care of business at Gerry Green Reserve, dispatching Old Paradians by three quarter time and ensuring that only an Old Camberwell upset over AJAX could keep them out this season. Given last year had seen the premiers fall to The OC to keep the Vultures out, it was as if some good karma came back to Parkdale, with news of the Jackas' 4 goal win drifting through the airwaves at 5pm. The Vultures had kept their season alive, but at what price? Word is that a couple of key players may have suffered injuries in the process, and Parkdale may need to cover their absences in the 1st semi. So, without further ado, let's rip into the preview as September rolls on.....

## 2nd semi final

### St Bedes Mentone Tigers -v-AJAX

To the winner go the spoils and in this match it will be the critical week's rest before the Big Day and the joy of punching a ticket to B section in 2007.

Obviously, given the Tigers have gone through the season undefeated, they deserve favoritism and it's hard to see where the Jackas will assert their authority. It is almost impossible to fault the Tigers' form as they have matchwinners all over the park.

The key to AJAX giving it a shake will be their cohesiveness as a unit and their attack on the ball from the beginning. Their strength is primarily on ball but, with Rapaport in rare form and Bloom & Rosen to return, they certainly have the firepower to worry the favorites. It really comes down to depth and, whilst both sides' gun players are evenly matched, the Tigers have more key position options and greater depth. Frankly, the performance of the last 6 players chosen will probably determine the outcome here.

If it's a wet and windy day at Sandy, then AJAX may

### 1st semi final

#### Ormond -v- Parkdale Vultures

Here's another match which looks reasonably straightforward with most expecting Parkdale to drop out at the first hurdle. Ormond have been pretty consistent throughout the season and have been in the top four for pretty much the entire season. I have every reason to expect the likes of Miller, McConville and Keleher will relish the Sandy deck whilst Tony MacGeorge knows every single blade of grass at Trevor Barker Oval too!!! Word is Paul Sullivan, after ripping out another BOG, will go into this game under an injury cloud. Whilst not fatal, his brilliant form has been one of the major reasons for the Vultures' soaring into September. I expect him to play, but his influence could be limited.

Ormond have the benefit of several gun forwards in Chishom, Russell and even Beckett to provide avenues to goal. Still Parkdale have one Mr Rowley in great nick at the other end, but have to find others if Sullivan can't produce. Ormond have managed to win most of the close ones, and I reckon this one could go right down to the wire, with a Monder victory by 8 points.

## ROUND 18 REVIEW

At the bottom end of the table, Prahran had a handsome 33 point win over Old Mentonians. With more to play for, the Two Blues jumped out to a big lead early, and although the Panthers were the better team on the scoreboard in the second half, it was too late for OM to make any significant impact. Michael Scicluna starred for the home side in the backline, while Anthony Palmer made the most of his 150th game for the Panthers.

This result, coupled with a 68 point thrashing by Old Geelong at Como Park, consigned St. Leo's Emmaus to D2 football for the 2007 season. Matt Wilson and Lachie Teague impressed for the home side, while Nic Casboul and Colby O'Brien once again starred for the Oggers.

Top and bottom spots were already locked in and top side Old Carey prevailed over a young Banyule combination to win by 105 points at R J Brockwell Oval. A useful tune up for the minor premiers saw Tim Angus bag seven, Pete Tiras kick five, Tow Howgate and Ryan Mullins do well in midfield, Stu Jessup impress down back, and Pete Unkles continue his strong form in the ruck.

At Domeney Reserve, a 69 point win to Yarra Valley Old Boys over Therry Penola, coupled with results elsewhere, ensured the Bushrangers of D1 finals football. The Lions can be encouraged by the performances of youngsters Matt Reynolds and Jarrod Hanlon as they look to keep their start of- and end of season form going throughout the middle of the season in 2007.

At Ted Ajani Reserve, Rupertswood scored a massive 86 point win over home side Bulleen Templestowe, sending the Bullants tumbling from second spot to fifth spot and out of the finals in the process, allowing Rupo to claim fourth spot and to fight another day.

## FIRST SEMI FINAL PREVIEW

Form side Yarra Valley Old Boys square up to early season hotshots Rupertswood at St. Bernard's College this Saturday. The Bushrangers were not given much hope at the start of this season and a 1-4 start seemed to confirm that wisdom. However, they had been competitive in all their match at that point, which should've hinted at the potential for greater things to come, which an 11-2 record for the rest of the season is testament to. By contrast, Rupo won their first six matches, and were topping the table at that stage. Although they have been 'only' 6-6 since then, I would think they would be satisfied with a 12-6 record for their first year playing at this level.

Obviously the marquee duel here has to be that of Valley key forward James Keem against Rupo's David Collins. It will be interesting to see if the Bushies will persist in trying to play through Keem if Collins gets on top early, or if they'll try to negate Collins' influence by playing around him instead. Rupo's Tom West and Valley's Ashley Drew are also sure to cross paths many times during the course of the game, and their impact is sure to also be a factor come full time.

Only one team can win here, and although Rupo have done well to salvage a finals spot, the Bushrangers have the momentum, and ergo an air of impenetrable confidence that's hard to beat at finals time. Yarra Valley for mine.

## SECOND SEMI FINAL PREVIEW

Junction Oval will be more like Planet of the APS on Saturday when Old Carey take on Old Geelong. The Panthers have been the most consistent team in D1 this season, and are worthy minor premiers. The Oggers did suffer a case of the wobbles for a while back around the three quarter season stage, but have recovered well to take the other double chance position. I predict that Al Parton will start forward, in the early stages at least anyway, by either Al Munro or Steve Lansdell. Nic Casboul and Colby O'Brien have the potential to wreak havoc in the Oggers forward line, but the likes of Chris Battle and Stu Jessop will ensure things won't be one way traffic.

Luke Maslin has been fantastic for the Panthers since his early season arrival from Northern Bullants and combines well with Collins to provide as good a one-two midfield punch as any team at this level, but look for Bayles to bring his own brand of magic to the table for the Hoops.

Both teams have strong claims as to why they should win, and it was only three weeks ago that the Oggers scored a

## CLUB WAREHOUSE RISING STAR NOMINATION ROUND 18

### JOSH MADDEN (ST BERNARDS)

**St Bernard's** utility Josh Madden is the nominee for the **Club Warehouse Rising Star Nomination** for Round 18 after another sterling performance against Old Melburnians last Saturday.

Josh has had a stellar season averaging over 30 possessions per game. This is backing up from winning the club best and fairest in his debut season last year.

Josh stands at 6'4" in the old measurement yet has the ability to cover ground with ease. His ability to read the play, take big grabs and hit the ground running sets him apart from other players in the competition.

Josh has played rep footy for the under 23's in both seasons and is sure to be a prominent player in the VAFA as he endeavours to bring St Bernard's back into the four and in the hunt for a premiership in the next couple of seasons.

Let the business end of the season begin. Well Done to Peninsula, Oakleigh, Salesian and Aquinas for making the finals, and good luck during the finals series. To Ivanhoe Assumption and La Trobe Uni, good luck in D3 next season.

### Premiership Market

Oakleigh \$3.10  
Salesian \$12

J. Reynolds (Oak) \$16

Finals is a word that has haunted Peninsula in the past. On more than one occasion the Pirates have been the best team throughout the year, and lost form once the finals have begun. I think it might be different this year though. Peninsula had only their second loss of the year last Saturday going down to Aquinas by a point. A couple of players may have been rested, however the boys from Mt Eliza have been the form team of the competition all year and certainly go in as favourites today. Oakleigh have been competitive against them both times during the year, but Peninsula have got the four points on both occasions. No doubt that Shaun Payze is the key for the Pirates. If he kicks five or more goals then Peninsula win. Key players for the Krushers are Trevor Bromley and Shane Kitts. Bromley is known for performing in the big games, so I expect a big game from him. Peninsula by 13 points.

This one is a flip of the coin job. Some may say that Aquinas go in with the better form having knocked off Peninsula last Saturday, but one has to remember that there are many experienced heads running around for Salesian. Mick Hazell is a seasoned performer and I expect him to turn it on today. Throw in impressive youngsters Harmit Singh and Ivan Bobetic and Salesian certainly have

enough talent to win. Aquinas were ultra impressive against Peninsula. Trent Harkin had his best game of the season and Michael Glassborow continues to impress at Centre Half Forward. Glassborow is a tough player to matchup on, and provides his team with a great avenue towards goal. Salesian by 2 points.

### Resessy Tips

Salesian to knock off Peninsula by 12 points and Aquinas to defeat La Trobe by 3 points.

In the other Round 18 matches last Saturday, Ivanhoe Assumption knocked off La Trobe by 11 points but it was not enough to keep them in D2 next year. The Hoe's and La Trobe were relegated. There was a big party at Thomas Carroll Reserve on Saturday night, with the Joc's knocking off Werribee and staying up in D2 for 2007. Congratulations to St John's, and good luck next season. Glen Eira went down to Oakleigh by 13 points, showing how much the Saints have improved since the start of the season. Williamstown lost by 23 points at Salesian but are still in D2 for 2007. The relegation situation looked grim for them during the year, so a good effort by the boys from the Western suburbs.

## M I L E S T O N E S

**Aquinas OCFC** – congratulate **John Jess** on playing **150** games for the club against Salesian this weekend. John started his career with the Bloods in 1998 in the Under 19's and co-captained them in 99. He has been vice captain of the Seniors for the past few years and has finished in the leading few of the B&F on numerous occasions. All the best for the finals Johnny.

# FOR THE LOVE OF THE GAME...

## • What's that Smell?

The weather's warming up, buds of new growth are appearing on the pruned trees and the scent of freshly cut grass fills the air. That smell that football followers identify at this time of the year is the smell of finals. Yes, finals fever hits the VFA this weekend with Semi-Finals in all sections except for A and B. This year's finals series promises to be one of the most hotly contested in recent times with most sections not having a clear cut favourite. Provided the weather stays fine, bumper crowds are expected at finals venues, ensuring a fantastic atmosphere to watch the best local footy in Melbourne.

## • Club XVIII Grand Finals Set Record

Speaking of bumper crowds, a record number of people turned up to watch the Club XVIII finals held last weekend. The VFA recorded nearly 1000 more people watching the action on last year's figures and the highest gate takings since Club XVIII began. Those watching were treated to some fantastic matches starting on Friday Night with Old Essendon's win over Fitzroy Reds in Club XVIII (3). Mt. Lilydale got off to an early lead in their Club XVIII (2) against Monash Blues and they were never headed in their 56 point win, but the match of the weekend was surely the Club XVIII (1) decider between Old Xavs and Prahran. Old Xavs got off to a flyer leading by 37 points at the main break but a spirited comeback from Prahran saw them close the gap to a goal at three quarter time. A see-sawing last quarter followed with Prahran hitting the lead with 10 minutes remaining and looking the stronger side. Old Xavs then amazingly kicked the last three goals to again engrave their name on the premiership cup for the 15th time in 17 years. Well done to all teams competing as the games were played in a fantastic spirit yet very competitive.

## • Early Preparation

Who said Club XVIII players don't take their football seriously. Turning up for my duties at Elsternwick Park on Sunday at just after 10am, I was amazed to

see both sides out on the ground doing warm ups and drills. Whilst there is nothing unusual in that, the game was not scheduled to start until 11.20am. Fearing I was turning up late and the game was about to begin, I checked my watch against another clock and relaxed.

## • The Agony and the Ecstasy

The last round of every year always throws up great stories of the improbable win, the surprise defeat, the hard luck story and the Cinderella run. The 2006 nominations are—

**Improbable Win** – Rupertswood's 86 point win over Bulleen Templestowe. Fully aware that they required a 70+ point win over 2nd placed Bulleen Temp., Rupertswood headed to Ted Ajani Reserve knowing that the task ahead was massive. Rupertswood jumped out of the blocks to kick 8 goals to zip in the first quarter and steadily increased that to a 62 point lead at three quarter time. Knowing the job was still in front of them, a three quarter time rev up by Coach Shane McLauchlan saw his boys continue on and record an 86 point win and secure 4th spot on the ladder.

**Surprise Defeat** – Even though they have one round to go, Collegians loss to Caulfield Grammarians takes the gong for this one. After thumping Caulfield by 48 points in Round 9 at Glenhuntly Oval, Collegians were expected to sure up top spot and the double chance with a comfortable win at home. Not to be, with Caulfield keeping their finals hopes alive with a 21 point victory.

**Hard Luck Story** – Surely Bulleen Templestowe. They have been in the four all year only to be knocked out of the finals (from 2nd spot mind you) after going down by 86 points. They missed out on September action by just over 2%.

**Cinderella Run** – Yarra Valley OB in D1 started the year disastrously losing 4 of their first 5 games. They recovered remarkably through the middle part of the year winning 7 of their last 8 games to finish third on the ladder, only missing out on the double chance by percentage.

## • Umps Celebrate Year

The VFAUA held their End of Season / Pre-Finals Dinner on Monday Night at the Victorian Club with

around 200 "men in white" (and a couple of women) gathering to celebrate their year. Guest Speaker for the night, Brian Waldron – CEO Melbourne Storm, gave an interesting insight into the world of NRL compared to his background in Amateur and AFL Football. The level of interest in his words was obvious by the amount of questions fired at him from the floor. If allowed to continue I think he would still be there!! Brian, an ex-De La boy, not only spoke of his continuing passion for Amateur Football and how he still attends game on a regular basis, but also of the similarities between Amateur Football and his current club. Several major awards were presented on the night with details outlined in the "Umpires Corner" section of the Amateur Footballer. Congratulations to all award winners and I'm sure there were a few sore heads on Tuesday.

## • Edwards Brings up the Ton

Powerhouse Forward Paul Edwards has become the second player in the VFA to bring up a century of goals when he kicked 7 (out of 12) in a losing side last weekend. His 7 on the weekend brings his tally to 102 for the season, the first time Paul has kicked 100 goals in the VFA. He also takes out the Sharpshooters award for D4 which is also a first for Paul in the VFA. Also chasing the "Ton" in D4 and is a certainty to get there will be Hawthorn's Dan Lauletta, who currently sits on 94 goals with a least 2 matches left for the Hawks to contest.

## • Another Useless Stat

Continuing on with the useless stats from previous weeks is the number of players that have played every game for their team in their respective sections. Useless but interesting.

Section	Seniors	Reserves
A	43	11
B	45	16
C	40	5
D1	42	11
D2	44	10
D3	26	14
D4	27	3

## • Finals Prices and Tickets

Admission prices for the VFA finals have been set as follows:

- Adults \$10
- Concession \$4 (Health Care Cardholders)
- Pensioners (aged) and Children U12 free
- Cars \$4

Finals Tickets (access to all finals) are available from the VFA for \$20, which represents sensational value for those wishing to attend multiple games. Contact the VFA for your 2006 finals pass and don't miss a minute of the action.

## • VFA Night of Nights

The VFA night of nights (Vote Count and Presentation Night) for 2006 is on this Monday Night at the Carlton Crest Hotel. Invitations have been sent out for all the leading vote-getters from each Club's Senior and U19 sides. Having all the winners present always makes for a great night but getting players there from their "Mad Monday" celebrations can be a difficult thing. One thing to remember if you do receive an invitation is that you are in contention for your Section's Best and Fairest Medal and it is for most players a once in a lifetime opportunity to be recognised by your peers and the VFA community.

# ... Retrospective

by Geoff Reilley

## 5 YEARS AGO - 2001

In **A Section** it was **Old Xavs** versus **MHSOB** in a last minute battle for fourth spot. The game was willing and not a foregone conclusion despite the Xavs leading at each change. The High School boys were valiant in the last quarter and kicked 4 goals despite being down to 17 men due to a 'send-off'. How many times do teams defeat the odds when one man down? Plenty from my experience but not on this occasion and Xavs held on to win 13.13 to 11.10 and would go into the semi final the following week against strong rivals, **St Kevins Old Boys**. In fact, all four finalists were Catholic old boys' teams with **Marcellin** and **St Bernards** occupying the top two spots. There is no doubt the Catholic Colleges contribute strongly to the Australian game! Best players – **Blood, Cranage, Andrew Dillon, P McDonald, Clarke, McCarthy** (Xavs) and **McCully, Fairchild, R Clowes, Bamert, Thompson, Joseph** (MHSOB).

The **Ormond Amateur Football Club** was in distinct danger of falling to their lowest position in amateur football since the 1934 season as they faced relegation from **B Section**. They hosted second placed, long term rivals, **De La Salle** and only a win would guarantee their stay in B Section. De La jumped out of the blocks, peppered the goals and all but sunk the Monds but for inaccurate kicking. Still, they were in a handy position at quarter time, 4.8 to 2.2. With the advantage of the wind Ormond slammed on 9 goals in the second term and held a 5 goal lead at the main break, **Steve Grace, Naughton** and **Stone** all amongst the goals. De La almost caught Ormond by three quarter time with **Mannix, Bowdern, Corin** and **Goodier** finding the big sticks and it appeared Ormond would hold on with the wind in the last. Well, it was a classic last quarter with both teams constantly attacking and each scoring 5 goals. At the final siren it was a desperate Ormond hanging on by three points, 18.9 to 17.12. Best players – **McConville, Wilson, Robbins, A Grace, S Grace (6), Martinov** (Ormond) and **Bowdern, Morel, Goodier, Buckley, Spithill, J Hall** (De La Salle).

## 10 YEARS AGO - 1996

It was all happening in **A Section** with the final round being played to decide the final four and, although **Collegians** had 4 points plus percentage taken off them for playing an **ineligible player** in round 10 and 17, they could not lose the double chance. At the **Junction Oval** it was a huge game between long term protagonists, **Old**

**Melburnians** (fourth) and **Old Scotch** (third) with the fifth placed team, **Uni Blues** playing bottom placed **Mazenod** and certain to obtain a place if they won. OM's started better to take a 2 goal lead at the first break. **Peter O'Brien** was winning plenty of the ball for OM's and **David Strooper** was on fire whether at full forward or centre half forward. **Justin Hosking** and **Stephen Hume** were great for the Cardinals and at half time Scotch had leveled the scores. Strooper and **Simon Bromell** were the danger for Scotch and they both continued to worry the Scotch defenders in the second half with Strooper controlling the show to finish with 7 goals in the 11.12 to 8.12 victory. Uni Blues, as expected, had demolished Mazenod and moved into the finals at the expense of Old Scotch.

In **C Section**, **St Kilda/South Caulfield** made short work of **AJAX** in the first semi-final 21.16 to 9.3. Best players – **Kerion, Govan (5), Hayes-Dewar, Mihaljevic, A McGaw, L McGaw** (StK/Sth Caulfield) and **Jeremy Wrobel, P Goldberg, Kirzner (5), B Goldberg, Jason Wrobel, Weisler** (AJAX). The second semi-final was a much closer affair and went down to the wire. **St Kevins** and **Marcellin** lined up against one another and there was plenty of physical stuff early. Marcellin wasted some opportunities in the first term and St Kevins lifted the pace in the second to hold a 4 goal lead at the main break. **Bello** and **O'Flynn** upped the ante for the Eagles in the third term and had it not been for **Brady** and **Hart's** determined play for SKOBS, Marcellin may have taken the lead. The final term saw Marcellin, with **Caffry** notable, kicking some good goals but SKOBS responded and outscored their opposition to run out comfortable winners 15.15 to 11.17. Best named for the respective sides – **Gross, Dollman, Macey, Brady, Terzini, Gribble** (SKOBS) and **Purcell, Mackintosh, Moran, Theisz, Caffry (5), O'Flynn** (Marcellin).

## 20 YEARS AGO - 1986

In **A Section**, **Ormond** easily accounted for **Marcellin** 20.16 to 8.6. This result ensured Ormond earned the right to play in the following week's first semi-final and Marcellin were to be relegated along with **Ivanhoe**. Two of the three **McDonald** brothers, **Mark** and **David**, played exceptionally well along with **Phil Mehrten**,

**Nash, Barnes** and **Russell. Crowe, Paatsch. Anthony Amad, Carr, David** and **Lennox** battled hard for the Eagles.

**Fawkner** won back their spot in the top four in **B Section** when they defeated **Uni Blacks** and took the Black's place. It was an entertaining game with no more than 6 points separating the two sides at any of the breaks. Fawkner were only 1 point ahead at three quarter time but were too strong for the Blacks, winning 13.15 to 12.12. Best were **G Busst, M Tymms, Brown, Hills, Weir** and **Buckley** (Fawkner) and **Thompson, Wines, Marks, Heath, Huntington** and **Warren** (Uni Blacks).

In **C Section**, as expected, **Old Trinity** easily won the second semi against **Thomastown**, 22.15 to 7.5. In the first semi it was a different type of game as **AJAX** held the lead for the great majority of the game but Banyule 'fought it out' and played a terrific last quarter to win by 4 points, 9.11 to 9.7. **Ladd, Hore, Mikac, Power, Gibson (3)** and **Legge** were Banyule's best. **L Burstin, Kausman, R Marks, Basser, Friedman** and **Briskin** were best for AJAX.

**Phil Mehrten** from **Ormond** won the **J N Woodrow Medal** in **A Section** as the competitions leading player and **Michael O'Dea** (St Bernards) took out the **G T Moore Medal** in **B Section**. **Paul Cox** of **Ormond** won the **C R Newbury Medal** for the best layer in **Junior Section 1**.

## 30 YEARS AGO - 1976

In **A Section**, **University Blues** regained their place in the final four, thanks to **Ormond's** big win over **Old Trinity**, who had displaced Uni Blues the week before. The Blues did their part by 'belting' their fellow, blue academic fraternity from **Monash University**, 23.20 to 8.16. **Mark Tyquin** kicked 11 goals in a match winning performance for Uni Blues and was aided by **Moore, Carne, Hindle, Vivian (4)** and **Forge**. Better players for Monash were **Hopkins, Sweetland, Burgin, Curtain, Black** and **Olds**.

In the final home and away game in **B Section**, **Caulfield Grammarians** put up a dismal display against **Ivanhoe**, 6.15 to 21.11. This defeat cost Caulfield top place which went to **Old Scotch** on percentage. Scotch comfortably defeated **Old Paradians** by 48 points. Best players were – **Marx, Anderson, Mason, Tallent, Meadows (3), Clarke** (Scotch) and **Hough, Tellefson, Symes, Ford Carroll, Lyons** (Paradians).

**Rick Sykes, Power House** captain for the past 5 seasons, played his **150th** game against **Old Melburnians**. Rick had represented the State for the past 2 seasons and was

vice-captain of the 1975 squad. Rick joined the club in 1969, played a season and a half in the U19's before being promoted to the senior team where he played the majority of his games at full forward. (Rick is currently an executive member of the VFA).

## 40 YEARS AGO - 1966

In **A Section**, **Caulfield Grammarian's** high marking, long kicking style under the tutelage of coach **John Wilson** countered the 'short' game of **Coburg** to clinch Caulfield's place in the top four; their first appearance at this level since before the **Second World War!** Coburg kept the pressure on Caulfield for the majority of the game but could not effectively counter the Grammar boys' style and the final margin was 12 points. **Cayzer, Williams, Hore, Ward (5), Tom Tootell** and **Smith** were Caulfield's best - **Parkes, Scanlon (4), Lawson, Callahan, O'Brien** and **Dumayne** for solid for Coburg.

**University High School Old Boys** made a valiant attempt to stay in **B Section** with a win over top four team **Old Melburnians**, 11.10 to 6.7. Although they drew level with **St Kevins' Old Boys** on points, St Kev's had enough percentage up their sleeve to hang in there. Best players – **Kinnear, Read, Nettleton, O'Kane, Johnston (5), G Boag** (UHS) and **J Robertson, McArthur, Stan Smith, Brown, Hallo, Alder** (Old Melburnians).

## 50 YEARS AGO - 1956

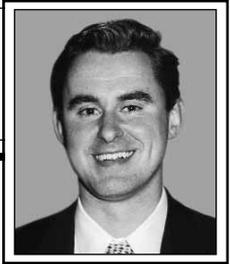

In **A Section**, **University Blues** had to win the last game to have a chance of making the final four. It would be a difficult challenge as they were to play second placed **Coburg**. The Blues started brilliantly in the first quarter and shot to a four goal lead. They maintained the lead at half time but the boys from Coburg bounced back in the third to draw within a kick before the Blues kicked a late one to hold a two goal break at the last change. The final term was all Blues and they added another three majors and held Coburg to three behinds. The final score; 12.13 to 6.10 was a great performance but when the scores came through from the **Old Melburnians** versus **Ormond** game, OM's had won easily 12.26 to 6.13 and held their place in the four.

The place getters in the **A and B Section Best & Fairest voting** were as follows –

"A" Section: **J Hayes** (Uni Blues) 26, **P Harkness** (Old Scotch) 24, **I Merrick** (Coburg) 20

"B" Section: **P Falconer** (Geelong) 25, **G Hibbins** (Collegians) 25, **L Grant** (Power House Green) 14.

**P Falconer** won the B Section medal on a count back and stopped **G Hibbins** winning his third consecutive medal in B Section.

Well done to the top four in both Seniors and Reserves and good luck over the next three weeks.

### Review

The round's focus was at the Bentleigh/Old Westbourne match. With a huge crowd in attendance, the Warriors started the better of the two sides and with the Damien Lockwood seemingly in everything it looked as though a boilover was in the making. However, in the second quarter, with Ben Meridith on song up front and Scott Sice doing well, the Demons did what the Warriors could not, and piled on the goals to put it seemingly out of the grasp of Westbourne.

Ultimately it was the determination of Bentleigh that shone through as they set up the double chance and knocked Westbourne out.

It was therefore up to West Brunswick to deliver against St.Marys to make the finals. They did just that as Dishon, Hilton and Pietsch went to town in the second quarter and blow the Saints away to set up a chance at glory.

In the other matches, Elsternwick had to survive a hard game against their old rivals in Monash. With the "Master of Cool" Steve Curtain demonstrating his importance to the Wickers, they fought back from a four-goal deficit to run out 20-point winners. Tim Bourbon was the star for the Gryphons. Meanwhile Kew finished well with a good win to UHS and South had a good hit out as they accounted for Swinburne.

### Preview - Seniors

#### Second Semi-Final

**SOUTH MELBOURNE DISTRICTS vs BENTLEIGH AFC**

For the Swans, it has been big Bill McGee leading the charge and the likes of Steven Aquilina, Joel Washington and Jack Cronan have ensured there has been plenty to cheer about as South have taken all in their wake this year. The added incentive of those bozos trashing the Albert Park clubrooms will provide even greater inspiration, if they needed any.

On the flip side, Bentleigh have not had it all their own way after starting the season as premiership favorites. However, when you have a superstar up forward on 110 goals in Chris Sharp, combined with the likes of Scott Lawry, Brad Meehan and Charles McFadden, it is a team that deserves to be one game away from the big dance.

Until last week, there was a question mark over the Demons as to whether they would answer the challenge in the "big games", however, after witnessing the lads dig deep in the last quarter last week, that monkey is well and truly off their back. Therefore picking a winner is almost a coin toss. South Melbourne go in deserved favorites having accounted for the Demons twice this season, however, it will be the side that responds best to finals pressure that will ultimately salute. In what will go right down to the wire, I think that it will be South Melbourne that deservedly make it through to the Grand Final and promotion to D2.

### First Semi-Final

**ELSTERNWICK AFC vs WEST BRUNSWICK AFC**

These are two contrasting sides, on one hand you have the Wicks who play with class led by Scott Grace and Brian and Craig Mahoney who are in top form. However, West Brunswick have proven to be a team of fighters, and who could forget their finals campaign last season that fell so agonizingly close, once again against all odds.

Meanwhile, the Magpies have stars of their own with Bill Irving likely to have his say on proceedings as will Sam Pietsch and Jarrod Sudholz.

Unfortunately there can be only one winner, and while I do admire the boys from the West, I cannot see the Wick-train stopping just yet as they continue their extraordinary charge for back-to-back glory.

### Reserves

#### Second Semi-Final

**MONASH GRYPHONS vs KEW AFC**

The key to today will be the game of Matt Parker at CHF for the Gryphons, as will the influence of his teammates in midfielder of Justin Hetherington who have led all season. However, at the other end, it has been the goalkicking of David Wittchell that has won many a match for the Browns. For my winner though, I cannot go past the Gryphons who will win comfortably.

## First Semi-Final

OLD WESTBOURNE vs ELSTERNWICK AFC

It was unfortunate for Elsternwick that Westbourne's seniors lost last week, not only for the fact that their own side missed the double chance, but also that a number of Warriors are now eligible for this match.

It will not go all the Warriors way though, as the Wickers have the likes of Aaron Foster who will be looking to kick a bag. However, at the other end it has been D3 strongman, Damian Billman who has taken all in his stride, while veteran Adrian Board oozes with big game experience. As such, I will stick with Westbourne to win by a few goals.

## Team of the Year

Please keep your nominations coming for team of the year to gavanflower@hotmail.com to be announced in the Grand Final edition of the AF.

## MILESTONES

Elsternwick congratulate **Scott Grace** on **50** games. Scotty has kicked over 150 goals, loves a skol- he is truly known as Mr Elsternwick. Congratulations Scotty. Elsternwick congratulate **Shane 'the other Mahony' Mahony** on his **250th** game. The Mahonys are a massive part of Elsternwick and are all loved and revered. **Craig 'have a shot' Mahony** is also celebrating a milestone this week against Monash. This **200th** milestone is something that he will simply take in his stride as he is honestly a champion in every aspect of life (except drinking).

**Kew** congratulates key forward **Heath McDermott** who has now kicked **50** career goals for the brown and gold. All at **Kew** congratulate reserves **DVC** and **HBF Alex Drago** on playing **100** games recently against Elsternwick.

## FINALS ELIGIBILITY

**Finals eligibility rules are found under Rules 51-55 of the Association.**  
**Below is a brief summary.**

**Senior** - (1st XVIII teams) Any registered player with a permit can play finals (except AFL/VFL players with a permit – see below).

**Reserve** - (2nd XVIII teams) Players must be registered and must have played at least four (4) reserve grade matches and not more than ten (10) senior matches in the home and away games (first round).

Where both first and second XVIII's are playing on the same day the reserve grade player must only have played two (2) games in either the seniors or reserves to qualify.

For clubs with teams drawn in semi finals on different days of the same weekend (ie. 1st semi Saturday, 2nd semi Sunday – read as above teams playing on the same day).

**Under-19 teams** - Players must be registered and hold a permit. If a player has played an aggregate of more than 5 senior and reserve matches he must have played more than 5 Under-19 matches during the season.

If a player is ineligible due to having played more than 5 senior and reserve matches and does not gain selection in his club's senior team in the first second round match, he is then eligible to play in any subsequent Under 19 final.

Where a team has (2) U19 teams or is involved in hybrid arrangement, the following shall apply.

Where a club has two U19 teams a player must have not played more than 10 matches with the U19 1 side to play in the (2) team.

To represent the hybrid team in the finals the player must have represented the hybrid team in (5) first round matches – not including finals.

**Club XVIII teams** - Players must be registered and have played

in at least four (4) Club XVIII matches (for the team they wish to represent) and not have played in more than a total of eight (8) senior and reserve matches during the first round.

Where a club has two or more Club XVIII teams a player must have not played more than 8 matches with (either of) the higher placed side(s) to play in the lower team's finals - if teams are in different sections.

*Where both Club XVIII teams are in the same section the following to apply:*

(i) A player cannot alternate between teams after June 30. Once he plays with a team after June 30 he can only represent that team for the rest of the season. (ii) the player is only allowed to play finals for the team they represent after June 30, (iii) to be eligible for finals with either side, a player must have played a minimum of 4 matches with the side they wish to represent and (iv) the player must have played more games for the side they wish to represent than the other club side in the same section. All Club XVIII teams will be limited to 22 during finals.

An **AFL or VFL listed player** will be eligible to play in the finals for his VAFA club as long as he has played a minimum of five (5) VAFA matches for the team he wishes to represent in the finals. At least two (2) of these matches must have been played after June 30th. If the player wishes to play finals in the U19, these 5 matches can be played in the Seniors or U19 with Reserve Grade matches not counting. This applies for TAC Cup players as well.

A **TAC Under 18 player** must have played five (5) VAFA matches for the VAFA team he wishes to represent in the finals. For TAC players there is no requirement to play a certain number of matches after June 30th.

by Steve McCarthy & Leah Gallagher

## VAFUA Pre-finals Dinner & Presentation Night

A great night was had by all last Monday at the Victorian Club as the Umpires "Night of Nights" once again proved to be a winner. Awards on the night were as follows: Life Membership – **Bernie Hoare & Anthony Simpson**. Ten Years Service – **Ken McNiece, Dash Pieris, Robert Sneddon & Paul Withington**. Golden Whistle Award (encouragement award for an umpire with the most potential to umpire at the highest level) – **Lucas Robson**. Most Improved Field Umpire - **Jamie Mayhew-Sharp**. Most Improved Boundary Umpire – **James Scully**. Most Improved Goal Umpire – **Michael O'Donnell**. Best First Year Umpire – Michael Hegan. Andy Carrick Award (to an umpire from the lower sections who performs admirably each week without reaching the higher sections) – **Anthony Lilley**. Bob Dunstan Award (for exceptional service to the VAFUA) – **Paul Jones**.

Well done and congratulations to all the recipients. And a big pat on the back for the organisers of the night, in particular Anthony Damen of Personal Mortgage Managers for ensuring a smooth-running event.

### It's here!!

Can you smell the fresh cut grass; can you hear the Rocky theme in the background, are more people turning up to training? This can only mean one thing "Number-crunching time!" No, seriously, finals are here and we wish all teams the best with their goals of premierships and promotions into higher grades. For the umpires it is a special time as all that

cursing of Rob Sneddon (our Training Supervisor) as we train is coming to a close and we should give thanks to that.

### Revenge of the ball

Many times as an umpire we think as we are about to bounce the ball "please don't hit me in the head". Well, Paul O'Loughlin provided a different look on it recently when he tried to throw the ball up and it came off his head. Revenge 1 to the ball. Revenge 2 to the Ivanhoe player who was heard to say "good thing about Karma". Maybe Paul can re-enact that move next time he's at training.

### VAFUA Golf Day

**Alan Stubbs** has organised the **VAFUA Inaugural Charity Golf Day**, for **Sunday 8th October** at the **Kingston Links Golf Course**. Hit off at midday. Cost is \$70 which includes:

18 holes of golf, Golf cart hire (because we'll all be weary after a long footy season), canapés and finger food after play.

**Loads of prizes including nearest the pin, longest drive etc.** Sponsored by: **VAFUA**, Negotiating with **Drummond Golf** and others. Strictly limited field so get an entry form from [www.vafua.asn.au](http://www.vafua.asn.au) and follow the links. Entries close September 27th.

This event is open to all members of the Vafa "family" including umpires, players, officials and partners. All proceeds to the Elise Sneddon Foundation.

## And Super Saturday it turned out to be!

Great win by Box Hill North see them finals bound for the first time in their VAFA history. Fantastic game between Eltham and Bulleen with the Turtles securing the double chance whilst the Hawks proved too good for Albert Park. Finally, both Eley Park and Syndal ended the year on a high as they accounted for North Brunswick and Richmond respectively. We also saw Paul Edwards break the magical 100 goal mark, a great achievement.

## Review

Do or die for the Box Hill boys as they welcomed Power House to their home ground. Box Hill have been around the mark most of the year but needed to seal the deal with a win and did they ever do it! A dominant second quarter set the win up with Martini with 7 goals and Beaumont the stars. As noted earlier, Edwards notched his 100th as he helped himself to 7 whilst Edwards and Taylor were also good. The result? We can all do it again next week!

Eltham and Bulleen put on a great show as they fought it out at Bulleen. The margin was never much more than a few goals with the Turtles eventually holding on for a great win. Austin and Thomas starred in defence for the Turtles whilst the ever reliable Trinchi and Conn were Bulleen best. End of the road for the injury ravaged Bulleen whilst onward for the Turtles.

Albert Parks slim finals chance was blown early as Hawthorn shot out of the gates. Lauletta and Pritchard starred for Hawthorn whilst McIndoe and Bennett were the Falcons best. None the less, good finish to the season who will be looking forward to a Commonwealth games free pre-season in 2007. Great finish to the season for Eley Park as they upset North Brunswick. Viola starred with 6 and was ably supported by Silvers whilst North's best was Sorletto.

Finally, Syndal also had a great finish as they beat Richmond by 9 goals. Zuccaro and Speakman were the best for Richmond. Syndal were a tad disappointed with their year whilst Richmond saw some improvement. Good luck for 2007!

## Preview

### Second Semi Final

Hawthorn and Eltham clash with the winners taking the short trip to both D3 and the grand final. The sides split wins this year along home ground advantage lines and look evenly matched.

McClaren and Blagrove are the keys up forward with both being particularly strong overhead. The goal scoring options are boosted by Turner who whilst spending plenty of time on the ball also bobs up consistently on the scoresheet. Galvin and Foo are the midfield stars with pace to burn. Down back,

Runco is the general and Ogilvie a willing lieutenant in ensuring the tightest D4 back line is kept in shape. Hawthorn has the trio of Lauletta, Tyson and Jackomos up forward with the result that they have been the highest scoring side in D4 (highest in the VAFA in fact). Ruckman Dawson and midfielder Aitken tend to get the Hawks moving whilst Ogge and Ridley hold the fort down back. The Turtles had a bit of a mid-season slump before bouncing back in recent weeks whilst Hawthorn had a slow start before getting on a big roll towards the back end of the season. Not sure at all. Maybe Eltham.

## First Semi Final

Round 18 was just a dress rehearsal for Box Hill North and Power House as they meet again in the first week of the finals. The House have been a bit stop start in recent weeks with a few injuries not helping. No surprise in suggesting that Edwards is both the star and the key. He certainly is the main avenue of attack with the next highest goal kicker being on 18. Taylor and Cooper are the other main avenues and will be looking to play key roles in the next few weeks. Haseler is as honest as they day is long in the ruck whilst wingman Brady

Hyndman, James	ELTHAM OC	0	27

"-" results weren't received. Any discrepancies may be due to non-submission of results by clubs.

reminds me of the Eveready battery, he never stops! Down back, the creative Sosic and human blanket Boland are the Houses stars.

Box Hill North have been a bit up and down but proven to be on the mark when it matters. The best D4 small forward in Penny complements Martini (almost certainly in the team of the year if not for a few injuries!) whilst the enigmatic Langley is also dangerous. The midfield oozes class with the likes of Ball, Irvine, Odza and Riscalla stars. Down back, Liston hasn't been beaten too many times at Full Back.

Can the House turn the 8 goal defeat around in the space of a week? My biggest concern is that Edwards was great last week and the House couldn't get over the line. Going against my words of a few months ago but might have too go against the House, Box Hill North for me!

Finally, in the magoos, Eltham should defeat Power House whilst Hawthorn should keep their season alive against North Brunswick.

Anyway, don't forget you can get a hold of me via either 0418348723 or ed.sill@locker.com.au

## M I MILESTONES E S

**North Brunswick - 50 Games Ahmad Taha** Well done to 'Taxi' for reaching the half century, an elusive left foot half forward he has been one of the reasons why North are challenging for a Reserves finals position. This season he has also taken on coaching our Under 10s leading them to a preliminary final. He has also been part of the committee this season he has shown that he is Green & Gold through & through.

**50 Games Luke Spano** Well done to Lukey for also reaching the 50 Games milestone. A regular senior player his dash off half back has been very good. With some pre season work he will no doubt cement his spot in the ones. An ever present at club functions his dedication to the club is never in doubt. Always smiling & friendly he is well liked & respected at Allard Park.

# F.I.D.A. REPORT

## WHAT A WEEK OF SEMI FINAL LADIES AND GENTS

We witnessed a few great upsets, and saw some even better and tougher footy. All players that took the field down at Parkville two weeks ago showed what we had all been anxiously waiting for and that's to see these boys/girls to give it all they have got and just that little bit more in order play in the Grand Final of 2006.

I must and fore most congratulate all the teams on making it thus far and hopefully many of the 2006 players stay on to play with us in the years to come.

Well done to all the teams, unfortunately only 2 teams can play in a Grand Final and I strongly remind players that the should not drop their heads on not making it this year, but come out firing next with the goal of reaching the Final's at the end of the 2007 season.

### Grand Final line up and game times, are as follows:

#### Division 2 - 10.15 a.m.

Port Colts 1 Vs Broadmeadows 1

#### Division 3 - 11.30 a.m.

Ovens And Murray Jets 1 Vs Mambourin Tigers

#### Division 1 - 12.45 a.m.

Kananook 1 Vs Ballarat Knights

I encourage all players and supporters of the FIDA competition and even those bystanders that wish to find out more about this fantastic opportunity that allows a diverse range of people with intellectual disabilities to play the game they love Aussie Rules Football, get down to Elsternwick Park on the 3rd of September and cheer on the teams as the battle it out for the 2006 premiership flag.

Also a note also a Special end of year Dinner and Fundraiser will be taking place on the 14th of Sept at Hawthorn Receptions.

**UNDER 19 (1)  
Review**

**A real premiership performance by Xavs over at sunny sunbury.** Booting eight goals to one in the first quarter, they blew any chance Rupo had early. Stevo Doyle jugged seven of the best and sensational all day. He was not alone, ably helped Henry Whiting, who ripped it and the ever reliable Richie Benson taking his season tally to 76 – terrific performance.

Blues only just scrapped in over St Kevins at the Craw. Four goals up at three quarter and the opposers put up a fight...a real fight. Not enough though. David Wood was adjudged best on, while captain Diarmid Hayter was also handy.

A scare for De La at this stage of the season, only just overcoming St Bernard's. Behind until the last stanza, De La booted five majors to one in the last. James Crowe kicked three and was given the honors, while James Pitcher, Jacob Gotch, and Nick Roberts were also in fine form. In other games, Collegians toned Old Scotch and Marcellin bored all with a win against BV.

First week of the real stuff – get to Junction Oval Sunday 3rd September. Its going to be a cracker of a day. A day that will showcase the strength of U19 football within the VFA.

11:20am will see University Blues take on St Bernard's. The Uni have been strong of late, while St B put in a brave fight against De La last week. I can't tip against my brothers. I'll take the Blues, but I fear a means to an end come next week.

The main game 2:00pm. Battle of the thumpers! Xavs take on De La. Two months ago I may have said De La easier than Bomber Bill in a class 6 at Casterton. Now I say Haradasun! Xavs are strong all over the ground. Benson will need to be shut down, while Dom Quinn, Alex Ross, Luke Kelly.....(I could go on) all need to be stopped. Have a week off fellas.

Lock of the week Dogs to beat Essendon. Please let me know any suitable players for the U19 team of the year by early next week [beatonc@tabcorp.com.au](mailto:beatonc@tabcorp.com.au). Happy punting!

**UNDER 19 (2)**

The OM's outclassed a disappointing Raiders outfit by 6 goals. The midfield that dominated the first half of the year - Kennon, Playfair and Morrison never let the home side in.

Camberwell knocked off Carey by 33. Hillier dopped 4, stealing the Golden Boot from Bull, who was appropriately playing down the other end. However it's the last time the Wellers will grace Barnard Reserve, so they should be re-planting turf at Trinity.

The Friars toppled the Fielders by 23. The Sharks couldn't save relegation doom, against the Tonners. And finally the OT's dropped out of Section 2 with a BANG, delivering the Blacks a 140 point towelling. Banfield (6) and Stockdale (2) starred in Trinity's last gasp of Section 2 air.

Four sides left on the track and you can feel the tension in the air.

**First Semi - Paradians vs Camberwell (2-0)**

The Raiders have that consistency across the board with very few weaknesses at either end. Spinner's boys pose problems for any backline. The Wellers on the other hand have won their last 5. Full forward Hillier has been a revelation for Coach Clarke. But Camberwell will need to adapt to Marles Playing Fields quickly to have any chance. Parade by 14 points in their 11.20 start.

**Second Semi - Carey vs Melburnians (1-1)**

With the likes of Bull, Elliot, Wagner, Parker, McQueen and Smithwick, the Panthers have been the yardstick all year. The OM's were

unstoppable in the first half of 06, but a streak of poor performances has made them look even mediocre at times. The victory against the Raiders at the weekend will give them confidence but I think Butch's Panthers have the heavier artillery. 5 goals and into Section 1. **1st Week of Finals**

**UNDER 19 (3)**

My tipping this season has seen me finish on top with 81% (with finals to come), just ahead of the VAFAs's favourite scribe Ed Sill and other fancied rivals in Horn, Healy and Cameron. E.E Gunn Reserve saw Oakleigh defeat a potential final's rival in Ormond, with Christopher Meyers booting 5 for Oakleigh and Joshua Derks-Revere completing a stellar season with another best afield performance. Other final contenders included St. Bede's Mentone, who scored an easy win over Emmaus St. Leo's with Lynch, Bodinnar and Andrews all kicking 5 for SBMT, while Old Ivanhoe were miserly in defence this week as Robert Hondromatidis and co held MHSOB to only two goals for the match. Hayden Dekretser slammed home 6 goals for Old Ivanhoe while Andrew Lim finished off well with a BOG performance for MHSOB. Finally, La Trobe beat Old Essendon but not by much, while Ajax ended Benteleigh's disappointing season by defeating them by 3 goals.

The first Semi Final sees Old Ivanhoe take on Ormond at 11.20am at Gerry Green Reserve in Parkdale, a game that will see the loser eliminated and the winner fight another day. Goal kicking gun Kyle Ellis has not played the last couple of weeks which may hurt Old Ivanhoe but with the likes of Hondromatidis, Dekretser, Bodycoat and Page-Wood, they still have plenty of class. Richard Keane is Ormond's wild card and with the help of Te Hennepe and Holman they are definitely a chance to progress to week 2. However, Old Ivanhoe for mine by 17 points. The second Semi has the two gun teams pitted against each other in Oakleigh and SBMT. The 2.00pm game will be a cracker with both teams playing for the week's rest, a game that could well be decided on which gun forward bags more goals, Oakleigh's Lee Barrand or SBMT Mitch Bodinnar. Oakleigh won their first encounter by 41 points at home, however, SBMT turned the tables at their home to record a nail-biting 5 point win. In a game that has too many good players to mention, I think it is a toss of a coin result and I am tipping SBMT to win but by only 4 measly points. ### Review

Mazenod jumped out of the blocks against Powerhouse/Sth Mornington and dominated the first 10 minutes of the game. They then struggled to impress for the majority of the first half as Powerhouse/Sth. Mornington showed plenty of run and style. The second half was a more consistent effort with Mazenod maintaining an open forward line with Klavins and Davis scoring 10 between them and backman Adam Weekes stopping many attacks to help Mazenod take the win. A final warm up before De La's finals campaign saw the Golds travel out to Monash Uni and supercoach Paul Lourey had the De La Boys up and going and by half time they had a match winning lead. De La won easily as once again their midfield stood up, led this week by Mark Gomezil and well supported by Edwards, Semmel and McKenna. Hampton finished their season with an easy win over Parkdale while Oakleigh Clayton forfeited to finals bound Old Mentonians.

### Preview

Friday night under lights and don't bother heading to the Telstra Dome but instead to the home of VAFA football, Sportscover Arena, to witness the clash of the titans in Old Haileyburians and Mazenod. The first time these two teams met, Old Haileyburians had Mazenod covered by 47 points at home, however, Old Haileyburians had it much tougher away from home when the two teams met again when they held on by a solitary behind. Old Haileyburians have many star players including Wright, Criticos, Johnson and Dolman, and they all would have enjoyed last week's rest to get over any niggling injuries. While the likes of gun forward Bogar and teammates Klavins, Weekes, Stanley and Castledine will keep Mazenod in this game for a long way, their less than impressive performance against lowly Powerhouse/Sth Mornington last week sets alarm bells ringing for me. Old Haileyburians by 15 points. The do or die first Semi Final at Scammell Reserve sees section surprises Old Mentonians take on De La in a clash that could go either way. Contrasting results between the two teams saw De La thrash Old Mentonians by 77 points away from home, while Old Mentonians returned the favour with a 98 point turnaround to win by 21 points away from home. This game is a real tipping nightmare with both team's form not really indicating who would be favourite for the game, however, that said I must tip one and it will have to be Old Mentonians but by less than a goal. All reports to al\_vafa@hotmail.com by 5pm Monday.

## UNDER 19 (RED)

The Xavs dropped to 4th after going down to the Reds by 7 goals. For Fitzroy, Beech (5) Bombaci (4) and Olarenshaw were match winners. Tom "MC" Lee took out the Golden Boot for Xavs. A 7 goal fight back almost freed the Old Saints from the Spoon, going down by 10 points. Adams kicked 5 for the Old Saints while Costello booted 8, 47 all up. A 96 point drubbing saw the Aquinians belt the Woodsmen. Naulty (5) and

Scott Kenner (3) kicked the majors for Aquinas. While the Bullants were tested before finals travelling out west and winning by 2 goals. In perfect conditions both sides fought out a physical, in and under brand that resulted in several casualties.

## First Semi - Bulleen Templestowe vs Xavarians (1-1)

The Bullants haven't lost since Round 12. Sporting a potent middle and forward-line, September could be very kind. Haven't played finals for a while so Coach Harisiou needs to keep them in check. The Xavarians have had a remarkable re-entry to RED, but have slowed down, with fitness questionable. Full forward Lee needs to get his mitts on it early. Bullants in a close one. (Good luck getting up for that early start boys)

## Second Semi - Fitzroy vs Aquinas (0-2)

The Reds have all the right ingredients. They display speed and strength all over the ground and mark very well over head. Ligris, Donato, Beech, Olarenshaw and Bombaci have had big years and will be big factors. But, their Achilles Heel is Aquinas. The Reds have lost their only two encounters to the Aquinians and will be going into this game with an annoying little monkey on their back. The Aquinians have not lost a game since Round 5. Maaskant Ragozinni, and Cross will be names to watch. I'm gonna go out on a limb and say Aquinas straight to the Granny. berneckich@netspace.net.au

# CLUB XVIII SECTION

by Norm Nugent

Another season has ended on a high note with record crowds witnessing two close struggles for ultimate success in Season 2006. Section 2 after providing such a thrilling final four contest for several weeks, saw the widest winning margin in the three Sections.

## Section 1

At half time, in the minds of all but the Prahran players and their most optimistic supporters, it seemed Old Xaverians were well on their way to a comfortable victory as they held a commanding 37 point lead. Their captain Patrick Hall was roaming the forward line and in addition to kicking three goals himself, he set up several more as Perry, Davies and O'Kane marked well and constantly sent the ball forward. In the opening quarter, Old Xaverians moved the ball quicker and were on the look out for creative handballs to put the Prahran defenders under pressure.

Prahran's third quarter efforts were thrilling as they moved the ball quickly and their star forwards, Butterworth and Cartlidge marked strongly and featured in many forward thrusts. Prahran added six unanswered goals, and by half way through the quarter Prahran had snatched a narrow lead. Only a late goal by Patrick Hall restored the lead to the Xaverians, who were 6 points in front at the last change.

More drama unfolded during the break, when it became known a Xaverian player had been reported and sent off for the statutory fifteen minutes. Prahran took advantage of their extra player and Limoli goaled on the run to tie the score. Prahran edged ahead through a goal to Stephens, who received from the combined efforts of Cartlidge and Butterworth. Davies, through a long goal, reduced the Xaverian deficit to one point before Morton to Cartlidge to Butterworth resulted in another Prahran goal. Enter Dan. Rush, whose singular efforts, erased the Prahran lead and put Old Xaverians in front by thirteen points. In a frenetic seven minutes, Rush added twenty points off his own boot to turn a seven

point deficit into a 13 point Old Xaverian victory. Little wonder, he was awarded the medal for being best on the ground.

Old Xaverians had other stars in Captain Patrick Hall (4 goals), midfielder Perry and forward, Davies.

Prahran were gallant in defeat and their performance was a meritorious one as they achieved many things they were considered incapable of producing, e.g. a spirited comeback from a 37 point deficit as well as their determination to continue to attack throughout the final quarter. In many ways to quote Winston Churchill, this was Prahran's finest hour and their valiant efforts will long be remembered. Their best were defenders Chris Morton and David Green as well as ruck rover Jason Storer and forwards Brett Cartlidge and Dave Butterworth.

Congratulations to the Old Xaverians, who won their thirteenth premiership in fifteen seasons.

## Section 2

Mt Lilydale quickly raced to the lead and were never headed by Monash Blues, who despite striving hard fell further behind each quarter. The Monash defenders could not negate Justin Roberts and Pat Carolan, each of whom kicked five goals. Around the ground, Mt Lilydale Captain Michael Rhodes dominated the aerial duels and clearly earned his Best on Ground Medal.

With a seven goal opening quarter by Mt Lilydale, Monash were forced into having to play catch up football for the remainder of the match, which was a task well beyond them on the day. In the end the Lilydale based side won by 52 points.

Congratulations to Mt Lilydale, who have come back from near oblivion over 2004 and 2005 to have won fourteen consecutive games, which culminated in the club's first premiership. Monash Blues were the top placed team throughout the season, when they only lost to Mt Lilydale, albeit thrice.

Best for Mt Lilydale were Michael Rhodes, Damian

Marotti, Chris. Gibson and Chris. Williams. Best for Monash were; Nick Costello, Steven Mentha, Matt. Riddle and Hayden Butler.

### Section 3.

In damp conditions under lights Old Essendon scored a 27 point win over a valiant Fitzroy Reds to win the Section 3 premiership. Old Essendon, learned from their only reversals of the season (The Reds defeated them twice!) and started the better with the dry ball. At quarter time Old Essendon led by 14 points. The Reds had the better of the second quarter duels and trailed by ten points at half time. The margin remained the same at the last change after the Reds had moved to within a point during the quarter. The last quarter saw the Reds in attack for several minutes before they could goal to be within a kick of the lead. Old Essendon forward Craig Morgan steadied his team with a left foot snapped goal. The Reds, despite several attacks could not penetrate the Old Essendon defence and with time elapsing Old Essendon forwards made the most of their late opportunities to add another three goals to widen their margin to 27 points.

Congratulations to Old Essendon, who as their coach John Rush mentioned post game, struggled to field eighteen players at the start of the season. Their best were Blair Cariss, adjudged Best on Ground, Brett Papal, John Hughes and Brett Turner.

The Fitzroy Reds or "The Perspirationalists", according to their President, have enjoyed another successful season and just failed in the second round after having beaten the eventual premiers twice in the first round.

### Thank You Time

As I conclude my twenty first season as a columnist, I thank my readership for whose dissection the column is written. Without you there would be no need to write! My regular correspondents have supplied a myriad of details and have certainly given invaluable assistance with best players, milestones and goal kickers. I thank them most sincerely. They have been: Bernard Dunn (St Kevin's), Simon Fisher (Mazenod), David L'Huillier (St Bede's, Mentone Tigers), Leon and Janet Collier (Monash Blues), Norman Elliott (Whitefriars), Andrew Vincombe (St Bernard's), Bob Lyons (Therry Penola), Robert Wright (Old Essendon), and several others whose correspondence was sporadic. A special thanks goes

to Umpire Coordinator, David Windlow, who never failed to send reports from many matches to enable a wider coverage of games in this column. Until 2007...Hail and Farewell.

All nominations for Sectional Teams of the Season should be sent to Jeremy Bourke via jeremy@vafa.com.au
