# Editorial

There have been a number of causes and issues that the VFA have embraced over the past week. It makes me proud to be part of a community when in times of need one puts others before themselves.

This was no more highlighted than in the life of Brendan Keilar. A former University Blacks best and fairest winner, he continued his involvement in the club as a volunteer goal umpire in the Under 19's and as a member of several past players groups which continued to enjoy each others company whilst contributing to the football club.

It was a fitting tribute that all of the VFA clubs combined to pay respects to him before each of our matches last weekend. We have been encouraged by the magnificent support of the community towards the University Blacks Football Club and we will work together to ensure a fitting memory is bestowed upon him.

Last Sunday at Sportscover Arena, Professor David Hill, Director of the Cancer Council of Victoria, tossed the coin before the University Blues and De La Salle match. The majority of out clubs got behind the Call to Arms project, instigated by the Essendon Football Club to promote the awareness of cancer and in particular Men's Health. All players in the VFA wore yellow arm bands to highlight the cause.

This is a lead up to the AFL match last night between Essendon and Melbourne. Adam Ramanuskas is the patron of this cause and at the time of going to press he was in line for his return to the AFL for the match. Historically men have been far more difficult to reach than women and through this project more males will hopefully reduce the risk of cancer and let them know where to turn for information and support. Throughout Victoria over 2200 teams registered their support for the event.

On Monday night all club presidents were invited to an information evening on the usages and effects that illicit drugs are having in the community. This was not a

compulsory event and I was delighted that approximately sixty of our clubs were represented. This shows me that clubs have a sincere interest in looking after their players as a whole and not just the footballer. It is tremendous if a player has footballing talents and he helps your team win matches, but it is more important that he is a good person who makes a positive contribution to the football club and the community.

Detectives Dale Flynn and John Hunter from the Purana Task Force volunteered their time to come and speak to the presidents about their responsibilities in identifying people in their club who may be using or even dealing in drugs. Over the past twenty years we have focused our energies initially on the Quit Campaign and then the responsible serving of alcohol. Now is the time for all to become more aware of the drastic effects that drugs are having on the behaviour patterns of our youth and the long term destruction it can cause.

The VFA's objective was to give the senior people at our clubs more information so that they can in turn help educate their club so that everyone can enjoy the sport without fear. It would be easier to ignore this issue and leave it up to individual clubs to handle it in their own way, but we believe in bringing this issue out into the open. If any of you know of players who may be experimenting with drugs, let the leadership group of your club know. Don't hide it and hope it goes away as we know recreational use can quickly become an addiction and can have disastrous results.

Both the men from the Purana Task force who visited us did so in their own time. Unfortunately the government doesn't fund this education so we are extremely indebted to them for giving up their evening after what would be a stressful daily job.

Amateur football upholds many great virtues and paying twenty year old footballers a couple of hundred dollars a week to play a sport that they love baffles me. The money they are paid, I'm sure, does not go into a superannuation account. That extra cash is spent on other things that may not be teaching them the correct values of life.

## Singing the Blues

I'll put my hand up; I turned up to the 'Wick expecting **Uni Blues** to smash **De La**. I didn't bank on **Shields** and **Demetriou** playing for De La and certainly didn't envisage the quartet of **De Crespigny, Paton, Lowcock and Sturrock** sitting it out for the Blues. But so it went and the rest (and perhaps Uni's season) is history. Much like they did against Brighton a month ago, De la simply shut down the students who couldn't hit a target to save themselves. **Dan Keely** picked up 39 touches for De La, the ageing matador **Jeff Morel** (state selectors take note you charlatans!) was impenetrable across half-back and **Ben Corin** set up many a thrust from deep in the backline. They're a different team with 2006 B&F **Aaron Shields** back in the side can't be too harsh on a Uni side missing three of the best forwards in the caper but they were very ordinary.

**Collegians** sure do like a scrap and you'd back 'em every time in a close one. I caught some of the reserves game on Saturday and their twos were wiped off the park – "These cats don't have a prayer", I told myself, before almost sparking a six car pile up on Orrong Road. But as Haileybury proved last year, having a good reserves team isn't the be all and end all. And so, on a rotten old Toorak Park, they played a blue-collar game to knock off a **Xavs** side that stuffed around with it far too much. **Shura Taft** kicked several crunch goals for the Lions and youngster **Daniel Strachen** got the nod as best afield. They've slipped under my guard, no question, but now for the back nine.

Scotch assistant coach **Robert Gross** was a guest on Inner FM on Saturday morning and was measured and well spoken, a far cry from his performance at the **Carringbush Hotel** last Grand Final day. Rob mentioned that the **Cardinals** will be one to watch in the second half of the year, with key players returning etc. But they'd want to get a hurry on. For the second year running, **St Bernards** tamed the Reds, setting things up with a blistering eight goal first term. **Josh Madden** apparently played a belter, kicking four goals as a ruck rover while **Hamish Dick** and **Ben Doherty** snagged four apiece for the losers. **Bernards** keep proving me wrong though what's new about that?

**Brighton** had a ten-year premiership reunion at Melbourne's coldest establishment as the guns of yesteryear rugged up to behold the latest crop of Premiership aspirants. And mighty impressed they would have been, as Brighton turned in arguably their most impressive performance to date, despatching a more than handy **Trinity** side halfway across Port Phillips Bay. **Nick Marston**, who has filled the role of full

back for most of 2007, enjoyed a rare treat up forward and finished with six while **Jon Perrett** and **Leigh Hendra** dominated

proceedings in the middle. **Andrew McGuinness** had the better of his state-under 19 team-mate **Brendan Iezzi**. **Trinity** are in real strife now but any side with **Cultrera** in full flight is still capable of upsets so don't write them off yet.

You can write **Haileybury** off though. They've cactus. And with mainstay **Kynan Ford** off to Tasmania, you wonder how much worse it can get. Who's gonna save the day – **The Big Foo? King Wally? Jeremy Bourke** in his VAFA sweater? To their credit, they're still fighting out games and doing all they can to defy the odds but it is a remarkable set of circumstances. And isn't amateur football a strange beast – about a month ago they ran ladder leaders **Collegians** all the way at the Badlands and would have pinched it if not for some controversial decisions. On Saturday they had the misfortune of running into a rampant **James Hope**, who is supposed to be resting a degenerative knee injury Haileybury outscored the Hoers after half time but by then the horse had bolted.

## Hang on didn't we play a fortnight ago?

Go to the top of the class young man. But such are the quirks of the VAFA draw.

So let's tip Collegians over Uni, Scotch over Trinity, Brighton at the Badlands, Ivanhoe in a tight one over De la and just for a change go against St Bernards and select Old Xavs at the Snakepit.

## M I MILESTONES E S

**Old Trinity** would like to congratulate **David Burrows** who played his **150th** game for the club against Old Brighton last Saturday. David began with the Club straight from school in 1996 while playing for Oakleigh Chargers and by 1997 was a regular in the senior side. David was a member of the 1999 B Grade Premiership Team and in 2000 won the Club's Best and Fairest Award playing out of the back pocket. Despite missing season 2001 with glandular fever David has always been a solid contributor to the club and was senior Vice-Captain in 2003/4. Well done David."

The **Old Scotch Football Club** wishes to congratulate **Nick Allen, Hamish Dick, Tim Keck** and **Sam Troon** on recently reaching their **50 game milestone** with the club. Each has made an outstanding contribution to the club in the early stages of their careers and we look forward to their continued association for many years to come.

So we start the run towards September with all finals positions up for grabs while a couple of clubs are now involved in the intriguing battle for survival.

**REVIEW**

An unfortunate accident in the first term slowed proceedings down at Sportscover Arena. Trust **Jason Seidl** and **Hamish Turner** are making speedy recoveries. The Jackers got off to a good start but OMS with a few quality players back took the game right up to them, hitting the lead during the third only to see it snatched back by the Jackers who were pleased with their last stanza. **Yuzza Rapoport** performed some magic marking, Ben Kalmus was good down back, **Sutton** and **Bleiden** had mud baths, while **White** had an enthralling battle in the ruck against a quality player in **Dixon**.

Seven changes in a side from one week to the next certainly had an unsettling effect for Beaumaris who just could not get into the game against Uni Blacks. The Blacks well drilled running from the backline proved too big a hurdle for the Sharks to overcome. Bryce Shaw kicked a lazy 8 for the second time this season, **Andrew Torney** and **Luke Van Kempen** went well and two of the lesser lights in **Don Barlow** and **Brenton Lawless** were invaluable. **Sean Coote** and **Chris Waller** were Sharks best, with Matt Duggan and **Nick Henry** trying hard.

Had Caulfield Grammarians who dominated the first 10 minutes kicked straight and put scoreboard pressure on OEG we may have had a closer result. But after that it was all OEG as they clinically disposed of the home side who, to their credit, hung in there and kept attacking. Sign of a good side that has different players in their best and different sharpshooters each week. **Sculpture Wilson** did a great job in cutting down Sinclair, while **Biggsy the Balistic**, **Moosh Day**, **Teflon Teal**, **Soda Frazer** and the **Weapon Goulet** all in the best. Andrew Docker was resilient down back along with **Luke Browne** and **Andy Lawson** who never stopped trying.

**Andrew Scafidi** would have been the most popular man in Mentone on Saturday Night with his goal with some 2 seconds to go, sealing Marcellin's fate and giving SBMT another important win away from home.

It was pretty close all day between two very good sides. **Paul Groves** did his Rep chances no harm with 4 goals, while **Damien Waters**, **Tim McColl** and **Robbie Swain** were also fine contributors.

MHSOB possibly let another one slip when after battling hard all day to secure an 8 point buffer at the final turn, could not hold off the fast finishing SKOBS who from the 25 minute mark in the last scored 3 majors. **Fields**, **Murphy**, **Conlan** and **Gino** were good for the victors, with **Wiseman**, **Lachie Evans**, **Steve Villani** and **McIntyre** played well for the Unicorns.

**PREVIEW**

Everybody will be very familiar today having seen each other only 3 weeks ago. Will any lessons have been learnt and results reversed???

Ajax head down to Brindisi Street full of confidence after their 95 point drubbing of SBMT last time. Can they repeat the dose? I'm not so sure as the Tigers

“..” results weren't received. Any discrepancies may be due to non-submission of results by clubs.

will have up to 8 different heads in the side today from that clash, and good quality ones at that, doubled with the excellent home ground advantage sees me tipping the first reversal.

Old Melburnians have been close in the past fortnight and will be pretty keen today to return to the winners list. Plenty at stake in this game as the winner takes a 4-point buffer on their rival. It promises plenty but one feels the Sinclair factor could be the biggest influence, as they won't have 2 quiet ones in a row so I think Caulfield can win.

SKOB head north to tackle the Section leaders in their own backyard. Pretty convincing win by OEG at the Rat Cage has me fairly emphatically thinking they can repeat the dose at PEGS. With some outrageous talent to return to the side this week it's looking pretty bleak for the boys from St Kevin's.

Another big one at the postage stamp that is MHSOB. This is a must win for both sides if they are to remove themselves from the dreaded relegation zone. Both sides have been getting close enough but not quite far enough and are now in desperate need of 4 points. The Sharks need a few of those 7 back to be in with a chance. Always wear the old heart on your sleeve when two of your old sides clash so in a close one Beauy just.

It hasn't been a good three weeks for Marcellin. After a good start they now find themselves out of the Top 4, and with a pretty tough assignment at the Uni Oval against the Blacks who have been pretty impressive. It is a chance for the Eagles to get one back on SKOB who face a tough one a few miles away. But winning form is good form and I just can't go past the Blacks at this stage.

# MORE 1%ERS

1. Don't be casual about any cut or blister. They may become infected and put you out for a week.
2. Whilst we must play and train with aches and pain at times, don't be careless with them. Get them looked at promptly and cleared up quickly.
3. Centre square line infringements would almost have to be the biggest football "crime" ever.
4. Other huge football crimes are:-
  - a.) Kicking into the man on the mark
  - b.) Kicking out of bounds on the full when under no pressure (set shot from the boundary line may be excused)
  - c.) Knowing you have broken well clear and kicking the ball straight to the opposition.
5. Players who are alternating with on-ball players should specifically look out for them at least once a minute.
6. Bring to training an enthusiastic attitude. Show everyone you really want to be at training.
7. Be a self starter. Don't wait for someone to switch you on. That sort of stuff is for little kids.
8. Think about training. Think during training.
9. Listen to the coach. It's your responsibility, as well as his, to make sure you understand. Don't lack the courage to ask.
10. Many private things happen in your club. Keep it that way!
11. Every 5 minutes in a match ask yourself about the basics. Am running enough? Am I concentrating enough? Am I getting in fast enough?
12. Get up off the deck as soon as possible. You are out of business there and we are down to 17 men. Don't go to ground. Try and keep your balance
13. Never show the opposition that you are hurt. Get up quickly and cover your pain.
14. Show your enthusiasm when a team mate kicks a goal, or exhibits great courage, or delivers a good knock-on, etc.
15. Don't go for pin-point short passes, unless it greatly increases the goal face to the player taking the set shot.
16. If you have a problem, tell the coach, not everyone else.
17. You are responsible for communicating with the club, as much as the club is.
18. Never use one hand if you can use two.

**We Are Not Playing For Draft Picks**

In recent years there has been much debate about the ease of access to early AFL draft picks which seem to provide a reward for struggling to be competitive. By this stage of the year supporters at some clubs recognise that a bottom four finish may actually be crucial for future success.

A completely different scenario exists within the VAF A where clubs are certainly not playing for draft picks and tanking is just not an option. A key component of amateur football and possibly the factor that makes it such a dynamic competition is the system of promotion and relegation.

By midseason there are normally two separate competitions taking place within each grade. One group of clubs are fighting for a traditional top four spot with the prospect of finals and a chance to be promoted. Another group is engaged in an equally fierce battle where the reward for failure is relegation. Rarely will a club find itself in neither category and usually a couple are potentially members of both

groups.

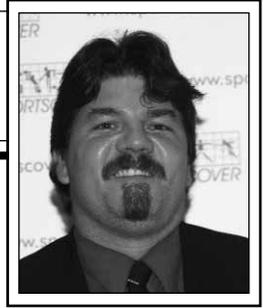

These internal battles keep the competition alive and a club inside the four may discover that the team sitting 8th or 9th can be a far more formidable foe than a side located 5th or 6th. Unexpected results always occur late in the year and not long ago an A Grade side avoided relegation by defeating the eventual grand finalists in the last two rounds.

As the second half of the season commences it is now our turn at MHSOBFC to fight for survival. We owe it to ourselves and our loyal supporters to demonstrate to opposition teams that we are a worthy member of the B Grade competition.

## MID-SEASON ASSESSMENT

It was the popular working-class Italian-American wordsmith Jon Bongiovi who said "Oh, we're halfway there, whoa-ho, livin' on a prayer", and while some teams have had their prayers answered thus far, others find themselves at the halfway mark in a less than divine position.

Newly promoted Rupertswood have clearly been the yardstick thus far, a perfect 9-0 at the turn, impressing many with their tight defence, hard running midfield and multi-pronged, super-potent forward line. **Star Man: Ryan Monzell PREDICTED ROUND 18 FINISH: 1st**; Pre-season favourite Old Camberwell are travelling along nicely at 7-2, and while some of their thunder may have been stolen by newly anointed glamour boys Rupo, they still have plenty of hype surrounding them. **Star Man: Trent Hobart PREDICTED ROUND 18 FINISH: 2nd**

2006 D1 Premiers Old Carey can also be please with their 7-2 record. Their best chance will come along if they just concentrate on their games and not worry about chasing the teams above them. **Star Man: Chris Laidlaw PREDICTED ROUND 18 FINISH: 3rd**; Ormond hold fourth spot at this point in time, and certainly have a battle on their hands to maintain their position, with ninth-placed Monash Blues just two and a half wins behind. However, on balance, Ormond are the most deserving at this stage, their performances, Whitefriars aside, have been pretty much to expectation. **Star Man: Simon Keleher PREDICTED ROUND 18 FINISH: 4th**

Mazenod, Parkdale & Monash Blues Mid-Season Assessment to come next week!

## ROUND NINE REVIEW

Old Carey hosted Mazenod at Dunshea Oval in a game between third and fourth positions on the ladder. Nodders had their fair share of opportunities in the first half, but couldn't capitalise while the home side skipped away in the second term to a comfortable 52 point win. Panthers' **Chris Angus**, in his 200th game, produced a B.O.G. display and his 60 metre after the siren saw him covered in glory, not to mention his club mates, officials and adoring fans. For the Nodders, **Dave Chamberlain** was a standout, with also **Sam Reed** and **Steve Oldman** amongst their few winners.

Old Camberwell were up against Parkdale Vultures at a freezing cold Gordon Barnard Reserve. The first half was a nip and tuck affair, with the underdog Vultures leading by one point at the main change. The Wells' superior fitness eventually told in the third term with a seven goal to one third term, and maintained that momentum to eventually run out winners by 60 points. **Ross Perryman** was very effective in his 100th game for the Wells, while

**Luke Kelly, Damian McGuigan and Jordan Heffernan** with five goals were also key performers. At Salesian College Sunbury, a determined Monash Blues stuck fast to

Rupertswood for the first half, before the home side got their running game going, taking control of the match in the third quarter and continuing their stranglehold with a dozen majors in the final term to win by 109 points. VAFA U/23 rep. squad member **Leigh Brennan** kicked 10 for Rupo and got great support from **Gavan Moule** and **Lachlan Baddeley** in defence and midfield trio **Ryan Monzell, Rohan Eastway** and **Tom West**.

In other games, Fitzroy Reds and Whitefriars met at Brunswick Street Oval, with a more motivated home side getting over the line by nine points. The highlight for the Friars' was **Joel Anderson's** spectacular goal in the last quarter, while **Ben Janson** and **Luke Swain** also did well for the visitors. North Old Boys/St. Patrick's travelled to E.E.Gunn Reserve for their match against an Ormond combination keen for redemption after their flogging last week. This was achieved emphatically with a 116 point victory in favour of the home side.

## ROUND TEN PREVIEW

Just a quick preview this week, due to my excess verbosity in the mid-season review (and, er, in previous issues of the Amateur Footballer).

North Old Boys/St. Patrick's College meet Fitzroy Reds at Gillon Oval. Fitzroy have their tails up after a couple of recent wins, and against struggling opposition, would fancy their chances to break further away from the drop zone. I do too, so Reds for mine; Mazenod face off against Old Camberwell at Central Reserve. Second tough test in a row for the Nodders, albeit slightly more easier thanks to the home confines. However, Old Camberwell's professionalism should more than negate this issue. I'll plump for the Wells today.

At Frearson Oval, Monash Blues take on Ormond. Interesting to see how the Blues recover from their second half mauling at Rupo, especially with a buoyant Ormond looking to break two games clear of fourth spot. Monders to win; Parkdale Vultures host Rupertswood at Gerry Green Reserve. Rupo have proven they can do the business anywhere, anytime, so the travel to another new venue won't faze them. Rupo to maintain their winning run; Whitefriars and Old Carey clash at Whitefriars College. Friars at home are a potential bananaskin for any team, but I think Carey may be back on track after their comfortable win over another tricky opponent in Mazenod. Carey for me.

## M I MILESTONES E S

**Old Camberwell** congratulates **Ross Perryman** on playing his **100th game** for the club last Saturday in the match against Parkdale Vultures. Ross joined the club in 1999 through our Under 19s. He has been a member of Premiership Teams in both the Under 19s & at Senior level.

**Old Carey** congratulate **Dino Faelis** on reaching his **150th** game today. Din came across from Marcellin in the mid 90s, and quickly established himself as a hard working backman who didn't mind the odd midfield burst.

**Tommy Howgate** plays his **50th** game today. Tommy comfortably made the transition into senior football from the under's last year, where his strength and barnstorming runs stood out and were a crucial element of our senior premiership.

**SUPPORTS THE VAFA AFCA/VAFA COACH OF THE YEAR  
COACH OF THE WEEK - ROUND 9**

## **Fab Gatti – Old Westbourne (D3)**

Fab was appointed senior coach of Old Westbourne in 2006 (5th) after coaching Old Melburnians A Reserve side in 2005. Fab currently has his side firing at the top of the D3 Section ladder with 8 wins and a draw. Fab played 380 games in the Western Region FL for Braybrook and Nth Sunshine as well as 50 games for Melton South in the Riddell League. He coached the Nth Sunshine Reserves from 1994 to 1996 before taking on the Werribee Amateurs U19 in 2003 and 2004. Fab is a strong club man and is developing an exciting brand of football from an excellent group of emerging players. Look for big things from Old Westbourne during this years finals series.

**CLUB WAREHOUSE RISING STAR NOMINATION - ROUND 9**

## **Chris Waller - Beaumaris**

Chris is quite unique in that he played junior football with the Sharks before crossing to soccer, All at the club were unsure of his football abilities when he returned this year, but the results have been more than pleasing. Chris has natural speed, with great eye-hand coordination. He is a one grab player who has "Judd like" skills. If he continues to develop at his current rate he is going to be a very good player for Beaumaris for many years to come. He has already made the Under 19 Big V squad and is playing regular senior football. Coach Russell Barnes is still trying to work out his best position is, but he seems destined for an on ball role. Well done Chris.

# BIG V RECOLLECTIONS

Ormond Star Phil Mehrten

By Russell Gould – VAFA Communications Manager

If you do a Google search on former Ormond star Phil Mehrten you'll find his post-football achievements quite overwhelming.

Mehrtlen is the co-founder and now Managing Director of Probuild Construction, a company responsible for some of the biggest commercial developments in Melbourne. Chadstone Shopping Centre, Highpoint, Knox and Collins Place are just a few of the projects Mehrtlen's company has completed.

But what that Google search fails to mention is that before Probuild, Mehrtlen was quite an achiever on the football field.

'Chunky' as he was, and is known won the A Section best and fairest in 1986 - just a year before starting Probuild - and was a six-time Big V representative.

And as he recalled this week, those were, as they say in the classics, the best of times.

"I think I played nearly 10 years at Ormond, captained the club for a few of them, won a flag - Amateur footy has fond memories. It was the best time playing ever when I was back at Ormond, given it was in a successful period, and we won a flag or two," Mehrtlen said.

"And the Big V, it was something I had always wanted to play in and the opportunity came along, and I hit some of my best form being older as opposed to my younger days.

"I played under John Fisher and played in the All-Australian carnival side, which was a fantastic experience.

"But it was not long after that I had to give it away because my business partner was killed in a car accident and it was only the two of us at that stage, which is a bit different now where we employ 200. But I couldn't afford to go out and get hurt, the business relied upon me, and one thing had to give, which was the footy. I was forced in to early retirement, not by injury."

That remains a regret to this day for Mehrtlen who, when he gets going, is hard to stop relieving every aspect of his time with the Big V and with tremendous enthusiasm.

"We smacked 'em up, especially at the carnivals. We had a very strong side," he said.

"Even in that All-Australian carnival where they were able to pull blokes from the VFL to play against us. We were going against guys like Alex Ischenko, a ruckman for the Eagles and Simon Beasley.

"They were sensational sides, super strong and it was great fun, a great experience.

"It's the whole thing with Amateur footy. I have continued to meet people in business who when they hear my name they say "you weren't that mongrel that played with Ormond were you?"

"For me, I thoroughly enjoyed every year I played in the Amateurs, it was great. You make friends for a life-time. "I remember not long ago there was a reunion for one of the state sides and we all got together, and although we are a bit older, it was one of those terrific nights where we could have a beer and talk about all the things we used to get up to."

Like?

"I can't let you print any of those," he said.

"It is really hard to nail exactly what it was but it was the camaraderie that existed between the groups of guys.

"It was the pinnacle, the highest you could go, playing for your state, and it was a great experience. There were a few years when I missed out that I thought I should have been in, and it just made you work even harder to try and get there eventually. It was something you wanted to do."

Football also helped Mehrtlen land a nickname that has stuck with him long after he has hung up the boots.

"I had fairly large calf muscles. I can't remember who it was, but someone saw my calf muscles and said 'Geez, how chunky are they?', and it sort of stuck," he said.

"All the Ormond people still call me that, and it is pretty well known around town, one of those things I got known by."

Great memories and a good nickname weren't all football gave Mehrtlen either. Everything he learned as part of the VAFA transferred beautifully in to the business world and helped him grow his company in to the giant it is.

"I think it engenders a huge discipline in everything you do. I think I go about my business the way I used to play my footy - go a million miles an hour and go hard," he said.

"I was always very hard at the ball, and that held me in good stead."

Yeah, pretty good stead.

## ROUND 9 REVIEW

As the Tuesday nights get colder, and we all get another week older, we can pencil in our front nine score, and pray the back nine delivers much more. 'Tis now the proper week for a mid-season assessment on the fluctuating fortunes of the D1 combatants....so let's review and reflect for a moment shall we? In predicted rd 18 ladder order:

**1. Old Mentonians** - The Panthers have taken everything before them since their round 1 hiccup. On the weekend they couldn't shake off a persistent Peninsula until the last 10 minutes of the game. **Chook Palmer** is probably close to their B&F favorite at the moment, but with **Billy Biggs**, **Danny Carroll** and **Cam Follett** controlling the defence, they're shutting down opposition teams when required. Good to see **Gareth Snow** and **Rowan Ball** finding form just as winter arrives....Boom, boom!!

**2. Oakleigh** - This week's loss to Hampton Rovers may hurt later on, particularly given they had the first 4 goals on the board before the visitors fire a shot. **Mick Harold** and **Daniel Zula** were outstanding for them on the weekend, and in a see-sawing epic, they simply needed another minute or two to try and kick the match-winner. **Trevor Bromley** and **Dermot Cleary** are a formidable double act up forward. Look to round 16 for the critical game.

**3. Prahran** - Have settled nicely with plenty of new recruits and are certainly, along with OMs and Oakleigh, the big improvers from last year. Blessed with lots of experienced heads in their coach, **Paul Greenham**, **Gerard Bevan**, **Adam Sleight** and the "Big Kats", they may be able to snatch the double chance - particularly if **Brendon McEvoy** provides repeats doses of his 10 goal clinic form last week!!!

**4. Bulleen-Templestowe** - Rumours are rife that one **Mr Chivers** is on the way back down the GV / Hume Highway to help his old side erase the nightmare of round 18 2006. **Dean Matthews** is showing there's life in the old boy yet, but he's got plenty of younger lads skipping around his heels in **Kris Cherbakof**, **Peter** and **Michael Voglis** and a very in-form **Tom Waters**. Could snare 4th spot if they can win 3 of their next 5 matches.

**5. Hampton Rovers** - Hard to keep them out of September calculations here, but someone has to miss out, just ask Bulleen-Temp!!! Things are working beautifully now for the Rovers, who started slowly but have found form of late. They have a quality top six, and the likes of **Leigh Fletcher**, **Gary Carr**, and **Gerrard Woods** continue to perform, week in / week out. I guess my concern is what happens if these guns are kept quiet?? Who will step up??

**6. Old Geelong** - A bit of a tune-up on the weekend against the 'Raiders, may be the tonic for them to take the back nine by the scruff of the neck and register a string of birdies. Frankly, we need to see a continuation of last week's efforts from **Chris Branigan**, **Matt Goldsworthy** and **Nick Casboult**, and a few more bags from **The Hyphen** if they are to threaten seriously.

**7. Peninsula** - Couldn't quite get the job done last week, and they're running about as hot and cold as the opposition change-room showers. **Nick Claringbold** and **Shaun Payze** are having great seasons, but need more support in the second half if the 'enigmas' of D1 are to hold onto to their September hopes.

**8. Yarra Valley** - **Simon Yeo** and **Ash Drew** have been standouts of late, with **James Keem** continuing to fire up forward and the **Floppy Valoppi** super-consistent. How come they've only saluted

the judge on one occasion? It's got me beat, and I'm thinking they've got 3 or 4 wins in them on the turn-around. Watch out 'Raiders, here come the 'Rangers.

**9. Old Paradians** - Tough call I agree, and I'll happily be proven wrong, but is it possible? Two games can go in two weeks, and I'm concerned that too little is being left to too few. **Ryan Bugeja** is a super young talent, and has plenty of mates in his age group. Can't leave it all to **Pluggie**, boys, so we need **Aaron Serafin** and **Josh Young** to keep on trucking.

**10. Therry** - Believe me, there is some hope, and they may not be able to generate 4 wins to stay up, but **Aaron Maynard**, **Corey Bannister** and the **Good-Win** boys will die trying to get just those....good wins. Come on Lions, no other side has a player named **Patrick Xhayeteux** on their list, and it'd be a shame to lose him to D2 next year.

## Round 10 tips

Big Bertha in hand? Check. Wide open fairway? Check. Forgotten those missed putts on the front nine? Check. Time to hit the back nine hard. OK boys - grip it, and rip it!!!!

**Hampton -v- Therry** - Won't be as ugly as last time (how could it?) but it's the Rovers again by 8 goals.

**OGGs -v- Old Mentonians** - Time for the hoped lads to start their surge, and the OMs are well and truly due for a loss. Oggers by 14 points in a classic.

**Yarra -v- Peninsula** - Back up the highway and onto Springvale Rd for the Pirates, but 4 points are buried somewhere at Domeneys Reserve. They'll find them for sure, Peninsula by 5 goals.

## M I MILESTONES E S

The **Peninsula Old Boys** congratulate **Nick "Monty" Bowman** on reaching **150 games** this weekend. Nick joined the Pirates in 1996 and was a very solid reserves player until 2000 when established himself as a solid defender in the seniors. Nick has become a leader in the reserves, serving as vice-captain for the past two seasons.

The **Pirates** congratulate **Ben "Schultzzy" Mitchell** on playing his **100th** game last weekend. Benny joined the club as a 15 year old in 2001 and reaches his 100th game for the club at only 21 years of age. Another milestone last weekend was **Mark Day's 50th** game. Daisy joined the Pirates in 2003 and started in the reserves but has since played senior football and never disappointed when he has. The Pirates congratulate all players on their milestones.

**Oakleigh** would like to congratulate **Michael Stevenson** on his **100th** club game and **Pat Di Siervi** on his **50th** club game today against Bulleen-Templestowe. 'Mitch' was recruited from Oakleigh.Y.C./St Peters and debuted against Old Xaverians under 19's in 2001, he was also a 2004 premiership player. Pat was recruited from St Peters and debuted against Uni Blacks under 19's in 2004, and he was the 2006 U19's Most Consistent Player. From all team mates, members, supporters and sponsors at Oakleigh.

All at **Prahran** congratulate **Dan 'Buckets' James** who played his **50th** senior game for the Two Blues against Therry-Penola. Joining the club as a forward, Buckets has evolved into a consistent performer across halfback and a very useful backup ruckman.

The **Two Blues** also congratulate former senior coach **Leigh Stafford** on reaching **50** club games against Therry-Penola. A deadly kick for goal and an insightful student of the game staff is highly regarded not only at Prahran but among the clubs against whom he coached has coached. Well done Leigh.

# D2 SECTION

by Jono Healy

Halfway through the season, so no better time to look at my premiership and competition best and fairest odds:

### To win the 2007 D2 Grand Final:

Aquinas	\$2.40
South Melbourne Districts	\$3.50
Emmaus St Leos	\$4.80
Banyule	\$5.25
Werribee	\$6
Glen Eira	\$51
Williamstown CYMS	\$51
St Johns	\$81
Salesian	\$101
Bentleigh	\$101

Still nine rounds to go, so plenty of time for clubs to move up or down the ladder.

### D2 Competition Best and Fairest winner:

- \$4.50 – Any player – not listed
- \$6 - Paul Cheevers (Sth), Paul Baranello (Emm)
- \$8 - James Robertson (Ben)
- \$12 - David Gayfer (Ban), Paul Maaskant (Aqu), Patrick Dunne (Sal), Seb Mahoney (Sth)
- \$16 - Anthony Ballard (Emm), Matthew Palmington (Wer), Alex Tsirogiannis (Gle)
- \$21 - Chris Massis (Gle), Sam Atherton (Sth), Tony McKenzie (Emm), Chris Sharp (Ben)
- \$26 - Andrew Tedeso (Wer), Craig Taylor (Wil), John Hunt (Aqu)
- \$31 - Leighton O'Donnell (Ban), Peter Walker (Stj)
- \$41 - Daniel Den Braber (Aqu), Nick Taylor (Ban), Aidan Murphy (Wer)
- \$51 - Joe Morsello (Sal), Steve Aquilina (Sth), Kane Arnold (Stj), Shaun McGuinness (Wil), Lachlan Tangas (Ben), Mick Hazell (Sal)
- \$81 - Brad Clements (Gle), Chris Cachia (Stj), Anthony Demetriou (Ban), Justin Box (Aqu)
- \$101 - Chris Beluszar (Emm), Scott Diamond (Gle), Chris Fidler (Ben), Rob Mallett (Sal), Cameron Lee (Wer), Callum Pattie (Stj), Carson McNamara (Wil), Ben Hynes (Wil)

### Emmaus St Leos \$1.33 v Williamstown CYMS \$3.10

Emmaus St Leos travelled out to Werribee and when the siren went for half-time the Animals had booted ten goals and kept the home side goalless. Werribee kicked their first goal after the half-time siren and had the better of the second half but Emmaus St Leos thoroughly deserved their 22 point victory. **Paul Carey** and **Tony McKenzie** were excellent in defence all day while **Paul Baranello** won plenty of the ball through the midfield. Willy registered a 23 point victory at home over St Johns and it was the efforts of **Steve 'Hop Sing' Barlow** up forward (five goals) and **Liam O'Sullivan** across half back that did the majority of the damage. Emmaus St Leos won by 20

points when these two clubs met three weeks ago and that was when Willy enjoyed home ground advantage. Williamstown are high on confidence at the moment but at home I expect the Animals to get the chocolates by 27 points.

### South Melbourne Districts \$1.45 v Banyule \$2.60

South Melbourne made a solid start against Aquinas at Ringwood but ran out of steam during the second quarter and were eventually defeated by 54 points. Good players were hard to find for South but **Steve Aquilina** battled away hard all day. Banyule hosted Glen Eira and after finding themselves trailing at the final change, booted eight goals to one in the final term to post an emphatic seven goal win. **David Gayfer** managed a seven goal haul at full forward, while **Nick Taylor** worked hard for four quarters. South won this corresponding fixture in round seven, but I have a feeling Banyule might be a little better prepared this time. Tempting to go for the upset but will stick with South to get the points by 12.

### Glen Eira \$2.10 v Werribee \$1.65

After leading Banyule at three-quarter-time, Glen Eira ran out of legs and ended up seven goals to the worse in a game that they could have won. **Evan Stuchbery**, **Scott Diamond** and

“..” results weren't received. Any discrepancies may be due to non-submission of results by clubs.

**Alex Tsirogiannis** were amongst the better players but some of the Saints stars went missing in the final term. Werribee suffered a shock home loss to Emmaus St Leos, with the lively **Cameron Lee** no where to be seen as the Tigers could manage just one goal in the opening half. **Aaron Taylor** and **Andrew Tedeso** brought their team back into it in the second half but to no avail. Upset tip of the round here. Glen Eira to knock Werribee off, but in a close one. Glen Eira by three points.

### Salesian \$3.10 v Aquinas \$1.33

Salesian got the win they needed when they knocked off Bentleigh away from home by 14 points. With **Mick Hazell** missing once again it was **Rob Mallett** (seven goals) and **Joe Morsello** that provided the spark. Aquinas sent out a clear message to the rest of the competition with a comprehensive 54 point victory over South Melbourne in what was a one sided affair after quarter time. **John Hunt** marked everything up forward and ended the match with a lazy eight goals, while **Trav Selby** and **Paul Maaskant** provided plenty of rebound across half back. When this game was fixtured for Sportscover Arena at the start of the season, many keen observers would have thought it would have been between two clubs who would be fighting it out for a finals spot. However, Salesian's season hasn't started in great fashion, and currently sitting in ninth place on the ladder relegation is certainly deep in the minds of the boys from Bosco Street. Aquinas on the other hand have been in superb form for the majority of the season, and a win today will go a long way in cementing their spot in the top four. Salesian will put up a fight for a half, but on the wide open spaces at the 'home of football', Aquinas will prevail by 52 points.

### St Johns \$1.60 v Bentleigh \$2.20

St Johns will be happy to be back playing at home this week after a 23 point loss to Williamstown during round nine. **Callum Pattie**, **Peter Walker** and **Chris Cachia** tried hard all day but Willy held a slender advantage for the majority of the day and more importantly when the final siren sounded. Despite a combined nine goals from **Chris Sharp** and **James Robertson**, Bentleigh suffered a narrow loss at home to Salesian. Bentleigh's chances today may just rest at the outcome of the tribunal during the week, where Sharp is set to face the judiciary. If he is suspended expect the money to come for St Johns closer to kick off. Either way, I think St Johns at home will be too strong. Jocs by 22 points.

Thanks to those clubs that emailed me. Always a great help. Please send me any news, match reports, milestones, social events, etc to [jonathan.healy@hotmail.com](mailto:jonathan.healy@hotmail.com) by 5:00pm on Monday.

# FOR THE LOVE OF THE GAME...

## • Blues Lead the Way

Received an email from Hampton Rover's U19 Coach Cam McGregor expressing his thanks to the Monash Blues team, first for the spirit in which the game was played and second for the efforts of the Monash team to stay after the match and enjoy the hospitality offered. All players, coaches and support staff from Monash Blues attended the after match which is a common occurrence at senior level, but a rarity at U19 level.

## • U19 Representative Squad Announced

The VFA U19 Representative Squad to take on the VCFL on July 15th was announced during the week. ## • Umpires Zero in on Target

At the half-way mark of the season, the VFA Umpires Association is closing in on its goal of listed 270 umpires in 2007. At currently just under 260, Umpire's boss Brian (Benny) Goodman is confident the target can be reached. "Last week we have managed to recruit 2 ex-players who officiated in their first match on the weekend. It would be great if a few more ex-players,

who wanted to say involved, fit and in a team environment walked through the door", said Brian, "don't be shy, get involved and you'll be amazed at the enjoyment that can be gained". For anyone wishing to "get involved", the VFA Umpires train at Sportscover Arena every Tuesday and Thursday night at 6pm.

## • Bruce Takes the Game to China

On his recent trip to China, Bruce and a number of other Aussies present decided to open the Kunming International Trade Fair in the traditional manner; with the bounce of a Sherrin (pictured). Not sure if the Chinese Military band behind Bruce thought of it but the Aussie boys certainly enjoyed themselves.

## • Luncheon

This weeks luncheon at St Bernards is being hosted by the clubs long time major sponsor The North Suburban Sports Club. St Bernards would like to acknowledge and thank the North Suburban Sports Club for their significant contribution to the success of the club as major sponsor over the past 15 years.

## • Joke of the Week

A man entered the bus with both of his front pockets full of golf balls and sat down next to a beautiful blonde.

The puzzled blonde kept looking at him and his bulging pockets.

Finally, after many such glances from her, he said, "It's golf balls".

Nevertheless, the blonde continued to look at him for a very long time, deeply thinking about what he had said. After several minutes, not being able to contain her curiosity any longer, she asked, "Does it hurt as much as tennis elbow?"

## 5 YEARS AGO - 2002

**B Section** was an excellent competition and although **Old Melburnians** and **North Old Boys** looked the two teams to beat, it was an open opportunity for the remaining teams, with the exception of **Therry** who only had one win on the board. **Old Paradians** recorded an excellent win down at the **Beach Oval** against **Old Brighton**. The Tonners were expected to win but Paradians set the scene early and in a relatively low scoring game, established a 3 goal lead at the first break and pretty much held it for the rest of the day. **O'Loughlin** and **Brabender** used their experience and were terrific for the winners while **Lennox** and **Williams** were Old Brighton's most prominent. Although Old Brighton played some solid footy after quarter time, they were unable to make up the leeway with a final score 13.11 to 10.12 in favour of Paradians who duly took Brighton's place in the top four. Better players – **O'Loughlin, Brabender, Ciavola, Loney, Curran** (Old Paradians) and **Lennox, S Williams, Wardell, Mizzi, Edwards, Stewart** (Old Brighton).

**B Section** coaches were – **Norm Goss** (Hampton Rovers), **David Murray** (Mazenod), **Garry Foulds** (NOBS), **Stuart Glascott** (Old Brighton), **Chris Bye** (Old Essendon), **Mick Dwyer** (Old Haileybury), **Erwin Leyden** (Old Melburnians), **Matt Ryan** (Old Paradians), **Michael Knuppel** (Ormond) and **Wayne Harmes** (Therry).

Among the milestones were some notable efforts – **Paul Williams** played his **300th** game for **Banyule**. "Bluey" had even come out of retirement to help the Bears and although playing the majority of his footy in the Recesses, many Banyule people regarded him as the best palm, ruckman in the club. A very popular player on and off the field, Paul's efforts since joining Banyule in 1981 were monumental.

Out at **Whitefriars**, the mighty "Cuzza", otherwise known as **Anthony Carbone**, reached his milestone of **250 games**. Cuzza first played with the U19's in 1989 but by 1990 was a regular senior player. In Cuzza's trophy cabinet were **three senior premierships medallions, five club best & fairests, 4 runners-up in the best & fairest, State representation and club**

**captaincy**. Probably best known for his consistency, Cuzza was a wonderful player week in, week out. **(It was a pleasure to have coached him 1992-94 – GR)**.

## 10 YEARS AGO – 1997

In the week leading up to round 10, **University Blues** in **A Section**, experienced a coaching change with **Mark Tyquin** resigning and immediate past coach, **Grant Williams**, who had led the Blues into the finals he previous season, returned to take charge. The adage of "do it for the new coach" did not work on this occasion as top side, **Collegians**, easily accounted for the Blues, 22.4 to 13.12. Collegians had the luxury of dangerous forwards such as **Mollard, Warne-Smith** and **Mackenzie** and they kicked **15 goals** between them. The Blues remained very much in the relegation zone and would need to work hard for the remainder of the season to stay in A Section. Best players – **Mollard** (6), **Thomson, Phillips, Mackenzie** (4), **Deane-Johns, Cleary** (Collegians) and **Stewart, Fairbank, Slimmon** (4), **Maplestone, Kordick, Herrald** (Uni Blues).

In **B Section**, **MHSOB** evened up the competition by defeating **Ormond** at the **High School ground**, 13.17 to 9.6. Ormond retained third spot but MHSOB were right on their tail in fourth position. Best players – **Young, McCully, Skinner, Bamert, Glover, Johns** (MHSOB) and **Joy, Jobling, McDonald, Block** (3), **A Turner, B Turner** (Ormond).

In **C Section**, **St Bedes Mentone Tigers**, held their equal top spot on points after defeating fourth placed, **Old Mentonians**, fairly comfortably in the end, 17.16 to 11.10. Best players – **Macgeorge** (6), **McCraw, McCarthy, Zakic** (3), **Marinic, Boczar** (St Bedes) and **Brooks, D Kitto, Dart, Maguire, B Murphy, D Murphy** (Mentonians). **Leading goal kicker** for the section, **Adam Acreman**, was held to 2 goals but was 12 goals clear on top with **58 for the season to date**.

## 20 YEARS AGO – 1987

Clear ladder leaders in **B Section, Parkside**, had little difficulty overcoming middle placed **Ivanhoe**, 12.13 to 4.10. Parkside drew away in the second half with forward **Freeman** (5) and **Williams** (4) very damaging and no Ivanhoe defenders able to hold them. Best players – **Sansonetti, Franklin, Williams, Pavia, Page, King** (Parkside) and **Cameron, Castagnini, Flynn, Stewart, Howard, Dulevskis** (Ivanhoe).

In **C Section**, **Old Melburnians** (second) met their match against **Balaclava** (sixth) despite kicking away early in the game with a three goal lead by the first change. The **Hill brothers, Andy and Tim**, were their usual "impressional" selves and both were very effective players. There was never a dull moment with the Hill boys were around, from a coaching perspective, and I speak from experience! **Ian McMullin** was excellent for the OM's with **6 goals** but was more than matched by Andy Hill with 7. I can't recall any better overhead mark of the footy in the VAFA than Andrew, taking size into perspective! The "Bala Boys" took the lead by half time and held on to it with a final result of 18.13 to 16.13. Best players – **A Hill** (7), **S Gates, T Hill, S Wither, John Sist** (4), **Farinski** (Balaclava) and **Secull, Baglin, Mead, Brown, Nicholls, A Witts** (OM's) and **McMullin's** 6 goals did not get him in the best!

**Dave Gregory** celebrated his **150th game** for **Balaclava** and would have been one of the first picked in Balaclava's "best ever teams". Dave had **won four best and fairests** with a couple of **runners-up awards. Club Captain** and **dual premierships** player in addition to **VAFA representative** summed it up! Dave Gregory certainly warranted being regarded as one of his club's best ever.

## 30 YEARS AGO – 1977

In **D Section**, **Alphington** was keeping the "old boys" clubs at bay with **St Kevins, Old Brighton** and **Old Camberwell** snapping at their heels. **Alphington** faced up to **Elsternwick** who needed a win to possibly move into the four and Old Brighton and Old Camberwell were opposed to one another in this round. Alphington would have none of it however and demolished Elsternwick 16.4 to 2.3. They had taken control of the game in the first quarter and Elsternwick only kicked the second goal in the final term. Best players – **Smith, Jamieson, Shearer, Roberts, Shea, G Gale** (Alphington) and **Rosewarne, Rigg, A Ramsey, Grace, Scott, D Mahoney**. Alphington were now **2 games clear on top**.

In "Umpires Corner", stalwarts **Trevor Rowe** and **David Hindle** were in charge of their **200th** and

**150th** games respectively. "Rowie" had umpired many finals including the **1975 A Section Grand Final** and regarded his highlight as the **Victoria** versus **Tasmania** game at **Elsternwick Park**. David was one of the fittest umpires in the VAFA and in addition to umpiring a number of Grand Finals, including the **1976 Junior Section 1 premierships match**, David had also run the boundary in **5 consecutive A Section Grand Finals**, a tribute to his high fitness levels. I hasten to point out that these were the days of one field umpire and club appointed boundary umpires.

## 40 YEARS AGO – 1967

In **B Section**, **University Blues** and **Ormond** were now two games clear, equal on points and Ormond holding the percentage advantage. Uni Blues had to work really hard to hold off third placed **University High School Old Boys** who were within striking distance at three quarter time. The Blues kicked 5 goals straight to UHSOB's 3.4 in the last quarter to win 13.8 to 9.8. Best players – **Wilcox, Macaw, Cottrill, Rutherford** (6), **Scarfe, Sykes** (Uni Blues) and **J Keddie, A Hum, Davis, Goodwin, Peterson, Kinnear** (UHSOB).

**Old Geelong**, in **C Section**, with only two wins on the board upset **Old Brighton** 6.13 to 4.17. Old Brighton fell from second to fourth as a result of this loss and Old Geelong moved one game clear of the very tight battle to avoid relegation. Best players – **A Blazey, Wawn, C Blazey, Forward, Osboldstone, T Brown** (OGGS) and **Morris, Peachey, Devine, P Sedgwick, Heseltine, Code** (Old Brighton).

Congratulations went to **Wes** and **Chris Roach** from **Collegians** as both brothers had been **selected in the State squad**.

## 50 YEARS AGO – 1957

In **D Section**, **Bellfield** won their second successive match by one straight kick, this time at the expense of **Preston**. Winning the close ones was all important and Bellfield now had a two game buffer on top of the ladder. Bellfield led by 4 points at quarter time and Preston wasted numerous opportunities in the second with inaccuracy in front of goal. Preston experienced similar problems in the third term and were frustrated at not being able to take advantage of their high possession rate. Preston's centre man, **Keene**, was providing plenty of drive by playing wide of his opposite number, **Marston**. With two quick goals late in the last quarter, Preston looked likely to go on and win but Bellfield's defence were fantastic under pressure and the siren sounded to their relief with Bellfield winning 10.7 to 8.14. Best players – **Clements, Candy, Watson, Comino** (Bellfield) and **Keene, Cuthbert, Oliver, Best, Burnie** (Preston).

The halfway mark. For some it has been happy sailing, while for others they are stuck on the corner of struggle street and battlers boulevard. Our teams in order of first to last look like this –

## Old Westbourne – 34 points

They are officially flying. Kicking on average 150 points a game. Think about that for a moment. I'm running out of superlatives to describe them. Good on them for the hard work they show each week. The team they all have to beat.

## Hawthorn – 30 points

Been a monumental effort this far. Attacking, aggressive, consistent and will play finals without question. Great effort and can stay top two with some luck.

## Ivanhoe – 26 points

Hanging tough. After the first two rounds I really thought the wheels on the bus had fallen off but they have been super since then. Win a lot of footy in the middle and finals beckons. They haven't played post season for a while now so very exciting for them.

## Elsternwick – 18 points

Injuries have defined their season to date but have gone OK at times. Did take two points from the Warriors however not much to look forward to unless the casualty list shrinks quickly. Not a finals certainty.

## Swinburne – 16 points

Great result. Were way off the mark early but have strung together some wins with a potent forward line. I will not discount them for the fourth spot.

## La trobe – 16 points

Struggling with the four quarter effort required in this division. Been OK some weeks but plain awful in other performances. Not so sure they will figure come later on.

## Powerhouse – 16 points

A pretty good effort as they have missed key people at times and their depth is not up to the top few sides. Need a run on to finish fourth and have a few tough road trips left. Still in it.

## West Brunswick – 12 points

I thought they may have won a game or two more by this stage but it hasn't happened for them yet. Not sure but they might be a smokey going forward. Hanging out for a break to get some staff back on deck.

## Monash – 8 points

Probably better than the record suggests as they have been close in three or four matches – not getting the rub of the green. I like them to win at least a few more in 2007.

## Kew – 4 points

A really tough year to this point. Few bright lights in another injury ravaged season. Need luck, need players to step up otherwise the 'R' word is a formality

## PREVIEWS –

The Gryphons to start their run with a win over Powerhouse this weekend. Monash's greatest ever player, **Lee Wells** who runs out for the 200th

time this week. Former Club Captain, six time Senior Best & Fairest winner and Vice-Captain of the Gryphons Crystal Jubilee Team are just some of the accolades Lee has accrued over the years since he came to the club as a skinny kid from Bendigo 12 years ago. Congratulations 'Rowdy' !

Elsterwick to host Hawthorn – massive test for the visitors as this is such a quirky venue for their style of play. I think it might be close but the Hawks should get the chocolates by a few goals. This week **Al Patey** will run out for his 100th match for Elsterwick. "Gangsta" has come a long way from his days as a fringe reserves player, and through sheer hard work and dedication has become a top-line player at the club. Congratulations on this achievement.

Ivanhoe to succeed again – the Razorbacks at home will be their victims. This is a really key game to see where both sides are at given they seem to have full strength teams. The 'Hoes by 20 points.

Kew host the Magpies. I really hope the home side just go hard for the four quarters as this is extremely winnable on paper. It will be close but have to tip West Brunswick as they too badly need four points.

Latrobe unluckily play Old Westbourne for the second time inside a month. Nasty road trip and the scoreboard will be busier than a Dubai construction site. I'm tipping a ten goal margin – at least.

# UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

## 400th Game for Leah Gallagher

Back in 1986 **Leah Gallagher** started boundary umpiring in the VAFA, today she field umpires in her **400th VAFA game**. Over the last twenty years there have been some changes to the game and Leah thought that we could look back to 1986 and take a snapshot of what was going on back then: Sections A, B, C, D, E, F, G (six teams) U/19 1,2,3 2-umpire system for only A and B grades the rest was one umpire.

Footballers playing (still involved)

- **Russell Barnes** (Ormond)
- **John Kanis** (Caulfield Gram)
- **Tom Brain** (ANZ Bank)

Coaches (still involved)

- **Harry Harisiou** (Thomastown)
- **Gerard Sholly** (Old Paradians)
- **Serge D'Angelo** (Kew)

Some teams going around who are now gone or have merged into another entity:

- GTV – 9     State Bank
- Doveton     Commonwealth Bank
- Coburg     Clayton

Both **Old Scotch** and **Old Xaverians** were playing their home games at Swan Street.

Players who became umpires:

**Geoff Ridd** (Parkside & Kew) **Brad Nash** (Ormond) **Michael Hagen** (De La Salle)

Umpires still going around: **Andrew Rechtman**, **Alan Stubbs**, **David D'Altera**, **Kevin Segota**, **Garry Clancy**, **Bernie Hoare** and my co-scribe **Macca**.

**Brian Goodman** was writing Umpires Corner.

A lot has changed in football and it would be hard to pick out highlights such as firsts, best umpire or best players seen (only swan supporters get a mention) that have come my way, but over a beer tonight I'm sure we can recount a few. I have enjoyed the fun of umpiring and the friendships made, so please come back to **Mazenod** tonight to celebrate the day - **Leah**.

To my great mate **Spider**, I (and all at the VAFAUA and VAFA) wish you well for a great **400th game**. Hope it's a beauty and there's plenty more to come - **Macca**.

## Congratulations

A belated congratulations to **Cam Davidson** who quietly slipped into **A section** a couple of weeks ago. Well done **Cam**, you've worked hard to get there. **Cam** follows in the footsteps of his much older and much shorter brother, **Russell**. Sorry, **Russ**, but everyone's short when standing next to **Cam**. Looking forward to the brothers walking out together in an **A section** game. Who were the last one's to do that? One of them might just be our training supervisor. Yep, just stealing a line or two from **Geoff Reilley's "Retrospective"** column last week, it was noted that in 2002 **Michael & Robert Sneddon** umpired the Old Xaverians v MHSOB match at Elsternwick Park. Any others you can think of? Identical twins **Neil & David Wilson** back in the early '80s, and who could forget **Joe & Kevin Segota**? What about the **Henrys**? At one stage we had the brothers **Wayne, Dennis and Ian** going around and **Wayne's** daughter **Leisa** on the boundary, but did they umpire in **A section** together?

## Pitted Olives?

Good to see **Simon Olive** back on the training track and of course umpiring last weekend. **Simon** had a short mid-season break to recover from a "minor" procedure. Now considering the part of the body involved, **OI** may not appreciate the procedure being referred to as "minor", whereas others may suggest it was only microsurgery. Either way, all went well so **OI** should be back "on the horse" by now. Seems that the "minor" procedure was to prevent any more "minors" in the Olive household. Hope the re-growth of the recent trim downstairs didn't create too much discomfort as he ran around Old Carey last Saturday. Just keep those bruised olives under wraps for a while!

## ROUND 9 REVIEW

Half way mark and a quick summary of where we are at. The big three have kicked clear and will settle down to fighting out the battle for the double chance. Is Uni High the Power House of 2007? Low key and just below the radar! St Mary's have the profile? None the less, no reason to change my pre-season tip of Eltham.

Then there's the next three as Albert Park, South Mornington and Mt Lilydale fight the battle for fourth spot. The Falcons have a month of reckoning, an absolute must to break square with two wins. Next two and last two the key for South Mornington whilst Mt Lilydale has three in a row against the big three coming up. Twelve wins probably gets you in, maybe even eleven and best percentage. This week might be the key, fancy Sth Mornington to squeeze through!

Next up is Box Hill North. The footy gods aren't making it easy for BHN although no excuses are being made. Simple fact about this club is that they have the right model but I suspect the mountain is now a little too high so be careful, they took plenty of big scalps with them towards the end of last year.

Finally, we have the next five in North Brunswick, Richmond, Eley Park, Syndal and Bulleen. It strikes me that the grade has compressed this year with the difference between the top and bottom being smaller. The top three are probably on a par with the top three from last year but the sides at the bottom end have improved. Not going to pick a wooden spoon from here, just not the done thing!

As for goal kicking, we see **Garrard** and **Tagell** both on line for a century! History is repeating!

As for last week, great win for Bulleen as they registered their first points for the year. **Mann** and **Peters** the best as the winners had to deflect a great third comeback form Richmond. Former warrior **Whiting** snagged 7 whilst **Nuske** was good yet again.

Mt Lilydale kept the momentum going as they comfortably accounted for North Brunswick with the ever reliable **Carolan** slotting 7 while **Robertson** was the best for NB.

Big haul from Hollywood **Garrard** as he slotted 13 for Eltham against Syndal. **Blagrove** was great in the midfield again while **Bryan Galvin** dominated in the ruck. **Bennett** best for the Sinners.

A solid win for St Mary's after a slow start against Sth Mornington. **Papaluca** dominating with the **Armstrong boys** good as usual. **Heib** best for the Seaside's.

Solid if unspectacular win for Albert Park as they accounted for Eley Park. **Thompson** on ball

and **Hansen** of a half back best for the Falcons whilst **Alexandridis** best for the Sharks.

Solid win for Uni High against hard working Box Hill North. **Martini** worked hard for BHN as did Hood at Half Back. **Smith** (heading towards legendary status) and **Mora** best for the winners.

## PREVIEW

Match of the day and maybe even season defining as South Mornington host Mt Lilydale. It is fair to say both sides have been the surprise packets this year although I fancy that the uneven draw might hinder the Lilydale boys as they play the big three twice each! Home ground advantage might be the key hear, seaside's for mine!

Next big match sees Uni High host Albert Park. Under the radar is the best way to describe the Students who have been flying under the tutelage of **Scott Whyte**. Absolute crunch month for the Falcons. Must win two of the next four to retain a genuine finals chance. Unfortunately, away wins at the Zoo are rare and I don't see that changing this week.

Richmond welcomes Box Hill North to Punt Rd as they celebrate their 20 year anniversary. Great leadership from

Richmond as they build the profile of their club off field and they rebuild on field. Will the emotion of the day get the home side home? Not big on sentiment in football, Box Hill for me (sorry **Big Waz**, but I AM on a roll!).

Eltham travel down to North Brunswick, confident in the knowledge that all parts of its game are working. Still a few too many injuries for the Brunswick boys, Turtles for mine.

Eley Park welcome St Mary's, knowing it will be in for a tough day. I like the signs in their twos though. Just starting to build a bit of depth, something that will hold them in good stead over the next few years. Like Eltham, not too many holes anywhere for St Mary's. Visitors for mine.

Finally, Syndal Tally Ho looks to get back on the winners list as they welcome Bulleen. Great to see Bulleen get on the winner list last week but can they make it two in a row? The Sinners got a bit of a towelling last week but have been very competitive at home. Might be enough to get them over the line in this one!

## M I MILESTONES E S

**Eltham Collegians AFC** would like to congratulate **Andrew Howgate** on reaching **100 games**. Andrew joined the turtles as a Year 11 student in 2000 and has made a fine contribution to the club on and off the field. Andrew was a key member of the reserves premierships side of 2005, although a serious knee injury in the first quarter may have reduced his enjoyment of the day. He became a valuable off-field helper throughout 2006, before overcoming difficulties with his knee to reach the 100 game milestone and kicking a few goals in the process. Congratulations Howy.

**Joe Boudoloh - 300 Games** Well done to **Moose** on reaching a fantastic milestone. Now regarded as a 'veteran' he has displayed all the values of the Green & Gold and Amateur football. A Best & Fairest winner at Allard Park he has shown all the skills whether at Centre Half Back where he began his football or now as a strong marking leading forward with the occasional run on the ball. Well done Moose.

# U19 SECTION

by **Charles Beaton** (U19's 1),  
**Duncan Palmer** (U19's 2)  
& **Johnny Aitken** (U19's 3)

De La La continues on their merry merry way. The lads are still unbeaten, have a healthy percentage and remain nice and happy on top.

## Review

De La started the week off in comprehensive fashion, smashing a previously highly fancied St Bernard's by close to ten goals! Yikes. Really puts a new spin on things, with the La now tightening to \$2 favourite in latest flag beating. **Adam Kovarik** was again dominant for the winners, while **Andrew Caiantar** was handy for St Bernard's who now slip out to the handy odds of \$6 in flag betting.

Old Carey notched up another win, this time against the highly fancied Rupo. The lads down at Carey now on a roll, and playing some inspired footy. Good work fellas, everyone knows how hard it is to integrate into Premier Division – keep it up. **Tom Macready-Bryan** bagged four goals on his way to being his teams best, while **Justin Fong** and **Grant Hodges** were brilliant all day. Rupo were served by the same few yet again. **Jarred Bradley** and **Campbell Allport** were dominant once again.

Another team on the up is Old Scotch. They came out and pumped St Kevins down at punt road oval. Finally the Scotchies are pulling their finger out. **Al Harkness** was solid for Scotch and given a hand by **Tom "The Bear" Bear** all day. **Pat Dowd** was best for Kev's.

Other winners were Xavs (interestingly now \$3 in flag betting after solid support) against the Blacks and Blues got up over Marcellin.

## Preview

The Blockbuster, game of the century out at Stradbroke Park in Kew this week between ladder leaders De La and sometime favourite Old Xavs. Xavs will be keen to bridge the gap on the La, while out at leaderville, the boys are keen to grow the lead. Last time saw the La win by 3 points. This time it will be much closer, the result...La by a point (and almost guarantee a double chance).

Rupo host 4th placed Blues in what shapes to be season defining for both. Blues are in season best form, while Rupo are slipping. I'll take the Blues this week who may just come into my finals reckoning now.

In other games, Old Carey may just fall to an improving Scotch, Blacks will serve up a win against Marcellin, while St Bernard's will smash Kevies.

Last weeks lock rolls into Wimbledon, so lets get on the Eagles to bounce back in Adelaide. Don't really like the crows! Feedback has been pretty ordinary lately. Remember it's a good chance to plug your club. Nothing like free publicity!! C'mon. [beatoncharles@hotmail.com](mailto:beatoncharles@hotmail.com) by

10am Monday morning.  
Happy punting!

## U19 SECTION 2

Halfway into the season, the ladder is now taking shape, with St Bedes Mentone and Beaumaris looking assured of September action, Old Brighton maybe slipping a little, and a large chasing pack developing. The next few weeks will be intriguing as the middle of the ladder starts to sort itself out.

## Reviews

Old Paradians provided the shock of the round and displayed their own finals credentials as they dismantled third placed Old Brighton. Elusive forward **Alex Asdagi** continued his good form with five goals for the green machine, whilst **Tim Cooney** tried hard for Brighton. Old Camberwell returned to the winners list with a harder than expected win over an improving Collegians outfit. With several players missing, **Nic Oughton** and the determined **Clarence Ho** saw the Wellers get up in an important result. St Bedes Mentone saw off the Sharks in the top of the ladder battle after a devastating first burst by the Tigers. Skipper **Mark Geshke** continues to impress for the Tigers, whilst both sides had many players in the seniors. I sense however that the margin may get much closer as the Sharks seniors are heading towards the no-mans land of mid-ladder. Banyule, the Jekyll and Hyde team of the competition, dismissed any thoughts of an upset after an even first quarter, with **David Drpac** destroying the Friars midfield. Finally, Old Melburnians once again played in the thriller as they edged closer to the four with a very narrow win over Caulfield. Both sides will figure strongly in end of season action, whether playing in or shaping finals. If **Todd Robinson** can continue his recent form I think Ray's boys will return to the winner's list sooner rather than later.

## Tips

St Bedes Mentone by 52pts, Beaumaris by 11pts, Old Brighton by 10pts, Caulfield by 39, and Old Camberwell by 9pts.

**Reports by 2pm Monday to [duncan.palmer@epworth.org.au](mailto:duncan.palmer@epworth.org.au) or [deejaypalmer@bigpond.com](mailto:deejaypalmer@bigpond.com)**

## U19 NORTH

"He who thinks himself wise, O heavens! Is a great fool" Voltaire. Fortunately, I hope, I think tipping against the Reds was unwise, and am therefore not a fool. I will leave that to the readers' discretion though as I intend to improve my tipping in the second half of a fascinating season.

## Reviews

Old Xavs were surprised by the endeavor of a young Rupo side which rebounded strongly after a couple of tough weeks. **Michael McCourt** again impressed for Rupo, however this week was well supported by **Timothy Neely** up forward and **Benjamin Gay**. Old Xavs were best served by **Anthony Torre** who will be hoping to return to the Premier side. The Animals won a crucial battle against the luckless Lions with **Richard Lugg** again important for Emmaus in their second win on the trot for the first time this season. **Andrew Chahine** and **Thomas Rickarby** each booted five for their respective sides. At the Gillon, De La Salle accounted for the brave COBS unit, with COBS only able to field 17 players and **Danny King** trying best to fight the superior numbers of the Golds. Finally, Fitzroy Reds smashed St Bernards in a possible finals preview. It continues to astound me that **Christopher Ligris** has played no higher than the reserves, as his seven goals again highlighted his quality. **Christopher Hughes** tried hard for St Bernards, who are sure to learn from this game.

## Tips

De La Salle by 21 pts, Emmaus St Leos by 9pts, Therry by 19pts, and Fitzroy by 51pts.

**Reports by 2pm Monday to duncan.palmer@epworth.org.au or deejaypalmer@bigpond.com**

## UNDER 19 SECTION 3

Like the Gold Edition balloon popping up in Brisbane, Old Essendon must have felt deflated in losing their blockbuster against Old Ivanhoe. At home on the wrong side of the Yarra, I felt the Bombers were good things but they let me down like an overcooked meatloaf. My baker's dozen boys lived up to their reputation with **Rodwell** brilliant, **Tommy Rendell** making his senior debut and my accurate journalism, well again accurate. Nine rounds down, nine to go, I feel it will be a top four of OI, OE, ORM and OAK with OT stiff to miss out.

## Review

Oakleigh had two 5 goal heroes in **Paola** and **Edwards** as they returned to some ominous form with a 75 point shellacking of the La Trobe Uni boys while Trinity with **Meighan** slotting a bag accounted for Bentleigh who had **Aaron Zylberlicht** as their best.

The Ants went marching out to Keysborough full of confidence to get an important away win over the topsy-turvy Panthers. With "tickets" Monaco on song, Bulleen Templestowe put the first nail in the Old Mentonians season with a big 64 point victory.

My man Kyle Rodwell assumed his role of the competition's number one player with Aplomb, kicking six goals in another enthralling display against MHSOB. **Simon Te Hennepe**, who lists his favourite recording artist as The Veronicas and likes sunset walks along the Williamstown beach, also ran amok for Ormond as they eased past the Unicorns who had **Jameel Knecht** and big **Cookie** in Ruck as their best players.

Showdown part one was a tad disappointing as the Bombers failed to capitalise on their chances and were soundly beaten by Old Ivanhoe. **Greer** in the Ruck got the better of **Benson**, **Gieschen** lurked as always and **Spargo** racked up plenty of possessions as the Hoes remained unbeaten.

## Preview

### Old Ivanhoe (\$1.33) V. Old Trinity (\$3)

Trinity boys are on the move up the ladder while the Travisty boys seem to do as they please. Back at Pine Lodge will be enough for Old Ivanhoe to again get the four points.

### Bentleigh (\$4.25) V. Old Essendon (\$1.14)

The Bentleigh +38 point line looks enticing here at \$1.92 but the Bombers won't lose two in a row. I'm tipping Trevasik to kick a bag as the Bombers win by 39 points.

### Ormond (\$1.33) V. Old Mentonians (no quote)

Like trying to make a cheese platter with Kraft Singles, the Panther coach will have a hard day at the office as Ormond will win easily.

FITZROY REDS v NORTH OLD BOYS/ST PATS

**Oakleigh (\$1.33) V. Bulleen Templestowe (\$3)**

Take the \$1.60 of Oak/Oak/Oak/Oak to lead at every change.

**La Trobe Uni (\$1.72) V. MHSOBFC (\$2)**

The Unicorn boys didn't recover from a team bonding session at Seven Nightclub and were never in the hunt last week. I like La Trobe's form as much as I liked My Big Fat Greek Wedding or a champagne mushroom soup (Yuk!). Weighing it up, I'm going to go with the High by two goals.

**UNDER 19 SECTION SOUTH**

Down south and its half time of what is a very close and even competition with Mazenod remaining my flag tip at a solid \$2.50. Got all my tips right this week with the best the upset win to the PC boys over an inaccurate SBMT. Old Haileybury may have confused No Doz with Xanex as they went to sleep against Ajax while Hampton again impressed with a great team effort as they fought out a tight win over Monash.

**Review**

The high flying Mazenod led by **Gadd** and **Crameri** went smack wallop over the Vultures to win comfortably. Parkdale had **Finochario** among their best and will look to next week's game as a better opportunity for a win.

SBMT might say they lost the game with some wayward kicking but the truth is they were beaten by a more resilient and hungry team who have been the highlight of the year so far. **Musster** was brilliant as was Coorey as PC had a fantastic win that keeps them with some chance of playing finals.

Fayman had a field day and fizzed through seven majors as Ajax easily accounted for the Bloods at EP 2.

Hampton regained some players but again fielded an undermanned side but better discipline and some excellent coaching saw it triumph over the Monash Blues. **Lonie** and **Batt** stood out for the Rovers while **Powell** played a lone hand up forward for the Blues kicking five goals.

**Preview****Hampton Rovers (\$3) V. Mazenod (\$1.33)**

With the rumour of several players out for the Rovers, they go into the Friday Night game against Mazenod minus the manpower required to beat the league leaders. Mazenod by 6 goals.

**Prahran/Caulfield (\$1.50) V. Parkdale Vultures (\$2.40)**

Can't remember PC ever starting this short but deserves to on the basis of last week's win. Vultures must view this as winnable but like a greyhound jumping on the bunny from box one, PC are good things and will win.

**Monash Blues (\$1.60) V. SBMT (\$2.25)**

This will be a beauty, two good teams with top 4 spots on the line. Think SBMT will be a little bit more determined to win this one after last week. SBMT by 2 goals.

**Peninsula (\$3) V. Ajax (\$1.33)**

Don't think Ajax have stopped at Mt Eliza before, normally on their way to their Portsea mansions. Refreshed after a week off, I'm ready to tip the Pirates in a big upset by 5 points.

# CLUB XVIII SECTION

by Norm Nugent

More close and unexpected results have insured interest and competition remain high as the season enters the last six weeks. Round 9 saw my success rate rise to 82%.

I made an error in previewing the De La Salle versus St Kevin's game as I incorrectly stated the late **Anthony Molan** was a St Kevin's player. In fact Anthony was a long serving member of the De La Salle Club XV111 team. Any embarrassment I have caused is regretted and I apologize unreservedly for the writing.

## Review of Round 9

### Section 1.

Leaders, Prahran were untroubled to defeat Mazenod by ninety six points.

The Beaconsfield Boys came to town in a big way as St Francis Xavier defeated University Blues by fifty points to place themselves well in contention for a final four berth.

In the afternoon game a strong last quarter effort saw the Old Xaverians defeat Old Scotch by fifty one points. Old Scotch were well served by **Nicholas Smith** (Not The Actor!), **James Lynch** and **Robert Addison**. Old Xaverians had good players in; **Ben. Perry**, **Mark Davies** and **Daniel Russian**.

De La Salle retained the **Anthony Molan Cup** (named in honour of their late former player) when they scored a forty nine point win over St Kevin's, who were competitive only in the first half. Best for St Kevin's were: **Hugh Powell**, the returning **Dominic Dunn**, **Andrew Kearns** and **Danny James**.

Old Melburnians survived a tense physical encounter and defeated Old Xaverians 2 by forty six points.

### Section. 2.

Old Trinity conceded a big start against Old Brighton but fought back lead at half time by five points. The second half saw the tense struggle right to the final siren, which sounded as Old Brighton rushed a behind to win by the minimum margin.

St Bernard's continued on their winning way with a sixty six point victory over Caulfield Grammarians.

Emmaus/ St Leo's could have robbed themselves of victory over Old Scotch by their inaccuracy. The "Cardinals" triumphed by two points despite having less of the play.

Kew tried hard but could not match the depth of talent possessed by the University Blacks, who won by seventy nine points. Best for the Blacks were: **Kynan West**, **Sam. Leslie** and **Travis Stringer**. For Kew the best were: **Michael Natoli**, **Misha Oldmeadow** and **Robert Hosking**.

Undefeated leaders, Collegians survived their closest match of the season by defeating Fitzroy Reds by four points. The Reds were undermanned because of the injuries suffered by C Reserve players.

Monash Blues consolidated fourth place by easily defeating St Bede's / Mentone Tigers by one hundred and twenty six points. Monash physical strength was a telling factor in their superiority over a determined St Bede's/ Mentone Tiger's team. Good players for Monash included: ruckman, **Keith Perry**, forward, **Luke Woods** (7 goals), and on ball players, **Damian West** and **Richard Davies**.

### Section 3.

Marcellin scored a one hundred and forty one point win over a depleted Therry Penola, who despite lack of numbers and height battled gamely throughout the game. BEST FOR Therry Penola were: **Crotty** and **Barron**.

In a low scoring game, Old Scotch defeated Fitzroy Reds by twenty two points.

North Old Boys / St Patrick's seemingly improve each week as indicated by their dominant ninety three point win over Beaumaris.

Oakleigh showed my lack of knowledge of their talent when they outplayed Old Geelong, who lost by sixty three points.

In a game where the weather played a role, Bulleen – Templestowe took over control of play in the second half after trailing Old Westbourne at half time. The "Bullants" ended up winning by thirty six points.

Whitefriars continued on their winning way by fifty one points over the well publicized Box Hill North "Dragons", who started well but were overtaken by the undefeated leaders, whose best were: **Krolikowski**, **Davis** and **Ben Atkinson**, in his 50th game. Old Carey had the bye.

## Preview of Round 10.

### Section 1.

Leaders, Prahran face a really tough assignment at Beaconsfield against the emerging St Francis Xavier. I may well be proven wrong by Prahran, but I am confident St Francis Xavier will win this game.

Old Xaverians could continue on their winning way by accounting for St Kevin's.

In a potential final preview and in a match of historical football importance, Old Melburnians should be able to defeat Old Scotch, who are rated highly but who are not recording repeated victories.

*The Only Ball VAFA*  
*Players Fly For.*

University Blues have a great opportunity to redeem themselves today with a victory over tenth placed, Mazenod. Old Xaverians 2 should be able to return to the winning list by defeating De La Salle, despite De La players giving their best display of the season last week.

### Section. 2.

Old Brighton continue to improve and today at home, they should win well against Kew.

St Bernard's should gain another big win at the expense of Emmaus / St Leo's, who are yet to win this season.

Undefeated University Blacks and Collegians meet on the Crawford Oval. Collegians have done nothing wrong but the Blacks are a well trained unit, who possesses many fine players, who can mark and kick long to position. At home, I favour the Blacks to win narrowly.

Caulfield Grammarians should possess enough talent to defeat St Bede's / Mentone Tigers, whose play lacks consistency. In a battle the result of which could easily decide who qualifies for fourth place,

Fitzroy Reds play Monash Blues at McHale Stadium. Monash has regained some recently lost form, whilst the Reds ran Collegians to four points last Round. I favour Monash because they should be fitter.

In the afternoon game, Old Trinity plays Old Scotch in the afternoon game. There is little between these teams when they are judged on their overall performances. I fancy Old Trinity, who played so well last week only to see victory snatched from them on the final siren.

### Section. 3.

Old Scotch should have a comfortable win over Old Geelong.

Marcellin face a resurgent, North Old Boys/ St Patrick's at Bulleen. Both sides had big wins last Round and appear well matched. I forecast a very close game, from which I favour Marcellin to emerge with a narrow victory.

Old Carey, coming off the bye, face the long trek to Beaumaris, who hit rock bottom last week. Beaumaris should be a different proposition at home where I select them to win.

Old Westbourne make the long journey eastwards to play Box Hill North, whose form has dropped over recent rounds. The "Dragons" are a fast moving side, whose running and ball movement will trouble Old Westbourne so I select Box Hill North.

Despite their earnest endeavours the small and depleted Therry Penola side faces another torrid time against undefeated, Bulleen – Templestowe, whom I select to win.

Fitzroy Reds travel to Oakleigh where the "Krushers" will be confident after their big win in Round 9. Given the injuries suffered by Red's players, I select Oakleigh to win again.

Whitefriars have the bye.

### Team Managers.

Please send me your team details by noon Monday to [nknguent@bigpond.com](mailto:nknguent@bigpond.com) or by telephone 9467 2857.

Farewell to Umpire, **Ayur Detroya**, who has been transferred back to Chennai. We look forward to your return **Mayur**.

Best wishes go to Club XV111 stalwarts **Stuart Cade** (Old Trinity) and **Paul Jones** (Therry Penola), who both suffered serious injuries in Round 9. All your friends wish you both well and we all hope to see you both back in action as soon as possible.
