## BIG V

In any footballers career there are stand out matches. Generally they are games with unusual circumstances. Games that everyone remembers are Grand Finals and representative matches.

Friendships from these experiences are life long. I was in a social environment last week and was uplifted by the fact that a Vafa rep player of 1979 introduced me to a SA rep player from the same game and how they had kept in contact all these years. Coincidentally another Vafa rep player from the same match was in the room and an interesting discussion ensued recollecting that match and others from the era.

Representative matches bind people together regardless of club or in this case state, for a lifetime. Often people come up to me and talk about the rep team they played in and apart from the odd 10 year reunion of small groups there are only minor opportunities to get these people together. This is indeed unfortunate as it would be a special gathering of generations of Vafa people joining together to reminisce about their time together in the Vafa.

Accordingly the Vafa marketing sub committee has decided to bet all Big V players together for a luncheon in September of this year. It is a huge task as we will require all clubs support to ensure our lists are complete and contact details are correct.

This year another fifty odd players will wear the Big V for the first time and accordingly become a member of this esteemed club. With the players we have gathered three impressive coaching panels all with the correct blend of AFL, rep footy and amateur experience.

Last week our Under 19's began training for their all important clash with AFL Queensland Under 21's on Sunday June 10. This is an extremely tough assignment for our younger players but after playing in Brisbane last year our coaching staff will be better equipped to take them on. All of their players play in their senior competition which in the last two years has produced more AFL drafted players than the SANFL and the WAFL. This highlights the strength of their competition.

Many of the AFL Queensland team have played together for a

number of years playing in the Teal Cup and presently have a team that plays in the current TAC competition. Their Under 21 team will be the final age restricted match for all of their players and maybe their last chance to impress the AFL draft scouts who will no doubt be in attendance at the game.

Our team is being coached again by Justin Pickering and from last year's team; six players are still eligible for selection. As the rescheduled Round 2 will be played the previous day, we are very hopeful of players and supporters of the Vafa coming to Sportscover Arena to get behind this team.

This representative team still provide a pathway to AFL football with Richie Vandenberg (1995 v VFA) and Ross Young (2002 v VCFL) both on AFL lists and five of last years players on VFL lists with one, Brett Collins rookie listed to Hawthorn.

We are also delighted to have former Hawthorn and Caulfield Grammarians premiership player Dean Anderson accept the prestigious position as coach of the senior team for their match against the VCFL at Ballarat in July. The criteria for choosing the coach was that he had to have AFL experience, have played representative football, have a knowledge of Amateur football and be young enough to have an affinity with the modern Vafa player. We felt Dean ticked all these boxes and with last season's B Section premiership coach, Pat Hawkins as his chairman of selectors, the team will be ready to reclaim the Brian Molony Cup last held in 2001. As a certain raiser our Under 19's will be playing against the VCFL Under 19's.

Our final game is the Under 23's against South Australia at Woodville Oval. This match will conclude the three year series with the Vafa having to win by about 40 points to claim the trophy. This side will be coached by Jamie Shanahan with Nathan Burke as his assistant. Jamie played over 150 games with St Kilda and Melbourne and played representative football for Tasmania whilst Nathan played over 300 with St Kilda and represented the Big V on many occasions.

The Vafa make a major investment of time and resources into these matches and they give the better players in the competition an opportunity to play with their peers at a level higher than their usual Saturday competition with elite coaching. It is expected that all clubs and coaches get behind these games as the player returns a more mature footballer ready to lead your club into the future.

## Brighton Bitin'

I rarely read the Sunday papers these days, but a cursory glance last week had me scratching my head, wondering if I'd stepped into some warped parallel universe. **Scott Mollard** in the social pages? **Rick Springfield** growing lemons in Lysterfield? A Wedding Page couple that DIDN'T meet at Juice nightclub? And Old Brighton sitting atop the A Section ladder, a game clear, having comfortably seen off their three most likely challengers?

But I touched on that last week. Indeed, I examined the Brighton phenomenon with all the subtlety and elegance of a **Shetland Sheepdog** in stilettos. It appears that I wasn't the only one putting the magnifying glass on them. **John Kanis** and co certainly did their homework on the Brighton recruits, limiting the effectiveness of **Ainley, Bruin** and **Clarke**. Problem is, there's a plethora of Tonners lurking on the fringes, ready to step up when the big guns get nullified. **Callan Buckley**, yet another recruit from Sandringham, was awarded best afield honours, with plaudits also going to **Scott Olliver, Chris Tolj** and **Max Talbot**. Good team and a much-needed tonic, just when it looked as though Xavs would walk away with season '07. **Joe Sturrock**, in his first game for the year, was best for the students - which is good to see. They're a young team still finding their feet and will be winding up at the business end of the season.

## Will there ever be a Badland rainbow?

Bugged if I know. But the signs were good in the away rooms at De La. **Johnny Farnham's** *Playing To Win*, (a rousing, keyboard-centric tale of retribution, stagnation and reformation) was piercing the Malvern afternoon air. **Peter Nicholson**, perhaps inspired by the aforementioned ditty, looked as though he could punch a battleship unconscious. And the Badlanders were amped, determined to roll the always-unpredictable De la team on their own turf.

On the field - disaster. Haileybury were winging it from the first minute and never looked in the hunt. It was De La's old skool players, **Peter Harrison, Ben Mannix** (6 goals) and **Jeff Morel**, who sent the visitor's packing. **Natt Nixon**, a youngster on loan from Port Melbourne, also bobbed up with three goals. **Farooq Mohammad** continued his stellar season for the Bloods, but these are bleak days indeed for the reigning premiers. Still, there's enough talent on that list to ensure they'll be a nuisance.

## A Shura Thing

**Shura Taft**, a very dangerous Collegians forward and host of a Channel 9 children's show, had the indignity of having

a three-quarter page fashion spread in the Herald Sun under the name "Shura Tast". Don't worry Shura, The Age once by-lined me as

**Jonathan Prawn**. Sub editors hey? But I digress. Taft, or Tast, was as lethal as ever for the Lions, as they overcame a plucky Trinity side at the Trott. The visitors, who again went in without **Beardsley** and **Burrows**, had **Andrew Ramsden** red carded and thus played the final quarter with 17 men. They looked as though they might pinch it but the Lions, with **Jono Dixon** rampant, kicked two goals in the last five minutes to steal the win.

## Master Tate

**Tate Pearson** doesn't play that often. When he does, he invariably kicks goals and Bernards fire. On Saturday he headlined a Bernards line-up that, at least on paper, didn't have a chance in hell against Old Ivanhoe. But as is the Bernards way, they made us tipsters look like turnips. Pearson kicked three and dominated proceedings, together with **David McMeekin** and **Brenton Garth**. An odd loss for the Hoes, particularly as they had a full list to choose from - **Sam Geilings** played yet another slashing game on the

wing and **James Hope** took a dozen contested marks, which is about as many as those AFL murderers **Clarkson** and **Lyon** dished up to us on Saturday night.

### Ten to Turtle

Scotch turned in on in the first half at Xavier. **Gerstman** and **Doherty** were all over the Xavs defenders and the Cardinals looked half a chance to roll their dreaded bogey side. But Xavs dropping a game at the school is like **Chief De Beers** losing a race at Doomben – sacrilege! And 14 goals to 4 in the second half sealed the deal. **Tim Clarke** is your classic Collingwood six-footer but he did what few Xavs players ever do – kicked a double-figure bag. A mighty effort by **Turtle** and an ominous sign for the competition that he can step up when **Handley** and **Lynch** are off key.

### Today

Just a warning to Brighton - De La have a habit of rolling early season leaders, when their own season seems to be going nowhere. Matching these sides up however and paying particular attention to Brighton's superior height and body weight, it's impossible to see De La getting anywhere 'em. So much for my De Le theory – Brighton by 8 goals.

Uni to see off Scotch at Camberwell, which is in a rotten old state at the moment.

Collegians to avenge that infamous 2005, Round 18 result at the Badlands.

Old Ivanhoe in an upset over Xavs at Toorak Park.

And St Bernards to see off Trinity (assuming **Ramsden** gets rubbed out)

M I L E S T O N E S

**Old Trinity** wishes to congratulate **Clint Hillas** who played his **100th game** against Collegians last Saturday. Clint began with our under 19s in 1998 and has had an interrupted passage to this milestone due to cricket and injury, Clint missed all of 1999 playing cricket in England and 2002 and 2006 due to injury. Clint is an outstanding cricketer playing at District level for North Melbourne. Clint is also a true clubman who involves himself in all facets of the club and to date this season has been excellent in the backline. Well done Clint.

What an unpredictable section we have with a couple of the weekend's surprise results. Augurs well for the remainder of the season.

### REVIEW

Beaumaris proved the pundits wrong with a terrific victory over OM'S at the beautiful and historic Junction Oval. Beau picked their best possible side and the influx of youth certainly made a big difference to their performance. Even at half time until the Sharks through the dominance of Luke McNicholas at CHF were able to take control of the game and with Cuz kicking the match winner the Beau Boys went home happy. The young guns Matt McNally, the Waller Boys and Josh Boyle all acquitted themselves well as did Ensor and Coote down back. Would love to be able to write something about the young OM side but unfortunately their silence makes it impossible.

Ajax set up their victory with an excellent opening quarter against the wind. This was the difference in a pretty tough game where plenty of courage was shown in very swirly conditions. Jason Israelsohn has had a great season and again was the star of the show. Ari Lewski had leather poisoning, Jason Ritterman ran well from defence and the big fella Rzechta took numerous marks around the ground.

The ability to kick goals helped the Blacks to a hard fought victory over MHSOB who earned the admiration of their opposition with their ability to work hard and continue to compete. Bryce Shaw kicked a lazy 8 and has made a strong return to the Blacks line up, Judd Lalich and Luke Batten set it all up in the ruck and the strong backline held firm.

A windswept and heavy Old Rigret made life tough for the players of both SKOB and Marcellin. SKOB started well and had a match winning lead of 4 twins at the first break. Marcellin could not bridge this gap in the second term due to the hard work of the SKOB defenders. Marcellin kept coming in the second half but could not bridge the gap. Considering the conditions the game was of a high standard. Ed Crohan, Sheehy, Murphy and Mick Giansiracusa played vital roles in SKOB'S win while Spence, Stafford and Matt Bortolotto played well for Marcellin.

Let's get one thing straight here folks; it is not me who christened OEG Chokers. It came from within but I am not prepared to give away my informer. Boy what can you say did they choke or what??? 4 goals to the fore at the final change and down by 3 at the end it certainly makes one wonder. Some inspiring words from Luke Beveridge certainly set SBMT alive in the last quarter and to beat OEG at PEGS is no mean feat. Andrew Scaffidi won the BOG Award and evergreen Dave Kinsella controlled his area as usual. The Frankston Boys knocked up getting kicks with Steve McLaughlin and Chris Richards making fine debuts. Christian "Eight" Day the Biggs Brothers and Blanket Ward all did their best to stop the sinking ship.

### PREVIEW

Marcellin back at their own playing fields welcome MHSOB for the first time in a few years. The home side would be advised

not to take their visitors lightly as they are improving each week and gradually getting some better players back. None the less I cannot tip against Marcellin at home.

A win is getting closer and closer for the boys from Caulfield as there has been a gradual improvement in their form each week. Beaumaris inspired by the department of youth will be a tough nut to crack at Shark Park. Plenty at stake here including the vital 4 points and the Ken Criswick Cup for the victors. Tough call but because winning form is good form I'll stick with the Sharks.

OM'S who I believe have about 6 changes to their side each week head across town to tackle SBMT at Brindisi. The best home ground advantage in the Section is held at the Mentone Oval and OM'S won't be suited by it nor will they like it and will lose their 3rd on the trot.

University Oval promises a crackerjack game between the Blacks and OEG. They put on two terrific contests last year and based on current form this one will be no exception. Both in terrific form apart from OEG'S stumble last week but all sides are allowed a minor aberration. Still the Blacks are a most consistent unit all over the field and this could be the catalyst to get them over the line today.

The home of Amateur Football, Sportscover Arena, hosts another big clash between Ajax and St Kevin's on Sunday. Both sides sit 2/2 so it is a vital game. With no VFL matches this weekend SKOB will be at almost full strength and will offer no excuses if they go down. It's a tough one to pick but over the four week period leading into this game the Jackers have been the more consistent unit so I'll stick with them.

## M I MILESTONES NEWS

In recent weeks we have seen two **Beaumaris** milestones achieved when **Marcus Lee** and **Tim Cotter** played in their **150th** and **100th** VFAFA game respectively. Marcus has been an integral part of the senior side since graduating from the juniors with a top-three finish in the U/17 comp B & F and then had a similar result in the U/19 competition before becoming a mainstay of the senior time. 'Cuz' is known as a player who gives 110% each week whether he plays forward or back, and his sealing goal last week shows he is well on the way to 200. Tim has been another terrific club identity who has played U/19, Reserve and Senior footy with the Sharks and his early form this year shows there is a footy life after 30. Both the Lee and Cotter families have been great contributors to the club and we congratulate all involved.

**50 Games - Andrew Sinclair & Eddy Kalaja.** "Shiggy" after a stint at VFL level has returned to our club to play an integral part in our succession to B grade. It is a credit to Andy to overcome a serious illness to play tremendous footy for our club and with his twin tower brother, have caused many headaches for the opposition. "Lenny" has progressed through the U19's to develop into a terrific consistent player whose versatility allows him to play at either end of the ground. Eddy, being a passionate pie supporter, is a great person to have at our club. All at the Fields look forward to your next milestones.

**Old Essendon** Congratulate **Nick Bartram** on **100 Games**. Returning from 12 months overseas, it is great to have Nick back at the Club. At 25 years of age Nick is one of our most experienced players. A member of our inaugural U/19 side back in 2000. Nick has developed into a utility player, a strong defender who can also go forward. Nick is a terrific personality and clubman; we look forward to many more games to come.

## PUTTING A PLAYING SYSTEM TOGETHER

Exerpt from "The Art of Team Coaching ... Jim Hinkson, Warwick Publishing Inc. 2001

Playing systems help to keep players organised and playing cohesively. Having a system, coaches will have some rules or guidelines within that system so everyone knows what to do in certain game situations. By coach's listing the playing rules by priorities, the players will come to know what is important to them. They can then reinforce to the players when they are doing the right thing; when they are in the right offensive spot; when they are in a good defensive position. Coaches understand that positional play remains an integral part of discipline. If players do what ever they want, they will end up playing chaotic kick to kick.

*Remember: Knowing "what to do," i.e. systems, is one thing, but knowing "how to do it," i.e. teaching and explaining it is the most important thing.*

### General principles

Coaches must find a system that they know works and has been successful for them over time. Some coaches can work and re-work their systems to death and still might not be doing the right things to be successful. The key is to find a system that works for the coach and one that they believe in. Coaches must have a vision, an idea, or a system of exactly how they want their team to play. They can't be vague about it. By their being exact about it, their players will then know exactly what they have to do and what is important to the coach. There are no grey areas. They list the rules by priorities on attack, in defence, and on the run through the mid field.

Coaches must keep the systems simple and part of their personality. Good coaches will keep it simple and allow the good players to play. Players playing in simple systems have more freedom to focus and stay in the present moment during the game. Simplicity is freedom. Also, when it comes time to change the game plan, they can modify simple plans more quickly and easily than they can modify complicated ones.

A successful system helps players to perform as one. Successful systems get everybody thinking the same way and they keep everybody organised. In a disciplined system, players are where they are supposed to be; it's important to be in the right place at the right time, and do what they are supposed to do. Players can now anticipate the movements of each other more quickly because they know what is going to happen before it happens.

It is difficult to bring a new player into the team and expect them to help immediately because they may not be aware of the system. A player has to know what position they are playing in, what is expected of them, and what their role is.

Successful systems are strong in basic team fundamentals, but have some deception, surprises or tricks. Coaches can not become too predictable as this will play into the hands' of the opposition. If the opposition knows what the coach is going to do, they can obviously prepare for the coach and stop them.

In a successful system, the team believes if the opposition is going to beat them, they will beat them with their weaknesses, not their strengths. The players will make the opposition "star" players do what they want to do, even to the point of double teaming them.

In a successful system, the coach wants to attack the opposition and keep them off balance before they can get a chance to attack them. The coach's philosophy is they want to score first and keep on scoring. Within this system the players have to be daring and aggressive. The coach is action oriented, willing to take risks by moving fast and hard.

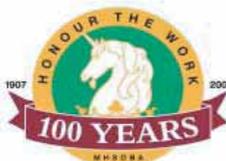

*Remember: No great battles were ever won on the defensive; sooner or later, a team has to attack. So coaches must control their own destiny or the opposition will.*

In a successful system coaches believe in pressure and they generally look for quick, aggressive, tenacious players. Their team is like a small boxer, is not going to knock any one out, so it has to keep moving and jabbing to wear the bigger teams down. So coaches look for speed when selecting players because everything they do in attack, and in defence, is based on speed and movement. Ideally, they want quickness in every position.

When putting a successful system together, coaches have to figure out two things the team can do really well. Then they make sure there is not a team in the league that does these two things any better.

**DEATH OF BARRIE MACDONALD**

Life long supporter, former player and President (1970-72) of MHSOBC, **Barrie Macdonald** passed away at his Pambula Beach home on Wednesday 16th May.

Barrie was a member of the great MHSOB teams of the 1950's and 1960's. His support of the club in

recent years, as a company sponsor, was greatly appreciated.

All at MHSOBA and MHSOBC are saddened by his passing and extend to Margaret, Scott and Kim, and their families, our sincere condolences at this time.

**ON THE WAY BACK!**

**Beware of the wounded Unicorn!** Our pride has been hurt but we are on the way back!

The start to the season has been hurtful ... in more ways than one. Injuries have plagued the senior list, and long term injuries at that. The three MHSOB teams have performed badly, being beaten by countless goals each week. The seniors, reserves and Under 19s are all on the bottom of their respective ladders, hardly amassing enough points to trouble the scorers.

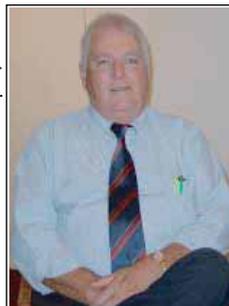

**Yet there were signs last Saturday that the club is fighting back.**

With the exception of a slight lapse in the third quarter the seniors were able to match it with ladder leaders **University Blacks**. Our attack on the football and general play drew very positive comments from the "old and bold" of MHSOB. A welcome return from injury by a couple of key senior players instilled confidence as we took the game right up to Blacks.

The reserves, with 10 new players registered during the week, allowed us to field a full side for the first time this year.

The Under 19s, with

only 17 available lads went within 5 goals of Old Mentone. Our boys showed some real spirit. If we can get a full team on the track the U19s will provide some spirited competition to other teams. A large number of our lads are Year 11 or 12 boys still at school. With thanks to Uni Blacks we may be able to field full teams in future through player swaps. All lads should be able to play

each week and clubs with surplus numbers can help out those that are struggling with VAFA approval.

MHSOBC has a proud tradition and dates back

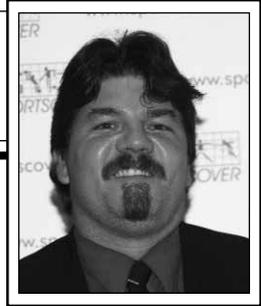

to 1928 when it joined what is now the VAFA. The football club committee is dedicated to supporting the club through its current difficult period.

I said at the home game luncheon last week that **we must all stick together and act positively** to ensure club support does not falter just because we are losing games. Encouraging youngsters will ensure the longevity of the club and, with 14 games still to play, we are determined to give all sides in B Grade a shake-up along the way.

## ROUND FOUR REVIEW

Dunsheva Oval was the setting for the meeting between Old Carey and Fitzroy Reds, two sides mooted in the pre-season as potential finalists. The Panthers took the game by the scruff of the neck early, eventually winning by 58 points. Chris Meighan once again starred for the Reds.

Mazenod met North Old Boys/St Patrick's College at Central Reserve with both teams looking to square the ledger at 2-2. After an even first half, the Noddgers edged away in the third term scoring three goal to two and matched that again in the last to prevail by 19 points. Mazenod skipper Ben Chamberlain, along with his brother Dave were key performers, while Dave 'Fire' Hose did a fair job in all but extinguishing the previously red hot Michael Barker.

Parkdale Vultures took on Monash Blues at Gerry Green Reserve for the John White Memorial Trophy hoping to wrest the prize from the visitors. That was not to be, as the Blues' superior tackling and physical pressure saw them retain the trophy by 38 points. In his 200th VAFA game, Brock McKenzie was in superb touch, setting up many forward thrusts.

Old Camberwell Grammarians squared off against Ormond at Gordon Barnard Reserve and made good of the first use of the wind, proving a crucial springboard for the rest of the game, as the Monders were less efficient when using the breeze. In the end, the Wells prevailed by 78 points. Andrew Durling and Dave Mitchell in Old Camberwell's back half were particularly influential.

Rupertswood traveled to Whitefriars College Donvale for their match against Whitefriars. The home side battled valiantly and were well served in particular by Aidan Baggoley, Nathan Cunningham and Gregory Power. However, Rupo flexed their collective muscle from the outset, with only poor kicking for goal giving the Friars some hope (unfortunately the Friars also suffered similar tendencies), before taking victory by 65 points.

## ROUND FIVE PREVIEW

The ladder has an interesting look coming into Round Five, with three undefeated teams, and only one other team with a 50% win-loss ratio. Curiously, all six teams outside the four have a 1-3 record, so today should see this pack break up to some degree (and potentially set the tone for the remainder of the season).

North Old Boys/St. Pat's host Whitefriars at Gillon Oval in the first of two clashes between 1-3 sides. A 1-4 record will leave either team in quite a bit of froth and bubble. Conversely, two wins at this stage might be good enough to get you in the four. So plenty at stake here. Look for another good game by the Friars' Gerard Kennedy, probably their most consistent performer so far this season. Look for fellow Friar Aidan Baggoley to provide some aerial highlights. For the COBs, it's about time I gave some props to someone not named Barker. Scott 'Sounda' Sleep, Chris Hosking and Kyle Adams all loom as key figures given their form over the last fortnight, and are sure to be at the vanguard again. The home side has an X-Factor that is available to them 'x' amount of times a season, so at home, against a fellow struggler, I'll plump for the COBs, again...

Ormond and Parkdale Vultures, the other 1-3 teams to meet today, square off at E. E. Gunn Reserve, which both teams mindful of the consequences of their own contest, as well as

those around them. Ormond have not been helped with the absence of Robert Chisholm, Ryan Martin, David Beckett and Ashley Russell through injury, but the latter three should be available today.

Chris O'Meara has been in good nick for the Vultures in recent weeks, while Shane Rowley will need to continue his recent goalscoring form to keep Parkdale in contention. At home and with arguably more pure talent at their disposal today, it has to be Ormond for mine.

A south-eastern derby as Monash Blues entertain Mazenod OC at Frearson Oval. Both team enjoyed solid wins last week (at my tipping expense) and will look to keep the momentum going to edge away from the stragglers, and towards what at this stage could be the best trio since Nirvana. Blues' Shane 'Muncher' Chapman enjoyed a good first game back from injury last week. Matty Coe has also been fantastic for the Blues at centre half back this season, and depending on the Mazenod set-up, could find himself on any (or all) of the consistent Chamath Jayaweera, Nicholas Meehan, or Nicholas Bogar, who had been starring in the reserves before his promotion last week. Tough game to call, but I'll go the Noddgers, just.

A repeat of the 2006 D1 Grand Final takes place at Salesian College Sunbury between two undefeated side in Rupertswood and Old Carey. There had been some talk about the rumoured return of Old Carey star Al Parton. Despite his talents, he has had his share of critics, but 'Dolly' certainly knows how to handle his knockers. Time will tell if this is indeed the case, but it would be a great boon to the Panthers, indeed the comp in

general if this were to come to fruition. Old Carey still have plenty of talent at their disposal, despite the absence of several of their regulars. For Rupo, the midfield, particularly Tom West, and Gareth and Justin Phillips have been great all year, as has the defence led by Dave Collins and Jarret Plummer. Carey's Glen Parker will need to having his kicking boots on today. The key though, could be Rupo's multi-faceted forward set-up, where either one player can dominate proceedings, or four or five guys can bob up with two or three goals each, causing many a headaches for opposition coaches. At the 'House of Pain', I cannot go past Rupo.

Ladder leader Old Camberwell make the trip to Brunswick Street for their clash against Fitzroy Reds. The Wells continue to conquer all before them, whilst in contrast the Reds have underperformed in relation to many pundits' pre-season expectations. Old Camberwell star David Loats managed eight goals in a half of football before having to leave the field late in the game. Not sure at this stage if this was merely a precautionary measure, as his availability was under question last week, and will again be under the microscope this week. If he does play, who will pick him up? Tim Davis, Jeremy Rawlins, Brett Pollard? Perhaps a multi-team or rotation policy may be in effect. An interesting quandary for those on the Reds coaching panel. For their sake, I hope the Reds can turn things around soon, or I'll have to put them 'on notice' (a la 'The Colbert Report'). Bottom line, the Wells have too many weapons on hand today. Old Camberwell to win.

## M I M I L E S T O N E S

**Paul Nelson - 150 Games** Club stalwart, Paul Nelson, played his 150th game against NOBS last weekend. Paul started with the club in 1997 and won the U/19 B&F award the following year. In '99 he graduated to the seniors and has been an almost permanent fixture at full back ever since (despite his ongoing efforts to convince everyone that he's a forward). In 2000 he played in Mazenod's first ever B-Grade premiership, producing a performance that is the stuff of legend at Central Reserve. The club congratulates and thanks Paul for his service.

## SUPPORTS THE VAFA AFCA/VAFA COACH OF THE YEAR U19 COACHES OF THE WEEK

### Cam Obliubek & Ben Newbold – Old Essendon

This week we have named co-coaches as the award winners, namely Cam Obliubek and Ben Newbold from Old Essendon. After a baptism of fire last year where the U/19's only won four games for the whole year, this season sees the boys sitting 2nd on the ladder with a score line reading 4 wins out of 4. While U/19 sides can change dramatically from year to year, the three main reasons for the turn around have been (1) attitude and numbers at training (2) commitment to each other and (3) as second year coaches they have learnt a lot from last year.

Both Cam & Ben joined Old Essendon straight from school in 2000 playing in their inaugural U/19 side, before playing games in both the Seniors and Reserve, amassing 93 games and 60 games respectively. "At 25 years of age it was too early to retire from the game so we put up our hands last year and said we would give coaching a go", explains Cam. Both say they have not officially retired from playing but at the moment are enjoying coaching stint.

## CLUB WAREHOUSE RISING STAR NOMINATION - ROUND 4 WILL TARDIFF (COLLEGIANS )

Will Tardiff played seniors in 2005 in his first year out of school and in those couple of games showed that he would be a good player. For a young kid he had plenty of poise and time to get a disposal away.

In 2006 Will played in Collegians Under 19 team. They struggled for most of the year but Will never became disenchanted.

During this 2007 preseason, knowing he was no longer Under 19, Will worked very hard and wanted a senior spot to be his own. In the first couple of games this year Will has delivered on the promise that he showed in 2005 and now he really looks like he belongs in the Senior side, and his best-on-ground performance last weekend against Old Trinity proved it.

Will is a quiet unassuming person who takes it all in his stride. This award will not be his last as there are a lot of great footballing years ahead for Will Tardiff.

# BIG V RECOLLECTIONS

**Barry Richardson - Big V Coach from 1992-1994**

**By Russell Gould – VAFA Communications Manager**

There's not much Barry Richardson hasn't done in football, at all levels.

A three-time premiership player with Richmond in the VFL, he was also the Tigers coach and later the club President.

Throw in his stints on the selection panel of numerous VFL then AFL clubs and there are few who could match him for experience.

Memories of most of his long life in football are ever-present in the form of photos on his office wall.

The one that takes pride of place is from a 1993 Big V game at Sportscover Arena when the VAFA got over Vic Country by a couple of points.

"I have a photo on my wall of that game on July the 25th 1993, which happened to be my wife's birthday, I've got it up because it was one of the best games of football I have been associated with," Richardson recalled this week.

"We kicked 13.14 and they kicked 13.12, so it was a close game. The lead changed hands often and there was never more than a goal in it the whole time. We were serious underdogs. It was also the first state game my son Daniel played in.

"It has remained strong in my memory because it was a fantastic game and sometimes you are involved in them, and you can't forget them. I've got lots of photos mixed in with Richmond premiership teams, but it takes pride of place among all of that because it was a day I won't forget."

Richardson credits his time at the helm of the Big V in the early 1990s at the catalyst for re-igniting his love of coaching, having been absent from a top job for nearly 15 years.

"It was my foray back in to coaching. I'd coached Richmond in 1978 and that was my last stint and I had done sports journalism since then with a time as chairman of selectors at Melbourne with Ron Barassi," Richardson said.

"The President of the VAFA at the time lured me back to coach the centenary team in 1992. I thought my coaching days were done; I had a busy practice at the time. The state stuff suited me because it was only a six week season, two games to coach.

"I have to say it re-kindled my love of coaching and I did it again in 1993 and 1994 and then went back to coach Old Xavs in 1995 (when they won the flag)."

His Big Coaching stint also led to another 10 years at various AFL clubs including Carlton, Geelong and the Western Bulldogs.

There were other outcomes of his return to coaching, and one of them included his son.

"Coaching my son in that 1993 game, he was paying at half-back and we moved him to full forward in the dying minutes," Richardson recalled.

"I'd always thought he could play full forward and he kicked the winning goal, which was a bit of a thrill.

"Then I coached him at Old Xavs in 1995 almost on the strength of seeing him play 10 minutes of full forward in that state game, I thought he could do it full-time. He then went on to be Xavs highest ever goalkicker and played in six premierships, as a full-forward."

A love re-kindled and the making of a club champion. Just another game for the Big V.

# D1 SECTION

## Krushers the 'Real Deal' whilst Two Blues slip up down the coast.

It certainly was a mixed bag of D1 results last Saturday as some much needed rain saw a bit of slipping and sliding occurring out on the grounds. Likewise, a couple of fancied teams also slipped and slid their way down the ladder at the hands of a more focused opposition.

A classic case was at Como Park where the traveling Oakleigh boys took full advantage of the absence of a couple of key OGGers and drew away in the final term to score a crucial away victory over a quality opponent. This may be the defining day for this emerging club, who can be well proud of Dan Zula, Trev Bomley and Pete Holden. For the vanquished, Richie Ramsden put in his best game thus far whilst Sam Long and Matt Goldsworthy toiled hard.

Down at Mount Eliza, the Pirates started with a strong physical presence, but the loss of (ex-AFL) Jamie Duursma with a leg injury could have proved telling as he limped off before quarter time. Ordinary kicking with a strong breeze meant the home side's 18 point lead probably was less than they'd hoped. As is often the case, sides who squander the breeze work doubly hard into it, and the home side really set up the win by holding Prahran in the second term. Nick Claringbold, Tom Reese and Andrew Murphy were fantastic around the ground and when Jim Herron kicked the first goal of the final term, the home side knew they were on the way.

## Bushrangers rob Lions and get off the mark

It was "party central" at Domeney Reserve as the Bushrangers opened their account against the Therry Penola crew. Simon Yeo and Brad Peake were handy inclusions for the home team who had to play with only 21 players after a late withdrawal. "Eddie" Beal completely blanketed Corey Bannister in the early going, as the Yarra boys established a handy lead. With Toohas providing silver service for his on-baller, the home team should have lead by more at the first change. The second quarter was a stalemate, as Therry couldn't take advantage of the breeze, though Jarrod Fenton and Justin Crotty were certainly working hard for the Lions. Straight after the main break, James Keem and Ash Drew kick started the Yarra's third term, as they stretched the margin out and took a decisive lead, which they refused to given back. Once the final bell sounded, the remnants of the Ladies chicken and champagne luncheon were consumed by a happy band of lads. For the Therry boys, it's back to the mirrors and drawing board as they look to get off the mark this week.

Elsewhere, as expected, it was a regulation drubbing out at Keysborough as Jake Moon and Trent Wiltshire both rammed home three goals and Keith Biggs stole the show with a commanding performance. Meanwhile, over at Ted's place, the deck has certainly seen better days, and this played into the hands of the Bullants who were keen for a scrap. They took a 3 goal lead to the first huddle and maintain that margin for the next 75 minutes. Bill Tourogianis and Kristian Cherbakof (any relation to that famed Russian weightlifter?) had ripping games for the victors whilst the ever reliable Gary Carr and Gerry

Woods could hold their heads high for the Rovers.

## Round 5

OK - now we're well and truly warmed up and it's time to sort some wheat from the chaff.

### Hampton -v- Peninsula

Two sides with 2/2 records face off with the Pirates back in the winners circle and looking to get on a roll. Hampton really fell in a hole last week and will be keen to make up for an ordinary effort. On their home deck, it will still be tough, but I'll stick firm with the Rovers by 8 points in a thriller.

### Old Paradians -v- Yarra Valley

Good chance here for the 'Rangers to knock off the 'Raiders and get two in a row. It's going to be a long haul for the home side this season, and I feel the good vibes of last week will continue here for Yarra. Visitors by 4 goals

### Therry -v- Bulleen Templestowe

A must win game here for the Lions, but the 'Ants are starting to march. Somehow, I think it's high time for an upset here and will give the nod to Therry by 3 goals

### Prahran -v- OGGs

The local derby will kick off at Toorak Park as the OGGs look to atone for last week's slip up. Prahran at home is a tough assignment and I'm thinking the visitors may find it too difficult. Orrong Road to defeat Williams Road by 16 points.

The OMs step up to the plate at Scammell and will take a swing. They're in good form at the moment, and could score a hit here, so against all reason and logic, I'm tipping OMs in an upset by 7 points.

## M I MILESTONES ES

**NICK FISHER - 100 GAMES:** Every one at the **Old Mentonians** would like to congratulate Nick Fisher who today plays his 100th game for the club against Oakleigh. Recruited under the father / son rule, Nick has been a great contributor to the Panther cause, both on and off the field. Not the most vocal person off field, "Fuzz" has let his pace and football ability do the talking on field, as he has become a regular and valued member of the club. Well done Nick and we hope that the American kids that you will be looking after enjoy late night poker on Thursdays.

**Bulleen Templestowe - Congratulate Bradley Gauci** for playing his **50th** game for the Bullants last weekend. He has risen up from the Under 19's and is playing great footy of late so congratulations go to Brad.

**Bulleen Templestowe Congratulate David "Softy" Millar** on playing his **100th** game for the Bullants this week. David is having a great season this year having finished his training with the police force and now working for the boys in blue and yellow. Also Congratulate a fantastic servant of the club, **Dean "Kenyan" Matthews** for playing his **250th** senior 1's game for the Bullants. He has had a fantastic career, is a very loyal servant of the club and is an inspiration to all players who have played with him as he leads by example and by character every time he pulls on the jumper.

All at **Prahran** congratulate **Michael Radywonick** on reaching **50** games with the club in round 2. Rady has been a great clubman since joining the Two Blues, coaching junior teams, helping with club functions and of course playing some inspiring football. Well done big fella!

The Two Blues also celebrate **50 games** this week by **Adam Sleight**. Returning to the club after a year overseas, Slippy is a dual Best & Fairest winner and former captain of the club and has represented the VAFA against the SFL. He has been making an impact on the field since kicking goals with his first three kicks for the club against Glen Eira. We look forward to many more games from both of these guys.

# D2 SECTION

by Jono Healy

Only South Melbourne remain undefeated in an even season of D2 footy, but their toughest test will come today against Werribee. Salesian and Williamstown CYMS had their first win of the season during round four and there are many highly anticipated fixtures in round five.

### Emmaus St Leos \$1.40 v St Johns \$2.70

Emmaus St Leos were no match for a fired up Salesian outfit, eventually losing by nine goals. Best for the Animals were on ballers **Luke Stout** and **Ronan Stafford** while **Chris Beluszar** was elusive up forward. St Johns showed the St Johns form of old with an emphatic 47 point victory at home over Banyule, which included a six-goal-to-zero final term. Recruit **Chris Cachia** and **Callum Pattie** did the majority of the damage as the Jocs notched up their second victory for the season. Tough gig at Bennetswood today for the Jocs. Cachia, Arnold and O'Connor will need to fire if they are to prevail. I expect to see Anthony Ballard amongst the goals for Emmaus St Leos as the Animals cruise to a 46 point victory.

### Williamstown CYMS \$2.20 v Aquinas \$1.60

**Ben Hynes** certainly proved me wrong with an excellent defensive display as Willy thrashed Benteleigh by 59 points. **James Wong** and **Shaun McGuinness** provided the drive in the midfield as the Willy boys ran rampant. Aquinas did the job at home over Werribee by 20 points. **Stephen Tibb** and **Paul Maaskant** were excellent across half back, while **Michael Glassborow** and **Glen Whitehead** worked hard all day. Today will tell us whether or not Williamstown are a finals contender or pretender. At home, confidence up after an excellent win, they need to build on it and post another victory. Aquinas are a very professional outfit however and I expect the team from Ringwood to post a 12 point victory.

### Glen Eira \$1.50 v Salesian \$2.40

A persistent Glen Eira outfit, once again without the services on inspirational skipper **Alex Tsirogiannis**, put up an excellent showing against South Melbourne, but left Albert Park without the four points. Wingman **James Prantzios** and on-baller **Luke Pryde** tried hard for the Saints throughout the match. Salesian fans enjoyed their Saturday night out on the town last Saturday after a breakthrough 54 point victory over Emmaus St Leos. **Joe Morsello** and **Andrew Williams** continued their stellar seasons and more of the same will be expected at Packer Park this afternoon. With Tsirogiannis expected to return for this clash,

Glen Eira start as favourites. I expect the Saints to get the win by 35 points.

### Banyule \$1.33 v Benteleigh \$3.10

Banyule won't be wanting to visit Doveton again in a hurry. A 47 point loss to St Johns and the boys from the Northern suburbs of Melbourne are now back in the pack. **Kyle Shepard-Mueller** (has to be close to the best name in D2 footy) impressed for Banyule while **David Gayfer** continued his excellent recent form with four goals from full forward. Benteleigh suffered a 59 point loss to Williamstown at home and I am sure everyone else has noticed, as I did, that **Chris Sharp** didn't trouble the goal scoring column. Without the services of a match report from either club it is hard to guess what happened there, but having seen Benteleigh play in the past, Sharp has ventured into the midfield when the Demons have been struggling. He is no slouch in the middle though, and can continually defy his 30 plus age barrier. Can't see anything but a home win here. A Banyule victory should be included in all multis. Banyule by 65 points.

### Werribee \$1.45 v South Melbourne Districts \$2.50

Match of the round status at Soldiers Reserve here and one definitely worth getting a long to see. South are yet to taste defeat but could today be the day they are knocked off their perch? I believe so, but more about that later. Werribee tried hard but bad kicking for goal thwarted their attempt to upset Aquinas in Ringwood. Werribee's better players were **Jullian Farley** and

**Martin Walsh** (until injured) in the back half, **Andrew Tedesco** on ball and **James Norton** in the midfield. South pulled out a gritty win over Glen Eira by 23 points with **Luke Kealy** and **Chris Batchelor** finding some form. I will go out on somewhat of a limb here and state that if South can win today, they won't miss the finals. For this to happen they will need big games from **Steven Aquilina**, **Paul Cheevers**, **Andrew Hannan** and the **Niemi** brothers. I have said it before though, and I will say it again, Werribee at home are always hard to beat. I am not sure if it's those excellent hot dogs in the canteen, or the bus that sits on the outer wing that cheers on the home side, but the Tigers definitely have a four to five goal advantage when playing at the confines of their own ground. Should be a cracker of a match. Werribee by 11 points.

## M I MILESTONES E S

**Bentleigh** congratulates **Jules Roberts** on reaching **50 games**. After playing under 19's football with the club in 2003 Jules returned in 2005 to join our Senior side. A consistent performer across half back Jules is one of a number of former juniors taking the club forward, well done and good luck.

**Werribee Amateurs** congratulates **Matthew Keogh** who becomes the second player in the clubs history to play **100** senior games. The first with all games in the VAFA. Matthew a three times best and fairest winner, past as well as current captain had a long junior career with the club starting in under 9's all those years ago through to under eighteens approx 200 games before one season of under 19's in 1999 before taking a year off to tour the pubs of the world (Werribee). Returning in 2001 has only missed games because of injury never having played the early game in the reserves. We all wish Matt the best for today and the future and hope that the P word can be added to the resume before the body or age force retirement.

## • Car Horn Couldn't Stop Xavs

Old Xaverians were able to savour their 47 point thumping of Old Scotch a little earlier last Saturday, after the umpires confused a car horn with the siren and ended the third quarter with five minutes of playing time remaining. By the time the umpires had been alerted to the mix-up, the players were well and truly in their huddles and spectators had graced the field. It was decided to let three-quarter time stand and complete the fourth quarter as per normal. The match was played in front of a large crowd at Xavier College in the annual clash there between the two clubs.

## • St Mary's Wins Community Club Award

St Mary's AFC, sitting undefeated on the top of the D4 ladder, received further good news this week when they were announced as the May winners of the AFL Victoria draw for Bronze Level Clubs. St Mary's receive \$500 worth of sporting equipment of their choice from AFL Victoria. Club Treasurer Matthew Ellis said "Our committee recognises the importance of the Quality Club Program and we have advertised our accreditation extensively to our supporters, sponsors and local council. Winning the monthly award is an additional bonus on top of the benefits we have already gained from our involvement in the program". For more information on the Quality Club Program, go to [www.footballvic.com.au](http://www.footballvic.com.au) and click on the Quality Club logo. Congratulations to all at St Mary's.

## • Where's Tommy?

For the last thirty years or so, every Saturday during a football season was sacred to a certain VAFA Executive Member with the initials Tom Brain. This year, however, things are a little different for our B Section Scribe. Instead of enjoying the hospitality of a VAFA club, Tommy has been in Phuket, proudly parading up and down Patong Beach in his "budgie smugglers" for the past two weeks (apologies for the visual image that may have just entered your head!). He's back now though, so make sure you voice your "concerns" personally when he appears at your club in the near future.

## • Fitzroy Reds Unveil Star Recruit

A new recruit has signed with Fitzroy Reds, hoping to

turn around the club's mediocre start to the season. A Permit Application Form was received during the week for former President and Amateur Footballer Scribe Peter Hille, which lists his last club as University Reds in 1991. Although not having played for 16 years, Peter is hoping to have an immediate impact when he takes the field for the "aspirational" (their Club XVIII (2) side). Any contributions to Peter's rehabilitation fund will be gratefully accepted by the club.

## • VAFA's VFL/AFL Contribution

An interesting article last week published in the Herald-Sun by Steve Perkin, listing the community clubs and schools which have contributed the most number of players to the VFL/AFL. A very difficult list to compile I would suggest, but the VAFA figured prominently with current and former clubs and associate schools making substantial contributions. Heading the list overall was Port Melbourne, contributing 120 players with the leading current VAFA club being University Blacks with 58 players making the grade. Melbourne Grammar and Scotch College figure with 55 and 51 respectively. The following clubs had VAFA connections during the latter part of the 19th century and the early part of the 20th century and may have contributed some players to the then VFL when a member of the VAFA's forbearers namely the MJFA and the MAFA - Brighton 76 players, South Districts 73 players, Fitzroy Juniors 72 players, Leopold 67 players, Carlton District 54 players, Collingwood Juniors 49 players and South Yarra 45 players.

## • Today's Luncheons

Beaumaris's first luncheon for the season today will be an emotional one given it will be the first opportunity for the club to honour the memory of recently deceased former Captain-Coach Peter McGeorge. "Macca" led the club in 1973 and 74, before making a comeback in 1977 and being an integral part of the great premiership side of that season. Also recognised at the luncheon will be club greats Chris Martin and Jono Holt, who both retired over the summer.

St Bernard's will host their "Big Day Out" with all 5 of their sides playing at the "Pit" on the one day. The club is offering parents of the U19 players a "two for one" deal for the luncheon, with the first U19 match kicking off at 9.20am and the second at 2pm. Tickets for the lunch are \$25.

## • Certificate of Merit

Val Evans –  
Old Carey

Val joined the Old Carey in 1984 as a supportive parent and canteen worker and assisted the club in many other areas including Yearbook compilation, purchasing trophies and wherever else she could. In 1989, Val not only became Club Secretary, she also became Registration Secretary, Team Manager for the Seniors and Reserves, Press Correspondent, Property Steward and whatever else needed doing on match-days, in addition to the duties she originally undertook. You name it Val did it without hesitation and always with a smile. She has served on the Committee, been manager for every Old Carey side at one time or another and has even been the club's photographer. Val stepped down as Club Secretary in 1996, but continued with her other roles right through to 2001. Val is a Life Member of Old Carey and is still a keen supporter and regular attendee of matches. Congratulations Val for your efforts and the support you have given to your club.

## • “Bangers n Cash” Challenge This Week

Clubs will be receive collection packs with their Amateur Footballer subscriptions this week for the “Bangers n Cash” Challenge. Clubs are asked to conduct a BBQ or collect a gold coin donation for every article of food sold at either a Thursday night training session or on a match-day over the next couple of weeks. The clubs that raises the most amount of money will receive a brand new BBQ or a holiday package. All funds raised go to support kids suffering from Cystic Fibrosis so your support is desperately needed.

## • Joke of the Week

Doctor Stu Hansell had slept with one of his patients and had felt guilty all day long. No matter how much he tried to forget about it, he couldn't.

The guilt and sense of betrayal was overwhelming. But every once in a while he'd hear that soothing voice, within himself, trying to reassure him: "Stu, don't worry about it. You're not the first doctor to sleep with one of their patients and you won't be the last. And you're single. Let it go....."

But invariably the other voice would bring him back to reality: "Stu, you're a veterinarian...."

### RATING:

# ... Retrospective

by Geoff Reilley

## 5 YEARS AGO - 2002

**B Section** scribe, **Damian Carroll**, pointed out that the top three in the section were starting to draw away already. **Old Melburnians** were the only undefeated team and despite poor kicking for goal in their game against **Old Essendon** at the Junction Oval, it was a comfortable enough win, 12.20 to 8.9. By half time, only the high number of behinds from OM's left the Essendonians with a chance but Melburnians were in no mood to sully their record to date. **Holme, Mulquinney** and **McKeon** were exceptional for the winners while **Hakim** (5 goals), **Cooper** and **Kavanagh** were the best for the visitors.

In **C Section**, **Whitefriars** were the only undefeated team and were already strong favourites for the flag. They possessed strong all-round ability and their main goal kicker, **Chris** (Buckets) **Carrigg**, was well ahead of the section sharpshooters with 23 goals to date. The opening burst by the Friars of 6.4 to Glen Eira's solitary behind, set up the match and it was a comfortable final result for the Friars of 16.16 to 10.10. Best players – **Janson, Campbell, Hilton, C Carrigg, Langford, Carbone** (Whitefriars) and **Hayes-Dewar, Clement, Tsirogiannis, Ryan, Massis, Lewin** (Glen Eira).

The Coates & Wreckair "Most Valuable Players" weekly awards went as follows – **A Section; Steve Collins** (Old Scotch), **B Section; Dennis Castaldi** (Therry Penola), **C Section; Nigel Credlin** (Old Camberwell), **D1 Section; Al Bethune** (Aquinas), **D2 Section; Tim Connolly** (Kew), **D3 Section; Dan Lauletta** (Hawthorn), **D4 Section; Brett Sinnett** (Rupertswood).

**Senior Coach** of the Month award, decided by the VAFA Coaches' Association Executive Members, went to **Tony Macgeorge**, senior coach of **Mentone AFC** in **D1 Section**.

One of the well known names in amateur football, **Tim Beasley**, was to play his **250th game** and his outstanding record was worth reading. Best player awards in two sections, **E and D**; seven best and fairest awards for his club (St Bedes Mentone Tigers); premierships player and VAFA representative. Tim joined his four brothers at St Bedes in 1985 and also

played with two brothers-in-law to complete a huge family contribution.

## 10 YEARS AGO - 1992

In **A Section**, fourth placed **Old Haileybury** travelled to the **Old Xav's** ground, full of expectation despite Xav's undefeated status and bearing in mind that the ladder leaders had not been all that convincing in recent weeks. 6.6 to 0.1 by the Xavs quickly put paid to any theories that they may be shaky and although quiet in the second quarter, Xavs stepped on the gas again in the second half and their 20.25 to 9.9 victory reassured all VAFA followers that they would again be the team to beat. Best players – **Ocleshaw, Bowen, Wood, Landrigan, Lethlean, Blood** (Old Xavs) and **Secull, Home, Morey, Lappage, Kraus, Connell** (Haileybury). **Matt Bourke's 7 goals** weren't enough for him to make the Xavs best!

In near perfect conditions, **Old Brighton** thumped **Old Ivanhoe** to the tune of 24.15 to 9.8 and held their top spot as a result in **B Section**. Said to have played at CHF, Old Brighton's **Bradley** kicked 11 goals; what a performance! **Adam Fitzgerald, Matt Dennis** and **Kim Farrell** assisted big Bradley to hold the Hoes at bay although **John Mansfield, Marty Veal** and **Mark Johnston** battled gamely for the vanquished.

**B Section** coaches were **Harry Harisiou** (Banyule), **Doni Valkanis** (Ivanhoe), **Rob Prosser** (Mazenod), **Warren Faull** (MHSOB), **Dale Tapping** (Old Brighton), **Kevin McLean** (Old Ivanhoe), **Greg Healy** (Ormond), **Tim Hart** (St Kevins), **Terry Walsh** (St Kilda/Sth Caulfield) and **Terry Quinn** (Therry CCOB).

## 20 YEARS AGO - 1982

**Ross Booth's A Section** review told of **Caulfield Grammarians'** upset win over **Collegians** at **Elsternwick Park**. Four goals down halfway through the final quarter, The Fields unleashed a terrific burst to slam on 6 goals to finish 11 points in front, 20.12 to 18.13. In was a really entertaining final term with Collegians also scoring four goals. Best players – **Matthews,**

**AFG** **MIAA** FULL MEMBER

**Morrissey, Norman, Kanis, Cooney, Boston** (Caulfield) and **Hinchen, Irvine, Baum, K Parsons, Herman** (8), **Wright** (Collegians). Ross Booth commented on the importance of the return to the ground by Caulfield ruckman, **David Matthews**, following his report earlier in the game for an altercation with Collegians' **Jeff Lemon**. Ross Booth said Matthews' dominance in the centre square had made all the difference.

**Ian "Ocka" England, Old Carey** stalwart, was congratulated by all his clubs' supporters and officials for reaching the **300 game milestone**. Ocka joined Old Carey straight from School in 1969 and played in the 1970 premiership. He won the reserves' best and fairest 5 times and was now after the club record of 310 games held by Tony Fink.

The leading goal kickers in each senior section were **A Section – Herman** (Collegians) 29, **B Section – Freeman** (Parkside) 33, **C Section – Mitchell** (Old Melburnians) 22, **D Section – Collins** (Old Camberwell) 28, **E Section – Jenkins** (State Bank) 24, **F Section – Elliott** (Williamstown) 24, **G Section – Robinson** (Bloods) 18, **H Section – Fitzpatrick** (Eltham) 26.

### 30 YEARS AGO – 1977

In **A Section**, top four team **De La Salle**, had a real scare against bottom placed **Coburg** who played some great footy in the first quarter to hold a handy two goal lead in what was to be a low scoring match. As usual, the De's bounced back in the second before Coburg snatched a 1 point lead by three quarter time. De La's troops rallied in the last to hold on for a 9 point victory but Coburg, winless to date, deserved the plaudits of their loyal supporters. Best players – **McHenry, Groves, Nugent, Bothe, Donegan, P McDonnell** (De La Salle) and **M Green, P O'Brien, G Green, Royal, M Finlay, P Finlay** (Coburg).

In **B Section**, **Old Scotch** hosted **Reservoir Old Boys** with a place in the top four at stake. It was to be a very competitive game with Scotch holding sway in the first term and Reservoir responding strongly in the second to take a 2 goal lead. A terrific third term by Scotch saw them register 5.6 to nil and it seemed they had it in the bag. Reservoir came at the home side again early in the last but Scotch answered the challenge to win 16.18 to 14.14 in a great game of amateur football. Best players – **Anderson** (3), **Frew, Tallent, Thompson, Hays, Bubb** (Scotch) and **R Shepherd** (6), **McKerrow, Paulka, Dowell, Byrne, Trevascus** (Reservoir).

One of **Alphington's** greatest players, **Doug "Ernie" Adams** played his **200th** game. Son of former great, **Percy Adams**, Doug's wing play was superb with excellent ball skills. **Lee "Moose" Thomas** reached his **200th** game for **University High School Old Boys** despite missing 2 years while in New Zealand. Lee had

won a number of honours for his club including the coveted Best Clubman award.

### 40 YEARS AGO – 1967

**B Section** was a very tight grade and **St Kilda CBC Old Boys** and **University High School Old Boys** confirmed this with a draw which left them both in equal third place on points. The game fluctuated with the lead changing a number of times with the final score 70 points each. Best players – **Egan, Sherman, Peluso, Vignola, Hoy, Sweeney** (St Kilda CBC) and **A Hume, Nettleton, Keddie, Prosser, Migios, Goodwin** (UHSOB).

In "**The Amateur Footballer**", there was an award of "**Personality of the Week**" and in this edition it was **Roy Harper**, new coach of **Old Brighton Grammarians**. Roy had an impressive football career to date. He played his first senior football with Hampton Rovers in 1945 leaving them to join Sandringham in the VFA in 1949. He won Sandy's best and fairest in 49 and 51 and was runner-up in the J J Liston Trophy in 49. After 80 games with Sandy he played 49 games with Footscray in the VFL from 1952 to 1955 winning Footscray's best first year player in 1952. Roy went on to coach Glenhuntly (1958-60) and played for them (1961-63). Old Brighton were delighted to welcome Roy to their club.

### 50 YEARS AGO – 1957

In **A Section**, **Old Scotch**, with greater accuracy in front of goal and steadier defence, held **Coburg** at bay in the last quarter to score a decisive victory, 12.9 to 7.16. Scotch had first use of the strong wind but strong defence by Dugdale made scoring difficult. Hood had the advantage over Merrick in the centre and consistently drove Scotch forward. The Coburg rucks took control in the second quarter, the Scotch defence began to weaken and Coburg led by 9 points at half time. Scotch had a much better result in the third term to lead by 28 points at the last change and although Coburg attacked consistently, Scotch's rugged defence stood firm to ensure the four points. Best players – **Wood, Tindale** (4), **Gibbs** (Scotch) and **Merrick, Cooke, Dugdale** (Coburg). Scotch firmed in second place as a result of this match and Coburg continued to sit in the middle of the ladder. Coburg forward, Spencer, held his lead in the goal kickers' stakes with 18 for the season to date ahead of Rush (Collegians) with 17.

In a major break through, the coming interstate amateur match between **Victoria** and **South Australia** would be televised by **ABV-Channel 2** with **Ken Dakin** and **Roy McDonald** as commentators. It was hoped that the **Australian Broadcasting Commission** would televise further **VFA** matches during the season as part of its plans to widen the scope of coverage for local sport.

by Stephen Clarke

Brian Peake flown in via helicopter to Kardinia Park all those years ago, bordered on ridiculous. VFA legend Tim Ockleshaw was flown in from Spain on holiday back to London for a game of footy. It bordered on ludicrous. But never before has D3 footy known a player flying in from Thailand on a Saturday to play a game. Until now! Congratulations Mat Taylor for clearing customs in time to make it to McAlister oval to play. Not sure Taylor did the warm up on the field but this is truly amazing. This dedication inspired his team to a great away win over the Magpies. Nathan Moresi performed well again. West Brunswick need to find some form quickly now with others round them playing better over the four quarters.

Worrying times for the men at Kew lay ahead. Injuries have taken their toll in a tough encounter with not just one but four players attended hospital leading to the coach questioning what was going on. Keep at it fellas as luck will come your way. Swinburne are on their way now and need to improve again to make ground on the competition.

Ivanhoe did my tipping proud by winning two straight. The 'Wicks lost key personnel in this game and it cost them dearly. They can not get a win away which is a real worry. Angelo Pace again with five goals is a beacon for the home side, will the visitors struggled to find good contributors over the whole game?

The 'Hoes are back – game on. Hawthorn made it four on the bounce and they are flying!! Eight goals to nil at half time, not sure what was going on with Latrobe but Alex Mcphie and Rivhard Ogge bought their own footy and dominated. Be weary of the Hawks now as they have the tallis to worry all sides and are scoring freely.

Old Westbourne lead our division because they deliver when required. The Gryphons had a grand first quarter lead, but this side can restrict scoring with big defence. Who can take on this mighty unit?! Anthony Shufflebotham tried hard for the visitors but the home side through the Connors family kicked another big – and more importantly – winning score. Is our division over already with this giant from the West, or do we have a genuine challenge from Rathmines road. Both these sides are playing attacking, hard running footy. Time to step up and catch them!!

## PREVIEWS

A week won't be enough for Elsternwick to have a strong enough side for this Warriors outfit. They are going to make it five straight – in their closest game of the year. The home side here will miss key personnel and be looking forward to round 6.

The 'House can make it three on end against Latrobe. Found some form, a bit of depth in the squad now and they are away. They want to play finals; this is one they have to win. Latrobe seem to start a bit slow – only leading once at half time thus far. Can't afford to make that error at Ross Gregory come Saturday. Monash and Kew. More injuries to note here than you can dream of so whoever survives longest wins. I'm taking the Gryphons at home – for that reason alone by 20 points.

The Magpies head to Razorback territory – unsure here. Want to be obvious and go the visitors but not convinced by their form. They are not winning enough quarters. Home side – just by a goal. Hawthorn and Ivanhoe is a cracker. The 'Hoes travel now with some confidence and depth in their list. If the Hawks can go five straight it would be a great effort for their return to D3. Yes, I'm tipping them to do it by 15 points.

## M I L E S T O N E S

### 50 games - Jeremy Landberg & Jason Park.

**The Gryphs** congratulate both Jeremy and Jason. Jason a rugged strongman and Jeremy a 'fleet a foot' forward have played the majority of their football in the reserves and were both significant contributors in the Gryphons Grand Final Teams of 05 & 06.

**Matthew Whiting** plays his **50th** game for **Old Westbourne** this week. A product of the clubs Under 19s, Matty has continued to develop as a footballer and is now a regular player in the senior team. Known for his speed and uncanny kicking style, his bursts down the wing are a regular highlight of his game. Congratulations from all down the club.

# UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

## We bled for the cause

A big thank you to the umpires who went along to the Blood Bank in Southbank last week to donate a drop of their finest. Our resident Captain Blood, **Brendan Corcoran** not only organized the group booking, but did a great job as bus driver, transporting a rowdy bunch of umpires from Elsternwick to Southbank. To **Anthony Damen, Jeremy Heffernan, Tim Sutcliffe, Ryan Robertson** (first-timer), **Sean Scully** junior (first-timer), **Paul Tuppen & Vin Vescovi**, The Red Cross thanks you all for your donations and looks forward to seeing you again in three months.

To other umpires out there who were unable to attend, don't worry, you can still help us win the VAFA Blood Challenge. Whenever and wherever you donate, don't forget to fill in the VAFA Blood Challenge paperwork. Of course you should suggest that family, friends and work colleagues do the same.

## More congrats

Last week we congratulated **Peter Angelis** for his promotion into B section. Well, he must be doing something right because he didn't last long there. He was promoted to A section last weekend. Yet another example of a former footballer taking up the whistle with relatively rapid success. **Peter's** worked very hard on his umpiring since hanging up the playing boots a few years ago and absolutely deserves this reward.

We can also welcome **Wayne (Chuck) Hinton** who was back into A section last week as a last minute replacement for the injured **Mark Gibson**. We're sure you'll be back out there soon **Gibbo**. And of course to **Leah Gallagher** returning from overseas into B section.

## Wasted out West

We mentioned last week that father and son team **Brian** and **Brent Woodhead** umpired together at Werribee a couple of weeks ago. Both had attended a work conference at Werribee Mansion the night before. Well what can we say? We all know what happens at an overnighter like that. At a meeting of the umpires last week **Mark Gibson** commented that it's the only game where both umpires had to be breath-tested prior to the start.

## Welcome back

Last week we had the pleasure of former umpire

**Merv Monty** running around again for us. **Merv** has been living in Darwin for the last few years due to work commitments but is moving back to Melbourne permanently in the next few weeks, his first training run was a shock to the system as he is not used to the cold nights but he did bring the rain down for us.

## Lazarus

Well it may appear that the reports of **Cam Davidson's** injuries were a little extreme. The word out there was that Cam had broken his wrist after a collision with a player a couple of weeks ago. Not broken, but still a nasty injury. He's tough as nails and managed to front up in B section again last weekend.

## Forgotten something?

An umpire's worst nightmare is getting ready for the game and realizing that you have forgotten to pack a piece of your uniform. So what happens when you have left your jocks at home and you are wearing boxers at the moment? Forget about asking your partner for a spare pair as your partner is female and doesn't want them stretched in the wrong spot, or do you try the boxers and hope they are not longer than your shorts, or do you go "commando"? Well **Simon Stokes** went commando and had the Matt Shirvington look going (was it the sound of his thighs hitting together or something else?) Unfortunately the day was not as cold as he would have liked to save embarrassment, and at half time he had to revert to boxers and tape to save his manhood.

## Annual General Meeting

Just a reminder that the **VAFAUA Annual General Meeting** will be held after training on **Thursday May 31st** in the umpires' function rooms at Elsternwick. Come along and find out what's happening within your association.

## REVIEW

Greetings from London were the FA Cup just managed to knock the Sharks cliff hanger against Syndal off the back page!

Big win for St. Mary's as they easily accounted for Box Hill North by 11 goals. Dwyer with 12 goals was the star whilst Riscalla and M Penny were excellent for BHN. New flag favourites have emerged.

Other feature match sees some misleading scores with Eltham winning by 6 goals against Uni High. The game was tight all day until a send off to start the last quarter helped see the Turtles get on top. Whyte and Dillon were good for the winners whilst Uni High had midfield stars Dimond and Gorringe play well. No shame for the students here, might be right in it this year.

Another strong win for Sth Mornington as they accounted for North Brunswick. They got away early and the game was never really in doubt. A bit tougher form here on for the seaside's but winning form is good form.

A resurgent Bulleen almost got the points against Mt Lilydale. They had a commanding lead before the home team got their skates on and powered to a great win. Rhodes the star for the winners whilst Cookson was not only back for Bulleen but starred in their close defeat.

In another cliff-hanger, Albert Park held on to beat an unlucky Richmond. The Snakes were storming home but the siren just beat them. The fabulous Baker (and Bennet) boys were at it again for the Falcons whilst Speakman continues to be a star for Richmond.

Finally, only 1 point separated Eley Park and Syndal Tally Ho. Viola brothers starred for the winners whilst Reynolds was good for the sinners.

## PREVIEW

Still no change to my overall views. We need to see the Seaside's tested whilst I am willing to upgrade Richmond to the 'not sure' list. Only three points separated them from a lofty ladder position on the weekend. Pretty convinced that we have a 'big two',

followed by 'the next two' with plenty still in the 'not sure list'.

Murphy from the Saints and Blagrove from the Turtles are the 'IT' players at the moment whilst our

goal kickers are mixing it up a bit.

Match of the day sees Uni High host Sth Mornington. Both sides

rely on plenty of pace through the midfield with key positions tending to be held by slightly undersized players. I always think that Uni High have one of the biggest home ground advanced, particularly for first time opposition. Big test for the seaside's however not just yet for mine. Rumours abuzz of a VAFA debut for a former AFL star for the seaside's?

A chance for North Brunswick to get on the board as they welcome Eley Park. A big disappointment so far whilst the Sharks have been ok, they did something similar last year before lack of depth took its toll. Last chance for North Brunswick.

Box Hill North return home as they welcome Mt Lilydale down the Maroondah. BHN were a bit of the pace last week but what a pace it is. I think they are on of those sides that will get better and better as they year goes on. A bit of a lucky escape for Mt Lilydale last week however they would have been overjoyed to get some points on

the board. None the less, BHN should be too good.

Syndal and Albert Park clash at the House of Sin, another ground with a significant home ground advantage. It has been great to see the Sinners competitive whilst this really is a crunch game for the Falcons. A win would see them begin building some momentum whilst a loss a continuation of the 'what if's". Falcons for mine.

Eltham will make the quick down to Bulleen, confident of keeping the home side at bay. They looked after them comfortably in Super Saturday last year and the form limes on both are at opposite ends of the spectrum. Quiet starts from Galvin and Foo this year are they just flying under the radar? Turtles by a fair way.

Finally, Richmond welcome league leaders St Mary's down to KB. In years gone past the thought of a cricket score would have been on the cards but not anymore. Clear improvement but just how much? Only downside last week for the Saints was the reliance on only 3 players to kick goals. Not a major drama but maybe a chink? Still, they should be too good.

<p><b>Darren Adams 450</b> games for <b>North Brunswick</b>. Well done to Darren on reaching another outstanding milestone. One of the few players left that have come through the junior ranks Darren has shown dedication &amp; commitment to the Green &amp; Gold cause. Now a happily married father of three children his ongoing life outside of Allard Park continues to blossom. Still a fixture in defence in the senior team his leadership can never be questioned. Although considered a veteran Darren is young enough to play &amp; enjoy many more games for North Brunswick. Everyone at North wishes Darren good luck &amp; may there be many more games to look forward to in the future.</p>

## U19 PREMIER

Wet and windy conditions greeted players as round 4 kicked off with style. Good to see most grounds get some sort of drenching over the past few weeks which should ensure safe grounds to play on going forward. Good for the farmers too! Now, on to the footy.

### **Review**

Old Scotch triumphed by one point over Blacks. Scotch almost kicked themselves out of the game, but a great match nonetheless. Scotch were best served by Tim Mead, Nick Marks and Sean Leith, all very consistent performers. The Blackers best was Sammy Orton.

St Bernards kicked away early to beat Rupo in what was a pretty scrappy affair. The dogs are looking good this year and sitting pretty unbeaten. Anthony Harrison kicked a couple and was best for the winners along with Andrew Cianter. Campbell Allport and Jarrad Bradley were best for Rupo, who continue to show a big ticker this year.

Top of the table and reigning premier De La kicked Blues down to 7th on the ladder. A five goal third quarter was the difference in the end, as La La proved a bit slick. For De La, Adam Kovarik kicked 3 and was in the thick again while Jacob Gotch was sound. Blues best were Will Sadler and Jon Vickers Willis

In other games, Xavs put Marcellin away quite easily - another comfortable win to the powerhouse, while St Kevins stuffed Old Carey in the back pocket to claim win number 2.

### **Preview**

Old Xavs play Rupo at home. Should be a cracker and expect Rupo to be in for a long way. Xavery for me.

Blacks play Carey at Craw in a battle to chalk up win number one. Blacks have been so close and should get over the line. Coach J Gray keen for a win after a long pre-season.

St Bernards play Old Scotch in what could be a percentage booster for the finals aspirant dogs.

Best of the rest will be De La and Uni Blues - both with ease.

Lock of the week shall be Mitanni to knock of Gold Edition in the Doomben 10,000 – go each way. Thanks to buzz and Gary for their continued feedback. All submissions please by 10am Monday. [beatoncharles@hotmail.com](mailto:beatoncharles@hotmail.com). Happy punting!!

## U19 SECTION 2

All the talk is about St Bedes Mentone. Chris and Simon Richards head a dominant midfield who provide fantastic opportunities for Chad Ryan- WOW 14 Goals!!! and big Mitch Bodinaar. Numerous others including Mark Kidner

and Chris Mouritz, who played great games on Saturday, provide headaches for every opposition coach. The burning question is if everyone else is playing for second? The next few reviews will look briefly at the other nine teams.

### **Team Reviews this Week**

Beaumaris - In most other seasons Beauy would be premiership favorites. Michael DeFontenay, Anthony LaRocca, Alex Chinery and goalkicker Robert Cathcart lead an impressive unit that has great depth and several players rotating through the seniors. Big challenger.

Old Paradians - Won their first game on the weekend in a thriller, however a 'little birdy' tells me that they are recruiting actively, and the high leaping Michael Bellizia, Alex Asdagi, and Tim Gibbons stand out. Each Way Bet.

Banyule - Have recruited three Weller premiership players from last year including competition leading goalkicker Caine Hillier. A gutsy on-ball division provides plenty of clearances and my pre-season predictions look well off the mark, particularly if Peter Jenkin and David Drapac fire up. Hold Safe.

### **Game Reviews**

St Bedes Mentone won in a one sided result - sorry Whitefriars. Beaumaris won comfortably with Sean Meredith starring for Caulfield. Stuart Mcleod-Smith with 6 goals was best for Old Brighton who defeated the Wellers, well served in turn by the tenacious Clarence Ho. Banyule returned to the winners list with Hillier kicking eight, while Collegians best was again skipper Elliott Rose. Finally Toby Beaumont kicked five for Old Melburnians as home team Old Parade finished with their noses just in front

Tips  
Banyule by 32, Beaumaris by 11, the Tigers by 45, Old Brighton by 11, and Old Paradians by 13.

### **U19 NORTH**

After Four rounds I have an opportunity to surmise how the season may pan out at this early stage. Over the next three weeks I will again crystal-ball gaze and look at each team's prospects.

### **Team Reviews this Week**

Emmaus St Leos- Have one of the biggest home ground advantages in the competition, particularly once they master the gremlin that guides the wind at the Burwood Hwy end. Alister Stellow leads a miserly defence, whilst Andrew Low and Marcus Nosek set up many forward thrusts. Premiership smokie.

Rupertswood – Skipper Dale Sleight, Michael Mccourt, and Bryce Macdonough provide a great nucleus for a team that like most second sides will depend a lot on the form and injury fortunes of their first side. Rupo have plenty of run and determination and will be very tough to beat at home. Keep Safe.

NOBSPC – have started the season with low player numbers; however are a brave and determined unit who can only get better. Chris Ford is a dynamic goalkicker who should provide many goals during the year, and if others like David Treppo step up they will surprise a few teams. Improvers.

**Game Reviews**

Old Xavs were too strong for NOBSPC with Alastair Yousseff and Luke Dimattina starring for the victors. The Reds continued on their merry way with a big win over a gallant Rupertswood. Luke Novello again performed well and may be joining Mausey soon. The Animals capitalized on their hard work with a tight win over De La Salle who were again led admirably by skipper Patrick Monaghan. Old Westbourne, who are ignoring this scribe, won at home despite Bernies' Aaron Johnstone kicking eight.

**Tips**

De La Salle by 1 pt, the Animals by 17, Old Xavs by 23, Old Westbourne by 30.

**UNDER 19 SECTION 3**

The gap between the top four and the rest widened as I got all my tips up in what must be said is a phenomenal achievement and if parlayed, would have resulted in a \$9 collect for a \$1 investment. Old Ivanhoe and Old Essendon remain undefeated while MHSOB although winless, showed that when they get all their players back could still make a late play for some finals action.

**Review**

Ormond cemented their position in the top four with a twelve goal win over a sliding Benteigh whose season is sliding quicker than Carlton's. Simpson sizzled up forward with four big ones and Te Hennepe was just brilliant for the brown and blues.

With cult hero Manaco triple teamed and some dubious umpiring decisions, it just wasn't the Ants day as they couldn't back up their excellent win over Old Trinity and fell to the Bombers by 34 points. Trevaskis was kingpin for Old Essendon while Edsall slotted five for the Ants.

Old Trinity got back to winning ways with a calculated thumping of the Uni boys. Jessup got the three votes and Pacconi wasn't too far behind for the Eagles.

The scent of an upset could be smelt well up Keysborough Road as MHSOB took on Old Mentonians in an entertaining clash. The Panthers ended up scoring a close win over the Unicorns who with only 17 players showed that with the full compliment of their list could easily be a top four heavyweight. Mitchell kicked a bag for the Panthers while

the Unicorns welcomed back little bulldog Nick Campbell who was dominant all day in the midfield.

In the round's closest tussle, my even money game analysis of the Oakleigh and Old Ivanhoe game was right on the money as the Hoes pinched the four points. Josh Paola ignited the Scammell crowd with four goals. Little Gieschen and Harrison led the way for Old Ivanhoe.

**Preview**

Benteigh (\$3) V. Oakleigh (\$1.33)

This is a replica of the Carlton V. Adelaide Game at the tee dome, with both away teams to win easily.

Old Mentonians (\$2.40) V. Old Trinity (\$1.50)

The Panthers can go from looking like a Whopper Deluxe one week to a dodgy kebab the next, so have the house on the Eagles over 15.5 points.

MHSOB (\$3.30) V. Old Essendon (\$1.30)

With big Cook in the ruck feeding it down to Campbell, Grinholz and Zachary, the Unicorns should get first use of the Sherrin but the Bombers are good, real good and should win.

Old Ivanhoe (\$1.70) V. Ormond (\$2.05)

Match of the round, this will be a nigh on classic. At Chelsworth Park, I'll lean towards the Hoes but only by short half head.

La Trobe (\$2.05) V. Bulleen Templestowe (\$1.70)

Cult hero Manaco is due for a bag and the Uni Boys are colder than an ice cream sandwich at the minute, the Ants by ten goals.

### UNDER 19 SECTION SOUTH

Football down south is as tight, fierce and close as you can get with eight teams all in good shape to play finals meaning some hearts will be broken and all games extremely important. I underestimated the Blues who pulled off some nice bets at \$4.25 to beat Ajax but then coughed it all up in their defeat to Mazenod. Hats off to Prahran/Caulfield, who have risen from the bottom to impress with two close wins and with Hampton, the only team to provide me with some feedback.

#### **Preview**

Good game at the sandpit with SBMT taking it right up to Old Haileybury with inaccurate kicking costing it a deserved win. The Bloods had Korlos on song with four majors while Kelleher best for the Tigers who may want to employ a big around the world kicking competition during the week.

Last week it was one point, this week two, as Prahran/Caulfield again got home in a low scoring contest. Ruckman Robbie Brearley and Maya were the catalysts for the win. The Vultures had Lucas in good form at CHF, who are still looking for their first win.

Mazenod welcomed the Blues who may have struggled from a four day break and succumbed to a five goal loss. Kelly and Tye put in stellar performances for the home team while McKay was the shining light for the Blues.

Ajax back at home next to the Grand Prix track were simply too good for the Pirates. Fayman was back to his usual form of kicking goals for Ajax. Peninsula had Edwards and Southam in their best as they let my brother Justin down who had tipped them to win.

#### **Review**

Parkdale Vultures (\$2) V. Hampton Rovers (\$1.80)

Rovers placed high expectations on this year but if they lose here will slip to the bottom of the ladder, high pressure game but it will be Hampton who will get the victory.

Peninsula (\$1.85) V. Prahran/Caulfield (\$1.85)

The new boys enjoyed their home wins but the trip down the Nepean will test them and therefore I'll tip the Pirates to get up by three goals.

Old Haileybury (\$1.85) V. Mazenod (\$1.85)

First versus Second, I personally think that Mazenod are the testing material in this competition although they lost their only away win. It will be close early but it will be Mazenod who will be in pole position come five o'clock.

Ajax (\$1.60) V. SBMT (\$2.20)

SBMT may have never seen fifty-metre arcs and will need to play at their best to win, Ajax by 10 points.

## REVIEW

### Section 1

The star studded University Blues line up lost ground to a competitive Mazenod in the second half before winning by thirty six points.

Leaders, Prahran defeated fellow Darling Park tenant, De La Salle by twenty two points.

St Kevin's lost to St Francis Xavier by thirty points and remain winless.

Old Xaverians again proved too strong for an injury depleted Old Scotch, who lost by twenty one points.

The closest game in the Section was that in which Old Xaverians 2 defeated Old Melburnians by a mere three points. Greater accuracy was the key to the Old Xaverian's success.

### Section 2

University Blacks proved far too strong for Emmaus/ St Leo's as they powered to victory by seventy points.

Old Brighton justified my faith in them by defeating Fitzroy reds by sixty three points.

Monash blues set up their fifteen points win over Caulfield Grammarians by scoring early into the strong winds which prevailed during this fast and competitive match. Best for Monash were: defenders **PRENDERGAST** and **BATROUNEY** as well as **PERRY** up forward and **SHELDON** and **STRINGER** around the ground.

Leaders Collegians continued on their winning way with a one hundred and nineteen point demolition of Old Trinity.

After an evenly contested first half, Kew drew away from St Bede's/ Mentone Tigers to win by twenty two points.

In the afternoon game, Old Scotch, depleted by injury, proved to be only competitive for a quarter against the impressive St Bernard's outfit, who won by eighty eight points. For the winners, **LUKE VASSALLO** was again a double figure goal kicker while **TRAVIS CARRICK**, **ANTHONY BISHOP** and **ADAM SALEMMME** did well. Old Scotch had good players in **MATTHEW ELLIOTT**, **JAMES SIMON** and the Captain, **GUS. SVENSEN**.

### Section 3

Whitefriars ran away from North Old Boys/St Patrick's in the last

quarter to win by fifty five points. For the first three quarters the game had been an even contest, despite the windy conditions.

An accurate Bulleen – Templestowe continued on their winning way with a sixty two point win over Beaumaris.

Old Carey's inaccuracy proved a crucial factor in their nineteen point loss to Box Hill North. In windy conditions, Carey held a one point lead at half time. Box Hill North gained the ascendancy in the third quarter and Old Carey was unable to wrest the lead in a closely fought last quarter. Best for Box Hill North were: **MAGLALANG**, **CHIV** and **KIM**. For Carey the best were; **ANDRIANOPOULOS**, **CURRY** and **BAKER**.

Old Geelong had more scoring shots but their inaccurate kicking paved the way for the first win of the season by Therry Penola, albeit one by the minimum margin.

Greater accuracy enabled Marcellin to defeat Old Scotch by twenty seven points.

The close contest between Oakleigh and Old Westbourne was virtually decided by the "Krusher's" greater accuracy in front of goal. They had fewer scoring shots but won by four points.

Fitzroy reds had the Bye.

## PREVIEW OF ROUND 5

### Section 1

Old Xaverians 2, who have never beaten their older "Crocodile" brethren, are the form side of the competition and enter the morning game at Sports Cover Arena, as favourites. The "Crocodiles", do little wrong in games and really are the benchmark for all others, who aspire to success. I select them to win after a fairly tense struggle. Mazenod play De La Salle and one of them will win for the first time this season. Mazenod have played well in patches, while de La sale have been unlucky not to have won a match. I select De La Salle, without any great confidence.

St Francis Xavier comes to town to meet the leaders, Prahran, who seem to have rejuvenated themselves under the leadership of **CRAIG BURGER**. St Francis players will prove competitive, but I forecast another Prahran victory. The next chapter in the one hundred and forty nine year football contests between Old Melburnians and Old Scotch will be played at Albert Park. Old Melburnians, will

be keen to avenge last week's narrow loss and given that Old Scotch Club is injury depleted, I select the Old Melburnians.

On form displayed so far, it would seem University Blues will be too strong for yet to win, St Kevin's providing the Blues come in the right frame of mind, they will win.

### Section 2

Neighbours, Kew and Old Trinity should provide a spirited contest. Kew's fortunes are looking up, whilst Trinity are experiencing a dismal season. I select Kew.

Leaders, Collegians should continue on their winning way by defeating, Emmaus/ St Leo's.

Caulfield Grammarians should return to the winning list by defeating Old Scotch, who are not enjoying a successful season.

University Blacks play Old Brighton on the Crawford Oval. Each is representative of a Club enjoying success in 2007 so keenness and skill should be evident. At home, I select the Blacks to continue their unbeaten run.

Undefeated Monash Blues make the "great trek" North West to the often daunting fields of St Bernard's, where since 1963 many a visiting team has lost. As I find evidence of only three season's competition between these clubs...1988, 2000 and 2006, there will be Monash players, at west Essen don for the first time today. All of this prompts me to select, St Bernard's to win, without consideration of **LUKE VASSALLO'S** "magic boot".

Fitzroy Reds, at Ramsden Street, should achieve a much needed victory at the expense of St Bede's/ Mentone Tigers.

### Section 3

Bulleen -Templestowe should prove too fast for Box Hill North on the Ajani Reserve.

Buoyed by their win, Therry Penola journey to Old Westbourne, where I forecast the home team will notch their first win as they have been steadily improving.

Old Geelong, face North Old boys/ St Patrick's, who have played well in patches but have lacked consistency. Without any confidence, I select Old Geelong on the big arena at Como Park as the N.O.B.s faded last week in the fourth quarter.

Marcellin should be able to win again at the expense of Beaumaris.

Old Carey and Fitzroy Reds appear evenly matched, although the small Victoria Road ground could restrict the Reds. I am unsure whom to select... I have seen the Reds win twice and Carey are not noted for their accurate kicking. Maybe the **NICK AUDEN** "true boot" will guide the Reds to victory.

Whitefriars, although homeless in terms of a ground, should be able to defeat Oakleigh today and so maintain their unbeaten record.

Old Scotch have the Bye.
