## Competition or Premierships

Put yourself in Jeremy Bourke's shoes in pre-season. Fixturing for the seven senior sections isn't too bad. It is a complex issue regarding ground allocation, playing at your home ground

in round 1 or round 18 to assist club revenue and various other complexities. But it is cut and dried which section you play. The two grand finalists go up and the bottom two go down. Not so in the Under 19's and Club XVIII where we endeavour to ensure the section remains as competitive as possible. Club XVIII premiers automatically go up but sides change dramatically from year to year and therefore some negotiations are important.

This year was an even more complex with the uncertainty of the season due to the drought and clubs training schedules being thrown into confusion. Under 19's do not have any fixed promotion and relegation system as the sides can vary so much from year to year according to the amount of players that are taken out of the team according to age variations. Although it is convention that at least the premiers will be promoted and the last team relegated.

Accordingly the football operations department has to submit the make up the Under 19 and Club XVIII sections in March. Not an easy task especially as most Under 19 teams have only just begun training and full lists are nowhere near being confirmed.

Therefore should the VFA consider a re-grading system in the Under 19's after a number of rounds have been completed to maximize an even competition? This issue brings up many pros and cons but ultimately should the competition be compromised to even up the sections so that teams do not end up winning or losing by mammoth scores each week. No matter what system is brought up the competition will be compromised after sides move from one section to another after the season has commenced. Those for would argue that the main priority of the Under 19's would be to ensure the competitors remain motivated for the year as they continue to strive to play finals in an even competition.

In a hypothetical let's consider an Under 19 team. What

would be the implications of them being promoted to a higher section? Firstly if one goes up then logically one has to come down. What effect does it have on that club who go down? Maybe that side has steeled themselves for a year in the highest section and has embarked on a recruiting program that was based around them playing in the higher section. They may have begun poorly however they may be able to see a bright future. This side is playing in the higher section because they have earned the right.

The operational issues of ground availabilities, match points, percentages, advantages and disadvantages if you have or haven't played a team confuse the underlying discussion point. Does the VFA community believe in re-grading during the season? Does the competition get compromised too much when a team enters and leaves a section mid stream? Is the main role of our under 19's to give our players a game of football or is the need to have all teams on equal footing to strive to be the best in your competition and win a premiership?

Finals are a way of life in sport in Australia. It provides the motivation and competitiveness in us to realize our potential. I don't wish to ever not have finals and a premiership up for grabs but at what cost do we have an even under 19 competition?

## Andrew must read the Amateur Footballer

I was interested to read in the weekend's newspapers that Andrew Demetriou had finally admitted that there was a problem with Victorian Football. No wonder he gets paid the big bucks! This is not only with AFL Victorian clubs but also with the second tier competition and the biggest participants of Australian Rules - community football. As custodians of the game every decision the AFL makes has to be fully accountable to all participants of the game. Some of the decisions made in 1990 when the AFL took over the VFL have come to back to bite them hardest at their core level of support - the Victorian Australian Rules supporter and at present there a growing majority who are supportive of Australian Rules the game not AFL the competition.

During the season I have endeavoured to bring up some discussion points regarding the VFA and football in general. I would welcome any feedback or suggestions regarding these topics and you could email to michael@vafa.com.au.

## Brighton Dodge a Bullet

I am an idiot. I should have tipped De La last week. But I make my selections on a Monday, when I am often in a most dubious state of mind. Looking back over the past decade or so, De La are the masters of dethroning early season ladder-leaders. And they do it exactly like they did on Saturday – they lock ‘em up, shut ‘em down and then try to pinch a break with a bit of Duggan or Mannix brilliance. Normally a pretty attacking sort of side, De La put the shutters up and played ugly. And almost pulled it off. Jarrod Maloney’s extraordinary mark in the final term and a couple of Ben Mannix freak juggles really put the wind up the ‘Tonners but the home side bottled it up and headed for the boundary line.

The Brighton Beach Oval really is an unusual piece of real estate. There’s a little grassy mound in the forward pocket that looks like an elevated green at Pebble Beach, the wind blows non-stop, the train horns do your head in and the locals all look as though they’re on day release from the Sandringham Yacht Club. On the field, the ladder leaders have plenty of big, solid units running around and some obvious talent, with David Clark and Mark Ainley looking top shelf. If you were to pick a fault, they stuff around with it a bit and lack tall marking forwards. But despite being obviously off the boil, they certainly look like finals material and will be nigh on impossible to beat at home.

## Lions Back To The Scene Of The Crime

Speaking of suburban fortresses, the Badlands makes the BBO look positively salubrious. But with memories of the 2005 Round 18 relegation game firmly planted in their minds, Collegians had some major scores to settle. Problem was, the Badlanders were in a pretty angry frame of mind themselves. A highly physical, highly controversial, high standard game which Haileybury were unlucky to lose. Stewart Loewe was reported, sent off and the home side were forced to play on with 17 men but they almost pinched it. Chris Blumfield and Matt Brewer were the pick of the Lions and Badlanders respectively.

## No Ho(e)pe

From the moment that the side was read out on Thursday night, Ivanhoe didn’t have a prayer against Xavs. Nick Butler, James Hope, John Stevens, Rowan Weddle and Chance Crowley were all missing, leaving the likes of Simon Frangiaco, Iza Dawkins and Hayden Heta (until injured) to clean up the mess. Xavs had their share of injury concerns, with Ockleshaw and Graham both missing, but the difference is that they have ready-made senior footballers waiting in the wings - Dan Tehan and Nick

Corcoran both slotted in with ease and the Sportscover specialists did it on their ear.

## Eight’n Paton

Scotch definitely know how to work Uni Blues’ locks but ran out of puff as the Students stormed home with the Camberwell wind at their backs. David Paton’s eight majors confirmed his importance in the absence of George De Crespigny, while Ben McConnell also impressed. James Gerstman almost matched his counterpart, finishing with half a dozen but the Cardinals need a win badly to help ensure their survival in A Section. Will Lewis was the best in red.

## Jack Osborn – Back From The Brink, Into The Best

St Bernards had about 29 teams playing at the Snakepit on Saturday and all of ‘em won, ensuring Scatters’ 11 hour Sunday night radio show was brimming with positivity. The seniors won comfortably but in fairness, it was a hotchpotch Trinity team that took the field. Tate Pearson and Chris Liberatore did as they liked for the Bernards while of quartet of kids, Brendan Iezzi, Tim Howell, James Petdro and (you’re having a laugh) Jack Osborn tried hard

for the undermanned Ts. Upshot – Not quite sold on Bernards - Trinity a funny old side who go through win/loss cycles and need their big guns on the field to be competitive.

### Oh The Humanity!! - A No Brainer

According to Jeremy Bourke, my tipping nemesis Thomas Brain is back from Thailand, following a fortnight of strolling the beaches in budgie smugglers. Arguably the most disturbing image ever committed to print. But Tom - and for that matter Fraser, Ed Sill, Jono, The Quill and rest of you chumps — I am committed to this tipping caper and am certain I will bring home the trophy for season 2007. So here's this week's five out of five....

Brighton to beat Collegians

Ivanhoe to beat Trinity

Xavs to beat Uni Blues

And two upsets...

Scotch to beat De La (Gerta grows a leg against De La) & Haileybury to roll St Bernards in West Essendon.

## M I L E S T O N E S

**100** up for **DE LA's David Spithill**. Ruckman David Spithill celebrated his 100th game with a grand contribution in the DLS drawn game with Old Brighton last Saturday. David started with the U19 Blues in 1999. In the following year David made his senior debut which has now extended to 76 Senior (40 "A" & 36 "B"), 19 Blues and 5 Reserves games. David was DLS Senior Most Consistent in 2006 returning after 2 seasons with VFL team Springvale. Well done David and the Club looks forward to the results of your prominent role in the development of its young team and the ruck division specifically.

**Old Haileyburians** congratulates **Hamish McLaughlan** on playing his **100th** game for the Bloods this week. Hamish first played in 2001, winning the Under19 Best & Fairest in 2002. Has not missed a game since mid 2003 and played his 1st senior game v Old Melbournians round 8, 2004. Since then he has been a regular senior player since and has developed into one of the finest and fairest defenders in the competition. A vitally important member of our first A Grade Premiership team, the OHAFc community are very proud of The Hammer reaching this important milestone. Well Done Hammer!

by Tom Brain

Perhaps the Chokers tag can now be removed forever from OEG. SKOBS continue to improve and SBMT continue to boost that healthy percentage.

## REVIEW

Beaumaris started well and had a good lead at the first change. Had the Fields capitalised in the second and not kicked points they could have had a handy break at the long change. Beauy not far enough in front at orange time but showed enough intestinal fortitude in the last to sneak home by 4 points. Dougie Ensor did a good job on Brett Sinclair who none the less kicked 4, Tim Collins across half back was strong, and Marcus Lee in game 150 continued his good form. Andrew Strain was Caulfield's best while the Knight Rider found some form.

Wizards Sleeve Handley confiscated pink satin rounders tunics from the OEG Boys at half time and worked some magic with some telling moves that left the Blacks lamenting and wondering what might have been. PEGS took control and again stamped themselves as a worthy contender. Shinboner Schappacher was good all day. Pooh Tanner, Vasil Velardo with 7, Boomer Clifton and the all Aussie Biggs Boys helped him out superbly. Dual Best & Fairest winner Al Smith was Blacks best with support from goal sneaks Huw Lacey and Bryce Shaw.

Again a big game was won or lost in the first quarter. And this time it went against the Jackers who put in their worst performance for a while. This is to take nothing away from the SKOBS who in a highly entertaining and skilful game, considering the conditions, did not allow Ajax to get flowing and finish with an 8 goal final stanza to record a good win. Skipper Michael Mulgrew led the way along with young Murphy who kicked 5, Mahons was his usual self and Mark Drinkwater went well too. Nick Gold stood out for the Jackers, Darren Sutton perhaps kicked the longest goal seen at EP for years with Ari and Ritters again getting plenty of it.

Marcellin although not totally drubbing aside again picked up a handy 4 points against a MHSOB side who again kept at it and were far from disgraced. Perhaps a win is not too far away for the Unicorns. Anthony "Bluey" McGlin showed plenty of dash of half back for the Eagles, Peter Augustin made a welcome return, in a bonus Michael Hermans got through a game unscathed and Jake Symes kicked a goal to bring

the house down. Matty White with 4 was best for the High receiving solid support from Will Taft and young Villani.

Without half of their senior side it was always going to be a tough ask for OMS at Brindisi Street. And so it proved to be with SBMT putting together a pretty solid 4 quarters of football to boost their percentage and take top spot on the ladder. The Scaffers Boys were again to the fore. Muddy Waters was pretty good, the unobtrusive Phibbys kicked a lazy 10 and Dean Francis was good. Simon Theodore battled his heart out to try and inspire his younger teammates for the Grammar who really need a few to return from injury to arrest this slump.

## PREVIEW

Academia meet at the Junction Oval. OMS welcome University Blacks. Both sides will be smarting from last week and will be keen to return to the winners list. Blacks I know in particular hate losing and will be looking to stay in touch with the others, as much as the

"-" results weren't received. Any discrepancies may be due to non-submission of results by clubs.

Melbourne boys are impressed by the Fly's communication skills this alone won't be enough to get them home today.

The Righetti Rat Cage has the chance to claim another victory today as the boys from the Racecourse make the trek down the hill. They have been unlucky in the Fields and have been particularly close in most games, but SKOB who have 3 pretty good scalps under their belts will be keen to add another one to it today. They will join one of the others on the same number of wins and I think they will just do that.

The small ground at Melbourne High is not going to help the free flowing running game of the Jackers. If MHSOB can contain and curtail their opponents on the postage stamp then they are in with a real chance. Think they will be able to do it for a while but not the entire game so for me it's the Jackers to redeem themselves.

A big crowd is sure to be in attendance at the local derby at the Mentone Oval when SBMT welcome friendly rivals Beaumaris. Russel Barnes I'm sure is looking forward to his return to Brindisi Street to match wits with his former protégé Luke Beveridge. The small ground is not going to worry the Sharks and with the department of youth showing no fear backed by the consistency of their older brigade will trouble the Tigers at certain stages of the game. With winners on every line I fully expect Bevo's Boys to take the points. The game of the season thus far looms up in Essendon as OEG welcome Marcellin to their school. Both sides have some excellent footballers all over the ground so it promises to be a game worth going a long way to see. Can Darren Handley get the Bombers up for a "big game" two weeks in a row is the big question; if he can they are well on their way. Conversely Murray Browne has on his hands a side that give everything each week and perhaps have more match winners. Having said that I will stick with OEG to prove to Lord Farquhar alias "Smooth" that they are indeed a worthy contender.

## STATISTICS FOR MATCH DAY

As a coach you should be looking at the way your team can improve. Statistics can be used to assist in this area. As an example in the AFL there are stats that cover information from the amount of time players have spent on the ground to the amount of bounces the specific team has taken. Due to the nature of our competition we don't have enough resources (who are for the most part are volunteers or injured players) to cover all aspects of the game. However, the need for statistics is still required by the almost all of us coaches. I believe the statistics that can be collated should be broken into three distinct categories – Individual, Work Rate and Scoring. Some of these can be interchanged between the different groups i.e. Tackles (Individual or Work Rate). Please listed below a summary of these below.

### Individual

These stats cover such things as Kicks, Marks, Handballs, Hit Outs and Tackles. These stats are amongst the most common taken. These stats can give a good understanding of who is winning the footy and who isn't. These numbers can be made more effective by applying conditions or restrictions of the data collated. You can dissect the stats by determining if the kick was long or short for example. Other options can be setup to indicate where the stat occurred i.e. Backline/Midfield/Forward. Also you can measure whether the skill was executed effectively or it been turned over. This can be used as a training aid for players e.g. Player Smith won eleven kicks in the game but he only had four effective kicks. So you can provide feedback to the player that he must make better use of the footy when in control of it.

### Work Rate

This is one of the new sets of stats which have become more popular in the last five to ten years. In this category you can take stats on Tackles, Smothers, Shepherds, Blocks, Turnovers and Centre Breaks. These stats are good to give an indication to the team of how the whole team is performing. However, this data does require some more interrogation. As an example your team might have had 36 tackles for the game but is the amount of tackles due to a good work rate or being they were chasing a lot of the opposition? You as a coach you will need to determine which is true. Another good one is the centre breaks which can show the amount of clearances that each side has had. Winning your stoppages will no doubt assist in your team's likelihood of having a successful game.

### Scoring

Scoring shots aren't the only stat that can be used to help your team get better. Other options in this section include total amount of shots on goal (including O.O.B and set shots that drop short), Type of goal (On the run, set shot, snap etc), Inside 40/45/50's and seven point play (Goals after causing turnovers from an opposition kick in). The inside 40/45/50's are great to be used to see how efficient the forwards are with the ball within their control. Another great stat can be determining whether the team is creating enough run by seeing the amount of shots were on the run.

### Summary

With all these stats it's necessary to have to choose a select number that you believe are required to be measured. These stats should coincide with your coaching philosophy and help your work not hinder. Also you should determine the targets for each of the stats and make the playing group aware of these. If you like you can engage your other match committee or leadership group to help you with your decision. Always factor in that the targets should be challenging and achievable but not too unrealistic. Also once you achieve the goal modify it to a higher/lower level to ensure that the players are continually pressed. These goals should be published each week so the playing group can map its individual and team progress.

Good luck for the rest of the year to all the coaches in the VAFA.

**50 GAME MILESTONES**

Congrats to **Rob Coxon**, VC of the Ressies, for playing his 50th game with the club today. Rob has been a great contributor to the club and has enjoyed considerable success on the field as an on-baller for the 2s. May there be many more milestones Rob.

In round 7 **Paul Spottiswood** plays his 50th. Although his stint at the club has been severely restricted through work commitments and injuries Paul has still many more quality games in front of him.

Well done to both lads.

**OUR CLUB CAPTAIN**

A tough start to the year, but the club is fully confident of building on its better form and winning games.

Disappointing is the fact that as a group, our poor form is due to a lack of commitment to preparation rather than the team

ability. Poor attendance at preseason and recent training has reduced the team's fitness and eroded the confidence of a number of players. It is no coincidence that our more consistent players have put in a strong preseason.

As individuals representing the club, our lack of commitment during this time has been disrespectful to club, coach and teammates. As a group we have therefore made a commitment to game preparation, specifically training, which we're sure will translate to better

performances. This has been evident in the last couple of weeks.

We're coming in to a critical stretch of games, where poor performances will jeopardise our B grade survival, whilst better performance resulting in wins could see MHSOBA create that spark of confidence that may propel us up that ladder with finals still a possibility.

That starts today and at 5pm round the league you and we will be thinking, **here they come, here we go.**

## ROUND FIVE REVIEW

In breezy conditions at Gillon Oval, Whitefriars had 12 more scoring shots than North Old Boys/St. Pat's, and ended up winning by that many points. Friars skipper **Simon Brosolo** was particularly inspirational, complementing the powerful **Nathan Cunningham**, polished **Joel Anderson**, and terrier-like Emile Abdallah.

In a topsy-turvy contest at E.E. Gunn Reserve, Ormond took the spoils over Parkdale Vultures by 21 points, having led by 27 points at quarter time, trailed by 11 at the main break, before wresting back the lead to the tune of 15 points at the final change.

A superlative display of goalkicking accuracy by Mazenod saw them triumph over Monash Blues by 80 points at Frearson Oval. The Nodders broke the game open in the second term, outscoring their hosts nine goals to one. Star Mazenod forward **Chamath Jayaweera** continued his good form, bagging seven majors.

Old Carey travelled to Sunbury for their game against Rupertswood, and were caught napping early as the hosts broke away to a handy lead. The Panthers reeled it back in just before the main break, only for Rupo to regain the initiative with a couple of late goals. It was all one way in favour of the hosts after that, kicking thirteen goals to four in the second half to win by 79 points.

Fitzroy Reds hosted top team Old Camberwell at Brunswick Street, and were never really in the race, succumbing by 108 points. That man David continued to sow his wild Loats with another eight goals, but **Andrew Durling** was the true driving force for the Wells. Old hands **Chris Meighan** and **Scott Dann** were amongst the better players for the Reds.

## ROUND SIX PREVIEW

Mazenod take on Ormond at Central Reserve. The Monds will have been buoyed by **Ash Russell's** half-dozen goals on season debut, but this will have been tempered by the news of **Rob Chisholm's** impending knee reconstruction. Mazenod's defence, led by **Tom Steinfort**, will need to stay sharp if they are to maintain their finals aspirations. This game has the potential to be a genuine shootout, not only with **Ash Russell**, but also the Mazenod trio of **Chamath Jayaweera**, **Nick Bogar** (five goals last week) and **Colby Dickson** (four goals last week). The latter two are from the U19s, so things look promising for the Nodders on that front. Nodders for mine.

Parkdale host fellow struggler Fitzroy Reds at Gerry Green Reserve. I'll be intrigued to see if former Old Trinity legend and current Fitzroy Reds reserves coach **Fraser Cameron** holds his spot in the seniors this week. Perhaps the Reds

simply have not been good as the majority of the teams they've faced so far this season, but too much seems to be left to too few, looking at the best players each week and seeing the same names (e.g. Meighan, Dann, **Paul Harris**) too regularly. If the 'second-tier' players can make the step up, I feel it will make a huge difference to their fortune. I'll plump for the Reds today, in what could be a season reviving victory. An OD of the OCs as Old Camberwell square off against Old Carey at Gordon Barnard Reserve. Second tough road game in consecutive weeks for the Panthers, I think they may struggle again. However, as they say, crisis creates opportunity, and it has allowed Panthers coach **Cam Matthews** to blood youngsters such as **Lachlan McQueen** and **Ben Smithwick**. Both coach and players will benefit from this in the long term, if not as early as later this season. Fans of full forwards will have plenty to savour with **Glen Parker** (Carey) and **David Loats** (Camberwell) both being amongst the prominent goalkickers so far this season. The duel between super consistent Wells' ruckman **Simon Bonyhady** and Carey combo **Laurence Basell** and **Peter Unkles** will also go a fair way toward influencing the final result. Wells to win.

Rupertswood journey to Ballarat for their match against North Old Boys/St. Pats at St. Patrick's College (seems more like an away game for 90% of the players involved today!). **Tim Brady** has been a regular in the match summaries for the COBs this season, either in the best and/or goalkickers, and will look to be more prominent, particularly in the latter category, if the COBs are to give themselves the best chance of survival this year. **Chris Hosking** has also been prominent in recent weeks. Rupo had five players kick between three and four goals last week, a commendable feat and a tough task for the COBs defence. It can be difficult enough to cover one key forward, but to cover four or five equally important contributors is nigh on impossible. Hard to go past Rupertswood, so Rupo it is then.

Finally, Whitefriars College is the venue for the clash between Whitefriars and Monash Blues. Blues will once again be heavily reliant on **Matty Coe** and **Shane Chapman**, while the four goal debut by **Ben Robertson** (up from the U19s) provides encouragement, and perhaps future food for thought selection-wise. Richard Pawlik has been a handy goalkicker in his two games for the Friars this season and will be one to watch. Many have dismissed the Friars chances thus far, but a win today will level out their win-loss ratio to a 3-3 record, and a two game break on the drop zone. Still another two thirds of the season to go, yes, but every win counts, and if you win 'em early, you don't have to worry about 'em as much later on. At home, I'll go the Friars today.

**SUPPORTS THE VAFA AFCA/VAFA COACH OF THE YEAR  
SENIOR COACH OF THE MONTH**

## **Greg McLoughlin – Old Brighton**

After being promoted from B Section last year and producing an impressive list of recruits, Greg has his team firing early, topping the A Section ladder undefeated after 5 rounds. Their only minor gliche came last week with a draw against De La Salle, but Old Brighton has shown they have to be considered contenders in the VAFA's top flight, even at this early stage. Greg was appointed Coach of Old Brighton in 2005 after a 3 year stint as Assistant Coach. Greg played at North Melbourne, Boronia and De La Salle during a playing career that was struck down early (at 19) by a crippling knee injury. He was bitten by the coaching bug in 2001 after assisting the VAFA U19 Representative Team and is currently a Level 2 Coach. Greg is highly respected by his young and eager playing group and has set his sights on ensuring the continued success of the club in A Section. Congratulations Greg.

## **CLUB WAREHOUSE RISING STAR NOMINATION - ROUND 5**

### **Dave Paton (University Blues)**

Five goals in his senior debut last year gave a pretty good indication that Uni Blues' recruit from Tallangatta Dave Paton could be a very handy pick-up. Like most country kids at the club, Paton was a student in town to secure his future, but was also intent on keeping his weekends busy playing good footy. His eight goals against Old Scotch on Saturday took his season tally to 16 and promises of more to come from the 21-year-old. Scotch couldn't find a match-up for his strong marks and leads and he will no doubt become key to Blues' flag chances this season. Paton is the Blues second Rising Star already this season and if the production line continues who know how far the kids will carry the club in 2007

# BIG V RECOLLECTIONS

The Big V – A Short History in Scores

By Russell Gould – VAFA Communications Manager

From Launceston to Lavington, and Prahran to Perth, the Big V jumper of the VAFA has left an indelible mark on the Australian football landscape.

There's only one state in this wide brown land that the navy blue jumper with the big white V hasn't visited, that being the Northern Territory - it will get there no doubt.

Representative football has been at the core of the VAFA since the maiden interstate match against South Australia way back in 1925.

It was played on the big stage back then, the MCG, and of course the Big V came away with a big win, 90 points to be exact.

Since that first victory the Big V of the VAFA has proved to be the dominant jumper in interstate football.

In 226 matches the Big V has won on 170 occasions, from senior football through to Under 18s and everything in between.

That doesn't include the 14 football carnival wins from 20 appearances between 1936 and 1994.

The record against South Australia, who the Big V has faced more than any other opponent, is 54 wins and just 11 losses, the last an 85-point walloping at Sportscover Arena back in 2004.

That's not including the Big V Under 23 loss to SA last year, but they will surely get revenge when they meet again in July.

The teams from Tasmania were never able to contend with the force of the Big V.

And never means never.

They ran into a navy blue brick wall 39 times between 1932 (when the Big V won by 19 points at LCEGS Oval in Launceston) and 1994 and not once were the Tasmanians able to conjure a win.

That's a 39-0 record for the Big V.

They weren't close finishes in the most part either.

The closest Tasmania could get in any of those games was nine-points way back in 1959, and that match was played at Subiaco in Perth.

The biggest score ever kicked by the Big V was against Tassie too. In 1951 at what is now the Junction Oval the scoreline read: VAFA 39.18 (252), Tasmania AFL 4.4 (28).

A 224-point win if you don't mind, and accurate goal-scoring to boot.

The Big V sent down a team made up of players from Grades C-F in the years 1981-84. They too came away with a perfect winning record from four contests.

Even Western Australia failed to withstand the Big V force. The record is 18-3 in favour of the Big V in meetings with the black swan during a period spanning 67-years.

It would be gloating too much to mention the two wins by Big V C-F teams over the Monaro Australian Football League (the Canberra Association) by a combined 371-points in 1986/87.

But for all the interstate domination it has been the enemy from within that has often proved a task too hard.

Clashes with the VFA during the 1980s only twice went the VAFA way, and four times the Big V was found wanting.

The same goes for the modern day rivalry with the boys from the bush, the Victorian Country Footy League.

For those that like to keep count the record is all-square, five wins apiece, before the Big V fires up to meet them again later this year.

A last start loss in 2005 means a big victory is necessary to tip the ledger back the Association's way.

And that's where this story ends, and the next one begins.

This year's Big V Under 19 squad are already in training for their clash with the lads from Queensland.

The northerners, who are Under 21s it should be noted, were too good for the Big V last year and a big effort will be needed to turn the tables.

There's no doubt that big effort is just what the lads will produce, because they'll be wearing the Big V, like so many before them, and they won't want to let that side down.

Cadbury Schweppes

Well we have just edged out of autumn on the back of the warmest May night on record. The grounds remain firm, but the “rains are a-coming”, and this will no doubt cast a slightly different light on the competition. Come of last weekends’ results were bizarre to say the least, but I guess one omen tip (OMs over Oakleigh) was cancelled out by the Hampton loss to the traveling Pirates. Lets’ have a quick look back.

### Bayside battle won by the Big South

The Pirates started with the wind in their sales at Boss Reserve and were about on the money when Matt Lawrence slotted through a major to establish a 24 point quarter time lead. However, the failure of the Rovers to take control in the second term proved critical, as Peninsula held a big lead which ballooned to match-winning proportions by the final change. Gary Carr continues to motor for the Rovers, but it was 8 goals from James Coghlan and the efforts of Nick Claringbold which really stood out for the victors.

### Silver tails face-off at the ‘Rak

The Katavalos boys took great delight in demolishing the visiting OGGs lads at Toorak Park with Adam Sleight and Gerard Bevan once again prominent. A third term rally by Old Geelong was swiftly put to rest as the home team motored home to keep themselves in the top 3 as the season starts to take shape.

### Mentonians upset the Oak’s at Scammell

There was a strong wind buffeting the trees which overlook Scammell reserve, and Oakleigh took off with the breeze running hard and using the ball well into their forward 50. The Panthers rallied strongly to level things up at the final bell with Gareth Snow and David Cochrane dominating on the ball. Whilst Oakleigh created enough chances, Cam Follet and Keith “Billy” Biggs defended brilliantly for the OMs, who left with a critical 4 points and now draw level in the top echelon.

There was no news from the Raiders’ win over Yarra Valley, nor the thumping Bulleen-Templestowe handed out to Therry. Suffice to say the traveling ‘Ants jumped out early and never looked back. Meanwhile, the Raiders will be breathing easy after scoring their second close victory. A couple more and they may start looking at more than consolidating this season. Please see the page to your right for details, as I won’t insult your intelligence by trying to draw a story out of the stats!!!

### Round 6

Ah-ha, now we reach the first genuine season milestone – the 1st third is about to be completed. We’ve got three sides flying on 4 wins and looking to grab a 5th to really consolidate themselves in the top 4. The disappointing sides to this point would have to be the under-achieving Old Geelong as well as Therry. Methinks the former will start to challenge with a few likely wins in the pipeline, but it’s hard to see where the boys from John Pascoe Fawkner reserve are likely to get their first 4 points.

### Old Geelong –v- Hampton Rovers

A bit too early for a ‘mini-final’ isn’t it? And what on earth is a mini-final – just add water and it becomes a real one? Sorry, I digress, Como Park sees two of the pre-season favorites desperate to square their ledger and avoid slipping into relegation avoidance mode. Neither side has been consistent thus far, but I feel the OGGs have faced more stern opposition thus far, and might be able to eke this one out by 16 points.

## Old Mentonians –v- Yarra Valley

Should be pretty straightforward this one as two AGSV rivals local horns at Keysborough. The Yarra really dropped the ball last week and will be pretty keen to make amends, but the Panthers are a classier unit and should have them covered by 5 goals.

## Peninsula –v- Therry Penola

Such a long trek for such little joy? You'd be hoping the Therry boys really have a long hard think about this one on the journey down south. They have nothing to lose here and the conditions may well suit them if it gets rather damp. Too big a gap in performance to tip an upset, but don't be surprised if the old Therry spirit sees them push the Pirates all the way. Peninsula by 3 goals.

## Bulleen-Temp –v- Old Paradians

Just how many rabbits does Spinner have in his hat? I'm thinking there a few more hiding there, and Ted's Palace just may be the place to pull another one out. Have to take a long-shot in one game, so it's the visitors' by 22 points.

## Prahran –v- Oakleigh

No doubt everyone will be watching the Match of the Day with great interest. Home team flying, visitors seething after dropping one last week. Two sides in great form, should be a ripping encounter with the Two Blues home by 4 points in a thriller.

# D2 SECTION

by Jono Healy

I had a good day on Saturday. My team won, I got the quarter quad in the Essendon versus Richmond match, I found a fresh fifty dollar note in the back seat of my cab ride home from my night out and I picked all five winners in an action packed round five of D2 footy.

In news that other people actually care about, Werribee defeated South Melbourne in the match of the day at Soldiers Reserve, Aquinas accounted for Williamstown CYMS, Benteleigh were no match for an impressive Banyule outfit, Glen Eira edged past Salesian in a cliff hanger and Emmaus St Leos were back on the winners list against St Johns.

### Aquinas \$1.12 v Benteleigh \$6.25

Aquinas ventured out to Altona and produced another workmanlike 21 point victory over Williamstown CYMS. Best for Aquinas was Justin Box who provided terrific drive from centre half back. Shane Cooper racked up 30+ possessions through the midfield and Sean Ragozzini in his debut showed he will be a player to watch for the rest of the season. Glen Whitehead, who was definitely in the line-up this week, ran around and got a few kicks and led by example. Benteleigh was competitive for the first half, but fell away after half-time, eventually going down by 66 points to Banyule. It was the usual suspects of Chris Sharp (seven goals) and James Robertson that kept Benteleigh in the contest, and this duo will need some help today if the Demons are going to cause an upset. Can Benteleigh get up for Mark McCulloch's 300th? It would be great if they could as he has been an excellent servant for the club, but at home it has to be Aquinas. With Greg Evans to do the job on Sharp and with Aquinas expecting some big names to return, the home side to triumph by 81 points.

### Emmaus St Leos \$1.90 v Banyule \$1.80

Emmaus St Leos announced themselves to the rest of the competition that they are a finals contender this season with a comprehensive 67 point victory over St Johns at home. Anthony McKenzie ran hard all day, while Matt Lalor proved elusive up forward with six majors. Banyule grabbed top spot on the ladder with a 66 point drubbing of Benteleigh at home, and it was 'Luke' Leighton O'Donnell and Paul Greco that did the majority of the damage. Real tough one to pick this one. Both teams came down from D1 last season and will know plenty about each others strengths and weaknesses. If Paul Baranello and Ronan Stafford can get on top early then I feel the Animals will be hard to beat. However, Banyule have taken all before them so far this season and should not be underestimated. I flipped a coin four times to see which club I would select here. Needless to say, it twice landed on heads and twice on tails. Should that mean we should expect to see our first draw of the season in D2? Doubtful. Banyule by two points.

### South Melbourne Districts \$1.33 v Williamstown CYMS \$3.10

South will be happy to be back at Albert Park today after going down by 19 points in a good match against Werribee last week. Andrew Hannan and Steven Bracchi battled hard all day, but it

was a miserable trip back over the West Gate for the Bloods. Whatever I said a couple of weeks ago about Williamstown's Shaun McGuinness certainly fired him up as the man they call 'Louie' turned in a best on ground performance in a losing side against Aquinas during round five. Willy certainly didn't disgrace themselves against the premiership favourites, putting in a spirited performance, but eventually missing out on the victory by 21 points. With South sweating on the availability of Elliot Costello who was reported against Werribee, this has all the makings of a Williamstown upset. So many times in the past Willy have had these winnable games, and ultimately ended up going down by less than ten points in a close match. Will today be the day Willy comes of age? If South goes into this clash expecting an easy match they will be sorely mistaken. I am going for the upset. Willy by seven points.

### Salesian \$1.95 v Werribee \$1.75

It was the Mick Hazell of old for Salesian against Glen Eira. Four goals, plenty of kicks and running his legs into the ground in a dominant display. Unfortunately his efforts did not lead to four points as Glen Eira came from behind to win by one point. Werribee impressed at home, knocking ladder leaders South Melbourne off their perch by 19 points. The lightning quick Cameron Lee was best afield, while Matthew Palmington and James Norton continued their excellent start to the season. Yet

another tough one here. Southern Reserve Mulgrave, not Bosco Street Chadstone (I finally got that right) could prove hard to find for the Werribee boys who certainly have been clocking up their frequent driver points so far this season. I am no genius but unless Hazell and Patty Dunne can fire, I feel Werribee will be too strong for Salesian. These are the type of matches where Werribee have struggled in the past. If Salesian can stop Lee, or at least reduce his output they are a chance. Going for another upset. Salesian by 12 points.

### St Johns \$1.65 v Glen Eira \$2.10

St Johns went down to Emmaus St Leos by 67 points, but as funny as it might sound there were some positives to come from the match. Man Mountain Matthew Phaedonos was excellent up forward with six goals, Peter Walker was back in form and even Cotto got a few kicks in the magoos. (Two's B&F chances Jeff?) Glen Eira could consider themselves somewhat fortunate at knocking off Salesian by a point as Gavin Knight kicked the winning goal with his first banana kick since under 14's. Apparently you couldn't shut him up after the match, as 'Hollywood' continued to tell the story well into the night. Brad Clements, Evan Stuchbery and skipper Alex Tsirogiannis back from injury were the four quarter performers for the Saints, and that trio can be relied on for another solid display today. Yet another tough match to predict. An important match for both clubs. A win and it is well and truly time to talk finals. A loss, you suddenly look around and see how the clubs below you are travelling. St John's form at home this season has been good and I will stick with the Joc's by 17 points.

## M I MILESTONES ES

Congratulations to **Bentleigh's Mark McCulloch** on **300 games**. Only the fourth player in our history to play 300 games Macca was also a member of the 1990 Premiership team and a former club Captain. Macca has the respect and admiration of team-mates, supporters and Committee. Let's all get behind Macca for this great achievement and bring home a much deserved victory.

Congratulations to **Bentleigh's Ben Zylbersztajn** on **50 games**. Zyba is in his second year of senior footy after two years of Under 19's, a lover of a goal and consistent performer in the two's, well done and good luck.

# FOR THE LOVE OF THE GAME...

## • TERRY PENOLA HEADS CHALLENGE

Although not enjoying the success they would have wanted on the field (they are yet to win a game), off the field Terry Penola is proving a real winner. After topping the table last year in the Cystic Fibrosis Challenge (raising \$2000) and winning a brand new \$1000 BBQ, Terry Penola were this week announced as the Round 5 winner of the Blood Bank Challenge. Terry managed to edge out the Umpires Association who put in a very concerted effort to be in front at the first turn. This, I'm sure, will spur them on to bigger and better things before the next stage winner is announced at the conclusion of Round 10. Terry Penola win for themselves two brand new Sherrin footballs for their efforts and if they are still in front after Round 15, they will win a set of brand new training jumpers worth \$1000 from Lyon Sportswear. The top ten after Round 5 is –

Mem- bers	Club	Donors	New Donors	Total	% of Membership
160	Terry Penola O.B.	19	4	23	14.4%
250	VFA-UA	16	2	18	7.2%
80	Peninsula OB	4	4	4	5.0%
120	Old Mentonians	5	5	5	4.2%
120	Parkdale Vultures AFC	4	1	5	4.2%
120	AJAX AFC	4	4	4	3.3%
120	Hampton Rovers AFC	4	4	4	3.3%
160	St Bedes Mentone Tigers	5	5	5	3.1%
80	Richmond Central AFC	2	2	2	2.5%
80	Syndal Tally Ho FC	2	2	2	2.5%

A full list of the donations received is available from the VFA website. Make sure donors identify your club when registering to be counted in the challenge. The Round 5 results are 61 donations down overall on last years results, so please, encourage all at your club to "donate so they can live".

## • BANGERS 'N' CASH CHALLENGE UNDERWAY

Don't forget to make donations in the tins provided for the Cystic Fibrosis "Bangers n Cash" Challenge which started last weekend. The club that raises the most money, the club that achieves the highest percentage increase on last year and also the club that puts in the best "effort" will all receive fantastic prizes including a holiday for two, a BBQ or a money can't buy experience on Port Phillip Bay. Clubs will be asked to return their tins after the June long-weekend when they will be tallied. Clubs that did not receive their tins are asked to contact VFA reception.

## • U19 SQUAD RARING TO GO

With the U19 Representative Squad trimmed down to 31 players, Coach Justin Pickering steps up preparations this week for the return match against AFLQ U21 side next Sunday (June 10th) at Sportscover Arena. The 31 man squad, which will be reduced to 26 on Monday, is –

Alex Bennett	Beumaris	Jarrold White	Ajax
Andrew McArthur	Uni Blues	Jarryd Hanlon	Terry Penola
Ashley Naulty	Aquinas	Jim Kandalakis	Old Paradians
Ben Kalmus	Ajax	Jonathon Mercuri	Old Xaverians
Brendan Izzi	Old Trinity	Justin Swayn	St Bedes/Mentone
Brendan Neville	St Bedes/Mentone	Lachlan Baddeley	Rupertstowood
Chris Waller	Beumaris	Matthew Lishman	Williamstown CYMS
Colby Dickson	Mazenod	Matthew Maltman	Uni Blues
Daniel Anthony	Old Brighton	Matthew Quigley	Rupertstowood
Hugh Wilson	Old Essendon	Nathan Braddy	Banyule
Jack Hellier	St Bedes/Mentone	Nick Harrison	Old Haileybury
Jack Matherson	Prahran	Steve Villani	MHSOB
Jack Watts	Uni Blues	Tim Montagna	Marcellin
Jake McKeon	Old Ivanhoe	Trent Carlson	Marcellin
James Powell	Monash Blues	Zach Broderick	Collegians
James Van DePol	Uni Blues		

The boys had an enjoyable training run at Punt Road Oval on Wednesday night, followed by a tour of the facilities at the Tiger den. Make sure you get down and support the future of VFA football next Sunday with the match commencing at 1.15pm. The curtain raiser will be an U19 (Premier) match between St Kevins and St Bernards commencing at 10.30am.

## • PANTHERS AND CRUSHERS HELP OUT

The round 5 game between Old Mentonians and Oakleigh was not only a great game of football, but it provided a great example of Amateur spirit. Chris Alexander is an Old Mentonians' player, as is his brother David. Their father, Barry, is President of the Oakleigh. Chris' young daughter Caitlyn sadly has leukaemia. Mercifully, she is in remission, although she must still undergo a great deal of treatment and specialist care. On Saturday, the two clubs conducted a fund raiser, with players and supporters asked to make a gold coin donation, with all proceeds to go towards the cost of Caitlyn's treatment. Each Club had agreed to donate \$500.00 each in addition to the amount raised during the day. The generosity of the members of both Clubs was outstanding, and in excess of \$2,500 was raised on the day. This was a day when the result of the game was secondary, and the outcome was a great advertisement for both clubs and Amateur football.

## • DRAWS APLENTY

A draw is a rarity in one section over a season, but having two draws in the one section on the one weekend is extraordinary indeed. Last weekend in D3, Hawthorn

came back from being 12 goals down early in the 2nd quarter to draw their match against Ivanhoe. In the other draw, Elsternwick and Old Westbourne shared the points after an even contest for much of the day. Both Old Westbourne and Hawthorn were sitting 1 and 2 and undefeated on top of the D3 Section ladder and after their respective draws on the weekend the status quo remains.

A Section also saw a draw involving an undefeated side when Old Brighton couldn't shake off a determined De La Salle.

## • UMPIRES TARGET 270

Prior to the start of the 2007 football season the VFA embarked on an Umpiring recruiting drive in an effort to provide two Field Umpires in every amateur match. Our target of 270 was set and the challenge began! When Round 1 arrived we had 250 umpires – 20 short of where we really need to be, why? Well, it comes down to the myth that umpiring Australian Rules Football is not seen as an attractive past time. In fact, Umpiring is a great past time and until a person tries it they will never experience the joy of being a part of something that is exciting, fun & at times challenging. Umpires have the "best seat in the house" and enjoy a great comradeship between each other, players, coaches & club officials, but it is important to note that this is also another way to get fit & live a healthy life style and the VFA will even pay you to enjoy the experience. So come on – get involved - give umpiring a go and help the VFA to ease the burden on the clubs by having to find their own umpires. Please contact Brian Goodman via email [brian@vafa.com.au](mailto:brian@vafa.com.au) to sign up for the experience of a life time and help reach our target of 270!

## • PETER HARRIS UPDATE

Many have enquired about the condition and health of VFA Staff and Life Member Peter Harris, who remains in Austin Hospital suffering a kidney complaint brought on from his continuing cancer treatment. Peter is in good spirits and at the time of going print was hopeful of being allowed to return home. Peter would like to express his sincere thanks to all who have made the effort to visit, contact or send their wishes to him. Hopefully it won't be too long before we have the pleasure of his bubbly personality echoing around the halls of headquarters.

## JOKE OF THE WEEK

A teacher asked her class, "What do you want out of life?"

A little girl in the back row raised her hand and said, "All I want out of life is four little animals". The teacher asked, "Really and what four little animals would that be sugar?" The little girl said, "A mink on my back, a jaguar in the garage, a tiger in the bed and a jackass to pay for all of it."

## • TODAY'S LUNCHEONS

Clubs holding luncheons today include **Kew, St Bernards, Mazenod, Old Essendon, Old Mentonians, St Marys and Uni Blues.**

If your club is holding a special luncheon, send through the details to [reception@vafa.com.au](mailto:reception@vafa.com.au) and we'll give it a plug in this column.

## OLIVIA'S PUB REVIEW

### Geebung and Polo Club.

(Old Carey's Sponsor)

**Location:** Auburn Rd, Hawthorn

**Open:** 7 days

**Contact:** 9882 7388

**Website:** [www.geebung.com](http://www.geebung.com)

The Geebung, located in the south eastern suburb of Hawthorn provides punters with beautiful Victorian Décor and quiet an elegant touch throughout all rooms. This place is massive, when you first walk in you will find yourself in amongst the spacious and bright dining room with the bar not too far off and plenty of room to pull up a table or chair. Out the back you will come across a few pool tables and another bar with access to the outside beer garden which is modern and a great place to catch up with friends on a sunny autumn day. The Geebung also consists of a separate stylish restaurant that you can either access from outside the venue or through the beer garden. Here you will find a contemporary menu with dishes such as Egyptian Spiced Chicken on steamed Couscous. I think the only downfall of the Geebung is having no draught on tap but I suppose a Coopers Pale Ale will do once in a while. There is plenty of entertainment to go around with bands & DJ's playing from Wednesdays to Sundays – check out the website for more info. If you are thinking of heading down at some stage, just a tip–Sundays are quiet popular and it gets very packed in there!

**Rating:**

# ... Retrospective

by Geoff Reilley

## 5 YEARS AGO - 2002

Closest game in **A Section** was the thriller at **De La Salle** when the D's hosted rivals **St Kevins**. De La held the early honours at quarter time, a couple of goals up, but SKOBS produced an excellent second term of 6 goals to 2 to reverse the situation at half time. The SKOBS held a 1 goal lead at the final break but De La stormed home to win 13.12 to 12.10. It was the D's first win for the season therefore a very important game. It was St Kevin's first loss, leaving the Old Xavs alone at the top of the section ladder. Best players – **Jolley, S Hyland, S Thomas, Stinear, Moloney (4), Merton (De La Salle) and Fraser, O'Connor, Grinter, B Dollman, M Dollman, P O'Keefe (SKOBS)**.

In **Junior Section 1**, **St Bernards** jumped 2 games clear on top with an impressive win over second placed **St Kevins**. SKOBS were great in the first term and looked to have the game all locked up with 5.7 to St Bernard's no score. The Bernies made up part of the difference by half time but were still looking at a 4 goal deficit. In an excellent last quarter, St Kevins threw everything at their opposition and scored 3 goals but could not hold the rampaging visitors who kicked 9.5 to run our comfortable winners, 20.11 to 15.18. Best players – **Mitchell, Fielding, Burns, Glen, Neeson (4), Crockett (St Bernards) and Simpson (3), O'Keefe, Chard, Gullifer, Duggan, Kempston (St Kevins)**.

**Under 19 Section 1** coaches were – **Chris Mathieson (Caulfield Grammarians), Denis Bilston (De La Salle), Gavin Walsh (Marcellin), Richard Obee (Old Brighton), Owen Lalor (Old Melburnians), Mark Donovan (Old Scotch), Peter Callinin (Old Xaverians), Peter Foster (St Bernards), Brian Brown (St Kevins) and Tim Giles (Uni Blues)**.

**West Brunswick's Bob Baker** lined up for his **400th game**, what an effort! Five time best and fairest, dual

premiership player, 'Bakes' was an ornament to the game. Off-field had served as a committeeman and Chairman of Selectors while proving to be the ideal role model for younger players in every respect. West Brunswick summed it up thus, "a remarkable effort from a remarkable person".

## 10 YEARS AGO - 1997

In **C Section**, **St Bedes Mentone Tigers** were now out on their own, undefeated, after smashing the **Monash Blues** into submission, 26.22 to 5.9. Clearly, the Tigers dominated all over the ground and the worrying sign for Monash was that this was their third consecutive defeat by in excess of 100 points. Best players – **Dave Goodchild, Macgeorge (7), Hecker (6), Marunic, Boczar, Beasley (St Bedes) and Feenaghty, Edquist, Tinkler, Webster (3), McIvor, Hurley (Monash)**. There was certainly some talent among the leading sharpshooters in this section with **Andrew Treganowan (Marcellin) 41 goals, Adam Acreman (Old Mentonians) 36 and Tony Macgeorge (St Bedes Mentone) 29**.

In **Junior Section 2**, **Collegians**, under the expert tutelage of **Tim Kilworth**, defeated challengers **Old Scotch**, 13.16 to 13.6 in an entertaining game. Collegians held their lead for the whole game and were certainly looking the goods in their section. Best players – **Champion, Comm, Clark, Baxter, Byrne, Moon (Collegians) and Thompson, Junkeer, Love, Hanneman, Beattie, Long (Scotch)**. Other coaches in Junior Section 2 were **Peter McBrearty (Beamaris), Shaun Mangan (Marcellin), Greg Lasscock (Old Haileybury), Craig Thompson (Uni Blacks), Andy Dalrymple (Whitefriars), Andrew Tsindos (Old Camberwell), Terry Kendall (Old Scotch), John Stanton (Warringal) and Tony Ryan (Williamstown CYMS)**.

## 20 YEARS AGO - 1987

In **A Section**, **Ormond** were on top, undefeated and won against the reigning premiers, **Collegians**, at the **Harry Trott Oval**. Collegians jumped out of the blocks

with **Richard Herman** looking dangerous but at the other end, **Paul Schuhkraft**, the Ormond spearhead was determined to match the leading goal kicker in the section. Ormond's team work was excellent in the second quarter and they also pressured Collegians who made too many errors and Ormond's lead was 4 goals at the main break. Ormond increased their lead to over 5 goals in the third term before Collegians had the better of the final quarter but could not bridge the gap; final score in Ormond's favour, 12.10 to 9.11. Best players – **Paul McDonald, Cox, Phil Mehrten, Schuhkraft (6), Clarke, Brett Connell (Ormond) and Wright, Schober, Tregear, Kahn, Newman, Lemon (Collegians)**.

It was an historic day at **Old Brighton** when two club legends, **Owen Millis** and **Peter Latzer** played their **300th** and **250th** respectively. Owen was the first player to reach 300 games for his club having commenced a stellar career in 1968 when he started displaying his silky skills. Big Peter, a ferocious looking component on every occasion, was determined to break Owen's record in the future and he too had been a great contributor to the Tonners. The club paid terrific tributes to both legends in the edition of *The Amateur Footballer*.

### 30 YEARS AGO – 1977

**Fawkner** went to the top of the ladder in **C Section** with a win over **MHSOB**. Being 7 goals down at half time, the high boys rallied and gave a better showing in the second half but Fawkner still won by 6 goals, 14.15 to 8.9. Best players – **Ward (3), Foley, Richardson, Duggan, Mills, Naudi (Fawkner) and Cooper, Graham, Tennant, R Evans, Martin, Short (MHSOB)**.

Champion **Ormond** ruckman, **Roger Wood**, achieved his **200th** game and was only the sixth Ormond player to do so. Woody's achievements were many and included club captain, club best and fairest, Victorian representative and **A Section** premierships player.

**Bob “Chalky” Fletcher** played his **150th** for **Parkside**. Chalky was known for his “colorful” behaviour on and off the field and was certainly an identity around the club.

**AJAX** congratulated **Norm “Spike” Eizenberg** on reaching his **100th game**. Norm was a member of the 1975 premierships team and was a tremendous clubman.

**A Section** field umpires were **Phil Rowell, Trevor Rowe, Colin Wills, David Hindle** and **Graeme Simpson**.

### 40 YEARS AGO – 1967

In **C Section**, the undefeated **St Bernards** struggled to shake off the lowly placed **St Kevins Old Boys** who had only one win on the board to date. St Bernards took control in the first term but it was less than a goal difference going into the last term. St Bernard's poor shooting for goal did not help but they finally got the upper hand again to win 13.24 to 11.14. Best players – **Mahoney, Hannaberry, Taylor Coughlan (5), Hancox, Considine (St Bernards) and Semetas, Morgan, Tierney, McGuiness, Molan (5), Hewett (SKOBS)**.

In the “**From Here and There**” column in **The Amateur Footballer**, “orchids” were awarded to players from various clubs for outstanding games. Among those for this round was a certain **Brian Goodman** from the **Brunswick Club**. Yes, none other than the **current VAFA Umpires’ Adviser**, Brian “Benny” Goodman. Benny was also well known as a former **A Section Grand Final Field Umpire** and is a current leading Sub District cricket umpire. Also in the column was a note in memory of **Max Leslie**, former **Elsternwick** stalwart. Max had played in all sections of the **VAFA** from **A to F grade plus the Juniors**. He also played two seasons of **VFL** football with **Geelong** and **St Kilda**. He had played over **400 games** from 1939 to 1964.

### 50 YEARS AGO – 1957

**South Melbourne City** won their first game in **B Section**, defeating **MHSOB** by 6 points. It was South's great third quarter with 6 goals that did the damage to the High School boys and they were able to hold on 12.13 to 12.7. **MHSOB** played a brilliant brand of football in the first quarter to lead 6.2 to 2.3 and held a handy 10 point lead at half time due to South's inaccuracy in front of goal. Although play became crowded in the third quarter, South slammed on 6 goals and reversed the lead to be 10 points up going into the final term. A real “ding-dong” affair followed with **MHSOB** throwing everything at the Southerners but they finished 6 points shy, 12.13 to 12.7 and South celebrated their first win accordingly. Best players – **Cahill (5), A Brown and Crawford (SMC) and Nelson (5) and Masters (4)** did all they could for **MHSOB**.

**South Melbourne City's** planned **Dance & Social** at the **Rats of Tobruk Hall** in Albert Park would have been a very enjoyable evening after such a great win.

# D3 SECTION

by Stephen Clarke

There seems no such thing as a record in football that can not be broken. Find me a division anywhere in Melbourne that has two draws in the same round! WOW! I had a gut feeling this weekend would be close and told my pet dog Baxter we should expect the unexpected. Not even my good self could predict such results!

The Hawks were gone. 51 points down at the half they have stormed home to grab half the points. Serge Moussi turned it on and Jason Jackomos with four critical majors were the home side stars. Eight multiple goal scorers for the 'Hoes was a great return and with 10 points now from a possible 12, they are back in this tight competition.

### Tight competition?

Hang on; the Warriors are toying with sides are they not? That was until Saturday. The undermanned Elsternwick were brave all day and split the difference. Brett Mason was simply outstanding in the ruck for the home team and Danny Byrne was also a great contributor. The visitors never got ahead and found the baby ground tough. Jeka added four goals to his season tally.

Monash just avoided a draw against Kew – winning by 4 points. The visitors were again honest and not sure as a side with just one win should be panicking. They are missing key staff and are trying awfully hard. Young Ryan Wyley continued his good form for Kew and so too did Costello-Manning. For the home side Lee Wells got four majors.

Powerhouse had a day to forget going down by 70 odd points to Latrobe. Been belted at home now twice and they are not the real deal. No consistency in their play and slow starts will cost them. Brett Long bought his own sherrin to Ross Gregory and kicked six goals for a best on ground display. Mat Taylor - another solid game for the tourist from Thailand.

The Razorbacks have assumed wooden spoon favouritism with another home loss, this time to West Brunswick. A ten goal to four second half enough for the magpies to get the maximum return. Mary Higgins with three was solid as always but the day belonged to Anthony Gibson with a stellar performance.

### PREVIEWS –

The big game has arrived. The warriors and the Hawthorn do battle as our only two teams that boast no losses against their name. Very tough to go against the home side here who hated their trip to Elsternwick and will be hostile hosts for the Hawks. The visitors have the all round game though. So tight. Want to tip a draw . . .

The Gryphons can extend their streak against the Razorbacks at home. Injuries are taking their toll at Monash but this is a must win game to stay in the final four mix. Let's say 25 points.

The 'House have a critical game at Ivanhoe. The home side are back and challenging and can succeed again now they have a stronger list and go best when playing at home. Sarosi and Miller need to pull rabbits out this week – a whole herd of them. Ivanhoe Assumption for mine by 40 points.

Latrobe host the magpies and this is intriguing. Not sure what the make of West Brunswick as they do seem a few goals away from the top half.

Latrobe to win and stay third on the table would be great for them after one third of the season. Kew and Elsternwick playing is like kicking the footy at the Alfred – patients galore ! Messrs Witchell and Grace have greatly reduced lists to pick from. I'll say Elsternwick as they have come off a brilliant effort. But just.

The big kids need to deliver this week as one of the two top sides will go further ahead of the pack. Who will it be?! Make sure all your mates get down and watch these epic contests!

## 300 BIG ONES (to SOG, BOP, UOM)

Today is the start of some big milestones this year, so we congratulate field umpire **Anthony Simpson** (or **Simmo** as he is known, or as above Son of Graeme, Brother of Peter, Uncle of Matthew) for reaching **300 games**. Simmo is one of the VFAUA's foot soldiers that each week runs in the lower grades. He was a goal umpire many moons ago and had some success there, but decided to cast the flags away and pick up a whistle. It is the character of the man (and his family) that the VAFA is held in such regard for him. As such the VFAUA bestowed its highest honour to **Simmo** last year by awarding Life Membership to the Association. A few words from the man himself "I would like to thank everybody at the VFAUA for their friendship and help over the last 14 years. I think I have umpired every club in the VAFA from Rupertswood to Mt. Lilydale and further on to South Mornington, you cannot umpire without the clubs and VAFA support. Most of all the support of my family, well known to you all (the Simpsons). To Anne and my children thank you for everything."

It's been a big year already for **Simmo** with wife Anne presenting him with twin girls in April. Obviously the sleep deprivation isn't affecting his umpiring too much.

Tonight everybody is welcome to come and celebrate at the Matthew Flinders Hotel at Chadstone from 7pm.

Well done Simmo, and may there be many, many, more.

Stay tuned for a few more upcoming milestones. And if you've got one coming up don't forget to let us know in advance and we'll give it a big plug.

## WAY OUT WEST

Yes, we all realise that when you are unfamiliar with the local geography that a footy ground can be hard to find, especially when the club isn't playing at their regular ground. Well, one of our more senior and experienced umpires found himself in this predicament last Saturday. Williamstown CYMS are using a ground in Altona whilst their usual ground "Fearsome" Reserve is out of action. One umpire

travelled all the way from Caulfield but was able to locate the ground without

any trouble at all. However, the so-called local umpire (travelling that long, long distance from Yarraville), visited at least five other grounds in the area before he found the right one. Much to the relief of his fellow umpire, he finally arrived. We know this seems just a little obvious, but may we suggest that in future "YOU CHECK THE DETAILS ON YOUR UMPIRING APPOINTMENT SLIP!!!" To **Rob Sneddon** who doubles as our training supervisor, please don't send us on a road run this week, you might get us lost. Good work **Hages**, remaining cool in a crisis as always.

## BACK TO THE SIXTIES

Boundary umpire **Cameron Smith** turned the clock back last week not by his clothes but by using a fashion accessory that dates back to the sixties or even further. Good grooming is paramount to boys nowadays so to umpire in these times one cannot run around without at least 6 bobby pins in your hair.

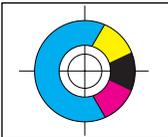

## UNAVAILABILITY

We've had the unfortunate circumstance over the last few weeks where we've had a few last minute withdrawals due to injury or other problems. Please be very, very sure about making a last minute decision like that. The domino effect it causes for Benny and the rest of the selection panel is an absolute nightmare.

**As a reminder, don't pack the skis on Queen's Birthday weekend – this year a normal round will be played. Please jot your name in the Unavailability book if you can't run that weekend.**

## Round 5 Review

Only one surprise this week but what a surprise! Mt Lilydale travelled down to Box Hill having just got the points against Bulleen, only to slam on 11 first quarter goals and all but seal the game! Instead of panic stations for the Box Hill men there was a soul searching week on the track. Carolan and Roberts both starred up forward whilst Dan Penny was the best for BHN.

Great game at the Zoo where Sth Mornington took it up to Uni High. Some poor kicking let them down but it looks like they are a genuine finals threat. Gorrige again starred for the students who were also well served by recruit Leach in a back pocket. Pullen was again good up forward for the Seaside's. Big win for Eltham as they had a 30 goal win over Bulleen. It was the brothers on display as the Garrard boys helped themselves to 17 goals between them whilst the Foo boys controlled both the midfield and down back. With Captain Galvin returning shortly from injuries, a triple treat of brotherly stars is on the cards! Tough day for Bulleen with Cookson again good.

Richmond returned to ground with a thud as a relentless St Mary's extended their lead each quarter. Dwyer was again dominant up forward with 8 (no concerns about lack of firepower any more) whilst young guns Murphy and Sheedy were in everything. Graham was best for Richmond.

Momentum building for Albert Park as they held of a determined Syndal Tally Ho. Best news was the debut of Saunderson for the Falcons, who not only starred in the ruck but then went up forward to slot 3 goals. "Axe" Phillips controlled the half back line whilst the Bennett and Baker show was again on display. George was the best for Syndal.

Finally, North Brunswick broke through for their first points of the year as they comfortably accounted for Eley Park. Boudoloh starred up forward for the winners.

## Preview

Do we add Mt Lilydale to the maybe list? They played the top three in the first three games so perhaps their slow start is understating where they are at? Definite momentum being built at Albert Park who will be welcoming some big guns back in over the next few weeks. And what about Sth Mornington?

Have decided they are the real deal.

A slightly tarnished match of the day sees Eltham host Box Hill North. The Turtles are starting to tweak up nicely and is there a hint of a hundred goals from Coach "Hollywood" Garrard? Liston and Dovostan will have their hands full this week as the Turtles midfield will be hard to combat. One bad game doesn't make a season and whilst I fancy the Turtles this week, will take a little more just yet to get off the Hillman's bandwagon.

League leaders St Mary's welcome Syndal in a game that they will expect to win comfortably. What is pleasing the Saints is that Papaluca hasn't been the only star, fair to say they would have probably 5 players in the top 10 at the moment? Also liked the fact that the great veteran Schembri continues to star. Amazing how many times big games bring out the best in the veterans, particularly later in the year! The Sinners have been competitive but not this week.

Uni High travel up the Eastern Freeway as they take on Bulleen. Uni High used a get out of jail free card last week but lost a couple of key defenders in the meantime with season ending seasons. Height is also a worry with the veteran Smith often having to carry the load. Tough yards for the Cobras at the

moment. They will be looking for Aitken and Mundy to provide some guidance on D4 success in the coming weeks. Uni High for me.

Mt Lilydale host Richmond in a game that last week looked appealing and even more now? Was it one out of the box for Mt Lilydale or was their tough early seasons draw masking some improvement? Richmond thudded back to earth last week but they won't be the only side to get touched up by St Mary's. I also liked that they were never blown away by the Saints but rather they were just ground down. Still, if the home side has higher aspirations, then this is a must win.

Another must win when Albert Park host North Brunswick. Up to five stars returning this week for the Falcons who are used to making late runs at the four as opposed to being incumbents so early in the season. Nice to see NB get on track but this looks a bit too much for them this week.

Finally, if Sth Mornington is the real deal then they will need to account for Eley Park. The Sharks are struggling with grounds this year (thank goodness for the footy community, what would some councils do without it!) whilst the word around the traps is that the Seaside's are the real deal. Hard to disagree, visitors for mine.

## MILESTONES

**Mt Lilydale Old Collegians Football Club** would like to congratulate **Pat Carolan** on playing his **150th game** last week against Boxhill North. Pat, along with Monica Lawson and Chris Walsh started Mt Lilydale Old Collegians Football Club back in 1997 and has been heavily involved in each aspect of the club for all of its 11 years. We wish Pat all the very best and let's hope you can play out the rest of the season injury free old boy...

We would also like to congratulate **Rick McKenzie** on playing his **100th game** this weekend along with **Justin Roberts** on his **50th game** this weekend.

They are both huge assets around the club and we wish them both well for today and the rest of the season.

# U19 SECTION

by **Charles Beaton** (U19's 1),  
**Duncan Palmer** (U19's 2)  
& **Johnny Aitken** (U19's 3)

Still three undefeated teams and I feel nothing will change this weekend. The gap is widening and it was great to see Blacks notch up their first win in the Premier division.

## Review

St Bernard's came out firing against Old Scotch, who really have fallen away in the past few weeks. Disappointing to see such a drubbing in this competition. Aaron Johnston bagged four majors and was on fire all day, helped out by mate Danny Forde around the ground.

Uni Blacks chalked up their first win for the season against a hapless Old Carey. Comfortable in the end for the Blackery, Evan Scantleton kicked another handful, while Daniel Johns was a welcome return around the ground. Matt Dornauf was also very handy all day.

Cracker of a game out at Xavier - the powerhouse taking on Rupo. Gallant effort by Rupo - they really are proving to be consistent this year. Xavs prevailed by 3 goals and were best served by Andrew Ryan with four sausages, while David Farley and Luke Daniher were best. Rupo gun Campbell Allport is on fire at the moment - another brilliant game. Adam short was also handy for the losers.

Other winners of round 5 were Blues against St Kevin's and De La in a dour struggle against Marcellin.

## Preview

Fourth placed Rupo host De La, the venue being sunny Sunbury. Should be a corker of a match. I will go for the upset and pick the Rupo.

Marcellin host St Kevins in what shapes as important game for both teams. Great effort by Marcellin last week - I think I will go with the home team on the back of that.

St Bernards host Uni Blacks with a change of time noted (9.20am on Oval number 1). Will be tough for the visitors who may struggle to contain the ravaging dogs.

Best of the rest will be Uni Blues and the Xavery.

The lock was close yet again and each way odds assured a return on Mitanni. This week the lock will be Dracs Back, Race 3 at eagle farm. Go each way again. Thanks to the weekly contributors, feedback to beatoncharles@hotmail.com before 10am each Monday. Happy punting!

## U19 SECTION 2

Despite many rumours on that veritable hotbed of gossip Bigfooty, St Bedes Mentone remains in Division 2. They continue to make decent opposition look like Pee Wee Herman on the end of a Mike Tyson uppercut- Dazed and confused. This week Old Paradians get their shot at the Tigers. Meanwhile we will continue to look at who may challenge them in September.

## Team Reviews this Week

Whitefriars- The Friars are going through a rebuilding process as a club, and this flows right through to their U19. They have been on the end of some horrendous hidings

this season, however this week they showed far more fight. Captain John Parkes and star David Arthurson will help lead the revival.Improver.

Old Brighton- The pre-season favourites have rebounded after a first round. The baysiders are quick with a quality midfield and strong key position players. The presence of Zebra Shane Tregear may have a large bearing on their premiership credentials; however Liam Brosnahan is another who will cause many headaches. Each way bet. Caulfield-Ben Price is a quality footballer and with the likes of Costa 'Alphabet' Charalambides and Sean Meredith supporting him, Caulfield are no pushovers. The lack of a key goal kicker is a concern however they seem to have several flankers and onballers who can fill this void. Place bet.

## Game Reviews

Baumaris fought hard for their fifth win despite the seniors depleting them. Tom Nash was again brilliant whilst gun utility Andrew Romanin starred for the Wells. Dylan Matheou bagged four as he helped Caulfield overcome an inaccurate Banyule. Thomas Skewes again impressed as Old Brighton overcame Old Melburnians, whilst St Bedes Mentone thumped Collegians.

## Tips

Baumaris by 17, Old Brighton by 31, Collegians by 2, St Bedes Mentone by 55, and Old Camberwell by 13.

## U19 North

It seems that labelling a team as premiership or wooden spoon favourites can be a dangerous tact in the world of the scribe. Teams are determined to prove you wrong and the favourites become too confident. Regardless, I will continue to analyze each team and will this week look at the three other 'second side'

## Team Reviews this Week

De La Salle - Clan Monaghan provides a steadying influence for a team, who like all second sides, suffers from the form or injuries of the first side. The Golds have an astute coach in Robin Smith who knows how to lead a side to finals football, and with Heath Browning prominent, should figure in September action. Each Way Bet.

St Bernards - The yo-yo team of the competition, St Bernards possibly have the deepest list in U19 football. Any team that can have three first gamers star is a hard one to judge and it will be interesting to see if the likes of Ben Jones can hold their form. Goal kicker Aaron Johnstone will probably not see section Nth again. This team could be anything from premiers to also-rans. Keep Safe.

Old Xaverians – The red and black are a steady team, who like De La Salle appear able to bolster their depth endlessly. Time will tell if they can afford to lose George Grigoriadis who booted 13 on the weekend. Luke Dimattina and Alastair Yousseff are regular contributors to a side that should figure at the end of the season. Place bet.

**Game Reviews**

St Bernards upset the Animals after a fantastic first quarter and despite the best efforts of Spencer Pascall. Old Xaverians overwhelmed Therry Penola with the aforementioned George Grigoriadis putting two hands up for Premier division selection. The two Christophers in Wells and Ligris led Fitzroy to a comfortable victory over De La Salle. Finally Old Westbourne turned the screws on the hapless combine with Joseph Callus one of many good performers for the Warriors.

**Tips**

Bernies by 41 pts, Emmaus St Leos by 23, Therry Penola in an upset by 7, Fitzroy Reds by 33.

**UNDER 19 – SECTION 3**

The top two again flexed their muscle with huge wins that left the rest in some serious doubt on any flag aspirations. I have been potted on internet forum site Big Footy, again lost my house with the Eagles failing to win over 15.5 points (they lost) and my Tigers were robbed of a famous dreamtime victory by a dubious umpiring decision against ‘Big Cat’ Matthew Richardson.

**Review**

Oakleigh got the job done against neighbourhood rivals Bentleigh with a big 93 point win to maintain their presence around the top four.

My inklings of a classic were snuffed out from the go as Old Ivanhoe led Ormond a merry dance all day to record a resounding eighteen goal victory. Dekretser dominated the forward fifty and kicked five majors while Spargo chalked up some big statistics.

The Maribynong River boys smoked the Yarra River boys as the Bombers class and cohesion accounted for a Unicorn side missing its first choice spine. Nick Campbell was under every pack for the Unicorns while Tommy Rendell was super on a half back flank.

Old Mentonians chose their Whopper Deluxe game plan and ran out smart winners over the Eagles who don’t like

wearing white shorts. Shane Alexander was everywhere for the Panthers.

The Uni Boys upset the Ants in the final match of the round overcoming a slow start to run out impressive winners.

**Preview**

Old Essendon (\$1.03) V. La Trobe Uni (\$11)

The Bombers at home are more intimidating than a chat with my mother about the change of life and will win by twenty lengths, eased down on the line.

Ormond (\$1.85) V. Old Trinity (\$1.85)

The Eagles can’t seem to win away and Ormond will need to find some firepower after kicking a paltry four goals last week. I think the Eagles will probably win, but I say it with little conviction.

Oakleigh (\$1.80) V. Old Mentonians (\$2)

Match of the round with the Krushers up against a Panther outfit that impressed all last week usurping the Eagles. Have a suspicion the Panther boys don’t like playing anywhere bar Keysborough so they may be in some trouble at Scammel, Oakleigh by five goals.

Bentleigh (\$2.40) V. Bulleen Templestowe (\$1.50)

*The Only Ball VAFA

If a Demon and an Ant had a fist fight, a Demon would win. However the Demons are travelling as well as a stomach full of lamb vindaloo, Ants by three goals.

Old Ivanhoe (\$1.05) V. MHSOB (\$6)

The Old Ivanhoe boys may already be thinking of which Travisty tee they will wear to OneLove tonight, but they need to remember that MHSOB aren't as bad as last week's result would suggest. Coach Elder is still confident that the Unicorns first win will be sooner rather than later but he'll have to wait one more week, home side by 50 points.

### UNDER 19 SECTION SOUTH

Down south is where it's at as the league's most even competition again produced see-sawing encounters and all teams bar one with a chance to lift the silverware. Peninsula defied the trend of away winners by defeating tricky Prahran/Caulfield whose travelling army of parents provided plenty of amusing banter on the hill directed at their rivals. Mazenod's bandwagon continued as they firmed in a half point to \$2.50 for this year's premiership.

### Review

Determined Prahran/Caulfield ventured out to Peninsula on a mission to get the four points but fell short by just under two straight kicks. Timothy Maya continues to impress with another standout performance while the rest of the boys were subject to a vicious tongue lashing from their coach that could be heard from the Frankston plaza. Buchanan kicked three for the Pirates to compliment Clarke in the guts. Both clubs may want to spend the week goal kicking after some atrocious conversion rates.

Match of the season so far with the league leaders putting on a classic down at McKinnon Reserve with Mazenod coming from behind in the last quarter to pinch a nail-biting one point win. The Bloods had key forward Erikson on song as he helped himself to five big ones.

Hampton ruined the Vultures day by annihilating them in front of their parochial Green Gully crowd by a 101 points. Thomas McCarthy was simply electric with four goals and best on field honours.

SBMT upset Ajax back at the Grand Prix track with a low scoring win to move it up to fifth place on the ladder. The Studder brothers were the ringleaders for the Tigers while Fayman again led by example for Ajax.

### Preview

SBMT (\$1.33) V. Parkdale Vultures (\$3)

It's back to the Sandpit for SBMT. I personally think it is too small to even conduct Auskick on, but it provides a massive home ground advantage which will be too great for the cellar dwelling Vultures.

Old Haileyburians (\$1.50) V. Monash Blues (\$2.40)

Blues are a tricky unit that ebb and flow from round to round, while the Bloods were mighty stiff to lose their top of the table showdown last week. Simon Beasley likes the odds offered about the Blues but I think the Bloods will be too big, too strong and will win by four goals.

Hampton Rovers (\$1.70) V. Prahran/Caulfield (\$2)

Boss James Reserve will hold no fear for the new boys who continue to impress me each week but the Rovers are now back on track so they should get two on the trot.

Mazenod (\$1.40) V. Peninsula (\$2.70)

Pirates fill up the tank and hit the roads out to Glen Waverley where it will be competitive but just fall short at the final siren, Mazenod by four goals.

# CLUB XVIII SECTION

by Norm Nugent

With one third of the season now over, the comparative strength of the competing teams is becoming apparent, although the glorious uncertainty of football results remains. In Round 5, I managed a success rate of 82%, which could have been less given the closeness of several scores.

## REVIEW OF ROUND 4

### Section 1

Old Xaverians defeated their younger brethren by twenty one points after a closely contested morning game at Sports Cover Arena. The comparative accuracy (or lack of it) provided a stark contrast in the two final scores.

De La Salle recorded their first win, when they easily accounted for Mazenod by seventy eight points.

Leaders, Prahran continued on their winning way with a fifty six point victory over St Francis Xavier.

Old Melburnians managed to score a thirteen point victory over Old Scotch in what was a high standard match.

st kevin's looked like recording their first win when they led university blues for most of the second half. only a late rally by the blues enabled them to win by nine points. Interchange coach, Bob Girdwood maintained his faultless coaching record and is content to return to presidential duties. Best for the blues were: David Marshall, Ryan Costin and Tom Granleese. For St Kevin's, the best were: John Fox, David Petro and Hugh Powell.

### Section 2

Old trinity won their first game in a decisive way, when they overwhelmed Kew to win by sixty three points.

Although Emmaus/ St Leo's players tried hard, they were not able to extend the leaders, Collegians, who won easily by big margin of one hundred and twenty one points.

After an evenly contested opening quarter, University Blacks asserted their supremacy over Old Brighton as their superior knowledge of the prevailing winds at the Crawford Oval enabled the Blacks to win well by sixty six points.

With marked accuracy, Caulfield Grammarians were able to defeat a very inaccurate Old Scotch by thirty two points. This margin was achieved despite the fact each team had virtually equal scoring shots.

Monash Blues found the trip to and windy conditions at St Bernard's, not to their liking as they suffered a rare trouncing by the wide margin of sixty one points. The home side set up their win with a big first quarter effort. For Monash: Matt Riddle, Sam. Stringer and Gavin Prendergast were best.

St Bede's / Mentone Tigers started very slowly against Fitzroy Reds, who held the Tigers scoreless in the first half. The Second half saw the Tigers improve and actually outscore the Reds but their lead was far too great and the home team won, at McHale Stadium, by twenty six points.

### Section 3

By all reports the Bulleen – Templestowe and Box Hill North match was a fast and furious contest between two very evenly matched teams. The “Bullants” kept their unbeaten record in tact with a four point victory, whereas the “Dragons” are now a game behind the leading bracket.

Therry Penola notched their second victory when they proved too strong for Old Westbourne and won by sixteen points.

North Old Boys / St Patrick's showed how little I know of their form, when they kicked very accurately to defeat Old Geelong by ten points after an even contest at Como Park.

Marcellin proved too strong for Beaumaris when they won by fifteen points.

Fitzroy Reds vindicated my selection with a thirty two point win at the expense of Old Carey.

Leaders, Whitefriars had a day out at the expense of Oakleigh, who were beaten by one hundred and sixty points.

Old Scotch had the bye.

## PREVIEW OF ROUND 6

### Section 1

De La Salle will confidently approach their clash with Old Melburnians following their big win in Round 4. However the O.M. team will be keen to consolidate their top four position: a desire I believe will be fulfilled.

Old Scotch seem to be playing well within any degree of success. Today, at home, against bottom side, Mazenod, the “Cardinals” should score a comfortable win.

The University Blues versus Prahran game should reveal the comparative strength of each of these likely finalists. Prahran have strengthened their line up, although the stars of seasons past still play leading roles. The Blues have an experienced line up, such is the depth of talent at the Club. Given good conditions, a top class game should be played. I select Prahran, who have done nothing wrong this season.

Old Xaverians 2 are playing consistent football and they should be able to defeat St Kevin's, who are still chasing victory in 2007.

In the afternoon game, Old Xaverians, in familiar Kew environs, welcome St Francis Xavier, Beaconsfield to town. The visitors will see first hand the standard required for success in this competition, as the “Crocodiles” power to another victory.

### Section 2

Leaders, Collegians face a danger game against Old Brighton, whose players will appreciate home ground conditions. However one cannot go against Collegians, who have carried all before them this season.

Ph. 9372 9166 Fax. 9372 8347 <http://www.elitefs.com.au>

At home, Monash Blues should regain reluctant travelers as well as favourable conditions as they try to defeat Old Trinity, buoyant after their first win. I select Monash Blues.

Fitzroy Reds should stay in touch with the leading teams by defeating yet to win Emmas / St Leos.

The scene will be set for a likely final preview when University Blacks visit Caulfield Grammarians. Each team has impressed me as I have watched each over power the opposition. The Blacks certainly moved the ball well last week and although Caulfield will be a taller team, the smaller, more elusive Black's "on ballers" should provide sufficient drive for their forwards to kick the winning score.

St Bernard's should win again at the expense of St Bede's / Mentone Tigers, who traveled with less than a complement of players to McHale Stadium and who face a more daunting challenge today.

I select Old Scotch to score a rare victory, this afternoon, at the expense of Kew, whose successes have been minimal.

### Section 3

The fleet of foot, Box Hill North should account for the unpredictable Old Geelong, who visit Elgar Park for the first time.

Oakleigh, at Scammell Reserve, have the opportunity to regain lost momentum. However their task will not be easy as their opponents, Marcellin will be very keen to consolidate their top four position. I select Marcellin to win, by a comfortable margin.

Beaumaris should record a comfortable victory over, yet to win, Old Westbourne.

Old Carey, with experienced recruits, face unbeaten Bulleen - Templestowe at Victoria Road. I select the "Bullants" to continue on their winning way.

Undefeated Whitefriars journey to St James Park, where they should be able to defeat the injury depleted, Old Scotch.

In another afternoon match, Fitzroy Reds are my selection to defeat North Old Boys / St Patrick's, despite the combine's win in Round 5

Therry Penola have the Bye.

## M I L E S T O N E S

**Old Xaverians 2** Captain, **RORY FORD** played his **100th game** last Saturday at Sports Cover Arena, appropriately against Old Xaverians (Crocodlies). On the field RORY has proven a dedicated and able leader. Off the field, he has played a leading role in the formation and consolidation of the Old Xaverians 2. Congratulations RORY. All at O.X.2 look forward to many more dashing games.

The lightly built, determined **Monash Blues** "on baller", **MATTHEW JOHNSTONE**, played his **100th game** at St Bernard's in Round 5. **MATTHEW'S** fearless attack on the ball often frightens his team mates, who fear his light body will suffer a serious injury. Congratulations, **MATTHEW** from your admiring team mates and Club supporters.

VENUE RATING AGENCY PTY LTD

## Do you have any concerns regarding the condition of your grounds?

Venue Rating Agency (VRA) and the Victorian Amateur Football Association (VAFA) are pleased to announce a special deal for all VAFA member Clubs.

**\$175 + gst per ground**

VRA will conduct a Surface Hardness, Traction Test and a visual inspection of the grounds grass coverage, perimeter fencing and signage. A full report will be prepared and supplied to the club for each ground commissioned for an assessment.

*"I was able to use the VRA Assessment Report to submit to Bayside City Council of our needs to ensure that the arena and surrounds were up to the required standard for the VAFA in 2007.*

*I would strongly recommend that all clubs who need their oval to be fit for VAFA football contact VRA for a ground assessment."*

**Michael Sholly, VAFA CEO**
