## **VAFA welcomes AFL Queensland**

This Sunday the VAFA are proud to host the AFL Queensland Under 21 team at Sportscover Arena in a

match against our Under 19 team. This follows the first ever match between the two bodies last year when Queensland were successful by 31 points.

It is vital to give the younger players in both the VAFA and the AFLQ the opportunity to play representative football to showcase their talents. The VAFA are extremely proud of the increase in the standard of our competition and as evidenced by last years match will be truly tested.

AFLQ must be very proud of not only the Brisbane Lions but also of the success of their pathway program which resulted in eleven players being drafted to the AFL last year. This is an amazing result as it eclipsed both the WAFL and SANFL leagues combined. I was fortunate enough to attend last years match and was delighted to witness first hand the outstanding skills of the Queensland players.

Last year the match was played at Cooperoo Oval and whilst we were in the middle of a tropical rainstorm the conditions provided by our hosts was first class. In that match our players battled extremely hard in these trying conditions and whilst we trailed by only 10 points at half time it was clearly evident that they were the superior team.

As a result I am sure that our coaching staff has learnt from this occasion and the experience gained will ensure that this match will be even more competitive.

I call on all the VAFA community to attend the match and support the future stars of the competition. Good luck to all the participants and I trust the match will be a rewarding experience.

## **AAFC**

Last weekend I attended the AAFC under 23 match between South Australia and Western Australia. A great game ensued and the win by SA ensured that the triennial championship remains alive. The VAFA travel to SA in July and will need to win by a large margin to win the series. Judging by the standard of the game we will be facing tough opposition.

Before the match a meeting of the AAFC was held and I am delighted to announce that I was elected as the President of that body for the next three years which coincides with my term as President of the VAFA. I will endeavour to meet with the AFL Commission, to discuss the relevant issues affecting Amateur football and to ensure that our place in the history of Football is clearly identified particularly when celebrating 150 years of football in 2008.

Attending the meeting was a representative of the Northern Tasmania Football League and we are hopeful that they, along with the Southern Football League (Hobart) will join to form a Tasmania, side which will make a four team competition. This will make fixturing far easier and thus ensuring only one under 23 match will take place each year.

The AAFC represent over 27,000 footballers in Australia and their need and that of the clubs and associations needs to be presented to the AFL and that when decisions are made by them they must take into account all of the footballing community.

## The Tallangatta Terror

Big **David Paton** first came to the attention of amateur football fans last year when he bagged nine against the hohums at the Junction. As is sometimes the way with Uni Blues players, he promptly said “see you next year gents” and headed back to Tallangatta on the Murray River. But he always said he’d be back and to the dismay of amateur defenders, he is back and putting on a clinic. Over the past three weeks, the 21-year-old has averaged a dozen contested marks a game and impressed all and sundry. On Saturday against Xavs, he was again best on ground but this time had a few new strings to his bow, drifting across half-back to help quell the threat of **Handley** and **McCarthy**. This was such an important win for the Blues, in light of quite a few heartbreaking losses to Old Xavs in recent years. Much like the Xavs did in the 2005 GF, they hounded and pounded ‘em. Youngsters **Matt Maltmann** and **Jack Watts** again impressed, while **John Kanis** blooded yet another Under 19 player, **Jonathan Vickers-Willis** from the home of the hyphen, Geelong Grammar. **Ryan Colbert** was best for the visitors, who are crying out for the return of **Ockleshaw** and **Fleming**.

Brighton may have snuck up on a few teams but there was no chance of Collegians being in the dark, given the history between the two teams over the years. And with top position at stake, the Lions did their homework and shut down the Tonners, winning a scrappy and frustrating, but undeniably fierce game at the Trott. **James Jorgenson** was best for the Lions, with **Simon Arnott** and **Craig Robbins** in deadly touch up front. They’re yet to play Xavs or Blues so let’s not get too excited, but full credit to them. Doubly so, given that their reserves could only manage one major in a 25 goal spanking.

That was nothing compared to the Haileybury reserves, who were touched up by 198 points by St Bernards. The senior game wasn’t a whole heap better for the Bloods, despite a good start. To further sour their year, the 2006 Premiers lost **Laz Siapantas** to injury. For the winners, **Callan Potter** put on a show, kicking seven while new ruckman **David McMeekin** turned in yet another best on ground performance. Incredibly, St Bernards have blooded nine Under-19 debutants this year, with **Josh Kassis** the latest to make the step. This game has sparked a fair amount of controversy due to crowd behaviour/comments but I am the last of the great fence sitters so will let it pass...

Ah man, please don’t tell me Scotch are going to survive another year. Throw me a bone here. They’ve definitely got the wood over De La, that’s for sure. This is by no means a vintage Scotch team and on paper, De La should have had

the numbers, despite missing a few big guns. But despite a slow start (usually they’ve jumped out of the blocks this year, only to wilt late)

Scotch kept coming and showed a lot of pluck to win on a ground that is often a graveyard for travelling sides. **Ben Doherty** and **Hamish Dick** did well up forward for the Cardinals, while **Gerstman** had a good tussle with **Ben Corin**, with the De La skipper taking the honours. Bad loss for the fluctuating De La – **Nathan Harris**, **Tom Moloney** and that wannabee Glaswegian **Jeff Morel** were their best. The Ivanhoe/Trinity clash was a bit of a last man standing affair, with both sides decimated by injuries and suspensions in recent weeks. And Trinity certainly did storm home, scoring more in the last term than for the first three quarters combined. But a late mark and goal to **Luke Lochran** buried them. **Jarrold Geischen** and **Luke Lochtran** both played slashing games for the Hoers while **Brendan Iezzi**, a youngster with a stack of potential, was adjudged Trinity’s best for the third time this season.

Uni Blues to beat Collegians in the match of the day at Parkville.

Old Xavs to beat St Bernards at Toorak (Simon, Scatters and co, can you tell I've only seen Bernards once this year and that was against De La - hence why I never tip you?) De La to roll Ivanhoe at the Pine Lodge - two very different teams but should be a belter.

Trinity to upset Scotch at Camberwell  
And Brighton to demolish the hapless Badlanders

## M I MILESTONES E S

**St. Bernards** would like to congratulate **Chris Davis** who celebrated playing his **200th** (79sen, 88res, 33U/19s) game against Old Haileybury last Saturday by kicking 6 goals for the first time in his life. Davo has developed into a strong and fit goal kicking midfielder over the years. He was a dual competition Best & Fairest winner in his junior days and as well playing in 2 junior premierships he was a member of the 2003 reserves premiership side. He now joins his father Terry who also played over 200 games at the club. All at St Bernards congratulate Chris on a lifetime of dedication to his club. WELL DONE CHISEL!

**150 games up to De La's Peter Bowden.** Peter, who played his 1st game with the U19 Blues in 1998, has been a fine contributor then and in the ensuing 149 games for DLs. Peter's games comprise 54 Seniors (21 "A", 33 "B") making his Senior debut in Rnd 1/2000, 47 Reserves, 8 Warriors and 41 Blues. Peter's awards include Blues B&F in 1999 and Senior Most Improved 2001. Well done Pete.

**Old Haileyburians** congratulate **David Warnes** on playing his **100th** game for the Bloods this week against Old Brighton. Recruited from South Australia in 1999, David was a member of the 2001 Reserves Premiership team and won the Reserves Best & Fairest Award in 2005. He has had an interrupted career due to injury but we all look forward to seeing another 100 games from David. Well done 'Warnesy'.

Cats among the pigeons now with MHSOB back on track with a big win. Five now aiming at four berths and the other 5 all still in the mix with 12 games to go.

**REVIEW**

The local derby provided a big crowd and quite a good game. SBMT appeared to be well in control for most of the day but a concerted last quarter from the Sharks added some respectability to their score. Nick Atkins had a great duel with Ben Phibbs and kept the leading goal kicker to only 2 majors. Tim Collins and Luke McNicholas continue to perform while big Dean Francis and Sammy Anstey were forever dangerous.

The Junction Oval was a bit sloppy and provided a pretty tight contest until the last break. Uni Blacks then showed the advantage of being extremely fit to get their running game going and record a good win in the end. OM'S played the Junction Oval very well and are sure to trouble a few when some players return in the ensuing weeks. Mick Battista made a fine return to the Blacks outfit, just as Evans, Lalich, Al Smith and Paul Kempton maintained their good form.

MHSOB were very happy to take the 4 points and their first win of the season against the Jackers who disappointed for the second week in a row. The return of some seasoned campaigners and an improved commitment has certainly helped the Unicorns cause. Matty White was again their best but he received solid support from Scott Whittington while the three pronged forward set up of Josh Richmond, Timmy Dunne and Nick Orchard kicked 10 between them. Aaron Bloom and the Jankie Boys tried their dandiest for the Jackers.

Once again Caulfield Grammarians gave themselves every chance to win a game of football to again just fail at the end. Believe the lack of a real ground to train on is hurting them. None the less SKOB were good enough to come from behind to do all the hard things when the pressure was on and take a valuable 4 points. Chris Cain was good up forward and club veterans Mahons and Dolly used their experience when it counted. The Fields would be lamenting missed opportunities with big Brett Sinclair kicking 5-7 and at least 3 'OOB' on the full.

OEG were swamped by the Marcellin small brigade in the first half, with the Eagles backing their leg speed taking plenty of chances and showing heaps of dash. A bake from the Wizard at the long break refocused his charges which led to another 3rd quarter avalanche by the PEGS Boys, as the Eagles were swept away by a blitzkrieg of Bomber goals. Better grammar boys were Ferocious Timmy Biggs, Clutch Cargo Baddeley, 12 Seagulls Towner and Pidge Clifton. For Marcellin BC played tough, Dallas Jarred played another big one, Jake "The Guru" Symes got a few more defensive stats and Cam Maclaren kicked 4.

**PREVIEW**

Some absolute ripper games this week.

MHSOB travel across town to clash with Beaumaris at Shark Park. Beaumaris have been in good nick the last 3 weeks while their visitors are returning to form and starting to look ominous. Plenty of youth and experience on show here but at Oak Street one would have to stay with Beauty.

Not far away at the Racecourse Oval the Fields have a real chance to get off the mark and open their account. They really have been unlucky while playing some good football and unless OM'S get their full list back I think they will still struggle so will go with Caulfield Grammarians.

SKOB versus OEG at the Righetti Rat Cage. Two sides that match up very well so it promises to be an exciting a skilful clash. If OEG can actually put 4 quarters together they could be world-beaters while 3 quarters has been winning them games. SKOB injury list is mounting a bit have had some tough games so even away from home I will go with the Chokers.

University Blacks have really done nothing wrong and have taken all before them thus far. The Eagles have been a little out of sorts in the past month with injuries affecting things, I don't think they will be quite at their best still this weekend and readily tip the Blacks to win even at Marcellin.

A much-anticipated event at Sportscover Arena. The Grand Final replay between SBMT and Ajax. The Jackers have put in a couple

of shockers in the past fortnight while the Tigers are in awesome form. Times change and personnel changes so both sides will bear little resemblance to those involved in that epic clash last September but there are still enough around for the rivalry to remain intense. Going for something against the jugular and totally out of left field and will tip Ajax at their spiritual home to cause the upset of the season.

## M I MILESTONES E S

**Caulfield Grammarians** congratulate **John Margerison** on playing his **150th** game. An integral member of 2 premierships Marget's aerial acrobatics have been a feature throughout his career at our club, which included his 5 minutes of fame on Almost Football Legends after taking a hanger in the 2000 grand final victory. In recent years Margo has enjoyed kicking bags in the clubbies, after very rarely venturing out of the goal square and even rarely seen at away venues. We also congratulate **Gareth Crathern** on **100** games. What he lacks in skill is made up tenfold in courage, always with his head over the footy and often competing out of his weight division Gaz is always relied upon to give 100%. Also **Ryan Chapple** notched up his **50th** game recently, being noted for his no nonsense straight ahead style of play, Rino is a terrific clubman who has rarely missed a social function.

**Marcellin OC** congratulates **Cameron Maclaren** and **Jonathan Bortolotto** on reaching **50** games this week versus Uni Blacks. Both players have established themselves as integral members of the senior side in recent years; JB captained the U19 team that won the Premier division flag in 2005 and Cam represented the VAFA U19 side in 2006. We wish them well for this weekend and hope they can achieve many more team and personal milestones with Marcellin in future years.

**Mark "Chooka" Segal** will play his **150th** against **St Bedes** this week. Chooka has been the "voice" of AJAX and his courage in returning to play after two "recos" in 2005 and again 2006 is applauded by all players and supporters. A leader at the club both on and off the field, started in 1998 with the Under 19 as well as playing 2 senior games in his debut year. His total of 150 games is made up of 34 Under 19, 7 reserves and 109 senior games. Well done "Chooka".

## **HOW TO DISCIPLINE PLAYERS TO PLAY WITHIN A SUCCESSFUL PLAYING SYSTEM**

Discipline comes in the form of playing in a system versus just playing freelance. Coaches need discipline within a system to get perfect execution. Coaches want players who can think quickly and make good game decisions. They want their players playing out of specific positions, yet use their thinking skills as well as their playing skills, especially when under extreme pressure. The ultimate is for the players to make the play without thinking because they have been exposed to the situation so many times it becomes natural.

Some coaches feel discipline in a system makes players act like robots who do not have to think, but this is not so. What a team does on a disciplined and consistent basis will get it ready – no matter what the goal.

The best way for the coach to get discipline within the playing system is to get the team to take ownership of the system because the team's belief in that system might be more important than the system itself. The system will not work unless the players believe in it and are loyal to the team and the coach.

Another way to get discipline within the playing system is to praise good execution, but they should not wait for perfect execution to give praise. They should look for any progress or improvement in execution by the players within the playing system.

If coaches stress a disciplined system, they will have problems with players not doing what they are supposed to do. Coaches have to instil the right way of doing things by first verbally praising the player when they do it correctly; or correcting when the player does it the wrong way; and now and then even criticising them when they do it wrong. If the point still hasn't gotten through, then the coach must sit them down and do "some time on the pine".

*Remember: The best way to teach is to reward players for good execution by praising them or patting them on the back.*

To instil discipline the coach must have consequences for players who break the playing system rules. One type of consequence for players not doing what they are supposed to do is to take away playing privileges by benching them. Every coach needs power and the best "hammer" for not following orders or for breaking playing rules is benching players or at least sitting them down for a short period. Benching players tends to be more effective than physical or verbal punishment.

Another type of consequence for not playing within the system is extra physical activity. Coaches have players do push ups, sprints, or some sort of running as punishment. Some coaches do not use extra physical exercise for violation of rules because they believe players will learn to hate the sport. Others believe that coaches should use sprints and other types of physical exercises only as a means of improving their players' conditioning; these are a necessary part of regular training and they don't want their players to equate them with physical punishment seems to be one of the best ways.

Another form of consequence for players doing what they are not supposed to do is verbal punishment; yelling, criticising, scolding, lecturing and threatening by the coach. It can even be demonstrated in the tone of the voice used. Yet coaches must understand that yelling and screaming at players all the time does not create discipline.

## ROUND SIX REVIEW

Ormond made things interesting in the middle part of the ladder with their 51 point victory over Mazenod at Central Reserve. The Monders were always in control, but didn't really wrap it up until the early part of the last quarter. For the winners, Ashley Russell continued his form from last week with another four goals, while Mick Miller was back to his best form. Mazenod skipper Ben Chamberlain and Dave Hansen were amongst the few winners for the Nodders.

Parkdale Vultures scored a key win over fellow struggler Fitzroy Reds, coming up trumps by 44 points at Gerry Green Reserve. The Vultures had five equal top goalscorers, each with two, with Chris O'Meara being the most impressive of them. Not much good came out of today for the Reds, although Nick Shuttleworth continues his consistent form in front of the sticks, and that man Chris Meighan continues to be a beacon in dark times.

Old Carey scored a psychologically-boosting 42 point win over hosts Old Camberwell in heavy conditions at Gordon Barnard Reserve. Both teams were missing a number of key performers, so that could not be put forth as an excuse had either team lost. The Panthers had control early, holding the Wells to four scoring shots in the first half. The home side fought back somewhat in the third term, before Old Carey put the game out of reach in the final quarter.

At St. Patrick's College, Ballarat, Rupertswood grabbed top spot thanks to a 75 point touch-up of North Old Boys/St. Patrick's College. John Barker was a one-man band up forward for the COBs, kicking five of his team's seven. The Rupo defence, led by Scott Nettleton and Mark Temming did a fantastic job otherwise, while Leigh Brennan was the leading goalkicker of their multi-pronged attack with four goals. Finally, Whitefriars College hosted the first draw of the season, between Whitefriars and Monash Blues. The Blues started well with a six goal to two lead at quarter time, before the Friars fought back to lead at the main break. It was a tight affair from then on in, resulting in the aforementioned draw. Tom Craven and Aaron Williams bagged eight between them for the Blues.

## ROUND SEVEN PREVIEW

A bit tricky today, especially after my tipping efforts last week, with this round falling on the Queen's Birthday long weekend. Dunno how many will be away, skiing or some such, so there is certainly the potential for at least one or two boilovers.

First game up for preview sees Old Carey host Whitefriars at Dunshea Oval. Old Carey's defence, led by Geoff Trumbull and Dan Seehusen, were superlative against the top side last week, so on paper at least, the Friars should be less of a problem. Ruck duo Laurence Basell and Chris Laidlaw will also look to dictate terms, giving the likes of Andrew Kent and Rob Josephs first use of the ball, driving it forward to Tim Angus and company. For the Friars, the consistent Nathan Cunningham will be a thorn in the side of the Panthers, while Richard Pawlik and David Crea will need to have a big game in front of goal to give their boys the best opportunity of pulling off an upset. Panthers to win.

Monash Blues make the short journey to E. E. Gunn Reserve for their match against Ormond. The Blues have made some big strides in recent weeks, and are poised to take advantage of Fitzroy's and COB's continuing missteps. Tom Craven kicked five for the second time this season last week, and if he can continue to be a regular contributor on the scoreboard, it will go a fair way towards the Blues avoiding relegation. However, I'm not sure that today will see the result that kickstarts their season. The Monders will have been encouraged by the form of some of their key players (Miller, Simon Keleher, Matthew Martinov) last time out, and if they can get going on a more regular

basis this bodes well, not only for today, but for the rest of the season. Ormond for mine.

Old Camberwell Grammarians take on Mazenod at Gordon Barnard Reserve, with both team smarting from last start losses. The Nodders have been something of a Jekyll and Hyde, playing great football one week, then being lousy the next week. Trent Hobart (Wells) had a heap of the ball last week, and will give the Mazenod midfield plenty of problems, likewise Damien McGuigan against the Mazenod forwards. The Nodders' front six does boast the likes of Chamath Jayaweera and Nick Bogar, both of whom have shown glimpses of their capabilities during earlier rounds. David Loats' status is questionable, and if he doesn't play, the Mazenod defence will still have their hands full with the likes of Ryan Chard and Tom Bayford. I think the Wells will make the Nodders pay for their inconsistency today.

Parkdale Vultures trek to Salesian College Sunbury looking to be the first side to knock off home side Rupertswood. Rupo have adapted well thus far to life in C Section, their start mirrored that of their D1 debut in 2006. They also started 6-0, but then went 6-6 for the remainder of the season, only confirming their finals status with a big Round 18 win. The rest is history. I'm sure the Rupo inner sanctum will still be mindful of this, and will not want a repeat of last year's heart-stopping situation. Rupo ruckman Julien Ata has his best game of the season last week, and with the support of midfielders Ryan Monzell and Gareth and Justin Phillips, will continue to improve. Rupo to continue their winning streak.

Finally, Fitzroy Reds and NOB/SPC face off at Brunswick Street Oval. These two teams currently occupy the relegation slots, having only one

win piece this season. Both teams I'm sure still have finals pretensions, especially being 'only' two games out, but even factoring in the consensus that 10 wins may be enough to nab fourth spot, that means both teams will need at least a 9-3 record for the rest of the season, and with one team having to lose today, things will be looking even more grim for the team that doesn't win today. Not much of a form line for either team to pick from, so I'm gonna gulp nervously, and tip the Reds once more (though if they let me down, they're 'X'ed!).

• **Big Challenge for VAFA U19's**

**Justin Pickering – VAFA Coach**

The VAFA U19 Representative Side faces a huge challenge this Sunday when they take on the AFL Queensland U21 side. VAFA Coach Justin Pickering is confident he has named a side capable of defeating the northerners, but fully realises his boys have a big task. “The majority of the Queensland side have played together through their development and elite programs, so they have been able to

**John Blair - Qld Coach**

develop a side over a number of years. We have had three weeks to bring our boys in, pick a side and prepare them for the challenge ahead”, Justin said this week. “I must say though, the enthusiasm in the ranks has been fantastic and the boys are really looking forward to the match and squaring the ledger”. The VAFA went down by 31 points to AFLQ last year in pouring rain at Cooparoo Oval in Brisbane.

• **Tiger Leads the Charge**

St Bedes/Mentone Tiger’s midfielder Brendan Neville has been named as Captain of the VAFA U19 side for the match against AFLQ. Brendan played in the inaugural match in Brisbane last year and impressed with his commitment, attitude and leadership. Brendan will be ably supported by dual Vice Captain’s Jack Watts (Uni Blues) and Lachlan Baddeley (Rupertswood).

• **Foley and Gale Provide Insight**

The U19 lads not only had the pleasure of training at Punt Rd Oval last Wednesday night, they were also given an insight into the life of an AFL footballer from young Richmond hard-nut Nathan Foley. Foley spoke to the boys inside the Richmond change rooms, describing the hard work required to be drafted into the AFL and the hard work required to remain there. On Tuesday night, Ex-Richmond and Tasmanian Representative Brendan Gale worked with the midfielders, imparting some of his 243-game experience onto the VAFA’s youngsters. Whatever the result on Sunday, the experiences the boys have shared will undoubtedly assist in their football development as they return to their clubs for Round 8.

• **U23 Result Goes Our Way**

It has come down to the wire, and with one game to go in the Triennial Series it is still possible for the any state to take out the Australian Amateur Football Championship Trophy. Last Sunday the South Australians defeated WA by 20 points to leave the series open for all. The VAFA play SA in Adelaide on July 14th and should we win handsomely, then it is still within their grasp to take out the Championship. WA can still win if Victoria have a narrow win and SA will leave the contest in no doubt should they defeat Victoria. If two teams finish on an equal number of games, then it comes down to percentage.

# OF THE GAME...

State	Played	Win	Loss	For	Agst	Pts	%
SA	3	2	1	222	202	8	109.90
WA	4	2	2	313	302	8	103.64
Vic	3	1	2	205	236	4	86.86

## • After Match Functions

One of the great things about playing Amateur Football was entering the opposition rooms, whether you had won or lost, and sharing a drink with the players and supporters you had just gone into battle against and with, and perhaps even indulging in a friendly jibe to the umpire who didn't pay that free kick you so richly deserved in the last quarter. Sadly, some clubs have lamented that this practice has been seems to be taking on less importance in some clubs. Sometimes we have to get to other functions or engagements, but sharing a drink in the opposition rooms is not only an important way for the Amateur community to network, it is important for club revenues. Make sure you visit you hosts facilities when you are away and you can expect the same when you play at home.

## • Tough Day at the Pit

Old Haileybury and St Bernard's premiership Coach Peter Nicholson always knew he was going to be in for a tough day when the two sides met at "The Pit" last weekend. Well known for their "welcoming committee" behind the goals, one particular St Bernard's supporter indulged in some cutting banter with Nico as his side left the field 29 points adrift. Nico, held in high esteem at "the Pit", got his own back of sorts when asked to draw the raffle in the St Bernard's rooms after the match. The name he drew happened to be the supporter from half-time. Quick as a flash Nico, in jest, demanded a redraw but all was forgiven as a sheepish supporter collected his prize.

## • Joke of the Week

Warning! Be careful and alert...

This new scam is being pulled mainly on middle aged men who are past the age of 35. What happens is that when the intended victim stops for a red light, an almost nude, attractive, tanned, young woman comes up to your car and pretends to wash the windshield. While he is doing this, another young, attractive woman opens the back door of the car and takes anything valuable while insisting you drive off with her to some lonely spot, where she has her way with you. They are very good at this.

They got me seven times Friday and five times Saturday....

I couldn't find them on Sunday...

# BEWARE

## A MELEE IS

"Where an incident takes place involving players pushing, scragging, jumping into packs, throwing each other to the ground or other or other similar such conduct"

# D1 SECTION

by Fraser Cameron

So here we are, at the first of 3 pit-stops on the Amazing Race that is D1 section for 2007. Our current leaders in Old Mentonians are sitting half a game clear after Prahran and Oakleigh couldn't be split when the final siren sounded at Toorak Park. Kinda throws percentage out the window in the battle for top 2, or maybe 4, but what sort of a season would it be without two clubs dancing with their sisters on one weekend???

Whilst it may only appear to be a couple of games and percentage, there's a serious gap between 4th and 8th on the ladder, and it's highly likely that the top 4 and relegation battles will commence earlier than usual this season. Let's have a whip through last week's matches....

## OGGs fly home to knock off Rovers

A classic nip-n-tuck game ensued at Como Park with both sides aware of the importance of the 4 points. There was never more than a couple of kicks in it throughout as **Anton Duddy** and **Leigh Fletcher** (in his 50th club game) led the charge for the Rovers. The visitors were 2 points up as the clock ticked into 'red time' and were desperately trying to cling on for dear life. To their credit, the OGGs held their nerve and hit back with the last 2 goals of the game. **Sam Long** with 4 goals was a fantastic player for the home side, and it's great to see **Nick Cashoult** continuing his fine season.

## Panthers take Bushrangers early

With Yarra desperate to catch Parade and get out of the bottom two, they were bitterly disappointed with their scoreless first term. The Panthers were on fire, as **Trent Mitvalsky**, **John Thompson** and **Chook Palmer** refused to let **James Keem**, et al. have a sniff. The game should've been over by halftime, but the Yarra were only 4 goals adrift thanks to errant kicking. However, **Justin Costello's** 150th had to be celebrated properly, and his charges did the right thing by sealing the win in the third term.

## Therry still not off the mark

The Pirates started strongly, establishing a handy lead at the first change and slowly extending it thereafter. Therry Penola were certainly competitive for the last 3 terms, as **Justin Crotty** continued his super-consistent season and Jarryd Hanlon built last week's effort. However, the visitors struggled to keep **Shaun Payze** quiet as he feed off the work of his team-mates further upfield, particularly **Andrew Murphy** who is having a ripping season.

## 'Ants run riot in Dean's Excellent Adventure at Ted's

Well this omen tip certainly went southwards, as **Dean Matthews** celebrated a magnificent career (thus far) with a lazy 10 sausage rolls in his 250th game. One of several favorite sons at B-T, he put in an effort which was Dermot Brereton-esque, though not quite as ugly(!). No doubt his team-mates would've been looking for him at every opportunity in the second half as **Andrew Clarke** and **Mark Pietryk** seemingly did as they pleased. Whilst it was a frustrating day for the visitors,

B-T are to be commended for the manner in which they pushed through.

## 100 minutes and they couldn't be split

Finally, the honors were shared at Toorak Park as Oakleigh couldn't completely shut out the Two Blues. **James Fitzgerald** and **Ian McKenzie** set things up for the Krushers, but a 27 point lead at the final change wasn't quite enough of a buffer once the home side got their tails up. The **Katavalos** boys continue to impress with Louis kicking 4 and George snagging BOG honors. In the end, the home team probably breathed a sigh of relief as the Krushers had them on the ropes but couldn't deliver the killer blow.

## Round 7

### Old Paradians -v- Prahran

Things are going from bad to worse out at Bundoora, and the Raiders will be glad to host again as they need another win to keep clear of the bottom two. Prahran were lucky to get 2 points last week, but luck won't be needed here. Two Blues by 7 goals.

### Therry Penola -v- Hampton Rovers

Can Therry finally break their duck? The Rovers weren't too flash last week, but this one should be a different test, and one they'll pass with a B+. Hampton Rovers by 22 points.

## Old Mentonians –v– Old Geelong

Another ripping game down at Keysborough should see the resurgent OGGs take it up to the home side. I'm a big wrap for the Panthers and why not? Five in a row should become 6, as they sneak home by 16 points.

## Peninsula –v– Yarra Valley

If only Eastlink were open for business, this 75 minute road trip would take, apparently, 7 minutes for the 'Rangers. No joy at the end though – Pirates by 34 points.

## Oakleigh –v– Bulleen Templestowe

Might save the best for last, as a pumped-up Bullants unit marching down to Scammell Reserve. The Krushers will be breaking fire, and this should be a classic. Home side in the close one – Oakleigh by 5 points.

# M I MILESTONES E S

**Peninsula** congratulate **Steve Parsons** on playing **250th game** this weekend. Steve joined in 1994 and after starting in the reserves and getting rid of his shocking ponytail has been a regular senior player for more than a decade. Ferocious tackling and attack on the football have been his trademark since day one, and after many years in the middle he has settled into a half back position where his cool head and disposal have repelled many an opposition attack.

Congratulations to our Club Captain **Justin Costello** who last week played his **150th game** for the **Old Mentonians**. One of the great players of our Club, Cossie has also been an outstanding contributor off field. Justin was our Club Champion in 2004 and has been a dynamic member of the Club for many seasons. His recovery from injury and his determination to play high standard football has been an example to all and he has remained one of the major contributors to the Panther cause. Well done Cossie.

Well done also to **Richie Schloeffel** who today represents the **Panthers** for the **50th** time. Although still very young he has established himself as a regular and valued member of the senior team. A determined and talented midfielder, Richie will be one of the key elements to the success of the Old Mentonians in future years. Congratulations to **Andrew Verga** from all at **Bulleen Temp** in playing his **100th** senior game for the club last week. A former captain of the under 19's that has now established himself in the senior line up.

# D2 SECTION

by Jono Healy

Banyule got knocked off top spot, this time by a fired up Emmaus St Leos outfit. South Melbourne regained the premier position on the ladder with a gritty victory over Williamstown. St Johns recorded a big victory, Werribee registered an excellent win over Salesian while Bentleigh almost recorded a mammoth upset but went down to Aquinas by two points.

Anyway, that was last week, lets look at another tough round for tipping in what is shaping up as possibly the most even division in the VAFA.

### Werribee \$1.33 v Glen Eira \$3.10

Werribee hopped in their cars, travelled over the West Gate, and down the freeway to Mulgrave and picked up an important nine point victory over Salesian. **James Norton** and **Jullian Farley** did the majority of the damage for Werribee and the win was an important one. It shows the rest of the competition that the Tigers can win, and win well away from home. Glen Eira led St Johns by seven points at half-time, but must have got the 3:34pm train (stopping all stations) home from Dandenong station as St Johns ran all over them in the second half, eventually going down by 57 points. Although Glen Eira weren't helped by a few questionable goal umpiring decisions, **Alex Tsirogiannis**, **Chris Massis** and **Scott Diamond** had poor games by their lofty standards, with onballer **Joe Zagame** and forward **Alex Caruana** left to do the bulk of the work. Today's game at Soldiers Reserve is one that Werribee will be expected to win. It is a real test for the Saints, as they will be keen to atone for their poor showing against St Johns. However, Werribee should prove too classy at home. **Pete Rohr** to get the job on **Cameron Lee** and Werribee to win by 42 points.

### Williamstown CYMS \$1.95 v Emmaus St Leos \$1.75

Well no surprises, another loss by a small margin to Williamstown. **Craig Taylor** and **Ben Hynes** battled hard but South Melbourne took the game by ten points. What can I say about Emmaus St Leos? It was the Animals of old against Banyule. Match evenly poised at half-time, 14 goals to three after the break and a 75 point victory gets the Animals back in the hunt for a finals spot. Midfielder **Paul Baranello**, fullback **Jack Pascoe** and ruckman **Stephen Ronchi** played excellent games and now Emmaus St Leos are just one game out of the four. What to do? Do I pick Willy again, and get let down when I see the scores on Saturday evening and they

have gone down by less than a kick? Last chance here Louie. Willy by 2 points.

### Bentleigh \$1.80 v St Johns \$1.90

Bentleigh showed they can be competitive against the top teams when they travelled to Ringwood and went down to Aquinas by two points. **Chris Sharp** kicked five but missed a crucial goal in the dying minutes, and then another after the siren which would have given the Demons one of their best wins in the past five years. **Lochlan Tangas** and **Aaron Clough** showed that Bentleigh aren't just a one man team, while **James Robertson** continued his stellar start to the season. It was the St Johns of old out at Doveton as the Jocs blew away Glen Eira by 57 points. There were too many good players for St John's to name them all but **Darryn O'Connor** and **Callum Pattie** played well for four quarters, while the three-pronged attack of **Chris Cachia**, **Aaron Abela** and **Matthew Phaendonos** managed 11 goals between them. St Johns away form has been poor all season. Today's game will be a good hard fought match, and I expect there to be less than a

kick in it either way. Sharp to kick nine, and Benteigh to win by 5 points.

### Aquinas \$1.20 v Salesian \$4.10

Aquinas got a huge scare against Benteigh but held on for a narrow victory. Ruckman **Sean Leonard** took some tremendous marks around the ground, while **Stephen Tibb** showed he is not far off his best footy with a polished display. Salesian played well but unfortunately walked away from their makeshift home ground without the four points against Werribee. It was pleasing that **Andre Bonnici** and **Ryan Stevens** were amongst the better players and if this duo can continue their form today then Salesian might be chance for an upset victory. I think it is about time that Aquinas boss **Michael Glassborow** kicked his one big bag of goals for the season. Today could be the day. Aquinas to win by 55 points.

### Banyule \$1.60 v South Melbourne Districts \$2.20

Not too sure what went wrong after half-time for Banyule against Emmaus St Leos, but one thing is for sure, that won't happen again this week. **David Gayfer** managed another four goals and he is slowly working his way up the sharp shooters list. South Melbourne proved me wrong once again with a hard fought victory over Williamstown CYMS. **Gary Simm** had his best game of the season for South, while Andrew Hannan, **Sebastian Mahoney** and **Wade D'Andrea** were the usual effective selves. Another big test for South here. If **Hannan**, **D'Andrea**, **Cheevers** and **Aquilina** can fire they are a huge chance, but I have a feeling that Banyule will be hard to toss on the rebound. Banyule by 16 points.

# Under 19 Big V Preview

by Russell Gould – Communications Manager

They say revenge is a dish best served cold.

So there is no better place for the VAFA Under 19 team to try and get one back on their AFL Queensland opposition than a Melbourne winter Sunday.

Sportscover Arena will host clash two between the Big V of the VAFA and an AFL Queensland Under 21 side after an ill-fated trip north by the Victorians last year.

Not much went right for the boys of the Big V in Brisbane.

The result, a 31-point loss, came about after they endured multiple delays and alterations to their travel plans because of the big wet that descended on Queensland around their arrival.

They were supposed to play at the Gabba but those plans were also skittled by rain - extremely ironic given Brisbane is on stage 5 water restrictions and gripped by drought - and the match was played at Cooperoo Oval instead.

Down by just 10 points half-time the Big V succumbed to injuries and the bigger bodies of the Under 21 opponents in the second half.

But it wasn't all bad. One of the Big V stars was Brett Collins from St Bedes/Mentone. Already under the watchful eye of AFL recruiters Collins performance went a long way to helping him get drafted to Hawthorn as a rookie. After a pre-season spent putting on the kilos, and recovering from stress induced injuries, he played his first game with the Box Hill Hawks reserves last weekend booting three goals. Better things are in line for him.

There will be no shortage of AFL recruiters casting an eye over this year's clash as well, watching both the Victorian boys and the lads from Queensland. There were 11 players taken from Queensland in last year's AFL draft pointing to presence of high-quality talent likely to be on show.

That includes some of the Big V youngsters pin-pointed by team selectors as key to a VAFA victory:

Andrew McGuinness – Old Brighton

Star of Old Brighton's senior team at the moment that was undefeated in A Section after four rounds. In the best players last week with a couple of goals so is in form.

Jack Watts – Uni Blues

One of a group of star youngsters playing at Blues this year. Watts has played on all the gun centre-half-forwards in A Section this year and held his own, winning more contests than he has lost. Also in Blues' best players last week in a big win over Old Xaverians.

Lachlan Baddeley and Matthew Quigley – Rupertswood

Baddeley has been a key to to Rupertswood's defence in their unbeaten side while Quigley has kicked 14 goals in his five senior games in C Section.

Tim Montagna - Marcellin

The younger brother of St Kilda's Leigh, Montagna has been a pivotal player on the wing for the Eagles who are in fourth spot. He has been a goal-kicker too.

Jack Hellier and Brendan Neville – St Bedes/Mentone Tigers

Both now regular senior players Hellier is balanced floating across half-back with a penetrating long kick that has helped set up attacks for the Tigers who are top of the ladder in B Section. Hard as nails Neville is an in and under and adept at putting his teammates into space.

Hugh Wilson – Old Essendon

Does his best work on ball and is tough as nails but has been popping up as a regular goal-scorer for Old Essendon who are a consistent contender in B Sections.

Like their opponents from Brisbane much of the Big V under 19 squad have been hardened through regular if not permanent senior appearances for their clubs which bodes well going up against the more mature Queenslanders.

It was telling in the first clash last year and Big V selectors have addressed the issue accordingly.

Quality is not an issue, it never is when it's representative football. A cracking contest is almost guaranteed as the Big V are primed and ready to put it all on the line in pursuit of a breakthrough win on home soil.

# ... Retrospective

by Geoff Reilley

## 5 YEARS AGO - 2002

Uni Blues recorded a somewhat unexpected win over reigning premiers **Marcellin**, and without their senior coach, **Michael Conlon**, who was unavailable due to his AFL work commitments. Reserves coach, **Steve Carroll**, happily stood in and 'got the chocolates' for his club. It was an even first half but the all important third term was where the Blues won the game with 7 goals to 4. The final score was 17.8 to 14.11 and best players were – **Nailon, McEwin, Solley, McIntyre, Slimmon, Callery** (Uni Blues) and **Jarred, Seabury, Sampimon, Cox, Fraser, Romanin** (Marcellin).

A number of milestones in **A Section** occurred with **Robbie Bonnici** playing his **100th** game for **De La Salle**. During his 100 games Robbie won the B Section best and fairest in 2000 and was a real driving force for his club. Justin Seabury reached his 200th game for Marcellin and his formidable record included the 1990 U19's, 1997 C Grade, 1998 B Grade and 2001 A Grade premierships. Many would envy Moose's fine record. **Rohan Aujard** was congratulated by his club, **Old Scotch**, for achieving his **250th** game, most of which had been played in the seniors. Injuries (and transgressions) had stopped Rohan reaching the milestone earlier and he was a great clubman, a sponsor and a leader.

There was a 2 game gap between the fourth and fifth teams in **D1 Section** and the bottom six looked as though they had a hard job to bridge the difference. Ladder leaders **Mentone** deserved their spot when they dispensed with third placed **St Leos**, 22.16 to 16.16 in an entertaining game. Captain Coach, **Tony Macegeorge**, led Mentone in inimitable fashion and finished with 10 goals. He was well supported by **S Fanning, Tully, T Barr, Stephens and Gallagher**. St Leo's best were **Brown, Risteovski, Hodder, Krebs, Bird and McKenzie**.

In **D2 Section**, **Bentleigh** made a statement, albeit against bottom placed **Oakleigh**, early in the game with 10 majors in the first quarter. The slaughter didn't stop there with a final score of 33.12 to 8.6. The large

percentage boost to **Bentleigh** was well received and they were now a game and plenty of percentage ahead of fifth place. It was also an amazing performance from **Bentleigh**

spearhead, **Chris Sharp**, who finished with no less than 18 goals including 8 in the second term. Sharp was joined in the best by **Gold, McCulloch, Ireson, Eyles, Fishlock** (Bentleigh) and **Kitts, Smith, Tolley, C Marshall, Hunter, K Marshall** (Oakleigh).

For **Fitzroy Reds**, club stalwart and 1995 premiership player, **Darren "Ragsy" Kane** celebrated his **200th** game. Best known for his quick wit, lack of hand skills in the forward 50 and deadly accurate kicking for goal, Reds supporters were hoping for many more games from "Ragsy".

## 10 YEARS AGO - 1997

**Phil Stevens** declared "what an incredible weekend of football". A huge number of reports, injuries and ambulances, disputes over the rules and even an abandoned game. There was nothing sinister however about the abandonment, rather when the ressiess went for their shower in the **Old Carey** versus **Chirnside Park** match they somehow activated the ground sprinkler system. Although the water was turned off, the sprinkler heads refused to retract and the main game was called off!

It was a thriller in **D Section** between **Old Camberwell** and **Old Essendon** with Essendon attempting to consolidate in the top four and Camberwell striving to get clear of relegation. Essendon started strongly and accuracy was the flavor of the day with the quarter time scores – Essendon 5 straight, Camberwell 3 straight. By three quarter time it was all square at 9.4 each and Essendon held on the last in a terrific quarter of footy, final scores Essendon 12.7 to Camberwell 12.4. Best players – **Fletcher, Lutterschmidt, Chapman, Goodger, Dragojlo, Hexter** (Essendon) and **Whitehead, Wilson, Smith, McKenzie, O'Hara, Douglas** (Camberwell).

**Old Haileybury** congratulated a number of their players on recently reaching milestones. **Andrew Walden** (150 games), **Blair Main** (150), **Chris McKenzie** (100) and **David Lappage** (100). **Umpires Corner** also noted a milestone among their ranks. **Alan Bishop**, a former field umpire and now in the goals, reached the outstanding milestone of **450** games and **Geoff Grigg** achieved his **150th**.

## 20 YEARS AGO – 1987

V.A.F.A. General Manager, **Peter French**, in his column pointed out that previously undefeated senior teams, **Ormond (A), Parkside (B), Old Melburnians (C), Doveton (F), Eltham OC (H)** all lost their first game for the season leaving **Whitefriars** with the enviable record of being unbeaten in seniors, reserves and **Under 19's**. **Old Trinity** upset **Parkside** at Parkside's home ground, 11.14 to 7.9. Trinity were hoping this would be the turn around in their season and certainly played some excellent footy. Best players – **Norman, Alibon, Oldfield (5), Phillips, Ponterfract, Cowley (Trinity)** and **Page, Whatmough, Harriss, Sturgess, Bradley, Williams (Parkside)**.

**Old Brighton** strengthened their hold on fourth spot with a good win over the leaders, **Old Melburnians**, 16.19 to 13.16. **Old Brighton** took advantage of the breeze early and could have been in a stronger position had they kicked more accurately, 5.8 to 2.0 at quarter time. OM's kicked 7 goals in the second but Brighton did enough to make sure the game was even at half time. The second half was controlled by Brighton and they were looking to be real challengers. Best players – **G Bennett, A Grant, T Grant, Lade, Sarau, Hoar (Brighton)** and **Nichol, Brown, Mead, Bradshaw, Baldwin, Baglin (Melburnians)**.

## 30 YEARS AGO – 1977

The teams were announced to represent the V.A.F.A. against **South Australia** and **Tasmania** on the Queens Birthday weekend. The following players were selected – (to play South Australia) **J Griffiths, B Morphet (Caulfield Grammarians), R Halassa (De La Salle), J Gartner (Marcellin), P Hall, G Wilson (NOBS), W Peers, (Old Trinity), B Bourne, A Naylor (Ormond), P Aughton, M Drennan, R King, G Wade (St Bernards), S Trumble (Uni Blues), I Rice (Collegians), I Davis (Geelong), J Houghton (Old Haileybury), I Corder (Old Melburnians), J Anderson (Old Scotch), R Cooke, M Yeo (Old Carey) and P Donoghue (Coach). **John Anderson** and **Greg Wade** were captain and vice-captain respectively.**

(To play Tasmania) – **A Lester, J Long (Caulfield Grammarians), B Lyons (De La Salle), M Power (Marcellin), J Hogan (NOBS), S Dove (Ormond), R Booth, S Costello (Uni Blacks), M Sleeman (Uni Blues), S Wells (Geelong), D Blackford, C Moore (Monash), D Code (Old Haileybury), R Brown, R Pisarski (Old Melburnians), P Sherwen (Old Scotch), R Shepherd (Reservoir OB), W Blay (Kew), E Corder (Uni Blacks) and Ray Walsh (Coach). The Captain was **Michael Power** and the Vice-captain **Tony Lester**.**

## 40 YEARS AGO – 1967

In **A Section** the talented **Old Paradians** team went two games clear on top after dispensing with **Caulfield Grammarians** in a game that was not all that easy a victory, 9.22 to 8.12. Parade actually trailed at three quarter time but were good enough to win the points. Better players – **Hart, Danaher, Murphy, Ford, Foster, Quinlan (Paradians) and Pyman, Cawsey, Vorrath, Williams, Chaffey, P Hore (Caulfield)**.

The **Old Xaverians** applauded **Peter Rhoden's** century mark in coaching the Old Xavs. The club reminded everyone that Peter was a former star player, had coached two amateur representative teams as well as being a tower of strength in Old Xaverian activities. **A Section** field umpires were Messrs. **Mance, Marsden, Norman, Harradence** and **George** and in **B Section, Doherty, Simpson, Hinton, Dodds** and **Posetti**.

## 50 YEARS AGO – 1957

Headlines in "The Amateur Footballer" read, 'THIS CRAZY SEASON'! The explanation – This week's round of matches again produced some surprising results, including more defeats for leading teams and those close to the top. It was a great day for **Coburg**. The seniors beat **Old Melburnians** by seven points, to inflict the Dark Blues' first defeat.

**Coburg's** team work and pace overcame **Old Melburnians'** ruck supremacy and bustling tactics to create the seven point victory in an exciting finish. The OM's started well and led at quarter time and after surrendering the lead by half time, rallied again in the third term to be 10 points up at the final break. In the final term, **Coburg** quickly had a goal on the board but OM's steadied and the game see-sawed for the next 10 minutes. **Ramsden** increased OM's lead half way through the term but **Hillyear** replied for **Coburg** and when **Cooke** scored another for **Coburg**, the OM's lead was a solitary point. **A Roberts** scored another major for **Coburg** and then OM's attacked repeatedly but only scored a succession of behinds. With the scores level in time on, **Coburg** rushed a valuable behind before **A Roberts** scored a goal on the bell to secure the game. Best players – **A Roberts (4), Merrick, Hillyear, Mill, Cooke, Jones (Coburg) and Rollason, Colenso, Cottrell, Ramsden, Downs, Johnston (OM's)**.

**Port Melbourne** in **E Section** were the only undefeated senior team and were 2 games clear. **Ivanhoe Juniors** remained undefeated and were clearly the flag favourites at **Under 19** level. The **A Section** umpires were – **Hughes, Roberts, Sutherland, Wilson** and **Nance**. Highest score registered in the round was by **Alphington Juniors**, 20.24 to Brunswick's 3.1.

# D3 SECTION

by Stephen Clarke

Six games down and not sure the picture is much clearer for all the D3 disciples out there. It certainly looks that the top side in Old Westbourne are undefeated and have a solid percentage but from there we have excuses, circumstances, situations – for all others concerned. It is pretty close and will be for weeks to come!

Take Kew, a side with just a win yet a percentage of 82. They are just not enjoying any luck with key staff missing games yet they seem to always be in a winnable spot. **John Looker** tremendous with seven majors in the second half and **Greg Williams** best on field. They missed the points narrowly to Elsternwick who enjoyed a great team performance. Kew are not to be underrated.

Then there's Ivanhoe. It is all happening now. Shaky start but beating the sides they are better than easily now. They have not been positive on a ladder like this for a few seasons now. At home, a tough opponent. Powerhouse will go into this week with a lot of soul searching as four quarter efforts elude them - yet again. **Edwards** and **Taylor** left to do too much again. Latrobe will continue to stay in the top four - another great second half ensured a win and they are looking strong at home. Multiple goal kicking options are their strength and West Brunswick struggled again for late majors. The home side got great contributions from **Geremie Ganino** and **Harvey Biggs**.

Our close game saw Swinburne stand up to be counted in our division for 2007. Awesome win considering Monash ran home hard and lead by **Leeton** and **Pocock** almost snatched the points. Lots to take back to Razorback territory this week. Good away wins are like gold dust!

The blockbuster went to the Warriors – **Connors** landed five majors and **Stuart Balloch** played a starring role. The towers in **Collins** and **Lauletta** were

successful in their efforts for the Hawks but missed the points.

## PREVIEWS –

Crunch time at **Ross Gregory** this weekend. Powerhouse will host Monash both of whom boast two wins only. Can the host side hang in with the rest of the division? I know this week is much more winnable than round 8. They have to win. Plain and simple. **Sarosi** and **Miller** will go berserk and demand maximum effort. Monash though can also do this. Cracking affair. I will say the Piranhas by just 4 points.

Old Westbourne leave Friday to go to Bundoora. Not sure this is their easiest road trip, but you have to like

them – again. Latrobe are so comfortable on their ground and will fire shots all day. I will say the Warriors again by a handful of points but with no confidence, a la **Nick Riewoldt** kicking for goal.

Kew deserves a win. Massively cruel game though, as no one here gives out handouts like it's a centrelink convention. If they can get a few back and the Magpies fail to function a win is theirs. Boy again I am stretched in my decision. Kew by under a kick.

Is there an easy game? Perhaps the Hawks over Elsternwick. **Mr Grace** must get his side to win the tough games away. I am not sure how they can win finals if they can not get some great away wins. The Hawks have kicked a score all games this season, averaging 110 points a game. Not too bad at all. Let's jump on them to take it and leave the red and black to ponder what might have been.

The Razorbacks host Ivanhoe. Can Ivanhoe continue their start and ensure a top four finish by Saturday night? Yes. Yes they can. By about four goals. Swinburne have 'TTC' though.

Big weekend – we are all in rare territory playing Queens Birthday weekend but good luck to all and sundry and again, make sure you get down to the games and help out where required!

**SUPPORTS THE VAFA AFCA/VAFA COACH OF THE YEAR**

**U19 COACH OF THE WEEK**

## **Greig Wood – St Bernards (U19-Premier)**

In a distinguished playing career of over 200 games at St Bernards, Greig Wood was Captain for two years (1988-89) winning the best & fairest in 1989.

Greig is in his third year as U19 (Premier) Coach and has the boys firing, sitting on top of the ladder without a loss. With St Bernards already having played nine U19's in the seniors this year Greig and the playing group have had to make major changes to the side on a regular basis, whilst still remaining at the top of the pack. Greig was instrumental in the formation of a second U19 team this year and is committed to the cause of educating young footballers to prepare them for playing at the top level in the VAFA.

### **CLUB WAREHOUSE RISING STAR NOMINATION - ROUND 6**

## **Ashley Naulty – Aquinas**

Ash was only 17 last year when he made his senior debut with Aquinas. He was a solid contributor and had one outstanding game kicking seven goals from centre-half-forward.

Focussed on playing senior football, despite having two more years of Under 19 eligibility, he added nearly 10 kgs to his frame in the pre-season in order to hold down the prized spot at centre-half-forward and cope with its demands.

After being the last cut from the Under 19 squad last year, and missing a trip to Queensland, he set himself the goal of making the squad this year, which he did.

For such a tall player Ash's biggest attribute is his great engine and he covers large amounts of ground during a game. With many of Aquinas' older key position players out injured early in the season, Ash has been asked to play CHF and in doing so often attracted the best defender. It hasn't been a deterrent to good form and his best-on-ground effort against Bentleigh last week was evidence of that, and enough to get him the Round 6 Rising Star nomination.

## Representative games

After all the observations so far to this point, we now commence the start of number crunching by the Umpires Coaches with this weekend's U/19 VAFA v U/21 QLD representative game to be played at Sportscover Arena. So congratulations to these umpires for gaining a rep game to their resume:

In the middle: **Vaughan Sidebottom**

Emergency; **Nick Brown**

Running around the edge: **Cameron Hoogendyk & Jordan Mayston**

Between the sticks: **Anthony Kyrkou & Chris Kearney**

Still to come is the VAFA v VCFL rep game and as we gaze into the crystal ball could we predict the umpires for this game?

In the middle: **The Daffodil** (has bloomed early, unlike the rose that blooms around September).

Running around the edge: **The Greyhound** (quickest one around, yet to hit a heavy track that can come around September).

Between the sticks: **The Semaphore** (the one who has got the message across to the other end and scoreboard by correctly waving their flags).

There will also be a trip to Adelaide soon for one of our guys to umpire the under 23 state game versus the South Australians. Continue to impress!

## Welcome back

Slowly our numbers have been increasing and we welcome back from holidays **Luke Holmes**, Luke has been reunited with the girl friend after 12 months and is now calm enough to umpire games.

## Bruno's Bundle

This late-breaking news hit us after the deadline last week. **Bruno & Sallie Savi** are proud to announce the arrival of a baby girl, **Charli**. All are doing well.

## Umpires Coach to clubs

Last week B grade side MHSOB registered their first win for the season, could it have something to do with the VAFA's Director of Umpiring Operations, **Brian (Benny) Goodman** talking to the players after training night on the aspects of umpiring during a game? Some understanding between the parties is always good for the game, if any clubs wish to have Benny or any umpire down to training (or even the whole group as we've done a few times before) to help out on rules or to see how bad we kick a footy, then get in contact with **Benny** at the VAFA. Call **9531 8333** or email **brian@vafa.com.au**

## Sponsor

The umpires are continuing their sponsorship with Personal Mortgage Managers, so if requiring assistance for family and friends on mortgage matters please see Anthony Damen or contact him via **anthony@personalmortgagemanagers.com.au**

## Round 6 Review

No cliff hangers this week, in fact 5 goals was the closest game we saw. The big two had large wins whilst the Uni High boys continue to prove that they will be in it up to their eye balls! Starting to be crunch time for Box Hill North, three wins matched by three losses?

Solid win for South Mornington as they accounted for Eley Park. Result wasn't in doubt after quarter time as the seashider's, led by Ryan and Bowman (5 goals) shone all day. The Viola boys were best for the Sharks.

Another big win for Eltham as they attended to Box Hill North by 99 points. The Hillman had knocked off the Turtles late last year but the home side was having none of that this year as they powered away during the second term. 'Hollywood' Garrard slotted 7 for the winners with Dillon at CHF also starring. Beaumont and Martini were the best for a disappointing BHN.

St Mary's blew Syndal out of the water as the running machine clicked into full gear. Simple equation, Murphy out and Tagell in was the call up forward as the inclusion notched a lazy 15 goals! Papaluca would have got the BOG in any other game whilst debutant Baird showed plenty of promise. Cannan and George best for the Sinners.

Another blow out as Uni High comfortably accounted for Bulleen. Fradkin and Cookson were the starring lights for the Cobras accounting for 9 of the 10 goals and being clearly the best.

Mt Lilydale continued their good start to the year as they accounted for Richmond. Was close at the main break before the Moutian Men kicked clear. Carolan was the star again for the winners whilst Nuske staked his claim for a place in team of the year with 7 goals for Richmond.

Finally, in the close one, Albert Park saw the momentum build as they beat North Brunswick. Venables up forward starred for the Falcons whilst on balers Murnane and Thompson were also good. Solid effort from North Brunswick with Allen slotting 4 and Captain Pizzari good.

## Preview

Match of the day sees Uni High host St Mary's. Both

sides are genuine running sides and I am sure the students will be glad that their wont be too many giants running around.

Gorringe, Dimond and Cracknell are the stars in the midfield for the home side whilst no major trick to St Mary's as Papaluca and Murphy are in the best 5 in the comp, whilst the Zoo is a fortress, six straight for St Mary's!

Next big clash for the round (didn't think I would be saying that at the start of the year) sees Albert Park host Mt Lilydale. The winner probably doesn't go into the four but they certainly keep knocking on the door. I have been on the Falcons band wagon for awhile now (about three years!) and a win here would seem them graduate to a genuine contender. Three weeks ago, no issue but the Mt Lilydale boys have been great in recent weeks. Still, Falcons for me with the Twin Towers of Saunderson and Sutton to star!

Syndal host Richmond is another game that has changed complexion in recent times. Syndal's form has

gone backward in recently whilst Richmond will be desperate to get back to their early season form. Going to take a punt here, I think overall Richmond's form just shades the Sinners with Speakman and Liddie to dominate.

Another win beckons as South Mornington welcome Bulleen to the Beach. They continue to do a 'Big Brother' and go under the radar. However, in a very short period of time they have lodged themselves at the upper echelon of the grade. Are they up to the big two? Maybe not yet but it strikes me that they will continue to improve. As for Bulleen, continued hard yards. Unlikely to break the drought here.

Eley Park welcomes Eltham and will be wondering where has their early season form gone? Still relying on too few at the Sharks whilst the opposite applies for the Turtles who are not reliant on any one star. The Sharks will need to be on their game early else the Turtles will add another blow out to the list.

Finally, is an upset brewing out North as Box Hill North head up the Eastern for a clash against North Brunswick? NB have been another side that I have got wrong plenty of times over the past two years and like a moth to the light, there is something that attracts me in their direction yet again! Key match up? Probably Pizzari against Riscalla? Match result, a win to the home side. Match outcome, a mini early season crisis for Peter Armstrong and his team.

# U19 SECTION

by **Charles Beaton** (U19's 1),  
**Duncan Palmer** (U19's 2)  
& **Johnny Aitken** (U19's 3)

Good to see some very solid performances this week in the **Premier U19 section**. Still 3 teams remain unbeaten. It was going to get nice and soggy on us, but the end result was a perfect day for footy, a pie and a can of coke. In my case, a few pies anyway!!

## Review

And what a game it was out at the snake pit. Blacks and Bernards kicked the ice off the ground in what may have been expected a bit of one way traffic. Blacks surged in the third quarter to be within two points at the last change. The ladder leaders then pulsed away to win by a few goals. A brave effort by the Blacks - maybe a sign of things to come. Best for St Bernard's was Michael O'Dea, while Evan Scantelton once again kicked a bag for the Blacks.

Marcellin had a cracking win against St Kevins after playing the top four sides early in the season. Looks like the ladder could be deceiving so look out! Anyway, an injury plagued Marcellin were best served by Delahunty and Viney. Lets also not forget Keenan Wise and his drop kicking clinic either. Great stuff Wisey!

De La travelled out to Sunbury to take on the mite of Rupo. What looked set for a cracker but ended up a little one sided. Rupo a little disappointing, as De La sailed away to ten goal win. De La La spearhead Adam Kovarik kicked another neat little bag and was given some solid support by Nathan Roberts and Sam Nethersole who both seem very consistent this year.

Best of the rest - Uni Blues extremely comfortably over Carey and the Xavery put Scotch away with too much ease.

## Preview

De La, who are sitting third on the table take on ladder leaders Old Xavs. Match of the year so far.... easily. I'm going with De la today based on their overall strength around the ground. Will be close though.

Battle for fourth place hots up today when Rupo travel to University to take on the Blues. Rupo hit a flat spot last week, while Blues will be full of confidence. Might be the Uni boys just today.

Marcellin play host to Uni Blacks today, the winner guaranteed sixth spot on the ladder. Should be a cracker. Blacks will have a few supporters as their ones play Marcellin next door. Marcellin in form, but I will go for the upset and pick the Blacks based on last weeks effort.

Other winners will be St Bernards easily over St Kevins, while Old Scotch will gain a bit of confidence over a winless Carey.

The lock was scratched this week!! Lets get back to the footy and go for the pies to win against the Dees. The margin 20-40. Thanks to the weekly contributors, feedback to [beatoncharles@hotmail.com](mailto:beatoncharles@hotmail.com) before 10am each Monday. Happy punting!

## U19 SECTION 2

In a week where the AFL has seen Melbourne and Richmond gain their first points, U19 section 2 continues to be largely predictable .The Tiger train continued to roll on, seemingly unstoppable, whilst Old Brighton and Beaumaris continued their own winning streaks. Old Melburnians and Old Camberwell, however, both gave us a little taste of some interest and intrigue in Season 2007

### Team Reviews this Week

Old Camberwell - After winning the flag last year, Old Camberwell have suffered large player losses, and are helped out by Uni Blacks each week. Some good recruiting and the determination shown by the likes of Dougal Yenken and skipper Josh Goldblatt has this team right in the mix for a finals spot. Place bet.

Collegians - Collegians, like Whitefriars are rebuilding. Elliott Rose and Stewart Inglis are keys in this process, and the team seems a little further ahead in the process than the Friars. Coach Steven Carroll is sure to continue to put a competitive outfit on the field each week. Improver.

Old Melburnians - Old Melburnians have teased a little bit with some solid results mixed with disappointing performances. This weekend they teased again with an outstanding effort. Lewis Haralambous is a tough, highly talented footballer, and with Thomas Seccull forms the basis of a very competitive unit. Finals Smokie.

### Game Reviews

Old Melburnians were desperately unlucky against the undefeated Beaumaris, with Haralambous and William Sanchez best in a nail biter. Dougal Yenken provided the impetus as the Wells rocked the Bears finals aspirations in a grudge match. St Bedes Mentone didn't break stride against Old Paradians, whilst Old Brighton continued Whitefriars misery with a big win.

### Tips

Caulfield by 24pts, the Tigers by 75, Beaumaris by 21, Old Brighton by 22, and Old Melburnians by 9pts.

## U19 NORTH

A few matches went to the wire this week with the competition tightening as teams start to gel and we finally see rain in Melbourne. Fitzroy still sits undefeated however the challengers are gathering including the narrowly defeated Old Westbourne.

### Team Reviews this Week

**Old Westbourne** - The Warriors are a mysterious outfit with little news coming from the west side of the city. There is no

doubt however that they will be right there at the business end of the season, with their new home ground providing a big advantage. Matthew Williamson is very dangerous around goals. Each Way Bet.

**Therry** – In preseason Therry promised much, and showed some form in round 2. The battle to avoid relegation in the seniors though has decimated a promising list. If a few boys can join the likes of Dane Mckibbin this team may come with a late season rush. Improvers.

**Fitzroy Reds** – The Roy Boys are a tipsters dream, steady and reliable. They have won the tough games, and excelled in the 'easy' ones. Thomas Cheshire and Antony Harbor are very impressive as they lead this undefeated unit. The one question mark is how long they can hold onto their best players whilst the ones struggle? Maybe the infamous Red Roy and Overhelme should jump on this horse. Favorites.

#### Game Reviews

The Animals returned to the winners list with Sam Maskell's impersonation of a Calcutta bus (seemingly everyone hanging off him) a catalyst for a good victory over a dogged Rupertswood. The Reds narrowly held off Old Westbourne at home to maintain their perfect record St Bernards and De La Salle both continued their good form with comfortable victories over NOBSPC and Therry. Mark Gomizel would hope for a return to the De La Salle premier division side with a best on ground performance

#### Tips

I'll tip a couple of mini upsets this week; The Lions by 3 pts, Emmaus St Leos by 1pt, Old Xavs by 11, St Bernards by 33. Reports by 2pm Monday to duncan.palmer@epworth.org.au or deejaypalmer@bigpond.com

#### UNDER 19 SECTION 3

Another week goes by and the top two teams continue to pummel their opponents on the way to their tantalising round nine encounter. I tore my hamstring after looking very lively in my own match last week so will now be scouting around the traps with my binoculars just to see who are looking the goods this year. Old Mentonians get a rap this week for again losing by 100 plus, Old Ivanhoe get a plug for assuming flag favouritism and MHSOB will be keen to pop their cherry against La Trobe.

#### Review

Old Ivanhoe had their umpteenth 100 plus point belting over a luckless Unicorn side still searching for their first win. Little Delmonte kicked a bag and Geillings was sensational. MHSOB again had Tommy Rendell as their best with skipper Grinholz rock solid off a half back flank.

The Whopper Deluxe game plan was thrown out this week as the Panthers reverted back to their dodgy kebab ways with a disappointing loss to Oakleigh by 101 points.

Ormond found new avenues to goal this week and in doing so, kicked a winning score to triumph at home against the Eagles. They welcomed back Kyle Rodwell from the seniors and he took the game apart. The Eagles had two big targets in MacDonald and Beaton but just couldn't get the job done. The boys from Benteigh had a crack against Bulleen

Templestowe, with big unit Fridman leading the way but couldn't get the desired result with a loss to the Ants who too have a massive conveyance in Nathan Manaco. Special mention goes to Fergus for the Demons who kicked seven in a lone hand up forward.

Old Essendon did what was expected and had a soft win against the Uni boys on the wrong side of the Yarra. Trevaskis again displayed great touch up forward and skipper Cerantonio was very solid.

#### Preview

#### MHSOB (\$1.84) V. La Trobe Uni (\$1.86)

"We're the team, the greatest team, the green maroon and black!!!" With little hard nut Nick Campbell controlling the midfield, the Unicorns will win by two points.

#### Bulleen Templestowe (\$2.25) V. Oakleigh (\$1.60)

Oakleigh seem to have a lot of depth, some key targets like Josh Paola and will just be a little too classy for the Ants.

#### Old Essendon (\$1.10) V. Benteigh (\$5.50)

This bout can be likened to Muhammad Ali versus Sam Soliman. While Soliman can take punches, come the fourth round he will be brain dead. The Bombers by plenty.

**Old Trinity (\$3) V. Old Ivanhoe (\$1.33)**

Old Ivanhoe face a tricky little assignment out to the playing fields but should follow their seniors success their last week. Away team by 6 goals.

**Old Mentonians (\$1.85) V. Ormond (\$1.85)**

The Panthers are as enticing to bet on as Big Pat first up in a 1000m race at the Valley, Ormond by 6 goals.

Pre-Post Betting Round 9 – Old Essendon (\$1.90) V. Old Ivanhoe (\$1.80)

**UNDER 19 SECTION SOUTH**

Big news out of headquarters with Peninsula docked points for their win against the Vultures, sending them to the bottom of the ladder and the Vultures up into seventh. Monash had a miraculous win, my favourite player big Robbie Brearley continues to frighten all around him with his dominant ruck work and I was foiled in my bid for a clean sweep in my tipping with the Bloods letting me down.

**Review**

The flag favourites battled the Pirates out at Central Reserve and did what good teams do, win. Mazenod assumed control of the game from the opening bounce and just had too many runners.

Monash Blues scraped home against the Bloods (who are more prone to close contests than the Sydney Swans) by 8 points. They came back from a zero to five first quarter to post a fantastic win.

With their senior under 19 team in the press this week, the number two Tigers may have felt a little left out. With Studdert Bros. Inc. running the show to provide excellent delivery to Ravesi, SBMT were too good for the Vultures who had Ben Williams kicking a nigh on bag with four majors.

Back at Boss James, the Rovers locked horns with the leagues new boys and had a deserved eight goal victory. This was by all accounts a tough game of football with the Rovers Nathan Morecroft the best for the home tam while Alex Moore stepped in the full back role to be the best for Prahran Caulfield.

**Preview****SBMT (\$1.70) V. Peninsula (\$2.05)**

Pirates will be suited by the small confines of Brindisi but may just be left wanting at the end of a close one, SBMT by 3 goals.

**Hampton Rovers (\$1.80) V. Old Haileyburians (\$1.90)**

It is payback time for the Rovers, who are determined to stamp the first big win of the year. Old Haileybury feature heavily in close ones so in the match of the round, I'll lean to the Rovers side as they love the big wide spaces of Boss James.

**Parkdale Vultures (\$2.40) V. Monash Blues (\$1.50)**

Blues, clap clap clap, blues, clap clap clap. Monash by 5 goals.

**Prahran/Caulfield (\$1.85) V. Ajax (\$1.85)**

Prahran are a hard team who won't shirk a contest while Ajax is notorious for shirking a contest, I'm tipping the home side to scare off their opponents and score a comfortable win.

# CLUB XVIII SECTION

by Norm Nugent

Surprise results continued in Round 6 although your scribe achieved pleasing success with 88 % of correct selections. At this stage of the season, in each Section, it would appear a new order of strength has emerged.

## REVIEW OF ROUND 6

### Section 1

Old Melburnians, rose to second place after they inflicted a fifty three point loss on former powerhouse team, De La Salle, who now languish in eighth place.

Old Scotch kept in touch with the Section leaders by defeating Mazenod by sixty six points. Injuries and lack of numbers both hindered Mazenod endeavours.

University Blues slipped from fourth to fifth as a consequence of their forty nine point loss to leaders, Prahran, who are stamping themselves as the side to beat.

Old Xaverians 2 were largely untroubled to defeat the inaccurate, St Kevin's by seventy seven points. The 2005 Premiers have lost most of that team and remain winless, despite being competitive for half the match. Best for the Xaverians were: OCKLESHAW, RICHARDS and MATT. ALDIS, who kicked nine goals. For St Kevin's the best were: TOM HARVEY, JESSE WILLIAMS, JARROD MAHER and ED. WILKINSON.

In the afternoon match the reigning premiers, Old Xaverians, through greater accuracy, defeated St Francis Xavier by a mere nine points. My match correspondent reported the "Crocodiles" display was below expectations.

### Section 2

Inaccuracy prevented Old Brighton from putting leaders, Collegians under score board pressure. The "Lions" won by twenty six points after an even contest.

Injuries, their usual slow start and inaccurate kicking all contributed to Monash Blue's surprising loss to Old Trinity, whose pin point accuracy enabled them to win by twenty eight points. For the winners key forward, JAY ARROWSMITH was easily best with seven goals in his 150th game Best for the losers were: LUKE WOODS, MAT. JOHNSTONE (Did you write up inspire, Mat.?), ANDY LOMBARDO and DARREN BARLOW. The Fitzroy Reds versus Emmaus/ St Leo's game was a low scoring one in which play was often a scramble and one where football skills were low. The inaccurate Reds won by thirty five points over the winless Combine.

University Blacks were largely untroubled to defeat Caulfield Grammarians, by sixty points. Despite this Caulfield retained their top four position.

St Bernard's jumped to third place as a result of their one hundred and ten point victory over the travelers from St Bede's /Mentone Tigers.

In the afternoon match, Old Scotch defeated the improving Kew by the minimum margin.

### Section 3

Box Hill North built a big early lead over Old Geelong, which the "O.G.s" were never able to reduce. In fact the "Dragons" increased their lead in each quarter and finally ran out winners by ninety three points. Their best players included: key forwards HUY VUONG (5 goals) and KHOA NGUYEN (4 goals) as well

as J.PI with 4 goals.

Marcellin had the better of Oakleigh, but due to inaccurate kicking the "Eagles" only won by the minimum margin.

Old Westbourne won their first game when they defeated Beaumaris at Banksia Reserve by six points. Beaumaris led until the last twelve minutes, which saw Old Westbourne kick five goals to finish in front. Their best were: JASEN NICOLA, DAVE JAGO and SEAN GILL. For Beaumaris; GLEN WALL, PAUL OTT and PAUL SHERWIN were best.

Undefeated, Bulleen - Templestowe easily defeated the injury depleted Old Carey by sixty eight points. Good players for Old Carey included: key defender, OLLIE WINCHESTER, ruck rover, LEIGH ANDRIONOPOLOS veteran, RUSSELL SHRIVES and MATT. COHEN.

Whitefriars maintained their unblemished record by inflicting a twenty nine point defeat on Old Scotch. A big first quarter effort set up the victory as the last three quarters were evenly contested. Best for Whitefriars included: Captain PETE TATTERSON, RYAN CUNNINGHAM and MICHAEL SINGH.

In the afternoon game, Fitzroy Reds increased their lead each quarter over North Old Boys/St Patricks each quarter and ended up winning by twenty nine points.

Therry - Penola had the bye.

## PREVIEW OF ROUND 7

### Section 1

Last season's Grand Finalists meet again at Darling Park. Prahran lost that day but have proven to be the side most favoured to win in 2007. Old Xaverians, in the vein of a good side have continued to win albeit narrowly. I am in a quandary, as I know what the Xaverians can achieve, yet Prahran appear to have cast aside their social nature and have strengthened their team. Player availability could really determine the result. I am guessing but, I select Prahran.

St Francis Xavier should prove sufficiently talented to be able to defeat De La Salle at Beaconsfield.

Mazenod, weakened by injuries and lack of depth will not be able to halt Old Melburnians march to the finals, when they play at Central Reserve.

Old Scotch should remain in touch with the Section leaders by defeating the depleted St Kevin's in the afternoon match.

In a potential final rehearsal, University Blues travel to wherever Old Xaverians 2 designate. The Xaverians are currently in the four whilst the Students lie fifth. I suspect exams and the long week end will effect the Blues more than the Xaverians, hence my selection of Old Xaverians 2 to win.

### Section 2

Old Brighton should prove talented enough to defeat Emmaus / St Leo's even at Bennettswood. This could be a danger game for the visitors, who could be short of players. Upsets like this do occur but I lack the courage to go for the Combine.

St Bernard's should continue on their winning way by accounting for Kew.

Fitzroy Reds must improve on their display last week to hope to defeat Caulfield Grammarians, who are still in the top four. I select the Grammarians, who could prove too fast for the Reds players.

Old Scotch travel to Mentone to meet St Bede's / Mentone Tigers who will relish the home game after two long trips. Traditionally Old Scotch players have not done well in games to which they have had to travel to unfamiliar territory. Such is the case today and so I select St Bede's / Mentone Tigers to score their second win of the season.

Monash Blues, who have been weakened by injury, can expect no respite today against undefeated leaders, Collegians, whom I select to win well.

Old Trinity will enter today's game against the undefeated University Blacks, with renewed confidence. However class will tell and despite the awesome presence of JAY ARROWSMITH up forward, the Blacks will prove too talented for Trinity.

### Section 3

Great rivals and near neighbours, North Old Boys / St Patrick's and Therry Penola meet on the Gillon Oval. The long week end could well see an exodus of North players to their rural climes, which would prompt me to go for Therry. However with objectivity, I feel the home side will prove too big and strong for their more northern neighbours.

Despite the dislike by Old Scotch teams of playing in unfamiliar territory, I select them to defeat Old Westbourne, who tasted victory last Round. Scotch, who are potential finalists should not let this chance to rise up the ladder slip.

Marcellin should be talented enough to defeat Old Carey, whose strength has been sapped by injury.

The fast moving Box Hill North players should have enough talent to defeat Oakleigh. Victory to the "Dragons" would see them consolidate their top four position.

Fitzroy Reds travel to Old Geelong, whose already small numbers could be further depleted today by the holiday weekend and its attendant alpine attractions. On what I saw last week, I favour Fitzroy Reds.

Beaumaris, who faltered in sight of victory last Round, face a rampant Whitefriars, who will want to turn Coach NORMAN ELLIOTT'S 250th match into a memorable victory. I select Whitefriars.

Bulleen - Templestowe has the bye.

## M I M I L E S T O N E S E S

**Old Trinity** wishes to congratulate **Jay Arrowsmith** who played his **150th game** for the Club last Saturday against Monash Blues. Jay, the "Big Fella" began with the club in 1996 straight from school and was a member of the 1997 under 19 premiership team. Progressing to the Seniors, Jay was the senior centre half forward for a number of years including our B Grade premiership in 1999. After a year away in 2003 he has returned on a more social basis to anchor the club 18 side from full forward. It's a tribute to his marking and kicking prowess that he bagged 7goals last Saturday. Well done Big Fella and keep it up.

# BIG V RECOLLECTIONS

City v Country – The Eternal Battle

By Russell Gould – VAFA Communications Manager

The Big V has got the big names behind it this year in the coaching department with Hawthorn premiership player Dean Anderson taking control of the senior side. Former St Kilda and Melbourne fullback Jamie Shanahan is in charge of the Under 23 team, and Justin Pickering, who played for Richmond, is coach of the Under 19s. And only two weeks ago this column told of the many years VFL legend Barry Richardson was at the helm of the Big V.

But it hasn't just been the Big V that has managed to get some pretty experienced heads involved in grassroots football.

The last time the Big V clashed with the Victorian Country Football League former Carlton captain, best and fairest and premiership star Brett Ratten was the coach.

Under his tutelage the boys from the bush managed to get one over the Big V, by 29-points, at Sportscover Arena back in 2005.

It proved a launching pad for Ratten who is now an assistant to Denis Pagan at the Blues.

Nick Bourke, now VAFA President, was in charge of the Big V that day, for the fourth time against the VCFL, and according to the Herald Sun report of the match couldn't have asked for more from his players.

"I think our guys can hold their heads high that they hung in there, but the pressure that was applied to our guys was way beyond what they get in their normal home-and-away games," he said.

He also nominated Paul Corrigan, Andrew Lowcock and Justin Arnold as their best players.

Back in 2003 Western Bulldogs coach Rodney Eade was at a loose end having severed ties with the Sydney Swans the season before. He too took up the option to coach the VCFL, and unfortunately for the Big V, he too managed to get a win. It was by 26-points at Barooga. One of his best players was the VCFL captain Jason Mifsud, who booted five goals. Mifsud is now a development coach with Eade at the Bulldogs. They must have got along well.

The clash before that there was no big name in charge of the country boys and the Big V took advantage to score a win. It was a big one too.

The final score read: VAFA 23.14 (152) to VCFL 14.8 (92). Luke Hawkins kicked seven goals for the Big V and Hampton Rover's Denver Artz was named the best afield

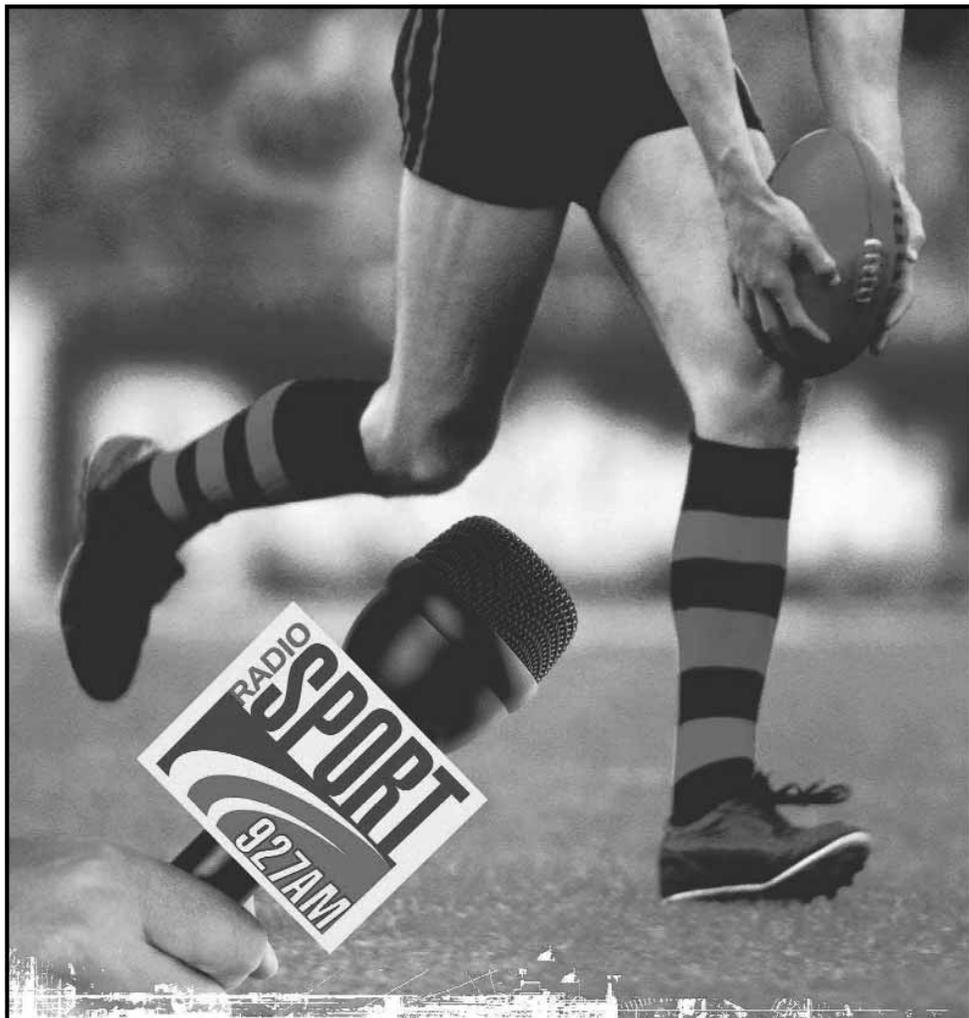

In 1999 a star-filled VCFL team proved too strong for the Big V with the big names all playing and not coaching, propelling them to a 38-point win. Country legend Simon Goosey booted nine goals for the bushies while Stuart Anderson, just three years on from playing in an AFL flag with the Kangaroos, was best on the ground until an injury in the third quarter forced him from the field. The win gave the VCFL a 4-3 lead in clashes between the comps and came after a 97-point thrashing in 1997.

In 1995 the two teams clashed for the Brian Molony Cup for the first time after the passing of the great servant of country football who was instrumental in starting the matches between the two competitions. The memory of Molony wasn't enough to get the VCFL over the line. The Big V got them for the second time in a row, this time by eight points in a ripping contest at Morwell in a match that featured Anthony McDonald and Andrew Leocelli, who played for Melbourne not long after.

The 1993 clash remains probably the best ever between the Big V and the VCFL. Staged at Sportscover Arena a goal from the Big V's Craig Wright in the 22nd minute proved the sealer for the home team who withstood a feverish late surge from the country boys and held on by two-points, the closest margin in the 10 clashes between the two teams.

Press reports of the first three matches between the Big V and the VCFL are bit thin on the ground, and not for selective reporting purposes. Yes, the Big V lost clashes two and three by 60 and 64 points respectively, but they came after a first up Big V win in 1984 by 19-points at Bendigo, so if information was available, it would be in here.

But it's the results that really count anyway, and we have all of them, and they leave us with an all-square record of five wins apiece. Clash 11 in July this year will break the tie. This time the big names are in the Big V coaches box and they are plotting a good old-fashioned country roast.
