

## LEADERS FALL FROM PERCH AS PERMITS CLOSE

**Michael Sholly**  
CHIEF EXECUTIVE OFFICER

On Monday at 5.00pm registrations closed for 2008. There are always last minute scrambles for clubs

to secure a player to either stave off relegation or to top up to give them a fighting chance for a premiership. Last week the VAFA offices have seen well over one hundred registrations and I'm sure the clubs will be hopeful that these players will have an impact on their team's fortunes.

Some of the more interesting registrations have come from Old Melburnians. One being Andrew Thompson who had an outstanding AFL career which included 221 games. I'm sure all VAFA supporters were hopeful that Andrew would return and play a few seasons for Old Melburnians after his retirement from St Kilda at the end of last year.

Andrew is one of three former AFL players to sign with the club in recent weeks. Marcus Picken played 25 games for Brisbane Lions and is a recent signing with OM's along with Steven Greene who will play if released from Williamstown.

Caulfield Grammarians welcomed back old boy Andrew Kellaway from Richmond after his magnificent 172 games at Richmond. Andrew was selected as an All Australian in 2000. Andrew retired at the end of the 2006 season and will be a welcome addition to Caulfield's line up for the rest of the season.

University Blacks secured the signature of Will Slade from Geelong. Will was delisted at the conclusion of the 2007 season after playing 17 senior matches. He will surely add some class to the Blacks line up for the remainder of the season.

These recruits seem to be heavily weighted towards the bottom end of the ladders but have no fear there have been a number of active clubs at the top end of the ladder

but they might not have the same pedigree as the abovementioned but will be no less significant.

It seems like all the ladder leaders have gone to sleep over the past fortnight causing more opportunities for the clubs lingering around the four. I will excuse West Brunswick from this statement as they are the only undefeated senior team however they do face second placed Kew this Saturday in what was once a most feared away trip.

Previously undefeated teams Old Essendon (B), North Old Boys / St Pats (D1) and Williamstown CYMS (D3) all suffered defeats on the weekend against Old Haileybury, Old Mentonians and Hawthorn respectively. I am sure these clubs will bounce back straight away but it is not always that easy.

Hampton Rovers (C) won their first 9 straight and have dropped their last two to the powerful Oakleigh and Ormond clubs. Oakleigh followed up their win against Rovers with a 10 goal victory over third placed Parkdale and Ormond overwhelmed the Rovers coming from behind in the final quarter to win by over 8 goals. I dropped into both of these games on the weekend and I thought the standard in both games was extremely high. The C section finals are sure to be huge events as these southern teams clash at Sandringham.

In A section Collegians relinquished top spot to Old Scotch after going down in consecutive weeks to Old Brighton and Old Xaverians. This leaves the top four separated by only a half a game.

All sections are experiencing a bit of a squeeze at the moment and as we approach the tough weeks in July, depth is going to be all important. The last minute recruiting drive and these extra signings could be the determining factor as to where your team will finish at the end of the year.

Brighton had a real, good old fashioned rotter against the rampaging St Bede's side. They threw everything at Xavs and Collegians and are now suffering a hangover of sorts. St Bedes' youngster **Peter Mcgettigan** was a real talking point with his six goals, as were the Wintle brothers, **Sam Anstey**, **Brett Phibbs** and **Jon Kane**. The Tigers looked slick, well disciplined and had no passengers. Big **Matt Smith** returned from injury and had an immediate impact for the 'Tonners but it was a dirty day all round and one they'll be keen to forget about as quickly as possible.

As has become tradition over the years, De La jumped Xavs at Toorak Park, with that man **Mannix** turning back the clock with some of his trademark wizardry. Interestingly, Mannix is the only footballer on De La's list to have played in a winning team against Old Xavs. But with **Simon Lethlean** sitting things out, the home side kept their cool, pegged back the lead and ended up winning in a canter. **Andrew Bowen** did a good job on the very dangerous **Matt Moore** and **James Scanlon** did likewise on Mannix after the long break. **Michael Darvell** and **Tim Fleming** were in ominous touch as well. **Tom Moloney**, **Daniel Close** and **Sam Pickett** were the best for the vanquished.

When **Andrew Lowcock** went down in the state match, it always spelt trouble for Uni Blues. And now they're in all sorts. Trinity really had a crack at them and pulled out a much needed win to give them a bit of breathing space from De la. **Jack Healy** and **Brendan Iezzi**, two of the elite players in A Section, really stepped up for the home side in the absence of captain **Cultrera** while **Andrew Hore Lacey** kicked four key goals. Uni Blues had a stinker and are now just wandering around in No Man's Land.

The Sunday game was characterized by a howling gale that only Elsternwick can throw up and a workmanlike Scotch performance. **Ben Doherty** bagged five on a day when his side could have won by 20 goals, such was their dominance, with the tempest and subsequent wayward kicking blighting things a little. Blacks went in

without **Pask** and **Costello** and were all the poorer for it but can take some heart from the game of teenager **Tristan Brumby-Rendell**. More great games by **Dean Scheetz**, **Richard Eva** and **George Dick** for the Cardinals.

Collegians were in a bit of mischief for the better part of their game against Old Ivanhoe but came home like a wet sail to get the chocolates. Small goal-kickers **Nick Ries** and **Shura Taft** were pivotal in the end. With **Brock Mooney**, **Damian Adkins** and **Simon Arnott** all set to return, you'd have to think there won't be a repeat of last year's late-season fade-out. **Hayden Heta** was the dominant big man on the ground while defenders **Clarke** and **Gellings** also got the job done.

### Today

Ok, one has to tip St Bede's/Mentone against the Blues at Brindisi but who ever knows with the Blues? Collegians were rolled by De la last year at Waverley but it ain't going to happen today. Xavs should give Blacks a hiding at Melbourne Uni and you suspect Scotch might just have too many tricks for Old Ivanhoe. Lots of people around town are tipping Trinity to beat Brighton but I'll stick with the Beachside boys in the Sunday game at headquarters.

## M I MILESTONES E S

Congratulations to **Sam Hecker** who this week plays his **150th St Bedes / Mentone Tigers** senior game. Sam played his first U19 VFA game in 1992 as a 16 year old and over many seasons has thrilled the Brindisi Street crowd with brilliant marking and deadly goal kicking. Sammy's five goals in last years B Section Grand Final win was a match winning performance. Great effort by **Lloyd Kelly** on bringing up his **100th VFA** game after starting in the U10's back in 1995. Lloyd is a fantastic clubman and aside from a premiership medallion was recognised as the SBMT junior player of the year in 2003. Well done to other ones players in **Jon Kane** and **Daniel Poynton** who this week bring up **50 VFA** game milestones. And finally congrats to **Kizza McConnell** and **Andrew** (the human battering ram) **Walstab** who recently notched up their **100th club** game and to **Claye Tobin** on his **50th VFA** game. The junior system works as all except Daniel played MSJFL junior football for the Tigers!

**Old Ivanhoe** would like to congratulate **Alex Berry** and **Adam Baldwin** for reaching **100** and **50** games respectively. Alex has been a terrific leader in the twos, playing mostly at fullback, with a tough straight ahead inspirational style, but has also recently played up forward pinch hitting on the ball. Seemingly impervious to injury, Alex has been a great servant for the club and a top clubman off the field. Adam or 'Baldy', in just his 3rd year out of the U/19's, first played seniors in his final U/19 year, has been a full time onballer and creative forward turned backman this year. Not just a rising young talent he is also the author of the weekly match review 'According to Baldy' on the Ivanhoe website. Congratulations to both.

**Tom Moloney** who joined **De La** in 2003 plays his **100th game** this weekend against Collegians. Tom has played 57 Senior games, (36 "A" 21 "B") 42 Reserves and the solitary Club 18 game. Always a contributor both on and off the field Tom is a very popular person around his adopted Club. He was the Reserves Most Consistent in his debut season. Congratulations and well done Tom

The **Old Scotch Football Club** congratulates the following players who have achieved significant playing milestones during the 2008 season (up to round 10): **150 games Nick Simon**, **100 games Tim Aurel-Smith**, **Will Lewis**, **Tim Pritchard**, **Andrew Sutherland**, **Sam Thompson**. Congratulations to all.

# B SECTION

by Matt Cosgriff

There is no hope of that dubious term in professional football 'TANKING' happening in VAFA, and last week is definite proof of that. Beaumaris showed that their intentions to stay in B Grade were ominous as they held off a resilient Old Melburnians who once again failed to make the most of opportunities in front of goal. The crowd was kept entertained with barely more than 2 goals separated both teams at any stage. The Sharks were under siege as Melburnians had 7 shots on goal for 1.6 in the final term, and with that Beaumaris could finally sing their theme song which has not been heard since round 4. **Jonno Nash** regained form to kick 5 goals for the victors as **Mark Ensor** put in his best effort for the year with Beaumaris. **Ed Mitchell** backed up his good form from the week before with 3 goals whilst **Ned Morrison** was clearly the best player in the dark blue gurnsey. Old Melburnians now find themselves back in the 'drop zone' of what is becoming an intriguing situation at the bottom of the ladder.

Yes it is possible! Old Essendon finally succumbed to their first loss of the year but valiantly tried to maintain their undefeated record with a late rally in the final term. For once this season, Old Haileybury was the team to jump OEG early and apply the pressure. Attempting to shut down key components of the OEG game plan, the Bloods were winning the battle but the OEG attack showed glimpses that they may still win the war. Last time they played this season the Bloods inability to convert points into goals cost them the match and this time the shoe was on the other foot. OEG amassed 13 shots on goal in the last quarter but could only manage 4.9 as the Bloods fired 4 straight missiles from as many shots to secure victory by a solitary point. The form of **Jimmy McGee** lately has been superseded by another bag of goals as **Matty Brewer** put on a best on ground performance that included 4 priceless goals. **Trent Skurrie** continued his title for one of the most consistent players in B Grade with 3 goals and **Timmy Biggs** huge effort almost brought home the bacon for OEG.

Straight off the back of their most convincing win of the season the week before, Old Camberwell played host to second placed St Bernards. The OC equalled their best first quarter score with 7.2 and leave the Doggies dumbfounded trailing by 31 points. The tale of woe continued all through the game for St Bernards as their luck with injuries went from bad to worse, adding to an already depleted list. However taking nothing away from an inspired Camberwell, victory was never in doubt as **Rory Hilton** kicked 5 goals for the afternoon and **Rayden Tallis** played his best performance for the year around the ground. At the final siren Old Camberwell had beaten a top four side, made a dent in the St Bernards percentage and knocked them out of second position on the ladder. **Tate Pearson** once again became the St

Bernards saviour kicking his standard four goals as ruckman **Steven Mitchell** was dominant but broke down and remains in doubt for today. Despite only 4 wins for the season, Old Camberwell have only led at quarter time this season on 3 occasions but have gone on to win every time they do.

The soaring Eagles of 2008 continue to evolve as Marcellin took second place on the ladder with a 34 point win over Caulfield Grammarians. Inaccuracy was a major issue for both teams throughout the match but the consistent efforts of the Marcellin forward line once again stood tall that included a 4 goal effort from **Tommy Stafford**. The lack of goal kickers at Caulfield is adding to a problem that is not helping in the search for premiership points as they have now lost their last 3 matches and find themselves equal last on the ladder. **Andrew Slevison** once again was the shining light for the Grammarians as he kicked 66% of the team's goals. The news for Marcellin was not all positive as star forward Cameron McLaren was reported and the forward line that has been exceptional all season is now in the hands of the tribunal for the future. Around the ground **Benny Hyland** was the most dynamic for Caulfield Grammar and **Simon Considine** was clearly best for the victorious Eagles.

Remember the prophecy I made about the 'smokey' in the second of the year? Well it has well and truly arrived in the name of Old Carey. After a somewhat turbulent first half to the season, Old Carey sees no hurdle in front of them too big to conquer. Coming up against St Kevins who had lost their last 2 games, the first quarter was a tug-of-war with both teams going to the huddles with the scoreboard all square. Old Carey could have put the game beyond doubt in the second quarter had they kicked straighter but they were definitely gaining the ascendancy and by ¾ time the thought of St Kevins breaking the losing streak became a fantasy. The game that Old Carey are playing is becoming unstoppable as they easily ran out winners over St Kevins by a whopping 75 points. **Luke Maslin**

## TODAY'S B SECTION MATCHES

OLD HAILEYBURY v OLD MELBURNIANS  
MARCELLIN v ST BERNARDS  
OLD CAMBERWELL v OLD CAREY  
ST KEVINS v CAULFIELD GRAM.  
BEAUMARIS v OLD ESSENDON  
Sportscover Arena on Saturday

became the emerging star at Carey as he kicked 5 goals while **Grant Baldwin** played another blinder. Can Old Carey still make the top four?

### TODAY

**OLD CAMBERWELL v OLD CAREY:** Expecting a good contest here and the home ground will definitely assist Camberwell where they have won 75% of their matches this season. Old Carey was easy victors last time they met and they are bringing extraordinary form to this encounter. Camberwell are on a roll but not as big as the Carey entourage and Old Carey will win by 32 points.

**MARCELLIN v ST BERNARDS:** St Bernards are struggling to maintain their list and their last two games have been poor results. Marcellin has the edge by 24 points at the final siren.

**OLD HAILEYBURY v OLD MELBURNIANS:** Haileybury have the chance to virtually shut the gate on the top four here if they can account for Old Melburnians. Old Haileybury by 56 points.

**ST KEVINS v CAULFIELD GRAMMARIANS:** Caulfield have to come up with some much needed fire power up forward to help the brilliant Slevison while St Kevins have to try and brake the hoodoo of losing games that is becoming a major problem at Righetti Oval. Caulfield had their first win of this season over St Kevins and I get the feeling that today they can repeat that feat by 8 points.

**BEAUMARIS v OLD ESSENDON:** Today Beaumaris meet a more improved unit that has the capacity to annihilate opponents. Hungry off the back of their only narrow loss, OEG will be determined to get back in the winner's circle. OEG to salute by 88 points.

**Auskick continues at MHS**

Auskick at Melbourne High might seem a little strange to some, but to the 50 little Auskickers who come down each week it is one of the greatest things ever! Least that is according to the kids themselves. The players from the MHSOBFC do sometimes tend to disagree!

This year we put together a roster system for 6 players from the Old Boys' sides to come down on the Saturday morning to help out. This is the first year we have tried it and so far it is working out quite well.

The Auskick kids get great enjoyment out of the players coming down each week, they learn and pick up so much more from the different players that come down, then they would from the same coaches each week. So far Julian Gerner has been the biggest hit! Not sure how much they picked up from him skills wise but they were having the greatest time chasing him round the ground.

This is the 8th year we have run Auskick and

is still great to see the kids coming back year after year. The highlight for the older kids this year was a trip to Telstra Dome to play their Grid Match at half time of the Melbourne v Richmond AFL game. Not only did the kids have a great time but the parents enjoyed it just as much.

Thank you to all the players who have helped out this season so far, and a special thanks to Adam Grinholz who helps me out every week. To those players who haven't had the pleasure as yet I look forward to seeing you at 9am one Saturday morning soon!

*Elastoplast tapes used by MHSOBFC*

Just a brief little intro and there's about 48 milestones to fit in this week. Hampton Rovers dropped another (as tipped by me on the Ammo Show, but probably not in the column) and Melbourne High's slide continues. Let's roll the videotape.....

### Round 11 review Unicorns officially out of finals' contention as Nodders roll on

In what was a very tight, hard fought contest up to half time, **Byron Bonner** led from the front, roaming between the ruck and key positions, and giving the Unicorns' coaching staff some massive headaches. So once the Chamberlain boys started controlling the stoppages, and **Chumma Jayaweera** switched on the afterburners it was a bit of a canter for the Nodders, topped off by another great game from **Tom Steinfort** .....(pause)..... National Nine News.

### If it bleeds, we can kill it

This one had all the makings of a C section clinker, with the local rivalry fuelled even further by the top-of-the-table positioning of the combatants. After last week's effort by Oakleigh, undoubtedly **Barney's** mantra would have been "if it bleeds, we can kill it", and that they did, with a withering 12 goal final quarter to the "En-tou-cas" end. In actual fact, the game was won by the awesome third term, where the home side only fell 3 points further adrift. It was great to see **Matt Martinov** back, and **Dave Beckett's** goal-kicking form for Kornel's soldiers finally earned him a recall. As expected, the big fella didn't disappoint either. Oh, and this bloke named **Keleher** played OK too – get on board him for the medal now, and I promise not to be 'hosed' this time around. For the visitors, who are simply having a minor mid-season slump, **Nathan Davidson** put in another good performance in his second senior game, whilst **Anton Duddy** switched into the ruck off his trusty wing (joking!) and held his own whilst all around was going pear-shaped. Friars fall as Blues stand tall

'Twas an even first half at Koonung Reserve, and Whitefriars were still within a couple of points of Monash early in the final term. However, Monash steadied and probably had more forward options in the end, kicking away with the last 4 goals of the game. Veteran midfielders **Brock Mackenzie**, **Tom Craven** and **Andrew Hickey** were the stand outs for the Ashes. Main contributors for the home team were **Baggoley**, **A. Brosolo** and **Crea**.

The pattern continues with Jackas supreme over Rupo Ruperstwood won the toss and battled to gain a distinct

advantage by overusing the ball in the early standings. Meanwhile, for Ajax **Eugeni Routman** in his first game for the season was making his presence felt with run from his half back line, with **Mark Segal** in support. However, in the second term, the Jackas seemed intent on kicking points themselves with the breeze at their backs, and took a slender 5 point margin at the main break. It was déjà vu after the break for the Woodsmen, who were best served by **Jarrold Bradley** and **Ryan Monzell** in the midfield with good support from **Gav Moule** in defence, but AJAX set up the win out scoring the visitors into the breeze. Finally, **Chester** and **Jukes** started to fire in the last, with the 38 point margin seeming to flatter the Sunbury lads.

Krusher send a big message with humiliation of Vultures Following on from the previous week's thumping, the Krushers stormed out of the blocks in fearsome form slamming on 8 goals to 2 in the opening term, then followed this up with a repeat dosage in the second, setting up a game-winning lead at the main change. If that wasn't just enough, the third term blitz was awesome, and has sent a message to the rest of the competition that Oakleigh will have plenty to say come September. Plenty of options up forward, with **Tim Edwards** taking full advantage of his opportunities kicking 7 goals, **Trevor Bromley** added another 5 and **Lee Barrand** chipped in with 4.

## TODAY'S C SECTION MATCHES

HAMPTON ROVERS v MONASH BLUES  
PARKDALE v MAZENOD  
RUPERTSWOOD v ORMOND  
WHITEFRIARS v AJAX  
Koonung Reserve

### Round 12 tips

**Hampton Rovers –v- Monash Blues**  
Monash could make it three losses in a row at the Boss Reserve in one of the upsets of the season. Then again, I could be 19 again and free of tight hammies and dodgy broken fingers too!! Ain't going to happen. Rovers by 5 goals

**Parkdale –v- Mazenod**  
Vultures should bounce back from having their pants

pulled down, but will they bounce back enough? Yep – I think so. Vultures by 17 points

### Whitefriars –v- AJAX

Absolutely must-win for the traveling Jackas, and I feel they finally will break the pattern. AJAX by 31 points.

### Melbourne High –v- Oakleigh

If here was one side the Unicorns didn't want to face when trying to save their season, it's the Krushers. Hence another crushing will ensue – Oakleigh by 22 points

### Rupertstwood –v- Ormond

The recent revival of Rupo came to an abrupt halt last week, and now the face the big boys from Ormond fresh off a belting of the league leaders. Looks like a Monder mauling by 7 goals.

**McGoos:** Monash, Mazenod, AJAX, Oakleigh, Ormond.

## M I MILESTONES I B S

**Whitefriars OCFC** wishes to acknowledge the recent achievement of the following player milestones; 150 games; **Luke Swain**. After a brilliant start to his career in the Under 19s in 1999, Swain was an integral part of the club's senior premierships in 2002 and subsequent progression to A Section in 2004. His silky skills and versatility have meant that he has filled many different roles at either end of the playing field. Well done Luke from everyone at the club, and we look forward to seeing you wear the Number 20 with the same distinction for many years to come.

**100 games; Simon Brosolo**. After commencing his career in the Under 19s in 2001, Broz has earned the title of Captain Courageous by his fearless attack on the football and his battle with a number of injuries which have delayed his achievement of this milestone. **100 games; Paul Hennessy**. Henna began with the Friars in the Under 19s in 2002, and his 100 games have been played across all levels at the club. Displaying great passion for the game generally and his 2 favourite clubs in particular (Essendon and Whitefriars), he has become a hard running midfielder who always gives 100% to the Friars cause. Well done Paul; keep up the good work.

**Oakleigh** would like to congratulate **Trevor Bromley** on his **200th club game** today against Melbourne High SOB. Trevor debuted against Peninsula reserves in 1997. He highest achievements have been, a 1999, 2004, 2006, 2007, premiership player and Senior captain from 2001 to 2007. Trevor has also represented Victoria 4 times. Oakleigh would also like to congratulate **Gary Bennett** and **Joshua McGarry** on their **50th club games**. From all team mates, members, supporters and sponsors at Oakleigh.

## U19: PRAHRAN CAULFIELD V ST BEDES MENTONE TIGERS

**ROUND ELEVEN REVIEW**

South Melbourne Districts continued their push for the finals with an emphatic 66 point win over Aquinas OC in Ringwood. The home side were competitive in the first half, but faded badly from here as Districts took the game by the scruff of the neck, with **Seb Mahoney** unstoppable in the midfield with five goals, and **Gerard Jess** and **Joseph Hocking** making telling contributions also.

Old Geelong returned to form with a comfortable 44 point victory against Peninsula OB at Como Park. Veterans of the ilk of **Nic Casboul** and **Jono Malpas** (Old Geelong) and **Shaun Payze** (Peninsula) were amongst their team's key performers.

Old Mentonians halted North Old Boys/St. Patricks College winning run at 10, as the Panthers beat the Cobbers by 28 points in an entertaining contest at The Playing Fields. After an even first half, the home side drew away after the main break, and in a side of many contributors, including a dozen goalkickers, the efforts of **Chris Graham**, **Danny Field**, **Rowan Ball** and **Justin Costello** were particularly noteworthy.

Bulleen Templestowe got back to winning ways with a tidy 32 point win over Prahran at Ted Ajani Reserve. Usual suspects **Peter Voglis** (six goals), **Kristian Cherbakof** and **Bill Touroglanis** were amongst the standouts for the Bullants, while **Kain Burridge** had his best game of the season. Also good to see **Dave "Buck" Rogers** get a chance in the senior side.

Fitzroy Reds did what was expected of them, accounting for Yarra Valley OB by 38 points at Brunswick Street. **Matthew "Ronnie" Biggs** had another great game for the winners, while the Bushrangers were nothing if not consistent, kicking two goals in each of the four quarters.

**ROUND TWELVE PREVIEW**

Aquinas OC host Fitzroy Reds at Aquinas College. The ruck duel between Ash Naulty (Aquinas) and Chris Meighan (Fitzroy) should be a highlight of today's match. The home side also need more players to follow

the example set by the recently returned **Adrian Williams** and reliable half back **Scott McPherson**. They had played some good footy against some quality sides until last week's disappointing second half fade out, and will want to put together a genuine four quarter effort against a side still looking to press its finals credentials. The Reds have kicked their second biggest score of the season last week, and may well break the 100 point barrier for only the second time this season. They should be mindful of the result last time these sides met, Aquinas winning by 46 points. There's been a lot of water under the bridge since then, and the current is very much in the favour of Fitzroy at the moment. I'll take the Reds today.

A big match at Como Park sees Old Geelong take on Bulleen Templestowe in the game of the round, and the most difficult tip also. The Bullants have the two leading goalkickers in the comp in **Dean Matthews** and **Peter Voglis**. It's also a triple funabration for the home side, with three of their favourites, **Charlie Fairbairn**, **Ed Bayles** and **Matt Goldsworthy**, joining the ranks of Ogger centurions today. I'll take another semi-risky shot, bearing in mind the Bullants won by 71 points in their previous meeting, and take the Oggers, the combination of home ground advantage and the big individual occasions giving them that extra bit of "oomph" today.

The in-form South Melbourne Districts travel to Domeney Reserve for their match against Yarra Valley OB. Look for the Bloods to share the goals around, and perhaps not necessarily just between **Jack Cronan**, **Paul Cheevers** and **Seb Mahoney** (each with 20+ goals this season). Given this variety in potency, I fear it will be a Sisyphean struggle for the Bushrangers and not as close as last time out, when the Bloods got home by 12 points. Districts to make it a double.

Peninsula OB entertain fellow Grammar boys Old Mentonians in Mount Eliza. The Panthers continue to get their season back on track, and are still lurking outside the four only on percentage. If they can match their efforts of their previous encounter with the Pirates, winning by 82 points in a game that saw almost 300 points being scored, that will go some way to making up this deficit. I can't see it being so high scoring this time around, but I think the Panthers should take the points again today.

NOB/SPC will look to return to winning ways in their

clash with Prahran at Toorak Park, with the latter looking for wins to ensure their D1 survival. When these sides met earlier in the year, the Cobbers won by 35 points in a game most notable for the lack of accuracy of both teams in front of the sticks. I think the Two Blues will give the Cobbers a good run for their money, but the visitors look to be packing too many big guns in their arsenal. Cobbers to win.

**M I M I L E S T O N E S**

**Old Geelong** congratulate no less than three of its favourite sons on bringing up their **100th games** for the club this Saturday, namely **Charlie Fairbairn**, **Ed Bayles** and **Matt Goldsworthy**. It is hard to overstate the effort and contribution that each has made during their time with the OGs, not least in the rebuilding of the club which saw them all as members of the Premiership team of 2005. Well done to all three of you from everyone connected with the club. **NOBSPC** would like to congratulate current vice-captain **Glenn Maxton** on reaching **50 games** with the club this week. The wingman with the sublime skills has had no luck with injuries since being runner-up in the B&F in 2004, but all at the COBs look forward to seeing a quick progression to the ton. Well done Maxo.

All at the **Old Mentonians** congratulate **John Thompson** on his **50th game** for the Panthers against Peninsula today. Well done Thommo, we are all looking forward to many more games.

#### ROUND 11

**MICHAEL DARVELL**

**OLD XAVERIANS**

Michael Darvell is a very well liked and respected member of the Old Xaverians Football Club. Originally from Xavier College, Michael was in the First XV111 from 2003 to 2005. In his final year he was captain, leading goal scorer and winner of the Best & Fairest.

In 2006 Michael played with Williamstown seconds where he won the coaches award and in 2007 was awarded best player in the finals.

This year Michael has put in a full pre season and is reaping the rewards on the field. He plays both on ball and up forward with his key assets being his speed, agility, evasiveness and ability to read the play. Michael has been named best player for the Xavs in the last two rounds.

Michael aspires towards participating in a premiership with the OXFC and being a key contributor in the upcoming Under 23 VAFA match against SA at the Junction Oval

## Coach of the Month

**Alan Elliott**

Alan 'Oopy' Elliott has a long and distinguished association with Williamstown CYMS F.C., spanning over 30 years as a player and coach.

Beginning with the Club in 1977, as a player he clearly ranks as one of the best to have worn the CY's Guernsey. Possessing a keen football brain combined with outstanding marking and ball handling skills Alan is a former Club Captain, B & F Winner, Leading Goal Kicker and premiership player. In 2006 he was voted at Captain of the Williamstown CYMS F.C. Amateur Team of the Century.

Alan has had two previous stints as coach at CY's [1990 - 1993 & 1996 - 1997] and has been successful in reaching three Grand Finals in that time, taking the Club from F Grade to D Grade in 1991 - 2 and from E Grade to D Grade in 1996.

In 1997 Alan coached the CY's to an undefeated home and away season, only to suffer the heart ache of late season injuries to key players and a 'straight sets' exit from the finals.

Alan and the CY's are determined to set that record straight this year and are off to a flying start with 10 wins one loss to be on top of the Sect D3 Ladder after 11 rounds.

Winning Edge Presentations

# D2 SECTION

by Jono Healy

The logjam at the top of the ladder continues, but now there are only two teams tied for first. The pressure is on Banyule to hit back and keep its chances of a top two finish alive, but Werribee and Emmaus St Leos is now the favoured Grand Final quinella (\$2.20 for punters that are interested). Down the other end, St Marys/Salesian and Bentleigh need to do something quickly if they are to stay in D2 next season, but we all know how much can change in one week.

### Emmaus St Leos \$1.33 v Glen Eira \$3.10

After a 10-goal victory over Old Westbourne, the Animals now have a top two finish in their own hands. It was the usual suspects of Anthony McKenzie and Nathan Baranello that got the job done against Old Westbourne and the Animals will need this duo firing come finals time. Glen Eira bounced back to the winners list with a six-goal victory over St Marys/Salesian, but they will have a tougher test this week against a well drilled Emmaus St Leos outfit. Chris Massis and Alex Tsirogiannis will need good performance if the Saints are to get the four points, but it's too hard to pick against the home side in this clash. Emmaus St Leos by 34 points.

### Bentleigh \$1.60 v Therry Penola \$2.20

All or nothing time for Bentleigh now as a loss here will see them move one step closer to relegation. However, a victory here for the Demons could see them jump out of the bottom two, making this clash a true eight-point game. Well its still worth only four points, but let's just say it's a crucial game for both clubs. Despite five goals from Paul Magnifico, Bentleigh was no match for Old Paradians last Saturday, while Therry went down to Ivanhoe by 17 points in a cliff-hanger at John Pascoe Fawkner Reserve. Michael Costello worked hard across halfback, Rob Skiathitis found plenty of the ball in the middle of the ground, while Amareh Elmi booted three goals up forward in an impressive display, but too much was left to too few in the narrow loss. This is bound to be a tight contest, with plenty at stake for both teams. However, with the luxury of playing in the confines of their own ground, I will have to stick with the home side. Bentleigh by eight points.

### St Marys/Salesian \$4.10 v Werribee \$1.20

The combine put up a much better performance against Glen Eira, but unfortunately still fell 36 points short. Aaron Stevens and James Rogers impressed, but the loss of Jeremy Dwyer before the game could not be overcome. Dwyer is expected back for this clash and St Marys/Salesian will need all their big guns firing as Werribee look to have regained their best form. After a relatively tight first three quarters of the match, Werribee booted seven goals to one in the final term to clinch a 10-goal victory over Banyule and, in the process, gave themselves a one-game buffer on third place on the ladder. Aaron Taylor continued his comeback with another consistent match, while first gamer Matthew Link and second gamer Chris Scudamore showed poise. Along with this trio, it was the usual names of Trent Lee, Aidan Murphy, Matthew Keogh and Matthew Palmington that did the damage for Werribee and all bodes well for the Tigers in the finals if these players continue to stand out. No \$2.10 available on Werribee in this match, but we should a similar result. Werribee by 38 points.

## TODAY'S D2 MATCHES

EMMAUS ST LEOS v GLEN EIRA  
BENTLEIGH v THERRY PENOLA  
IVANHOE v BANYULE  
OLD WESTBOURNE v OLD PARADIANS  
ST MARYS/SALESIAN v WERRIBEE

### Ivanhoe \$2.05 v Banyule \$1.70

If Ivanhoe are going to feature in the finals this season then they need to win a game like this, but Banyule are sure to be keen to atone for a last start loss to Werribee at home. Banyule battled hard, but Werribee kicked away in the final term to go on and register a 60-point win, with Peter Jenkin and Nathan Braddy among the better players for Banyule. Ivanhoe picked up a gritty 17-point victory over Therry Penola, with James Collins and Colin Brown contributing well to the victory. Ivanhoe now sits one game out of the top four, while Banyule needs to keep winning to keep its hopes alive for the double chance come finals time. Tough to say how Banyule will fare here. Can they bounce back in style? Or will their loss to Werribee be a sign of things to come. I think the former. Banyule by 11 points.

### Old Westbourne \$1.40 v Old Paradians \$2.70

Just when we thought Old Westbourne was a legitimate chance of making the finals, they produce a poor performance in going down to Emmaus St Leos by 10 goals. Ben Hutton was well held and, invariably when he is quiet, Old Westbourne struggles. Old Paradians are coming off a confidence boosting eight-goal victory over Bentleigh and will fancy their chances of causing an upset in this one. Both teams enter this clash with four wins and, such are the vagaries of the VFA, a win will see one club talking about their finals chances, while a loss could see either team re-enter the relegation battle. The Divynyls once said 'there's a fine line between pleasure and pain', and this certainly rings true with this match. A lot on the line, but I think it will be Old Westbourne that keeps their finals hopes alive with victory. Old Westbourne by 27 points.

**It would be great to hear from every club after each round to help me in writing my weekly column. (I heard from three clubs last week – thank you to Werribee, Therry Penola and St Marys/Salesian) Please send all match reports, social events, milestones and anything else that may be of interest to jonathan.healy@hotmail.com by 5:00pm on Monday.**

## Big V Recollections

### The 80s

By Dean Matthews

Growing up as a young kid in Templestowe in the early '80 was based around one location, The Bulleen Templestowe Sports Club. Be it summer or winter, Saturday afternoons were spent at the ground cheering on the Bullants as they went into battle. Going to the VFL in those days was OK, but the real stuff played out on the hallowed turf that is now known as Ted Ajani reserve. The players were real, they talked, they laughed, they drank (and smoked) and they knew my name. There was Flappers, Buggy, Chooka, and Digger to name a few.

One Saturday was different, Dad packed me into the car and told me that we weren't watching the Bullants today. After the tears dried up, he told me where going to watch some of the Bullants, as Andrew Smythe, Rick Van Den Driest and Ricky Demarti had been selected to play for the BIG V.

And what a beautiful thing that was. I have since been lucky enough to play in a number of these games myself, and look back on them with great pride. For a number of the years that I played for Victoria, the Bullants were having rather ordinary seasons to say the least. These Big V games where my chance to play in games that where like finals and with players that I only knew from playing against them. I loved being able to play along side people like The Chief from Hampton one week and then be trying to knock his block off the next. And I know he took pleasure in that too....

Winning was important, always is when you play a competitive sport and fortunately we won all but 1 of them. But it is not the results that spring to mind when I look

back. It is the personalities, the selfless acts of squad members and the efforts that players would go to just to win their spots in the final team (Robbo in 1997). Playing along side a former AFL premiership player in Andrew Gower in 2001 against the combined Victorian Country team was an absolute treat, and winning the game was to me at the time like winning a premiership. It is the humiliation of standing next to Andy Cultrera in the showers after training or seeing the absolute courage of Julian Smith from Monash as he dives head first into another pack that makes my days in the Big V jumper so special. It is also the memory of playing along side fellow Bullants in Paul Robertson, Phil Hare and Waxy Williams and our club proudly hangs the photos in the rooms of all Big V reps.

It is also the Peter Harris's, Phil Stevens, Phil Donahue's, Mark Timm's, Anthony Amad and George Voyage's of this world that due to their efforts and love of the Big V set these games apart from all others. It is funny how the world goes full circle. Watching the VAFA play on The Queens Birthday this year was a fantastic thrill for me as 4 outstanding young Bullants (Al Tehan, Mark Pietryk, Christian Cherbakov and Paul Florence) all made the debut for the Big V and I am extremely proud to report that all 4 can't wait to have another crack in 2009, I can only encourage ALL clubs and ALL players to embrace the VAFA and their representative football program as I have yet to ever meet a player or see a player who has not become a better footballer and better person for the experience.

# FOR THE LOVE OF THE GAME...

## • Dees Continue Strong Amateur Link

The Melbourne Football Club has always had a strong link with the VFA and that continues today with 4 players from their heart stopping win against Brisbane last weekend having represented at VFA club at senior level. Stefan Martin made his debut after playing 5 senior and 9 U19 games for Old Haileybury in 2006, winning the VFA U19 (Blue) Best & Fairest. Shane Valenti, playing his 3rd AFL game, played one senior game for Old Haileybury in 2005 and Simon Buckley played one senior game for Ormond also in 2005. Cameron Bruce played for MHSOB in the late 1990's before being drafted, playing 18 senior games for the Unicorns. James McDonald, who didn't play on the weekend, played for Old Xavs in 1996 and was part of that memorable premiership side, having been 1-8 at the half way mark of the season. Amazingly, James missed out on selection for the Old Xavs U19 side for the first match of that season and ran the water that day – how quickly things can turn around in one year. Congratulations to Stef Martin on making his debut in only his third season of football. Stef was a highly promising basketball player who decided to give football a go for a year and play with some of his mates in the Old Haileybury U19's. After only 8 games (which he received 3 votes from the umpires in all 8), he was selected for the seniors. He missed out on being part of Old Haileybury's first ever A Section flag due to a broken thumb but was invited down to Sandringham last season where he became an integral part of their senior side.

It was also great to see these players maintaining strong links with their former VFA clubs. Both James and Simon were quest speakers at the Old Xavs and Ormond lunches respectively and all are regular attendees at VFA matches.

## • Mid Season Hump For Top Teams

Rounds 10 and 11 presented little potholes on the premiership highway for the top teams of most VFA senior sections. Collegians dropped their 2nd match of the year in Round 10, relinquishing top spot on the ladder for the first time this year. The early season favourites have lost to St Bedes/Mentone Tigers and Old Xaverians and with Old Ivanhoe pushing them all the way last week, the race for the VFA's top prize is now wide open. In B Section, Old Essendon lost their first

match of the year by a solitary point against Old Haileybury. Of course, Old Essendon's real test will come at finals time when they attempt to wipe the demons of the past and progress to the B Section decider after competing in and losing 3 of the last 5 Preliminary Finals. After turning undefeated at the half way mark, Hampton Rovers have lost their last two matches in C Section to through that contest wide open. A 76 point hiding to 3rd place Oakleigh followed by a 49 point loss to 2nd place Ormond has them a little shaky at the top. NOBS/St Pats suffered their first loss in D1 Section on the weekend, going down to 5th placed Old Mentonians by 28 points. Still rated strong favourites for the premiership title, opposition sides will take confidence from this defeat as the combine certainly become the hunted in the second half of the season. D2 is, at this stage, a race between three (Werribee, Emmaus St Leos & Banyule) and Werribee's big win over Banyule on the weekend would put them slightly ahead in the betting. In D3, Williamstown CYMS also dropped their first match of the 2008 season when they went down to 2nd placed Hawthorn by 8 points. Williamstown were without their goal-kicking maestro David Lee who has kicked 54 goals this season, equal with Hawthorn's Richard Ogge. West Brunswick remains the only senior team undefeated with an amazing percentage of over 300. They have taken all before them this season and last weekend defied the above trends by registering their first +200 score, racking up 33 goals against South Mornington. This week presents their biggest challenge of the year though, when they meet 2nd placed Kew who also registered a +200 point game against South Mornington two weeks ago.

## • Disco Racks Up 250

Old Haileybury stalwart Mark "Disco" Seccull racks up his 250th game this week only weeks after celebrating his 40th birthday. Still holding his own in the seniors, Disco commenced with the club in the late 1980's. After spending a few years at Springvale, he returned to the club and captained the Big "V". In 2001 Disco retired (for the 1st time) and moved to America with his American born Wife Dianne. He returned to the club in 2004 and played his 200th game in 2005. He retired for the second time after the 2006 A Section premiership but came back to help the club through a difficult time in 2007. Retiring again after that he was convinced to give it one more go this year (we think) and has been a consistent performer once again.

## ✚ Australian Red Cross BLOOD SERVICE

### • Blood Bank Challenge Now On

A reminder to everyone in the VFA community that the VFA Blood Bank Challenge is being conducted over the month of July. The Red Cross is critically short of blood stocks at this important time with the impact of colds and flu on Donations lessening supply. So please, get down to the blood bank, nominate your VFA club when making your donation and help save a life this winter. You may end up helping your club win some fantastic prizes whilst you are at it.

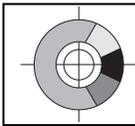

### • Recruitment & Development Officer to Add to Umpire Ranks

A lot of people would know that there is a shortage of umpires within our great game of Australian Rules Football but the VFA are not sitting by waiting for things to change or improve all by themselves. The

VFA have taken big steps to make sure the VFA is at the forefront of recruiting the best available talent of umpires available by appointing a Recruitment & Development Officer to attract the umpires required to service matches on a regular basis. Graham Thwaites has been appointed to take on this challenging role and will primarily target junior umpiring groups throughout the metropolitan area who are willing and able to take the next step in their umpiring career by joining the VFA. Graham is a former VFA umpire with 14 years of experience as a Field Umpire and after a major injury also umpired for a few years as a Boundary Umpire and has umpired over 260 VFA matches including many finals. Graham has also been involved with Moorabbin Saints Junior Football League as an assistant umpires coach for a number of years and headed up the fitness training for the umpires which highlighted Graham's range of skills and expertise over a long period of time. We wish Graham the very best as he embarks on this very important role which will enable the VFA in its continued growth, to recruit and in turn provide umpires in all disciplines to every game of amateur football.

ACTION 2008

# ... Retrospective

by Geoff Reilley

## 5 YEARS AGO - 2003

In **A Section**, **University Blues** badly needed a win against one of the top teams to kick themselves clear of the relegation area. Fronting up to **Old Haileybury** gave them a chance to achieve this. The Blues certainly started confidently and were a goal ahead at quarter time. Old Haileybury started to take charge in the second quarter and the bell saved the Blues was falling further behind as the Haileyburians went to the major break with a couple of goals up their sleeve. It was a great third quarter as 9 goals were scored, five to the Blues to bring them within one straight kick. It was all Uni Blues in the last quarter with their defence strong and their on-ballers dominant and they eventually ran out relatively easy winners, 15.11 to 13.15. Best players – **Ryan, Fairbank, Hayter, Lowcock (4), North, Gleeson** (Uni Blues) and **Sam Langford-Jones, O'Farrell (3), M Corrigan, Bourke, Armstrong** (Old Haileybury).

In **B Section**, **De La Salle** staged a great first quarter against **Old Brighton** down at the windswept Beach Oval. Their effort was especially meritorious given they kicked into the strong breeze and held a 4 point advantage. The D's were very disappointed by half time when they failed to take the advantage in the second quarter but were 7 points up. Old Brighton were strong in the third term and had a 7 point advantage before De La Salle took charge in the final quarter to score a valuable victory 18.16 to 14.10. De La's **Lockie Walker** had been inspirational in the final term with 3 goals in 10 minutes to turn the tide. Best players – **Bonnici, Walker (7), J Maloney, Molan, Goodier, Morell** (De La Salle) and **Homann, Logan, Kent, Hughes, Mead, Gadsen** (Old Brighton).

The closest game in the top **Junior Section** was between the undefeated **St Bernards** 14.19 and lowly **Caulfield Grammarians** 14.11 who had only won 4 games. It was a complete turnaround by Caulfield who had only kicked 8.7 to St Bernard's massive 41.14 in round 3. Best players – **Keunan, Liberatore, Walsh, Pitts (4)**, Pearson, Hogarth (St Bernards) and Sayers, Sinclair (8), Edwards, Lill, Carboni, Twycross (Caulfield).

'**Umpires Corner**' column congratulated **Garry "Elvis" Clancy** for finally reaching his **500th game** with the **VFAUA** as a **goal umpire**. Garry began umpiring in the early 80's and named his best games as the 1988 and 1990 Grand Finals with his good mate, **Ken Pitcher**.

## 10 YEARS AGO - 1998

In **C Section**, **St Leo's** caused somewhat of an upset by thrashing **Old Geelong** and in so doing relieved themselves a little of the relegation threat. They also sent Old Geelong crashing from the top four for the first time in 12 games. It was a huge start for 'The Animals' with 6 goals to none in the first quarter, **Vaughan** and **Thomas** in particular running riot. The boys from Corio offered little in any of the remaining quarters and the final score was St Leo's 17.15 to Old Geelong's meager 4.6. Best players – **Fennell, Burgess, Vaughan (7), D Dincolantonio, Willis, Ronchi** (St Leos) and **W Paul, Lee, Farrer, Davison, J Paul, Vickers-Willis** (Old Geelong).

In **D Section**, the 'local derby' between **Whitefriars** and **Aquinas** was a "ripper" in the words of the joint scribes, **Ken Bremner** and **Tom Brain**. Out at the domain of the 'Carmelites', the Friars were unusually unsteady in the first half and were 3 goals down at the main break and with Aquinas needing a victory to keep their top four challenge alive, their efforts were being better rewarded. Friar's Coach **Des Meagher** was presumably not happy with his charges and the third quarter saw a turn around as the Friars grabbed the lead by almost 2 goals at the final break. Another surge by Aquinas was a commendable effort but Whitefriars had realised they could lose the double chance and held on by 2 goals, 15.10 to 13.10. Best players – **Hughes (3), Bateman, Lacey (5), A Carbone, Gillan, Pasqualotto** (Whitefriars) and **Guthrod, Nichol, Chapman, Burch, Moran (3), A Bethune** (Aquinas).

**Whitefriars** sadly reported on the passing of their courageous player, **Michael Harrison**, who lost his 6 year battle with leukemia. Many remembered the game he played immediately after being diagnosed as one of the most inspirational moments that club members had experienced. Not only a fearless, team oriented player was Michael Harrison but a champion person and greatly missed by all who knew him.

**C Section Coaches** were – **Rick Marks** (AJAX), **Andrew Crosby** (Aquinas), **Dave Rogers** (Monash Blues), **Lloyd Campbell** (Old Essendon), **Laurie Zarafa** (Parkside), **Brendan Pola** (St Johns), **Shane O'Connor** (St Pats Mentone), **Peter Turley** (Salesian), **Derek Hine** (Southbank), **Gary Connolly** (Uni Blacks), **Des Meagher** (Whitefriars) and **David Kyle** (Yarra Valley Old Boys).

## 20 YEARS AGO - 1988

In **E Section**, **Power House** hosted Brunswick and received a real fright as they almost lost their place in the top four. At three quarter time Brunswick were leading by 3 points and kicked the first goal in the final term to really state they meant business. Power House had to really dig deep but once they kicked their first goal for the term, four more followed in fairly quick succession and the "House" supporters breathed a sigh of relief 14.3 to 10 13. Best players – **J Scotland, J Harris, M Stone (3), Waters, Trist, Mackay** (Power House) and **Jones, Cordes, Conduit, Drysdale, Nelson, O'Brien** (Brunswick).

In **F Section** it was an unusual score board as both **St Leonards** and **Footscray Institute of Technology** struggled to score a goal. Only 1 goal was scored by either team at three quarter time (St Leonards 1.6 to FIT 0.8) and it 'rained' goals in the final term with St Leonards running our winners 2.8 to 1.10. Best players – **Gill, Timms, Harvison, Levy, Ng** (St Leonards) and **Mackenzie, Nucara, Mills, Breheny, Moroney** (Footscray).

**F Section** coaches were – **Michael Szeitz** (ANZ Bank), **L Brown** (Clayton), **Steve Nicholson** (Commonwealth Bank), **K Wilson** (Doveton), **Max Paisley** (Eltham college), **John Moroney** (Footscray IT), **Peter O'Donohue** (La Trobe Uni), **Kelvin Shaw** (Old Carey), **Roland Magro** (St Andrews), **Laurie Dufus** (Uni Reds) and **R Goetz** (Williamstown CYMS).

## 30 YEARS AGO - 1978

In **A Section**, **Ivanhoe** had really turned their mid-season slump around and by defeating second placed **Old Scotch** in this round, assumed Scotch's position with the Scotchies slumping to fourth. Scotch started the game strongly with Bedford and Sherwen dangerous near the goals. Ivanhoe bounced back in the second quarter to hold a 3 point lead at half time. The 'Hoes really turned up the heat in the all important third quarter with 6 goals to 3 and bombarded the goals in the last term for a return of 7.5 to Scotch's 3.3. Final score in favour of Ivanhoe, 18.18 to 11.11. Best players – **Simpson, Shepherd (3), Robertson, Hutton, Adley, Renshaw** (Ivanhoe) and **Bates, T Eggleston, Bedford (5), Purnell, Sherwen (3), Anderson** (Old Scotch).

Cracking match in **B Section** between **Parkside** and **Monash Blues**. Monash needing a win to stay clear of relegation and Parkside wanting to consolidate their position in the top four. First Monash then Parkside gained the ascendancy and Parkside went into the last quarter with a 19 point lead and in an entertaining last term, held on to win 17.16 to 16.10. Best players – **Johnston, Ware, Sweeney, B Harvey (4), Howell, Jenkins** (Parkside) and **Moore, Rodger (6), Olds, Mogg, Gumley, Quinn** (Monash Blues).

## 40 YEARS AGO - 1968

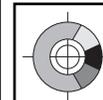

In **E Section**, ladder leaders, **Old Ivanhoe**, had a danger game against **Patricians** who were still eyeing off a position in the top four. Old Ivanhoe wasted their opportunities in the first quarter with 3.7 to 1.1. Patricians narrowed the gap in the second and Old Ivanhoe may have kicked themselves out of the game with 4.10 in the third term. Although Patricians rallied the last quarter and pressured Old Ivanhoe, the ladder leaders ran out easy winners 12.20 to 10.7. Best players – **Allender, Cuttriss, Harris, Capps (5), Wiltshire, Jackson** (Old Ivanhoe) and **M Crowe, C Curtain, Brosnan, Punch, Quinn, Doyle** (Patricians).

150 games up for two stalwarts; **Graeme Brewer, National Bank Captain**, commenced with the Nationals in 1959 and had given his club excellent service over the journey. **Club Best & Fairest**, no less than four times, Graeme was continuing to show excellent form and his fellow players all looked forward to him reaching his 'double century'. **Denis Davies** completed his 'century and a half' for **St Kevins Old Boys**, mainly as a Ruck Rover. Denis seemed to produce his best in big games and had captained the senior team. Also a delegate and committeeman, Denis was a credit to his club.

## 50 YEARS AGO - 1958

In a game of fluctuating fortunes, which went down to the wire, **Coburg** met **Alphington** in **A Section**. The game was a real battle of the back lines and the outstanding 'kicking-in' of Alphington's Forbes was and continued to be a feature of the match. After Alphington looked slicker early, Coburg got some system happening, mainly from drive in the centre. Neale was dangerous for Alphington and goaled twice from good marks and the **Whitfield's, Ted and Jim**, both goaled and gave their team a 13 point lead at half time. The third quarter was fairly even and when the Alphington boys got on top in the final term it looked to be a comfortable win but Coburg steamed home with 4 successive goals before Alphington hung on to win by 5 points, 14.11 to 12.18. Best players – **Lippiatt, J Whitfield (4), Gosstray, Gaudion, Reade, Hobill** (Alphington) and **Salter, Beasley, Cooke, Hillyear, Callahan, Roberts** (Coburg).

Leading goal kickers were **A Section - Bennett** (Collegians) 45, **B Section - Murray** (Uni Blacks) 33, **C Section - Lauder** (Parkside) 36, **D Section - O'Brien** (St Kevins) 49, **E Section - O'Brien** (St K CBC) 45 and **Junior Section - Burgess** (University) 57.

# D3 SECTION

by Stephen Clarke

You are down on the scoreboard 76 to 38 and searching for answers. You are of course a Hawthorn player at the Fearon Reserve Saturday afternoon, playing a side that when they comfortably lead hold firm and get the result. But football is mysterious; it's emotive and has taught us often that a half of football is just that. A job half done. **Peter Tyson** has been round the traps on a sporting field longer than **George Hanlon** has been going to the race track. He could sense that efficient ball use going into the forward arc was all that stopped his side for winning this contest. Eleven third term goals shared by seven players made the biggest statement in this section for the year. A nine point lead at the third term. That's just an extraordinary performance – wind assisted or not. The seagulls were stunned by this and tried to rally but this brown and gold unit came here to win and completed the job. Little **Nick Opie** was everywhere and the forward line had **Osge**, **Lynch**, big **Dan** and new boy Johnston firing. Williamstown **Jimmy Wong** starring again but to no avail – our premiership race is far from finalised.

For Powerhouse the up and down and then up again season just gets more colourful by the day. Twelve rounds in and they in the top four! They like Hawthorn took their A grade on the road this week and fought out a tough three goal win against the Gryphons at Monash. The home side had Wells forward this week to try and impact on the scoreboard but they lacked the finishing ability and came up with only the eight majors. The 'House have a tough fortnight ahead but perhaps are rolling along nicely now and may hang on in the top four. Boland was clinical here along with a great game from young Shane Bahr.

Eltham at home were never going to be too worried by neighbours Latrobe University causing them defeat. A nine goal to four second half impressed those in attendance as the Turtles remain a consistent opponent all day who move the ball with

purpose. **Hayden Dillon** was best afield and the defence here had a solid afternoon. Their finals hopes remain on target and they are looking a very good side for the future. For Latrobe it is again a case of conceding a massive score and getting away to poor starts. Their time in D3 appears all but over for at least one year.

That fate also is facing Swinburne although their performance against UHS was meritorious. With a one goal lead at three quarter time the Razorbacks had to keep the pressure on the fancied opponent but they couldn't hold out going down by nine points. UHS have been ultra strong in second half of games and this stands them in good stead if they are to finish fourth? It's so close from fourth to eighth right now who ever discounts them is short sighted. **Shane Cracknell** was a rock all day for visitors.

Finally in the 'Murphy' tribute game at Elsternwick the home team destroyed a weak St Johns outfit by over ten goals. The man who celebrated game 300 with a goal at the start and the end of the day enjoyed watching his team mates entertain the crowds with some great goals. On a bit of a roll now the 'Wicks and are a slight chance for the last spot also. Injuries – or lack thereof is critical for them. St Johns road record is simply too poor now and won't be in September action.

**PREVIEWS**  
 The massive mid table traffic jam just shows this is such a difficult competition to tip winners. Probably the toughest game is Eltham travelling to **Ross Gregory** to play Powerhouse. I fancy the Turtles through consistency to win this but the Slushies are up and running. So close. Eltham by four points. Latrobe should beat Swinburne at home as they badly need to points. Willy on the rebound will be a frightening obstacle for Elsternwick and can get back to winning ways here by 33 points. Monash have to atone against a poorly travelling St Johns team. They can succeed by 3 goals whilst the Hawks go to Brens. This will be a huge fight for them all day but can just get home and cement a top two finish by seasons end.

## UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

### Stork Arrival

Congratulations to our training coach, **Rob Sneddon** and his lovely wife **Kerryn** on the arrival of baby **Benjamin Ryan** just recently. Lucky **Benjamin's** middle name wasn't **William** or his initials would be the same as a popular bottle-o. Also on the horizon are more stork arrivals in the next month (in the **Lowe** and **Meek** households), which begs the question what type of exercise, do our umpires (and coaches) do in the pre-season?

### Remember when....?

Flicking through the archives we came across a 1991 copy of The Amateur Footballer. Interesting to see how some things have changed drastically, while some are still very much the same. Umpires Corner was headed up by **Mike Murray** and **Macca**. The appointment highlights were as follows: **Darren Dalgleish** in the A section game between Therry and North Old Boys (yes, A Section). **Steve McCarthy** (Scotch v Blues in A with **Lentini** and **Hoare** in the goals). **Mark Gibson** (Old Paradians v Kew in B). **Leah Gallagher** (Old Brighton v St.Bernards in B as a boundary umpire). **Albie Firley** (Uni Blacks v Old Xavs reserves as a boundary umpire). **Michael Forde** and **Mick Gilday** together for State/Commonwealth Bank v StKilda CBC in C (they still umpire together!) A “young” **Anthony Damen** was moving up the ranks with Latrobe Uni v MHSOB in D. Future AFL umpire **Tim Shearer** was in E with Williamstown v Bulleen United. The late and great **Peter “Agate” Harris** was also in E with Brunswick v Powerhouse. Highlights in F section were a future Test player in Brad Hodge as a boundary umpire in the Elsternwick v Boronia Park game, Current President **Rob Mayston** at St.Patrick's v Salesian and Santo Caruso at Uni Reds v Old Carey. Scattered through the Under 19s (which only had three sections back then were **Pqt Maebus**, **David D'Altera**, **Ron Smith**, **Brad Lowe**, **Andrew Taylor**, **Alan Stubbs**, **Wayne Henry** and **Kevin Segota**. Sad that so many of those clubs are gone.

VAFA General Manager **Phil Stevens'** editorial featured a story by **Benny Goodman** (at that time he was one of Brian Woodhead's assistants) all about Umpiring in the Amateurs. Elsewhere in the publication a large ad was seen with **Geoff Ridd's** face on a WANTED poster. The VAFA was offering \$500 to clubs who sent former players down to umpire with us. **Riddy** was described as “ex-Parkside champion and currently one of the top amateur umpires”. As we now know, we've had some great success stories with ex-players taking up the whistle.

### Experience

When it comes to experience, the senior umpires have it up on the junior guys, one example would be young **Tom Windlow** who complained that at half time his boots and clothing were muddier that of his partner's and couldn't understand why. It took a while, but **Tom** finally worked out his partner was always calling to be tapped through on a shot on goal, hence staying out of the muddy wicket area!

### Name the great wall

After last weeks General Meeting it seems that a section of wall is set aside for photos of the umpires and their sponsors. However do we give this wall a name? Any suggestions should be directed to the executive.

### Player milestones

Congratulations to a couple of VAFA stalwarts and their recent milestones. Last weekend Elsternwick's **Leigh Murphy** played his **300th game**. “Murph” has had a sensational career which he brought to a halt after the game. First rover in the Elsternwick Team of the Century, he slotted two majors in the win over St.Johns. A day to remember!  
**Mark “Disco” Seccull** plays his **250th game** for Old Haileybury today. Disco has had a couple of breaks in his long career but finally gets there. No Haileybury side is the same with M.Seccull in the line-up. Many say he should take up the whistle in retirement.  
Both “**Murph**” and “**Disco**” can be heard tomorrow morning at 9:30 on VAFA Sunday on 88.3 Southern FM.

## RESPECT THE UMPIRE – RESPECT THE GAME!!

# D4 SECTION

by Duncan Palmer

Last week I offered you a quote for the week. This week I present a thought, or consideration, as it may be.

An article was released a few weeks ago detailing the study of using synthetic football fields instead of turf for some areas of suburban Melbourne. As the winter solstice has passed once more with mud almost as scarce as grass, I believe the high sacrilegious suggestion of synthetic fields should be pondered more seriously.

Clubs are constantly waging a losing battle over ground access, watering, and maintenance, and to what effect? Players are under-prepared and hard, dusty grounds affect not only the game style, but significantly increase the likelihood of impact injuries. Whilst cost is certainly a factor, the apparently prohibitive cost of installing a synthetic pitch may actually be significantly less than maintaining turf over a period of only a few years. Surely it is only a matter of time before a club or council takes the plunge and ensures the future of 'grass' roots football, only without the grass. I am keen to gauge the opinions of players, clubs and supporters on this topic.

After last round the fight for the five now appears to be down to six sides, with Box Hill Nth still a slim chance at seventh. West Brunswick and Kew would feel safe in the top three, with St Francis Xavier still having to work hard to hold off Mt Lilydale, and the surging Falcons threatening. This week we can look forward to two huge 'crunch' matches, with 1 v 2 and 3 v 6. Bring it on!

Beating Kew at the 'graveyard' is never easy; however Richmond certainly made a fair fist of the challenge early with **Sean O'Connor** and **Rury Liddie** keeping them right in the game at half time. In the third quarter though, the undertaker - aka **Craig Home** - hammered a very large tack, if not quite a nail, into the lid beginning to obscure the Snakes' final aspirations. Six goals in one quarter from Horne, changing the complexion of the game, is hard to go past for best on ground, though **Glen Evans** in the backline was also influential. The final quarter was once again relatively even, however the game was already firmly in Kew's grasp and they recorded an important six goal win.

The match at Albert Park lived up to its billing early with a spirited battle between the Sharks and Albert Park. **Justin Flower** was in everything for Eley Park, whilst **Tristan Tiller** fought hard for the Falcons. At half time **Nathan Dallas** must have flicked a switch (if only it was that easy) as Sean Allan and **Ben Hansen** led a second half demolition crew that hammered the Sharks into submission with 31 scoring shots. There would be a few very nervous coaches now watching the inexorable ladder climb of Albert Park.

Smack, bang and fifteen first quarter goals would have left South Mornington feeling like they were on the end of a **Mike Tyson** right hook. To their credit they fought hard and

managed to contain the Magpies to some extent after quarter time, however the performances of the ilk of **Samuel Thomson**, with 8, **Gall** and **Monagle**, were awe inspiring for the red hot flag favourites. South Mornington, along with SFX, face probably the most travel in the league and would be hailing the opening of Eastlink.

St Francis Xavier returned to some timely form ahead of a few crucial matches, with a solid win over Syndal Tally Ho. The Xmen set the tone in the first quarter, hitting the contest hard and with **Glenn Pearson** and **Mark Hamill** dominant, soon set up a match winning lead. **Lucas Hannemann** with four goals tried hard to bring Syndal into the match in the second half, but the home side had winners all over the field in a solid reminder of their ability.

Box Hill North maintained some life in their season with a Martini fueled second half surge against the Cobras. In the first half Bulleen, led by **Ben Cookson** and **Taleb Mehrez**, were too quick for the home team, and set up a two goal lead at the main break. After the rest **Shaun Irvine**, and big **Dave** with seven goals, took their close neighbours to the cleaners, quickly establishing ascendancy in the third and continuing to a commanding six goal victory.

North Brunswick were always going to prove a challenge for Mt Lilydale, particularly with last week's victory and some added confidence for the home team. Apart from the first quarter where the mountain men dominated, this proved to be the case with even a flicker of an upset. **Stuart Hern** did his utmost to provide the spark, however **Daniel Cerra** and **Thomas Wall** helped Mt Lilydale to an important win.

## TODAY'S D4 MATCHES

ALBERT PARK v BULLEEN COBRAS  
MT LILYDALE v ELEY PARK  
NORTH BRUNSWICK v BOX HILL NORTH  
RICHMOND CENTRAL v ST FRANCIS XAVIER  
KEW v WEST BRUNSWICK  
SOUTH MORNINGTON v SYNDAL TALLY HO

### THIS WEEK

#### Match of the Round

#### Kew v West Brunswick

What a blockbuster we have at Victoria Park. Both teams have potent forward lines, and strong defenders, so the battle will

be won in the midfield. West Brunswick have few players out of form, but Kew's **Greg Bell** and **Glen Evans** also seem to be hitting their straps after a lull. If the Bears can hold big **Jarrold Sudholz**, and **Bill Irving** (easier said than done), they can run out victors by 5 points.

### Richmond Central v St Francis Xavier

Richmond showed some positive signs last week and would be desperate to topple the Xmen at home. Both sides rely on their run so in this case **Troy Whiting** and **Xavier Gargan** at either end of the ground may determine the result. Cerral by 2pts in a slight upset.

### South Mornington v Syndal Tally Ho

Both teams have had a hard time of late, and this match-up was a thriller first time around. Syndal would fancy their chances of reversing the previous result but will have to be content with a draw.

### Mt Lilydale v Eley Park

Eley Park are better than their last match suggests and will prove a stern challenge, however the mountain men play their home patch well and should win by 13 points.

### Albert Park v Bulleen Cobras

Albert Park are one of the form teams in the comp and though the Cobras will try hard the height and strength of the Falcons will help them to a 34 point victory.

### North Brunswick v Box Hill North

North Brunswick will like the likes of **Jason Harkins** and competition best and fairest smoky, **Dave Pizzari**, will once again be a chance at home. I think though with Box Hill's height and more to play for, that the away team will triumph by 24 points

Reserves: WB, RC, SM, EP, AP, NB

### CONTACT

Reports please to [deejaypalmer@bigpond.com](mailto:deejaypalmer@bigpond.com) by midday Monday. *Good luck to all teams, and all the best to Central's Andrew Read who suffered a nasty injury on the weekend. I am sure all from the VAFA hope your operation goes well and that you are back on the park as soon as possible.*

## MILESTONES

West Brunswick congratulates **Chris "Crittter" Lehmann** on 150 superb games in the black and white stripes. Critter has been a permanent fixture in the senior side for some time, his consistency, booming left foot and hardness at the contest making him a crucial member of the team. He is also an excellent clubman, performing the role of senior team manager with aplomb. Everyone at the Magpies wishes Critter all the best for his milestone game.

### U19 PREMIER

My Dad's a funny bloke. Being from NSW he knows buggar all about Aussie rules, he tried it, but just couldn't come to terms with the fact that you couldn't just tuck the pill under your arm and run. But like most men of his ilk he has strong opinions about our favourite game and isn't shy about letting anyone within earshot hear about it. Being a rugby league fan his Victorian footy vernacular comes from the school of channel 7 commentators. Blokes like Peter Landy, Peter McKenna, Sandy Roberts and Drew Morphett taught Dad how to express himself when commenting on footy so when I sat down to discuss round 11 of U19 Premier over a beer last Sunday and how so many good teams gave up solid leads to allow their opponents to snatch the four points Dad came out with some of the truest football wit that transcends all football codes; "the cream always rises to the top" he touted and looking at last weeks results it's hard to argue.

Take for instance our ladder leader De La Salle, they travelled out to Sunbury to take on a Rupertswood side who would have been full of confidence after the great win a week earlier and it was the Rupo boys who started the game the better holding a modest lead at every break thanks to ripping performances from skipper Cam Thill and his mates Joe Cariss and Todd Podolczak. But as mentioned by Dad the cream rose to the top and De La did what good teams do and gassed up their A game to run out winners by 15 points thanks in part to marvelous efforts by Gab Montalban and Mark Collins. It was the wind at The Camberwell Sports Ground that could have proved the difference between these two finals aspirants as Old Scotch hosted Marcellin and it was The Cardinals who had first use of it to jump the Eagles. Nick Marks caused headaches for the Marcellin coaches and when the Eagles' poor conversions left the scores level at the half it was time for the cream to rise, and rise it did, against a determined Scotch Mick Delaney, Stef Bettello and Greg Munro were all contributing to an even team performance and when the outstanding Mitch Brook was moved forward booting 3 last quarter goals Marcellin took the lead and held it running out 4 goal winners.

St Bedes Mentone Tigers proved Dad's theory with an emphatic 104 point demolition of St Bernards. The Snow Dogs jumped off the bus and offered plenty of fight, Luke Sweeney and Andrew Van Meel were up and about for Bernies but The Tigers had too many winners with Brenton Rafferty and young Mick Meehan starring

in the big win

with 5 goals each. Again Mavric and Bastion showed their class on a day that left Tigers coach Owen Lalor satisfied with the unexpected percentage booster. Looking at the progressive scores from Righetti last week one could apply Dad's theory of cream rising but I tend to think Xavs may have had few favourable gusts of wind blowing towards their goals late in the game. SKOB appeared set to inflict Xavs 5th straight loss with Karl Riegert, Alex McBride and Jarrod Nash running amuck but again St Kev's came up short at home. Christian Sanfilippo, Joel Donnellan and Damian Ryan were among Xavs best as they propelled the Claret and Stout past the Skobbers and snatch victory by only 2 points.

Uni Blues now hold campus bragging rights and have sent out a sign that they haven't booked an early footy trip just yet taking the chokies over the more fancied Uni Blacks to the tune of 27 points. Capra, Maddocks, Griffen and Perkins were on fire for the Blues while Bede Mahon and Matt Augustinus were amongst the best for Blacks.

## TODAY'S U19 PREMIER MATCHES

UNI BLACKS v ST BEDES MENTONE TIGERS  
OLD SCOTCH v UNIVERSITY BLUES  
MARCELLIN v RUPERTSWOOD  
ST BERNARDS v ST KEVINS  
OLD XAVERIANS v DE LA SALLE

### ROUND 12 MATCHES TODAY

#### Old Scotch vs Uni Blues

Scotch play host again this week as Uni Blues travel to Camberwell Rd buoyed by the win at Blacks last week. Old Scotch need the win to steady themselves in the four, Blues could get themselves into a winning run at the right time of year. This is match of the round in my book and if the Uni's VFL listed boys are released then look out Scotch. I'll tip an upset and say Uni Blues by 2 straight kicks.

#### Uni Blacks vs St Bedes Mentone Tigers

It's hard to go past The Tigers on recent form but Uni

Blacks will be desperate to make up 4 points lost last week in a fixture most U19 punters thought they would win. Blacks fans may be hoping St Bedes Mentone roll up a little complacent as I think this will be their only chance of catching The Tiges out. On the flip side pressure for spots in St Bedes Mentone's Premier side will see them front up as hungry as ever and The Tigers will win well. SBMT by 5 goals.

#### Marcellin vs Rupertswood

Rupertswood have been playing great footy out at Sunbury of late and will want to replicate that form away. Today they travel to Bulleen to tackle a Marcellin side that has been on song in recent weeks. Another cracking game awaits those punters who head to the #2 oval and I'm tipping Robert Viney's boys in maroon will sing the song today after taking care of business by 4 majors.

#### St Bernards vs St Kevins

Both clubs will be desperate for wins today, St Kevins have been thereabouts in their last couple of games only to see the points slip away at the latter stages. SKOB are a proud club and will be filthy with themselves and I expect them to be too much of a handful for a St Bernards outfit that will find their home surrounds more to their liking and will fight to the end. St Kevins by 3 goals.

#### Old Xaverians vs De La Salle

Old Xaverians have halted their slide but I think the feeling will only be temporary as De La Salle travel to Stradbroke Park today. De La were forced to fight for the points last week and will carry their winning ways through the afternoon today and show the comp they still mean business. De La Blues by 6 goals.

Got a comment or a match report? Send 'em to ross26@iinet.net.au Thanks to those who did so last week, always a great help.

##### Round Rewind North (1)

Round eleven kicked off with a bang as Old Camberwell notched their fifth win of the season with an emphatic 70 point drubbing of the struggling Old Carey outfit. Gun forward Jack Le Cerf starred for the victors as he contributed four majors to the win, as did Jack Reed who managed to snag three. Liam Cooney was once again a standout in a tough day for Carey.

In a ridiculous score line at the weekend, Old Trinity showed why they are still a major factor in this competition as they dismantled the lowly ranked Old Essendon side by a whopping 143 points. Charlie Ampt

had a day out and feasted on the Old Essendon defence with seven goals, whilst Jason Guerra was also brilliant in the win. Scott Drysdale showed plenty of heart in the humiliating defeat.

Bullen Templestowe recorded an impressive 18 point victory on the weekend against the Old Paradians. They led at every change thanks to the great work of Nick Sargent and James Gaul who finished with four majors. Stephen Montlito was named best for the Paradians.

Banyule/Viewbank and the Fitzroy Reds played out an extremely high scoring affair at the weekend, however it was Banyule who were far too good, running out victors by 67 points. In a superb effort up forward, Alex Dunnachie managed to boot eight goals for the victors, whilst his partner in crime in James Vear chipped in with five. Thomas Chesire was named best for Fitzroy.

Old Ivanhoe made light work of the Manningham Sharks at the weekend, running out victors by a comfortable 27 points. Forward sensation Alex Diorietes proved to be the difference as he kicked five goals, whilst Brett Halkyard was sensational in the midfield. Dylan Robson-Long played well all day in a tough loss.

Bottom of the table clash? One guarantee is that it won't be pretty.

The Sharks have won two games this season, the Paradians are yet to open their account.

Old Essendon were dreadful last week and will be keen to atone for it. They won't win, but they'll be spirited.

TIP: Old Carey by 20 points

#### Banyule/Viewbank v Old Trinity

Great top four clash, look for Old Trinity to continue their fine form and take this one down.

TIP: Old Trinity by 22 points

#### Bulleen/Templestowe Old Camberwell

Bulleen will be too strong here at home.

TIP: Bulleen by 12 points

#### Fitzroy Reds v Old Ivanhoe

Old Ivanhoe to keep doing what they do best? Win!

#### Round Rewind North (2)

Ivanhoe AFC were able to turn around a 23 point quarter time deficit to run all over the top of a tiring Therry Penola line up, running out victors in the end by 19 points. Paul Walter starred in the victory as he booted six goals, whilst Heath Fisher was Therry's best.

In a similar theme for the round, Rupertswood, who were outplayed for three quarters, pulled out a massive effort to over run a gallant St Bernards side. The determined Rupertswood boys, in particular Kale Plummer and Tom Buttigieg lifted in the last term to assist the great work done by Tom Galea. Despite being behind by 30 points at one point in the match, Rupertswood rallied and pinched the points on a last gasp Beau Rankin goal to run out winners by three points.

The Aquinas OC juggernaut kept on rolling along at the weekend as they downed a gallant NOBS/St Pats side by 48 points. Luke Fringuelli played a great game for the Aquinas to be named best on ground. Joel Eliades was handy around goal also, as he booted three. Jason Brun was the Old Boys' best.

Emmaus St Leos put in a fantastic effort on the weekend and got their just reward with a 39 point win against the struggling Fitzroy Reds.

Eddy Jones was superb with the victors as he piled on six majors, whilst Angus Mulholland tried hard all day in a tough day for the Reds.

The Old Xaverians closed out the round with a great win against fierce opposition in Old Geelong, running out winners by 33 points. Dom Prowse was brilliant in the victory as was Sam Elliot who kicked three goals. James Holt was Geelong's best.

Despite their gutsy win last week, I can't see two miracles in a row for Rupertswood.

NOBS/St Pats look to have too much class here.

TIP: NOBS/St Pats by 35 points

TIP: Old Xaverians by 10 points

#### UNDER 19 SOUTH 1

5 out of 5 tips for me this week with the faves romping home. Old Brighton and Collegians still have work to do if they are to be a show of pressing for a spot in the four. As I said last week it is still anyone's up top with a top two spot a must in such a competitive top four. Friday night footy proved to be a fizzer with a strong Ormond side winning comprehensively over a Haileybury side that most likely didn't cope with the 6 day break.....hmmm. Allan and Steet lead the way for the Monders kicking 8 between them and for the Bloods it was Ditchfield who battled gallantly. I don't think anyone expected OM's to win as comprehensively as they did against Caulfield. Although getting back into the game at half time the Caulfield boys couldn't get near the Melburnians for the rest of the match eventually going down by 68 points. Macca McGlashan shone kicking 4 for Caulfield and O'Keefe battled all day. Unfortunately OM's failed to enter their best players and goal kickers. Old Brighton kept their finals aspirations in tact with a comfortable win against Mazenod. Pascoe vale was BOG for Brighton and for the Panthers it was Mann and Daskalou in the best again. Beaumaris won well against Oakleigh who did well to get a side together this week. Pickett and Kurth did there best for Oakleigh. Beaumaris unfortunately did not enter their best players and goal kickers. Collegians came away with chocolates against a much improved Old Mentonians. A close affair for

majority of the duration was done with after Collegians 6 goal to 2 last quarter. Rose was top dog for the Boys in purple. For the Mentone lads it was ruckman Royston and Alexander down back who tried hard.

### This Week Round 11: Ormond v Mazenod

Back in my day as an Under 19 South footballer these sides used to have some good battles, although these days Ormond look to strong. Ormond by 35 points

### Collegians v Beaumaris

Match of the round for this week. Last time they met Beaumaris were winners by a few goals. Collegians have to win here to stay in touch but I just can't tip them. Beaumaris by 18 points

### Old Melburnians v Old Mentonians

Battle of the OM's. Melburnians much too strong here at the Junction. Old Melburnians by 85 points.

### Old Haileybury v Old Brighton

Haileybury on a 10 game losing streak. Sorry lads but I think it will be 11. Brighton by 70 points

### Oakleigh v Caulfield

Caulfield coming off a defeat will be scathing. Should win by plenty. Caulfield by plenty.

### UNDER 19 SOUTH 2

The top four all got the job done last Saturday and this tipster did as well with 5 selections coming through. With seven to play the top four is close to set and it's just a matter of positions. You would feel that St Bedes and Bentleigh would have to win at least 6 of their last seven to make it but as they say, footy is a funny game. Match of the Round saw Hampton rovers push Monash Blues down at the Boss. Robbo's 6 goals and Alev who was Best on with his 3 help the Blues to Victory number eleven for 2008. For the Rovers it was Trembath and former test cricketer Stuart Law's brother Matt Law who lead the charge. In the MHSOB and De La Salle clash the Melbourne High boys were a lot better after half time but ended up going down by 4 goals to "Dark Horse De La". For De La it was Sam "Son of Gazza" Haslem with 5 sausage rolls and Williams winning plenty of footy. Cooper and Yule did their best for the losing side. Saturday night footy at Gary Smorgon saw Bentleigh come out all guns blazing against AJAX after no doubt a big Friday night at the "Drink" due to a late start on Saturday. But it was to be their downfall with AJAX running over the top of the Demons 8 goals to 2 in the second half to take the chocolates. Freed was again good as were the Steinberg duo. For the Demons Chamberlain toiled hard. Parkdale at home were too strong with a 5 goal last quarter helping the final score

line for Peninsula. Platt dopped 5 for the hosts and for the pirates McGuinness tried his best. St Bedes came from behind to defeat a fired up Prahran/Caulfield in a high scoring contest at the prince. Imlach and Maddox lead the tiger charge. The combine had Densley with his 4 goals lead from the front.

### This Week Round 11:

#### Bentleigh v De La Salle

A must win for Bentleigh. If they play 4 quarters I believe they can win. Bentleigh by 12 points

#### Hampton Rovers v Prahran/Caulfield

Although the combine were good last week, Hampton at home will be too strong. Hampton by 60 points

#### AJAX v Monash Blues

Match of the Round. Can the Blues be beaten in "08"? I can't tip AJAX today. Monash by 3 goals.

#### Peninsula v MHSOB

MHSOB should be too strong, they have been competitive against some good opposition this year. MHSOB by 40 points.

#### St Bedes/Mentone Tigers v Parkdale Vultures

St Bedes/Mentone Tigers have just got to keep winning and will again today but it will be close. St Bedes by 15 points.

pe CLUB XVIII SECTION by Norm Nugent

**CLUB XVIII - 1**  
Old Melburnians missed a golden opportunity to gain four valuable points after Prahran went down to Collegians by 42 points. Om's loss to the Old Xavs leaves them still two games and percentage short of the four with only four games remaining. The Old Xavs Crocs continued on their winning way with their only hiccup being in Round 1 against their brothers. Last Saturday the result was never in doubt as their defense led by **Dan Tehan** held the OM's to only one goal in the first half. **Josh Silk** continued his good form with 4 goals and I see the return of **David King** amongst the goalkickers. Must be getting close to finals. For OM's **Berman** and **Sampson** were the best. Old Scotch secured their second win of the year against the hapless Mazenod. Scotch got off to a great start kicking 4.7 to nil with the breeze and the Noddors couldn't maintain a challenge. A 6'5" recruit from Weribee was outstanding for Scotch alongside Bradley, Mitchell and Siutherland whilst Cuberes, Hose, Little and Stanley battled hard for Mazenod. The name Erickson may figure in some senior action for Scotch come September. Collegians showed that they will be a force to be reckoned with when they rocked the two Blues. Cricketer come actor, **Peter Lazer** booted 6 goals for the purple haze with **Shinkfield**, **Baxter** and **Richards** dominating around the ground. **Craig Berger** was again best for Prahran but he will need more support if they are to challenge for the cup. Completing the four is Uni Blues who made easy work of the Old Xavs ménages. Blues kicked with the breeze and made the most with 5 goals in the first quarter. They opened up a 7 goal lead by three quarter time and this was too much for the Xavs. **Ben Dixon**, **Jack Richards** and **Peter Ockleshaw** continued to battle hard for the Xavs but they couldn't captain the big guns of **Auld**, **Klimas** and **Citroen** of the Blues. Unfortunately our reporter didn't see much of the match on account of being superbly treated by the De La community at a well organised and heavily attended luncheon to commemorate the fifth match for the **Anthony Molan Cup**. The **Molan** family were guests of honour and were the most popular attendees after shouting the bar following De La's fifth consecutive victory in these encounters. "Too strong" was the summary of the SKOB coach - "Inspired" the view of De La's skipper. The only highlight for St Kevins coming

when their former President took home the raffle prize of a keg... It was another great example of how both clubs play and enjoy the game at this level, and I was certainly moved by the experience. I'm really pleased to see that the tradition can continue long after many of the names and faces move on.

**TODAY'S CLUB 18 (1) MATCHES**  
MAZENOD v OLD XAVS (2)  
COLLEGIANS v OLD SCOTCH  
OLD MELBURNIANS v PRAHRAN  
DE LA SALLE v ST KEVINS  
OLD XAVERIANS v UNI BLUES

This is the final chance for OM's as they take on Prahran at Albert Park. Prahran's experience and strength will be too much for OM's and they will settle the four. The crocs take on Uni Blues in what is a big game. Blues will need to win this one or they may lose the double chance. It would be a big call to pick against the Crocs and I am not the man to put my neck out that far. Collegians and the ménages should be too good for Scotch and Mazenod respectively and in a strange occurrence in the draw De La and SKOB's will battle it out for the second consecutive week. I don't think St Kevin's will improve by 7 goals in a week however footy is a funny game.

**CLUB XV111 – 2**  
**St Bernard's v Whitefriars**  
In a high quality match, despite the strong wind Whitefriars with a consistent 4 quarter effort were too strong and finished full of running to kick 5-7 in the last quarter. St Bernard's struggled to keep up with their quicker opponents for most of the game.  
**Monash Blues v Caulfield**  
Monash for the 2nd week in a row has punished the opposition with good consistent flow on football and keeping Caulfield without a win along side it's name to-date but Caulfield can be hearted by their never give in attitude which will hold them in good stead for the future.  
**Old Trinity v Old Scotch**  
Although Old Scotch started slowly they soon got them selves into gear and with **Hazeliman** and **Neilson** kicking 4 goals & 3 goals respectively to run out strong winners over Old Trinity who fought on gallantly for the whole game.

### University Blacks v Fitzroy Reds

Top of the ladder University Blacks had to battle hard against a Fitzroy Reds team that persisted all day and had they kicked straighter early in the game the result may have been a lot closer.

### Box Hill Nth v Old Brighton

A 5 goal haul from Old Brighton's **Adam Ginnivan** was the difference in a close win over Box Hill Nth, the tussle between these two teams showed they are not far apart and that a finals berth is still a real possibility for one of them.

### TODAY'S CLUB 18 (2) MATCHES

UNI BLACKS v ST BERNARDS  
MONASH BLUES v OLD BRIGHTON  
BOX HILL NORTH v FITZROY REDS  
CAULFIELD v OLD SCOTCH  
WHITEFRIARS v OLD TRINITY  
**Stintons Reserve at 11.40am**

This Saturday St Bernard's take on University Blacks and this is a test for both teams with the winner gaining a huge advantage in the run home to the finals. Uni Blacks goal to goal line does appear to be the stronger and they should kick a winning score.

Monash who currently sit in 2nd position on the ladder would not want to take the fifth position team in Old Brighton lightly as they are more than capable of holding their own, however Monash will start favorites as a finals berth for Old Brighton begins to fade.

Old Trinity venture out to Whitefriars in a game that will see Whitefriars take another step towards finals football as Trinity have struggled to trouble the top teams all season. **Elliot & Davis** will be pivotal in kicking a winning score for the Friars.

In a trip across town the Reds will have a red hot go at downing Box Hill Nth especially if Holderhead & Ormerod can maintain their current form and the Reds back line can hold the 2 **Nguyens & Prince** who are consistently among the goals.

Caulfield at home will give it everything it has against an inconsistent Old Scotch but on current form Old Scotch, with **Don & Logan** providing the avenue to goal should account for Caulfield.

### CLUB XVIII - SOUTH

With now four matches remaining it seems that the final four has shaped into a very even contest for the flag. In the much anticipated Old Camberwell and Ormond clash the Camberwell lads saluted by 22 points. Margetts was BOG for Camberwell. For the monders Stephens stepped up with a haul of 5. St Bedes/Mentone Tigers also did the job against Oakleigh with **Lynch** kicking 6

### TODAY'S CLUB 18 (SOUTH) MATCHES

EMMAUS ST LEOS v OLD CAMBERWELL  
**Bennettwood Sports Ground at 9.20am**  
ORMOND v BEAUMARIS  
OAKLEIGH v ST MARY'S SALESIAN  
ST BEDES / MENTONE v OLD GEELONG

for the tigers, and for Oakleigh Bell with his 3 goals was best on. In a minor upset the Beaumaris boys lead at every change to knock off the higher placed Old Geelong by 9 points. Best players for **Beauy** were **Menzies** and **Gasperino**. Old Geelong was well served by **Skinner** and **Bailey**. As expected The Combine defeated the bottom placed Emmaus St Leos by 11 goals. **Adam "The Wall" Davey** was solid for St Marys/Salesian as was **Justin "Whacky" Woodman**. This week should see Old Camberwell too strong for Emmaus. Ormond should get the better of Beaumaris although Beauy will have grown in confidence. St Marys/Salesian should defeat Oakleigh on their home turf, and in a top four clash the Tigers should win at home to Old Geelong in a good battle.

### CLUB XVIII - NORTH

The four almost set here with four games remaining. Bull Temp will need almost a miracle to break in; either that or win and other sides lose. Last Saturday saw Kew overcome Old Carey in a tight affair to win by 7 points. Bell was named best on for Kew. For the Carey boys Everett toiled hard. NOB/St Pats were too strong for Bull Temp to salute by 27 points. Cariss managed 4 goals for NOB/St Pats, and for Bull Temp both Henderson siblings had a say in proceedings. Box Hill North lead at every change to defeat Therry Penola by 6 goals. Unfortunately Box Hill North failed to enter their best players and goal kickers. For Therry Penola Pichler was a standout. Old Westbourne were no match for Marcellin going down by 108 points with Brazzle winning a lot of ball for Marcellin. **Jofre** tried his best for the Warriors. This week will see a tight clash between NOB/St Pats and Old Carey with both sides vying for 2nd position. Old Westbourne should be too strong for Therry in another close contest. Marcellin will take the points against the Bull Temp lads. And Kew travel to Box Hill North for what should be a victory for Kew.

### TODAY'S CLUB 18 (NORTH) MATCHES
