REP FOOTY BREAK PUTS FOCUS ON D SECTIONS

Whilst some may see the focus switch from the home and away rounds to rep footy this weekend,

the true die hards of club footy will be on show with D1 – D4, Club XVIII and 4 Under 19 sections continuing.

As every VAFA supporter is aware it is the relegation and promotion system that sets the VAFA apart from most other competitions. However in D4 relegation doesn't cause an issue and it is for this reason that the competition does at times lack that competitiveness.

Over the last couple of weeks we have seen some major upsets throughout all sections because of the relegation system. To name just a few Blacks rolled Old Xavs, MHSOB beat Hampton Rovers, Yarra Valley beat Prahran and the D1 relegation match between Peninsula and Aquinas must have been a beauty with 2 points separating them at the end of the game. Unfortunately in our lowest division, D4, this motivation can be lacking causing the biggest discrepancies in scores.

Over the last couple of seasons we have had a number of clubs join the competition and all do so through this level. This season we introduced St Francis Xavier from Beaconsfield, the year before Sth Mornington and before that Mt Lilydale. It has become clear that any new clubs to the Association are probably going to come from the growth suburbs of Melbourne which are more than thirty kilometers from the CBD.

This will put increasing strain on the clubs in D4 as they have to travel long distances to play each week. This has been made the more difficult by the increased prices in fuel recently.

The other fact is that with the introduction of new teams, we have extended the D4 competition to 12

sides. By nature the more teams the bigger discrepancy between top and bottom. Therefore without the relegation should D4 have the most number of teams?

There are a number of teams in D4 who seem content to play for recreational purposes whilst others are keen to progress. Certainly the VAFA Football sub-committee will discuss the make up of the D3/D4 sections at the conclusion of the season.

In spite of what is stated above, a great win by St Francis Xavier last week against Kew has livened up the top section of the ladder. In this section we are playing a final five so to finish in the top 3 is vital. The five seems set but the jostling of positions is what will make it interesting. Hopefully we can see an upset in the last five matches however without the threat of relegation I think it is highly unlikely.

Club XVIII has only two weeks remaining before finals and for the first time we have 4 divisions. It is our opinion that it is best for the competition to have three sections of 8 rather than two of 12. This way it gives more clubs the opportunity of playing finals and therefore less meaningless games.

The Under 19's can be a challenging competition for all concerned. This can be a difficult stage in a young man's personal development and we are so lucky to have volunteers willing to give of their time to ensure these young men get a competitive game of weekly sport. The community is indebted to these people and we must ensure that the VAFA and each club set strict boundaries for these players so that they can play in an environment where they are able to attack the football with full confidence knowing that they have officials to protect them.

The VAFA will continue to strive to make all our grades safe, competitive and enjoyable.

ROUND THIRTEEN REVIEW

At Gillon Oval, North Old Boys/St. Patrick's Collegians were blown away by Old Geelong in the second half, to the tune of 12 goals to one, eventually losing by 78 points.

Fitzroy Reds lost their Bedford-Stephen Trophy and were tipped out of the four in the process as South Melbourne Districts took the bikkies by 42 points at Lindsay Hassett Oval.

In a good game despite the blustery conditions at the Playing Fields, Old Mentonians held on in a thrilling finish to shade it over Bulleen Templestowe by two points. The Panthers were up by 14 points with two minutes left on the clock, before the Bullants scored two goals in quick succession. The last 30 seconds seemed to last an eternity, but the Panthers defence managed to withstand one last Bullant attack. **Rowan Ball, David Teasdale** and **David Cochrane** were instrumental in the Panthers' victory.

Peninsula OB were in control for most of the day in their match against Aquinas OC in Mount Eliza, but could've easily lost it, eventually getting over the line by five points. Full back **Anthony Williams'** suspension for the visitors proved critical for the visitors, but got good service from **Lachlan Barnes** in his senior debut, wingman **Trent Harkin** and **Paul Maaskant**, whose run of fine form continues. For the Pirates, **Tom Rees** did the business when it counted in the last quarter, while key forward/ruckman **Nick Claringbold** was an imposing presence, and **Toby Garbers** was a strong target up forward.

Yarra Valley OB made it two wins on the bounce with a convincing win over Prahran by 43 points at Toorak Park to make things that bit more interesting in the relegation dogfight.

ROUND FOURTEEN PREVIEW

Aquinas OC have another tough battle on their hands, this time at home to Old Mentonians. These teams last met in Round One, the Panthers triumphant by 39 points on that occasion. After an encouraging first few weeks, very little has gone right for Aquinas in the last couple of months. The Panthers, like myself, had a saggy middle part of the season so far, but (unlike me) are now back in tip-top shape. Panthers to continue their run.

Old Geelong make the trip to Domeney Reserve to face an in-form Yarra Valley OB. The Oggers had a fantastic win over the league leaders, while the Bushrangers continued their scramble to safety with a key victory over a fellow struggler. It was only in Round Eight that Old Geelong won by a massive 117 points. Can the Bushrangers turn this around and make it three wins in a row? If they do, I'll eat my hat. So look out for a guy wearing a chocolate hat on Saturday, just in case. However, I'll take the Oggers in this one.

South Melbourne Districts host Prahran at Lindsay Hassett Oval. Prahran won a thriller by five points when these teams met in Round Two, but it has been a contrast in fortunes ever since. The Two Blues have lacked a clear focal point up front since the beginning of **Paul Greenham's** absence, so South's multi-faceted forward structure should have them covered, which should prove the decisive factor today. Bloods for mine.

Bulleen Templestowe will look to return to winning ways as they take on Peninsula OB at Ted Ajani Reserve. Back in Round One, it was the Bullants who emerged triumphant by 20 points, and both sides have performed pretty much to expectations since then. The Bullants simply have more class players in all parts of the ground - the most potent forward double act in the section, and the talent in midfield and down back to get the ball to them. Bullants to win.

Brunswick Street Oval is the scene for today's clash between Fitzroy Reds and NOB/SPC. Despite both teams losing their lustre in the last two or three weeks, including losses for both sides last week, this game still merits match of the round status. The Cobbers won by 22 points back in Round One, and both teams have, for

the most part, been going along nicely since. Both sides need a win today, albeit for different reasons, in what looms as a season-shaping contest. Tough call this, but I'll go the Reds in a tight one.

TEAM OF THE YEAR

As the home and away season winds down to its conclusion, it's time to start looking at compiling the D1 Team of the Year. If there's anyone you think is worthy of consideration, whether on your team or not, just send me an email with the name of the player, his club and the position(s) he should be considered for. The selected team will be announced in the Grand Final edition of the Amateur Footballer.

CONTACT

Match reports can be sent to me via email at theqwill@hotmail.com.

I am keen to hear from all clubs and establish a degree of parity as far as publicity goes. Please keep your match summaries to around 100 words if possible (due to space restrictions), but I am certainly happy to take on board any other comments, be it about the match or other things. Remember, this is about your club, so make the most of it.

Good luck to your team today, and have a great VAFA weekend!

by Jono Healy

Werribee may still be on top of the ladder, but I have a feeling that they are struggling a bit at the moment. Emmaus St Leos continue to roll along nicely and are joint premierships favourites with the Tigers at \$2.20 in the current market. It's a three horse race for fourth spot on the ladder (could really go to anyone), while the relegation battle is as close as ever. I think St Marys/Salesian still have a couple of wins left in them, so expect the unexpected in the next five weeks.

Emmaus St Leos \$1.50 v Banyule \$2.40

Much to Drifter's dismay, Emmaus St Leos enter this clash as clear favourites, despite the fact that the Animals lost to Banyule away from home earlier in the season. A win for the home side will all but rule out the chances Banyule has of finishing with the double chance so stakes are high in this one. Emmaus St Leos had to work hard for their win against St Marys/Salesian last round, but **Nathan Baranello** and **Chris Beluszar** (five goals) stepped up (yet again) when required in the final term. Banyule got the job done over Old Paradians, with **David Gayfer's** five-goal haul the highlight. Both teams possess plenty of quality players and I expect a high-scoring shootout here. **Beluszar** at one end and **Gayfer** at the other makes for good viewing, but the game is sure to be won in the middle of the ground. The **Baranello's** are important for the Animals, while the likes of **Nick Taylor**, **Nathan Braddy** and **Leighton O'Donnell** will need good matches if the Bears are to prevail. There can only be one winner here and the Animals will display their premierships credentials with a comprehensive victory. Emmaus St Leos by 35 points.

Old Paradians \$1.65 v St Marys/Salesian \$2.10

This is a must win for St Marys/Salesian if they are to stay in D2 in 2009 and, although their form of late has been good, the Raiders at home are always a formidable outfit. Old Paradians are coming off a disappointing loss to Banyule and a win here should see them safe in D2 for next season. A five-goal haul from **Matt Goodier** and a best on ground performance from **Aaron Stevens** wasn't enough to get the combine over the line against Emmaus St Leos, but this match is certainly a drop in class compared to the sides that they have faced over the past fortnight. I fancy an upset in this clash, with St Marys/Salesian to throw everything they have at the Raiders. **Carl Sage** will need a big game for the home side, while the performances of **Goodier** and **Jeremy Dwyer** will be crucial for the visitors. St Marys/Salesian by three points.

Glen Eira \$1.33 v Bentleigh \$3.10

A big local derby with plenty at stake for both clubs today at

Packer Park. And fans should be treated to a good game. Glen Eira lost their spot in the top four last week by losing to Ivanhoe and will be keen to reclaim that position this week. Bentleigh lost their match against Old Westbourne with a poor opening quarter and will be sweating on the fitness of James Robertson this week and hoping he returns to the senior side. I am not sure what has gone wrong at Glen Eira over the past month, but I am sure they will bounce back soon. Quality players such as **Chris Massis**, **Alex Tsirogiannis** and **Scott Diamond** rarely stay down for too long. Walshy is sure to have his troops fired up for this match, but can the hard bodies of the Saints match it with the youngsters of Bentleigh? If it is a dry day Bentleigh are a huge chance but, at home, I have to give the nod to the Saints. Glen Eira by 18 points.

Werribee \$1.20 v Ivanhoe \$4.10

They keep on winning, but Werribee's past two performances have been below par and they will be keen to find some form back at Soldiers Reserve prior to the finals. Last week against Therry Penola, **Andrew Tedesco** showed some of his old form, **Chris Scudamore** turned a tagging role into attack, while **Nathan Renaut**, on return from injury, had an impact straight away. Considering they have four of their last five games at home, Werribee will still finish either first or second so it will just be a matter of trying a couple of different things and finding some form for the Tigers. One team that is in-form is Ivanhoe. I may have underrated the Hoes somewhat during the season, but if they can win this one they will be well on their way to cementing a spot in the top four. 200 gamer **Travis O'Neill** was in fine form against Glen Eira last week and he continues to defy the critics week in week out with impressive performances. Although Werribee may be in a mini form slump and Ivanhoe are playing good footy, it is too tough to go against the home side in this one. Werribee by 21 points.

Old Westbourne \$1.25 v Therry Penola \$3.50

The Warriors are making a big run at the finals and, a win here, could see them claim a spot in the top four for the first time this season. A stunning opening term was the catalyst for Old Westbourne's 20-point victory over Bentleigh on Saturday and it was good to see **Ben Hutton** once again among the best players. Eleven goals from **Corey Bannister** wasn't enough to get Therry Penola over the line against Werribee last start and its hard to see them troubling Old Westbourne in this one. If the visitors are to prevail they will need some players to help

Bannister out in front of goals as it is hard to win matches when you have only one scoring avenue towards goal. Warriors on a roll and should be too strong. Old Westbourne by 44 points.

Jimmy Ayling plays his 100th senior game for the **Werribee Amateurs** today. Jimmy started with the club in 2001 playing a mixture of reserves and seniors working his way to a regular senior spot from 2004 until this season which he started in the reserves and has earned a stop in the seniors of late. All at the club wish their older statesman all the best.

Ivanhoe Amateur Football Club would like to congratulate **Travis O'Neill** on playing his 200th game for the club in last weeks match against Glen Eira. Travis has been a fantastic servant of the club and has been the leader of the backline over many years with his hard attacking approach to footy.

SOCIAL FOOTY "OF THE UTMOST IMPORTANCE"

Russell Barnes ~ Ormond Senior Coach

An important aspect of a successful football club is to have a healthy social life. Maintaining the involvement of the partners of players and officials at our level goes a long way to creating harmony amongst the group.

During the pre season the building of the social factor usually commences at the conclusion of the Friday session with a drink and a barbie as an introduction for new and old players alike. This is also important for the "new" coach who needs to take every opportunity to meet and get to know his new players.

Most clubs have structured social Calenders which commence with the "Seasons Launch" prior to Round 1. This is a great opportunity to introduce new players and sponsors to the club stalwarts.

Through out the season there are set nights such as "Past and Present Players Night". Which provides a good chance for new people to hear about the history of YOUR CLUB.

Sometimes the best functions are the unplanned nights where the group meet at the local hotel after the game to mingle and chat in the company of mates.

Late in the season whether fighting for finals or battling to avoid relegation the playing group can meet for dinner on a Tuesday evening at the local pizza place.

What all this socializing does is build spirit between the players and coaches. When this occurs it is hoped that when the crunch comes on the field the group pulls together to help each other achieve success. Hopefully this provides that extra 1% edge that every coach is looking for from their group.

Above all what a healthy social life does is provide something coaches sometimes neglect and that is ENJOYMENT. This is after all why most players play our great game.

Our Under 19s - Adam Grinholz

With only 6 players remaining from the previous season, this season was going to mainly be about improving the new player's understanding of the game and their skills. After a promising start, inconsistency has plagued us from quarter to quarter and from week to week. Our aim for the last seven games will be to find that consistency in both our effort and our execution of our skills.

season starting but this learning experience will really drive them for the final rounds of 2008 and the pre-season of 2009. Our depth is so much better for this experience.

So far, this year has been unacceptable and we do need things to change if we are to make the necessary improvement.

We have a very promising batch of U19 players at the club. Some have had a taste of senior football this season and I really would not be surprised to see the more of them play senior football towards the end of this year and have great contributions in years to come.

In many ways the most important thing that needs to go right is out of our hands. We haven't had much luck with injuries this season and at different stages we have had some key players sidelined. We need to get our best side on the park more often than not if we are to mix it with the best sides in the competition.

I wanted to single out someone that has been around football a lot longer than me in my coach Mark Elder. His experience has helped me adapt to my new role and he has challenged me to improve in all areas, on and off the field.

Experience is another area we need to improve in. Many players did not know what to expect prior to the

Well this is my first report as a travelling journalist – currently on tour in the old dart a stone's throw from Lord's cricket ground. **Mark Nicolas** and I were just discussing the game in detail – the future of the IPL and Test Cricket. I then turned his attention to the great game that is AFL and he was fascinated by the statistic that we play 22 per side over some six months per season? How on earth do you Aussies find such commitment he quipped – it got me thinking. It really is a tremendous challenge for suburban clubs and as we know the season ends up being a series on momentum swings. I told him this next few weeks are critical – he is heading off the Headingly next, whilst I go to France for the Tour to see **Cadel Evans** keep his yellow jersey!

The league ladders got the job done easily enough at St James Park, thrashing the D4 bound Swinburne side by over 120 points. The goals came from anyone and everyone it seemed, great to see **Wheeler** and **Lee** back in the action, not so great for the opponents though. **McNamara** and **Hatfield** remain in super form. The Razorbacks did get some good service from **Ledger** and **Buncle** in the middle all day.

Hawthorn with **Peter Tyson** coaching game 200 – although that might be game 2000 playing and coaching – had a great day in celebrating the coaches efforts with a soft win against a terrible Gryphons outfit. The young side was on fire in the last quarter smashing Monash with goal after goal. Brothers **Paul** and **James Keeghan** had better afternoons than any other time this season, Ogee again with goals keeping the chances of a tone of goals on track. A great day for them as they are back on track after the Brens Oval hiccup. Monash are now in real trouble to finish fourth as Eltham and Powerhouse both won at the weekend, it is now a virtual Elimination Final for all clubs outside the four this weekend and old rival Elsternwick will fight hard to retain the Murphy-Wells cup. Some positives came from the form of **Mick 'Crackerjack' Malloy** at CHB as well as part-time **Ruckman Phil Gomizel** around the ground, but they had very few four quarter players.

Paul Sosic was missing his old mate **D Boland** last weekend at Ross Gregory but he played a gem of a game in the absence of the leader down back to help Powerhouse shut down Uni High and enhance further their final hopes. The Slushies are in form now and scoring a little heavier. The defence continues to give

nothing away. **Ercoli** with four majors here was telling. The visitors would be a bit disappointed here travelling with only a modest effort.

Elsternwick oval saw the match of the round with both sides at three quarter time in with a huge chance of winning. Heaps of nominations for goals of the day from the likes of **Smith** and **Grace** for the red and black army and **Strickland** and **Whyte** for the Turtles kept the fans on edge all day. In the end the Turtles fell in here and were lucky, the host here lose another close game and are almost certain the miss finals. But this was by all accounts a great game for the VAFA to enjoy in their back yard.

Latrobe proved here that if fight and fight all day at the most difficult of away venues then sometimes you get the points and the belief comes flowing back in spades. They probably will miss out for 2009 in our section but this was a stirring win. St Johns form had been poor however at **Thomas Carroll** reserve they rarely struggle. **Biggs** and **McMaster** turn a lot of the ball all day for the visitors and gave their forwards enough possession the post the winning score. **Cachia** had a good here for St Johns but they are heading south and quickly.

PREVIEWS

If I can be so bold this looks an easy round to pick – let's go then. Eltham host St Johns and can win this and solidify the top four spot they hold. Forty points the margin. Willy can win at home with a near full strength unit against Uni High, Hawthorn will win at home against a slightly rejuvenated Latrobe by five goals, whilst Powerhouse will surge ahead again at the hands of Swinburne by fifty points. The Cup game will see Monash win again against Elsternwick by 20 points.

M I MILESTONES E S

Jeff Cotton from **St Johns** played his **200th game** last week against La Trobe Uni. Currently our longest serving player, a dual reserve premiership player, long serving president & committee member. Still going strong on the playing field. Thanks to "Cotto" from all involved at the JOCS.

St Johns player **Adam Jones** played his **100th game** last week. Our senior skipper for season 2008, Jonesy has held down a number of key position roles in his time at the JOCS. A member of our first ever senior flag in 2005, all at St. Johns wish Jonesy continued success. Well done to both men.

All at **Monash** congratulate **Phil 'Rockefeller' Warren** on reaching **100 games** against Elsternwick this weekend. Phil has contributed a number of roles in his association with the Gryphons including Sponsorship and coaching and is a dual reserves B&F winner in years past. It is great to see Phil playing again this year as his presence in the midfield cannot be understated. Well done.

Old Westbourne would like to congratulate **Luke Hudson** on **100 games** for the club. A product of the inaugural Under 19's and the school, Luke has been a fine contributor both as a player, (Senior flag member '04), and via his off-field antics. A 'tough as nails contributor', he can fill a role in any position.

Power House congratulate and thank **Paul Edwards** for **50 brilliant games** for the House this week against Swinburne. Eddo joined the House in 2006 and immediately had a massive impact. A regular state representative, Eddo continues to provide matchwinning performances week in, week out in several positions while providing valuable input as a leader and role model. Well done Eddo. The House are looking forward to the next 50!!!

Brian 'Dicky' Knee celebrates **50 club games** at **Old Westbourne**. Coming to the club late in his career, we have seen Dicky add valuable knowledge to our ressie and clubbies in his time. He is a keen track worker and a junior coach at our club.

by Duncan Palmer

With five rounds to go the five now seems settled and though both Richmond Central and Box Hill North remain mathematical chances, it would take either a small miracle or a Solomonesque brain explosion for Mt Lilydale or Albert Park to fall asunder.

Whilst we have not had a wet winter, again, we certainly have experienced a cold one. It is worthwhile taking some time to consider all the volunteers that have helped keep teams on the park through these periods. Richmond Central and Box Hill North are recognising the volunteers this week with their senior game honouring volunteers from both club, and I think this is a worthwhile exercise. From the club secretary who put the padding on the posts each Saturday morning to the reserves umpire and the time-keeper, this can sometimes be a thankless task. While they are standing in the middle of the oval with their knees shaking so hard that they leave bruises and the frostbite is only allayed by dipping fingers and toes in cups of tea, the only thing that keeps them motivated is their love of the club. Take some time to thank these people. Buy them a coffee, hot dog, or a beer after the game, have a chat to them and make them feel part of the team. Their hearts ride with you on the field.

St Francis Xavier bounced back to form with an awe-inspiring display of football against Kew. The Xmen grabbed an early lead with the aid of a stiff breeze; however four goals hardly seemed enough. In the second quarter though, the home side belied the wind advantage and kicked nine goals against it to put the game out of Kew's reach. The second half continued in this vein despite the best efforts of **Luke O'Connell** and **Craig Horne** for the Bears, and the final margin possibly flattered Kew. St Francis Xavier were delighted with their team effort and were reluctant to name best players however **Anthony Pryor** and **Glenn Pearson** were particularly notable in their performances on the day.

If **Craig Horne** was the 'undertaker' a few weeks ago, **Michael Viola** was the gravedigger as Eley Park well and truly slammed the lid on Richmond's finals aspirations with their best win for the season. Eley Park is a certainly somewhat of an enigma. The Sharks best is competitive with the top three, but they have been unable to sustain this for even two weeks. This week **David Bennett**, **Michael Viola** and **Adrian Pillay** led the Sharks to a seven goal win with four quarters of sustained aggressive football. Richmond would be disappointed, however should be proud that they have continued their improvement, and would be looking to their reserves to play finals this season.

Mt Lilydale also put an undermanned Box Hill North's finals hopes to rest with four quarters of dominance. The return of **Michael Rhodes** was pivotal as he dictated play from the middle and with **Justin Roberts** and **Francis Varga** finishing

well up forward the game was virtually over at half time. Box Hill North never gave in but with players of the ilk of **David Martini** absent it was always going to be a hard task. **Andrew Beaumont** worked hard all day for the demons and was well supported by **Shaun Irvine**. North Brunswick again gave the Falcons a scare as they stayed with the form team of the competition virtually until the last ten minutes of the game. This time Albert Park were able to finish with a solid win thanks to the efforts of **William McIndoe** in the ruck. **Justin Kane** provided the drive around the ground despite some tight attention from **Andrew Mountney**, and **Brendan Murnane** finished well with five goals. Brad Robertson continued his good recent form on the wing for North Brunswick and **Jeza Freeman** was lively down forward. In the other two games, from which there were no reports, West Brunswick were far too strong for Syndal Tally Ho and Bulleen Cobras returned to the winners list with a comfortable win over South Mornington.

TODAY'S D4 MATCHES

BULLEEN COBRAS v WEST BRUNSWICK
ALBERT PARK v KEW
MT LILYDALE v ST FRANCIS XAVIER
RICHMOND CENTRAL v BOX HILL NORTH
SYNDAL TALLY HO v ELEY PARK
SOUTH MORNINGTON v NORTH BRUNSWICK

ROUND 14 PREVIEWS

Match of the Round

Mt Lilydale v St Francis Xavier

In the battle for a top three spot, two of the more physical teams in the competition meet head-on. **Karl Russo** and **Glenn Pearson** will arm wrestle with **Chris Gibson** and **Tom Wall** in a 'no holds barred' battle in the middle. Meanwhile **Ben Spencer** and **Justin Roberts** will provide dangerous targets in the forward half for their respective teams. **Michael Rhodes** and **Luke Hickey** have hit top form recently and I think this along with the home ground advantage will help Mt Lilydale reverse the previous result. Mountain Men by 11pts.

Albert Park v Kew

Albert Park are the form side of the competition whilst Kew have lost only two all year, but stumbled last week. It was interesting to note at least six changes for the Bears from their previous round with notable absentees including Greg Bell. If Kew get a few of these back, or the senior debutants learn

quickly from last week, they may well challenge the Falcons, however with **Sean Allan** and **Brendan Murnane** firing, the home side will have too many avenues to goal. Albert Park by 23 points.

South Mornington v North Brunswick

The two youngest teams in the comp meet with both sides coming off losses but improved recent form. **Rick Sissons** was missing for the Tigers last week and they will be hoping for his return, whilst **Mick Sorletto** and **Dave Pizzari** go head to head for the 'green and gold' best and fairest. I think North will just triumph in this game by 3 points.

Syndal Tally Ho v Eley Park

Syndal would be happy to take any opponent after meeting the Magpies last week but unfortunately meet a Sharks unit that has hit its best form of the year. The Viola show will lead Eley Park to a 52point victory.

Richmond Central v Box Hill North

In the battle for the Volunteers Memorial Cup these two clubs will battle to keep their slim finals chances alive. Both sides would be disappointed with last week and will once again fight out a thriller. I think Richmond may be closer to full strength and will win by 13 points.

Bulleen Cobras v West Brunswick

Bulleen have definitely improved this season with the ilk of **Jason Laurence** supplementing the tried and true like **Tim Conn** and **Ben Cookson**. This week though they welcome the rampant Magpies unit, and though they will give their best I cannot see them get close. West Brunswick by 45 points.

Reserves: SM, EP, WB, RC, Kew, AP

Reports please to deejaypalmer@bigpond.com by midday Monday. These have been a little scant recently so it would be fantastic to receive a few more, particularly from finals participants. Also it is time to start thinking about team and coach of the year nominations.

M I M I L E S T O N E S

All at **Eley Park** congratulate "**Corey Cresswell**" in playing his **100th game** against Mt Lilydale last week. Corey has been an excellent contributor to the Eley Park Football Club both on and off the field. He has won the Eley Park's Best & Fairest and also Club XVIII League Best and Fairest awards, not to mention being awarded the "Best Clubman" throughout his time at the club. Well done Cressa!

All at **Eley Park** also would like to congratulate "**David Versteegen (Vas)**" on playing his **50th game** against Albert Park. **Vas** has taken on the role of coach for our reserves side for the past three years. He is a very dedicated coach and player, a good hard country footballer, who doesn't mind a hard ball. Good work **Vas**!

VFA President's Message

On behalf of the VFA Board and our member clubs, I extend a warm welcome to all members of the SAAFL who have made the journey to Junction Oval today and in particular their President Gino Capogreco and CEO Mark Shadiac. The VFA has a long history of competition with the SAAFL, having been our first representative opponent in 1925.

These matches are always special as they give our respective competitions the chance to fulfil one of our main aims - to give the young men the opportunity to play at a higher level and be afforded the opportunity to further enhance their playing careers.

The VFA has been keenly anticipating today's match given recent defeats at the hands South Australia at U23 level. For a proud Association with a representative record such as ours, this has been something that we are very keen to rectify. Our young chargers, led by new Coach Mick Dwyer, have worked hard to ensure they put their best foot forward and wear the "Big V" with pride.

The Australian Amateur Football Council, of which I am Chairman, warmly welcomed Tasmania into the fold this year and I was lucky enough to witness a fantastic match there against Western Australia last month. The match was of exceptional standard and if today's game comes close to that level, we are in for a treat indeed. With the re-introduction of Tasmania into the AAFC, member states will now only play one U23 match per season placing enormous importance on these matches. A dynamic and exciting challenge now engulfs those member states, which is what representative football is all about.

Today's match is being hosted at Junction Oval, enabling vital renovation works to be conducted at the VFA's home ground, Sportscover Arena. Our thanks go to the MCC for allowing the VFA to utilise this facility and I'm sure the players will enjoy the quality surface.

Good luck to all players taking part today and enjoy the experience. Opportunities like these do not come around very often and I would particularly like to congratulate our players on their selection.

It would be remiss of me not to thank and congratulate all the volunteers who assist in making these games a reality. Their work is sometimes onerous, thankless and exhausting, but all do it for the love of the sport and their Association and we are fortunate indeed to have the calibre of these people involved.

I wish everyone an enjoyable day and look forward to catching up with our many South Australian friends.

Nicholas Bourke
VFA President

SAAFL President's Report

On my first trip for the Interstate clash with Victoria as SAAFL's president I am looking forward to the game. In any game of football between the big "V" and the Croweaters, there is always very strong rivalry and this game will be no different. So to our SA boys forget about being nice – winning is the only thing!

The second part of this trip is the AAFC meeting and official functions. For me I am looking forward to meeting with all of my counterparts from Victoria, Tasmania and Western Australia, all of us have one goal which is the betterment of football. This for me carries on great importance because of the opportunity to discuss all aspects of football and find out new ideas and innovations that we may not have in South Australia. Also we can pass on what we are doing and these points may be of value to my interstate counterparts.

I look forward to meeting with our host VFA and it's President Nick Bourke who I have always has a very good rapport with, and am sure this will continue. My view on interstate games are that they are essential not only to reward and recognise the best players in each state, but to promote Amateur Football in all states and to further try and improve this great game. Also lift the Amateur profile for the State & Federal governments and get them to understand the tremendous work that we do with all our volunteers at the Grassroots level of football.

In closing I do think all involved on this weekend and look forward to a good game of footy.

The final words are – "Go the Croweaters" beat the Vics.

Gino Capogreco
President
SA Amateur Football League.

... Retrospective

by Geoff Reilley

5 YEARS AGO - 2003

It was a terrific competition in **D1 Section** with only 4 points separating the top four teams and no firm favourite identified to date. The match of the day was between **Uni Blacks** (4th) and **Monash Blues** (1st), at the MCG as a curtain raiser to the AFL match. Starting at 10.50 am did not lessen the quality of the contest in this all important fixture. The game was very even throughout the first half with the Blacks gaining a 2 goal break just before half time. They scored freely in the third quarter and although their return was not overly great (2.6) Monash could not penetrate the Blacks' defence and they only managed 2 behinds. The final quarter saw only 1 goal apiece and the Blacks proved worthy winners, 9.20 to 5.10. Best players – **Price, Mackie, Bevacqua, Vello** (3), **Sibilia, Barry** (Uni Blacks) and **Payne, Blackley, Nevill, Chessart, Smith, Smyth** (Monash Blues). **Ashley Hoogendyk** and **Jeremy Heffernan** were the field umpires. After taking into account the remaining D1 matches, Monash dropped to third position and the Blacks remained in fourth place.

In **D2 Section**, undefeated ladder leaders, **Peninsula Old Boys**, had their hands full out at Fearon Reserve against **Williamstown CYMS** who were very keen to stay in touch with the top four. Williamstown were fantastic all day and pushed Peninsula to the limit. They were very unlucky to have victory taken away in the dying minutes as Peninsula kept their unbeaten record intact 14.10 to 14.6. It had been a very entertaining match. Best players – **Payze** (3), **Murray, Crean, Teelow, T Prendergast** (3), **Davis** (Peninsula) and **Twist, Munro, Featherston** (3), **J McCutcheon, Pheister, Cocks** (Williamstown).

The VAFA wished their **senior representative team** the best of luck in the coming weekend. Those selected to represent the **big V** were – **Captain - Andrew Ramsden** (Old Trinity), **Vice Captain - Ben Jordan** (St Bernards), **Danny Byrne** (St Bernards), **Brett O'Farrell** (Old Haileybury), **Simon Clarke** (St Bernards), **Nigel Credlin** (Old Camberwell), **James Beaumont** (Old Melburnians), **Caydn Beetham** (Old Xaverians), **Mark Browne** (Marcellin OC), **Andrew Crowe** (Old Scotch), **Luke Lochran** (Old Ivanhoe), **Tim Harvey** (St Bernards), **Carl Steinfort** (Mazenod OC), **Paul Corrigan** (Old Haileybury), **Luke Hawkins** (Old Scotch), **Matthew Dennis** (Old Scotch), **Mark Corrigan** (Old Haileybury), **Stuart Low** (Old Ivanhoe), **Chanz Crowley** (Old Ivanhoe), **Adam Chatfield** (Old Xaverians), **James Drake**

(Old Xaverians), **Jeremy Bourke** (Old Haileybury), **John Stevens** (Old Ivanhoe), **Lachlan Ford** (Old Xaverians), **Dan Jordan** (St Bernards), **Quinton Gleeson** (Uni Blues), **Shaun Neeson** (St Bernards), **Tom Simpson** (SKOBS), **Dave Waters** (Marcellin OC) and **Denver Artz** (Hampton Rovers).

10 YEARS AGO - 1998

In **A Section**, **Old Brighton** hosted **Collegians**. Collegians were headed for B Section at the completion of the season without even one win on the board. Brighton were still a chance to avoid relegation. By half time Collegians had signaled their intentions and held a slender lead, 8.4 to 7.3. **Warne-Smith** and **Mooney** were particularly dangerous for the Lions while **Oakley** and **Pirrie** were doing all they could for the Tonners. Collegians gained an additional lead in the all important third term and after an initial rally from Brighton, Collegians stormed ahead with 7 goals for the quarter and a final winning score of 20.8 to 13.11. The result meant that Old Brighton could also not avoid relegation. Best players – **Humphrey, Van Der Venne, Warne-Smith** (7), **Cleary, Mooney, Nisbet** (Collegians) and **Oakley, Pirrie, Tymms, Van Den Dugen, Pryor, Alderson** (Old Brighton).

In **B Section**, it was a big turn up as Ivanhoe played a terrific third term against **MHSOB** and the lead was to change 10 times before **Ivanhoe** recorded a great victory, 19.16 to 17.13 and the 'Hoes now had a chance to avoid relegation, although there was much work to be done. MHSOB on the other hand were only hanging on to fourth place by percentage. Best players – **Timms, Brown, Rawley, Williams** (7), **Lee, Pace** (Ivanhoe) and **Cassell, Pertzell** (4), **Albergo, Fairchild, Thompson, Birkett** (MHSOB). Ormond congratulated **Anthony "Oofa" Grace** on reaching his **150th game** for the Monds. Beginning in the U19's in 1989 and progressing through the reserves to the seniors, "Oofa" had given the club fine service on and off the field.

20 YEARS AGO - 1988

In **C Section**, **St Kilda CBC** met **Old Haileybury**, needing a win to hold on to their top four spot. After

an even first quarter of entertaining football, the classy Old Haileybury outfit upped the ante and kicked ahead by three goals. Adding another 8 points to their lead at three quarter time, Old Haileybury coasted through the final quarter to run out easy winners, 15.14 to 9.10. Best players – **Jones** (3), **Smith, Baxter, Connell, Cameron, Scaunich** (Old Haileybury) and **Jones, Driscoll, Baker, Trabinger, Francois, Boyd** (St Kilda CBC).

In **D Section**, **State Bank** were sitting fifth and **Elsternwick** sixth on percentage. They met in this round and the loser could easily drop off the pace by falling two games behind the top four. An even first quarter was followed by a torrid second term with both sides attacking consistently. It was State Bank that had the better of the second quarter to take an important four goal lead into the second half. The third term was all State Bank as they banged on six goals to nil and in doing so had the game all wrapped up with a ten goal lead. The Wicks fought back in the last but could only make up a few goals and finished well short, 8.11 to 16.14. Best players – **Connelly, Maher, Matherson, Kay, Guy, Goldsmith** (State Bank) and **McCooke, Russell, Farrington, Murphy, Rosewarne** (Elsternwick).

D Section Field Umpires were – **Pat Maebus, Rob Mayston, David Dobson, Peter Simpson, Steve Clinch, Richard Eastwood** and **Paul Cherry**.

30 YEARS AGO - 1978

In **D Section**, it was an opportunity for **St Kevins**, currently in second place and equal on points with top of the ladder, **Power House**, to grab top place. Power House had other ideas however, and were excellent in the first quarter kicking 6.6 to 2.2. SKOBS bounced back early in the second quarter before 'The House' asserted the pressure again to be almost five goals in front at the main break. Another six goal quarter by Power House in the third was only answered with a solitary major from SKOBS. There were plenty of conversions by both teams in a high scoring final term with Power House winning easily, 23.16 to 13.7 and top spot was theirs alone. Best players – **Dempsey, Bredyk, Evans, Stafford, Perry** (4), Coloe (Power House) and **Brennan, Radford, Hannan** (6), **P Campbell, Hawkins, Lowe** (SKOBS). In **E Section**, **St Bedes** and **Bulleen Templestowe** met to decide who would hold top place at the end of this round. Bulleen Temp left their run far too late and after a great third quarter, St Bedes kicked 8.3 to 3.2 and then had enough 'in the bag' to hold off a fast finishing combine – final scores St Bedes 20.12 to Bulleen Temp 15.15 with St Bedes now on top by 4 points. Best players – **Signoretti, Collins** (4), **Pendleton, Cecchi, Boyce, O'Shannassy** (St Bedes)

and **Johnston, Tenace** (5), **Lockhart, D'Agostino, Hooper, Ling** (Bulleen Temp).

Greg Dunkley earned the plaudits of all at **Commonwealth Bank Football Club** on reaching his **150th game**. Known for his long clearing dashes from the backline and his "chats" with the umpires, Greg was also highly regarded for his administrative qualities around the club and was a **Life Member**.

40 YEARS AGO - 1968

In **A Section**, **Uni Blues** met **Old Paradians** in a battle for top place. The Blues' effective handball and play-on style enabled them to kick 5.2 to 1.3 in the first quarter. Parade fought back and made up some leeway in the second quarter but the Blues surged again in the third term with eight goals to one and a lead of over ten goals. A low scoring final quarter saw Blues win 15.14 to 6.16 in what was a disappointing result for Paradians. Best players – **Calcott, Moylan, Whittakers, Moran** (6), **Norman, Sykes** (Uni Blues) and **Mansfield, Ford** (4), **Sambell, P Mount, O'Brien, Wegner** (Old Paradians).

Melbourne High School Old Boys were proud to announce **100 games** for their **Captain** and back pocket player, **Ian Wood**. Ian's fine play resulted in him representing **Victoria** against South Australia in the Carnival in Tasmania the previous season. His tireless and determined play in defence was always an inspiration to his team mates and he was also an excellent clubman in his role as **Honorary Club Treasurer**.

50 YEARS AGO - 1958

The final four in **A Section** was virtually sealed when **Ormond** defeated fifth placed Ivanhoe, 14.10 to 11.11. **Ivanhoe** were now three games plus percentage outside the top group. It was only Ormond's 4 quick goals in the middle of the last quarter that made the difference in what had been a tight game. Best players – **Hanna** (3), **McCormack, Davidson, Ross** (3), **O'Connell, Bridges** (Ormond) and **Manuell, Neason, Pickett, Whybrow, Balaam, Hughes** (Ivanhoe).

A Section captains were **G Reed** (Alphington), **A Reside** (State Bank), **L Hillyear** (Coburg), **J Byrne** (Ormond), **M Hughes** (Ivanhoe), **M Russell** (Old Scotch), **G Hibbins** (Collegians) and **R (Bruce) Church** (Old Melburnians).

Bill Petering (State Savings Bank) played his **100th game** against **Ormond**. After playing in many positions over the years, Bill was now an outstanding full back. He was also a long standing committeeman and the players' representative. (Bill's son Grant became an **Ormond senior premiership player** in **A Section** in 1990).

UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

State game

Congratulations to these umpires who have been rewarded with an appointment to this week's big game versus South Australia being held at the Junction Oval. Field umpire: **Cameron Nash & Michael Williamson** (SA Umpire)

Emergency field: **Shane MackIntosh**

Boundary umpires: **Ben Connor & James Scully**

Goal umpires: **Clayton Evans & Kevin Segota**

We wish them the best and know that they will do the VAFAUA proud.

Rotation

With no A, B and C grade games this week, this presents us with the first week of rotation for many higher grade umpires. As there might not be any more rotations due to the unavailability of umpires, the advisors have thought that they could do a years worth in this one week. So look to the lower grades.

Hamstrung

Age shall not weary them, however the hamstrings might from time to time just give out on us. Life Member and Past **President Richie Simon** had the unfortunate pulling of the hamstring while umpiring as the reserve umpire for Ormond last week, **Richie** went off in the 1st Quarter and went into full recovery mode with rest, ice compression and elevation but he balked at the no alcohol rule and was last seen hobbling to the bar for another chardy.

Room Clearer

One of the drawbacks of an umpire's room is having the toilet in the same room; this opens up to presenting another side of you that your fellow umpires might not want to be present to. Poor **Kevin Segota** who had not been well and on medication, should have told his mates that a side effect of the medication would be a smell that would most likely kill a canary if it was sent forth to investigate. As the fellow umpires still had to do paperwork in the room, all doors were open and the smell was last seen growing legs and walking away.

Thank you

Steve (Macca) McCarthy would like to thank all at the **Parkdale Vultures Football Club** for their hospitality on the occasion of his **550th VAFA game** last Saturday. The after-match was a highlight with many umpires arriving from their own games to share in the festivities. Another **Macca** (and VAFA legend) **Tony MacGeorge** presented **Macca** with a signed football which will certainly take up a prominent spot in the **McCarthy** household. Special mention to **Greg Fuettrill** and **Simon Brosolo** from **Whitefriars** for their kind regards. Great to see the **Smith** brothers from **Mazenod** who dropped in and the kind words sent from **Wayne Dyer** of **Collegians**. Well done **Macca** – see you at 600?

RESPECT THE UMPIRE – RESPECT THE GAME!!

The VAFA Big V Club

Big V Recollections

Amateur Football: A Part of Melbourne Life

By John Toomey

I will never forget my first game of First 18 football for Marcellin Old Collegians, or 'The Old Boys' as we used to call them back then. I had just turned 18 and although I did not realise it at the time, I was embarking on one of the most significant journeys of my life.

We often forget that a significant role that football plays in the community is to teach boys how to be good men. I often think of Amateur Football is the "Rugby Union" of the Australian Rules code. Rugby Union, it is said, is a game that develops leadership, team spirit, courage, sportsmanship, and friendship. I have a strong sense that Amateur Football does just that.

Every 18 year old wants to learn how to be a good man. Perhaps the best way to do that is to surround oneself with good men and learn from them as they lead by example on the field of battle and within the community that is Amateur Football.

I know I had some fine role models in Amateur Football. Laurie Aghan was an incredible example of passion, fierce love and a willingness to stand his ground for his team. Peter O'Donoghue was a warm fatherly figure who knew how to coax something better out of you.

And perhaps my favorite of them all was Gavin White. His belief in me and my team mates was palpable. His capacity to get you to give more when there was nothing left to give still sends a chill up my spine.

But the other thing I got from Amateur Football was something quite selfish: a front row seat to some of the greatest athleticism and football talent ever on show. I was right there amongst it week after week to watch the feats of Gartner, Marchesani, Cooper and the Jones brothers. And we got to play against the divine talents of Nick Wilton, Nick Byrne, Mike Yeo, Bruce Bourne, the Rittermans, Simon Beddoe, Shane Murphy, Chris Stone, the Curtains, Jim Bennett, Nick Daff, Steve Laussen and many others.

But when I reflect on my own personal growth as a man, I think of my personal contests. Just about every week I faced an opponent of great talent and I had to rise above my own limitations. I was never a gifted footballer, but I made up for that with my love of intense physical training. So for me, I had the engine while many of them had the talent. What a contest.

Before a game against an opponent like Yeo, Rohan

Brown, John Houghton, Alan Naylor, Gus Carroll, Paul Considine, John Cortese, Glen Cook, John Noonan, Steve Pirrie or Mick Green, my excitement rose as the challenge approached. These guys really made me work. Sometimes I won, sometimes I lost, but the respect at the end for the game was always there. Friendships moulded in the heat of battle.

So being selected to play state football alongside these guys was a profound experience for which I will forever be grateful. I played two games for Victoria 1983 before a badly torn pectoral brought my football to an end. In that same year, I was the 1st emergency for the All Australian team and relished that chance to train with the best of the best.

But there is something even better about Amateur Football. Whilst the contest is serious and the State Footy is dramatic and important, there are the humorous moments that bind us all as we remember to not take football or ourselves too seriously.

In about 1982, we were playing a game against another "Old Boys" outfit at Marcellin. They had a Full Forward who probably could have out marked Tony Lockett. He could really play, but he had a bad dose of white line fever. He would get highly emotional if an umpire failed to recognise an "obvious free kick".

On this day, he felt cheated by a rather colorful umpire and proceeded to follow the umpire all over the ground berating, lecturing, pleading and lamenting. He even made it as far as the back pocket. It was a sight to behold. The poor umpire was really copping it.

In the last quarter, they were coming back at us and the full forward, having gotten his mind back on the job was starting to make his presence felt. Somehow he got out by himself, and in a vain attempt to spoil his mark, I arrived late, buried him and gave him a couple around the ear, just to upset his concentration perhaps whilst shooting for goal.

Later in the rooms, I was standing having a drink with a few blokes and the umpire appeared by my side and handed me a beer. Thanking him, I asked why. He said, "Big Tooms, I saw what you did to him (the full forward) and it brought a tear to my eye. It's just what I wanted to do so I owe you."

Only in Amateur Footy hey! Thanks guys for the battles, the experience, the learning and the friendships.

North (1) Round Rewind:

In our first game of the round it was Banyule/Viewbank who played a superb game of footy to knock off Old Carey by 41 points. Tom Gelling was the standout performer on the ground booting six goals, along with Scott Shelton who starred all day. Thomas Macready-Bryan was again Old Carey's best as he kicked four from limited opportunity.

Old Ivanhoe stamped their authority again at the weekend, this time downing a struggling Old Essendon line up by 142 points. The class of Old Ivanhoe was always going to shine through in this match up, with the likes of Darcy Hale and Tyson Hill dominating general play. Eddy Greer booted four.

In a stunning upset at the weekend the Fitzroy Reds managed to knock off premiership contender Old Trinity in a brilliant display by 13 points. A six goal to none second term by the Reds ensured they were in front at half time, allowing them to gain confidence to stay their for the remainder of the afternoon. Rory Angiolella continued his great season with a best on ground performance, whilst Lach Beaton was best for Trinity. Manningham played some really good footy at the weekend to account for a struggling Bulleen Templestowe line up by 29 points. Adam Gangoi starred in the Sharks big win, as did Jack Callana who snagged six for the day. Stephen Harisiou was named best for Bulleen.

Old Carey v Bulleen Templestowe

Bulleen/Templestowe will be keen to cement a finals spot and should be too strong here despite it being away from home. TIP: Bulleen/Templestowe by 12 points

Old Camberwell v Old Essendon

Old Camberwell look to have this one covered against a struggling Old Essendon mob. TIP: Old Camberwell by 21 points

Old Trinity v Old Ivanhoe

MATCH OF THE SEASON! Have been waiting all year for this one. Will go with Old Ivanhoe as their recent form is better, but will be a ripper. This year's Grand Final? TIP: Old Ivanhoe by 19 points

Old Paradians v Banyule/Viewbank

Banyule/Viewbank are a classy side and will easily account for the Paradians here.

Manningham Sharks v Fitzroy Reds

The Reds look to have this one covered although Manningham were great last week. TIP: Fitzroy Reds by 22 points

North (2) Round Rewind:

The run of Emmaus St Leos has been quelled by the ever improving NOBS/St Pats line up on the weekend, who ended up winning the contest by 24 points. Despite being neck and neck all afternoon, the final quarter proved the difference as the Old Boys capitalised. Mark Carey was fantastic in the win as was Sebastian Oliver who booted four. Robert Gardner was named best for St Leos.

Draw number two for the season was played out at the weekend, this time between top four contender Ivanhoe AFC and the lowly ranked St Bernrads outfit. In a contest that saw the scoreboard show a different leader at each major break, a draw seemed a fitting result. Peter Villani and Adam Stefano were superb in ensuring St Bernards were not outmatched by the heavy weight in Ivanhoe.

In another low affair at the weekend, the Old Xaverians managed to hold off a gallant Rupertswood side to run out victors by

17 points. Liam Grigg led the way for the Xaverians, kicking a goal as well as taking best afield honours. Liam Woodland was fanstatic also whilst Matt Takacs booted four for the Woods.

Therry Penola did what was expected of them on the weekend, as they had a comfortable win over the Fitzroy Reds by 51 points. Dean Valentino was super in the win as was Luke Milanovic, whilst Max Rogers battled hard in a tough day for the Reds.

Emmaus St Leos v St Bernards

Emmaus St Leos were playing some good footy despite the weekend's result. St Bernards nearly pulled off the win of the season and because of this I'll back them in this week. TIP: St Bernards by 11 points

Rupertswood AFC v Therry Penola

Therry have a solid defensive unit and this could be the telling factor come the weekend. Will be close though! TIP: Therry by 13 points

Old Geelong v NOBS/St Pats

A crucial middle of the table clash fro both sides. I'm thinking the NOBS/St Pats... just!
TIP: NOBS/St Pats by 12 points

Ivanhoe AFC v Fitzroy Reds

Ivanhoe were stung last week by a draw to St Bernards. They say anything can happen in footy, but I'm tipping Ivanhoe to bounce back with a thumping this week.
TIP: Ivanhoe AFC by plenty

Old Xaverians v Aquinas OC

The Aquinas are the best side in it and will account for their top four rival here. TIP: Aquinas OC by 45 points

Under 19 South 1 Last Week

Mazenod v Old Haileybury: Bottom of the table clash this week was taken out by the noddors as I predicted. After a great start in the first quarter Old Haileybury managed to peg the margin back but the noddors were just too strong. Another solid effort from the leagues leading goal kicking A Johnson couldn't help Old Haileybury get over the line, while N. Talidis, L. Price and M. Wilkins were the best for the home side.

Old Brighton v Old Melburnians: Upset of the round when ladder leaders Old Melburnians lost to a gallant Old Brighton down at the Beach. After a slow start Old Melburnians were never really in this one, while Old Brighton shared the load around. E. Hughes was again good for the visitors but it was the likes of B. Trivett, J. Davies and A. Ogilvie that got the home side a win that

is certain to see them stay in the top four comes finals time.

Caulfield v Ormond: In the match of the round Caulfield were just too strong for an undermanned Ormond. After a huge half time scuffle it was the home side that responded the best with a 3 goal victory. With a heap of players back from the ones Caulfield were just too strong for Ormond who had there weakest side in for the year. C Johnson was best on for the Home side while A. Moloney, M. Oaten and S. Kulikov battle very hard all day for the visitors.

Old Mentonians v Beaumaris: After a disappointing loss last week Beaumaris bounced back with a 50+ beating of Old Mentonians. With Finals just around the corner Beauy were desperate to stay with the top four and proved just how much they want to play finals with a comfortable win. D. Bardoel and M. Myers-Snyders were the best for the Panthers while M. De Fontenay, J. Mapleston and R. Cathcart all played important roles for Beauy.

Oakleigh v Collegians: After a good effort last week against Caulfield, Oakleigh just went to sleep and only managed to kick 1 goal in 4 quarters of footy. Taking nothing away from Collegians who were excellent and managed to pile on a massive 35 goals which is one for the records books I would imagine. J. Costigan and P. Kurth battled hard all day for Oakleigh but W. Johnson, M. Raphael and N. Corp were just too good for the home side.

This Week Round 14:

Beaumaris v Mazenod: Promises to be a close in counter with not much separating these two teams but I just cant see Mazenod beating Beauy especially when they are playing at home. Beauy by 4 goals

Caulfield v Old Brighton: In what shapes up to be Match of the round with both teams coming of very big wins last week but who will be able to hold there good form? If Caulfield can keep there same side in from last week I can't see them losing at home. Caulfield by 5 goals

Collegians v Old Melburnians: Very important clash for both teams here with Collegians looking to make a late finals birth and Melbs trying to hold there top spot. And I think that's exactly what they will do even though they are away from home. Melburnians by 7 goals

Old Haileybury v Old Mentonians: After disappointing losses to both teams last week they will be looking to bounce back with much needed wins. I don't think you can go past Haileybury at Home and that's who I am tipping. Old Haileybury 3 goals.

Oakleigh v Ormond: Top v Bottom here and I think that it will be a very lop sided contest with the visitors coming away with the points. After a disappointing loss last week and some good players coming back into the team I think this will be a romping. Monds by 10 goals

UNDER 19 SOUTH 2

Monash v De La Salle: Yet another victory for the University boys but not without a gallant fight from De La who took it up to the 'ashes' physically all day. T.Powell and S.Baring lead the way for the Blues and for the Salle S. Lowe, J. Mannix and H. Browning held their own.

Ajax v Prahran/Caulfield: As expected Ajax took the honours and have kept their gap of 2 games clear of 3rd placed Hampton on the ladder. Blowing a gale force wind out at Gary Smorgan oval, the jackers were able to keep Prahran to only a goal in the premiership quarter and then ran out easy winners in the last. The Three musketeers in Selzer, Freed and Steinberg all put in classy games and T.Leary for Prahran gave the jackers some headaches.

MHSOB v Parkdale Vultures: Game of the round in a fantastic tight tussle although it seems Melb. High weren't without some inaccuracy. R.Willmott booted 4 sausage rolls and T.Rendell was a ball magnet all day. Price and Boland linked up well and created some fantastic run throughout the match.

Peninsula v Bentleigh: Bentleigh have finals in their sights after some recent good form and a controlled win over the Pirates. For the Pirates N.Coy jagged 4 goals but it was all Bentleigh as Rodwell kicked 4 of the best and was seen as Best a field and T.Backman clearly knows his role and faired well in the Best players. Bentleigh now must beat all below them and perhaps need to cause upset of the year when they face the Might of the Monash Blues this week at home.

St Bedes/Mentone v Hampton Rovers: Wow! Hampton sure did turn their wayward kicking around this week with a whopping 176 point win over the bedes. Schmitz

after a stint on the sidelines returned with a lazy 7 and Lewis played a terrific crumbing game booting 5 chiko rolls. J Mcdevitt tried hard for the saints but just wasn't enough to even compete with the rovers.

This Week Round 14:

Hampton Rovers v Ajax: Match of the round for sure as both clubs will gain players back from the seniors and from injury, Hampton will only be a game off 2nd spot if they are to get up but on the other side of the ledger the jackers will almost lock it away. But I'm going to go with the rovers this week after some sensational recent form, Hampton by 2 goals.

Prahran/Caulfield v Peninsula: Well heads of the \$2 coin says Prahran will win by a kick.

Bentleigh v Monash Blues: Bentleigh need to win this one to be a serious chance of making the 4, But they face Monash (unbeaten). Monash by a kick.

Parkdale v De La Salle: Both clubs will gain players back from senior sides but De La by 5 goals for me.

MHSOB v St Bedes/Mentone: St Bedes will be strong this week 5 goal victors for mine.

Open CLUB XVIII SECTION

by Norm Nugent

Two Rounds remain and interest in the composition of each of the final fours remains high as positions can alter in each section and the fifth side in two Sections can still make the finals.

REVIEW OF ROUND 13

Section 1

A very accurate Prahran defeated De La Salle by thirty three points.

Collegians proved they are serious contenders by defeating reigning premiers, Old Xaverians by five points.

In a good standard game Old Melburnians proved too talented for the determined Mazenod, whose best were: Luke Androulakis, Chalk, Pollard and Robinson.

Old Xaverians 2 scored by sixteen points over St Kevin's. Leaders, University Blues received a forfeit from Old Scotch.

Section 2

Leaders, Monash Blues defeated fourth placed Whitefriars by thirty eight points, which has put Whitefriars under renewed pressure to hold fourth place.

Box Hill North continued their march towards fourth place with a fifty seven point win over a depleted Old Trinity.

St Bernard's scored a meritorious sixty three point win over Old Brighton at Brighton Beach.

Caulfield Grammarians were held goalless by University Blacks, whose winning margin was one hundred and ten points.

An accurate Fitzroy Reds won by forty points over Old Scotch.

North

In the closest result of the Round, an inaccurate Kew defeated North Old Boys/ St Patrick's by two points.

Old Carey, who lost to Marcellin by fifty one points, were quite competitive and never made possession easy for the undefeated leaders.

Bulleen - Templestowe kept their finals' chances alive by recording a twenty eight point win over Therry Penola.

In a low scoring game, Old Westbourne defeated Box Hill North by ten points.

South

St Mary's/ Salesian jumped to second place as a result of their eighty three point victory over Old Geelong.

An accurate Oakleigh scored a thirty six point win over Beaumaris.

In a surprise result eighth placed Emmaus/ St Leo's defeated fourth placed Ormond by fifteen points.

Leaders, Old Camberwell gained confidence for their final's campaign by defeating St Bede's/ Mentone by thirty two points. The loss saw St Bede's Mentone drop to third place.

PREVIEW OF ROUND 14

Section 1

Collegians should prove too talented for the determined Mazenod even on Central Reserve.

In a preview of a final Old Xaverians play their long standing rivals Prahran. Seldom has Prahran won against the Xaverians, who seem to find extra incentive against the "Two Blues". This season there is very little between the two teams and a Prahran win would not surprise. However, I suspect the Old Xaverians will fight this game right out and win by a few points.

St Kevin's should record a long awaited third victory by beating Old Scotch.

Leaders, University Blues face a danger game against De La Salle as each team should be at full strength. Over the thirteen rounds the Blues have the more impressive record and I select them to win this game.

In the afternoon game, the disappointing Old Xaverians 2 play Old Melburnians, who made a slow start to the season. Recent form leads me to select Old Melburnians.

Section 2

The big game will be that between third placed University Blacks and leaders, Monash Blues on the University Oval. With no A Section games and on their home ground I select University Blacks.

Two battling sides in Old Trinity and Fitzroy Reds meet at Bulleen. With an expected return of A Reserve players, I select Old Trinity.

St Bernard's should win again by defeating Old Scotch. Today is an opportunity for Old Brighton to win again by defeating tenth placed Caulfield Grammarians, which I feel they will do.

The winner of the afternoon game between Box Hill North and Whitefriars could well clinch fourth place. Can Whitefriars kick straight and can they match the fleet of foot runners from Box Hill North? The result could go either way and I select Whitefriars, whose experience and steadiness could prove vital.

North

Old Carey showed me sufficient form last week to warrant me selecting them to defeat Box Hill North today. In the local "derby", North Old Boys/ St Patrick's should defeat Therry Penola. Bulleen - Templestowe with a final berth looming should defeat Old Westbourne despite their long journey west. Kew will test Marcellin, but the undefeated "Eagles" should win again.
