## 96 VAFA FINALS MATCHES FOR \$40

With the rep footy and the bye weekend behind us the road to the finals, and relegation, is on in earnest. Whilst this can be the most difficult time of the year for clubs with injuries and difficult conditions for training and playing, it can also be the most beneficial.

Whilst A – C and U19 Premier have 5 games remaining all other sections can see the finishing post looming. None moreso than the Club XVIII who have their final home and away match this Saturday.

The finals for the VAFA commence the first weekend in August and conclude on Sunday September 21 with the A Section Grand Final. This may seem like an elongated process but it gives the opportunity for our players to play finals on the better venues in Melbourne.

The two grounds which we have access to during the later weeks of September are Sportscover Arena and Sandringham. This allows us to stagger our finals over eight weekends. The better grounds in Melbourne have turf cricket pitches on them and these require a full month of preparation before their season commences in the first week of October.

The D1 – D3 and Under 19 North and South finals will conclude on the weekend of September 6/7 with the D4 Grand final being played on the following Sunday. Hopefully plenty of supporters from the lower sections will come and enjoy great finals from the higher sections at the conclusion of their clubs finals.

To assist those supporters who like to visit multiple finals the VAFA are offering a final's pass that allows you to get into all 96 matches played over 17 days for only \$40. If you require one of these passes please contact Olivia at VAFA administration on 9531 8333.

This pass will also help those VAFA supporters who watch more than one game on the same day especially when a club's Under 19 match is played at a different venue to their seniors.

The VAFA is an incredibly cheap competition for the supporters as every home and away match, bar A Section matches at Sportscover Arena, is free. This is in contrast to the metropolitan and country leagues around the state which require weekly gate admission to support the large payrolls.

VAFA Umpires coach Brian Goodman appointed to U16 Australian Championships

The Australian Under 16 National Championships commenced yesterday on the Gold Coast and VAFA General Manager of Umpire Operations, Brian Goodman has been appointed the umpires manager/coach for the tournament.

Brian's responsibilities will include not only the appointment of the umpires but their total performance and management during the ten day tournament. Brian will coordinate all reviews of their performances, conduct coaching and debriefing sessions and manage the medical experts assisting with their recovery.

The VAFA are fortunate to not only have a full time umpiring administrator but one with such great knowledge of umpiring as Brian. It is a great achievement for Brian to have been chosen in this position.

Brian will be a magnificent ambassador for the VAFA as he manages 24 umpires who will be arriving from every state in Australia. It will be a terrific experience for Brian to mix with the best aspiring umpires around the country and gain some valuable best practices which can be brought back to the Association.

On behalf of all the VAFA I wish Brian a very successful carnival.

## Who Needs Twos?

It's amazing that the three top sides in A Section are the three cellar dwellers in the reserves. Haileybury proved in '06 that you can win a flag with a battling ressie side but it doesn't happen often. Anyway, the last round seems like an eternity ago so let's rewind things 10 days or so...

The mail was "Load up on the Tigers". And the money was spot on as STBM welcomed Xavs to Brindisi St for the first time and proceeded to do a nice little number on 'em. Teenager Pat Nicholls was a real talking point with his six goals while pinch hitters **McGettigan**, **Groves** and **Phibbs** also created all sorts of headaches for **Simon Lethlean**. The Tigers got the Xavs on the hop however – the champs couldn't hit a target to save themselves and many of their guns watched from the sidelines. Now one-all, you suspect the two might meet again on the windswept expanses of league headquarters in September so the story is far from finished. Full credit to the Tigers however, who are young, bold, exciting and a red-hot chance to pull off one of the most remarkable rags to riches stories in VAFA history.

All involved at Old Brighton would have woken up on Sunday morning thinking – "this doesn't look good - can't we just sleep in and watch the Leslie Neilson movie on Channel Seven?" They were playing their bogey team De La (who were almost at full strength) and many of their stars were sitting it out. With **Pirrie**, **Bruin**, **Jakobi**, **Gadsden** and **Ainley** out and **Hendra** severely hampered, it was never going to be pretty. As so it proved, with De La's **Matt Moore** again turning one on up forward (I was too harsh on **Matt** earlier this year – he can seriously go) and **Aaron Shields** and **Jarrold Maloney** carving up the sluggish 'Tonners across the middle. The upshot - Brighton rely on their top shelf players like few other teams while De La are finally at full strength and will be a real nuisance side in August.

Ivanhoe were half asleep in their first half against Trinity at Bulleen. **Jack Osborn**, **Richard Troon** and **Stuart Saville** all did as they liked for the home side and the inclusion of **Cultrera** and **Kenna** was telling. But three goals to **Adrian Delmonte** in the third term and four goals to **Marcus Toovey** in the final stanza and it was see you later alligator. Running players **Sam Geillings**, **Kane Theodossi** and **Adam Baldwin** were all dominant as the Hoers moved one step closer to an unlikely finals berth.

Uni Blacks really fancied their chances against their Blue counterparts but they had the unfortunate of coping one of the strongest line-ups the Blues have fielded this year. Big **David Paton** pulled down some screamers. **Jack Watts** controlled the ruck and **Peter Steele** and **Mark McLeod** were in full control down back. Like De La, the Blues are not the sort of team you'd want to be fixtured against over

the next five or so weeks.

The Blacks got four goals out of both **Mark Bolton** and **Marty Pask** but will have to say farewell to Pask soon as he toddles off to Beijing to support his partner Liesel Jones in her breaststroke events.

The first quarter of the crunch game between Scotch and Collegians was truly bizarre stuff. The Tempest was like something out of Elsternwick Park, Scotch came up with doughnuts and the Lions sprayed a lazy thirteen behinds. But things picked up after that as Collegians discovered their kicking boots and the Cardinals worked their way into the game. With **Fergus Watts** putting his feet up for a fortnight, Collegians spread the goal-kicking duties nicely while small men **Nick Ries** and **James Fry** dominated. **Steve Craig**, in just his second game of senior footy, was best for the Cards while **Adam Houlihan** kicked half a dozen very handy goals. Scotch were a bit off key for a fortnight but the break should put a bit of pep in their step.

## TODAY

The match of the season looms at the Harry Trott. Whoever wins can virtually pencil in the double chance. In case you haven't noticed, I'm a big rap for Collegians. They've been up against it over the last month, with niggling injuries and blokes popping off overseas. But they stuck through it and with a week's break under the belt, you get the feeling they're ready to go BANG! Collegians by two goals in what should be a great contest.

In the others, I'm tempted to tip De La over Ivanhoe but will suck it in and tip the home side, who are really flying at the moment. Brighton walloped Blacks last time at Princess Park and should do the business again. Xavs will have relished the break and should see off Trinity though the Ts have pulled off some famous, season-saving victories at Toorak Park over the years. And in the final game I smell an upset – Uni Blues to down Scotch at the 'Varsity.

## U23 Representative Action

## MILESTONES

The youngest of the **Bowen** clan, **Andy** arrived at **Old Xavs** in 2003 and soon took over the famous number 12 in the seniors which was previously worn by older brother and 7-time premierships player John. Andy has won 3 senior VAFA premierships in his short time at the club. For years Andy was the glamour forward of the VAFA but has now transformed his game to become one of the most reliable defenders in the competition. From everyone at OXFC we wish Andy all the best in his **100th** game and to further continued success with the Club for years to come.

# FINALS ELIGIBILITY

Finals eligibility rules are found under Rules 51-55 of the Association. Below is a brief summary.

**Senior** - (1st XVIII teams) Any registered player with a permit can play finals (except VFL or TAC players with a permit – see below).

**Reserve** - (2nd XVIII teams) Players must be registered and must have played at least four (4) reserve grade matches and not more than ten (10) senior matches in the home and away games (first round).

Where both first and second XVIII's are playing on the same day the reserve grade player must only have played two (2) games in either the seniors or reserves to qualify.

For clubs with teams drawn in semi finals on different days of the same weekend (ie. 1st semi Saturday, 2nd semi Sunday) read as above teams playing on the same day).

**U19** - Players must be registered and hold a permit. If a player has played 6 or more senior and reserve matches he must have played 6 or more Under-19 matches during the season.

Where a Club is represented in a match in the Second Round of the Senior Grade OR Reserve Grade on the same day OR on the same weekend the 6 match provision above shall not apply.

Where a team has (2) U19 teams or is involved in hybrid arrangement, the following shall apply.

- (i) Where a club has two U19 teams, a player must have not played more than 10 matches with the U19 (1) side to play in the (2) team.
- (ii) To represent a hybrid team in the finals the player must have represented the hybrid team in (5) first round matches – not including finals.

(iii) Under 19 Grade teams obtaining "Top Up" players during First Round matches from another Under 19 Grade team is not considered to be a hybrid team arrangement. "Top Up" players are not permitted in Second Round matches.

**Club XVIII teams** - Players must be registered and have played in at least four (4) Club XVIII matches (for the team they wish to represent) and not have played in more than a total of eight (8) senior and reserve matches during the first round.

Where a club has two or more Club XVIII teams a player must have not played more than 8 matches with the higher placed side to play in the lower team's finals - if teams are in different sections.

Where both Club XVIII teams are in the same section the following to apply:

- (i) A player cannot alternate between teams after June 30. Once he plays with a team after June 30 he can only represent that team for the rest of the season.
- (ii) the player is only allowed to play finals for the team they represent after June 30,
- (iii) to be eligible for finals with either side, a player must have played a minimum of 4 matches with the side they wish to represent and
- (iv) the player must have played more games for the side they wish to represent than the other club side in the same section.

**A VFL or TAC Cup listed player** must play a minimum of five (5) VAFA First Round matches (i.e. home and away matches) including two (2) matches after 30th June for the team he wishes to represent in the Second Round. An Under 19 player may combine Senior and Under 19 matches in order to be eligible to play for his Senior Grade team in the Second Round. Players cannot combine matches for Reserves or U19 finals.

# B SECTION

by Matt Cosgriff

Half a goal. That is the average the Marcellin defence has allowed Beaumaris kick against them both times they have met this season. By no means was the difference at the final siren a thrashing but the contest proved one sided throughout the afternoon but a good weights session for the Sharks will improve their competitiveness in the physical contests in the future. The realization of a season slipping away for Beaumaris similar to the racing career of Hollow Bullet in Group company up from fillies class a couple of racing seasons ago is steadily progressing with C grade looming. The Eagles once again triumphed convincingly thanks to the help of **Daryl Marson** who kicked 5 majors and another stellar performance from **Jonathan Bortolotto** who managed 4 goals himself. The Sharks however to their credit, are bleeding their youth and another good game from ruckman **Justin Summons** will have the coaching panel at Beaumaris something to look forward to down the track.

Justice would have been the one word definition for SKOBS as they became only the second team this season to defeat the seemingly infallible OEG. Spurred on by the narrow defeat to the premiership favourite earlier this season, and that that and other narrow results may cost them a finals spot this year, SKOBS went hard from the outset and jumped OEG early and applied pressure to lead at every change. The both losses for OEG this season have come when they have had to chase down their opposition and the pressure on the OEG forwards once again saw their kicking at goal being about as straight as Elton John when trying to peg back the margin. **Anthony Lynch** and **Matthew Murphy** became the heroes in front of the big sticks and were the toast of the side at the final siren. One fact remains a head scratcher is that OEG have had more scoring shots at goal on both occasions when defeated.

That award for inaccuracy at goal this week goes to Old Carey who proved to the football world that you cannot practice in front of goal enough at training. Old Haileybury were ahead early on in the piece at the Carey Sports Complex but the second quarter belonged to Old Carey however the half time score did resemble the effort as they continually failed to convert opportunities. The second half was a lot freer flowing football as the Old Haileybury of the last month evolved into a premier finals competitor and was able to counter attack the Old Carey game plan. With the match evenly balanced at the final change the class factor was the evident element between the two teams as Old Haileybury were able to further cement their position in the top four. **Spencer Roberts** and **Ben Hampton** were two players that have emerged for the Bloods at the right time of the year as **Nick Thomas** was a prolific ball winner on the day.

If you followed the EPL Soccer Season over the last couple of

years it would be easy to draw comparisons between Fulham FC and Old Melburnians. Both teams were staring relegation in the face 2 years in a row and then come from behind as outsiders to deny their opponents and remain in their respective competitions. The Junction Oval is quickly becoming the haven for the Old Melburnians who have now won 3 of their 4 wins this season there. The nature of the win was the most satisfying element for the Dark Blues as the betting at 3/4 time would have had them at extravagant odds.

**Tommy Seccull** and **Tim Davis** were key instigators to the OM comeback in the final term as the defence unit held Old Camberwell to only one point for the term to win and put off the thought of relegation - for at least a week anyway. **Matty Partington** once again proved instrumental for Old Camberwell in a defeated side as **Mark Handley** was the difference on the scoreboard for the victors with 3 goals.

St Bernards are like a box of chocolates - you never know what you are going to get! The changes in and out of the side are constant with the tribunals and medical rooms having more say than the coaching staff. For the supporters of the Doggies, they will be thankful with the current St Bernards line up as they turned on one of their greatest performances for the season and sent out a strong point to the competition using Caulfield Grammarians as the example. Having 13 goal kickers for the match and 16 shots on goal for the first quarter to a scoreless opposition, St Bernards are now starting to crank the engine of a unit that not long ago looked in need of significant repair. The day was not all rosy for the home side as **Tate Pearson** and **Ryan Schroder** found their names into the umpires report book and once again the judiciary will decide who takes the field in weeks to come for St Bernards. The push towards September for St Bernards is no easy feat for the Dogs as their quest back to A grade sees them face off against strong opposition in the near future but efforts like those of **Luke O'Sullivan** last round will make the challenge a strong possibility.

## TODAY'S B SECTION MATCHES

- OLD CAREY v MARCELLIN
- ST KEVINS v OLD HAILEYBURY
- CAULFIELD GRAM. v OLD CAMBERWELL
- OLD ESSENDON v OLD MELBURNIANS
- BEAUMARIS v ST BERNARDS
- at Trevor Barker Oval

### TODAY:

**OLD CAREY v MARCELLIN:** Having not confronted each other since round 2, which was a close encounter, this game looks to be on par with that performance. Old Carey are challenging fiercely on all opponents while Marcellin are still improving as they approach their finals berth. Carey will go close here but the inclusion of some key players will see Marcellin victorious by 15 points.

**OLD ESSENDON v OLD MELBURNIANS:** The fact that OEG have lost 2 out of their last 3 is not a real concern leading into this match. Old Melburnians showed good poise and spirit to beat the OC last round but this assignment is several times tougher. Back to the stats who say that the fire power is more deadly from the arsenal of OEG than the OM's - that is if they fire straight. Back at home it is OEG by 27 points.

**CAULFIELD GRAMMARIANS v OLD CAMBERWELL:** It would be ludicrous if I did not state that Caulfield need to win this game be a B grade contender in 09. However Caulfield Grammarians are a terrible first quarter team who have only averaged 1.5 goals for the first quarter in their last four matches while Old Camberwell are finding their best form of the year. Caulfield will be chasing the tail of the OC today and will not catch them as it is Old Camberwell by 33 points.

**ST KEVINS v OLD HAILEYBURY:** Easily the match of the round with the only 2 party crashers at Old Essendon this season going head to head. SKOBS have rekindled the flame that they had earlier on this season while Old Haileybury will be snubbing their noses at them from safely fourth place on the ladder. Pride for SKOBS may be greater incentive than the premiership points as Old Haileybury will be out looking to break the 'chokers' tag after allowing SKOBS to come from the clouds and steal the title last time they met. Going to be a great match and SKOBS will prevail by 7 points.

**BEAUMARIS v ST BERNARDS:** No doubt the Sharks will bring a competitive side to this match but are real rough outsiders should any bookies put the odds up on this match. The tribunal outcome for two Doggies players will make an impact on the margin of this game but not the outcome. The St Bernards express is just warming up as it heads for September. For me it's St Bernards in a canter by 70 points.

Have an excellent day at the footy!

**MATCHING EXPERIENCE**

Adrian Connolly ~ Level 2 – De La Salle Assistant Coach

I read with great interest the other week that Neil Craig has now included as part of his training regime half time breaks and inter-change moves. A little left of centre one would seem, but on closer inspection a very important experience to teach and learn. Should we not be training our players under game conditions so as they replicate certain behaviors when under game stress? Should this also involve every aspect of a game?

The article got me to think about certain players and how they react under certain circumstances. One of those areas is players who come off the bench on numerous occasions and we look for to have an impact immediately on a game. Most clubs with our bigger bench often will have a player we are developing or is a fix it type. We expect that our player be warmed up and mentally alert to go once he is called upon. How many times does that player come on and take 5 to 10 minutes to get into the tempo of the game?

So why not train the experience? In your training planning try to set it into 4 parts that mimic the quarters. While each part is going pick players to come off and walk the boundary and have a drink. Tell them to sit down on a chair and observe 3 things to communicate with the players when they get back in. If possible try to get your runner to do this at training. Like in a match get him to get another nominated player and change as they would in a game and use the interchange gates. Give the player some instructions before he goes on and get him to concentrate on getting a good clean possession the next opportunity. If he is used in a tagging role, get him to find a particular player out on the ground.

If you are having poor starts to games, or quarters, practice those at training. Most of these aspects are mental application, but we can get players to go through pre game and mid game strategies to focus them in on behaviors that are positive and eliminate those that are negative. Maybe your players are spending too much time sitting and not enough moving. You can explain the next drill to them and give the group some focus points as per game day. Get them to run out together, organise a short warm up at one end and move out to your full ground drill as if they are starting a game. Then expect your players to start the drill as if the start of a game or quarter.

Some may argue about warm ups, but why not do your warm up as you would do before a game. Do the same drills and warm up exercises, and if you have time try to do exactly as you would on a Saturday, by doing a short warm up in and out of the rooms with a last minute address to focus players on the process needed for that night.

Studies would show that by the time we get senior players into a club, the skill level they have is entrenched and only a lot of time will see changes. Yes we can try to refine the skill and maximize its quality. That is why it is important then to give players as many match day experiences in training so as they can execute their skills in stressful situations, and develop quicker decision making skills that will allow them to maximize the most of the ability they have.

Developing drills that allow players to make their own decisions are vital in the learning process. Coaches need to set up drills where players can make decisions that reflect your game structure and plan. The best way is to put in defensive pressure, and to make sure that the experience is positive in moving the ball in your style. This may mean adding 2 players to provide pressure at certain parts in a drill, and therefore make a player decide which option he needs to use. It will also make the ball receiver think more about their best position to receive the next possession and so on.

This is not something that you would do every night at training and you could just focus on one specific area. Players and coaches are creatures of habits and this process can help us evaluate what we are doing and to find trigger points that will allow your team to be ready to perform at the maximum at each starting point of a game.

**Recent MHSOBFC Milestones**

In recent weeks a number of significant milestones have been achieved by MHSOBFC players. Our champion ruckman/forward Roger McIntyre (right) has won the last two senior B&F awards at the Club and during his distinguished career has taken on and beaten the best of the big men within the VAFA. Many past players and supporters will fondly recall the 1999 season when this man mountain played a key role in our promotion to A Grade. We all join in congratulating Roger on 100 fantastic games and his outstanding commitment to the Club. Hopefully he continues to dominate on field for years to come.

more years of football from this great clubman.

Andrew Hall (below right) made his debut for the MHSOBFC Under 19 team in 1999 and in the match last round against Hampton Rovers played his 100th game for the Club. Hally has always been highly regarded by his peers and often sacrifices his own game when assigned the task of negating the opposition side's best forward. We look forward to many

A few weeks ago **Andrew Villani** played his first game for 2008 only hours after returning from six months overseas. It was a typical example of the level of commitment that he has displayed to the MHSOBFC since starting with our Under 19 team in 2003. AV is a high quality defender who consistently shuts down taller opponents and we congratulate him on passing the 50 game milestone.

With the Victorian alps getting a fair dusting of late, one can only presume the silvertails from A, and possibly B section's powerclubs would've thrown the chains in the back of the 'Ranga' and powered up through Mansfield or Bright to get a bit of wicked powder. Whether the world of lodge memberships and season passes extends into C section is a mystery to me, but I'm sure the senior coaches' would've been praying for no knee blow-outs from their gun midfielders if they were giving the half-pipe at Hotham a decent work-out.

Some more mature (ok, well old) players would've taken the week off as an opportunity to rest the weary muscles and ligaments in preparation for the 5 weeks that lay ahead. So without further ado, let's wrap up round 13 (which seems like an eternity ago) and look ahead to the next exciting installment, with a renewed sense of purpose and vigour.

### ROUND 13 REVIEW:

#### Mazenod midgets maul rueful Rupo

Plenty of soul-searching was required over the break out at Sunbury after Rupo were smashed by a resurgent Nodder unit. Ordinary conversion kept the game as a contest in the first half, despite the on-ball dominance of Mazenod's Chamberlain brothers. However, most pleasing for the home side was the emergence of some quality young talent. Adam Weekes has been rock solid running from defence, and Paddy Johnson complimented him beautifully fill a key defensive role - like a man beyond his tender years. As a team previously blessed with quality youth, it must be frustrating for Rupo to not be able to find enough support for Jarret Plummer and Shane Bishop who tried to stem the tide. The last quarter finally put some icing on the cake, with Under 19's Rob Mann, Michael Johnson and Nick Cramer showing real promise for the future in a day where youth shone through for the Nodders

#### Wellington Road remains Oakleigh's strip

A quick drive over the train tracks, and devastating second term by the Krushers (during which Tim Edwards nailed 5 consecutive goals from 5 chances) was enough to put the Ashers on the back foot going into the main change. From there, the home side couldn't recover ground and saw a genuine finals team slowly draw away. Oakleigh's gun midfielder in John Rutter, was amongst their best, together with Shaun Briggs and Gary Bennett. Meanwhile, for the

battling students, the returns of Kieran Beck and Chris Paxino made a big difference, whilst the improving Scott Wilcox had a good day.

#### Unicorns show great fight in upset of Rovers

At a cold and wind-swept Boss James Reserve, Melbourne High won the toss and kicked with the aid of a small typhoon towards the David Street end in the opening term. However, it was their work into the breeze which set up a memorable day for a club down on its luck. Rovers coach Gary Sheldon tried to fire up his troops at the main interval with a blast however it was Melbourne High kicking four goals while the Rovers finished off the term well kicking two. Surprisingly enough, the home side clicked in the final term, to actually wrest the lead from MHSOB, but they were able to rally and sneak a couple more in to register a famous victory. Best players for the Rovers were Mark Devereaux, Jay Ting and Rob Alexander

#### Parkdale -v- Whitefriars

Chirp, chirp, chirp.....(tumbleweed passes by).....cue slight desert breeze sound effect.....see next door for details.

#### Ormond get Jacked by visiting running machine

A glut of possession in the first term was squandered by the Monders, who really should've put the Jackas to the rack with 17 scoring shots (plus a couple out on the full!). However, they let the visitors off the hook and were forced into a see-sawing thriller for the balance of the day. The Jackas only trimmed the margin in red time of the second term, mainly thanks to the hard work of Sam Chester, and the finishing of Gary Bleiden. AJAX gained the ascendancy early in the last quarter following a towering mark and goal by half forward Elliot Janover and then "a left foot goal of the year" snap by Jeremy Dukes. Both teams traded goals in a fantastic last quarter. Each time Ormond goaled, AJAX responded and despite having far fewer scoring shots certainly deserved their win. There were a few positives for Ormond, with Richard Keane played his best game for the year as a half forward and onballer, whilst Tim Allen also did well at half forward as did Luke Duthie on the half back line.

## TODAY'S C SECTION MATCHES

MHSOB v PARKDALE  
 MONASH BLUES v ORMOND  
 RUPERTSWOOD v WHITEFRIARS  
 OAKLEIGH v MAZENOD  
 AJAX v HAMPTON ROVERS  
 Sportscover Arena on Saturday

### ROUND 14 PREVIEW

Reeling from another big loss, but with the benefit of some handy VFL inclusions, I'd expect the Rovers to fix Ajax's little red (and white and black) wagon by 4 goals.

Mazenod at home to Oakleigh will be an absolute corker with the young fellas rorm Central Reserve to come of age by 17 points.

Rupertswood should keep pace with MHSOB at the expense of the Friars.

MHSOB have a new lease of life and will defeat Parkdale at home.

Monash at home against Ormond may be tougher than one initially thinks, but it's too important for the visitors to drop. Ormond by 5 goals.

### McGoos:

AJAX, Oakleigh, Whitefriars, MHSOB and Ormond

## M I MILESTONES E S

The Hampton Rovers have two big milestones for today's game. One of the Rovers most consistent and committed players over the last 10 years, **Gerrard Woods**, reaches his **200th club game**. Also **Tom Curry** who first played in 1997 and returned to the Rovers this year after captaining the Sandringham Dragons last year, today plays his **150th club game**. On behalf of all supporters, the club congratulates these two players on their outstanding achievements.

**Oakleigh** would like to congratulate **Anthony Ashworth** on his **50th** and **Robbie Holden** on his **100th** today against Mazenod. **WANTED**

**COACHES COORDINATOR**

**Bulleen-Templestowe District Junior Football Club**

The 'Mighty Bullants' are looking to appoint an experienced coach to act as our Coaching Coordinator for Season 2009. This role is critically important to the Club, providing direction, support and mentoring for all our coaches. Remuneration, based on experience, will be discussed with applicants.

The Club fields ten teams in the Yarra Junior Football League, in age groups from Tackers (ages 6 - 8) through to Colts (Under 16/17). Our primary objective is to ensure that all our players enjoy their football in an environment that allows them to develop to their full potential.

If this opportunity sounds appealing to you, please contact Russell Wallis (Mobile 0410 335 216 or email [otago@connexus.net.au](mailto:otago@connexus.net.au)) to discuss & to obtain a copy of the position description.

**ROUND FOURTEEN REVIEW**

In windy conditions at Aquinas College, the home put up a spirited effort against Old Mentonians, and were well in touch at half-time, before the Panthers asserted themselves in the third term, setting up a 28 point win. For the home side, wingman Daniel Adams, half back John Hunt and midfielder Chris Williams did their best to keep Aquinas in the game, while for the Panthers Ricky Ironmonger had a great game, capped off with a phenomenal goal (a snap shot from the pocket, against the wind), while Anthony "Chicken" Palmer and John Thompson also made important contributions.

At Peninsula School, Bulleen Templestowe were kept in check for most of the day by Peninsula OB, before the Bullants blew the game apart with a 10 goal to nil last quarter to win by 87 points. Mark Pietryk stood out as the best on ground, and got good support by Matt Bain, Jarrod Prior and Kaine Burrigge. The spread of the goals amongst a dozen players will have also pleased coach Dean Matthews.

In other games, Old Geelong had a comfortable 70 point win over Yarra Valley OB at Domeney Reserve, halting the Bushrangers' mini-streak at two wins. Prahran scored a crucial 57 point win over South Melbourne Districts at Lindsay Hassett Oval, their first and last quarters particular impressive. And at Brunswick Street Oval, Fitzroy Reds won a tight contest against North Old Boys/St. Patrick's College, prevailing by four points, and knocking the Cobbers out of top spot in the process.

**ROUND FIFTEEN PREVIEW**

NOB/SPC have a good opportunity to get back to winning ways as they take on Yarra Valley OB at Gillon Oval. The Cobbers look to have been suffering from vertigo in recent weeks as the summit gets nearer, but I think they are too good a team to stay mired in their current run of indifferent form. After winning their previous two games, the Bushrangers return to earth with a sound defeat, and their reaction to that loss will be interesting. The Cobbers won by 63 points back in Round Nine, and if they can recapture the form of the first half of their season, there's no reason

why they can't match that again today. Cobbers to return to the winners' list. Old Geelong host Old Mentonians at Como Park. The Panthers won a thriller by eight points when these teams met back in Round Six, and I would not be surprised if the match today was similarly tight. Both teams have plenty of individual talent across the park, so the result may well hinge of the performances of their respective second and third tier players. The Panthers though have made a real impression in recent weeks, and pose a real threat to the current top two, and while the Oggers continue to fly under the radar, they need to continue winning games to hold their spot in the four. Today though, I tip the Panthers to continue their fine run and take the points today.

South Melbourne Districts travel down to Mount Eliza (hey, no sniggering!) for their match against Peninsula OB. The Pirates were good value for three quarters last week against quality opposition, and if they can get up again and sustain that for a full match, they should be a better than even chance today. The Bloods' loss to Prahran last time out made their finals quest that little more difficult, and today's game at a venue difficult for all but the best team to come away with the spoils may well extinguish the remaining smouldering embers of their finals ambitions. The Bloods won by three points in a high scoring affair back in Round Nine, but I think the Pirates will turn the tables today. Peninsula to win.

Bulleen Templestowe welcome Aquinas OC to Ted Ajani Reserve in a match that on paper appears to be cut and dried. The Bullants have players of the calibre of Paul Florance, Greg Chivers, Bill Tourogianis and Dean Tulloch due to return this week. A pleasant dilemma for the selection committee at Ted Ajani Reserve. Aquinas though have shown some good form against the big teams in recent weeks. Again, I think this week's challenge will probably be beyond them, but they will certainly keep the Bullants on their toes for a good part of the match. The Bullants won by 56 points back in their corresponding fixture in Round Nine, and, like that day, I think Aquinas will stick fast for the first half before Bulleen assert their superiority. Bullants to win.

Fitzroy Reds square up against Prahran at Brunswick Street Oval, with both sides coming off significant wins. The Reds will be buoyed by a tight win over the (then) top team last week and, subject to results going their way, are a show to return to the four. Prahran's win last round all but guaranteed D1 footy for 2009 (though the pedants will I'm

sure will say they're still not mathematically safe) and another impressive result will stand them in good stead for next season. Fitzroy won by 68 points against the Two Blues back in Round Six, though I feel things will be tighter this time out. I think the Reds have more at stake and thus more motivation to win today. Reds it is, then.

**TEAM OF THE YEAR**

As the home and away season winds down to its conclusion, it's time to start looking at compiling the D1 Team of the Year. If there's anyone you think is worthy of consideration, whether on your team or not, just send me an email with the name of the player, his club and the position(s) he should be considered for. The selected team will be announced in the Grand Final edition of the Amateur Footballer.

**CONTACT**

Match reports can be sent to me via email at theqwill@hotmail.com.

I am keen to hear from all clubs and establish a degree of parity as far as publicity goes. Please keep your match summaries to around 100 words if possible (due to space restrictions), but I am certainly happy to take on board any other comments, be it about the match or other things. Remember, this is about your club, so make the most of it. Good luck to your team today, and have a great VAFA weekend!

**M I MILESTONES S**

The **South Melbourne District Football Club** would like to congratulate **Elliot Costello** on playing his **50th Senior** game this week. "Goblet" is a valuable member of South's best 22 and a great clubman to boot, best of luck from all at SMD.

Aquinas would like to congratulate **Leigh Toomey** on playing his 100th game this week. Leigh started in the U/19s in 2002 and won the best & fairest in that year. ## D2 SECTION

by Jono Healy

What do we know? The top two is set. The battle for fourth spot is between three teams and the relegation battle is down to three clubs too.

Ivanhoe are now the favourites to grab fourth spot (easier run home than Glen Eira and Old Westbourne), while St Marys/Salesian probably need to win three of their last four to stay in D2 in 2009. The Round 18 clash between the combine and Benteleigh could decide the two teams to get relegated.

**Old Paradians \$2.70 v Emmaus St Leos \$1.40**

The Raiders pretty much guaranteed their D2 survival for next season with a good win over St Marys/Salesian last week, but would love a win here just to make sure they are mathematically safe. Emmaus St Leos had to work hard, but ended up with the four points with a narrow victory over Banyule and will now be confident of toppling the Bears in the finals if they do meet each other. Anthony Ballard and the Baranello brothers were important in the Animals victory over the Bears and this trio, along with Foxy Beluszar, look to be the main players that Emmaus St Leos will need firing come the business end of the season. Daniel Spitty and Allan Young were good for the Raiders last week and this duo will be crucial to the outcome of this clash. Emmaus St Leos could be ready for a let down after their match against Banyule, but they should still be a little strong. Emmaus St Leos by 24 points.

**Ivanhoe \$1.33 v Benteleigh \$3.10**

These two clubs played out a shootout of sorts in Round 9 and I expect another high-scoring game in this one. Chris Sharp (eight goals last week against Glen Eira last week and five against Ivanhoe last time) holds the key for the visitors, while the impressive Damon Wood (six goals against Benteleigh earlier in the year) is the crucial player for the home side. I wonder whether we will see Angelo Pace and fellow veteran Joshkun (Jack) Aziz team up with Wood in this match as this could stretch the young Benteleigh defence. Ivanhoe need to win this one if they want to play finals, but Benteleigh will be just as desperate as they are stuck in a relegation dogfight. Benteleigh will battle hard, but Ivanhoe should be too strong. Ivanhoe by 22 points.

**Therry Penola \$1.60 v St Marys/Salesian \$2.20**

All or nothing time now for St Marys/Salesian, with the

combine needing a win to keep their chances alive of staying in D2. We all tipped St Marys/Salesian last Saturday against Old Paradians but, after losing the toss and kicking against the breeze in the first quarter, they were never really a chance. Aaron Stevens continued his good form on the ball, Matty Robinson impressed in the ruck, while Ant Murphy was good on a wing, but ultimately, too much was left to too few. Therry Penola tried hard but was no match for a rampant Old Westbourne outfit away from home. Corey Bannister continued his good form in front of the sticks with another five goals, Joel Quinn won plenty of the ball in the midfield, while Matt and Luke Reynolds battled hard across halfback. With just a bit of luck I feel the combine can pinch this one. Cam Armstrong and Matt Goodier will need to fire if they are to pick up the four points, while Bannister is the key for the home side. Big game for both sides, but I will give the visitors one more chance. St Marys/Salesian by seven points.

**Banyule \$1.50 v Glen Eira \$2.40**

The Bears have little to gain for the remainder of the season (pretty much guaranteed to finish third regardless of other results), but will be keen to find their best form prior to the first semi-final next month. They battled hard against Emmaus St Leos last week, but found the Animals a tad too good. David Gayfer was held goalless for the first time since Adam was a boy, while Richard Young and Greg Tolson were among the better players. Glen Eira kept their finals hopes alive with a hard fought two-point victory over Benteleigh at Packer Park. It was a tricky breeze in Murrumbidgee, with many goals kicked against the wind, but the Saints came out on top. Evan Stuchbery did a fine job on Chris Sharp late in the match, while the ever reliable Chris Massis had another excellent game. One feels that Glen Eira will have to win one on the road in their remaining four games if they are to snatch a finals spot. Banyule have little to play for, but have been extremely hard to beat at home this season. Big chance of an upset, but I will stick with the home side. Banyule by 14 points.

**Werribee \$1.18 v Old Westbourne \$4.10**

Huge local derby, with a big crowd expected at Soldiers Reserve. Werribee have sewn up the double chance, but they would love nothing better than knocking their big

rivals out of the top-four. Werribee produced some excellent football in the final quarter against Ivanhoe last week when they slammed on nine goals to two. The veterans Andrew Tedesco and Matthew Keogh continued their excellent form, Nathan Addamo returned to lead the way in the back half, while Chris Scudamore (three goals) is fast becoming a dominate forward. Old Westbourne moved into fourth spot with a percentage boosting win over Therry Penola. Paul Chalmers (seven goals) was the star in front of the sticks, but youngster Haydn Templeton was a clear best on ground. Werribee have been good at home all season, but an in-form Old Westbourne line-up is going to be yet another test. Grant Connors the key for the visitors, while the Lee brothers will be important for Werribee. I expect a few fireworks and if Old Westbourne is a chance of causing an upset, a good start is critical. However, too tough to select against the home team. Werribee by 19 points.

## Big V Recollections

### Amateur Football: A Part of Melbourne Life

By John Toomey

I will never forget my first game of First 18 football for Marcellin Old Collegians, or 'The Old Boys' as we used to call them back then. I had just turned 18 and although I did not realise it at the time, I was embarking on one of the most significant journeys of my life.

We often forget that a significant role that football plays in the community is to teach boys how to be good men. I often think of Amateur Football is the "Rugby Union" of the Australian Rules code. Rugby Union, it is said, is a game that develops leadership, team spirit, courage, sportsmanship, and friendship. I have a strong sense that Amateur Football does just that.

Every 18 year old wants to learn how to be a good man. Perhaps the best way to do that is to surround oneself with good men and learn from them as they lead by example on the field of battle and within the community that is Amateur Football.

I know I had some fine role models in Amateur Football. Laurie Aghan was an incredible example of passion, fierce love and a willingness to stand his ground for his team. Peter O'Donoghue was a warm fatherly figure who knew how to coax something better out of you.

And perhaps my favorite of them all was Gavin White. His belief in me and my team mates was palpable. His capacity to get you to give more when there was nothing left to give still sends a chill up my spine.

But the other thing I got from Amateur Football was something quite selfish: a front row seat to some of the greatest athleticism and football talent ever on show. I was right there amongst it week after week to watch the feats of Gartner, Marchesani, Cooper and the Jones brothers. And we got to play against the divine talents of Nick Wilton, Nick Byrne, Mike Yeo, Bruce Bourne, the Rittermans, Simon Beddoe, Shane Murphy, Chris Stone, the Curtains, Jim Bennett, Nick Daff, Steve Laussen and many others.

But when I reflect on my own personal growth as a man, I think of my personal contests. Just about every week I faced an opponent of great talent and I had to rise above my own limitations. I was never a gifted footballer, but I made up for that with my love of intense physical training. So for me, I had the engine while many of them had the talent. What a contest.

Before a game against an opponent like Yeo, Rohan

Brown, John Houghton, Alan Naylor, Gus Carroll, Paul Considine, John Cortese, Glen Cook, John Noonan, Steve Pirrie or Mick Green, my excitement rose as the challenge approached. These guys really made me work. Sometimes I won, sometimes I lost, but the respect at the end for the game was always there. Friendships moulded in the heat of battle.

So being selected to play state football alongside these guys was a profound experience for which I will forever be grateful. I played two games for Victoria 1983 before a badly torn pectoral brought my football to an end. In that same year, I was the 1st emergency for the All Australian team and relished that chance to train with the best of the best.

But there is something even better about Amateur Football. Whilst the contest is serious and the State Footy is dramatic and important, there are the humorous moments that bind us all as we remember to not take football or ourselves too seriously.

In about 1982, we were playing a game against another "Old Boys" outfit at Marcellin. They had a Full Forward who probably could have out marked Tony Lockett. He could really play, but he had a bad dose of white line fever. He would get highly emotional if an umpire failed to recognise an "obvious free kick".

On this day, he felt cheated by a rather colorful umpire and proceeded to follow the umpire all over the ground berating, lecturing, pleading and lamenting. He even made it as far as the back pocket. It was a sight to behold. The poor umpire was really copping it.

In the last quarter, they were coming back at us and the full forward, having gotten his mind back on the job was starting to make his presence felt. Somehow he got out by himself, and in a vain attempt to spoil his mark, I arrived late, buried him and gave him a couple around the ear, just to upset his concentration perhaps whilst shooting for goal.

Later in the rooms, I was standing having a drink with a few blokes and the umpire appeared by my side and handed me a beer. Thanking him, I asked why. He said, "Big Tooms, I saw what you did to him (the full forward) and it brought a tear to my eye. It's just what I wanted to do so I owe you."

Only in Amateur Footy hey! Thanks guys for the battles, the experience, the learning and the friendships.

## • VICS INFLICT HEAVY DEFEAT

The VFA's U23 AAFC Championship side comfortably accounted for South Australia last Saturday when they ran out 70 point victors at Junction Oval. Determined to respond to last year's heavy loss to the Crow-eaters (losing by 53 points in Adelaide), the Vic's held the lead all day. Kicking into a strong breeze in the first quarter, the Vics dominated the early proceedings kicking the first two goals of the match. St Kevin's small man Ben Dowd was particularly dominant in the first quarter as the VFA went into the first break with a one goal lead. South Australia bounced out of the blocks in the second term and put the first goal on the board into the breeze in the second term to level things up and the majority of the second term developed into an arm wrestle. Another goal apiece and the day was looking like it was going to be tight. The VFA forwards were seeing plenty of the ball but couldn't put the score on the board until Lachlan Baddeley, Matty Moore and Huw Lacey helped the VFA to a 17 point half time lead.

The third term was always going to be the crucial period and South Australia put the first goal on the board to bring them back into the match. However, from then on it was all Victoria, as they piled on 7 goals to 1 into a strong breeze to take the game away from the Croweaters. Marston, Olliver, Maddocks, Iezzi and Eva were superb for the Big V with Iezzi kicking a lovely goal on the run from Half Back. Moore was

beginning to get on top at full forward along with McGettigan, Mentiplay and Baddeley. Through the middle, Watts was unstoppable and Dowd was having a day out. The Victorians ran away it with the wind in the last quarter to record an emphatic 70 point win.

## • LEDGER SQUARED

With victory to the VFA over the SAAFL on the weekend, representative football for the 2008 season comes to an end with the ledger squared. The VFA was represented in four matches this season with the first being our U19 side, which took on the Queensland U21 side in Brisbane on the June long weekend. Unfortunately, our young chargers came up against a very talented and well drilled outfit and went down by a hefty 131 points. On the same day in Melbourne, our C-D4 representative side met the VCFL (Districts) side for the very first time and despite an impressive start, where also soundly defeated going down by 63 points. The next day in Sydney, the Senior representative side restored some Victorian pride when they defeated AFL Sydney by 5 points in a very entertaining match despite the wet conditions. And finally, as previously mentioned, the VFA U23 side, competing in the Australian Amateur Football Championships, soundly defeated South Australia by 70 points despite South Australia going into the game as warm favourites. Overall, 88 players were given the opportunity this year of wearing the Big V and representing the 10,000 players who compete in the VFA each year. For many it is a once in a lifetime opportunity and the VFA is very proud of its representative program and history. Next season will again see a full card of representative matches, giving our elite players the opportunity to showcase their talents at an elite level.

## • DOWNHILL TO FINALS

With the A, B and C Sections (and U19 Premier) enjoying the bye on the weekend, all thoughts now turn to finals and relegation battles. Some of the battles which are sure to generate an enormous amount of interest in the sections include –

**A Section** – A three way battle for relegation involving Uni Blacks, Old Trinity and De La Salle, whilst 7th placed Uni Blues are only two games out of the 4 and still a finals chance.

**B Section** – The final four looks set however all of the bottom 5 teams are in relegation danger. St Kevins looks safe from relegation but need to win this week to have any chance of finals.

**C Section** – The bottom 6 teams are still in relegation danger with Parkdale, Mazenod and Monash Blues all a chance for finals and in danger of relegation.

**D1 Section** – The top 6 are still in the finals hunt but realistically, the battle seems to be between Old Geelong, Fitzroy Reds and South Melb. Districts for 4th spot.

**D2 Section** – The top 2 is settled but Bentleigh, Therry Penola and St Mary's/Salesian are in a tight battle to avoid relegation. Old Westbourne, Ivanhoe and Glen Eira are in a battle for 4th spot with 3rd seemingly settled.

**D3 Section** – The top 4 and bottom two seem settled at this stage.

**D4 Section** – Due to this section having 12 teams, the finals will consist of a top 5. This looks settled at the moment however Richmond Central, Eley Park and Box Hill North are still mathematical chances.

## • FREE SMS SCORE SERVICE

The VFA has been trailing a new SMS score service which will be available across all sections next season. Currently, clubs or individuals can register their numbers and receive the scores from their section of choice for \$10 per year. However, the VFA will offer the A Section scores (sent through at 5.30pm every Saturday) FREE of charge to the first 200 subscribers for the rest of the season. Simply call (03) 8506 5720 on your mobile or text "footy" to 0406794103. This free service is for A Section scores only and only for this season. Subscribers can unsubscribe at any time and there is absolutely no cost or catches (unlike other SMS subscription services).

## • WOMEN RECOGNISED AT CITY LUNCHEON

Last Friday a City Luncheon was held at the Zinc, Federation Square, in conjunction with the celebration of 150 years of Australian Rules to acknowledge and celebrate the role women have played in the development of Amateur Football in Victoria. The lunch was a great success with over 200 attendees both men and women from throughout VFA clubs. Special guest speakers were the highlight of the day and included Gillon McLachlan and Glenn Archer along with Samantha Lane who represented the VFA women in football. We congratulate the 13 women who were presented with volunteer certificates & a medallion for their outstanding contribution to the VFA, which included: Liz Wilson - Caulfield Grammarians, Amanda Dyer - Collegians, Joan Martin - Old Trinity, Loretta Crowe - De La Salle, Jenny Cade - Old Trinity, Melissa Evans - Fitzroy Reds, Val Allpress - Melbourne University, Davina Connors-Calhaem - VFA Board, Maureen McGee - Sth Melbourne Districts,

Karen Griffiths - Old Ivanhoe, Sandra Dick - Old Scotch, Pam Tummel - Old Scotch and Jenni Allan - Old Scotch.

A big thank you to Stride Sports Management Events & Stuart Stockdale for organizing this stellar day.

## • BELLY'S HISTORICAL LUNCH

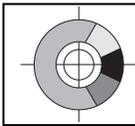

VFA Vice President and Board member John Bell was the guest speaker at the Life Members lunch held at SCA on Sunday 6th July before the A section game, Old Brighton v Old Trinity. John entertained with a most interesting speech on some of the clubs who comprise the "Institutional" group of clubs. Some aspects of John's speech included - Richard Pratt's contribution at Ajax and Swinburne University. He appointed a former VFL coach Keith McKenzie as the club's first coach in Club 18.

Keith Frearson DFC and his contribution to Monash University and that the main oval at the University was named Frearson Oval after his death. Tony Sheehan, La Trobe University games record holder and legend, who was the last treasurer in the Cain/Kirner Government is still involved with the club as Chairman of Selectors.

He then spoke about the Bank clubs. State Savings Bank were a very strong A Section club before the war being runners up on three occasions. ANZ Bank advanced four sections between 1932 and 1935. Between 1959 and 1966, six bank clubs were represented in the VFA. Now there are none although Albert Park and Prahran were previously bank clubs. ANZ Bank/Albert Park, who joined in 1954, has never won a senior premiership. John spoke at some length about the Commonwealth Bank who played continually in A or B section between 1948 and 1968. Some of the personalities at Commonwealth Bank include Tony Borrack who played in each of the six sections at the time, club founders Harry Heathershaw and Bob Scott who later joined the Executive as did Mac Tolliday. John also discussed the origins of Hampton Rovers and Hampton Scouts from the 1st Hampton Scout Group, on the contribution of Norm James, Group Scout Master to the Hampton Rovers club. Hampton Rovers were the first club to win a premiership in four sections all coached by Norm James. Almost half of the 1951 A section premiership team were members of the 1st Hampton Scouts. James' nickname was "Boss" and Hampton Rovers home ground is now known as the Boss James Reserve

## • LAST ROUND OF CLUB XVIII

For some, this weekend's round of matches in Club XVIII will see the conclusion of their season. It only seems like yesterday that the season was underway and we are already into our first batch of finals next week. All of the final fours are settled except for Club XVIII (North), where the winner of Old Carey v Bulleen Templestowe will finish 4th and the loser will pack away their boots for another year.

# ... Retrospective

by Geoff Reilley

## 5 YEARS AGO - 2003

In **D3 Section**, it was a bit of a slow start by **Swinburne University**, according to scribe, **Peter Williamson**. **Peter** maintained that the Uni boys may have been a bit too conscious of their star goal kicker, **Jamie Murchie**, who was within half a dozen of his century. Their opponents, **Syndal Tally-Ho** were a chance for the finals and were making every effort to improve their chances against the top team. At half time **Syndal Tally-Ho** were less than 2 goals down and confident they could create an upset. **Swinburne** applied the pressure in the third term and kicked clear with 4.3 to 1 goal and **Murchie** was a chance to achieve the milestone with a quarter to play. Although **Swinburne** completely over ran their opposition in the last quarter, **Murchie**, with 4 match goals, finished the round on 98 goals but from a team perspective, his team's 15.16 to 6.5 victory proved the margin between the top team and the fifth team. Best players – **Whiting, Fidler, Frangiaco, Morrison, Eager (3), Dunsford (Swinburne) and A Richardson, Rutter, Discombe, Reynolds, Brown, Agnello (Syndal Tally-Ho)**.

As scribe **Gavan Flower** pointed out, **D4 Section** was a terrific competition and although **Mt Lilydale Old Collegians** could not be dislodged from top spot, the remaining three places were up for grabs. A contributing factor was the **Old Westbourne** versus **Mount Lilydale** match. The boys of **Westbourne Grammar** jumped the ladder leaders and withstood a last quarter challenge to win 12.11 to 9.10. It was the first loss of the season for **Mount Lilydale**. **Westbourne's** defence had been excellent, led by 'Juice' **Huntington** and **Duncan Benn**. **Kade Lever** also played a 'ripper' up forward. For the 'Dales', **Flanagan** was clearly his team's best. **Old Westbourne** were now in third place but sharing points with **Albert Park** and **North Brunswick**. Best players – **Lever (3), Huntington, J Horsburgh (3), Benn, M Christo, Gerace (Old Westbourne) and T Flanagan, Van Deuran, Nott, Carstens, Roberts, Gibson (Mount Lilydale)**.

For **Werribee**, **John Marinis** played his 100th game having started with the club in 1997. He had played most of his footy in 'the ones' but in this season, he had accepted the position of **Reserves' Captain** where he showed great leadership.

**Steve "Pebbles" Stewart** chalked up his 100th game for **Box Hill North**. Well known for his hard work at the bottom of the packs and for his ability to feed it out to team mates, **Steve** was also not shy when it came to working hard around the Club and his efforts were greatly appreciated.

## 10 YEARS AGO - 1998

In **C Section**, **Beaumaris** bounced back onto the winners list with a timely win against **St Leos Emmaus**. The **Sharks** meant business from the word go and kicked 6.1 in the first quarter to 3.1. They increased their lead by half time and then shut down all **St Leo's** avenues to win comfortably 17.10 to 8.8. This win gave **Beaumaris** a 1 game advantage over second placed **Old Mentonians** and were almost assured of the double chance. Best players – **Nish (3), Mclean, Holt, Vaughan, Nicholson, Martin (Beaumaris) and Darcy, McKenzie, Burgess, Rose, Ronciti, Willis (St Leos)**.

**D Section**, an unusual twelve team division, already had an identified top four with the respective positions yet to be decided. The top two teams, **Whitefriars** and **Southbank**, met in the match of the round. **Southbank** kicked the first two majors but the **Friars** kicked the next four to be in front at quarter time. **Whitefriars** went further ahead by half time, almost 6 goals up, but **Southbank**, in a superb third quarter got within 5 points to set up a last quarter contest fitting for the top two teams. It was a great last quarter and looked as though it could go either way before **Whitefriars** proved the steadier team to finish 16.13 to 14.12. Best players – **Pasqualotto, C Carrigg (6), Houston, Pawlik, B Vandeenboom, Bateman (Whitefriars) and Howarth, Morgan, W Alford, Stewart, Daly (Southbank)**.

**Salesian Old Collegians** confirmed their first two players to reach 150 games; **Bernie Quin** and **Mathew Forbes**. Both were very fine players who had given plenty, on and off the field. All at **Salesian's** hoped the two boys would continue for many more games.

**U19 Coach of the Month**, as awarded by the **VAFCA Coaches' Association (AFCA VAFCA)**, was **Peter Foster**, coach of **St Kevins under 19 team in Section 1**. **Peter** had a distinguished playing record at **VFL/AFL Level; Fitzroy 3 seasons and Footscray 11 seasons**.

## 20 YEARS AGO - 1988

In **E Section**, the top two teams, **Whitefriars** and **Aquinas**, local rivals, were both more than keen to obtain top billing. **Whitefriars** travelled to **St Bedes**, never an easy journey, and met a very determined 'Beda' group who were relatively submissive in the first quarter, but fought back in the second to be within 4 points at half time. By three quarter time **St Bedes** had

broken clear, albeit by only 4 points. The final term was an absolute thriller with the **Friars** determined to justify their top billing and **St Bedes** equally determined to defeat the leaders. At the final siren, **Whitefriars** had done enough to hold on, 17.11 to 16.14. Best players – **Danny Crowe, Harrison, McNeill, Mark Reidy, Sutton (3), Van Raay (Whitefriars) and for St Bedes**, they could not separate them and posted a 'team effort'. In **F Section**, **Williamstown** were in seventh position but a top four placing seemed remote as they, and the fifth and sixth placed teams, **Footscray Institute of Technology** and **Commonwealth Bank** respectively, were three games behind **St Andrews** in fourth position. What's more, **Williamstown** were up against top team, **La Trobe University** but had the advantage of their home ground. **Willy's** start was not great as the **Trobers** kicked the first few goals but by half time **Willy** were almost three goals up and clearly meant business. The third term was hard fought and evenly weighted. Both teams entered the final quarter expecting to win but missed some easy chances to goal before **Williamstown** grabbed the initiative and cleared away in the final minutes to record a great win, 11.9 to 7.11. Best players – **Miles, Neenan, Height, Cannon, Butterfield, Goetz (Williamstown) and Lewis, Little, Cousins, Wrigglesworth (3), Poole, Palmer (La Trobe Uni)**.

## 30 YEARS AGO - 1978

In **E Section**, the 'match of the day' was between two of the top four teams, **Bulleen Templestowe** and **Old Geelong** out at **Doncaster**. **Bulleen Temp** showed why they were three wins ahead of **Old Geelong** by building up to a 7 goal lead by half time. In the third quarter the **Geelong** boys made up a little ground but were still 5 goals behind, despite their improvement. The final quarter became a terrific contest as **Old Geelong** refused to give in and narrowed the gap with **Bulleen Temp** answering each challenge. In the end, 6.4 for the term was not enough to get **Old Geelong** over the line and **Bulleen Temp** breathed a sigh of relief at their 17.10 to 15.14 victory. Best players – **Johnston, Pretto, Hebbard, McCoy, Tenace (4), Murphy (Bulleen Temp) and Ross-Edwards, Shaw (3), Moore, B Spiden, Baillieu (3), Calder (Old Geelong)**.

**Hampton Rovers** had a huge win over **Geelong** in **Junior Section 1**, 26.12 to 6.12 and their skill level was excellent in the conditions. The **Rovers** ten goal final quarter was a highlight and could have been more productive had they not missed a few easy opportunities in front of goal. Best players – **Ketis, I Rogerson, Morecroft, Austin (8), N Kelly, Berridge (Hampton Rovers) and Thomson, Williams, Fatouros, Regan, Armstrong, Innes-Irons (Geelong)**.

**John Shaw** played his 200th game for **Country Colleges (formerly Assumption Old Collegians)**. He first played in 1967, playing in **Assumption's E Section premiership** that season. Until the last couple of seasons, **John** had played in the senior team and was

**Club President from 1974 to 1977**. He was awarded **Life Membership in 1977**.

## 40 YEARS AGO - 1968

In **B Section**, the **Alphington** versus **Geelong** match was marred by poor kicking for goal. **Alphington** took advantage of the wind in the first quarter and **Geelong** led by two goals at half time. **Alphington** could have been in a very strong position by three quarter time but their return of 5.11 for the term left **Geelong** less than four goals down and coming home with the breeze. **Alphington** kicked 1.8 in the final quarter while **Geelong's** 2.5 was not enough to win the game; final score in **Alphington's** favour, 11.23 to 11.17. Best players – **Wardle, McNamara (4), W Gale, Roberts, Shearer, Blegg (Alphington) and Marshall, P Hamilton, R Foster, Alden, G Lamb, Fitzgerald (Geelong)**.

**Field umpires in B Section** were – **Pat Loy, Geoff Thomas, Don Malcolm, Daryl George and Kevin McKay**.

## 50 YEARS AGO - 1958

There were lots of upsets in this round with the major one being in **B Section**. **Old Paradians** (top) met **Power House** (9th) with **Power House** desperately needing a win to stave off relegation. At the **Ross Gregory Oval**, **Power House** completely threw **Paradians** off balance with two very quick goals although **Paradians** quickly recovered and commenced their fast open style of play. **Paradian's** overhead strength was adversely affected by a strong cross wind but **Power House** adapted their game cleverly and in the second quarter, with **Hutchinson** and **Thompson** controlling the ruck, the opportunities opened up and **Miller** in particular capitalised with three goals. Well into the third quarter, **Miller** again goaled to give his team a narrow lead before **Foley** and **McCarthy** featured for **Parade** with three responding goals and they finished the term with a 14 point lead. In the final quarter, **Power House** found it difficult to pass **Dineen** and **Pivetta** and when winger **Peter Booth** goaled, **Parade** looked home and hosed. **Power House**, spurred on by the use of the breeze kicked two quick goals and it was anyone's game. **Paradians** packed the back line but **Power House** kept peppering the goals, **Mannes** providing a good target and eventually they won back the lead with only minutes left to run out winners by 4 points. The power of threat of relegation had again prevailed! Best players – **Pirrie, Thompson, Mannes (6), Hutchinson, Crane, Gordon (Power House) and Hill (3), Foley, McCarthy, Dineen, McLaughlin, Richards (Parade)**.

**Power House** veteran, **Johnny Layton** was honoured after recording 200 games and the **Club President**, **Wal Davie**, made a suitable presentation. **Wal Davie** and **Johnny Layton** had played together in **Power House's first team in 1939**.

# D3 SECTION

by Stephen Clarke

Well folks an exciting week for my good self with traveling in no less than three countries and experiencing everything from the amusing to the emotional to some massive hangovers. I am missing however greatly the season in Section D3 as we have now confirmed our top four it seems, confirmed who is departing to the D4 ranks for 2009 and who are the players to watch and who we have enjoyed watching thus far.

With the two games clear and percentage, the Williamstown CYM's will claim our minor Premiership and with a full list to choose from be a short price flag favourite. A close first quarter against Uni High was quickly a thing of the past within hours as they raced to a one hundred win and leaves the visitor to think end of season footy trip almost. Twenty six shots on oals is the glaring statistic here -too much possession forth's classy unit and you are gone. I say it often but this is another side where the good names are appearing at the right time - Cooper, Taylor, Wong - not easy to stop.

The Hawks enjoyed a last quarter goal blitz to shut down an improved Latrobe outfit by an even ten goals. The work load here shared by many in a pleasing effort for coach and committee alike. The sleeper of the field now has their work done to finish top two almost and face a side they know they can beat if it all clicks. Riddsy back to form here and the very amusing Matt McKenna delivered the goods all day whilst Brad Vanooi had a big output for the away team. The lads at Powerhouse keep on winning and it is this frugal defence that keeps doing the job. Paul Sosic yet again showed his class whilst big Dave Burnside is probably the most improved senior footballer in the league now. They drew away from Swinburne here in the end and the finals are now theirs to compete in accordingly. The Razorbacks now know their season is over but need to keep working extra hard for a deserved win.

Thirty eight goals in eight games is not amazing but what it shows is that if Elsternwick have a genuine full forward with the rest of their side they win games and do it in style. Dave Smith here proved his worth yet again and the red and black army from Elsternwick claimed back their Murphy Wells Cup. For the Gryphons, it was pleasing to see Ruckman, Chris Leeton return to form and Chris Jones was probably their best ground level player. In regard to Elsternwick though, they have as good a power forward as anyone in the competition in Smith, if he plays eighteen games life may be different.

In a crucial game out at Research, the Turtles and Joc's came out with all guns blazing, resulting in a 13 goal first quarter. Peake was on fire for the Joc's with Ben Garrard and Kennell doing much of the scoring for the turtles. The turtles gradually took control during the second term and pushed out to a 5 goal lead early in the third, in the end recorded a 37 point victory. Crooks continued his fine form in the ruck for Eltham.

## TODAY'S D3 MATCHES

LA TROBE UNIVERSITY v ELSTERNWICK  
ST JOHNS v SWINBURNE UNIVERSITY  
UHS-VU v MONASH GRYPHONS  
ELTHAM v HAWTHORN  
POWER HOUSE v WILLIAMSTOWN CYMS

### PREVIEWS

Eltham meet the Hawks at home and I do like them with a whisker to succeed. Uni High at home to Monash need to restore pride but their form of late is poor so not keen on them so see the Gryphons winning. Elsternwick can win away at Latrobe for another win in a frustrating year for them, whilst the boys from St Johns can win against the Razorbacks by ten goals. Match of the round sees the tightest defences line up in a rib tickler. The Slushies need to be better than ever here against the Seagulls and I think that fire power coming from Point Gellibrand is too much.

### M I L E S T O N E S

Congratulations to Jeremiah Ryan and Alan Chung on playing 100 games and 50 games respectively for the Razorbacks. Well done to "Bullfrog" and "Chungy" on reaching these Milestones.

Eltham Collegians congratulate Matthew Luttick on breaking the club games record, previously held by Brendan Evans. Matt joined the club in 1996 and has made an enormous contribution on and off the field. He has been an outstanding senior player, with several top 3 B&F finishes, he has coached the reserves and in recent years has won multiple reserves B&F's and capped off his career with a reserves premiership last season. A life member of Eltham Collegians and respected by all, congratulations Matt.

## UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

### Reminder to ALL UMPIRES

While Benny is away in sunny Queensland working for the AFL all umpires must take responsibility for ensuring they notify the following people if you become unavailable for any reason;

**Field Umpires –**  
**Brad Lowe – 0413 192 037**

**Boundary Umpires –**  
**Bob Mutton – 0417 559 994**

**Goal Umpires -**  
**Bernie Jephson – 0423 389 060**

**Appointment changes –**  
**John Robinson – 0407 544 455**

who are holding down low ladder positions will beat top four teams in games that are better than the perceived rematch of the round. So we as umpires must be aware that during the run into finals, all games are the most important of the day and there will be no better game than the one you have been appointed to.

### Back to the 80's

As we do sitting around the social table with a beer remembering way back when this happened or that happened, can we remember when **Mike Murray** always had the goal umpires doing tunnel ball for training?? Thank God for Goal Umpire Coach **Bernie Jephson** for bringing back the tradition of tunnel ball but with slight difference, he by-passed the use of a medicine ball. May be he didn't want goal umpires with ankle injuries.

### State game

Well the Vics are back and we've finally had a victory. Congratulations and well done again to umpires who all represented the VAFAUA (and the VAFA) at the Junction Oval last Saturday while the rest of us were running around the lower grades. Now, for the run-down to finals as we start jockeying for those positions and the number-crunching begins.

### AFL, Can we help?

Notice that during an AFL game the field umpire always has to wait for the light from the TV channels before bouncing the ball in the centre. It seems that the boundary umpires are just too quick nowadays but we at the VAFAUA could solve the problem. All they need to do is appoint our boundary umpires **Craig Brajtberg** and **Andrew Rechtman** and we can guarantee that your commercials will be aired and be back in plenty of time before the bounce. Sorry boys, don't worry, we've all slowed down these days.

### The R word

Now that rotations have been completed, we now turn our attention to the other R word: **Relegations**. This is now the time of the year where clubs put their reputations on the line to try and stay in the grade that they are competing in. Umpires will find that teams

### Annual Dinner

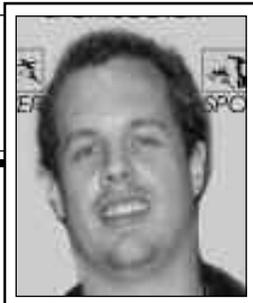

Reminder that the **Annual Pre-finals Dinner** is on Monday 18th of August, held this year at a new venue, the MCC Members Dining Room at the MCG. Pre-dinner drinks at 6:30pm for a 7pm start. Cost of the dinner is \$50 for VAFAUA members and \$55 for non-members. Drinks at bar prices. Dress is jacket and tie (**attention young umpires!**) This is the night we hand out our major awards for the year as follows: **Life Memberships**, **10 year Service Award**, **Bob Dunstan Award** (exceptional service to the VAFAUA), **Andy Carrick Award** (for an umpire who performs continuously and admirably in the lower sections), **Golden Whistle Award** (presented as encouragement by the AFL for a young umpire who shows potential to progress to the highest level), **Young Achiever Award** (for an umpire under the age of 20 who shows promise, regularly attend training and fits in well with the group), along with **Most promising Field, Boundary and Goal Umpire Awards**. With all these awards there is plenty to celebrate, so please put in all annual leave forms for the 19th August with your employer if you are looking to have a long night. However if you put the big one, our fitness coach **Rob Sneddon** will still expect you to attend training the next day. Interpret the word "attend" how you like! We do not accept heart muscle as an excuse, just ask **Simon Stokes**.

**RESPECT THE UMPIRE – RESPECT THE GAME!!**

# D4 SECTION

by Duncan Palmer

It is the time of the year where we start looking at the Team of the Year. It would be great if players, coaches and supporters could send some nominations in. To start the ball rolling I will look at a few different positions and offer you some alternatives.

**FULL FORWARD:** David Viola is the current leader and is an obvious contender. Craig Horne only trails slightly, and would also be a worthy full forward, however could easily play in a pocket or on a flank. Troy Whiting and Ben Spencer are also very strong forwards. The jokers in the pack are Heath McDermott from the Bears who has made the most of a disrupted season and Tim Fradkin from the Cobras. Maybe you have other ideas.

**FULL BACK:** The names that pop up most often are Cameron Liston from Box Hill North, Luke Hickey from Mt Lilydale, and Guy Ortlipp from Kew. Full backs rarely get the recognition of forwards and I am sure there are a few more who deserve some kudos so again your thoughts are valued.

## ROUND 14 IN REVIEW

The thriller of the round was definitely at Mt Lilydale where the Rams hosted the Xmen. With third spot on the ladder at stake, this match always promised to be a spectacle, and despite a gale blowing to one pocket, it was. In the first quarter Karl Russo was dominant and he was instrumental in helping the away team to a five goal lead at quarter time, albeit with the wind. In the second Mt Lilydale made even better use of the breeze and with 100th gamer Francis Varga marking everything, shot to an eleven point lead at the main break. In the third quarter Luke Hickey again showed why he was a worthy challenger to the mantle of 'best D4 full back' by completely shutting down Ben Spencer, however Mark 'Skywalker' Hamill provided the target up forward for the Xmen with several crucial goals, and helped establish a sixteen point lead. In the final quarter St Francis Xavier managed to hold sway early with some dogged defence. Then the evergreen Patty Carolan marked and slotted a goal from the boundary, across the stiff breeze, to spark the mountain men who then seized the chance to take a narrow lead into the dying moments of the game. The Xmen tried everything to hit back, and even had a shot in the dying seconds from a deliberate out of bounds decision, but in the end the Rams triumphed and snatched third spot.

Albert Park welcomed Kew to their home turf, and also with a top three spot at stake were not about to lie down. To the contrary; kicking into a 5 goal gale, the Falcons stunned the Bears with their ferocious attack on the ball and belied the wind advantage to kick the first five goals of the game. From this point the game was virtually over. Kew tried hard to fight back, but at best matched the lakesiders. Wesley Death was fantastic in shutting down Nathan Dallas; however Lachy Brown, David McManus and Nicholas Cain dominated for Albert Park. Even with Craig Horne bobbing up for his customary half dozen, the home side still had too many winners on the day. Albert Park is arguably the form side of the competition now, which is astounding after their early losses

this season. Now they face West Brunswick, and a win would possibly see them as premiership favourites!

North Brunswick and South Morningside were both searching for a win and the first quarter was tight. Michael Clark was leading the way for the home side, whilst Rodger Allen was great around the ground for North. In the second quarter though, the Tigers set the tone for the match with better use of the wind, and with James Ivce firing, established a four goal lead. To North Brunswick's credit, they fought hard, and in the third edged close. Ben Williams was finding plenty of the ball, and an away win seemed possible. Within seconds of the last quarter though this hope was distant as South slammed on seven goals to put the result beyond doubt and record their fifth win of the season.

West Brunswick encountered a fired up Bulleen Cobras, and early on an upset seemed on the cards. Bulleen were generally harder, quicker, and more desperate than the Magpies, epitomised by Cameron Terpsinis' efforts, and only skill errors prevented them from establishing a significant lead. After half time the ladder leaders clicked into gear courtesy of Anthony Gibson and Shannon Monagle, and with big Jarrod Sudholz, reminiscent of a flying David Schwarz, quickly opened up a match winning lead. The Cobras were scoreless after half time, and whilst they would be delighted with their first half, would be disappointed that they could not maintain this after the break.

Eley Park once again demonstrated their potential, possibly unrealised this season, with a dominant effort against Syndal Tally Ho. With the Viola's flying, and Trav Houlden providing inspiration the Sharks went into a feeding frenzy against the hapless home team. This is not to say that the Synners didn't try, to the contrary, Levi Phipps worked hard all day and was well supported by Paul Agnello. Unfortunately Syndal the Sharks were just too strong right across the park. Eley Park looms as a finals shaper with three of the top five in the last four rounds.

Unfortunately there was no report from Richmond's win over the Box Hill North, which is a shame as this match is usually a show case. The Snakes did keep their very narrow finals chances alive with a solid win.

## ROUND 15 PREVIEW

### Match of the Round

**West Brunswick v Albert Park:** West Brunswick is the undisputed ladder leaders. Albert Park is the form team of the competition. Such is the ladder situation that the Falcons can seize premiership favouritism with a win, but could miss the top three if they lose. Key match-ups will be crucial and some of the enticing possibilities include Shannon Monagle v Justin Kane, Nathan Dallas v Bill Irving, and Jarrod Sudholz v Oliver Winchester. Both sides at full strength are very evenly matched; however with West Brunswick possibly missing a couple, the Falcons will just hold sway by 8 points.

**North Brunswick v St Francis Xavier:** North will be no push-over at home and will be particularly strong in the middle. This is also St Francis Xavier's strength, and with more to play for the away team should win by four goals.

**Box Hill North v Syndal Tally Ho:** The home side has been badly affected by injury recently, but with more height and strength across the ground should be too tall and win by 32 points

**Richmond Central v Mt Lilydale:** Richmond would still hold faint hopes of a finals appearance, whilst the Rams must win to hold onto third spot. I sense an upset here, and with Chris Crough finding some form, Mt Lilydale will need to be at their best. Not for me. Snakes by a point.

**Kew v Bulleen Cobras:** The Bears will want to be careful as Bulleen have some talent and in patches are competitive with anyone. Kew at home, and with a few players back will be too good however and will record a 44 point win.

**Eley Park v South Morningside:** The Sharks and Tigers both recorded impressive wins last week. David Viola maintained his narrow lead on the goal kicking and Eley Park should help him this week with a 27 point win.

**Reserves: WB, NB, BHN, RC, Kew, EP**  
**Reports and team of the year nominations please to deejaypalmer@bigpond.com by midday Monday.**

## MILESTONES

All at **Kew** congratulate club Vice Captain **Ben Woodhouse** on playing his **150th** game today against Bulleen. A versatile player at both ends of the ground, Ben joined Kew in 1999. A great clubman on and off the field, we all wish Ben the best today and for the next 50 games.

Kew also congratulate both **Patrick Dennis** and **Andrew Makris** on reaching the **100 game** milestone last week against Albert Park.

Everyone at **North Brunswick** extends congratulations to **Jezza** on reaching a fantastic milestone. Jeremy is one of those stories that you hear about a player walking off the street looking for a game of footy. Jeremy is one of the most admired & respected players to have played for North Brunswick. Well done Jezza.

**West Brunswick** congratulates **Shannon Monagle** on playing his **50th** game for the club. Originally a Western Australian, "Moggs" began his career as a Magpie in 2003. Everyone at West Brunswick wishes Shannon all the best for his milestone match.

**Eley Park** congratulate **Justin Flower** on his **50th** game against Richmond Centrals in Rd 13.

For the first time in yonks the U19 Premier ladder does not have De La Salle sitting on the top rung. That honour now belongs to St Bede's Mentone Tigers after a cracking round 13 of footy a fortnight ago. Before the break for the U23 representative game against the SAAFL last week it was De La holding the aces and looking good for tilt at an undefeated season while the Tigers looked certain to meet them in the 2nd semi final but also hungry to pinch top spot. Many U19 observers are keen to see who will be the duo to challenge the top 2 come September and with Old Scotch, Marcellin, Uni Blues and Uni Blacks all recording wins the race for a start in the 1st semi still has 4 contenders. At the other end of the ladder the Snow Dogs and SKOB will slug it out to remain in the top flight of U19 footy in 2009.

### ROUND 13 REVIEW

Coming off a disappointing loss Uni Blues were keen to stay in touch with the top 4 and did so in style at the Pavvy belting Old Xav's to the tune of 77 points. While Xav's were in the hunt early it was the Blues' Thomas Pryde doing all the damage with a hot shoe that netted him 9 goals on the way to a best on ground effort. Supported well by Albert Weddell and Luke Griffin Uni Blues had too many on fire for Old Xav's to contain in a much needed percentage booster.

St Bernards headed over to Bulleen buoyed by their first win a week prior and confident of a good showing against the Eagles. Marcellin on the other hand had suffered defeat at the hands of Rupo and were determined not to lower their colours two weeks running. In a tight contest Marcellin took the game on, switching the play to advantage and taking risks that proved the difference. Best for the Eage's were Michael Abrahams, Mick Ryan and Liam De Neefe. The Snow Dogs will be ruing some missed opportunities in front of goal (22-28 scoring shots) but can take plenty of positives away including stellar games from Alex Singleton, Jake Foulds and Nicholas Weir.

Billed as clash of the Titans the De La Salle Vs SBMT game didn't disappoint, the lead changing hands several times before St Bedes, through outstanding play from Gavin Brown and Tim Mavric turned it on in the second half to run out 5 goal winners. Interesting to note that De La Salle, with their Senior A section outfit in a relegation battle royale called on the services of U19 guns Semmel and Salvatore, leaving Ben Maloney and Eddie Murphy to fly the Blue and Yellow flag. While the Tigers have the

edge this week they don't hand out flags in July and I'm already excited about season 2008's 2nd semi. Bring it on.

Top 4 contenders Uni Blacks continued St Kevins miserable month downing SKOB by 3 goals. Whilst not setting the world on fire Blacks were solid in the clutches, Tim Schaefer helping himself to 2 goals while collecting the best afield votes just ahead of team mates Adam Pitt and Rowan Hobson. For St Kevs Karl Riegert and Keith Brick were great in their sides last quarter revival, but it was too little too late for the side now struggling one spot above the bottom.

Rupertswood have been playing great footy of late but yet to put a winning streak together. In another heartbreaker for the Sunbury boys Old Scotch were good enough to hang on from the fast finishing Rupo. Hayden Ross received great supply from Benny Gay, Todd Podolczak and Liam Jacobs on his way to 6 majors but it was the early work of Cardinal's Will Strange and Will Davis that set up the Scotchies ninth win by only 2 points after a Rupertswood shot at goal after the siren failed to get the yella 'n blue home.

### ROUND 14 PREVIEW

#### SBMT Vs Old Xavarians

A quirk in the draw sees SBMT up against Old Xavarians again only 5 weeks after their low scoring affair bored the pants off everybody at Straddy Park in round 9. This time around I expect The Tigers to win big on the postage stamp and maintain top spot while boosting their already healthy percentage. Tigers by 8 goals.

#### Old Scotch Vs Uni Blacks

Blacks can't afford to drop this and lose touch with the 4; Old Scotch dodged a bullet last week and need a strong performance to restore full confidence. It adds up to a spicy encounter at the CSG, one where I think the

men in Red will win...just.

### Uni Blues Vs Marcellin

Another cracker looms in this fixture that can have major repercussions on the 4. Going on Uni Blues form before the break you'd say that the Eagles are in for a long day but I can't see Marcellin surrendering with out chucking everything at the Uni and taking the chocolates by a slim 3 goal margin.

### De La Salle Vs St Kevins

St Kevins face a rarity in footy these days, De La coming off a loss. While some of the sting would have diminished over the break I think SKOB are in for a whole lot of pain. Lets not pussy foot around the issue, while St Kevs are better than most 9th placed teams of recent times De La will put a big score on the board. If you're into wearing Navy, Green and Yellow, pray for rain and more rain and more rain. De La by heaps.

### St Bernards Vs Rupertswood

I wrote recently that I thought St Bernards would win more games before season 2008 closes, I still think they will and today they host Rupertswood who have pushed the top sides at times and have claims to being not too far away from a big day out. Today won't be the day for the Snow Dogs while Rupo should prove they are the comps big improvers. Rupo by 4 goals.

While on the Snow Dogs I must apologise to the Bernie's coach who due to some slack proof reading on my behalf now has the new nick name "Mick". Fortunately MATT Mulkearns has quite the sense of humour and is enjoying the ribbing his players are giving him on the track. Apologies Matt.

### Grima's Corner

#### North (1) Round Rewind

Round 14 kicked off in sensational fashion as Bulleen Templestowe proved they were far too good for Old Carey, running out victors by 58 points. Starring in the big win included Stephen Harisiou and Michael Pace. Daniel Fulton was the most prolific forward on the ground as he snagged five. Scott Virtue was named best for Carey.

Old Camberwell made light work of Old Essendon as they managed to win the game comfortably by 77 points. Star forward Alastair Lloyd was on fire for Camberwell as he booted six goals. Teri Miriklis was brilliant in the victory also, whilst Michael Fahey was named best for Essendon.

In our mouth watering top of the table clash Old Trinity were out to make a statement and certainly did this as they run out winners against league leaders Old Ivanhoe by 17 points. With scores level at three quarter time, Old Trinity managed to kick three vital last quarter goals to seal the deal in this one. Lach Beaton was a stand out performer for Trinity as was Brett Robertson. David Shields showed a lot of spirit for Ivanhoe despite his side going down. The race for the premiership has been

blown wide open with this result!

Banyule/Viewbank made light work of the Old Paradians at the weekend, running out winners by 11 goals. Whilst the game was fairly close at three quarter time, an eight goal to nothing final term proved to be the difference in this one.

The Fitzroy Reds continued on with the theme of massive margins at the weekend as they destroyed the inconsistent Manningham Sharks to the tune of 119 points. The pressure of the Reds was relentless, so much so that the Sharks couldn't manage a score in the last quarter.

William Johnson led the way as did Michael Lee in a superb effort.

Daniel Tibaldi was great against the odds for the Sharks.

Old Essendon v Bulleen Templestowe

Bullen were great against Carey last week and should continue in their rich vein of form with a sold win here.

TIP: Bulleen/Templestowe by 35 points

Old Camberwell v Old Trinity

Old Trinity won the game of the year so far last week. They'll continue on and win well in this one. TIP: Old Trinity by 32 points

Fitzroy Reds v Old Paradians

The Reds are rolling, the Old Paradians are struggling. Easy win for the Reds here. TIP: Fitzroy by 45 points

Banyule/Viewbank v Old Ivanhoe

Another intriguing match up between 1st and 3rd. The loss on the weekend may have been what the doctor ordered for Ivanhoe. Look for them to bounce back strongly with a gutsy win here. TIP: Old Ivanhoe by 15 points

### ROUND REWIND NORTH (2)

St Bernards recorded one of their best wins for the season on the weekend as the downed an in form Emmaus St Leos side by 59 points.

Patrick Gamwell led from the front with a superb performance, as did Liam Neal who booted four goals. Thomas Foreman was good in a disappointing day for St Leos.

Ivanhoe AFC were on fire at the weekend as they made light work of cellar dweller the Fitzroy Reds, running out victors by a whopping 156 points. Bill Jackson was magnificent in the huge win, kicking four goals whilst setting up multiple others. Jack Chazan was similarly brilliant with his four goals, whilst Bobby Bozanic enjoyed the supply as he bobbed up with five majors. Zach Oakes was tough a resilient against all odds throughout the afternoon.

Rupertswood recorded one of their best wins of the season as they were far too good for Therry Penola, running out victors by 93 points. Josh Smerdon was the major beneficiary of the midfield dominance from the Woods as he snagged seven majors in the victory. Namesake Josh Hine was also superb all afternoon with his great ball use. Jarryd Molloy was named best for Therry for his solid contribution throughout the day.

NOBS/St Pats managed to hold off a gallant Old Geelong side to run out winners by ten points. Luke Sheehan capped off a great day with a best on ground performance. He was well supported by the likes of Johnny Hibbert and Francis Valente. Jack Merrin was named Geelong's best.

In a stunning upset at the weekend, the seemingly invincible Aquinas OC have finally been defeated, going down to a courageous Old Xaverians line up by eight points. In a fairly low scoring contest that saw the Xavs down by four points at the final change, a determined last quarter effort ensured victory against the odds. Nick Mudge was brilliant in the win for the Xavs, as were Andrew Batten and Marcus Boscarato who kicked four crucial goals for the afternoon.

James Pretto was named best for the Aquinas. This is a huge result for the Old Xaverians and may give them the added confidence needed to go deep come finals time.

### UNDER 19 SOUTH 1

Beaumaris jumped to 4th spot after a comfortable win over Mazenod this week. Summons and Breeuwer-Wrennall gave great delivery to Cathcart and co all day and just proved to strong for the Noddors but Gutsy games from Inglis and Kelly kept the noddors honest.

Caulfield who are making a late charge for 2nd spot smashed Old Brighton by 97 points and look like real contenders for the flag after some big defeats. Sinclair could have shown buddy Franklin a thing or two this week as he booted 8 of the best, Allanson and Baker dominated throughout the day and for Brighton Nash and Cooney battled hard.

Rip snorter game this week with Old Melbournians just edging out a very gallant Collegians by 19 points. Corp had a day out kicking 5 and named best a field for Collegians while Breen and Hughes booted 9 between them.

What a finish to a game of football this was! A minute to go and up pops David Bardeel kicking 2 goals to get the panthers up by a kick. The best for the Mentonians were Matt "Golly" Chrisopoulos, Cam Labroy (4 goals) and Ross Howard in the Historic win. For Haileybury Baptist and Morrison shown desperation but just wasn't enough.

The score line between Ormond and Oakleigh was a true indication of the difference in ladder positions as the game was completely one sided this week. Doherty tried his best but was no where near enough to stop the likes of D.Willis and R. Cahalane who both jagged 5 each and complete dominance shown by C.Coghlan and A. Moloney throughout the game for the monders.

Mazenod v Oakleigh: Mazenod will win comfortably 6 goals.

Old Brighton v Beaumaris: Big game this week for 4th spot im going to go with Beaumaris by 3 goals.

Ormond v Collegians: Ormond will win comfortably this

week after a big confidence boosting win last week. Old Melburnians v Old Haileybury: Old Melburnians will just enhance their premiership chances. 50+ Old Mentonians v Caulfield: Caulfield will continue their sensational form of late 50+ point

In what sounded a ripping game of football down at Boss James Reserve the Jackers Held off Hampton Rovers for a gutsy win to secure 2nd spot on the ladder. best was J.Eastman who has been playing in the seniors most of the season and R.Howe. For Ajax D.fayman just did what he does best by booting another for 4 goals to add to his almost half ton and the Selzer Boys put on a clinic but felt ill over the rest of the weekend after a touch of leather poisoning.

PC brought home the bacon comfortably against peninsula with the return of Musster and "Tigger" after successful stints in the seniors. Sharp work by "TC" who snagged 4 goals for the blues and 2 crowd pleasing goals from a team favourite "Gomma" were to strong for the pirates this week but Harrison and Grigg were far from disgraced.

Bentleigh had a red hot crack at the ladder leaders this week and made them earn the victory but were not able to gain the 4 points needed for them to see a finals birth (but that lifeline is still on offer after a shock De La loss). El-Khoury and J.White stood up in a big game, while for

the University J.Waldron and J.Powell had solid games and were to strong in the end for a gallant Bentleigh. Parkdale in upset of the season defeated De La Salle this week which leads to a huge What if? With the Parkdale boys proving they had the talent to have a red hot go this year in south 2 but fall short with senior requirements for a handful of players. Ellis and Finocchiaro were unstoppable for the vultures while K.Grant held his head high.

St Bedes gained some talent over the weekend and M.C Hammered Melb. High with Imlach and Chum kicking 6 between them for the tigers. Yule and Tran tried to fire there side up but could not match a much stronger St Bedes outfit.

Bentleigh v MHSOB: Bentleigh will be to strong for the old boys this week.

De La Salle v St Bedes/Mentone: De La to bounce back and stay inside the top 4.

Monash v Prahran: Monash will not be without a fight this week and I feel they will be due for a loss and PC might just be the team to produce upset of the year. PC by a point

Ajax v Peninsula: Ajax to run a muck this week 60 + points.

Parkdale Vultures v Hampton Rovers: Hampton will finish the season strong and will get up by 5 goals in this encounter.

**pe CLUB XVIII SECTION**  
by Norm Nugent

The penultimate Round results while providing many surprises, have also served to make Round 15, the one to decide the final placing in each Section. My success rate was 67%.

**REVIEW OF ROUND 14 Section 1**  
Collegians took top place when they defeated Mazenod by twenty three points in a game where the prevailing wind proved difficult for all. Mazenod, who were not disgraced, led Collegians at half time but were unable to convert several second half opportunities. Best players for Mazenod were: defenders, **Little** and **Stanley** as well as on ball players **Cuberes** and **Hose**. In the first of three probable consecutive meetings, Prahran defeated Old Xaverians by sixteen points at Toorak Park. In so doing Prahran showed how erratic my prediction was!! St Kevin's failed to score their third victory as they were defeated by the rejuvenated Old Scotch by twenty six points. De La Salle proved themselves to be the best side outside the four, when they defeated University Blues by eleven points, which meant the Blues lost Section leadership. When judged by the scores, it seems that the wind made accuracy difficult for both sides. Marked accuracy in front of goal paved the way for Old Xaverians 2 to defeat Old Melburnians by thirty three points. When reviewed on scoring shots, the game was seemingly a much closer contest.

**Section 2**  
Monash Blues made a mockery of my prediction when they defeated University Blacks by seventeen points. Monash thus insured a top two finish while the Blacks are now locked into third place. Old Trinity and Fitzroy Reds played an even first half before Trinity gained the upper hand in the second half as they turned their seven point half time lead into a winning margin of forty points. Second placed, St Bernard's marred their ninety nine point win over Old Scotch by very inaccurate kicking. Although St Bernard's scored every ninety seconds, their accuracy rate was under fifty per cent!! Old Brighton had twenty seven point winning margin over Caulfield Grammarians. In the afternoon match, Whitefriars through greater experience and very accurate kicking defeated Box Hill North by fifty points and in so doing insured they will finish in fourth place. Best for Whitefriars were: **K Murphy**, **R Piggott** and **A Shaw**. Box Hill North was well served by: **J Yap**, **A Do** and **J Buenaventure**.

**South**  
Leaders, Old Camberwell contributed to the bleak day for St Mary's/ Salesian, by scoring a sixty six point win over the Combine, who slipped from second to fourth as a result. Ormond scored a percentage building win over Old Geelong by one hundred and thirteen points. Oakleigh moved to fifth through their eighty one point defeat of Emmaus/St Leo's, who only managed one quarter of the total scoring shots. St Bede's/ Mentone moved back into second place through their forty point win over Beaumaris.

**North**  
Old Carey had a day out against Box Hill North, who went down by one hundred and thirty six points. Eighth placed Therry Penola made their fierce rivals; second placed North Old Boys/ St Patrick's fight hard to score an eighteen point victory after the scores were even at half time. Best for the winners were: **Chris Dynon** and **Anthony Piccolo**. Despite inaccuracy up forward, Bulleen – Templestowe kept their finals' chances alive by defeating Old Westbourne by seven points. The further the Kew versus Marcellin match progressed, the greater became the Marcellin lead. At half time the "Eagles" led by fourteen points and at the final siren they were sixty nine points in front.

**PREVIEW OF ROUND 15 Section 1**  
University Blues should be able to defeat Mazenod, who will be anxious to farewell **Nathan Little** and **Simon Fisher** with a victory. De La Salle should finish their season on a high note by defeating Old Scotch. Leaders, Collegians should have enough talent to defeat their neighbours, Old Melburnians. I was wrong last week in selecting Old Xaverians to defeat Prahran. I won't do so today as Prahran will hold the advantage of playing on Darling Park. Prahran seemingly have gained depth of talent whereas the "Crocodiles", who have lost four matches are not playing to the high standard they have set over a generation. Old Xaverians 2 should finish the season as they started it with a win. I do not believe St Kevin's players possess the depth of talent needed to defeat the "Ménages"

## Section 2

Old Scotch and Box Hill North meet at Camberwell in what promises to be an even contest, pitting the enthusiasm of the visitors against the experience of the "Cardinals". Based on their performances this season, I select Box Hill North.

Next week's First Semi Finalists meet in a dress rehearsal when University Blacks venture to the far east to play Whitefriars. Today, I fancy Whitefriars will win because of their marked home ground advantage. Each team will be anxious to test the other as each probes for the psychological advantage to take to the Gillon Oval. Old Brighton should end their season by defeating Old Trinity, who must travel to Brighton Beach Oval where so many visiting teams have lost over the years. St Bernard's again could "kick the sweep" with another big score as they are at home to tenth placed Caulfield Grammarians. For their confidence for the finals it is hoped St Bernard's kick straight!! Monash Blues again come to town as they play Fitzroy Reds, who do not possess the depth of talent to halt the Monash progression to another successful final series.

## South

Leaders, Old Camberwell should record a comfortable victory over Beaumaris. Ormond, safely placed in the top four should be able to defeat Oakleigh. I select Emmaus/ St Leo's to end their season successfully by defeating Old Geelong, who have lost their early season promise over the latter part of the season. With second place as the spoils of victory, St Mary's/ Salesian are at home to St Bede's/ Mentone, whose form has been the more consistent. I select St Bede's/ Mentone because I doubt the home team can recover from last week's heavy loss at this late stage of the season.

OLD CAMBERWELL v BEAUMARIS

## North

On Friday night, I select North Old Boy's/ St Patrick's to defeat Box Hill North. The Combine will be anxious to win in **Adrian Trimboli's 200th** game as well as insuring they enter next week's final in top form Kew travel west to play Old Westbourne and should return with the four points, secure in the knowledge they qualify for the First Semi Final. Undefeated leaders, Marcellin should win again at the expense of the determined Therry Penola. Old Carey must defeat

Bulleen - Templestowe to maintain fourth place as defeat could mean the "Bullants" will take their coveted spot. Carey did well last week and were competitive against Marcellin in Round 13. Bulleen - Templestowe did not kick a high score out west last week but their return to their near neighbourhood should insure they give a good account of themselves. I favour Old Carey to win this game and so qualify for next week's semi final.

## M I MILESTONES E S

**Mazenod** will farewell two stalwarts today when Coach **Simon Fisher** and key defender **Nathan Little** retire. They have both experienced the agony and the ecstasy of Club XV111 as their side has won once over the past two seasons. Prior to this they played in a Section 2 premiership and in a losing Section 1 Grand Final side. Well played each of you. Simon thanks for your weekly reports in which you have always optimistically looked forward to that elusive victory, which could come today!! **Old Trinity** congratulates **Jon Cade**, who played his **200th** game last week against Fitzroy Reds and so qualified for Life Membership of the Old Trinity Club. Jon. Joined the Club from school and has played in the 1997 Under 19 Premiership team as well as in the Club XV111 Grand Final against University Blues in 2004. Jon.'s family has long been great supporters of Old Trinity and the Club XV111 Best and Fairest trophy will be named in honour of Jon's late father, Mike. Mother Jenny has also rendered sterling service as a trainer both at Under 19 and Club XV111 level. Well done to the Cade Family.

On Friday night veteran, **Adrian Trimboli**, plays his **200th** game for **North Old Boy's/ St Patrick's**. Adrian started in the Under 19s in 1988 and won the 1989 G.W. McTaggart Medal in under 19 Section 2. Over the years Adrian has played senior football for North Old Boys before he moved to Club XV111 in 2004 where he has played with distinction in defence over the past four seasons. Well done Adrian. May you continue towards 300.
