VAFA BLOCKBUSTERS

Congratulations to all the clubs who participated in special Anzac Day events last weekend. The

highlight was the St Bedes Mentone Tigers v Old Scotch match, played on the Friday in front of a crowd estimated to be well over 1500.

St Bedes Mentone Tigers hosted a lunch for 150 people and the day would have been profitable for the club in many ways. It would have brought a new supporter to the game and hopefully the club will be able to retain them. The game also gave the opportunity for other VAFA club workers to watch a game free of any responsibilities. And of course there would have been substantial benefits in the canteen and bar after the match.

We can learn from the AFL on how to promote special events and blockbuster matches and with some shrewd marketing we can get big crowds to Amateur football. The next big event to promote at your clubs is the community football weekend of matches to be played next week to celebrate 150 years of Australian Rules football.

We were delighted that David Parkin accepted the position as VAFA 150 year Ambassador. David launched the season at the MCC Members Dining Room highlighting his start in senior football with MHSOB and the opportunities the VAFA gave his son when playing and coaching. David will also be attending matches next week as part of his ambassadorial role.

To give you some background to the events surrounding the community weekend. As part of the 150 anniversary of football, the AFL advised all leagues that on the weekend of May 10 there would be no scheduled AFL matches. They would play a Big V match against the All stars on the Saturday night.

The VAFA, being the oldest continuous competition in Victoria and having great links to the games beginnings via Old Melburnians and Old Scotch, decided to play special significance to the weekend. The VAFA asked all

clubs to support the weekend by nominating their main arch rivals and play them on this day.

To reward our players and volunteers the VAFA in conjunction with Cyan Press, has produced certificates to present to all registered players who have played 150 games and volunteers who have made a significant contribution to the club. The players' names will be included in the Amateur Footballer next week and hopefully the volunteers the following week.

The VAFA sponsors saw an opportunity to assist our clubs and our jumper suppliers, Lyon Sportswear and Primary Edge, joined forces to offer clubs at incredibly reduced prices a heritage jumper which would be worn on that day.

Similarly, VAFA's trophy sponsor Winning Edge, produced specially struck medallions for players and volunteers displaying the VAFA and the 150 year logo. The Sherrin footballs used in the games will also have on display the logos.

All AFL listed players are required to attend the game of their club of origin, so it is important that club officials contact their listed players and ensure their attendance.

Competing clubs need to work together to ensure the game is a celebration of 150 years of football. Some activities that I have heard that will be happening include BOG medals presented by former club champions, clubs contesting newly created cups, mayors of councils tossing the coins, formal pre match luncheons hosted by both club presidents, BBQ's at the conclusion of the match to present the certificates and many more.

One match worthy of noting is the Fitzroy Reds v South Melbourne Districts played at the Brunswick St oval. The Reds will be wearing the old Fitzroy jumpers and they will be contesting the inaugural Bill Stephen / Peter Bedford trophy. The former greats of the clubs will be guests at the pre-game lunch. It is anticipated that many of the former Fitzroy and South Melbourne legends will be at the game.

Next Saturday is a real opportunity for you to show your support for your VAFA club. Get to the game, stay back afterwards to celebrate the match and pay tribute to all the former and present people who have made your club the place that it is today.

Round 3 – Oh but a memory!

On ANZAC Day, I was dealing with a damsel in distress who had (disgracefully!) been denied an Olympic berth so I unfortunately didn't get a look at the Scotch and St Bede's/Mentone clash. From all reports, a bumper crowd, a high standard game and a credit to all involved. Scotch's **Steve Lawrence** stamped himself as one of the class players in the competition while **Ben Doherty**, back from reporting duties at the 20/20 Summit in Canberra, banged through half a dozen match winning goals. The Scotch youngsters are obviously responding to the urges of new coach **Peter Banfield**. It was no disgrace for the home side to go down, though they did cough up a half time lead. **Anthony Scafidì** and **Tom Marks** were their best.

Brighton would have been in all sorts had they gone down to Old Ivanhoe but a goal spurt in the last quarter helped them to a much needed first win. In the end, the return of **Pat Phelen** and **Leigh Hendra** proved the difference, along with a blistering last term from **Andrew McGuinness**. **Matthew Smith** toiled hard against **Heta** and **Adam Pirrie** kicked two vital goals into

the wind in the third term. The Hoers blew their chance by not capitalising on a strong win in the third term (you can just imagine how cold it would have been down there on such a day). In what was very much a trend across all A Section

games, the Trinity/Uni Blacks clash was in the balance at the final break, with the visitors having more legs in the final stanza. A late goal to **Alex Hooke** sealed the deal. Trinity went in without **Andrew Ramsden** and **Anthony Kenna** which made the performance all the more impressive. **Jack** and **Tom Healy** were their best while **Daniel Costello** and former All Australian Amateur **Kane Loxley** got the nod for the Blacks.

De La players rate **Quinton Gleeson** as highly as any player in the comp and it's a little wonder - the fleet-footed former skipper always seems to turn one on against them, particularly at the Waverley ground. De La

were missing a few but really hammed it up to the Blues, who had the wind in the final term and came home with a rush. **Tim Demetriou**, once a Scotch player, was clearly De La's best with **Jon Vickers-Willis** and **George Knowles** joining **Gleeson** as Uni's best.

Not many would have envisaged **Andrew Bowen** on **Fergus Watts** and the Xaverian number 12 did OK, though the big **Wesley** full forward probably took the honours in the end. Full credit to **Simon Lethlean** for going with the match up though. Collegians were worthy winners with **Chris Blumfield**, **Andrew Scott** and **Nick Ries** the clear top picks. Xavs lost no admirers in what was at times a fiery clash. **Liam Jurrah**, an excitement machine from Yuendumu in the Northern Territory, created a lot of interest, while **Tim Fleming** played his best game thus far as captain.

Friday's Preview and The Lock

Ok, so last week's lock went missing in cyberspace. For what it's worth, the lock was Collegians by over three goals so I would have done my nuts for the second successive week anyway. Perhaps **Jono Healy** of D2 scribing fame would like to put his money where his mouth is and have a crack? Or maybe those charlatans **Fraser Cameron** and **Peter Williamson**? Log on to vafa.com.au on Friday for the in depth selections and the lock and win yourself a bottle of red... For the time being here's today's picks - Collegians easily over De La, Brighton over Blacks, Trinity over St Bede's Mentone, Uni over Scotch at headquaters and in the upset of the round, Old Ivanhoe to roll Old Xavs.

Round 3 was the complete opposite of the first two rounds, in the first two rounds only three out of ten matches were decided by over 10 points but this round produced five winning margins by over 30 points. The round ended last Sunday at Sportscover when Old Haileybury gave Caulfield a good old touch up winning by 121 points. The Bloods were on top all day and the fact that they had kicked 10 goals to 1 to half time basically guaranteed the margin was going to blow out. There was a strong St.Kilda presence at the ground supporting coach **Jamie Shanahan** including old team mates **Luke Beveridge**, **Dean Anderson** and **Stewart Loewe**. Their mates on the field didn't disappoint either with **Tony Brown** and **Brett Voss** among the best on the ground. Just to add to the Saints flavour Caulfield coach **Gary Colling** also played for St.Kilda. Best players for Haileybury were **Disco Seccell**, **Tom Chisholm** and **Farooq Mahoomed** while **Ben Carboni**, **Andrew Sinclair** and **Ben Evans** did what they could for Caulfield. Congratulations to Bloods player **Rhys Johnson** on 50 games.

Old Camberwell were one of two sides yet to register a win this season but they did along with (St Kevins) being too strong for Old Melbournians winning by 35 points. The game was very close with margins only 4 and 6 points at half and three quarter time in favour of the Wells, but they kicked away in the final term kicking 6 goals to 2. **Kent Kingsley** slotted 6 and is starting to adjust to the pace of Amateur football, I am sure now he will give the Wells full value for their recruitment of him. OM's didn't have any answers and now face Beaumaris in a How do I tip a winner game?. Best players for the Wells were **C.Hendrie** and **M.Shanks** For OM's **T.Bennison**, **T.Beaumont** and skipper **H.Turner**.

In a very inaccurate kicking match St Kevins defeated Old Carey at Righetti. The final score St Kevins (8.14.62- 3.12.30). Conditions must have got worse as the day went because of the fact that down my way in Ormond it started to pour down at about 4pm. The margin was only 9 points at half time in the SKOB's favour, but they did enough to get over the kicking 4.9 to just 1.4 in the second half. The best for both were **A.Lynch**, **T.Crowley** and **S.Bishop** at **St.Kevins** while at **Old Carey** **J.Reid**, **A.Stewart-Holmes** and **T.Evans**. SKOB's take on Wells this round in a 50-50 contest while it could be three losses in a row for Old

Carey as they host the ladder leaders St Bernards. St Bernards downed Marcellin at the Snake Pit, the margin 55 points. They were on top all day like their ladder position suggests. In a very well organised day in conjunction with the East Keilor RSL to pay tribute to our fallen. Activities included a pre-match luncheon and the playing of the last post. Best players for St Bernards were **Danny Roach** who won the best on ground medal, **A Jolley** and **A Stapleton**. For the Eagles The Bortolotto boys (M and J), **C.McLaren** and **L.Considine**. As mentioned St Bernards travel to Old Carey while Marcellin host Caulfield at home in another tipsters nightmare.

As there nickname's sake can do, Old Essendon has slipped under the radar in 2008 so far. With the hype set around the great form of St Bernards and Old Haileybury, the Bombers are just going about there campaign quietly. They are 3 from 3 with wins over Marcellin,OM's and now Beaumaris who they defeated beat by 35 points. But the first big test of the year will be this Saturday at McKinnon Reserve when they take on the 2-1 Bloods. Winning form is good form but Haileybury will be there in September and I am convinced at this stage the sides Old Essendon have beaten in the first three rounds won't be. Best players for Old Essendon were **Chris Day**, **Daniel Cooper** and **Ben Clifton** while for Beaumaris **B.Haynes**, **T.Waller** and **T.Hunt**. Beaumaris take on OM'S on Sunday at Brighton Beach Oval

I do apologise to all clubs for only using the first initial of first names, as I had trouble accessing results on the VAFA website when doing my report And I will add a ressie's review in my Round 5 report

TODAY'S B SECTION MATCHES

TAHL'S TIP TALLY 2008 (10/15)
ROUND 3 (TIPPED THE CARD! YOU BEAUTY!)
OLD HAILEYBURY (2-1, 3rd) v OLD ESSENDON (3-0, 2nd)
Game of the year No.2 they just get the blockbusters down there at McKinnon Reserve, the home side to take the points Old Haileybury by the barest of margins.

MARCELLIN (1-2, 7th) v CAULFIELD (1-2, 10th)
A must win contest for these clubs, this will be the case for a few matches this week and id say up to the half way mark of the year. Marcellin great start to the year very competitive but fronted one of the big boys last week and got beat. Caulfield the same scenario but received the bigger hiding. Marcellin at home

OLD CAREY (1-2, 5th) v ST.BERNARDS (3-0, 1st)
Great Round 1 win but Carey have struggled since and the trend will continue this week when they welcome the ladder leaders. St.Bernards will be too strong and continue there undefeated start to the year

ST.KEVINS (1-2, 4th) v OLD CAMBERWELL (1-2, 6th)
Both sides off the mark last week to make the B SECTION set. Every side has registered 4 points now, I have too toss a coin and I will ST.KEVINS (heads) and OLD CAMBERWELL (tails) result = ST.KEVINS

BEAUMARIS (1-2, 8th) v OLD MELBOURNIANS (1-2, 9th)
DRAW! cant tip a winner I cant and I wont, ok I have to because it's in the contract, BEAUMARIS with no confidence, It will be very close on Sunday at Brighton Beach Oval.

M I MILESTONES N E S

Beaumaris congratulates **Hamish McMillan** who plays his **100th** game this week. He started his career at Beaumaris in stellar fashion by featuring in that famous 1 point victory of Mick Deaton's U/19 Premiership side in 2000 with a typically courageous mark in the dying seconds of the G. F. He then went on to captain our first U/19 Premier Division team the next year. Injuries in 2002 delayed his senior debut until 2003 when he also won the Reserves B & F award – a feat he repeated in 2006. Injuries again ruled out 2004 before another Premiership medallion came with **Jono Holt's** Reserves team in 2005. His courage and positive attitude have made him a very well liked and respected member of our club.

Old Carey congratulates **Al Stewart-Holmes** on playing his **100th** game this week. Alby commenced with the club in the unders, before effortlessly slotting into the seniors We look forward to many more games ahead, including getting that elusive premiership.

Last week **Old Carey** saw **Matt Cohen** and **Cam Mason** play their **200th** and **150th** games respectively. Congratulations from all at Old Carey.

Recovery is the Way!

One of the many "buzz" words in modern football is recovery! Given that AFL teams have different time breaks between games, and the amount of kilometers and sweat they put in, it is no wonder they need expert control in each players preparation for the next game. For once the siren sounds at the end of a game; your preparation has begun for your next opponent.

For many of us at Amateur level, the siren sounds to start the weekend for many players to socialize and catch up. Clubs though are becoming more professional in offering ice baths (Wheelie Bin with ice), stretching and massage to aid recovery before you all meet again on the Tuesday. Clubs that are implementing these strategies are all gaining an edge over their opposition for the next weekend.

Recovery for us is basically to get the body right to train Tuesday and Thursday and be available for selection. Recovery however is more than just ice! Recovery should begin as soon as the players walk in to their home or away rooms. The body is depleted of water and energy and food replacement is vital in assisting the body to repair itself. Soft drink, cordial, water or sports drinks should all be consumed for at least an hour. Food also is vital because it will supply carbohydrates and protein. Fruit, salad rolls, muffins, lollies, sport bars are all useful in supplying these resources.

The next stage should be to help the body breakdown lactic acid from tired and over worked muscle groups. It is important that players keep moving for 5 minutes either walking or jogging. Then a stretch after this to the major muscle groups, in particular legs. I have noticed many clubs now will stay on the ground after a game to begin this process.

Icing all your sore spots now will help stop blood flow and swelling to muscles and joints. We have tried hot and cold showers, spending 30 seconds in each, but the most effective in using bins with ice. Players have all commented on how fresher their legs have pulled up, especially those who have worked hardest. For the dedicated, a swim or walk in salt water the next day has most players ready to run again on Monday. Our club also offers players access to our dedicated trainers on a Monday night to get physio or massage. By Tuesday most players are ready to train 100%.

It is obvious that Alcohol is not recommended for those who have bad bruising or corks. Alcohol helps blood flow and will prevent sore spots from recovering quicker. In an

amateur sport with a professional attitude this can be achieved if players are educated on why not to drink. Ultimately it is their choice and we can only encourage certain behaviour. We have found getting a fellow team mate to look after a particular player can be of assistance in his post game recovery.

We have been very fortunate this year to have our fitness and conditioning Coach Trevor Farr, also take a log of how much time each player spends on the ground for the game. He then email s that to all coaches with percentage time played and gives each player a rating in terms of the effort they should be able to train at, or at what level we should train them. It has been a great tool not only from a fitness perspective but also for selection. It has shown us that some players are not getting enough time on the ground or we may be working a certain player too hard. It helps to work out those who may need a rest or a full game in the reserves.

To get the full benefits of recovery, it needs to be done in the first hours after a game and for the next 24. By the time training comes Tuesday, some 72 hours later, players looking for recovery sessions are the ones who have not looked after themselves properly. We expect that all players be ready for a full session on the Tuesday and that we will monitor game time and accordingly change training to suite those whom need it. Educate players as to the reason for recovery and give them as much assistance and knowledge as possible to be professional in their approach.

U19 Coach: MARK ELDER

After a challenging year last year the under 19s team this year is looking to consolidate and play consistent football in 2008. With many members from last years team playing their second year of under 19s football we are becoming a more competitive unit with everybody playing a role in the team. The attitude of the players is upbeat and positive and exciting which is reflected in record numbers attending training.

One of the key strengths the team has is that all the players have respect for each other and are willing to work hard for their teammates. Many of the players have gone to school together and the friendships they have developed at school have carried forward into their football. On top of this the core group have welcomed in some new players aware that their presence will be instrumental in the group developing and winning more games.

The leaders of the team have the full respect of the playing group and their onfield and off-field leadership is continuing to develop. This year as well as the new players we have attracted, we have welcomed **Theo Zaharopoulos** as assistant coach. We welcome Theo and all new players and the enthusiasm that they bring to the group. After round 3 the team has had two good wins and one loss and are looking to build on this record as we look to develop the teams careers for their future playing careers with MHSOB Football Club.

Some swirly conditions greeted most teams last weekend, but thankfully not the predicted hailstorms!! However, some teams ran into a few storms themselves, in the form of a Hampton (Rover) hurricane, and a Melbourne High monsoon. Such is the unpredictability of this section early on that I'm tempted to put the cue in the rack on the tips and just do reviews every week!!

Round 3 review Hampton home on the back of final quarter avalanche

The lights went on at Boss Reserve as the final term commenced, with the Nodders having clawed their way back into the contest. The Nodders had blown it in the first term, butchering their inside 50s, but on the back of Hansen, Meehan and Colby Dickson, had drawn within striking distance of the home team with an improved 3rd term. Still the trusty northerly was blowing strongly behind the Rovers backs, and they took full advantage. James McCarthy was resolute in defence in his 200th game, whilst Nick Greenwood led the scoring at the other end. Leigh Fletcher sealed the deal with goal of the day, a solo effort from the middle that made Cyril Rioli look remarkably pedestrian.

'Corns open account over lacklustre Oaks

The MHSOB machine set up their win with a fantastic first term into the teeth of the gale at Southern Reserve, somehow conjuring 4 goals to zip. Big Roger McIntyre was proving a handful up front, whilst the reliable veterans in Thommo and Rhys Limbrick had the measure of their opponents. Tim Harper put in his best game for the Unicorns, controlling the ruck contests all day. Whilst the Krushers managed to scrounge 3 goals of their own in the second term, thanks to the hard work of Ash Kitts and Steve Doherty, they still hit the sheds trailing by 5 majors. The second half turned into an arm wrestle as MHSOB desperately defended their advantage and saluted the judges by 17 point s at the final bell.

Monash Mayhem in Sunbury surprise

Holding a tentative 10 point advantage at halftime, the Students were looking for some inspiration against the

Woodsmen. Enter "The Freak", who dominated with 4 goals in an 8 goal third term which sat Rupo on their bums, and snuffed out the contest.

The rain (and dark clouds) hit the north west earlier than most VAFA grounds, which ensured the home team couldn't breach the gap in time. Tom Craven and Brock Mackenzie had plenty of the pill in an open contest, whilst Ben Nind impressed in his call up from the reserves (always good to see!). For the vanquished, Jarret Plummer worked tirelessly in defence, with support from Lachy Baddeley and Jarad Pretty who both finished with 4 goals.

Ajax outrun Vultures in Sportscover special

AJAX showed that its form against Rupertswood was a bad dream. However Parkdale made the home sides task difficult with a barrage of goals using the Sportscover howler to their advantage and jumped to a 41 point lead. AJAX then used the gale equally as well in the second. The second half was hard, tough football each side taking the advantage. Then the rain came and the wind dropped in the last term so the win was well deserved. Mark Segal made a welcome return to the side and his run from defence set up numerous opportunities. Brad Nissen continued his good form in front of the sticks and Corey Jankie regained some of his spark.

Friar flame flickers before Monders extinguish young hopes

'Twas an improved performance for Whitefriars on the weekend, with their young team starting to find some run and system, but it wasn't enough against the experienced Ormond outfit. Brendan Stafford continued his good form, Greg Power showed his class on the weekend with Jimmy O'Meara lively at half forward. Injuries hurt the Friars with key backman Tom Langford going down in the early part of the 1st quarter leaving them susceptible to the big bodied Ormond forwards. The most dominant was clearly Matt Martinov, who was the difference between the 2 teams, ably supported by Boyd Upstill and Simon Te Hennepe, both working their way into solid senior players.

Round 4 tips

By 5pm this Saturday, we shall be one month into the season, and all excuses will have passed their use-by date. So for the Friars, and to a lesser extent last year's finalists in Rupo and Mazenod, a win is absolutely crucial.

Ormond host Rupertswood who will be desperate to turn things around. On their home deck, the bigger bodied Monders should be able to check the Rupo run. Ormond by 5 goals.

Monash are off to a flier, but may be ripe for an upset as exams loom and Whitefriars improve. Not this week, not quite yet. Monash by 11 points.

Parkdale host the rampaging Rovers, who slide down the Nepean where Gerry Green is looking in pretty decent nick. Visitors by 3 goals.

The Unicorns are on their home patch where the Nodders need to kick-start their season. Methinks the High boys to string 2 in a row. MHSOB by 4 goals.

AJAX --v-- Oakleigh is the Marquee match-up, and the word is the Jackals are getting their best team together slowly. Bad news for the Krushers - AJAX by 35 points

Hampton Rovers congratulates **James McCarthy** who played his **200th club** game last Saturday against Mazenod. A reliable backman, "Butch" has also played **151** senior games with the club. Congratulations also to **Luke Dallas** who today plays his **100th club game** for the Rovers. Luke first played juniors in 1997 and has been a consistent performer in the seniors since returning from Cairns last year.

ROUND THREE REVIEW

North Old Boys/St. Patrick's College maintained their unblemished 3-0 record courtesy of their 22 point victory over **Old Mentonians** in a tight fought affair at Gillon Oval. In an evenly fought contest, the Cobs only managed to hold off their more fancied opposition courtesy of the breeze in the last term, despite the Panthers had managed to get their noses in front earlier in the quarter). **Brett Burdeu, Paul Flanders** and **Paul Bryar** were influential for the victors, while **Dave Cochrane** with five goals at Centre Half Forward stood out for the Panthers, getting good support from following combination **Ben Lane** and **Lewis Mitchell**.

In the derby match at Como Park, it was hosts **Old Geelong** who came out on top, trumping **Prahran** by 29 points. The Two Blues got off to the better start, but were made to pay for some wasteful play up forward as the Ogs asserted themselves, gradually eroding Prahran's lead before taking the lead in the third term. Old Geelong shut down the Two Blues' running game in the second half, despite **Gerard Beven's** brace of goals in the final term giving Prahran a brief glimmer of hope.

Peninsula defeated **Yarra Valley** by 11 points in their match at Mount Eliza in a contest that went down to the wire. Veteran Bushrangers forward **James Keem** kept his side in the game with four goals, while **Phil Valoppi** was again in the best players. The Pirates spread their goals around a bit more evenly, and perhaps surprisingly, **Shaun Payze** was not amongst them. In a way, this is a good thing, and hopefully these other guys can stand up over the coming weeks.

At Ted Ajani Reserve, **Bulleen Templestowe** took top spot after their 69 point win over **South Melbourne Districts**. The Bullants got off to a fast start, and with the exception of the third term, were comfortably in control all day. Bullants full back **James O'Donnell** impressed keeping the dangerous **Jack Cronan** to two goals, while midfielders **Paul Florance, Kristian Cherbakof** and **Dean Tulloch** distributed the ball with authority.

Aquinas OC scored their first win of the season, triumphing over **Fitzroy Reds** by 46 points at Brunswick Street. After a slow start, **Aquinas'** physical presence told, with **Michael Cardamone** a lively presence up

forward, **Travis Selby** impenetrable across half back, and **Adrian Williams** a relentless force in midfield. The Reds can take heart in the form shown by star ruckman **Chris Meighan** on return from injury.

ROUND FOUR PREVIEW

Old Geelong host **NOB/SPC** at Como Park. Good to see experienced campaigners such as **Charles Fairbairn, Sandy Makin** and **Nic Casboul** having an impact last week. The Oggers did suffer a number of injuries early in last week's game, and it will be interesting to see how this impacts them in both the short- and long-term. **NOB/SPC's** win over Old Mentonians would have surprised many casual observers (and even plenty of more 'hardcore' followers, I'm sure), and may well have reeled in their Final Four and flag odds. So impressed was I with this victory, it was sufficient for me to pick the Cobs this week.

Fitzroy Reds travel out to Domeney Reserve for their match against **Yarra Valley OB**. The Reds must be disappointed in the outcome of their match last week, and today's match, at least on paper, appears a tougher assignment, despite the fact the Bushrangers are yet to record a victory this season. Despite their 0-3 record, **Yarra Valley** have been competitive in each match so far, and will be confident of putting it together for four quarters today. Bushrangers to ambush the Reds.

South Melbourne Districts entertain **Aquinas OC** at Lindsay Hassett Oval in the 2007 D2 Grand Final rematch. **Aquinas** will be buoyant after last week's victory, while many people, include the club themselves I'm sure, may be surprised to see Districts at 0-3 and in last place. It is early days still, and both teams will be looking to improve their lot in the coming weeks. Today though, I expect things to go the same way as last year's climactic contest - Districts to win.

Old Mentonians take on **Peninsula OB** at the Playing Fields. The Pirates have given a good account of themselves in all three of their matches thus far, and

today shapes as their biggest test to date this season. The Panthers will look to learn from what went wrong last week, and remedy these issues during the week. **Rowan Ball** has been in great form for OM this season, and I am looking for this run to continue. Panthers to bounce back for mine.

Prahran and **Bulleen Templestowe** face off at Toorak Park. The ruck duel between **Michael Radywonik** (Two Blues) and **Greg Williams** (Bullants) should be a highlight of today's contest, while the Prahran defence, led by the in-form **George Katavolos**, will have their hands full trying to contain the likes of **Dean Matthews, Greg Chivers** and **Peter Voglis**. I'll take the Bullants today in a fitting outcome for **Dean Tulloch's** 250th game.

M I M I L E S T O N E S

Dean Tulloch today plays his 250th Senior game for **Bulleen Templestowe** against Prahran. Tully started his Senior career way back in 1992, being named as Rover, a position he has held to this day. A dual best and fairest winner (his first in only his second year of Senior football), Tully was also selected in the Forward Pocket of the clubs Team of the Century. Whilst the blind turns and magical goals have thrilled us, it's his commitment, courage and leadership that have made him one of the Bullants finest players ever. Congratulations from all at Bulleen Templestowe

Coach of the Month Peter Banfield – Old Scotch

After taking the reins from Barry Price at the end of last season, many pundits had forecasted a tough year for Peter's Old Scotch side. However, after 3 rounds of the 2008 season, the cardinals sit in 2nd place on the ladder, undefeated with 2 wins and a draw. Peter has an extensive and impressive resume in coaching, arriving at OS after 3 seasons at the helm of St Kilda affiliate the Casey Scorpions. Peter has also coached the Bendigo Bombers and been an Assistant Coach at Melbourne and St Kilda. He also played for the Essendon and Brisbane Bears Football Clubs in a career spanning 8 years. No doubt the Old Scotch players are revelling in Peter's wealth of experience at the elite level.

D2 SECTION

by Jono Healy

I might need to check with **Norm Nugent**, but when was the last time two clubs have been relegated together for two straight seasons? Well if we look at the ladder, both of last year's D1 clubs occupy the bottom two rungs on the D2 ladder. Will this trend continue? Or am I reading too much into the early season form of some clubs?

Emmaus St Leos \$1.40 v St Marys/Salesian \$2.70

Emmaus St Leos are coming off a gallant loss to Banyule and are sure to be fired up for the visit of the nearby St Marys/Salesian side. **Benny Ellis** was sensational for the Animals with eight majors, while **Nathan 'Meatball' Baranello** and **Tony McKenzie** were on fire in the backline, but unfortunately their best efforts did not bring home the Burwood side the four points. St Marys/Salesian picked up their first win as a new club, with the ever reliable **Ryan Stevens** on fire with four goals and a best on ground performance. I feel that St Marys/Salesian still have plenty of improvement in them, but it is going to be a tough ask for them against an experienced Emmaus St Leos outfit. If the rain continues and the ground is wet, the combine are a good chance of an upset, but at home it is too hard to go past the Animals. Emmaus St Leos by 44 points.

Bentleigh \$1.70 v Old Paradians \$2.05

It was an excellent win on the weekend for Bentleigh. **Chris Sharp** only kicked one and there were a few unfamiliar names in the best. This is only a good sign for the Demons as they have relied on too few for too long. **James Coles** and **Stephen Frost** were in superb form and Bentleigh got one of their best wins for some time. The boffins at Old Paradians are still scratching their heads, trying to work out how to survive the double drop. Well, a win here and all the talk will be forgotten and the Paradians will be in touch with the top four. This game will be a good test to see just how good Bentleigh can be this season. Two in a row for the boys from

Bentleigh hasn't been done for a while and Old Paradians are certainly not going to be a pushover. **Peter**

Brabender is the key man in this contest. If he fires, Old Paradians are a huge chance, but if Bentleigh can contain him, they will be well on their way to a second consecutive victory. I sniff an upset. Old Paradians by 19 points.

Werribee \$1.33 v Banyule \$3.10

Punters this is probably the longest price you will get all season about Werribee at Soliders Reserve, so I advise you to jump on now if you are keen. Last Saturday they dismantled Old Paradians away from home with **Matt Antonello** leading the way in the back half while **Andrew Tedesco** and **Josh Bellegante** won plenty of the ball in the midfield. Banyule held off a determined Emmaus St Leos outfit in a thrilling final term, with big **Robert Iaconis** booting five up forward in a dominant display. Banyule will enter this match with nothing to lose and will fancy their chances of an upset victory. However, Werribee have plenty of match winners, even with **Trav Ryan** out of their line-up and are sure to be ready for this test. Banyule will need Iaconis to fire, while the experienced **Nathan Braddy** could prove the wildcard. I am expecting Banyule to stick with Werribee early, but the Tigers should prove far too strong. Werribee by 36 points.

Ivanhoe \$1.80 v Therry Penola \$1.90

Big game this one for both clubs. A win for Ivanhoe will see them stay in touch with the top four, while a loss (which would also mean a win for Therry Penola) would see both teams locked on four points and deep in relegation trouble. Ivanhoe put up a good performance against Glen Eira but fell seven point short, while Therry went down to Bentleigh by 29 points. The big positive to come out of that game for Therry Penola was the form of **Ben Harding** who worked extremely hard in the ruck and up forward, while the ever reliable **Adam Baker** continued his good start to the season. This should be a close one, with **Angelo Pace** the key for Ivanhoe. If Therry can keep Pace to under five goals they are a huge chance, but I favour Ivanhoe in a tight one. Ivanhoe by eight points.

Old Westbourne \$1.50 v Glen Eira \$2.40

Another test looms for the D2 newcomers here, facing up against a hard an experienced Glen Eira outfit. Glen Eira got the points last week against Ivanhoe, while Old Westbourne blew a couple of easy chances in going down to St Marys/Salesian by 36 points. Back at home, Old Westbourne will start favourites in this one, but if they are not ready to play, Glen Eira are well drilled outfit and could easily be travelling back over the West Gate at 5:30pm with the four points. **Alex Tsirogiannis** could be due for a big game for the Saints and, if he fires, the visitors are sure to be hard to beat. However, I will give the Warriors one more chance at home. Old Westbourne by 12 points.

CORRESPONDENCE

It would be great to hear from every club after each round to help me in writing my weekly column. (I only heard from four prior to this round...that is not even enough for a place pool, let alone a third placed dividend.

Please send all match reports, social events, milestones and anything else that may be of interest to jonathan.healy@hotmail.com by 5:00pm on Monday.

M I L E S T O N E S

Ryan Fishlock plays his **150th** this week for **Bentleigh**. Everyone at the club wishes Ryan all the best in his milestone game.

Glen Eira Saints would like to congratulate the following players on their milestones. Club stalwart **Luke Pryde 150 games**, **Luke Izod** and **Matt Merrick 50 games**.

Martin Walsh plays his **100th game** for the **Werribee** Amateurs today. Martin joined the club in 2001 and became a regular part of the senior side until last season when he was a regular in the premiership reserves side. A popular 'older statesman' of the player group, all at the club wishes 'Zooma' all the best for today and the rest of his playing days how ever long that may be.

• New Clubs Making Their Mark

Two of the VFA's newest clubs are making their mark on the D4 Section. St Francis Xavier in their first season in the VFA's senior sections (they spent last year in Club XVIII) and South Mornington in their second season, both sit equal top of the ladder with West Brunswick, undefeated after 3 rounds. St Francis Xavier will be tested this week when they meet 4th placed Richmond Central and South Mornington are favoured to remain undefeated continue Eley Park's winless start to the season.

• All Guns Blazing at Williamstown

Williamstown CYMS are literally on top of the VFA world at the moment with both their Senior and Reserves sides sitting undefeated on top of the D3 Section ladder. But it doesn't stop there; their sharp-shooters also head the goal-kicking ladder for both divisions with David Lee (D3) sitting on 23 goals (that's 7.6 goals per game) and Greg Burgess (D3 Reserves) sitting on 22 goals (7.3 goals per game). David also heads the goal-kicking tally for all VFA sections with young Chris McMahon from Old Xavs in U19 Section North (2). The leader board is -

- 23 – David Lee (Williamstown – D3)
- 23 – Chris McMahon (Old Xavs – U19 North (2))
- 22 – Fergus Watts (Collegians – A)
- 22 – Greg Burgess (Williamstown – D3 Reserve)
- 20 – Zan Wenke (Banyule – D2 Reserve)
- 19 – Scott Churchill (West Brunswick – D4 Reserve)
- 17 – Jack Cronan (Sth Melb Dist. – D1)
- 17 – John Garrard (Eltham – D3)
- 17 – Brad Nissen (Ajax – C Reserve)

• Home Ground Hoodoo

Widely regarded as having the best home ground advantage in Amateur circles, St Bedes/Mentone Tigers dropped their first home game since Round 15, 2005, when they went down to Old Scotch in their Anzac Day blockbuster. Relegated that season (2005) the Tigers have been a juggernaut since then winning back to back flags and venturing in uncharted waters – A Section. Speaking of the match against Old Scotch, nearly 2,000 people turned out for the Anzac Day match played in perfect conditions at Brindisi St. A memorable tribute ceremony preceded the match and congratulations to

both clubs, the umpires and dignitaries on their participation and the Tigers for their organisation.

This week's poll question on the VFA website lists some of the VFA sides with strong home ground advantages. Log on and let us know what you think.

• Certificate of Merit

Peter Gilmartin (Old Paradians)

Peter commenced with Old Paradians as an U19 player in 1967 and progressed to the senior side in 1970, amassing 187 games for the club. Peter was a member of the club committee from 1977 through to 1982 and returned to the committee in 1993. He was elected Vice President in 1995 and held that position until 2000. Peter went on to be elected President in 2000, a position he held until 2005. He is currently the Immediate Past President of the club and is an active member of the committee. During his tenure as President and in addition to this onerous task, Peter chaired the OP Junior Affiliated Clubs Committee, chaired the OP Team of the Century Committee, organised the 70th and 75th year celebrations and oversaw the canteen and team management operations. Peter has also been a club representative on the Parade College Grounds Committee. Congratulations Peter on your sustained efforts and involvement with the Old Paradians Amateur Football Club.

• Rep Squads Announced Next Week

As we move into May, the VFA's Representative Season gets underway with the announcement of the initial squads for the Seniors, C-D4 and U19 sides next week. Selectors will be out in force this weekend watching games and eyeing off the abundance of talent that is contained within amateur ranks. Nomination Forms are available on the website (under "Club Administration") if your club has a player you feel is worthy of selection and the honour of wearing the "Big V".

• Cystic Fibrosis Challenge Set to Begin

Next week, clubs will receive their Cystic Fibrosis collection tins with their Amateur Footballer subscriptions. The Cystic Fibrosis Challenge is focused around the C-D4 representative match versus the VCFL (Districts), which is set down for June 7th at Elsternwick Park. This is the first time the two Associations have met at this level and we will be playing for the Cystic Fibrosis Community Cup. All funds raised from the collection tins will go directly to CFV and we are looking to double the \$5000 we raised last year. Some fantastic prizes are on offer to clubs who not only raise the most funds, but also put in a special effort in their attempt to raise funds and awareness of this critical charity.

• The Women in White

It's great to see the number of female umpires taking up the whistle these days and getting involved on the field. The number of females umpiring has ballooned to 17, with 10 new umpires joining the Association this season. There are now 3 female field umpires and this number looks set to increase as the current batch of boundary riders take to the centre. If you've ever thought of getting involved, keeping fit and earning good coin at the same time, give Brian Goodman a call on 9531 8333 and sign up as a VFA Umpire.

• Video Highlights

Over the last three weeks you may have seen highlights of Marcellin games loaded onto the VFA website. This is because John Kis of Sports and Music Video has kindly edited up packages from the matches he has filmed and sent them in. John is commissioned by Marcellin to film their matches every week and I'm sure you'll agree the 1 minute highlights packages look great. If you would like your club's highlights loaded onto the website, send in a short clip from the match (maybe the last five or ten minutes of an exciting game) and we will load it on for all to see.

• Saints Challenge Cup

Next Saturday will be the first time St. Mary's Salesian and Emmaus St Leos play for the newly created Saints Challenge Cup, for matches between the two clubs.

The Saints Challenge Cup is sponsored and donated by Bob Stensholt, the local Victorian Member of Parliament, to assist the two senior clubs in his electorate. Bob is a Gold Saints Member of St Mary's Salesian and the Saints will be hoping they can bring home the first piece of silver-ware to Ferndale Park for the newly merged club.

5 YEARS AGO - 2003

In good conditions, **St Mary's** and **Mount Lilydale** turned on a goal scoring feast with the prize a firm position in the top four in **D Section**. It was a great first half with honours even but in the second half, the greater strike power of Mount Lilydale was too telling as the contest wore on. A final score of 26.25 to 16.17 kept the flag wavers busy throughout. Best players – **Pearce, Bird, Dougherty, Flanagan, Del Biondo, Kellett** (Mt Lilydale) and **Wright, Allen** (5), **Stone, Ballantyne, Schembri, Hendy** (St Mary's).

In **Junior Section 1**, **Old Brighton's** deadly accuracy in front of goal gave them a lead of almost 2 goals at the main break. **De La Salle's** 6 goals in the third term allowed them to lead at the final break but by only 4 points and although the goals continued to be peppered at each of the ground, it was De La's more productive play that made the difference in the end, 15.15 to 13.3. Best players – **Oakley, Armstrong, Fieldsend** (3), **Smyth, Quick** (3), **Jarvis** (De La Salle) and **Tolj, White, Gadsden, Clark, Perrett, Jackson** (Old Brighton).

Junior Section 1 coaches were **Geoff Reilley** (Caulfield Grammarians), **Denis Bilston** (De La Salle), **Gavan Walsh** (Marcellin), **Adam McConnell** (Old Brighton), **James Wilson** (Old Essendon), **Lachie Waterman** (Old Scotch), **Anthony Duggan** (Old Xaverians), **David Law** (St Bernards), **Ben McGee** (SKOBS) and **Tim Giles** (Uni Blues). The **Umpires Corner** column congratulated **Merv Monty** on his promotion to **B Section** and **Dirk Kramer, Jamie Kvins** and **Rob Mayston** to **A Section**.

10 YEARS AGO - 1998

In **F Section**, **Syndal Tally-Ho** and **Monash Gryphons** were now the only two undefeated teams. Both won their respective games very comfortably. The Gryphons found their opponents, **Hawthorn Citizens**, very hard to shake off until the final quarter when they kicked 6 goals to 1 to finish 16.9 to 8.11. Best for the Gryphons; **P Avery, P Orchard, Parker, Bourke, Hutchinson** and **Reed**. **Syndal Tally-Ho** were in control from the first quarter and their supporters welcomed the 26.18 to 7.8 victory. Best for the victors; **J Sutton, P Smith, G Walkley, R Carlisle, J Hannett** and **D McLellan**. In **Junior Section 2** a terrific game was witnessed between **Beamaris** and **Old Haileybury**. All square at quarter time, Beauy up by 2 goals at half time and then increased their lead by a further goal at the final break and then Haileybury 'got on their bike' and rattled on the goals. When the final siren sounded, the Sharks could consider themselves fortunate to be 4 points in front. Best players – **Blake** (3), **Wright, Biro, Stevens, Lee, Gibson** (Beamaris) and **Home, Floyd, Bruday, Jayasekera, Somalia** (5), **Bell** (Haileybury).

Junior Section 2 field umpires were **Peter Simpson, Cameron Gill, Chris Feddersom, Peter Buchanan, Jim Pappas, Jason Moore, Geoff Kelly, Chris Stevens, Leah Gallagher** and **David Longworth**. **Whitefriars** went to the top of the 'Blades Club Championship' ahead of **Old Xaverians** and **Old Mentonians**. The Friars' seniors and U19's were undefeated and the Reserves had lost only the one game.

20 YEARS AGO - 1988

Ormond moved to the top of the **A Section** ladder with a massive win over **De La Salle**. It all started in the first quarter and although De La had 10 shots on goal, Ormond capitalised more successfully to lead 7.5 to 3.7. Ormond continued to apply pressure to the D's and kicked a further 8 goals to establish a stranglehold on the game at half time, 15.9 to 6.11. Similarly in the third term, Ormond displayed multiple goal kicking options as **Nash, Schuhkraft, Carboon** and **McCooke** created huge headaches for the De La defence. Ormond kicked a further 9.3 in the last term to finish with a percentage boosting 29.20 to 10.14 victory. Best players – **Russell, McCooke** (4), **Carboon** (5), **Barnes, Mark McDonald** and **Taylor** for Ormond (**Nash** and **Schuhkraft**, both with 6 goals, could not make the six best) and **Nash, Fraser, Beddoe, Mannix** and **Holdsworth** gave of their best for De La Salle.

All at **MHSOB** congratulated their popular player and legend, **Ron Verma**, on his **150th game**. Ron had been a stalwart for **MHSOB** since **1979** and **captained the U19's in 1980**. Ron had suffered numerous injuries to date and should have been much closer to 200 games had he been more fortunate. As a Senior Vice Captain of the club, Ron had shown exceptional dedication by occasionally playing both seniors and reserves when the numbers were low and was the convenor of the legendary 'Pink Flamingo Disco Nights'.

30 YEARS AGO - 1978

Match of the day in **E Section** was certainly **St Bedes** at home to **Bulleen Templestowe** with both sides undefeated. A cracking first quarter set the scene for a great match with St Bedes more accurate and a 12 point lead. Both defences held up well in the second term with only 2 goals each and the gap narrowed in the third quarter with St Bedes holding a 4 point lead. **Bulleen Temp** made an early attack on the result in the final quarter but St Bedes were determined to show their fans

they were the 'real deal' and ran out winners 14.12 to 11.16. Best Players – **McGuinness, Cecchi, Collins** (4), **McCormack** (3), **Kelly, Boyce** (St Bedes) and **Walton** (4), **Bird, Hooper, Murphy, Williams, Miles** (Bulleen Temp).

In **F Section Thornbury** went 2 games clear on top when they defeated **Therry CCOB** 12.14 to 8.12. Best players – **D Scott** (3), **M Staff, Lucas, P Burns, Greenwood, Azzolini** (Thornbury) and **I Broomfield, White, Briggs** (3), **Buhagiar, Whyley, Bye** (Therry).

40 YEARS AGO - 1968

Victoria retained its position as top State in amateur Football with wins over **Tasmania** and **South Australia** in the interstate series at Elsternwick Park. Against Tasmania the Vics took immediate charge and were not really tested with an 18.16 to 7.8 victory. Best players – **Parks, Gowers** (5), **Renowden, Voight, Sykes** (3), **Woodhead**. Against **South Australia** the game was far closer and **Victoria** had to come from behind at three quarter time to win 13.11 to 7.12 with a brilliant 6 goal last term. Best players – **S Williams** (4), **P Patterson, Egan, Mullin, Vorrath, Crouch**.

Twelve **Victorian** players were selected in the **All-Australian** team and **David Hughes** (Old Scotch) was appointed **Captain**. Others selected were **G Crouch, T Gowers, D Mullin, P Parkes, P Patterson, J Renowden,**

P Sinclair, W Sykes, A Voight, D Williams and **S Williams**.

50 YEARS AGO - 1958

Old Scotch's popular vice-captain, **Allen Morris**, played his **100th game**. His fine record included **club best and fairest** in 1957 and **runner-up** in 1952 and 1953. He **captained Old Scotch** in 1955 and 1956. Allen also showed his prowess in the summer months being an **accomplished high jumper** and in 1957 was third in the **Victorian Championships**.

The first hint of unpleasant weather appeared in this round and six teams were to "break their duck". **Commonwealth Bank (B Section)** and **Elsternwick (D Section)** scored their first wins against **Old Geelong** and **Port Melbourne** respectively. **Old Melburnians** and **State Savings Bank (A Section), Hampton Rovers (B Section)** and **Preston (D Section)** also "opened their accounts". Elsternwick out rucked and out marked Port Melbourne early in the game to take a 19 point lead at quarter time. Their lead was reduced to 4 points at half time. The game remained close in the second half with the 'Wicks holding on 9.17 to 8.18. Goal kickers in the game were – **Hargreaves** (4), **D Sellars** (2), **Dale Singer** and **Parson** 1 each for **Elsternwick** and **Cooper** (3), **Manson** (2), **Bogdanoff, Mahoney** and **Penaluna** 1 each for Port Melbourne.

D3 SECTION

by Stephen Clarke

I tipped five winners last week – yippee ! I thought you wouldn't care. Tough crowd to please. Speaking of crowds, the games I have been to certainly don't lack atmosphere from those supporting. Terrific stuff. Keep it up!

We had some great close games this week ensuring that D3 remains tough to predict a clear top four. Williamstown were tough all day to defend their home ground successfully again and remain undefeated against a gallant Eltham side. The turtles had been flying and this was their big acid test. They have come through with flying colours to be fair as they were damaging on the score board all day through **Garrard** and the 'Gulls were grateful **Wong** and **Elliot** shared the scoring responsibility with **Lee**. Local knowledge or just luck perhaps in the last quarter came to the fore as Williamstown stormed home. They now have a mini break at top of the table now whilst Eltham knowing they stand tall with the big guys of D3!

Latrobe needed a forward – got one – he kicked eight goals – and all of sudden their first win looked a real possibility. **Steve Staunton** and his debut couldn't have come at a better time for the Uni side and they just went down to St Johns. Hope for Latrobe is back and for the boys of Doveton they remain in the top half of the table with a gritty away win. Best for St Johns included **Peake** and **Cachia**.

The ol' slushy warriors enjoyed back to back wins at Ross Greogory for the first time in ages when accounting for a typical tenacious Monash Gryphons outfit. Powerhouse almost kicked their way into trouble with eight goals from twenty six attempts. The veteran in **Boland** commanded the back half for the 'House well with the little general whilst Monash enjoyed great returns from **Ben Rose** and the ultra reliable **Lee Wells**.

Bit of pressure at Elsternwick this week has been alleviated but only just with the home side defeating UHSOB in another honest tussle by eight points. The visitors led all day and the avenues to goal were consistent through **Kirk** and **Payne** who sparked with seven majors between them. Class perhaps prevailed and a bit of good luck – the **Mahonys** were strong in this key victory for the Bombers along with **Sanghiv** and **Hodgekiss**.

Swinburne are searching for their initial victory in 2008 still as they lost a close game at home to the Hawks of Hawthorn. The game ended on nine goals apiece but the visitors were always in front here and they are a better unit than the Razorbacks. The giant Allyn

Norman really impressed coach Tyson and Beattie continues to grown in stature. Lyons and Morrison good for the home side here, who must persist in coming weeks.

PREVIEWS –

Massive few games here. Get too far back early and it is the curtain call for some whilst other sides are looking for a mini break at the top of the table.

The Hawks host Williamstown and this could get ugly. Nothing cheap is on offer from the Seagulls and it is the first real test for the home side this season. Fancy the visitors want to get on the road with some confidence and they can dominate here if they want to. Let's say 55 points.

Elsternwick must work their absolute legs off at St Johns to gain an advantage. They are rough chance here but then again, tipping against the home side is foolish. Can we suggest a five goal win here please?

UHSOB are knocking on the victory door here against the Razorbacks, but it will be mighty close. Under a kick but again the home side here to prevail.

Eltham host an in form Powerhouse but will not be alarmed. They will run like they stole something all day and night and even night and day prevailing with four points. The 'House must be patient on this day and stay extremely positive with what they are doing when in possession. Home side by 19 points on the scoreboard at the day's end.

Monash against Latrobe at home. Close again – doesn't that sound familiar ! I am saying the Gryphons but not sleeping well this week committing to it. Only two goals the margin at the death

Please note - St John's will be holding it's 1st Golden Eagles Luncheon for 2008 during the Round 6 UHS-VU match. Guest speaker is Dual Brownlow Medallist **Robert Harvey**. For tickets contact **Phil Jones** or **Paul Sharp**.

Congratulations to the effervescent **Andrew Clarke** on being just the twelfth **Gryphons** to bring up **150 games**. Andrew has been a model of consistency in the reserves backline for ten seasons and is a role model to all players at the club. Well Done!

Special mention also to **Jeremy** and **Andrew** who bring up **50 games** for the Gryphons and have developed into seasoned players through hard work and determination. Hope they can both be around for years to come.

Benjamin Fleisner and **Mel Dell'Olio** celebrate their **50th** and **100th** games respectively for the **Swinburne Razorbacks** today. Congratulations to 'Fly' and 'Bull'.

Rising Star Luke Pacconi - Old Trinity

You can take getting dropped a couple of ways but the best is to go back, work hard and return a better player. That's what happened to 18 year old Luke Pacconi from Old Trinity.

After having little game time in Round 1 it was thought best that Luke returns to the Under 19's, get more game time and hopefully return with more confidence. This is precisely what happened as Luke got his fitness up and returned to be a major contributor in Trinity's win against University Blacks last Saturday.

Standing at 178cm, Luke played most of last week on the wing but also spent time on ball and in the forward line. Luke worked pre-season on building up his fitness levels and has an aim of playing 12 senior matches this year. If he can maintain his form continue then he will achieve that goal and his other aim of playing VAFA representative football is a possibility.

UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

Milestone

This week we pay homage to **300 gamer Craig Brajtberg**. **Berger** started with us back in 1991 running around in basketball runners that his body had to grow into, well he has now filled into those runners and along the way has been a bit of an Anakin Skywalker by crossing over to the dark side and back to the light on numerous occasions as the field and boundary umpire in him bubbled over. **Berger** has great pleasure in running with his mates over the years as it is the only way he looks better than them, the young kids are too quick nowadays. **Berger** we wish you all the best today and hope many more come along.

Security

All umpires should be aware of keeping their valuables secure on match days. As some teams are at grounds and umpire's rooms that could be foreign to us, please try not to have any valuables left in the rooms. A couple of secure ways is to give them to the team manager to be put with the player's valuables or ask the canteen staff if they could look after them. It's your own responsibility!

Silver Service

This year we welcomed back **Cameron Nash** who has spent about ten years at the **VFL**. Obviously the umpires are pampered a little at that level. After receiving a sports drink from a well-meaning club volunteer a couple of weeks back, he swiftly returned it saying "you wouldn't have a colder one would you?" Hopefully the pies were hot after the game!

Congratulations

A few umpires we missed in the opening rounds that gained promotions were (first year umpire) **James Twining** into A section, **Michael Hooper** into B section, and young **Will Stokes** officiated in his first senior game as a field umpire. Congrats, and it's an acknowledgement of the hard work done.

At the zoo?

In the big clash at St. James Park last weekend between the **Swinburne Razorbacks** and the **Hawks** a very interesting supporter was spotted. A young gentleman

was enjoying the game and the sunshine with a live python wrapped around his neck. Not sure what color it was, but maybe he couldn't find his footy scarf. We know the VAFA has rules about dogs at games, but there is no doubt snakes are acceptable. Well done to **Teasa** who won the gourmet meat tray at the after-match raffle!

Scorecards

Very important for the goal umpires to get the scores correct and ensure that their cards match at the end of each quarter. But what if the goalie forgets his scorecard? You would think a very experienced goal umpire would carry spares and wouldn't have to resort to using a scrappy little bit of paper. Did you lodge that "scorecard" with the fieldies after the game, **Bern?**

Rule 13.5 Official within the 45m arc.

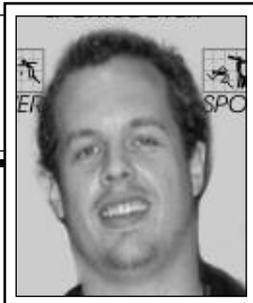

A free kick is to be paid against a club if its runner or any other official is positioned within the 45m area when a full back is kicking in after a behind is scored. In this event a player of the rewarded team takes the free kick with the mark **at the top of the arc** in that half of the ground. An umpire may show discretion only in the event of a club trainer being in the area to attend to a player who is genuinely distressed or injured. An official who runs from the actual playing area before the full back kicks in is to be deemed "safe". Hope that explains it Merv!!!

150th Year

Reminder that there will be a function on **May 10th** back at the Umpires Clubrooms to celebrate the 150 years of Australian football. Food and drinks will be available and a chance to hang it on the umpires who are out running around doing the night game of **Elsternwick v Monash Gryphons** on the big oval will just make the night. Hope to see many umpires with wives, girlfriends and partners or maybe a mixture of the three being there.

RESPECT THE UMPIRE – RESPECT THE GAME!!

Luke Van den Akker were fantastic in defence providing the platform for the Demon's winning score. My spy tells me that key player **Warren Drew** is riddled with injuries and should give the game away.

Eley Park put in a spirited three quarters against Mt Lilydale, however were overrun in the last by the mountain men who get better each week. **Corey Creswell** returned for the Sharks and gave them great drive around the ground, along deputy **Michael Viola**.

Justin Flower showed great form in the twos for Eley Park in another narrow loss.

Chris Crough was a standout for Richmond in their narrow loss to Albert Park. Strong pressure from Albert Park in the second and third quarters set up their win despite the best efforts of Snakes defender **Nigel Camilleri**. Richmond rallied late in the match but couldn't quite bridge the gap. No reports still from the lakeside.

Finally St Francis Xavier made it three from three despite a very competitive first half performance from the Cobras. **Brendan Pryor** was fantastic on a good day for backmen, providing the drive for a second half surge that eventually saw the Xmen win comfortably. **Luke Byrne** was apparently great in the reserves and would be keeping the pressure on senior players.

TODAY'S D4 MATCHES

ALBERT PARK v WEST BRUNSWICK
 MT LILYDALE v BOX HILL NORTH
 NORTH BRUNSWICK v BULLEEN COBRAS
 KEW v SYNDAL TALLY HO
 SOUTH MORNINGTON v ELEY PARK
 ST FRANCIS XAVIER v RICHMOND CENTRAL

This Week

North Brunswick V Bulleen

Joe D'Angelo would be licking his lips at the thought of notching up his first victory against his old club. I think the home ground advantage will just give North the edge by 7 pts.

South Mornington v Eley Park

The Tigers are the surprise packets of the season to date and would be looking to notch up their fourth win. Eley Park on the other hand gets better each week and

wouldn't be far away. Again, home ground team to win by 11pts.

Mt Lilydale v Box Hill Nth

Potentially match of the round sees two of last year's finalists locking horns. Both teams are slowly finding form, however I think Box Hill North is marginally more advance and will win by 13pts

Albert Park v West Brunswick

Albert Park have the unenviable task of trying to shut down the Magpies potent on ball division, and despite the size of Wardy's guns will find the task too great. **Magpies by 23.**

St Francis Xavier v Richmond Central

Both teams have been very impressive with only three points on the weekend preventing a top of the table clash. **St Francis Xavier to win at home by 17 points.**

Kew v Syndal Tally Ho.

Kew would be disappointed by their effort last week and should rebound against Syndal Tally Ho. **Kew by 46points**

Reserves: NB, SM, ML, WB, SFX & Kew

Thank you to everyone who made the extra effort this week with reports. We were missing only four clubs. I look forward to seeing twelve sent this week to deejaypalmer@bigpond.com by midday Monday

MILESTONES

Special congratulations to on-baller **Aaron Carmen** who plays his **100th game** today. After a solid start to his career in 2002, 'Bucks' has established himself as a versatile player and vote catcher which has been rewarded with numerous placings in the Club B&F. An ardent 'Magpie' and passionate **Kew** Bear, we wish Bucks all the best today from everyone at Kew. **Kew** also congratulate rover **Ryan Wyley & Tony Wang** on playing their **50th game.**

Old Scotch began well with a comfortable 43 point lead at quarter time against Rupertswood who once again started poorly. The Sunbury boys came back in second quarter, but the scoring power of the Scotchmen proved too powerful for Rupertswood who now remain undefeated with a 32 point win. **Cameron Mason** for Old Scotch blitzed with 4 goals whilst **William Davis**, **Sammy White** and **Robert Nojku** were also stand outs. St Bedes Mentone have once again uncovered talent as **Pat Nicholls** came into the Tiger team and amassed 7 goals. A 9 goal lead at half time to the Tigers, followed by a 13 goal lead at three quarter time ended up being an 85 point win to the Tigers. "We did not expect such a one sided contest but obviously injuries for St Bernards are taking their toll, said Tigers coach **Owen Lalor**, "our boys played well and **Alex Kane** at half back and **Carey Neville** in the midfield were outstanding."

Marcellin dominator **Andrew Apollini** is now sidelined for majority of the season, but they had a win against the struggling University Blues. "We had a battle in the first half in windy conditions", said Marcellin coach **Robert Viney**. "It was a great team effort in the third quarter scoring six goals to none that set up victory." Ruck-rover **Jonathan Blanch** and on-baller **Ashley Viney** were dominate in the centre for the Eagles, whilst defender **Adam Kemp** was resilient. The absence of University Blues centre half forward **John Vickers-Willis** was clearly damaging for the students.

Off the back of a motivating victory the week before, University Blacks took the issue right up to **De La Salle** for the first half. The class factor of De La kicked-in and last years premiers were too good by 22 points by the fourth siren. "We always had control of the game," said De La Coach **Stewart Gray**, "but the continual contest from the Blacks gave our boys a well needed wake up call." **Sam Fairbrother** had a day out for De La Salle booting 6 goals whilst **David Deluca** kicked 4. The better players for De La Salle included **Ned Murphy** and **Luke Edwards**.

Old Xaverians hosted St Kevin's at home and looked hopeful of recording their second win as the Xav's leveled the score with ten minutes to go. However the stronger line up with St Kevin's than in recent weeks that included **Scott Newman** over powered the tiring Xav's to win by 13 points. **Tommy Mc Dermott** starred yet again for St Kevin's with four goals whilst **Jarrod Nash** kicked 3 goals. "The team has come together very strongly this week", said St Kevin's Coach **Alexander Conlan**, "the

list is not that big but the quality has improved." This week I expect the Tigers to continue winning with a 33 point

win over University Blues whilst Old Scotch will have no trouble defeating the Xav's by 70 points. St Kevins to win by 26 points over University Blacks and Marcellin to leave Rupertswood undefeated at Sunbury by 24 points. Would love to see St Bernards rebound but it will be De La Salle by 67 points.

Round Three of the Northern (1) League kicked off at Gordon Barnard Reserve with the highly anticipated clash between Old Camberwell and Manningham not quite living up to the hype. The Shark's inconsistent form continued as they were trounced by 55 points. Camberwell's **Stephen Romanin** proved to be the best player on the ground with two goals, whilst **Tim Sedgwick** tried hard all day for the Sharks in difficult conditions.

Banyule/Viewbank easily made it three wins from three games as their good form continued against Bulleen on home soil. Leading the charge for Banyule was **Shaun Driscoll**, whilst **Uri Perch** and **Alex Dunnachie** were named in the best for a second consecutive week. **Oliver Schmidt** didn't have his kicking boot on as he managed six behinds. **Michael Rapinett** was named best for Bulleen in the ten goal thumping.

Last week I described the Old Carey outfit as mentally frazzled. This week's effort was nothing short of ridiculous, as another smashing occurred. After a comfortable win in round one, Carey have lost by a collective margin of 266 points in the past two weeks! This week, they were thumped by 153 points to an impressive looking Old Ivanhoe outfit, who now sit perched at the top of the ladder. **Ed 'Woody' Greer** was

again on fire for the home side, racking up plenty of touches whilst booting four goals. **Daniel Dal Post** bettered that effort by one as he snagged five majors for the day. **Blake Curtis** was welcomed back to the fold after copping a heavy knock in round one.

The Fitzroy Reds ensured that the Paradians are the only team winless in 2008 as they won their first game of the season by an impressive 69 points at home. **Rory Angiolella** starred for the Reds, as did **Sammy Baker** and **Ross Borland**. Sadly for the Old Paradians, they are now the seller dwellers of the competition, kicking only two goals on the weekend. **Aaron Nelson** tried hard all day against the odds.

Old Trinity continued on their merry way this season with their third win from a third start against a bruised and battered Old Essendon line up. **Wes Bowman** was the catalyst in the 77 point annihilation, with help from team mates **Nick Howell** and **Guilian Soligo**. **Matty Jeesop** bagged four in a great win. **Rowan Viserini** was good in a bad loss for Essendon.

TIPS

Old Carey V Old Essendon

Couldn't possibly tip Carey considering how bad they've been the last two weeks. Old Essendon will account for them despite this one on home soil for Carey. I would expect (and pray for) a massive effort from the Carey unit this week. Their pride for the jumper is certainly being tested.

TIP: Old Essendon by 25 points

Old Camberwell v Old Ivanhoe

Good clash here between top of the table Ivanhoe and the gutsy Camberwell mob. Hard to go past Ivanhoe despite this one being on the road. Look for class to prevail, Ivanhoe to still be on top of the ladder come Monday.

TIP: Old Ivanhoe by 23 points

Old Trinity v Manningham Sharks

Old Trinity have played some great football this year and are sitting comfortably in the top four. Look for them to consolidate their good start to the season by knocking off the inconsistent newcomers in Manningham.

TIP: Old Trinity by 19 points

Bulleen Templestowe v Old Paradians

Both sides haven't been great this season, although the Paradians are simply worse. Bulleen to get their second win of the season and keep their spot mid-table on the ladder.

TIP: Bulleen by 18 points

Fitzroy Reds v Banyule/Viewbank

Banyule/Viewbank hasn't lost a game so far this season and they won't start now despite this a danger game

against quality opposition in Fitzroy. The cream will rise to the top however, with Banyule a genuine title contender.

TIP: Banyule/Viewbank by 29 points

After an up and down first two weeks in the competition, NOBS/St Pats proved they are a force to be reckoned with as they comfortably accounted for the Fitzroy Reds in a clinical display at home. The win sees them just outside the top four on percentage, as they seem to be gathering momentum. The Reds are yet to record a victory this season and are struggling.

Therry Penola easily accounted for a poor Rupertswood line up by ten goals on the weekend, with **Lucas Ryan** adjudged best on the ground.

Others that went well include **Jarryd Molloy** who booted three and **William Dean**. **Jorden Braddy** was Rupertswood's best.

Emmaus St Leos and Old Geelong played out a ripping contest with both sides a genuine chance of winning the game at some stage throughout the day. Geelong was able to withstand the pressure put on by St Leos with a satisfying 22 point win. **Thomas Forman** tried hard for St Leos; however the run in the legs by the away side proved the difference in that last quarter.

The Aquinas OC proved they are the team to catch at this early stage of the season as they recorded their third win in a row against a gallant Ivanhoe line up. Whilst the game was in the balance at half time, Aquinas piled on a six goal second half to give them a 44 point victory. **Joel Edis** was superb all day in driving the ball forward for the victors, as **Matty Aver** booted five goals straight. **Sean O'Halloran** was good despite his sides with a poor second half.

The Old Xaverians proved a massive title contender this season as they easily accounted for a lack lustre Fitzroy Reds outfit by 70 points.

After gaining the ascendancy early, Xaverians dominated general play and had a fantastic victory. **Chris McMahon** certainly had his kicking boot on as he dopped a lazy seven for the victors. **William Goss** and **Alex McLeod** also starred. **Jess Kennedy-Buckley** was a good contributor for the Reds.

TIPS

Old Geelong v Aquinas OC

Aquinas looks to be the best team in the comp by quite some way. Will take a hell of a lot for me to tip against them this year. Geelong will be brave, but simply not good enough.

TIP: Aquinas OC by 44 points

Ivanhoe AFC v NOBS/St Pats

A great clash between two pretty evenly matched teams. Will give the edge to the home team as they seem to have more fire power up forward, although don't discount NOBS/St Pats who are in form.

TIP: Old Ivanhoe by 19 points

Rupertswood AFC v Fitzroy Reds

Rupertswood will make light work out of the bottom ranked Reds this weekend. Won't be a classic though, that you can guarantee.

TIP: Rupertswood by 35 points

St Bernards v Emmaus St Leos

Both sides will be desperate for their first win this season to open their account. Neither has been in good form and this one is a dead set coin flip.

TIP: St Bernards by 3 points

Old Xaverians v Therry Penola

This one will be really entertaining, almost like the boxer against the slugger. We know that the Xaverians can produce big totals but they also give away a lot as well. Will be a massive test against the stingiest defensive unit in the comp.

TIP: Therry by 9 points

So there you have it guys, another massive week looks set to blow both competitions wide open. There are some great match ups this round, with several teams coming under the blow torch after round three. I had my greatest tipping round last week and can see some patterns forming in both comps. The cream is definitely rising to the top!

Matt Grima

SOUTH 1

The balmy French Riviera-like conditions (not that I've ever been there) of Rounds 1 and 2 were replaced by the foretastes of winter last week, with windy conditions affecting many games. Interesting to read the CEO's comments in last Saturday's edition of this magazine about the VFA being "a tipster's nightmare" and the utter unpredictability involved in the job. Couldn't have put it better myself, as the Perfect 10 continues to elude me and by a massive margin, with just five right last Saturday. Those adverts for someone to replace me will doubtless get bigger by the week.

Old Mentonians got on the board as expected. A bit of a "physical" game but they were able to withstand that, running away with the rest of the match after an even first quarter. **Kyle Goulding** was great in the ruck as were **Daniel Hull** and **Jarrold Lumsden** in defence, whilst The Combo of **Mitch Brown** and **Mark Gledhill** up forward were more than helpful with 15 goals between them.

Collegians v Old Caulfield: I stuffed that selection up, completely and comprehensively. Over all, Caulfield adapted better to the conditions and used the ball better than Collegians, especially in the second and third quarters. A surprisingly one-sided affair.

The following were all N.R.F.E.S.s (No Report From Either Side) but I have been able to glean a little from other sources:

Like many Under19 games this season, a close first half, with one side then dominating the next. Old Haileybury and Beaumaris were neck-and-neck til the long break, before the Sharks (with ten different goal-kickers for the day) tore Haileybury to shreds in the second half.

The near-40 goals of Round 1 were but a distant memory for Old Brighton as Ormond stamped some authority in the first term and then totally controlled the rest of the game.

Old Melburnians continued on their winning yet uncommunicative ways, with a large win over Mazenod.

THIS WEEK

(Should be easy – a brand new edition of "Football Tipping for Dummies" graces my desk):

Old Brighton v Caulfield: Caulfield have been all over the place, whilst Brighton will be smarting after a pretty insipid performance last week. Brighton at home to take the points.

Old Melburnians v Collegians: not far to travel for the visitors, but it's hard to go past the OMs who have been taking all before them, home and away.

Old Haileybury v Mazenod: Haileybury will be disappointed with last week's performance; they should, might, could, just possibly, have enough to take this

game at home. Just after they post their first win for the year, Mentone have the misfortune to come up against an all-conquering Ormond. Would have to go for the visitors who are shaping as one of the three best sides in the section.

Oakleigh v Beaumaris: Life will continue to be tough for the home side. Beaumaris by a handy margin.

SOUTH 2

It was a tight, tense, tussle at Peninsula, and it required some heroics from an undermanned Hampton Rovers side (lacking a number of their leading goal kickers) to take the game, whilst kicking into a strong wind in the final term. And that after trailing by five points at that last change. This saw **Zeke Lewis**, **Hayden Gould** and skipper **Jackson Ward** lifting, and with some great defensive efforts by **Jack Eastman** they were able to get up against the wind and outscore the Pirates.

St.Bedes Mentone Tigers opened their account for the year as they kicked a crucial two goals against the "breeze" in the final term to hold out a fast-finishing Benteleigh by just three points. **Kyle Rodwel's** effort of 7 for Benteleigh was apparently outstanding in a day of heavy winds.

I'm advised that Prahran-Caulfield's usual Press Correspondent was "away for the weekend", which was perhaps a reflection on where the Blues were on Saturday as well, as De La Salle completely dominated from start to finish.

Also pretty lopsided was the Parkdale Vultures game against AJAX. Kicking with a strong breeze, AJAX built a commanding lead, and then worked hard into the gale so Parkdale only reduced that margin by a point with their turn. **Tim Rosen** gave the smalls an advantage in the ruck, and **Josh Kalmus** and one if not both of the **Selzers** created drive from the stoppages. **Dean Steinberg** played a great Captain's game. The Vultures' final term was their best for the day, and they definitely did not stop trying.

Melbourne High. Well, I did warn MHSOB that my selecting them would do their chances no good

whatsoever (understatement), so that much I got right (might claim half a selection point). Presumably shattered by my picking them to win, they managed to kick or rush a total just two behinds in Quarters 1 and 3 combined, and that was never going to be enough against Monash Blues. Had it not been for the Ashers' inaccuracy in the last the margin could have been much greater.

This week

Monash Blues will be too strong by far for the Vultures.

Prahran-Caulfield v Benteleigh: (Sounds like my local train-line.) The home ground advantage has done nothing for the Combine this year, and they'll be on a downer after last Saturday. However, I'm giving them one, last, final chance - reckon they will get home narrowly from Benteigh.

St Bedes Mentone Tigers v Peninsula Old Boys: Tougher than year-old biltong this one. (Google if not understood.) SBMT will be buoyed by their first win, POBs annoyed that they let last week's slip, not least through their inaccuracy. The Pirates by a couple (goals or points, take your pick).

Two big games to finish the round: **Hampton v De La Salle**. Lacking the inside info I don't know how long the Rovers' goal kickers/key players will be out. Still, I reckon they might just take it at home.

AJAX v MHSOB: a couple of High's goal kickers failed to get going last week and I think the AJAX defence has the capacity to shut them down again.

CLUB XVIII SECTION
by Norm Nugent

Round 3 results were largely those I tipped as my success rate soared to 88%, far above the rate I achieved in either of the first two Rounds. The relative strength of teams in each Section, which is now becoming more apparent, reveals that some powerful clubs over the seasons seem destined for less successful times.

In the afternoon match, St Bernard's, despite marked inaccuracy, defeated Box Hill North by seventeen points.

Section 1
Highway robbery occurred at Camberwell when Old Scotch snatched defeat from the jaws of victory against St Kevin's, who trailed by some three goals with few minutes remaining. Winning Coach, **Will Dunn** was quoted as believing his team was fortunate to win by two points. St Kevin's best were: **James Syme, Ed Wilkinson, Hugh Powell** and **Pat McInerney**.

South
Ormond easily defeated Oakleigh by forty nine points. Old Camberwell moved into the top bracket with a thirty one point win over Emmaus/ St Leo's, who remain winless. St Bede's/ Mentone took outright leadership of the Section with a forty eight point win over St Mary's/ Salesian. Old Geelong find themselves in the unaccustomed position of third place, thanks to their two point win over Beaumaris at Cheltenham.

De La Salle, who are showing signs of improvement, defeated the inaccurate Mazenod by the minimum margin after a game which provided a close contest throughout. For the winners, **Clinch** and **Howe** played well whilst for Mazenod ruckman, **Jeff Cuberes** was the best. Old Xaverians 2 inflicted the first defeat on Collegians by ten points. Inaccurate kicking was a major factor in the Old Melburnians thirty nine point loss to Old Xaverians. University Blues, who remain the only unbeaten team, pushed Prahran to the unaccustomed position of seventh, when the "Students" won by twenty three points.

North
North Old Boys/ St Patrick's gave further evidence of their marked improvement when they overran Box Hill North and won by one hundred and four points. Old Carey again played well as they led Therry Penola throughout in dusty and windy conditions at Bulleen Park. Carey's winning margin was ninety points. Leaders, Marcellin despite the windy conditions, were never in trouble against an undermanned Old Westbourne, who finished one hundred and thirty nine points in arrears. Bulleen – Templestowe started well against Kew and led by eleven points at the first change. From then, Kew gradually asserted their superiority and maintained a narrow lead for most of the last three quarters before winning a good contest by twelve points. Kew's best included: **Michael Pope** and **Adam Nason**. For Bulleen – Templestowe, **Jonathan Hickey** and **Peter Tsokas** were best.

Section 2
The inaccurate University Blacks took outright lead of the Section by defeating a disappointing Old Brighton by seventy one points. Old Trinity joined the leading sides with a ninety two point defeat of the disappointing Caulfield Grammarians. Despite inaccuracy, Monash Blues defeated Old Scotch by fifty six points and moved to second place as a consequence. Newly found accuracy enabled Whitefriars to defeat Fitzroy Reds by forty four points. Whitefriars set up their win by holding Fitzroy Reds with the wind and then utilizing it themselves. Although the Reds scored well in the last quarter, they were unable to bridge the gap created by Whitefriars, whose best were defenders; **Taylor** and **Gibson**.

PREVIEW OF ROUND 4
Section 1
Leaders, University Blues should maintain their unblemished record by defeating tenth placed Old Scotch at Camberwell. Although Mazenod showed marked improvement, last Round, it is my belief that Old Xaverians will defeat them today and so consolidate their top four billing. The last three games between Old Melburnians and St Kevin's have been closely fought affairs. Today's game

promises to be the same. Old Melburnians desperately need the win or else their finals' aspirations could end today. St Kevin's have won consecutive games and lie on the cusp of the top four. At home, I will give Old Melburnians a final chance to redeem themselves by winning.

Collegians, on form shown to date, should defeat De La Salle even at Darling Park.

Old Xaverians 2, who have won twice and Prahran with one win this season, meet at Stradbroke Park in a "must win" game. A fierce contest should ensue on the small oval. I select Old Xaverians 2 to win narrowly.

Section 2

University Blacks, who seemingly are the team to beat, should receive stern opposition from Whitefriars, whose accuracy last week was a change from their usual inaccuracy near goal. The youth and fitness of the Black's players should ensure they win this game.

Old Trinity now seem a genuine final's contender and so they should defeat a disappointing Old Scotch today.

Old Brighton will seek to avenge last week's reversal at the expense of second placed Monash Blues. A close game should be played and I favour Monash Blues to just clinch victory.

St Bernard's should record a big victory over Fitzroy Reds, who are yet to win.

In the afternoon match Box Hill North should prove far too strong for tenth placed Caulfield Grammarians.

For the winner of the Old Camberwell versus Old Geelong game, the prize could well be a final four berth. Old Geelong are becoming accustomed to close finishes, but today, I favour Old Camberwell to finish comfortably ahead.

There has to be a winner in the Oakleigh and Emmas/

St Leo's game. Simply because Oakleigh will be at home, I select them.

A final's berth could also be the prize to the winner of the St Mary's/ Salesian versus Ormond match. I select St Mary's/ Salesian purely because they should have a home ground advantage over Ormond, most of whose players will not have played previously on Ferndale Park. Leaders St Bede's/ Mentone should continue on their winning way against their southern neighbours, Beaumaris.

North

Judged on what I saw last Saturday, Kew will prove too big and fast for the determined Therry Penola players even on Fawkner Reserve.

A preview of a final should be witnessed on the Gillon Oval when the undefeated North Old Boys/ St Patrick's and Marcellin meet. The home side will be bigger, faster and possesses more playing depth, than will Marcellin. I select North Old Boys/ St Patrick's.

Old Carey should continue on their winning way at the expense of Bulleen - Templestowe, who showed improved form last week. Old Carey were impressive too and their size, especially up forward should enable them to kick the winning score.

Old Westbourne are struggling for numbers and today their great trek east will end in defeat at the hands (and feet) of the eager Box Hill North.
