With 2008 being the 150th year celebration of Australian Rules football it is worthwhile reflecting on the marvelous contribution made to our great game by the VFA.

As the oldest continuous football competition in Australia, the VFA is proud of its many achievements over this time and at present is thriving at all levels like never before.

Today's round of matches will feature commemorations, rivalry clashes and special presentations as part of the Community Football Weekend.

Every player who has participated in 150 games or more with the Association will receive a certificate on the day commemorating that achievement.

VFA 150 year Ambassador David Parkin believes the occasion is a magnificent opportunity for the football community to celebrate their contribution to the sport. "The 150 year celebration is an opportunity to acknowledge the contribution of individuals, particularly volunteers, umpires, coaches and players. No country in the world has a volunteer structure or commitment like Australia does and we are indeed fortunate that we are able to rely on these people, week in, week out to keep our great game vibrant at all levels".

Some activities and matches of note taking place this weekend include –

Old Essendon Grammar and St Bernards do battle for the first time in their clubs' history when they meet at Windy Hill for the Fletcher/Madden Cup. The cup has been struck in honour of the contributions these two families have made to football, not only at the respective schools, but also in general. The two sides are both undefeated so far this season and around 300 people are expected to attend the pre-match luncheon.

Fitzroy Reds and South Melbourne Districts will play for the inaugural Bill Stephen / Peter Bedford Trophy when they meet at the Brunswick St Oval. Former Fitzroy and South Melbourne VFL and VFA greats will be guest at the pre-match luncheon and Fitzroy will wear their heritage jumper.

Hampton Rovers and Ormond will play for the Buxton Cup with a strong rivalry having developed between the two district clubs over many years. Brownlow Medalist and former Hampton Rovers champion Ross Smith will be the guest speaker at the pre-match luncheon and guests will include Bayside Mayor, Andrew McLorinan.

I'm sure you'll join with me in congratulation all today's award winners for their contributions to our great game and wonderful association.

Anyone Want To Play Full Back?

Collegians absolutely demolished De La at the Trott. Throw **Arnott, Robbins, Mooney, Taft, Roach, Hosking** and **Bull** into this side and it'll be mortgage the house time. They were seventy points the better at half time and had the luxury of resting full forward **Fergus Watts** in the last quarter. Watts is some player at this level. The most striking thing about him is his goal-kicking – he can dong 'em from anywhere. His partner in crime up the field **Jono Dixon** was pretty handy himself and is tough to beat one-on-one, despite his wiry build. He must have had a dozen marks by half time and finished with six. All up, one of the more impressive teams I've seen in recent years. The general consensus seems to be that **Matt Handley** played as good a game as you'll see in A Section. Indeed, nine goals at centre half forward is hard to top as the big dukes plucked mark after mark. After bursting onto the scene in 2006, Handley has rarely turned in a sub-par performance since. **Nick Serafini** and **Luke Howard** were other standouts while on a miserable day for Old Ivanhoe, **Rex Roberts** and **Evan Spargo** did their best to stop the rot.

Just to top off a day of incredible goal-kicking feats, Brighton's **Adam Pirrie** went two better than the big Xaverian, slotting home 11 majors at the old Princess Park. There's a bit of the **Ben Mannix** about Pirrie, as he has an uncanny knack of holding his ground and plucking marks out of no-where. **Andrew McGuinness** carved up the hapless Blacks in the midfield while **Matt Smith** was in full control in the ruck. Brighton are thus very much back in the mix after a shaky start and Blacks ain't got much behind 'em. **Dan Costello**, debutant **Bede Mahon** (Swan Hill) and **Luke Van Kempon** (back from the Czech Republic) stood up for the Blacks.

So much for Scotch being ladder proppers – they've had a stellar opening month in '08. The acquisition of triple Brisbane flag player **Craig McCrae** can't have hindered their cause and he was a major factor in their tight win over Uni Blues at headquarters. The Blues, with Jack Watts trying to do a Fergus up front, probably left their run too late but still produced some high class footy. **Tim Aurel-Smith** and **Angus Gray** were the best in red.

St Bede's/Mentone, who ply their trade on one of the smallest grounds in the amateurs, were supposed to come a cropper on the massive Trinity ground. But it was the home side who were spaced out, conceding 24 goals to last year's B Section winners. On a day when they emphatically proved that they belong in the rarefied air of A Section, the Sinters' best were **Sam Monaghan** and **Michael Curcio**. It sets the scene for one hell of a contest

this week at Brindisi St against Old Brighton.

Good Call Jo

As a one-time DLS player, the Harry Trott was a pretty bleak place to be on Saturday so I did a runner halfway through the third, grabbed a few **Fergus Watts** at the local pub and caught the 96.5 FM broadcast for the first time this year. They have blooded a few greenhorns this year, including **Jo** (didn't get the surname), who impressed me with her smooth calling and analysis. The station have some great commentators, particularly **Michael Crooks** and it's good to see that they keep raising the bar – their team invariably make more sense than some of the clowns on commercial radio and TV!

Selections & The Lock

Picked up the wine last week, with Brighton doing the biz against Uni Blacks. Log on to vafa.com.au for this week's lock, which may have a decidedly Old Ivanhoe flavour. Here are the selections (with a preview of each match to follow on the website on Friday.)

Old Brighton, Collegians, Uni Blues, Old Xaverians, Old Ivanhoe.

MILESTONES

It's hard to remember **Ryan Joseph** not playing flat out. I don't think it's in him. Ryan will line up today for his **100th game** at Old Brighton and his Tiger opponent will have to earn every kick. A regular member of the successful Coyboys outfit, 'Boonga' lives under packs, would rather tackle than kick the footy, and those legs just keep pumping all day. Ryan's most valuable games are always the ones that spark team-mates on an off day. The regular Resgies watchers have seen plenty of close, tough wins that have stemmed from the efforts of the little bloke who never gives in. Every club's spirit is built on the backs of blokes like Ryan. Well done "Boong". Enjoy your day.

Old Brighton would like to congratulate **Tom Jakobi** on playing his **50th** game today against the Tigers. Tommy has excited the fans at the Beach since his impressive Under 19 debut season in which he won State selection as an aggressive, fearless half-forward. He has established his place in a running defence as the coaching staff seeks to broaden his versatility. It is debatable whether he has made his mark with brilliant, rollicking dashes on the field, or outrageous stand-up performances at the Thursday night wheel. Enjoy your 50th champ!

B SECTION

by Tahl Lerner

Like Might and Power in two famous group 1 races about ten years ago we have two sides that have gone clear of the rest, (THE E.D.C) which stands for the Essendon District Connection of St Bernards and Old Essendon are two games clear. On the other end of the scale Caulfield have had back to back losses of 121 and 100 points respectively and are struggling at the moment. But if they can take any positives out of their start to the year, is the fact that at this time last year they were 0-4 and survived to stay in the section. What a season defining round we might have just seen and unfortunately yours truly didn't get to see any action due to a food and beverage mishap. I was on my way to the Marcellin v Caulfield clash and decided to stop at a KFC to purchase a Pepsi Max, before this had even happened I took a massive wrong turn and ended about 20km in the wrong direction. When I finally purchased my Pepsi I dropped it on the floor of the car and when I grabbed it and took the cap off it went bang, the result; I was covered in Pepsi!! As I was drenched anyway I bit the bullet and headed home. I was craving some VAFA action so I went to E.E.Gunn reserve to see the C Section clash between Ormond and Rupertswood with Ormond taking the chocolates by 49 points.

Back to the B Section action, Marcellin gave Caulfield their second 100+ point hiding in two weeks, it was ground hog day for Caulfield as again they only kicked 1 goal in the first half and amazingly Marcellin had 10 on the board like Haileybury did v Caulfield last week. A nine goal to two second half sealed the deal for the Eagles. Best for both sides were **Stephen Theisz, Daryl Marton and Derrin Gartner**. For Caulfield **Jordan Stewart, Richard Foote and Ben Hyland**.

St Kevins beat Old Camberwell, the margin was close in the first half with only eleven points in it at the major break, St Kevins creped clear in the second half to run out 21 point winners best players for SKOB's were **Ben Garvey, Anthony Lynch and James Keogh** while for the Wells **Rayden Tallis, Tristan Beranger and Matt Partington** contributed.

The match of the round proved to be that with Old Essendon winning the contest. Many people, myself included, said this would be the first test of the year for the Bombers and they passed with flying colours proving they are the real deal in 08. The scores were level at quarter time after that Old Essendon were in control, the margin was 11 points at the last change but a 4 goal to 1 last quarter secured them the four points to run out winners by 24. **James Condos** was on fire for the Bombers with 7 majors while the best players alongside him were **Tom Wilson,**

James Saville and Ben Clifton. The best's for the Bloods were **Jarrold Plymin, Matt Brewer and James Magee**. The streets of Essendon will be like ghost towns on Saturday except for Napier that is, as I'm sure with no AFL on that day the whole and surrounding suburbs will be at Windy Hill to see the Rivalry Round clash between the districts two undefeated sides in the battle for the **Fletcher-Madden cup**. I am tipping one of the biggest VAFA home and away crowds ever!

St Bernards got the job done as expected downing Old Carey by 40 points. To Carey's credit they were never far off all day keeping within range but a 5-2 goal last quarter got St Bernards the victory, St Bernards sharpshooter **Callan Potter** booted 9 majors his support staff were **Chris Liberatore, Ryan Schroder and Daniel Janides** while for Old Carey **Ben Smithwick, Lachlan McQueen and Kyle Parker** performances earned them a shout at the end of match drinks.

The Sunday match at Brighton Beach Oval saw Beaumaris get there second win of the year. The margin was only 1 point at quarter time to Old Melbournians, but a 6 goal to

zero second saw Beauy lead by 36 at the half, OM's then outscored Beauy 4 goals to 2 in the third with the highlight **Mark Hawkins** taking 8 marks for the quarter, but the see saw contest saw Beaumaris run out 39 point victors. The best players for Beaumaris were **Thomas Dean, Alex Bennett and Tim Collins** while for OM's **Lachlan Boyd, Andrew Prowse** and first gamer **Charles Cumbre-Stewart**. The **Ressies Wrap** - Round 4 wins to St Bernards, Marcellin, Old Haileybury in a close one by 5 points over Old Essendon, St Kevins and another thriller to wrap up the round with Beaumaris defeating OM's by 4 points. St Kevins and St Bernards are undefeated 2 games clear of Old Essendon, OM's, Old Carey and Beauy.

TAHL'S TIP TALLY ROUND 4 (4 tips- 14/20)
ROUND 5 RILVARLY ROUND
 OLD CAREY (1-3, 8th) V OLD CAMBERWELL (1-3, 7th)
 The 2007 C Section Grand Final replay. But I think this time Old Carey will get there vengeance at home

CAULFIELD (1-3, 10th) V BEAUMARIS (2-2, 6th)
 Two massive hidings in 2 weeks for Caulfield. Beaumaris back to even stevens and will get their 3rd win for the year on Saturday

OLD MELBOURNIANS (1-3, 9th) V OLD HAILEYBURY (2-2, 3rd)
 Old Melbournians not setting the world on fire their one win for the year was won in the last 20 seconds of their Round 1 match by 1 point. They have now lost 3 in a row, Old Haileybury will be too strong, their two losses have been to the undefeated sides including leading for 3 and a half quarters against St Bernards. Old Haileybury to win.

MARCELLIN (2-2, 5th) V ST.KEVINS (2-2, 4th)
 Massive, Massive game the winner to stay with the pack the loser to drop back off the pace. Marcellin I think will be to strong in their home surroundings

OLD ESSENDON (4-0, 2nd) V ST.BERNARDS (4-0, 1st)
 Match No.3 of the year. A massive clash at Windy Hill on Saturday being played for the Madden-Fletcher Cup both sides undefeated. Old Essendon to get their name engraved first on the trophy.

To all the Mum's 'Happy Mothers Day' for Sunday!

INFORMATION OVERBOARD

One thing that frustrates many of us about being a footy coach is we have so much to say and so little time to say it! However, don't be too alarmed. Even AFL coaches who have access to their players every day become frustrated when their seemingly well drilled charges mess up their highly organized instructions. Human beings, particularly the footballing types, can only take in and retain so much information particularly verbally. What's the best way of providing information for our players; particularly as in the Ammos we may only see some players at one training session a week? Charts and boards of course!

One of the most important charts at your club should be 'The Game Plan'. There is certainly a case for our basic game plan to be a non-negotiable that all of our players must know, understand and hopefully adhere to during the game. It needs to be prominently displayed in your change rooms so every time the players are at the club it is in their vision. Yes, some players may not necessarily read it but it is an important point of reference. A question or two without notice from the coach during a training session is sure to have the players perusing it on a more regular basis! These days with computers there is little excuse not to have professional looking charts at your club.

Specifics for the day should appear on a whiteboard in point form. These may include a particular focus for the day and some information on the opposition. If you're playing away it's a good idea to get your team manager to take a board with him/her, as some opposition facilities may not accommodate your needs.

Even during the game, boards are a great way to provide information. Obviously every coach uses a coaching board. Have you thought about colour coding the players' names? For example red for tall, green for mediums and gold for smalls. Or any other sub-groups that you would find useful. Another effective board which can be used at intervals could be your 'Hard Gets' board with your targets under the headings of your choice e.g. tackles, smothers and chase downs. Your stats man could hold it up at the huddle for your reference or for the players to examine.

Many coaches like to let their players know at training what the absentees are up to. A good idea is to have an information board with headings such as 'Players not Training', 'Injured' and 'Unavailable this Week'. This is a great way to let the group know what everyone is up to and also makes the players accountable. Another idea viewed recently was to have a magnetic board with every player's name on it. As they arrive at training each player takes his name and places it in either the 'Training' or 'Rehab' section. The coaching staff places other players under the 'Phone Calls' heading or their name remains in the 'Letting us Down' area, that is, players who fail to make contact on the night.

There are many other ways to use written information. The spoken word will always be your most important medium but it always helps to think of other ways of conveying your information. Let your imagination be your only limitation!

The President: Dean Comer

That winning feeling returning to MHSOB

After a particularly tough 2007 where the club won only two games, this season has started well with the senior and under 19 teams experiencing success in the early rounds.

Whilst still early days, after four rounds our senior team find themselves in the four. They've certainly had to work hard for their victories but there is that unmistakable feeling around the place again - the team is truly starting to believe in themselves and their abilities.

Tough opposition each week indicates that the competition will be very even throughout 2008 with no easy wins on offer. Most encouragingly, a come from behind win last week against Mazenod brought out the best in the players and the ensuing celebrations has created a real buzz at the High.

The under 19s are also holding their own for the first time in a while. They are performing well and should be very proud of their early season form. For such an important part of our club, it is most promising to see. Well done guys!

To all supporters of MHSOB Football Club, please get down and support the club in 2008. It is shaping up as an exciting time to be involved with the club.

Here's to another great Saturday today.

Dean Comer, President

Wheat, chaff, men, boys – you get the picture. A few C section clubs have already put their hand up in season 2008 to say they want a crack at the big time. No surprises that it's the Unicorns and Monders sitting in the top 4, but there's also a couple of surprise packets in Monash and Hampton who have impressed beyond expectations at this early juncture. Heads will be scratched at AJAX, but they're 2-2 and still feeling their way into the season. Oakleigh would also be reasonably comfortable, but certainly eyeing off the Rovers with a little bit of jealousy.

It's the bottom four who would be rather miffed at how their first month has unfolded. The Rupo kids are battling, and it seems the bigger bodied teams are already knocking them around. This was expected in 2007, not 2008, and the 'brains trust' at Sunbury will have to crack the whip pretty quickly or see their season turn into a massive battle to avoid relegation. The same can be said for Parkdale and Mazenod, both sides have seen finals action in the past two seasons, but need to turn it around ASAP. Finally, the Friars will be gutted at how they lost against Monash – bad kicking is bad footy, but at least they're starting to click into some semblance of form.

Round 4 review

Monders make merry as Rupo run out of legs!!!!

Matt Martinov was again superb in the forward line with 6 goals as was **Matt Jones** in the ruck who provided the Ormond runners with very good use. When **Russell Barnes** wanted something extra at the final break, **Luke Russell** answered the call. Ormond's younger brigade were also good all day with **Ben McCarthy** and **Sam Barnes** excelling down back, and **Tim Allan** kicking a couple of handy ones up front.

'Ashers astound themselves as Friars frustrate

Monash figure they're fresh out of get-out-of-jail cards after the bizarre events against the Friars! Frankly, Whitefriars could have been 10 goals up at half time. Monash had enough resilience to hang in and gradually get out to a 3 goal lead in the last quarter, before Whitefriars rallied late to kick the last couple. All credit to the Friars for great endeavour all day – but they effectively handed the points to Monash. For Monash, 1st gamer **Kenan Alev** did well from the U19s, **Kieran Beck** was good on the ball and **Joel Bartram** again did well in the midfield.

Rovers relentless in Gerry Green "get out"

This was hardly one for the highlight reel until the Rovers came out of the blocks in the last quarter with a better running game and improved skills, kicking 6 goals 7 behinds. Parkdale had a little bit of life in them, and surged back with a couple of late goals, but weren't really close enough to bridge the gap. **Gary Carr** was great for the Rovers at centre half back while **Jason Zampaglione** and **Leigh Fletcher** worked hard through the middle.

Oakleigh overjoyed as AJAX

Oakleigh was far more committed than the Jackas and fully deserved their win. At times AJAX looked dangerous but it was the old story of too much left to too few. **Yaron**

Rapoport battled hard and returned 5 big ones, whilst **Adam Spencer-Laitt** put in another fine effort. **Jeremy Dukes** teased enough to get supporters excited, but clearly has plenty of improvement in him. **Ronen Heine** was impressive in the back half and his courageous act in the final quarter should have inspired his team mates but alas to no avail.

Unicorns get the 'Nods at the High School

Mazenod broke through the Melbourne High midfield early and found **Dom Dunne's** extended dukas and trusty boot, together with the smart crumbing of **Shaun Moran**, to lead by a couple at quarter time, which was then pushed out to 4 goals at the main change. **Tom Steinfort** was presenting well all over the ground and the backline led ably by **Adam Weekes** were keeping the MHSOB attacks at bay. The game tightened considerably after half time as Melbourne High improved their ball use and increased their running output. The Nodders copped 4 deliberate out-of-bounds calls as they went into their shell and left the door open for the Unicorns to stroll right on through.

Round 5 tips

No AFL footy this weekend, so there's no excuse for the crowds to be anything less than massive at these 5 Rivalry Round blockbuster.

TODAY'S C SECTION MATCHES

MAZENOD v WHITEFRIARS
MHSOB v RUPERTSWOOD
MONASH BLUES v AJAX
HAMPTON ROVERS v ORMOND
PARKDALE v OAKLEIGH

Hampton Rovers –v- Ormond

Playing today for the Buxton Cup, these two proud district clubs also played off in 1951 for the A section flag (won by Hampton Rovers). As the Top of the Table clash, it certainly befits its top billing. The Rovers will wear their special heritage guernseys, whilst former Ormond player and now Richmond key defender **Will Thursfield** will toss the coin. Apparently Melbourne's **Nathan Carroll** will also assist with the Auskick. With **David Parkin** and **Ross Smith** as guest speakers at the lunch – this promises to be a massive day for all concerned. All they needed was **Tommy Brain**, but he's otherwise occupied. Rovers by 2 points for mine.

Mazenod –v- Whitefriars

Crunch game this one, as two former high flying teams rebuild. Nodders at home for mine by 4 goals.

Monash –v- AJAX

Back in the mid 90's half my uni mates used to play the other half of my uni mates when these two teams met in some C and D grade classics. The Students are humming, but the Jackas have to start somewhere, this will be it – AJAX by 21 points.

Parkdale –v- Oakleigh

Not sure of the genesis of this rivalry (may be just suburban, could be Federal League?) in any event, the Krushers will prevail by 3 goals if they can contain Rochford.

MHSOB –v- Rupertswood

No rivalry here as they've never ever played each other!!! Good for MHSOB, not so good for Rupo. Unicorns by 5 goals.

MILESTONES

Ormond congratulates brothers **Chris** and **Simon Keleher** for playing significant milestones. **Chris** (250 from 1992) and **Simon** (150 from 1999). Both have won multiple awards for Ormond. Chris, a high flying forward and goal scorer has 3 Reserve B&F's plus 2 Reserve Premierships to his name. Club captain for the past 6 years, Simon has 4 Club and 3 competition B&F's. Digger has been a stalwart in the backline and best player of this generation for Ormond. Both also play a major role in Social activities around the Club. Well done Kels, Digger and other brother Steve (senior team manager) in helping make Ormond a truly family Club.

Hampton Rovers captain **Matt Lawrence** plays his 200th club game this Saturday, the same weekend we celebrate 150 years of Australian Football. Matt first played for the Rovers in 1996 with 46 junior games. He reached his 150th senior game milestone in Round 1 this year and continues to be a great servant to the club.

ROUND FOUR REVIEW

North Old Boys/St. Patrick's College continued their perfect start to the season with a hard fought 10 point win over Old Geelong at Como Park. The Cobbers got over the line by virtue of a well-balanced team effort, although the contributions of **Kyle Adams** and **Scott Sleep** were particularly noteworthy.

Fitzroy Reds scored a crucial 26 point victory over the winless Yarra Valley OB at Domeney Reserve. **Anthony Daff** played his first game for the Reds since the season opener and was again impressive. **Samuel 'Macho Man' Savage** continued to star for the Bushrangers.

South Melbourne Districts secured their first win of the season over Aquinas OC in a high scoring contest at Lindsay Hassett Oval. Midfielder **Bryce Greisheimer** had another good game for the home side, while the pacy **Sebastian Mahoney** tore it up on the wing. For Aquinas, **Daniel Den Braber** again showed what a class act he is, while the visitors could also take heart from the performances of debutant **Mick Jess** and full back **Anth Williams**.

Old Mentonians started strongly, and were never seriously challenged, doing the business by 82 points over Peninsula OB at the Playing Fields. **Dave Cochrane** was again impressive at centre half forward with seven goals, and was well supported by the likes of **Gareth Snow**, **David Teasdale** and **Ben Lane**.

In an entertaining affair at Toorak Park, Bulleen-Templestowe preserved their undefeated record, along with their top spot on the ladder, in defeating Prahran by 15 points. The first quarter was a topsy-turvy affair, with either side dominating on the scoreboard for several minutes at a time, before the Bullants gave themselves a precious 30 point advantage at the main break with an eight goal to two second term. The Two Blues asserted themselves more in the second half, outscoring their guests 12 goals to nine, indeed getting to within two points late in the game, but it was not enough come the final siren.

ROUND FIVE PREVIEW

NOB/SPC take on Prahran at Gillon Oval. Two Blues playing coach **Paul Greenham** will most likely be matched up

against **Chris Hosking** in what promises to be a key duel within the overall context of today's game. Prahran defender **George Katavolos** continues to impress, but with the Cobbers appearing to have a more balanced attack these days, it's uncertain at this stage who he will start on. Prahran will push them all the way (and look for **Gerard Beven** to get at least two goals in the last quarter!), but on current form, I Can't go past the Cobbers. It's the outer eastern derby in Ringwood as Aquinas OC host Yarra Valley OB. As it happens, it's also a battle between sides ranked ninth and tenth respectively. Both teams have generally been able to get a decent total on the scoreboard, but concede too many points for their own score to actually be competitive. Something has to give on this occasion, and it might just be the Bushrangers backline. Time will tell, but on the tipping front, it's Aquinas for me.

Old Geelong travel to Mount Eliza for their match against Peninsula OB. **Reed Powney** kicked three majors and was amongst his team's best in his first game for the Pirates since Round One, and will look to make a good impression again today. **Lachlan Teague** has been in hot form for Old Geelong the last two weeks, and whoever lines up against him will have a tough task ahead of him. Thus far, Old

Geelong have proven to be the better side and they should have enough talent across the board to cover their hosts today. I'll back the Oggers here.

At Ted Ajani Reserve, it's a clash between two early season pacesetters as Bulleen-Templestowe face off against Old Mentonians. Ruckmen **Ben Lane** (Panthers) and **Greg Williams** (Bullants) have been two of the form players in their position so far this season, and whoever can get on top may well influence the final outcome of this match. **Jarrod Prior** dominated across half back last week for the Bullants, while **Greg Chivers**, **Dean Matthews** and **Daniel Tonelli** will again be dangerous in attack. For all the publicity **Dave Cochrane** has received for his exploits in the Panthers forward line this season, the Bullants also need to be wary of the likes of **Kyle Tickell** and **Richard Ironmonger**. A tough call to make in a possible grand final preview, but I'll take Bulleen-Templestowe on this occasion, just.

Finally, and befitting this weekend's emphasis on community football, Brunswick Street Oval is the scene for the inaugural **Bill Stephen-Peter Bedford** trophy between Fitzroy Reds and South Melbourne Districts. **Martin Cusack** and skipper **Jimmy O'Reilly** have been among the Reds' more consistent players this season, and will look to set the standard for their teammates again today. Don't be surprised to see a low scoring contest if the Reds get on top, as they have the best defence (based on points against), but have also scored the least points. Interestingly, the Bloods have conceded the most points so far this year. I think this could work in the Reds' favour, so I'll back them today in a good, honest contest.

Match reports can be sent to me via email at theqwill@hotmail.com.

I am keen to hear from all clubs and establish a degree of parity as far as publicity goes. Please keep your match summaries to around 100 words if possible (due to space restrictions), but I am certainly happy to take on board any other comments, be it about the match or other things. Remember, this is about your club, so make the most of it. Good luck to your team today, and have a great VAFA weekend! The Qwill

MILESTONES

NOBSPC wish to congratulate **Brendan Sheehan** who recently played his **100th game** for the club. Since arriving at the club in 2002, he's made his mark both on and off the field. In the past two years he's taken upon the thankless task of being the club treasurer as well as setting fashion trends, whilst on the field he was a member of the 2004 B-Reserves grand final team, and also has played many senior games. Well done **"Bobby"**. Also **Adam Cramer** will play his **50th game** for the club this week. Congratulations Crumpets.

U19 Coach of the Month - April Ray Leetham – Old Trinity

Ray has had a wealth of football experience, having coached and been heavily involved in football at all levels. He was a part of the Melbourne recruiting panel in the mid 80s as well as the Oakleigh Chargers recruiting department in 2004/05. Ray coached junior football at Glen Iris before taking the reins at Old Scotch under 19s in 2006 and subsequently Caulfield Grammarians in 2007. Ray took charge of the Old Trinity U19 for 2008 (where is son Sam plays) and has his side up and running, undefeated after 4 rounds.

D2 SECTION

by Jono Healy

A couple of interesting results last week and once again D2 is looking like one of the most even sections in the VAFA competition. Rivalry round is sure to sort out a few sides and tell us a bit more in relation to the composition of the ladder come round 18. Let's have a look at the mouth watering clashes awaiting us today.

St Marys/Salesian \$1.60 v Benteigh \$2.20

An undermanned St Marys/Salesian outfit gave it their best shot against Emmaus St Leos last Saturday, but eventually went down by six goals in an entertaining contest. **Luke D'Astoli** once again shone in defence with excellent composure along with **Shane Stevens** who marked everything that came his way. **Ryan Stevens** battled all day and finished with four majors, but the combine failed to combat the elusive Emmaus St Leos. In a fiery encounter, Benteigh were no match for **David Boundy** and his young Old Paradians team. **James Robertson** was back to his best but he received little support as Old Paradians went on to record a comfortable seven-goal victory. It will be interesting to see how Benteigh cope with the small confines of Ferndale Park in this clash as the combine are sure to be more suited to the weirdly ground ground. Expect this to be a high scoring encounter, with the combine to come out on top. St Marys/Salesian by 18 points.

Therry Penola \$1.70 v Old Paradians \$2.05

This should be a belter of a clash between last season's two relegated teams and, more importantly, with both coming off good wins last Saturday. A nine-goal opening term gave Therry the start they needed and they went on to defeat a determined Ivanhoe side by 43 points. Therry's midfield through **Michael Farrelly** and **Jarryd Hanlon** provided plenty of opportunities for the forwards with Jarrod Egglestone and Matt McWhinney (no relation to the golfer Peter) kicking 11 goals between them. Old Paradians found their best form with a 42-point victory over Benteigh. Despite finishing the match with just 17 men, the Raiders found their best form of the season so far with an excellent display of fast and furious football. **David Boundy** (ten majors) was sensational up forward, while **Mark Ryan** and **Carl Sage** were superb all day. There is no love lost between these two sides, and I'm expecting one hell of a fight between the two fierce combatants. Boundy is likely to return to the VFL, which makes me give the edge to the home side. Therry Penola by four points. **Glen Eira \$1.80 v Emmaus St Leos \$1.90**

Glen Eira travelled to Old Westbourne and came back victorious after another strong effort against a team that has generally been hard to beat at home for many seasons. **Ab Farah** was a monster in the ruck, **Tom Patterson** continued his excellent start to the season, while the flair and circus tricks of **Alex Caruana** up forward had to be seen to be believed. Emmaus St Leos were never going to lose for Macca's 250th and they got the job done against St Marys/Salesian in impressive fashion. With **Anthony Ballard** winning the ruck all day, and the imposing centre line of **Phil 'Ratta' D'Amico** and **Paul Baranello**, there was a continued push forward for the Animals and their potent forward line. **Chris 'Foxy' Beluszar** and **Benny Ellis** (five goals) were given plenty of opportunities to convert and the margin could have been even

bigger if not for some poor kicking at goal. This is going to be another good game, with both sides sure to put their bodies on the line for the entire day. The battle between **Farah** and **Ballard** in the ruck will be crucial to the outcome, while **Alex Tsirogiannis** might get the job on the dangerous **Baranello**. Glen Eira by 12 points.

Banyule \$1.30 v Ivanhoe \$3.10

Banyule were no match for Werribee last Saturday and will look to rebound here against a highly competitive Ivanhoe side that are also coming off a loss. It never looked likely for Banyule at Soldiers Reserve, with Werribee keeping the visitors in the game with some poor conversion in front of goal early before kicking away to a match winning lead in the premierships quarter. **Adam Rothe** tried his heart out for Banyule, but he received little support from his team-mates. Ivanhoe hosted Therry Penola and went into the clash as favourites and expecting the four points. However, despite the best efforts of **Angelo Pace** (eight goals) they were no match for a slick Therry side and went down by 43 points. Ivanhoe were missing the important duo of **Christian Traeger** and **Travis O'Neill**, so it will be interesting to see if these two return for this match. I don't think it will matter too much. Banyule by 33 points.

Old Westbourne \$2.40 v Werribee \$1.50

Clear match of the round here between two neighbouring sides and I have a feeling that we might get an upset result at the end

of it. Old Westbourne started their match well against Glen Eira last round, but got distracted by the physical approach of the Saints and eventually went down by 47 points. Werribee continued on their merry way (have I said that every week this year) with a workmanlike 38-point victory over Banyule. The half-back line of **Nathan Addamo**, **Matt Antonello** and **Matthew Taylor** were clear winners all day, while the experience of **Matthew Keogh** and young legs of **Andrew Cunningham** led the on ball division. Coaches **Fab Gatti** and **Kirk Norton** are sure to have their respective charges ready for this match, but can Old Westbourne match it with the pace and determination of the Werribee side. I feel that if Old Westbourne can concentrate on the footy, rather than the physical stuff, they have what it takes to cause an upset of massive proportions. A huge crowd is expected at the Westbourne School Ground (with Brady Rawlings already a confirmed starters) and I feel whichever team can settle first in this one can take the four points. Its not very often that a team goes undefeated through a season and I think Werribee, while still clear premierships favourites, will drop a couple of games as the season progresses. This could be one of those. Old Westbourne by 14 points.

It would be great to hear from every club after each round to help me in writing my weekly column. Please send all match reports, social events, milestones and anything else that may be of interest to jonathan.healy@hotmail.com by 5:00pm on Monday.

TODAY'S D2 MATCHES

THERRY PENOLA v OLD PARADIANS
BANYULE v IVANHOE
GLEN EIRA v EMMAUS ST LEOS
OLD WESTBOURNE v WERRIBEE
ST MARYS/SALESIAN v BENTLEIGH

MILESTONES

Aaron Taylor plays his 50th senior game for the **Werribee Amateurs** today. Aaron started with a couple of games in the under 19's in 2004 before starting his senior career in 2005 and has continued there since.

Congratulations to **Brett Stevens** on 50 games at **Benteigh**. Brett is one of a group of former Under 19's rebuilding the club, well done on this milestone and we look forward to many more games.

Congratulations to **Peter Rohr** on his 50th game with the **Glen Eira Saints**.

Emmaus St Leos congratulates **Anthony McKenzie** on reaching 250 games last Saturday. Macca stamped his mark at the club when he joined the under 19's in '93 as runner up in the B&F and then B&F in '94 then started a great senior career with two senior B&F's and premierships in '95 and 2002. Terrific work Tony.

Andrew Volpi reached 150 games in round 2. Andrew started with the under 19's in '96 and has given great service to the **Animals** as a ruckman and key position senior player and has put in some very special performances over the years. Well done Volpinator. **Josh Little** reached 50 games in round 3 and has worked very hard to improve his fitness and game to be an established player with the Animals. Keep it up Josh.

WE USE Sherrin . . . Retrospective

by Geoff Reilley

5 YEARS AGO - 2003

University Blues recorded their first win for the season in **A Section** at the expense of **Old Trinity**. The Blues were impressive in the first half before Old Trinity kicked 7 goals to 1 in an outstanding third quarter to take a 2 goal lead. The Blues were clearly stung into action, reversed the situation and kicked 7 goals to 1 in the final quarter to run out winners, 14.11 to 11.6. Best players – **Callery, Ryan, Coleman, DeCrespigny (7), Wilkie (4), Butko** (Uni Blues) and **Pretty, Butler, Green, Ramsden, L Kennedy, Williams** (Old Trinity). **Peter James** and **Dirk Kramer** were the ‘men in white’.

Old Trinity were pleased to acknowledge **Adam “Rosco” Andrews’ 100th game**. Adam joined the club in 1996 straight from school and was a regular senior player by the following season. He was a **best and fairest winner in 1998** and a **member of the 1999 premiership team**. Adam had been dogged by injury over the past 2 seasons but was slowly returning to his best form.

In **B Section**, **Old Essendon** travelled across town to the home of the Friars and were full of confidence despite the home ground advantage that **Whitefriars** invariably revealed. Unfortunately for the Essendon lads, Whitefriars controlled the game from start to finish. **Adam Pawlik, Tom Langford** and **Nathan Cunningham** in particular were outstanding early for the home side. The game was practically sown up for Whitefriars at half time with a 7 goal break and they continued on their merry way in the second half to finish with a clear 21.10 to 7.9 victory. Best players – **A Pawlik, Langford, M Power, Hilton, Carbone, Phan** (Whitefriars) and **Caridi, D Biggs, Heritage, Forrest, Wilson, Hakim** (Old Essendon).

Danny Glouchev played his **100th game** for Whitefriars having commenced with the club in 1997 and, along the way, participated in the **98 D Grade** and **1999 and 2002 C Grade premierships**. **Peter “Pistol” Bowdern** played his **100th game** for **De La Salle** and had collected the ‘**most improved player’ award in 2001**.

10 YEARS AGO – 1998

In **A Section**, **Collegians** continued to experience

poor form and had yet to win a game. In this round, **Old Brighton** were their tormentors and held a 10 goal lead by the last change. It rained goals in the last term as each team kick 6 majors with the final score in Brighton’s favour, 24.17 to 14.9. Best players – **Hipwell, Jackson (5), Kent, Perry (6), Timms, Pryor** (Old Brighton) and **Warne-Smith (9), Milat, Jefferson, Harrison, Hosking, Proctor** (Collegians).

The **Old Xaverians Football Club** recorded their condolences for one of their greatest sons, **John Sanders**, who sadly passed away. John **captained the club from 1960 to 1966** winning the **B Section premiership in 1963**. He won the **best and fairest in 1961** and was an **All-Australian** player and a **Life Member**. After the Old Xavs plummeted to **D Section**, John “got the call” in 1975 and **returned as coach from 1975 – 1977** winning the **D Section premiership**. John was **President** when the club won the **C Section premiership in 1978**. He also found the club its first real home at **Yarra Park** in 1978. John Sanders’ contribution to his club was absolutely outstanding and many people associated with the VAFA, past and present, paid their respects.

Luke Vassallo (**St Bernards**) was leading the **A Section Sharpshooters** with 25 goals from **Drew Warne-Smith** (**Collegians**) 20.

20 YEARS AGO – 1988

Caulfield Grammarians, struggling in **B Section** with only 1 win, travelled to **Parkside** full of expectation but found ‘The Red Devils’ prepared and ‘on the ball’ from the opening bounce. **Mark Sedgwick**, Parkside’s dynamic rover, was prominent early and star full forward, **Freeman**, was also in deadly form as Parkside kicked 8.6 to Caulfield’s 1.1 in the first quarter. A rally by Caulfield in the second term was short-lived as Parkside answered swiftly and opened a 6 goal break at half time. **Sedgwick** continued to dominate the game (was said to have finished with a remarkable 51 possessions) and **Freeman** continued to convert from the many chances he was

receiving. Led by skipper **David Matthews** at full forward, Caulfield rallied in the final quarter and kicked 9.7 to Parkside’s 1 solitary goal but the damage had been done with Parkside winning 19.8 to 16.17 to remain second on the ladder. Best players – **Sedgwick, Freeman (10), Sturgess, Mitchell, Torre, Wood** (Parkside) and **Fish, Morrissey, Stevenson, D Matthews (7), McLelland, Harris** (Caulfield Grammarians).

In **C Section** **Old Brighton** smashed **Balaclava** down at the Beach Oval 27.11 to 12.12 with the **Grant brothers** all performing well along with **Andy Pryor**. Best players – **Pryor (9), T Grant (5), Allen (4), O’Connor, Cochran, James** (Old Brighton) and **Gregory, Monaghan, A Hartley, S Withers, A Hill (4), Gregory** (Balaclava).

30 YEARS AGO – 1978

In **A Section** it was the big game at **Melbourne Uni** when the **Blues** met the **Blacks**. So far the Blues were enjoying a good season (4 from 4) whilst the Blacks were struggling with only 1 win. Would the intense rivalry create a close match? After a very tight first half, the Blacks finally hit the front in the third term with straighter kicking for goal and at the final change, held a 3 point lead. Half way through the final term the Blues lifted their work rate and but for inaccurate kicking would have won more comfortably. As it was the Blues’ 4.10 was enough to win comfortably as the Blacks scored only 1.1; final score in Blues’ favour, 10.20 to 8.8. Best players – **Trumble, Carroll, Brown, William, Holt, Curnow** (Blues) and **Lockie, Birch, Crowe, Perrett, Booth, Curtis** (Blacks).

Officials at **University Blues** had every reason to acknowledge **Frank Hanegan**, who notched up **200 games as boundary umpire**. He had previously run **140 games** with the **VFL** on the boundary and was well qualified and assisted the Blues on the physical training side. In fact, any job that needed to be done was often taken up by the redoubtable Frank. (**Frank is still a keen supporter and willing helper for the Blues in 2008 – GR**).

Old Brighton’s champion player, **John Berry**, finally played his **150th game**. John’s career began at Old Brighton back in 1964 and in 1970 he followed another path for 5 years before returning in 1975. A further disappearance from the Beach Oval to go bush followed before his second homecoming in 1977 when “JB” again thrilled the Old Brighton spectators with skill that belied his advancing years.

40 YEARS AGO – 1968

Coburg proved too strong for **Melbourne High School Old Boys** in **A Section**, 9.14 to 5.13 and this result left **MHSOB** without a win to date. The game was even in the first half but Coburg’s more precise play told in the second half. Best players – **Salter, Wharfe, Jebb, Pearson, P Parkes, N Beattie** (Coburg) and **R Treddinnick, Wilson, Needham, Nelson, Cooper, Stephens** (MHSOB).

Uni Blues and **Uni Blacks** met mid-week in their **A Section** game and in the first half it was a very torrid affair resulting in a number of set shots going astray for both teams. The Blues started to take control in the third term and ran away in the final term, 12.18 to 6.15. Best players – **Moylan, Church (3), Scarfe, Macaw, Maskell, Renowden** (Uni Blues) and **Pruden, Sinclair, Brebner, Saunders, Johnston, Greig** (Uni Blacks).

Peter Jackson (**Alphington**) overcome the theft of his footy gear from his car to play his **100th game** in borrowed gear. It was probably his best game for a number of years. **Les Murray** played his **100th game** for **North Old Boys** and was regarded as one of the best players to don the purple and white Guernsey. **Club best and fairest** and **Victorian representative** were some of Les’ achievements.

50 YEARS AGO – 1958

In **C Section**, **Malvern** scraped home by a point from a fast finishing **South Melbourne Districts**. It was an excellent contest with Malvern’s half back line responsible for holding the talented South attack. Malvern finished well to win the game, 8.16 to 10.3 and but for some wastefulness in front of goals, the margin would have been greater. Best players - **B White, Duke, O’Donnell, Strickland (6), Brady, Smythe** (South Melbourne) and **Horman, Kilner, Allen, Clarke, Liddell, Moyle** (Malvern).

In **D Section**, **AJAX** coasted to an easy win over **Elsternwick**, 16.23 to 6.9. A number of injuries to Elsternwick during the game did not help their cause but AJAX won all over the ground in an excellent display. Best players – **Pratt (3), D Merkel (4), Raveen, R Merkel (5), Lebransky, Yaffe** (AJAX) and **Taylor, Lidey, Hargreaves, Hackwill, Nash, Wheeler** (Elsternwick).

Popular **East Malvern** player, **Harvey Baines**, was accorded a great reception by supporters when he took the field for his **200th game**. Harvey was well known for his great work for his club, on and off the field.

D3 SECTION

by Stephen Clarke

The murky waters that surrounded the island of D3 are clearing – we have a clear top contender and a couple of sides still seeking success for the first time in 2008. That of course will change come Saturday . . .

A quintet of close encounters in round four ensured great viewing for all those that enjoyed it. Recently at games I have noticed portable baristas at the grounds offering lattes – my goodness football has gone into a new level of sophistication! I have sampled this service and kudos to the provider. Gone are days it seems of barely warm water and a teaspoon of international roast with a use by date on the tin of December 1997. We'll start at the zoo – Brens Oval – where UHSOB continued the misery that the Razorbacks currently endure. A big second half from the host team ensured four points was secured and a nice position on the ladder after the first month. President Rob Thorp enjoyed a return to form, along with Sam Clayton and Dale Lacy. Swinburne had few winners on the day past Beattie and Lyons

An absolute scorcher at the TC reserve, where St Johns just survived to keep their home record in tact, albeit by three points, against a very honest Elsternwick outfit.

The visitors accuracy was outstanding and they were taking full advantage of their forward thrusts. Critical goals from Cachia – four of them – might have been the difference here. The visitors must stay positive for their enormous round five clash.

Bill Sanghvi had a marvelous afternoon for the Bonmbers along with Grace and Hodgekiss. The St Johns side were lead to victory by Jones and Mara. Equally thrilling was the game against the Turtles and the Piranhas of Powerhouse.

The game was highlighted by the forward display of Paul Edwards, the leviathan of our grade was at his best with ten majors – however it was not enough as the Eltham side were too busy and converted goals all day to come away victorious. Mr Garrard and Mr Garrard continued their scoring ways with seven goals between them with O'Malley here putting in a great performance also. Dave Burnside had a solid game in the ruck for the 'House who are right in the mix still for finals action.

Monash host 'Latrocious' this week in a goal fest – this game produced 43 of them! The Gryphons were running a muck early and scoring accurately to command a comfortable half time lead. Sharkey and Dooley snared twelve major between them in a great even team effort. The visitors conceded goals like I

have hot dinners – a serious issue that must be addressed now. Winless and so far it's inspiration zero from them. Hunt and Farrell enjoyed good days. And then we have saved the best perhaps until last in the reviews. The name is David Lee, and it was 'party trick' central down Rathmines Road this weekend. Another huge bag of goals from him even impressed even VAFA officialdoms' who were present. The Hawks would be ecstatic not to lose by more to our competition leaders and their best players were the kids again – super sign for the future. Perhaps football was the winner here as much as Williamstown . . .

PREVIEWS –

Critical week in a competition closer than all others in the VAFA right now.

Swinburne or Latrobe – well one of them has to win. Fixture says so. I'll go with a no confidence vote for the **Razorbacks**. Eleven points.

UHSOB and Eltham resume world war eight this weekend – will be an afternoon full of verbal jibes – and then some. I like rivalry's in footy, but really like the **Turtles** here to storm home by around seven goals. Hawthorn host the 'House and in a rib ticker I fancy the away side here to repeat their feats on this ground from 2007. Their form good, whilst for the home side unsure that they have the depth to hold out here. **Powerhouse** by just nine points.

Willy and St Johns strike up an old friendship at the Fearon this weekend and hard to go past the **Seagulls** who have cavalry returning to the mix. Home side to go five straight wins by 28 points.

And for the big game – Elsternwick park – Saturday night – fight night – 6pm – under lights – for the Murphy / Wells Cup!

Monash. By one. One point that is.

Good luck to all sides and the great and valued volunteers this weekend, for without you, we are nothing

M I M I L E S T O N E S

All at **Monash Gryphons** congratulate the courageous and consistent **Skipper** in registering his **100th game** this weekend. It is fitting that such a grand player would reach this mark in the rivalry round against Elsternwick at VAFA headquarters. **Dan** is rarely beaten in any contest and has been under-rated by friend and foe for a number of years.

A la his 80's counterpart, Ryan has 'A Good Heart', but more importantly he is an integral part of the Gryphons forward line and is fast becoming one of the key spearheads of D3! Ryan is an exceptional mark for his size and also possesses a 'radar' like kick that can penetrate from a long distance.

Rising Star Evan Spargo - Old Ivanhoe

Evan Spargo was an integral player in the Old Ivanhoe Grammarians U'19 premiership team. He has now successfully made the transition to A-Grade Senior football having played every A Grade match so far this season.

Evan has been given the opportunity to play on some more experienced, well-known opponents such as Mark Bolton (UB) and Scanlan (OX)

Evan reads the play well, takes a great pack mark and has a thumping right foot. He has played principally half back and Wing this season.

He has an exciting future at the Old Ivanhoe Grammarians Football Club.

UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

150 years

Welcome to this weekend of footy matches when we celebrate **150 years** of two teams chasing around the pill, two teams trying to out score each other and for **150 years** there has been the umpire, so lets celebrate!

The **VAFUA** are celebrating this achievement with a get-together back at the club rooms and a chance to watch some good old fashion footy with **Elsterwick vs Monash Gryphons** having a hit-out out on the big oval.

During this 150 years of football the Vafa has had a few field umpires who have made it to the top level and umpired VFL/AFL games. We need to acknowledge the following: **Wayne Hinton (came back to us and is stilling running around in A Section), Corin Rowe, John Mumane and Tim Shearer (now at Old Scotch).** With the current batch of AFL umpires we can claim **Simon Meredith, Matthew Head and Chris Donlon (well done to Donners who umpired his 50th AFL game a couple of weeks ago).**

Just like footballers coming from the Vafa to AFL we have proven that we are also a great breeding ground and certainly contribute to football at the highest level in the country.

Late finish

Some games over the last few weeks have been finishing a bit later than normal, could have been the fact that some old time keeping cards are still floating around which states on the back of the cards that the quarters are to be 25 minutes plus time on, instead of the correct time of 20 minutes plus time on. No wonder AD is pulling up sore each week.

Mistaken Identity

Umpire Director Brian "Benny" Goodman was a case of mistaken identity when on a phone call to David Windlow just recently. David's wife passed on that Benny was on the phone but like all good husbands only half heard the name and guessed that it was his daughter Penny on the phone. There was no casual hello to be said by David but a more of loving term of "Hello my Darling" and if that doesn't get you promoted David we don't know what will.

Appointment on the website

As the umpiring appointments are now being accessed on the VAFUA website it is important to look carefully at all details. With some clubs having difficulties with their home grounds, quite often they are playing at different locations or playing on a Sunday. Also, be aware that most weeks there are a handful of under 19 games with early start times such as 9:20 or 11:40. It is YOUR responsibility to get to the right game at the right ground at the right time on the right date!

Rule 11.3.5 Contesting the centre bounce (new for this year)

The centre bounce or throw up shall be contested by one (1) nominated player from each team. Such player shall be nominated to the field umpire prior to the bounce down or throw up of the football. The player contesting the centre bounce or throw up shall be positioned in his teams defensive half of the playing surface and with both feet within the 10m circle. The player may only enter the attacking teams half after the ball touches the ground or leave the field umpires hand, in the act of being thrown up. The player shall not be permitted to block an opponents approach to the contest. The players must have both feet inside the 10m circle at all times until they contest the bounce or the field umpire calls "play on" due to an offline bounce. No other player may enter the 10m circle until the football touches the ground in the act of bouncing or thrown up by the field umpire.

by Duncan Palmer

I have to admit that my tipping this week was a little awry, or even WOEFUL, as some have delicately stated. Eley Park, Mt Lilydale and Bulleen all proved me wrong with dazzling wins either against more favoured opponents or at away venues. Albert Park also put up a very strong performance to show that West Brunswick are only 22 bokes running around in stripy tops and not in fact demigods.

After a hiding in round one and a comfortable loss the next it is fair to say that Mt Lilydale were being cast by some as big sliders this year. Two weeks later and the Mountain Men have accounted for Eley Park away and have smashed a strong Box Hill North unit at home. If you take into account that until this week Mt Lilydale have not played a home game a slow start was inevitable and you would be quickly realising that Mt Lilydale are a genuine player in this year's promotion stakes.

The first quarter at Mt Lilydale hinted little of the final outcome with Box Hill North setting up a comfortable fifteen point lead. A 'spray' from **Nathan Pearce** at quarter time appeared to spur the Mountain Men and **Michael Rhodes** in the ruck was one of many who lifted their intensity and sparked a 40 point turnaround by the half. In the second half Mt Lilydale continued to pile on the pressure and with **Haydn Moyes** dominating on a wing and **Patrick Carolan** dangerous up forward, the home team ran away with a very impressive 59 point victory despite the best efforts of **Cameron Liston** and **Patrick Doyle**.

The match between North Brunswick was played in great spirit by both teams and in the first half there was little separating the green and gold and the **Cookson** led Cobras. Eighteen year old **Anthony Saad** was showing brilliance up forward for North whilst **Joe Trinichi** and **Ben Cookson** were outstanding for Bulleen. In the second half the run of **Cookson** and the Cobras was too great for North Brunswick as Bulleen showed a clean set of heels. With **Tim Fradkin** dominant, though inaccurate, Bulleen had too many options up forward setting up their first win which **Ben Cookson** and coach **Laurie Zarafa** would be delighted with.

Albert Park welcomed West Brunswick with a desperate and aggressive attack on the football. However, with **Bill Irving** roaming across half forward and driving the ball inside 50 (thanks for that one Mark) the Magpies were marginally more polished in their forward play and took a 25 point lead into the break. After half time Albert Park threw their bodies into every contest and took the game right to West Brunswick, however without **Woneamirri** to break the deadlock for the Falcons, **Sam Pietsch** denied

most forward thrusts and the Magpies maintained their unbeaten start to the season. **Mick Layley's** efforts around the contested play should not be underestimated in this performance.

St Francis Xavier continued their unblemished start to the season with a tense win over Richmond Central. For most of the match the Snakes held sway with **Matthew O'Dwyer** leading the way. Gradually though with **Ben Spencer** dominating up forward the run of the Xmen started to take its toll. **Karl Russo** and the **Pearson** show were instrumental in the final result as St Francis Xavier finally ran over the top of a brave Richmond team with a strong last quarter surge.

Eley Park celebrated their first win for the season with a great performance against the previously unbeaten South Mornington. The entire game was physical and evenly marked except for a second quarter burst from the Sharks that proved the difference in the end. **Matty Payne** was sensational in a best on ground performance for Eley Park, whilst **David Viola** was impressive with five goals. The efforts of **Ben Gordon** to restrict South Mornington

when they had the use of a strong breeze were a key to the fine Shark victory.

Kew recorded what appears at first to be a comfortable victory over Syndal Tally Ho, however Syndal were competitive all day. Two fifteen minute burst of brilliant football from the Bears in the first half resulted in eleven goals, and this trend continued with Kew showing occasional flashes of brilliance tempered by periods where Syndal controlled the play. **Craig Horne** up forward with five goals and **Greg Bell** in the ruck were the best for Kew, with no report from the Synners.

TODAY'S D4 MATCHES

WEST BRUNSWICK v NORTH BRUNSWICK
 BOX HILL NORTH v ELEY PARK
 BULLEEN COBRAS v ALBERT PARK
 RICHMOND CENTRAL v SOUTH MORNINGTON
 SYNDAL TALLY HO v MT LILYDALE
 KEW v ST FRANCIS XAVIER

Tips this week.

Bulleen Cobras V Albert Park

Bulleen Cobras would be full of confidence heading into this home game against a very competitive Albert Park. Both teams have shown some promise but would need to string some wins together to start pushing towards the top five; Ben Cookson to provide the difference in the midfield. **Cobras** by 5 points

Box Hill North v Eley Park

Box Hill North would be strongly favoured in the local derby with their key forwards a tough proposition for any side, however I think Eley Park will get better by the week and may be too quick. **Eley Park** by 3 points.

Syndal Tally Ho v Mt Lilydale

Syndal Tally Ho will work hard, however the mountain men have too much class. **Mt Lilydale** by 65 pts.

Richmond Central v South Mornington

In the clash of the yellow and black the confusion of playing in a different strip and the home ground advantage will see the **Snakes** home by 13 points.

West Brunswick v North Brunswick

In another local derby North Brunswick will match the Magpies early however the experience and class will show through in the end with **West** victorious by 43 pts

Kew v St Francis Xavier

I am unsure how this figures as a match between traditional rivals or a local derby however regardless this is definitely match of the round with two of the ladder leaders going head to head. The potential match-up of Greg Scott and Simon Van Dam will give an early pointer to the final result. I am truly unsure which way to tip but will go with the home team. **Kew** by 1 point.

Reports to deejaypalmer@bigpond.com by midday Monday please.

U19 SECTION

by **Matt Cosgriff** (U19's Premier),
Matt Grima (U19's Nth 1 & Nth 2)
& **Peter Lemon** (U19's Sth 1 & Sth 2)

Peter Lemon

"We played really dumb footy", were the words of **Paul Dodd** after his boys from Scotch fell over the line against Old Xaverians by 3 points – even though the workers at the Herald Sun may disagree. The flooding tactic adopted by the Xav's defence meant a scrappy and congested game of football was played, but the persistence of the likes of **James Bowden** and **William Davis** presented over 60 inside 50's for Scotch who prevailed in the end to remain undefeated. The match winner for Old Scotch was the unlikely **Thomas Bear** who came down from full back and kicked 2 goals.

The score line was not as dramatic down at Waverly Park as De La Salle careered away a 76 point victory over the injury stricken St Bernards. "We were on top all day and the pressure from the boys in the defence and midfield setup a satisfying win," said De La Coach **Stewart Gray**. The highlight of the match was clearly the bag of 10 goals from rising star **Sam Fairbrother**. **Joel Phillips** played yet another blinder whilst **Pat Monaghan** was superior in defence for the Blue and Gold that set up countless opportunities up forward. University Blacks staged off a remarkable comeback from St Kevins late in the last quarter to get over the line by a solitary goal. "We looked like putting a space on St Kevin's towards the end but the spirit of some of their players was inspiring," said Blacks coach **Paul Kempton**, "however our game plan seems to be coming together nicely so things are looking up with the Blacks." Black's defender **Adam Pitt** was sensational amassing 18 marks for the day, whilst their wingman **Sam Skinner** and midfielder **Boden Alexander** were extremely dominant.

"Our skills need to improve before next week," said Tigers coach **Owen Lalor** after his boys clouted Uni Blues by 94 points at Brindisi St. "The win was comfortable but the score board could have been uglier." Uni Blues also adopted the defensive approach as well but the local boys saw right through it having 20 shots on goal to 3 at half time. Tiger half backs such as **Tim Mavric** and **Jesse Tobin** drove the ball forward numerous times to set up many goals as **Justin Swayn** carved up his opposition on the wing.

Marcellin continued their rise to prominence this season with an electrifying 16 goals to 6 after half time against the tiring Rupertswood to win impressively by 64 points. "The team really gelled together in the second half and **Ashley Viney** is back to his best in the midfield," said Eagles Coach **Robert Viney**. **Sam**

Sheehan had a day out for the Eagles as he booted a swag of 6 goals and the final score to the victors maintains their position in the top four.

Today I would expect Old Scotch to extend their success of the Uni Blues by 38 points, while the gallant Marcellin take on St Bedes/ Mentone in the match of the round that sees the Tigers only by 8 points. De La Salle should expect a tough contest against St Kevin's but they should be too good by 22 points, as the University Blacks will leave Rupertswood winless after their 43 point victory. Old Xaverians meet another arch rival in St Bernards who I am tipping wins by 2 points in the upset of the round.

TODAY'S U19 PREMIER MATCHES

UNIVERSITY BLUES v OLD SCOTCH
RUPERTSWOOD v UNIVERSITY BLACKS
ST KEVINS v DE LA SALLE
MARCELLIN v ST BEDES MENTONE TIGERS
OLD XAVERIANS v ST BERNARDS

North (1):

Old Carey has been hit from pillar to post in the last two weeks with poor performances. Last week I turned up the heat and asked them to show something for their jumper. I am happy to report that they did exactly this, fighting off a brave Old Essendon line up to get back in the winners circle by 7 points. **Thomas Macready Bryan** earned best on ground honours booting six majors for Carey, whilst down the other end **Jordan Tootell** was super bagging seven for Old Essendon.

Old Ivanhoe easily made it four wins from four games with a comfortable 75 point victory against Old Camberwell. With a great defensive unit and multiple scoring options up forward, they are certainly the team to beat this season. **Stephen Ward** was judged best on field for Ivanhoe, whilst **Matt Faehndrich** was Camberwell's stand out.

Old Trinity gave competition pups the Manningham Sharks a lesson on how to play accountable football on the weekend, smashing them to the tune of 93 points. Trinity have fast become a force to be reckoned with, spreading their goal kickers each week. **Ben Weissenfeld** starred for Trinity, whilst **Dylan Robson-**

Long was gutsy all day for Manningham.

Bullen Templestowe were always going to be too good for the Old Paradians line up and this certainly was the case on the weekend.

Whilst the Paradians were gallant, they simply could not with stand the pressure and intensity of the Templestowe line up, going down by 32 points. **Michael Tsamakís** was BOG for the victors, David Huntley was the Paradians best.

Banyule/Viewbank showed they will be a contender come finals time this season, with a routine win against a brave Fitzroy Reds outfit on the weekend, running out victors by 16 points. **Hayden Green** was adjudged best on ground, whilst for Fitzroy **Rory Angioella** booted six goals.

Fitzroy Reds v Old Essendon

With both teams on one win, this one proves to be critical for both sides. Will go for Old Essendon away from home in an exciting contest.

TIP: Old Essendon by 2 points

Old Carey v Old Trinity

Old Carey were fantastic last week and showed a lot of grit and determination to get over the line. They'll need all of that and more to get over the Trinity mob this week however.

TIP: Old Trinity by 35 points

Old Ivanhoe v Old Paradians

Simple. Top team versus the bottom team in a competition where big margins are a regular occurrence. Hopefully the scoreboard won't blow up.

TIP: Old Ivanhoe by a lot

Old Camberwell v Bullen Templestowe

Bullen will be too good for a gallant Old Camberwell line up. Look for a close first half before Bulleen run away with it. TIP: Bulleen by 25 points

Banyule/Viewbank v Manningham Sharks

Banyule are a good football side. Manningham are a good football side some weeks. This won't be one of them. TIP: Banyule by 20 points

North (2):

The Aquinas outfit are proving that they might just dominate this league with another emphatic victory, this time against Old Geelong. **Matt Aver** showed his class as a forward by snagging another six goals, whilst **Daniel Condon** refused to give in for the Geelong side. Ivanhoe did what was expected of them on the weekend,

accounting for a brave NOBS/St. Pats side by 29 points. **Reece Cotter** is a super player and his class showed through on the weekend. **David Renton** was St Pats best.

Two things to come out of the Rupertswood v Fitzroy Reds clash on the weekend. First, Fitzroy are terrible and will win the spoon in 2008.

Second, Rupertswood were simply outstanding, winning by a staggering 125 points. **Timothy Neely** was brilliant for Rupertswood, as was Aaron Smith who booted four majors. **Tom Pinhen - Hogg** was another hyphenated player doing well for Fitzroy.

St Bernards finally opened their account this season with a good win against the lowly ranked Emmaus St Leos line up. Bernards were simply more desperate and got over the line comfortably by 42 points. **David Kavanagh** booted six goals for the winners, whilst **James Thorton** was St Leos best.

Last week I mentioned that the Xaverians were known for producing big totals but were prone to giving them away also. Perhaps they read the VAFA record intently as they produced another mammoth score but only conceded 63 points to the opposition, closing this one out by a whopping 105 points against a disappointing Therry Penola line up.

Chris Macmahon booted seven goals straight, whilst **David Walsh** gave his all for Therry. Although they were comprehensively beaten, Therry did rally to win the last quarter which was a positive sign.

Aquinas OC v Emmaus St Leos

This one could get ugly. Aquinas are the best team in it and St Leos have failed to win a game. TIP: Aquinas by plenty

Rupertswood v Ivanhoe AFC

Rupertswood were awesome against a poor team last week. Ivanhoe are a strong line up and this game will go down to the wire. I'll stick with Ivanhoe despite them being away from home. TIP: Ivanhoe by 19 points

Old Geelong v Therry Penola

Therry are starting to roll and will account for a determined Old Geelong line up. Tip: Therry by 30 points
 Fitzroy v NOBS/St Pats

Can't tip Fitzroy at the moment given their poor form. NOBS/St Pats look too good here.

TIP: NOBS/St Pats by 35 points

TIP: Xaverians by 25 points

Under 19 South (1)

Mazenod put their first premiership points on the board for the season with a strong and surprise win against Old Haileybury who have become something of a fading star. It was a strong second term which blew that match apart in favour of the Noddors, and they weren't going to let the opposition back in.

Closer was Caulfield Grammarians, by just four points against Old Brighton, who slumped to their second successive defeat. "An absolute thriller"? Well you'd think so, looking at the quarter-by-quarter scores. And you could probably come up with other comments such as "nothing in it all day", or "unlucky to lose". However, as I heard nothing from either club, and this column deals only with the HARD, COLD, FACTS, we're not going to make anything up. Haven't got a clue how the game developed.

Old Melburnians cemented their claim as one of the two top teams in the section with a comprehensive victory over Collegians in good conditions at Junction Oval.

The home side, whose communications on the field are clearly much better than those off it, controlled the game all day, despite some patches of good running football by the Lions. Their best were the always-consistent **Jack Parsons, Sam Cutts** and **Nick Thompson**.

The folks from the Guinness Book of Records were on the phone about the scores from the Ormond v Old Mentonians game. What happened!? With a score-line like that you check the website and see that the Panthers had only 19 players on the sheet, which was confirmed by their report: "a very long, hard day at the office. WE were undermanned - THEY were very good - big and strong. We finished with 16 players - most of whom had already played for the school that morning - but we will (hopefully) bounce back. Our best were **Al Goodrich, Jarrad Kay** and **Jordan Lee**." (Thank you, **Stephen Grey**, for at least sending in a report: not easy after a loss like that.)

Beaumaris d Oakleigh. Result pretty much as predicted though by a slightly larger margin than I'd expected. The Krushers managed their customary 6 goals a game, all of which came in a better second half, whilst apparently also struggling again for full numbers.

This Week

*Oakleigh v Old Melburnians. There can only be one possible result for this game, which the visitors will take by a very substantial margin. (And, no, I will NOT offer to take off my clothes and run around the WS Scammell Reserve without aforesaid garments if proven wrong.)

*Ormond at home to Beaumaris will encounter much more opposition than last week, but will come out well in front.

*Who would have thought it? Mazenod will go into this game strong as favourites to take the points from Old Mentonians who will be still reeling from last week.

*Caulfield v Old Haileybury is one of the few games which could be close. Ish. Caulfield narrowly.

*And Old Brighton should also be too strong for Collegians.

Under 19 South 2

Monash Blues d Parkdale. A nice close clash until half time on the Frearson Oval before the dew dried and home side turned it on, to run away comfortably in the second.

The enigmatic Benteleigh were too good for Prahran-Caulfield, to the tune of over seven goals: the early gloss seems to be fading for the Blues as they "again disappointed with a lacklustre performance". **Julian Szykrot, Colin Trigellis-Smith** and **Josh Ordinary-Smith** were the best for the Combine, but overall, the coaching staff was very much less than happy. "The boys talked the talk in the rooms but unfortunately as with last week that was where it ended." "This group is capable of playing some good football which is the frustrating part for the coaches." (And we've left out some of the stronger comments!! Fostering Family Football and all that. - P.L.)

The Hampton Rovers must be getting pretty concerned about their percentage - three of their four wins have been by fairly to very narrow margins. They seemed to have the match against De La Salle well under control nearly all day, only to be caught snoring in the last, with De La storming home - booting six goals to two and doing everything but making it.

St Bedes/Mentone Tigers did it pretty comfortably against Peninsula Old Boys, to record their second win. The Combine seems to be starting to get their act

together and it was the Pirates (Peninsula) who finished up walking the plank.

We'll, I did say AJAX would shut down MHSOB's goal kickers, but I didn't expect the exercise to be so complete. James Tran managed just two for High, but the problem was right round the arena, with AJAX taking all before them: you can't kick goals from the back line. Injuries reduced High's options early, and for AJAX the **Steinberg** brothers, **Dean** and **Warren**, were everywhere, while **Jules Rose** and **Eden Pruzanski** gave an eye-catching performance. **David Fayman** would have had a fantastic day, had he put his boots on correctly. (He still kicked 5. - PL.)

This Week

Monash Blues (undefeated) are home against Hampton Rovers (also undefeated), in what should be the Match of the Round. (I'm not even confident picking that these days.) The Rovers will win by their preferred margin of one or two points.

De La Salle are home to MHSOB: the visitors have some injury problems, the home side are reportedly livid after their second close loss of the season, and will bite back to take it comfortably.

Peninsula, despite being able to play their home ground really well, will need more than that advantage when they come up against top side, AJAX.

Benteleigh are at home against Parkdale Vultures. The Vultures are not a bad side but have been having trouble stringing four quarters together. They will get close but the home club will get the points.

It's St. Bedes /Mentone Tigers against Prahran/Caulfield in the battle of Combines and the Forward-Stroke Slashers. SBMT are coming good after a slow start; the Blues will probably have had quite a talking-to during the week. The home side narrowly. CLUB XVIII SECTION
by Norm Nugent

Although the four Sections remain fairly even contests, the leaders in each of them have opened a gap between themselves and the majority of their opposing sides. My success rate in Round 4 was 66%

Section 1
University Blues continued their dominance of the competition with a ninety eight point defeat of Old Scotch. Best for the Blues were: **W. McLachlan, J. Kitley** and **Z. Klimas**. Old Scotch had good players in: **Scott Bradley, H. Taylor** and **D. Medley**. Despite a great display by **Matt. Pollard** in his **150th** game, Mazenod lost by one hundred and forty eight points against Old Xaverians.
Old Melburnians scored a much needed victory over St Kevin's by twenty eight points. Best players for St Kevin's were: **Hugh Powell, Ed. Wilkinson** and **Will. McCann**.

De La Salle, consolidated their position in the top four with a thirteen point win over an inaccurate Collegians.
Old Xaverians 2 led Prahran until the last minutes of their clash at Stradbroke Park. The vintage display up forward by veteran, **Brett Cartledge** lifted Prahran and his efforts certainly were the difference between victory and defeat. **Jason Storer** and **Craig Berger** also gave Prahran drive and steadiness as they surged to an eight point win. For Old Xaverians, **Matt. Aldis** and **Jake Richards** were best.

Section 2
Old Brighton and Monash Blues played a hard fought contest, from which the disparity in scores did not reflect the contest. Monash did better on the score board for three quarters as they built their lead to seventy four points. Their best were: **Paul Coughlin**, (in game 100), **Batrouney, Perry, Bryce Collier** and **O'Meara**.

The inaccurate Whitefriars through marked poor kicking were no match for the well drilled and skilful University Blacks, who fully deserve Premiership favouritism. Best for Whitefriars were: **Michael Singh** and **James Bawden**.

St Bernard's maintained third place with a fifty three point win over Fitzroy Reds.
Despite being beaten by Old Scotch by nineteen points, Old Trinity have kept fourth place.
In the afternoon game, Box Hill North defeated Caulfield Grammarians by sixty one points.

South
Ormond showed my judgment to be poor, when they defeated St Mary's/ Salesian by eighteen points.
Old Camberwell started inaccurately against Old Geelong, who were never able to wrest the lead and who finally succumbed by five points.
Oakleigh scored a convincing first win by thirty seven points over, Emmaus/ St Leo's.

Leaders, St Bede's/ Mentone defeated fellow seaside team, Beaumaris by eighty four points.

North
Marcellin emerged victorious by twelve points in their game against the undefeated North Old Boys/ St Patrick's. Marcellin are now outright leaders in the Section.
Old Westbourne, enjoyed their journey to the far east as they won their first game by fifty points against Box Hill North.
Kew defeated a spirited Therry Penola by fifty three points.
In the closest result of the Round, Old Carey defeated Bulleen – Templestowe by seven points.

Preview of Round 5 Section 1

University Blues should maintain their unbeaten record by accounting for the disappointing Old Xaverians 2, whose fade out last week now sees them placed eighth.
In the appropriate match for the Rivalry Round, Old Melburnians should be able to defeat Old Scotch, who remain winless.
Collegians will be anxious to atone for last week's loss and should be able to defeat the improving St Kevin's team.
Prahran should notch another win at the expense of Mazenod, who expect to give a good account of themselves.
Traditionally strong sides, Old Xaverians and De La Salle meet on Stradbroke Park. Many seasons have passed since "The General" led De La Salle to victory over the "Crocodiles" and I cannot see a repeat of that win today.

Section 2
Whitefriars could have another torrid afternoon at Monash, especially if they cannot convert opportunities. Monash Blues seem an improved team and I select them again today.
Old Scotch should have enough talent to defeat the bottom side, namely Caulfield Grammarians.
Old Brighton at home should be able to defeat Box Hill North, who will find the Brighton Beach Oval difficult terrain.
Old Trinity failed last round and today they face St Bernard's at West Essendon, which is never an inviting situation. When the

met in Round 1, St Bernard's started well but Old Trinity came back to lose by thirty eight points. Today, I favour St Bernard's to win again.

On form so far this season, there is no way Fitzroy Reds seem likely to defeat University Blacks in the Stendhal Cup. Maybe Peter Hille can conjure a miracle!!

South

Old Camberwell, provided they can kick straight, should defeat St Mary's/Salesian on the Barnard Reserve.

The leaders clash at Ormond when St Bede's/ Mentone journey north. I select St Bede's/ Mentone, whose form indicates they are the side to beat.

Old Geelong, who seem to like close games, should win well today at the expense of Emmaus/ St Leo's who are yet to win a game.

Now that Oakleigh has tasted victory, I believe they will account for Beaumaris today on the Southern Oval.

TODAY'S CLUB 18 (SOUTH) MATCHES

North

North Old Boys/ St Patrick's should start the day well for their Club by defeating near neighbour, Therry Penola in the morning match.

Old Westbourne will taste victory again today by defeating Bulleen - Templestowe.

Marcellin should continue on their winning way with a win over Box Hill

The afternoon game between, Old Carey and Kew should give a good guide to the strength of each team. At home, I favour Old Carey.

M I MILESTONES E S

Two **Monash Blue's** players reached personal milestones against Old Brighton last week. **Captain, Paul Coughlin**, who doubles as Club secretary, played his **hundredth game** in his usual courageous fashion. Paul, who has won multiple Club Best and Fairest Awards, has proven a loyal and talented servant of his Club. Strong Monash half forward, **Luke Richardson** played his **50th game** in Round 4. Luke can always be relied upon to give his best for the Club.
