VAFMA Football

The last week before the bye is always a must win game for coaches. All teams want to go into the week off on good terms and the best way to do this is with a win. Whether you are consolidating your position in the four, trying to square the win/loss ledger or striving for a win to alleviate the relegation concerns, today is a must win game for all.

The consensus amongst most VAFMA observers is that the competition has strengthened considerably across all sections but in particular A section.

However it is this time of the year that the football sub committee of the VAFMA comes into focus. The committee, chaired by George Voyage, deal with all issues relating to the organizing of the competition and in the next two weeks a major focus of this will be the representative matches being played over the Queen's Birthday weekend. Other members of the sub-committee are Anthony Amad, Ross Booth, Jeremy Bourke, Tom Brain, Ken Criswick, Bruce Ivey and I.

The Board takes very seriously its commitment to representative football with much time, energy and resources placed on this program. We congratulate all players on their selection and trust that the experience of playing with and against the elite players from the country or interstate will be a valuable experience. We expect these players to take back to their clubs the leadership gained from these matches and be an example to the rest of their club.

Planning is currently underway for the new Under 18 competition that will commence in 2009. At this week's Board meeting it was approved that non member clubs may enter a team into this competition. These clubs will have to undergo a process that will ensure the integrity and standards of the VAFMA will not be compromised.

All VAFMA clubs should put the Under 18 competition on their agenda and decide whether they will submit a team into this competition. The transformation from a junior into a senior player has always been difficult and we are hopeful that this new age division will make this transition easier.

Many of the junior competitions struggle to field teams in the Under 17 age bracket as many players are representing their school and their bodies are now not capable of playing two matches each weekend. By introducing an under 18 competition it may allow these players to play bottom age rather than play in an Under 19's competition where they may be three years younger than the eldest players.

Already we have one "outside" club advise us of their willingness to field a team in the Under 18 competition. Letters were sent to club secretaries this week asking for expressions of interest as the planning for this competition must commence now.

Once we have a rough idea of the numbers of teams that will be playing then the structure can be worked upon. The ultimate goal of the competition will be for the games to be competitive and this will require some lateral thinking. All of the teams will be new so the last thing we want is for some clubs to be much stronger than others causing players not to enjoy their football. An even competitive game of VAFMA football is the goal.

One of the strengths of the VAFMA compared to other leagues is that we do not restrict the number of teams clubs want to put on the ground. Clubs in the VAFMA range from 2 to 6 and if it is a club's desire to field more teams then the VAFMA will do everything in its power to assist.

Already I am starting to think of a possible representative match for these players next year!

There was a lot to like about St Bede's/Mentone and Old Xavs on Saturday. It was a free wheeling sort of game characterised by some remarkable moments of individual brilliance. Unfortunately for the Tigers, they copped the Xavs on one of those days where they were obviously keen to put on a show. In some ways, the visitors kicked themselves out of the contest but if you were to pinpoint their loss, maybe they lacked a gun or two up forward. Still, they've got some real excitement machines running around for them (hello **Brett Collins** and **Sam Anstey!**) and have good reason to be very excited about the future. Xavs looked awesome at times - **Justin Arnold** is an absolute gem who always gets himself up for the big ones and **Nick Serafini** and **Mike Beardsley** gave them an edge in the physical stakes. They seem to have got their structure right and are digging Lethlean's coaching methods. This year however, they are being pushed a little harder to bring out their best... Like the team in purple from Albert Park. On Sunday, Collegians gave Uni Blacks a bath at headquarters, with **Fergus Watts** bagging seven and **Will Tardiff**, **Hugh Apted** and **Nick Ries** all doing as they liked. The Blacks have had a wretched time of it thus far but have had a rotten run with injuries. Maybe it all came a bit quickly for them and another year consolidating in B Section was on the cards. **Matt O'Hara** and **Matt Kempton** were the best in Black.

When **Mark Ainley** went down at state training during the week, Old Brighton's odds of taming the Uni Main Oval lengthened considerably. But the 'Tonners really knuckled down and ground out one of their best wins in ages. **Leigh Hendra** was his typical uncompromising self and was clearly best on field, while **Damien Hughes** and **Chris Tolj** were other standouts. It was a fitting tribute to the very popular 100 gamer **Pat Phelen**. Uni, as always, are impossible to get a handle on. Andrew Lowcock, **Quinton Gleeson** and **Mark McLeod** were three who had a real crack in what was reportedly a high standard and entertaining game. Scotch seemed to have De La on toast but the winless home side came home like a steam train, only to just miss out. It's not like they didn't have enough chances to pinch it but poor kicking was the clincher in the end. **Adam Houlihan** bagged five for Scotch and **Jack Davis**, **Andrew Quail** and **Ben Doherty** all had days out. According to my Scotch spies (and let's face it, the man himself) **Jeff Morel** joined **Aaron Shields** as De La's best, despite not snaring a berth in the best players. Tough days for De La but they're not quite B Section bound yet.

Old Ivanhoe kicked away from Old Trinity in the second half to firmly establish themselves as a bona fide middle of the road team. It a funny old year in A Section, with a big gap between the haves and have nots and Ivanhoe are sort of in no man's land. Stuey Low, **Rex Roberts** and 150 gamer **Kane Theodossi** were best for the winners while **Lachy Keefe** and **Jack Osborn** stood up for Trinity. Good to see the Big Cat **Brent Walsh** back in business and snagging a few for Trinity.

TODAY'S A SECTION MATCHES

OLD XAVERIANS v OLD BRIGHTON
OLD TRINITY v OLD SCOTCH
COLLEGIANS v UNI BLUES
UNI BLACKS v DE LA SALLE
OLD IVANHOE v ST BEDES/MENTONE

Today

Two absolute standouts today, with Old Brighton traveling to Toorak Park and Uni Blues off to the Harry Trott. In both cases, I'll tip upsets, with Old Brighton to roll Old Xavs and the up and down Uni Blues to down Collegians. In a crucial bottom of the table clash at the University, I'll select De La to do over Uni Blacks. In the others, it has to be Old Scotch over Trinity and St Bede's/Mentone over Old Ivanhoe. Check out the website on Friday for more.

MILESTONES

Old Brighton Champ Hits the Ton

Last Saturday's tremendous win over Uni Blues was a special reward for one of Old Brighton's favourite sons. **Patrick Phelan** has set the performance standards at Beach Rd since sharing the club Best & Fairest award in 2000 with **Matthew Jackson**. After stints in Western Australia and with Sandringham, Patrick returned in 2004 and he has been an outstanding player in all of his 100 games at Old Brighton. His courage and skill made him an ideal captain for the last three years, a position he handed over to **Leigh Hendra** and **Jon Perrett** in 2008. **Patrick's** preparation, his passion for the game, and his amazing work rate have been an inspiration for team-mates who have learned to compete at the highest VAFA level, largely by following his example. It was a pleasure to see you carried off after such a great win, **Patrick**. You deserved nothing less. *Congratulations from everyone at South Road on reaching 100 games.*

B SECTION

by Matt Cosgriff

What worth do you put on a win for any team in B Section from here to the end of the season? Priceless as the ladder indicates. The whole bottom half of the ladder is 'equal last' disregarding percentage and for those who want to remain in B Section next season, it will be interesting to see who wants to win the most. Otherwise C Grade awaits you.

Watching Some **Are Bent** in the jumping races this season on the racing scene, he has similar traits to Old Essendon in the way that they both control the contest from the outset and barring all accidents, neither of them seems to be in any danger of defeat. That again was the case last Saturday as the Bombers began impressively to enforce 16 goals at the main change to Camberwell's 4. Camberwell showed some resistance late in the match to only go down to Old Essendon by 64 points. Despite no James Condos this match, the inclusion of **Lachlan Teal** paid instant dividends as he booted 5 goals and the **Biggs** contingent leading from the front as **Tim** kicked 4 goals and **David** was best for the Bombers. **Rory Hilton** bagged 4 for Camberwell whilst **Matthew Partington** was the best for them and contributed 3 goals himself.

The win was not without its battles as St Bernards amongst the scrap could only suffice an 8 point lead into half time and only a hand full of goals on the board. The thought of second playing second last would never indicate a close match but at ¾ time the thought that Caulfield Grammarians could upset the boys from Essendon went from a joke to reality. Kick for kick and goal for goal, St Bernards eventually netted a win by 7 points under severe pressure from the Grammarians. **Tate Pearson** remains unstoppable for the Bernards as he has now kicked 14 goals in three weeks and **Chris Liberatore** and **Joseph Indomenico** continued their consistent seasons for St Bernards. For Caulfield **Richard Fotee** found the big sticks on 3 occasions as **Timmy Noblett** and **Sammy Wood** led the charge.

For St Kevin's another loss is not what they would have wanted after narrowly losing to Old Essendon the week before, but at quarter time the physical presence of Beaumaris had SKOBS in their sights. The second and third quarter's saw St Kevin's come to life as the tall line up of their outfit was too dominant for Beaumaris and the movement through the middle of the ground by their on ballers also gained ascendancy. The relentless attack of St Kevin's had them leading by 53 points at the final siren. **Marcus Dollman** and **Matty Murphy** led the SKOB's attack with 5 goals apiece and players worthy of best for them as young **Willy Sanchez** stood up as the rising star for Beaumaris. Beau defender **Andrew Spence** was exceptional and **Matty Duggan** and **Matty Mc Nally** were also brilliant for the Sharks.

The briefing of OM's coach **Russell Morris** prior to the game must have had an impact on Old Melburnians as they demanded

respect from the first bounce with 11 scoring shots by quarter time against Old Carey. From then on the game remained even until the Melburnians dropped their guard and allowed Carey to be within 13 points at the last change. The disappointing statistic for Old Carey that they have not won a final quarter since round two meant that their poor finishing record needed some mending. They again ran out of legs and Old Melburnians saluted their second victory of the season with a 3 goal win. **Mark Hawkins** revisited the goal kicker's honor roll for the first time in three weeks by kicking 3 majors while **Lachlan Boyd** and **Peter Keenon** were the best for the Melburnians. The most positive sign for Carey was the first game of the season for **James White** who starred with 5 goals and a best player performance as **Callum Mc Grath** also stood out.

The general consensus was that the crowd would be entertained for the entire match when Haileybury went to Marcellin. Depending on which team you supported the above only pertained to the locals. The rise and domination of **Cameron Maclaren** who booted another bag of 7 goals has averaged 5.5 goals per match over the past four weeks. When you weigh that up against the fact that the entire Marcellin team has only had a total of 4 goals scored against them in the last two matches, then maybe it is fair to say that the top end of the ladder is not gospel. Old Haileybury must have gone into shock as they found themselves 62 points down at the last change then finished losing by 75 points. **Tommy Stafford** and **Daryl Marson** were dynamic for the Eagles while **Chris Morrison** put up the strongest fight from Old Haileybury.

TODAY'S B SECTION MATCHES

- OLD HAILEYBURY v ST KEVINS
- ST BERNARDS v BEAUMARIS
- OLD MELBURNIANS v CAULFIELD GRAM.
- OLD CAMBERWELL v MARCELLIN
- OLD CAREY v OLD ESSENDON

Old Carey v Old Essendon:

Carey must produce a good start and put a space on the undefeated ladder leaders. However Old Essendon will prove too strong and that they are averaging 54.4 points per second halves to only 37.6 points to Carey gives the Bombers victory by 55 points. Reserves: The stronger and more solid outfit of

Old Essendon also look too much for Old Carey and will ensure a Bomber's double by 34 points in the twos.

St Bernard's v Beaumaris:

St Bernards have a 100% success strike rate this season at their College Oval and their stronger and more experienced senior's team will see the Sharks be in it for the first half – but not the second. St Bernards will continue the winning streak by 40 points. Reserves: A 'no brainer' as the Bernards will thrash the Sharks by 88 points and remain undefeated.

Old Camberwell v Marcellin:

Given that the current bottom two sides on the B Section ladder are the only two teams that Old Camberwell have beaten this season so far, it would be hard to think that they could beat the in form Marcellin. I sense a handy win to the Eagles by 32 points. Reserves: A reversal of fortunes here for Old Camberwell as they beat the Eagles by 10 points.

Old Melburnians v Caulfield Grammarians:

Old Melburnians finally won last week since round one. A vital win for both clubs and if the boys from Caulfield can take the attitude of last week against St Bernards here they should prevail by 13 points. Reserves: Stiffer to not have won more reserves games, Old Melburnians will kick the day off a winner by 37 points.

Old Haileybury v St Kevin's:

Surely last week was not the same Old Haileybury team we have seen all year. Prior to last week, Old Haileybury was averaging 115 points per match to St Kevin's 70. At home Old Haileybury will rebound and win by 45 points. Reserves: St Kevin's will be rehearsing their game plan here to be ready for the clash with the Bernards next week and will win by 63 points.

Good luck to all the players, coaches and officials today. Kudos to you volunteers who make the game possible!

M I MILESTONES NEWS

Marcellin Old Collegians Football Club would like to congratulate **Brendan Colville** and **Greg Cull** on playing **150 games** with the club. Both 'BC' and 'Cully' are long serving leaders at the club and share the same fearless, team oriented approach to their footy. They are both well respected and contribute as much off the field as they do on it. They set a fine example to all involved at the club. Well done guys.

Brett Trollope plays his **50th game** for **Old Haileybury** this weekend. Brett joined the club in 2004 from Springvale and soon stood out as a footballer of above average ability. He has won numerous award at the club including Most Consistent (2004), Runners Up B & F (2005), Best Player in Finals (2005) and of course was a member of the 2006 A Section Premiership side. Congratulations Brett on achieving this milestone and we look forward to the next 50.

OUTRUNNING THE RUN ON

Chris Bye

Senior Coach Old Essendon Grammarians 2001-2002
Senior Coach Therry Penola Old Boys 2003-2004

One of the most often asked questions of any coach is 'How do you stop a 'run on'?' The definition of a 'run on' being when a team scores quickly and has taken control of the game for a period of time. All coaches have been through this dreaded time when their side seems helpless against the opposition who suddenly appear to have 30 supercharged players on the field. Wouldn't it be great to be able to call a 'Time Out' once during a match? Many results would be changed! The old timers will tell you that 'starting a blue' is the way to go but in our fantastic Amateur comp this would not be thought of by our coaches.

First let's have a look at the centre square as this is usually where most drive is generated. The most commonly used tactic to try to and halt the momentum of the opposition is to send the runner out and tell the players in the centre to 'man up'. The idea is that the three midfielders stand next to their opponent at the centre bounce and apply extra pressure. Herein lies the problem. The players tend to focus on their opposition and not on winning the ball themselves. A better solution may be in looking at your personnel. Perhaps they may be getting tired. Or they may be inexperienced. It would be a good idea to get some fresh legs in the square and make sure you have at least one of your hardest 'grunt' players in at the next contest. You also need to check what is happening off your half forward line at the bounce. The opposition may have players running in quickly as soon as the ball is bounced. You need to make sure your half forwards are trying to lead them in. Another option if this is happening would be to drag your half forward line back toward your goal square which means any dangerous opposition players will most likely go back with them. This would negate one area of drive for the other team. A byproduct of this set up is that it would give your forward line more room to run in to.

An effective way to alert players when they are under pressure might be to develop a code word for your team. One club used the word 'frenzy' as a sign for their players to put more effort in. You need to prepare your players at training or team meetings what you expect when the call is made. Your code word, or phrase, should indicate to your player's their starting point needs to be next to, or in front of, their opponent and they are expected to win the 50/50 ball when the opportunity presents itself. You also need to make your team aware that any quality side will have a period during the game where they will surge.

The most used tactic during a run on by the opposition is to

put a spare man back into defence. This is very easy to do but is it the way to go? Most likely the opposition will still win the footy. Clever opposition teams will quickly release their best player as their spare player and use him to run the lines. They may even send him forward to play seven on seven and use the momentum of the game to keep driving the ball forward.

Another strategy you may find helpful is to put another player on to the ball. This could possibly be your half forward flanker. He could push in to the contest as soon as the ball is bounced in an attempt to help win the contested ball or create extra numbers around the contest. It may even force more stoppages in the short term thus slowing the game down while your players gather their composure. The advantage this method has over putting a spare man in defence is that the opposition may not be aware of what you are up to. The half back may simply think the half forward is playing high. It would be advantageous to get your forward pocket to move up slightly and play 2 on 1 for a time. The other advantage is that your half forward may be also be able to sneak forward at some stage particularly if you have chosen a fit or fresh runner. Obviously with the 'spare man back' tactic your extra player has to stay in the one area. The above method can be particularly effective on a smaller ground.

The most effective way to stop the 'run on' is for your side to hold their nerve and play the type of footy for which you have trained them. At AFL level some coaches play 'tempo footy' in an attempt to slow the game down. This would be difficult at Ammo level but there are many people who are yet to be convinced it works at AFL level. An interesting case in point was a recent match between West Coast and Carlton. Carlton had run rings around West Coast in the first half with great risk taking footy. In the second half West Coast kicked a couple of quick goals but Carlton still retained a handy lead. They, however, went in to survival mode and tried to slow the game down. This encouraged the West Coast to take even more risks and the Carlton team panicked as West Coast's score built. It wasn't until one of the Carlton players took a risk that they had been taking earlier in the game to set up a goal and the Blues found their way again to win comfortably.

And despite all the above discussion here is the answer to stopping the opposition scoring quickly. When your team has the ball the opposition hasn't! Your team needs to stick to its style no matter what the situation. If you can convince the players to have faith in your team's game style it should weather most storms and produce results consistent with their effort. Sometimes they just need some breathing space orchestrated by the coaching staff!

Hard Work Pays Off

I was fortunate to be given another crack at captaining the McGoos after the winless season that was 2007. Things could only improve from here. Due to extensive off-season recruiting we find ourselves in a healthy situation in which we have the luxury of naming a couple emergencies each week. I contrast this to a year ago when we regularly struggled to field a full side. Additionally, I cannot fault our preparation in 2008. Pre-season training numbers were as high as I can ever remember them being, which was due to a diverse and interesting, yet equally grueling training program, aided by our affiliation with South Yarra Sports Centre. Our training camp was well attended, enabling players to get to know each other,

something we missed the previous year. With a couple of wins under our belt so far, the 'Monkey is off our back' so to speak. As we are still learning to gel as a team, our best football this year is still to come. It is rewarding to see our hard work paying off, and I look forward to seeing MHS mount a genuine challenge in 2008 at Reserve, Senior and Under 19 levels.

- Chris 'Doc' Wright

Now, I'm no historian (I like to "live in the moment" dudes) but I seriously doubt there'd be many VAFA seasons where, after only 7 games, the top team in any division would already have a handy 3 game buffer on 2nd!!! What on earth is in the water down Hampton way? Hang on, I live there now, maybe I should start drinking from the water taps at Boss James Reserve on those recovery runs! Who knows, maybe it's the vibe, maybe it's the team colours (still have a soft spot for green and gold), but whatever it is – every other side in C section needs it. My inside spy from Roverland told me, after the Tuesday deadline mind you, that there were a few key injuries from the previous week. Still, they managed to travel to South Yarra and stole the points with the last roll of the dice. To think they were runners up in D1 last year.

Round 7 review

Die-Monds are the Jackas' best friends

Not the best way for the 'Monds to celebrate Jake Dale's 150th, as they failed to fire against a tenacious and pumped up Jackas crew (who had Jason Israelsohn's 100th as their milestone motivation). Frankly, AJAX should've had this game shot by the first break as Ruben Winograd and Gary Blieden dominated in the midfield, and Marcus Jankie and Jeremy Dukes were unstoppable. Ormond rallied with a bit of a breeze at their backs, with Ben McCarthy sparking them and Dan Willis slotting a couple of snags on his way to 4 goals in only his 3rd game. Once AJAX's rotating ruck division of Spencer-Laitt, White and Raleigh asserted themselves in the 3rd term, AJAX won nearly every centre clearance and had enough of a buffer to defend in the final term.

John White just right for Blue 'n Whites

The John White Shield was safely in the possession of the Ashers by 5 pm at the Frearson. The home side got out to a handy break in the early proceedings, and managed to maintain a 3 goal buffer throughout most of the day. Aaron Williams backed up last week's effort with another great day in the ruck, whilst Tom Craven was in vintage touch. Several of the Blues' youngsters in Wilcox, Hicks and Collins continue to improve, and this bodes well for the club's future prospects. As for the Vultures? They're fast becoming a riddle wrapped in a mystery, inside an enigma lying on a conundrum.

Rupo roll Noddors in Chumma & Walshy's Big Day Out

Undoubtedly the drier conditions were going to suit Rupertswood, who came out running and kicking truly, whilst the Noddors sprayed everything, undoing the good

work of Nick Meehan and Shaun Moran. Once Chumma Jayaweera and Sam Reed got into the act in front of the sticks, Mazenod started to look far more ominous. Dave Chamberlain tried to carry the Noddors through a tough third term, where Peter Barry and Marc Wilkinson fired things up and Adam Walsh finished truly to hand the home team a 3 goal lead. Rupo's loose man in defence stymied the Noddors attempts to pull things back to an even keel, as many inside 50's ended up in shots taken from tight angles.

Last gasp Rovers keep clean sheet in High School thriller

Sixty minutes of top class footy at the High School saw the home side 7 points adrift and keen to run the visitors ragged in the third, and with Ewan Thompson in vintage form, and Lachie Evans continuing his great season, they hit the final huddle keen to continue with their momentum. To their credit, the Rovers refused to buckle, as Matthew Lawrence and Gary Carr continued to inspire their younger team-mates. This was a game set-up for a classic finish, and it fell to Josh Verlin to land the decisive blow, with a critical goal in the last minute. Despite a free kick to MHSOB from the next centre bounce, Hampton's defence held firm and they continued their unbeaten run.

Friars fall short in Scammell sojourn

As expected, Oakleigh did the damage against a plucky but outgunned Friars team at Scammell Reserve. Despite being fair way off the pace in the first half, Whitefriars hit back in the 3rd, with their marking strength coming to the fore. However, the Krushers rallied late and evened up the quarter to remain 6 goals in front going into the last. Whitefriars continued to attack and force the issue before Oakleigh upped the ante and took control finishing 57 points up. Trevor Bromley led the way for Oakleigh with 7 goals in a best on ground performance ably supported Keiran Hogan and Josh McGarry.

Round 8 tips

I can see a week off (unless you're playing in a Big V) on the horizon, and many sides will be keen to hit the break 5-3 and seemingly safely in the top 4. A win this week could be vital, but we're not even halfway through the season yet, people!!!

Hampton Rovers –v- AJAX

Top of the table, yet separated by 3 wins already. Logic suggests the unbeaten home side must have this one in the bag. I've never been a logical guy, so it's AJAX by 7 points in what is clearly Match of the Day.

Mazenod –v- Oakleigh

Another willing tussle awaits at Central Reserve, where I expect the Krushers to have too much class for the Noddors. Oakleigh by 4 goals.

Ormond –v- Monash Blues

If ever Barney was going to get super-cranky in 2008, it'd be this week. Expect the Monders to hit back hard on their home deck. Ormond by 34 points.

Parkdale –v- MHSOB

The Unicorns were gallant last week, and this time I feel their efforts will not go unrewarded. Tough road trip, but Parkdale aren't quite on the pace. MHSOB by 21.

Whitefriars –v- Rupertswood

If the Friars' are to have any chance of salvaging their season, this one has to be the start of the greatest recovery since Old Xavs in 1995.....nup, sorry, ain't gonna happen. Rupo by 4 goals.

McGoos

AJAX, Oakleigh, Ormond, Parkdale, Rupertswood.

M I MILESTONES ES

Ormond congratulates **Andrew Clinch** for playing **100 games**. Andrew is another successful product of the Club's Underage program. He began with the Under 9's in 1992 and in 2007 was a V Captain in the Reserves Premiership. Andrew is a skillful and adept player with a knack in getting the hard ball. A few injuries have stalled his progress but currently all is going well. Andrew is an electrician and should be very proud in reaching this milestone after so many years at Ormond.

ROUND SEVEN REVIEW

Aquinas OC journeyed into Como Park for their match against Old Geelong, and after making a fast start, were eventually overhauled by the home side (who stretched their lead out to five goals half way into the final term), succumbing to defeat by 13 points. **Ash Naulty** thrived in his new role in the ruck for Aquinas, while Oggers were well served by centre half forward **Chris Branigan** with four goals, dependable defender **Jon Malpas**, and first gamer **Andy Power**.

Bulleen Templestowe got back to winning ways, romping home by 104 points over Yarra Valley OB at Domenev Reserve. Bullants strongman Big **Billy Tourogianis** did a great job on James Keem, while milestone men **Jarrod Prior** (150 games) and **Kane Burridge** (100 games) also wreaked plenty of havoc. It was seventh heaven for North Old Boys/ St. Patrick's College, as they overcame a spirited South Melbourne Districts combination by 29 points at Lindsay Hassett Oval. **Simon Harwood** played a crucial part with his four goals.

Peninsula OB won a thriller in Mount Eliza, getting their noses over the line in a six point win over Prahran. Peninsula's **Toby Garbers** made it ten goals in two games with a seven goal haul as part of his best on ground performance.

Fitzroy Reds strengthened their credentials with a whopping 103 point victory over a disappointing Old Mentonians at Brunswick Street. Apart from the efforts of **Danny Field**, **Mick McClosky** and **John Thompson**, there were no real positives for the Panthers to salvage from this match. Meanwhile, the Reds' Iron Curtain defence executed arguably their most impressive and ruthless performance thus far, keeping the visitors to a mere three goals.

ROUND EIGHT PREVIEW

NOB/SPC host Peninsula OB at Gillon Oval in a big occasion for the home side, as stalwart defender **Scott Sleep** plays his 200th game for the Cobbers. I think the Cobbers juggernaut will keep on rolling. I'll be looking

for the home side's **Dan Tonkin** to continue his run of form, and Tom O'Halloran to break through with a top notch performance. The Pirates are sure to take it up to them, but I cannot see them breaking NOB/SPC's undefeated run. Cobbers to win.

Prahran travel to Ringwood for their match with Aquinas OC. Both team are coming off tough (as in close, not blowouts) away losses, and unfortunately for the Two Blues, they'll be set for another long trek (if the VAFA had the AFL's fixture software, surely they wouldn't have been subject to two epic road trips? Ah, forget it...). Bloods forwards **Josh Stewart** and **Michael Cardamone** showed what they are capable of against a quality team last week, and will need to replicate that to maximize their side's chances of victory. I'm gonna take Aquinas in this one.

Old Geelong square off against Yarra Valley OB at Como Park. The Oggers have settled down in recent weeks in that grey area either side of the top four, and have been under the radar somewhat compared to other teams (mainly due to the surprising nature, one way or another, said teams have performed in relation to pre-season expectations). Yarra Valley, at zero and seven, would be happy with anonymity at the moment, and already appear to have their destiny out of their own hands. I think it'll be another solid rather than spectacular performance by the OGS, but certainly enough to do the business. Oggers for me.

South Melbourne Districts make the trip to the Playing Fields as they take on Old Mentonians. I'm not sure what would have been more embarrassing for the Panthers last week - losing by three figures, or kicking only three goals. Districts can take heart from their second half performance against ladder leaders NOB/SPC last week, but cannot afford to repeat such a slow start, especially against an OM side looking for redemption. Will the selection committee give last week's side that opportunity, or will there be a raft of changes? Is their seemingly indifferent form part of a bigger plan, a Muhammad Ali-esque rope-a-dope strategy, perchance? (Or too many special ingredients in my 'space cakes'?) As English cricket commentators are fond of saying, form is temporary, class is permanent, and I feel Old Mentonians have it in greater abundance than the Bloods, so I fancy the Panthers to bounce back today.

Bulleen Templestowe and Fitzroy Reds meet at Ted Ajani Reserve. Tough call - a popular philosophy is that forwards win matches, but defences win premierships. Fitzroy are in the unusual position of having the worst 'points for' and best 'points against', so by the hitherto mentioned maxim, they won't win any matches, but will win the premiership. I won't single out any individual Bullants forward to keep an eye out for, and any and all of them are capable of turning a game on it's head at any given moment. Again, I'll play the squib card and take the home side - so Bulleen Templestowe it is.

Match reports can be sent to me via email at theqwill@hotmail.com.

I am keen to hear from all clubs and establish a degree of parity as far as publicity goes. Please keep your match summaries to around 100 words if possible (due to space restrictions), but I am certainly happy to take on board any other comments, be it about the match or other things. Remember, this is about your club, so make the most of it.

Good luck to your team today, and have a great VAFA weekend!

M I MILESTONES I B S

Congratulations to **David Alexander** who today represents the **Old Mentonians** for the **150th** time. One of our great clubmen, and with one of the more unique kicking styles in football, David has been a great contributor to the Panther cause since he joined us as an Under 19 player. Courageous and determined, he is one of the more valuable members of the Old Mentonians. Well done DA, and we are looking forward to many more great games.

Aquinas would like to congratulate **Andrew Barrie** on playing his **150th game** this week. Baz debuted in our U/19s in 1998 after making a transition from basketball. He has become the ultimate utility player, playing in all the key positions and taking on the oppositions best week after week. A terrific bloke both on and off the field, we congratulate you on this milestone and look forward to watching you launch those thumping 35 meter kicks in the future.

Hugh Apted - Collegians

Hugh came to Collegians after winning the best and fairest winner at Wesley in 2007. He was lightly framed however he possesses excellent skills.

He showed good practice match form in the seniors however the selectors thought it best for him to begin in the Under 19's. His form in the first two matches was outstanding and he gained senior selection in their Round 3 clash against Old Xaverians where he held his own in a tough game. He has played all senior games since, most times starting on the ground.

Last Sunday at Sportscover Arena against Uni Blacks, Hugh went head to head with one of their stars on the wing and would have learnt a great deal from the challenge. He ended up being chosen second best in their hard fought win.

Hugh knows how to find the ball either in the air or on the ground. With good evasive skills and an excellent kick, Hugh will develop into a very good amateur footballer over the years. Hugh has been added to the Under 19 squad for its rep match against AFLQ and if he can maintain that form this weekend could be a late inclusion into the team.

Coach of the Month - May Kirk Norton - Werribee

Kirk Norton was appointed as senior coach of the Werribee Amateurs for the 2007 season and has continued in the role for the 2008 season. Coaching juniors at the club, Kirk started coaching like most do following his sons through junior football, seven premierships was a measure of his success. Kirk also received the Coaches Association coach of the year award and was coach of WRFL inter league sides during this period. Since taking over the senior side has brought ex junior players back to the club and has built a strong support staff around himself. Kirks influence is showing with on field success reaching the preliminary final last season, introducing a blend of older and new younger players as well as player depth at the club which was not there in previous years.

D2 SECTION

by Jono Healy

There is a bit of a new look on top of the ladder after Werribee suffered its first loss of the season last round. The Tigers remain on top, but Banyule, Emmaus St Leos and Glen Eira are closing in. Down the bottom, St Marys/Salesian needs a lift and very quickly, while Ivanhoe look like they have what it takes to challenge for the top four. As always, this weeks round of games will tell us a lot.

TODAY'S D2 MATCHES

THERRY PENOLA v OLD WESTBOURNE
BENTLEIGH v EMMAUS ST LEOS
GLEN EIRA v BANYULE
IVANHOE v WERRIBEE
ST MARYS/SALESIAN v OLD PARADIANS

Bentleigh \$2.70 v Emmaus St Leos \$1.40

Still no **Chris Sharp** for Bentleigh last Saturday and the Demons certainly missed the experienced spearhead as Old Westbourne cruised to a six-goal victory. An injury to **James Robertson** certainly didn't help Bentleigh's cause, but the form of **Chris Fidler** and **Scott Lawry** was encouraging. Emmaus St Leos showed the rest of the competition that they have what it takes to challenge for the premiership this season after shutting down Werribee's runners to take out a hard-fought 15-point victory. **Foxy Beluszar** and **Ben Ellis** were in fine form up forward all day, while **Anthony Ballard** showed just why he is rated as the No.1 ruckman in the competition with another strong showing. Certainly not an easy game for the travelling Animals, especially if they are to have a bit of a let down after their impressive win over Werribee. Bentleigh need to pick up a scalp like this at home and today's match looks like the time to do it. A definite danger game for the Animals, but I think they will be a bit too strong. Emmaus St Leos by 25 points.

St Marys/Salesian \$1.80 v Old Paradians \$1.90

A true eight-point game this one as both sides need a win to move away from the relegation zone. St Marys/Salesian's form of late has been poor and they will be hoping to regain a couple of their VFL stars for this one. Two losses close to the tune of 100 points is certainly not the best way to warm up for this one, but the combine are certainly a better side on their home turf. Old Paradians were going well at half-time against Ivanhoe but ran out of legs in the second half. The evergreen **Peter Brabender**

tried hard all day, while **Mark Ryan** continued his stellar season to date with another good performance. **Allan Young** is the key player for the Raiders here as he will need to be at his best if the visitors are to get the points. I expect the combine to get back at least one of their VFL players which is only going to strengthen their side. Will be an intriguing match, but I will plump for the home side. St Marys/Salesian by 17 points.

Ivanhoe \$3.10 v Werribee \$1.30

Just how Ivanhoe fares in this clash will tell us a lot in regards to how much last year's D3 runners up have improved in 2008. Big games come **Colin Brown**, **James Collins** and **Angelo Pace** ensured Ivanhoe defeated Old Paradians by 37 points last start, but the team as a whole will need to play even better in this match if they are to get the points. Werribee suffered its first loss of the season against Emmaus St Leos last Saturday and will be keen to rebound here. Despite missing a handful of key players, Werribee were outgunned during the second quarter where Emmaus St Leos upped the pressure and duly got on top. The **Dean** brothers, **Matthew** and **Sean** battled hard all day, **Josh Bellegante** and **Shaun McCutcheon** were among the better players, while **Andrew Tedesco** gave his trademark 100 percent at all times. Werribee should get some of their injured players back for this one, but this is a big danger game for them as Ivanhoe have been competitive in every one of their matches this season. I expect Werribee to be a little too strong, but a win for the home side would not surprise. Werribee by 12 points.

Therry Penola \$1.65 v Old Westbourne \$2.10

After a disappointing 47-point loss to Glen Eira, Therry Penola will be keen to get back on the winners list here against an Old Westbourne outfit that managed just their second win of the season last week. Therry battled hard all day, but found the big bodies of Glen Eira a bit hard to handle. **Corey Bannister** (seven goals) was the one shining light for Therry, while **Ricky Skiathitis** worked hard all game through the midfield. Old Westbourne will be hoping for a second consecutive win for the first time in D2 after a six-goal victory at home against Bentleigh last Saturday. While poor kicking for goal could have cost them in the end, some excellent play from **Grant Connors** and **Ben Hutton** got them over the line. This duo will need to be at

their best in this contest as Therry's home form this season has been pretty good. The jury is still out on whether Old Westbourne can win away from home and, until they do, I will continue to go against them on the road. Therry Penola by 22 points.

Glen Eira \$1.70 v Banyule \$2.05

Big game this one between two of the better teams in the section and one that will tell us a lot about the shape of the top four come the end of the season. Can Glen Eira match it with the top three teams, or are they among the also rans? Last week Glen Eira played one of their best matches of the season in dispatching Therry Penola by 47 points. **Andrew Spink** was mightier than Goliath all around the ground and no matter how many rocks were thrown at him, the giant could not be knocked down throughout the four quarters. With more run in him than Brad Pitt escaping a flock of autograph seeking, photo snapping women, **James Prantzos** was electric on the ball and caused Therry Penola more trouble than Dr Kimble had chasing the one-armed man. Banyule destroyed St Marys/Salesian to the tune of 133 points. **David Drapac** and **Scotty Playfair** booted eight goals apiece, while **Davor Lucevic** won plenty of the ball. Glen Eira hasn't beaten Banyule for quite some time and the Banyule boys will be hoping the recent trend continues here. However, I feel Glen Eira are playing some of the best football of any team in the competition at the moment and can continue on their winning run. Glen Eira by eight points.

It would be great to hear from every club after each round to help me in writing my weekly column. M I L E S T O N E S

Old Westbourne would like to congratulate **Shaun Anderson** who this week notches up his **100th game**. Ando played his first game in 2003 and quickly developed into a key position player with a strong mark who can (now) kick a few goals. He has taken on a leadership role around the club and is into his 2nd year as captain of the reserves. A member of the 2004 reserves premiership side, the club wishes him all the best this week and for the many games to come. Two long servants of the **St Mary's** football club notched up their **200th VAFA game** for St Marys/Salesian earlier this season. **Francis Harrison** and **Benn Frail** are to be congratulated on their longevity in VAFA football and St Marys/Salesian say well done to the duo. **Luke D'Astoli**, **Adam Brett**, **Liam Kelly** and **Harmit Singh** played their **50th VAFA game** earlier this season for St Marys/Salesian. Well done guys.

2008 VAFA Scribe Positions

The VAFA are seeking the services of both an Under 19 Premier and Under 19 South 1 & 2 Scribe for the remainder of the 2008 season.

The position of Amateur Footballer scribe is honorary, though it has proven for many to be a very rewarding opportunity, particularly for football writing enthusiasts or journalists hoping to improve their writing portfolio.

Duties will include a weekly written review and preview of matches, so a keen interest in and understanding of the VAFA section you are writing for is required.

Interested parties are asked to send a short letter summarizing their writing history or any other useful skills which they believe may serve them well in this position.

Applicants are also welcome to attach an existing example of their work or alternatively, an example of a hypothetical VAFA match report for the Amateur Footballer.

Please note that this is a voluntary position however other benefits apply.

Please direct all applications and any queries to Olivia de Castres olivia@vafa.com.au or 9531 8333.

• Legends to Debut

A little birdie tells FTLOTG that two of North Melbourne's greatest ever players (and the AFL's for that matter) may grace the field for Caulfield Grammarians this weekend when they take on Old Melburnians at Junction Oval. **Glenn Archer** and **Anthony Stevens** look set to make their debut for their new club in a match that is sure to attract plenty of attention should they take the field. All the talk about clash strips between Collingwood and North Melbourne this week will be timely for Archer as they will be wearing Caulfield's alternative strip due to the jumper clash with OM's. At the time of print, Caulfield Secretary Scott Williams was unsure whether or not they would be playing only saying it was a possibility. Not doubt there will be more on this in the newspapers, radio and TV should it eventuate.

• Chris Says Thanks

Chris Lane with Brownlow Medallist James Bartel and Bulldogs Skipper Brad Johnson

At the VAFA's season launch last month, Cystic Fibrosis

Victoria's CEO Stephen Murby gave a touching speech about the day to day battles sufferers go through in their sometimes short and challenging lives. Kevin Sheedy, so moved by the speech, immediately jumped up and delivered an impromptu auction item; the chance to meet and mingle with the Victorian players at the AFL Hall of Fame match and go out onto the MCG prior to the match with the players. Phil Cramer, President of Old Camberwell, was the successful bidder with an extremely generous bid of \$2000. However his generosity didn't stop there. Phil immediately donated the prize back to Cystic Fibrosis so they could take along a young person suffering from the disease. Young Chris Lane, a 15 year old boy from Sunbury, was the lucky recipient and he (along with his family) got to go along and meet some of his heroes. Chris penned a letter of thanks (along with copies of his photos from the evening) to Phil outlining his night and expressing his sincere thanks for the once in a lifetime opportunity. Further to that, Phil has offered Chris the opportunity to do some work experience with his property business should he show an interest in that area. A great story all round and congratulations to Phil Cramer for giving a young man such an opportunity.

• Cystic Fibrosis Tins

Following on from the above story, all clubs have now received their CF collection tins which should be on display. Please make sure you make a donation and help out this very worthwhile cause. Prizes are on offer for clubs who raise the most amounts in total and for clubs who raise the most compared to what they raised last year. If you haven't seen the tins around, ask a club official to make sure they are on display.

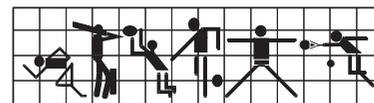

• Home Ground Record Destroyed

Further to our story regarding the fire at South Melbourne Districts in last weeks edition, something else has gone up in flames at South – their home ground undefeated record. Last week, North Old Boys/St Pats became the first side to knock South off at home since Werribee did it on May 14th 2005 when they were both in D3. That's an amazing 1105 days their home ground winning streak lasted for. I'm sure that added a little more salt into the wounds of South Coach Tim Killworth, who coached NOBS/St Pats last season before making way for Terry Scanlon.

• Family Affair at the Cobras

Bulleen Cobras Life Member and Club Legend Rod Sheehan has played over 500 games for the club (in its various forms), first with Canterbury before they merged with North Balwyn, then merged with Bulleen United in 1996 and become the club we now know. But I doubt he would have enjoyed any of those as much as his last four. For the first four matches of this season Rod was joined on the field by his 16 year old son Cameron (Rod must be carrying an injury as he hasn't played since Rd 4). Not only does he have his son to look after him on the field, his eldest daughter Jess is one of the club trainers, so he has his daughter to look after him off the field.

• Anyone For Tea

Over the past couple of weeks, FTLOTG has been fortunate enough to be present at club matches where the hosts have put on afternoon tea at the half-time interval. So impressed with Marcellin's production on the weekend, it begs us to ask the question, who does the best afternoon tea in the VAFA? For only \$4, Marcellin produced table upon table of sandwiches, cakes and slices which was more than enough for the full house. The week before, Old Essendon produced a similar assortment of cakes, scones, pies and sausage rolls which was just the ticket on a freezing cold day. Send us in your best and why and we'll publish some of the responses next week. The best response (as voted by FTLOTG) will receive 2 bottles of red (or white if you wish). Send your responses to reception@vafa.com.au.

• High Flying Lion

Haven't seen it yet, but apparently Will Tardiff (Collegians) takes an absolute screamer in the dying seconds of Sunday's match against Uni Blacks. To catch a peek, tune into "The Ammo Show" on the VAFA website over the weekend. The boys (Fraser and Ross) are offering prizes to anyone submitting marks and goals of the week with a major prize at the end of the year. By all accounts, this one is going to be hard to top.

... Retrospective

by Geoff Reilley

5 YEARS AGO - 2003

It was such an open season in **A Section** that bottom placed **Old Ivanhoe**, yet to win a game, were certainly not certainties for relegation. **St Bernards**, on top of the ladder, had already lost 1 game while **Old Melburnians**, in 5th place, were looking to perform at their best against the ladder leaders and firm into the top four. St Bernards had different ideas and kicked 6 goals to 1 in the first quarter and then proceeded to score at will while the OM's could score no more than 1 goal per quarter. The final score of 31.24 by St Bernards to Melburnians meagre 4.12 was an amazing result. Best players – **Turnbull, Fielding, Neeson (5), Byrne (5), C Mitchell (4), D Jordon (6)** for the winners and Melburnians managed to find 6 players worthy of a mention; **O'Brien, Magee, Berry, R Mulquinney, L Adler and McKeown**. Old Ivanhoe incidentally won their first game for the season, at the expense of St Kevins, 16.11 to 13.11! Best players – **Stevens, Lochran, Spoor, S Low, Toovey (5), Prie (Old Ivanhoe) and Simpson, M Giansiracusa (5), Taylor, Cerohan, P O'Keefe, L Mahoney (St Kevins), Anthony Damen and Jason McNeice** were the field umpires in charge.

In **B Section**, **North Old Boys**, despite their horrid run of injuries, started in sensational form against **Old Essendon** with 6.9 to 2.4 at quarter time. Essendon then piled on 9.3 in the second term to NOBS' solitary major. Essendon continued to take control in the second half and ran out easy winners 17.21 to 9.22. Old Essendon consolidated their place in the top four with this win while NOBS were in the danger zone although one win ahead of the bottom two. Best players – **McPherson, Forrest, Ryan, T Biggs, Velardo (3), Heritage (Old Essendon) and Davidson, Casboul (3), Roach, Cassell, Brady, Grigg (North Old Boys), Dash Pieris and Luke Holmes** were the field umpires.

B Section coaches were – **Tony Miller (De La Salle), Norm Goss (Hampton Rovers), David Murray (Mazenod), David Skinner (MHSOB), Garry Foulds (North Old Boys), Jarrod O'Neill (Old Brighton), Frank Dunnell (Old Essendon), Paul Breen (Old Paradians), Russell Barnes (St Bedes Mentone Tigers) and Greg Feuttrill (Whitefriars).**

10 YEARS AGO - 1998

VFA Chief Executive Officer, **Phil Stevens**, proudly announced that all three VFA representative teams were victorious. **Phil** was very passionate about

representative football and always involved himself in every aspect to ensure success. Experienced coach, **George Voyage**, was in charge of the combined C/F team and he fired up his charges to the extent they completely 'stole the show' from their **South Australian counterparts** in the first term and continued on for the remainder of the game, winning 29.9 to 10.3. **Tony Macgeorge** was in outstanding form with 10 goals while **Mick Hazell, Murray Pitts, David Rogers, "Spider" Smith and Guyan Stroud** were named alongside **Tony** as the VFA's best players. VFA umpire, **Steve McCarthy**, teamed well with the **South Australian** field umpire in a high standard game. This great effort in the curtain raiser set the scene for the main game.

Combined Coach, **Neville Taylor**, had chosen a well balanced team for the 2 o'clock feature and after trailing by 2 goals at the first break, the team lifted significantly in the second to hold a 3 goal lead at half time. The SAAMFL team fought back in the third term, as expected and with their key forward, M Tylor, in excellent form, drew within 1 point at the final break. In a classic last quarter, the Victorian team kept their cool to win the thriller by 3 points, 11.12 to 11.9 with the South Australians only scoring 1 behind from a set shot after the final siren. Best players were **Luke Mahoney, Matt Jackson, Ewan Thompson, Andrew Evans, Andrew Ramsden and Simon Lethlean**. **Marty Jackson** represented the VFAUA in superb fashion as field umpire.

The VFA's **U19 representative team**, coached by **John Toohey**, retained the **Terry Daniher Shield** against the **NSW/ACT U18 rep team**. It was cold and blustery at **Lavington** and the VFA opened with 3 goals aided by the breeze and a quarter time score of 5.5 to 1.1. By half time the NSW/ACT boys had taken the lead by 2 points but the Vics' great third term of 6 goals was certainly the main term as they hung on to win 15.19 to 12.5. Best players **Thomas, Wise, Dineen, T Harvey (3), McLelland, Hyland, O'Connor, Quin (VFA), Andrew Stephen** was the VFA's representative as field umpire.

20 YEARS AGO - 1988

A Section was proving as fascinating as usual. Although **Ormond (top)** and **Old Paradians (2nd)**

seemed well entrenched the remaining spots were up for grabs with only 2 wins separating 4th placed **Uni Blues** and 10th placed **Old Scotch**. **St Bernards (3rd)** and **De La Salle (4th)** put on a spirited and thrilling game at St Bernards College. De La could have sown the game up completely but kicked horribly in the first quarter, 3.9 to 1.1. St Bernards narrowed the gap a little but still trailed by 22 points at half time. De La applied the pressure in the third term and gained a strangle hold at the final break, 12.12 to 6.9. St Bernards, no doubt challenged and fired up by coach, **Frank Melican**, came out breathing fire and all of a sudden De La were under pressure. After a great last quarter, where St Bernards scored 6.4 to the D's 3 points, the De La boys just held on by 2 points to secure the game. Best players – **Holdsworth, Pegoli, Barry, P Green, Paddon, M Greene (De La Salle) and McAllister, Fitzpatrick, Smith, Melican, C Klaaysen (5), V Comito (St Bernards)**.

'**Umpire's Corner**', presented by **Ron Lippold** and **Mike Murray**, told of **Steve McCarthy's 100th game**, having joined from the **VFL Senior List** in 1984. To date Steve has umpired in **4 Grand Finals**. **Ron** and **Mike** also mentioned the appointment of **Cameron Swayle** to the **Victoria versus South Australia** game to be played in **Adelaide** plus the fact that **Sharon Alger** had been promoted to **C Section** with every chance to getting to **A Section**. '**Personality of the Week**' was **John "Rocky" Napoli** who doubled as **Umpires Recruiting Officer** as well as being a field umpire.

30 YEARS AGO - 1978

In **F Section**, **Therry CCOB** went down to **Commonwealth Bank**, 7.9 to 13.10 and consequently, Commonwealth Bank were now equal third on points with Therry. Best players – **Myers, Hooy (4), Frazer, Wankewlan, W McCrimmon, Reid (Comm. Bank) and Whyley, Rose, Buhagiari, White, Farrell, Mullumby (Therry)**.

In **Junior Section 2**, **North Old Boys** went two games clear on top and were undefeated. They received some staunch opposition in this round from **St Bernards** until half time. In the third quarter, Nobs, with 10 goals, forged ahead and finished strongly to win 23.12 to 13.6. Best players – **O'Sullivan, Considine, Crowley (5), Richardson (4), Bevanda, Pearse (NOBS) and Hurley, Randall, F Monaghan, Christie (3), Dolan, Dalmau (St Bernards)**.

It was a record breaking day for **St Kilda CBCOC** when their **President, John White**, ran out for his **300th game**. John joined the club from School in 1961 and won the **club best and fairest in 1962**. In **1963** he was **club captain** and was **full forward** and **vice captain of the 1965 C Section premierships**. John was in his 18th season as committeeman and had been **President** for the last three years.

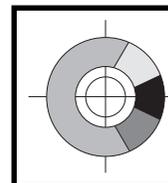

40 YEARS AGO - 1968

A Section was becoming an intriguing grade and there were some big games in this round. **Old Paradians** hosted **Uni Blacks** and stole the initiative to lead at quarter time 4.5 to 1.4. It was mainly their small men that did the damage early. The game then became a closer affair as the Blacks narrowed the gap but Paradians moved away again in the third quarter. Despite another challenge in the final term, Paradians held on to win 12.13 to 9.12. Best players – **Quinlan, Williams (5), Duke (3), Hart, Coghlan, Proctor (Paradians) and Sinclair, Stevens, Hunt (5), Hill, Johnston, Clancy (Uni Blacks)**.

Bert Liddell came out of retirement for **Tooronga-Malvern** to help out the Reserves, although well into the vintage class, Bert went so well that he was encouraged to front up the next week and in doing so recorded his **250th game!**

50 YEARS AGO - 1958

Two undefeated teams, **Collegians in A Section** and **University Reds in E Section** suffered their first defeats. In perfect conditions, Collegians travelled to **Ivanhoe (third)**, found the home team ready and waiting and had they kicked more accurately in the first quarter (5.9) they would have been in a stronger position (Collegians 4.1). At half time the 'Hoes held a 16 point lead and in the third term, both defences tended to be on top. Collegians' Bennett was a handful up forward and kept his team in touch but Ivanhoe were determined not to let the opportunity slip and finished 12 points up at the finish, 11.16 to 10.10. Best players – **Waring, Manuell, Neeson, Morrison, Anderson, Burt (Ivanhoe) and Farrell, L Hibbins, Mansfield, McDonald, R Daff and Gellie (Collegians)**. **Bennett** could be considered unlucky not to have been in Collegians' best with his 5 goals!

Funny game football. Talented lists are not always guaranteed to ensure success week in week out. Take the Geelong Cats Friday night in the AFL against the Pies. They played more like the Geelong Super Cats – Bartel and Scarlett may as well have been replaced by **Cecil Exum** and **Bobby Locke**. Still a game where you have to consistently execute the process and the result should go your way . . .

That certainly seems to be happening with the Eltham Turtles in season 2008. They have consistently got the 'result' and been winning enough possession to always look a winning chance. It's been a solid campaign thus far for the newly promoted team. This week they took on the Gryphons in glorious sunshine and the contest game was a tight affair with the turtles holding a narrow lead for the majority of the day. Both **Powell** and **John Galvin** provided plenty of midfield drive for the turtles whilst **Dan Baxter** was again the dominant defender on the ground for the visitors. I think the home side here showed again what a solid pre season and good depth can do for a club when close games ensue and the visiting side show again, they are no easy pushover.

We said Williamstown would win comfortably so nothing outrageous to report here. Who will defeat this team first for season '08? The **Fearon** saw just under a one hundred point victory with Swinburne booting six goals for the day. The home side shared its hand it that department with five players get multiple returns. **Elliot** remains solid for the home side here along with **Hynes** and **Buttigieg** – too much depth in this list it seems. **Hassaballa** and **Prior** continued their good form the Razorbacks who look to still have a long season ahead at the foot of the table.

Powerhouse continued with their inability to win consecutive games, this time falling away to the mightily honest Uni High outfit. The 'House mix their form and have been travelling with promise but no bringing home the chocolates. The 'Premiership' quarter was the difference here with the home sides kicking three unanswered goals and holind on to a comfortable 25 point win. **Edwards** was a dangerous forward for the visitors but played again a lone hand with five goals, whilst Uni High were lead by **Max Mora** and **Lacey**

Latrobe have celebrated victory for the first time this

season with a terrific away win at Elsternwick Park. The home side were tremendous away last game but needed to back up with an effort here, their depth and injuries a weekly concern. **Grace** and **Mahony** usually are the barometers for them – if they score it's usually successful. Alas, with a good three goal advantage at the last break victory would seem assured. But the hard tackling and genuine commitment of the Latrobe saw them slam on seven goals and record a famous win. **Steve Staunton** has played three games now for a return of nineteen goals – shows what a target up front can do for this side.

The 'baby' of the field this season may as well be almost Hawthorn, with no less than half a dozen first year 'senior' players involved Saturday. Sure, they have the older and some might say wiser heads of **Avery** and **Murray** who show up but this side is waxing very well. They went on a goal scoring blitz this weekend and totally denied St Johns a winning chance from the get go. The Hawks midfield was dominant all day, with lots of rotation keeping players fresh and giving players good experience in the middle. This side had a very strong first half of 2007 so interesting if they can keep the momentum going. Finals awaits the home side, for the visitors the jury is well and truly out . . .

TODAY'S D3 MATCHES

LA TROBE UNIVERSITY v POWER HOUSE
SWINBURNE UNI v MONASH GRYPHONS
ST JOHNS v ELTHAM
UHS-VU v WILLIAMSTOWN CYMS
ELSTERNWICK v HAWTHORN

Previews –

Uni High get a chance to defeat the Seagulls for the first time and would be a sneaky chance. In fine conditions I do favour Willy though to make it eight straight by 19 points.

Latrobe host Powerhouse – have they got what it takes to win two straight and get the train back on the tracks? The Piranhas are a thoroughly untrustworthy unit right now. Home side by three points.

Elsternwick host the Hawks and all of a sudden you back the Hawks to make it six wins for the year comfortably. Extraordinary. I'll say 40 points.

Swinburne host Monash but have to give it to the Gryphons. Must win game a total understatement. Nine points at the death. BTW it's trivia night for the Gryphons – please attend!

St Johns feel comfortable at Doveton and want to defend the record against the Turtles. Match of the round this due to the home ground advantage. I'll say Eltham to be working harder for the four points and keep the heat on the top side.

100 Games to a champion player at Uni High.

This week **Warren Smith** takes the field for the 100th time at UHSVU. A twice premierships player 2003/2007, Waz has been a fantastic player & role model in each and every game. Always where the ball is Warren just seems to know what to do whatever the situation – not surprising when Warren is probably the only player ever in the VAFA history to play 100 games with 4 Senior clubs – he even played as a youngster with Mark "Jacko" Jackson at Brunswick in the old VFA. Congratulations "Old fella," enjoy the day – best of luck to a true sportsman from all at Uni High.

We also congratulate **David Fazakerley** on reaching the 50 game target recently. Faz is steadily improving & is certainly one of the longest kicks at the club. Looking forward to the next 50.

UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

300 up for Boundary Rider

We start this week with a big milestone. Boundary umpire **Brendan Corcoran** clocks up his **300th VFA game** today as he steps out on to Harry Trott. **Brendan** joined us back in the Centenary year of 1992 and has been a regular “ball-boy” in the higher sections for most of that time. In his early years he dabbled with one year as a field umpire, but found that his first love was running the lines. He has continued to do the occasional game as a field umpire by helping out when we have struggled for numbers, getting close to 50 games. He also spent 2 years as a field umpire at the MSJFL. Although **Brendan’s** highlights are an A section and a B section grand final and a couple of representative games, he lists the **2006 C section “Game of the Century” grand final between St.Bedes/Mentone Tigers and AJAX at Sandringham** as his greatest memory. He was also fortunate enough to umpire an indigenous youth curtain-raiser game at the MCG. **Brendan** also does some great work off the field for the association as the **VFAUA’s Captain Blood**. He takes on the role as organizer and bus-driver a few times per year doing this. All umpires and friends are invited to join **Brendan** in his celebrations tonight at Leo’s Spaghetti Bar in Fitzroy Street St.Kilda. Well done, **BC**, throw it in!

Welcome back!

Well done to **Nick Fennessy** in his return game to **B section** last Saturday. **Nick** returns after about three years down the grades. Now a regular at training, his hard work on the track and of course on weekends saw him given the opportunity. We also see **Joe Hartwig** making a return in the lower sections after joining the boys in blue during the off-season.

Congratulations

We must congratulate our resident masseur **Carolyn (Caz) Davidson** on her engagement to **Rob** (no umpiring involvement) a couple of weeks back. Those single blokes (with questionably soft and suspect injuries) who thought they were going for a rub purely to chat up the masseus can re-plan their schedules. Hopefully **Rob** got the tick of approval from “big” brothers **Russ** and **Cam**.

Flat out

Brian Woodhead would like to thank the boys at **De La Salle** who helped him out with a bit of car trouble he had after a game recently. Unfortunately **Woody** had a flat tyre which had a fair bit of resistance in coming off. It would appear that the wheel nuts were way too tight and despite the efforts of himself and quite a few helpers, it would not budge. After a very inventive “move” from one of the De La boys which may or may not have involved the assistance of some council property, eventually things moved and the tyre was changed and he was on his way! (Well after a few more thank you drinks he was anyway!) Thanks boys!

Remember to keep checking our umpire’s website, www.vafaua.asn.au for all the latest gossip and up to date news, including Benny’s News which is now emailed to all coaches prior to Saturday’s games.

RESPECT THE UMPIRE – RESPECT THE GAME!!

D4 SECTION

by Duncan Palmer

This week I have decided to take a leaf from my esteemed colleague, **Jonathon Horn's**, book and present a 'Top list' of sorts for D4. A few readers have requested this, and whilst I initially refrained until I had better insight into the competition I have decided to publish it this week. The following ten players have consistently been mentioned as the elite of D4. **Bill Irving** is a worthy 'number 1' with both outstanding current form and consistently brilliant achievements over many seasons, however all other players are fantastic footballers and would perform very well at any level.

TOP 10

1 B Irving (WB), 2 N Nuske (RC), 3 M. Rhodes (ML), 4 C Horne (Kew), 5 D Penny (BHN), 6 B Cookson (BC), 7 G Pearson (SFX), 8 S Pietsch (WB), 9 G Bell(Kew), 10 M Viola (EP)

Picking players worthy to be included in this list, with multiple competition best and fairest winners, leading goal-kickers, and great leaders all represented, was the easy part of the process. Excluding very good football players and attempting to decide whether a ruckman was more value than a forward, or an on-baller better than a full-back made decision making very difficult. The second stage of my list attempts to address this to an extent. (Nb. The following is exclusive of the TOP 10 above);

Top Midfielders (Inc. ruck)

K Russo (SFX), S Bennett (AP), C Creswell (EP), M Layley (WB), R Sissons (SM), C Gibson (ML), F George (STH), A Gall (WB), D Pizzari (NB), G Scott (Kew), W McIndoe (AP), H Thorp (Kew)

Top Defenders

L Hickey (ML), S Irvine (BHN), G Ortlipp (Kew), B Pryor (SFX), C Crough (RC), C Liston (BHN)

Top Forwards

T Whiting (RC), D Viola (EP), S Dishon (WB), B Spencer (SFX), T Fradkin (BC), M Clark (SM)

There are more midfielders listed as many of these players are utilities and play forward and back as well as on-ball. These lists are not definitive and are designed to create debate. Naturally the top teams have most representation, however the consistent form of players like **Dave Pizzari**, **Rick Sissons** and **Francisco George** is very hard to fault and they are very deserving of inclusion. There are always very unlucky players, regardless of how many are included. Three players who readily leap to mind are **John Alexandridis**, **James Dowsett** and **Anthony Gibson**,

however these and many others still have plenty of opportunity to perform for their clubs, and put their own mark on the competition.

Next week I will publish a Top 10 'Rising Stars' list and look forward to nominations for this. Players need to be under 21 to be included. With no teams in this section fielding an Under 19 team there are many very talented juniors playing senior football so it will be interesting to see which names are most prominent.

Reviews are a little shorter this week due to the above, however special mention is reserved for North Brunswick who cracked their first win of the season over Albert Park. The boys from the junkyard have been through the blender in recent weeks, however have refused to drop their heads, and every opponent has remarked on their determination. This week the Green and Gold seized their opportunity, with **Mick Sorletto** and **Jason Harkins** instrumental in providing great rebound from the backline. Up forward **Jarrold Ford** provided a hard-leading target and with **Dave Pizzari** again prominent in the midfield, North Brunswick was able to hold off the Falcons who were best served by **Zebulun Roberts**.

Elsewhere, Kew held off a determined Box Hill North with Greg "The Vice" Ortlipp fantastic in defence for the Bears and Cam 'Eraser' Liston equally strong in the Demons' back half. **Glenn Pearson** chalked up six goals from the middle as the Xmen annihilated South Mornington. Smallest man on the field, **Sam Thompson** helped West Brunswick to another big win, this time over the Sharks, who were best served by the third letter in the alphabet, **'Captain Courageous' Corey Cresswell**. Syndal couldn't quite register their first win despite a stirring display against the Snakes. **Andy Davis** (STH) and **Anthony Buchanan** (RC) were best for their respective sides. Finally Mt Lilydale through the aerial dominance of **Daryn Leamont**, were too good for Bulleen Cobras.

TODAY'S D4 MATCHES

BOX HILL NORTH v ST FRANCIS XAVIER
BULLEEN COBRAS v ELEY PARK
ALBERT PARK v SYNDAL TALLY HO
NORTH BRUNSWICK v KEW
RICHMOND CENTRAL v WEST BRUNSWICK
SOUTH MORNINGTON v MT LILYDALE

Round 8 Tips

Match of the Round - Richmond Central v West Brunswick
Fourth meets first, and the Snakes would be relishing the opportunity to knock the top side off at home. The potential match-up of **Bill Irving** and **Nathan Nuske** is worth travelling across Melbourne to watch, and with **Sam Pietsch** and **Troy Whiting** also potentially locking horns, it is these pivotal battles between members of the "Top 34" (yes I can count) that may decide the battle. West Brunswick's form has been better of late and I think they will continue on their push to D3 with a 28 pt victory.

North Brunswick v Kew

North Brunswick will be buoyed by their round 7 victory; however the **Bell/Scott/Horne** combination will be too strong. Bears by 43pts.

South Mornington v Mt Lilydale

South Mornington will be looking to rebound, however the size of the mountain men will be hard to counter. Mt Lilydale by 32pts.

Bulleen Cobras v Eley Park

This is potentially the hardest match to tip, and on another week may have been match of the round. The accuracy of Tim Fradkin and David Viola in front of goal may decide this game. In a toss of the coin, the Cobras by 2pts.

Box Hill North v St Francis Xavier

Box Hill North was gallant against Kew and would rate themselves a chance at home. **Dan Penny** will need to be well held by the Xmen and this rarely happens two weeks in a row. BHN by 11 pts in an upset.

Albert Park v Syndal Tally Ho

Syndal get closer each week, whilst the Falcons have drifted a little as injuries take their toll. Synners to triumph by 6pts with Paul Agnello leading the way.

Reserves: WB, Kew, SM, BC, SFX, AP

Reports this week and nominations for 'Rising Stars' by midday Monday please to deejaypalmer@bigpond.com

M I M I L E S T O N E S

NOBSPC wish to congratulate **Scott Sleep** who will play his **200th game** for the club today. He's been a fantastic clubman and the long time organiser of the footy trip as well as many a social function. As the backbone of the playing group for a decade, this milestone will be enjoyed by many, so from all at North, well done Sleepo.

Congratulations from all at **Kew** to skipper **Nick Tinetti** on reaching **150 games**. Joining Kew in 1999 Nick made an immediate impression with silky smooth skills and a versatility to excel in almost any position. A multiple club award winner Nick continues to lead the club with distinction and we hope for many more games to come. Congratulations Nick and all the best in your 150th. What do we think of Tinetti - he's alright!

NOBSPC would also like to congratulate **Sam Chesire** who this week plays his **100th game** for the club. It's been a long time coming for Sammy, who started with North in 1994. Despite a few years away he's lost none of his skills or rat cunning, and is again a valuable member of the senior side. Well done Ches.

Uni Blacks couldn't quite continue their giant killing run when they were overrun late in the game by St Bede's/Mentone Tigers. After inflicting Old Scotch's first defeat of the season the weekend before, the Blacks fell 4 points short of delivering the Tigers second loss of the season. In perfect conditions, the Tigers kicked 4 goals to 1 in the last quarter after being behind all day. "The pressure from the Blacks was amazing and our boys just stuck at their task", said Tigers Coach **Owen Lalor**, "to me they are going to be a finals side so I'm very happy with our younger guys and the maturity they are showing". **Alex Kane** was best of the Tigers along with **Adam Zagami**, **Gavin "Rowdy" Brown** and **Carey Neville**, who continues his super year for the Tigers. For the Blacks, **Peter Shepherd** continues his stellar year once again being named in the best along with **Trevor Rumbold** and **Bede Mahon**, who returned from the senior side.

Old Xavs travelled to Marcellin hoping for a win to get their win/loss ratio back into positive territory and possibly jump back into the 4. It wasn't to be however, with the talented Eagles outfit holding them just at arms length all day and running out 18 point winners. **Daniel O'Shea** was the focal point for the Eagles with 4 goals and **Sam Sheehan** slotted through 3. For the visitors, **Christian Sanfilippo** and **Chris Smith** both booted 3. "Marcellin's skills were too good on the day and our inability to hit targets cost us dearly", commented OX Coach **Tony Smith**. Best for Marcellin were **David Wildsmith**, Captain **Ash Viney** and **Chris Libertino** and for Old Xavs, on-baller **Ryan Wells**, **Sam McDougal** and **Nic Mudge** shone.

A winless St Bernards travelled to Camberwell Sports Ground to take on an Old Scotch side still smarting from their first loss of the season the week before. It wouldn't turn out to be a pleasant trip for the Snowdogs, going down to the tune of 90 points and not kicking a goal until the final quarter. "An excellent performance from a side with 5 key players out through injury," said Old Scotch Coach **Paul Dodd**, "and we now look forward to the challenge of taking on St Bedes and De la in consecutive weeks". Best for the Cardinals were **Cam Mason** kicking 5 goals from Full Forward, HB Flanker **Tristan Bowman** and on-baller **Will Davis**. For St Bernards, **Andrew Van Meel** snared 3, **Brenton Cooper** worked hard all day along with Stephen Forcone.

Rupertswood ventured to Righetti Oval to meet St Kevins and came away with what they were looking for,

their first win of

the season. A hard fought and close affair on the first half had Rupo in front at half time by 9 points, however a 4 goal to 1 last term had them running out victors by a comfortable 29 points. Best for Rupertswood were 17 year olds **Todd Podolczak** and **Joshua Hine** as well as **Micheal Wallis**. St Kevins failed to lodge their best players and goal kickers once again so we are unable to publish those at the time of print.

In the final match of Round 7, the might of De La was on display for all to see when they ran out comprehensive victors to the tune of 91 points over a disappointing Uni Blues. Down by only 3 goals at quarter time, the game was effectively over for the Blues at half time after De La piled on 9 goals to 3 in the second term. **Adam Kovarik** starred for De La with 10 goals, along with young **Mark Collins** and U19 Rep Squad member **Olmo Salvatore**. For the Blues, **Luke Griffin** starred in his second game of U19s for the year along with **Jack Townley** and **Tom Fairbairn**.

Matt Cosgriff has moved to **B Section Scribe** so in his place the VAFA are looking for a new **Under 19 Premier Scribe** to commence ASAP.

TODAY'S U19 PREMIER MATCHES

UNIVERSITY BLACKS v OLD XAVERIANS
ST BEDES MENTONE TIGERS v OLD SCOTCH
RUPERTSWOOD v ST BERNARDS
ST KEVINS v UNIVERSITY BLUES
DE LA SALLE v MARCELLIN

In Round 8 action, Uni Blacks and Old Xaverians do battle at Crawford Oval which could shape both sides season. Old Xavs could find it difficult to stay in touch if they drop this one and Uni Blacks could potentially enter the 4 depending on other results. The home side by 10 points. De La Salle hosts Marcellin in what should be an absolute cracker. Both are high skilled sides with strong on ball divisions. I'm tipping the home side by 12 points, not with any confidence, just the fact that it is their home game. In the other blockbuster, St Bedes/Mentone

Tigers hosts Old Scotch in a 2nd v 3rd battle. A young and determined Tiger outfit comes up against an entertaining Old Scotch unit who should, by my thinking, come away with the points. Old Scotch by 3 goals. Uni Blues travel to Righetti Oval to take on St Kevins desperate to restore some pride. They look a better side than they are showing at the moment and should be too good for St Kevins. Uni Blues by 20 points. In the last match of the round, the local derby between Rupertswood and St Bernards should be a very entertaining clash. I'm tipping the home side to make it two in a row and run out 4 goal victors.

Grima's Corner:

Round Rewind North (1):

Round seven kicked off in unbelievable style with a cracking game of football between Old Camberwell and Old Carey. Surprisingly, it was Old Carey who came out on top with a fantastic 14 point win to give them a lot of confidence heading into next week. The hyphenated one in **Thomas Maccready-Bryan** again stole the show in a best on ground performance for Carey, whilst **John Frattin** was great in a losing side.

In an amazing result down at Fitzroy on the weekend, it was the Reds who came out on top in the bottom of the table clash against Manningham to the tune of 121 points. The Sharks are a rabble at the moment and are struggling badly to be competitive in this division. For the Reds, it was **Ross Borland** who led the way, slotting seven majors to be judged best on ground. **Michael Cussen** was also brilliant with three goals, whilst **Jamie Weeremantry** was the Sharks best in a dismal performance.

Last week I feared for the safety of the viewing public as we anticipated the Old Trinity v Old Paradians match up. The result in the end was a comprehensive 72 point victory to Trinity, giving us a fair indication of where these two sides are at the moment. **Nick Howell** continued his fine season with another best on ground performance, backed up by the likes of **Matty Jeesop** (4 goals) and **Sam Leetham**. **Anthony Paglia** was the best for the Paradians.

Banyule/Viewbank did what was expected of them on the weekend and ran out winners by 69 points against the lowly ranked Old Essendon line up. Banyule have been a good footy side all season and were led by guys like **Alex Dunnachie** who kicked an accurate nine goals on the weekend. **Scott Shelton** was great also and **Uri Perch** was named in the best again.

Old Ivanhoe continued their brilliant start to the season with a comfortable 46 point victory against Bulleen away from home. **Alex Doriotes** had a stellar game to be best

on ground as did **Michael Costanzo**. **Stephen Palozzi** was Bulleen's best in a tough day.

 OLD TRINITY v OLD CAMBERWELL
 OLD CAREY v FITZROY REDS
 OLD ESSENDON v OLD PARADIANS
 MANNINGHAM SHARKS v BULLEEN TEMP.
Stintons Reserve at 2.00pm

Old Carey v Fitzroy Reds

After an impressive victory last week I'll stick with Carey in this one. Perhaps they've found the form that made them so devastating in the earlier rounds.

TIP: Old Carey by 19 points

Old Ivanhoe v Banyule/Viewbank

Match of the round between 1st and 3rd on the table. Can't go past Ivanhoe however who have been the best performed side all season. Will be a massive test.

TIP: Old Ivanhoe by 12 points

Old Essendon v Old Paradians

Not one for the highlight reel. Expect Old Essendon to be too good here.

TIP: Old Essendon by 9 points

Old Trinity v Old Camberwell

Old Trinity to continue their good form and beat Old Camberwell here

TIP: Old Trinity by 22 points

Manningham Sharks v Bulleen Templestowe

I'm off the Sharks big time. Bulleen comfortably here

TIP: Bulleen by 28 points

Round Rewind North (2):

Old Geelong surprised some on the weekend with a gritty and determined 26 point win against a pretty strong Ivanhoe outfit. **William Gubbins** led the way with a tremendous performance, as did **James Stevenson** who kicked three goals. **Ryan Close** was Ivanhoe's best in a trying day.

As predicted, the Aquinas OC outfit proved why they are the best side in this competition, smashing the poor Fitzroy Reds to the tune of 94 points away from home.

Matty Aver enjoyed the supply he was given, booting nine goals in the drubbing. **Michael Niezen** chipped in with four of his own, whilst down the other end **Adam Biggs** contributed two majors for the Reds.

Note to all: Emmaus St Leos are coming and coming

fast! After a slow start to the year, the St Leos line up were able to push league leaders Aquinas OC a couple of weeks ago and backed that up with a big win last week. They have followed on this rich vein of form with a gutsy 2 point victory of Rupertswood. **Thomas Buick** was great for the victors booting three goals from limited opportunities. **Trent Mason** kicked four goals for Rupertswood in the tight loss.

In a brilliant game of football down at Alec Gillon Oval it was NOBS/St Pats who came out on top against a gallant Old Xaverians line up, winning the match by 26 points. **Mark Carey** was superb for the victors kicking five goals straight, as was **William Quayle** who booted three. **Thomas Schembri** kicked five goals in a losing side to be the standout for the Xaverians.

Therry Penola closed out round seven with an absolute smashing of a poor St Bernards line up, running out winners by an amazing 116 points at the weekend. **David Listro** was a standout in the big win, as was **Aaron Dimaio** who booted five goals. **Patrick Gamwell** tried hard in a terrible day for St Bernards.

St Bernards v Fitzroy Reds

Bottom of the table clash. Will tip St Bernards in a tight one.

TIP: St Bernards by 12 points

Rupertswood v Old Geelong

Big game with both sides at 4-3. I think Rupertswood at home should bounce back here.

TIP: Rupertswood by 10 points

Emmaus St Leos v NOBS/ST Pats

I'm on board the Emmaus St Leos band wagon and think they can knock off the Old boys on home soil.

TIP: Emmaus St Leos by 2 points

Another interesting match up. I think the Xaverians will bounce back here with a slid victory.

Under 19 South 1

Mazenod continued their steady improvement with a four-goal win over Beaumaris (were those first couple of games of the year a premiership hangover?); there was almost nothing in it all day until the final quarter when the Noddors raced away, booting six goals to three. And second team Ormond did it comfortably against the third-placed Fields, especially after half time, reinforcing the gap between the top two sides and the best-of-the rest.

On that subject, top-placed Old Melburnians were left with the frustration of not taking the field when the Panthers couldn't get the minimum numbers required to field a side. On the other hand, a "well done" to Oakleigh who were able to make it, just; however it was then a less-than-even contest. The Lions took full advantage of the imbalance, with key forwards **Nick "News" Corp** and **Ed Bird** very dangerous, and **Colin Williams** and **Josh Kamener** dominant across half back. To their credit the third term saw the Krushers break even, but apart from that it was all one-way traffic, with 13 goals in the last term to the Lions, and **Sam Cutts** booting seven on the day from the forward pocket.

And in the remaining game Old Haileybury were only able to score their first goal for the day in the third quarter – which totally summed up their day against Old Brighton.

This week

Another one of my Matches of the Day, with Old Melburnians (undefeated) playing at Oval No. 1 at Albert Park against Ormond, also undefeated. Both sides have absolutely blitzed all who would dare to challenge them to date – look at those percentages – and have comfortably handled both wet and dry conditions. This will be a preview of the second semi-final and of the grand-final, in my opinion. Not sure that OMS will be at completely full strength (**Tim Mclardy** was upwardly

mobile into the Ones last Saturday) - despite the week off - and I reckon that Ormond might take it narrowly.

Caulfield at home to Old Mentonians: let's hope the Panthers can get sufficient numbers for the game to proceed. Assuming they do, you'd still have to select the Fields by a solid margin.

Oakleigh v Mazonod. How Oakleigh would love to have another four or five men to get them up to 24 players, to provide some real competition. The Noddors won't let this one slip.

Old Hailebury are at home to Collegians. I've not got much faith in Collegians away, but I've got even less in Haileybury, who have really dropped out of contention, at home. Collegians, just.

Baumaris v Old Brighton. Are visitors all over the place, or what? Big scores one week, next to nothing the next, solid again last week. I think they might have enough to just keep the Sharks at bay.

Due to Peter Lemons overseas travels, the VAFA will be in need of a new Under 19 South 1 & 2 Scribe commencing the week after the Queens birthday weekend. For more information please contact Olivia olivia@vafa.com.au or 9531 8333

Under 19 South 2

Yet again my Match of the Round turned out to be a fizzer, sort-of, though the final score was a bit misleading: the game was close for much of the day, before Monash, with conditions much to the liking of their talls (who are also quicks), were able to break through with a devastating last-quarter burst to swamp AJAX. The two smallest players on the field, Josh Kalmus and Michael "Mini" Selzer, were excellent for the Jackas while Rosen and Kamil battled hard in the ruck.

Hampton Rovers again put in one of their all-too-frequent spasmodic performances: established a good lead early, only to then lose it to St.Bedes Mentone Tigers. Went to sleep. Lost concentration. Kicked poorly. They (the Rovers) were then given the biggest spray at half time ever (made the rains of the previous Saturday pale into insignificance) and they responded to kick 5.6 in the third and virtually sew the up game. Jesse Lovig, Max Greenway and Stephen Howe were all major contributors on the day.

Bentleigh did everything but cause a major upset against De La Salle. Two goals up at half time, they were a real chance, and they would still be rueing those

missed chances in the final term which saw them falling just two agonising points short.

The Vultures struck again as Parkdale just blew MHSOB out of the water and tore them to shreds: a six-goal lead at quarter time for the home side, and the game was effectively over.

Prahran-Caulfield were the ones celebrating - their first win of the season - with a stirring 27-point victory at the expense of Peninsula. With Spencer Ratliff and James Musster kicking seven goals between them, the Blues led all day and earned a well-deserved victory to savour on the bus trip back up the Nepean Highway.

This week

The Rovers v Bentleigh. This, I would suggest, is a real danger game for the home side: any more dozing on the job and they will be overrun. Suspect THE SPRAY might be needed before the game, at quarter time, half time and more. Hampton, just.

Prahran-Caulfield, buoyed by that first win, now face a big dose of reality football as they bump into, and collide, with AJAX coming off their first loss. Hard to see the Jackas doing anything but taking this one by a solid margin.

MHSOB vs Peninsula brings two sides together who have had no joy for weeks. I'm picking High, only because they are at home.

On the other hand St Bedes Mentone Tigers are home to Monash but I don't think that will help them. The only things which might stop the Ashers will be complacency or another dose of highly inclement weather, like that of a fortnight ago. The visitors, comfortably.

De La Salle, after their mega fright last Saturday, are at home again, this time to Parkdale. Despite the Vultures' last two Saturdays of note and promise, I suspect this week will bring them back down to earth.

ROUND 8

What a contrast between playing conditions in Rounds 6 and 7. Big winning margins returned in many games and my success rate dropped to 66%.

Review of Round 7

Section 1

University Blues regained top position as a consequence of their one hundred and three point win over St Kevin's.

An inaccurate Collegians had a comfortable thirty six point win over Old Melburnians, who now trail the third and fourth sides by a game plus percentage.

Prahran were largely untroubled to defeat Old Scotch by fifty six points.

De La Salle belied their standing when they led throughout their game against a disappointing Old Xaverians 2. Contrasting accuracy was a feature of this match. Old Xaverians, who could only manage one goal from nine scoring shots in the final quarter, went down by twenty five points. Best players for De La Salle were: **Jack Jarvis, Scott Howe** and **Daniel Reid**. For Old Xaverians 2, **Peter Occlshaw, Jake Richards** and **David King** were best.

Old Xaverians defeated Mazenod by sixty three points, which was a significant improvement on their effort in Round 4. Best for Mazenod were: defenders James Mather and Luke McMullin as well as veteran Trevor Howard in the centre (does he "act" for frees?)

Section 2

Monash Blues went to top place through a fifty eight point win over Old Scotch. After an evenly contested first half Monash Blues were able to utilize their running game to gain the ascendancy. Their best: included: **Coughlin, Prendergast, Kruger** and **Riddle**.

St Bernard's showed my lack of appreciation of their talent when they defeated University Blacks by sixteen points.

Fitzroy Reds did well to defeat Caulfield Grammarians by eighty points. Caulfield scored first but the Reds soon established dominance. Good players for the Reds included: Coach **Alex. Grant** and the veteran, **Nick Auden**, who was ubiquitous in his movements around the ground. (Good wishes for your Singapore sojourn, Nick.).

In the afternoon match, Box Hill North proved too

strong for Old Trinity, who lost by twenty nine points.

Old Brighton lost a rare home game, when Whitefriars defeated them by seventeen points. Whitefriars held the ascendancy for most of the match although Old Brighton mounted a third quarter revival. Best for Whitefriars included: **Adam Shaw, Ben. Piggott** and Coach **Norman Elliott**, who kicked seven goals.

South

Although the Oakleigh players tried hard, they were unable to match the skills of the Old Camberwell players, who won by eighty points. Best for the winners were: **Dion Brauer, Antony Hardenberg** and **Luke Gladman**. For Oakleigh; **Robert Gex, Leigh McIntyre** and **U. Connellen** were best.

Ormond were too talented for Beaumaris and won by thirty three points.

St Mary's/ Salesian ran out winners over Emmaus/ St Leo's by thirty six points.

Leaders, St Bede's/ Mentone defeated the very accurate Old Geelong by fourteen points, which put the "O.Gs ." a game outside the top four.

North

Old Westbourne proved my tip fallacious as they defeated Therry Penola by thirteen points after a closely contested match.

Kew scored a meritorious victory over North Old Boys/ St Patrick's by sixty five points. One wonders whether the Kew side was strengthened by the recruitment of some well known names??

Marcellin continued on their winning way when they defeated Bulleen – Templestowe by sixty six points.

Old Carey were largely untroubled to defeat Box Hill North by seventy two points.

PREVIEW OF ROUND 8

Section 1

Prahran should prove too talented for the improving Mazenod even on Central Reserve.

In a quirk of the draw, St Kevin's meet University Blues for the second week running. The Blues should win again and so hold first place.

Old Melburnians should keep in touch with the leading teams by accounting for Old Scotch.

Traditional rivals, De La Salle and Old Xaverians meet on Darling Park. Although De La Salle impressed last week, they have always found victory over the "Crocodiles" elusive and today I believe the Old Xaverians will triumph again.

Old Xaverians 2 are having a disappointing season after their successful start. Inaccuracy plagued their forwards last week and today, I see no respite for the "Ménages" as I believe Collegians will defeat them even on Stradbroke Park.

Section 2

University Blacks should return to the winning list by defeating the inconsistent Old Trinity.

Monash Blues are my selection to defeat Fitzroy Reds despite the Reds improved performance last Round.

I will give Old Brighton another chance to match my expectations despite their successive losses. Today, at home, I select them to defeat Old Scotch.

Caulfield Grammarians certainly did not impress against ninth placed Fitzroy Reds so I cannot see them extending second placed St Bernard's, who should score a big victory.

Wherever the Whitefriars versus Box Hill North match is played, I forecast another win by Whitefriars which could well bring them into contention for fourth place.

TODAY'S CLUB 18 (SOUTH) MATCHES

EMMAUS ST LEOS v ORMOND
OAKLEIGH v OLD GEELONG
BEAUMARIS v OLD CAMBERWELL
Sportscover Arena on Saturday at 11.40am
ST BEDES / MENTONE v ST MARY'S SALESIAN

South

Ormond travel out to Bennettswood to play the winless

Emmaus/ St Leo's. Ormond, who lie third, should win. The Oakleigh versus Old Geelong game should be a closely contested one. Oakleigh are stronger at home, and their attack on the ball could unsettle Old Geelong sufficiently for the home side to score a narrow win.

Old Camberwell play Beaumaris on Sports Cover Arena, where the finals will be played. Old Camberwell should win this game comfortably.

I favour leaders, St Bede's/ Mentone to defeat fourth placed St Mary's/ Salesian at Mentone in what could be the preview of a final.

TODAY'S CLUB 18 (NORTH) MATCHES

OLD WESTBOURNE v BOX HILL NORTH
KEW v THERRY PENOLA
MARCELLIN v NORTH OLD BOYS/ST PATS
OLD CAREY v BULLEEN TEMPLESTOWE

North

Old Westbourne should win again by defeating Box Hill North who face the long westward trip.

Kew should continue on their winning way at the expense of the determined but winless Therry Penola.

Leaders, Marcellin defeated North Old Boys/ St Patrick's at Brunswick in Round 4 by twelve points and today in Bulleen Park, I select Marcellin to win again.

Old Carey should strengthen their claim to a final's berth by defeating Bulleen – Templestowe.

Team managers please contact me with a summary of your game by noon Monday nknugent@bigpond.com

M I MILESTONES E S

Today against Prahran, **Mazenod Captain/ Coach, Simon Fisher** will play his **300th game** for the Club. This is a great achievement especially as Simon has battled for several seasons to ensure that his team meets its commitments. Congratulations, **Simon** from all at Central Reserve and from your many friends throughout Club XV111 who admire your persistence and dedication. May you be rewarded by arise up the ladder by your "boys".
