Seniors avenge the losses by the Under 19's and C – D4

This Saturday sees the half way mark of the season and a time when we get a true assessment of the fortunes of our teams. Getting yourself on the positive side would be an objective for most at the beginning of the season. I am delighted with the competitiveness of each of the grades and in particular have been thrilled with the way the promoted sides have handled themselves in recent times.

This has been particularly evident in A Section where over the past few seasons we have seen promoted sides Old Brighton, Collegians and this year St Bede's Mentone Tigers add depth to this level and would be hopeful of securing a top four spot.

Last weekend the VAFMA took a huge undertaking by playing three matches in three states. A difficult logistical exercise and a real stretch on the resources and volunteers of the VAFMA. It is the desire of the Board to ensure all players get access to representative football and this was achieved with the Under19's, C – D4 and the Seniors all representing the Association.

Whether we have the right partnerships is another question as we were disappointed to go down by such large margins in the Under 19's and the C – D4 teams. However a determined win by the seniors rescued the weekend for the VAFMA.

Most competitions around the country do not have an under19 competition so securing a partner was difficult. AFL Queensland agreed as long as they could play Under 21's. We agreed however the strength of their team has grown over the past 3 years to such a state that we were defeated by 20 goals last Saturday. Our players have on average played about 5 senior games. Queensland, on the other hand, had a number of players who have played well over 50 senior games. Add to this the greater physical development that occurs during

those two years and it is understandable that the result was obtained.

A number of the players from Queensland are development players who have been targeted by the AFL and brought from the far regions of the state to join elite programs. Therefore it is necessary for them to have this game at this age level as it gives these players valuable experiences and a last chance to get drafted.

Out of these games Sam Gilbert was drafted by St Kilda in 2006 and last year John Williams was picked up by Essendon.

The dilemma facing the football sub-committee is do we continue to provide a representative match for our junior competition or do we increase the age to under 21 to ensure a more competitive game? This match is a wonderful opportunity for our players to get to experience football in another state and also play against an elite AFL system.

The home match was played between our C – D4 competition against the VCFL district competitions. This is the second level in the country and consists of 26 leagues. This is again a very difficult assignment for us as we are choosing from only 5 divisions.

Whilst in no way am I making excuses for our teams performances it is vital that we have competitive games on a level playing field.

I would like to formally record the VAFMA's appreciation to Dean Anderson (Senior), Mark Lowe (C – D4) and Justin Pickering (Under 19's) on coaching their respective teams. It is an exhaustive campaign and the VAFMA were delighted with their efforts. Thanks also to all the selectors, managers and medical staff who gave so freely of their time.

The Under 23 match against SA is played during the A – C bye weekend on July 19 and we look forward to giving another group of players the opportunity to pull on the Big V and square the ledger for the season.

Tim Clarke. Now there's a glaring omission from the Top 50 if I ever saw one. And after he kicked 10 in a losing team, it just rubbed it in that little bit more. Clarke is a funny sort of player – not tall enough to be classified as a spearhead and not quick enough to be your standard forward flanker but his footskills are flawless and he has a knack of finding the right spaces. His incredible performance aside, this day was all about Old Brighton, who stamped themselves as bona fide finals contenders. 30 plus possessions to **McGuinness** and **Perrett**, a great defensive job by second gamer **Jon Priestly** and another imposing game from **Tom Mentiplay** were the highlights for the 'Tonners. Three pretty serious injuries in time-on in the last quarter put a slight dampener on things but it was one hell of a day.

As predicted, you've never seen a man struggle more for a park at Albert Park than your A Section scribe. It was like that scene in 'The Club' where a flustered Ted Parker turns in one of the all time worst driving performances ("I think we should just remain calm Gerry...") Anyway, by the time I got to the **Harry Trott**, Collegians were well in control and big **Fergus** was all over **Peter Steele**, one of the best defenders in the amateurs. Collegians play a chipping, stop-start sort of a game but they know how to look for their stars and they also play their home ground a treat. It was my first really good at Uni this year and they seem to lack a bit of height and muscle. Then again, they have a habit of bobbing up (and indeed, going under) when you least expect it, so maybe we should all reserve judgement and let them do their thing.

Liesel Jones, one of the world's finest female athletes of recent years, was on hand at Melbourne Uni to behold the work of noted swimming aficionado **Jeff Morel**. Oh shucks no she wasn't, she was there to support partner **Martin Pask**, who responded in kind by turning one on in the first term as his side kicked six of the first seven goals of the game. But De La did some rearranging and ran all over the hapless Blacks, whose season has been derailed by injury upon injury. Two absolute standouts were noted hard-nut **Aaron Shields**, who won a stack of contested ball and spearhead **Matt Moore**, who can be a bit hit and miss but was certainly on song this day, with ten match winning majors.

Two nude men (one of whom was NOT **Tom Brain**, as has been reported in some circles) who had probably been on the sauce all weekend, decided to upstage

Sunday's game at headquarters by dashing on to the field. Unfortunately, they weren't the only behinds that day as Old Ivanhoe effectively kicked themselves out of contention with a string of minors. **Sharka Price** and **Jarrold Gieschen** were best for them while **Sam Anstey** and **Peter Mcgettigan** shone for the Tigers, who are beginning to build an ominous record at Sportscover Arena. In the final match, Scotch saw off a determined Trinity side, with **Sam Thomson** best a field for the Cardinals and **Brendan Iezzi** returning to his 2007 form for the battling Ts.

Today's Games

Two years ago, Scotch were six and zip, riding high and ready to take down the struggling Xavs at Scotch College. Of course, Xavs walloped them and turned their season around while Scotch struggled to win a game for the next 18-months. Circumstances aren't as black and white today but the stakes are high and I fancy the Xavs against their despised nemesis.

The other standout is Bayside, where Old Brighton are hosting a massive lunch to kick-start what they hope will be another memorable day, this time against ladder leaders Collegians. And despite questions marks aplenty hanging over some key players, I reckon Brighton are a red-hot chance to win this.

In the other games, let's tip St Bede's to roll Uni Blacks, Blues to just beat Ivanhoe and De La to get the better of Old Trinity.

MILESTONES

Old Brighton Grammarians' champion all-rounder, **Matthew Gadsden** plays his **100th game** today against Collegians. Since returning from Sandringham in 2006 as a dual premierships player, Matt has been an inspirational leader at our club with his fearless and skilful play in many positions. Various used as a running half-back, a specialist defender to close down a star opponent or an attacking mid-fielder, Matt carries out his tasks with a minimum of fuss and a huge dose of class. Blessed with speed and lightning reflexes, Matt often produces something special to turn a game our way, and we salute him today for his achievement. Well done Matty!

Andrew 'Mumma' Scafid played his **100th** first 18 game for St. Bedes / Mentone Tigers against Old Ivanhoe. A double premierships player, 'Scaf Jnr' has been an integral part of the clubs success over the past three years. This week also sees the other part of the Scafid machine in big brother **Anthony**, play his **50th** senior match for the Tiges. Congratulations and thanks to both boys for the many great games.

Old Trinity congratulates **Jack Healy** who recently played his **100th** game for the club. Jack began with Trinity in 2002 as an under 19 after crossing from Ivanhoe and in the same year represented the Vafa at under 19 level. Well done Jack.

Uni Blues would like to congratulate **Quinton Gleeson** on reaching the **100 game milestone** on May 17. Quinton joined Blues in 2000 and was senior captain from 2002 -07. Looking forward to the next 100 Q ! Uni Blues would like to recognise the contribution of **Michael Thomas** who left Australia to work in Malaysia last weekend. Bomber commenced his playing career in 1995 and played in excess of 150 games. Everyone at Blues wish **Mike** and **Olivia** every success with their work abroad.

All at **Old Xaverians** congratulate **Andrew Jones** who played his **200th game** for the club last round Sat May 21st.

B SECTION

by Matt Cosgriff

The cream is really starting to rise to the top as the top three teams in the B Section competition stamped their authority with high scoring and convincing victories in round 8. The cluster at the bottom of the ladder still has the question of who will be the improver in the second half of the season and one game had the finish that not even Steven Spielberg could have produced when St Kevin's went to Haileybury.

Scrappy, tight and physical were the three attributes that portrayed the low scoring affair between St Kevin's and Old Haileybury. By half time St Kevin's had only kicked 1 goal with the locals comfortably holding them at bay. With 2 goals each in the third quarter the 28 point lead to Haileybury at the last change looked sustainable. However as they have only kicked a total of 9 last quarter goals in their last 4 four matches, St Kevin's were still in the game. In the words of Hong Kong race caller **Darren Flindell**, Old Haileybury 'stopped like a Bali watch' and St Kevin's kicked 8.5 to steal the match and win by 7 points in a miraculous come back. **Josh Mahoney** proved his worth for St Kevin's as he kicked 4 goals and **Anthony Lynch** was best afield.

The score at the first bounce was the closest that Old Carey got to Old Essendon as the Bombers handed the home team a clinic. Straighter kicking would have made the score line more punishing but the result was well beyond doubt at half time as OEG led by 65 points with 20 more scoring shots. A big second half from the OEG goal kicking machines in **James Condos** and **Lachlan Teal** who combined kicked more than the opposition and **Dean Biggs** etched closer to the club best and fairest with another best on ground performance. The final siren sounding was the best thing the Carey fraternity heard all day as it prevented further carnage and Old Essendon ran out resounding 97 point victors.

That man **Cameron Maclaren** once again turned the show on for the spectators as he fired the footy 7 times through the big sticks for the Eagles. His off sider, **Glanlucan Romanin** is still yet to remain goalless when he plays as he kicked 6 in what is becoming an unstoppable combination for Marcellin. Old Camberwell who are finding it tough to win set the tone early as the first change had them within a couple of goals. Although the Eagles are literally flying at the moment and the 11 goals in the second and third quarters just broke the hearts of Camberwell who showed some tenacity in the final term but went down by 40 points. **Rory Hilton** and **Matthew Partington** cannot be questioned over their efforts lately as they both snagged 3 goals each and **Tristan Berenger** and **Andrew Clarke** kept the ball going forward all day for the OC.

Things have to be going your way when ex-AFL premiership players join your club to help like Caulfield Grammarians found and things are definitely going your way when you only have 15 scoring shots to 22 at ¾ time yet you are 3 points in front. Old Melburnians could not have chosen a worse game to be as wayward in front of goal as they were against the Grammarians as they desperately seek an outlet from the bottom of the ladder. The final score line was a train wreck for the home side as they

kicked themselves out of the match and going down by 21 points – after having 4 four more scoring shots and secured last spot on the ladder. **Andrew Slevison** up forward proved the difference between the two sides as he kicked 4 invaluable goals for Caulfield and **Gavin Winter** and **Darcy Daly** were amongst the stand outs.

I am not too sure what hurt Beaumaris the most. The final score or current petrol prices as they did the long trek to the 'Snake Pit'. **Tate Pearson** once again proved that he has an impact on opposition defenders by kicking 5 goals and **Callan Potter** came back into the side and added further strength also with a 5 goal haul for St Bernards. Showing no mercy St Bernards ripped into the game with a smashing 7.7 in the first quarter and a 56 point lead at half time. Outscoring St Bernards slightly in the third and fourth quarters, Beaumaris gave some glimpses of improvement to come as **Kevin Barnes** kicked 4 goals and **Nick Henry** continued to run in all day in a losing side.

TODAY'S B SECTION MATCHES

MARCELLIN v OLD MELBURNIANS
OLD CAMBERWELL v OLD HAILEYBURY
ST KEVINS v ST BERNARDS
CAULFIELD GRAM. v OLD ESSENDON
BEAUMARIS v OLD CAREY
Sportscover Arena on Saturday

TODAY:

Caulfield Grammarians v Old Essendon
Nobody can deny the improvement in performance and attitude lately by the Caulfield stable but they meet a class act here. The Bombers are averaging more than 31 shots at goal this season and Caulfield only 21 that gives the suggestion that the OEG's will go into the season undefeated at half way by 48 points. Reserves: Does not appear likely that the Caulfield reserves will improve on their one win for the season and it's the Bombers for mine by 68 points.

Old Camberwell v Old Haileybury

Haileybury are on a hat-trick for losses as Camberwell are back to playing at the ground that have given them their 2 wins for the season. The statistics say that Haileybury will be victorious but I am not of that opinion. Both sides have met the very strong Marcellin in the last two weeks and Old Camberwell showed a lot more promise in their game. Old Camberwell by 12 points. Reserves: Haileybury once again on another losing hat-trick as the club would give anything for a win. Not to be thought and Camberwell by 23 points.

Marcellin v Old Melburnians

At home and winners in 6 of their last 7 games, Marcellin are 'absolute morals' against Old Melburnians. The Eagles percentage is more than double of their opposition and they average over 97 points per game they play whilst the Melburnians can only manage a little more than 71. The game will be a blow out on the score board and the Eagles by 82 points. Reserves: Winners in 4 of their last 5 matches, only losing to the strong St Kevin's, Marcellin look the more threatening of the two. In a game that will be a lot tighter contest than the seniors, the Eagles again by 27 points.

St Kevin's v St Bernards

St Bernards start far too well for St Kevin's. A standard half time score line this season is about 58 points for the Bernards whilst St Kevin's is only 37. When you factor into account that the Bernard's average full time score is 117 and St Kevin's is only 78, then not even the home ground advantage can help St Kevin's. I make it St Bernards to win by 46 points. Reserves: Match of the Round!! First plays second with nothing between them and you got to get there early for this one. Too hard to split – Draw!!

Beaumaris v Old Carey

At VFA head quarters with Carey number 1 for the lowest scoring team in B Section and Beau number 2 for most points scored against. Carey has lost their last 3 as the Sharks have lost their last 4. Does not write the script for a classic match but it does tip toward a tough contest where both sides must take advantage of the 4 premierships points on offer. The Sharks stronger scoring power looks to be the difference and the Sharks to break the losing streak by 13 points. Reserves: After winning their first 2 matches, Old Carey has lost their last 6 outings. The Sharks have lost their last 3 but should be good enough by 8 points.

M I M I L E S T O N E S

Old Carey congratulate **Paul Graham** on playing his 150th game this week and thus achieving life membership at the club. Since arriving shortly after leaving the school, PG has been a stalwart of the club over the years, despite often keeping us guessing as to his next movements, both on and off the field! PG has stepped up to take on the role of secretary this year, and in combination with this, we looking forward to seeing many more of his dashing runs out of the backline over the years ahead.

SKOB congratulate **Michael Maguire** on finally reaching game 100 this weekend. "Sticks", originally from the school, came across to SKOB from NOBs in 2001. A two time premiership player with the reserves in 04 & 07, the popular clubmen is renowned as having the best long left foot at the club. SKOB also congratulate **Julian "Chuckles" Charles** and **Mark Mazzarella** for notching up their 50th games. **Chuckles** has been playing great footy for the seniors since returning from a jaw injury with his pace and evasiveness a highlight. **Mazza** is always a regular sharpshooter for the reserves and has played several senior games over the past two years.

THE THREE PHASES OF COACHING

I always have a quiet chuckle when I hear someone come back from a huddle after listening to a coach and then making a judgement as to whether or not the coach is any good. A rousing speech that captivates the audience means he is all right where as general ramblings that lack any spark or instruction means he is no good. The few minute speech to your players at the break makes up a very small part of your overall coaching preparation, which in most cases started about 10 minutes after the previous week's game.

I have given some great speeches and coached terribly and spoken poorly and coached very well. Coaching in the VAFA is an extremely challenging and demanding task which requires a wide range of skills. For a club to engage a coach who is good at all aspects of coaching is rare and therefore recognising what your club needs and a coach's strengths and weaknesses is crucial. I believe there are three clear phases to being a senior coach in the VAFA and not all coaches are strong in all phases.

**THE THREE PHASES ARE:
Post season, Pre season and In season.**

Post season – I define it as the time from immediately after the season up until Christmas. This time can be crucial for clubs preparing for the next year and reviews of all areas are carried out and changes to structures can be put in place. It is also a time when new assistants can be recruited and also potential players are courted. I can remember doing formal sit down interviews after the 2006 season with a large number of players and giving feedback as to what they could do in the off season to improve. The interviews were also a time for the players to share some thoughts of where they were at and for the coaching staff to find out about the players plans and goals for the next season. At the very least, it can make the players feel valued and it also can prevent the surprise of turning up in the first week of training and wondering where all your players are. A pro-active approach during this period can set up success for the next year. I would love a dollar for every player who has complained about not being contacted by their club in the off season.

Pre-Season – I define this as the period from Christmas to the start of the season. This is the time where the planning skills of a coach will come to the fore. Maintaining attendance records, organising venues for training, practice matches and ensuring that the program is both meaningful and challenging is an underestimated art form. Also liaising with stakeholders (eg cricket clubs, councils etc) is a part of this phase as is effective delegation of tasks. What do your assistants do in the initial stages where there is obviously a greater emphasis on fitness? I have seen many examples of sloppy organisation which has left a club without a training venue or a practice match. Similarly, there have been many examples of teams ill-prepared due the pre-season not being hard enough or doing the wrong type of training. You generally reap what you sow.

In-Season – Probably the most visible phase of coaching. Some coaches have excellent match day skills and can also prepare sides very well to play against certain opposition. I have seen some coaches who are brilliant on match day and struggle in most other areas but can prepare their teams very well. Giving appropriate feedback to players during the week, getting potential match ups right, selecting the right side (an underestimated aspect of coaching!) and managing your list to enable them to win at the most important time of the year. Other crucial aspects of being a good in-season coach include being able to react on match day to changing circumstances (ie weather, surprises from the opposition) and to be able to handle both winning and losing with equal dignity.

Coaching is a complex mix of wide ranging skills and very few coaches will tick all the boxes. It is vital that both the club and the coach identify strengths and weaknesses and then put people in place to enable the coaching jigsaw to become complete.

ROUND 8 REVIEW

Ahh, the old celebration of Queen (Victoria)'s Birthday always brings the VAFA its traditional weekend off to coincide with the opening of the ski season. Sadly, nary a flake of natural stuff could be detected in the Alps, so we presume there weren't any season ending knee injuries whilst trying out the new board or skis last weekend. Unfortunately, in the C-D4 match against the VCFL, Prahnan's playing coach **Paul Greenham** suffered that fate after kicking a sweet 3 goals in the first term for the Vics, before an opposition player fell across his knee. Whilst not participating in C grade, our thoughts go out to Greeny as he's a great VAFA person, and quite a few of the C section clubs would've played against him over the years. Best of luck in your recovery Paul.

Now back to the footy. Well, not only did us players have a week off, but (understandably so) a few clubs' correspondents followed suit! Hence, the review will be a little briefer than usual, and we'll focus more heavily on the critical round 9 clashes ahead.

Rovers miles ahead of the pack

AJAX appeared to have its strongest side for the year in its match of the day against the undefeated Hampton Rovers, who welcomed back several VFL listed players to their squad, and then played a brilliant brand of football to confirm their title of flag favourites. In each quarter AJAX challenged, however the Rovers always had answers in a disciplined display. Early on **Gary Blieden** and **Rubin Winograd** were constructive but the forward line other than **Jeremy Dukes** was unable to apply scoreboard pressure. For the Rovers **Guy Martyn** effectively did as he pleased in the pivot, and then up forward where he rammed home 7 majors. Trailing by 38 points at the final break, AJAX threw everything into the first 10 minutes, but they couldn't really put much of a dent in the margin as **Stuey Burggraaff** and **Luke Dallas** led the home side on a merry dance to a massive 12 goal win.

Monders ominous as Ashers stumble

The Ashers enjoyed a great start and should have established closer to a 5 goal buffer at first change. However, a red card to key big man **Aaron Williams** opened the door for the Monders, who used the time in the huddle to plan for the extra player (probably a choice between **Digger** and **Dave Robbins**) and they enable to get the ball into the reliable hands of **Matty Robbins** often enough for him to kick 4 or their 9 goals for the second term. Monash regrouped at half time with Williams back in the fray but could not convert any early chances in the 3rd.

Newcomer **Kye Cherian** did well and **Grant Chessari** did well in his battle with **Martinov**. **Mick Davidson** stitched up a VAFA jumper with another belter across half-back, but he was kept too busy by the Monders, who again were impressed with **Justin Hoggan** on the wing (kicking one of the longest goals at Ormond in a long time).

Nodders comfortable in local stoush

Bit quiet on this one, where the Nodders put in a fantastic first three quarters and were well and truly in front at three quarter time, leading by a lazy 10 goals. It was duly noted that both **Ash Kitts** and **Trev Bromley** was kept goal-less for the Krushers, leaving them light on for scoring power, despite a great effort by **Stephen Doherty**. Mazenod's clear winners were **Tim Bourbon**, **Mick Chamberlain**, and **Stuart Inglis**, and a few of their guns watched the final term from the comfort of the pine.

Vultures swoop home over disappointing High

With less than a kick in it at the final break, this one loomed as a classic finish – but someone forgot to tell the Unicorns there was another quarter of footy to play. Parkdale ran berserk and it ballooned out to a 50 point belting!!!

Drought broken in Koonung calamity

You'd have thought the Friars lads would be cock-a-hoop after chalking up their first win of the season, but everything's been quiet out at Donvale....well....Koonung....in the past 2 weeks. Fair enough – one swallow doesn't make a summer, but the battle at the bottom now looks even more intriguing doesn't it? No longer a race to avoid 9th, its more a 3 way race to avoid the drop!! As for Rupo, well they're only 6 points adrift of

ROUND 9 PREVIEW

Hampton –v- Whitefriars

Maybe the reason for muted joy at Friar Park over the break – they knew what was waiting for them in round 9. Won't be all one-way traffic though. I'd expect a solid first half from the visitors, with **Swain**, **Brosolo**, **Power** and **Jason** relied upon to lead the younger brigade. Rovers should run away with this one though, probably by 8+ goals.

Ormond –v- Parkdale

Clearly the most intriguing match of the day, where we pit the class of Rochford at one end against the experience and power of **Martinov** and **Robbins** at the other. Ormond will need to hold down CHB in order to deny the Vultures an avenue to goal. Expect **Rochford** to play deep, and the tight ground should suit the Vulture midfield. Tempted to tip an upset, but it should be Ormond in a thriller by 4 points.

Monash –v- Mazenod

Bit of a tough one here as both teams are consistently inconsistent. Monash traditionally have a tendency to unite as a team in the middle weeks of a season, especially after mid-June, whilst Mazenod are running hot and cold. I have a funny feeling it'll be cold this week. Ashers by 3 goals.

Rupertswood –v- Oakleigh

Having had 2 weeks to digest their respective losses, one of these teams will bounce back (unless it's a draw). Rupo at home should be a 4 to 5 goal better team, and that's exactly what they'll need to get this one done. Rupo by 2 points.

AJAX –v- MHSOB

B section last year must seem so far away for both these teams, neither of whom would be pleased with their positioning thus far. I'll have to stick with the Jackas' pattern here, which means another W coming up. AJAX by 13 points.

M I M I L E S T O N E S

Mazenod OCFC congratulates **Simon Fisher** on becoming the 6th Mazenod player to reach **300 games**. Simon currently coaches our C18 team which means he has been connected with the club for 20 years. Renowned for his tenacious attitude and courage, Simon has enjoyed a decorated career which includes 5 premierships - 1990 (U19) 1991, 93, 2000 (Seniors), 2003 (C18). Simon captained the club in 1998, 1999 and represented VAFA in 1993.

The **Hampton Rovers** congratulate **Jason Zampaglione** who today plays his **150th game** for the club. 'Gino' first played for the Rovers in 1997 and has played 118 senior games. He continues to be a valuable part of the team consistently putting in great performances for the green and gold.

Ben Goldbloom and **Jason Israelsohn** both commenced at AJAX in the Under 19's in 2001 and in the last two weeks both reached their milestone of **100 games**. Congratulations from all at AJAX.

ROUND EIGHT REVIEW

North Old Boys/St. Patrick's College preserved their perfect record with a hard fought 24 point win over a persistent Peninsula OB at Gillon Oval. At times, it looked as if the Pirates were a chance of stealing the game from the Cobbers, but just as they appeared to gain the upper hand, the home side would respond. Will Coghlan was a classy presence for the Pirates in the middle of the park, while the Cobbers were well served by stalwarts **Tom O'Halloran**, **Chris Hosking** and **Scott Sleep** in his 200th game.

The so-called premiership quarter was indeed the decisive term at the Playing Fields, as South Melbourne Districts kicked six goals to one, to overcome Old Mentonians by 24 points (hmmm...). Ruckman **Gareth Snow**, half back **Mick McCloskey** and full back **Trent Mitvalsky** did well for the Panthers, while for South, **Andrew Hannan** and **Ryan Gingell** had probably their best games for the season.

A fast start by Bulleen Templestowe proved to be vital as they defeated Fitzroy Reds at Ted Ajani Reserve by...you guessed it, 24 points. The Bullants' efficient, open play, driven by **Cam Azer** and **Mark Pietryk** and finished off by **Dean Matthews**, was in stark contrast to the arm wrestle of the second half. **Dan Dynon** and **Al Tehan** kept the Bullants' defence tight enough to withstand the Reds' second half superiority. The colourful **Nick Percy** kicked four majors for the Reds. In other games (i.e. those not decided by 24 points), Prahran won in a shootout by 32 points over Aquinas OC in Ringwood, with Two Blues playing coach **Paul Greenham's** nine goals especially notable. At Como Park, Old Geelong set the scene with a 10 goal first quarter, and barely let up from there, eventually defeating Yarra Valley OB by 117 points.

Also, congratulations to all the D1 Section boys who gained selection in the VAFA (C-D4) rep. team last weekend (and there was certainly a healthy compliment of D1 players in that team). A pity the result didn't go the way we would've liked, but hopefully a few players impressed observers anyway,

ROUND NINE PREVIEW

Bulleen Templestowe travel to Ringwood for their game against Aquinas OC. The Bullants were well represented in last week's VAFA v. VCFL match, and pound for pound, player for player, have arguably the most talented list in this section, with quality on each line. However, it is their attack that make them particularly dangerous, as shown by them blowing away the otherwise stingy Reds defence early on last time out. Both **Dean Matthews** and **Peter Voglis** are in a four way tie for second in the goalkicking with 28 goals each, while Aquinas' leader **Michael Cardamone** sits outside the top ten with 16 goals. In short, I think the visitors have too many weapons. Bullants for me. It's top against bottom at Dorney Reserve as Yarra Valley OB host NOB/SPC. 8-0 versus 0-8. On paper it appeared fait accompli, but stranger things have happened. The Bushrangers' **James Keem**, against the odds, still leads the section goalkicking, and he should prove to be good value against whomever gets the job on him (perhaps **Chris Hosking** may get first crack?). The home side will find it harder to cover the multiplicity of Cobber forward options (**Michael Barker**, **Tim Brady**, **Kyle Adams**, **Simon Harwood** and **Paul Bryar** all have double figures and a 2+ goals per game this year) and this may prove to be their breaking point. Cobbers to keep it going.

Peninsula OB make the long journey to Lindsay Hassett Oval to take on South Melbourne Districts. The Pirates have done better thus far this year than many people (yes, including me) expected, while South look like they have found their feet at this level and should be a team to look out for as we head into the second half of the season. This game could well decide whether or not these teams will stay in finals contention, or scrambling for survival. Both teams have a comparable form line over recent weeks, but I think the pedigree of the Bloods' result, coupled with home ground advantage, should see them over the line. Districts it is then.

Two of 2007's D1 finalists, currently facing leaner times, square off as Prahran entertain Old Mentonians at Toorak Park. Prahran got their first win in a while last round, halting a five game losing streak, and it will be interesting to see how the break affects their

"momentum" (well, as much as you can get after one win). The Panthers have been somewhat toothless in recent weeks, and whilst I'm tempted to think they may bite back, but I think that at home, the Two Blues can do the business today. Two Blues for mine.

Finally, Fitzroy Reds clash with Old Geelong at Brunswick Street Oval in a battle between third and fourth place respectively. I think the Reds will learn from their previous outing and be up for the contest from the start, as they certainly were a better team in the second half. Again, it's just a question of where the goals will come from. The Oggers are a potent attacking force, and will play a freewheeling brand of football, which could well become unstuck against a Reds defence generally tighter than a Scotsman's wallet (look, I'm of Scottish background - I can say these things!). Tough call, but I think the Reds will prevail in an arm wrestle.

CONTACT

Match reports can be sent to me via email at theqwill@hotmail.com.

I am keen to hear from all clubs and establish a degree of parity as far as publicity goes. Please keep your match summaries to around 100 words if possible (due to space restrictions), but I am certainly happy to take on board any other comments, be it about the match or other things. Remember, this is about your club, so make the most of it.

Good luck to your team today, and have a great VAFA weekend!

The Qwill

M I MILESTONES S

Gerard Beven – 50 senior games. Bevo joined Prahran in 2004 as an assistant coach. Unfortunately he missed most of that season with injury and most of the 2006 season while travelling, however proved an invaluable asset in avoiding relegation on his return. Always among our better players, won the B&F in 2005 and a VAFA representative player. Well done Gerard.

Will Walford – 50 reserve games. Wilbur has done so much at Prahran that a 50 game milestone seems strange. A premiership player in the Two Blues VFA Under 19s in 1986 and seniors in 1987, Will played 91 senior games in the VFA with Prahran. A Life Member and winner of the Len Reed Memorial Best Clubman Award. Congratulations Will.

Nathan Gill – 50 reserve games. Gilly joined Prahran in 2000 under coach Tony Free. A regular senior player in his first two seasons at the club, before injuries and work commitments intervened. A great clubman who always gives his best. Well done Nathan.

VAFA UMPIRES APPRECIATION DAY

This Saturday the 14th June 2008 we will see something that is a first in VAFA football, an "Umpires Appreciation Day".

"What a wonderful initiative this is which will go a long way to assisting with recruitment & retention of umpires" states VAFA General Manager of Umpire Operations Brian Goodman.

VAFA club Williamstown CYMS, with the backing of the Victorian Amateur Football Association Board, is doing its part to show appreciation for the work the umpires do.

The D3 section club has planned a day especially for Umpires this Saturday at the Fearon Reserve when they take on La Trobe University starting at 2.00.

The brainchild of former coach Dene Macleod, who has spoken to Brian Goodman, quite a bit over the past few seasons over the lack of respect umpires get on any given match day, is very excited in getting this initiative off the ground.

The Umpires Appreciation Day will see special guests including AFL Umpires Association CEO Bill Deller, AFL Victoria CEO Peter Schwab, President of the VAFA Nick Bourke, VAFA CEO Michael Sholly, AFL Umpire Development Manager Neville Nash, a high profile AFL umpire and other guests enjoying this important day.

Williamstown's president Peter Welsh admits he's never been the umpires' biggest fan – "It's a bit ironic coming from someone like me". But, he said, "I think it is something you appreciate the more you get involved in footy. "Unless you have good umpires who are respected then you really don't have a game." Welsh conceded such a day, which his club would be happy to support each year, was well overdue. "I think it can have a spin-off to umpiring and refereeing in all sports," he said.

Peter Welsh said he believed young umpires would benefit from showing more authority out on the field "they just need to be a bit more confident in their own ability," he said. "Just say 'that's it', and get on with it."

But, Brian Goodman is not asking for umpires to be glorified, just granted a little respect. "One of the things I say as coach of the umpires is 'we're there to adjudicate on the game, and it's a players' game – we're there to just make sure that they play within the rules. It's not about us; it's about the players'.

This day will highlight that there is a need for more respect for umpires and it is a huge step in the right direction.

Anyone wishing to take up umpiring can contact Brian Goodman at brian@vafa.com.au

THE PROGRAM FOR THE DAY IS:

D2 SECTION

by Jono Healy

Almost halfway through the season and coming off a week's break, sounds like there is no better time to look at the D2 premiership betting and competition best and fairest market.

Premiership market

- \$1.80 - Werribee
- \$3.30 - Emmaus St Leos
- \$4.50 - Banyule
- \$9 - Glen Eira
- \$41 - Ivanhoe
- \$51 - Old Westbourne
- \$81 - Therry Penola, Old Paradians
- \$101 - Bentleigh, St Marys/Salesian

Competition best and fairest market:

- \$6 - James Robertson (Bentleigh), Chris Massis (Glen Eira), Paul Baranello (Emmaus St Leos)
- \$7 - Any individual player not listed
- \$8 - Nick Taylor (Banyule), Chris Beluszar (Emmaus St Leos), Matt Antonello (Werribee)
- \$12 - Cam Armstrong (St Marys/Salesian), Matt Dean (Werribee)
- \$14 - Corey Bannister (Therry Penola), Carl Sage (Old Paradians), Matt Taylor (Werribee), Scott Diamond (Glen Eira)
- \$16 - Matt Jones (Ivanhoe), Ricky Skiathitis (Therry Penola), Matt Keogh (Werribee), Mark Ryan (Old Paradians)
- \$21 - Mark Ryan (Old Paradians), Ben Hutton (Old Westbourne), Nathan Baranello (Emmaus St Leos), Andrew Tedeso (Werribee)
- \$31 - David Drapac (Banyule), Anthony McKenzie (Emmaus St Leos), Cameron Lee (Werribee), Tom Patterson (Glen Eira), Francisco Pavez (Old Westbourne), Scott Lawry (Bentleigh)
- \$41 - Amareh Elmi (Therry Penola), James Collins (Ivanhoe), Adam Rothe (Banyule), Luke D'Astoli (St Marys/Salesian), Chris Fidler (Bentleigh)
- \$51 - Angelo Pace (Ivanhoe), Adrian Dullard (Old Westbourne), Michael Bellizia (Old Paradians), Matt Robinson (St Marys/Salesian), Stephen Frost (Bentleigh)

Emmaus St Leos \$1.20 v Old Paradians \$4.10

The Animals continue to roll along nicely and will start warm favourites to pick up their eighth win of the season in this one. Despite the absence of the **McGloins**

in the midfield a fortnight ago, Emmaus St Leos proved far too strong for Bentleigh, with **Chris Beluszar** booting another five goals up forward. Old Paradians went down by two goals to St Marys/Salesian and need to start picking up a couple of wins or they will find themselves deep in relegation trouble. **Carl Sage, Allan Young** and **Mark Ryan** will all need to be on top of their games here as Emmaus St Leos possess plenty of match winners in their line-up. I am expecting another bag of goals (maybe six) for **Beluszar** and for the Animals to win easily. Emmaus St Leos by 73 points.

Bentleigh \$1.85 v Ivanhoe \$1.85

Crunch game for Bentleigh here as they currently sit on the bottom of the ladder and have to win at least three of their remaining home games if they are to stay up. The good news for them is that they are likely to regain **Chris Sharp** to their line-up and there is also an outside chance that Ivanhoe spearhead **Angelo Pace** could be missing (tribunal result not known when going to print). There is no doubt that Ivanhoe are playing the better footy - they stretched Werribee last start and could have pinched the win - but I have a feeling that Bentleigh will have earmarked this clash as a must win game and should be ready to fire. If Sharp plays then I am expecting a flood of money for the home side on Friday afternoon. Bentleigh by five points.

St Marys/Salesian \$1.75 v Therry Penola \$1.95

Another dominant performance from **Cam Armstrong** got St Marys/Salesian over the line against Old Paradians last start and the combine will be keen to make it back-to-back wins in this one. While **Papaluca** is likely to head back to the VFL, the combine is likely to regain the services of up to five senior players (the skillful Joe Morsello included) for this clash and will go

- ST MARYS/SALESIAN v THERRY PENOLA

into the match full of confidence. Therry Penola were poor last start when they went down to Old Westbourne by 10 goals and will be keen to hit back in this one. **Corey Bannister** will need a big game up forward if they are to get the points, but the home side may just have enough to get over the line. St Marys/Salesian by 18 points.

Werribee \$1.33 v Glen Eira \$3.10

Werribee will be keen to get back to Soldiers Reserves after indifferent performances in their past two starts away from home. After losing to Emmaus St Leos two rounds back, Werribee needed all of their big guns firing to get past Ivanhoe a fortnight ago. Somehow, I don't think the wheels are falling off (just yet), but a return to their home patch here is only going to help. Glen Eira lost a game they should have won last start when failing miserably in the final quarter to go down to Banyule by 25 points. In front of the gold mine, **Ryan Clark** has been delivering the goods so far this season and he will need to be at his best once again today if the visitors are to get the points. Under the tutelage of retired club legend **Tommy Cannard**, Clark has transformed himself into one of the best forwards in the league, but can his midfielders get him enough of the ball so he can kick the Saints a winning score. I say no. Werribee by 17 points.

Old Westbourne \$2.10 v Banyule \$1.65

Just when I wrote off Old Westbourne they produced a strong performance to win on the road against Therry Penola, but can they back it up here against one of the better teams in the division? Banyule are coming off an impressive victory over Glen Eira and the Warriors will need to play even better in this one if they are to get the points. **Ben Hutton** has been in good form for Old Westbourne, but when are we going to see partner in crime **Akif Jeka** back in the senior side? One goal in the resses last game probably not enough to earn a recall, but we all know that at his best he is a walk up start to the ones. Banyule are a pretty consistent outfit, but this game has an upset written all over it. I just don't know whether or not I have the guts to go with the home side. Oh, what the heck. Old Westbourne by one point.

It would be great to hear from every club after each round to help me in writing my weekly column. Please send all match reports, social events, milestones and anything else that may be of interest to jonathan.healy@hotmail.com by 5:00pm on Monday.

M I M I L E S T O N E S

The **Glen Eira Saints** would like to congratulate **Daniel Eade** on his **100th** game today. Daniel has been a senior and reserve player and has always been one to do the jobs around the club when required. Well done.

VFA REPRESENTATIVE MATCHES

• VICS HOME IN SYDNEY THRILLER

The VFA senior representative side came from 20 points down late in the second quarter to score a hard-fought 5 point win over AFL Sydney at Henson Park in Marrickville on Sunday, 13.8 86 to 11.15 81. Sydney jumped out of the blocks and with three of the first four goals raced to an 11-point lead, but goals to Tony Brown, Adam Pirrie and Ben Doherty gave the Vics a 7 point lead at quarter time, 4.3 27 to 3.2 20. The second quarter mirrored the first as Sydney's 38 year old Troy Luff and half forward Matt Carey each kicked two goals to give the Blues a 20 point buffer.

But Andrew McGuinness and Marty Pask replied for the VFA to be within 10 points at half time, 6.4 40 to 7.8 56. The Victorians were down to 19 fit players after half time, with Tony Brown concussed, Andrew Lowcock dislocating his shoulder and Sam Johnston with a hamstring. Curiously, all three players were rooming together in 313! Victoria had to dig deep and with the pace coming off the game put their bodies on the line, holding Sydney goalless in the third term whilst kicking three goals to lead by a goal at the last break, 9.6 60 to 7.12 54. The last quarter was a thriller, and almost goal for goal, with each kicking four goals. When Adam Pirrie kicked his third goal deep in quarter the VFA looked home, but Sydney would not lie down and with goals to Angus Darling and a second to Jon Vlatko the margin was just five points.

Sydney went forward again, but the siren went with the Blues in possession just outside fifty. Only a Malcolm Blight spiral could give them an unlikely win, but such was not to be. A gutsy win to the VFA and coach Dean Anderson, the only win on the weekend, 13.8 86 to 11.15 81. Peter Steele was sensational at full back all day and was rewarded with the Best on Ground Medal. The VFA's other defenders were very important too led by Nick Serafini, Simon Fragiaco and in the second half Matt Robbins. Andrew McGuinness was desperate in the midfield. As usual, Hayden Heta was strong in the ruck and around the ground. Ben Doherty lifted in the second half to be a key player across half forward. It has been a lean time in recent years for the VFA senior representative side, so the look of relief on the Victorians was very evident. The match was well fought and it is expected that AFL Sydney will journey to Melbourne in two years time.

• CYSTIC FIBROSIS CUP HEADS TO THE COUNTRY

In perfect conditions and before a large and enthusiastic crowd at Sportscover Arena, the VFA's C-D4 team under Coach Mark Lowe took on the VCFL Districts team for the first time in history for the prestigious Cystic Fibrosis Cup. With Leigh Fletcher lively in the centre and good early work from Trevor Bromley, Ryan Semmler and Mark Pietryk, the VFA withstood a torrid opening and soon had the first 2 goals on the board through the dangerous Paul Greenham. The VCFL finally got into their stride to kick the next 5 unanswered goals before the brilliant Greenham kicked his 3rd goal (and all of the VFA's) to leave the Ammos 18 points down at the 1st break. The country lads continued to press and aided by a dominant ruck display by Schouler and a serious injury to the VFA's Paul Greenham, they were able to extend their half time lead to 9 goals. Although seemingly over at half time, on resumption the VFA played with vigour and enthusiasm but further injuries to key position players Chris Fairbairn and Corey Bannister, thwarted any chance of a VFA comeback, despite the continued

excellent performances of Fletcher, Paul Florance and the over worked defence led by Michael Davidson and Pietryk. Still trailing by 9 goals, the VFA continued to fight out the match with young players like Bill Irving and Gary Bleiden giving their all right to the end.

The VCFL had won a comfortable victory in a high standard, entertaining, well umpired match and are now the proud owners of the Cystic Fibrosis Cup (until we meet them next year!)

• QUEENSLANDERS TOO GOOD FOR VFA YOUNGSTERS

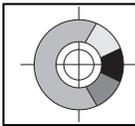

The VFA's U19 side were totally outclassed by a slick AFL Queensland side in Brisbane last Saturday, going down by 131 points. Queensland had their running game going right from the start and took a 64 point lead into the first break. From there the match was effectively over and it was all about pride for the Vics. They did show a great deal of fighting spirit in the second term to stem the flow and put a few goals on the board themselves. Jack Hellier and Jeremy Mugavin were starting to get their hands on the football through the midfield and Trent Lee started to rack up possessions across half forward. Turnovers however were killing the Vics and some exciting passages of play

broke down with simple hand or foot errors, on which the fast running Queensland side capitalised. Brittain and Merrett were proving hard to stop for the Queenslanders, but given the amount of quality ball they were receiving from their midfielders and half backs, the Victorian backmen including James Saville and Tom Caven did an admirable job. Injuries were starting to take their toll on the VFA side with Brett Collins suffering a shin injury and being forced out of the game just before half time and ruckman Callum Sinclair also had to leave the field with a knee injury, but was able to return late in the match. The Victorians could have easily dropped their heads but they stuck on gamely, still tackling and chasing with intensity and purpose throughout the second half. Joe Macula and Ben Capra went forward and provided a target for the Vics and Chris Richards imposed himself on the game with some courageous play through the midfield. However, the well drilled, highly talented Queensland side were just far too good and now the match committee must go back and find a way for the VFA to match it with their strength when we meet next year in Melbourne.

• U23 SIDE TO TAKE ON SOUTH AUSTRALIA

The VFA U23 side takes on reigning AAFC (Australian Amateur Football Council) champions South Australia in Melbourne on July 19th. After going down heavily to South Australia last year, the Victorian side will be looking to stamp their authority on this competition early and extract some revenge. Preparations for this team now go into full swing following the completion of rep matches over the long weekend. Selectors will be heartened by the performances of Andrew McGuinness, Matthew Handley and Marty Pask in the Senior match against Sydney, Paul Florence and Anthony Hickey in the C-D4 match along with a number of U19 players who will also come into calculation. The squad will be announced later in the week. Players in this match have the opportunity to be selected in the All Australian side, who will take part in a marquee tour at the end of the season.

... Retrospective

by Geoff Reilley

5 YEARS AGO - 2003

Following the playing of the two AAFC Championship matches, the AAFC Team of the Year was announced in playing positions. 13 of the 24 players were from the VFA. There were 7 South Australians and 4 West Australians. The Victorian players were – Murray Pitts (full back), Danny Byrne (half back flank), Carl Steinfort (centre half back), Paul Corrigan (centre), John Stevens (wing), Luke Hawkins (half forward flank), Tim Harvey (full forward), Laz Siampantis (forward pocket), Andrew Ramsden (first ruck), Ben Jordon (rover), Lincoln Reynolds (interchange), Tim Ockleshaw (interchange) and Matthew Dennis (interchange).

St Bedes Mentone Tigers were delighted with the opening of their new facilities. President, Dale Collins and his hard working team were congratulated by all and sundry. The City of Kingston were also applauded for their contribution and support of the project.

The VFA/AFL Umpires' Association initiative called "The Whistle in Harmony Day" was gathering momentum as they issued invitations to a Sunday Luncheon at Sportscover Arena. The luncheon would be attended by many Club Presidents, representatives of the AFL Umpires' Association and of course the VFA Umpires' Association. AFLUA CEO, Rob Anderson was to be Guest Speaker and former VFA umpires, Matthew Head and Corin Rowe would also attend in their present capacity as senior AFL umpires.

Two "Centurions" were acknowledged by their respective clubs – Paul Levins, an aggressive, under the pack rover, had given St Leos Emmaus great service over the years. (Another of the Levins dynasty, Bradels, played his 50th in the same game). Simon Widjaja, (Caulfield Grammarians) reached his milestone with a typical power packed display. Dual Senior best and fairest, premierships player, U19 Competition best and fairest, Wij has never taken a backward step. 'Wij' was also a leader off the field without ever missing a social event.

150 games up for Old Brighton's Simon Williams, appointed Captain of the club in 1999. Simon started in 1993 on the wing and then moved to key positions

10 YEARS AGO - 1998

The two E Sections, Blue and White, were starting to sort the "wheat from the chaff". After 9 games, it seemed there were only 4 teams capable of contesting the finals in E Blue, Caulfield Grammarians, Peninsula Old Boys, Old Camberwell and Oakleigh. Power House, in fifth

place, were already 3 games plus percentage behind. The match of the day was between Peninsula and Old Camberwell and after a tight tussle in the first half, Peninsula drew away from Camberwell to win 15.12 to 10.12. Best players – Cook, Angus, Sharpin, A Landry, Dentry, S Parsons (Peninsula) and Leitch, Town, Wilson, Short, Whitehead, Pratt (Camberwell).

In E White, Old Carey, Richmond Central, Kew, North Brunswick and UHSOB looked as though they would fight it out in September, however, UHSOB and Kew suffered a minor set back in this round at the hands of Fitzroy Reds and Williamstown CYMS respectively. UHSOB led with a reasonable margin for the first three quarters but Fitzroy Reds stormed home in the final term to snatch a well earned victory, 15.15 to 15.8. Best players – Wharf, P Jackson, Farrell, Wright, P Keppell, B Hart (Fitzroy) and McLennan, Major, Farrelly (5), Pfeiffer, Skinns, Gunthorpe (UHSOB).

In F Section it was a great game between Sydal Tally-Ho and Hawthorn Amateurs with second spot the prize for the winning club. Hawthorn jumped out of the blocks with a great first quarter and but for some wayward shots for goals, would have been better placed than the eventual 4.5 to 1.3. Sydal then turned the tables with 8 goals to 4 and a 4 point lead at half time. Hawthorn failed to grab the ascendancy in the third quarter and Sydal Tally-Ho confidently fancied their chances with only 30 odd minutes to play. Hawthorn decided otherwise, made up the difference and then forged ahead to win 14.18 to 15.9. Best players – Broadley, O'Brien, S Avery, Reed, Hopkins (3), Bourke (Hawthorn) while Tally-Ho in their disappointment failed to nominate their best!

20 YEARS AGO - 1988

In B Section there was a clear gap between the top and bottom fives. But had the section started to turn around? Bottom placed Ivanhoe hosted Parkside (equal second) and were coming off a hiding from middle of the road team, Monash Blues, in the previous round. By half time Parkside had the game under control with 23 scoring shots to 12 and a lead of 30 points. A 9 goal third term by the Hoes brought the game alive but they still trailed by over 3 goals. Aware of Parkside's poor last quarter record of late, Ivanhoe applied the pressure from the word go in the last quarter, led by some inspirational marking by Simon Corlett. Anthony Barro, having returned from

suspension, also provided some spark by controlling the ruck. The recent recruitment of four players from Northcote added depth to Ivanhoe and, Stranwick in particular, with 4 goals, was instrumental in the last term. Although Mark Sedgwick, skipper Mark Page and Leo Panjari did their utmost for Parkside, Ivanhoe gained full control and ran out winners 21.7 to 17.20. Ivanhoe's supporters were delighted with the turn around in form and realised that the season was not necessarily lost. Best players – Barro, M Flynn, Stranwick (6), Parkinson, Pettingill, Corlett (Ivanhoe) and Sedgwick, Page, L Panjari, Freeman, Sherlock, Pavia (Parkside). The 18th AAFC Carnival was being played in Launceston and the Victorian side started with a strong win over Western Australia by 33 points. Owen Abrahams, Tony Egan and Paul Schuhkraft were all prominent early while Paul Cox and Simon Macauley were great on-ballers. A 4 goal lead at half time was extended only marginally in the second half but the Vics ran out comfortable winners 11.14 to 7.5. Brett Burden, Rick Schober and Rob Fuller were outstanding in defence in the last term. Best players – Burden, Moir, Abrahams, Egan, Kingston, Macauley, Schober (Vic). Major goal kickers for Victoria – Egan 4, Schuhkraft 3, Young 2.

30 YEARS AGO - 1978

In A Section, Ivanhoe and De La Salle fought out a great contest with both team looking to consolidate their position in the top four. De La had an excellent first quarter with 6 goals although a couple of late goals to Ivanhoe kept them in touch, 17 points down at the first change. Ivanhoe narrowed the difference with a better second term but De La kicked away again in the third term. Ivanhoe came at their opponents again in the final quarter and with the aid of the breeze, scored 7.1 to run out winners by only 3 points. It had been a great victory by Ivanhoe. Best players – Shepherd, Jones (6), Adley, Renshaw, Stewart, Stredwick (Ivanhoe) and Groves (7), Maher, Nugent, Loft, Dunn, Beddoe (DLS). The top two teams in A Section also met in this round and it was another excellent contest between University Blues and Old Scotch. All square at quarter time, Uni Blues crept ahead to lead by 10 points at half time and in an excellent third quarter, both teams scored readily but the Blues were ahead by 10 points. A great last term was played out before a very enthusiastic crowd with the Blues hanging on by only 3 points and they went two games clear on top of the ladder. Best players – Curnow, Christie, Carmody, Dobbie, Moore, Hindle (Uni Blues) and Mason (6), Kefford, Bubb, Bedford, P Hays, Tallent (Old Scotch).

40 YEARS AGO - 1968

In B Section the gap was widening between ladder leaders, Ormond, and the rest of the pack. When

Ormond disposed of Geelong 10.13 to 1.7, they remained undefeated and revealed a three game break over second placed Monash University. Best players – Ladd, Moran, Bolt, Fitzroy, Meeking, Adams (Ormond) and G Lamb, Wheeler, K Andrews, Rhodes, Dexter, Allden (Geelong).

While Monash remained in second spot, they had gone down to the fast finishing Ivanhoe. Monash looked like winners all day until Ivanhoe stole the initiative in the final quarter with 4.4 to 2 behinds. Best players – Paterson, McWhinnie, Burns, Robinson, R Freeman, Berry (Ivanhoe) and Shannon, Cole, Whettenhall, McMaster, Hong, Windust (Monash).

The VFA tribunal officers were in no mood for leniency and during the week had handed out some severe sentences. One player, reported for 'interfering with a goal umpire' in that he pulled the goal umpire's hat over his eyes' was dealt no less than 16 matches! A 'strike with the elbow' warranted 6 weeks. 'Insulting conduct toward the field umpire' and 'deliberately preventing the umpire from carrying out decisions' was not tolerated and the guilty player suspended until the end of the current season! The player had also been 'ordered off' by the field umpire. 'Foul and abusive language toward the field umpire' received 8 matches and a 'deliberate charge behind the play' in a reserves' game saw an outcome of 4 matches. There is no doubt the tribunal members 'got value for their time spent' when considering each case!

50 YEARS AGO - 1958

A record crowd for a home and away match at Olympic Park saw a thrilling clash of the A Section ladder leaders, Collegians and Old Xaverians. In the first half Collegians were unimpressive but rebounded strongly in the third term to take a 6 point lead at the final break. The final quarter unfolded to reveal first one team and then the other appearing to be gaining the upper hand. Collegians had been in control in the air for the majority of the game but the Xavs' smaller players, especially the rovers, were in brilliant form and nullified Collegians' ruck advantage. Lambert (Old Xavs) goaled to level the scores but Sanders and Bennett replied for Collegians to gain a 10 point advantage. When Rhoden kicked his second goal for the match for the Xavs they were in with a chance but Collegians held on 11.12 to 10.14 for a great victory. Best players – Mansfield, L Hibbins, Unkenstein, Farrell, Evans, Jobling (Collegians) and Callan, Greenway, Johnson, Rhoden, Gibson (Old Xaverians). Main goal kickers were Bennett (4) and Rush (4) for Collegians and Ralph (4) for Old Xaverians.

Ray Kilner (Captain of Malvern) and John Neeson (Ivanhoe Best & Fairest in 1957) both played their 100th games.

D3 SECTION

Glorious sunshine for our most recent collection of matches and big scores were the order of the day – in some cases anyway. Our top four has not only taken shape but may well be finalised with some ten rounds remaining. The Queens birthday break could not have come quick enough for some teams however -

I think most people agreed a win by the Hawks this weekend would diminish the finals chances of Elsternwick to nothing more than a pipe dream. With a massive 95 point loss for the home side, the season is all but a nightmare now. This game started well for both sides and by half time the margin was three goals to the brown and gold. But from there it was procession with **Rick Ogge** finishing off his stellar month of May with twelve majors and the whippet, **Nathan Lynch** enjoyed his best game for the year. Elsternwick were stunned in the second half with the relentless pressure of Hawthorn and they simply can't produce over four quarters the quality required, with exceptions this week being **Stuchbery** and **Smith**. This was a win for a younger, fitter and hungrier side versus an older team struggling to win enough possession week in week out.

Monash travelled to Swinburne knowing a win was vital to keep up the momentum gathered thus far and they delivered with a strong seven goal victory. The Razorbacks have been a low scoring side far too often and here ten goals was not going to be a winning score. I guess it's not easy to score against a Wells lead defence, whilst the Gryphons through **Leeton** and **Sharkey** were scoring or setting up goals all too often. The home side here are enjoying a season to forget whilst for Coach **Naumoff** the mission is on track still with new players to the Monash club having regular positive impact. They remain a possible for finals

although I think luck must go their way with injuries in the next month or so.

St Johns are a very different side at home as we are all learning each second week. The Turtles consistent form so far would have meant their confidence was high to escape Doveton with the four points and securing the second spot on the table. The scoreboard shows that the home team probably won this by kicking eight straight goals in the second half as opposed to nine goals seven behinds. Good kicking is in the end good football. The final frantic five minutes saw the lead swap as the sides traded goals with the home team in front when it mattered most. Best for the turtles was **Galvin**, while **James Murphy** kicked 5 great goals.

Brens Oval was the host of a great honest contest with Williamstown gunning for eight straight wins against UHS. The University High team have been great thus far in not losing quarters by big margins and the difference here may have been **David Lee** and his eight goals. That's about fifty majors for him now so the ton is very much on the cards I think. **Ben Hynes** is a terrific player when in form and it showed here. The home side had multiple goal scorers but just fell short. Huge game for them after the break to follow.

Latrobe and Powerhouse did not inspire the masses on the weekend with a low scoring affair. The Piranhas have effectively no second goal scorer on the books and this week was no exception. Are they too 'Edo' conscious or just lack polish in the forward third? At any rate eight goals was a poor return but enough to win. The home side here have some soul searching to do if they are to post more wins for the year.

PREVIEWS

Some very intriguing affairs this middle of June to end the first half of the season.

Monash host UHS in a classic 'eight pointer'. The loser here is really behind the pack in terms of finals and I fancy Monash, at home, to do the business. The margin to be 11 points.

Willy host Latrobe and this will ensue a 9 – 0 start. In most years the VAFA record shows this to be unique but a few other divisions have undefeated sides. This team will remain like that for a while though . . . 59 points at the end here.

Hawthorn host Eltham in a classic. Tough for both sides, the Turtles however control possession well and it is a critical advantage at Rathmines Road. I fancy the away side by under a kick in our match of the round.

Powerhouse should beat an old foe in Elsternwick at home – but I can not have them with any degree of certainty. Adverse times for the red and black may see them produce a stunning upset here. Under ten points to Grace's charges here.

Finally St Johns – who must start winning away – get a great chance against Swinburne to do so. Will be a tight tussle but selecting the away tem by 16 points.

UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

Triathlete

Our good luck and best wishes go out to field umpire **Albie Firley** who has just left for Canada to represent Australia in the Triathlon World Cup. (see photo)

Albie tells us about his road to Vancouver. "Reaching international representation level has been a long road, with all of my resources and spare time devoted to the cause during the last 2-3 years. National selection races are held all over Australia so travelling has been a big part of the experience. There were no selection races held in Victoria this year so the task was even more taxing, with no home turf advantage.

Racing against Australia's best Olympic distance triathletes over the summer months in Nowra, Newcastle, Hobart, and the Australian Triathlon Championships in Perth was extremely challenging, but delivered a very pleasing outcome with my qualification and selection for the Australian Olympic distance Triathlon age group team.

The Australian team will compete at the Triathlon World Cup in Vancouver Canada this coming June, racing over the Olympic distance of 1500m swim/ 40km Bike/ 10km run."

His event will be run on Sunday 8th June (Vancouver time) Keep an eye on Albie's progress at <http://www.triathlonvancouver.com/index.html>

(As we went to print we learned that Albie finished a credible 57th in his age category. Unfortunately the swim leg was cancelled due to rough conditions, so no doubt the other two legs were pretty tough. A sensational effort to represent Australia, and we'll see Albie back out in the middle soon.)

Representative games

Congratulations to all the guys who represented us in the representative games last weekend. **Russell Davidson** in Sydney, **Tim Sutcliffe**, **Brent Woodhead**, **Jordan Mayston** & **Chris Kearney** in Melbourne and **Luke Holmes** in Brisbane. A special thank you also to **Jamie Gunn**, **Frank Palermo**, **Brendan Corcoran** & **Sean Scully** senior who acted as water-boys for both teams at Sportscover Arena last Saturday.

Wet Season

Our coaches have on two occasions this year on a Thursday prior to a weekend of matches, given us a talk on what to expect when rain is predicted for Saturday. We go through the fact that footwear is important, the ball will be slippery, more contested ball, dropped marks and muddy centres, all this but with one important element missing. That would be the rain!!! The boys are having as much luck predicting the rain as weatherman **David Brown** has of understanding the holding the ball rule. Just keep going boys, we love running around in flats.

Keeping warm

The one weekend it did rain and have a chill factor of minus 1 degree, one umpire came up with a novel idea of keeping warm. **Brent Woodhead** decided that the use of his hair dryer would come in handy to generate some much needed warmth within the umpire's rooms. It seems that the "splinter" had the dryer going before the game, during the halftime break and at the end of the game. Not once did he use it for his hair, we hope he shared the warmth around.

Apology

We would like to send our apologies to trucking magnate **Lindsay Fox** for not allowing him to park his helicopter at MHSOB. Unfortunately the game between MHSOB and Hampton Rovers was still going on at 4.40 pm, Lindsay got pretty low while circling the field and decided to park the chopper elsewhere.

Functions

Huge, huge milestone

On June 21st goal umpire **Kevin "Chillie" Segota** officiates for the 600th time as a VFAA umpire. A former A section grand final field umpire (who was the best bounce in the business), he turned to the flag-waving caper and has had plenty of success there as well.

After his game at **Sportscover Arena** on that day, **Kev** will be celebrating with family, friends, fellow umpires and any other people that have been with him along this long journey.

This is a fantastic achievement and we'd like to see as many as possible attend to help him reminisce on the great times he has had in this very distinguished career.

The function will be held in the Umpires Function Rooms at **Sportscover Arena, Elsternwick Park from 7:30 onwards**. Food & drinks at our regular reasonable prices. Just for catering purposes, please RSVP to **Macca** at Steve.McCarthy@infotech.monash.edu.au if you'd like to attend. Let's have a big one to celebrate this very important event.

Trivia Night

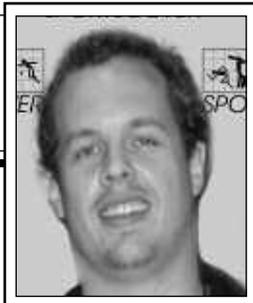

It's back on again the "2008 VFAUA Trivia night" on Saturday 5th July at the umpire's rooms. Start time 7.30pm and \$10 entry. Hosted by our very own "MC Jones", plenty of giveaways, raffles and spot prizes. Usually a big night so get in early.

RESPECT THE UMPIRE – RESPECT THE GAME!!

D4 SECTION

by Duncan Palmer

The Sunday Sports section of the paper can evoke multiple emotions from a coach. Take this Saturday for example. The West Brunswick second half performance against Richmond would evoke concern, trepidation, resignation, hope and maybe even nausea. The hope is for coaches like **Nathan Dallas**, who would see the Centrals as the side they need to dislodge from the five. **Peter Armstrong** on the other hand would be more prone to frustration and would be cursing the football deity who had subjected him to Kew, SFX and West Brunswick in consecutive rounds. He would also be wondering how he could turn what had been brave, but ultimately fruitless losses, into a season changing victory over the ladder leaders. Can Box Hill North's 'David' slay this 'Goliath'?

I often wonder what a coach does in these "David v Goliath" situations. Does he attempt to shut down the opposition stars, with a match-up or tag for each of them? Otherwise he could back his own players to kick a winning score, go for full attack, and stack his on-ball and forward line. Most coaches probably take the middle road, with a few designated shut-down roles, however the major focus on their usual game plan. I will leave it to **Peter** and his fellow coaches to develop their own tactics. What I will say is that no team is unbeatable. The team that is prepared to run hard, tackle, and block, all match, is best placed to take advantage of any potential drop in form.

For a fair portion of the first half at Kevin Bartlett Reserve the Snakes were more than competitive with West Brunswick. A goalless first quarter was not indicative of the heavy pressure Richmond were subjecting the Magpies to, and it was probably only the wealth of scoring options available to them that allowed the black and white to take a four goal lead at half time. After the break though **Richard Peoples** traded in his ageing fedora and whip, and brought out his big guns. **Jarrod Sudholz** belied his absence from my list of top forwards to blast nine through the big sticks, while **Evan Lloyd**, **Scott Dishon** and ruckman **Josh Melican** rounded out the best as West Brunswick played their best half of football for the year and ran out 116 point winners.

Box Hill made the perfect start on Saturday with two quick goals and with a taller side more suited to their home ground, looked to be well on their way to a good result. **Dave Martini** was proving a headache for the SFX defenders and Jason Irish in his senior return was dangerous around goal. In the second

quarter though the Xmen used their pace to great effect and set up a handy four goal lead. Two further goals at the start of the third set what was ultimately a match winning lead, though the Demons never gave up and a last quarter surge almost overwhelmed St Francis Xavier. **Brendan** and **Anthony Pryor** led the way for the Xmen, though a long bomb in the third from **Jess Mathers** was probably the highlight for the day.

The dominance of Sharks full forward **David Viola** proved be the difference against a plucky Cobras unit, despite some heroics from **Ryan Daley** at the other end. Both sides were missing some tall, the most notable being **Tim Fradkin** for Bulleen. In the end it was the side who adapted best with Viola and pinch-hit ruckman **Kirk Lindsay** providing the edge for Eley Park. Bulleen were within five points at the final change and never gave up, however ran out of legs in the last. Despite the loss, the mood is still upbeat at the Cobras who continue to improve, though I do understand there is one trainer who is unhappy with her photo in the record last week. Kew were too big, and too polished for North Brunswick, though once again the improvement from the young 'junkyard' crew was evident and their five goal second quarter was a fair reflection of their tenacity and growing confidence. **Haydn Thorp** and **Zac Vansittart** again topped the Bears best, whilst **Mick Sorletto** led the way for the green and gold.

There were no reports from the other two matches, won by Mt Lilydale and Albert Park respectively, though an insider did tell me that **Walter McIndoe** was at his destructive best in the ruck for the Falcons, and that they are building for a big second half of the year. Watch this space.

TODAY'S D4 MATCHES

 ALBERT PARK v ST FRANCIS XAVIER
 MT LILYDALE v RICHMOND CENTRAL
 ELEY PARK v NORTH BRUNSWICK
 KEW v SOUTH MORNINGTON

Previews

Match of the Round

Mt Lilydale v Richmond Central

In a pivotal 'eight point game', the winner will create some breathing space in the five, and the loser will drop closer to the edge. Can Mt Lilydale contain Troy Whiting? Who will stifle the athletic Michael Rhodes for the Centrals? Home ground advantage on the mountain is enormous and will see Mt Lilydale victorious by 17 points.

Bulleen Cobras v Syndal Tally Ho

This is another chance for the Synners to break their duck, but the home side appear to have too many avenues to goal. Cobras by 32.

West Brunswick v Box Hill North

Another huge challenge for the Demons will prove too great as Jason Sudholz boots another nine and the Magpies win by 36 points.

Albert Park v St Francis Xavier

The Falcons have returned to form, and this match will be a lot closer than many expect with veteran Justin Kane dangerous for the 'lakesiders'. St Francis Xavier just, by 3pts.

Kew v South Mornington

South seem to be slowly regaining a few players and will return to form soon, however the Bears are travelling very nicely and the Tigers will find Greg Bell too strong in the ruck. Kew by 43 points.

Eley Park v North Brunswick

There is something to like about both these sides as they look to gel new young combinations together. Eley Park may just have too many goal-kicking options through the Violas and sneak the win by 11 points.

MILESTONES

Bulleen Cobras - Rod Sheehan is playing his last game of D4 footy this weekend after playing over **550 games** for the club. Rod has had an involvement with the Bulleen Cobras since playing Under 10's roughly 40 years ago with only one break of about 5 years in that time. He has been the heart & soul of the Bulleen Cobras footy club & it is with great pride that he has played in the same side as his son, Cameron, this year and also having his his daughter Jess as a club trainer. Congratulations on a great career & we look forward to sharing many yarns at the bar in the future.

U19 PREMIER

After a refreshing week off for all VAFA footballers we head into a cracker second half (well just short of it) of the season for U19 Premier footy. The halfway mark sees the evergreen De La Salle undefeated and the newly promoted St Bedes/Mentone Tigers travelling in great fashion. The ladder would tell you at this stage that only 3 sides in Old Scotch, Marcellin, and Uni Blacks can fight out the last two remaining spots. I guess as obvious as it sounds, only time will tell.....

Although 2 weeks ago, last round we saw the favourites all come away with the chocolates. St Bedes/Mentone kept Scotch comfortably away with a 72 point victory.

The "Shak" kicked 6; **Bastion** and **Brown** were solid for the tigers. Scotch will be disappointed to be comprehensively beaten by a side whose necks they are well and truly breathing down. **Lim** battled hard for the cardinals throughout proceedings. Marcellin tried hard against De La Salle being in touch at half time. But the De's came away with a comfortable 10 goal win with Marcellin only kicking 1 goal in the last quarter. The De's were aided through **Tolongs**, **Collins**, and **Bonnadio's** good work on the footy and for Marcellin, **Wildsmith** was best on for the visitors. Rupertswood put together two in a row to pick themselves right up off the deck to the tune of 11 goals. Last years grand finalists in St Bernards are well and truly struggling being down at every change against Rupo. **Johansen** and **Scott** tried hard for the Snowdogs and for the victors **Smerdon** was BOG with his 5 coffee scrolls. Blues also recorded their second victory for 2008 defeating SKOB's by 40 points at "Spaghetti Righetti" oval. **Pryde** was best on with his 6 sausage rolls (yes I'm trying to find another term every time I say goals) for the Blues, and SKOB's were well served by **Nash** and **McDermott** who kicked 4 citylink tolls (sorry, that was a terrible gag). Blacks came out winners by 4 points in a hard fought, rip-snorting, tight tussle at the **Crawford**. Scores were tight at every change with **Shep** and **Belly** in the best for the Blacks. For Xavs it was **Lynch** and **Skidmore** who led the way for the visitors.

Round 9 sees Scotch v De La at Camberwell. De La should be too good me thinks. Blues host Rupo which should be a very close game of Under 19 footy. Marcellin looks a good thing at home and should account for SKOB's. Uni Blacks should be too strong out

at St Bernards and St Bedes/Mentone tackle Xavs at Xavs and should be too good.

Grima's Corner:

NORTH (1) ROUND REWIND

Welcome back to another edition of Grima's Corner. Hopefully all sides enjoyed the break and any niggling injuries were repaired quickly to continue on with our wonderful season.

Prior to the break, it was the Fitzroy Reds who easily accounted for an inconsistent Old Carey line up, running out winners to the tune of 46 points. **Dylan Temple** put in a best on ground performance with his four goals, whilst the hyphenated express in **Thomas Macready-Bryan** was again solid for Old Carey with his four majors.

Look up the word spanning in the dictionary and you'll find an archive of the game between Old Ivanhoe and Banyule/Viewbank. Old Ivanhoe kicked the year's highest total score of 197 to belt a lack luster Banyule squad by 117 points. **Alex Diorietes** starred for Ivanhoe, kicking three goals in his best on ground display. **Harrison Tippert** was a stand out in a forgetful day for Banyule.

Old Essendon got into the winners circle on a rare occasion after they produced a gutsy display to down cellar dweller Old Paradians by 21 points. **Nick Bulhakow** was on fire, booting six goals to lead his side to victory. **Chris Kandilakis** was named best for the Paradians.

Old Trinity continued their fine form with a 100 point smashing of Old Camberwell. Trinity have a great squad and looked destined to make a run at the flag come finals time. **Eddy Morrison** and **Ben Weissenfeld** were two players who shone in an impressive victory. Bulleen and Manningham produced a thriller that went down to the wire two weeks ago, with Bulleen getting the chocolates after a seven point victory. **Damian Kovacevic** was the Shark's best player with his three goals in the tough loss.

TIP: Bulleen by 1 point

North (2) Round Rewind:

Aquinas continued on their merry way with a routine 54 point thumping of Therry Penola. Gun forward **Matty Aver** added five more goals to his overall tally this season, whilst **Lachlan Barnes** was superb all afternoon. **Joel McCulloch** was Therry's best in a disappointing afternoon against the league leaders.

St Bernards had an impressive victory against the lowly rated Fitzroy Reds, running out victors by 52 points. **Brenton Cooper** was named best on field whilst **Joseph Pignataro** bagged five. **James Harding** was great for Fitzroy in a tough loss.

Rupertswood jumped back in the winners circle with a great win against Old Geelong. The three goal victory may give them the confidence they need to get their season back on track. **Matt Takacs** was brilliant, booting seven goals in the win.

NOBS/St Pats and Emmaus St Leos played out a cracking game of footy on the weekend, with the Old Boys running out winners by 15 points. **Jason Brun** was the difference between the two sides, as he booted a lazy seven goals.

Ivahoe AFC had a comfortable five goal victory against decent opposition in the Old Xaverians. **Tom Clancy** was the best player in a losing side.

UNDER 19 SOUTH 1

Old Melburnians, awesome. Sharks vs Tonners, fairly close. And three games with the winning sides booting 30 goals or more.

Ormond looked the goods early, holding a narrow lead for much of the first half, but then went from chocolates to boiled lollies, as the Old Melburnians juggernaut came to life and literally destroyed the visitors over the next two quarters. OMs' nine goals to two (against a side boasting a percentage over 300) left Ormond reeling, with **Ed Hughes** and **Dan Sartori** capitalizing on great work right round the ground by a tightly knit group of Old Melburnians.

The Beaumaris vs Old Brighton clash was pretty close for most of the first three quarters, before the Sharks decided to assert their authority over the Tonners - by piling on six goals in the final term to record a comfortable victory.

The Panthers were able to field full a side, but - that step achieved - the rest of the day followed a sadly familiar pattern and Caulfield were virtually able to do much as they liked, with **Paul McGlashan** kicking 11. However, Mentone were able to get a bit of system going after half time: their best were **Jarrod Lumsden**, **Mike Myers-Snyders** and **Matt Christopoulos**. Special mention to two players who played their first game for the club: **Daniel Alexander** and **Cam Labrooy** - both were good.

The second of three massively uneven games saw Collegians totally demolish Old Haileybury in three of the four quarters. As with the Panthers v Caulfield game above, the home side trailed by 18 goals to 2 at half time, and Collegians - after a bit of a breather in the third - finished with eleven goal-kickers on the day, as they surged to 30 goals at the final siren.

And not to be upstaged, Mazenod had 19 goals to three on their board against Oakleigh by the long break. Here, too, the third quarter saw a bit of a breather, with the Krushers matching the Noddors with four goals apiece, before the carnage continued.

BEAUMARIS v OLD MELBURNIANS
at Junction Oval
MAZENOD v CAULFIELD
OLD MENTONIANS v OLD BRIGHTON
OAKLEIGH v OLD HAILEYBURY
COLLEGIANS v ORMOND

This Week Round 9

Caulfield against Mazenod. This just could be a cracker. The Fields, third, against a side who after the awful start have been going up like a rocket at Chinese New Year. Caulfield by two points.

Collegians v Ormond. Collegians have performed well in recent weeks, but now need to step up a notch to defeat a top side. Ormond - not enjoying that first loss - will not let them in.

Beaumaris v Old Melburnians. Reckon the home side could trouble the OMs, on and off, but the incentive to go through the first half of the season undefeated (to say nothing of their ability) will get the red-legs home comfortably.

Old Mentone v Old Brighton: hard to see a huge change for the Panthers, although the return of a couple of injured players would help. Brighton, big-time.

Old Haileybury vs Oakleigh. The long-suffering Oakleigh team and officials might give themselves a chance today; however, I'm going for Haileybury, who will also be grateful for a win, and who at least seem to have better numbers.

UNDER 19 SOUTH 2

A perfect five out of five selections here, and with all margins very much as suggested. If you noted some lop-sided half time scores in South 1, the saga continued in South 2, with Monash Blues in front by nine goals to one at that stage, against Bedes/Mentone Tigers, with **Ben Robertson** well on the way to his 6 for the day. The onslaught continued in the third and it was only in the last that Monash eased back a little.

And in case you are wondering, De La Salle lead by just 14 goals to 2 at half time, in their game with the Parkdale Vultures. The visitors then only managed a couple more points in a continuing second-half blow-out.

However, still concentrating on half time scores, occasionally a game bucks the trend. Benteigh, nearly six goals up at half time, must be wondering what on earth they must do to win a game. They did everything right until against Hampton Rovers until about halfway through the third (another spray from the H-R bench?) and then went on to put in a final quarter akin to one from the Fremantle Dockers. The Rovers just wouldn't lie down, and came through with five goals to one in the last to take the game.

Another side perfecting the last term fade-out was the Pirates. After playing some of their best football in

weeks, Peninsula, 27 points to the good at the final break, looked like odds-on certainties. Only to see MHSOB muster something pretty special to add 6-4 to just 0-2 to take the game. (Glad I wasn't there - might have lost a fortune.) Suspect the boys from Peninsula would have been shattered.

AJAX returned to the winning list against Prahran-Caulfield, deriving great drive from the midfield led by **Kalmus, "Alka" Selzer and W. Steinberg**. Spearhead **Fayman** added another 6 to his tally (how long to the 100?) and **Webb** five in a clever display in the goal square. The Jackas didn't have it all their own way early, when The Blues heeded instructions to play tight and contest everything. However, Ajax were very quick and well drilled and they started to assert a bit of authority in the second quarter, whilst the PC boys became a little distracted while debating some umpiring decisions - which didn't really help the cause.

The AJAX game at home has the potential to be interesting, given the visitors' propensity for playing good football for about half a game a week. If Hampton Rovers could find some means of putting in four quarters at their top level, they could really push this down to the wire. However, despite the occasion, and the incentive to prove me wrong, I don't think they will do it. AJAX by 15 points.

Two teams coming off big losses last round are Parkdale Vultures and Prahran/Caulfield. Reckon the Blues - if they concentrate more and are distracted less - will have the ability to take the points.

MHSOB are at home, and will be ecstatic with last week's win. However, Bentleigh - as long as they are no less than five goals in front at ¾ time - should have the talent to take the game.

St.Bedes Metone Tigers have yet to make much impression on any of the better few teams in the section, and with De La Salle in that category I can't see the Tigers making much headway today. De La easily.

Due to Peter Lemons overseas travels, the VAFA needs a new Under 19 South 1 & 2 Scribe. For more information please contact Olivia.olivia@vafa.com.au or 9531 8333

CLUB XVIII SECTION

by Norm Nugent

Round 8 results which yielded me an eighty nine per cent success rate, served to clarify the respective strengths of many sides and have given a clearer picture of which sides are likely to feature in the August action.

Review of Round 8 Section 1

The accurate Prahran team comfortably accounted for Mazenod by eighty three points. Mazenod, who were weakened by promotions to their Reserves, did not capitulate and their players tried hard to honour Coach, **Simon Fisher** in his **300th game**. St Kevin's did improve their scoring against leaders, University Blues, who this Round won by eighty five points.

Old Melburnians kept their finals' chances alive by defeating Old Scotch by ten points. Old Xaverians had a rare close encounter as they only beat traditional rivals, De La Salle by two points.

Close games were the order for Old Xaverians as their "Ménages" and Collegians only had a few points separating their scores for most of their game before the harder running Collegian's players established a twelve point margin by game's end. Best for Collegians included: ruckman, **Will Crothers** and **Simon Day**. For Old Xaverians, **Anthony Torre** and **David King** did well.

Section 2

University Blacks through their fifty point win over Old Trinity pushed Trinity out of the top four. Leaders, Monash Blues comfortably defeated Fitzroy Reds by seventy five points. Monash opened well but the Reds fought back to be only thirteen points in arrears at half time. The second half saw Monash break away to record their big win, in what spectators rated a painful encounter. Best for Monash were: the consistent **Paul Coughlin** (four goals), **Ed Batrouney** and **Dan O'Dwyer**.

Old Brighton justified my faith in them by defeating Old Scotch by twenty points. The win lifted Old Brighton into fourth place. St Bernard's easily defeated Caulfield Grammarians as their margin was ninety nine points.

Whitefriars, despite another inaccurate display up forward, probably defeated Box Hill North by a point (the result is in dispute as I write). Confirmation of victory will give Whitefriars a much greater chance of gaining

fourth place. Their best were: **Rob Nolan**, **Pete Tattersson** and **Ben Piggot**.

South

Ormond and Emmaus/St Leo's played a closely contested match, which Ormond won by fifteen points. Accurate kicking helped Old Geelong defeat Oakleigh by twenty seven points. Old Camberwell defeated Beaumaris by one hundred and six points at Sports Cover Arena. St Bede's' Mentone surrendered the Section lead by going down to St Mary's/ Salesian by three points.

North

The closeness of the scores throughout the Old Westbourne versus Box Hill North game was reflected by them being identical at the final siren. Best for Old Westbourne included: **Tristan Utting**, **Brian Knee** and **Tony Jofre**. Box Hill North was well served by: **Jake Buenaventura**, **John Tran** and **Tri Thoi**. Kew moved up to second place through their one hundred and forty two point victory over Therry Penola, who did not score until the second half.

Undeclared leaders, Marcellin pushed North Old Boy's/ St Patrick's down to third place as a consequence of the "Eagle's" win by sixty five points. By defeating Bulleen – Templestowe by thirty eight points, Old Carey moved two games clear of the "Bullants" on the ladder.

Preview of Round 9 Section 1

The two winless teams viz Mazenod and Old Scotch meet on Central Reserve where I forecast a Mazenod win purely on home ground advantage. Leaders, University Blues can expect spirited opposition from De La Salle, whose recent form has been very good. How the Blues will be affected by examinations and vacation is the unknown variable in selecting the winner in this match. I select University Blues, whose overall performances in 2008 warrant it. Prahran should be able to defeat Old Melburnians in what promises to be a closely fought game. Collegians, who impressed last Round, should record a comfortable win over St Kevin's.

The most intense match of the Round will be that between the Old Xaverian teams. In Round 1 the accurate Ménages broke away from the "Crocodiles" to win by forty one points. Since then the fortunes of the two sides have turned as the Ménages have won only twice more whereas the "Crocodiles" have not lost another game. The Ménages are an enigmatic side, who have not been able to sustain their best form nor their accurate kicking. Today, I favour the "Crocodiles" to reverse the Round 1 result by winning.

Section 2

Although the clash of top of the table Monash Blues and University Blacks may lose some of its appeal through vacation and examinations, it should still show the comparative strengths of the sides. Those who saw last year's Preliminary Final will remember how the Monash side overran the Melbourne based side in the final quarter. Could it happen again? Even though I favour Monash to win, I suspect the game will provide close scores throughout its duration.

The fluctuating form shown by Old Trinity makes the task of predicting their results extremely difficult. Trinity certainly aspire to a top four spot, and I believe they will have the talent to defeat Fitzroy Reds today.

A potential final's preview will be seen when fourth placed, Old Brighton visit second placed, St Bernard's. I select St Bernard's who are always hard to beat at home. Whitefriars should be able to defeat Caulfield Grammarians, who are yet to win a game.

In the afternoon match, Box Hill North and Old Scotch appear to be evenly matched. I select Box Hill North to win narrowly.

South

Leaders, Old Camberwell visit St Mary's/ Salesian, who lie in fourth place. From what has occurred in the first eight rounds, Old Camberwell has proven the more consistent side and so I select them today.

Old Geelong should keep their finals' aspirations alive by defeating Emmaus/ St Leo's, who have yet to taste victory this season.

In a southern based contest, St Bede's/ Mentone should regain their winning way at the expense of Beaumaris. Ormond should consolidate their place in the top four by accounting for Oakleigh today.

North

Today provides North Old Boy's/ St Patrick's the chance to regain momentum by defeating Old Westbourne. I believe they will do so.

Marcellin should continue on their winning way by again defeating Box Hill North. I doubt the "Eagle's" winning margin will be as great as that (148 points) in Round 5. Old Carey make the long trek out to Oak Park to play the keen and determined Therry Penola, who lack the height and depth of talent to defeat the fourth placed side.

Second placed, Kew who seem to be improving with each game should defeat Bulleen – Templestowe on the Ajani Reserve.
