

Box Hill North Theme Song

we're the best
we've stood the test
we are better then the rest
we're the mighty box hill north

we're the team that sticks together
it's always our endeavour
to win wherever we go
we honour the colours
the new and the old
and we'll strive
for a premiership flag to unfold

and no more will we lag
till we've won that treasured flag
we are the mighty box hill north
